THE LAKE HOTEL RETAINS ITS AA ROSETTE

The Lake Hotel, Killarney has again retained the prestigious AA Rosette for its excellent food. As only 10% of restaurants in Ireland are deemed worthy of the Rosette standard, the hotel is now part of a very exclusive group.

The long established Rosette scheme is internationally recognised by food lovers as a stamp of high quality, local ingredients cooked with care. The AA defines an AA Rosette recipient as 'restaurants that stand out in their local area, they serve food prepared with care, understanding and skill. Guests can eat in with confidence and a sense of anticipation'.

The food available in The Lakeside Bistro, Devil's Punch Bowl Bar and The Castlough Restaurant at The Lake Hotel was audited by an independent inspector without the hotel's prior knowledge and the breakfast, lunch and dinner menus assessed.

"We are very proud to have been recognised again by the AA for the high standard of food which we offer throughout the hotel especially as this year we welcomed a new Head Chef, Noel Enright, to the team. Our Chefs are constantly striving to offer the tastiest, seasonal, produce in The Castlough Restaurant for breakfast and dinner, The Lakeside Bistro for all day dining, The Piano Lounge for Afternoon Tea and with our In Room Dining Menu" said Niall Huggard, General

THE STAFF AT THE LAKE HOTEL CELEBRATE THEIR AWARD.

Manager of The Lake Hotel, Killarney.

The Lake Hotel, Killarney was established in 1820 and has been owned and operated by the well known Irish hotelier family, the Huggards, since 1940. Its lakeshore location and proximity to Killarney National Park ensure its year round popularity with guests seeking unrivalled peace, award winning food and service and all

the attractions the region has to offer.

The hotels other distinctions include the 'AA Customer Care Award', 'Optimus Mark of Best Practice 2010, 2011, 2012', 'Excellence in Marketing' in January 2011 and No.50 on the Expedia Global Insiders' Select List for 2013.

International – and, from these three winners; an overall winner will be selected as EY Entrepreneur Of The Year 2014. The overall winner will then go forward to represent Ireland at EY World Entrepreneur Of The Year in Monaco in June 2015.

KILLARNEY BUSINESSMAN MIKE STACK OF TRICEL

MUCKROSS ICA NOTES

The group had a great meeting on Monday 13th October 2014. Local lady, Tracy Coyne, (and also winner of "The great Irish Bake off 2014"), gave a "Money skills for life" talk under the auspices of the National Consumer Agency. Some of topics covered: Effective money and debt management. Tips on getting the best value insurance and loans. How to save and invest. We didn't let her go either without getting a few insights on the show and how she is since. Thank you Tracy. Busy agenda then for the remainder of the meeting including nominating two members to attend, on our

behalf, the Community night which is the first night of the forthcoming Mission. Our craft nights will re-commence Wednesday 29th October due to the Mission being on next week. Have some great suggestions for ceramic classes and candlemaking class which we will do before Christmas. Members also wore funky, mis-matched or self decorated shoes on the night. This was a nationwide incentive and €2 donation from each member will be sent to St. Patrick's Hospital Foundation.

Claire O'Sullivan, Secretary, Muckross ICA.

KERRY MOUNTAIN RESCUE TEAM RESPOND TO CALL OUT

Kerry Mountain Rescue team were called to Knockaluggane near Ballyvounney, close to the Cork-Kerry border on Monday afternoon where a walker had sustained a suspected broken leg after falling while walking on a forest track.

A HSE ambulance crew was unable to reach the injured man after responding to the accident. He was treated for his injury at about 5pm, before being airlifted from the scene by the Shannon-based Irish Coast Guard helicopter and transferred to Kerry General Hospital.

GOOD NEWS FOR KERRY FISHERMEN

KERRY Fine Gael TD, Brendan Griffin, has welcomed a deal secured in Europe by Minister Simon Coveney that will allow Irish Fishermen to bank a portion of this year's fishing quotas and transfer them into 2015. The measure will help support the sector depending on mackerel, herring and horse mackerel fisheries from the adverse impact of the Russian import ban.

Deputy Griffin said that the deal is a positive development in the face of a potentially damaging trade dispute and commended Minister Coveney for achieving a flexible outcome.

STYLISH ROTARY EVENT A SELL OUT SUCCESS

ANNE DRURY KARHAMAN AND CLAIRE MURPHY, MODELLING AT THE KILLARNEY ROTARY AFTERNOON TEA AT THE MALTON.

The sixth annual Killarney Rotary Afternoon Tea at The Malton last Saturday was a sell-out success. The event was organised in aid of the Killarney branch of the Society of St Vincent de Paul.

Margaret Cremin of the Society of St Vincent de Paul addressed the gathering, speaking of how the funds raised would make a difference to people in need in the community.

Killarney Rotary President Mike Stack thanked

all who supported the charity event and paid tribute to the women members of Killarney Rotary for co-ordinating the event.

A champagne reception and delicious afternoon tea were followed by a catwalk show, organised free of charge by local multi-award winning local designer Clodagh Irwin Owens who also showcased her latest collection. Annbury's, Tralee, also showed its autumn/winter collection. Annbury's is owned by Killarney native Danny Leane who himself won the Hi Magazine Stylist of the Year award last year.

The models also wore jewellery from Brian de Staic Jewellers, High Street, Killarney. The models gave their time for free and the sound equipment, by Mike Neeson, and music on the day, by Killian Foley, were also provided free of charge. "This generosity by people ensures that all the monies raised for the chosen charity will go to the charity," said Killarney Rotarian Ciara Irwin Foley, organiser.

"Thank you to all for purchasing the tickets well in advance and also buying raffle tickets on the day. We in Killarney Rotary Club are already looking forward to next year's event."

PEDESTRIAN CROSSING AT FAIR HILL

At the October 2014 Killarney Municipal Area Meeting, Councillor Michael Gleeson asked that Kerry County Council in conjunction with the National Roads Authority (NRA) would provide a pedestrian crossing at Fair Hill, Killarney.

Kerry County Council replied that the road design section of the Council will be asked to examine a location for a pedestrian crossing on the eastern side of the Friary roundabout in the vicinity of the Outlet Centre in accordance with NRA standards. Subject to design and compliance with appropriate standards an application for funding can then be made under the Low Cost Safety Improvement Scheme for non-national roads.

Councillor Gleeson stated that this is a very heavily trafficked road and as a result pedestrians wishing to access the bus station or the Outlet Centre have great difficulty crossing. A dedicated crossing would ensure greater safety for all.

'I never died a Winter Yet' was selected from an entry of over 2,100 films. Mrs. Moira Cronin said that she was both proud and honoured by the success of Niall and Erin for their parts in the film and also Jeremy who was a past pupil of Mrs. Cronin. She concluded by wishing both the actors and the producer every success in the future and hoped that this would be the beginning of many opportunities to follow on this great achievement. MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHERE TO INVEST YOUR MONEY

Interest rates for deposits in banks are the lowest they have been in years. Another problem for people looking for good interest rates is that as well as interest rates being low is that DIRT tax is very high at 41% and since the 1st January this year a PRSI levy of 4% can also be applied. The effective tax rate on interest earned on savings can be as high as 45% as both the new higher rate of Deposit Interest Retention Tax (DIRT) tax and the PRSI levy on unearned income have both come into force. If you invested €20000 over 12 months at 2.50%, taking into account DIRT tax and the levy you may only get €275 after DIRT tax and the PRSI levy. Because these returns are so poor people are looking for alternative investments. Thankfully there are other investment options available to you.

Investment providers have introduced many different types of products because of the very low returns on deposit accounts and it is very important that people know about all these products before deciding on what products suit them best. A mixture of different type of investments may be the best way to spread your investments rather than having all your eggs in one basket.

