BELIEVE IN THE MAGIC OF CHRISTMAS...

Muckross is where the magic takes place this Christmas as the Mucklorians eagerly await the arrival of Santa. On November 28th, the man himself will arrive in Muckcross with his elves, to celebrate a very special year.... as it is 100 years since the Mucklorians saved Christmas. In 1915, the Spirit of Christmas was threatened due to a shortage of Mican, the magic dust that makes Christmas happen, but, after a worldwide search, Santa's chief elves discovered a supply of Mican in the heart of Muckcross! Santa is inviting all the boys and girls to come and celebrate the Spirit of Christmas at Muckcross. The Gatekeeper will check your tickets on arrival and send you on your magical journey. Travel down Christmas Avenue to the Mucklorian Mining Village on a horse-drawn carriage. Gaze in wonder at the enormous Christmas tree and watch the blacksmith send sparks into the winter air. Explore the village where the Mucklorians live, check under their beds to see if it's clean. Make sure your letters are ready for the Santa's Post Office and get

them stamped and filed. Meet Mrs Claus for storytelling as you sip hot chocolate. Count the parcels with the Elves and stir the cookie bowl in the elves' kitchen, all before your special meeting with Santa.

KILLARNEY ROTARY AFTERNOON TEA AT THE MALTON

Killarney Rotary Club hosted its sumptuous annual afternoon tea at The Malton last Saturday, with ladies – and gents – of all ages out in force to enjoy the event and support a very good cause.

The seventh annual event, organised in aid of the Killarney branch of the Society of St Vincent de Paul, incorporated a fashion blitz and raffle, all in aid of the chosen charity.

Clodagh Irwin-Owens, who won the sought-after title Kerry Fashion Designer of the Year 2012 at Kerry Fashion Weekend, displayed her latest designs, while autumn/winter fashion courtesy of Paco, at the Killarney Outlet Centre, also took centre stage on the catwalk. In addition, the fashion blitz showcased jewellery by Brian De Staic.

An exciting raffle also took place on the day and Killian Foley volunteered his time and expertise as DJ, with the models also all volunteering their time. "The Killarney Rotary Afternoon Tea at The Malton was, as always, a sell-out success," said organiser Ciara Irwin-Foley of Killarney Rotary Club. "We would like to thank all who supported the event. All the raffle prizes are donated and we would like to thank all involved for their generosity. We are already planning and looking forward to the

ÓGRA BEO - BISHOP LAUNCHES NEW INITIATIVE

Ógra Beo, an exciting new initiative for youth was launched by Bishop Ray Browne this weekend in the Diocese of Kerry. Ógra Beo is a faith based parish programme for post primary young people. It is a response to the concern expressed by parishes about the lack of involvement of young people and it is a resource for parishes as they reach out to young people. Prompted by the words of Pope Francis "young people are the windows through which the future enters the world. This means that we have to create the material and spiritual conditions for their full development" Ógra Beo will help create a sense of welcome and belonging for young people in our parishes. It will also enhance their lives of prayer and worship, provide opportunities for them to understand and live their faith and encourage them to reach out to people who are in need both locally and globally. Ógra Beo is an opportunity for young people to participate in training workshops which will include: getting involved in the parish, learning to work as a team, developing leadership skills, prayer and reflection, meeting friends and having fun. Having participated in the training workshops young people will be enabled to identify and carry out an action in response to a need in the local parish. On completion of the Ógra Beo

BISHOP RAY BROWNE WITH BERNIE McCaffrey, KEVIN LAVERY, KIAH DOONA, JANE MCGILLICUDDY, KAMIL KUNICKI AND CAROL HICKSON

programme parishes will acknowledge and celebrate the commitment and gifts of young people. Following this launch, training with Adult Leaders from around the diocese begins in Killarney on Thursday the 22nd of October. These adults will engage with young people at parish and pastoral area level. All parishes are invited to participate and all young people will

be welcomed into groups.

Ógra Beo is coordinated by the Diocesan Pastoral Team and will provide training and a Resource Pack for adult leaders in local parishes. Safeguarding Children policies and practices will be fully integrated into the delivery of this programme.

LIGHTS, CAMERA, ACTION FOR KERRY FILM FESTIVAL

MINISTER JIMMY DEENIHAN PICTURED WITH ROISIN MCGUIGAN, ARTISTIC DIRECTOR OF THE KERRY FILM FESTIVAL AT THE PREMIER.

A packed cinema attended the Kerry Film Festival hosting of a parallel premiere of *THE LOBSTER* at Killarney Cinema last Thursday night.

In conjunction with Element Picture and the Lighthouse Cinema in Dublin the event launched this year's film festival. Many of those attending either appearing in the film as extras or working behind the scenes, and special

guest for the night was Killarney man Mike Hayes who worked as part of the Directing Team in the role of 3rd Assistant Director. A premiere outside Dublin is rare, so this really was a landmark event for Kerry Film Festival and a great way to kick off the 2015 programme. This year's film festival will take place from 21st to 25th of October and whilst events take place countywide, Killarney will host the majority of the events this year. A packed programme has been planned with a record number of short films vying for selection, a testament to the vibrancy and success of the festival, which is now in its sixteen year.

Once again this year the festival will present outstanding short and feature films, plus a number of unique film events. The festival celebrates emerging filmmaking talent, introduces filmmakers to the industry at large, and creates new film experiences for audiences. The opening ceremony will showcase films made by local filmmakers in the "Made in Kerry" section. The following evening will see the premiere of the feature film *THE GIFT* shot

in Killarney and the surrounding hinterland last year with many locals featuring as extras and directed by local filmmaker Damian O'Callaghan. On Friday 23rd in the beautiful location of St. Mary's Church of Ireland, internationally renowned DJ Radiomontale will perform a unique live set which will form the backdrop to the Buster Keaton all time classic, *THE GENERAL*.

The food and film event sees the iconic Spencer Tracy & Katherine Hepburn star in *GUESS WHO IS COMING TO DINNER* at one of the satellite venues, Sol Y Sombra in Killorglin. Look out too for events in Muckcross Schoolhouse, Killarney Town Centre, Killarney Library and the Dept of Arts, Heritage and the Gaeltacht.

The culmination of the festival will be on Sunday evening with the awards ceremony, when the 2015 winners will be announced. With filmmaker receptions, social events and DJs every night, there's no reason not to join in the fun this Bank Holiday weekend and maybe even catch a great film or two.

KFA STAND AT NATIONAL DAIRY SHOW

Next Saturday will see thousands of local farmers attend the National Dairy Show in nearby Millstreet with all aspects of dairy farming featuring.

This year Kellihers Feed and Agri Supplies will be hosting their own stand and will be teaming

up with CID LINES, the market leaders in dairy hygiene and this year the focus will be on Mastitis, which is considered to be one of the most costly dairy cattle diseases, thus making it highly relevant to dairy farmers.

The losses associated with mastitis are often

underestimated at farm level as many of the losses are unseen, like reduced milk production and lower herd growth potential which can impact expansion.

So make sure you pay a visit to the stand.

CELEBRITY CHEF PAUL SCALES NEW HEIGHTS IN NEW TV SHOW

One of Ireland's most unconventional chefs Paul Treyvaud is to star in one of the most unique and original travel and cookery shows ever to be seen on television. The 9 part series sees Treyvaud embark on his travels all around Ireland bringing you to some of the most stunning locations on our fabulous Island, meet some hilarious characters along the way and sees him cook some of the most spectacular dishes ever cooked in Paul's unique and no nonsense way!

Paul will take you on a journey to locations such as the mighty Thomond Park where he interviews one of the greatest living rugby legends and highest try scoring All Black Doug Howlett, in Munsters Home dressing room and then cooks an incredible dish right in the middle of the pitch for Ireland's number one professional Rugby referee Johnny Lacey, who is one of the 12 referees selected for this year's Rugby World Cup in the UK this September.

Other episodes see Treyvaud take you to (literally) heights you have never been taken to before as he hikes over some of the most spectacular mountain ranges to show you just how stunning our landscape is. You are taken back hundreds of years to see how our ancestors cooked in a real famine cottage, which will be the most unique piece of television ever seen anywhere. No frills, no electricity and no nonsense. Just a fire, a side of wild Irish salmon and a plank of wood! Only Treyvaud could cook you a fantastic dish over a distance that Michael Johnson can run in under 45 seconds. That's right, on Ireland's only cable car, you will see a master class of cookery in the time it takes to go the 400 meters from the main land onto Dursey Island in County Cork. Cooking on a jaunting car, hiking up Cardiac Hill, risking his life to cook on the side of cliffs, these are to name but a few of what Treyvaud gets up to in this series!!

From The Navan Fort in Armagh to the top of Gleninchaquin Park in Kerry, Treyvaud Travels brings you to places where most wouldn't dare to bring you. Treyvaud Travels is a high paced adrenaline rush travel and cooking show with plenty of excitement and fun along the way. Treyvaud Travels will go beyond any boundary ever set. It breaks every rule ever laid down but all this will result in one of the most exciting television shows ever seen before and this is why Treyvaud is fast becoming Ireland's most watched TV Chef."

MISSION SUNDAY

This Sunday, October 18th, is Mission Sunday - this special Sunday provides Catholics with the opportunity to unite with their missionary sisters and brothers overseas, and to recommit themselves to bringing the Joy of the Gospel to everyone they meet in their daily lives at home and at work. In a special way, we celebrate the work of 1,300 Irish born missionaries and all missionaries throughout the world. We thank God for them, for all who support them in our own country and during mission month we unite ourselves in prayer with them and with the communities with whom they work. The funds collected are used to assist Churches who need financial support and directed towards communities in need, both spiritually and materially.

CHRISTMAS COMES EARLY FOR STAGE SCHOOL STARS

Christmas came early for the students of The Premier Performing Arts Academy on Friday night last when they joined local musician and song writer Jack Patrick Healy for the revival of his Christmas classic, Christmas Without You. The song which is penned by Jack was written in 2010 but Jack recently decided to give the song a new lease of life. With the help of local people and the performing academy, the new track had been renewed with an orchestra and a children's choir of over 100.

"It's great that a new original Christmas song is coming from the gap of Dunloe", Jack told the Killarney Outlook.

"From listening to Christmas albums and radio stations during the winter season, the majority of Christmas songs are of a happy go lucky nature but it's a known fact that this festive period also holds a deep sadness for

people for many reasons. Be it death, illness or immigration everyone has someone they wish could be there for Christmas. The song, entitled Christmas Without You deals with those subjects in a personal way" Jack added. Joe Burkett, The Premier Performing Arts Academy said, "This is a wonderful opportunity for all our students. Lisa Curran our resident vocal coach in the academy has been working really hard with the kids and they are all sounding fantastic. We would like to say a huge thank you to Jack for asking us to get involved. Christmas Without You is a beautifully haunting piece of music and Jack has done a wonderful job revamping it".

The single will be available online on iTunes and in local music shops in Tralee and Killarney. The video accompanying the single will be released online for worldwide viewing. Production will

begin shortly with a dedicated film travelling around Killarney to encapsulate the beauty of the town for the video.

