In honour of Linda...

FAMILY LAUNCH MARATHON FUNDRAISER

The family of Linda Lucey Eviston who passed away last October have decided to raise money for the fight against cancer to honour her memory and are undertaking a very personal marathon route in her memory. "We're running a marathon to raise money for the fight against cancer on behalf of our brave and beautiful Linda who passed away last October", Patrick, Linda's husband told Killarney Outlook.

Linda was diagnosed with breast cancer in 2007 whereupon she underwent surgery, chemotherapy, radiotherapy and hormone treatment. Despite some serious setbacks, Linda returned to good health, but sadly the cancer returned in 2015 and the family were told that it was terminal. Linda continued to live a full life and care for her family until passing on the 10th of October 2020.

"As a way to honour Linda's memory and to help others, we are hoping to raise much-needed funds for the Irish Cancer Society. Specifically, the palliative care night nursing service for families, caring for their loved ones at home. The nurse's support and compassion is indispensable. Also, we want to support clinical trials for new cancer treatments. These trials offer hope for patients when all other treatments are exhausted", Patrick added. Linda's husband Patrick and son Erik will run a marathon (42.2 kilometres) on the 9th October supported by daughter Alannah, family and friends.

The route will be based on landmarks that were an important part of Linda's life. Starting from the family home in Dromkerry, onto Killarney passing the Eviston House Hotel, Linda's grandmother's home at Park Road, Linda's childhood home and National School in Glenflesk, Loreto Convent where Linda attended Secondary School and back to Killarney and finishing at Linda's pride and joy - Brook Lodge Hotel.

The Eviston Family, Patrick, Alannah, Linda and Erik.

All proceeds will be donated to the Irish Cancer Society and Patrick, Erik & Alannah Eviston have launched a justgiving fundraiser which has

currently raised over €10,000.

To donate go to: <https://www.justgiving.com/fundraising/inhonouroflinda>

From a tiny spark bursts a mighty flame...

BRÍD LAUNCHES HER INSPIRATIONAL BOOK

Family, friends and contributors gathered at The Rose Hotel on Friday night last to celebrate the launch of a new book by author Bríd O'Connor.

"Spark" is a collection of forty nine personal stories of challenging times in the lives of contributors to the book and how they managed to find their "Spark" again which Bríd has curated.

As a cancer survivor Bríd shares that in her most challenging days of treatment she looked to the poem "Invictus" to inspire her and she hopes that "Spark" will now do that for others. Proceeds from the book will go to Comfort for Chemo, Kerry.

Bríd's cancer diagnosis came 15 months after her mother was diagnosed with terminal cancer. In addition, two of her siblings tested positive for the BRCA gene, suddenly this tight knit family were faced with grief and challenges that is unimaginable to most people.

Bríd's mother was a basketballer and coach and a phrase she regularly used to ignite the passion and drive in a team was to "turn and face it." This phrase always stayed with Bríd and no more so than when the family grieved the death of her mother, Bríd had lost her greatest champion.

As a history teacher Bríd fully appreciates the value of reflecting upon key events and milestones throughout the ages and how we can all learn from times past. During her own cancer journey, the poem "Invictus" became Bríd's lighthouse, where she would turn to time and time again for a form of safe harbour. It was famously featured by Nelson Mandela in his autobiography "Long Walk to Freedom," as he found solace and hope in those words during his incarceration on Robben Island.

But now Bríd turned her mind to the recent history, prompted by the loss of her mother and her own journey through cancer, she wanted to find stories that others can find comfort in, find thought provoking or a story that will give you hope in your lowest hour.

During this time Bríd shared she had lost her "spark" and that it took time for it to re-emerge, but when she found it again, she knew she could help others with her story. This became her core curiosity as she asked others "when did you realise your spark had dimmed and what contributed to it?"

"Spark" the book, is a beautiful collection of these conversations, with many familiar faces and others you will come to know. Featuring Billy Keane, Louise Galvin, and Don O'Neill

amongst others. The incredible contributors to "Spark" share stories of grief, serious-illness, life altering events and challenges. Each contributor discloses what resets them, and the book is filled with messages of hope.

Proceeds from the book will go to Comfort for Chemo, Kerry, who are fundraising for €5 million to build a centre of excellence for the patients of Kerry. Due to increasing demand for chemotherapy treatments in Kerry, the unit in University Hospital Kerry is no longer fit for purpose and lacks sufficient space and facilities to ensure patients can continue to receive their chemotherapy in the hospital.

As a service user of UHK during her own cancer treatment, Bríd shares the medical, nursing and support staff are incredible, but the setting is unsuitable and there is an immediate requirement for a stand-alone chemotherapy unit in University Hospital Kerry that would provide much needed comfort and dignity to cancer patients.

Spark is in Eason's Killarney & Listowel, O'Mahonys Booksellers Tralee and Crystal cave in Killorglin. It is also available online www.sparkbodymindandsoul.com

FOURTH ANNUAL FESTIVAL WILL CELEBRATE KERRY'S ARCHITECTURAL HERITAGE

Kerry's architectural heritage and the county's architectural landscape will be celebrated during the annual Architecture Kerry Festival between 24 and 26 September 2021. A wide range of events including free guided tours and exhibitions form part of the programme for the event which is now in its fourth year and which is part of the Creative Ireland Kerry Programme.

The aim of the festival is to highlight the wide diversity of the architectural landscape in Kerry and to make some of the best-known sites of architectural significance in the county accessible to all ages. Due to COVID-19, Architecture Kerry has adapted its programme to reflect the need to run many of its events online in addition to some physical events. Architecture Kerry has reached out to the public, to bring the people of Kerry together to be part of the celebration. During August, Kerry County Council ran a public photography competition called Shapes of Kerry where people were asked to submit their favourite images of Kerry's built environment. The top 20 winning entrants will be showcased for Architecture Kerry 2021. Kerry County Museum

and Kerry County Library are also hosting exciting new events for Architecture Kerry exploring archaeology and the county's rich archives and heritage.

Kerry County Council's Architectural Conservation Officer, Victoria McCarthy, said the programme of events has something for everyone, even those with a passing interest in architecture: 'Following the success of the event last year, we decided to arrange a series of events again this year to promote and highlight some of our unique and attractive architectural heritage in the county.'

'Throughout Saturday 25 and Sunday 26 September, some festival favourites will be opening their doors for free guided tours. This year, Muckross Traditional Farms are partnering with Architecture to celebrate traditional crafts in Kerry with practical demonstrations showcasing Kerry's practitioners lined up for 24th and 25th September.'

The full programme of events is now available on the Kerry County Council website or via www.architecture.kerrycoco.ie

Jimmy Moloney and Victoria McCarthy, Architectural Conservation Officer, Kerry County Council. County Council can also be contacted directly at 066 7183793 or at ArchitectureKerry@kerrycoco.ie

Architecture Kerry is supported by Kerry County Council and the Department of Housing, Local Government and Heritage in partnership with the Heritage Council, the OPW, the Royal Institute of Architects of Ireland, the Irish Georgian Society, and the Irish Architecture Foundation. The event forms part of the Creative Ireland Programme in Kerry.

'Creative Ireland is an all-of-government national strategy (2017-2022) which places creativity at the centre of public policy. Architecture as an artform is central to the strategy, relevant to the design principles and creativity required within the heritage and contemporary built environment. This festival promises to be a very engaging and information weekend,' said Kate Kennelly, Creative Ireland Coordinator in Kerry.

FREE EVENTS ANNOUNCED FOR KERRY MENTAL HEALTH & WELLBEING FEST

A range of activities to suit all ages has been launched in the programme of free events for the 2021 Kerry Mental Health and Wellbeing Fest which will take place from 9th to 16th October. The key focus of the #KerryMHWFest is to promote mental health and wellbeing in Kerry through a fun and interactive programme of online and in-person events.

The Kerry Mental Health and Wellbeing Fest aims to create awareness of, and schedule events that empower people to engage with, the Five Ways to Wellbeing – Connect | Give | Take Notice | Keep Learning | Be Active.

The Mayor of Kerry, Cllr Jimmy Moloney, who launched this year's Kerry Mental Health and Wellbeing Fest, said: "The past 18 months, more than any other time in our lives, has taught us how we need to mind our mental health. During this year's Kerry Mental Health and Wellbeing

Fest, I'm encouraging everyone in the county to take time out to learn, talk, reflect, and engage with others around the topic of mental health and wellbeing. We should also encourage anyone with mental health issues to reach out and avail of supports and services available."

Organised by an interagency steering group, the Kerry Mental Health and Wellbeing Fest is held annually to highlight World Mental Health Day on 10th October.

The Chair of the Steering Committee and Resource Officer for Suicide Prevention in Kerry, Donagh Hennebry, said: "We are grateful to the many people who have put their names forward to host a range of fun and interactive events that will promote mental health and wellbeing in Kerry. The emphasis on community and the role that we can all play in ensuring our own mental health, and that of our friends and family, is strong. Many events

are online again this year due to Covid, but this gives us an opportunity to widen our reach to welcome festival-goers to enjoy a virtual experience from afar."

The organising committee is a collaboration between Connecting for Life Kerry, Healthy Kerry, Kerry County Council, the HSE, NEWKD, SKDP, Kerry Mental Health Association, Jigsaw Kerry, Munster Technological University/Kerry, and Kerry Volunteer Centre.

All events are free, registration is essential and can be done by contacting the organiser of that event directly or use the registration links provided in the brochure. Visit HealthyKerry.ie to see the full event schedule or for general enquiries about the Kerry Mental Health and Wellbeing Fest, please email kerrymhwhfest20@gmail.com.

KERRY PEOPLE URGED TO SIGN UP FOR ITS 'UP THE HILL' FUNDRAISING CHALLENGE THIS OCTOBER

Pictured flying the flag for Jack & Jill at The Paps, Shrone is Siobhan Reen, Specialist Children's Liaison Nurse with the Jack & Jill Children's Foundation.

One of Jack & Jill's Specialist Liaison Nurses in Kerry, Siobhan Reen is urging people to sign up for this year's Jack & Jill Up the Hill fundraising challenge.

"To say that it has been a very tough 18 months for our Jack & Jill families is an understatement. As one of the vulnerable groups during the pandemic, our families have had to take refuge in order to keep themselves and, most importantly, their children safe. It has been really tough", Siobhan said,

"Throughout this time, we have continued to provide in-home support, across the garden wall support, and over the phone support. Last year, we provided over 2,100 hours of support to families in Kerry. This support affords families the 'Gift of Time' to do things for themselves and other family members – whether it's spending some quality time with a sibling, grabbing a quick coffee with a friend, getting some fresh air in the great outdoors, or simply taking a nap to recharge – it's that time out which means that they can continue to spend time caring for their sick child and doing what mums and dads do best."

