EDITOR'S NOTE

It has been a hectic few days for Leaving Certificate Students in Killarney this week with their Debutantes Ball taking place on Monday and their results coming out on Wednesday. We have documented both events on the pages of our magazine this week with lots of happy faces captured on both days.

Killarney parishioners in Medjugorje prayed for the speedy recovery of a young Killarney student, three Novices were professed at The Friary and we have everything you need to know about Heritage Week.

As the hectic season continues in Killarney, take some time out and enjoy this week's Killarney Outlook – Out first every Friday!

260 Killarney Students Collect Their Leaving Cert Results

The air of anticipation was palpable around Bishops Path on Wednesday morning as the students from the three secondary schools in Killarney made their way to their respective schools to collect their Leaving Certificate Results.

Over 1800 students in Kerry sat the Exam and this year - which was the second year of the grading system which was reformed in 2017 with the introduction of a new 1 to 8 numeric system replacing the previous system of letter grades (A1-NG).

Over 70 students of the class of 2018 collected their Leaving Certificate results from St. Brigid's Presentation Secondary School on Wednesday.

There were cheers and smiles as the agonizing wait finally came to an end when the girls gathered in the school from 9a.m. and collected their results from school Principal, Ms. Róisín Moore.

"We are delighted with the results this morning - they were an excellent group of girls who contributed significantly to school life over the past 5 or 6 years. They were all rounders. One of our students achieved 7 Higher Level Grade 1's, 13% of the girls achieved over 550 points while 25% achieved over 500 points and 67% of our Leaving Certificate Applied class received distinctions. These grades are well above the national norms. All of the girls can be very proud of their achievements", Ms. Moore told the Killarney Outlook.

"We would also like to congratulate their teachers for their dedicated work and the parents who have supported the girls and our school over the past 5 or 6 years. We wish all the girls the very best on Monday when the CAO offers are made", she added.

80 students at Killarney Community College received excellent results on Wednesday.

"Results in both Leaving Certificate and Leaving cert applied were very strong with distinctions and merits achieved in leaving cert applied and in the Leaving certificate Higher grade 1's achieved in Mathematics, English, Irish, Languages and History. Mathematics results were particularly strong with success rates well above the national norms, with all students

Éadaoin O'Donoghue a student at St. Brigid's Presentation Secondary School who received the 7 H1's in her state exams.

reporting that they well attained Maths scores that will take them into further education and College.", a spokesperson at the college told the Killarney Outlook.

The College Refectory in St Brendan's College was filled with the rich air of anticipation for the group of 110 students as they awaited the arrival of the results envelopes which heralded a passport to a new phase of their young lives.

"With the cohort now heading for courses in Trinity, UL, NUIM, UCC, CIT, ITT, UCD, the Agriculture College in Pallaskenry, with targets of PLC's, apprenticeships and the occasional "Gap Year", these young men are now stepping into the next phase of their lives", Sean Coffey told the Killarney Outlook.

Principal Coffey also emphasised his satisfaction that students had achieved at the highest level in the twenty subjects on offer at Leaving Cert level in the College. He also recognised the myriad levels of ability in the year group and congratulated all those who had worked to achieve their best in accordance with their ability.

For the vast majority the focus for students now moves to Monday and the offer of CAO places in Third level. Career Guidance teachers will be on hand at the each of the three schools to advise and guide any student with regard to their options at this stage.

With the world at their feet...

Jim O'Brien, Paul Moriarty Ewan Weldon Andrew Quinlivan Principal Sean Coffey and Dylan White Jonathan O'Rourke Sean O'Neill Patrick O'Leary pose for the camera pictured with their results at St. Brendan's College on Wednesday.

St Brigid's Pupils: Ellen Corridon, Éadaoin O'Donoghue, Sarah Leahy & Siobhán Burns. Ellen, Éadaoin, Sarah & Siobhán are hoping to secure their first choice courses: Pharmacy, Science, Engineering & PE teaching in UL respectively.

Taking their vows...

FIRST PROFESSIONS AT THE FRIARY KILLARNEY

A First Profession ceremony took place at the Franciscan Friary this week with Brothers Philip McMahon, Daraigh Quinn and Drew Keeley taking their first Vows in the Franciscan Order.

They had completed their Novitiate of one year and were the first Novices of the Interprovincial Novitiate set up in Killarney last year. In their group was also Brother Edvinas Jurgutis from Lithuania. Br Edvinas made his Profession in his home country.

The Vows were received by Fr Joe Condren, OFM, Vicar Provincial of the Irish Province. Fr Joe in his homily spoke about the three Apostles who went with Jesus to the Mount of Transfiguration. The words of St Peter, "it is good for us to be here" were echoed by all who were present in the church. The liturgy was directed by Fr Antony, the Novice Master. Music was provided by the Friary Folk Group, Marina Cassidy and Angel, the Friary organist. The Guardian, Fr Liam, on behalf of the newly professed, thanked all who had accompanied them on their journey. He spoke of the historic link with Muckross Abbey where many years ago Novices had made their Profession. The newly professed will now go on to Athlone Friary, and from there attend Maynooth College for their three year study of Philosophy. Ending his words of thanks Fr Liam told an amusing story. He recounted the story

Three newly professed L.to R Drew Keeley, Daraigh Quinn and Philip McMahon.

of a young man who came to join the Novitiate some years ago. He was told to take the train from Dublin to Killarney, and at Kilarney to go to the big house not too far from the Station. He walked to the big house, carried in his case and umbrella. He was truly impressed by the beauty of what was to become his new abode during the Novitiate. He asked to see the Novice Master.. only to be informed that this is not the friary "It's the Great Southern Hotel"!

The Power of Prayer...

Killarney Parishioners Keep Niall In Their Prayers On Cross Mountain

A group of Killarney parishioners who are on a pilgrimage to Medjugorje said prayers at the top of Cross Mountain for the speedy recovery of young Legion footballer, Niall McGillycuddy who is battling Leukemia.

The group which was led by Fr. Jim Lenihan was joined by Joanne Pierce who packed a set of Legion Jerseys including Niall's Number 14, which Joanne wore when they climbed Cross Mountain to pray for the 16 year old St. Brendan's College student.

Niall, who is the son of Sheila and Daithi and brother of Ellen and Jane is one of Legion's up and coming players and is a very talented sharpshooter.

"I brought the Legion jerseys to Medjugorje to let Niall, Sheila and Daithi and their family know that they are in our thoughts and prayers", Joanne told the Killarney Outlook.

The Killarney group were also joined by others from GAA clubs in Cork for the prayers.

Fr. Jim Lenihan has led groups, including many young people, to

Medjugorje for the past six years. People from Donegal, Dublin Meath, Cork and Kerry have made the trip which has transformed so many lives and which lives on long in the memory of those who make the pilgrimage.

Disability services have experienced very challenging times over the last five years and this achievement has all the more significance given this context. We are very proud to celebrate with the people we support and their families. Lighthouse & Lightship Weekend taking place

Cromwell Point Lighthouse on Valentia. PHOTOGRAPH: VALERIE O'SULLIVAN

Cromwell Point Lighthouse on Valentia Island will once again play host to the Kerry Amateur Radio Group (KARG) this weekend 18/19th Aug, as part of the 21st International Lighthouse & Lightship Weekend (ILLW). This is an annual amateur radio event held on the third full weekend in August. Over the years, the ILLW has grown to become an international event for amateur radio enthusiasts from all over the world. This year there are over 450 entrants for the event.