Not one for resting on his laurels, Joe has also organized for Elaine Canning the vocal coach from The Voice of Ireland and Junior Eurovision to come to Kerry for a vocal and performance workshop.

The workshops will take place on Saturday November 7th in The Laurels, Killarney (12.30pm – 2.30pm) and Fels Point, Tralee (3.30pm – 5.30pm) and is also open to the public with Joe encouraging all local singing talent from 7 years to 20 years to come along to the workshop. The aim of the workshop is launch a new teenager only choir in both Tralee and Killarney which would run every Saturday in both locations thereafter.

GLEESON CALLS TO REPLACE PIPES

"At the October Municipal area meeting Councillor Michael Gleeson asked that the Council would call on Uisce Éireann to proceed promptly with the laying of new water mains in Dromhall Park, Killarney and thus allow for the elimination of the Lead connections that are a source of concern to residents. The Council replied that Irish Water has sanctioned the necessary funds. It is planned to replace the 375 metre long, 100mm cast iron pipe to which there are 45 lead connections. The work will be undertaken in early 1916. Councillor Gleeson welcomed the response and asked that the Council would liaise closely with all households in order to ensure that any and all concerns are addressed".

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

INVESTMENTS

WHEN YOU COMPARE INVESTMENTS, LOOK AT:

- The minimum investment amount - can you top up your investment?
- The minimum recommended investment term for your money.
- Access to your money - are there any penalties if you withdraw your money early.
- What fees and charges apply, as they reduce the value of your investment.

CONSIDER TWO KEY FACTORS: ● **The likely return** - risk and return go hand in hand, so as a general rule the lower the risk the lower the rate of return you should expect. With longer-term and higher-risk products, you can expect higher returns, but this is not guaranteed and you could lose money. You need to consider carefully the effect of this on your financial situation.

● **Risks involved** - some investments do give you a capital guarantee and some do not give you a capital guarantee. How much of your original capital would be at risk? Is there a risk of poor returns? Is there inflation risk? You also need to consider how long your money will be tied up for.

Financial advisors advise on these products on behalf of the main providers. It is important that you find out from the advisor if they are tied to any one provider or if they deal with a number of different providers and who are these providers.

For more information or to make an appointment to discuss the above contact **Dermot Cronin APA**, at **064 66 22775**.

JOHNNY LOONEY: A LOVER OF FARMING, FOOTBALL AND DRAMA

The recent passing of Johnny Looney Tullig Killarney removes one of the final links with the early days of the Spa GAA club, Johnny who spent the major part of his adult life farming in his native Tullig was closely linked with the early days of the club as a player, and life long supporter of it's games and functions. He was also actively involved with the Spa Dramatic Society after it's formation in the late 1940's and which helped to fund the activities of the fledgling GAA club.

Endowed with an excellent stage personality he played an active role in many of it's productions including "Fledged and Flown," "The Miser" and "The Marriage Plan" which won the final of the East Kerry Macra na Feirme Drama competition. This was the era when Drama replaced dancing during the Lenten period and when the Spa

Dramatic Society packed the halls of East Kerry and the county with the aforementioned shows.

Johnny was also an avid card player and rarely missed a card session in the clubhouse and was a regular supporter of the Spa 31 Championship of Kerry each season.

Despite being in failing health in recent years he still retained a close interest in all the activities in his native Spa and as a gesture of their appreciation of his contribution former playing colleagues and supporters formed a Guard of Honour at his removal to Killarney Cathedral on Friday evening.

Sympathy is extended to his sisters Mary and Chris and family members.

May he Rest In peace.

THE LATE JOHNNY LOONEY.

WRITERS CLUB SEEK NEW MEMBERS

SHARON FITZPATRICK FROM KILLARNEY WRITERS GROUP.

Have you always felt there was a book in you? Or maybe you have a story you would like to tell? Well if so then the Killarney Writers Group is the answer.

The group, which is organised by Sharon Fitzpatrick, meets every Tuesday evening at 6.30 until 8.30pm at The Avenue Hotel.

"There is terrific pleasure in facilitating the writers group. Seeing people grow in

confidence is very rewarding for me. I enjoy volunteering my time to help others", Sharon told the Killarney Outlook.

Sharon takes part in numerous literary events and is heavily involved in helping writers. She runs an independent publishing company and helps organise literary readings and open mic evenings.

"The group is suitable for all ages and abilities. You may be a complete beginner who would love to learn how to write or you may have experience and want to develop it more. We welcome anyone who loves the idea of writing", she added.

Encouragement and feedback are given within the meetings so you can enhance your skills. You get to find out news about literary events that happen within Kerry. Socially it is great to meet others and we get to talk about such a wide variety of subjects. A very interesting and enjoyable couple of hours once a week.

HELP BEAT THE BLUES WITH THE PETERMARKATHON

Pyjama parties, bake sales and fancy dress. It's that time of year again! The annual Petermarkathon fundraiser is back and coming to Peter Mark Killarney from 23rd - 26th October 2015. This year the Peter Mark team will aim to raise much needed funds for Aware and specifically its work supporting and educating teenagers about looking after their mental health. Beat the Blues is a programme delivered free of charge by Aware each year to some 30,000 students aged from 15 - 18 years old with a view to empowering this vulnerable group to help them understand how to look after their mental health and deal with everyday concerns before they spiral out of control.

Beat the Blues is a 70-minute programme and is very well received by students and teachers alike. It covers topics including:

- Principles for good mental health and actions that can help
- The importance of looking at the positive aspects of our lives
- Why similar situations impact people in different ways
- The role of core beliefs
- How to prevent or recognise depression or anxiety
- The importance of resilience and how to build it

It costs Aware €6 to deliver the programme to one child, so it's time to help 'Beat the Blues' and plan a visit to your local Peter Mark salon between 23rd - 26th October. Every penny raised over the weekend fundraiser will go to Aware to deliver this service to teenagers across Ireland.

BUDGET 2016 - NO PAIN & MODEST GAIN

By O'Brien Coffey & Co

This budget has got something for everyone, which comes as no surprise with a general election looming.

The main change on the Income Tax side is the reduction in the USC charge, with the changes amounting to approximately 1 week's wages per year. In general those on incomes up to €70,000 per annum should have a marginal tax rate of no higher than 49.5% between Income Tax, USC and employee PRSI.

The Government has delivered on its commitment to commence bringing the tax treatment for the self-employed and company directors in line with that for PAYE employees with the introduction of an Earned Income Tax Credit of €550.

A new tapered PRSI credit is being introduced for employees insured at Class A whose earnings are between €352.01 and €424 per week, which will reduce the weekly PRSI bill for many employees.

Some other benefits included an increase in the lifetime tax-free amount a child can receive from a parent, the introduction of additional

tax reliefs for the disposal of businesses and the transfer of farms, extension to the 3 year Corporation Tax relief for start-up companies and the abolition of the pension fund levy.

Further measures were introduced to benefit the young and the old - an increase in the weekly rate of the state pension by €3 and a 75% Christmas bonus, increased fuel allowance, increased child benefit payments, free GP care being for all children under 12 (subject to agreement with the IMO), free pre-school year being extended to two years for children from 3 years of age until child starts primary school.

Overall, while there was much by way of positive news in today's budget, there is also a sense of missed opportunity in terms of incentivising small businesses and entrepreneurs.

Over the next few weeks we will be addressing some of the above Budget changes in our weekly Tax Matters article.

BUDGET 2016 BENEFITS FAMILIES AND WORKING PEOPLE

Senator Moloney welcomes today's budget announcements that reflect a growing economy and increasing tax receipts. "We are able to give back to people who have suffered so much during difficult times. More job creation leads to a higher tax take and we are finally able to restore much of the difficult cuts" Senator Moloney welcomed the additional free childcare places, which will be made available to children from 3 years of age until they start school. Also the decrease in the pupil teacher ratio will be a huge boost for our school population. The restoration of the Respite Care Grant is also to be welcomed. Senator Moloney has worked closely on this with The Carers Association, and it was one of her priorities in this Budget. "I also welcome the increases in what Carers can earn by €2120 to €7,200 without affecting the Home Carers Tax credit which has been increased by €1,000." Also, the increase in the Family Income Supplement Threshold by €5 for 1 child and €10 for families of 2 or more children, will ease the burden on families in difficult situations. The Air Travel Tax will remain abolished and the retention of the 9% VAT rate will benefit tourism everywhere, but is especially important in Kerry, which is heavily dependent on tourism. "These are measures which demonstrate Labour's delivery for low and middle income families, and builds a better economy and a fair society".

MOLONEY WELCOMES RESTORATION OF RESPITE CARE GRANT

Senator Moloney has welcomed the restoration of the Respite Care Grant to 86,000 carers. The Grant will be restored to its previous level of €1,700.

"I worked closely with the Carers Association on this and it is very important to them to have this critical payment restored. They do a very difficult job and this payment means they can have some time out of their caring roles, to rest and recover. I warmly welcome its restoration."

"We need to build a decent and fair society and look after vulnerable groups. This progressive budget will help us along this path."

SENATOR MARIE MOLONEY.

GUARDED WELCOME OF BUDGET 2016 FROM DSI

The CEO of Down Syndrome Ireland (DSI) has given a guarded welcome to Budget 2016.

Pat Clarke of Down Syndrome Ireland which represents 3500 families of people with Down syndrome said he welcomed many of the benefits announced this afternoon but that the Government missed a vital opportunity to create a decent living standard for people with Down syndrome. "We welcome the extension of the free childcare year from one year to two for children aged 3 up to 5.5 years of age, or when they go to primary school. We are particularly pleased to see that €15 million will be allocated for children with disabilities to access this scheme," said Pat Clarke. "Down Syndrome Ireland has repeatedly called on the Government to increase resource hours and we are hopeful that our calls have been answered through the increase of 600 extra resource teachers and 610 Special Needs Assistants," he added.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

TIPS TO LOOSE BELLY FAT (PART TWO)

6. Avoid too much alcohol:

- it goes without saying the alcohol is high in empty calories and lowers our ability to stop overeating and also lowers our blood sugars to make us want to eat more (hence the munchies after drink). So if your looking for a boost to get a flat tummy start reducing or eliminate it for a few weeks and see the results for yourself!

7. Get some sleep:

- make sure you are getting adequate rest every night so your body can renew itself to work optimally during the day in burning those fat stores.

8. Make sure your getting a good cardio workout in about 2-3 times per week:

- research has proven that cardio workouts will reduce belly fat significantly.

9. Avoid white bread:

- anyone I have ever advised or spoken with about this has change has reported a noticeable flatterer tummy and less bloating as a result.

10. Give up the fizzy sugary drinks: - This is a no brainer they are full of excess calories (empty calories) you just do not need. The carbonated fizz will also automatically make your tummy look bigger so why put yourself through it!

11. Drink green tea:

- it contains antioxidants that help reduce belly fat, as well as reduce risk of cancer and heart disease.