For more information or to make an appointment to discuss the above contact Dermot Cronin APA, at **064 6622775** or **087 2893649**

"CENTENARY OF AN tOIREACHTAS – KILLARNEY 1914"

FR TOM LOONEY.

is the theme of the lecture which will honour the memory and Gaelic League membership of the late Paddy MacMonagle on Tuesday 21st October next in the Killarney Library at 7.30pm. Fr. Tom Looney will outline how 10,000 Gaelic League enthusiasts and competitors travelled to Killarney to enjoy the 18th Oireachtas in July 1914. During that week-long Festival major events enfolded including the Howth Gun-running, the Bachelor's Walk massacre, 2,500 Volunteers marched into Lord Kenmare's Estate and World War I was declared. Meanwhile, the competitions went ahead with top honour going to the local Monastery Boys' Choir, Mercy Convent pupil R. Malley won the "Reel and Slip Jig" while her school came second in the "Four Hand Reel" and Pádraig Ó Caoimh won the Violin comórtas thus showing his renowned musical talent at an early age a full century ago.

THE LATE PADDY MACMONAGLE

The Oireachtas returns to Killarney at the end of October when some 7,000 lovers of the tradition will be "ar bhuach Locha Léin" once again. The illustrated centenary lectures, under the auspices of "the Kerry Archaeological and Historical Society", will pay particular tribute to the late Paddy MacMonagle a Society member who earnestly promoted all things Gaelic. Over the past 60 years ADM Londis has built a network of over 200 stores nationwide, each of which is owned and run by local business people who cater specifically for the community in which they operate. To celebrate its 60th anniversary, Londis gave its customers the opportunity to share €60,000 between three national charities. A further €20,000 was raised through national and regional radio promotions and a coffee and cupcake morning in Londis stores nationwide. At the Group's 60th Anniversary banquet on 3rd October, Pieta House, the Irish Hospice Foundation and Temple Street Children's University Hospital were each presented with cheques representing a combined value of over €80,000. KILLARNEY IMAGES REACH AN AUDIENCE OF 4.3MILLION

The amazing photographs taken by Award Winning Killarney photographer Valerie reached an audience of over 4.3 million over the seven day period of the Adventure Travel World Summit which was held in Killarney last week.

The #2014ATWS hashtag received over 27million impressions with the key topics were #Ireland, #lovekillarney, #wildatlanticway & #Killarney.

The high profile event was hosted in Ireland for the first time ever and proved an effective opportunity to sell the country to the most influential players within one of tourism's fastest growing sectors. Attendees included travel agents, bloggers and media and represented a global 'who's who' in the adventure travel industry.

Many of the 700 international delegates took part in pre-summit "adventures" (tailored tours to showcase the best Ireland can offer) which showcased the variety and attractiveness on offer for the more adventurous outdoors-loving traveller. Delegates kayaked, climbed and cycled around many of the best outdoors venues in Ireland – with many tweeting and posting images of their travels all around the world.

The timing of the Summit was particularly fortuitous following hot on the heels of the recent launch of the Wild Atlantic Way and many delegates were given a chance to sample Ireland's newest and biggest attraction.

According to Nathan Borchelt, Senior Product Manager, Travel and Adventure, National Geographic emphasised:

"No matter how much time I've spent in Ireland it's clear that it's not enough. The country

IMAGES BY VALERIE O'SULLIVAN SENT DURING THE ADVENTURE WORLD TRAVEL SUMMIT

exceeds every known cliché - the pubs and the rolling hills and the kind-hearted people and the Guinness. But as a landscape for adventure it feels like Ireland is defining a whole new part

to its already-rich persona. And with all the hiking, biking, kayaking, and surfing on the Wild Atlantic Way alone, this part of Ireland may be its best-kept secret...at least for now."

HOLY CROSS MERCY LAUNCHES MEMORY TREE

A KILLARNEY primary school has devised a wonderful way for the public to remember deceased relatives and friends during the Christmas season.

Holy Cross Mercy school will illuminate the holiday season with a beautifully lit memory tree on which lights will be placed to remember loved ones no longer with us.

The landmark tree, which is located in the school grounds on New Road, will be decorated with 5,000 individual bulbs which the public can buy to remember those who have passed on in a very special way.

The initiative, which is an important fundraiser for the school, will see those who donate a minimum of €5 for a light receiving a high-quality, inscribed card which they can send to the relatives of those in whose memory the bulbs will be lit.

It will inform them that a light shines on the tree just as their memory shines on in the hearts of those that loved them and miss them. The touching community initiative was devised by Rhonda Daly, a teacher at Holy Cross Mercy

who is also the staff representative on the school's board of management.

"People will receive a card in receipt of their donation and they can then gift the memory card, if they wish, in a Christmas card to someone," said Ms Daly.

The tree will be lit nightly, between 6pm and 10pm, from Christmas Eve to January 6 and a special Mass will be offered for those being commemorated by Fr Niall Howard, who also sits on the school's board of management.

The lights are currently on sale in a number of local businesses, including O'Sullivan's Outdoor Store, Lyne's of Killarney, Cronin's Butchers, Sceál Eile, Sean Kelly Photography, JMAC Office Solutions, Mac's Restaurant, Who's4Shoes, Variety Sounds, The Dungeon, Safe Hands Dry Cleaners, eMobile, Gala and Eagers.

Volunteers are also being sought to take a pack of 25 lights to sell for a donation not less than €5 per light.

KILCUMMIN GAA NEWS

O'DONOGHUE CUP QUARTER-FINAL

KILCUMMIN1-9 CURROW 0-6: A goal by Kevin McCarthy following a determined run by

Shane McSweeney killed off a Currow challenge in this dogged O'Donoghue Cup game played in perfect conditions in Kilcummin last Sunday. Kilcummin started the brightest and lead by 4 points to nil after 20 mins. Currow kept in touch with a number of frees but Kilcummin lead 0-6 to 0-3 at the break. Both teams swapped for the second half but it was the goal that made the ultimate difference. Jamie O'Sullivan accounted for 0-4 while Man of the Match Noel Duggan rowed in with 0-2. Chris O'Leary, Shane McSweeney and Kevin McCarthy completed the scoring. Kilcummin now contest their first O'Donoghue Cup semi-final since 2008. Date and opposition yet to be confirmed.

COUNTY CHAMPIONSHIP: Relegation play - off. Kilcummin play Kerins O'Rahillys on this Sunday in Castleisland at 2.30pm in a relegation playoff. Winners retain Senior status while losers face Currow in winner takes all game.

SAM MAGUIRE CUP: The Sam Maguire Cup will be in the Klub on this Friday night accompanied by Brendan Kealy and other Kerry players. Come along, get your photos and support our latest All Ireland senior medallist. Starts at 9 pm.

SET DANCING: Set Dancing classes continue on Wednesday nights in GAA clubhouse under the direction of Marie Lehan. A great social and learning event. Come alone or bring a friend.

RAMBLING HOUSE: In GAA clubhouse on first Friday of every month. Come along and sing, dance play or just listen. Great nights guaranteed.

SYMPATHY: Sympathy is extended to the family of Noreen Maye, Aghadoe, who died during the week. Also the Club wish to offer condolences to the family of Pat Culloty, Rathane who died recently. Pat was a huge supporter of Kilcummin, loved the GAA and was well noted for his love of poetry. Indeed

he regularly put pen to paper to honour an achievement by his beloved club. May his gentle soul rest peacefully.

UNDER 12 GIRLS: In a very exciting game at Farranfore on Saturday 11th October, Kilcummin's under 12 girls continued their great season with a fine match against Furies in their East Kerry Group final. The girls fell just short of taking home their second trophy of the season as they drew with the home side. Kilcummin scored 3-4 to Furies 2-7 and so have earned the right to host the replay in Kilcummin on Sunday 19th October at noon.

JUVENILE ACADEMY: We had a great morning at the academy on Saturday 11th October. We were joined by none other than Sam Maguire who came to visit along with Jonathan Lyne, Brian Kelly, Johnny Buckley, Fionn Fitzgerald, James O'Donoghue and Peter Crowley. Everybody had a great time, the Kerry players also presented the juveniles with their medals for their achievements during the year. A big thank you to our Kerry heroes who gave so generously with their time. We do understand the demands that you face and are really grateful that you brought Sam to see us. That was the last day of a very successful season for the academy. Coiste ns nÓg sincerely thanks all mentors and coaches and all who assisted in any way with our sessions on Saturday mornings. It is a huge commitment of personal time on a voluntary basis and one that every member of the club appreciates.