As this weekend is held on the third full weekend in August, it coincides with the International Lighthouse Heritage Weekend organised by the Association of Lighthouse Keepers, where many lighthouses worldwide are opened to the public. The main aims of the weekend are to promote awareness of lighthouses & lightships and the need to preserve and restore them, while at the same time to promote amateur radio & to foster international goodwill.

During the event which runs for 48 hours from midnight on Friday 17th until midnight on Sunday 19th August, the members of the Kerry Amateur Radio Group will be making wireless radio contacts with fellow amateur radio enthusiasts worldwide, via voice, morse code and digital radio transmission modes.

Full details will be on www.kerryamateurradiogroup.com

During this time, members of the public are very welcome to visit the lighthouse and an active amateur radio station in operation, communicating with other radio enthusiasts, who will be broadcasting from lighthouses & lightships worldwide. Last year KARG communicated with radio operators in over 50 countries, including South Africa, San Marino, Ecuador, Japan & Kuwait.

Valentia is very popular with international visitors and during last year's event, visitors from many countries including Australia, New

Zealand, USA & Germany visited the lighthouse. Cromwell Point Lighthouse is one of the 12 Great Lighthouses of Ireland, and as such, offers a great day out.

The operation from Cromwell Point Lighthouse is being facilitated by the Valentia Island Development Company (VIDC) & the Commissioners of Irish Lights.

The lighthouse is open to the public for guided tours from Easter – September, daily 11am-6pm, and now has a coffee shop open in the former Light Keepers house.

(Please note that opening hours are subject to weather conditions)

Further information on the annual International Lighthouse & Lightship Weekend (ILLW) is available from www.kerryamateurradiogroup.com and www.illw.net.

Visit www.valentiaisland.ie, www.greatlighthouses.com for more information on Valentia Island Lighthouse and the Valentia Island.

Muckross Traditional Farms wins 4th Sandford Award

Féile Chultúir Chiarraí (Festival of Kerry Culture) at Muckross Traditional Farms has deservedly held the Sandford Award for Heritage Education over four consecutive judging visits since 2003. Féile Chultúir Chiarraí is a week-long series of 'hands-on' workshops for Primary School children, from Third to Sixth class. This festival is hosted by Muckross Traditional Farms and takes place over 5 days in May every year. It draws on the expert skills of staff from Muckross House Research Library and Muckross Traditional Farms along with the curriculum support of a Principal Teacher from a local primary school. This popular festival for Irish primary school children from third to sixth classes (8-12 year olds) explores the traditions, customs and chores of everyday country life in 1930s and 1940s Kerry before rural electrification changed things. It is a fantastic way for children to experience and understand life from a particular time and place in rural Ireland.

"The winning of a forth Sandford Educational Award by Muckross Traditional Farms is a testimony to the quality, commitment, energy and enthusiasm of the Traditional Farms &

Muckross Traditional Farms is a conduit to showcase the best of our Irish Culture

Traditions and Skills. 2018 has been a very busy year for the Traditional Farms staff with the, 25th anniversary of its opening in May, followed by the judging of the Sandford Award, then a Royal visit in June, next up was a Nationwide programme special to celebrate 25 years of opening, then a busy season and next week a full programme of free events (see our TownTalk Pages) to celebrate Heritage Week 2018 at the Muckross Schoolhouse. www.muckross-house.ie

DIVERS DEPLOYED TO LOUGHGUITTANE AS CONSERVATION EFFORTS CONTINUE

Water levels in the lake, which supplies Killarney and Tralee, have dropped significantly since June. PHOTO: VALERIE O'SULLIVAN

Loughguittane Lake is one of six locations across Kerry that Irish Water working in conjunction with Kerry County Council have deployed divers.

The divers have been busy gathering various information in relation to water supply assets in lakes which supply drinking water to the county. Divers were investigating if pipes were suitably positioned during the drought conditions to adequately intake water to be treated and if also to examine if any leaks needed to be repaired on site. They also measured the volume of water available to Irish Water for production which is key for the utility in order to plan for the weeks ahead as drought conditions continue. Water levels in the lake have dropped 45 inches since June.

The busy towns of Killarney and Tralee are supplied by Lough Guitane and are dependent on water from the lough especially during the busy tourism season. Divers inspected the inlet pipes to ensure they were appropriately positioned as the new water treatment plant is due to come into affect imminently. This €30M investment by Irish Water will ensure security of supply for the region and improve the quality of water for homes and businesses. Irish Water and Kerry County Council are working to alleviate pressure on these schemes by fixing leaks throughout the network. Most schemes in the county are experiencing water supply difficulties due to the ongoing drought conditions and these are being addressed through a number of measures, including the exploration of new spring sources, tankering water to supplement supplies where necessary and investment in emergency measures in both networks and treatment plants to improve performance during this challenging drought period.

Any measures taken to reduce consumption, no matter how small, will help in terms of replenishing water supplies. Simple steps like taking a short shower instead of a bath, turning off taps and fixing leaks in outside taps or farm troughs all help to make a difference. We are also reminding people to report any leaks they see in the public network by calling 1850 278 278 or on the Irish Water website.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

CAN I REDUCE THE COST OF MONTHLY INSURANCES I TOOK OUT WITH MY MORTGAGE?

Yes, by comparing and reviewing your mortgage insurances you could reduce your monthly outgoings, the savings can be very substantial for example if you saved €10 per month & you had 15 years left on your mortgage this saving would be €1,800.00 over the remaining term of your mortgage. The insurances many people have include life cover, serious illness cover, house insurance, income protection and repayment protection insurance. Some of these insurances are compulsory and are a condition of your mortgage such as house insurance and life assurance and the others are not compulsory.

To compare and review your insurances is simple:
Get all the info you have on your policies & bring them to a financial advisor.
He or she should have access to various banks and insurances companies for some or all of the above products and will do a comparison of these products for you, explain in detail what cover you have & let you know if you may be overpaying for some of these insurances. They will also let you know if your products are good value for money and more importantly if you do not have adequate cover in some areas.

To make an appointment in relation to the above or any other matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

Killarney Chamber of Tourism & Commerce Update

Tidy Towns

The judging process is currently underway. This year, the voluntary contribution, particularly of our town meitheals, has been brilliant. A combination of this work and certainly an increased output from the Killarney Municipal District has meant the town has never looked so good.

Well done to all the businesses that have invested in their premises and added to the overall improved aesthetic of the town.

The 'Killarney Looking Good' awards were held last Friday in Scott's hotel, with Daniel O'Donnell as guest of honour.

Congratulations to all the winners and especially overall winner, The Laurels.

Purple Flag

The assessment took place on Friday 27th July. The feedback from the assessors was positive and I want to acknowledge all the businesses; owners and staff, that made the judges welcome. The Purple Flag recognizes excellence in a night-time economy. I am sure that the assessment will be very positive and we will be successful in our retention of the Purple Flag.

National Tourism Forum

A date for your diary, the Let's Talk Tourism forum will take place on the 8th November. Once again, the event is kindly sponsored by AIB and in partnership with Kerry County Council, SKAL Kerry and IHF Kerry. This event gets bigger and better each year. This will be the third annual conference in this the home of Irish tourism.

TEIR One

At the beginning of the year Killarney Chamber launched the Killarney tourism economic impact report (TEIR One). Since then we have held meetings with ministers Brendan Griffin and Josepha Madigan, Tourism Ireland and Failte Ireland chiefs, Kerry County Council and an Taoiseach Leo Varadkar. The report has challenged many of the preconceptions about Killarney. A strategy and action plan is being worked on to tackle some of these 'issues', working with our government partners.