OUTLOOK FASHION TIP:

LITTLE BLACK DRESS:

Having that dress hanging in the closet waiting for a special moment is a comforting thought and a style saver when you're scrambling to find something to wear.

DIET TIP

Reward yourself, but instead of indulging in chocolate, sweets or crisps buy a new book or spend some time catching up with friends.

Beauty Tip

Look pretty in pictures.

Avoid a shiny-looking complexion caused by a camera flash by applying a mattifying lotion to your T zone before you put on your makeup

YOUR WORDS HAVE POWER!

The old saying, "Sticks & stones may break my bones but words will never hurt me!" is deeply flawed. While your body may heal over time, words can stay with you for your entire life! This is true of both hurtful and deeply loving words.

Some of the way that we hurt and pull our selves down are with the words that we consistently tell ourselves.

We are often critical, judgmental and downright unkind with some of the things that we say to ourselves. We would never speak to someone else the way we so often speak to ourselves. One of the key ways to nourish yourself with words is to become more mindful about not judging yourself. Whenever you do or say something that doesn't go well, simply acknowledge what it was and say kindly to yourself, "OK, what can I learn from this and what can I remember to do better next time?" Just saying this transforms it into a positive learning experience. Remember also to praise yourself when something goes well or you do something you're proud of! Say, "GREAT!" and linger a moment longer with the feel good feeling!

The truth is that we all make mistakes, we all get things wrong or don't think before we speak. It doesn't make you bad – it just makes you wonderfully and magnificently HUMAN!

Join me in my Chakranetics classes (mindful moving meditations) every week at the Travel Inn, Fossa. Tuesdays at 10.00am. Mondays at 7.30pm! Also, Thursday at 7.30pm in Tralee at Collis-Sandes House.

CREATIVE KIDS OFF TO A FLYING START

Its all systems go for the students of Donna Griffin of Creative Kids. Donna opened her pre school in Tiernaboul National School in September and is just thrilled with the progress so far.

"We are off to a flying start", she told the Killarney Outlook. "I have children attending both for ECCE and part time with more due to start in the new year", she added.

Creative Kids held an official opening on October 4th and people took the opportunity to view the room and sign up for September.

"Places are filling fast" said Donna who is advising parents to contact her on 087 1272781 to avoid disappointment.

GARVEYS SENIOR FOOTBALL CHAMPIONSHIP

IMPRESSIVE RATHMORE NOT WHAT THE DOCTOR ORDERED

RATHMORE 2-15
DR CROKES 1-13

A superbly motivated and hungry Rathmore outfit ensured a final four place for the East Kerry club over Dr Crokes on Sunday following two crucial lapses in concentration by Crokes that were severely punished by Rathmore.

Dr. Crokes gave up both their goals fairly soft with John Moynihan intercepting a 7th minute back pass, while 17 year old Dean Fitzgerald fire to the net after stripping the Crokes defence of the ball 5 metres from goal. They were the scores that Rathmore built their win on and defended to hilt with Aidan O'Mahony impressive at midfield despite the fact that Crokes won most breaks.

This was a tremendous win for Rathmore who have never won the Kerry SFC and the proud border club are now just two games away from claiming the biggest prize in Kerry football, the Bishop Moynihan Trophy for the very first time.

In a game that produced some tremendous excitement, great scores and talking points, Rathmore can thank the strike forces of Eoin Lawlor, Dean Fitzgerald and Brendan O'Keeffe for this win.

Between them, this trio scored 1-11 of their final tally, which laid a solid foundation for their ultimate victory.

Alan O'Sullivan gave Crokes the lead for the only time in the contest after two minutes and when Brendan O'Keeffe equalised on the fifth minute it was to be the last time the sides even shared parity.

O'Keeffe added another point before disaster struck for the Killarney side when John Moynihan pounced to score Rathmore's first goal.

Colm Cooper, Daithi Casey and Chris Davies added points for Crokes to bring them back into contention before county star Paul Murphy added a Rathmore score.

Eoin Lawlor and Brendan O'Keeffe added to Rathmore's first-half tally, they led 1-6 to 0-5

RATHMORE'S PAUL MURPHY DRIVES PAST FIONN FITZGERALD OF DR.CROKES IN SUNDAY'S FOOTBALL CHAMPIONSHIP QUARTER FINAL IN FITZGERALD STADIUM.PHOTO BY PADDY WHITE

after 22 minutes.

Ambrose O'Donovan and Paul Lawlor swapped scores as did Colm Cooper and Paul Murphy. Rathmore struck for their second goal when a mistake from Crokes' keeper Alan Kelly resulted in Dean Fitzgerald finishing to the net.

Kerry minor Gavin White and Colm Cooper added points for the Killarney side but it was Rathmore who led 2-8 to 0-9 at half time.

Crokes best goal scoring opportunity came in the 38th minute when Colm Cooper's kicked effort was slightly too high with only Rathmore goalie Padraig McCarthy to beat.

Alan O'Sullivan and Daithi Casey added points before Casey struck a great goal following a fine run through the heart of the Crokes defence. Replacement Tony Brosnan cut the gap to the minimum as excitement mounted and for a while, it seemed that Dr Crokes would stage another of their typical smash and grab raids and claim victory.

However, Rathmore regrouped and late points by goalkeeper Padraig McCarthy (Free), Eoin Lawlor and Brendan O'Keeffe saw the Rathmore claim a memorable win.

Dr Crokes: Alan Kelly; John Payne, Eoin Brosnan, Mike Moloney, Gavin White, Fionn Fitzgerald, David O'Leary, Ambrose O'Donovan (0-1), Johnny Buckley, Alan O'Sullivan (0-2), Daithi Casey (1-1), Brian Looney (0-1, 0-1 '45); Colm Cooper (0-4, 0-3 frees), Chris Brady, Jordan Kiely.

Subs: Mike Milner for O'Donovan (28), Jamie Doolan for Kiely (HT), Cillian Fitzgerald for Moloney (33), Gavin O'Shea for Looney (33), Tony Brosnan (0-2) for Brady (33), and Shane Myers for Gavin O'Shea (52).

Rathmore: Padraig McCarthy (0-1, 0-1 free), Conor Jenkins, Tom O'Sullivan, James O'Sullivan, Conor O'Sullivan; Cathal Murphy, TJ Friel, Aidan O'Mahony, Donal O'Sullivan, Brendan O'Keeffe (0-4, 0-1 free), Paul Murphy (0-2); Daniel O'Sullivan, Eoin Lawlor (0-5, 0-3 frees), John Moynihan (1-0), Dean Fitzgerald (1-2).

Subs: George O'Keeffe (0-1) for John Moynihan (44), Brian Moynihan for Daniel O'Sullivan (48), Michael O'Riordan for Conor O'Sullivan (57).

Referee: Padraig O'Sullivan (Firies).

O'DONOGHUE ON SONG AS O'RAHILLY'S GO OUT

KILLARNEY O'LEIGION 4-9 KERINS O'RAHILLY'S 1-15

Kerry star James O'Donoghue was the scoring sensation bagging a fine individual hat-trick as his club Killarney Legion advanced to the last four of this year's Garvey's Kerry SFC in Fitzgerald Stadium on Saturday afternoon.

Tommy Walsh who drifted between midfield and full-forward throughout the game had another scintillating outing for O'Rahilly's, while for Killarney Legion, young rising prospect Conor Keane, a County under 21 this year, caught the eye, as did Podge O'Connor in defence.

The game had everything including five goals, some fantastic football played at a very high octane pace throughout between two highly motivated and superb sides.

Barry O'Shea's charges got off to a dream start when Jack Savage pointed inside the opening minute to give them the lead.

Then in the 3rd minute, Conor Keane, another fine inter-county prospect, laid off a peach of a pass to feed James O'Donoghue for Legion's first goal.

The play was fast and furious and the crowd were warming to the battle that was unfolding before their eyes.

Jack Savage replied with O'Rahilly's second point and when Barry John Keane was fouled inside the small square David Moran finished

the subsequent penalty to give O'Rahilly's a 1-2 to 1-1 lead.

Jamie O'Sullivan added an excellent point for Legion before Conor Keane who posed serious problems for the O'Rahilly's defence, netted for Peter Keane's side.

The sides swapped scores before James O'Donoghue got through for his second goal and Legion's third, again from a Conor Keane pass, to give the Legion a 3-4 to 1-8 interval lead.

The second half began with Jack Savage pointing some frees for O'Rahilly's but

the Killarney team were maintaining their advantage and with 11 minutes gone on the watch, the score now stood Legion 3-8 O'Rahilly's 1-11.

James O'Donoghue completed his hat-trick when he netted a penalty won by himself, to stretch his side's lead to six points.

O'Rahilly's refused to surrender and the deployment of Tommy Walsh to the edge of the square for the remainder of the game reaped a rich harvest with a brace each from Jack Savage and Walsh narrowing the gap to two points.

However, Denis Sheahan had the final say for Peter Keane's side and he grabbed the insurance score to send Legion into the last four.

Legion: Brian Kelly, Cathal Sheehan, Danny Sheahan, Podge O'Connor, Daragh Doherty, Damien O'Sullivan, Jonathan Lyne, Shaun Keane, Jamie O'Sullivan (0-1), Kevin Breen (0-1), James O'Donoghue (3-2), Billy McGuire (0-1), Tom Moriarty (0-1), David O'Sullivan (0-1), Conor Keane (1-1).

EAST KERRY RETAIN U16 COUNTY FOOTBALL TITLE

EAST KERRY 3-16 WEST KERRY 1-11

East Kerry came roaring out of the blocks with 1-4 on the trot. Ciaran Flynn (f) and Donnacha O'Sullivan were both on target before combining to set up David Clifford for a cracking goal, while Mark Harnett and Niall McCarthy also split the posts. Sharpshooter extraordinaire Deividas Uosis got West Kerry on the board before captain fantastic Cathal Ferriter pointed from play but man of the match David Clifford won a free converted by Ciaran Flynn before adding two points from play. Niall o Geibheannaigh, lining out at wing forward, hit a West Kerry point.

David Clifford was a constant menace by now, his pass setting Niall McCarthy up for a goal chance that was brilliantly saved by Eoin o Brosnochain.

Uosis and Flynn swapped frees before East Kerry hit a purple patch, Cian O'Callaghan bursting through for a great goal and David Clifford, Mark Harnett, and Donnacha O'Sullivan pointing. Niall o Geibheannaigh and Micheal Sacnlain replied, but East Kerry led by 2-11 to 1-5 at the break and it already looked a long way back for a gallant West Kerry.

They made a great battle of it in the second half, with Uosis (2f) and Geibheannaigh picking off frees and Brian Scanlain and Marc Aghas hugely impressive in midfield. Ciaran Flynn (f) made it 2-12 to 1-7 but David Clifford and Donnacha O'Sullivan stretched the lead. West Kerry picked off points through Cathal Ferriter, Steven o Conchuir, and Lucas o Chonail to bring the gap down to 6 points, but East Kerry surged to the finishing line with points from David Clifford and Liam Brosnan and Aaron

McCarthy kicked a clinching goal with the last kick of the game.

