FROM THE EDITOR

In a week which saw Kerry Mountain Rescue Team and Rescue 115 tasked to Carrantoohil yet again, we take a look at the situation for the volunteers that risk their lives for others.

While the sun didn't shine on Sunflower Day, the charity did raise an amazing €8,500, the 235th Annual Killarney Regatta has been launched and a much loved member of An Garda Síochána will be remembered at the Annual Schools Blitz.

Hundreds flocked to St. Anthony's Novena in The Friary, Killarney is preparing to host Citizenship Ceremonies on Monday and a young Glenflesk tin whistle player has won gold.

Our athletes are winning on the International stage, Kerry Ladies see off Galway and plans are afoot for the All Ireland Senior Football Semi Finals.

With the promise of good weather.... enjoy your weekend!

OVER €8,500 RAISED ON KERRY HOSPICE SUNFLOWER DAY

The lack of sunshine for the Sunflower Day fundraising event ran by Killarney Branch, Kerry Hospice was more than compensated for by the support of the local community who donated a massive €8,548 to Kerry Hospice Foundation. "Many of those donors will have or had a family member with a life limiting illness who benefited from the services of Kerry Hospice. Their appreciation of the great care and empathy shown to their loved ones is often reflected in the extent of their donation. We are most grateful to all who support our fundraising events", said Pat Doolan, Branch Chairperson told Killarney Outlook. Those services are provided at the In-patient Unit and Day Care Centre at UHK and, also, through the Homecare Nursing Service in conjunction with the HSE. Kerry Hospice Foundation was founded in 1990 by a group of people who saw the need for such a service. The people of Kerry have benefited from their foresight in the intervening years and, will do so into the future.

SENTIMENTAL WIN FOR CARMEL IN KILLARNEY OUTLOOK COMPETITION

A stunning image of Plunkett Street captured by photographer Chris O'Sullivan is now adorning the wall at the home of Carmel McCarthy Looney in Killarney.

Carmel won the print in a recent Killarney Outlook/ Chris O'Sullivan Photography competition.

"It is a very sentimental win for me", Carmel told Killarney Outlook. "I worked for 14 years at Killarney Hardware on Plunkett Street with Mary-Ann Hartnett, so winning this print is very special for me", Carmel added.

Chris O'Sullivan became interested in photography during lockdown when he bought my first camera and has honed his skill, both capturing some amazing shots around the county, but also digitally enhancing old photos.

Chris also provides custom made Sports Canvas prints which are ideal for Birthdays, Sports Retirements or Presentations. You can check Chris out on his facebook page Chris O'Sullivan Photography.

Paudie to be remembered

AS NATIONAL SCHOOLS BLITZ RECEIVE A NEW CUP

Members of An Garda Síochána were joined by Sean O'Sullivan, sponsor of the new Corn na nÓg cup, sponsors of the tournament and students and teachers of the schools involved.

Paudie Twohig will be remembered at Monday's tournament

The memory of a much loved member of An Garda Síochána will be honoured at the annual National School Blitz which is set to take place after a hiatus of three years following the pandemic.

Paudie Twohig passed away last year and his involvement with the tournament will be honoured on Monday next at the Fitzgerald Stadium.

"Paudie was very involved in the tournament from the organisation side of things to refing games", Garda Eddie Walsh, organiser of the event told Killarney Outlook

This year there will be a new cup for the winners. The late Tadhg O'Sullivan's family is delighted to present Corn na nÓg to honour Tadhg's commitment to the promotion of Gaelic football in primary schools. This perpetual trophy will go to the winners of the Killarney Garda National Schools Blitz. In 1954, Tadhg founded the first national schools' competition in East Kerry. The Killarney Garda National Schools Blitz carries on that tradition.

Tadhg, from Knockragh, always felt indebted to Gaelic football. As a young lad he was extremely shy, but found he was good at football. This gave him the confidence to take on life's many challenges.

Tadhg O'Suilleabhain

In 1935, at the age of 20, he was selected to play for Dublin in the Leinster Championship while a student in St Patrick's Teacher Training College, Dublin.

The following year he played at right half-back on the Kerry team that played Mayo for the prestigious opening of the Fitzgerald Stadium in Killarney, lining out alongside such Kerry greats as Danno Keffe, Murt Kelly and JJ Landers.

1936 also saw him winning a Senior Munster Championship medal. Kerry lost the All-Ireland semi-final to the Mayo team that went on to claim Mayo's first All-Ireland.

Tadhg returned to Kerry in 1953, as Principal of Lissivigeen National School. In 1954 he established the first national schools' competition for young footballers in East Kerry. The rural schools in Killarney Parish (Lissivigeen, Tiernaboul, Loughguittane and Loreto National Schools), combined successfully as Naomh Muire with Tadhg as trainer.

The East Kerry teams that won the first All-Ireland club championship in 1971, as well as four Kerry County Championships, all had players that started out in that schools' competition. In 1963, Tadhg, together with founding members of the Club, revitalised the Spa GAA Club, which had become dormant a few short years after its founding in 1948. The initial focus was on juvenile and minor teams.

Tadhg trained the Spa team that won the O'Donoghue Cup in 1966, their first year as a senior side.

As well as training the team to further O'Donoghue Cup successes, Tadhg was Club Chairman from 1966 to 1982. He was instrumental in the Club

acquiring its own grounds in Tullig in 1974.

Today, Spa is thriving, catering for players of all ages. It is one of only eight senior clubs in Kerry.

Presenting the trophy, the O'Sullivan family, represented by Sean said, "We are very grateful to the Killarney Gardaí who initiated and organise the Garda National Schools Blitz and who have welcomed this trophy to honour Tadhg's work with schools' football. We are delighted to see the national schools' competition thriving. We know that Tadhg would be immensely proud to be associated with this competition."

Ní bheidh a leithéid arís ann.

The Killarney Garda National School 7 A Side takes place on Monday 20th June at 9.30am. Schools involved include Faha, Coolick, Loreto, Barraduff, Glenbeigh, Kilummin, Fossa, Monastery, Duagh, Gaelscoil Faithleann, Lissivigeen, Boherbue, Kenmare, Loughguittane, Cullina, Rathmore, St. Olivers and Kimurry.

"I would like to thank the sponsors of the tournament, Tom Spillane, Auctioneers, Daly's SuperValu, McCarthy Londis, Rathmore and the Kerry County Board", Organiser Garda Eddie Walsh told Killarney Outlook.

Killarney falls to midtable in IBAL litter rankings

The latest survey by Irish Business Against Litter shows Killarney retaining its Clean status, 22nd spots in the ranking of 40 towns and cities. Killarney was previously in 13th position. The study reveals PPE litter is on the decrease, but the prevalence of coffee cups on our streets warrants action such as a levy, says IBAL. 2022 marks the 20th year of the IBAL litter surveys.

The An Taisce report for Killarney stated:

A consistently strong performing town: as the main tourist season kicks in there were no heavily littered sites in Killarney. Examples of top ranking sites were N22 Tralee Approach Road, the residential area of Pinewood Estate and Beech Road Car Park – this was particularly well presented and maintained. With a little extra effort, a couple of sites could easily get the top litter grade e.g., Main Street and New Street.

Reacting to the report, Niall Kelleher, President, Killarney Chamber of Tourism and Commerce said that while Killarney has been declared Clean to European Norms in the latest Irish Business Against Litter (IBAL) League, it is nevertheless disappointing that the town has slipped from 13th place to 22nd in the overall rankings and, clearly, there is a need for everybody to make an extra effort in relation to litter control.

It is noted that the adjudicators concluded that several sites surveyed very narrowly missed out on receiving the top grade so it is clear that there is not a huge amount of effort required

to tackle the few niggling problems that have been presented.

It is obvious that Killarney, in some ways, has become a victim of its own success as the enormous surge in visitor numbers since the pandemic restrictions have been lifted has created massive footfall on the streets and, unfortunately, when more people gather, there is always a greater risk of an increase in litter.

Having said that, there is clearly a need for action and the Killarney Chamber of Tourism and Commerce is ready and willing to work in unison with the Killarney Municipal District Council and the Killarney Looking Good Committee to address the problems highlighted by the IBAL judges.

While there is merit in asking people to bring their litter home with them, to ensure it is disposed of properly, we must all remain realistic and realise that not everybody will adhere to that request. It is important, therefore, that a sufficient number of litter bins are provided on the streets and approach roads to give people the opportunity to discard of their rubbish in a responsible manner.

The possibility of introducing a levy in respect of disposable coffee cups, as recommended by the IBAL adjudicators, should certainly be explored. Chamber is aware that some outlets in Killarney already have a cup return incentive in place but we would encourage others to follow suit.

In the meantime, an urgent course of action is required to tackle the problems associated

with the careless disposal of cigarette butts which has been highlighted, in no uncertain terms, by IBAL.

That might involve encouraging businesses to provide more suitable methods for their customers to dispose of cigarettes butts or encouraging Killarney Municipal District Council to increase its efforts to keep the streets litter free.

Everybody in Killarney will remember the magnificent contribution made by local man Dermot O'Connor who was a key part of a team that kept the streets litter free on his daily patrol prior to his retirement in 2020. It might take more than one man to replace Dermot but if that is what is required, then so be it and the council needs to act without delay.

When it comes to personal responsibility in relation to litter control, education is key but, unfortunately, it would appear that many people are slow learners in that regard so the necessary resources to keep Killarney looking its best must be provided.

Killarney Looking Good and Tidy Towns volunteers will do what they can but, ultimately, the responsibility for keeping the streets litter free remains with the municipal authority.

