Killarney students celebrate excellent results

Hundreds of students across Kerry received their Leaving Certificate results this week and students at schools in Killarney were among them.

Speaking to Killarney Outlook this week, deputy principal of St. Brigid's Secondary School Mairead Lucey said the tradition of academic excellence at St. Brigid's Presentation Secondary School was continued yesterday morning when almost 80 students collected their Leaving Certificate results from school Principal, Ms. Róisín Moore.

"The girls were in great form as they gathered in the school from 9am and there were lots of cheers when students opened their results with many surpassing their own expectations. 21% of students achieved over 500 points and 44% of students got in excess of 450 points. In the

Leaving Certificate Applied (LCA) the excellent standard of previous years was upheld with almost 60% of students getting over 94% which is an outstanding result" Ms Lucey said. "Although the current debate around compulsory Irish remains divisive, the Pres girls who chose to study higher level Irish reaped huge rewards when they opened their results yesterday as the Irish results were exceptional despite its reputation as one of the toughest subjects. This is good news for our native language which is often subjected to negative publicity", she added.

There was also celebrations at St Brendan's College and Killarney Community College where both schools expressed their delight with the results that their students had achieved.

All smiles with great results Miriam Fleming & Aisling Doyle

Sarah Crowley, Emily Egan & Ciara Moynihan who will be going on to study Law, Psychology & Accounting respectively.

Four Novices Professed at The Friary

There was great rejoicing at the Friary, Killarney, yesterday when four Novices were professed at a ceremony. Having successfully completed their Novitiate Year four Novices made their First Profession into the hands of their various Provincials.

Fr Theo van Adrichem ofm, Provincial of the Friars in Holland, received the vows of Br Benedetto Ressa. Fr Pierre Charland ofm, Provincial of the Friars in Canada received the Vows of Brothers Adrian Macor and Theodore Splinter. Fr Aidan McGrath, Provincial of the Irish Franciscans received the Vows of Brother Ian Cunningham Brother Joel Karlsson will

make his Profession in Sweden on the 24th August. The Novitiate in Killarney is now in its second year for candidates for the Order coming from Great Britain, the Netherlands, Germany and Ireland.

The newly Professed will return to their homelands to continue their formation and studies. Many friars from Ireland and overseas attended the Celebration. "It was a day of joy, but tinged with sadness as the friars at the Friary and the people say farewell to the newly Professed.... There always comes a time to say goodbye" Brother Liam told the Killarney Outlook.

Huge Killarney welcome for the Tour de Munster

Killarney welcomed cyclists on the Tour de Munster on Saturday afternoon much to delight of the management and staff at Deenagh Lodge.

Since Thursday, August 8th, cyclists have been tackling the roads of Munster as part of the 600km, four-day Tour de Munster charity cycle, raising vital funds and awareness for the Munster branches of Down Syndrome Ireland (DSI) and individual beneficiaries.

Long term supporter of the tour, cycling legend Sean Kelly once again cycled the 600km trip, leading the tour through the beautiful towns and villages of Munster. The tour started in Cork City on Thursday morning and covered an average of 150km per day as cyclists and support teams made their way

through Waterford, Tipperary, Limerick, Clare, Kerry, and then back to Cork on the final day where the cycle came to a thrilling end in Cork City, as over 100 amateur cyclists tackled the notoriously steep St. Patricks Hill to the sounds and cheers of supporters.

Since its inception in 2001, Tour de Munster has raised over €2.78 million for its beneficiaries, with almost €2.3 million for DSI alone. This year's tour was a special year as it celebrated the tenth year with Down Syndrome Ireland Munster branches as the main beneficiary of the tour.

Commenting at the top of St. Patrick's Hill, Paul Sheridan founder of Tour de Munster was very appreciative for everyone's support. "We have had a fantastic four days and I would like to

thank everyone involved who got behind the tour. Huge thanks and admiration goes to all of this year's cyclists, without them none of this would be possible. What they have done over the past four-days, travelling 150km each day and putting every ounce of effort in must be applauded. We were delighted to welcome back the many cyclists who support the tour, year after year, as well the new faces who were completing their first tour."

Paul continued, "The tour received such a warm welcome throughout Munster's six counties which meant a lot, it really motivated everyone and spurred us on. When you see the families who benefit from the funds raised, cheering you on, you remember exactly why you are doing this."

Killarney musician to host Nature Music

The culmination of an Arts project called Nature Music which has taken place in Killarney during July and August will take place on Friday August 23rd and Sunday August 25th at the Garden Room in Killarney House.

NATURE MUSIC is led by the composer and sound artist Seán Ó Dálaigh in collaboration with the Scotia Ensemble of Tralee and will feature music by Vivaldi and a brand new composition by Seán, which will be focusing on the theme of nature and the environment.

In the run up, Seán, who is from Killarney, has been leading a number of field recording workshops with the public in the Killarney National Park, showing how he is working on the new music piece using recorded sounds from nature. Participants have learned the basics for recording sound, both indoors and outdoors, in nature and how to edit them later for use in documentation, ornithology and nature studies, film soundtracks and sound art. The public's contribution from the workshops will form a temporary sound exhibition at Killarney House during Heritage Week.

Kerry Mayor Niall Kelliher has welcomed the project: "As Mayor of Kerry it is fantastic to see projects such as Nature Music that highlight the creativity within the county and, particularly, arts projects that are inspired by nature and the environment.

The Creative Ireland Kerry projects- supported by the Department of Culture, Heritage and the

Gaeltacht, the Arts Council and Kerry County Council- are a great opportunity to promote the wealth of creativity in County Kerry and a chance to celebrate the imagination and inspiration of our hugely talented artists."

"I am very excited to be working on a project in my home town of Killarney. Having lived and worked away from Kerry for a long time it is a great feeling to be able to give something back to the community that raised me. It is a great honour to have received the funding and support from the various organisations and we are looking forward to engaging with the local

community" Sean told the Killarney Outlook. The project has been kindly funded by the Arts Councils Music Commissions Award and the Creative Projects in Communities fund from Kerry County Council and Creative Ireland.

It's all about saving lives.... Randles family install defibrillator

Pictured at the Dromhall Hotel this week were Ciara O'Callaghan, Clodagh O'Keeffe, Mike Talbot, Bernadette Randles and Karen Murphy.

The Randles family has installed a defibrillator on an exterior wall of the popular Dromhall Hotel on the Muckcross Road.

The device will be available round the clock to the guests of the Hotel and its sister property, Randles Hotel and also to the local community in the event of a cardiac emergency.

"The installation of a defibrillator is something my family always wanted to do" Bernadette Randles told the Killarney Outlook.

"The defibrillator is available outside the hotel 24 hours a day, 7 days a week. The important

message now is for the community and businesses especially on the Muckcross Road side of town is to know the location of their newest and nearest defibrillator unit", she added.

Managing Director of Dromhall Hotel, Bernadette Randles is delighted to have led the purchase and facilitated the installation of the unit and believes "Each unit will save lives and the provision of these life-saving pieces of equipment around the town and county increases the survival rate of a person in

cardiac arrest and the hotel will be a helpful place in times of emergency."

There will always be a trained first aider on duty and the defibrillator itself is designed to be usable by anyone, "Press the button on the machine and it will tell you what to do" Bernadette said.

Welcoming the news, Damien Baker from Heart of Ireland said "We are delighted to see business owners installing public accessible AEDs in their premises. We would urge anyone with an AED in their workplace to consider putting it on an outside wall to make them publicly accessible", he added.

The Muckcross Road is a very busy part of Killarney and to have a defibrillator installed for public access in a central location but also for the surrounding businesses in the area can only be a positive addition to the area.

Discover Kerry's Hidden Heritage at free events across the county

A guided tour of Ross Castle is among a number of events which are set to take place to celebrate Heritage Week in Kerry.

The history of exotic gardens, falconry demonstrations and the technology behind a 19th century garden are some of the great events being hosted by the Office of Public Works (OPW) to celebrate National Heritage Week which takes place from the 17th to 25th of August.

The event is a celebration of Ireland's built, natural and cultural heritage and aims to generate awareness, appreciation and preservation of Ireland's wonderful resources. With a chosen theme for this year's Heritage Week being the celebration of Pastimes and Past Times members of the public are invited to free guided tours at Ross Castle on Sunday 25th August from 10am to 4.45pm.

There will also be an opportunity to

experience the ancient royal sport of falconry, demonstrated by expert falconer Liam Regan from Falconry Kerry. This will provide a unique opportunity to get up close to these majestic birds & witness their agility & skill.

Falconry is the hunting of small animals in their natural habitat by trained birds of prey dating back over 4,000 years. In an interactive

demonstration, hawks and falcons will be flown to display agility, swooping and diving to catch food tossed in the air. Visit www.falconrykerry.com for information about hawk walks and displays. An opportunity to meet & hold both native and exotic owls. Admission is free for this event and it will take place from 2.00 – 2.30p.m. Other events in Kerry include free admission and guided tours of Ardfert Cathedral and Derrynane House.

This week is coordinated by the Heritage Council and is now one of Ireland's largest cultural events. This year some half a million people are expected to attend some 2,200 events across the country

For more information on all of these events and on all things heritage week go to www.heritageweek.ie or contact OPW Client Services and Communications at 01 6476106 or opwcsc@opw.ie.

TD requests Housing Minister to raise income limits

Danny Healy-Rae TD has called on Minister for Housing Minister Eoghan Murphy to review of the income limit for family units applying for social housing and asking that the limit is raised. Several housing applicants are unfairly being thrown off the housing list due to the unfair income limits. As an example a couple with 3 children applying to Kerry County Council can only have an income of €33,750 or less which is only €2,750 more than a single person housing applicant. This is very unfair

and it discourages families from working as they end up worse off if they do so. I also ask for those families in receipt of Working Family Payment WFP (formerly known as FIS Family Income Supplement), that this payment not be taken into account as in many instances it puts families over the income limit when they need this payment to survive. FIS or any other social welfare payment for families should not be assessed as part of income for family housing applicants.

MONEY MATTERS.....

USING A PENSION TO PAY LESS TAX

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally at least 25% of the value of your pension can usually be taken either completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in paying much less tax in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninifa@gmail.com

Liebherr announces details of Apprenticeship Programme for 2020

Apprentices benefit from extensive training and state-of-the-art facilities.

LIEBHERR

Liebherr electrical apprentices examine some computer code in the crane control system.