GAA LOTTO: There was no winner on Sunday 12th October. Numbers drawn were 6, 9, 11, 27. Consolation prizes were €100 Rachel Leane 25. HALLOWEEN GAMES FOR ALL THE FAMILY

THE MURDER WINK GAME

- This game requires at least 6 people playing and one person in charge

- Choose a detective. The chosen detective must go out of the room while a murderer is chosen.

- Have the detective come back into the room.

- The murder secretly winks at some of the players without being noticed by the murderer.

- When a player is winked at they must fall the ground and play dead.

- When the detective thinks he or she knows who the detective is, he or she can say. However, if they get it wrong they lose a life (The detective gets three lives)

- The game ends when the murderer is found or the detective's three lives expire.

HALLOWEEN GUESSING GAME

- Each person playing the game gets a piece of paper taped to their back with a Halloween character or item on it.

- The object of the game is for each person to figure out who they are by asking questions about their mystery item or character.

- The other players can only answer yes or no questions.

BOBBING FOR APPLES

- This classic game is a must for Halloween.

- Begin by finding a suitable tub.

- Fill the tub with cool (but not cold) water. Fill it about ¾ full.

- Float several apples in water.

- Select the first player and

remind them that they are not allowed to use their hands for bobbing.

- The person who catches an apple the quickest is the winner.

PIN THE TAIL ON THE CAT

- If you're familiar with 'Pin the Tail on the Donkey', then you won't be new to this game.

- All you need is a large picture of a cat to hang on the wall (you can also colour it if you would like). You will need to remove its tail.

- To play the game, each player gets a tail with a small piece of tape stuck on the back.

- Each person is then blindfolded one at a time and spun around in a circle a few times.

- The person then reaches out and tries to pin the tail onto the cat.

- The person who gets the tail closest to where it belongs wins.

HALLOWEEN BINGO

- This is a fun game to play at any Halloween themed event.

- Use card to create your bingo cards (There should be 5x5 squares). Draw a different Halloween shape or icon in each square of your card (e.g. - a pumpkin, a cat, a skeleton, a skull, a ghost, a haunted house, a bat, a witch, etc.).

- Make a list of all the names of the Halloween characters you have used and put them into a hat.

- Draw out each name one at a time and get the players to cross the items out on their card.

- The first player to reach five squares in a row is the winner.

HALLOWEEN

TRICK OR TREAT SAFETY FOR YOUNG CHILDREN!

Halloween is really about the fun children can have dressing up as their favourite character, playing seasonal games with their family and friends and of course trick or treating. However, such trick or treating can actually be quite dangerous as it usually takes place in the dark and in dangerous situations such as near fireworks or bonfires. Here are a few tips for your children to go trick or treating safely.

1. Take a torch.
2. Children must be accompanied by an adult at all times.
3. Avoid dogs, even if you know them because fireworks can upset even friendly dogs.
4. Children should carry a parents phone

number and mobile phone in case they are separated from the group.

5. Plan what streets and houses you plan to visit.
6. Don't knock on the doors of elderly people on Halloween night - it can greatly upset and frighten them unnecessarily.
7. Explain the dangers of fireworks, bonfires and costumes to the trick or treaters.
8. Always avoid placing or leaving children too close to bonfires and fireworks.

So this year, make sure that your kids are safe when trick or treating, so that they can really enjoy Halloween without any unnecessary frights or injuries!

HALLOWEEN FIREWORK SAFETY!

1. Never use illegal fireworks: They are very unpredictable and often result in tragedy with the young in particular being injured, sometimes very seriously. It may be cheaper to just buy cost effective fireworks but they could be very unreliable, even when handled carefully.

2. Report dangerous firework activity to your Garda Station.

3. Warn your children about the danger of fireworks.

4. Make sure your pets are indoors: They can be frightened and injured by fireworks. If a dog runs under your bed after a rumble of thunder, imagine how he or she would react if he or she heard explosions in the sky!

5. Make sure an adult or parent is present at all firework use and at bonfires: The flames of a bonfire and/or fireworks can spread and get out of control very quickly. When a bonfire is monitored and controlled by an adult or a group of adults, such events are far less likely to have such adverse results. It is often said that there is a huge need to respect fire and fireworks, especially with regards children. Tips such as the above may prevent catastrophes from happening!

New Jackpot: €6,000.

Tickets on sale at the Golden Nugget Bar, The Travel Inn, The Old Killarney Inn, Foley's Spar Shop Fossa, The Laurels Bar, Killarney and from committee members. Next draw takes place on Sunday night October 19th 2014 at the Golden Nugget Fossa at 11p.m. Thanks to everybody who supports our Lotto each week as well as all those who sell tickets.

SENIORS: The brave boys won. The final score was 3-10 to 0-15, but that doesn't tell the full tale of this marvelous Father Galvin Cup win over old rivals Listry at Fitzgerald stadium on Sunday October 12th 2014. After 30 minutes of football it seemed to be all Listry as they turned over with a 0-09 to 0-03 lead. Fossa had looked tentative in those first 30 minutes. But in the second half Fossa threw off the shackles and let quality ball into our talented forwards. At full time the scores were level Fossa 2-05 Listry 0-11. The Fossa goals came in the third quarter from man of the match Tadgh O'Shea and Mark Dennehy. Ronan Buckley gave Listry the lead with a point in the last ten minutes but Anthony Wharton equalised. And so into extra time and in the first 10 minutes Fossa showed their bravery outscoring our neighbours 1-03 to 0-01, Stephen Devane finishing off a Paudie Clifford cross to the net. Listry as expected rallied in the second period but two points from Lorcan Daly meant Fossa held on for a 4 point victory. This is our fourth Fr Galvin Cup win, honouring our late great PP and Club President. Our other victories came in 1994, 2008, and 2009.

FOSSA: Colin Myers, Derry O'Sullivan, (Capt), Dan O'Sullivan, Kevin McCarthy, Dara Rice, Anthony Wharton, (0-01) Kevin O'Sullivan, Fintan Coffey (0-01), Mark Dennehy (1-0), Mikey

O'Shea, Paudie Clifford (0-01), Micheál O'Neill, Kenneth Clifford, Tadgh O'Shea(1-04 3F), Lorcan Daly (0-03 2F). Subs Stephen Devane (1-00), Dan O'Keeffe, Matthew Rennie, Mike O'Keeffe, Brian Walshe.

On Saturday week October 25th we travel to Valentia for the semi-final of the County Novice Shield throw in 3:00pm.

COISTE NA NOG: Under 12. Fossa's Under 12 season can to an end last Sunday when we hosted neighbours Killarney Legion. As both A teams were unbeaten this was always going to be a good contest, and so it proved with both teams going for it with good attacking football. Fossa were a point to the good at half time and held solid with Legion until the last 10 minutes when the visitors scored several unanswered scores to run out winners. This Fossa team can be very proud of their efforts having won three out of four games in Division 1 of East Kerry. Earlier in The County League they had topped Div 4 in phase 1 and were very competitive in Div 2 in Phase 2, winning 2 and losing 2 games. **TEAM:** Ruari Coughlan, Colm Talbot, Padraic Talbot, Cathal Whelton, Eoin Myers, Emmet Cronin, Donnacha Greal, Ruari Doyle, Harry Buckley, Emmett O'Shea, Jack Clifford and Rossa Bellew. The B team fared slightly better on the day with a draw. Having been 6 points up with 10 minutes to go and the last two scores being goals for the visitors they were disappointed but like the A team they can be very happy with their year. They had also played 4 games in Group 1 of East Kerry winning 2, drawing one and lost only one, by a single goal. In the County League they had topped Div 4 in phase one and were runners up in Div 2 in phase 2 losing only one game to Furies. **TEAM:** Dean Sheehan, Darren Cronin, Joe Cahillane, Mark McGlynn, James Kennelly, Jackson O'Mahoney, James O'Shaughnessy, Simon Coffey, Cian Doyle, Maude Kelly, Darren Ryan, Sean Dineen, Rian Collernan, Conor Horgan, Harry Kelly, Patrick Lyons, Sam Buckley. Both teams can be very happy with their year. Good luck to the boys and ladys moving up

to U14 next year. Thanks to team mentors Pat Clifford, Paul Cronin, Seamus Kelly and Merry Talbot.

