KENMARE PLACE KILLARNEY
064 66 30222 

Killarney welcomed one of the world's top fashion designers on Wednesday night when Don O'Neill came to the screening of his brother's film, *The Uncountable Laughter of the Sea*. Don married his partner Pascal Guillerme at a star studded ceremony in Ballyheigue at the weekend. Set dancers trekked to the summit of Strickeen Mountain and danced a full set in aid of the Killarney Water Rescue Group while children from all over the county attended the Community Games County Finals in Castleisland.

Mick O'Connell led a group of cyclists from Valentia into the Spa Pitch in an effort to raise funds for Anthony Morris while another group of cyclists cycled 100k along Kenmare Bay as they participated in the Wild Atlantic Cycle Challenge in aid of Breakthrough Cancer Research. Kerry booked their place in the Munster final where they will face Tipperary and hardy men and women completed the Dingle Adventure run.

All this and so much more in this week's Killarney Outlook.

RED CARPET PREMIER FOR KILLARNEY

The red carpet was rolled at the cinema in Killarney on Wednesday night for the local premier of 'The Uncountable Laughter of The Sea', a film shot entirely in Kerry and celebrating via a visual meditation, our Landscape, Language, and Light.

Screened by Patrick Brendan O'Neill from Ballyheigue, the film has received critical

acclaim for the production.

The Film has at its centre language, landscape and light. Monsignor Padraig ÓFiannachta, a distinguished linguist, scholar and poet, acts as the guide. Both the English and Irish language play a prominent role in the narrative, as well as occasional quotations from Latin and Greek epic poems. Pope Francis' recent encyclical on the environment is read from by narrator Kelsey Lang McCarthy. The central question of the film circles around the age old philosophical question 'what is the good life?'

The film was chosen and screened at The Museum of Modern Art in NYC on the 21st of December last and had its Irish Premiere in April at the Omniplex in Tralee where the President of Ireland and The First lady were in attendance. Speaking after the film, President of Ireland Michael D. Higgins said "it's an elemental and beautiful film, combining powerful cinematography with the Spiritual contemplation of the wonder of nature, such a great contribution to heritage, it is a work of Art, a wonderful and moving experience."

Fashion designer, Don O'Neill, who is a brother of Patrick's was also in attendance.

Don married his partner, Pascal Guillerme in a star studded ceremony in Ballyheigue last weekend.

BIG PUSH FOR DONATIONS FOR THE TRACK

The organisers of the Community Microtrack Project are currently campaigning both the business community and private individuals for donations to develop the facility at St. Brendan's College in Killarney. While the track will be located at the college it will be of benefit to the wide sporting community in Killarney and surrounding areas and has received huge support from all sectors of the community. "The request for donations is timed to coincide with our grant application", Coordinator of the track Jerry Griffin told the Killarney Outlook. The objective of the group behind the track is to create a zone of activity for both able bodied and disabled people in a managed safe environment. The track, which has full planning permission will be a non profit project and has to date had the support of over 7000 people who have taken part in events to support it. Over the coming weeks a team of 30 fundraisers will be campaigning for funds. We are asking everyone to donate now and showcase Killarney and its environs through this project", Jerry added.

DANCING ON THE SUMMIT OF STRICKEEN

Not even the rain could dampen the high spirits of the walkers who trekked up Strickeen on Friday night last to perform a set dance with members of Kilgobnet Biddies.

The event which was organised in aid of Killarney Water Rescue took place last weekend as part of Killarney Walking Festival's Charity night.

The organisers want to send out a big Strickeen thank you to the Kilgobnet Biddies, and all the walkers who trekked Strickeen for Killarney Water Rescue. A great night.. and in good time honoured tradition, the sun didn't oblige!

The Minecraft Zone, Oculus Rift and HTC Vive demos were some of the most popular attractions, while the Interactive Stage Shows featuring YouTube Stars were at full capacity each day.

Insomnia Ireland was hosted by Multiplay, organisers of the UK's largest gaming festival, Insomnia, and a subsidiary of GAME Digital plc ("GAME Digital"), the UK's leading video gaming specialist.

MEDALS AND TROPHIES HEAD FOR THE KINGDOM

Dancers from the Hegarty School of Irish dancing who took part in the F6-chomortaisi Na Mumhan in Cork last weekend. Over 30 children from the local school took part and they were thrilled with their successes, trophies and medals heading to the kingdom. The F6 Chomortaisi (Mini Munsters) is a stepping stone to the bigger event the Munster

Championships, when they reach a certain grade. "Every child matters is the ethos of our school", Lisa Hegarty told the Killarney Outlook "and while we compete to the highest level, World Championships, it's not all about competitions such as this. We have plenty children in the class who do not compete," she added.

This year the school are representing Ireland in the Lowendar Perran Celtic festival being held in Cornwall in November. Fundraising events for this festival will take part throughout the next few months in our local area with a dancethon, flag day and a 5k run planned.

KERRY JUNIOR SMASH AND GRAB VICTORY OVER LIMERICK

The Kerry Junior team needed a goal deep into injury time to break the resolve of an unlucky Limerick side in the Junior semi final in Fitzgerald Stadium on Sunday last. Kerry had started well in both halves, but each time Limerick had reeled in their lead and when the

Treaty side goaled at the three quarter stage it looked as if the reigning champions, albeit with a new team, were on their way out of this year's campaign. However they fought to the final whistle and were rewarded when Adrian Spillane punched Paul O'Donoghue's long

delivery to the net in the 75th minute to record a 2-16 to 1-16 victory. Kerry will now play Cork in the Munster final on Thursday June 30th in Austin Stack Park at 7:30.

MICKO LEADS THE CYCLISTS FROM VALENTIA TO SPA

Led by Kerry legend Mick O'Connell and accompanied by his former, playing colleague, Cllr. Mick Gleeson a large contingent of cyclists from Valentia and from various parts of the county made their way to the Spa GAA clubhouse on Saturday to support the Anthony Morris fundraiser. Club chairman Ger Mangan welcomed the group and thanked them for this much appreciated gesture. Micheal Lyne on behalf of Valentia, recalled the many great games between the clubs and then presented Ger Mangan with an inscribed slab of Valentia slate as a memento of the occasion. The event was organised by John Shanahan from Valentia who knew Anthony when he worked and played with Valentia. Anthony also worked as a plumber in Mick O'Connells house.

John and Mick O'Connell, also contributed and wished Anthony well with his treatment in the USA. A special word of thanks to the Spa club members who supported and stewarded the event and to the members of the

THE LATE SEAMUS HEALY

Although he was born in the small village of Dunmore in North Galway and was a fiercely proud son of that great county, Killarney was home to Seamus Healy since 1968, when he first put on his "chef's whites" and commenced work in the kitchen of the then Killarney Great Southern Hotel (today known as The Malton).

Having just successfully completed a two year Chef Apprentice course in the Athenry Catering School, Seamus was posted to the GSH in Killarney as his very first job.

Little did he or indeed did anyone else know, Seamus was to devote the next thirty-eight years of his life to the grand old Killarney Great Southern, the last eighteen of them in the incredibly difficult and highly responsible position of Head Chef.

Even when he retired from there in 2006, Seamus still stayed within the industry working for the next number of years with the Randles family at the Dromhall and Randles Court Hotel before finally fully retiring. Seamus was universally liked and admired by all who worked with him in the course of nearly fifty years at the very coal-face of the Irish Hotel and Tourism Industry. Almost uniquely for a Chef, especially a Head Chef in an intensely high-pressure kitchen atmosphere, Seamus Healy was the epitome of calm and the essence of politeness and courtesy.

Time, experience and his own innate sense of

SEAMUS HEALY IN 1988, THE YEAR HE WAS APPOINTED AS HEAD CHEF PICTURED WITH HIS COLLEAGUES.

honour and decency had taught Seamus that the way to get the job done and the mission accomplished was with respect and dignity for all rather than with ranting and pot-walloping! Throughout his many years in Killarney, Seamus developed a wide and diverse circle of friends, many of them people that he first met all that time ago back in 1968.

The spreading word of his passing away last week, after a long fight with cancer, and borne with the determination and dignity so reflective of the man that Seamus was, was greeted with great sadness and a profound sense of loss by

all who had the good fortune to know Seamus Healy. Seamus is survived by his two brothers and three sisters and their families.

After reposing in O'Shea's Funeral home in Killarney, his remains were removed to his native Galway and he was buried among his own in his home place.

May he rest in peace under the sod of his native Dunmore, and may his wide circle of Kerry friends forever cherish their fond memories of a man of whom it can be truly said, "When God made him, he threw away the mould".

RIP Chef.

RSA LAUNCHES SERIES OF CYCLE SAFETY VIDEOS FOR NATIONAL BIKE WEEK

As part of National Bike Week which is taking place this week, the Road Safety Authority (RSA) has unveiled a series of online videos aimed at promoting awareness and safety among cyclists and other road-users. Using new technology to give viewers a 360 degree look at dangerous driving from a cyclist's point of view, the videos allow the users to 'look around' and

experience the dangers for themselves.

The videos focus on the high risk behaviours that put vulnerable cyclists in danger, such as drivers not allowing enough space when overtaking, opening a car door without checking, or making a left turn when a cyclist is approaching. As the viewer changes their viewpoint, they can look at the action from

another angle, see the dangers and risks of dangerous driving behaviour, and experience the shock that comes with them.

For more tips and advice on how to cycle safely, visit <http://www.rsa.ie/en/RSA/Pedestrians-and-Cyclists/Cycling-safety/>.

ORLA BENSON SCHOLARSHIP SUPPORTS HEART RELATED RESEARCH

This year's Orla Benson Postgraduate Research Scholarship has been awarded to Mariana Di Luca,

a researcher in DCU's Vascular Biology and Therapeutics Group; to further her research into identifying the type of cells most common in causing heart disease. This would further enable the development of new treatments that could enable the prevention of fatal heart attacks and strokes. The annual scholarship, worth €2,500, was established in memory of Orla Benson, a DCU Biotechnology student from Killarney, who was tragically killed in Boston in September 1995.