Liebherr Container Cranes has announced details of the Apprenticeship Programme for 2020. Apprenticeships are available in three different fields, Electrical, Mechanical Automation and Maintenance Fitter, and Metal Fabrication. Upon completion, graduates will receive a dual qualification, a Level 6 Craft Certificate in their trade and a Level 6 Higher Certificate in Engineering in their respective fields from IT Tralee. Liebherr apprenticeships are an excellent opportunity for candidates to get an internationally recognized qualification along with an academic qualification, which provides a basis for further studies. Liebherr Container Cranes has long been

recognised as a pioneer in the provision of apprenticeships. The very first apprentices in Liebherr Container Cranes enrolled in 1959 and since then Liebherr has trained over 1000 apprentices in Killarney. The apprentice-training model combines a practical and theoretical education, delivered with the cooperation of SOLAS, the state body with responsibility for training and further education. The apprentice scheme has proved very successful over the years, with graduates occupying a wide variety of roles within the company, up to and including Managing Director. To apply for these roles, applicants should send an up to date CV, a copy of leaving and

junior cert results and a cover letter specifying the role that you are interested in and why to apprenticerecruit.lcc@liebherr.com. Any further documents such as training certificates, references, project details and awards etc. should also be included. The closing date for receipt of completed applications is Friday the 6th September 2019. Applicants must be at least 16 years of age on 01.01.2020. Successful candidates will benefit from a competitive package, fully paid training and education, excellent future employment and progression prospects, along with the opportunity to travel the world.

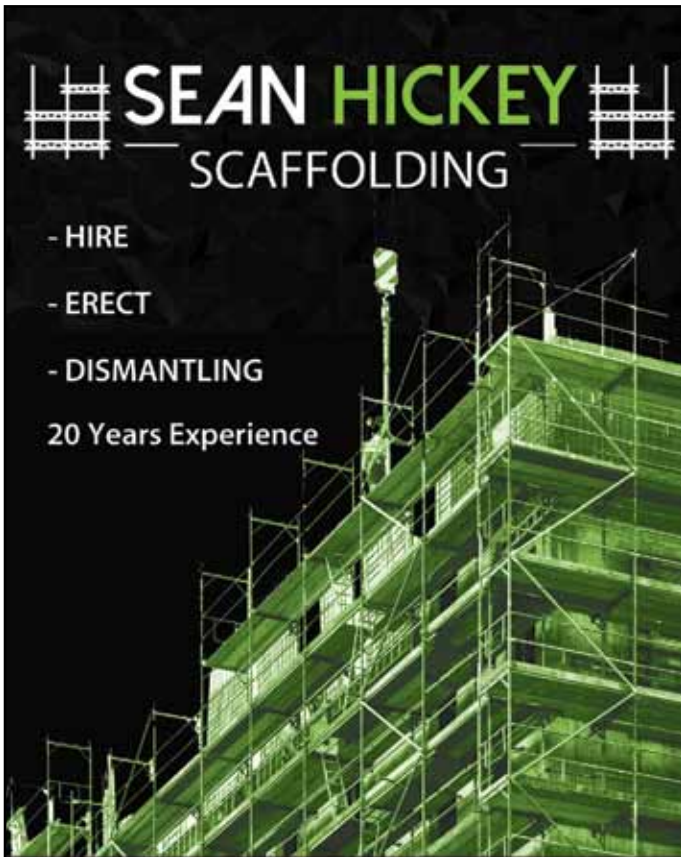

Kevin McGillicuddy, Anabla, Kilmartin, Kilmartin and Lynn Brophy, Bm, Co. Offaly who married recently in Monaleen Church, Limerick. Kevin is the son of the late Jeremiah McGillicuddy and Catherine McGillicuddy. Lynn is the daughter of Charlie Brophy and Mary Brophy. Bridesmaids were Lorraine Keegan, Ema Brophy and Clive Devine. Groomsmen were John Curtin, Tony McGillicuddy and Francis McGillicuddy. The reception was held in the Strand Hotel, Limerick. The couple will reside in Lonsford.

AWARE to host New Positive Mental Health Programme

Feel like learning some new skills to better deal with life's ups and downs?

Aware, Ireland's national charity supporting people affected by depression, bipolar disorder and mood-related conditions, is to host a new positive mental health programme, free of charge, in County Kerry starting next month.

Aware's Life Skills Programme, which is open to anyone wishing to learn new ways of dealing with life's ups and downs, gets underway at the Rose Hotel, Tralee, on Monday September 9 at 7.30pm.

The programme takes place over a period of six weeks and is open to people aged 18 years and over. You can secure your place with a booking deposit of €30 (€10 for students, and those who are unemployed or over 65 years or who hold a medical card) – refundable at the end of the programme – by visiting www.aware.ie/education

It is estimated that there are more than 450,000

people in Ireland who experience depression at any one time, while there are approximately 45,000 people diagnosed with bipolar disorder. Depression and bipolar disorder are mental health conditions that affect our thinking, energy, feelings and behaviour. While they can vary from mild to severe, and impact on our relationships, family and work lives, it is possible to find ways to manage the conditions, and to lead healthy and productive lives.

According to Bríd O'Meara, Aware's Director of Services, the new programme is designed to help people better cope with the challenges in their lives:

"The Life Skills Programme is designed to

give people insights into how we think and how this can influence our actions in both helpful and unhelpful ways. Based on the principles of cognitive behavioural therapy, each session is guided by our trained facilitator to help people better manage the stresses of everyday life, learning to spot unhelpful thoughts and discovering new and healthier ways of thinking. It is important to emphasise that confidentiality is the bedrock of the programme and nobody is asked to share personal information or experiences. The results speak for themselves with evaluations showing participants experiencing reduced levels of anxiety and improved mood on completion of the programme."

If you are worried about depression or bipolar disorder, you can call the Aware Support Line on Freephone 1800 80 48 48 or email supportmail@aware.ie

Brookfield helps students reach their full potential

Brookfield College

The exceptional success rates achieved by previous Leaving Cert classes at Brookfield College continued when the class of 2019 received their results this week. Now beginning its 32nd year, the school is located in a new modern building in Monavalley Tralee. Brookfield College is a leading provider of private second level education, offering a full-time programme for fifth year, sixth year and repeat Leaving Certificate students. At present the school is busy enrolling students for the coming year.

According to Principal Elisha Dowling there is an atmosphere at Brookfield College where students are encouraged and expected to perform. While Brookfield College has a record of very impressive results at the top end of the scale Elisha was keen to point out that it not all about the high achievers. "Our aim is for each student to reach their potential. For some students 300 points or less can be a great achievement. We all have different academic abilities and talents. Once someone can say they did their best that's what is important."

Senior Cycle is tough and requires commitment dedication and effort. It is important that people are happy in their school environment. "Students really enjoy their time with us .The get a lot out of the year besides the results and find it a great preparation for Third Level."

Repeating Leaving Certificate can be the right option

At present some students will be considering repeating their Leaving Certificate. Disappointing results present us with difficult decisions and fewer choices. You may have missed your first choice by a few points. You may just feel that your results do not accurately reflect your ability. Repeating the Leaving is not an easy option but often it is the right one. A change of environment with a different approach can be worthwhile. According to Elisha Brookfield College offers that alternative. 'Our average increase for repeat students last year was 92 points. With the right attitude and work rate a feeling of disappointment and regret can be turned into a feeling of

elation and satisfaction in the space of a short academic year.' In a competitive market for jobs and third level places opportunities exist for those who have proven their ability. For those with little to show doors remain closed. It is worth considering before you decide your next move.

As well as full time courses Brookfield College also offers a comprehensive programme of weekly grinds, supervised study and revision courses.

For details on any of the above contact Brookfield College, Monavalley, Tralee. Phone 066-7145896 www.brookfieldcollege.ie

Puck Power

Go-Fund-Me success for Ireland's oldest festival

Thousands gathered on Saturday last for the beginning of one of Ireland's most famous annual spectacles; Puck Fair. From the palpable excitement at the early morning Horse Fair to the thousands of people that braved the elements and turned out in force to witness Killorglin's famous Coronation Parade and Ceremony, it's safe to say that the first day of Puck Fair 2019 has not disappointed.

Ireland's oldest festival, which dates as far back as the early 17th century, and over the course of three days (Saturday 10th to Monday 12th August) visitors from at home and abroad descended upon the town to witness the coronation of a wild goat as King Puck, who reigned over Killorglin for three days before returning to his mountain home.

Those in attendance will be glad they visited, given the jam-packed programme of free entertainment on offer over the course of the festival, including street performances, music and dance workshops, fancy dress competitions, food stalls, live music and much more.

The first day of Puck Fair 2019 was particularly poignant given the recent battles faced by the committee, who were met with uncertainty over the future of the festival this year for the first time in its lengthy history. Soaring insurance costs meant that funds for the overall running of the event were dwindling, jeopardising its reputation for providing three days of free family fun to the thousands that visit each year. With mounting bills and significant financial strain on the cards, the Puck Fair committee made the decision to launch a GoFundMe campaign in July, appealing to the generosity of the general public to help them continue one of Ireland's longest-standing traditions.

The people came forward in their droves and dug deep, with the €10,000 target all but met within a matter of weeks. The campaign will run until the end of August, with committee members hopeful that those attending this year's festival will be encouraged to donate further after experiencing the fun of the fair first-hand.

Serious Racing, Serious Fun and Sensational Style

Listowel will host its 161st harvest racing festival from Sunday 8th to Saturday 14th of September. Attracting huge crowds from all over Ireland and abroad, this celebrated 7 day festival once again promises to live up to its reputation for Serious Racing, Serious Fun and Sensational Style. Renowned as one of the longest established race meetings in Ireland, this year the total Prize Money over the 7 days is €1.343,500m. Racing highlights include the €40,000 Kerry Group Handicap Steeplechase (Sunday 8th); the €200,000 Guinness Kerry National Handicap Steeplechase, Grade A (Wednesday 11th) and the €100,000 Ladbrokes Ireland Handicap Hurdle, Grade B (Thursday 12th). Social highlights include the Kerry Group Family Day on Sunday 8th, the McElligotts Honda Ladies Day on Friday 13th and the Listowel Tidy Towns / An Taisce sustainable focussed fashion competition on Saturday 14th of September, the closing day of the 2019 festival. For more information or to book tickets online visit www.listowelraces.ie.

Listowel Races is the place to see what's on trend for the new Autumn season with fashion competitions offering stylish racers of all ages

the opportunity to dress to impress and win generous cash prizes and even a new Honda Civic for a year! Once again, McElligotts and Honda Ireland are sponsoring Ladies Day on Friday 13th of September. Judged by two fashion icons Marietta Doran and Celia Holman Lee, this year the overall McElligotts Honda Best Dressed Lady will win a Honda Civic for a year and €3,000 in cash, with further cash prizes be won on the day for Jazziest Headpiece and Most Stylish Selfie! Listowel Races goes Green on Saturday 14th of September with the Listowel Tidy Town / An Taisce Best Presentation of an Up cycled/Restyled or Authentic Vintage Outfit. This is the 7th year of this popular sustainable focussed fashion competition which encourages race goers to wear vintage and to re-style and up-cycle their wardrobes so as to reduce waste and be kinder to the environment. Generously sponsored by Listowel Race Company, McCarthy Brokers, Oonagh of Broderick's Pharmacy and the businesses of Listowel town, it will be judged by vintage lover and top model Pat Walker and Susan Vickers from An Taisce.