Killarney; A Destination For All

On Thursday 27th September, Killarney Chamber, in association with Failte Ireland and Kerry County Council, will host an open business meeting to officially launch "Killarney: A Destination For All". All are welcome. Further information to come over the next few weeks.

Family BBQ

On Sunday 2nd September we will host a Chamber family bbq at the Killarney racecourse. We had a fantastic day out two years ago so please come along, bring the kids. There will be a variety of fun and games for all the family and a chance to socialize with your fellow Chamber members in an informal setting.

Looking Very Good...Kate O'Leary of the iconic Laurels Pub in the centre of Killarney town, who premises won the much coveted Overall and Best Commercial Premises in this years 'Killarney Looking Good' 2018 Competition. The Laurels pub exterior was transformed from the well known red, pink and green to very classy shades of grey - the talk of the town! Twenty seven years ago The Laurels Pub won the First Overall Killarney looking Good Competition, when Kate's parents, Con and Ann O'Leary were presented with the trophy.

GRADUAL CHANGES GIVE A GLIMMER OF HOPE AT GORODISHCHE

Gary McGowan, a final year Physiotherapy student at UL has just returned from his 5th visit to Belarus. The Killarney native, and son of Jerry and Julie McGowan tells Killarney Outlook about his experiences and how he sees a change in the orphanage that he volunteers in.

Gary McGowan and Laura Dwane pictured with one of the residents at Gorodishche

As the dust settles on another amazing trip to the Gorodishche orphanage, I can't help but feel like this trip was a little different to others. For the first time, I began to notice the accumulation of the gradual changes that have taken place in the past couple of years, to produce some pretty positive outcomes, along with a glimmer of hope for the future.

In the past, I feel like I was somewhat blind to this. When I first travelled to Gorodishche in 2016, all I could see were the smiles in front of me. I was unable to contextualise the transience of those smiles while we were there and failed to acknowledge the reality of the future the kids face as they move through the orphanage system. With each successive trip, I feel that became more and more apparent to me, which was challenging at times. The absence of a loving parent and the daunting fate of an adult asylum were two of the more potent realities that you have to come to terms with as a volunteer, which isn't easy.

However, as I said, while on my fifth

trip this time, it was different. I found it easier to pull myself away from any negative thoughts, instead focusing on what can actually be done in the here and now to create some sort of positive change. That's not easy to do, as we are all pretty much programmed to focus only on the negative aspects of just about everything.

There have been a lot of positive changes in the orphanages in Belarus, thanks to the Burren Chernobyl Project and other such charities who work tirelessly to better the lives of the kids and adults within that system. These changes include better healthcare, bedding, independent housing, mobility aids and other such specialised disability equipment, along with a lot more. One of the pitfalls of so much specialised equipment being donated is that not everyone is familiar with how to use it, unless they have a background in physiotherapy, occupational therapy or another profession involved in the management of physical disability. Thankfully, due to our volunteer group's physiotherapy background, we were

able to dust off some of the amazing equipment that had been donated and put it into practice.

As you can see in the images, standing when you have never stood is a pretty good feeling. Sure, we could get caught up in the benefits of standing on bone mineral density, circulation and so on, but the biggest perceived benefit to both us and the kids themselves was the joy that it brought them. Thankfully, some of the very kind teachers at the orphanage were interested in how to use the equipment, so now that they know, we hope that it will be put into practice long into the future.

Change is not about overthrowing everything at once. Change is about small, gradual improvements that accumulate over time to produce positive outcomes. The orphanage system in Belarus is not going to change overnight, nor are the attitudes of the public toward keeping a child with disabilities. But what can change are all of the minor details that go into improving the lives of each and every child, which becomes incredibly meaningful over time.

As always, I want to thank the Burren Chernobyl Project for the amazing work that they do, along with those volunteers more experienced than me who have helped to carve the path for more and more young people to visit Gorodishche. I am sure I can speak for all of our group who travelled when I say that it has and will continue to be a life-changing experience that we are eternally grateful to be part of.

If you happen to be interested in volunteering with the Burren Chernobyl Project, you can find out more at BurrenChernobyl.ie.

Friday August 10th marked the first day of the popular event; a day commonly referred to as 'Gathering Day'. And for those who attended the first day of Puck Fair, it was certainly the case that 'the early bird catches the worm', with Ireland's longest-running Horse Fair kick-starting events in the early hours of the morning.

Celebrations continued late into the evening over the weekend with some fantastic music on the town square's main stage, entertaining the masses until midnight over the weekend until the **Dethronement Parade and Ceremony** on Sunday evening when King Puck returns to his mountain home.

Festival in Finland. The ethos of the band is to create a musical landscape that brings an array of colors and shades to the tradition. The group have just released their first record with the help of experts in the field of traditional and contemporary Irish music, Jack Talty (Ensemble Eriu) and Sean Og Graham (Beoga). While their recording has garnered much praise, it is in live performance that the trio come alive, bringing the audience into the world of their own imagination.

Brookfield College: Helping Students Reach Their Potential

The exceptional success rates achieved by previous Leaving Cert classes at Brookfield College continued when the class of 2018 received their results this week. Now beginning its 31st year, the College is located in a new modern school in Monavalley Tralee. Brookfield College is a leading provider of private second level education, offering a full-time programme for fifth year, sixth year and repeat Leaving Certificate students. At present the school is busy enrolling students for the coming year.

According to Principal Elisha Dowling there is an atmosphere at Brookfield College where students are encouraged and expected to perform. While Brookfield College has a record of very impressive results at the top end of the scale Elisha was keen to point out that it not all about the high achievers. "Our aim is for each student to reach their potential. For some students 300 points or less can be a great achievement. We all have different academic abilities and talents. Once someone can say they did their best that's what is important." Senior Cycle is tough and requires commitment dedication and effort. It is important that people are happy in their school environment. "Students really enjoy their time with us. They get a lot out of the year besides the results and find it a great preparation for Third Level. Another important component of the senior cycle is Career Guidance. Each student gets an initial 1-hour session of guidance plus a follow up session if required. According to Guidance Counsellor Bernie Slatery "This contact is vital as it clarifies a lot of issues for students" Repeating Leaving Certificate can be the right option

At present some students will be considering repeating their Leaving Certificate. Disappointing results present us with difficult decisions and fewer choices. You may have missed your first choice by a few points. You may just feel that your results do not accurately reflect your ability. Repeating the Leaving is not an easy option but often it is the right one. A change of environment with a different approach can be worthwhile. According to Elisha Brookfield College offers that alternative. "Our average increase for repeat students last year was 87 points. With the right attitude and work rate a feeling of disappointment and regret can be turned into

a feeling of elation and satisfaction in the space of a short academic year. In a competitive market for jobs and third level places opportunities exist for those who have proven their ability. For those with little to show doors remain closed. It is worth considering before you decide your next move. As well as full time courses Brookfield College also offers a comprehensive programme of weekly grinds in most subjects. Revision courses, and a supervised study option are also provided. For details on any of the above contact Brookfield College, Monavalley, Tralee. Phone 066-7145896 www.brookfieldcollege.ie

Excellent Leaving Cert results in Kerry but view and photograph your exam scripts

(By Billy Ryle)

The eagerly awaited Leaving Cert exam results were issued yesterday by the State Examinations Commission (SEC) to about 58,000 candidates. The results dovetail nicely with the Rose of Tralee Festival so celebrate your achievement but keep a close eye on the closing dates. There are deadlines to be met in order to secure a place on your course preference. The early indications are that Leaving Cert results achieved in Kerry are excellent, so offers of third level college places will flood into the region next Mon, 20th Aug, when the first round of college offers is issued by the Central Applications Office (CAO).