The scholarship provides support for one DCU researcher each year who demonstrates outstanding potential in biotechnology. It

allows the researcher to develop a particular aspect of their research at a university abroad, where they can establish international links to facilitate research co-operation.

Mariana, a previous recipient of the Government of Ireland scholarship from the Irish Research Council, has dedicated her research to understanding why healthy blood vessels become damaged and how that is linked to heart disease. By identifying the cells responsible for causing blocked vessels, Mariana's work aims to prevent or reverse potential artery damage by developing a drug that circumvents the harmed vessels. This year's award will allow Mariana to further her studies of heart disease with Dr. Carolina Cristina in her laboratories in Buenos Aires, Argentina.

The Benson family has worked with the DCU Educational Trust to establish the scholarship as a legacy to their daughter's dedication to and love of biotechnology. To date, the Orla Benson Memorial Endowment Fund has provided scholarships for fifteen students.

Whether an Olympic athlete, or someone entering a run for the first time in their life, the real winners will be the people who have the most fun!

The fun continues at the finish line with a gigantic "Colour celebration," using more coloured powder to create happiness and lasting memories, not to mention millions of vivid colour combinations and will end with a foam finish!

Bring the family along, as there is lots happening on the day for the whole family. You will also be doing good, as the Charity Partner is Aware. Kerry Colour Run will be donating €5 per family ticket and €2 per adult ticket purchase. The donations will be used by Aware to fund their support, education and information services.

Last year the event attracted 1,000 participants and the organisers are expecting over 2,000

ALL IRELAND FINAL BECKONS FOR KERRY UNDER 14 LADIES

After defeating an extremely resilient and talented Galway side on Sunday in Kilmeedy in Limerick the Kerry Ladies U14 team have reached the All Ireland final.

It was a tough game for the Kerry side as they were never really able to pull away from the western side and only the for the free taking & general all round play of Siofra O'Shea in midfield and the escapades of Ciara Butler in the Kerry goal, it would been the girls from the West preparing for the final. Kerry started brightly with a point within 49 seconds of the game commencing from Ella Teahan. It was all Kerry for the opening minutes as Rachel Kilgallon was unlucky as she missed a goal opportunity. Galway however got their composure together and attacked the Kerry goals but unfortunately were not as accurate with two wides and Ciara Butler the young Castlegregory called into action early on. Galway opened their account 13 mins into the half with a pointed free. Kerry were under pressure and were struggling to clear their lines, when a good interception from Siofra, lead to quick break down field where a Kerry player was fouled with Siofra pointing. The sides traded scores, with all of Kerry's scorers coming from the boot of Siofra O'Shea capt from frees as Galway gave away frees. Kerry defenders were a little bit more disciplined despite being under siege for a lot of the half with Rachel O'Connor in full back standing up to the test. Ava O'Sullivan Southern Gaels replaced Aoife Dillane coming up towards half time and immediately made an impact as she ran through the Galway defence and was fouled just as she pulled the trigger for a goal. The referee blew his whistle & called for a penalty which again Siofra struck excellently low and hard to the Galway net just at the short whistle. Half time score - Kerry 1-04 Galway 0-05. Galway started the second half much brightly than they did the first with the first point of the half, cutting Kerry lead to a minimum, which they followed up with a wide but it was Galway for those opening minutes. It took Kerry 6 mins to settle back but a pointed free from Siofra

THE KERRY LADIES UNDER 14 TEAM WHO HAVE QUALIFIED FOR THE ALL IRELAND FINAL.

O'Shea followed up with a point from play from her club colleague Rachel O'Dwyer. Galway then introduced the lively Claire Enahalo who made impact, cutting through the Kerry defence like a hot knife through butter with a devastating run, with goal in front of her blazed over the bar. A let off for Kerry. But Kerry Capt Siofra O'Shea stood up to the challenge and with a great bit of team work and individual play made a similar run but made no mistake with a super strike to rattle the Galway net, score was now Kerry 2-06 Galway 0-07 with 14 minutes gone in the second half. Galway then laid a relentless siege to the Kerry goals with Ciara Butler making 3 outstanding saves in a row to keep her team in the game. Gemma Kearney came in for Ciara McCarthy wing back with 7 mins remaining. Kerry added 2 further points - Siofra O'Shea free & Danielle O'Leary. Galway sub Marty NicDhonnacha got the final score of the game a point, with Kerry securing the win at that stage. Final score Kerry 2-08 Galway 0-10. Kerry will now meet Kildare in the All Ireland final on July 2nd/3rd, as they defeated Cavan in the other semi. Outstanding performances from Siofra O'Shea Southern Gaels and Ciara Butler Castlegregory in goals. Also playing well for Kerry was Chloe O'Connor

Firies and Rachel O'Connor Corcha Dhuibhne in defence, while Rachel Kilgallon worked very hard, linking play between defence & forwards. 1 Ciara Butler (Castlegregory), 2 Tara Murphy (Legion), 3 Rachel O'Connor (Corcha Dhuibhne), 4 Chloe O'Connor (Firies), 5 Ciara McCarthy (Abbeydorney), 6 Maud Kelly (Fossa), 7 Ava Doherty (Glenflesk), 8 Mary O'Connell (Na Gaeil), 9 Siofra O'Shea CAPTAIN (Southern Gaels) (2-05, 1-05F), 10 Rachel Kilgallen (John Mitchels), 11 Ella Teahan (Milltown / Listry)(0-01), 12 Aoife Dillane (Austin Stacks), 13 Rachel Dwyer (Southern Gaels (0-1)), 14 Mary Collins (Rathmore), 15 Danielle O'Leary (Rathmore) (0-1). SUBS. 16 Gemma Kearney (Castleisland Desmonds) for C, McCarthy, 17 Aisling O'Connell (Ballymac), 18 Ava O'Sullivan (Southern Gaels) for A. Dillane, 19 Susan Cahill (Rathmore), 20 Andrea Nolan (Laune Rangers), 21 Maggie Kingston (Beaufort), 22 Cliona Murphy (Southern Gaels), 23 Abi Casey (Na Gaeil), 24 Elaine O'Donoghue (Firies), 25 Rachel Evans (Laune Rangers), 26 Sarah Sheehan (Fossa), 27 Fodhla Houlihan (Laune Rangers), 28 Clodagh Evans (Milltown/Listry), 29 Ruth Moriarty (John Mitchels), 30 Ciara O'Mahoney (Milltown/Listry).

CALL TO EXTEND SEWER

CLLR MICHAEL GLEESON.

At a Municipal area meeting Councillor Michael Gleeson asked that the Council would call on Irish Water to extend the public sewer to Lissivigeen, Aghadoe and the Tralee Road.

The Council replied that

the present programme by Irish Water is to give priority to existing Sewerage Schemes and thus ensure that they are meeting the requirements of the EPA's Discharge Licences for waste water treatment plants.

Councillor Gleeson was further informed that Kerry County Council's interaction with Irish Water to date suggests that the extensions of the network to these three locations,

while desirable, are not among its immediate priorities.

Councillor Gleeson stated in response that the well-being of local rivers and of Killarney Lakes would be enhanced if the requested extensions were done."

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

GETTING OUTDOORS LEARNING TO LOVE JOGGING

CONTINUED...

GETTING STARTED

3. LEARN HOW TO WALK BEFORE YOU CAN RUN: I know it sounds obvious but please don't try and start a jogging programme without completing at least a 3-4 week walking programme, where at the end of it you are nearly about to break into a jog as you are going so fast in your walk. All too often I see people wanting to jog and they literally have been sitting on the couch for the past few years. Injuries start kicking in after weeks 1-2 and usually they are back to the couch before they know it feeling defeated and deflated and back comfort eating, so please don't let yourself be one of these. It is important to sensibly prepare the muscles and joint in the body for the impact of jogging, and walking is the best way to do this. You will still burn calories, be getting fit, and will start seeing results, so preparation is key so get walking if you aren't an existing walker for the next few weeks. I would advise walking for about 4-5 days if you aren't doing any other form of exercise, and if you are doing other classes or exercise activities, a good power walk 2-3 days for 40mins should suffice.

4. BUY RUNNING SHOES: Decent running shoes are your most important piece of kit. They'll pay for themselves by keeping you injury free. Cross training shoes or tennis shoes don't have enough cushioning to handle the impact of running- nor does a pair of running shoes you last wore 2 years ago. It is advisable to ask an expert in your local sports shop to assess which type of running shoe best suits you. There are several different types of running shoes so it is important you purchase the one that best suits your foot. I would also recommend custom fitted insoles (available locally in Elvery sports). These are well worth the investment.

TIGHT SHOES???

To stretch tight shoes, fill two freezer bags with water and place into each shoe. Let it freeze overnight. As the water freezes, it'll gently expand your shoes.

HEALTH TIP

CHOOSING WINE

Dry wine is better than sweet wine. Sweet wines naturally contain a lot of sugar. But on the other hand, in dry wines most of this sugar has been fermented away so from the weight point of view dry wines are better than sweet wines.

Beauty tip

Foundation

To help you find the right shade of foundation, choose the product you think is closest to your color and try it on your jawline in natural light. You will be able to easily compare it to your neck's color to see if you need to go for a different undertone, lighter or darker.

HOLD YOUR GOALS LIGHTLY!

We're often taught to go after our goals as if we're heading into a battle. We're determined to win at all costs and put ourselves under huge amounts of stress as we spend all our time investing in and fighting for what we want. The problem is that all of this kind of forcefully directed energy can leave you feeling drained, burnt out and de-motivated. Many people only focus on the outcome and although it is wonderful to feel that sense of accomplishment it's also vital to enjoy the process – the journey!