Miami Showband Musical comes to Killarney

Following its outstanding success at the Grand Opera House, Belfast, THE MIAMI SHOWBAND MUSICAL comes to the INEC Killarney on August 28th, 2019.

It looks like Marie Jones (Stones In His Pockets) and Martin Lynch (DANCING SHOES - The George Best Story) have another huge hit on their hands. Telling the story of best friends and the band's songwriters, Fran O'Toole and

Des Lee, The Miami Showband Story is a roller-coaster ride of emotions as the musical takes us from the heady days of the 1960's when the band was known as 'The Irish Beatles', to the powerful tragedy of 1975 that resulted in 3 members of the band losing their lives at a bogus paramilitary road check.

Full house notices went up for 10 nights in Belfast as audiences sang, danced and cheered

the show to the rafters. Playwright Lynch said, "I've had some great Opening Night reactions to my plays but I have never witnessed what I saw in Belfast. Audiences went wild. The encore of Miami songs at the end of the show brought the audience to their feet in what can only be described as a crowd eruption."

The 9-strong cast includes an amazing live showband made up of some of the best young musicians in Ireland, supported by 3 actor singers, adding up to what punters are saying, is 'a great night out'.

Playwright Jones added, "The show doesn't shy away from the tragedy. We have worked hard at dealing with the tragic event in a very sensitive and poignant way. Audiences have been very moved by this scene, indeed loads of people are telling us they shed tears."

Galway actor, Enda Kilroy commented, "We can't wait to take the show around the country and bring to audiences what is a truly remarkable story, both joyful and shocking, but told quite brilliantly by two of our finest playwrights."

Former Miami band member and survivor from the massacre, Des Lee, who has been closely involved in the rehearsals, added, "It's just fantastic. Nine live actor/musicians and singers make for a brilliant showband sound. And of course, the storyline is an incredibly emotional journey for me to watch. Audiences are in for a treat."

EAST REGION MINOR SEMI FINAL

Glenflesk 4 – 15 Beaufort 0 – 5

Glenflesk minors qualified for the East Kerry Division 2 final after a second comfortable win over Beaufort in a matter of weeks. This was a match played in dirty conditions with a driving wind and heavy rain making attractive play difficult. Beaufort got the first two points of the game as they took the initiative early. Glenflesk then responded with a point of their own after a long kick out was claimed in midfield and the ball was worked in well before Patrick Darcy dispatched it between the posts. They followed this up with two very similar goals both coming with long accurate balls into the corner, which were gathered by Darragh Tangney who evaded his marker and buried a shot to the net under the goalies body expertly both times. They added two further goals by Patrick Darcy and Jonathan Bowler in the first half to give them a convincing lead at half time.

The second half was scrappy as Beaufort tried desperately to find some way to get back in the match and Glenflesk were happy to protect their lead. There were still some great scores produced as Beaufort scores two lovely points from out wide and Tangney and Tommy Bowler scored with massive efforts from out the field. Beaufort had a late goal chance but goalkeeper Marc Kelleher's reflexes were up to the task as he saved smartly with his knees. From here the game drifted to its ineffectable conclusion.

Beauforts campaign then ends after three matches against stronger opposition. It was tough on them but they will learn from these experiences. For Glenflesk, a final now awaits against a Kilcummin team they lost earlier to in a match that they could easily have won. That was an epic battle and next weeks rematch is one not to be missed

EDUCATION OUTLOOK

BRILLIANT RESULTS

Early analysis indicates that the Leaving Cert results in Kerry are excellent, so offers of third level college places will pour into the region today when Round One is issued by the CAO at 2pm. It looks as if Kerry's CAO applicants will be top of the class in securing college places. More than 70% of Kerry's Leaving Cert candidates are likely to progress to higher education. A further 20% will secure places in Further Education, Apprenticeships and Traineeships.

ROUND ONE

CAO Round One offers and points will be available at www.cao.ie at 2pm, today. Round One offers must be accepted by 5.15pm, Fri, 23rd Aug. The following key points will simply the CAO course offers process for you:

- You are offered the highest course preference/s to which you are entitled.
- When you are offered a course preference, you are excluded from any course preference lower than the one, which you are offered.
- In the second or subsequent rounds of offers, you won't be considered for a preference lower than that already offered.
- If you are offered a preference, which is not your first preference, you may subsequently be offered a higher preference if such a place becomes available.
- It's not necessary to accept an offer in order to be considered for a higher preference if it becomes available. As there is no guarantee, of course, that a higher preference will become available, it's in your best interests to accept your first-round offer and hope for the best in the second round. As the saying goes, "a bird in the hand is worth two in the bush!"
- Once you have accepted an offer you are not obliged to accept any subsequent offer.

WORTH VIEWING

It's worth viewing your marked Leaving Cert scripts before deciding to appeal any subject(s) results. The SEC is providing two viewing of script services this year, the first at your school for subjects marked on paper, the second online for subjects marked online. The application process is the same for both services. Apply to view scripts on your Candidate Self Service Portal (CSSP), www.examinations.ie/candidate-portal/ by 5pm tomorrow, Fri, 16th Aug. You will also have access to the marking schemes at the viewing. Candidates viewing paper scripts

will be assigned to one of three sessions, Tues, 20th Aug. from 5pm to 8pm or Wed, 21st Aug. from 9am to 12pm or Wed, 21st Aug. from 2pm to 5pm. Each candidate may bring in a mobile phone, tablet or digital camera to copy the scripts. Online access to view scripts marked online will be available from 5pm, Tues, 20th Aug. to 5pm, Wed, 21st Aug. Each candidate will be allowed a three-hour viewing session online.

APPEALING

If you wish to have any of your subject scripts re-marked through the appeal process, you may do so online on your CSSP. The subject appeal application will be available from 5pm tomorrow, Fri., 16th Aug and will close at 5pm, Thurs., 22nd Aug. The application is the same for all scripts whether marked manually or online. The fee is €40 per LC subject and €15.50 per LCA subject. The fee will be refunded if your result is upgraded. Appeal results will be available online only through the CSSP in the week ending Fri., 20th Sept. Last year, 9087 grades in individual subjects were appealed by 5197 candidates. 1453 of those grades were upgraded, which is about 16% of all grades appealed. Only five grades were downgraded. The SEC automatically informs the CAO of all changes of results. If you are entitled to a further offer from CAO as a result of the outcome of the appeal, the CAO will automatically issue that offer to you.

AVAILABLE PLACES

The CAO available places facility opens on Tues., 20th Aug. (noon) at www.cao.ie. This facility is free to those who have already made an application to CAO, whether placed or not, and at a €45 fee to those who have not applied to CAO.

In the next article, I'll analyse the trends emerging from CAO Round One offers and look at other options available to school leavers.

ALL IRELAND TICKET DRAW

Club members who will be going to the All Ireland final and wish to be in the ticket draw should contact the Club at 087 9975737 no later than Sunday, 18th August.

FIXTURES

Mid Kerry Under 14 will begin on Tuesday, 20th August with Beaufort home to Keel/Listry at 7pm.

The Junior Cup competition will begin on Friday, 23rd. Draw to be made shortly

SENIOR MEN V DROMID

Beaufort 3-16 Dromid Pearse's 1-8

Dromid got off to a great start going ahead 0-4 to 0-1. However great points from Padraig Doona, Ciarán Kennedy and Fergal Hallissey brought Beaufort back into the game, with Beaufort going ahead for the first time in the 23rd minute. Beaufort then took control of the game with a goal from Ciarán Kennedy and further points from Fergal and Danny Healy. Great defensive work from Ger Hartnett and Jonathan Kissane followed by a lovely pass from Ronan Murphy led to a Ronan Ferris goal just before half time, putting Beaufort ahead on a scoreline of 2-9 to 0-6 at half time. Beaufort continued to dominate the game at the start of the second half, with points from Mike and Ronan Murphy and a goal from Liam Carey. While Niall O'Shea put in a great performance for Dromid, a man of the match performance from Padraig Doona ensured a Beaufort victory on a scoreline of 3-16 to 1-8. The seniors will now face Glenbeigh in the final round of the county league after the All Ireland final.

Beaufort:

Sean Coffey, Jonathan Kissane, Ger Hartnett, Sean Kelliher, James Reilly, Mike Breen, Padraig O'Sullivan, Nathan Breen, Ronan Murphy, Fergal Hallissey, Ciarán Kennedy, Liam Carey, Danny Healy, Padraig Doona, Ronan Ferris.

Subs used: Liam Curran, Ian McGillicuddy, Ciaran O'Sullivan, Daragh Coffey

MILLTOWN | CASTLEMAINE NEWS

UNDER 16

Central Region Division 4 Semi-Final:

Huge commiserations to the above management team and panel who lost out to Annascaul Lispole on Wednesday last. Final score: 2:10 to 2:14. Well done to all for a super effort.

Sincere thanks to Norman Foley Spar and Burkes Butchers for their continued sponsorship.

Credit Union County Senior Football League: Division 3, by Dara O'Connor Gneeveguilla 0-11 Milltown/Castlemaine 0-9

Hard luck to our seniors, sponsored by Kelly's Londis Topshop, Milltown and Larkins Bar and Restaurant, who fought gallantly on the road but just fell short against a now joint top Gneeveguilla side.

Despite controlling large shares of the game possession wise and leading 0-4 to 0-0 after the first quarter, we found it harder to translate the same dominance into scores as the game wore on.

We remain 4th heading into the Round 11 home game vs Currow in the next few weeks where we will aim to finish the campaign on a positive note for 2019.

Our scorers

Jonathan O'Sullivan 0-3, Dylan O'Neil 0-2, Craig Counihan 0-2, Gavin Horan & Jamie O'Shea 0-1

LOTTO JACKPOT DRAW

€9,600 is the new Jackpot total on offer on Friday August 23rd in O'Shea's Bar. We will also have a Match 3 Jackpot of €300 and our 6 consolation prizes.

Here are the latest lucky winners from last Friday night's draw.

€50 each to Catherine and John Joe Harmon and Liam Hurley, Milltown.

€25 each to Evan McKenna, Milltown, Evan Kelliher, Castlemaine, James Tyther, Fries and Derek Twiss, Milltown. Congratulations to you all.

Tickets available from local sellers and businesses. As always sincere thanks to all who support our Lotto.