The Jack & Jill Children's Foundation is urging the people of KERRY to go Up the Hill for Jack & Jill this October and climb a hill in solidarity with the 9 families it supports in Kerry who have an uphill challenge in caring for their very sick child every day. This is the seventh year of the nationwide fundraising challenge which aims to raise funds for Jack & Jill's specialist home nursing care, respite support and end-of-life care for very sick children up to the age of six.

Notwithstanding the pandemic, in 2020 Jack & Jill funded and delivered over 94,000 hours of home nursing care to 376 families, through a team of hundreds of nurses and carers in communities across the country. This was in addition to the 25,000 hours of hands-on, case management provided by the Jack & Jill core nursing team, which is made up of 15 specialist children's liaison nurses. In 2020, Jack & Jill also extended the age range of children it supports by a year and that age extension continues today, with children up to six years of age receiving the vital care that they need at home. Because, for a Jack & Jill child, there is no care like home care.

With less than 20 per cent of Jack & Jill's funding coming from Government, it relies hugely on the support of the public for the continued provision of this critical service for so many families. The Up the Hill fundraising challenge is one Jack & Jill's key flagship fundraising endeavours, and the people of Kerry are being asked to continue their long-standing generosity and to lend their support to its work in whatever way they can this year. The campaign is part of Jack & Jill's 'Support Local, Donate Local' drive, with all money raised supporting local Jack & Jill family homes.

FIVE EASY STEPS TO CLIMBING THAT HILL

The Up the Hill for Jack & Jill fundraising challenge couldn't be simpler, and these five easy steps will get you on the road!

Step 1. Register your challenge at www.jackandjill.ie for just €18 – the cost of one hour

of specialist home nursing care – and to receive an optional eco-friendly banner. You can also purchase a Jack & Jill beanie for €10 to make sure you stand out on the day!

Step 2. Identify a location for your Up the Hill challenge – it can be in a local park, or it can be a peak on a nearby mountain – whatever hill works for your fitness level and ability. You can climb it, run it, walk it, cycle it – whatever works for you.

Step 3. Recruit your family members, friends and work colleagues to join you, but remember to stay within public health guidance.

Step 4. Decide on a date during the month of October that best suits your group and begin the countdown to let the excitement build.

Step 5. The final frontier – grab your hill and go! Once the day arrives and you've conquered your personal Everest, stake your claim for Jack & Jill with your Up the Hill eco-friendly banner and take a picture to proclaim your achievement to the world on social media! Lots of inspiring steps by you. Together, one giant leap for Jack & Jill.

HOW CAN WE REDUCE OUR CARBON FOOTPRINT?

A Kerry County Councillor has said "Climate Change is on many people's lips these days with many wondering how they can help the environment they live in. For many of us the Building Energy Rating (BER) of our homes is important to us along with the use of appliances within it. "When it comes to what is usually our second largest purchase, a car however, how do we judge the impact that can have on the Environment and how can we reduce our 'Carbon Footprint'? Councillor Michael Cahill The Deputy Mayor of Kerry County Council and Cathaoirleach of Kenmare Municipal District said "We can choose from Electric, Hybrid, Diesel or Petrol to name a few of the more obvious. But what knowledge is our choice based on? asked the Fianna Fáil man. "Is it not now time for our Government to put a system, similar to the BER in place, such as a Vehicle Energy Rating, where all aspects of the build and running of the vehicle are judged and mapped in a way that a

person can confidently call up his or her car dealer and know that he is getting the most 'Environmentally Friendly' vehicle available to suit his budget" stated Councillor Cahill

"The sourcing of the materials used, the shipping across oceans, the fuel used and it's pollutant level and the possibility of recycling vehicle components at end of life cycle, would be some of the measurements taken into account in such a system" stated the Rossbeigh based Councillor.

"The events of recent years where manufacturers were not totally forthcoming with the possible polluting affects of the vehicles they produce, makes it all the more imperative that an independent, authorised, verifiable system of measurement be put in place for the betterment of all society" added Councillor Cahill.

COLLEGE STUDENTS FACE LONG DAILY COMMUTE OR A BLANKET ON THE COUCH IN ACCOMMODATION CRISIS

By Billy Ryle

Very few college students set foot in college during the last academic year. Instead, they spent the year at home as lectures were delivered on-line. The sheer joy of returning to in-person lectures is tempered by a difficult search for accommodation, which is in short supply and very expensive.

The cost-of-living guide published recently by Technological University Dublin (TUD), reaffirms that 3rd level costs are prohibitive for many students. The guide confirms that the cost of maintaining a student in college this year will be a staggering €14,000. In addition, means testing of grant applications is so restrictive that thousands of students are ineligible for any financial aid. Capping the gross annual income levels for grant eligibility at €39,875 ignores spiralling living costs - increasing again this year by 13.5% - and is financially crippling many families.

The failure to address the pressing issues of costs and accommodation failed to take the glow off the wonderful results achieved by Kerry's 2021 Leaving Cert cohort. 50% of higher education students get no funding from the grant authority, SUSI due to punitive means testing of household income. The maximum standard maintenance grant is only €3025. That amount might suffice for an academic year if the student is driving into UCD or TCD from Rathdown or Dun Laoghaire, while enjoying full board free gratis at home.

However, Kerry's high achieving students face a far different reality. Students from Kerry need an average of €14,000 annually to attend college away from home. The majority of Kerry applicants couldn't consider entering course choices in Dublin colleges on their 2021 CAO application form due to prohibitive costs. The average monthly cost of accommodation in Dublin has exceeded €1350, with costs increasing by 40% in the past five years.

There are many courses in Dublin that Kerry students would love to apply for. Unfortunately,

unless they come from wealthy backgrounds or have family accommodation in the city, rural students are restricted to courses nearer home. Nine in ten parents are helping to fund their children's education but are getting into considerable debt to do so. 60% of third level students are forced to live at home during term time. Many are forced to make a daily return commute from Kerry to Limerick or Cork because they can't afford the spiralling unregulated cost of student accommodation. Others are sleeping on a couch in the digs of college friends.

The supply of rental accommodation is at a critically low level and students are competing for the most basic accommodation with those who cannot afford to purchase a home or are awaiting social housing. Students, who normally live away from home during the academic year now face the prospect of missing out on college if they can't, firstly, find accommodation and secondly, if they don't have the means to pay for it. The alternative is a long daily commute to and from college which is costly in terms of time, fatigue and finance. In fact, application data reveals that the vast majority of college applicants from Kerry look no further than Tralee, Cork and Limerick as they now accept that Dublin is unaffordable. An increasing number of parents are cutting back on family clothing, household goods, food, groceries and a family holiday to cover the cost of third level education. Money issues are the biggest concern for parents of college students. Six in ten parents are forced into debt to fund their children's third level education. Alarming an increasing number of parents are borrowing from moneylenders.

If the Government is serious about easing the financial burden on hard pressed families, it must abolish the €3000 student fee contribution. It must increase the standard maintenance grant from €3025 to €5000 and all other grants pro rata. It must increase the annual income level for standard grant

eligibility to €50,000 from the current €39,875. Otherwise, rural students can only dream about what might have been in careers denied them by Government penny pinching!

KERRY COMPANY TAKES HOME TOP MANAGEMENT AWARD FOR SECOND YEAR RUNNING

The Ard Ri group in Kerry are delighted to announce that they have been chosen as a winner in the Deloitte Best Managed Companies awards 2021.

The programme is led by Deloitte Ireland, in association with Bank of Ireland. With this year's new winners, there are now 139 companies that are recognised as Ireland's Best Managed Companies. This network of companies has a combined turnover of €8.5 billion and employs a total of 40,000 people.

Ireland's Best Managed Companies Awards programme promotes and recognises excellence in Irish/Northern Irish owned and managed companies and is the only awards scheme on the island of Ireland that considers a business' performance from every perspective. Entrants to the programme compete for the designation in a rigorous process that evaluates the calibre of their management abilities and practices in addition to the strategy, capability, innovation, culture and financial performance of their companies.

The award ceremony was streamed online on Wednesday last, September 8th, and this year's awards theme was "Adapting to Change"

Company CEO Paul Fitzgibbon sees the award as a recognition of the hard work of the Ard Ri

team based across Kerry,

"We are delighted that Deloitte have recognised the work we have done over the past 12 months and the work we are continuing to do ensure that the Ard Ri Group continues to prosper and grow for many years. Over the last 12 months the team at Ard Ri have had to adapt to a lot of change as the country dealt with the challenges laid out by Covid19. We are confident that we will continue to grow

exponentially and create more employment in Kerry and beyond. Our ambitions are global, and our team are strong and ready to take the Ard Ri group to the next level.

The Ard Ri group is now a leading employer in Kerry with almost 100 team members based in their Tralee headquarters. The company operates across China, the UK, Ireland and is expanding into mainland European markets.

€5.3BN HIT TO IRISH HOTEL REVENUE DUE TO COVID

GOVERNMENT URGED TO GIVE FIRM COMMITMENT

Hotels and guesthouses in Kerry and across the country have faced another exceptionally challenging year due to Covid. Average room occupancy levels for 2021 stand at 27% for the South-West including Kerry year to date according to the latest industry research from the Irish Hotels Federation (IHF). With the summer over, the sector is entering an uncertain nine months as booking levels fall sharply in the absence of overseas visitors, meetings and events which would normally sustain the sector during the off-peak season. Padraig McGillicuddy, PRO of the Kerry branch of the IHF is urging the Government to give a firm commitment to continue business and employment supports until international tourism recovery begins in earnest in summer 2022.

"Government supports have been a vital lifeline for tourism businesses, including hotels and guesthouses in Kerry – many of these businesses would not have survived without the emergency measures put in place throughout this crisis. We now have a long road to recovery ahead of us, and this will require further targeted assistance for tourism and hospitality and the almost 270,000 livelihoods supported by tourism before Covid – one in ten of all Irish jobs, including 15,700 here in Kerry.

Mr McGillicuddy notes that while the domestic tourism market performed well over the summer months with average room occupancy in the South West of 72%, business has been exceptionally poor year-to-date with occupancy levels averaging 27% for the first eight months due

to the sector being shut until June. The sector is still subject to a delay in the full lifting of restrictions on hospitality and indoor events until 22nd October as well as significant uncertainty around international travel, including travel advice from the US Government against travel to Ireland which is impacting on forward bookings.

"The thousands of livelihoods supported by tourism businesses in Kerry matter – not only to the people working within the industry but also to the wider economy, especially the many areas where tourism is the only show in town. A failure to support the tourism and hospitality industry now will have ramifications for the future of Ireland's tourism offering and for the economy.