Top three Coaching tips to manifest your goals with ease!

1. Name your goal and begin to imagine it as if it has already happened! See yourself so completely overjoyed with the feelings that achieving this goal will give you! With whatever goal we want to achieve it is always the FEELINGS we are truly after!
2. Take baby steps of positive action! Play with it! Relax, take action and then back off – allow for different opportunities to come into your life that you might never have expected or predicted.
3. Make lots of mistakes and love the learning that they bring. Keep adapting and adjusting your course and trusting implicitly in your belief in yourself and the power of the Universe to manifest your dreams.

"Goals are like magnets. They'll attract the things that make them come true!" Tony Robbins

EXAM DE-STRESS

Learning to manage stress is important at all times in our lives – and not just around exam time. Tips to give you more control over your life include: Eating healthy food as much as possible and avoiding junk food as

much as you can. Exercising regularly, even if it is for a few minutes a day. Walking, jogging, yoga, anything will do. Developing good relationships. Sleeping well. Keeping a balanced view. Learning techniques of stress management and stress relief. Remembering your past achievements and taking strength from them.

SCHEDULE TIME FOR YOU: A really good habit to develop now, which will stand to you for a life-time is to set aside a half an hour each day to do something that just makes you feel good. Read a book or a favourite magazine, take a walk, dance or ride your bike. This time that you take for yourself will help you focus when you sit down to finish your homework. But you may be asking 'What Can I do Now?'. The first important thing to remember is that a relaxed body and mind is better equipped to deal with stresses and tensions. So looking after your mind and body at this time will help you to cope better with exam pressures.

EXAM-TIME: 1. Set Priorities. What is the most important and what needs to be done first. You do not need to do everything in one night. Prioritize what needs to be done early in the week, and what can be done later. If you are focusing on a few subjects a night rather than worrying about all of them every night you will do a better job overall.

2. Give yourself a break. Whilst it's important to do your best – don't try to over-achieve. Give yourself time to relax too.

3. Set Realistic Goals. Set goals that you can see yourself achieving within a week, two weeks, etc. Setting goals that are too high can make you feel more stressed if you cannot realistically achieve them.

4. Acknowledge your feelings. It is normal to feel stressed at exam time. However, if you are feeling especially stressed or depressed, you may want to look at everything you are doing see if there are one or two things you can cut out until you feel better. Be sure to talk to someone if you feel this way.

5. Take care of yourself. Now more than ever it's vital that you take care of yourself. Don't sacrifice your health because you feel you are too busy. A combination of a healthy diet, regular exercise and plenty of sleep helps relieve stress.

If you feel stressed or overwhelmed, it is important to speak with the adults in your life. They may not be aware of just how much pressure you are feeling to get everything done. Talk to a parent, teacher or counsellor, and ask for help in dealing with stress.

INTERIOR DESIGN

LIGHTING

Lighting is a very important part of decorating, yet sometimes its importance can be underestimated. The correct lighting can utterly transform a room. There are 3 types of lighting to consider for each room, they are: Ambient, Task and Accent. Using these correctly is called 'Layering Light'.

AMBIENT: This is your general lighting; it provides the amount of light in a room. You get this from; Ceiling pendants, Recessed lighting, Floor/Table lamps and Wall lights.

TASK: You would use Task lighting to illuminate specific areas of function. For example, Reading lights, under counter lights in the kitchen or a desk light in an Office.

ACCENT: Accent lighting creates the mood in your home. For example, Use of Candles, highlighting artwork or picture walls (picture lights), specific areas that you want showcased. You can also make Ambient lighting an Accent scheme by attaching a dimmer function switch.

Hope this helps you in lighting your home. If you need some more help, just contact me.

Every design journey starts with the concept of evolving the space into its very own unique masterpiece.

Sincerely,
Marette

ORNAMENTAL GRASSES

Ornamental Grasses can grow in a wide range of conditions. There are grasses to suit damp or dry soils, shady and sunny positions.

Grasses can add great colour to any shrub bed and they also look great in containers. Ornamental grasses don't need much feeding as this only encourages a lot of growth in the foliage at the expense of flowers.

There is a large selection of grasses to choose from. There are grasses like the Pampus, which is tall to the Carex Algold which is small.

If you are planting small grasses in the garden try and plant them in groups of three rather than on their own.

Grasses are also ideal plants for containers but only choose an evergreen one such as a Phormium or an Astelia As they will give you colour all year and you can plant your seasonal plants around them.

Know Your Rights: TAX APPEALS COMMISSION

QUESTION

What is the new Tax Appeals Commission?

ANSWER

The Finance (Tax Appeals) Act 2015 came into operation on 21 March 2016. This Act gives effect to a revised tax appeals process and established a new independent statutory Tax Appeals Commission (TAC), which replaces the former Office of the Appeal Commissioners.

The TAC adjudicates, hears and determines appeals against Revenue decisions concerning taxes and duties under the Finance (Tax Appeals) Act 2015, the Taxes Consolidation Act 1997 as amended and other related legislation. There are currently two Appeal Commissioners, appointed by the Minister for Finance for a period of seven years.

The main change to the tax appeals process is the requirement that all appeals (other than customs duties and Registration Tax "first-stage" appeals) are now made directly to the TAC and not to Revenue in the first instance. The Appeal Commissioners have sole responsibility for accepting or refusing appeals, although Revenue can raise objections to appeals. If both parties agree, the Appeal Commissioners can make determinations based on written submissions (rather than a full hearing). However, you can insist on a hearing if you wish.

By default, all hearings are held in public. However, you can request that a hearing (or part of a hearing) be held in private. To improve the transparency of the appeals process, the Appeal Commissioners are required to publish anonymised versions of all of their determinations. Another significant change is that appeals can no longer be re-heard before a Circuit Court Judge. You can appeal to the High Court on a point of law, but not in relation to the facts.

SYRIANS DISPLACED BY WAR HELP CANADIANS DISPLACED BY FIRE

Syrian refugees living in Canada organised relief efforts to help locals affected by the devastating Fort McMurray bush fire, in which at least 1,600 homes were destroyed and thousands of families had to flee the area. Grateful for Canada's hospitality, the Syrians see it as a way of giving back.

A 24-year-old Syrian refugee and his family did not hesitate to offer help though they were only reunited in Canada last January and wondered how much help could they offer, while still struggling to learn English, find jobs and get accustomed to their new surroundings. "We really know the meaning of losing everything in one moment ... To lose everything in one moment you will lose your whole past, everything you have been building since you were born," he said, my father had an established chocolate factory in Damascus for 20 years, now we sell our handmade chocolate in a market every Saturday and we will be giving a portion of our earnings to the Canadian Red Cross he said. One little boy from a different family started collecting his toys and other items for the Canadian children. His mother said he wanted them to have them because he remembers too what it was like to lose his own. In another relief effort donations started coming in when Ms. Khanchet posted a Facebook message asking other Syrians in Canada to help. A friend reposted it on the page of the Syrian Refugee Support Group, and soon the support group for Syrians was supporting native Canadians.

All the Syrians are saying, 'I'm ready to give, I'm ready to give' and with donations of whatever they can afford - some just \$5 or \$10 - the new Canadians are doing just that - and the list of kindness just continues.

Since November 2015, Canada has accepted more than 25,000 Syrian refugees. It has also contributed an estimated 1 billion dollars in aid for humanitarian relief efforts.

I WONDER WHO CREATED JACOB SHEEP?

Researchers at the state-run Xinjiang Academy of Zootechnical Science in China have bred

five sheep with different coat colours using the new gene-editing tool known as CRISPR-Cas9. Two of the sheep have black and white fur "like cows," another two have black with white spots like "spotty dogs" and the fifth sheep has brown and white like "unstirred cappuccino." This is the first time that scientists have altered the coat colours of large animals using the controversial technique, colour alteration has been previously achieved on mice.

"The lambs, born in March, have become our lovely pets," head researcher Liu Mingjun said, adding that with the CRISPR-Cas9, pet owners can order their pets with customised fur colouring. He also noted that consumers will be able to buy wool products in various colours that don't need to be dyed. The research team reportedly edited the animals' ASIP gene which affects the colour of their fleece. "The application to large animals indicates more strains of animals, not limited to livestock, will be developed via the approach, with different patterns not limited to coat colours," Liu said about the burgeoning CRISPR technique. "Compared with traditional gene mutation approaches in which researchers take decades to breed a new strain, gene editing is much more effective" he added.

HANDY HINTS

- If your pet has covered your sofa in hair again, run your hand over it while wearing a damp household glove. This will cause the hair to cling to the glove rather than your prized furniture.
- Pour salt over a wine spill or stain and the salt crystals will absorb it.
- Lime buildup can be taken care of by making a paste from one tablespoon of vinegar and two tablespoons of salt. Apply the paste to your shower, sink or other fixtures and rub the lime buildup with a cloth to remove it.
- If the grout between your tiles is starting to collect unsightly gunk and dirt try applying mouthwash to it and it'll look like new.
- Clear any sooty odours coming from your fireplace by crumpling old newspapers and sprinkling ground coffee on top of them. Put the newspapers in the fireplace and set them alight, but make sure first that there are no blockages in the chimney!
- Hot sauce doesn't just set your mouth on fire - it's great for shining any copper fixtures or ornaments that you may have in your home.

- Try crisscrossing two rubber bands over the claw of your hammer before you remove a nail from one of the walls in your home. The bands will prevent the wall from getting damaged.

- Rubbing waxed paper along your shower's curtain rod will stop your shower curtain from getting stuck every time you try to open or close it.

DID YOU KNOW?

Every hour, around the world, it is estimated that at least 100 dogs are being needlessly killed because of preventable problems. It adds up to thousands of dogs every single day! Overpopulation and fear of rabies are at the heart of this cruel and unnecessary slaughter. That's why World Animal Protection supports mass vaccination programmes, which are the only way to effectively stop the spread of rabies, and promotes humane steps to address overpopulation including educating owners and supporting legislation, dog registration, vaccination, sterilisation, and re-homing.