PROGRESSIVE 31 CARD DRIVE

Our Progressive 31 Card Drive on Tuesday nights is continuing to be very popular. Everyone seems to be enjoying the cards and chats over cups of tea and Larkins Brack. Why not come along Tuesday night next to the Nagle Rice Community Centre at 9pm sharp and join us.

A huge thanks to one of our underage girls, Sarah Leane who assists each week with the catering for all our card players. You are a shining example of volunteerism. Maith Thu Sarah.

Card winners- 30th July 1st Mary Moriarty & Kathleen Fitzgerald

Trees & Shrubs

In addition to being ornamental, trees and shrubs provide privacy and shade. They screen eyesores and provide habitats for wildlife. Long-lived, they need little attention once they are established. In terms of garden design, aim to have a combination of different shapes, contrasting colours of foliage and specimens that will provide interest at different times of the year. Evergreens keep their leaves, deciduous give a sense of the seasons: bare branched silhouettes in winter, buds and blossom in spring, green leaves in summer, autumn foliage, fruit and berries and interesting bark.

WHICH TREE?

For maximum health and growth, choose your tree or shrub to suit soil type, climate and available space. Soil testing kits are simple to use and available at all good gardening centres. Consider shape: the wide variety available includes columnar, conical, spreading and weeping. Bear in mind that many trees change their shape dramatically in maturity and different varieties of the same species can have different shapes; *Carpinus columnaris* (Hornbeam) is narrowly compact, *Carpinus pendula* is mushroom-headed. Size is probably the most important consideration. Never underestimate the potential size of your tree in maturity. Ideal for a small garden is a specimen that will reach no more than six metres in ten years. Suitable deciduous specimens include the crab apple (*Malus*), medlar (*Mespilus germanica*), mountain ash (*Sorbus aucuparia* 'Fastigata'), flowering cherry (*Prunus*), hornbeam (*Carpinus betulus*), hawthorn (*Crataegus*) and ornamental sycamore (*Acer pseudoplatanus* 'Brilliantissimum'); evergreens include columnar yew (*Taxus baccata* 'Fastigiata Aureomarginata'), colorado spruce (*Picea pungens*), blue spruce (*Picea pungens* 'Koster') and the dwarf spruce *Picea glauca* var. *albertiana* 'Conica', perfect for the rockery. For a sheltered town garden, consider *Paulownia tomentosa*. In an Irish climate it is unlikely to produce the flowers that give it its nickname, the foxglove tree, but if the tree is pollarded (head pruned), the result is spectacularly large, bright green leaves.

HOW TO PLANT

Trees and shrubs bought bare-rooted can be planted between November and March provided the ground is neither frozen or water-logged. When you order the tree, order a sturdy stake which should be planted first and a designed-for-the-job rubber tie to secure the tree to the stake.

The secret of good planting is thorough preparation. In a hole wide enough to take the spread of the roots and deep enough to bring the soil up to the same level as it was in the nursery (or container), dig in leaf mould, well-rotted compost or manure. This helps moisture retention and provides nutrients. Container-grown specimens can be planted year round. Give them a good soaking for 40 minutes before planting and firm the earth around the tree to ensure there are no air pockets. To give it the best start in life the area around any newly planted tree must be kept weed-free, either by regular hoeing or covering with ornamental mulch, such as chipped bark, to help suppress weeds. To give added interest, spring and autumn flowering bulbs can be planted in the eye of the tree. Cats can destroy a sapling by using it as a scratching post. Protect the bark either with wire mesh fencing, or with a spiral tree guard that wraps round the trunk.

SHRUBS

Shrubs should form the framework of any planting plan. Used in varying heights, widths and shapes, evergreen and deciduous, they provide structure and perspective, creating focal points that direct the eye round the garden. With the right shrubs in the right situation, a garden will look good year-round. Unlike herbaceous plants, once established, shrubs are relatively low maintenance. They need no annual division and many require little or no pruning. They can be used for every purpose, as ground cover and to clothe walls and clamber over unsightly objects. Many make splendid architectural specimens. There are fragrant shrubs, flowering shrubs, dwarf shrubs for rockeries and shrubs with startlingly beautiful bark and stems. Carefully chosen shrubs can give an air of maturity to a virgin plot.

SHRUBS FOR COLOUR AND FRAGRANCE

There are flowering shrubs to give colour and fragrance throughout the year: Winter-flowering and deliciously scented *Hamamelis mollis*, evergreen *Viburnum tinus* and *Jasminum nudiflorum*, an excellent choice to clothe a north-facing wall. In spring, acid-loving azaleas, rhododendrons and camellias make a magnificent show. There are shrub roses in June, lavender in July and in sheltered districts in August, the huge flowers of the hibiscus bring a touch of southern climes. Every garden should have room for a shrub with spectacular autumn foliage. Better still would be a pair in dramatically contrasting colours. Japanese Maples are grown both for their colour and the shape of their delicate leaves. For a small garden choose compact varieties, purple-leaved *Acer palmatum* and yellow-leaved *Acer japonicum* would be a good pairing. Winter brings flaming orange and red berries on a host of evergreen shrubs, pyracantha, cotoneaster, holly and skimmia. For pink berries, grow *Pernettya mucronata*, and for purple, calliparpa, aptly known as the Beauty Berry.

FOCUS ON AUTUMN LAWN CARE

This is the time of year to look after your lawn after the wear and tear of a long season. Any repair work that needs to be done can commence before the winter comes in and the growth stops. After you cut your lawn at this time of year it would be well worth giving it a good rake. This practice is known as scarifying and it keeps the levels of old grass stems and dead moss under control. Old grass stems that go deeper than about 1 cm can slow down water and fertilizer getting through. For larger lawns there are power tools available. You can also give your lawn an autumn feed at this time of year. Use an autumn lawn fertilizer which is high in phosphates and potash as this will help strong roots to develop. Do not use a spring fertilizer as it contains high levels of nitrogen which will encourage soft leaf growth and this could be damaged by frost.

Life & Body Confidence Coach

Why I'll never retire!

I can't ever imagine retiring! At sixty, many of my friends are looking forward to the days that they can put their feet up and have more time to call their own. And I absolutely get this. However, for me, I feel as if I have more energy now than I did in my twenties and there are so many dreams still to create! I have a vision of me still teaching, writing and coaching long into my eighties and nineties and maybe even beyond that – who knows?

My top six secrets to growing younger & more vibrant with every passing year!

- Keep embracing change and learning new things! I recently went on Instagram (which was a real learning curve for me) you can follow my posts at Romancing your body on Instagram
- Laugh and see the funny side of things – laughter really is the best medicine for a healthy immune system and is a great de-stressor!
- Eat a colourful diet of plant-based foods! Delicious and will keep you glowing from the inside out!
- Sleep! Really – it's the best thing you can do to replenish yourself!
- Meditate and move – ideally both together, but separately is also fantastic!
- Love yourself and do more of what makes you happy!

If you would like a new career as a Body Confidence & Wellbeing coach please visit my website at www.instituteforbodyconfidencecoaching.com Applications are now open for September training. Early Bird offer closes August 31st.

**TIPS TO HELP
YOU STAY MOTIVATED**

**B WELL
FITNESS CLUB**

Working out consistently can be tough, especially if you've let your routine become stale. Here are 5 great tips for making sure you stick to your workout.

1.) Let everyone know

Call it bragging if you want but it helps to make it known that you are dedicating yourself to a new lifestyle of health and fitness. If people know that you are serious about working out each day at a certain time, they aren't likely to tempt you & hopefully will encourage you if you are not feeling up to it!

2.) Hang out with the right people

If you are training to reach your fitness goals & want to look & feel good, but hang out with people that drink beer and spend their leisure time on the couch, it will be near impossible for you to stay motivated and work on your goal. But if you hang out with those that are working on similar goals or have already achieved them, you will feel wind at your back and move faster yourself. The same thing applies if you are working on getting or staying in shape – hang out with others that will understand and support you.

3.) Keep changing it up

Boredom is dangerous. It can easily turn a great routine into a loathed chore. Best way to avoid this is to keep changing up your workout every 6-8 weeks. If your primary goal was always strength related, and now your primary goal has switched to building muscle or losing fat or anything else (or vice-versa), changes should be made to your workout to reflect the changes in your goals.

ALL-IRELAND FOOTBALL CHAMPIONSHIP SUPER 8'S

KERRY SEE OFF TYRONE CHALLENGE WITH SECOND HALF SURGE

KERRY O SHEA REPORTS FROM KERRY'S WIN OVER TYRONE AT CROKE PARK TO SET UP AN ALL IRELAND FINAL AGAINST DUBLIN

KERRY 1-18
TYRONE 0-18

Kerry qualified for their first All-Ireland final in four years thanks to a barn-storming second-half display against old rivals Tyrone at GAA headquarters on Sunday.

Kerry trailed at half-time after an indifferent first-half but more than made up for this in the second-half by outscoring their rivals 1-13 to 0-9.

Shrewd tactical changes by Peter Keane which resulted in the introductions of Jack Sherwood, Gavin White and Tommy Walsh turned the tide in favour of the Kingdom. Mickey Harte's charges, led superbly by the flame-haired Cathal McShane, took the game to the Kingdom in the first-half and were full value for their 0-9 to 0-5 lead. Tyrone were very economical and made the most of every scoring opportunity while Kerry finished the first-half with a wides tally of 6.

However, it was a different Kerry that took to the field for the second half. David Clifford, who kicked some super scores from play despite the close attentions of the Tyrone defence, brought the Kingdom level on 55 minutes. Then a minute later, Stephen O'Brien goalied to the cheers of the Kingdom's now delirious supporters.

Points from Stephen O'Brien, Sean O'Shea and David Clifford had Kerry five points clear and as the clock ticked towards the 70 minutes Tyrone pulled back the deficit with scores of their own. The Northerners now needed a goal to force extra-time but this never looked like happening.

Stephen O'Brien picked up his third black

card deep in stoppage time which effectively rules him out of the final against Dublin but Kerry manager Peter Keane confirmed after the game that they were looking into the possibility of appealing the back card the Kenmare man received against Meath in the Super 8 game in Navan last week and if this is successful, O'Brien will play in the final against the Dubs in Croke on Sunday September 2nd as it will be a cruel twist of fate if he is denied the opportunity.

Teams and Scorers

Kerry: Shane Ryan; Jason Foley, Tadgh Morley; Paul Murphy; Shane Enright, Tom O'Sullivan, Gavin Crowley; David Moran (0-1), Adrian Spillane; Brian Ó Beaglaoich, Sean O'Shea (0-6, 6f), Stephen O'Brien (1-2); Paul Geaney (0-3), David Clifford (0-5, 1f), Killian Spillane.