Coiste na nOg Chairman Tom Keane and Gerry O'Dwyer of sponsors Lee Strand presented the Con Courtney Memorial Cup to East Kerry captain Niall O'Donoghue.

GARVEYS SENIOR FOOTBALL CHAMPIONSHIP

DECLAN RESCUES THE SOUTH FROM SPIRITED KILCUMMIN

**SOUTH KERRY 0-14
KILCUMMIN 1-8**

In the first of the four quarter finals at the weekend South Kerry came through a bruising battle in an extremely physical encounter that saw both sides finish without their full complement of players but 13 man South Kerry may well rue the injury to Killian Young ahead of their semi-final date.

Still it was not all bad news as South Kerry called on a familiar old reliable in Declan O'Sullivan with the experience needed to rest the game away from a Kilcummin side who had enough chances to win the game in the first half alone. The Killarney side spurned three goal chances in the first half and with Matthew Keane rattling the crossbar deep in injury time at the end of the game when a goal would have rescued a draw.

Kilcummin hit the ground running and when Kevin McCarthy crashed to the net on the 9th minute they were 1-2 to no score ahead.

However instead of kicking on it was South Kerry, just as had done in the previous round against the same opposition began to reel in their opponents with four unanswered points including two frees from Bryan Sheehan who had failed to score against Dingle the previous week.

Brendan Kealy and Aidan Walsh swapped scores before Kilcummin turned up the heat

on a static South Kerry who were in trouble in a number opposition not least of all their full back line where Kilcummin created a hat trick of goal chances but South Kerry keeper made two telling saves before Killian Young took another effort off the goal line.

Still Philip Casey and Kevin McCarthy added the point to take their lead to 1-5 to 0-5 with just four minutes remaining in the half. Walsh and Sheehan added further South Kerry points to counter another Philip Casey effort to trail at the break 0-7 to 1-6.

The quality of play deteriorated rapidly in the second half in a game, which saw a lot of

uncompromising tackles many go unpunished as the yellow cards mounted up on both sides. Kilcummin remained ahead with five minutes on the clock 1-8 to 0-10 but under the composure of Declan O'Sullivan South Kerry found the scores, they needed in the 8 minutes of added time that was needed due to Killian Young's injury, which needed him stretchered from the pitch.

O'Sullivan kicked South Kerry level on the 60th minute with player of the game Brendan O'Sullivan adding a brace before picking up a second yellow with Denis Daly securing the contest on the 68th minute.

Kilcummin: Brendan Kealy 0-2F, James Devane, Donal Maher, Sean Brosnan, Philip Casey 0-3 (0-1F), Daniel O'Leary, Noel Duggan (C), John McCarthy, Kevin Gorman, Matthew Keane, Chris O'Leary, Ian Devane, Kelvin Teahan 0-1, Kieran Murphy, Kevin McCarthy 1-2 (0-1F).

South Kerry: Brian O'Connor (Valentia), Brian Sugrue (Renard), Daniel Daly (St Marys), Padraig O'Sullivan (Piarasigh na Dromoda), Greg Gibson (Waterville), Bernard Walsh (Skellig Rangers), Killian Young (Renard), Bryan Sheehan (St Mary's) 0-4 (0-3F, 0-1 '45'), Brendan O'Sullivan (Valentia) 0-4, Aidan Walsh (St Mary's) 0-3, Denis Daly (St Mary's) 0-1, Paul O'Donoghue (St Mary's), Ian Galvin (Sneem/Derrynane) 0-1, Chris Farrelly (Piarasigh na Dromoda), Conor O'Shea (St Mary's).

Referee: Jer Lynch (Ballymac).

O'CONNOR POINTS KENMARE IN THE RIGHT DIRECTION

**KENMARE DISTRICT 1-15
WEST KERRY 0-11**

A year on from failing to field a team, Kenmare District are just one game away from a place in the Senior County Final after Paul O'Connor for the second successive game kicked eleven points to see them past a West Kerry team that scored only twice in the second half.

It was a complete collapse for the West Kerry outfit who had more than played their share of the good football in the first half and even went in at the break 0-9 to 0-8 ahead but they would have to wait until the 51st minute to add to first half total. By that, stage Kenmare had sprinted passed them with the aid of a deflected Brian Crowley goal on the 48th minute to lead 1-12 to 0-10.

The opening half provided some delightful football with both teams happy to play without sweepers and go man to man throughout. The sides were level on four occasions before West Kerry finished the opening half the stronger with Eanna O'Connor, Roibeard O'Se, Marc O'Se, James Crean and Jason Hickson all impressive.

Hickson's 26th minute point put the West Kerry team 0-9 to 0-6 ahead before late Paul O'Connor and Dara O'Shea points putting the bare minimum between the sides,

O'Connor would end the half with seven of his side's eight points. The second half saw Kenmare take control of midfield and with it; they provided a greater platform for their forwards. Stephen O'Brien and Brian Crowley who up to then were pretty quiet began to cause added trouble for the West Kerry back line who had been under serve pressure for most of the second half.

By full time Kenmare were seven clear without any real test of their character. They will be a difficult outfit to judge, as West Kerry never really manage to put them under enough pressure. For the second week in a row Kenmare's Paul O'Connor was scorer in chief with a personal haul of 0-11 points (just a goal short of his tally against Laune Rangers) and it could be a cause of concern if his good form was to dry up.

Kenmare District: Kieran Fitzgibbon (Kenmare), Dara Crowley (do), Tommy O'Sullivan (do), Gavin Crowley (Templenoe), Dara O'Shea (Kenmare)

0-1, Tadgh Morley (Templenoe), John Spillane (Templenoe), Flor O'Sullivan (Tousist), Adrian Spillane (Templenoe), Brian Crowley (do) 1-1, Stephen O'Brien (do) 0-1, Kevin O'Sullivan (Kenmare), Killian Spillane (Templenoe) 0-1, Teddy Doyle (do), Paul O'Connor (Kenmare) 0-11 (0-7F)

Subs: Mark Crowley (Templenoe) for Tommy Sullivan (27), Sean Sheehan (T) for Teddy Doyle (54), Patrick Clifford (T) for Dara O'Shea (57), Sean O'Shea (K) for Kevin O'Sullivan (59)

West Kerry: Tomas Mac An Tsaioir (An Ghaeltacht), Brian O'Beaglaoich (An Ghaeltacht), Marc O'Se (An Ghaeltacht) 0-1, Cathal O'Luing (An Ghaeltacht), Gearoid O Nuanain (Lispole), Gavin O'Connor (Castlegregory), Colm O'Muircheartaigh (An Ghaeltacht), Roibeard O'Se (An Ghaeltacht) 0-1, Alan Fitzgerald (Castlegregory) 0-2 (0-1F), Padraig O'Se (An Ghaeltacht), Sean Micheal O'Conchuir (An Ghaeltacht) 0-2, Eanna O'Conchuir (An Ghaeltacht) 0-3, James Crean (Annascaul) 0-1, Eamonn Hickson (Annascaul), Jason Hickson (Annascaul) 0-1

JOHN O'LEARY KERRY GAA PRO GIVES HIS WEEKLY ROUND-UP OF GAA EVENTS IN THE COUNTY.

SPA AND ST MARYS CLASH IN THE CASTLEISLAND MART INTERMEDIATE FINAL

Sunday is a big day for Spa and St Marys when they go head to head in the Castleisland Mart Intermediate final in Fitzgerald Stadium (throw in 2pm). Spa are of course appearing in their second final in a row having been beaten by Ardfer in last year's decider. They last won the title in 2009 when they went all the way to the All Ireland final only to lose to Cookstown of Tyrone and in 2012 they were defeated in the county final after a replay by Finuge. On their way to the decider they accounted for Annascaul in Round 1 by two points and then they played out a high scoring quarter final draw with Kenmare at the end of April before doing well to win the replay by three points in Kenmare. Both of those games could have easily gone the other way but five months later they had six points to spare over John Mitchels when the sides met in the semi final in Killorglin.

St Marys had a very successful run in the Junior Championship of 2010 which resulted in County, Munster and All Ireland titles coming to Caherciveen and since then they appeared in the Intermediate final two years ago where they had to give second best to Currow. They opened this year's campaign with a good seven points victory over Emmetts in Listowel and then also had seven points to spare in their local derby win over Waterville. Desmonds were many people's favourites to lift the Fenian Cup this year but after a terrific high scoring contest, St Marys it was who had that two point advantage at the end.

In Division 2, John Mitchels moved into second place in the table a point behind leaders Templehoe on 15 points following victory over Glenflesk by 0-15 to 3-5. The Tralee side are one point ahead of Kenmare who are on 14 points. Rathmore and Spa, who meet in a back game are on 13 points.

MILLTOWN/LISTRY U14 GIRLS WHO PLAYED RATHMORE ON FRIDAY NIGHT LAST IN THE DIVISION 1A EAST KERRY FINAL

EAST KERRY NOTES

WITH ÁINE NÍ SHÚILLEABHÁIN PRO AQUILA CLUB O' DONOGHUE CUP - ROUND 1: LISTRY 1-12 FOSSA 0-9

The 2015 Aquila Club O'Donoghue Cup, sponsored by the Aquila Club, Gleneagle Hotel, got under way on Saturday when Listry hosted Fossa. The opening half saw Listry notch up 4 points to three for Fossa. The Listry lead would have been greater only that the Fossa keeper denied Listry a goal with a great save. In the second half, Listry proved the stronger, pulling ahead 3 points on the fortieth minute. Further Listry pressure was rewarded with a Derry Aherne goal, from a rebound goal shot by Sean Lehané giving the home side the lead 1-8 to 0-5 found Jimmy O'Leary and Joe Clifford opened a 3 point gap in Listry's favour. Paudie the net Clifford and Donald O'Sullivan added points for Fossa. The sides traded points but Listry were in control in the middle area of the field and finished strongly to qualify for the quarter finals, where they are away to Rathmore. Final score Listry 1-12 Fossa 0-9

FIRIES 1-13 CURROW 1-11: It was the home side, Firies who progressed to the quarter finals when they took on Currow last Sunday round 1 of the Aquila Club O'Donoghue Cup. A scatter of points had the visitors ahead by two, eighteen minutes into the game, 0-7 to 0-5. In a fast paced game, play varied from end to end, with both defences denying scores. The Currow keeper made a great save when Mike Day sent a reaper goalwards shot at goal, proved by James O'Donoghue. However, Firies won possession and Sean Burke netted the ball giving the home side the lead 1-5 to 0-7. A point a piece kept the minimum between the sides, before a well worked goal involving John Daly and Ian Somers, finished to the net by Dan O'Shea, restored the Currow lead. Half time score: Currow 1-8 Firies 1-6.

Firies dominated the scoring in the second half, notching up six points without reply, in a twenty minute period to lead 1-12 to 1-8 with ten minutes remaining. Currow played to the final whistle and pressed forward repeatedly.