Padraig McGillicuddy

KILLARNEY
COMMUNITY COLLEGE

Killarney Community College in conjunction with Kerry Education and Training Board have been approached by Killarney Parents seeking the possibility of an Aonad in Killarney.

What is an Aonad?

An Aonad Lán-Ghaeilge (Irish-medium Unit) is a class whereby an English-medium school provides Irish-medium education to a cohort of students for the duration of their time in Post-Primary Education. The students are immersed in classes through Irish from the beginning to the end of the school day and experience a rich, cultural, educational experience.

The Aonad is similar to a small school within a larger school and cultivates a unique identity within the school community. The Aonad also benefits from the use of facilities of the 'parent' school.

The Aonad offers choice to families within the local community to avail of Irish-medium education, particularly in areas where a Gaelcholáiste is not easily accessible.

SPA CROWNED 2020 INTERMEDIATE COUNTY CHAMPIONS

Played in Fitzgerald Stadium on Sunday afternoon, the difference at the end of the day was a hatrick from man-of-the-match Cian Tobin that gave the Spa side a comfortable cushion as the game progressed. Spa had no less than twelve different scorers on the day, and great teamwork across all sectors earned them a first Intermediate title since 2009. It is the third time in the club's history they have won the Intermediate County Championship title after suffering defeat in their last three final appearances (2012, 2014 and 2015).

Fergal Hallissey got Beaufort on the scoreboard within the first minute but Spa quickly replied at the other end, Mike Foley opening the Spa account with a well won free from a difficult angle, and Niall O'Mahony soon followed with a point from the same side. Dara Moynihan, who put in a superb performance on Sunday, made it 3 after slipping right through the Beaufort defence and landing the shot straight between the posts. Beaufort were soon attacking however, with Sean O'Brien landing a long ball in towards the goalmouth and both Dan O'Donoghue and James Devane got right in front of the ball to block Padraig Doona's shot, and Fergal Hallissey making no mistake with the resulting '45. Mike Foley did well to set up the next attack, playing in to Evan Cronin who landed it straight between the posts. At the other end, a brilliant Liam Carey point was quickly followed by another from Mike Breen to level the game at 0-4 apiece just ten minutes in.

Corner forward Fergal Hallissey edged Beaufort in front again with a well-taken free from 35 yards out, but Shane Cronin responded, bursting through their defence and in the end fisting over the bar. Gary Vaughan was unlucky not to add a score as he kicked a high dropping ball that was cleared by Beaufort keeper Sean Coffey, but Niall McCarthy and Dara Moynihan added two for Spa before the first half water break to hold Spa at a narrow lead of 0-7 to 0-5.

Mike Foley did get a shot in to threaten the Beaufort goal but keeper Sean Coffey did well to knock the ball away from the danger zone. Liam Carey and Spa captain Evan Cronin swapped scores before a brilliant point from Beaufort corner forward Padraig Doona was followed by another from Liam Carey to level the game at 0-8 apiece. The first goal came in the 26th minute,

Evan Cronin with a great run but his effort came back off the upright into the waiting hands of Cian Tobin, who duly finished it to the back of the net. Ronan Murphy kicked the ninth score for Beaufort, before Ciaran Spillane collected a pass from Dara Moynihan and bore down on goal but in the finish opted to punch over the bar. Evan Cronin had another attack on the Beaufort goal but Sean Coffey did well to stop the shot with the Beaufort defence clearing the ball. At half time it was the goal that separated the sides, with Spa leading at 1-9 to 0-9.

Within a minute of the restart Padraig Doona added a point for Beaufort, before Dara Moynihan immediately replied in kind at the scoreboard end. Beaufort did well to deny a promising goal opportunity, Sean Coffey getting a touch as Niall McCarthy caught the end of a move between Dara Moynihan and Evan Cronin, and Gary Vaughan kicked over the '45. Fergal Hallissey added another point for Beaufort before a massive sprint from Shane Cronin was laid off to the waiting Cian Tobin who netted his second goal of the day in the 36th minute to make it 2-11 to 0-11. Padraig Doona and Tobin both added points to the scoresheet before Liam Carey dropped a dangerous shot near the Spa goalmouth, James Devane and Shane Cronin clearing the threat. Following on, a lovely Mike Foley free from 40 yards out increased the Spa advantage. Ciaran Spillane did well to intercept the next kick out and he passed it through to Cian Tobin whose shot ricocheted off the inside of the post and rattled the net once more, his hatrick complete on 43 minutes.

Nathan Breen got close on the Spa goal with a long high ball dropped into the square and he jumped high alongside Spa keeper James Devane, but his touch was just an inch or two too high and it landed just above the crossbar. They were threatening goal again soon after, with Sean O'Brien working the ball dangerously close but it was well blocked and cleared by full-back Eoin Fitzgerald. By the second half water break, Spa had gone eight points clear at 3-13 to Beaufort 0-14.

Mike Breen kicked his second of the day, another Beaufort point that just scraped the top of the crossbar before a brilliant point at the other end, Shane Cronin's effort kicked up to the clouds,

flying high and over the bar. Ciarán Kennedy and Dan O'Donoghue exchanged points before a great team play from the outstanding Liam Kearney to Evan to Mike McCarthy set David Spillane up for Spa's fourth and final goal in the 54th minute. Ciarán Kennedy, Jack O'Connor and Padraig Doona exchanged scores with Mike McCarthy and Dara Moynihan before Padraig Doona slotted past keeper James Devane in the 59th minute. As injury time began Beaufort were reduced to 14 men and shortly after Evan Cronin kicked the final Spa score, a fine point near the sideline. A late point from Liam Carey at the Lewis Rd end finished the game at Spa 4-18 Beaufort 1-19.

Spa captain Evan Cronin climbed the steps of the Fitzgerald Stadium to collect the Cup from Co Board Chairman Tim Murphy, with Cian Tobin announced as their man-of-the-match after scoring a highly impressive 3-1.

After claiming the 2020 Intermediate title, Spa now step up to compete in the 2021 Senior Club Championship and our first game out will be against neighbours Dr Crokes next Sunday September 19th at 2.30pm in Fitzgerald Stadium. It also means that Spa will compete on their own in the 2021 Co. Championship and will not be part of the East Kerry divisional side this year.

Massive congratulations to the team, extended panel and management side of Ivor Flynn, Neily Kerins, Kieran Herlihy, Brian Gleeson and Arthur Fitzgerald.

WHY USE A FINANCIAL BROKER?

Firstly, a Financial Broker should have access to a number of different financial product providers and they will also research products for you that match your needs from this choice of providers.

They will take time to get to know you, your personal circumstances and your financial goals. They will discuss options with you and help you come up with a plan of what best suits your needs by providing you with a fair analysis of the relevant market.

So whether your query is in relation to mortgages, pensions, life and serious illness cover, savings and investments etc a Financial Broker will be able to explain all these products to you in plain simple English and discuss all the options available to you to help you make a decision that you are happy with. It is also important that you review your financial affairs regularly with your preferred advisor.

Noreen **WHAT Women WANT**
answers your beauty questions...

Can I use the same moisturiser morning and night-time?

Yes, you can however you will get more benefit from your moisturiser if you use it at the correct time. Day creams are generally lighter and contain spf and antioxidants to protect your skin. Usually full of hydrating, brightening and smoothing ingredients or mattifying depending on the cream you choose for your skin type. Day creams are often oil free and create the perfect canvas for makeup application. Best oil-free day cream to hydrate skin is award winning IMAGE Daily Matte moisturiser with spf 32 €49.50. It hydrates but finishes matte like a primer on the skin and great for men too. Night creams are richer and thicker and can contain active ingredients like retinol or glycolic that could make skin sensitive if worn by day. The skin regenerates while we sleep so it needs nourishment to repair skin tissue, build new skin cells and replace moisture lost

by day.

So, while it does not harm your skin to wear day cream by night or vice versa you will get better results if you use your cream at the time of day it is formulated for.

TIPS TO HELP YOU STAY MOTIVATED

B WELL FITNESS CLUB

TIPS "HOW TO FIT EVERYTHING IN BEING A BUSY MOM OR DAD"

Part three

- ❖ buy pre chopped veg & salads to save on prep time. I also find frozen veg so handy for curry's and chilli dishes. I also find pre made pastries handy to have in fridge for quiches. Also thin based pizza bases are such a handy go to also. Serve up with topping of your choice, a little cheese and salad and it's a meal for all the family.
- ❖ if you can't get back to your favourite gym classes then go on YouTube and workout from home. We have our own channel where we have loads of workouts shared with you to enjoy for free. Or if you need an extra push book a Zoom PT session with us where one of our trainers will help push you while you stay at home with your baby. Your partner or husband can even join in too!
- ❖ Dont freak out when u can't fit into your old clothes right away. The week before I had pixie I ordered a whole range of tracksuits a size bigger than I was pre baby so that I wasn't putting pressure on myself to fit into the previous size right away. I didn't want to wear my maternity gear any more as it worn to death by me. I felt comfy & fresh in the new clothes and not tight and uncomfortable which is very important. Week by week you will gradually get smaller, provided you are not overindulging and you are looking after your body and giving it the good nutrition it needs. Patience will get you there so just enjoy every day cuddling you little bundle of joy, after all the bump you had gave you your baby so wasn't it worth it!!!
- ❖ and finally.... "Keep it simple".... Pick easy, simple to cook meals that don't take long to make or lots of time and believe me it will make life much easier for everyone. You have plenty of time to get back to being Jamie Oliver in the kitchen when the baby is older.

DIARMUID O'SULLIVAN OPTOMETRIST

- Formerly Stack O'Brien -

LIGHT SENSITIVITY

Almost everyone has experienced
light sensitivity at some point

Here are seven simple tips to
help reduce symptoms of light
sensitivity

1. Wear FL-41 tinted glasses.

These have a rose tint and block out
short wavelengths of light (such as
blue light) which can trigger light
sensitivity.

FL-41 has been clinically proven
to help reduce light sensitivity in
migraine and other neurological
conditions.

2. Use the 20/20 rule

Screen time can trigger light
sensitivity.

To prevent digital eye strain, every
20 min, take a break by closing your
eyes for 20 seconds and taking
some deep breaths.

This will allow your eyes to both get
a break from the blue light coming
from your screen and also lubricated
by your tears.

3. Avoid artificial sources of cool blue light such as CFL and LED.

Switch to bulbs with warmer hues.
Light from the orange to red end of
the spectrum will cut some of the
blue light and minimize glare.

4. Eat more vegetables and fruit which have macular carotenoids,

lutein and zeaxanthin.