MALAYSIA PROPOSES DRASTIC NEW FIRE FIGHTING MEASURES

Malaysia has proposed to amend the Environmental Protection Act so that the state can seize badly burning land, often set alight by palm oil interests looking to clear land cheaply.

"It will not matter if the land is owned by smallholders or plantation giants — as long as there is a substantial fire, the government will take control of the land," Malaysian Environment and Natural Resources Minister Wan Junaidi Tuanku Jaafar said.

A major heat wave in the Southeast Asian nation has depleted water reserves and encouraged fires to spread, including in the peat-rich Kuala Langat Forest Reserve and in an palm oil plantation run by Malaysia's Federal Land Development Authority.

Mr. Junaidi's ministry detected 1,460 cases of open burning between January 1 and the end of April. "Existing laws are unable to prevent open burning... so we want firmer action in Sarawak, we call it 're-enter the land' where the land is handed over to the government," he said. "I have directed the department to take action on offenders."

MAN QUILTS JOB TO TRAVEL AROUND AUSTRALIA IN A VAN WITH HIS CAT

Richard East of Tasmania, quit his job, sold his house and packed what possessions he had left into a Volkswagen van to travel around the country and for company brought his cat, Willow, along with him. "Willow was living in my house but was no longer wanted, so I vowed to look after her for the rest of her days. At the time I was making that commitment to her, I didn't realise what my future plans were. I did the obvious thing and took her with me" Mr East says. Traveling and living out of their van since December 2014, Mr. East documents his travels with Willow on Instagram, Facebook and YouTube. So far he and his cat have travelled in Tasmania, New South Wales and Queensland, and plan on tackling the Northern Territory next, followed by Western Australia.

At the moment Mr. West says he is setting up a business and if that succeeds he will be able to travel forever... It's a cosy campervan with everything I need and with a cat falling asleep on my chest, that's all I need to keep me happy.

NEW TECHNOLOGY GIVES DOGS THE ABILITY TO 'TALK' OR 'TEXT'

A research team at the Georgia Institute of Technology has developed a new vest that allows dogs to send texts to their owners.

The vest comes equipped with sensors that the dog can use to send text notifications or audible messages to a smartphone. These messages are crucial for bomb detection and search and rescue teams, as well as for owners of therapy dogs, said Melody Jackson, an associate professor at the school who created the vest. "At present a bomb-sniffing dog has one alert that says, 'I found an explosive, but the dog may know more than that, like what type of explosive it is, if it's something stable, or something unstable and dangerous, that needs to be handled carefully, the problem, is 'they have no way to tell their handler' she said. Professor Jackson's own Border Collie named Sky, has helped the team to design a lot of the sensors, by telling them what works and what doesn't work. "He's a very critical part of our design team" she added. All that Sky and other dogs need to do is trigger side sensors on the vest with a bite or a nudge of their nose. They're being trained with toys and can identify between a ball or a Frisbee, which they in turn, relay to their handler. "This is what's called a "discrimination task" and can be translated to more important tasks, such as bomb detection, where the dog would tell his handler what explosive they have scented Professor Jackson said. The research team have also developed a medical alert vest that allows a dog to find a missing or trapped person, activate a sensor and let that person know that help is on its way. This would be key to helping and saving lives during an earthquake or other disaster Ms. Jackson added.

SAVING A LIFE WAS MORE IMPORTANT THAN PROTECTING A RELIGIOUS GARMENT TO ONE MAN IN INDIA

Sarwan Singh noticed a crowd gathering around a canal in India's Punjab region and investigated. "I was shocked to see that onlookers were letting a dog drown before their eyes and no one was actually helping," he told reporters. He unwrapped his turban, the holy garment of the Sikh which "shocked the people standing around, they thought I was disrespecting my faith, but what was important at that point was to save a living being" he said. He had to follow the dog for around 200 metres before he was able to wrap his turban around the dog's neck and pull him to safety. Well done to Mr. Singh who acted quickly and saved a life, instead of giving in to pressure to do otherwise.

AUSTRALIAN MP WHO SHOT, KILLED AND ATE AN ELEPHANT HAS RESIGNED

More than 30,000 African elephants are killed every year by poachers for their tusks, with some scientists observing they could go

extinct by 2020 if the current rate of killing is sustained. Within this context an Australian MP, Robert Borsak, from the Shooters, Fishers and Farmers Party, (first registered with the Australian Electoral Commission on 27 August 2007) has stated that he shot, killed and ate an elephant on a hunting trip in Africa because it is humanity's "right" to do so. Borsak defended the consumption of the elephant during a speech he made before New South Wales parliament against the "insidious growth of skewed animal rights ideology", referring to an initiative by the country's Green Party to end "Australia's killing culture" against species such as kangaroos etc. African elephants are listed as vulnerable by the International Union for Conservation of Nature (IUCN), while the Asian elephant is classed as endangered. It is the responsibility of humanity to ensure elephants survive, for future generations and for the rights of the animal.

PETS ARE AS DIFFICULT AS CHILDREN TO KEEP SAFE

On June 6th a young German shepherd somehow managed to get her head stuck inside of a discarded tire on property in Sonoma County, California. The one-year-old dog struggled to breathe with her head tightly wedged inside of the rim. Though the dog's owners attempted to free the dog, their efforts were fruitless and it was obvious that outside help was necessary because the trapped dog was in distress. In desperation, the owners called 9-1-1 for help and responding firefighters determined that they were not able to safely remove the rim.

A veterinarian with the Sonoma County Animal Control was then contacted for help, but the rescue effort would not come quickly because the vet was in the midst of surgery. Until help arrived, over two hours later, firefighters helped keep the dog comfortable by providing her with oxygen. It took a sedative, and lubricant, to free the mischievous, or perhaps too curious, pup from the tire - she was immediately transferred to a local veterinary office for further treatment.

FINALLY THIS WEEK

A physician, an engineer, and a politician were discussing who among them belonged to the oldest of the three professions. Each one of them thought they had this in the bag. The physician said, "Remember, on the sixth day God took a rib from Adam and fashioned Eve, making him the first surgeon. Therefore, medicine is the oldest profession."

The engineer replied, "But, before that, God created the heavens and earth from chaos and confusion, and thus he was the first engineer. Therefore, engineering is an older profession than medicine."

Then, the politician spoke up. "Yes yes, this is all well and true," he said, "But who do you think created all of the chaos and confusion?"

MUNSTER SENIOR FOOTBALL CHAMPIONSHIP SEMI-FINAL

EARLY KERRY GOALS HELP LOWER THE BANNER

KERRY O'SHEA REPORTS FROM THE MUNSTER CHAMPIONSHIP SEMI-FINAL CLASH AT FITZGERALD STADIUM

**KERRY 2-23
CLARE 0-17**

First-half goals from Colm Cooper and Stephen O'Brien, who finished the game with a personal haul of 1-5, all of which came from play, were the vital ingredients as Kerry advanced with ease to another Munster SFC Final.

Kerry will now face the Liam Kearins-managed Tipperary in the Munster decider in Killarney on July 3rd, the first time since 1998 that the sides have met in a decider.

Watched by an official attendance of 11,358 and played in overcast and ideal weather conditions under the beautiful backdrop of the famed McGillycuddy Reeks, the home side got off to a sensational start when they struck for two goals inside the opening five minutes.

The first came with a mere 65 seconds gone on the stopwatch when Colm Cooper's lob from 35 yards out somehow deceived Clare keeper Joe Hayes and ended up in the net.

Five minutes later, Stephen O'Brien, who gave an exhibition of score-taking especially in the first half, was at the end of a sweeping move involving Bryan Sheehan and Paul Murphy to supply goal number two.

However, despite the concession of these hammer blows, Clare showed determination and stubborn resistance in several areas of the field.

Colm Collins' charges asked plenty of questions of Kerry's rearguard but poor shot selection and decision making in front of goal cost them dearly.

Still, they finished the game with a very respectable tally of 0-17. Kerry fans will be worried about leaking such a high score as will manager Eamonn Fitzmaurice who did concede that much work remains to be done in this area.

The Kerry lineout showed five changes from the side defeated by Dublin in the National League decider in April.

Newcomers Brian O'Beaglaioich and Tadhg Morley were given championship debuts by Eamonn Fitzmaurice and both can feel relatively satisfied with their championship bows.

Morley had a very useful outing before retiring with a knock midway through the second half while O'Beaglaioich, who was marking Clare livewire Podge Collins, was given plenty to think about, but the Gaeltacht man finished the game very strongly.

Another positive aspect too was the return of Anthony Maher who had his first slice of inter-

county action since last year's All-Ireland final loss to Dublin.

The big Duagh man came on with six minutes remaining and was one of eleven Kerry players including four substitutes to sign their names to the scoresheet for the Kingdom.

Kerry finished the game with 13 players as Killian Young limped off injured and Michael Geaney was black-carded.

These incidents happened very late in the game and Kerry had used up their full quota of six allotted substitutes by then.

Following Cooper's opening goal, Clare sharpshooter David Tubridy with a personal haul of 0-7 including 0-4 frees and 0-2 '45's, opened his account with a point before Stephen O'Brien replied with a 1-2 salvo to push the Kingdom 2-2 to 0-2 clear inside the opening 8 minutes.

Podge Collins, who prior to his controversial harsh black carding in the 27th minute for what Longford referee Fergal Kelly deemed a deliberate trip on Kerry's Tadhg Morley, was one of Clare's most influential figures and a pleasure to watch.

Collins and Eoin Cleary added points before Paul Geaney, with a quick brace of points in the 11th and 12th minutes increased Kerry's lead.