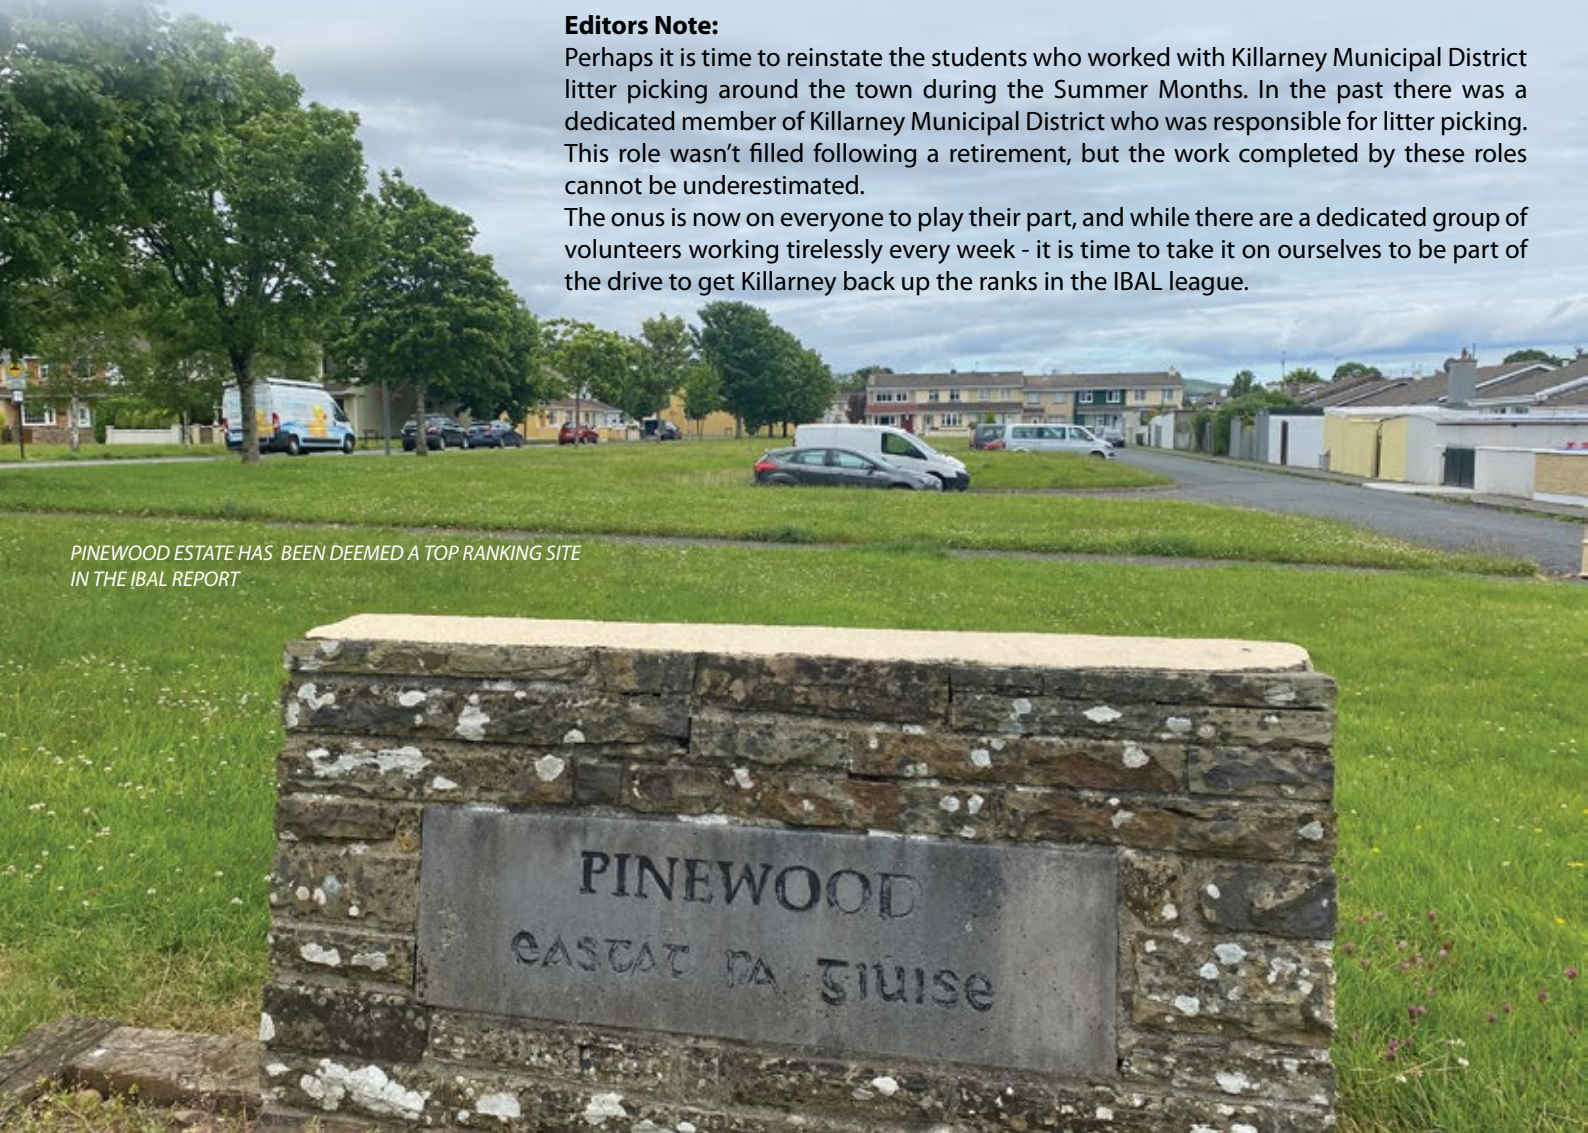

It is important to stress that outdoor staff supervisor Noel O'Leary and his crew are doing magnificent work but Killarney, as the country's premier tourist town, needs realistic resources if it is to maintain the standards expected of it.

Editors Note:

Perhaps it is time to reinstate the students who worked with Killarney Municipal District litter picking around the town during the Summer Months. In the past there was a dedicated member of Killarney Municipal District who was responsible for litter picking. This role wasn't filled following a retirement, but the work completed by these roles cannot be underestimated.

The onus is now on everyone to play their part, and while there are a dedicated group of volunteers working tirelessly every week - it is time to take it on ourselves to be part of the drive to get Killarney back up the ranks in the IBAL league.

It's the talk of the town...

With Anne Lucey

Anne Lucey looks at the positive news happening in the town of Killarney

"INDUSTRIAL SCALE" OF WALKERS NOW TAKING ON CARRAUNTOOHIL AS RESCUES INCREASE

That five people became cragfast or stranded on one of the most difficult ways up Carrauntoohil is not surprising. But that they appear to have started out on the Howling Ridge at 4 pm - from eye reports by other climbers - is jaw dropping.

I hope the two females and three males who drove to the foot of the mountain on Sunday afternoon and safely made their way on Monday made a hefty contribution to Kerry Mountain Rescue Team. These selfless volunteers of KMRT had to worry about them overnight and then get up at 6 am Monday and rope the adventurers to the summit and walk them back to their cars. And we are not even talking about the cost of calling out the helicopter.

But there is a wider and serious question being raised. Gerry Christie of KMRT referred to the "industrial scale" of walkers now on the Carrauntoohil and of the traffic jams on Saturday alone.

The straight talking and highly respected Patricia Deane is the manager of the MacGillycuddy's Reeks conservation project which has scooped an international award. On any given day you can have 600 people up Carrauntoohil, according to Patricia who works closely with the Reeks farmers. These "fragile" and precious environments, with

slow growth and high rainfall are coming down now with "footfall" and will be severely damaged for generations to come, she says.

I have witnessed this with my own eyes in our 35 years on Mangerton Mountain.

What was a green pasture land when we moved here, has become a steep shoulder high trench worn to the bare rock. In winter now, water gushes down in a new river bed eroding bogland mountain and road.

Our uplands - which by the way are privately owned - are protected areas, or are meant to be, but they are regarded as "free" pleasure grounds to be enjoyed at no cost, Patricia observes. And that raises the issue of "spending a penny" - in more ways than one.

I have heard calls for more car parks for climbers which is the last thing we need. Incredibly, no one is calling for what is most needed: toilet facilities. 238,000 people went up Carrauntoohil in 2018, according to just three counters. This year will break all records, Patricia Deane expects. Now it takes up to four hours of hard climbing and strenuous effort to get to the top alone.

Are we to believe that hill walkers have "grown so great" to paraphrase Brutus, they are spared human needs until they get back down the mountain and drive to the nearest hotel? That's

Tim Long, Dan Daly and Eamonn O'Connor, on Howling Ridge - The most spectacular multi-pitch mountaineering routes in Ireland where five climbers were rescued earlier this week. Photo: Valerie O'Sullivan

eight hours and more without going. In fact, the outdoor toilet situation on Carrauntoohil is disgusting, I am told.

In any case, I can speak for my own doorstep and the queues behind the few "scaechs" on Mangerton have to be seen to be believed.

We urgently need our local authority and tourism representatives to look under the fur coat of constant marketing and start building hygiene facilities.

Or could we have a campaign to encourage our hundreds of thousands upland adventurers in Kerry to carry a scoop bag and bring it home?

Sky's the limit on Kerry Dublin route

There is good news on the airways! Apparently the Dublin Kerry and Kerry Dublin runs are well up even on pre-Covid days. This is despite the withdrawal of the PSO subsidized flights.

The collapse of Stobart Air in June 2021, (operating the Public Service Obligation (PSO) on behalf of Aer Lingus) led to the withdrawal of the Government/EU subsidies).

However in the 12 months to the end of May of this year numbers on the Ryanair Kerry to Dublin run were up 27 %, the airport said.

More attractive pricing - cheaper than the set fares of 50 euro under the PSO - along with flight times suiting US passengers are given as the reason for the increase.

The flights to and from Kerry are to be had now for around 19.99 each way. This is a clear advantage for the airport and the airline over trains and tolls.

But the problem - as well as lack of airport security streamlining in Dublin - for Kerry people is the schedule or the times. Going up at 10.35 and not landing until after 11 am is often too late to catch a connection, not to mention to get a full day's work in Dublin. The flight back down is at

16.30 pm.

There is little that can be done except try to persuade Ryanair who are operating the route and they are the only show in town.

(Except the campaign mentioned last week to have just one check in at Kerry for those travelling on is even more urgent and needs to be continued).

Outside of Dublin and Shannon Airports in 2021, Kerry had the highest private jet aviation aircraft movements in the State, ferrying golfers and businessmen and women. Under EU Legislation once a commercial operator takes over a PSO route - no Government can financially support it, ceo of the airport, John Mulhern said.

"Although at different scheduled times of operation, Ryanair have made every effort to recover the route and recent passenger numbers exceed even the numbers experienced in 2019 when it was at its most successful," the ceo said, thanking Ryanair for their support and "great efforts to recover connectivity to our Region".

And we have to agree. But for Ryanair there would be few flights from Kerry.

DISAPPOINTMENT AT IBAL REPORT DESPITE GREAT EFFORTS

Such great efforts have been made in Killarney against litter by both volunteers and council staff, it is a little disappointing for all of us to see a drop in the town's performance in the recent IBAL litter survey from 13 cleanest to 22nd.

However it is worth mentioning how the opening remarks in the report by An Taisce which runs the survey for the business league. "A consistently strong performing town," is said of Killarney. As the main tourist season kicks in there were no heavily littered sites in Killarney, it added.

There were four grade As - Beech Road car park, New Market Lane, the N22 Tralee Road approach and Pinewood Estate.

Of Pinewood, it was noted "there was a virtual absence of litter".

However Upper Lewis Road was moderately littered and this was throughout. The type of litter on Lewis is worth mentioning (and I would bet it could be put down to jettison from cars)

"Examples of food related litter included fast-food wrappers,

plastic bottles, coffee cups, sweet wrappers. Alcohol cans and cigarette butts were also visible," the report states.

The Chamber of Commerce and Tourism are right to call attention to the disappointment to nip the problem in the bud and they are willing to work with all concerned. They are calling for a sufficient number of litter bins on the streets and approach roads to give people the opportunity to discard of their rubbish in a responsible manner along with cigarette disposal units outside premises.

2 TONNES OF LITTER COLLECTED IN KERRY FOR WORLD OCEAN DAY

Castlegregory Tidy Towns volunteers pictured

20 clean ups took place across Kerry beaches as volunteers answered Clean Coasts' call to action to protect our ocean this June.

Wednesday the 8th of June marked the global celebration of World Ocean Day, an initiative that highlights the important role the ocean has for our life and the planet.

This year, Irish environmental charity Clean Coasts joined forces with National Spring Clean for the second year running to provide volunteers and communities in Kerry with free clean up kits to host a clean-up in honour of World Ocean Day.

Statistics have shown that the number one cause of marine litter is litter dropped in towns and cities and getting involved in World Ocean Day was a great way for residents of non-coastal counties to help prevent litter entering our waterways by tackling the problem at the source.

Over 300 volunteers collected 2 tonnes of litter at the 20 clean-up events held both on land and by the Kerry coast to prevent litter pollution at the source to ensure it does not end up in the ocean.

PEDIGREE IN SPORT

By Nicky Barry

With teenage boys you never know, how they will turn out,

With distractions in their lives, as they knock about.

They can fall in with a bad crowd, and sometimes do things,

That you'd prefer they didn't do, for the hassle that it brings.

My boys discovered rowing, out on Killarney's lakes,

And like ducks to water, found they had what it takes.

I really wasn't too surprised, for their mother was a queen,

Who rowed with the Brendans, and for three years reigned supreme.

They won hat-trick Senior Sixes, at the annual regatta,
Beating all the local crews, including rivals Fossa.

Her two sons rowed with Muckross, and became serial winners,

Rowing all over Munster, on its leading lakes and rivers.

Roy won a national title, in which we took great pride,

And Ross rowed for Ireland, winning on the river Clyde.

They beat England, Wales and Scotland, which was no mean feat,

And Muckross folk regaled them, as international elite.

Recently we heard our grand daughter, had been picked for a crew,

In a club in Manchester, and Roy taught her what to do.

Rowing in a double scull, Niamh won the gold medal,

For you can't beat pedigree, in sport at any level!

POOL SHARK MATTHEW WINS ALL IRELAND JUNIOR CHAMPIONSHIP

Back row: John O'Brien (Tralee), David Kerins (Tralee), Nathan O'Brien (Tralee), Ryan Delaney (Ardfert),
Middle row: Nathan O'Leary (Tralee), Darragh Breen (Killarney), Richie Campbell (Killarney), Derry O'Sullivan (Killarney), Stephen Daly (Tralee), Aidan O'Sullivan (Rathmore), Tom Walsh (Killarney)
Front row: Matthew Maye (Killarney)

Killarney's Matthew Maye has won the All Ireland Junior Pool Championship. A fantastic achievement in a competitive field of over 300 players. Matthew battled through 8 rounds to take the Cup home. In round 2, he found himself trailing by 5 frames to nil and managed to turn it around and escape with a 6-5 victory. He won the final playing fantastic pool with a scoreline of 8-3 against an experienced Tyrone man, David McClements.