SCÓR: East Kerry Scor na Nog will take place in Fossa Community Centre on this Saturday 18th October starting time 1pm. Best of luck to the Fossa entries.

MOTORSPORT FANS SET TO FLOCK TO THE KINGDOM OF KERRY IN NOVEMBER

County Kerry is the place to be for motorsport fans in November as the Irish rally season draws to a close on the roads of The Kingdom.

Two of Ireland's most-popular rallies will take place just three weeks apart.

First up is the Banna Beach Resort Kerry Winter Rally, an event that is this year celebrating its 25th anniversary and is set to take place on Sunday November 9.

Organised by the Tralee-based Kerry Motor Club, the rally is the final round of the Top Part West Coast Rally Championship.

The rally will take place on closed roads in the North Kerry area with centralised servicing at Listowel Racecourse.

It is expected to draw a capacity entry of 130 cars.

Three weeks later the Rentokil-Initial Killarney Historic Rally takes place. This is the only rally in Ireland that caters exclusively for historic-specification rally cars and has grown in stature and international recognition since its inception in 1996.

The Saturday, November 29 event will use some

of Ireland's most-famous rally roads including the world-respected Moll's Gap.

The Killarney and District Motor Club organised event is the opening round of the 2015 Clonakilty Black Pudding Irish Tarmac Historic Rally Championship and will attract 150 competitors from all over Ireland and Britain.

Further details of each rally are available on www.kerrymotorclub.com and www.killarneyanddistrictmotorclub.ie

TOP TIPS FOR DRIVING AT DUSK

There are challenges to driving at all times of day or night:

During the day, we might be blinded by the sun. During the night, we might not see very well even if our vehicle's headlights are illuminating the path.

But one time of day we don't think about is dusk. Unfortunately, dusk is a very difficult time to drive. Here are some top tips to drive at dusk:

1. Be aware of the quickly changing light conditions. One moment might be extremely sunny so we are forced to wear sunglasses, but within moments, the sun can darken and our sunglasses end up doing more harm than good. And, if we don't have sunglasses, be aware that the rapidly changing light conditions can be very difficult on our eyes (which have a hard time adjusting to those fast-changing conditions). There isn't a lot you can do about it but awareness helps.

2. Be aware of the setting sun. Have you ever had momentary blindness after a camera has flashed? The same thing can happen if look into the sun while we are driving. This can happen if we are driving west during sunset or if we are driving east (and see the sun reflected in our mirrors). If possible, use your car's shades and adjust the mirrors. Consider pulling over to the side of the road to wait for sun to set a little first, or take another route that doesn't drive directly toward the setting sun.

3. Turn on headlights. With rapidly changing light conditions, it can be easy for someone to miss our car, especially if the headlights aren't on and it becomes dark quickly. Turn on your headlights if you will be driving during dusk, even if it is still quite light out.

4. Be aware that this is a time for animals to come out. Although timid animals might not come out during the day, many of them come

out at night when it feels safer. But they also come out because they are dazzled by the headlights of vehicles. Drive a little slower during dusk and pay special attention to the sides of the roads (especially in rural areas) to watch for movement among the grass that could indicate an approaching animal.

5. Be aware of changing temperatures. It's easy to point out the obvious changing light conditions. But temperatures also change at night and this can have an impact on our ability to drive safely: If the temperature and humidity inside our car is different than outside, our windows could fog up. You can correct this by opening the windows slightly or by running the defroster.

Every time of day offers different challenges when we drive. When you have to drive at dusk, use these 5 top tips to help you drive safer.

STACKS THROUGH TO ANOTHER DECIDER

AUSTIN STACKS 2-13 DINGLE 1-9

KERRY O'SHEA REPORTS FROM THE THE KERRY SFC SEMI-FINALS

Bookies favourites Austin Stacks qualified for another Garvey's SFC final when they defeated Dingle by an easier than expected margin in the opening Garvey's County SFC semi-final clash at Austin Stack Park on Sunday.

Large crowds and long queues outside the ticket vans near the grounds prior to the start of the game led to a 15-minute delay. County Treasurer Dermot 'Weeshie' Lynch apologised for the delays on Monday and stressed it was unavoidable due to the large attendance.

On an ideal afternoon for football, Stacks, for whom veteran William Kirby started instead of Darragh O'Brien, had matters pretty much their own way for most of the game. This was a team performance by Stephen Stacks' side who, on this evidence are justifiable favourites for the decider, having lost two previous finals to Dr Crookes in 2010 and 2013. Once again, Kieran Donaghy was central to the Stacks win. As well as scoring two points Donaghy, who

was earlier in the week named as the GAA's Gaelic footballer for September and nominated on the 2014 All-Stars team, set up several other scoring chances for his colleagues, and was here, there and everywhere like the proverbial will o' the wisp.

Indeed, one has to question the wisdom of the Dingle mentors in placing Kerry minor centre-back Marc O'Connor on Kieran Donaghy.

To give him due credit, O'Connor stuck with Donaghy in the early stages but once the 'Star' gets the right type of service into him, he is simply unmarkable and this was seen to great effect again last Sunday.

Dingle were two reliant on the Geaney cousins, Paul and Michael, who scored 1-7 of their 1-9 tally between them, with Paul, who went off injured towards the end of the game, amassing a personal haul of 1-6. Dingle put it up to the Rockies in the early stages of the game and were only one point in arrears with 18 minutes of the first half gone, Stacks leading 0-4 to 0-3 at that stage.

But with Donaghy coming into his own, Wayne Guthrie, veteran William Kirby rolling back the years, Shane Carroll, Mikey Collins and Shane O'Callaghan impressive up front, the Tralee side clicked into overdrive and scored 1-7 without reply, the goal coming from Shane O'Callaghan when Kieran Donaghy set him up. This gave the Rockies a 1-11 to 0-3 lead at the interval.

SECOND HALF

Dingle tried very hard to muster a fight back and early points from Matthew Flaherty and Paul Geaney cut the deficit back to nine points.

The fight back was brief, as a second goal for the Rock which came from a wicked deflection from an unlucky Dingle defender who at the time was under severe pressure from Kieran Donaghy, effectively killed off any hope the West Kerry side had.

Dingle did win a penalty late in the game when Barry O'Sullivan was fouled, Paul Geaney dispatching the ball to the net, but that only put a better reflection on the scoreboard as Stacks place in the decider was assured by then.

MID KERRY ADVANCE TO MEET STACKS IN THE FINAL

MID KERRY 1-12 SHANNON RANGERS 0-7

As expected, Mid Kerry advanced to a Garvey's County SFC final meeting with Austin Stacks following an easy victory over Shannon Rangers in a very disappointing second semi-final at Austin Stack Park on Sunday. With so much at stake, both sides adopted a very defensive approach, often dropping players back in numbers when their opponents had possession.

Both sides adopted a very defensive approach in the early stages of the first half, often dropping numbers back in defence when their opponents had possession which made life very awkward for both forward lines in terms of creating scoring opportunities. It may not have been the fanciest of football but Mid Kerry certainly will not mind as they are through to face Austin Stacks in Sunday week's showcase decider.

Mid Kerry were that bit cuter in front of the posts in the first half. At the interval, they led by 1-5 to 0-0, with Gavan O'Grady accounting for 0-2, Darran O'Sullivan 1-1, and Fergal Griffin and Colin McGillicuddy 0-1.

The game's first score did not come until the 14th minute of the first half, a Darran O'Sullivan point.

Shannon Rangers did not show the type of form they displayed when dispatching South Kerry eight days previously but this was a bridge too far for Liam Weir and Mike Holly's side.

Rangers goalkeeper Darragh O'Shea made a number of superb saves, and helped keep Mid Kerry's margin of victory down.

Rangers did battle gamely in the second half, but it took them some 46 minutes to register a score from play, a Barry O'Grady effort, and when it came, it raised an ironic cheer from the large crowd present.

Mid Kerry's place in the final was assured by then, and scores from Gavan O'Grady (2), Donnchadh Walsh, and sub Sean O'Sullivan (2) cemented their place in the decider against Austin Stacks.