A scatter of points from the sides left the fulltime score: Firies 1-13 Currow 1-11. Firies meet Legion in the quarter final, which will be played in Dereen, because Firies had home advantage against Legion last year.

Referee: Christy Crowley (Gneeveguilla).

BEST OF LUCK: Very best of luck, to Spa in the County Intermediate Championship Final.

WELL DONE: Congratulations to the East Kerry Under 16 Team and management on winning the County Under 16 Championship Final.

He was both Secretary (1950's) and Chairman (1960's) of the East Kerry Board and was Vice President at the time of his passing away. John played on the Kerry Minor team that was defeated by Armagh in 1949 in the All Ireland Semi Final and had better luck two years later, when he won a County Minor Championship medal with the Dick Fitzgerald's. FIXTURE: Beaufort v Glenbeigh/Glencar in Co Junior Championship semi-final on Saturday, 17th October at 4pm in J.P. O'Sullivan, Park, Killorglin.

BEAUFORT U12S: Welcomed Kilgarvan last Sunday and their journey was well rewarded with a very decisive win over Beaufort. Beaufort battled hard, but Kilgarvan proved too elusive despite some great defending by Kieran Johnson and Sam Roberts. Oran Smith caught some great ball and delivered it quickly up the field. Simon Coffey also played his part scoring 1-3. Half-time score was Beaufort 1-4 to Kilgarvan 3-6. Beaufort played a better second half, but despite their best efforts Kilgarvan scored a further 9 points in the second half and their point-scoring abilities made all the difference. Final score Beaufort 4 - 6, Kilgarvan 5 - 15.

U14S: Beat Glenbeigh/Glencar where a late Sean O'Brien goal gave them a somewhat flattering margin of victory over a underated G'beigh/G'car side in this Mid Kerry tie played in Glenbeigh. Beaufort were the overwhelming favourites coming into the game but found the home defence a tough nut to crack though they led by 0-4 to 0-1 after 20 minutes. G'beigh/G'car then scored a well worked goal to level the game but Beaufort regained the lead before half time with points from Darragh Dennehy, Jack O'Connor and Niall Carey to leave the half time score, Beaufort 0-7 G'beigh/G'car 1-1.

Beaufort gradually built up their lead after the resumption and were seven points clear with five minutes remaining but then G'beigh/G'car struck for a second goal to narrow the gap to just four points. Beaufort steadied the ship though and finished strongly with a pointed free from Darragh Dennehy and O'Brien's goal. Final score: Beaufort 1-14 Glenbeigh/Glencar 2-3. Beaufort have now qualified for the Mid Kerry 'B' final and their probable opponents will be Keel/Listry.

HARD LUCK: To our Senior Football team who lost out to Rathmore in the Senior Co. Championship on Sunday last. Their next outing will be the O'Donoghue Cup against Spa (date to be confirmed) and we hope they can pick it up again for that game.

BUSY TIMES AHEAD FOR DR. CROKES SUPPORTERS: After the loss suffered by our senior team on Sunday last, our attention turns to our Minor footballers who are preparing for East Kerry and County Championship Semi Finals, to our U-21 Footballers who are preparing for the semi-final of the County Club Championship, to our Junior Footballers who are preparing for the final of the Molyneux Cup and our hurlers who are getting ready for the final of the County Intermediate Hurling Championship.

SENIOR CO. C'SHIP QUARTER FINAL: RATHMORE 2-15 DR CROKES 1-13.

In this game, played at Fitzgerald stadium on Sunday, Rathmore always seemed to find scoring that more easy than us and well deserved their five-point victory at the end. It's rue that we concede two goals of the soft variety but fought back from a deficit of seven points five minutes after half time to get within one point of the eventual winners by the end of the third quarter. The initiative now lay with us but it was Rathmore who finished the better and ran out victors by five points. We were the first to score, a point in the first minute. Rathmore hit back with two points and then scored the first of their goals in the 7th minute. we then scored three unanswered points to get within a point of Rathmore at the end of the first quarter. The teams then exchanged points but then three points without reply from Rathmore put them four points ahead on the 22nd minute. The teams then exchanged points on two occasions but a goal by our opponents in the 29th minute put them 7 points ahead. We had two points before half time from Gavin White and Colm Cooper to leave the the Half Time score Rathmore 2-08 Dr Crokes 0-09. Rathmore got a dream start to the second half scoring two points and going 7 points clear. We were now in dire trouble but three unanswered points and a great goal by Daithi Casey left just the minimum between the teams at the end of the third quarter. One would have expected us to press on at this stage but the opposite happened. Rathmore finished the last quarter much better than us and outscored us 5 points to 1 in this period for a five point victory. We congratulate Rathmore on their deserved victory and wish them the best in the concluding stages of this competition. Dr Crokes best player: Daithi Casey.

INTERMEDIATE CO. C'SHIP HURLING

FINAL: Best wishes to our senior hurlers as they prepare for their big day on Sunday next against Kilmoyley. All roads lead to Abbeydorney next weekend (Sunday at 3:00pm) as we hope that as many of you as possible can make your way to support the team.

LADIES FOOTBALL: Both our U12 and U14 Girls squads finished their playing years by securing silverware in East Kerry competition. First our u12s had a great battle with Beaufort before emerging victorious after extra time. Our u14s had a much more dramatic finish to the season, heartbreakingly losing their third final of 2015 to Beaufort in the last couple of minutes, having lead all through. They responded however to finish their season on positive note with a 2 point win over Laune Rangers in the Plate final, again after extra time. Well done to all these young girls for their commitment throughout the year and we will see you all back again in 2016.

BEST WISHES: We extend our club's best wishes for a speedy recovery to Eddie (Tatler) O' Sullivan and also to Gavin O'Shea who picked up a knock during the senior match on Sunday

COISTE NA NOG NOTES

EAST KERRY RETAIN U16 COUNTY FOOTBALL TITLE:

EAST KERRY 3-16 WEST KERRY 1-11

Both sides were missing some key players – Jack Griffin and Michael Potts for east Kerry

while West Kerry had to line out without star forward Ruadhan Mac Carthaigh. Given the overall strength in depth of the reigning champions, Mac Carthaigh's loss possibly had the greater impact. East Kerry started the competition as favourites and soon justified that tag, roaring out of the blocks with 1-4 on the trot. Ciaran Flynn (f) and Donnacha O'Sullivan were both on target before combining to set up David Clifford for a cracking goal, while Mark Harnett and Niall McCarthy also split the posts. Sharpshooter extraordinaire Deividas Uosis got West Kerry on the board before captain fantastic Cathal Ferriter pointed from play but man of the match David Clifford won a free converted by Ciaran Flynn before adding two points from play. Niall o Geibheannaigh, lining out at wing forward, hit a West Kerry point.

David Clifford was a constant menace by now, his pass setting Niall McCarthy up for a goal chance that was brilliantly saved by Eoin o Brosnochain. Uosis and Flynn swapped frees before East Kerry hit a purple patch, Cian O'Callaghan bursting through for a great goal and David Clifford, Mark Harnett, and Donnacha O'Sullivan pointing. Niall o Geibheannaigh and Micheal Sacnlain replied, but East Kerry led by 2-11 to 1-5 at the break and it already looked a long way back for a gallant West Kerry. They made a great battle of it in the second half, with Uosis (2f) and Geibheannaigh picking off frees and Brian Scanlain and Marc Aghas hugely impressive in midfield. Ciaran Flynn (f) made it 2-12 to 1-7 but David Clifford and Donnacha O'Sullivan stretched the lead. West Kerry picked off points through Cathal Ferriter, Steven o Conchuir, and Lucas o Chonaill to bring the gap down to 6 points, but East Kerry surged to the finishing line with points from David Clifford and Liam Brosnan and Aaron McCarthy kicked a clinching goal with the last kick of the game. Coiste na nOg Chairman Tom Keane and Gerry O'Dwyer of sponsors Lee Strand presented the Con Courtney Memorial Cup to East Kerry captain Niall o'Donoghue.

EAST KERRY: Nelu Doherty, Mark Fitzgerald, Cian O'Callaghan (1-0), Evan Cosgrave, Liam Brosnan (0-1), Niall O'Donoghue (capt.), Cian Gammell, Aaron McCarthy (1-0), Jake Flynn, Niall McCarthy (0-1), David Clifford (1-5), Micheal Devlin, Donnacha O'Sullivan (0-3, 1f), Mark Harnett (0-3), Ciaran Flynn (0-3, 3f). Subs Patrick O'Leary, Luke O'Donoghue, Sean O'Sullivan, Josh Fleming.

WEST KERRY: Eoin o Brosnochain, Adam Mac Amhlaidh, Nathan o Flanura, Tomas o Dubhain, Niall o Geibheannaigh (1-2, 1f), Brian o Conchuir, Franz Sauerland, Brian o Cinneide, Marc Aghas, Seamus o Grada, Liam o Bambaire, Micheal o Scanlain (0-1), Steven o Conchuir (0-1), Cathal Ferriter (0-2, capt.), Deividas Uosis (0-4, 4f). KILLARNEY RFC NEWS

YOUR CLUB, YOUR COUNTRY: Tickets are going fast for this huge draw. We ask all

members, supporters and friends to purchase or sell some tickets for the club. Every cent raised through this draw comes back to our club and we are hoping that the funds raised from this draw will be allocated towards the installation of lighting at our new pitches at Aghadoe. Please contact Ger Moynihan on 087-1240365 or any committee member for tickets.

KRFC SENIORS: Our seniors made the long trip to Carrick-on-Suir for the next round of the Martin O'Sullivan Cup. Killarney ran out winners over Carrick-on-Suir on a scoreline of 21 points to 13. Colin McCarthy, Brian O'Sullivan and Paul O'Sullivan scored tries for the Kerry side and Chris Myers converted all three. The lads will play Corca Dhuibhne away in the next round of this cup on the 01st of November. In the meantime, this weekend sees KRFC Seniors take on Bantry Bay in the Munster Junior League. We are at home in Aghadoe and kick off is at 11 am. Please come along and support the lads.

KRFC U14'S: Our U14's squad had a fantastic win over Tralee RFC, at aghadoe last Saturday. The scoreline of 13 points to 10 does little justice to the rugby that was on display on the day, as this squad continues it's winning streak. Coached by Seamus Grealy, Dominic Kiely and John O'Connell, the lads put on a great display of rugby, much to the delight of the large crowd gathered to watch. The Minis Under 7's and Under 8's squads took time out of their training session to watch the big guys play from the sideline. This added to the atmosphere of the match and it was wonderful to see the lads win in front of such a large home support.

MINIS: Our minis travel to Killorglin for the season's first West Munster Mini Blitz. We will have matches against Killorglin, Listowel and Corca Dhuibhne on the day. The bus will leave Aghadoe at 09:45am and the cost of the bus will be €5. Gum shields are vital as any player without a gum shield will not be allowed to take part. For details contact Liam Murphy on 087-4145662.