Matthew is only 20 years of age and only in recent months started to enter Pool Tournaments, taking a break from the snooker table which

All Ireland champion Matthew Maye

he would be more familiar with having learned the game from playing with his father in the Cue Club, Killarney with the late Danny McGough who was one of the finest amateur snooker players in the country who no doubt was looking down on him with great pride as he took the victory in the INEC Killarney. We have no doubt that Matthew will go on to bigger things in the game if he puts in the hard work and dedication that is required.

The Kerry B team also enjoyed success in reaching the All Ireland Junior Team finals. After victories over Westmeath, Wicklow, Limerick, they qualified to the quarter finals where they managed to scrape past Armagh by 14-13 to see them into the semi final against Galway. They beat Galway 14-9 in what was a fantastic performance. In the final, they lost out to a very strong Cork side by 14-6. It was a great achievement to reach the final in what was a lot of the players only first or second time competing at the All Ireland Championships. They were guided to the final by Captain Aidan O'Sullivan and Manager Tom Walsh who did a great job all week.

MAIRIN RELEASES DEBUT NOVEL

A book which was released, yesterday on June 16th to coincide with Bloomsday, the day depicted in James Joyce's novel *Ulysses* has been penned by a woman with strong Killarney connections.

Máirín Mc Sweeney, grew up in Killarney with her mum, Maura, who was a teacher at Killarney Community College, her father Ted who worked with the ESB and brother Donal. Máirín attended school at Holy

Cross Mercy and Loreto Convent Secondary School until she moved to Dublin at age 14 with her family. Máirín fell in love with Dublin which would become the subject of her debut novel *How We Mortals Blame The Gods*. She has had many varied careers from running her own interior architecture business, working on humanitarian projects in Gautemala and South Africa, to more recently becoming a teacher of English Literature in Geneva, Switzerland. She earned an MA in Creative Writing in the University of Cape Town, South Africa. An avid traveller, she currently lives on Lake Annecy in France.

ABOUT THE BOOK

The book is based in Dublin, it is June 16th, 2004, Dublin, Ireland. Centenary celebrations for James Joyce's *Ulysses* are in full flow.

A troubled boy is about to walk into the Bloomsday Centenary Concert, which is packed full of dignitaries, and blow himself up.

Inside the concert hall, the

lives of four unsuspecting people spin towards each other: Omar Wilde, a half-Egyptian/half-Irish journalist struggling with an ailing marriage; Flora Wilde, his headstrong Polish wife, haunted by the loss of their stillborn child; Kieran Lynch, a young actor playing the character of Stephen Dedalus on the streets of Dublin that day; and Bláithín O'Leary, an emotionally fragile young actress and drug addict who is dragged into a political scandal involving a cabinet minister who happens to be her father.

"I am so excited to be releasing the book", Máirín told Killarney Outlook. "It is a dream come true" she added.

How We Mortals Blame The Gods by Máirín Mc Sweeney is available to buy on Amazon from June 16th.

KILLARNEY TO HOST CITIZENSHIP CEREMONIES

Killarney will again host Citizenship Ceremonies on Monday the 20th of June 2022 at the INEC. The ceremony will be the first since March 2nd 2020 due to the pandemic.

Approximately 2,000 individuals will formally become Irish citizens on the day. Two ceremonies will take place over the course of the day. 4,000 people are expected to attend the event to celebrate with the recipients.

Killarney Gardaí are advising that complimentary shuttle buses will operate from the bus station and train station and a complimentary shuttle service will also operate from Scott's Street, all commencing at 8am.

Hotel, Guesthouse and Bed & Breakfast operators are asked to advise their guests (recipients) to use the shuttlebuses, as parking in the vicinity of the INEC, The Gleneagle Hotel and The Brehon Hotel will be limited.

"Traffic delays are anticipated therefore local traffic and attendees are asked to allow extra travel time", Dermot O'Connell Sergeant I/C Killarney Garda Station told Killarney Outlook.

Residents too are advised to allow extra time for journeys in and around Killarney in particular the Muckross Road on Monday 20th of June 2022. Residents of Mill Road are advised to expect an increase in traffic flow as recipients exit the INEC from 11.45am.

GROW YOUR BUSINESS HERE - WITH US!

Tricel Composites, part of the Tricel Group, has announced its latest acquisition. The Killarney company recently acquired MID GlassFibre Supplies Ltd into the Distribution Division.

Founded by Liam and Jacqueline Phelan, this company is well established and respected in the Irish market. It is strategically located in Dublin to complement our already solid position in distributing composite materials on the Island of Ireland. By acquiring a company specialising in marine and roofing, we further strengthen our presence in this industry. As part of the Group's growth strategy, this acquisition follows the recent acquisition of BioKube in Denmark and two acquisitions in the French market.

Commenting on the acquisition: Liam Phelan said: "We are delighted to have found the perfect partner in Tricel and to have the opportunity to further expand our operations within the Irish market."

As Sean Ward, Managing Director of Tricel Composites NI, said, "To accelerate our development in Ireland, we have chosen to partner with MID GlassFibre Supplies Ltd, a major player in distributing composite materials with whom we share a similar corporate culture. With this acquisition, the company significantly strengthens its technical capabilities and composite distribution business in Ireland."

Robbie Larkin, Head of Distribution, said: "This acquisition forms part of the distribution growth strategy to strengthen our position as industry leaders. We are delighted to welcome Liam and his team to the Tricel Group and look forward to growing this business over the coming years". Tricel is a family-run business started in 1973 by Anne Stack & Con Stack out of a small lane in Killarney. The company initially produced products from glass-reinforced plastics (GRP) for the local community. Through a comprehensive growth strategy throughout the '90s and '00s, the company expanded its exports, followed by several successful acquisitions to establish manufacturing facilities throughout the UK and Europe.

Tricel, led by the Stack family, offers market-leading solutions to over 50 countries. Markets that the company serves include storage tanks, pumps, sewage treatment tanks, construction products, and lubricant distribution.

Tricel Group, headquartered in Killarney, consists of 14 companies with six manufacturing facilities in Europe, and it employs more than 600 people at these locations. The company has grown domestically and internationally through local manufacturing, exports, distribution agreements with strong local partners, and selective acquisitions of companies that enhance its product capabilities and geographic reach.

As a result of its 50 years of successful operations, the company has established a leading position in wastewater and water storage markets. In the next five years, the company's roadmap for growth will continue to be based on two main pillars: Innovation & Sustainability.

AIRPORT RECOVERY GOOD NEWS FOR EVERYBODY

The news that Kerry Airport has made a remarkably steady recovery from the dramatic business slump associated with the pandemic is wonderful news for everybody in Kerry, Killarney Chamber of Tourism and Commerce has said.

In its annual report and accounts for the 12-month period ended 31 December 2021, the airport confirmed an operating profit, after taxation, of €2,439,515 which compares most favourably with the after taxation operating loss of €144,996 in the previous year.

The airport's board said gross revenue in 2021 reflects the recovery in

passenger numbers from a low of 82,959 in 2020 to 115,398 in 2021, complemented by a growth in the corporate and general aviation sector during the period.

Killarney Chamber of Tourism and Commerce President, Niall Kelleher, said huge credit is due to the airport's chief executive officer, John Mulhern, the board of directors and the staff for the great resilience and remarkable dedication they displayed during a very difficult period.

"What really sums up that commitment is confirmation that Kerry had the highest business aviation aircraft movement in the State outside of Dublin and Shannon in 2021. That just shows the extent of the effort made by the team in Farranfore and they all deserve great credit for that," Mr Kelleher said.

"For everybody involved in Kerry tourism – the lifeblood of the county – it is very heartening to learn that there is great confidence that the upward trend will continue and that passenger numbers in 2022 will increase significantly," he added.

The Chamber President said the next few years will be vital to enable the team at the airport to continue the steady recovery and he appealed to the Kerry public to use the facility as much as possible and to be loyal to the local service.

"For Kerry to prosper as a top tourist destination we need Kerry Airport to be successful and Killarney Chamber will certainly do everything in its power to promote and enhance this wonderful facility right on our doorstep," Mr Kelleher said.

The Chamber President said it is of great concern that, despite the great work of John Mulhern and his team, the Kerry-Dublin Public Service Obligation (PSO) was lost following the collapse of Stobart Air in 2021.

THERE IS STILL A LOT TO PLAY FOR AS THE STATE EXAMS ENTER THE HOME STRAIGHT

By Billy Ryle

As the state exams approach the end of the second week, many candidates have reached or are close to the end of the road. The optional subjects now take centre stage. As the number of candidates taking these subjects is considerably less than the number taking the compulsory subjects some exam centres will close early. Candidates from these centres will be relocated to a different centre for the remainder of the exam. The number of candidates in the school environment will also continue to decrease, so it's important for candidates who still have a job of work to do, not to feel left behind or become impatient to get over the finish line.

Normally in the final seven days, candidates will have one or two subjects from a standard seven left to do. However, it's not unknown for students to take an eight or even a ninth subject to complete a particular vocational grouping such as Business, Economics and Accounting. So, there is still a lot to play for. There are grades and points to be earned.

Candidates must guard against exam fatigue in the final weeks. The buzz of the early days is gone. There is less foot fall around the exam centres. Your remaining subjects are likely to be spaced out. These subjects have to be faced. They must be given priority between now and Tuesday week. Keep a lid on your impatience and stay in exam mode. You need to be as motivated, focussed and energetic as you were on the first exam day.

Eight of the fifteen exam days will have passed by this Friday evening. There are fourteen more subject sessions in the remaining seven days. The number of candidates taking these subjects will be much less than in the earlier days of the exam. However, candidates concerned must defer any post exam celebrations. In sporting

parlance, as Sir Alex Ferguson has so often reminded us, the game ends only with the final whistle. How right he is! Defeat has often been snatched from the jaws of victory by one untimely lapse in concentration.

The weekend provides an opportunity to recharge the batteries and to plan for next week. Enjoy some exercise and fresh air to prepare for the third week. A good work out will help you to sleep soundly, to build up stamina and endurance and to maintain your concentration for the last lap. Enjoy a few good nights' rest so that your mind and body are fully alert for the remaining papers. Organise your revision sessions for daylight hours. Don't burn the mid-night oil but go to bed early. Go over the tips and predictions for your remaining subjects. Resist the temptation to spend endless hours cramming course material. Scan your notes on the eve of any remaining paper so that the key concepts are fresh in your mind. Maintain your disciplined and organised approach over the remaining days. Avoid late night socialising with those who have finished the exam. Keep your distance from alcohol as you'll need a clear head and lots of energy for the task ahead. Eat well as good nutrition is important in week three to avoid energy loss. Keep your fluid levels high to avoid dehydration.

Candidates have performed very well during the past fortnight. Keep up the good work and bring your exam to a successful conclusion in your remaining subjects. Use your free days wisely. Stay positive and be confident in your ability to do well in next week's papers. Take it subject by subject and bring the curtain down on a stellar performance.

Creative celebrations at Cruinniú na nÓg 2022

Cruinniú na nÓg took place nationwide on Saturday 11th June this year with a programme of creative celebrations for children and young people.

The programme in Kerry offered a vast choice of free events and activities for children and young people. With over 19 events taking place across the county hundreds of participants by Saturday afternoon, Cruinniú na nÓg in Kerry received overwhelmingly positive feedback from parents and children. There was something for all ages and tastes in this year's programme and some of the highlights included a circus show and workshop, a youth film programme and discussion panel, music workshops and performances, creative writing and poetry workshops, painting and pottery workshops, youth theatre workshops and in person and online exhibitions.

One of the national flagship events, Garageland Galaxy, was headquartered in St Johns Listowel.

Garageland Galaxy was a giant music festival stretching across 8 live locations nationwide, with in-studio performances streaming across multiple platforms.