Subs: Jack Sherwood (0-1) for Adrian Spillane, Gavin White for Shane Enright (h-t); Tommy Walsh for Jason Foley (51); Dara Moynihan for Killian Spillane (57); Jonathan Lyne for Gavin Crowley (70+1); Jack Barry for Tom O'Sullivan (70+5).

Tyrone: Niall Morgan (0-2, '45), Rory Brennan, Rory McNamee, Padraig Hampsey, Colm Caavanagh, Kieran McGeary, Conor Meyler; Michael McKernan (0-1), Richard Donnelly (0-1); Michael Cassidy, Frank Burns, Peter Harte (0-1, 1f); Niall Sludden (0-2), Matthew Donnelly (0-2), Cathal McShane (0-7, 3f).

Subs: Conor McAliskey (0-1) for Niall Sludden (53), Tiernan McCann for Kieran McGeary (58); Darren McCurry (0-1) for Michael Cassidy (inj, 65), Brian Kennedy for Colm Cavanagh (69).

Referee: M. Deegan (Laois).

DAVID MORAN ACCEPTS HIS MAN OF THE MATCH AWARD AFTER ANOTHER BRILLIANT PERFORMANCE FROM THE STRAND ROAD MAN.

SENIOR FOOTBALLERS OPEN DAY SATURDAY

As we all look forward to the All Ireland final Peter Keane is delighted to announce details of a 'MEET AND GREET' with the Senior players and Management on Saturday at 12 noon in Fitzgerald Stadium.

Gates will be open from 11 o'clock. Children are encouraged to bring a ball or alternatively footballs can be purchased at the event.

TG4 ALL IRELAND LADIES FOOTBALL CHAMPIONSHIP

GALWAY END KERRY'S AMAZING RUN WITH LATE POINT

Donal Barry was at Croke Park as Kerry were undone by a late Galway score as they set up a final date with Cork. It brought an end to a historic 34 game unbeaten run but the minor crop of 2019 did not leave it go without an incredible fight

KERRY 0-13
GALWAY 0-14

Remember the name Darragh Kennedy, as it will surely be a question in sports quizzes in years to come as the man that finally put an end to Kerry's six-year spell of dominance at minor level.

The late score that was fired over on the 61st minute by the Galway sub broke the hearts of this gallant bunch who did enough throughout the game to win but ultimately their shooting deserted them with a number of bad wides costing them.

The most startling Kerry stat will be the 13 wides which added with a number of point efforts dropping into the goalkeeper's grasp and throw in a few goal chances that went astray and it there will certainly be a feeling that this was let behind.

In return Galway were just more accurate on the day particularly in the opening half when they returned a 0-7 to 0-5 lead at the break with five of their starting forwards had scores on the board by the interval.

Kerry looked a lot more like themselves inside their first two minutes of the second half as they hit four points unanswered over turning their two point deficit into a two point lead 0-9 to 0-7.

However this Galway side were made of tough stuff and dug in and were level by the 43rd

minute and regained control of matters as they shut down the Kerry forward line with great resolve.

With the sides level heading into injury time it was Darragh Kennedy that was to put his name into the history books ending the 34 games unbeaten run over 6 years.

So the name of Kerry will not be on the Tom Markham Cup 2019 but the future remains bright and don't rule out a quick return in 2020.

KERRY U16 CAMOGIE TEAM QUALIFY FOR ALL-IRELAND FINAL

KERRY 3-08
MAYO 2-09

The Kerry U16 Camogie Team travelled to Fr. McNamara Park in Ennis on Sunday to face Mayo, a team with whom they had drawn in their first game of the campaign.

Mayo were the sharper outfit in the first half but despite this the Kingdom found themselves just one point adrift at halftime, 2-3 to 1-5. The Kerry Management of Joe Walsh and John Sheehan were confident that the team

were capable of delivering an improved performance and they did not disappoint. Kerry really upped their game and outscored the Westerners by 2-3 to 0-6 in the second half. Goal scorers for Kerry were Amy O'Sullivan who found the net twice and Emma Conway who raised the other green flag. On what was a good weekend for Kerry Camogie with the Junior Team qualifying for the All-Ireland Final on 8 September, the U16 can look forward to their decider against Roscommon on 25 August.

KERRY 1-13
CLARE 0-06

Kerry made the journey to Cusack Park in Ennis on Saturday to take on the home team in the semi-final of the Liberty Insurance All-Ireland Premier Junior Camogie Championship. The Kingdom were hoping to get back to the decider following their loss to Dublin in last year's final. Kerry really started with intent and executed a strong running game that ensured that the Banner Girls could not get a foothold.

Indeed, it was the 25th minute before Clare registered their first point. Kerry continued in the same vein and led at halftime on a scoreline of 1-9 to 0-3 with the Kerry goal coming from the stick of Julianne O'Keeffe who latched onto the end of a Patrice Diggin free. The second half was 5 minutes old when there was a moment of magic from Patrice Diggin when she dispossessed her Clare marker and flicked the ball forward before gathering it again and pointing.

Julianne O'Keeffe added to her tally shortly after. Kerry then made two substitutions when Norette Casey replaced Jessica Fitzell and Clodagh Walsh replaced Brid Horan. Clare battled hard with Regan Conway doing her

utmost to break through the Kerry defence but the Kerry backs stood firm. Ruan's Louise McDonnell wearing No. 11 was another player who tried hard but her attacking potential was curtailed due to her need to shore up the defence as Kerry continued to attack. Clare tagged on two points from a free and play in the 20th and 22nd minutes but Julianne O'Keeffe replied for Kerry in the 26th.

Kerry continued to run the bench with Eilish Harrington replacing Niamh Leen and Alanna Maunsell replacing Rachel McCarthy. Clare had a free in the 57th minute but the

Kerry defence continued to deny Clare the goal that they so badly needed. Kerry then made their final substitution when Ann-Marie Leen replaced Laura Collins. Kate O'Gorman completed the Clare scoring in the 60th minute and Patrice Diggin did likewise for Kerry in the 3rd minute of injury time when she converted a free. Final Score was Kerry 1-13 Clare 0-6. Kerry will face Limerick in the final on 8 September.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Croker is Calling!

Peter Keane is leading us back to Croke Park for a meeting with Dublin on All Ireland Final Sunday! Last Sunday's match was an incredibly tense affair. At half time, things were not looking good. We seemed to struggle against the Tyrone system. However, the second half was very, very different! The changes made by Management were the right changes at the right time. When David Clifford drew the game level, the Kerry Support became very vocal and made their voices heard. The players responded to the support with a super performance. Stephen O'Brien's goal was inspirational and from there on, Kerry never relinquished the lead. The game finished Kerry 1-18, Tyrone 0-18.

While a lot of the media has focused on the small crowd in attendance, it is important to mention that Kerry were very well represented. We certainly had as many (if not more) supporters as Tyrone. Taking factors into account such as the time of the year and the cost of supporting Kerry throughout the Super 8s, the large number that travelled to support Kerry was very much appreciated by team and management alike.

The only real disappointment of the day was the fact that the Minors didn't make it through to the All Ireland Final. It was so disappointing for all involved to lose the game by a single point. The game finished Galway 0-14, Kerry 0-13. It has been a record breaking run for the Kerry Minors. We sincerely thank these young men, Manager James Costello, his selectors and backroom team for the commitment and exceptional hard work over the last year. No doubt there are brighter days ahead for this talented group of people.

The Office staff in Austin Stack Park are preparing for the sale of tickets for the All Ireland Senior Football Final. Please note Office opening hours this week are Tuesday to Thursday 2-5pm and Friday 2-4pm. Details on Tickets will be made available in the coming days.

This is a very exciting time for Kerry fans at home and all over the world. Please get behind the team and decorate your homes and work places with the Kerry colours!

You will notice a number of fundraising initiatives are being arranged in the build up to the All Ireland final. We are grateful for all the financial support received. The car will be at a number of locations throughout the county

where sellers will be selling car raffle tickets for 10 Euro. This weekend is our annual Church Gate collection at the majority of parishes around the county. Any contribution is much appreciated. All money received is for the team training fund.

Kerry Senior Footballers' Open Day

Peter Keane is delighted to announce details of a 'meet and greet' with the Senior players and Management on Saturday at 12 noon in Fitzgerald Stadium. Gates will be open from 11 o'clock. Children are encouraged to bring a ball or alternatively footballs can be purchased at the event. Kerry GAA has produced our 'Official Autograph Book'. These are limited edition memorabilia for the 2019 All Ireland Final. We sincerely thank all the businesses who sponsored the production of the book. Each business is acknowledged in the book under the photo of the player that they are 'sponsoring'.

This 'Official Autograph Book' will be on sale at this event on Saturday for the price of 5 Euro. Families are encouraged to purchase the book at the entrance into Fitzgerald Stadium and then seek out the players' autographs! This is sure to be a keepsake for many years to come!

As large crowds are expected, we ask everyone to follow the directions of the stewards. We hope everyone enjoys the occasion. This will be a wonderful opportunity to meet and chat with the Kerry players. Hopefully the weather will be

kind to us!

Workshop with world renowned Professor Tim Gabbett

Kerry GAA, in conjunction with The Bon Secours Hospital Tralee, are delighted to welcome the world renowned applied sports scientist and S&C Coach, Professor Tim Gabbett, to deliver a cutting edge performance workshop, entitled "Pain to Performance". This event will take place in ITT on Thursday October 3rd from 6.30 - 9.30pm.

This interactive workshop will focus on the monitoring of training loads for injury prevention. It is ideally suited for Coaches, Athletes, Physiotherapists, S&C Coaches and Teachers. Key themes will include:

- The development of a greater understanding of load management
- How to prescribe and monitor athlete training loads for injury prevention and improved athletic performance
- Practical approach to interpreting data
- This "Pain to Performance" Workshop will take place on Thursday 3rd October 2019, 6.30pm - 9.30pm, Lecture Room, at the new Kerry Sports Academy building located in the North Campus at IT Tralee.
- The cost to attend is €50 - tickets can be purchased online!

DR CROKES CLUB NOTES

MINORS

On Wednesday 7th of August Dr Crokes and Gneeveguilla met in East Kerry Minor League Division 1 played at Lewis Rd.

Crokes prevailed in the end after both sides had displayed some excellent point scoring.

Lorcan Martin and Michael Lenihan raised green flags for the Crokes and the other members of the forward line, Pdraig Looney, Sean Magann, Liam Randles, Mark Clifford and Cian McMahon all contributed scores.

Adam Kelly was again excellent in goal and ahead of him Cillian Hickey, Mark Cooper, Evan Looney, Adam O Connell, Gary O Connor and Harry Byrne were resolute in defence.

The industrious Harry Potts partnered Michael Lenihan in midfield and ensured another day out in the competition.