It's in your best interests to view your marked Leaving Cert scripts this year, so return the completed application form to your school by Tue, 21st Aug. You will be assigned to one of the viewing sessions, which will be held on Fri, 31st Aug from 6.00pm to 9.00pm (Session 1), Sat, 1st Sept from 9.00am to 12.00noon (Session 2) and Sat, 1st Sept from 2.00pm to 5.00 pm (Session 3). Make a copy of your Leaving Cert scripts at the viewing by mobile phone, tablet or digital camera.

If you wish to have any of your subject scripts re-marked through the appeal process, use the Appeals Application Service, which will be available from noon on Mon, 20th Aug. Use your exam number and PIN on www.examinations.ie to access the Appeals Application form. Select the subjects you wish to appeal. Print the Appeals Application form after you have paid the appropriate fee and return it to your school no later than Mon, 3rd Sept. The appeal fee is €40 (LC) or €15.50 (LCA) per subject. Results of Leaving Cert subject appeals will be released in mid-October.

Last year, 9806 grades in individual subjects were appealed by 5615 candidates. 1425 of those grades were upgraded, which is about 14%. Only four grades were downgraded. The SEC automatically informs the CAO of all changes of results. If you are entitled to a further offer from CAO as a result of the outcome of the appeal, the CAO will automatically issue that offer to you, although it may be for entry in 2019.

The CAO vacant places facility opens on Tues., 21st Aug. (noon) at www.cao.ie. This facility is open to both those who have already made an application to CAO, whether placed or not, and to those who have not applied to CAO. Persons who have not applied already may make a vacant place application on payment of a fee of €45.00. Persons who have already applied to CAO may apply for a vacant place on-line without payment of a further fee.

Leaving Cert results are personal and private. You decide who should know about them. However, if you need any advice, avail of the National Parents Council Post Primary confidential help line which became available yesterday. During the next few weeks, Guidance Counsellors are staffing that invaluable help line, providing advice and guidance for candidates and their parents. The help line operates on Wed 15th Aug (10am-7pm), Thurs, 16th Aug (10am-7pm) and Fri, 17th Aug (10am-1pm) following the release of Leaving Cert results. The help line will also be available on Mon, 20th Aug (8am-7pm), Tues, 21st Aug (8am-7pm) and Wed, 22nd Aug (10am-1pm) following the release of CAO offers. The free phone number is 1800 265 165.

In the next article, I'll analyse the trends emerging from CAO Round One offers, which will be issued on Mon. I'll also give some advice about accepting your CAO offer online.

Prepare early for Third Level Costs

With the latest round of CAO offers out next week, Killarney Credit Union is advising parents and students to call in now to discuss their college finance options.

With the average cost of living for a student in Ireland studying away from home for three years amounting to over €33,000, and those living at home amounting to €20,502*. The credit union is recommending that parents call in and speak to a dedicated student loans officer to discuss their needs.

Speaking about Third Level costs, Helen Courtney Power, Business Development Officer with Killarney Credit Union stated "With the first round of CAO offers out on August 20th, there is pressure on parents and

students to quickly organise accommodation, pay student contribution charges and meet the array of costs associated attending college.

We are recommending that parents and students come in early, discuss potential college finance needs and provide the necessary loan documentation. The member can then obtain pre-approval for the student loan, and they need not draw it down until its required. The amount required may also be adjusted later to suit the students course duration or college attended.

Helen added "Both parents and students can find meeting the costs of third level stressful and daunting and recent research

have shown that approximately six-out-of-10 parents get into debt to cover college costs*". Killarney Credit Union have put in place dedicated student loans officers for the month of August who can meet parents and students by appointment in each of their branches. Appointments can be made with Karena in the Beech Road branch, Donogh in the Park Road branch and Eileen in the Kenmare branch on 064-6631344.

Top tips on How to stay Healthy & Happy on sun holidays:

PART TWO

Don't order extra chips and breads at meals. Most holiday destinations will serve up local cuisine which has smaller portions than we may be used to at home! This isn't because they are miserable, it's probably because our portions are too big at home so use this as a welcomed education lesson on calorie control. Who knows you may even loose weight on your next holiday if you start eating what the locals do.

5- don't order loads of high sugary cocktails there are loads of hidden calories in these so be warned, it is a sure way of packing on the pounds. If your usual drink is a gin and slim line tonic then best to stick to that instead of a pina colada's (but one final word of warning the measures are probably double from what you are used to at home do take your time drinking and as advised above drink water in between drinks)

- avoid eating for the sake of eating when at airports. Maybe eat before you fly out you will save yourself a fortune and take the opportunity in the airport to relax and read a good book instead of running to McDonald's and getting frustrated and hungry in a very long queue

- use your time on holidays to relax and unwind from the stressors from home, maybe leave your phone after you during the day and use the time to catch up with who you are traveling with. We all know what it's like watching the family on holidays that are a clicking away on their phones! Don't be one of these and use the time to connect with each other. It will do wonders for reducing stress levels.

The happiness plan

When it comes to happiness there is no "one size fits all". Being happy is a deeply personal thing. Here are my four top tips for living happier every day!

Here are a few simple basics:

- 1. Happiness gets created while you're busy doing other things... it happens when you:**
 - Set the intention to be happy – whatever you've got to do today
 - Live as the "real you"
 - Have a choice; for example to know your limits and say no
 - Take action
 - Love yourself and your life
- 2. Happiness comes from the heart**
Following your heart, rather than striving to follow someone else's idea of happiness is a vital key.
- 3. Happiness comes and goes**
You can't hold on to happiness – it's a fleeting precious feeling. Trying to stay on a happiness high is not a good idea... it's ok to come down. It's generally about being a happier version of yourself.
- 4. Happiness is not automatic**
Happiness often does not come from doing the things that we are supposed to do – find a good job, own more than others, have children, etc. Many people have more than they have ever had before but are living unhappier lives than ever before. Their real clues to your happiness lies in your values, dreams, authenticity, self-esteem, thinking and actions!

5 USES FOR OLD PLASTIC PILL BOTTLES

If you've got a load of old prescription pill bottles lying about and have no idea what to do with them the best thing you can do with them is to reuse them. Luckily, there are plenty of things that you can do with a pill bottle after it has been cleaned and sanitized properly.

*If you collect seeds at the end of the season, one of the best places for you to store them is a pill bottle. This will ensure that they'll still be in good shape when you decide to plant them.

*Pill bottles perfectly fit inside your car's door cubby or glove compartment, which make them ideal for storing a stack of loose coins, which you can use to pay for parking, toll booths, shopping trolleys etc.

*If you fill a pill bottle with water and then freeze it, you'll have yourself a portable ice pack. You can use one to keep packed lunches fresh or a whole bunch of them to keep a cooler full of drinks cool.

*If you place a little bell inside a pill bottle, you'll have created a toy that will keep your favourite feline friend amused for hours on end!

*There's plenty of space inside a standard-sized pill box to store quite a few handy medical supplies, such as Q-tips, band-aids, ointment or alcohol swabs. You never know when they'll come in handy.

DID YOU KNOW?