While getting these nutrients from
the food is best, an alternative is to
take a supplement containing all
3 carotenoids- lutein, zeaxanthin
and meso-zeaxanthin, which has been
clinically proved to decrease light
sensitivity and digital eye strain.

5. Reduce your allergen exposure.

Eye allergies can cause itching,
redness, burning and light
sensitivity.

Try to limit your exposure or take
allergy medication to combat the
symptoms.

6. Use artificial tears.

Eye lubrication can go a long way
to help treat dry eye, digital eye
strain, as well as eye allergies.

7. Use a screen filter ap which can

block the blue light coming from
your screen, and the internal flicker
rate of your screen, which can
trigger light sensitivity.

SPA CLAIM THE CROWN IN THRILLING FINAL

Spa 0 - 12 Listry/Keel 0 - 11

After a thrilling 60 minutes of fiercely contested football, Spa just about held on to defeat Listry/Keel, and earn the title of 2021 Division 1A East Kerry League Champions.

Listry/Keel were the quicker to start, and opened the scoring early when corner forward Eanna Murphy left foot shot just crept inside the post. Joey McCarthy pointed from a free to reply for Spa with one of their first attacks. Listry/Keel then began to become dominant, controlling the midfield and setting up plenty of scoring chances. Michael Byrnes, Padraig O Donoghue, Gearoid Evans, and Jack Evan's all scored points from play. A much needed free from Aidan Cronin left three points between the sides at the water break.

With goalie Conor Sowerby having made two great saves, Spa knew they had to get more possession or they would continue to leak score's. Another Cronin free kept them in touch, but Listry/Keel were finding scores far easier to register. Ryan Carey burst forward to get a super score as half time approached. Eventually Spa's first score from play arrived from wing back Fionn Daly, who would go on to have a big influence in the second half. Listry/Keel lead was only two at the break, despite looking in far greater control then the scoreboard suggested. Spa made some tactical changes at half time, bringing Cronin out from full forward, and putting Daly inside. It did change things initially as Listry/Keel came out flying. O Donoghue got a nice score after cleverly intercepting a pass, and then center forward Michael Byrne got his first of the day. Then, as they looked to add

another score, the ball came back of the post and into grateful Spa hands. They began to get more physical in the tackle and create more chances. A lovely turn from JJ O Donoghue allowed him the time to get a nice score. Daly was then quickest to react after a ball came back off the post to get his second point of the evening. Midfielder Shane O Sullivan then linked well with Cronin to reduce the deficit further. By the water break there was only one between the teams.

Spa continued to push on, and points from Doolan and McCarthy gave them the lead for the first time. O Donoghue's second score from a tight angle put them further ahead. With time now against them Listry/Keel pushed forward in a desperate effort to comeback. Tadhg Gosney reduced to lead to one with a superb free. They then created one more chance as time expired. A hand pass was intercepted though, and their chance was gone. Spa had won by the minimum. Afterwards Captain Aidan Cronin accepted the shield on behalf of his team. Commiserations to Listry/Keel who played some super stuff, especially in the first half. Spa though never panicked when behind and were fully deserved winners.

Spa 1 Conor Sowerby, 2 Darragh Brosnan, 3 Danny Coffey, 4 Kris O Leary, 5 Lucas Sowerby, 6 Cian Russell, 7 Fionn Daly 0 - 2, 8 Oran O Neill, 9 Shane O Sullivan 0 - 1, 10 Luke Doolan 0 - 1, 11 Joey McCarthy 0 - 4, 12 Emmett Spillane, 13 Adam Herlihy, 14 Aidan Cronin 0 - 2, 15 Jack O Donoghue, 18 JJ O Donoghue 0 - 2, 19 Maurice Joy,

➤INTERMEDIATE CHAMPIONSHIP FINAL

SPA 4-18 BEAUFORT 1-19

Congratulations to our senior team & management on their victory over Beaufort to claim the long-awaited 2020 Intermediate Club Championship title. There was huge support for Spa in the Stadium on Sunday afternoon and thank you to everyone who got behind the team on the day and who sent in messages of support and tuned in online and on Radio Kerry.

Played in Fitzgerald Stadium on Sunday afternoon, the difference at the end of the day was a hatrick from man-of-the-match Cian Tobin, that gave the Spa side a comfortable cushion as the game progressed. Spa had no less than twelve different scorers on the day, and great teamwork across all sectors earned them a first Intermediate title since 2009, just the third time in the club's history they have won the Co. Intermediate Championship after suffering defeat in their last three final appearances (2012, 2014 and 2015). Massive congratulations to the team, extended panel and management side of Ivor Flynn, Neily Kerins, Kieran Herlihy, Brian Gleeson and Arthur Fitzgerald.

Spa now step up to compete in the 2021 Senior Club Championship and our first game out will be against neighbours Dr Crokes next Sunday September 19th at 2.30pm in Fitzgerald Stadium. It also means that Spa will compete on their own in the 2021 Co. Championship and will not be part of the East Kerry divisional side this year.

➤U12 GIRLS FINAL SPA V JOHN MITCHELS

8th September 2021: Our U-12 Girls County League adventure came to an end last week in Tralee with an 8-point loss in the final to worthy winners John Mitchels. We were slow to start off & to get to the pace of things and John Mitchell's used this to their advantage leading at the break by 5 points. Credit to our girls, they upped the ante in the 2nd half, a goal early on reduced the deficit & this seemed to invigorate our girls, who pushed forward at every opportunity to try to tighten the margins further. We missed a couple of scorable opportunities thereafter & John Mitchell's who had some very strong players took theirs well. In the end, they just had too much for us on the night & finished up as winners on a score-line of 3-05 to 1-03.

On behalf of the Management Team, I'd like to thank all the girls for their commitment throughout this competition & throughout the year. I'd like to thank all the parents who dropped the girls to training every week

Spa manager Ivor Flynn with his children Lauren and Marc celebrating Spa's victory. Photo: Anne Holland

and were there to support us at all the matches. We will take a break from training for 1 week & will train again Saturday 18th September at 10am.

LEGION GAA

SENIOR CLUB CHAMPIONSHIP RD 3: Sunday 26th @14:30pm. Kerins O Rahilly's v Killarney Legion

KILLARNEY LEGION 1-10 DINGLE 1-13

Killarney Legion took on Dingle at home in Direen last Sunday without the services of many of their first-team players who were unavailable through injury. This was quickly evident as Dingle raced into an early lead assisted with a goal inside the first five minutes. Indeed, only for series of great saves, from in-form Brian Kelly, the situation could have been much worse for the home side. Dingle continued to dominate on most areas of the pitch, which was evident on the scoreboard at half-time, where they led 1-09 to 0-05. A much more determined, direct, and forward moving style of play saw Legion drag themselves back into this game. Such was the effectiveness of this approach that Legion outscored the visitors in the second half to find themselves within one score of them heading into the final minutes of the game. Time was not on our side and Dingle ran out winners by 1-13 to Legion's 1-10. In two weeks' time Killarney Legion play their final game of the Club Championship away to Kerins O' Rahilly's. This is going to be one of those games where we must all get behind the team and support our boys on the day. Wishing a speedy recovery to Finbarr Murphy who got injured during the game.

U-12 GIRLS COUNTY LEAGUE: The u12 girls 'green' team ended a hectic schedule for the week with their 3rd County League game in 6 days. The final group game was at home in Direen with Corca Dhuibhne the visitors on the night. The away side were out of the traps early and pounced for an early goal to open the scoring. Both sides exchanged scores in the opening stages but the cailíní ó Chorca Dhuibhne were converting possession to scores more easily than the girls in green and white. The visitors raised the green flag a few more times to take a comfortable lead at the short whistle. The home side were up against it sa dara leath but they stuck to their task and worked some lovely scores to keep themselves in the game. Try as they did, our girls couldn't break through the solid defence of the visitors to get the goals needed to claw back into the game. A deserved victory to Corca Dhuibhne who claimed the dhá phointe on the night.

Comhghairdeas go Corca Dhuibhne and well done to all our girls for a great effort this evening. Beidh lá eile agabh gan dabht. We await the results of other games to find out who will be our opponents in the final game next week.

U-9 GO GAMES: The next phase of under 9 Go Games kicked off in Direen. We welcomed our neighbours Dr Crokes for a great morning of football. Great entertainment, teamwork and skills on show. Thanks to the coaches, referees, parents, players and Dr Crokes for contributing to its success.

CO. JUNIOR HURLING CHAMPIONSHIP:

A good win for our Junior hurlers on Sunday in the County Junior Championship Semi Final against a strong Duagh side puts us into a County Final. This was a home game for us and after a slow start we steadily caught up with the opposition and a fine first half goal by Richie Farrissey put us ahead of Duagh and we maintained our advantage to the end. A fortunate second half goal came our way from a long range free by Mike McCarthy into the goalmouth and was dropped over his line by the goalkeeper. This score put us in a commanding position and despite a rough and tumble fourth quarter we finished the game comfortably on a scoreline of Crokes 2.14, Duagh 0.13

We await the CCC scheduling of the Final and it will be played against Causeway C possibly on next weekend.

SENIOR CLUB CHAMPIONSHIP our opening

game will be on September 19 v Spa this game is fixed for Fitzgerald Stadium @ 2.30pm.

EAST REGION COISTE NA NÓG FINAL U15 DIV 4 B

FOSSA 1.15 (18) GNEEVGUILLA 3.07 (16)

Paddy O Leary Memorial Park Gneeveguilla played host to this keenly contested final on Wednesday evening.

James Doyle opened the scoring for the home side by pointing a free.

Fossa then took over with some strong play hitting five points in a row, forwards Ronan Bennett, Tadhg Kissane, Cathal Breen as well as impressive midfielder Ted O Gorman (2f) all contributed.

Gneeveguilla were then awarded a penalty which was well goaled by James Doyle.

After the water break Gneeveguilla saw some good play rewarded with James Doyle adding a goal and point from play.

Doyle then finished a good move to the net to claim a first half hat-trick of goals.

Fossa kept within four points of the home side as Ted O Gorman added two further frees.

Half time score read Gneeveguilla 3.02 to Fossa 0.09

At the beginning of the second half Doyle and O Gorman traded points before Fossa took a real hold of the game.

Ted O Gorman had three points and a penalty goal in this period and Sean O Donovan added a point to see Fossa lead by three at the water break.

Doyle and O Donovan then swapped two points as the play flowed from end to end.

Cathal Breen the scored a fine point for Fossa before a grandstand finish from a gallant Gneeveguilla which reaped two pointed frees from James Doyle and only the outstanding efforts from Fossa defenders kept a double goal chance for the home side.

Relief at the final whistle from the visitors who had some great performances on the night and probably a more balanced side over all.