ST. OLIVER'S NS FEATURE IN GAA INITIATIVE TO SUPPORT UKRAINIAN PUPILS

Pictured are students from St Oliver's National School with 5th class teacher Brendan Kealy, Allianz schools rep Martin Keogh and school principal Colm O Suilleabháin. Photo by Brendan Moran/Sportsfile

St. Oliver's Nationals School in Ballycasheen is one of the two schools in Kerry have joined an initiative organised between Allianz and Cumann na mBunscol, that will support Ukrainian schoolchildren participate in local Gaelic game activities through their schools. The initiative sees Allianz provide 26 schools across Ireland with 500 footballs, 200 hurleys and 200 sliothars to help Ukrainian refugee schoolchildren fall in love with our national games.

In total, the twenty-six participating schools will help 383 Ukrainian schoolchildren join local Gaelic game

activities across the country. The two Kerry schools have welcomed in 150 of these Ukrainian children –the highest proportion of any county taking part in the initiative.

The sports equipment was successfully delivered to Scoil Sadbháin, Cahirciveen and St. Oliver's, Ballycasheen, Killarney last week, in advance of Allianz Cumann na mBunscol Week. The initiative welcomes schools from fifteen different counties across all four provinces. It is envisaged through the campaign these schools will play a key role in helping Ukrainian schoolchildren integrate into their local communities through the national sport.

MINISTER FOLEY WELCOMES OVER €280,000 IN FUNDING FOR 221 LOCAL KERRY PROJECTS

Minister for Education and Kerry TD Norma Foley, welcomes the announcement of €284,817 in grants for 221 successful projects in Kerry under the 2021 Community Activities Fund.

The 2021 Community Activities Fund was launched in November 2021 with funding of €9m available.

The key theme of the fund is to support groups, particularly in disadvantaged areas, with their running costs such as utility or insurance bills, as well as with improvements to their facilities.

Minister Foley said: "I welcome this funding which will provide continued

vital support for over 200 local projects across Kerry with targeted grants awarded to provide equipment and assistance with maintenance fees and running costs. More importantly this funding will support key community enterprises throughout the county, ensuring that these important grassroots organisations can continue to serve their localities and to carry out a myriad of much valued events and services."

PROPOSED CHANGES TO EU BANKING RULES COULD HELP LOWER IRISH INTEREST RATES SAYS MEP KELLEHER

- FORCING IRISH BANKS TO HOLD MORE CAPITAL THAN THEIR EU COMPETITORS INCREASES
RATES BY 0.5% -

Fianna Fáil MEP, Billy Kelleher has written to the Irish Government seeking their support to amend EU banking rules to enable Irish banks to offer lower interest rates for mortgages and loans in light of the already signalled ECB rate hike next month.

Kelleher, a member of the European Parliament's Economic and Monetary Affairs Committee (ECON), has tabled amendments to the Capital Requirements Regulation that would ease the requirements on Irish banks to hold higher capital requirements than other EU banks. The more cumbersome requirements are partly in response to the action many Irish banks took to help families hold on to their homes when the financial crisis hit and many loans defaulted.

"Irish banks were rightly inclined and requested by the Government, to offer a high level of forbearance and sought to work hand-in-hand with mortgage holders to find a way to return the loan to non-default status.

"Over 12 years have passed since the banking crisis in Ireland, and yet Irish banks are still subject to incredibly punitive capital requirements compared to their European

banking peers. They should not be penalised for reacting to an urgent situation during a time when the current prudential requirements were not yet in place, and for showing a level of compassion towards Irish families.

"A recent study by the Central Bank of Ireland (CBI) shows that Irish retail banks' capital requirements are double that of the EU average (e.g., Risk Weighted Asset density of Irish mortgages was 27% versus an EU average of 13%).

"In effect, what this means is that for every €100k lent by an Irish bank in mortgages or other loans, it must hold €2,300 while an average EU bank would have to hold €1,000. The only way a bank can finance this damaging capital requirement is by charging higher interest rates.

"In April, the average interest rate for a mortgage was 2.77% whereas the Eurozone average was 1.59%. On a €300,000 mortgage over 30 years, this costs Irish customers €176 extra per month or a staggering €63,000 over the lifetime of the mortgage.

"Ed Sibley, CBI Deputy Governor, estimated that the current rules add approximately

0.5% in terms of the cost of a mortgage to Irish borrowers. While other issues affect interest rates, this is a sizable proportion of the difference between Irish and average interest rates.

"One way of addressing this challenge is to look at the way the UK's Prudential Regulation Authority (PRA) views and deals restructuring arrangements for customers who entered into long-term forbearance schemes. Simply put, the PRA changed the way they accounted for customers in default.

"This week I wrote to the Irish Government, the Central Bank of Ireland, and the European Commission seeking action on this issue. Irish customers need to stop being penalised for mistakes of the past. Our banks are in robust financial health, and making changes of the nature I have suggested can help equalise interest rates across the Eurozone," concluded Kelleher.

TOWN & VILLAGE RENEWAL SCHEME 2022

Fianna Fáil Councillor, Michael Cahill has called on all local organisations and groups to examine the details involved in the Town & Village Renewal Scheme 2022 to ascertain if they have any projects suitable for submission.

This scheme has been developed by the Department of Rural and Community Development to support measures which rejuvenate rural and urban towns and villages throughout Ireland.

All interested groups/organisations must complete an Expression of Interest Form and return by email to community@kerrycoco.ie or by post to: Community &

Tourism Department, Kerry County Council, County Buildings, Rathass, Tralee, Co. Kerry no later than 5 p.m. on Tuesday 28th June, 2022.

"Please contact your local Municipal District Office with your queries or email community@kerrycoco.ie and they will get back to you with the details of measures that will be supported by the scheme" said Councillor Cahill.

"There is a quite a short window to get working on this so speed is of the essence" added the Cathaoirleach of Kenmare Municipal District.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

USING YOUR PENSION TO PAY LESS TAX

Pension contributions can provide a way of paying substantially less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends could be liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally 25% of the value of your pension can usually be taken completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves paying much less tax in retirement than when they were working and making pension contributions, and so will often pay very little tax on their pension income when they retire.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninfa@gmail.com

BE OPEN TO CHANGE

"Yesterday I was clever, so I wanted to change the world. Today I am wise, so I am changing myself." Rumi

Change is one of life's constants. Everything is always in a state of change. And, it is when we embrace this that we can find an ease and an acceptance of ourselves, others and our life. The deepest changes happen within us. We can't change others (no matter how much we may want to). We have no idea of what changes will unfold in a day. However, we can change ourselves. We can change how we think, what we believe, the actions we take and the behaviour we desire. This is powerful, because it means that we can determine what we do with the experiences we have in our life.

Three powerful steps to navigating change with ease

- **Awareness & acceptance.** The first step is to be aware of what is happening and how you feel about it. We need to honour and express our emotions. Along with this comes acceptance of what is (or has) happened. Acceptance doesn't necessarily mean that we agree with something – only that we acknowledge it.
- **Beliefs.** The next step is to examine your beliefs and opinions about a situation. What is the story you are telling yourself about the situation, others and yourself? Is it actually true?
- **Conscious choices.** Take time to make a conscious choice based on how you personally want to feel. For example, do you really want to keep an argument going or would you prefer to drop it and spend more time cultivating your inner peace?

Noreen

answers your beauty questions...

What is the best foundation for a sun holiday?

The sun causes you to sweat, dehydrating your skin so your foundation can become cakey and dry or disappear altogether. For holidays and warm weather here over the next few months you could switch to a tinted moisturiser or a BB cream (beauty balm). These generally have a lightweight texture with light to sheer coverage, enough to blur any imperfections giving you that dewy barely-there make-up look. Most will have SPF 30+ which is essential by day in or out of the sun. Apply with fingertips over your moisturiser as if you were applying foundation so it is blended properly. Use a concealer for extra coverage over spots or blemishes and set with pressed mineral powder if your skin is oily.

Genosys intense BB cream is a moisturiser, SPF and cover-up, it reduces redness, the appearance of spots and brightens the appearance of your skin. For men a tinted moisturiser has SPF, hydration for dryness and coverage for redness or blemishes.

THE IMPORTANCE OF SLEEP

Sleep plays an essential part for all of us in maintaining our health and plays a key part in performance when it comes to training. Lack of sleep or poor-quality sleep can affect motor function, reaction times, recovery times and our focus and these are only scratching the surface of what it can impact. When we look at training, we look at our physical conditioning, we look at our nutrition, but not always our sleep. Not just how long we sleep but the quality of the sleep.

One of the biggest things that can affect our sleep and is a modern phenomenon is blue light. Not heard of it? Almost all of us are subject to it every single day when we look at our mobile phones or tablets. There are recommendations that we should not use our mobile devices for at least 2 hours before bedtime, as it can affect our circadian rhythm. Our circadian rhythm is our sleep-wake pattern, which helps in altering our body temperature and regulating our hormones which prepares us for sleep. Late night snacking is another factor that can affect our sleep patterns. Allow time for our digestion system to do its thing by allowing adequate time before your last meal and bedtime.

So how can we try to improve our sleep quality?

- A consistent sleep schedule where we go to bed and get up at roughly the same time each day.
- Create a pre-bedtime routine to unwind so that the body recognises it is bedtime
- As already mentioned avoid blue light late in the evening by turning off devices at least 2 hours before bedtime
- Reduce late night snacking
- Reduce or limit evening caffeine
- Manage napping – while a 15 or 20 minute power nap during the day can do us the world of good, longer naps can impact our night time sleep quality

Obviously we are all different so some things work for some people that don't work for others. The bottom line is that is important for you to find what works best for you.

However, it is also important to recognise if sleep issues are becoming more problematic and if long term it would be best to discuss with your doctor.

SUMMER EYES

As the weather gets warmer and the days grow longer, we often think about improving our health and getting into better shape. As you prepare to enjoy the outdoors this summer, don't forget a plan for keeping your eyes happy as well.

Avoid getting "sunburn of the eye."

When sunlight shines off water, sand or other highly reflective surfaces into your eyes, it can cause a very painful condition called photokeratitis. This is when the sun's ultraviolet rays burn the surface of your eye. Pain, redness, blurriness and even temporary vision loss are symptoms of this condition. Prevent photokeratitis by wearing sunglasses that are marked "100% UV protection." Also, wear a broad-brimmed hat for added eye protection.

Prevent "swimmer's eye" in the pool.

Pools can be tough on the eyes. Chemicals used to keep the water clean, such as chlorine, can affect the natural tear film that keeps our eyes moist and healthy. The result can be Red, gritty-feeling eyes and blurry vision. Keep eyes feeling and looking good by wearing swim goggles in the pool, and splash your closed eyes with fresh water immediately after getting out of the pool.

Keep dry eye at bay.

Spending time outside when it is hot, dry or windy can irritate a common

condition called dry eye. A hot, dry environment affects the tear film, drying out the eye's surface. To protect your eyes in these conditions, wear wrap-around glasses to keep wind from your eye's surface. Also, use artificial tears (preferably those that are preservative-free) to keep eyes moist and refreshed.

Don't play around with eye safety.

Spending more time outside often means more outdoor work and play. Whether mowing the lawn, trimming weeds or playing baseball, always wear the proper protective eyewear. More than half of all eye injuries occur at home, yet only about one out of every three people wears eye protection when they should. Don't be an eye injury statistic!

Quit smoking

When thinking about getting healthy this summer, think about quitting smoking. Cigarette smoke, including second-hand smoke, not only worsens dry eye, but is a risk factor for many eye diseases, including cataracts, macular degeneration and more. Quitting smoking reduces your risk of getting eye disease and other major health problems.

➤ COUNTY LEAGUE DIVISION 3 ROUND 9

FIRIES 0 - 10 GLENFLESK 2 - 7

In a match that never was a classic, Glenflesk eventually overcame Firies spirited challenge, and in the process earned the title of Division 3 County League Champion's.

Playing with the elements, it was the home side who made the better start. Points from Sean Burke and Aaron Flynn, were the reward for their quick start. Glenflesk were making uncharacteristic errors, and struggled to get into good scoring areas. They finally got the opening they needed, when good work from Ian Roche ended with Kevin Bowler timing his pass perfectly to allow the predatory Dylan Roche to pass the ball into the net. Firies responded with a fine score from wing back Tj Palmer. Burke's stunning strike with the outside of his right foot was followed up by a Flynn free to put Firies 3 points up again. Glenflesk then responded with their second goal of the half. Kevin Bowler started the move. Ian Roche's penetrating run opened up the Firies Defense, and Tommy Bowler was the man to apply the finishing touch, firing past the advancing Brian McCarthy to put Glenflesk in at half time level.