Clare were almost through on goal in the 13th minute when Podge Collins' effort was saved by Kerry keeper Brian Kelly at the expense of a 45 which David Tubridy converted. Kerry had further points from Bryan Sheehan who struggled to make an impact and Stephen O'Brien (2) before

Clare replied with efforts from Gary Brennan and Eoin Cleary.

The outstanding and hard grafting Paul Geaney and Colm Cooper with a typical effort, added a brace of points. Clare responded with scores from Gary Brennan and Cathal O'Connor. Killian Young and substitutes Pearse Collins exchanged scores to bring the first half action to a close with Kerry leading 2-10 to 0-9.

Clare needed goals at this stage if they were to have any chance of getting back into contention but the Kingdom were in no mood to drop their guard.

Darran O'Sullivan and David Tubridy exchanged points at the start of the second half as Kerry maintained their seven-point cushion and further scores from Bryan Sheehan (free), Darran O'Sullivan and Colm Cooper moved the home team 10 points clear with 46 minutes gone on the watch.

Kerry manager Eamonn Fitzmaurice emptied his bench, David Moran and Barry John Keane (0-2) added their names to the list of scorers as the Kingdom stretched nine points 2-17 to 0-14 clear with 56 minutes gone.

David Tubridy and the influential Pearse Lillis, who did not start despite being named on the team during the week added points for the visitors.

However, Kerry finished with a flourish and points from Paul Murphy, Stephen O'Brien, Colm Cooper (free), Paul Geaney (2, one free) and Anthony Maher rounded off the scoring. While Kerry had a good day, there is quite a lot of work to be done before the clash with Tipperary, who at this stage would like nothing better than to bring the Kingdom down.

MUNSTER JUNIOR FOOTBALL CHAMPIONSHIP SEMI-FINAL

LATE FLOURISH SEALS KERRY JUNIORS WIN

Stephen Wallace's Kerry Junior footballers performed their own version of the Late Late show when they scored 1-1 in injury time to clinch an unlikely victory in this entertaining Munster JFC semi-final against Limerick.

In the process, Kerry keep their three in a row title hopes alive but know that a major improvement will be needed if they are to overcome Cork in the final which will take place in Tralee's Austin Stack Park on Thursday, June 30th.

With six minutes of normal time remaining, the Kingdom trailed by 1-12 to 1-10 and a huge upset appeared on the cards but Kerry dug deep, with Adrian Spillane's late goal and Michael O'Donnell's clinching point sealed their place in the final.

Kerry who under the competition's rules, had to field a completely new side this year, got off to a great start and led by 1-4 to 0-1 after nine minutes, Kieran Hurley the goal scorer.

Limerick settled and reeled off six unanswered points, five from the unerring boot of their outstanding sharpshooter Jamie Lee who finished the game with a personal tally of 0-11, but Kerry still had their noses in front at the interval 1-5 to 0-7.

Kerry struggled in many areas of the field, points from the outstanding South Kerry duo

TEMPLENOES ADRIAN SPILLANE SCORED A VITAL GOAL LATE ON IN THE GAME TO ENSURE THE KERRY JUNIORS SAW OFF LIMERICK

of Paul O'Donoghue (2) and Niall O'Shea who scored 0-10 between them, increased their lead but dogged Limerick remained in the hunt and led for the first time with 14 minutes remaining thanks to Enright's goal.

Limerick increased their advantage on the scoreboard but the Kingdom stubbornly refused to give in, their late scoring salvo

clinched a very unlikely win for Stephen Wallace's side.

CREDIT UNION SENIOR FOOTBALL LEAGUE ROUNDUP

The Credit Union Senior Football Leagues are certainly taking shape with the four rounds scheduled for June sure to go a long way towards deciding the fortunes of many clubs for the coming year. Round 5 last weekend coupled with Round 6 this coming weekend will shove the Leagues past the half way stage. In Division 1, an injury time equaliser by Milltown-Castlemaine cost Templenoe their 100% League record on home soil meaning that Dr Crokes, following victory over local rivals Legion on Sunday morning, go top of the League on their own with 10 points. Dingle on 8 Points and Desmonds, a point further back, stay in touch following respective victories over Kilcummin and Kenmare.

So going into the half way stage, both Kenmare and Legion are pointless at the foot of the table with John Mitchels (1 point), Kilcummin and Glenbeigh-Glencair both on two points, also struggling.

This weekend will see a four pointer at Kenmare where John Mitchels are visitors, while Legion will want to make home venue count against Desmonds. Leaders Dr Crokes travel to Kerins O'Rahillys and Templenoe are at home for the second week in a row, this time against

Glenbeigh-Glencair.

In Division 2, Spa, thanks to a four point win over Listry, join St Marys, who did not play last weekend, at the top of the table on 8 points each. An Ghaeltacht, who have a game in hand, are doing well on 7 points following defeat of Finuge while Waterville, who did not play, and Beaufort who had a good win over Emmets, stay in touch on 6 points. At the other end of the table, Laune Rangers got their first points of the season with victory over St Michaels-Foilmore who now replace the Killorglin side at the foot of the table on one point. Finuge are another struggling side on 3 points. Rathmore entertain Glenflesk on this Wednesday evening in a deferred Round 5 game.

This weekend, joint leaders, St Marys visit Glenflesk while Spa are home to Laune Rangers, The An Ghaeltacht v Listry game goes back to August 5th. In Division 3, Currow maintained their good form with a five points victory over Annascaul and are out on their own on 9 points at the top of the table. Ballydonoghue had a narrow one point victory over neighbours Beale to stay in second place a point behind the leaders while Gneeveguilla with a game in hand and Annascaul are on 6 points each.

At the bottom, Tarbert went down to St Pats and remain pointless, Brosna and Beale are on 3 points, but it has been a good week for Ardfert who picked up full points against St Pats in a back game and then defeated Keel by the minimum margin to move on to 4 points along with Dromid Pearses, both with a game in hand, St Pats and St Senans.

This weekend, leaders Currow will certainly have their credentials tested following a visit to Ardfert. The meeting of Keel and Tarbert goes out to July 9th as does the game between Ballydonoghue and St Pats.

In Division 4, Na Gaeil and Fossa continue to set the pace at the top of the table with full points following victories over Churchill and Ballymac respectively last weekend. Firies, with a game in hand, and Ballymac are four behind on 6 points. At the bottom, Renard and Lispole are on one point each while Churchill, Moyvane and Valentia are a point better off but there are a number of back games in this division.

This weekend, joint leaders, Fossa are at home to Scartaglen while Na Gaeil travel to Valentia. At the other end of the table, the meeting of Moyvane and Churchill is certainly a four pointer for these two struggling sides.

EAST KERRY NOTES

KERRY PHYSIOTHERAPY AND REHABILITATION CENTRE EAST KERRY JUNIOR LEAGUE: DIVISION 1 FINAL RATHMORE 0-15 DR CROKES 0-11

The Kerry Physiotherapy and Rehabilitation Centre sponsored Junior League Final Division 1, played at Kilcummin last Tuesday, resulted in a win for a well marshalled Rathmore outfit. Dr Crokes inaccuracy in front of goals, which led to eleven wides, contributed to their defeat. But they faced a Rathmore team that performed better as a unit and took every chance on offer, registering just three wides for the hour. Stephen Lehane and Sean O'Riordan had two early Rathmore points before Brian O'Shea opened the Dr Crokes scoring after fourteen minutes. O'Riordan and Keith O'Leary swapped points before Keith McMahon hit over one of the scores of the game from all of 50 metres out to level the game at 0-3 apiece after twenty minutes. However, the remainder of the half belonged to Rathmore as they fired over a further six points to Dr Crokes two – top scorer Michael O'Riordan (0-4), Colm Kelly and Brian Moynihan (0-1 each) for the winners with Shane Doolin and Brian O'Shea responding for Dr Crokes. Half time Rathmore 0-9 Dr Crokes 0-5.

On the resumption, Brian O'Shea and Cillian O'Regan added points for Dr Crokes but with Brian Moynihan and John Hickey dominating midfield, Rathmore increased the margin to six points after seven minutes – Colm Kelly, Brian Moynihan, Michael O'Riordan and John Hickey adding the Rathmore points – 0-13 to 0-7. Dr Crokes staged a late comeback with points from Brian O'Shea (0-3), Keith O'Leary and Mark Egan while Brian O'Leary kept the scoreboard ticking over with a Rathmore point to leave the score 0-14 to 0-11 as the final whistle loomed. Rathmore's Shane Reen had the last score of the game to leave Rathmore winners of the James Doyle Memorial Cup on a final score of

Rathmore 0-15 Dr Crokes 0-11.

East Kerry Committee Vice Chairman, Johnny Brosnan, congratulated the teams and thanked referee John Dineen (Fossa) and his officials. Joan Doyle presented the James Doyle Memorial Cup to Rathmore captain Tadgh Moynihan.

DIVISION 2 FINAL:

KILCUMMIN 1-11 SPA 1-11 (AET): The Division 2 Final of the East Kerry Junior League, ended on equal scores, both at the end of normal time and after extra time, after an entertaining game in Rathmore. Spa got off to a dream start with a great goal by Dion Marcos, on the fifth minute. It was tit for tat. A Jake Moynihan point opened the Kilcummin account within two minutes. Brain Lynch replied with a lovely point after a surging run forward. Two unanswered Kilcummin points (Richie O'Connor, Shane Smyth) had the minimum between the sides at the start of the second quarter 1-1 to 0-3. Play moved from end to end and the Kilcummin keeper blocked a number of goal bound shots. Spa won kickouts with great high fielding by Andy Fitzgerald and Jamie Spillane, which led to two points without reply, Shane Fenton and Jamie Spillane on target. Spa led 1-3 to 0-3. Then came the turning point in the half. Shane Smyth won the kick out for Kilcummin, laid off to Chris Keane, who took a return pass from Dean Cronin and sent a rising ball to the Spa goal. The goal keeper did well to get his hands on the ball but it proved too powerful to control and landed across the line to level the game 1-3 each with four minutes remaining in the half. Kilcummin built a two point lead before the break, Gavin O'Leary and John Devane scoring. Half time score Kilcummin 1-5 Spa 1-3.