MID KERRY WHO DEFEATED SHANNON RANGERS IN THE GARVEY'S SUPERVALU SENIOR COUNTY FOOTBALL CHAMPIONSHIP SEMI-FINAL AND NOW GO ON TO FACE AUSTIN STACKS IN THE COUNTY FINAL.

THE FOSSA TEAM WINNERS OF THE FR GALVIN CUP ON 12 OCTOBER IN FITZGERALD STADIUM.

LEGION GAA CLUB NOTES

U15 GIRLS FOOTBALL: Unfortunate result for our u15 girls last week in the county championship A Final being narrowly beaten by two late goals against neighbours Fossa. Despite having been down a few players going into the game due to injury the girls did not go out without a fight and the game was level on several occasions. A fantastic performance in horrific weather conditions and the girls now prepare for the u16 east Kerry blitz at the end of the month.

U12 GIRLS EAST KERRY: Killarney Legion V Crokes played in Dreen on Friday October 3rd. Legion girls showed great spirit and determination to win the match 1-1 to 3-6. Well done girls!

O'DONOGHUE CUP: Well done to the senior team who bounced back from last weeks exit from the county championship by accounting for Firies in Farranfore last Saturday evening on a what must be said a somewhat flattering scoreline of 4-17 v 2-07 with two of the legion goals coming late in the game. Thomas Moriarty was deservedly awarded the Aquila club man of the match award. Next up is the County Club final this Sunday in Fitzgerald Stadium at 3.45 against Dr. Crokes. We urge all supporters to attend this game.

PARISH MISSION PROCESSION: There is a big emphasis on the GAA clubs for this years Parish Mission with a large procession through the town for the opening ceremony on Sunday 19 October and all clubs are being represented.

U12 BOYS EAST KERRY: Both our sides were playing their final games of the year in Fossa. Trailing 2-6 2-7 at the short whistle, in a great second half our Green Team game through to win by 5-13 to 4-8. The Division 1 County Champs are now East Kerry Champs and had a 100% season.

The White Team were unfortunate to trail by 2 points at half time and were 6 points behind at one stage but grabbed 2 late goals to draw. Great credit due here to the management of both teams, Paddy Osbourne, Diarmuid

O'Donoghue, Daithi McGillicuddy, Cathal Grady, Tim O'Leary, Timmy O'Donoghue, Aaron Benson, Connie Sullivan and Mike Pierce.

U16 BOYS: Our Under 16 boys were in action on Sunday in Farranfore where they took on Firies in the East Kerry Div 2 semi-final. The 9 week lay off since our lads won the County Division 2 was evident and Firies took full advantage of this to win by 4-10 to 2-05. We wish them all the best in the final.

UNDERAGE ACADEMY: The underage academy continues on Saturday mornings from 10.30am to noon under the guidance of qualified coaches and as always new boys and girls are welcome from 3-10 years of age. The club shop which now stocks a whole range of club gear is also open during this time. So why not pop into Maura in the shop, you might even get an idea of what to get someone for Christmas.

LOTTO: Results for Monday 6th October Numbers drawn 4, 20, 22, 23. Jackpot not won 5 x 50 euro lucky dip Maura Trant, Aine Coakley, Mike Pierce, Kay Murphy, Eugene Bohan. Next weeks jackpot is 8800 euro.

BEAUFORT GAA NOTES

LOTTO: The next draw for a Lotto Jackpot of €2,000 will take place in The Inn Between on Sunday next, October, 19th. As this is the main income for the Club on a regular basis we ask for members support. Tickets available from usual outlets which include local shops, bars and regular sellers. Standing Orders can also be set up if people are interested.

UNDER 16'S: Sponsored by Killarney Credit Union beat Laune Rangers on Wednesday last in a very tight and entertaining game by the minimum.

BEAUFORT JUNIORS: Are awaiting the fixture for the final of the Barrett Cup. They will play St. Pats, Blennerville. This is provisionally fixed for Saturday, 18th October.

BEAUFORT SENIORS: Sponsored by Maurice Foley of MF Decorating will play their last County League game on Sunday, 9th

November.

U12 GIRLS: Sponsored by Anthony Foley Decorating played Spa on Friday evening in Beaufort in the Replay of their East Kerry Final. Beaufort were well up for this game and from the throw-in they kept on top of their opponents right to the end of the game. Beaufort dominated all parts of the field with the backs in particular holding Spa to a single point in the game. Throughout Spa tried hard but it was to be Beaufort's evening.

U12 BOYS: Sponsored by Maurice Foley of MF Decorating are home to Listry on Sunday next at 12 noon.

KERRY LIFELINE AT SOUTHWEST COUNSELLING CENTRE: Will hold a seminar 'Reaching out to the Community', the aim of which is to promote positive mental health amongst our people will take place on Friday, 24th October from 7.30pm to 8.30pm in Clubrooms. LADIES FOOTBALL: U12 GIRLS:

What a way to end the season in ladies football with two finals in the east Kerry league. First game was on Friday night to Beaufort for the replay. Although we lost to a stronger team on the night the team played well and Caoimhe Claffey was outstanding in the goals pulling off great saves. Our backs were under pressure but kept the Beaufort side to scores that they had to work hard for, thanks to the efforts of Grainne Spillane, Aisling Cahill, Elaine Kelly, Orlaith Spillane and Sarah O'Sullivan. Mid field twins Marie and Grace Courtney were solid. Forwards Sarah Fleming, Laura O'Carroll, Erin Holland, Mairead O'Donoghue and Eleana O'Donoghue tried hard. Overall a great team effort and can hold their heads up high as this is a young u12 team.

U14 GIRLS: Played away to Laune Rangers and was anyone's game in the first half. The second half the Killorglin side pulled away with great scores. We were very unlucky with many chances but the girls will learn from this as most are u14 again next year. Brilliant players on this panel and will only get stronger next year. Aoife Sheehan, Louise Healy, Mairead Bennett, Eimear Beazley and Lauren O'Connor played great throughout the final. Special mention to trio management Tim O'Connor, Kieran McCarthy and Des Spillane who coached both these teams this year and not a easy task with time for training and travelling to matches. So míle buíochas to them and we are indebted for their time and effort. They also help out with the boys team. Great club people.

SENIOR MEN:

O'DONOGHUE CUP ROUND ONE

SPA 1-14 GNEEVGUILLA 0-12

Last Saturday's game in Gneevguilla was all about getting a positive result. The players and management are delighted have come out on top and they now advance to a quarter final encounter against Listry. The first half began with a well worked point from Jamie Spillane. Gneevguilla responded with a number of scores but it was Shane Cronin who steadied the ship with two great points. Brothers Cormac and Eoin Cronin worked tirelessly throughout. However, the first half highlights were courtesy of Liam Kearney and his excellent long range scores from frees and open play. He accumulated five points in total during this period. Hugh O'Donoghue put in an outstanding performance in the full back line mopping up a lot of loose ball. Young Dan O'Donoghue enjoyed the freedom of the wing back position. The home side rallied to leave the halftime score Spa 0-08 to Gneevguilla 0-05. Gneevguilla got off to a good start in the second half but a ten minute spell for Spa saw them notch up 1-03 without reply. A stunning kick pass by Jamie Spillane released Shane Cronin who confidently finished to the net. Kearney increased his personal tally and Mike Finnegan got a great point also. Gneevguilla

FR GALVIN CUP FINAL

FOSSA 3-10 LISTRY 0-15

It took extra time to separate the sides in the Fr Galvin Cup Final, sponsored by The Aquila Club, Gleneagle Hotel. Played in Fitzgerald Stadium last Sunday, this was a game of two halves. With Derry Ahearne in flying form, Listry opened the scoring and on the third minute and despite losing a player to a red card and another to injury, Listry went on to score 9 points in the half to 3 from Fossa, Derry Ahearne (6), Danny Wrenn, John Foley and Gary O'Sullivan on target for Listry; Tadgh O'Shea, Paudie Clifford and Lorcan Daly for Fossa. KERRY LADIES

MITCHELS CAPTURE JUNIOR B TITLE

Congratulations to John Mitchels who captured the Junior B title on Saturday evening defeating Finuge/St Senans. They created a little bit of history as it was the first ever Adult Grade Ladies title in the club. Played under lights at John Mitchels Complex last Saturday evening this match was exciting from the throw in where Louise Galvin Finuge/St Senans ran the length of the field to score the first point of the game. Mitchels shook by this early score steadied and responded with 4 points coming from Katelyn O Sullivan, Niamh Myers (0-2) and Shauna Hannafin. A bullet of a goal by Katelyn O Sullivan after 20 mins gave Mitchels a commanding lead and they looked set to over run the North Kerry side .However the North Kerry ladies lifted by Louise Galvin and Niamh Carmody at midfield now began to press Mitchels and a long ball to Jackie Horgan was finished well to the Mitchels net.