Firies attacked straight from the restart, with Flynn finding the target to put them back in front. Glenflesk eventually got their first point of the contest when Dylan Roche held off his man and slotted the ball between the posts. Daniel Brien's smart pass then found Jeff O'Donoghue, who fired over. Firies were reliant on frees from Flynn to get their scores, proving his accuracy with 2 more to keep them in touch. O'Donoghue and Roche were finding more space up front now, and another fine delivery from Kevin Bowler ended with Roche finding the target with his left foot. Points from Danny Lucey and O'Donoghue, his fourth of the half put Glenflesk 5 ahead. They then had to contend with a late black card for Chris O'Donoghue. Even though Darragh Brosnan and another Flynn free reduced the deficit to 3, Firies never looked like getting the goal they needed, and Glenflesk held on for their ninth win in a row.

The chance to complete a perfect league season is still on for Glenflesk, who once again showed their ability to pull clear in the second half of a game, after some first half struggles. Division 2 football now awaits

for the first time since 2019. They have had to show many different quality's throughout the campaign, some of which appeared tonight. Congratulations to the team and management on securing the Division 3 Title, and the superb football played so far this year. Report by Michael Healy.

U16 GIRLS PRESENTED WITH MEDALS

Killarney u16s girls enjoyed a lovely evening, last week when they received their hard earned Munster league winners and Munster cup winners medals. Ciara Griffin, former Ireland Womens Rugby captain was on hand to present the medals. Ciara had previously given the girls a training session prior to winning the league cup.

MUCKROSS ROWING CLUB

KILLARNEY REGATTA

After a three year hiatus due to the pandemic, we are now just one week away from the return of Killarney's oldest surviving sporting event – the Killarney Regatta. The event spans a history over 230 years dating to the late 1800s and continues a tradition of fixed seat rowing in the town with unique six-seater boats which are now only to be found here in Killarney. Muckross has enjoyed great success at Killarney Regatta and will be hoping for another successful day on Sunday next. From 1967 to 2019, the regatta enjoyed 53 years of unbroken annual competition with the previous break from 1963 to 1966 attributed to a drop in local interest. A time when both the town and the sport were very much smaller in size. Indeed we hope that this year's contest on Sunday next, June 26, will be the kickstart of another unbroken run for many more decades to come! Best of luck to all our crews, coxes and coaches in their final week of training.

REGATTA SEASON

The two-day Cork Regatta is also hoping to make its long-awaited return next week after bad weather and COVID forced its cancellation in recent years. Best of luck to our crews competing on Saturday, June 25. Killarney Regatta, Killarney Golf & Fishing Club, Sun, Jun 26. Fermoy Regatta, Sun, Jul 3. Rowing Ireland 1k Classic, NRC Farran, Sat, Jul 9. Irish Rowing Championships, NRC Farran, Fri-Sun, Jul 15-17.

ST. MARY'S BASKETBALL NEWS

'St. Mary's Basketball have made the difficult decision to not to compete in the Women's Super league next season. While we realise that this is disappointing news for Kerry basketball, we did not have the numbers required to make up a team. The club plans to rebuild over the next few years and will hopefully compete at national level again in the near future. We wish to thank our sponsor Garvey's Supervalu, our dedicated players, the coaching staff and our wonderful supporters.'

KILLARNEY VALLEY ATHLETIC CLUB

KVAC had 3 athletes competing at international athletics meets last week. Ciara Kennelly was 3rd in the High Jump with 1.75m in The Budapest Open. Jordan Lee competed in Paris in the WPA Grand Prix meet and came 2nd with a Jump of 1.90m. Sarah Leahy competed with the Irish ladies' relay team at the World Athletics Continental Tour in Geneva that came 7th overall. Sarah also had a great run in the 100m with 11.70sec.

Congrats and well done to all our U9-U13 athletes who competed at the Munster Juvenile Championships in Templemore last weekend. Elizabeth Brosnan came 3rd in the U11 500m.

Ava Harty was 4th in the U12 Shot Put and qualifies for the Nationals with her PB of 7.27m. Well done also to the U10 4x100m relay team (Dylan, Luke, John & Finian) who did very well.

FARRANFORE MAINE VALLEY AC

The action continued thick and fast this week. The county school sports took place on Wed in Castleisland. Ryan and Isaac Vickers won the 100m and 600m respectively.

At the weekend we had 2 athletes competing in the Munster Championships. Fionn Hogan competing in his first championships added another few metres to his PB finishing in 5th place out very large field of well over 20. Ryan Vickers showed amazing versatility coming 2nd in 60m, 600m and Shot Put. In each of the events he was exceptionally close to the winner only losing the 600m by 2/100 of a second. Both athletes finished 3 seconds inside the existing record! Well done to both for outstanding performances. Showing both younger athletes how it is done, Jim O'Shea travelled to the British Masters Championships in Derby where he finished 1st in the 100m and Long Jump and second in the High Jump.

Tomas Lynch, Liam and Matthew Smyth, Darragh Doherty ran the Killarney Junior Parkrun. Laura Bradley continued her fine form with another 21 minute run in the 5K event on Saturday.

Next weekend the action switches to Cork for the U-14 –U19 Munster championships where hopefully our athletes will bring home more silverware.

Jim O'Shea travelled to the British Masters Championships in Derby where he finished 1st in the 100m and Long Jump and second in the High Jump.

PREMIER A LEAGUE FINAL

Killarney Celtic 3, Killarney Athletic 0

Stephen McCarthy 2, Luke O'Neill.

Killarney Celtic won their 4th Premier A title in a row after defeating town rivals Athletic last Sunday in Mounthawk Park. Backed by a strong breeze Celtic dominated from the start and put Athletic under pressure with Wayne Sparling going close before Celtic made the breakthrough in the 25th minute. Good inter play put Wayne Sparling free and his cross from the left wing was headed home from close range by Stephen McCarthy. Despite creating other chances and 3 shouts for penalties Celtic were unable to add to their tally and so it was 1-0 at halftime. Athletic upped their game at the beginning of the 2nd half and Celtic's defence had to be alert to deny them an equaliser. In the 75th minute Celtic won a penalty which Stephen McCarthy dispatched to the net to give Celtic the vital breathing space. Celtic continued to create chances with Edward Myers and Wayne Sparling going close before Luke O'Neill wrapped up proceedings with the 3rd goal. Well done to the players and management on retaining the league title again.

CONGRATS to Natsha O'Sullivan (coach) and Kate (captain), Anne Caoimhe, Emma, Emily, Grainne, Hannah, Liadh representing the club with Kerry U14 Girls at the Gaynor Cup last week.

KILLARNEY CELTIC SUMMER CAMPS can now be booked online through clubforce.com

GAYNOR CUP SQUAD DID KERRY PROUD

The Kerry 2022 squad are back home after a great experience at the Gaynor Tournament which was back in UL for the first time in three years. 75 games were played with the MGL from Dublin defeating the Midlands 2-0 in the final. Like all tournament football Kerry experienced

Killarney Celtic Charleville Cheese Premier A League winners 2021/22

the highs and lows of the game. The squad of 20, led by Head of Delegation Noel White and Head Coach Michael Crossan and manager Natasha O'Sullivan assisted by Caragh and Aisling Kerry eventually went out in the quarter final of the Plate after finishing second in Group 4. The 2-0 loss to Donegal meant Kerry would take 10th place overall.

They opened their campaign with a 1-1 draw as Jocelyn Cushen equalised in the game against South Tipperary. Kerry then played Limerick Desmond in a gale force wind and after going behind Laura Falvey levelled. The Desmond League took the win with a wind assisted corner.

Kerry bounced back with a 3-2 win over Limerick County thanks to two goals from Laura Falvey 2 and Emma Daly. Any day you beat Cork in Girls football and Kerry did that in their final group game thanks to an Emma Daly goal.

Kerry were top of the Group with the others still having one round to play. Limerick Desmond's equaliser in the second minute of injury time meant Kerry would finish in the Group in second place.

Goals in either half saw Donegal end Kerry's campaign but nothing will take away the memories and friendships the girls have from the 2022 SFAI Gaynor Cup where the KSBGL were also represented on the organising side as Chair Aidan Murnane and Pdraig Harnett

were involved in the media side of the premier tournament for girls football.

One game in the 12's Premier:

In one of the last games of the 2021-2022 Castleisland ended the Slattery's Carpets and Blinds on a high with a 2-0 win over LB Rovers. Ronan O'Connor and Adam Griffin were the scorers.

KERRY LADIES SEE OFF GALWAY

All Ireland Championship:
Kerry 3-10 Galway 3-8

Kerry came into this one backed by the confidence of winning Division Two, but our recent record isn't great against Galway and they carried a justified favourites tag. Their opening score showed why as Nicola Ward raced up from the back line to split the posts. Louise Ní Muircheartaigh was being well watched by Galway, but that doesn't ever bother one of the best forwards in the country and the Corca Dhubhne sharpshooter opened Kerry's account. Aishling O'Connell invariably scores from the back and she put Kerry in front, but Tracey Leonard, a player with a scoring reputation to equal Muircheartaigh's promptly slotted a free. Louise responded in kind. Kerry had a slight upper hand at this stage, with Cáit Lynch and Anna Galvin edging a tough midfield battle. However, disaster struck for Kerry as Galway sliced us open, Leanne Coen fisting home after a great team move, and Tracey Leonard added a free. Welcome to Division One football!

Kerry's response was superb, though, Kayleigh Cronin launching a high ball into Lorraine Scanlon, and the Desmonds' powerhouse finishing in style. 1-3 apiece. Kerry were that bit sharper and faster to the ball and it paid dividends, Louise Ní Muircheartaigh slotting three frees in a row, and Kerry could be well pleased with themselves heading for the break. Half-time Kerry 1-6 Galway 1-3

The dynamic Cáit Lynch tormented Galway all day with her pace and power and neatly notched the first score of the second half. However, a good pass from Olivvia Divilly saw Tracey Leonard split the posts and the Galway veteran showed her class with two more scores. Back to a one point game.

Kerry needed to respond and did so in consummate style. Louise added another free. She had another one drop short, but Paris

McCarthy read it perfectly and was on hand to fist home. Before Galway could recover, back came Kerry again, with Niamh Carmody drilling home a brilliant finish.

Galway, to their credit, weren't giving up the ghost. Leonard and Ní Muircheartaigh traded frees before Ailish Morrissey fisted home. However, it was over-ruled for offside – let's face it, we had a bit of luck on our side, television cameras showed clearly that she had timed her movement perfectly. She had broken our hearts with a late goal last year in fairly identical circumstances. Galway were pushing hard now, helped by yellow cards for Lorraine Scanlon and Louise Ní Muircheartaigh – both had been fighting fires in defence as Galway surged forward. Olivia Divilly pointed a Galway free but, at 3-10 to 1-8 and normal time up, surely Kerry had this in the bag.

Louise Ward kicked a Galway goal, tucking it away neatly into the left hand corner. Five points in it. Then just two, as Leanne Coen

found the net.

The dying seconds were heart-pounding – you wouldn't write off Galway getting a third goal to snatch it. Thankfully from our perspective, the clock ran out on their efforts and Kerry have started their campaign with a great win.

KERRY CAMPAIGN ENDS AGAINST WEXFORD

All Ireland Hurling Quarter-Final:
Wexford 3-30 Kerry 0-18

If you told me over the years that I would get to see Kerry in an All Ireland quarter-final in hurling, I would have laughed at you. It's a phenomenal achievement, even with the twisty-turny format muddling of recent years. Let me lay my cards on the table here – I know it's fantastic for Kerry, but I disapprove of assigning a quarter-final place to the McDonagh losing finalists. We all know that there is an enormous gulf in class between the divisions, and a Division Two side being parachuted in ahead of the likes of Tipperary or Waterford...I don't believe that it does anything for Kerry hurling, and it doesn't do anything for the championship. Let's be honest, all of the top guns were praying to have Kerry as their opposition at this stage.