On the restart, Spa reduced the margin to the minimum, within five minutes, with a Dion Marcos point from play. It was nip and tuck. Two Kilcummin points (Dean Cronin, Richie O'Connor, f) were followed by two Spa points (Conor Cronin, Dion Marcos). The sides traded points, Shane Smyth for Kilcummin and Conor Gleeson for Spa – 1-8 to 1-7 going into the last quarter. Richie O'Connor increased the Kilcummin lead with a pointed free, 1-9 to 1-7 on the forty seventh minute. However, Kilcummin did not score again. The Spa keeper caught a high ball denying Kilcummin a point while Shane Fenton notched up a great long distance point from play and Jamie Spillane pointed a free to level the game with six minutes remaining, putting the game to extra time on a scoreline of Kilcummin 1-9 Spa 1-9.

Kilcummin took the lead in the first minute of extra time with a Darragh Kelly point and it was not until the last kick of the half that Spa equalised through a Jamie Spillane pointed free – 1-10 a piece at the break. An Ayden Mulvaney point from play mid way through the second half of extra put Spa ahead but in the final kick of the game Kilcummin captain, Mikey Shea, equalised with a lovely point from play, sending the sides to a replay on a final score of Kilcummin 1-11 Spa 1-11.

BEAUFORT GAA

BEAUFORT SENIORS: Hosted Listowel Emmets in Division 2 of County League on Saturday evening. Beaufort were well up for the game as these teams had met in the Junior Championship and after a replay Listowel Emmets came out winners. Conditions were wet underfoot after an earlier shower but there was no wind.

Listowel Emmets had the first point from play on 3 minutes. Defences were on top before Daragh Coffey levelled matters for Beaufort. Conor Cox played a quick one two and had a point from play. Beaufort missed a few scoring opportunities before good defence from the home side led to Daragh Coffey setting up

Fergal Hallissey for a point at the quarter stage of the game. Again Beaufort were on top in defence and Daragh Coffey had his 2nd point of the game. Keith Hughes in the Listowel Emmets goal had a great save from Niall O'Connor. Fergal Hallissey scored the resultant 45. He scored a free 2 minutes later when Padraig O'Sullivan was fouled to leave the score stand at 0-5 to 0-2 to the home side. Conor Cox cut the lead with a free and they had another point from play from Brian Murphy immediately afterwards to leave the half time score Beaufort 0-5 Listowel Emmets 0-4. Beaufort began the 2nd half well and extended their lead with a Fergal Hallissey free after Padraig O'Sullivan was fouled. Niall O'Connor was on the end of a breaking high ball to score a point. Emmets had a chance to reduce the lead with a free but Conor Cox went for goal and the attempt was cleared. Beaufort then put the result of the game beyond doubt with two goals. The first came from Francis Courtney after he was on the end of a great move involving sub Ronan Ferris and Ronan Murphy. From the kickout midfielder Shane O'Sullivan soloed through the defence and score goal No. 2. Score at this stage with 10 minutes of the 2nd half gone had Beaufort 2-7 Listowel Emmets 0-7. A fisted clearance by Mike Moriarty in the Beaufort goal led to a point from play from Ronan Ferris. This was followed by a point from Daragh Coffey. A dropped ball by the Beaufort defence saw Tom McCarthy score a goal for Listowel Emmets. Sub Danny Healy was fouled and Francis Courtney scored the free and he followed up with another free when Ronan Ferris was fouled. Final score: Beaufort 2-11 Listowel Emmets 1-7.

BEAUFORT U12S: Sponsored by Maurice Foley of MF Decorating travelled to Churchill the weekend but unfortunately found the opposition stronger. Final scores: Churchill 3-17 Blue team 3-9 while the Amber team lost on a scoreline of Churchill 5-11 Amber 1-1.

EAST KERRY JUNIOR LEAGUE DIVISION 2 FINAL: SPA 1-11 KILCUMMIN 1-11

AET: Played in Rathmore.

Spa had a goal on the board within the opening minute thanks to Dion Marcos and points from Brian Lynch, Shane Fenton and Jamie Spillane and Spa led 1-3 to 0-3. Kilcummin however found the net to level midway through the first half, and by half time Spa trailed 1-5 to 1-3. Spa chased the game for much of the second half and points from Dion Marcos (2), Conor Cronin and Conor Gleeson kept the scores close, and late points from Shane Fenton and Jamie Spillane pushed the game into extra time, the sides level on 1-9 apiece after 60 minutes. The first 10 minutes of extra time and the sides still couldn't be separated as a Jamie Spillane point cancelled out a Kilcummin score and, in the final few minutes of play, Aydan Mulvaney briefly put Spa in front but Kilcummin equalised to set up a replay. DR. CROKES

COUNTY LEAGUE DIVISION 1 - ROUND 5: DR CROKES 1-15 LEGION 0-9

Played in Lewis Road on Sunday 12th of June, a good second half display was responsible for our nine point victory over Legion, 1-15 to 0-9. Both sides were missing influential players but the visitors probably suffered more in this respect. The game marked the return to action of Legions James O'Donoghue, who performed well. We had the first five points in this game and led 0-5 to nil after ten minutes. We were always in front in this match but Legion kept within three points of us, right through the first half, despite their poor start to the game. We had an interval lead of 0-8 to 0-5. The teams exchanged points at the start of the second half but in the next ten minutes we hit a purple patch and notched four points without reply, to go into a seven point lead. The visitors reduced the gap with two unanswered points. At the start of the third quarter we had a point from Brian Looney, followed by a goal by Jordan Kiely. This gave us a nine point lead and this was the same lead we had at the end as the only remaining scores were a point from both sides. This left us winners by 1-15 to 0-9 when

the referee blew his final whistle.

MILLTOWN CASTLEMAINE GAA

DIVISION ONE-COUNTY LEAGUE:

Milltown Castlemaine seniors secured a valuable point away to Templenoe in Div.1 of the Co. league on Saturday evening last. Jonathon O'Sullivan was the main man on target as M/C raced into a 5pt to 1pt lead midway through the first half. Templenoe hit back to draw level before another brace of points from O'Sullivan saw M/C lead 0-08 to -0-06 at the break.

The second half continued in the same vein as the first, with very little separating the sides. A goal would surely have won it for either side, and while both had chances, none were converted. The third quarter saw the home side pull two points clear and they seemed to have victory in their grasp. However M/C, and Jonathon O'Sullivan in particular, held their nerve to hit two late scores and so gain what could be a valuable point. Many thanks to Templenoe GAA club and the Brook lane Hotel, Kenmare, for providing refreshments for players and supporters afterwards.

On this Saturday June 18th, we will take on Kilcummin in Round 6 of the County League-Time to be confirmed. Please come along to Milltown Castlemaine GAA Grounds and support your club.

The new e-vetting system is aimed at being a more efficient and streamlined way of being vetted. Our children's officer Christina Tangney is on hand to assist anyone not vetted with the new system. The immediate goal of the GAA is to get everyone involved in the Association who is not vetted sorted with immediate effect. Those previously vetted under the old system may then be asked to go through the new process. The club wants to ensure that everyone is vetted in due course. Anyone who needs more information or assistance can contact Christina via email at christina.tangney@mycit.ie or alternatively at 086 1925549.

SPAMUCKROSS COMMUNITY GAMES

The County Athletics competition was held on Saturday 11th & Sunday 12th June. There was a great turnout, and the mild, dry weather made for a very enjoyable day. KILLARNEY SOUTH COMMUNITY GAMES

ATHLETICS: County Finals. The county athletics finals were held in Castleisland, in excellent conditions for athletics last weekend. This event culminates the efforts of all the best young talent in an annual athletics event held in the county. Killarney south had a large representation this year for the event. Our area produced eight medals in total, 3 gold, 3 silver, 3 certificates. Our athletes had a thoroughly enjoyable weekend and many will have succumbed to the 'athletics bug'.

INDIVIDUAL EVENTS: Hurdlers Jack Greaney and Emma O'Sullivan, secured their places for the Nationals with respective wins in U14 80MH and U10 60MH. Robbie Hartnett had a great fling in the ball throw to take the silver medal with 47M. Teddy Muldoon performed very well through the 200m U12 and was rewarded with silver in the final. Conor Gammell placed

4th in a hotly contested U12 100m final. Aaron O'Sullivan came 4th in U14 80MH and Jason Lee came 4th in U14 Shot. Others to make finals were Colin Looney, Karl McCarthy, Jason Lee, Aoibhinn Evans, Mark Cooper, and Elizabeth Moloney. There were many other great performances by athletes, too numerous to mention who failed to reach the finals.

RELAYS: The under 12 boys relay (Karl McCarthy, Conor Gammell, Alex Hennigan, Teddy Muldoon, Robbie Hartnett and Daragh Looney) for Killarney South gave a great team effort to win gold. The under 13 mixed relay (Holly Spellman, Ellen Moloney, Aoibhinn Evans, Jason Lee and Aaron O'Sullivan) secured the silver medal. Our Under 10 mixed relay did not make the final but gained experience for the future.

All winners will now go to compete in the national finals in Athlone in late August. The writer wishes all competitors maith sibh ag an deireadh seachtaine.

WHY IS A RATHMORE & DISTRICT CREDIT UNION CAR LOAN BETTER?

When it comes to financing the purchase of a car, many people simply look for the lowest rate on offer and believe it to be the best option. Headline rates may attract the most attention, but the devil is very much in the detail. Many 'car finance loans' offered by garages and some banks are actually hire purchase agreements.