Special mention to James Doyle who scored all his side scores on the night.

After the game Seán O Keefe of East Region was

on hand at the trophy presentation to captain Tadhg Kissane. He went on to congratulate Fossa on their fine victory, thanked referee James Brosnan (Currow) and his umpires, sponsors M.D O Shea Killarney, he also thanked Gneeveguilla Gaa for the use of their fine facilities on the night.

U15 EAST REGION DIVISION 1B

KILCUMMIN 3.08 (17) LEGION 1.10 (13)

Kilcummin overturned a previous defeat to Legion in the division 1b final played in Dieren last Wednesday evening by four points. Kilcummin had many performers on the night, but the player everyone was talking about after the match was the goalkeeper TJ Healy after he kept his goal intact for most of the game with a string of fine saves and sound ball handling skills. In particular he tipped a goal bound shot from Liam Cronin around the post and saved a penalty from Josh Bowler one minute later in the early stages of the final quarter. A goal at this stage might have made all the difference.

The first quarter began as a heavy drizzle began to fall. Kilcummin pressure began to tell with Aaron Buckley on the mark with two early points and a goal just before the water break. For the goal he collected the rebound from a high centre and finished efficiently from close range. Legion had points from Oisín Fleming and Jason O'Sullivan leaving two points between the teams. Early In the second quarter there was a significant black card for Gavin Cronin at full forward and legion outscored their opponents by two points to one. Bobby Gallivan had an early long range point for Kilcummin while Brian O'Shea and Tom Benson with a free replied for Legion. There was a significant goal line clearance on the Kilcummin with Healy prominent at the back. At half time there were two points between the sides 1.03 v 0.04

In the second half Gavin Cronin was back on the field and played his part in an early goal which was scored by the ever dangerous Bobby Gallivan after a long run and neat finish. Legion came back into the game with three points from Oisín Fleming, Tom Benson and John O'Grady in three minutes. The Kilcummin fought back with another three points in quick succession, one from Sean Doolan and two from Gavin Cronin who was now operating at centre forward to good effect. Then just before the final water break the centre back Luke Daly put in a defence splitting shot to find Sean Doolan and finish the third goal for Kilcummin. Points exchanged before the break with Gavin Cronin scoring for Kilcummin and

Jason O'Sullivan scoring for legion. At this stage Kilcummin had an eight point advantage.

Legion were not for quitting and continued to probe the Kilcummin rear guard. Healy had that double save early in the quarter, but the goal did come through Brian O'Shea and two further points for Liam Cronin and Josh Bowler. Aaron Buckley had a breakaway point for Kilcummin to lift the siege late in the game. Brian Fleming called affairs to a halt with Kilcummin four points to the good 3.08 v 1.10

A feature of the game as the duel at midfield between Keelan O'Shea and Josh Bowler from Legion. The three half forwards scored goals for Kilcummin while Dara Stack and Luke Daly dominated the two central positions for Kilcummin. For Legion the midfielder Tom Benson and centre back Jason O'Reilly were most prominent with Liam Cronin handled a lot of ball in the half forward line.

Denis McCrohan presented the trophy to Captain Gavin Morrissey on behalf of the board. He thanked the officials and the administrators in both clubs. He thanked the sponsors MD O'Shea and the legion club for having the facilities in fine condition.

DEERPARK PITCH & PUTT CLUB

NATIONAL STROKEPLAY: Our chairman once again did us proud, this time in defeat, as he finished second at the National Senior Mens Strokeplay Finals in Navan, Co Meath last Sunday evening. Damien tied with Killineer of Louth's Ian Donnelly on 29 under par after 54 holes meaning both needed to play another nine holes to determine the winner. Damien was one ahead with three to play but a bogey and the 7th and birdie for Ian meant the momentum shifted to him as he eventually closed out the win on the ninth hole. It's been an amazing year for Damien though, finishing first and second in the two nationals as he is assured of being Irish No 1 for the second time in three years. John McGrath finished on 12 under par after 36 holes, two off making the Final 18 playoff.

SUNDAY SINGLES: First Nett: Aidan O'Keeffe 41, Gross: Declan Kelly 51 and Second Nett: Noel Moynihan 44.

WEDNESDAY COMPETITION: Our competition on September 8th was finished in near pitch dark after a deluge arrived on the Back 9 and the Nett Winners had to birdie their last hole to win the prize by half a shot! Nett: Adam Kelly & Jason O'Connor 36½ Gross: Brian Moloney & Hugh O'Sullivan 47.

RICKY KELLY: Our 30th anniversary competition takes place this weekend and is once again being held in association with the Tatler Jack Bar. Format is the same as last year with competition a Three Ball Scramble and cards for €30 for one round and €50 for two rounds. A team's Best 18 will be their score for tournament. Times of play from 2pm-6pm Friday, 10am-5pm Saturday and 10am-4pm Sunday.

KERRY PITCH & PUTT NEWS

EAST KERRY MENTAL HEALTH ASSOCIATION
A tremendous season for Kerry Pitch & Putt nationally very nearly came to the perfect end last Sunday evening in Navan Co Meath as Deerpark's Damien Fleming was denied a National Senior Matchplay and Strokeplay double in 2021 after a marathon 63 holes. After winning the National Matchplay for the third time back in August, Damien nearly won the Strokeplay for a second time only to be denied by Ian Donnelly from the Killineer club in Co

Louth.

Two solid rounds of 10 under par had given Damien a share of second place after the first 36 holes on 20 under par, two off the lead of 22 under par held by Tipperary's Anthony Culhane. Damien moved to 25 under after his first nine holes of the extra 18 as 29 became the new clubhouse target set by Donnelly in the group just ahead of Damien. Damien needed to birdie the last to force an extra nine holes with Donnelly and he duly obliged in what became the first extra nine holes in a national senior final since 2010.

Damien went one ahead of Donnelly early in the second playoff and was still one stroke ahead with three to play. It all changed at the seventh hole however as Damien bogeyed and Donnelly birdied to put the Louth player in the ascendancy now. Both players matched each other on the eighth as another bogey on the ninth officially ended Damien's challenge with Donnelly paring his last hole to win the playoff by two. Had Damien won it would have meant a Kerry player would have won a National Pitch & Putt title at every national event held by Pitch & Putt Ireland in 2021 including the delayed 2020 Strokeplay back in June.

Damien secured the end of year Irish No 1 ranking for the second time in three years with his performances this year though as he continued to maintain the high standards he has set for himself over the last few years. Tralee's Jason O'Regan and Alan Hobbart were the other two Kerry players to make the Top 18 playoff in the senior grade with Jason finishing the tournament on 24 under par and Alan shooting 20 under. The previous day at the same venue had seen Tralee's Michael Conway put up a very brave defence of his Intermediate title, finishing fourth overall.

Michael made a very encouraging start in shooting 14 under for his first 36 and held the lead for a period until Justin McKeon of Prosperous in Kildare (16 under) and Trim's Evan Ganly (17 under) came in ahead of him before the Final 18. Killian O'Gorman of Listowel was just behind him on 12 under par as Michael's Tralee club-mate Keith O'Brien was the other Kerry player to make the Intermediate player with seven under. Michael would finish on 16 under after 54, good enough for fourth overall and five behind the eventual winning score of 21 under par posted by McKeon. Killian finished on 13 under with Keith three shots behind on 10. At the Junior event in Stackallen on Saturday meanwhile both Castleisland's Noel Lee and Listowel's Graham Tarrant qualified for the Top 18 playoff occupying the 17th and 18th spots respectively. Noel finished on two under with Graham a shot behind on one under as the curtain came down on the Pitch & Putt season nationally.

At local level there are still two big fixtures left. They are the Deerpark Scratch Cups on Sunday October 10th and the Adult County Matchplay Championships in Castleisland on the October Bank Holiday weekend.

JIMMY O'SULLIVAN-DARCY

takes a look at all things sport...

All Ireland Final:

Tyrone 2-14 Mayo 0-15

First Quarter

Good start for Mayo. Aidan O'Shea to Tommy Conroy and over. Niall Morgan misjudges the kick-out, hop ball. Good Mayo tackling forces a turnover, '45, Hennelly misses it. Diarmuid O'Connor almost catches the kickout. Great pressure. Frank Burns fouls McLoughlin, Ryan O'Donoghue slots. 0-2 to 0-0. Niall Morgan with a superb long range free. Great score. Tyrone are exerting the pressure now and Pádraig Hampsey sends over a beauty. Burns with a great interception and the whole move ends with Darren McCurry winning and slotting a free. In the 5th minute Mayo have a great goal chance, Bryan Walsh one on one but he takes a bit too much out of it, the rebound comes to Conor Loftus but Niall Sludden clears off the line. Very close to a goal. Ryan O'Donoghue takes a nice point but O hOra fouls McNamee and McCurry slots it. Was it a black card pull down? Not an actual pull down for me, but sure RTE need a bit of drama. God knows they can't produce any themselves. 0-5 to 0-4 in favour of Tyrone.

Second Quarter

Aidan O'Shea finds Tommy Conroy, fouled, and Ryan slots over. Kieran McGeary slots over in response. Both sides are opting for fast kickouts and it's working, but Tyrone are a bit more clinical. A good turnover by Lee Keegan ends with Paddy Durcan scoring. Both sides miss chances, but there is a definite pattern emerging. As I say, both sides are taking short kickouts and going forward fast. Both sides are flooding their defences – both have a kind of rotation where any player can bomb forward when there's space, but his position is never left unmanned. Mayo are trying for quick penetration, tyhough, and it's not working. Aidan O'Shea has always been a great footballer, but hes 'betwixt and between' at eleven. He isn't influencing midfield, and his presence inside is only a temptation to high and risky ball in, which is invariably turned over. I'd take him off, to be honest. Truly great player, but this isn't his kind of game and he's a bit lost. Mayo are a bit gung-ho and over-ambitious; Tyrone are patiently deadly. They are only going for what are called 'high percentage' chances. It shows as Sludden and McCurry slot over, the free won by Mattie Donnelly. Another Tyrone turnover ends with Niall Morgan gathering comfortably and a McCurry goal chance. Good save but Morgan slots the '45. 0-8 to 0-5. Aidan O'Shea wins a free for Ryan O'Donoghue but McCurry wins and slots another. Mayo show composure up front and Stephen Coen nails an absolute beauty before Ryan brings it back to a one point game. Credit to Mayo, they are being outclassed, but they are doggedly resolute.

You'll hear fools question the character of this team....but only fools. Sludden closes out the scoring, though, and Tyrone are definitely full value for their lead.