Seeing as I'm campaigning to win friends and influence people, I'll throw another bombshell into the mix. There have been a lot of complaints about Antrim getting a full place in the Leinster championship, whereas Kerry would have to beat Tipperary in a play-off (let's face it, that's a bit of a moot point anyway). My own opinion is that Kerry made most progress when we were in the round robin preliminary format in Leinster, playing teams of our own level. We can learn more from tough battles against the likes of Westmeath, Offaly, and Laois than hammerings from the likes of Limerick and Cork. And please do not try to tell me about the occasional victory in the Munster Senior League – I was at them, and their significance was vastly over-exaggerated within Kerry.

The game itself is quickly told. Kerry were brave, as always, and spared no effort. Wexford opened with five points before Pádraig Boyle, easily our best player this year, slotted a free. Three more frees from the big man plus long range points from Eoin Ross and Seán Weir actually saw Kerry within a point, 0-7 to 0-6, after twenty minutes. However, Wexford turned on the afterburners to lead by 0-16 to 0-8 at the break.

Maybe the six day turnaround didn't help, but Kerry definitely faded completely as the second half wore on. After ten minutes the scoreboard read 0-24 to 0-13. Conor McDonald blasted their first goal and, once Kerry lost Michael Leane to a red card (harsh enough, not that it was worth an argument at that stage) and Shane Conway to injury, the floodgates started to gape, with Rory O'Connor and Conor Hearne sealing a bigger victory margin than I had expected.

Fionán Mackessy's brilliant performance for Kerry (especially his fantastic point in the first half) was recognised by his selection at wing back on the GAA Hurling Team of the Week. Look, I don't want to be any doom merchant.

Overall, it's been a great year for Kerry. After back to back losses to Down at the end of the League and the start of the championship, and given the amount of players that we have lost in the past two years, just getting to this stage was a massive achievement for Kerry, and that tremendous comeback in the McDonagh Final to lose by just a point will shine for a long time in the memory.

Kerry: Louis Dee, Conor O'Keeffe, Seán Weir, Eric Leen, Eoin Ross, Fionán Mackessy, Mikey Boyle, Michael Leane, Pádraig Boyle, Colin Walsh, Colum Harty, Paudie O'Connor, Gavin Dooley, Jordan Conway, Shane Conway. Subs Niall Mulcahy (for Shane Conway, 33 mins), Maurice O'Connor (for Colin Walsh, 45 mins), Brian Lonergan (for Mikey Boyle, 58 mins), Morgan Madden (for Eric Leen, 63 mins), Fionán O'Sullivan, 64 mins)

KERRY MINORS REACH FINAL FOUR

All Ireland Minor Quarter-Final:
Kerry 0-8 Tyrone 1-4

There's almost a sense of Jekyll and Hyde about this Kerry team. They looked fantastic in their opening game against a weakened Cork side and won pulling up. The rematch was the exact opposite – Kerry were thoroughly outplayed from start to finish.

In retrospect, that may actually have been a bit of a saving grace. General consensus was that Derry had actually been the better team in the Ulster Final, but had succumbed to perfectly-timed Tyrone goals. Certainly a good Cork team walked into that Derry lion's den in their own quarter-final...and were summarily dismissed in style. For their own part, Kerry needed to guard their goal and they would be in with a real chance.

That hope was snuffed out early on, Caolan Donnelly fisting home from Ronan Molloy's pass. A good goal from Tyrone's perspective, much less so from ours.

I thought that Tyrone could have profited by going for the jugular more, but they didn't do so. Let's face it, football has gone extremely negative in recent years, and this was almost as good an example of the decline as the Ulster Senior Final. I know a lot of pundits claimed that attendees found the tension and the intelligent cohesive defending fascinating....a lot of pundits aren't paid for their intelligence. There's a reason why attendances are dropping like a stone.

There's no point in pretending that Kerry are immune to this malaise. This was a great victory, a real confidence booster that takes us into the last four in the country. But it was not a great game of football, far from it, and Kerry are as guilty as Tyrone for that.

Kerry had a decent shout for a penalty early on, as it looked very much like Odhran Ferris was bundled over in the square, but the referee waved play on – he was correct, as the replay showed. Instead, it was Tyrone who raised the white flag, Ronan Molloy slicing through Kerry's defence and passing to Caolan Donnelly to fist home.

Good work by Fionn Murphy saw Cormac Dillon open our account after patient build-up

against the mass defence. Tyrone, in fairness, were using a lot of width and worked a free for Noah Grimes. Kerry definitely had the edge in midfield though, with Evan Boyle outstanding. Jack Clifford clipped over a fine point. Cormac Dillon added a fine kick from a mark (good awareness to call it) and then pointed with his left leg to nudge Kerry in front.

Tyrone were labouring for scores – frankly, their game-plan seemed to be based almost entirely on counter-attack, but Kerry were playing defensive themselves and not coughing up possession with gaps behind them. They did point a free through Ronan Molloy, but the dash and daring of that opening goal was long gone by now. They did, in fairness, force a brilliant save out of Shay O'Meara, but Donagh O'Sullivan took a nice point to close out the first half scoring.

Half-time: Kerry 0-6 Tyrone 1-2

Kerry were that bit more expansive at the start of the second half, typified as Eddie Healy had the confidence to boot over a superb kick. Tyrone had a bit more flair themselves, forcing another great save out of Shay O'Meara from point blank range. Kerry lost Niall Collins to a black card before Ronan Molloy cut the gap back to just a single point. Tyrone realised now that they had to attack the game and, credit to them, showed what they are capable of when released from the tactical leash.

Fionn Murphy pointed a free from very long range to leave Kerry two points ahead in a game where scores were almost as scarce as hens' teeth. It was a long way from over, with Caolan Donnelly just millimetres from an identical goal to his opener. The same player did kick over the bar a minute later, but it was too little, too late. You couldn't exactly call it affirmation for Kerry – doubts would have to linger after a game like this – but at the same time I'd say few enough of us expected that they would make the last four after that debacle of a Munster Final.

I will say once more that I do think that the drop to U17 has affected the quality of the Minor Championship, and very noticeably reduced the interest – you can't really tell whether some-one is a potential senior at that age and you certainly won't find out for several years. There's a fair bit of a push for combining the U20 and U17 campaigns into one U19 campaign, with a possibility of a U17 league. To me the obvious solution is to revert to the old U18 and U21 grades. After all, the old issue was the amount of club campaigns held up as these players were confined to intercounty, but the split season gives a lot more room to manoeuvre there.

Nonetheless, that's not an issue for these lads, and they have already done the Kerry jersey very proud. They face Mayo next in the All Ireland semi-final. Mayo have been unbeaten and not much troubled in all their games so far, including the Connaught Minor League. They have the look of an outstanding team, but this Kerry team have proven that they aren't afraid of any challenges.

CAMOGIE

Intermediate All Ireland Group Stage:

Kerry 0-11 Dublin 1-7

I couldn't let it go without mention of Kerry camogie's spellbinding win over Dublin last weekend. The week before, they had to travel to Carlow with just seventeen players, one of whom had come out of retirement to fill the panel. But they came away with a win. They were still missing players last Saturday with injuries and Leaving Cert., but had Edel Slattery back, plus Áine O'Connor and Glenflesk's Kate Lynch back, and that was crucial – all three were outstanding. Star of the show, though, was Patrice Diggin, who not only scored some long range beauties that showed her exceptional talent, but also went in goal and saved a vital Dublin penalty early in the second half. With three wins from three games, Kerry are guaranteed a quarter-final already. It really is phenomenal.

ALL IRELAND DRAWS

Derry v Clare

Clare have been simply magnificent this year, and Colm Collins should (but won't) be a genuine candidate for Manager of the Year. But the Ulster champions have seen off top contenders and, yes, they did a lot of it with a coma-inducing mass defence that mirrored those opponents, but they also took some great scores. Surely a bridge too far for gallant Clare.

Dublin v Cork

There were plenty of people throwing metaphorical rotten fruit when they were in the docks after last year's Munster Final and this year's League, but Cork gave us enough to do and have aces in the likes of Powter, Maguire, and sharpshooters Sherlock, Maguire, and especially Hurley. But Dublin? I was never fooled by their League form. Still hot favourites for Sam in my book.

Armagh v Galway

Armagh were the best Ulster team to watch and Rian O'Neill must have already stamped his name on an All Star. But Donegal could and should have taken them if they had cast off their shell – to me it was the tactical retreat rather than any individual failure that coughed it up. Galway are a very intriguing enigma to

me. They have retained some of that old flair and panache, but have added muscle and defensive caution. On their day they can beat anyone...or lose to anyone. This will either be Armagh by around four points, or a nailbiter all the way.

Kerry v Mayo

Forget that League Final. We hammered Tyrone around that stage last year as well. And, even more so than last year, we are coming in very cold. I don't care, you simply cannot replicate that intensity or adrenaline in any training. Moreover, Cillian is closer to hitting peak (not there yet) and have the likes of Durcan back. But they haven't really been convincing so far – very lucky that Kildare stumbled badly with the hard work done. They still have a sting in the tail (and we need to face that kind of test) and they will be very hard work, but Kerry should win this.

On a side note, of course the Kerry and Mayo minor and senior games should be a double-header. But the quarter-finals were always going to be double-headers and the GAA have shown a reluctance to combine the U17s with senior matches. Kerry playing at 4.00pm on the Sunday (27th) is an issue for me, Usain Bolt wouldn't make the 7.00pm train. My chances of overnighing depend largely on the National Lottery. Football is getting very expensive while the entertainment value is declining. With the GAA including a lot more inter-county games next year with the champions league style format, they'd want to start thinking a lot more about provincial venues.

KERRY CLUB CHAMPIONSHIP DRAWS

Senior Club Championship

Group 1: Spa, Kenmare Shamrocks, Na Gaeil, Dingle

I know league form without county players is no real barometer, but this looks like the easier group.

Group 2: Austin Stacks, Kerins O'Rahillys, Dr. Crokes, Templenoe

Yeah, Group 1 is definitely easier!

Intermediate Club Championship

Group 1: Beaufort, Ballydonoghue, Gneeveguilla, Currow

Beaufort have knocked on the door as hard as Mayo in recent years, but Gneeveguilla will need watching.

Group 2: Killarney Legion, Dromoda na Piersaigh, John Mitchels, Laune Rangers

Legion will be looking for a rapid return and will be favourites at full strength. Laune Rangers are coming back, though.

Group 3: Castleisland Desmonds, An Ghaeltacht, Glenbeigh/Glencar, Kilcummin Jaysus, what a group! I'd fancy Kilcummin, but there's nothing easy there.

Group 4: Rathmore, Milltown/Castlemaine, Glenflesk, St. Marys

Another humdinger. Rathmore to pip Milltown, but Glenflesk are in flying form.

Junior Premiership Championship

Group 1: Skellig Rangers, Churchill, St. Senans, St. Pats Blennerville

Skellig will be favourites here, but watch out for

Senans

Group 2: St. Michaels/Foilmore, Brosna, Annascaul, Ballyduff

Division Two hasn't gone well for Annascaul, but they're up there and have numbers.

Group 3: Ardfert, Waterville, Ballymac, Keel Surely Ballymac from Division One. Ardfert have great young players coming through, though.

Group 4: Listry, Listowel Emmets, Castlegregory, Fossa

Fossa have two All Stars, but the derby with Listry will be the acid test.

Junior Junior Championship (Look, we all know it's the Novice, alright?)

Preliminary Game: Ballylongford v Tuosist

Group 1: Reenard, Moyvane, Cromane, Scartaglin

I expect Moyvane to surprise a few people here.

Group 2: Cordal, Sneem/Derrynane, Preliminary Winners, Lios Póil

Cordal have been unlucky in the past couple of years and I fancy them.

Group 3: Firies, Asdee, Beale, Tarbert

Firies are going well and should come through.

Group 4: Finuge, Duagh, Kilgarvan, Knocknagoshel

Finuge will be favourites – but a full strength Kilgarvan could be deadly.

U21 County Championship Draw

East Kerry – bye, South Kerry – bye, Austin Stacks v Rathmore, Kerins O'Rahillys v Kenmare District, North Kerry v West Kerry, St. Kierans v Mid Kerry, St. Brendans v Laune Rangers, Gneeveguilla v Dr. Crokes

You'd fancy East Kerry against St. Brendans in the final, given their minor meetings, but Mid Kerry, North Kerry, Stacks....there's a lot of dark horses in that mix!