The main difference between using a personal loan and a hire purchase agreement to buy a car is that with a personal loan you borrow money, pay for your car, and own it immediately. With a hire purchase agreement, you don't own the car until you make the final repayment. This means you cannot sell the car if you run into problems making your repayments. Thankfully, a car loan from your local credit union is much more straight forward. Kieran Crowley, Rathmore & District Credit Union said "You borrow the money from us, pay for the car and you own the car immediately. You agree a repayment schedule with us. If you run into difficulty, you can talk to us to see if you can come to an agreement on the repayment terms. Should you be in the happy position of being able to repay the loan early, you may do so without any penalty charges."

So if you're thinking about your options for financing a car purchase, look no further than Rathmore & District Credit Union.

For further information please contact Rathmore & District Credit Union on 064 7758328.

The demand for the 162 car registrations is now in full swing. Killarney Credit Union are stressing the importance of knowing what the main car finance options such as hire purchase. The main difference between using a personal loan and a hire purchase agreement to buy a car is that with a personal loan you borrow money, pay for your car, and own it immediately. With a hire purchase agreement, you don't own the car until you make the final repayment. This means you cannot sell the car if you run into problems making your repayments.

Helen Courtney Power, Business Development Officer "Watch out for the range of additional fees and charges which you may incur as part of a hire purchase agreement. This would include a documentation fee (for setting up the agreement) and completion fee (a fee charged to end the agreement and pass ownership to the car purchaser). If you run into difficulty in meeting the terms of the hire purchase agreement, you may be charged a penalty fee for missed repayments, a rescheduling fee (if you need to change the terms of the agreement) and a higher rate of interest may be charged on any repayments which you missed" she concluded. Thankfully, a car loan from your local credit union is much more straight forward.

Helen added "You borrow the money from us, pay for the car and you own the car immediately. You agree a repayment schedule with us. If you run into difficulty, you can talk to us to see if you can come to an agreement on the repayment terms. Should you be in the happy position of being able to repay the loan early, you may do so without any penalty charges. Having arranged finance with your local credit union in advance of going shopping for a car also puts you in a stronger position. It helps to know exactly how much you have to spend and because you are not going cap-in-hand to the dealer, you are effectively a cash buyer and you may be able to negotiate a better deal". So if you're thinking about your options for financing a car purchase, look no further than Killarney Credit Union with branches at Beech Road, Park Road and Kenmare.

BASIC CAR CHECKS

HERE'S A SIMPLE WAY TO REMEMBER WHAT TO CHECK.

Rain or shine, it pays to give the car a good check over every couple of weeks – you could prevent a breakdown and perhaps a large, unwelcome bill.

FUEL Top up when you pass a filling station rather than delay looking for one until the fuel light comes on – particularly if you're driving in an unfamiliar area.

LIGHTS Clean all exterior lights regularly and check for blown bulbs and cracks in the lens.

OIL Cars can consume as much as a litre of oil every 1,000 miles. Check the oil level regularly (your handbook will show you how). Don't wait for the red oil pressure warning light to come on – engine damage may already have occurred by then.

WATER Overheating is a common cause of breakdowns, especially in hotter weather. Check the coolant level regularly (the handbook will show you how) and if the level always seems low, check for leakages. Top up the windscreen washer fluid too.

ELECTRICS Battery problems are the number one cause of breakdowns at any time of year. Renew an old, tired battery before it lets you down. Also make sure that your electric radiator cooling fan starts running when the engine gets hot – you can check this by running the engine with the car stationary.

RUBBER Incorrectly inflated tyres are not only unsafe, they wear out faster and can increase fuel consumption by around 5%. If you're driving with extra passengers or luggage, remember to increase your tyre pressure accordingly (see your handbook).

IS YOUR CHILD SAFE IN YOUR CAR?

4 IN 5 SEATS FITTED INCORRECTLY

Parents in Kerry are being urged to have their child's car seat checked as research from the Road Safety Authority (RSA) indicates that as many as 4 out of 5 child car seats are incorrectly fitted. The RSA 'Check it Fits' service will be visiting locations across Kerry between the 7th and 10th of July where child car seat installation experts will be available to ensure car seats and restraints are correctly fitted. The service takes between 10-15 minutes, is free of charge and offers parents and guardians reassurance that their child is safe while travelling in the car. Since 'Check it Fits' began in October 2013, the RSA service has checked over 8,000 child car seats and restraints across Ireland. Of these, 82% required some adjustment. Worryingly, 75% of seats required a major adjustment, of which 4% were deemed not fit for purpose and condemned, meaning they have the potential to cause injury or even death in the event of a collision. If your child's car seat or restraint is incorrectly fitted, the 'Check it Fits' experts will advise on how to fix the problem, demonstrate how to fit the restraint correctly and answer

any queries participants might have to avoid potential serious or fatal injury in the event of a collision.

Aisling Leonard, Senior Road Safety Promotion Officer for the RSA commented "Almost 2 out of 5 children killed are passengers and Garda reports into collisions indicate that 1 in 10 children were not wearing a seatbelt or using a child restraint in 2014. More recent statistics have shown an increase in child passenger fatalities on the road. The reality is that if a child's car seat isn't fitted correctly, it could lead to a serious or fatal injury in the event of a collision. Having a correctly fitted car seat is a simple measure parents, grandparents and guardians can take to ensure children are safe while travelling by car."

Moyagh Murdock, CEO of the RSA, while speaking about the service said "The RSA 'Check it Fits' service is there to provide professional, trustworthy advice to parents and guardians around child car seat safety. Parents all over the country are availing of this service to get practical advice and expert fitting of their car seats. We would advise all parents to ensure that when they buy a new car seat, that they get the seat fitted by an expert. We would also

advise that parents to check the label on their car seat to make sure it's appropriate for your child's age, weight and height, to make sure your seat is firmly installed in the car, and to always ensure that your child's harness is fitted snugly for every trip. Coming into the summer months you may need to tighten the harness as your children are wearing lighter clothes."

DRIVER DISTRACTION

Driver distraction is a diversion of attention away from activities critical for safe driving toward a competing activity. A distraction can often occur simultaneously – at times resulting in a complete loss of control. Distraction can be visual, manual and cognitive.

Based on international evidence it is estimated that driver distraction could play a role in 20-30% of all road collisions in this country. This means that driver distraction could be a contributory factor in over 1,400 fatal and injury collisions annually.

CHILD DISTRACTION

The two biggest distractions for drivers in Ireland are the mobile and children. But did you know that child distraction could be the more lethal? According to researchers at Monash University in Australia they are 12 times more

distracting to a driver than talking on a mobile. The study also found that on average a parent takes their eyes off the road for three minutes and 22 seconds during a 16-minute trip. The most common types of distractions that children cause include the driver turning to look at the child or watching the goings on in the back seat in the rear-view mirror, engaging in conversation with the child, leaning into the back to help or pacify the child and even playing with the child.

This was the subject of two ads from of the RSA on the subject of driver distraction over the Summer of 2015. The first ad deals with child distraction and is entitled 'Looking Back'. (A second ad will follow later in the summer and deals with the issue of mobile phone distraction).

In the 40 second ad we see a woman looking back, over the duration of her entire life. She's

looking back with regret at something that happened many years ago. By the end of the advertisement, we see what this event was. The moment she looked back in a very concrete sense – looking back to her child while she was driving. We cut before she crashes into an oncoming car and loses this child forever.

We end with the message: Don't lose a lifetime looking back. Never let a child take your focus off the road. Pull over if you have to.

The cost is too high to take your focus off the road to look at your child for even one second.

We're asking drivers to give the road all of their focus, and if they need to, pull over.

There was no jackpot winner and the €40 consolation prize winners were Margaret Mclellan, Ardshanavooley, Eilish Spillane, Culleenymore Beauyfort, Martin Hallissey, Ards Fossa, Kate O'Leary, Barleymount West and Jerry O'Brien, 4 O' Kelly's Villas. Next weeks jackpot will be €8,100. Tickets are on sale at The Golden Nuggett Bar, The Castlerosse Leisure Centre, The Travel Inn, The Old Killarney Inn, Foley's Spar Shop, The Laurels Bar and Committee members.

SENIORS: Our seniors were in action away to Ballymac on Saturday evening in the County League where they maintained their 100% record with an impressive win. Ballymac opened the scoring and it took Fossa eight minutes to register their first score with a Tadgh O'Shea point, Donald O'Sullivan kicked another on 12 minutes and from there on Fossa took control of the game. Fintan Coffey and Matthew Rennie won a lot of high ball around the middle third and Mark Dennehy won every breaking ball going in this sector, this allowed a plentiful supply to our forwards. Tadgh O'Shea, Donald O'Sullivan and the irrepressible Paudie Clifford kicked some wonderful points after great teamwork by the other forwards, however we didn't have it all our own way as Colin Myers and Paddy Sheehan did brilliantly to prevent a Ballymac goal on a couple of occasions. Fossa lead 0-08 to 0-04 at half time. Again Ballymac started the second half brightly before Donald O'Sullivan and Matt Rennie settled Fossa with points, then on the 14th minute Lorcan Daly crashed home a brilliant goal after a great move which was followed on the 20th minute by another goal, this time from Paudie Clifford who gave the Ballymac goalkeeper no chance with a shot from 14 yards out. Ballymac did get a goal back but Fossa finished strong with a fine point from Fintan Coffey and Paudie

Clifford completed the scoring to leave Fossa winners, 2-12 to 1-10. This was another great team performance with all the players working hard for each other, the only negative was that Lorcan Daly picked up an ankle injury, he had an brilliant game where his fitness allowed him to cover every blade of grass so we hope he makes a speedy recovery. They are at home to Scartaglin next Saturday evening in Round 5 of the County league at 7.30pm.