Half-Time: Tyrone 0-10 Mayo 0-8

Mayo's character is absolutely not open to question. Their ability to convert their chances? Oh, yeah. Everybody knows their Achilles heel, and Tyrone don't need any Greek goddesses pointing it out (there ye are, a high class metaphor!). Conroy goes for goal, should have taken the point, wide. Ryan O'Donoghue hits a free, it's short, scrambled....penalty! Burns picked it straight off the ground, that was a bit careless, to be honest. O'Donoghue goes for it....clips the woodwork and away. Good positioning and movement by Morgan, he made it very difficult. It wasn't a bad penalty effort, in fairness (maybe the half-step should be left to John Aldridge), but there's literally no margin of error in such moments. Some pundits do try to stir the pot subsequently about whether Tyrone players encroached the line or the keeper moved too early.....fair play to Mayo in a hard aftermath for shrugging off that sad nonsense. Joe McQuillan and his team were absolutely outstanding officials all through. Rob Hennelly nails a good free. Despite their misses, Mayo are within a point. Sludden uncharacteristically tries an effort that someone like McCurry would have eschewed. Conor Meyler with a great high ball – McShane, the silent assassin, is in there....goal! McShane must have the highest score to playing time ratio of 2021. Great player. Ryan O'Donoghue takes a Mayo point but already it feels to me like defiance rather than real hope. There were only three scores in the entire third quarter, but only one of them was a goal. The football is fascinating, though, great pace and control. There is great focus, intensity, and intelligence. Tyrone 1-10 Mayo 0-10

Fourth Quarter

Mayo aren't giving up and back they come, but it's a stoppable force meeting an immovable object. They dominate but only get a McLoughlin point on the board. Two point gap and plenty of time. Except Tyrone come straight down the field, Conn Kilpatrick sends a great pass to a wide open Conor McKenna, and he lays off a brilliant no-look pass to McCurry for a simple finish. Not a 'spectacular' goal, but a brilliant one in its simplicity. Absolutely majestic lightning fast execution. The whole move was a matter of seconds. Sorry, Eoin Mulligan, your goal against Dublin is no longer Tyrone's greatest goal in Croke Park. And still Mayo come. Lee Keegan wins a free for Ryan O'Donoghue. But McKernan sets up Peter Harte in reply. Conor Loftus tries to power through, but Tyrone absorb and calmly dispossess him. Tommy Conroy slots a point.... and Darragh Canavan fists over. I saw his Da

play football a few times, the young lad's a player. Actually, the pressure of expectation on Darragh from a young age aw's ridiculously unfair, and it takes real steel to wear that mantle with light indifference; this is a man in his own right. Meyler to Canavan, great save by Rob Hennelly, but McCurry fists over the rebound. Peter Harte makes a very good and important intercept. McCurry with a free closes out Tyrone's scoring. Ryan O'Donoghue's last score is a forlorn gesture, really. Mayo look heartbroken, and my heart really does go out to them, but Tyrone won this and did it in style. Tyrone: Michael McKernan, Ronan McNamee, Pádraig Hampsey, Frank Burns, Peter Harte, Kieran McGeary (0-1), Brian Kennedy, Conn Kilpatrick, Conor Meyler, Michael O'Neill, Niall Sludden (0-2), Darren McCurry (1-4, 2f), Mattie Donnelly (0-1), Conor McKenna. Subs: Cathal McShane 1-0 (for Mattie Donnelly, 44 mins), Darragh Canavan 0-1 (for Michael O'Neill, 53 mins), Ben McDonnell (for Brian Kennedy, 57), Paul Donaghy (for Conor McKenna, 66 mins), Tiarnan McCann for Conn Kilpatrick, 73 mins). Mayo: Rob Hennelly (0-1, 1'45), Stephen Coen (0-1), Pádraig Ó hÓra, Lee Keegan (0-1), Paddy Durcan (0-1), Oisín Mullen, Michael Plunkett, Mattie Ruane, Diarmuid O'Connor, Bryan Walsh, Kevin McLoughlin (0-1), Conor Loftus, Ryan O'Donoghue (0-8, 7f), Aidan O'Shea, Tommy Conroy (0-2). Subs: Enda Hession (for Michael Plunkett, half-time), Jordan Flynn (for Pádraig Ó hÓra, 52), Darren Coen (for Bryan Walsh, 58 mins), Aidan Orme (for Conor Loftus, 66 mins), James Carr (for Kevin McLoughlin, 74 mins). Referee: Joe McQuillan (Cavan).

SEÁN O'SHEA TOP SCORER

Congratulations to Seán O'Shea, top scorer of the 2021 Championship with 2-30 (36) over four games. Darren McCurry was just behind him on 1-30 (33) over five games and Ryan O'Donoghue is third with 2-27 (33) over five

games. Tied scoring is settled by the actual number of scores, i.e. three points is more impressive than a goal. I agree with that. None other than David Clifford with 2-27 (23 in four games). Note the ten point drop from the top three, by the way, being a team's main free-taker clearly makes a huge difference.

Team of the Year (Gavin White, David Moran) Look, RTE threw out their team, and fair play for that. The usual caveats apply, that was their opinion, this is mine, you are perfectly entitled to have yours. This is all subjective. I'm just giving my team.

Niall Morgan (Tyrone). I'm delighted for Hennelly's Croke Park redemption, great keeper, but I expect this to be unanimous.

Lee Keegan (Mayo). Again, I don't anticipate too many dissenters. You can argue about the positioning, but he played with a roving commission rather than guarding the square.

Pádraig Ó hÓra (Mayo). Rarely named there and certainly wasn't locked in one place, but he was the linchpin of Mayo for me while Keegan was a leading light in many areas. His display against Dublin is a highlight of the year.

Padraig Hampsey (Tyrone). Yup. Superstar all year as Tyrone's captain.

Paddy Durcan (Mayo). RTE gave their nod to Sludden and he was great, but I thought he was wayward on a few small occasions. It's a fine margin, but Durcan was consistent excellence all year.

Kieran McGeary (Tyrone). Again, an absolute lock. I would expect him to be Footballer of the Year; he typified Tyrone's never-say-die attitude.

Gavin White (Kerry). RTE went for Peter Harte, but I hope it isn't Kerry bias that makes me say that Gavin White is an absolute lock for me. He should (but won't) win Goal of the Year as well. This isn't personal; I honestly don't think I have ever spoken to Gavin.

David Moran (Kerry). Again, it'll be controversial, but I honestly think he was the most dominant midfielder this year. We won midfield well against Tyrone, our problems were in other areas. No offence to an efficient Conn Kilpatrick, but if we swapped both players, Tyrone would still have won the All Ireland and beaten Kerry more convincingly.

Mattie Ruane (Mayo). Brian Fenton lost his first ever Championship game and is an immortal already. But he wasn't as dynamic at any stage this year. Ruane fully deserves the nod.

Conor Meyler (Tyrone). I don't think he actually 'blotted out' the influential Paudie, that myth took wings fast, but he was superb in every game.

Ciarán Kilkenney (Dublin). Yes, he got caught up in that second half malaise against Mayo, but over the Championship he was still a revelation. Neither Aidan O'Shea nor Michael O'Neill are in the running for me. Eoin Cleary of Clare was, but I couldn't justify his inclusion on one showing.

Paudie Clifford (Kerry). A phenomenon. By the way, he wasn't a sudden surprise...Peter Keane mentioned monitoring his progress with an injury several times last year in interviews.

Darren McCurry (Tyrone). He absolutely blistered the Ulster Championship from Day

One and did big damage in the latter stages. A reliable scoring forward is key to winning All Irelands, no matter what style you play.

David Clifford (Kerry). You can argue that he was quiet enough in Munster. But he was a genuine man of the match contender in our toughest game and his departure with injury was a genuine factor in Tyrone's fully merited victory.

Ryan O'Donoghue (Mayo). Everything I said about McCurry applies to O'Donoghue, and arguably even more so in the absence of Cillian O'Connor. Cormac Costello was in the conversation. Kerry never really played an actual fifteen, it was Paudie wearing the jersey in a different role. Given Paudie's effectiveness, the quote from 'Dirty Dancing' comes to mind - "Nobody puts Paudie in the corner!"

2021 COUNTY RANKINGS

The GAA doesn't have a formal ranking list – it wouldn't want to, given the harsh reality that there has always been a few counties well above the rest. But my list of favourites for Sam Maguire in descending order before the competition commenced would have been Dublin, Kerry, Donegal, Mayo, Tyrone.

It occurred to me when the dust settled that maybe I shouldn't be writing down my opinions at all! I think a fair assessment would have it in almost reverse order! In terms of expectation v reality, we did better than Dublin (they'll learn a hard lesson – despite all the furore over Mayo's victory, I don't think that Blue Tide (that phrase is a bit of a humorous blast from the past for some of us) has suddenly reversed. Also, I had thought Donegal would just about beat Tyrone. Granted, Tyrone were missing some top players on that occasion, but Michael Murphy missed most of that game as well. Donegal are right up there among next year's top contenders.

NEXT KERRY MANAGER

The appointment of Molomphy as Kerry hurling manager was quietly and calmly done, and from the little I know, it sounds very much like they got a superb former player with some great experience in management and ready for the step up. I think it's a great choice.

The appointment of a Kerry football manager, on the other hand, is always a forced drama. Frankly, myths, rumours, and speculation intertwine randomly, with a fair few people talking through their nether regions and people in the know keeping schtum (it's British gangster slang for staying silent).

Kerry have appointed a committee to propose (which actually means 'select'; most County Board Meetings on zoom are fairly anodyne affairs, to be honest) the next manager. That committee consists of Tim Murphy (County Chairman in his last year of tenure), Eamonn Whelan (Vice Chairman and likely to replace Murphy as chairman – although that vote hasn't been held yet), Peter Twiss (County Secretary), John O'Leary (Munster Council Delegate – and much more to Kerry GAA), and Donal Daly (Kerry Games Manager – you know

Peter Keane, of course, has every right to re-apply for the job, and his record is very strong.

the great production line of underage talent coming through Kerry? Donal's too modest to take a bow, but he would be entitled to).

The options seem to be Jack O'Connor, who has stepped away from Kildare after a very successful stint and, like his sons, moved back to Kerry. For many of us, stepping back from Kildare after signing a new contract recently was an indication of throwing his hat in the ring. Jack has been a selector or manager for no less than 21 All Irelands at different grades with Kerry teams.

Seamus Moynihan along with Donie Buckley as coach. Seamus Moynihan would make anybody's team of all-time greats. He also has a better CV than many realise, having won two County Minor Championships with East Kerry and managed Glenflesk and Fossa, whom he helped to promotion. But the real powder in that gun barrel is Donie Buckley, recognised as one of the best technical coaches in the sport. Donie was involved in Peter Keane's management early on, but there are queries about how much access he had to players – what is certain is that he stepped away without either party offering a real public explanation. Defensive tackling is a speciality of Donie's, and the one area that I feel has been costing us badly.