The sides traded scores and a Louise Galvin goal left the half time score John Mitchels 1-7 Finuge St Senans 2-2. The second half was a thrilling 30 mins with Mitchels running into a commanding lead of 2-9 to 2-3 with Natasha O Sullivan Mitchels getting their second goal. Finuge/St Senans with Emma Mc Carthy on the 40 once again responded with 2 points from Niamh Carmody bringing them back into game now entering the final quarter 2-9 to 2-5 Mitchels were awarded a penalty which was well saved by Ann Mc Carthy Finuge/St Senans keeper. This inspired Finuge and the hard working Martina Guiney in defense, Jackie Horgan ,Niamh Carmody & Anne Marie Leen saw them pull back Mitchels lead and when Louise Galvin hit her second goal of the night score was now Finuge 3-9 Mitchels 2-11, points from Niamh Myers ,Katelyn O Sullivan and Natasha O Sullivan. As the game entered the final minutes there was a swelter of excitement as both teams looked to finish off the game. With Mitchels a point down now Finuge pressed forward but great defensive work by goalie Andrea O Connor, Patriz Brosnan, Jane Carmody and Kayleigh McCarthy lifted the siege and in a great sweeping move

JOHN MITCHELS WHO CAPTURED THE JUNIOR B TITLE.

up the field Mitchels Katelyn O Sullivan gave a great pass into Ciara Kilgallen who made no mistake and finished to the net to give Mitchels a 2 point lead, from the kick out Mitchels won possession again through Katelyn O Sullivan and Ciara Kilgallen passed to Niamh Myers who hit the net for another Mitchels Goal. A frantic & exciting finish to a great game .Final Score John Mitchels 4-11 Finuge St Senans 3-9, disappointment for Finuge/St Senans as they were also defeated in last years final. Great scenes of celebration followed as Mitchels Captain Andrea O Connor was presented with the winning trophy from Kerry Ladies Chairperson Pat Hartnett. Both teams can be very proud of their displays as the game went to the wire & in the balance up to the very end.

Congratulations also to Kilcummin who were crowned the Rhyno Quality Feeds Division 3 B winners, as they defeated neighbours Currow in a one sided game on Sunday. Kilcummin simply had too much drive & power for Currow, who to their credit continued their workmanlike performance to the end.

Another busy weekend on the domestic front with further titles to be contested. On Saturday afternoon the Junior C final will see North Kerry side Causeway face East Kerry's Fossa, time & venue TBC. Causeway were disappointed at this stage last year, loosing out to Dromid in the final. However they have been one of the most consistent teams all year in both league & championship & with Patrice Diggins firing on cylinders, it will be a tough task for new

kids on the block Fossa to halt their progress. Tipping Causeway to earn promotion to Junior B. On Sunday morning 11am in Lispolie, sees home side Corca Dhuibhne take on Austin Stacks in the Rhyno Quality Feeds Div 2 B Final. Corca Dhuibhne making a return to adult grade competitions this year, have played exceedingly well & were unlucky in the Junior A final loosing out to a strong Rathmore. They play a lovely brand of attacking football & with Louise Ni Mhuirteartaigh & Eilish Kavanagh up front they will probably possess too much firepower for Austin Stacks. But Stacks will make them work for it rest assured.

Best of luck to Castleisland Desmonds Intermediate team who face Kilmihill of Clare in the Munster Final decider on Sunday 19th October 4pm in Kilmallock, Limerick. The Kerry side had a facile win over Stradbally of Waterford while Kilmihill had a tough encounter against Beara of Cork. The Clare side are a formidable side & the manner of victory over the Cork champions is something to take note off. However Castleisland have many experienced players across all lines of the field, with Aoife Lyons & Cait Lynch patrolling defense, Aisling Leonard wining possession in midfield, while Leanne Mangan & Lorraine Scanlon ably assisted by Andrea Murphy will be primary targets for scores. A good open game in store & we will be hoping all Kerry football fans will travel the short distance to support Castleisland.

KILLARNEY RUGBY CLUB NEWS

MUNSTER JUNIOR LEAGUE DIV. 2 –

YOUGHAL 24 KILLARNEY 19 – Killarney went down away to a plucky Youghal side who were struggling to find any form. Youghal always raise their game against Killarney and last

Sunday was no exception. Poor handling by Killarney cost a number of scores and simple mistakes got punished. Good tries for Killarney came from Brian O'Sullivan and Paul Moynihan whose work rate has improved immensely. The side are still short a quality No. 10 and while Brian O'Sullivan has done some great work in there as a stand-in, it is such a key position and Brian is missed in the pack. Michael Sheahan has been doing very well at kicking duties. Paudie Sheahan is still making great recovery but it will take some time before he's in any position to resume duties. Killarney sit in the lower half of the league table at this early stage. Bandon and Castleisland are on top with Thurles in third. Killarney host Clanwilliam on Sunday next at 2.30pm at Dirreen in the Munster Junior Clubs Challenge Shield. This will be a tough encounter but your support would be very welcome indeed.

U14S: Our U14 team had a great win on Saturday the 11th of October over the Killorglin U 14s. On a Sunny Saturday morning, the game was played in a very sporting manner by both teams. Killarney took an early lead when Conor Sheahan scored a well taken try, which he converted himself. He also kicked a penalty and Sean Murphy scored a try converted by Chris Carey to give Killarney the lead. Killorglin replied with 3 penalties, leaving the score at 17 pts to 9 pts in favour of Killarney. The second half of the game started with Killorglin scoring a good try which was converted. Killorglin went on to score a 2nd converted try to give them the lead and make for a tense final few minutes. Up popped Conor Sheahan to score his 2nd try converted by Sean Murphy to win the game for Killarney in the final minutes of the match. Best for Killarney were Adam Walsh, Craig McKenzie, Dion O'Neill and Diarmuid Cahill.

U16S: Pat F. O'Connor has agreed to join Feargal Courtney in training the Under 16s. This is great news and Pat has a wealth of experience from coaching very successfully at Minis and Under 14s. He is also a dedicated servant to the club as former player, Club Captain, and President no less. He also has given his legal services most generously to the club on many occasions in the past, playing a huge part in years of negotiations to secure a number of land deals in the locality, now resting with our grounds in Aghadoe. So we welcome this new combination as our Under 16s are very promising indeed. We expect that squad to grow over the coming weeks. Best of luck lads and thanks for the effort.

U18S: Since Munster Branch Southern division scrapped the inclusion of West Munster teams in all competitions we now await the outcome of meetings between the Kerry clubs to resolve the issue. Killarney will engage with near neighbours Killorglin to try to arrange a co-ordinated side. Obviously there will be challenges for training etc but it could be a very promising link between the clubs. The main thing is that we get games for our talented players at this vital age group.

MINIS: The mini rugby players continue to train at Knockreer on Saturday mornings from 10:30am to 12pm. All ages from Under 6 to Under 12 are most welcome. For details please contact Tom Campbell at 0872657994.

NIGHT AT THE DOGS: Major fundraiser is going ahead on Saturday 22nd November at Tralee Greyhound Track. Teams of ticket sellers have been assembled and are busy selling Family tickets for the night. We have a special Buster race which sells chances to choose the order in which the dogs might finish the race. There are over 700 combinations for the order to finish and if you win you get €500! The ticket entitles a family entrance and race card as well. Buses will be available on the night to carry the throngs. Make it your pre-Christmas night out and support the Club. Racing starts at 7:45pm and the track is open from 6:30pm. Full dining facilities are also available. It promises to be a massive night and your support would be most appreciated.