ATHLETICS

Congratulations to Jordan Lee on his silver medal in the World Athletics Grand Prix event in Paris, jumping a season best of 1.90m to go top of the European rankings and second in the world at the T47 category.

Jordan isn't the only local high jumper of note to return with a medal, as Ciara Kennelly equalled her season best with a jump of 1.75m to bring home the bronze medal from the Budapest Open.

Congratulations also to Sarah Leahy on her seventh place in the 4 x 100m relay in Geneva at the World Continental Athletics Tour alongside

Congratulations to Jordan Lee on his silver medal in the World Athletics Grand Prix event in Paris, jumping a season best of 1.90m to go top of the European rankings and second in the world at the T47 category.

Joan Healy (Bandon), Lucy May Sleeman (Leevale) and Lauren Roy (Lisburn). Sarah also ran 11.70 in the 100m to finish second fastest Irish athlete overall.

GOLF

Rory McIlroy has been on the cusp of all-time greatness for so long that some people seem almost to be disappointed that he doesn't constantly gobble up majors. In all honesty, it's not like Ireland have produced an abundance of world class sports people over the years. You

can maybe make an argument for Harrington, but McIlroy is a sure thing on that list. He proved it yet again by retaining the Canadian Open in fine style.

McIlroy is also one of those saying admirably loyal to the PGA in the face of its biggest threat. When a Saudi-based consortium established the LIV as potential rivals, the PGA had the players, the tradition, the prestige, and the organisational numbers behind them. All little old LIV had behind them was....well, the money. And money doesn't just talk in today's sports world...it shouts. Tiger Woods has been the best golfer in golf's most affluent era. His total prize money has amassed to a whopping €121 million. LIV paid Dustin Johnson €125 million just to join them. I think we all know that this is sports-washing – I'd have loved to have read Jamal Khashoggi's take on it – but more and more players have joined the breakaway group and the PGA are already tentatively backing away from their hard-line stance. Welcome to modern sport – I don't think the Champions League is quite finished with that conversation either.

BASKETBALL

Sad news this week as it was announced that Garveys St. Marys of Castleisland will not be fielding a ladies team in the National League this year. St. Marys featured some iconic players over the years (plenty of Killarney players cut their teeth and played the game there) and

recorded some spectacular triumphs along the way. They have been an inspiration for the game and always made positive headlines for the sport at a time when it was at its lowest ebb in the county. Hopefully they will be back before too long.

Basketball fans all over the globe have been watching the NBA Finals of late. It's currently 3-2 to Golden State Warriors over Boston Celtics, and I expect them to wrap it up around the time that you are reading this. To me they always had to be favourites once Steph Curry came back from injury to join Klay Thompson and Draymond Green. Boston Celtics have Jayson Tatum, but I don't rate the likes of Brown in that game-changing bracket, despite his Game 3 display. Boston remind me a bit of the old Detroit Pistons that put it up to the Bulls at the start of the Jordan era – a bit less physically aggressive (and no harm) but they have that granite resilience about them. I still think the Warriors have too much shooting power, though.

CHANGE OF VEHICLE OWNERSHIP

If you sell your vehicle or trade it in for a new model, you must by law register the change of ownership with the Department of Transport. A record is kept called the national vehicle and driver file (NVDF). It is important that the ownership and address details are up to date at all times and that changes are notified quickly. If for example, a vehicle is subject to a safety recall, manufacturers will contact all registered owners from this list.

If I sell my car privately what so I need to do re changing the Vehicle Registration certificate (VRC)?

If you sell your vehicle privately, you must complete and sign the change of ownership section on the back of the Vehicle Registration certificate (VRC). The buyer must sign the same form. The seller is responsible and must send the completed form to the Department of Transport for updating. The Department of Transport will post the VRC to the new owner.

If I sell my car to a motor dealer what so I need to do re changing the Vehicle Registration certificate (VRC)?

If you sell your vehicle to a motor dealer, you must give the dealer the Vehicle Registration Certificate and both the seller and the dealer must complete the Form RF105. An approved dealer can use the online change of vehicle ownership service to notify the details online. Otherwise the seller must send the RF105 to the Department of Transport.

What do I need to do if the current owner is deceased?

If you buy a vehicle and the current owner (seller) is deceased, a letter from the executor of the deceased's will, or the solicitor dealing with the will, indicating your right to the vehicle should accompany the Vehicle Registration Certificate (VRC). Where the VRC is not available or cannot be produced, an administrative process allows the acceptance of a declaration of ownership change in the form of a statutory declaration sworn before a Commissioner for Oaths or a practising solicitor. The statutory declaration form, which is available from the Driver and Vehicle Computer Services Division, should accompany the letter from the executor of the will or the solicitor mentioned above.

What does it cost to register Change of Ownership details?

There is no charge for registering Change of Ownership details at Motor Taxation Offices or at the Driver and Vehicle Computer Services Division.

When can I tax the new vehicle?

You cannot tax your vehicle until the registration of the change of ownership has gone through. You can renew motor tax online or by completing a Form RF100A.

What happens if I lose the Registration Book or the Vehicle Registration Certificate?

It is possible to get replacement documents associated with changes to vehicle ownership. To get replacement documents, download and complete form RF134 from www.motortax.ie and have this form witnessed by a member of the Garda Síochána at your local Garda station. Forward your completed form with the appropriate fee to your Motor Tax Office. The fee for a replacement Registration Book or Registration Certificate is €12.

LONELINESS IN OLDER ADULTS

At SouthWest Counselling Centre we are meeting more and more elderly people who are feeling isolated and alone. What strikes me is that whilst there is a lot of emphasis on help and support for younger people there is less awareness of the availability of supports for older people. As we all know, life is an on-going journey that can present challenges at any stage along the way. Bereavement, loneliness, declining health, fear of crime and loss of loved ones through emigration are issues that many older people are dealing with. Counselling can provide a clear space to do this and offers support and gives us a fresh perspective on things.

Many older people are feeling lonely and isolated due to a lack of social contact and connection. Social isolation has been shown to have a detrimental effect on health and well-being. It is vital therefore that we stay connected, and whenever possible reach out to others and remain actively involved in life. As social beings, most of us feel the need for social contact and relationships. Therefore I would encourage someone who is feeling lonely to establish what opportunities for social connection already exist in their community. It doesn't matter initially whether they get anything out of the actual activity, as they may meet someone of like mind and it is a great opportunity for social connection.

There are many activities in which they can join when lockdown has been lifted. It may be useful to research options now and plan for normal times again. Adult education classes can be a great way to meet like-minded people whilst also acquiring new skills. They can also help to boost our confidence and make social interaction more pleasurable. Getting involved in Community Action Groups, Local History Groups or Sporting Activities can all be very enjoyable. Participating in local church activities, organised outings or book clubs can also help to feel more connected to others. Treating ourselves to massage or reflexology can also help to relieve loneliness. Another useful activity is letter writing, perhaps for a worthy cause - such as Amnesty International. Technology forums such as the internet may provide relief from boredom and loneliness. Perhaps you could enlist the help of a young person to learn these skills. If you are feeling lonely, reach out and talk to someone today.

CLUB LOTTO

Keel GAA Lotto Draw Monday the 6th of June. Numbers drawn: 3, 4, 19, 25. No winner of the jackpot of €5,700. Lucky dip: €50 Carla Griffin, Camp and €50 Daniel Ashe, Aughills. The jackpot will be €5,750 for the draw on Monday the 13th of June. Many thanks for all your support this week and thank you to this week's lotto team for facilitating the draw. You can purchase your tickets for the draw via Clubforce or through the local outlets. Thank you for your continued support of our club lotto.

COUNTY LEAGUE ROUND 8

Keel's round 8 fixture versus Beale will take place this Sunday at 2pm in Keel. Best of luck to the team and management.

COUNTY LEAGUE ROUND 9

It was Keith Evans who found the bottom corner of the net after 40 seconds of play which gave the Keel men the start that they were looking for. Stacks responded with a free from Conor Myers however, it was Keel who dominated possession after this well taken free. Tommy Buckley added four points to the board, two coming from frees. Austin Stacks found it difficult to break down the Keel defence but in the 22nd minute Calvin Foley sailed one between the posts to leave it 1-04 to 0-02. Just when Austin Stacks were beginning to break down the Keel defence, the home side added another goal. Keel won the kickout through Shane Evans and he quickly supplied the ball into space for Keith who drove at the Stacks defence before delivering the ball across the square to David Couchman who punched it to the back of the net. Stacks responded well with a point from John Carmody and another off the left boot of Calvin Foley. Couchman extended the home side's lead in the 27th minute with a point which left it 2-05 to 0-04. The half wasn't over though, and Stacks weren't giving up. In the 30th minute, Austin Stacks won a free on the 45-metre line. Centre forward Gearóid Sheehan delivered a diagonal ball into Conor Myers who collected the ball mid-air, and he made no mistake blasting the ball into the back of the Keel net. At the interval it was Keel 2-05 (11), Austin Stacks B 1-04 (7).

Austin Stacks B outscored the home side in the second half however, a 3rd goal from Keel was the difference in the end. Shane Evans opened proceedings in the 2nd half with a point before Stacks began to find their rhythm adding on two points from play. David Couchman added one off the right boot to leave it 2-07 to 1-06 eight minutes into the 2nd half. Stacks narrowed the gap to 3 points shortly afterwards with a point from Kerry U20 Jordan Kissane. However, just when Stacks felt they were clawing their way back into the encounter Keith Evans added a point before his brother Shane rattled the back of the Stacks net. It was 3-08 to 1-07 to Keel halfway through the 2nd half. Stacks added another point from play four minutes later and Keel responded with a point from Lachlan Griffin. This was Keel's final score of the game, but Austin Stacks added four points before the final whistle, one from play and three frees from Donagh McKivergan. The final score was Keel

MKL Gaels : Well done to the U15 Féile team and management for getting to the semi final of the regional GAA Finals in Mallow.

3-09 (18), Austin Stacks B 1-12 (15).

UNDER 13

Both U13 teams travelled to John Mitchels on Sunday evening. First up were our B team and after a titanic battle they eventually went down by 3-06 to 2-10. In the 2nd game our A team went down to a strong Mitchels side 4-13 to 1-11. Both teams have county semi-finals next weekend. Best of luck to both teams and their coaches.

UNDER 7: Great numbers & lots of skill development at training on Sunday morning. Unfortunately, our GoGames matches against John Mitchell's were postponed as they were unable to travel. Next week we will be playing ARDFERT away more than likely on Sunday. Details will be confirmed via WhatsApp.

KERRY SOUTH

Well done to Brien Mangan and Ryan Costello who played with the Kerry South U14 team in Kildare on Saturday! They recorded a good win against Kildare. Well done lads, a fantastic achievement! We hope you'll have many more days in the green and gold

KERRY MINORS

Congratulations to Liam Evans and his Kerry minor teammates on their win over Tyrone in the All-Ireland Quarter Final on Saturday. The Kerry minors will play Mayo on Saturday the 25th of June in the All-Ireland semi-final. Best of luck to all the players and their management.

KERRY SENIOR LADIES

Well done to Ciara, Caoimhe, Niamh and the Kerry Ladies football team on their two point win over Galway on Saturday evening. They will play Westmeath in round 3 on Saturday the 25th of June. Best of luck to the ladies and their management.

KERRY MASTERS

Well done to the Kerry Masters team especially to Jason Foley and Terry O' Sullivan. The final score on Saturday encounter was Kerry 1-17, Cork 2-07.

DR. CROKES GAA CLUB

CO. LEAGUE DIV. 1 DR.CROKES 1-13 SPA 0-10

Our Senior team recorded another win in the County League with victory over Spa on Sunday

last. Spa started the brighter with two early points, one a free and the other from play. Mark O'Shea then opened the scoring for Crokes in the 10th minute. Both teams were equally matched and scores were even at half time. A well taken goal by Daithi Casey in the 7th minute of the second half gave us a 1-8 to 0-8 lead. With a good defensive display, we pushed on from there and finished comfortable winners. Our next outing will be at home to Gneeveguilla on June 26th.