KILLARNEY CELTIC NOTES

CONDOLENCES: Killarney Celtic extends sincere condolences to the Sparling family on the loss of Patrick.

RESULTS: MUNSTER JUNIOR CUP: KILLARNEY CELTIC 3

KILLARNEY ATHLETIC 2

Celtic and Athletic shared out 8 goals equally on their league encounter; this time out the tally came to five in total and in our favour, but this was another thrilling Killarney derby from start to finish. Celtic made the early running, with Cathal O'Shea drawing a save out of David Neeson and Trevor Nagle denied by great defending from the excellent Daniel O'Sullivan. Celtic were dominating midfield, with Gary Keane and especially Joe Hurley giving a masterclass in control and distribution, and the home side took the lead with a well-executed goal by Trevor Nagle. Athletic had their chances, with a great O'Sullivan control and shot just over the crossbar. Just before half-time Brian Reilly hit a superb effort from long range; Roy Kelliher couldn't fully hold it, but Ryan Carroll's sweeping follow-up went over instead of under the crossbar, a real let-off. On the restart, Cathal O'Shea's diving header from a Trevor Nagle cross was well cut out by goalkeeper Neeson, while Stephen Hayes was inches wide after good work by Matt Keane and Joe Hurley.

Athletic's Chris O'Meara always looked dangerous and was brought down in the Celtic box. Up stepped Brian Reilly for the penalty,

and he coolly fired home. Celtic restored their lead just minutes later, Matt Keane with a great pass to Conor Randall, an equally precise cross into the box, and there was Gary Keane to volley home. Again an undaunted Athletic came right back into the hunt and there was as much hard work as luck about a Brian Reilly corner that cannoned off a defender and into the net with just two minutes left to play. Were we headed for extra-time? John McDonogh cut back a great ball along the end-line to Gary Keane in the square, Gary neatly controlled it with his first touch, but was fouled just as he was about to pull the trigger. It was only a brief delay – Gary took the penalty himself and deftly took Celtic into the next round. Joe Hurley was probably man of the match, with Brian Spillane, Gary Keane, Conor Randall, and Cathal O'Shea others to stand out, while Brian Reilly, Daniel O'Sullivan, and Ryan Carroll impressed for Athletic.

A very clean and sporting game was very well refereed by Stuart Templeman.

DENNY PREMIER B: ASDEE ROVERS

6 KILLARNEY CELTIC B 1: A great team effort, but Asdee's A side were superb and fully deserving of their win.

YOUTHS LEAGUE: CASTLEISLAND 7

KILLARNEY CELTIC 3: A cracking game but there was only going to be one winner, and an excellent Castleisland scored some great goal.

U17 SFAI CUP: NEWCASTLEWEST

ROVERS 6 KILLARNEY CELTIC 3: Lee Downing, Pablo Martin, and Jack Enright all scored good goals for us in a very exciting game, but in fairness to an excellent home side, they were good value for the win and we wish them the best going forward.

U15 PREMIER: INTER KENMARE 0

KILLARNEY CELTIC 6: Celtic started very strongly and went in front early on, with Peter O'Sullivan superb on the wing, his cross finding Evan Lyne who had the strength to hold off the defender and the poise to slot it home. He was soon on the mark again, a sublime finish from 20 yards after a brilliant through ball. It was 3-0 just before half-time, with some great inter-play between Patrick Darcy and Michael Lenihan before Michael hit the net.

They kept up the pressure in the second half, with Evan Lyne's cross headed home by substitute Ryan Kelliher. Ryan soon double his tally with a real poacher's finish inside the box, assisted by Caolan Ryan. Inter Kenmare tried valiantly to get into the game but were repeatedly repulsed by our excellent centre back pairing of Darragh Donohue and David Dineen, along with Evan Smith, team captain Darragh Dennehy, and Mark Cooper. Just before the end Celtic made it 6-0, and that against a very good Kenmare team, when Ryan Kelliher finished a Michael Lenihan shot to the net. A brilliant performance all round, with all players getting game time and even our goalkeeper Mark Kelliher getting up for an assist.

U15 DIV ONE: MASTERGEEHA 1

KILLARNEY CELTIC B 0: A great game played in a very sporting atmosphere - it isn't taking away from Mastergeeha's masterclass to say that maybe Celtic deserved something for

their great play here, but it wasn't to be. Jared Barton and Adam Kissane were magnificent for the Hoops.

U13 PREMIER: KILLARNEY CELTIC 1 KILLORGLIN 1: A draw was a fair result after a cracking game of soccer between two very good sides. William Shine scored a beauty for Celtic.

U13 DIV ONE: ST. BRENDANS PARK B 5 KILLARNEY CELTIC B 3: Loads of goals in a very exciting game, but Park were just that little bit too sharp for us. Ruairi Dorrian and Jamie Alade hit the net for us and Park conceded an own goal, but they were too sharp for us at the other end despite great resistance in keeper Aaron O'Sullivan in particular. A great team effort and game.

CONGRATULATIONS: To U15 striker Ryan Kelliher on making the Kerry Schoolboys/Schoolgirls Team of the Week.

KILLARNEY ATHLETIC

RESULTS: SENIORS:

MUNSTER JUNIOR CUP: KILLARNEY ATHLETIC 3-2 KILLARNEY CELTIC

Our A team travelled the short distance to Celtic Park last Sunday morning and were unlucky to be beaten by the odd goal in five. Overall it was a very good team performance with Brian O'Reilly and Chris O'Meara the blues' goalscorers.

DIVISON 1A: KILLARNEY ATHLETIC B 0-3 CASTLEMAINE UNITED: This score line doesn't reflect the true match as Castlemaire got two late goals to kill off the game. The Blues had to play with ten men for the majority with a straight red card shown for a handball in the first half. A great team performance with lads running their socks off despite being a man down. Training Wednesday and Friday.

U15: KILLARNEY ATHLETIC 9-1 CASTLEISLAND: Our U15 team commenced their league campaign with a comfortable

victory away to Castleisland. A brace from Harry Potts with further strikes from Thomas Cronin, Keith Suter, Tadgh Doolan, Liam Kelliher, Aaran Flynn and Seamus Gallagher in a confident first league win.

THE KILLARNEY ATHLETIC TEAM WHO WERE DEFEATED BY KILLARNEY CELTIC IN THE MUNSTER JUNIOR CUP.

BRENDAN MOLONEY – A DEDICATED PROFESSIONAL FOOTBALLER

In January 2005 Brendan Moloney embarked on his journey into becoming a professional footballer that has seen him play 1st team football with twice European Cup champions Nottingham Forest. And it was they who signed Brendan on a scholarship contract that year, making him the second Killarney Athletic player to sign for a professional club within a 2 year period. Brendan's dedicated and single minded determination to become a 'pro player' has set him apart.

Son of Mary and Gary Moloney and born in London in 1989 Brendan is the second eldest in the family behind sister Joanne and older brother to Keith and Shane. The family lived in England for a period through work necessity and Gary remembers Brendan being awarded the player of the tournament when he was only 8 years of age and playing in a competition for 10 year olds. Gary recalls that "he was asked to join the Norwich academy as a result of his performance in a local tournament when he was 8 years of age but we declined the offer as we returned back to Ireland around the same time".

JOINED KILLARNEY ATHLETIC IN 1997

Brendan joined the club's under 10s academy on a Saturday morning when the family returned home to Ireland and recalls "I loved playing soccer and wanted to join a club straight away when we came back. My first cousin Michael 'smiler' was with Athletic, they were a great club and the Woodlawn pitch was lovely to play on".

"As under 10's coach at the time I remember Brendan on the first day he joined the club with his Man Utd outfit! – He was very keen and you could see that he loved soccer. I also recall drafting him and his fellow Beaufort friend Pdraig Hallissey into an under 12s cup final team against Kingdom Boys in Tralee when both clubs always had great matches against each other at the time". Athletic won after a great encounter in extra time and Brendan slotted in nicely at right back in a team that also included his cousin 'smiler'. Brendan also played at his own age level so this meant that he played a competitive match almost every week". (Mike)

He played for the Kennedy Cup team in 2003 that were narrowly beaten in the final but enjoyed the team's success the following year in 2004 when they won the Munster & All Ireland Titles. This team was also managed by former Athletic man Ger O'Brien with their lead goal scorer being Jamie Doolan.

KEY DECISION TO PLAY IN DDSL

With the support of his family and Killarney Athletic Brendan made a key decision to join Belvedere Boys in the Dublin District League for the 2004/05 season after doing trials to play with them. This was a great move for Brendan

as it challenged him to reach a high standard under the watch-full eyes of two former league of Ireland players, Damien Burn and Fran Pierce. As well as the side winning the National Cup that season five of the players including Brendan were invited to trials with cross channel clubs – Killian Sheridan and Paul Cahillane went to Glasgow Celtic and Gary Breen went to Man City while Shane Redmond and Brendan were invited to join the Nottingham Forest Academy. Diarmuid O'Carroll was able to sign for Celtic at 16 years of age as permitted by the Scottish F.A. but under English F.A. rules at the time players had to be 17 years of age before signing full contracts. So Nottingham Forest like many of the other English clubs offered players that they were interest in scholarship contracts until they were the permitted age to sign a full contract.

FOREST KEEN TO SIGN BRENDAN

Brendan spent two years in the Forest Academy and received the academy player of the year while there.

Killarney Athletic did not have any contact with Glasgow Celtic when Diarmuid signed for them from Home Farm but Nottingham Forest were very keen to deal directly with Brendan's original schoolboy club before they signed him on a full contract. Academy director with Forest at the time was Nick Marshall and he flew into Kerry at short notice to meet with club officials (Vince Casey & Mike) and Eoin Hand who acted as an advisor to the club and the player. Nick was very impressed with the fact that the club could produce two 'pro' players from such a humble background and a link between the clubs was forged at that meeting.

Marshall also agreed that Forest would give the club a 'bonus fee' if Brendan made a 1st team appearance and a further bonus if he featured in 10 or more matches for them.

Brendan signed a full professional contract with Forest in January 2006 when he turned 17 years of age.

Incidentally Nottingham Forest celebrates their 150th anniversary this year as Killarney Athletic celebrates its 50th. Forest is a big club with a great Irish background.

BRENDAN 1ST TEAM DEBUT WITH FORREST

Brendan's remarkable journey as a 'pro' footballer reached a new height when the former Athletic schoolboy player made is 1st team appearance with Forest on St. Patrick's Day in 2007 when he came on against Gillingham FC at the City Ground.

To put this achievement by Brendan into perspective, at the time Nick Marshall said "we only ever hope to bring a very few players through from our Academy to play first team football". Brendan recalls that "we had an academy squad of roughly 25 players. In my 2 years with the academy there were only 3 of us that got through to play for the first team and only 2 of us are still playing professional football today".

Brendan had also made his 10th first team appearances for the club by 2007 – bonus

BRENDAN REFLECTS ON HIGHLIGHTS

In January 2008, Brendan completed a loan move to Chesterfield and on his debut for them he recalls "scoring my first senior goal was for Chesterfield against Hereford. We won 4-1".