Congrats to Michael on winning his second All Ireland medal on Saturday with the Kerry U20 hurlers in Navan v Down. In addition to his Minor All Ireland Football medal from 2018 Michael has a Kennedy Cup winning medal with Kerry, a surely unique treble of underage medals. Final Score Dr Crokes 2-21 Gneeveguilla 0-13

UNDER 13 GIRLS

Our U13 girls had home venue for their County Semi Final fixture v Firies, played on Wednesday 31st. The team, was captained by Natalia Maj, who celebrated her 12th birthday on the day, played against a steady breeze in the first half. Firies were first on the score sheet and looked as if they might put up a sizable lead, by full credit to the girls, they found their rhythm and had two goals in quick succession that had them back in the game. Both teams exchanged points and at the half time break the team were three points in arrears. Despite a wonderful second half display in which they added 4 goals and a point to their first half tally, Firies managed to maintain that half time lead to the finish. Great credit to both teams for a highly entertaining game and best of luck to Firies in the final.

Team: Natalia Maj, Gráinne Byrne, Saoirse O'Sullivan (who gave a display in defending and blocking down), Miren O'Connor, Sinead Byrne, Ella Barrett, Keela O' Connor, Ellie Galvin, Annie Brosnan, Leah McMahon (who gave an exhibition of football on the night), Ali O'Donoghue, Keira Geaney, Clodagh McGorrigan, Aoileann Ní Dhubhán, Norah McGlynn, Sarah Cooper (at her goalscoring best).

CONGRATULATIONS

To the Kerry Senior Team and Management who beat Tyrone at the weekend and all the Best for the All Ireland Final against Dublin especially the Dr Crokes contingent Captain Gavin White, Micheal Burns and David Shaw.

HARD LUCK to the Kerry Minors Team and Management who were unlucky to Galway last weekend in the All Ireland Semi Final.

on Friday evening, where Asdee started well notching up 3 goals early in the first half, with Legion responding with a Peter O'Sullivan goal leaving us going in at half time on a scoreline of 3-03 to 1-06. Legion to their credit fought with great heart with some good individual performances from Ian Prendegast, Jack Hanrahan and Alan Moriarty to try chip away and close the gap but Asdee proved the stronger of the two sides coming away with the two points.

U-16 COUNTY LEAGUE DIV 1 SEMI FINAL

FIRIES 0-04

KILLARNEY LEGION 2-07

Killarney Legion travelled to Firies Gaa on Friday night, both sides got off to a slow start but it was Legion who kicked into gear first with two early goals coming from Conor Gammel and Ewan McIndoe. Sam Benson worked tirelessly up front to help put scores on the board leaving the Legion side going in at half time on a scoreline of 2-07 to 0-04pts. The second half saw Firies turn the game around getting 5 points with no response from the Legion side. Firies kept pressing leaving just two points in it with a few minutes left on the clock. Eoghan O'Neill at midfield and Darragh Fleming put in great effort with his runs leaving the Legion run out one point winners in a nail biting finish.

U-12 BOYS EK LEAGUE

Our U-12 boys team were in action this evening in the final round of games of the East Kerry GAA League, group D. The boys were on the road as we headed south to Templenoe Gaa Club. On a beautiful evening, a warm breeze from Kenmare Bay was the only element to influence the match. The proverbial game of two halves ensued with the wind assisted team dominating. A flurry of goals gave the visitors an early lead which they held until the break. After the turnaround, the hosts clawed back the deficit to draw level with only minutes remaining. Goals at either end resulted in a nail biting finish that saw the hosts prevail at the final whistle. Well done to all the players this evening who showed all the skills of the game with some fine fielding, blocking, scoring and intricate handpassing. Thanks to all the supporters who made the trip and to our hosts at Templenoe GAA Club.

U-13 GIRLS FINAL

Killarney Legion U-13 girls went up against Firies

girls tonight in Currans in the C Championship final. In a extremely tough, entertaining game our girls came out on top on a scoreline of 6-3 to 3-1. Firies started the brighter and scored 2 goals and a point without reply. A few positional changes and our girls grew more into the game. We gradually took some control and some excellent scores went in at half time leading by a goal. We got on top in 2nd half but did not convert chances and Firies were always dangerous on the break. The scores eventually came but we could not relax as Firies to their credit kept coming at us. Our defence held firm. Great credit to the Legion girls who after poor start really stood up to be counted. All 17 girls contributed to this match and should be very proud of themselves. Well done to Firies for a great performance and entertaining game.

KERRY NEWS

Well done to the three Killarney Legion Girls Andrea Murphy, Eabha Stack and Orianne MacGillicuddy who participated in the U-13 Kerry Development squad. Well done girls.

Massive Congrats to Peter Keane, James, Jonathan, Brian and Danny on a great win over Tyrone, seeing them into an All Ireland Final in three weeks time v Dublin.

Commissions to Eoghan O'Sullivan and Ryan O'Grady who lost out to Galway with the Kerry Minors in the All Ireland Semi Final. Keep the heads up lads and well done on a super campaign.

EAST KERRY MINOR LEAGUE DIVISION 3 SEMI-FINAL

Spa 4-11 Currow 3-15 (After extra time)

This game was played in Spa on Thursday night and was just as exciting as their league game a couple of weeks ago that finished on a whopping scoreline of 7-14 to 6-15.

Padraig Fleming kicked the opening point. Spa replied with a goal from Michael Kearney, before Connie O'Connor added a second Currow point. Michael Horgan and Thomas Cronin added two points for Spa to make it 1-2 to 0-2 at the end of the first quarter, but Currow went on to kick an unanswered 2-4 – David Moriarty and Aaron Fleming the goal scorers and points from Padraig Fleming (3) and Aaron O'Connor. Spa points from Oisín Walsh and Michael Horgan closed out the half with Spa trailing 1-4 to 2-6 at the break.

On the restart Aaron Fleming rattled the net for a third Currow goal but Spa quickly responded with a goal at the other end by Róiri O'Connor, following on with points from Róiri and Oisín Walsh (2) to make it 2-7 to 3-6. Currow added

another point, and Oisín Walsh kicked another free, before Michael Horgan finished a third goal for Spa to take the lead at 3-8 to 3-7. Aaron O'Connor levelled the game again, and Aaron Fleming pointed to put them ahead, but an injury time score from Oisín Walsh drew the sides level at 3-9 to 3-9 at full time.

Currow had the better opening half in extra time, and with points from Darragh Kelly, Connie O'Connor and David Moriarty, they led 3-12 to 3-9 at half time in extra time. Oisín Walsh scored twice to pull it back to a one point game but Aaron O'Connor again put two between the teams. In an exciting finish Michael Horgan netted Spa's fourth goal, but two late points from Currow's Connie O'Connor and the game ended Spa 4-11 to Currow 3-15

Spa: Ollie Cremin, Matt McAuliffe, Diarmuid Cahill, Conor Brosnan, Connie Cremin, Thomas Cronin, Alan O'Sullivan, Michael Kearney, Oisín Walsh, Michael Horgan, Rian O'Neill, Róiri O'Connor, Sean Cahill. Subs: Jack O'Sullivan, Cian Murphy

EAST KERRY GAA NEWS

BY MICHAEL O MAHONY

Spa and Rathmore met in this year's O'Sullivan Cup East Kerry Junior Championship Final, played on Friday evening in Fitzgerald Stadium. A minutes silence was observed before the start of the game in memory of the late Patrick O' Donovan Gneeveguilla A member of the great GAA family in Tureencahil, Patrick is a brother of former Kerry footballer Ambrose O' Donovan. Cian Tobin pointed a free to open the scoring, and shortly after David Spillane score a goal give Rathmore keeper no chance into to net. They added two more points from Niall McCarthy and Cian Tobin to jump into an early 1-3 to 0-0 lead. Rathmore, however, replied with an unanswered six points to draw level, the scores from Darragh Rahilly, John Hickey (3), Michael Anthony Kelleher and Jimmie O'Mahony. Spa had a penalty shot at the end of the first quarter, but keeper Sean O'Riordan had a great save and the ball came back into play before the Rathmore defence cleared their line.

Niall McCarthy, David Spillane (2) and Shane Fenton all scored to put Spa in front again before Darragh Rahilly and Cian Tobin swapped points, A late goal for Spa, again from David Spillane, to give Spa a half time lead of 2-8 to 0-7.

Michael Anthony Kelleher (3) and Darragh Rahilly exchanged points with Niall McCarthy (2) and Gary Vaughan to make it 2-11 to 0-11 at the end of the third quarter. Gary Vaughan added another before Niall McCarthy landed a massive free from 60 yards. Two more Spa points, from Gary Vaughan and Niall McCarthy, extended their advantage before Ciaran Spillane got dangerously close to the Rathmore goal line, but O'Riordan pulled off another great save.

Dan Murphy added a point for Rathmore but late scores from Cian Tobin and Paul Cahill increased the Spa lead. Rathmore did have a penalty call late in the game and John Hickey's shot bounced off the crossbar and he netted the rebound. Final score, Spa 2-17 Rathmore 2-11.

After the game, Con O'Sullivan of O' Sullivan

Spa team pictured after winning the East Kerry Junior Championship O'Sullivan cup final over Rathmore

family was on hand to present the O'Sullivan Cup to Spa captain Brian Devane, Chairman of East Kerry Board John Brosnan, Kathleen O'Sullivan presenting the Man of the Match Award to Niall McCarthy.

EAST REGION MINOR LEAGUE DIVISION 3 SEMI-FINAL: SPA 4-11 CURROW 3-15 (AET)

Currow led 2-6 to 1-4 at half time, Michael Kearney on target for Spa and David Moriarty and Aaron Fleming the goal scorers for Currow. Aaron Fleming and Róiri O'Connor exchanged goals for either side on the restart and with a third Spa goal from Michael Horgan, the game finished level at the end of normal time at 3-9 apiece. Currow led 3-12 to 3-9 at half time in extra time, and despite another Michael Horgan goal for Spa, Currow won out by 4-11 to 3-15.

EAST REGION MINOR LEAGUE DIVISION 2. SEMI FINAL.

GLENFLESK 4.15 BEAUFORT 0.05

Glenflesk minors qualified for the East Kerry Division 2 final after a second comfortable win over Beaufort in a matter of weeks. This was a match played in dirty conditions with a driving wind and heavy rain making attractive play difficult. Beaufort got the first two points of the game as they took the initiative early. Glenflesk then responded with a point of their own after a long kick out was claimed in midfield and the ball was worked in well before Patrick Darcy dispatched it between the posts. They followed this up with two very similar goals both coming with long accurate balls into the corner, which were gathered by Darragh Tangney who evaded his marker and buried a shot to the net under the goalies body expertly both times. They added two further goals by Patrick Darcy and Jonathan Bowler in the first half to give them a convincing lead at half time.