CO. LEAGUE DIV. 3 DR.CROKES 0-11 SKELLIG RANGERS 3-13

A slow start for our Senior B team resulted in two early goals for the visitors. It was always going to be a tough battle from there. The boys worked hard leaving the two early goals the difference between the sides at half time. We battled until the very end but unfortunately the two elusive goals that we needed did not materialised and we fell up sort at the final whistle. The score line does not reflect on the players who all put in a great effort and never gave up. With 3 senior teams out on the same day it was always going to be a difficult task to field our strongest team.

CO. LEAGUE DIV. 6 DR.CROKES 1-14 FOSSA B 1-9

Our Senior C team recorded a good win at home to Fossa on Sunday.

U14 GIRLS had an excellent win on Sunday night against a very good Furies side coming out 6-8 to 1-4 winners. Annie Brosnan and Siofra Randles were dominant in the middle of the field with Aoife O'Donoghue, Vanessa Karavanova and Ciara Mulcahy putting in very strong performances in defense. Keva McCarthy, Bethany Byrne and Miren O'Connor kept the scoreboard ticking over. All the hard work and training over the last few months is showing as our girls are improving in every game. Well done to the girls and their coaches.

OUR U10 GIRLS took part in a Kerry LGFA blitz in Fossa on Sunday afternoon. A great day was had by all with plenty of game time for our young players. They were delighted to meet Kerry star Danielle O'Leary who was happy to pass on a few tips. Thanks to Fossa for hosting.

ACADEMY

The Donie Sheehan Dr.Crokes Academy Blitz will take place on Saturday June 25th 10:30-

12pm. There will also be a bake sale on the day as a fundraiser for the Academy. If anyone is interested in helping out, please let us know. All are welcome.

WELL DONE to Shay O'Meara, Maidhcí Lynch and the Kerry minors and to Kayleigh Cronin and the Kerry senior ladies in their respective championship wins on Saturday.

SYMPATHY Sympathy to Michael Kenny Muckross on the death of his sister Mary Courtney.

KILLARNEY LEGION GAA CLUB

SENIOR MEN

The Senior Men earned an enthralling yet merited win over East Kerry rivals Rathmore in Round 9 of the Senior County League in front of a fine crowd at a blustery Direen. The home side made the faster start when James O Donoghue clipped over a point from play following a fine run by Peter O Sullivan. Jamie O Sullivan was next on the scoresheet with another from play and subsequently a free before Chrissie Spiers opened the Rathmore account and went on to kick the next two to bring the sides level at 0-3 each. The rest of the half belonged to the home side as they kicked a further six points through Thomas Moriarty, Jamie O Sullivan, Peter McCarthy(2) and James O D(2) all scored from play to make it a three point half time lead 0-9 to 0-6. The second half started in the same vein with a James O D free and then thanks to the perseverance of Thomas Moriarty, who set up Ryan O'Grady for a vital goal. Finbarr Murphy profited from a turnover by James O Donoghue to slot home into the bottom corner. This put

Legion firmly in the driving seat with a 2-10 to 0-6 lead but Rathmore rarely die without a fight. They stole in for a goal but that storm was weathered by a great score from James O D and another from Luke O Donoghue. Brian Kelly then produced a fine save to deny Spiers as Owen Benson and Mark Heffernan were introduced for Finbarr Murphy and Peter McCarthy with the score at 2-12 to 2-8. Incredibly Rathmore would add 1-1 to their tally and with five minutes left the sides were level, 2-12 to 3-9. Not for the first time James O D stepped up with a great point and then Ryan O'Grady kicked a point following on from some great team play.

Some stout defending led to a breakaway when Peter O Sullivan got on the ball deep in his own half. He was not to be caught and as he faced up the goalkeeper he slipped the ball to the supporting James O D who coolly slotted home his side's third goal. There was still time for another Rathmore raid but there was to be no denting of the Legions rearguard. This latest victory moves Legion into mid-table on nine points with two rounds to go.

LADIES UPDATE

Another lively week for our Girls teams with the U14s being particularly busy. The Green team maintained their winning start to the County League with an impressive home win over Kilcummin. They will head to Ballybunion this week to play Beale in the best of form having struck for seven goals against Kilcummin with all 19 girls taking part. Not to be outshone the White team also had a good week, controlling their game against Listowel Emmets from the get go, and making light of a stiff breeze, and running out 2-7 to 1-3 winners.

Ballybunion on a windy day is always a stiff test but the girls took it all in their stride and came away with a great win, 2-7 to 0-2. The seeds were sown in the first half when leading 0-5 to 0-2 despite playing against the elements.

Away from the GAA fields and drifting slightly to the soccer pitches, congrats to Kate Forde who captained the Kerry Gaynor Cup soccer team who performed with such distinction in the past week in the competition played at the University of Limerick.

The U12s took on Scartaglin in Cordal Tuesday evening and overcame a slow start, they trailed 1-5 to 0-2 at half time, to put in a tremendous

performance in the second half and run out 3-5 to 1-6 winners. These girls have stepped up in divisions this summer and are more than holding their own.

JUVENILE BOYS

The Go Games continued this week with our U9s making the short trip to Kilcummin and the U11s in Cahirciveen. The idea of these games is to give a gentle introduction to matches in an enjoyable and non competitive environment, an ideal opportunity to hone skills in a fun way.

The U13 boys had a double fixture this past week. The Green Team welcomed Milltown/Castlemaine to Direen on Tuesday evening and bounced back from their previous round defeat to Austin Stacks in great style, running out 4-11 to 0-11 winners. They travelled to another Mid Kerry side on Sunday evening when they faced Laune Rangers. The old adage "goals wins games" held through as the hosts ran out 3-10 to 0-11.

The White team went along the West Road but found Annascaul/Lispole a tough nut to crack. Despite going down they have still qualified for the semi final where they will face Moyvane.

The Green Team qualified for the Division 1 Shield semi final when they will host Na Gaeil in Direen next weekend.

FR JIM LENIHAN

Huge congratulations to Fr Jim Lenihan, an ardent Legion supporter, as he celebrates his Silver Jubilee as a priest. A special celebratory mass is being held this Friday June 17th in St Mary's Cathedral and all are welcome.

SENIORS

FOSSA SENIOR MEN: Cromane 2-6 Fossa 1-13 Fossa kept their position at the top of the county league Div 4 with a hard-fought win in Cromane against a very determined Cromane side.

Fossa played against the breeze in the first half and went in at the break in control of the game leading by 7 points to 5 after pts from Harry

MKL Gaels U12 White:- drew against Cromane in a nail-biting game and played Moyvane in Moyvane last Wednesday and won comprehensively.

Kelly, Matt Rennie, Harry Buckley and Dan O'Keffee - but 2 quick goals by Cromane in the first 10 minutes of the 2nd half put them in control of the game.

The introduction of Emmett O'Shea returning from injury kicked two long range points, a point by Harry Kelly settled Fossa a goal and 3 points by Tadgh O'Shea saw Fossa run out eventual winners.

Up next for Fossa is at home to Castlegregory in 2 weeks. Well done to both players and management.

Dr. Crokes 1-14 Fossa B 1-09

Fossa goal scorer Cillian Finn.

BOYS U13

Fossa hosted Cordal at home on Sunday evening. Fossa raced into an early lead with scores from Thomas O'Shaughnessy (2) & Eoin Bennett (2). Against the run of play Cordal scored 1-1 to draw level. Fossa took control again with three more points before Cordal scored a second goal to bring them right back into the game. Ross O'Gorman & Eoin Bennett were a constant threat throughout the half. A goal and a point from Mike Moroney left the half time score at Fossa 1-7 Cordal 2-1. Cordal took over in the second half and scored an impressive 2-7 to Fossa's 0-3. Dara Whelton in the Fossa goal made some superb saves to keep Fossa in the game. While Luke Clancy & Morgan O'Brien also battled well throughout the game. In what was very much a game of two halves, Cordal ran out winners with a final scoreline of 4-8 to 1-10.

KERRY

Well done to the Kerry Ladies especially Fossa's Erica McGlynn and Anna Clifford.

CREDIT UNION COUNTY SENIOR FOOTBALL LEAGUE: DIVISION 2, ROUND 9 RESULT AND ROUND 10 FIXTURE UPDATE

MILLTOWN/CASTLEMAINE 'A' MADE IT back to back victories in the County Senior Football League on Sunday afternoon after coming away with a six point win (3-09 to 0-12) against John Mitchels in Round 9 at Ballyseedy. John Mitchels were quickest out of the blocks, opening up a 0-3 to 0-0 lead inside the first quarter. Milltown/Castlemaine steadied the ship however as the half wore on with Eanna O'Connor tagging on a number of frees whilst Cillian Burke landed our solitary point from play in the first half to see the sides enter the half-time interval all square at 0-6 apiece. They say goals win matches and that certainly rang through in the second half as an Eanna O'Connor penalty after Gavin Horan's goalbound effort was leg blocked, a sublime run and finish to the top left hand corner from Cillian Burke and a third goal from Horan seen us head down the home stretch of this contest with a 3-07 to 0-09 lead. John Mitchels did push hard late on and three unanswered points did see the lead reduced to four but two late Eanna O'Connor frees into the wind saw us run out victors with six points to spare.

COUNTY SENIOR DEVELOPMENT LEAGUE: ROUND 5 FIXTURE

Milltown/Castlemaine 'C' will take on Waterville 'B' on Friday next, June 17th at the Paddy Burke Memorial Park, Milltown in Round 4 of the County Senior Development League. Throw-in is fixed for 7:30pm. Our lads have two wins from four games thus far in this competition.

U-13 FIXTURES: UPDATE

THE U-13 GREEN AND WHITE sides took on Austin Stacks on Sunday evening with two outstanding games of football on display for the spectators. The White side just came up short losing 5-09 to 4-11 whilst the Green side produced a terrific second half performance having been well down at half-time to take a draw from the encounter at the end, the game finishing 5-02 to 0-17. Great effort by both teams.

A Word of Victory

Welcome back dear student. "See that you do not despise one of these little ones. For I tell you that in Heaven their angels always see the face of My Father who is in Heaven." (Matthew 18:10). As little children many people have had encounters with God our Creator. Some remember; some don't. When you look at the face of a baby we adults are touched by their innocence and purity because you can see the love of God in them. Then they grow up! Ha-ha... only joking! I heard a testimony of a woman who, since she was a small child, saw the Lord Jesus and He spoke with her.

Years later, as a grown woman she was visiting a place in Israel way up in the hills. The road up to the village on top was very dangerous. Suddenly, as often happens in the mountains, a wind blew up out of nowhere. It was menacing and violent and it frightened her. As she drove on, her car was abruptly thrown off the road by the wind, and she found herself hanging on the edge with several hundred feet of a fall beneath. She felt utterly helpless and cried out to the Lord Jesus (Romans 10:13). She knew that if she moved the car might fall off the cliff. Next thing, a tiny red car screeched to a halt by her side. Four huge men all dressed in matching boiler suits jumped out of it. It was such a peculiar sight – she wondered how they had fitted inside the small car because they were all so tall!

One of the men approached her window to speak to her. Let me go back though – when she had those encounters with the Lord as a small child He would always call her 'little one'. Ok – fast forward again to the cliff – the man in the boiler suit looked her straight in the eye as she sat there petrified and, with a glint in his eye, he said to her 'you're in trouble little one'. The four men lifted her car back upon the road, got in their own tiny red car and sped off. When she finally reached the village at the top she enquired where they were as the road through the village was a dead end and no other cars had passed her on the road. No-one there had seen any red car drive through, and had seen no men in boiler-suits working in the village. They were all puzzled but this lady knew that God had sent His angels to rescue her confirming it by using the special name He always used to address her 'little one' (Isaiah 43:1).

The Scriptures have much to say about angels. How God sends them to protect believers who know Him and seek Him. "For he will command his angels concerning you to guard you in all your ways." (Psalm 91:11). But we are not to worship angels! They are ministering spirits sent out to serve (Hebrews 1:14). John was given revelation of the end times by an angel. He fell down to worship him but was quickly told "You must not do that! I am a fellow servant with you and your brothers who hold to the testimony of Jesus. Worship God." (Revelation 19:10; Exodus 20:3) Don't talk to your angels – talk to the Lord Jesus, and listen to His voice (Hebrews 1:1-8; John 10:4+27).