One of Leonardo da Vinci's secrets, or so it has been claimed, was a unique sleep formula: he used sleep 15 minutes out of every four hours, for a daily total of only 1.5 hours of sleep. Therefore, it appears he was able to gain an extra six productive hours a day. By following this unique regimen, he 'gained' an additional 20 years of productivity during his 67 years of life. But, please, don't try to mimic it – it is a proven fact sleep deprivation makes you eat more than you need, makes you drive like a drunken fool, kills your ability to learn and literally eats your brain.

THE FAMOUS 'STRAWBERRY FIELD' WILL OPEN TO THE PUBLIC FOR THE FIRST TIME EVER

"Strawberry Field", the famous Liverpool landmark that was immortalised by John Lennon, will soon be open to the public for the very first time.

The site of a children's orphanage that was frequented by the famous Beatle is being revitalised by The Salvation Army, which bought the Gothic Revival Mansion from a wealthy merchant's widow in 1934.

In addition to making the location a training and work-placement hub for young people with learning disabilities, the restoration will also include a new Lennon exhibit that will function as a tourist attraction.

Attending the ground breaking ceremony was Julia Baird, John Lennon's half-sister buried a time capsule to commemorate the day, said "Just like The Beatles springing from the stage of the Cavern Club, it's a wonderful idea that The Salvation Army is going to cultivate youngsters in the precious soil of Strawberry Field, for them to be nurtured to reach their full potential."

Judy Martin, widow of Beatles producer George Martin said she "envisioned a grand future for the English landmark and the plan to open Strawberry Field to the public for the first time – so people can see a unique exhibition about the home, how and why the song was written by John, and allow visitors to explore the grounds as John did as a child – is very exciting."

Strawberry Field is projected to open in the summer of 2019.

RUBBISH IN RIVERS BEING COLLECTED AND RECYCLED TO MAKE FLOATING PUBLIC PARKS

The Recycled Island Foundation has been collecting litter from the Maas River in Rotterdam and recycling it into floating islands that benefit people and the aquatic ecosystem on which they drift.

For a year and a half, the organisation used litter traps placed at strategic points along the river to collect trash from the water.

The Dutch group then sorted and recycled the materials into hexagonal platforms that are designed to float on the river's surface.

By filling the platforms with greenery and native plant species, the platforms can benefit larger land creatures and offer up shelter and breeding grounds for microorganisms and fish.

After 5 years of research, development, and work, the foundation's first recycled park opened in Rotterdam on July 4th. The innovative public space is 1,500 square feet of habitat made from 28 hexagonal platforms.

The organisation is now looking for new locations to continue their mission and build more parks.

NEWS FROM MINISTER BRENDAN GRIFFIN TD

The extension to the closed period for spreading of chemical and organic fertilisers is good news for hard pressed farmers in Kerry according to Minister of State for Tourism and Sport, Brendan Griffin.

Minister Griffin said: "I was delighted to see that following consultation with his Fine Gael colleague, Minister Eoghan Murphy, the Minister for Agriculture, Michael Creed has announced an extension for fertiliser and slurry spreading.

"This is a very positive step for hard pressed farmers, who are really struggling following the series of extreme weather events experienced this year.

"The deadline has been extended for chemical fertiliser from the middle of September until the end of September, and the deadline for the application of organic manures from the middle of October to the end of October. Brendan Griffin TD 0647761000 for details.

FOSSA NOTES

LOTTO

12th August 2018

Numbers drawn were 4, 19, 21, 28. There was no jackpot winner and the consolation winners were Kathleen Hobbins, Coolroe, Tracey Sheehan, Crohane Fossa, Domnick Rintoul, Knockartnett, Tina, Cillian and Eirn Cronin and the O'Connor Family, Leabrook Gortroe. Next weeks jackpot will be €5,400.

MINORS

The Fossa minors recorded a good win over Beaufort in the East Kerry minor league. The first half was a tight enough affair with both sides trading scores, Cian O'Shea opened Fossa's account with two points which was followed by a Killian Buckley score, in the 18th minute

Ryan Sheehan cracked home a great goal to leave Fossa ahead at the break, 1-07 to 1-04. Emmett O'Shea came on as a half time sub and he was instrumental in setting up Harry Buckley for a brilliant goal in the second minute of the half and Fossa never looked back from there. Beaufort were dangerous when they attacked but Shane O'Sullivan was superb in goal with some outstanding saves, he was ably assisted by Anthony O'Keefe in the backline and John Talbot was a rock at centre back, breaking up attacks time and again and powering forward with the ball. With Eoin Talbot and Cian O'Shea controlling midfield, our forwards got plenty ball in this half and they made it pay. Harry Buckley was a constant thorn in Beaufort's side and scored another goal, Emmett O'Shea was always dangerous and scored two goals as well as setting up several scores and Killian Buckley capped a fine all action display with a goal also. Ruari Doyle controlled the game all through with a hugely impressive display of passing and covering while Cian O'Shea gave another commanding display of powerful running and scoring from midfield. The final score was Fossa 7-10, Beaufort 5-08. Scorers, Ryan Sheehan 2-01, Emmett O'Shea 2-01, Cian O'Shea 0-06, Harry Buckley 2-0 and Killian Buckley 1-02.

U16 CO LEAGUE DIV 4 SEMI FINAL

Fossa 4-13, Ballyduff 4-10

It was hard to see Fossa winning this one, five minutes into the second half they were 7 points down and looked well beaten. However, this is the joys of under age football, pure, raw and totally entertaining.

The game started brightly with both teams exchanging points, Fossa's scores coming from the accurate boot of Emmett O'Shea and a fine point by Ruari Doyle after a great run. Both teams exchanged scores but really Ballyduff were in control and left a multitude of scores behind them. Ballyduff stuck their first for goal after a super run from Kevin Golding saw his shot stopped brilliantly by Keelan O'Brien but the Fossa stopper had no luck on the rebound as the ball fell to the Ballyduff corner forward and he buried it. Ballyduff then got another goal and were in total control at this stage. Half time score was Fossa 0-5, Ballyduff 2-5.

The second half started with another Ballyduff point which saw the lead stretch to 7 but Colm

Talbot in the middle of the field took control - fielding massive balls and setting up attack after attack. But for every attack you need a finisher and Fossa's Emmett O'Shea is surely one of the best around. He scored some spectacular scores in this comeback, finishing with 2-8, 2-7 from play, Harry Buckley 1-2, Ruairi Doyle 1-1 and Rian Collieran with 2 points completed the scoring and this remarkable comeback.

In defense Padraic Talbot and Simon Coffey were superb, Darren Cronin seems to be improving every game he plays. The defence has to get special mention as they kept Ballyduff out time and time again and Ruairi Doyle was immense on the evening, defending hard and joining the attack at every opportunity and his goal was superbly taken. Fossa are now in the final v Ballymac and we wish the team all the best in the final.

U-11 BOYS EAST KERRY LEAGUE

Fossa: 5-18

Killarney Legion 5-14

Fossa took a win in this opening round of the U-11 competition. Showing great energy in the opening half they moved the ball well and clocked up a big score, leading going into half-time. Legion came back strongly in the second half, winning more of the possession and finishing the game well with a run of scores but couldn't overturn the Fossa lead. Thanks to Legion for an enjoyable and sporting game. Well done to the Fossa boys who all performed well today and now face Kilcummin and Cordal in the next 2 rounds.