The second half was scrappy as Beaufort tried desperately to find some way to get back in the match and Glenflesk were happy to protect their lead. There were still some great scores produced as Beaufort scores two lovely points from out wide and Tangney and Tommy Bowler scored with massive efforts from out the field. Beaufort had a late goal chance but goalkeeper Marc Kelleher's reflexes were up to the task as he saved smartly with his knees. From here the game drifted to its ineffectual conclusion.

BEST WISHES

EAST REGION U14 DIVISION 1 LEAGUE FINAL

The scores were level four times as both Dr Crokes and Kilcummin enjoyed leads in this division one East region final, played in Fitzgerald Stadium. However Kilcummin had a late surge scoring two goals and three points to win the tie by five points.

Dr Crokes started brightly with a point from Shay O'Meara in the first minute. Kilcummin responded with three points in three minutes. Dr Crokes hit two goals from Eoin Looney and Dara O'Shea. Dr Crokes followed up with two points and Kilcummin followed with three points and a goal from the midfielder James Williams. Dr Crokes then got a goal straight away from the other number nine Alex Hennigan. Dr Crokes hit two further points before Kilcummin got a second goal through Jack Fogerty. Dr Crokes had two points and Kilcummin had three points to leave Dr Crokes ahead at the break at 3.09 v 2.08 Kilcummin got an early goal from Padraig Moyinhan and Jack Fogerty got a long range point to level the scores on 3.10 each. Crokes scored two points, Kilcummin scored two points and then Dr Crokes scored another two points to take the lead once again. Ryan Neeson got a big goal for Dr Crokes with eight minutes to go. However it was the outstanding Padraig Moyinhan who scored a goal and two points to take the decisive advantage. Jack Tagney got a late point and it was Cian Lynch who was on hand to seal the deal with the fifth goal for Kilcummin two minutes into injury time. The final score was Kilcummin 5.15 v Dr Crokes 4.13. The game was refereed by the experienced referee Donal Casey from Scartaglin. Sean O'Keeffe the Chairman presented.

KERRY PITCH & PUTT CLUB NEWS

A THIRD successive Munster title for Kerry at U-16 level was the highlight of the weekend's Munster Inter-County Pitch & Putt Championships in Hillview, Clonmel Co Tipperary from a Kerry perspective as the Kerry 1 team of Cillian Courtney, Robbie Harnett, Eoin O'Riordan Looney and Jake Shine had an 11 stroke victory over their counterparts from Cork.

Kerry started well in shooting eight under par for their two Scotch Foursomes pairings, Cillian and Robbie shooting six under while Eoin and Jake had two under. It was an nine under par round from Cillian that was the standout feature of the Singles however as two under par from Eoin and level and one over par respectively from Robbie and Jake brought their overall total to 18 under par as Cork 1 were their nearest challengers on seven under combined in second. The Kerry 2 team of Bobby McCarron, Ryan Neeson, Jack O'Sullivan and Ryan McCarthy finished outside the medals meanwhile in fourth on a combined score of 337, 15 shots behind Cork 2 who came third.

The Kerry Mens teams meanwhile finished outside the medals in their grades (fourth in all three) with the Senior side four shots off third place Limerick on Sunday. The team of Jamie Blake, Alan Hobbart, James Dignan, Aidan O'Connor, John McGrath and Damien Fleming were a total of 22 under par for their three Scotch Foursomes rounds but could only finish on 36 under par for the tournament after the Singles as they were 31 shots off the winning score by hosts Tipperary who had 12 to spare over Cork in victory.

The Intermediate side were defending the title

for the county, but they were six shots off a podium placing as they finished the tournament on a combined 15 under par. The team of Gearoid Cronin, Richard Bunyan, Danny O'Leary, Eamon Sheehy, John O'Brien and Adam Kelly were 12 under par for their Scotch Foursomes totals but had a bad outing in the Singles as they finished 19 shots behind the winning score posted by Cork (34 under) who had a seven stroke victory over Tipperary themselves with Limerick third on 21 under.

The Junior Mens side on Saturday meanwhile came the closest to being in the shake-up for the title finishing 10 strokes off the winning score of Tipperary with Kerry's total of 498 four shots off third placed Cork in the finish. Noel Moynihan and Conor Leahy had a great Scotch Foursomes round of six under but the course got a lot tougher for the players in the Singles as the team which also included Ger Guerin, Ben Newman, Darragh O'Callaghan and John Carey had to settle for fourth overall like the other Mens sides as Tipperary had a two stroke victory over Limerick.

This weekend sees Deerpark's John McGrath travel to take part in the European Strokeplay Championships in Dagenham, England while the County Board would also like to wish both Deerpark's Robbie Harnett and Listowel's Jake Shine the best of luck in the National Community Games Finals in Limerick. The County Matchplay Championships will take place in Listowel on Saturday August 31st we ask everyone to note.

Driver

If you're looking to gain more distance on your drives, then this is the tip for you.

Think about jumping up in the air with your two feet together, you wouldn't be able to jump very high. Now try it with a far wider stance - see how much more power you can create.

MORE POWER = MORE DISTANCE

Next time you're on the tee box, widen out your stance and see the difference for yourself.

CYCLING NEWS

MARCUS TAKE THE FINAL ROUND IN THE RAIN

Despite the poor conditions Killarney CC's Marcus Treacy put in a great ride to take the final round of the Kerry Road Race League. He finished ahead of Tralee Manor West's Ross Culloty and Owen Moriarty. The underage races were won at u12's by Kate Murphy of Sliabh Luachra, under14's by Killarney's CC's Shane Galvin and by Stefan Caulfield, also from the Killarney CC, at u16's. As this was the final round of the Road Race League we now know the winners of the various categories. Treacy's win saw him ties on points with Cathal Moynihan but it was the Tralee rider who took the title as he won two rounds. Kate Murphy was the star of the u12's all season and was a worthy winner of that age group while Killarney CC riders took the u14 and u16 titles with brothers Shane and Patrick Galvin. The prizes for the Road Race League will be given out after the County Championships which will be hosted by the Killarney Cycling Club in the Beaufort area on Thursday August 22nd.

Leaving Cert Results Time

Results Day has finally arrived and you may have been feeling fairly stressed leading up to results day. This is completely normal and in fact a little bit of stress can actually help you to get motivated for dealing with dilemmas and pressure. Lots of students feel stressed around results time for many reasons, including:

- Feeling pressure to get good results for the course or career you want.
- Feeling under pressure from parents and family who may expect you to get good results.
- Feeling overwhelmed by the future and the choices that you have to make.
- Feeling overwhelmed by changes such as starting a new chapter in your life, leaving home, separating from friends.

If the results are not what you wanted them to be, then you may be feeling devastated, stunned, and unable to see things logically and struggling to think of the many options available to you. Remember however that you have many options and it is important to remain positive and realise that it is not the end of all your plans and hopes. Some of your options include:

- View Your Script/Results Appeal
- Speak to Your Guidance Counsellor
- Repeat Leaving Cert Year
- Some PLC courses will enable you to access third level.
- Apprenticeships/Practical training opportunities

Talk to others about your worries – Friends may also be going through the same problems and it will really help to talk about it. If you are feeling really down don't suffer in silence, talk to your parents, phone the Samaritans or talk to your doctor. Consider seeing a counsellor. There is a lot of support out there for you and you will get through this difficult time.

The National Parents Council Post Primary have operates a helpline for anyone who needs support after the results or check the website <http://www.npcpp.ie/leaving-cert-helpline>. The service is provided by Guidance Counsellors who will give advice to both students and their parents. The helpline number is 1800 265 165 and will be available for advice on the first round CAO offers which will be published earlier this year. For up to date information check the CAO website <http://www.cao.ie>

Remember, if you failed an exam it is not the end of the world. You are not a failure - you are still a good person, just a good person who failed an exam. It may mean that you have to repeat, so there's a delay of plans, your future is still waiting. It may mean that you have to change your plans; being flexible you may just end up doing something you are even more suited to.

QUESTION

What is an emergency medical card?

ANSWER

An emergency medical card is a temporary medical card that is issued without a means test in certain emergency situations and is valid for 6 months. For example, you could be issued an emergency medical card in an acute medical crisis where you need urgent treatment that you cannot afford without a medical card.

Only a healthcare professional (for example, a doctor or consultant) can apply for an emergency medical card for you. They must include a detailed medical report with the application. The application will be reviewed by a Health Service Executive (HSE) medical officer.

If your application is approved, it can take 7 to 10 days to get your emergency medical card in the post. However, your card will be active straight away so you can get the care you need. You will need to complete a means assessment before your emergency medical card expires. The HSE will write to you when you need to do this. The means assessment is for a full medical card for you and your family.

In some cases, the medical officer may recommend a terminal illness card. These are given to people who are getting 'end of life' treatment. This means a prognosis of less than 12 months to live. If you get a terminal illness card it will never be reviewed and will not expire.

Further information is available from the National Medical Card Unit on (051) 595 129, or Lo-call 1890 252 919, or from the Citizens Information Centre below.

A Word of Victory

Welcome back dear reader "the Lord hears His people when they call to Him for help. He rescues them from all their troubles. The Lord is close to the broken-hearted and rescues those whose spirits are crushed" (Psalm 34:17-18). "Who can bear a crushed spirit?" Proverbs 18:14 asks. Scripture reasons that the difference between one who has a personal experience with God's love and power and one who hasn't, is a life broken - resembling crushed powder. A lot of people are in this position today. God's power has been removed from families, from society, and from church and we are reaping the results. Peter warned us to "be sober and vigilant for your enemy the devil roams about seeking whom he may devour" (1 Peter 5:6-9). As we humble ourselves and bring our burdens to the Lord in faith and obedience, God will work out every issue that is troubling us. Your greatest difficulty can be the place of God's blessing and reveal the very purpose you were created by God for - to help others be delivered by your testimony. That is why the devil is doing everything in his power to oppose and crush you there. This will continue as long as you remain oblivious to his devices, and ignorant of God's love for you demonstrated in the life, death and resurrection of His Son Jesus, through the power of His Holy Spirit. We are much like the ants in Pixar's movie 'A Bug's Life'. The grasshoppers oppress and steal from the little ants and make their life a misery because they are big bullies. But it suddenly dawns on one little ant that the power of many ants is greater than their oppressors, and of course, he eventually leads them to a great defeat of their enemy. We are no different friend. When people get a hold of the power of God revealed to us in the sacrifice and love of Jesus through studying His Word, everything changes! Healing, peace, restoration and deliverance come from a personal relationship with Jesus. The world is literally starving because of a lack of the knowledge of God's love and power, because they are binge eating the devil's food instead. Religion has nullified the power of God through tradition (Mark 7:6-15). Many people hate God and are sick, crushed and fed up of powerless rituals that offer no hope and demonstrates nothing of His power. It's time for the restoration of the truth of God's Power! (Revelation 12:10-11).