BOYS U12 COUNTY LEAGUE DIV 1A & 1B: Our final game in division 1 of the county league saw Fossa blacks lose to a strong Ardrey team. On the night both teams contested a thrilling first half, Fossa going in a point ahead. In the second half we failed to score when the chances arose. Well done to all the boys for the effort they have put in for the last few months. A special mention to Cian Doyle who has been superb in every game. Final score Ardrey 3-10 Fossa 3-5. In their final game Fossa reds lost to Ardrey but still finished a very creditable 2nd in the division. Well done to all the boys and their mentors. Final score Ardrey 4-8 Fossa 1-8

LADIES FOOTBALL U-12: Continued success for these wonderful girls this week in RD 4 of the County League. The Fossa girls travelled to Glenflesk and played great football from the outset. They were up well at half time. Glenflesk came into the game in the second half and midfield was proving a great battle. Amy Coffey scored a hatrick of goals and Fossa won with a full time score of 3-10 to 1-7.

Fossa are now leading the table with 4 consecutive wins. Next up is home advantage to Miltown-Listry.

COMMUNITY GAMES: We had a great day out in Castleisland and well done to all our fantastic athletes who competed well in the Community Games County finals. Huge congratulations to our Gold medal winners in the U-12 relay team: Abigail Murphy, Melissa Ahern, Bianca Lejwoda,

Alicia Burke, Rachel Wallace and Alison Butler. Abigail Murphy ran a fantastic 600m to bring home a well deserved silver medal. Peter O'Sullivan also ran a fantastic 200m U-16 final to bring home another well deserved silver medal for Fossa.

CONGRATULATIONS: Congrats and well done to the Kerry U-14 ladies who beat Galway in the All-Ireland semifinal on a scoreline of 2-8 to 10 points. Well done to Fossa's Maud Kelly and Sara Sheehan who were involved in this victory and they now prepare for an All-Ireland Final where they hope to secure another title for Kerry. Also well done to Jack Clifford who was part of the Kerry Primary school team that played Clare at half time in the Fitzgerald Stadium on Sunday, Jack capped a fine performance with a cracking goal to secure a victory for Kerry.

FOSSA/TWO MILE MUSIC SESSION: Come along to a music session for young musicians in the Travel Inn Fossa on Saturday 18th June 5 - 6 pm. This is very much a fun session where emphasis is on playing music for enjoyment. All ages and abilities welcome. Further details from Tim 087 241 3116 Eileen 087 628 4053.

FUNDRAISER: The Friends of University Hospital Kerry are fundraising for equipment for the Hospital. The Annual Greyhound meeting has raised well over €1 million since 1990. The generosity of the people of Kerry has provided much needed equipment for the hospital. This year the money will be used to buy a specialised ultrasound machine for use in the Obstetrics Department. This will allow close monitoring of the foetus to ensure a healthy baby is born. This years meeting will be held on Friday 8th July, 2016, in the Greyhound Track in Tralee. If you would like to donate to the fund you can do so by:

1. Placing an advertisement in the Race Programme (1/4 page €25;

2. 1/2 page €50, full page €100)

Nominating a dog (€20 per dog, there for €50). Nominators gain entry to the track, are listed in the Race Programme and enter a draw for €300.

3. Buying a ticket (or tickets) for the meeting at €5 each and enter a draw (1st prize €300, 2nd prize €100). Making a direct donation.

We hope you can help in some way.

Tickets available in usual outlets in Rathmore or 0876676817,

KILCUMMIN NEWS

HELP ANTHONY MORRIS FIGHT CHRONIC LYME DISEASE:

On Friday the 17th of June a 5k & 10k walk will take place to "Help Anthony Morris Fight Chronic Lyme Disease"! The walk is being organised by the Morris Family with the support of Gallivan Murphy Hooper Dolan, the GAA and other sporting organisations including Flesk Gun Club. All monies raised will go towards Anthony's vital treatment for Chronic Lyme Disease. The 17th of June will mark one month into the nine month stay since Anthony has begun his treatment in Washington DC. Since being confirmed with contracting the disease, after being sick and misdiagnosed for the past eight years this will be first time Anthony has a treatment option that will significantly improve his quality of life. A once very strong, fit and active man and a tough former Kerry footballer he is now a shadow of his former self, weak, in constant pain and suffering neurological symptoms affecting his memory, speech and general mental sharpness. It is now attacking his brain, his spinal fluid, his nervous system, his heart and his liver. People can follow Anthony's story on facebook "Help Anthony Morris Fight Lyme Disease" and on www.yourcaring.com/anthony-morris-533010. Registration will begin from 6.30pm in the Liebherr car park from there it will proceed into the Killarney Golf and Fishing Club through the golf course and into the Killarney National Park. The 5k route will proceed up by the Castlerosse Golf Club and back out the new Fossa way, anyone looking to continue the 10k will continue to Deenagh Lodge, out past the playground and onto the new Fossa way finishing up back at Liebherr car park. People wishing to fill in sponsorship cards can contact a member of the Morris family or Jim on 086 0893466. There is no charge for participating in the walk however all donations will go straight to helping Anthony on his long journey ahead. The Morris family look forward to welcoming and walking with you on the evening.

All welcome **KILCUMMIN GAA: SENIOR FOOTBALL CO LEAGUE KILCUMMIN 0-7 DINGLE 1-9.** Despite missing a number of regulars our players performed with honesty and commitment and despite losing in the end by five points gave a very credible performance. A number of young players took responsibility, defended well and put together some good moves. Although the scoring was low on the night some of our scores were excellent efforts. A wholehearted team effort but special mention of Michael O'Neill, William Maher, Noel Duggan and Oscar O'Connor on the night. Next game is away to Milltown/ Castlemaine this coming week-end.

If you receive a voucher in Dalys please put it in the Kilcummin box behind the checkouts.

2016 COMMUNITY GAMES: An Ríocht track in Castleisland was the venue on Saturday and Sunday last for the 2016 County Athletics Finals and Kilcummin were well represented with an excellent turnout. Competitors Clíodhna Sweeney and Kieran Nagle carried the Kilcummin banner in the opening parade before a big attendance. Following this opening ceremony the main events got underway. First in action were our U8 girls with Emma O'Donoghue & Kate Rahilly running well. In the U8 boys Jack Teahan competed in the 60m with a particularly large attendance in this race. Rory O'Connor also excelled in this age group, showing much promise for years ahead in qualifying for the quarter finals.

We had many runners in the U10 age group with Clíodhna Sweeney, Sadhbh Teahan and Dan Rahilly running strongly in the 100m race U10. Kieran Nagle performed superbly to progress through the heats and quarter finals

in this race. An excellent run in the semi finals saw Kieran finishing 5th. Ava Grace Moynihan also performed well in the 200m U10. In the U8 category Cillian O'Leary performed superbly coming second in his heat and qualifying in his quarter final on Saturday evening for Sundays semi-final. Here another strong run saw Cillian qualify for the U8 60m final where he finished 5th in an outstanding display. On to the U12s where in the 100m Aimee Sexton stormed through her heat and only lost out narrowly in the quarter final on Saturday evening in what was a very competitive event. In the 600m event Ewan Evans ran well in the boys race while in the U12 girls race Olwyn Evans, Molly O'Connor and Saoirse Sweeney also performed well. When it comes to the U14 age group the athletes usually peter out, however this year proved different with Kilcummin having a few boys in this category. In the sprint event Turlough O'Connor put in a strong performance while we had two boys taking part in the 800m event. Micheál Sweeney and Cian Foley both had to be at their best and so they were and Kilcummin had two runners through to Sundays final where excellent performances saw Cian finish 6th and Micheál 9th in a very strong field. The relay events are always hugely entertaining and an exciting team event to watch. Kilcummin had 3 relay teams prepared and were well up for this following good training over the previous weeks. In the U10 mixed relay Clíodhna Sweeney started her team off well, passing to Sadhbh Teahan, then Dan Rahilly and finally Kieran Nagle. This team progressed to the semi final on Sunday and these four individually talented athletes gave their all but lost out narrowly on a final place. The boys U14 relay came in 6th in the final in a tough event. Micheal Sweeney, Dara O'Callaghan, Cian Foley and Turlough O'Connor all put in terrific runs to come home in sixth position. Our U12 girls team of Aimee Sexton, Molly O'Connor, Saoirse Sweeney & Olwyn Evans also performed well. Though there were no medals, Community Games is all about the participation so take a bow to all our young athletes who put their toe to the line in their Kilcummin singlets and did their parish proud. Well done to all the athletes and to the proud parents that came to support them. Thanks to Eimear Foley who trained the young runners individually and in their respective relay teams over the past few weeks. Finally thanks to Dave O'Leary and all at Kilbreen Park for making their facilities available for training.

A WORD OF VICTORY

Welcome back dear reader many years ago I was standing at the side of a very busy road talking to a neighbour. A car stopped and the driver, a tourist, asked for directions to Mallow. My neighbour told him to keep straight ahead which was the exact opposite way! The driver thanked him for the information and drove on believing he had been told the truth and given the correct directions. I asked him why he had done that – he just laughed and said “that’s his problem”. I was shocked. It’s very disappointing to find that you are going in the wrong direction, and many is the time when I’ve taken a journey and had to stop to ask the way. Life is like that - from the moment we are born into this world we are on a life journey and the destination is Heaven. As bad as it is driving your car in the wrong direction after getting false directions, it’s much more serious thinking that you are okay and one day reaching the ultimate destination Heaven – only to be told by Jesus “depart from me, I never knew you” (Matthew 7:21-23). Not everyone who says Lord, Lord shall enter the Kingdom of God so it’s most important to enquire of the One Who knows the right road, and His name is Jesus. Jesus said “ask and it will be given; seek and you will find, knock and the door will be opened unto you” (Matthew 7:7-8). Jesus is knocking on the door of our hearts wanting to guide us in His direction, the problem is the handle is on the inside of our heart and we have to open the door and allow Him to enter (Revelation 3:20). Why not do it right now friend? Say ‘Lord Jesus I open the door of my heart to you and I invite you into my life to take over, You are my Lord and my Saviour. Amen. Jesus is the Way and He will not send you astray! More next week....