He also reflects on the various clubs and managers he played under, "as a professional player you always want to be getting a game and that may mean going on loan or transferring to different clubs. After Chesterfield I was with Rushden & Diamonds (non-league club), Scunthorpe, Nott's County, Bristol City, Oval Town and presently I am with Northampton and just back from injury. I played under some good & great managers with the different clubs such as Colin Calderwood, Billy Davis, Steve McClaren, Alex McLeish, Sean O'Driscoll and played under Sven Goran Eriksson at Nott's County when I went on loan there and that was a great experience as he was a former England manager and a very charismatic character".

"I've enjoyed playing in some big games and some have been shown live on TV but the biggest profile matches that I was involved in were Nottingham Forest's two semi-final play-off games against Swansea in the Championship. Swansea won 3-1 on aggregate and went on to get promoted to the Premier League for the 2011/12 season".

PROUD TO BE CAPPED FOR IRELAND

Although born in London Brendan never considered himself to be anything but Irish and after getting his first call-up to play for Ireland in the 2005/06 season he went on to be capped at every age level up to and including the under 21 team. He has played nearly all his matches to-date for club and country at right back. Brendan was on a shortlist of 3 players nominated for the Irish under 19 player of the year award in 2009 but lost out to Michael Spillane of Norwich City FC at the time.

PROUD OF THE BOYS

It would be fair to say that Brendan has done remarkably well as a professional footballer and has come a long way from his early playing days with Athletic training and playing on the banks of the Rivers Deenach and the Flesk.

Both he and Diarmuid through their professional careers have ensured that the name of Killarney Athletic will always be known as a club that has produced the richest of soccer talent and everyone associated to Athletic are truly proud of their achievements.

STUDY FINDS THAT BICYCLE HELMETS MOST EFFECTIVE IN LOW SPEED COLLISIONS

A UCD Professor who conducted a study of cyclists with fatal head injuries has recommended that bicycle helmets are worn to protect against head injuries in the event of a collision, particularly at speeds of less than 50km/h. The results of the study were presented at the annual Road Safety Authority (RSA) Academic Road Safety Lecture which took place in the Royal College of Physicians. The lecture, which was chaired by RTÉ Broadcaster Bryan Dobson, marked the first day of 'Irish Road Safety Week' and focuses on three key areas – cycling safety, tyre safety and child safety.

The theme of the lecture was 'Cycling Safety' and featured a presentation from Professor Michael Gilchrist, Head of School of Mechanical and Materials Engineering at University College Dublin (UCD) who presented the results of his study 'Analysis and Reconstruction of Bicycle Accidents' which was conducted as part of the RSA Academic Bursary Programme.

In his study, Prof Gilchrist and his team used data from 37 fatal collisions involving cyclists in Ireland over a 10 year period and staged computer reconstructions to determine whether a helmet would have offered protection. The study found that bicycle helmets offer effective protection at low speeds of less than 50km/h but their protective

capabilities are reduced as speeds increase.

At the lecture, Mr Seamus Morris, Consultant Orthopaedic Surgeon and Director of the National Spinal Injuries Unit (NSIU), presented his research into the impact and management of trauma on cyclists. From 2010 to 2014, the NSIU saw a 320% (from 5 in 2010 to 21 in 2014) increase in the number of cyclists presenting with spinal injuries with 30% of these patients having spinal cord injuries. Over that time a total of 53 cyclists required admission, of whom 21% had spinal cord injuries.

Minister for Transport, Tourism and Sport Paschal Donohoe TD welcomed delegates to the seminar, saying:

"Over the past few years, the number of cyclists on our roads has increased and so too has the number of cycling-related injuries and fatalities. Cyclists are among the most vulnerable road-users so it is vital that safety measures, such as a helmet and high vis clothing, are taken when out on the roads, as well as abiding by the Rules of the Road. I would also appeal to drivers to ensure they exercise caution and consideration when sharing the roads with cyclists. In particular, reduce your speed when you approach a cyclist as this could be the difference between life and death in the event

of a collision."

Last year, 13 cyclists were killed on Irish roads, more than double the number killed in 2013 (5). In-depth research conducted by the RSA on cycling injuries in 2012 found that there was a 59% increase in the number of cyclists injured on Irish roads in 2012 when compared to 2011. Almost half of cyclists injured in 2012 were injured at junctions, with T-junctions representing the most dangerous type of junction. The most dangerous manoeuvres taken by drivers include right turns, followed by left turns. These manoeuvres by drivers accounted for almost 4 in 10 injuries to cyclists in 2012.

The RSA is appealing to drivers to reduce their speed when sharing the roads with cyclists as it can determine the severity of an injury in the event of a collision, and to be extra vigilant at junctions and when turning. The Authority is also asking cyclists to be aware of their vulnerability when on the roads, particularly in built-up areas, and to take steps to protect themselves when cycling, including wearing the correct safety gear and complying with the Rules of the Road.

Fossa never really got going in the second half and a goal by Listry 10 minutes into the half left us with a mountain to climb. Citizens Information

Know Your Rights: NOISY NEIGHBOURS

QUESTION

Our new neighbours often have noisy parties and keep our children awake at nights. We don't want to call the Gardaí but what else can we do?

ANSWER

Noise nuisance can be a really difficult problem, especially if your family's sleep is disturbed. The Gardaí may ask someone to lower the noise coming from a dwelling but they do not have the power to enter a dwelling with the intention of simply asking someone to lower the noise.

There is a useful leaflet published by the Free Legal Advice Centres (FLAC), which covers issues (including noise) that arise between neighbours. FLAC recommends that you should first talk to your neighbours about the noise and explain how it is affecting your family. Keep a note of these discussions. You can also keep a noise diary, noting type of noise, time, date and duration and its effects on your family.

If this doesn't work, you can write to your neighbours, giving details of the noise and its effects. You may wish to suggest mediation and/or legal action if the matter cannot be resolved. Keep copies of all correspondence.

If the neighbours are tenants and you don't get a satisfactory response from them, you can complain to the landlord – whether this is a private landlord, a local authority or a housing association.

Private tenants have an obligation not to engage in anti-social behaviour, which includes persistent noise that interferes with the peaceful occupation of other dwellings. You may complain to the Private Residential Tenancies Board (PRTB) if the landlord fails to enforce this obligation.

Tenants of local authority housing are also obliged to avoid any nuisance (including noise) to the occupiers of any other dwelling. If the noise persists, the tenants are in breach of their tenancy agreement and the local authority can take steps to enforce the terms of the agreement. If the noise continues to be a problem, you can complain to the District Court about it. You must then serve notice on your noisy neighbours, using the Environmental Protection Agency Act 1992 – noise form of notice. If the court finds in your favour, it can order your neighbours to take measures to prevent or limit the noise.

MAKING THE MOST OF OUR RELATIONSHIPS

Most relationships start out full of hopes and dreams and both parties are committed to making their relationship work. However, as the pressures of life unfold and reality bites, many individuals can find themselves drifting apart. Your relationship with your spouse or partner may provide much happiness and satisfaction or may be a source of anxiety and frustration because of conflict and unfulfilled expectations. It may be that case that you are unable to connect as you once did. All relationships change over time and with hard work and commitment, relationships can continue to be strong, enjoyable and satisfying. So how do we do that and how can we ensure that we maintain long-lasting and fulfilling relationships?

When things aren't going so well, it can be all too tempting to focus only on the negative aspects of our relationship. However, if you were to delve deeper - chances are your relationship has many positive factors. Researchers have found that the following characteristics are common in successful relationships: positivity, empathy, commitment, acceptance, love and respect.

As you reflect on your relationship - consider where your relationship ranks in relation to the following points.

POSITIVITY: Studies show that successful spouses have far more positive thoughts about and relate more positively towards each other. Relationships suffer when couples are negative, criticising, resentful and holding grudges. However, some negativity is normal and realistic and it is important that frustrations and grievances are aired. Striking a balance between the two extremes is vital.

EMPATHY refers to the ability to understand from the other person's perspective. Individuals appear to be happier in their relationship when they believe that their partner understands what they think and feel.

COMMITMENT to the relationship is vital despite the inevitable challenges and obstacles that couples encounter. When couples are prepared to compromise and balance their concern for self with concern for their partner, they are more likely to find happiness and joy in their relationship.

ACCEPTANCE is one of the most basic needs in any relationship. Feeling truly accepted for who we are - leads us to feeling more secure and confident in our relationship. Interestingly, studies show that change is more likely to occur when couples respect difference and accept each other as they are (as much as they may not like it).

LOVE AND RESPECT are vital components for a healthy relationship. All too often couples can begin to neglect the love and romance that was once so present. It is important to continue to cultivate and rekindle this love and respect throughout the lifetime of the relationship. Doing so will greatly help sustain a long-lasting and fulfilling relationships.

We will continue to focus on the topic of Relationships in the coming weeks and look at what we can do to make our relationships stronger, more enjoyable and satisfying.

GOUT

WHAT IS GOUT?

Gout is a form of arthritis which can cause severe pain in one or more joints. It is caused by a build up of uric acid within the joint which can be followed by inflammation thus causing pain. Gout affects about 1 in 200 adults is more common in middle aged men and can tend to run in families.

An attack of gout can present very quickly and develop even over the period of a few hours. It can be extremely painful and can last several days. Usually an acute attack only affects one joint (most typically the big toe); however multiple joints can be affected. Occasionally sites other than joints can be affected.

Uric acid levels may rise for a variety of reasons thus precipitating gout in susceptible people. Certain foods can cause a rise in uric acid levels. Typical 'rich' foods and alcohol as well as certain medications (including some blood pressure tablets) may bring on gout. Occasionally gout may be brought on by an underlying medical condition.

DIAGNOSIS OF GOUT

Gout is often a clinical diagnosis made easily by your GP. The diagnosis may be confirmed by a blood sample showing a raised uric acid level. Uric acid may be normal during an acute attack. Some individuals may even have normal uric acid levels in the blood and still suffer from gout.

MANAGEMENT OF AN ATTACK

An acute attack of gout may be helped by elevating the affected limb and applying ice packs for 15-20mins. Also over the counter analgesia such as ibuprofen may help the symptoms.

Some people may be sensitive to ibuprofen or other anti inflammatory medications prescribed by their GP. Such medications can occasionally cause bleeding from the bowel or aggravation of asthma. One should always check with their pharmacist or GP if they have any concerns regarding their medication. Medications other than anti inflammatory painkillers such as colchicines and steroids may be used to settle an acute attack.

PREVENTION OF GOUT

General lifestyle changes such as increasing exercise, reducing alcohol intake and improving the overall quality of the diet can reduce recurrence of gout. There is some evidence to suggest vitamin C supplementation may reduce exacerbations. Medication may be used if attacks are frequent.

Allopurinol is a medication commonly used to prevent gout attacks. It is not used during an acute attack and can take up to 3 months to lower uric acid levels and thus prevent an attack. The dose of allopurinol used can vary from person to person and may be tailored according to uric acid levels.