Peter Keane, of course, has every right to re-apply for the job, and his record is very strong. He took St. Marys to Croke Park, Killarney Legion to a County Final, and Kerry to three minor titles in a row. At senior, he lost by a point in a replay to the greatest team of all time (Kerry's golden years team and the almost forgotten team of the late twenties/early thirties were undeniably great, but statistics trump sentiment), fell to a late ambush on a wet day in the opening round last year (admittedly, with the wrong tactics

on the day) and by a point after losing his best player to injury to a battle-hardened, canny, and very skillful Tyrone who went on to win the All Ireland after beating Cavan, Donegal, Monaghan, Kerry, and Mayo. It's not exactly a bad record, is it? Three games, three points. I don't know the difference between fine margins and vagaries of fate.

Do I have a preference for Kerry's next manager? I know all three are great managers with their only intention being the best for Kerry.

I also know that it's a poisoned chalice and that I, personally, would not touch it with a barge pole. Kerry supporters do not exactly temper expectation with reality and the total blame always falls on the manager. It's ridiculous. Any sports manager is a facilitator for the team to achieve their best. Too many supporters don't appreciate that.

HURLING

Congratulations to Ballyduff on winning the Minor County Championship. Kieran O'Carroll was named man of the match. A definite chip off the old block! His great grandfather was none other than Paddy 'Carr' O'Carroll, star of Ballyduff and Kerry's first ever All Ireland win back in 1891. Corner forward Luke Rochford's great grandfather James Crowley was on that team. As were the grandfathers of both Kerry footballers Eamonn Fitzmaurice and Pat McCarthy, by the way.

Good luck to both Kilmoyley and St. Brendans in next Sunday's County Final. I think we all know that the holders are favourites, but St. Brendans will definitely take it all the way to the wire.

GOLF

LOWRY MAKES RYDER CUP TEAM

Pádraig Harrington had nine automatic qualifiers for this year's European Ryder Cup

team. Jon Rahm, Tommy Fleetwood, Bernd Weisberger, Viktor Hovland, Paul Casey, Matt Fitzpatrick, Lee Westwood, and of course Rory McIlroy. We think of Rory's year as a failure if he isn't winning one of the big four; it's ridiculous. The captain's wild cards were always going to attract the most attention, you simply had too many good players for too few places. It's actually the best possible marketing you could have for the competition, probably not a coincidence.

Two of them were fairly automatic. It would have been a huge surprise if Harrington (genuinely one of the most likeable people in the game, son of a Cork football legend, and a legend in his own right) was always going to bring Sergio Garcia and Ian Poulter. Two experienced and proven campaigners who don't need to be told anything about how tense and gruelling the Ryder Cup actually is. Garcia, in particular, always cheerfully wears his heart on his sleeve.

The third pick was going to be the captain's, and it was a tough call. Lowry had just barely missed out on actually qualifying in his own right. He had a chance to overtake Lee Westwood by finishing in the top eight in the BMW PGA Championship at Wentworth, but slipped up in

his final round. However, Harrington gave him the nod over Justin Rose, whose recent form wasn't deemed enough to get the nod over Shane's consistency.

The competition begin next week on Friday in Whistling Straits, Wisconsin, and personally I think Europe will be cleaned out. But this is a competition that's almost impossible to predict. That's what makes it so compelling, even for non-golfers like myself. You get drawn into the narrative. Maybe that's a small bit childish in a contest of multimillionaires....but sure, what would be the point of sport without it?

Athletics

Congratulations to Tony Harty of Killarney Valley AC, who ran a personal best of 2.42 in the Vienna Marathon to come second in the M45 category and 27th overall. Some going!

Also well done to Alison Butler and Dara Looney, who represented Killarney Valley in the Munster Tailteann Games.

Seán O'Keefe of East Region was on hand at the trophy presentation to captain Tadhg Kissane.

Congratulations to the Fossa u15 players and management who had a great win over Gneeveguilla.

KILLARNEY WIN SEASON OPENER

Killarney seniors played at home on Sunday against division 2 side Tralee in the semi final of the McGullicuddy Cup. This was the first game of the season for Killarney having had a concession from Listowel in the previous round. The opening half saw the home side dominate the attack culminating after 15 minutes in a well worked try from Shane Looney in the corner. On 28 minutes Tralee scored from a penalty to bring the score to 5 - 3. On the restart Killarney again forced the attack where Tralee coughed up a penalty. Quick thinking by scrum half Paul O Sullivan to take a quick tap and pass to Paul Moynihan to break the line and score near the posts duly converted by Brendan Fuller. Killarney again kept piling on the pressure and with some great breaks saw Callum Myres take his try well. Tralee then began to exert pressure on the Killarney defensive line with super work from the Killarney pack keeping the visitors at bay. Half time and score was 17-3 to Killarney. The second half opened and after 8 minutes Tralee showed they were still in the game with a try and conversion. Craig McKensie Vass was introduced just after half time and used his power to make some good headway up the pitch and some width on the ball ended up with Paudie Sheahan crossing the whitewash to touch down behind the posts. Again Fuller converted. Killarney again received the ball from the off and marched up the pitch. A solid scrum on the Tralee 10 yard line saw Dave Howard

take from the back and pass to Paul o Sullivan and quick hands to Fuller for Killarney's 5th try. From the kick off the ball found it's way to Dave Howard who broke Tralee hearts with a runaway try under the posts. Fuller couldn't miss this one to be fair. With the score now at 36 - 10 Killarney made changes after some injuries and had to go to uncontested scrums Tralee surged back and score 3 tries in 19 minutes. However some resolute defending from Killarney ensured the victory and earned a home final on Sunday 19th next. Also congrats to Matt McAuliffe who made his senior debut and to the old warrior Eamon Maguire for a top class show. Also special mentions to Colin McCarthy and Micheál Og Casey who's first time at centre showed both power and guile well used. Final score was Killarney 36 Tralee 27.

Team on the day
Padraig Sheahan, Brendan Fuller, Micheál Casey, Colin McCarthy, Shane Looney, Damien O Carroll, Paul O Sullivan, Paul Moynihan, Callum Myres, Shane Doyle, Broghan Edmonds, Bernard Moloney, Eamonn Maguire, Aaron Jones, Dave Howard, Trevor Coffey, Craig McKensie Vass, John O Donoghue, Matt McAuliffe.

EA Sports 14's League of Ireland:

WATERFORD WINS FOR SECOND TIME IN KERRY

In the EA Sports 14's League Shield Waterford made the trip to Kerry a winning one following up on their 2-1 win in the Group stages when the game was also played at Celtic Park Killarney.

This game started in whirlwind fashion with Scott Collins pass finding Cian Whelan but Caolan Mitchell made a great save to keep Waterford at bay. At the other end Neal O'Shea rounded the keeper but his goal-bound effort was cleared off the line by Matt Barrett.

And Barrett was involved in the opening goal on 14 minutes when his header from a corner was finished to the net by Jack Kennedy. They visitors went 2-0 up in the 24th minute when Barrett headed home from an Alex Sheehan.

Neal O'Shea and Leigh Meehan went closest for Kerry who had Alex Sheehan and Brandon Long putting in dangerous crosses.

Kerry made changes at the break with Darragh Lynch and Aaron Healy involved in the good things the home side produced. But Kerry conceded a goal third in the 62 minute when Ciaran Kirwan held off the defenders to finish neatly past Mitchell.

Adam Evans had a couple of half chances late on but it was Waterford who held for a good win.

Open day in for Kerry in Kennedy Cup Group F: Kerry 5-1 Limerick County

The rearranged 2021 Kennedy Cup got underway this weekend with Kerry welcoming Limerick County for the Group F game played at Listowel Celtic.

From the start Kerry were in full control with James Dempsey, James Jones, Brian O'Shea and Fionn Daly all going close.

In the 14th minute Kerry opened the scoring when Brian O'Shea showed great close control to shoot past the Limerick keeper. Two minutes later it was 2-0 when Fionn Daly pounced after the keeper parried under pressure.

It could have been 3-0 in the 20th minute but

after Fionn Daly was fouled Brian O'Shea penalty clipped the post. However within a minute it was 3-0 as James Jones finished off a good Kerry move. Then a long ball over the whole Limerick defence by keeper Pierce Moynihan saw Jones chip the Limerick keeper but his effort landed on the roof of the net.

3-0 became 4-0 in the 27th minute when Jones got his second following another sweeping Kerry move and James Dempsey hit the crossbar from a header. On the rare times that Limerick County Mathew Rogers and Jayden Deedy made two important challenges.

Credit to Limerick County and at the start of the second half they pulled one back when Gearoid Enright headed home from a Conor Clancy cross. Jack Fitzgerald headed over from a Limerick County corner and that was their last real chance.

Kerry wrapped up the scoring and the win when James Jones scored from the penalty spot to complete his hat-trick after Luke Doolan was fouled.

In the other game in the Group Limerick District won at North Tipperary. Kerry go to Limerick District in their next game in early October.

KSBGL SUMMER COMPETITION FINAL ROUND-UP

Four of the remaining finals in the hugely successful KSBGL Summer Competitions were played this week.

St Brendan's Park D took the 12's Plate final defeating Listowel Celtic C 2-1 thanks to two goals from Patrick Leen who scored in both halves after Listowel Celtic had equalised before half time.

In the 12's Shield Final LB Rovers took the trophy back to North Kerry as they defeated Inter Kenmare 5-2. Tony Desmond and Aidan O'Sullivan got the Inter goals but two each from Brody Mulvihill and Odhran Buckley and one from Odhran Barry gave LB Rovers the trophy.

In the 14's Shield Final Camp Juniors went 1-0 up before the break thanks to Robert Keane and doubled their lead in the second half through Dean Goodwyn. Sean Maher pulled one back for Mastergeeha with 5 minutes to go but it wasn't enough for the side that after missed a penalty. There was better news for Mastergeeha in the

15's Shield final as they defeated Inter Kenmare with three late goals. They led 1-0 thanks to a Bobby Galvin goal after 60 minute and then added another three from Emmet Spillane, Cian Guerin and Cian O'Connor.

Kerry 13's continue build-up to SFAI Inter League: With the SFAI Inter Leagues due to start next month the Kerry 13's head coach Preston McEvoy had two squads on duty against Limerick Desmond in two friendly games as part of their build-up. Kerry won the first game 3-2 and narrowly lost the second game 1-0. Scoring the Kerry goals were Danny Murphy, Callum Robertson and Tom Griffen. Trials will take place at this age group in the coming weeks before the final squads are selected.