U-13 GIRLS CHAMPIONSHIP

Well done to our girls who secured a great win over Kerins O'Rahillys in the Championship semifinal on Friday on a scoreline of 4-09 to 3-06.

KERRY PITCH & PUTT CLUB NEWS

A MAGNIFICENT weekend for the Kerry Inter-County teams at the Munster Pitch & Putt Championships at the weekend in Parteen on the Clare/Limerick border saw all five Kerry sides claim podium positions with two of those being of the golden variety! The Intermediate Gents team got the ball rolling on Saturday morning as despite only shooting nine under par for their three Scotch Foursomes rounds, the team of Eamon Sheehy, Padraig Hobbart, Killian O'Gorman, Gearóid Cronin, James Fleming and John O'Brien would eventually fire themselves on to victory in the Singles.

Kerry had trailed Cork by seven strokes after the Scotch Foursomes but were driven on brilliantly by rounds of six under par (O'Gorman) and four under par (Sheehy) in the Singles as they brought themselves to a winning total of 21 under par, one clear of Limerick in second with Tipperary eventually finishing third on 17 under par. The win was Kerry's second success in the grade after winning the inaugural Intermediate event back in 2014. On Sunday the county

had two U-16 sides entered with the first team of Cillian Courtney, Eoin O'Riordan Looney, Jack McCarthy and Robbie Harnett retaining the title for the county after last year's win in Castleisland.

Two Scotch Foursomes rounds of five under par from the pairings of Looney & McCarthy along with Harnett & McCarthy saw them have a 10-shot lead over Cork's first side at the halfway stage, enough to hold off an improvement from Cork in the Singles to win by four strokes with a score of 319. The second Kerry side of Erin Moloney, Fintan Martin, Conor Leahy and Jake Shine would finish third meanwhile with a score of 341. The Kerry Senior Gents team went one better than their third-place finish in Castleisland the year before although they would find themselves 20 strokes off the winning total of a Limerick side that finished with 78 under par.

Kerry were six behind Limerick after the Scotch Foursomes despite 12 and 11 under par totals from Damien Fleming & James Dignan and John McGrath & Jason O'Brien respectively in the doubles but they were able to hold off Tipperary for third spot by a shot with two eight under par rounds from both Fleming and Jason O'Regan in the Singles crucial as John McGrath finished on six under par. Declan McCarron was the other member of the side that finished with a combined total of 58 under par. The Junior Gents team meanwhile finished third in their grade as their total of 516 was over 30 shots behind hosts Limerick's winning score of 485.

Nicky Barry and David Hobbart both shot level par in their Singles rounds but the team which also included Cathal Dennehy, John Heffernan, Noel Moynihan and Tim Scannell had to settle for third with Cork second on 496. This weekend the U-16's head to Fermoy in Cork for the National Singles and Inter-County events. Kerry also have several competitors in the U-20 event with Deerpark trio Lorcan Martin, Adam Kelly and Darragh O'Callaghan along with Killian O'Gorman from Listowel and Eamon Sheehy from Tralee.

On Sunday the Kerry U-16 team will compete in the Inter-County event with the team made up of Cillian Courtney, Jack McCarthy, Robbie Harnett, Eoin O'Riordan Looney, Erin Moloney and Fintan Martin. The County Board would like to wish all the Kerry players the very best of luck this weekend.

REPORT BY LEONA TWISS, PRO

KERRY MINORS MARCH ON TO ALL FINAL MEETING WITH GALWAY

On September 2nd, the Kerry Minors will play in the minor curtain raiser for the fifth season in succession on All Ireland Final Day. Peter Keane's charges had to dig deep to come from behind in a dramatic finale to secure their meeting with Galway. Kerry looked comfortable when they went nine points clear early in the second-half. They retained a seven-point advantage with 47 minutes on the clock but a remarkable Monaghan rally that yielded an unanswered 2-2 turned the game on its head. Goals from Jason Irwin and Mark Mooney drew the game level before Donnacha Swinburne put Seamus 'Banty' McEnaney's side a point ahead in the 62nd minute. But late Kerry points from Paul Walsh, 2, and sub Jack Kennelly edged it. It was, incredibly our 29th win in a row at the minor grade and the show of late character was all the more impressive given the face Kerry finished with 14 men. Best of luck to Peter Keane and all involved in the All Ireland Minor Final. It has been an impressive journey this far and hopefully the success will continue until the final whistle on September 2nd in Croke Park!

APPOINTING A NEW SENIOR MANAGER

LEGION GAA

14 EAST KERRY FINAL

Killarney Legion 5-20 Kilcummin 5-10

These two sides served up as entertaining a game as one could have wished for with the Legion ultimately getting the better of a determined Kilcummin squad to take the title. A flying start which saw goals from Connor Gammel, Matthew Horgan, and Eoghan Crowley gave the green and whites a solid platform and it seemed that they would swamp the opposition but Kilcummin to their credit rallied well and duly replied with 2-4 to leave the score at the break Killarney Legion 4-9 Kilcummin 2-6. Having upped their game Kilcummin came out in determined fashion and hit some early points but another Sam Benson goal bolstered the Legion and they gradually pulled away with points from Gammel, Caelan Sheahan, Crowley and Matthew Horgan. A fine performance by a squad that augurs well for the future with the players showing a great command of the basic skills - undoubtedly a result of the Saturday Academy. Well done to one and all.

KEEPING NIALI IN MIND

Prayers and well wishes all the way from Cross Mountain in Medjugorje. A group led by Fr

Jim & Joanne Pierce who packed the Legion Jerseys, and led the prayers at the top of Cross Mountain for Niall Mac and his family who are steeped deep in the Legion. Niall Mac is a very talented sharpshooter, one of our outstanding up and coming players with the U-16's. Joanne brought the jerseys to Medjugorje to let Niall, Sheila, Daithi Jane and Ellen know they are in our prayers and thoughts. Well done to Fr. Jim Lenihan, Joanne Pierce, Mary O'Donoghue, Joanne Slattery, Marion Lucey, Michael O'Donoghue, Robert Murphy, James Murphy and Mark Moriarty.

SUMMER CAMP

Another successful summer camp with big numbers and the very welcome coaching input by the senior players. This has proven to be a rewarding and worthwhile exercise for both the boys and girls who attended and also for the seniors who gave willingly of their time, a nice connection between the present and future. Mol an óige agus tiocfaidh sé.

KERRY MINORS

Congratulations to Peter Keane and his squad who kept the Kerry flag in Croke Park when they overcame adversity to qualify for the final once more. Typical of Peter's sides organised, composed and talented they played a lovely brand of football to get over the tough challenge laid down by Monaghan. Great performance by our own Darragh Lyne - who but for a tremendous save by the goalkeeper would have had a contender for one of the goals of the season. Well done also to Kieran O'Donoghue who also caught the eye on his

introduction.

LOTTO

Results of draw held Monday 6th August - winning no's - 6,9,16,18. No winner. Lucky dips - (1)MI O Leary, 21 St. Brendans Place, (2)S O Donoghue, Valley View, (3)Julia O Grady, (4) John Murphy, (5)Donal O Donoghue, Ballyhar. Jackpot carried forward €11,700.

A flying start which saw goals from Connor Gammel, Matthew Horgan, and Eoghan Crowley gave the green and whites a solid platform and it seemed that they would swamp the opposition but Kilcummin to their credit rallied well and duly replied with 2-4 to leave the score at the break Killarney Legion 4-9 Kilcummin 2-6. Having upped their game Kilcummin came out in determined fashion and hit some early points but another Sam Benson goal bolstered the Legion and they gradually pulled away with points from Gammel, Caelan Sheahan, Crowley and Matthew Horgan. A fine performance by a squad that augurs well for the future with the players showing a great command of the basic skills - undoubtedly a result of the Saturday Academy. Well done to one and all.