Other treatment options are available for persisting or troublesome gout.

IS THE REPUBLIC OF IRELAND GOVERNMENT ASLEEP?

At time of writing a total of 19 EU countries and states had stated that they will not let their agricultural systems be damaged by unnecessary and harmful GM crops that were designed by the Biotech industry, led by Monsanto, to sell more herbicides.

Denmark, Luxembourg, Malta, Austria, Bulgaria, Croatia, Cyprus, Germany, Greece, Hungary, Italy, Latvia, Lithuania, the Netherlands, Poland, Slovenia, Wales, Scotland and Northern Ireland have all announced GM crop bans over the past few weeks. Belgium has also decided to keep its French-speaking Wallonia region GM crop free.

The new GMO ban is set to affect possible decisions to lift bans by governments in Africa and Asia over coming months according to food security experts.

WILL THIS HELP YOU PAY LESS WATER TAX?

Although composting toilets are slightly less luxurious than a flushable toilet, let it be noted that they are also significantly less disgusting than an outhouse and drastically more sustainable. Composting toilets use a specific airflow mechanism that works like a chimney for odour. Rather than flushing, you simply toss sawdust into the toilet after use, and 90 per cent of the waste is converted into compost. Though you are required to empty the toilet's lower tray every once in a while, it's only disgusting in concept, as the material has all been converted into harmless soil.

DOG TRAINING TIPS:

*Pulling on the leash is inherently rewarding for dogs. Why? Because it gets them where they are going. Don't allow your dog to strain the leash and drag you from place to place. If your dog is pulling, make like a tree and stand still. Once the leash relaxes and your dog is looking at you, continue your walk. Another

option is to turn around and walk the opposite direction.

Don't forget to reward your dog when they're walking politely on the leash. A dog that walks at the side and offers eye contact is a dog that deserves a reward!

Remember loose-leash-walking takes practice and patience! Your dog may look like a yo-yo for a while they're learning that pulling won't get them where they're going. Also note, your dog will NOT learn how to loose-leash-walk on a retractable leash. If your dog pulls forward on a retractable leash and the leash extends, your dog just learned "pulling gets me there faster!"

*Your dog only needs the length of the leash to do their business. Teach your dog that social hour starts after business gets done. This is especially true for those night time toilet-breaks. It might be cute the first time, but eventually you won't want to take Rex out at 3 A.M. to look at the stars. Take your dog to do their business and put your pup right back to bed. You will thank yourself later.

*So, your dog is less than eager to spend time in their kennel... well, how many times have you used the kennel as a form of punishment? The kennel should be a comfortable place that your dog is eager to visit. The kennel is that magical place where your pup eats their dinner or gets a very special treat. Never use the kennel as a form of punishment!

NEW CLOUD:

As if we didn't see enough clouds this year, the Cloud Appreciation Society, a group of weather enthusiasts, is lobbying for Undulatus Asperatus to be named a new type of cloud in the International Cloud Atlas. If successful, it will be the first new cloud named since 1951. The aptly named Undulatus Asperatus, or "agitated waves", resembles the view of the ocean from underwater.

RESCUED DOG HELPS PULL INJURED OWNER TO PHONE:

A faithful black Labrador retriever named "Mabel," recently proved her love and devotion for her owner in Texas. Not long ago, Mabel's owner, Janet Wilhelm, fell in the garage after tripping while putting away some dog food - the fall left her with multiple breaks in her pelvis.

Nobody was home at the time - except for Mabel, who proved to be the hero of the day. Ms. Wilhelm was in too much pain to crawl inside of her home to reach the phone, but when she reached for Mabel's collar, the dog instinctively seemed to know what to do - she began slowly pulling her injured owner towards the house.

The 20-foot trek to the house was slow - but after more than an hour, Mabel successfully got her owner to the phone. Thanks to Mabel's efforts, Ms. Wilhelm was not left alone on the garage floor all day - something her doctors have stated would have hindered her recovery. Mabel was rescued three years ago by her family - today, it is safe to say that she has repaid the favour.

HONDURAN FISHING VILLAGE SAYS GOODBYE TO CANDLES AND DIRTY ENERGY:

Plan Grande, a small fishing village of 500 people on the Caribbean coast of Honduras has become an example to be followed in renewable energies, after replacing candles and dirty costly energy based on fossil fuels with hydropower from a mini-dam, while reforesting the river basin.

They now have round-the-clock electric power, compared to just three hours a week in the past.

The village in the municipality of Santa Fe in the northern department of Colón, can only be reached by sea, after a 10-hour, 400-km drive from Tegucigalpa on difficult roads to the village of Río Coco on the Caribbean coast. From Río Coco you take a motorboat the next

morning, which takes 20 minutes to reach Plan Grande.

On the boat ride to the village, seagulls can be seen flying in the distance as the fishermen return in their cayucos (dugout canoes) and small boats after fishing all night at sea. Others take jobs on larger fishing boats, which keeps them away from home for eight months at a stretch.

Fishing and farming are the only sources of work in the village, which makes electricity all the more important: in the past, because they couldn't refrigerate their catch, they had to sell it quickly, at low prices.

The village finally got electricity for the first time in 2004, thanks to development aid from Spain. But it was thermal energy, and for just three hours a week of public lighting they paid between 12 and 15 Euros a month per dwelling.

"We couldn't afford anything more than street lamps – no electricity for TV and no refrigerator, because the costs would skyrocket. We couldn't keep things on ice for long, and our dairy products and meat would spoil," said Óscar Padilla, a community leader. But in 2011 the people of Plan Grande opted for hydropower after a visit by technicians from the Small Grants Programme (SGP), implemented by the Global Environment Facility (GEF) and the United Nations Development Programme (UNDP), who suggested a small community-owned hydroelectric plant.

The entire community got involved and designed their own project for renewable energy and sustainability. With 30,000 dollars from the SGP and aid from Germany's International Cooperation Agency (GIZ) and the Honduran Foundation for Agricultural Research (FHIA), a round-the-clock power supply became possible and Plan Grande left candles and dirty energy based on fossil fuels in the past.

"Our lives have changed – we now have electricity 24 hours a day and we can have a refrigerator, a freezer, a fan, and even a TV set – although we have to use the energy rationally and respect the limits and controls that we set for ourselves," another local resident, Edgardo Padilla said. The rules and schedules set by the villagers to optimise and ration energy use include specific times for watching soap operas, turn on freezers, or use fans. For example, freezers are turned on from 10 PM to 6 AM, which is the time of lowest consumption, for now, air conditioning is not allowed because it uses so much electricity, and light bulbs and freezers have to be the energy efficient kind.

Families who have a refrigerator, fan, TV set, computer and freezer pay €9:75 a month; those who have only a fan and a TV set pay €5:32; and families who just have light bulbs or lamps pay just €3:55.

Thanks to the new power supply this isolated community now has its own bakery.

The villagers also developed a conservation plan to preserve their water sources and

installed cameras to monitor illegal logging and to identify the local fauna.

A nursery was created a year ago to grow trees such as pine, which can be used for timber, in order to reforest and keep the area green and to grow fruit and timber trees to generate incomes

All villagers take part in maintenance and reforestation crews if someone doesn't come on the day they were scheduled to do clean-up and maintenance of the nursery or the streets and paths that lead to the dam, they have to pay for that day of missed work.

The local population is of mixed-race heritage. The municipality of Santa Fe is mainly Garifuna – descendants of African slaves who intermarried with members of the indigenous Carib tribe.

"It's worth investing here; this is a committed community and its leaders know about accountability, believe in transparency and love nature, three things that you can't find easily," said the 44-year-old mayor Noel Ruíz of the Garifuna community, who was re-elected to a second term.

SNOWBOARDERS STRANDED HORSE FREEZING TO DEATH:

By the time this horse was discovered, all alone on a mountainside and up to her belly in snow, she seemed as though she had given up any hope of making it out alive. But in that cold, lonely place, the warmth of human compassion won the day.

Rafael Pease and a friend had planned to spend the day snowboarding in the Chilean Andes, celebrating Rafael's 21st birthday, but they soon found themselves in a position to save a life. While shredding through the blanket of fresh powder, Rafael spotted what he at first thought was a rock off in the distance. As he looked closer, however, he realised it was actually a creature in desperate need of help. Digging with snow shovels, the pair was

able to free the exhausted horse from her icy confines. After feeding her, Rafael and his friend slowly led the horse down the mountain where she was reunited with her owner, who informed them that she had been missing for four long days.

If the snowboarders hadn't come along, it's not likely the stranded horse would have lasted much longer. And while riding the slopes might have been a more pleasant way to spend the day, Rafael says he wouldn't have had it any other way.

"I have been through a lot in life, and through it all I have realised that it's well worth it to watch out for others – whether they are human or not. And that's what me and my riding partner did," he said.

DID YOU KNOW?

Coffee is a wonderful beverage that is loaded with antioxidants and other active compounds.

It has been linked with numerous health benefits, including a reduced risk of liver diseases, type 2 diabetes and neurodegenerative diseases.

The active ingredient in regular coffee is caffeine, with each cup containing an average of 80–120 mg. A daily intake of 400 mg is generally considered to be safe.

However, consuming more than 500–600 mg per day can be excessive. This may overwhelm the nervous system, causing insomnia, nervousness, irritability, stomach cramps, heart palpitations and muscle tremors.

The amount of caffeine needed to experience these side effects differs widely between individuals.

Some can drink as much coffee as they want, while others experience symptoms with small amounts of caffeine.

FINALLY THIS WEEK:

Living on earth is expensive, but we do get a free trip around the sun every day!

A WORD OF VICTORY

Welcome back dear reader last week we looked at the significance of the recent Blood Moons and eclipse that were signs connected to the nation of Israel according to God's Word. When people disobey and turn away from His Word with utter contempt for Scripture evil abounds and it's easy to observe the evil in our times. All evil is satanic and it will always oppose the will of God. The Bible is the inspired Word of God (2 Timothy 3:16) and is given for us to know what God's will is for His creation. Darwin's theory of evolution has being widely accepted and proclaimed by supposedly wise people but it directly contradicts the Book of Genesis where we see that God created all things for His pleasure. Therefore evolution is an evil concept because it challenges the infallible Word of God. This sets in motion a challenge to everything God's Word says. We hear it being said that the Bible is not relevant in today's 'modern world'. Be assured dear reader that where these heresies are being accepted only punishment or God's wrath will result. Now that's the bad news but the good news is where sin and evil abound God says His grace (His unmerited favour) will abound far more (Romans 5:20). He has given us time to repent and come back to Him and accept His offer of forgiveness through the precious blood of His Son Jesus by acknowledging Him as Lord. Thankfully millions of people throughout the world have woken up to the lies of the enemy and are again turning to God by repenting of ungodly ways and accepting Jesus as the only way to be saved. When Jesus is made Lord of our lives we experience the goodness and mercy and the love of our eternal Father. He's waiting for you friend – It's the best decision you will ever make. God bless you. More next week...