U12 (T2) Killarney Athletic (1) Mastergeeha (1)

Killarney Athletic U12's hit the road up to Mastergeeha on Saturday for their first game of the season in Under 12 division 1. A tight first half was played out with few goal chances due to both sides defending very well. The second half saw a lot more goal opportunities for both sides with Mastergeeha hitting the Athletic crossbar and the Mastergeeha Goalkeeper pulling off a couple top drawer saves. Mastergeeha took the lead midway through the second half after sustained pressure on the Athletic back line. Athletic regrouped and dug in to find a way back into the now pulsating match. With 2 minutes

left on the clock and with Athletic banging on the door a piece magic was produced by Aodhagan O'Suilleabhain on the right side of the Mastergeeha box beating two defenders and smashing the ball into the top corner of the net much to the delight of the travelling support. Athletic kept it tight to play out the remainder of the match to earn a well deserved point..

MEK UNITED NEWS

U 14 PREMIER DIVISION:

KILLARNEY ATHLETIC 3-5 MEK GALAXY

In the 1st Match of the New Season our 2008 boys team made the short trip to Woodlawn to play familiar opponents Killarney Athletic.

This time it was MEK Galaxy who made the quick start with Danny Murphy slotting home after being played through by a fantastic pass from Fionn Kennedy.

In a fantastic match played at high quality and intensity both teams created plenty of chances, with Athletic firing home to equalise at the midpoint of the half, at this stage Athletic were getting on top and went in front when they turned over possession from a MEK throw in and scored when a cross evaded our defence and was bundled home.

2-1 to the Home team at half time.

The 2nd Half if possible was played at a higher tempo and intensity, unfortunately we found ourselves 3-1 down when Athletic scored from a free kick just outside the penalty area but if anyone thought that was the end of our boys they would be proved wrong.

Cillian O Donoghue found himself through on goal and their was only 1 possible outcome and Cillian rolled the ball into the corner, GAME ON!!!

MEK then started to dominate and created plenty of chances, with Jack Hallisey unlucky not to score after a brilliant David McCarthy ball. Then the Jayden show started with Jayden firing home a Fantastic Hat Trick, a beautiful ball from Dylan O Meara setting up one and the clincher the make the game safe was fired home after great running by Kevin Coffey on the left.

A great team performance from a team that found themselves 2 goals down and never gave up.

In Defence Fionn Doyle, Feargal Murphy, James Spillane, Dylan O Meara and Killian Fitzgerald were superb limiting a very talented Athletic team to few chances.

The centre midfield duo of Fionn Kennedy and Jack Hallisey were their usual dynamic selfs, breaking up attacks and creating a platform for team.

On the Wings Danny Murphy, Kevin Coffey and James O Meara worked tirelessly giving our team a constant outlet and creating numerous chances.

Up front David McCarthy, Cian Koteze, Cillian O Donoghue and Hat Trick Scorer Jayden Fennell all played their part in a great Win. Not allowing the Home team to settle for a second and in the last 20mins firing home the goals to make the victory possible.

Man of the Match

Fionn Kennedy who covered every blade of grass. Closely followed by Feargal Murphy, Dylan O Meara and Jayden Fennell.

MUCKROSS ROWING CLUB

OFFSHORE ROWING CHAMPIONSHIPS: Well done to our members who competed in the Irish Offshore Rowing Championships held in Bantry on Sep 4-5. In the Mens Open Quad, the club enjoyed the greatest representation with Muckross A, Muckross B and the Rosscarbery/Muckross/ Killorglin composite all qualifying for Sunday's final. Shandon BC, featuring Olympian Ronan Byrne, was the winning crew while Finn O'Sullivan secured silver for Muckross as part of the composite crew. Muckross A finished fifth and Muckross B eighth of the 12 finalists. In the Mixed Double, Finn and Caoimhe O'Sullivan also qualified for their final but unfortunately lost vital time at the first course buoy and could not catch the crews ahead. Overall, all crews rowed very well in a top field of coastal rowers. Special thanks to John Beazley and Derry Doyle who expertly coxed our quad crews.

ST MICHAEL'S MASTERS REGATTA: Congratulations to our rowers who competed in the St. Michael's Masters Regatta in Limerick on Sat, Sep 4. ROSES

Planting roses this time of the year will give you colour for years to come. Container grown roses can be planted any time of the year but the autumn and springtime are the best.

Bare rooted roses can be planted from late autumn until around mid March. Bare rooted roses are plants that are dug up straight from the open ground when they are dormant and best planted or heeled into some earth as soon as possible.

Make sure when you are planting bare rooted roses to heel them in well with the heel of your foot to prevent their roots from being moved in the wind.

Roses are hungry plants so make sure when you're planting to add plenty of manure or a rose fertilizer.

MINDFUL LIVING

In recent years we have been hearing much about the benefits of Mindfulness and living mindfully. Put simply mindfulness is "Bringing our attention to what is happening in the present moment". The goal of mindfulness is to live life more fully and to appreciate the moments of our lives that pass by all too easily. One author states that "Mindfulness helps us to weather the difficulties we encounter in our lives. It teaches us to steady ourselves in the present moment when we feel stressed". Ruminating about the past or worrying about the future can be exhausting and takes up a lot of energy.

Mindfulness allows us to put on the brakes and spend time just being with what is. It also teaches us to interact with ourselves in a less judgmental and more compassionate way. Research shows that Mindfulness is very helpful for problems such as anxiety, panic, stress and can help people who are prone to recurring depression and low mood. Studies in neuroscience – using brain scans – demonstrate how practicing mindfulness meditation can impact on the brain thereby creating beneficial changes in health, mood and behaviour. Mindfulness helps us to explore ways of freeing ourselves from old habits and choosing a different way of being.

So what does it involve? There is a common perception that meditation involves sitting down and not doing anything. However, that is not the case. Meditation is an active training of the mind – where awareness is increased. There is an emphasis on relaxation of the body and mind, and the acceptance of feeling and thoughts without judgment.

Mindfulness allows us to become master of our own mind instead of being slaves to our mind. It can be practiced in a regular 'formal' meditation setting – but the great news is, it can also be practice throughout the day – at work, whilst driving, while we are cooking dinner or doing the dishes. All these situations and many others provide an opportunity for this simple exercise. One simple mindfulness exercise might be when you're stopped at a traffic light. Rather than wishing and hoping the light will change to green – just bring your attention to your body and your breathing. Take one breath in, one breath out. Breathe in to a count of seven and out to a count of eleven.

One of my favourite quotes "life is not measured by the number of breaths we take, but by the moments that take our breath away". Sometimes our lives are so busy or we are wrapped up in worry and thinking we don't recognize those moments. Being a little bit more mindful everyday can help us to attend to these breath-taking simple moments in life. See our Facebook page for previous guided mindfulness practice led by Anne Healy, Play therapist and Meditation Teacher.

A Word of Victory

Welcome back dear reader "If it had not been the Lord who was on our side," Let Israel now say - "If it had not been the Lord who was on our side, When men rose up against us, then they would have swallowed us alive, When their wrath was kindled against us; Then the waters would have overwhelmed us, The stream would have gone over our soul; Then the swollen waters would have gone over our soul." Blessed be the Lord, Who has not given us as prey to their teeth. Our soul has escaped as a bird from the snare of the fowlers; The snare is broken, and we have escaped. Our help is in the name of the Lord, Who made heaven and earth. (Psalm 124). In times of sickness or disaster strength is diminished. This is why it so important to sow the Word of God into our hearts every day, because it is only that which will keep you strong and bring you out the other side of trouble. God constantly speaks victory to us through His Word.

"You will call upon Me and I will answer you. I will be with you in trouble. I will deliver you and honour you. With long life I will satisfy you and show you My Salvation (My Yeshua)." (Psalm 91:15-16)

When things are good and we are riding high we don't fully get this, but when trouble comes it is then we need God's hand of strength and deliverance. Our enemy the devil prowls about like a roaring lion seeking whom he may devour (1st Peter 5:8). When we are well and strong we may not be impacted, but in a moment everything can change, and you can go from being strong and able to being weak and vulnerable. It is only then that your personal relationship with the Lord Jesus and the truth of His Word will shine through.

Unfortunately for many who have no knowledge of the Scriptures it is a time where destruction can lay waste. But to know the goodness of God – that He is for you and that His promises of protection and help are true and trustworthy allows you the benefit of being able to rest while He is strong on your behalf (Psalm 27). Paul said in 2nd Corinthians 12:10 "when I'm weak (in human strength) then I am truly strong. It has nothing to do with our own power, but it has everything to do with the One we trust in.

Very often we don't even realise how the enemy comes against us – he uses many strategies all based upon fear and deceit. He can have people cursing you, or trying to control you in fear. He can use the open door of offence or bitterness to tie you up. He can use sickness or tragedies or the past to traumatise you. He doesn't care – his ultimate aim is to defeat you. But with God on your side you will never be overcome by any storm, so repent and refuse Satan's bait. Receive the love of Jesus and let Him carry you through (Isaiah 43:2).

THE MIRACLE PRAYER

Dear Sacred Heart of Jesus, in the past, I have asked for many favors.

This time I ask for a very special one.

(Here mention your request.)

Take it, dear Jesus, and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your favor and not mine. Amen.

Say for three days and promise to publish.

BIRTHDAY REMEMBRANCE

IN LOVING MEMORY OF

SHEILA FLEMING

CLYDINE, KILCUMMIN,
KILLARNEY

ON HER BIRTHDAY.

*If we could have a lifetime wish
And one dream that could come through
We would pray to God with all our hearts
Just to See and speak to you
A thousand words won't bring you back
We know because we've tried
And neither will a million tears
We know because we've cried
You've left behind our broken hearts
And precious memories too
But we've never wanted memories
We only wanted you*

Sadly missed by your loving husband Pat,
daughter Marcella, Sons David and John,
son-in-law David, daughter-in-law Katrin
and grandchildren.

PRAYER TO MOUNT CARMEL

O most beautiful flower of Mount Carmel,
fruitful vine, splendor of Heaven, Blessed Mother
of the Son of God, Immaculate Virgin, assist me in
my necessity. O Star of the Sea, help me and show
me herein you are my Mother.
O Holy Mary, Mother of God, Queen of Heaven and
Earth, I humbly beseech you from the bottom of
my heart to succor me in my necessity.
There are none that can withstand your power.
O show me herein you are my mother.
O Mary, conceived without sin, pray for us who
have recourse to thee (three times).
Sweet Mother, I place this cause in your hands
(three times).
Say this prayer for 3 consecutive days and then
you must publish it and it will be granted to you.