KEEPING NIALL IN MIND

Prayers and well wishes all the way from Cross Mountain in Medjugorje. A group led by Fr Jim & Joanne Pierce who packed the Legion Jerseys, and led the prayers at the top of Cross Mountain for Niall Mac and his family who are steeped deep in the Legion. Niall Mac is a very talented sharpshooter, one of our outstanding up and coming players with the U-16's. Joanne brought the jerseys to Medjugorje to let Niall, Sheila, Daithi Jane and Ellen know they are in our prayers and thoughts. Well done to Fr. Jim Lenihan, Joanne Pierce, Mary O'Donoghue, Joanne Slattery, Marion Lucey, Michael O'Donoghue, Robert Murphy, James Murphy and Mark Moriarty.

SUMMER CAMP

Another successful summer camp with big numbers and the very welcome coaching input by the senior players. This has proven to be a rewarding and worthwhile exercise for both the boys and girls who attended and also for the seniors who gave willingly of their time, a nice connection between the present and future. Mol an óige agus tiocfaidh sé.

KERRY MINORS

Congratulations to Peter Keane and his squad who kept the Kerry flag in Croke Park when they overcame adversity to qualify for the final once more. Typical of Peter's sides organised, composed and talented they played a lovely brand of football to get over the tough challenge laid down by Monaghan. Great performance by our own Darragh Lyne - who but for a tremendous save by the goalkeeper would have had a contender for one of the

Juvenile members of Listry GAA club pictured at this year's Summer camp.

DR CROKES CLUB NOTES

COUNTY LEAGUE ROUND 11

Dr Crokes 2-19 Spa 2-10

Played in Lewis Road on Thursday 9th of August

This was a very competitive game and a good work out for the forthcoming County Championship. Points were exchanged on a few occasions in the first quarter at the end of which we led 0-4 to 0-2. A goal from a penalty by Spa at the beginning of the second quarter put them a point in front. We got well on top for the next ten minutes and sent over six points without reply. A goal by our opponents in the 29th minute put just two points between the teams but we had the last score of the half, a point for a half time lead of 0-11 to 2-2.

A goal by Jordan Kiely and a point by Alan O'Sullivan at the start of the second half put us seven points in front. Our opponents then had a good period of play and had three unanswered points to reduce our lead to four points. We had the next three points of the

game but our opponents outscored us three points to one as we entered the last quarter. This left us with a five point lead but a goal by David Shaw and two further points by Colm Cooper and Brian Looney sent the teams into injury time with the Home team ten points clear. Spa outscored us two points to one in this added time. This left us winners on a score of 2-19 to 2-10.

The defining moments of the game for us were our two second half goals and two outstanding saves by our goalkeeper Shane Murphy, both in the second half as well.

This leaves us unbeaten in County League, Division 1, 2018 with 10 wins and 1 draw. It also gives us a home venue for the final.

Team and scorers: Shane Murphy, John Payne (Capt), Fionn Fitzgerald, David Naughton, David O'Leary, Jason Lyne, Shane Doolan, Johnny Buckley, Alan O' Sullivan 0-1, Daithi Casey 0-6 (0-2 frees), Gavin O'Shea, Brian Looney 0-4, Colm Cooper 0-4 (0-1 free) David Shaw 1-4, Jordan Kiely 1-0.

Subs: Brian Fitzgerald, Michael Potts, Cillian Fitzgerald, Billy Courtney, Mark O'Shea.

UNDER 13 GIRLS

COUNTY CHAMPIONSHIP

Our stars of the present and no doubt the future too, Pia(13), Joyclen(11) and Sabra(9).. the Hickey sisters that were instrumental in helping their U 13 team to victory over Beaufort in the quarter final of the County Championship on Friday last. Being the time for year for family holidays, the team were missing a number of regulars and only for Sabra bring her boots along in the car, the team would have had to line out with 14 players for the game. Thankfully, having the full compliment gave the girls great belief that they could carve out a result on the night, and that is what they did. The opening quarter was very evenly balanced both teams getting great scores. Luckily for the Crokes Cara O' Sullivan, who usually plies her trade in the forwards, demonstrated her array of skills as netminder for the first half and with Teagan O' Sullivan, Selina Collins and Emer Finn as last line of defence they managed to

keep their opponents to very few scores in the opening 25 min. Cara's great kickouts gave her midfield pairing of Laura O'Shea and Pia Hickey numerous opportunities to keep the forwards supplied with plenty of scoring opportunities. The full forward line of Katie McCarthy, Sabra and Gráinne Byrne kept their markers very busy throughout and were the main reason the team led at the half time whistle. On the very warm evening that was in it, there were some very weary legs trudging back on after the break notably Ali O'Donoghue, Sinead Oliver, Jocelyn and Leah McMahon who put up an amount of scores and mileage over the game. Special mention must also go Ella Bartlett at half back and Clodagh McGorrigan at wing forward. Both girls line out with our U 11 team, and the two of them had a tremendous game. The win means that we play our neighbours-Killarney Legion- in the semi final on Friday evening 10th in Lewis Road

EAST KERRY JUNIOR CHAMPIONSHIPS O'SULLIVAN CUP SEMI FINALS

Played in Kilcummin on a perfect evening for football the home team emerged victorious and qualified for the final of the O Sullivan Cup. This was a very lively and entertaining game early on with Fossa having the upper and going in to a 4 pts to 1 by the tenth minute. However a goal by Sean Moynihan gave Kilcummin a lift and they took the initiative for the remainder of the half and lead by 1-7 to 0-6 at the break. Kilcummin were never really threatened in the second half and driven on by an inspired Shane McSweeney held the upper hand throughout. Matt Keane was working very hard and kicked some fine points to keep the Fossa challenge at bay. Donal Maher had a fine game for Kilcummin with Damien O Leary, Daniel O Leary and Tomas O Connor also showing well. For Fossa Tadhg O Shea gave an exhibition of point taking, Donald O Sullivan showed all his skill and experience and between them accounting for all but one of their teams scores. Anthony Warton and Fintan Coffey had periods of dominance in a game that was skillful, sporting and entertaining throughout.

ALL IRELAND MINOR FOOTBALL CHAMPIONSHIP

KERRY MINORS PROVE THEIR "KEANE" FOR THE FIGHT

**KERRY 1-16
MONAGHAN 2-11**

Kerry showed a true test of character to secure a fifth successive All-Ireland MFC final with a dramatic win late over Monaghan in a game in which they had led by nine points at one stage only to be pegged by the Farney boys.

A Donnacha Swinburne point moved Monaghan into the lead for the first time in the contest in the first minute of added time but Kerry, who played the last quarter with only 14 players, did not panic and restored parity with a Paul Walsh free. The Brosna lad added another shortly afterward to restore the lead before substitute Jack Kennelly secured the win.

Five first half points by Dylan Geaney ensured that Peter Keane's charges led at the break 0-10 to 0-6 but a host of missed chances could have had Kerry further ahead.