With Tipperary contesting the recent All Ireland final their National Cup games were put back to this weekend by agreement. Three Tipp sides travelled to Kerry with only one of them being successful. In the 12's Listowel Celtic took care of Ardcroney winning 8-0. Aoife Horgan hit 2 while 6 players all scored one each – Emmet Kelly, Michael and Kian Clancy, Sean Stackpoole, Oisín Moloney and Jake Shine. Killarney Celtic 14's got the better of BT Harps in Celtic Park. Ryan Kelliher ended with a hat trick and Darragh Lyne got the 4th without reply by the Tipp boys. Sadly in the 16's Nenagh were too good for Listowel Celtic knocking them out 6-1.

LEAGUE REPORTS:

JK SPORTS 12 PREMIER:

The Park and Camp got the weekend's action underway with the sides sharing the spoils on a 1 all score-line. Maurice O'Connell opened the scoring in the 8th minute. Dylan Moriarty scored a hat trick with Eoin Hassett hitting the other 2.

Division 1: In the 12's Division 1 2 late goals from Jordan Kissane saw the Park B overturn a goal deficit and take the points 2-1 at home to Camp. Mastergeeha made the short trip into town and took all three points back to Kilbrean Park after a 1-0 over Killarney Celtic B. Niall O'Connor was the scorer.

Division 2: The game between Asdee and Park B is in line for most goals in a game in the season as hit 13 between them. It finished 7-6 to the North Kerry boys who saw new player Adam Laurent impress with 3. Barry O'Neill, Martin Lynch, Conor Twomey and Jack Farrell all scored one each for Asdee. Please email what teams you will be entering to Pdraig Harnett, Sec / PRO of the League or ring 087 9878983. New clubs are always welcome.

RESULTS SENIORS

KILLARNEY ATHLETIC 3

TRALEE DYNAMOS 3

Another cracker this week in Woodlawn as our senior A team entertained a top quality Tralee side. Dynamos play a lovely brand of football and our lads matched them with endeavour and high work rate. Athletic got off to a flyer with Ryan O'Carroll smashing home from the edge of the box and 15 minutes later Lukas doubled our advantage with a header from a Mulvaney free kick. That's how the score remained till half

time. The expected onslaught from Dynamos came and they scored 3 goals and looked to have nicked the 3 points. However with the game heading for injury time another set piece from athletic saw Jeff O'Donoghue heading home to equalise and share the points with Dynamos. A tough hard fought but fair game by both sets of players all deserve credit. Best for Athletic Jeff O'Donoghue, Mike Lindsay, Lukas and Jamie Doolan.

KILLARNEY ATHLETIC B 2 AC ATHLETIC

1: A great turn out last Sunday morning for the b team who were away to AC in Tralee. AC were recently relegated from premier b so the boys in blue had a tough challenge but the playing style of this b team made it a more even game with slick passing. Chances were few and far between as the AC defence were very strong and ac took the lead on a counter attack when Athletic's defence were slow getting back on the stroke of half time. Heads didn't drop though and with 8 minutes remaining, Maison Ferris got on the end of a cross to level matters. With the momentum with Killarney, we went for the jugular and with a Conor Magill corner, Eamonn "Ballotelli" Ahern finished to the net in the dying minutes to ensure all points return to Killarney. A great squad performance, particularly by the younger players ensuring all positions up for grabs. Best for Athletic were Cian Buckley, Maison Ferris and Eamonn Ahern. Training Friday at 7.00pm again in Fossa.

UNDER 12: INTER KENMARE V KILLARNEY ATHLETIC

Athletic made their first appearance of the season at this age group last Saturday and although losing the game it was a learning curve for these young boys. This was a very young team with a mixture of under 10 under 11 and under 12s making up the squad. Tom Benson got a touch to an Eoin Mulvaney cross to score Athletic's goal. Overall a good second half by a very young team. Well done boys and a big thanks to the parents that travelled with the team.

UNDER 13: KILLARNEY ATHLETIC 3 KILLORGLIN 5

Killarney Athletic started their 2014 campaign in the National Cup against Killorglin. This was our first game of the season and it was a pity that most Kerry sides were to play National cup games without any competitive league games played, it is a bit unfair on any team to enter this competition without some Kerry league action. On the field of action we went down to a very good and physical Killorglin side 5-3. Although we were beaten it was a very promising performance by our boys with some brilliant passages of play leading to our goals and only for a few lapses of concentration we could have got a result from this game. Overall every one tried their hearts out and they should be very happy with their first game of the season. Scorers on the day were Simon Barthez, Robert O'Shea and Jack Cooper. The defence of Eoin Moynihan, Max, Emmet Cronin, Killian Hickey, Jack Cooper and our midfield of Eoin O'Sullivan, Owen Benson, Lawrence O'Donoghue, Rossa Bellew and Robert O'Shea gave Simon up front plenty of opportunities. Our bench of Luavi,

Dara Doolan, Kieran Pierce and Chad Repon did their bit also when introduced. Thanks also to all parents who supplied refreshments on the day. Training continues Thursdays 5.15 - 6.30.

UNDER 14:

KILLARNEY ATHLETIC 1 PARK 6

Killarney Athletic lost 6 - 1 away to Park. After going 1 up with a fantastic team goal scored by Caomhin Boyne we gave away 2 goals before half time. But seemed to crumble to a better Park team in 2nd half. Big improvements needed by all.

UNDER 16:

KILLARNEY ATHLETIC 2 FENIT 1

A close fought match on paper but Athletic created lots of chances without being able to convert until a great run from Blake Bolster resulted in our first. A mix up in defense led to Fenit's equaliser just before half time. Athletic pressed for the winner in the second half and were rewarded by a brilliant headed goal from Adam Dennehy from Ryan Casey's well struck outswinging corner. We saw the match out while creating more chances but we couldn't find the third.

PITCH & PUTT NEWS

BY: JASON O'CONNOR

MIXED fortunes on the Pitch & Putt front last weekend as despite two Kerry Schools securing their place in the National Finals in two weeks time, there was to be no finish amongst the medals in either the Munster Secondary Schools or Juvenile Matchplay competitions.

St Brendan's College Killarney were the defending champions in the Munster Schools Competition at the Cunnigar course in Dungarvan last Friday but their first team of Creagh Courtney, Michael Cronin and David Harnett could only manage a seventh place finish overall on 340 as they finished 18 shots behind eventual winners St Colmans College of Fermoy. The Sem's second team of Jason O'Sullivan, Sean Courtney and Mark Harnett finished ninth overall on 348 meaning they claimed the last qualifying spot for the National Finals of the competition which will take place in two weeks time at the Ryston course in Newbridge, Co Kildare.

Meanwhile after having possession of the Cup for six years, Kerry and indeed Deerpark lost possession of the Munster Juvenile Matchplay Cup on Saturday in St Stephens as none of Kerry's six competitors managed to make it through to Sunday's semi-finals. Deerpark duo Mark Harnett and Sean Courtney came the closest being knocked out in the quarter-finals. Mark had to win two playoffs to make it to the last eight, defeating Douglas' Con Broderick at the first playoff hole while he won an all Kerry Last 16 encounter with Tralee's Eamon Sheehy

at the second playoff hole. He was defeated 7&6 by St Annes' Ryan Towler (the eventual winner) in the quarter-finals however over 36 holes.

Sean meanwhile has good wins over Aaron Roche from the host club and Douglas' Ronan O'Driscoll but he was well beaten by another Douglas player, Conor Irwin in the quarter-finals 12 & 11. The three other Kerry players involved were all defeated in the First Round, Michael Cronin losing to Cillian Roche from the hosts at the last hole, Conor Quirke losing out to Ryan Towler while Cillian Courtney was defeated 4 & 3 by David Howard.

Kerry's only prize at the weekend came courtesy of Castleisland's Paudie Looney who had the best score of the day in the Junior section of the Cork Scratch Cup Series Finals on Sunday in Collins but he ultimately missed out on winning the overall prize which was won by Chris O'Donovan from the hosts.