BEAUTY TIPS

Audrey Hepburn the late Actress and humanitarian had this to say when asked for her "beauty tips" –

"For attractive lips, speak words of kindness.

For lovely eyes, seek out the good in people.

For a slim figure, share your food with the hungry.

For beautiful hair, let a child run his or her fingers through it once a day.

For poise, walk with the knowledge that you never walk alone.

People, even more than things, have to be restored, renewed, revived, reclaimed and redeemed; never throw out anyone.

Remember, if you ever need a helping hand, you'll find one at the end of each of your arms. As you grow older, you will discover that you have two hands, one for helping yourself, the other for helping others.

The beauty of a woman is not in the clothes she wears, the figure she carries, or the way she combs her hair. The beauty of a woman must be seen in her eyes, because that is the doorway to her heart, the place where love resides."

Audrey Hepburn did not write the quoted list of beauty tips, but she claimed it as one of her favorites and quoted it in public many times. The original author is Sam Levenson.

CHILDREN FROM THE US AND MEXICO ARE PLAYING TOGETHER ON SEESAWS BUILT THROUGH THE BORDER WALL

A set of shocking pink seesaws has sprang up right in the middle of the United States border wall with Mexico and have become an instant hit. Children (and adults!) flock to have fun on them despite the metal border wall that separates them.

The seesaws were installed right across the US-Mexico border between El Paso, Texas, and Ciudad Juárez in Mexico. The geniuses behind this brilliant idea were two professors, Ronald Rael, a professor of architecture at the University of California, Berkeley, and Virginia San Fratello, an associate professor of design at San José State University

Mr. Rael posted videos and photos of the seesaws in action on Instagram and everyone loved them, no matter their age! Mr. Rael's post went viral and got over 32,700 likes (and counting), as well as over 870 comments.

Talking about how today's pink seesaws were inspired by a project from 10 years ago Mr. Rael said "The wall became a literal fulcrum for US — Mexico relations and children and adults were connected in meaningful ways on both sides with the recognition that the actions that take place on one side have a direct consequence on the other side."

One of the things Donald Trump is best known and criticised for is his desire to continue to build a wall between the United States and Mexico, but he is far from the first American leader to start building the wall. Presidents George H. W. Bush, Bill Clinton, and George W. Bush all authorised projects to expand the border wall and now the US Supreme Court has ruled in Donald Trump's favour allowing the use of 2.5 billion dollars of Pentagon funds on four contracts to replace existing barriers with fencing.

1878 - The Intermediate Education Act granted female students in Ireland the right to participate in public examinations and to enter into careers and professions.

1879 - National Land League of Mayo was founded.

1896 - While salmon fishing near the Klondike River in Canada's Yukon Territory, George Carmack spotted nuggets of gold in a creek bed.

1898 - Edwin Prescott patented a roller coaster.

1908 - The Committee of Union and Progress, 'The Young Turks', announced a programme for reforms and respect for the rights of all within the Ottoman Empire, regardless of race or religion.

1913 - Tōhoku Imperial University of Japan (modern day Tōhoku University) admitted its first female students.

1920 - Court-martial of Terence MacSwiney, Irish Volunteer and Lord Mayor of Cork. Sentenced to two years imprisonment in Brixton Prison, England. He died on October 25th after 74 days on hunger strike when efforts to forcibly feed him went wrong.

1921 - The first Dáil Éireann was dissolved.

1934 - The US ended its occupation of Haiti which began in 1915.

1936 - The Summer Olympic Games closed in Berlin.

DID YOU KNOW?

That from the early 1870s there had been a growing demand in Ireland for a competitive examinations system which would allow Catholics in particular to enter for the newly created jobs in the civil service and for careers in the professions. In response to this pressure, the Irish Intermediate Education Bill was introduced to the British parliament in 1878. It provided an Examining Board with an annual sum of £32,500 per annum which would cover money prizes for pupils and results fees for schools. Students with the highest marks could gain valuable exhibitions worth up to £50. But these provisions would apply only to boys.

The Bill was in its final stages in parliament, when Isabella Tod of the Ladies' Institute,

Belfast, arrived with a small delegation of women backed by a handful of Irish MPs, to demand that girls should also be included in the provisions of the Bill. Fortunately, attitudes among a majority of English MPs were favourable to the inclusion of girls in the Bill. The most influential of these MPs was Mr Gladstone (the leader of the Liberal Party) who thought that the proposal to admit women to the benefits of the Bill was reasonable and fair. Although not in favour of giving women the vote, he was prepared to admit that, 'we have on the whole done rather less than justice to women as compared to men' when it came to education.

Mr Meldon (MP for Kildare) was amongst the MP's that strongly objected to what he called 'the victory' which the inclusion of girls would give to the advocates of women's rights, 'whose object was not that there should be a limited measure dealing specially with the education of women, but that the same education should be given to girls as given to men.'

THIS IS WHAT SPORTSMANSHIP IS ALL ABOUT

The 2019 U19 Women's Lacrosse World Championship took place in Peterborough, Ontario earlier this month.

Israel went up against Kenya in a playoff game that Israel ended up winning, 13-4. During their match, the girls from Israel noticed that their opponents did not have the proper cleats to play. The very next day, they were back on the field with their most recent opponents and they came bearing gifts.

The very generous gesture was extremely appreciated by every single player on the team as they all ended up giving the girls big hugs and took photos with them after the surprise.

THIS REVOLUTIONARY BLAST FURNACE VAPORIZES RUBBISH AND TURNS IT INTO CLEAN ENERGY

A new startup in the US can make clean energy by vaporizing heaps of rubbish without any waste or emissions.

The Sierra Energy company is aiming to tackle all of the non-recyclable garbage that ends up in landfills—from hazardous wastes and plastics to everyday trash and tires.

The company's modified blast furnace uses FastOx gasification technology to heat all of the trash to 4,000 degrees Fahrenheit, which is about twice as hot as the heart of a volcano. The system is able to generate the heat simply by injecting pure oxygen into the furnace. The oxygen then reacts with the carbon emanating from the rotting rubbish in order to create carbon monoxide and hydrogen. The steam is then pumped back into the furnace to maintain the internal temperature.

The fuel that is made from the FastOx technology is reportedly 20 times cleaner than California fuel standards. And all of the gases that are generated by the chemical process are captured for reuse—for instance, to replace fossil fuels that power airplanes or for use as fertilizer, hydrogen, or ethanol.

ACKNOWLEDGEMENT & 1ST ANNIVERSARY

In loving memory of
**MAGGIE CARROLL
(NÉE CRONIN)**

Late of Nohovaldaly, Knocknagree & Tomies, Beaufort & formerly of Laxie, Knocknagree.

18th July 1936 - 17th August 2018

Rest in Peace

On this the First Anniversary of Maggie's passing, those who truly loved her would like to express their deep appreciation to all those who sympathised with them at the time of her passing.

Thank you to all those who attended the wake, funeral mass and burial especially to those who travelled long distances to be there, to those who sent mass cards, perpetual enrolments, messages of sympathy, telephoned, floral bouquets and wreaths, as well as those who made charitable donations to the desired charities.

Sincere thanks for the kindness, love and overwhelming support shown by the following: The management and staff of St. Joseph's Nursing Home, Killorglin and to Dr Mulligan and Dr. McGuire. To Dr. Deirdre O'Mahony and all the oncology staff at University Hospital Kerry. To Dr. Patricia Sheahan, Dr. Margaret Clifford and all the doctors, nurses and staff of the Palliative Care Unit at University Hospital Kerry. To the South Kerry Home Care Team of Noreen, Margaret, Liz and Siobhan and to Hannah Buckley her public health nurse. To the Cancer Society Night Nurses who were like angels showing up at the door at night. To Dr. Michael O'Doherty and his team at Killarney Medical Centre and to the staff of Kennelly's Pharmacy. To all the above, your love to Maggie during those final weeks and support to those around her will always be remembered.

To John O'Leary, O'Leary Undertakers Knocknagree, whose guidance and kindness made those following days somewhat bearable, thank you. Heartfelt thanks to Fr. Pat O'Donnell, Fr. Tom Looney and Fr. Donal Looney whose funeral Mass gave us great comfort. To Brother Andrew Hickey, Annie Carroll and Nessa Cronin for the readings and all who helped with the wake, removal, funeral Mass and burial.

Thank you for the beautiful church music and singing on the day by Joan Collins and Mary Dilworth. To Betty Moynihan church clerk, thank you. As it is impossible to thank everyone individually, please accept this acknowledgement as a token of gratitude. Mass has been offered for all your intentions.

You'll remember me when the west wind moves upon the fields of barley
You'll forget the sun in his jealous sky as we walk in fields of gold

Maggie's First Anniversary Mass will be celebrated on Saturday 17th August 2019 at 7.30pm at Christ the King Church, Knocknagree.

6TH ANNIVERSARY

Fond memories of

DYLAN CROWLEY

Rathbeg, Rathmore, Co. Kerry
Who quietly left us all on 18th August 2013.

*Though our hearts are broken,
And your life was far too short,
We thank you, sweetest angel
For the happiness you brought.*

Loved and missed everyday by your grandparents Paudie and Mary and the Linehan family.

6TH ANNIVERSARY

Treasured memories of

DYLAN CROWLEY

Dylan whose 6th anniversary occurs on 18th August.

*You were someone special Dylan
In our eyes, you will always shine
We love and miss you dearly
And will till the end of time.*

You are always in our thoughts and forever in our hearts
Sadly missed and always in our hearts:
Kit, Sean and the Crowley Family

6TH ANNIVERSARY

In loving memory of

DYLAN CROWLEY

Remembered with love, joy and sorrow, our beautiful son Dylan on his 6th anniversary.

*As we loved you, So we miss you,
In our memory you are near,
Loved, remembered,
longed for always
Bringing many a silent tear.*

Sadly missed and always in our hearts Mom, Dad, Bryan and Emir
xxx

4TH ANNIVERSARY

In Loving Memory of

TRISH CREAGH MC LARNON

Knocknagreeha, Gneeveguilla
Who died on the
17th of August 2015.

*You always had a smile to share
A laugh, a joke and time to care
A wonderful nature, warm and true
These are the memories
we have of you.*

Sadly missed and always remembered by your husband Tony, Daughter Tara and The McLarnon Family.

Anniversary Mass on Sunday 18th of August at 10.00am in The Church of the Rosary, Gneeveguilla.

NOVENA TO THE SCARED HEART

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.

(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.