Indeed the Monaghan goalie Ryan Farrelly produced two great saves, one from a cheeky Paul O'Shea effort who spotted him of his line and the second a rocket from midfield partner Darragh Lyne

An early David Mangan goal in the second half seem to put them in control as the lead extended to nine but with the increasing volume of support for the Ulster boys, they stuck to their task and picked off what seem like consolation scores before two goals in a minute by Jason Irwin and Mark Mooney had

them back in the mix.

Monaghan surely thought they had won it, having gone ahead for the first time so late on but 7 added minutes due to an injury gave Kerry enough time not to panic and show a maturity beyond their years to come true not for the first time this year with Cork also putting them to the pin of their collar.

Great turnout for Jimmy Devane Memorial Autocross

Killarney & District Motor Club held the Jimmy Devane Memorial Autocross event last Sunday 12th August. The action took place at Ballybeggan Racecourse Tralee, with over 50 competitors from all over the country taking part and driving a wide variety of cars and special buggies on the day. The event was proudly sponsored by Rentokil Initial Ireland and was marked as round seven of the Munster Autocross Championship. The weather held off and we had a great day's racing. The track measured 2.2Km in length, was very technical, fast, with some tight chicanes and required some precision driving set out by Clerk of the Course Tommy Daly. The Event was run in conjunction with Kerry Motor Club and all proceeds going to the Costello Family Fund.

There was some fierce competition amongst the top local drivers Charles O'Neill & David Fleming both in Honda Civic's from Killarney, John Hickey from Barraduff in his Suzuki built Special Buggy and Tommy

Know Your Rights:

QUESTION

I have an extra room in my home and I would like to rent it out. Will I have to pay tax on this rental income?

ANSWER

If you rent out a room in your home, the rental income you earn is exempt from income tax, PRSI and the Universal Social Charge – provided it is less than €14,000 in a tax year (1 January to 31 December). This is called rent-a-room relief. Rental income includes the total rent and any money that the tenant pays directly to you for food, utilities, laundry or similar services. The income you get must be under the exemption limit of €14,000. If it is over this limit, you are taxed on the total amount.

Your home must be in the State and you must occupy it as your sole residence during the year of assessment. This means that it is your home for most of the year and is where people would normally expect to make contact with you.

Some self-contained units qualify for this relief but they must be attached to your home, for example, a basement flat in your home.

You do not have to own the property to get rent-a-room relief – you can be a tenant sub-letting to someone else. In this case, you should check with your landlord that sub-letting is allowed.

The rent-a-room relief applies only to residential tenancies, not to short-term guest arrangements, and tenants must use the room on a long-term basis. So, renting a room to a student for the academic year or for a one-month course is covered, but providing accommodation to occasional visitors for short periods, for example, through an online accommodation booking site, is not.

You cannot claim the relief if you are renting a room to your civil partner, son or daughter, or if you are an employee and your company pays you to allow clients to use the room on an occasional basis.

A Word of Victory

Welcome back dear reader, what do you make of all the fires, earthquakes, flooding and disasters happening around the world? Many feel it's the effects of climate change. How come we are seeing these things suddenly increasing day by day? This isn't global warming, but it is Bible Prophecy being fulfilled whether the academics and environmentalists like it or not. The Living God, the Creator of the heavens and earth is releasing His glory in the midst of all this and we are privileged to witness it, for "our God is a consuming fire" (Isaiah 40; Hebrews 12:26-29). Jesus, when asked what signs to look out for before His return to earth, told His disciples to watch for signs in the sun and moon, earthquakes, floods, wars and rumours of wars and to look up because our Salvation was at hand (Read Mathew chapter 24). Friend, look up! We are in what is known in the Bible as the 'end times' before the Son of God, Messiah Jesus returns to take up His reign, and there is not one thing any government or the UN, can do about it (Luke 21:25-36). Nations, big and small business, and the media have all turned away from the Lord, have left behind the principles of His Word and openly mock and laugh at the idea of faith in Him. They are in for a shock! Jesus asked His disciples "when the Son of Man returns to the earth will He find faith?" (Luke 18:8) which is what we need to ask ourselves. Are we living to please the Lord and obey His Word, or have we compromised our faith and morals to adjust to what unbelievers tell us, how we should think, talk and behave? Sin – violence and murder, abuse in all forms, offence and slander, corruption, sexual immorality, lies and deceit are the currency the world deals in – the polar opposite of how the Kingdom of God operates, and "the wages of sin is death" (Romans 6:23). Of course we are to treat the environment with care – but it has now become yet another idol. If people humble themselves and submit to God they will not carry out the works of Satan, and there would be no fear of this world crumbling (2nd Chronicles 7:12-22). It is decaying because of sin dear reader, and that's the real truth. The devil has got the world in a tizzy stressing about this and that, all the while deceiving and killing people, and dragging whole generations into Hell with him. His time is near, and so is ours.

Leaving Cert Results Time

Results Day has finally arrived and you may have been feeling fairly stressed leading up to results day. This is completely normal and in fact a little bit of stress can actually help you to get motivated for dealing with dilemmas and pressure. Lots of students feel stressed around results time for many reasons, including:

- ★ Feeling pressure to get good results for the course or career you want.
- ★ Feeling under pressure from parents and family who may expect you to get good results.
- ★ Feeling overwhelmed by the future and the choices that you have to make.
- ★ Feeling overwhelmed by changes such as starting a new chapter in your life, leaving home, separating from friends.

If the results are not what you wanted them to be, then you may be feeling devastated, stunned, and unable to see things logically and struggling to think of the many options available to you. Remember however that you have many options and it is important to remain positive and realise that it is not the end of all your plans and hopes. Some of your options include:

- View Your Script/Results Appeal
- Speak to Your Guidance Counsellor
- Repeat Leaving Cert Year
- Some PLC courses will enable you to access third level.
- Apprenticeships/Practical training opportunities

Talk to others about your worries – Friends may also be going through the same problems and it will really help to talk about it. If you are feeling really down don't suffer in silence, talk to your parents, phone the Samaritans or talk to your doctor. Consider seeing a counsellor. There is a lot of support out there for you and you will get through this difficult time.

The National Parents Council Post Primary have operates a helpline for anyone who needs support after the results or check the website <http://www.npcpp.ie/>

The service is provided by Guidance Counsellors who will give advice to both students and their parents. The helpline number is 1800 265 165 and will be available for advice on the first round CAO offers from Monday 21st August. For up to date information check the CAO website <http://www.cao.ie>

Remember, if you failed an exam it is not the end of the world. You are not a failure - you are still a good person, just a good person who failed an exam. It may mean that you have to repeat, so there's a delay of plans, your future is still waiting. It may mean that you have to change your plans; being flexible you may just end up doing something you are even more suited to.

SouthWest Counselling Centre, Killarney provides affordable professional counselling to children, adolescents adults and couples – both at its Killarney Centre (Lewis Road) and at Kenmare Family Centre. info@southwestcounselling.ie.

Gardening

with Killarney Outlook

by John O'Sullivan

FOCUS ON LATE SUMMER COLOUR

With the autumn in sight, there are a wide range of herbaceous perennials, shrubs and roses that can give you colour in your garden right into October and November.

some good flowering herbaceous perennials for Autumn colour are anemones, which come in a variety of colours – Honorine Jobert is a very good one. It has white flowers with yellow centres. It is also a good plant for shade. Hydrangeas are excellent shrubs that will flower right into the Autumn and they come in a variety of colours. A very good rose to flower into late Autumn is a ground cover rose called a flower carpet rose and it comes with pink, yellow or white flowers.

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days. Publication of prayer and favour will be granted.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days. Publication of prayer and favour will be granted.