TRYING TO PREDICT THE WEATHER FOR NEXT YEAR (BY TOMMY ROCHE, CASTLEISLAND)

As the nights close in and the weather turns toward winter, the predictions for next year are already in the papers. It is a harmless pastime; forecasts of this kind have been around since long before Caesar was a boy. Over the centuries people have tried to make a profit out of such prophecies but none so successfully as Patrick Murphy. Originally from Cork, he immigrated to London in the 1820s and by the 1830s was writing books and almanacs on the weather. In the winter of 1837/38 he hit the jackpot. In his entry for January 20 he predicted "fair and probably the lowest degree of winter temperatures"; he was spot on. The temperature in Kent hit -26 degrees Celsius, in London it fell to -20 Celsius. The Thames froze; people could walk and skate on the ice from The Tower of London to Hammersmith. Fires were built on the ice, sheep were roasted on a spit, a carnival of sorts ensued and Murphy became a sensation. His book sales went into overdrive, 45 editions and a profit of £3000, a serious sum of money in those days. Unfortunately the reliability of his later predictions did not live up to scrutiny and by year end he was the subject of a one act farce and uncomplimentary little ditties. Undeterred he continued to publish his almanac, to a much smaller audience until his death in 1847. If his weather forecasting skills were poor, his financial acumen was no better, by the time he died, his fortune was gone, lost speculating on corn futures. "Murphy's winter" however lives on in folklore and became an enduring legacy to an enterprising Corkman.

Satellites and super computers are tools among many available to Met services today. People expect much

from these services, at the very least a strong indication of the weather for the next few months. It has not been plain sailing. The UK Met Office must feel a little like Murphy in recent years, they have had a miserable run. Three summers in a row of wrong predictions, a "warmer than normal" projection for the winter for 2010 turned into a major embarrassment, the severe cold costing farmers alone over £100 million in lost crops and collapsed buildings. Then the clanger of early 2012, Britain had been through a dry autumn, winter and early spring, in March, the met office forecast a continuation of the dry period for the next three months, with April being the driest. April broke records across the country for rainfall, June did much the same. This from a computer that cost £33 million to build. What hope then for a forecast that hangs its hat on the moon. There is a lot of wisdom in ancient observations but our weather, according to Dr Andrew Edmonds, is governed by chaos. Is there ever going to be a model that can predict weather beyond a couple of weeks? I doubt it but I live in hope.

ICOS PRESIDENT WELCOMES BUDGET CHANGES TO ASSIST SUCCESSION PLANNING

The purpose of the recent review of existing reliefs in the agri-sector by both the Departments of Finance and Agriculture was in part with a view to enhance benefits that seemed to be working well and to identify measures from other countries that would have benefits for Irish Agriculture. The President of ICOS, Bertie O'Leary has welcomed proposals to increase the income tax exempt thresholds by 50%, together with the introduction of a new threshold for leases of 15 years and over and the removal of the current 40 years of age threshold for leasing relief. He said this will provide greater certainty when it comes to succession planning. It should facilitate more frequent and earlier transfer of productive assets to a younger generation of trained farmers. This will create consequent benefits with increased output from farms and increased value added from the agri-sector. Income

volatility is a huge issue for farmers. ICOS welcomes the measures introduced in the Budget which increases the averaging period for farm incomes from three to five years. This will provide farmers with valuable assistance as a form of buffer against income volatility.

Bertie O'Leary concluded by stating it is essential following Budget 2015 that Government policy is driven by a reasoned plan for the public finances. As an exporting nation, Ireland's input costs must be kept competitive. The recent surge in Ireland's growth performance, while very welcome, is too recent for there to be confidence that it can be sustained. With the current mediocre performance in the growth of some of the key euro countries, there continues to be a strong argument for keeping a buffer on the public finances.

MAKING THE MOST OF OUR RELATIONSHIPS

Most relationships start out full of hopes and dreams and both parties are committed to making their relationship work. However, as the pressures of life unfold and reality bites, many individuals can find themselves drifting apart. Your relationship with your spouse or partner may provide much happiness and satisfaction or may be a source of anxiety and frustration because of conflict and unfulfilled expectations. It may be that case that you are unable to connect as you once did. All relationships change over time and with hard work and commitment, relationships can continue to be strong, enjoyable and satisfying. So how do we do that and how can we ensure that we maintain long-lasting and fulfilling relationships?

When things aren't going so well, it can be all too tempting to focus only on the negative aspects of our relationship. However, if you were to delve deeper - chances are your relationship has many positive factors. Researchers have found that the following characteristics are common in successful relationships: positivity, empathy, commitment, acceptance, love and respect.

As you reflect on your relationship - consider where your relationship ranks in relation to the following points.

POSITIVITY: Studies show that successful spouses have far more positive thoughts about and relate more positively towards each other. Relationships suffer when couples are negative, criticising, resentful and holding grudges. However, some negativity is normal and realistic and it is important that frustrations and grievances are aired. Striking a balance between the two extremes is vital.

EMPATHY refers to the ability to understand from the other person's perspective. Individuals appear to be happier in their relationship when they believe that their partner understands what they think and feel.

COMMITMENT to the relationship is vital despite the inevitable challenges and obstacles that couples encounter. When couples are prepared to compromise and balance their concern for self with concern for their partner, they are more likely to find happiness and joy in their relationship.

ACCEPTANCE is one of the most basic needs in any relationship. Feeling truly accepted for who we are - leads us to feeling more secure and confident in our relationship. Interestingly, studies show that change is more likely to occur when couples respect difference and accept each other as they are (as much as they may not like it).

LOVE AND RESPECT are vital components for a healthy relationship. All too often couples can begin to neglect the love and romance that was once so present. It is important to continue to cultivate and rekindle this love and respect throughout the lifetime of the relationship. Doing so will greatly help sustain a long-lasting and fulfilling relationships.

We will continue to focus on the topic of Relationships in the coming weeks and look at what we can do to make our relationships stronger, more enjoyable and satisfying.

BREAST CANCER WEEK 3

Treatment

Treatment options which may be considered include surgery, chemotherapy, radiotherapy and hormone treatment. Often a combination of two or more of these treatments is used. The type of treatment used depends on the grade and spread of the cancer and the presence or absence of receptors as well as the general health of the patient.

A discussion should be had with the specialist as to the treatment aims. If in the early stages then the overall aim of treatment may be to cure the cancer. In other cases treatment is aimed to slow the progression of the cancer.

Surgery

Depending on the size of the tumour much of the breast tissue may be conserved. A lumpectomy (wide local excision) are terms used to describe conservation of breast tissue. In some cases the breast may need to be removed. This is referred to as a mastectomy. It is now possible in many cases to reconstruct the breast at the time of surgery. This can also be done at a later stage if preferred.

A sentinel lymph node biopsy may be performed. This is a way of assessing if the main lymph nodes draining the breast contain cancer. If they are clear then the remaining lymph nodes in the armpit will not need to be removed. If it is not possible to do this, one or more of the lymph nodes in the armpit may be removed. This helps to stage the disease accurately and to guide the specialist as to what treatment to advise following surgery.

Radiotherapy

Radiotherapy is a treatment which uses high-energy beams of radiation which are focused on cancerous tissue. The aim is to kill the remaining cancer cells or stop them from multiplying. Radiotherapy is often used in conjunction to surgery (referred to adjuvant radiotherapy).

Hormone treatments

Some types of breast cancer are affected by the female hormones oestrogen and progesterone. Hormone treatments used are aimed to reduce the level of these hormones in the body and thus slow cancer growth.

Hormone treatments include:

There are different type of hormone medication used including Oestrogen blockers (Tamoxifen), aromatase inhibitors (block production of oestrogen) and GnRH analogues.

An alternative which may be considered for women before the menopause is to remove the ovaries (or to destroy them with radiotherapy). This stops oestrogen from being made.

VOLUNTEERS URGENTLY NEED TO FIGHT EBOLA OUTBREAKS

The following is an e-mail from Avaaz and is self-explanatory. Avaaz is a non-governmental organization and a not for profit business. It is a global civic organisation launched in January 2007 that promotes activism on issues such as climate change, human rights, animal rights, corruption, poverty, and conflict; it works to "close the gap between the world we have and the world most people everywhere want." Avaaz.org is a 38-million-person global campaign network that works to ensure that the views and values of the world's people shape global decision-making. ("Avaaz" means "voice" or "song" in many languages.) Avaaz members live in every nation of the world; our team is spread across 18 countries on 6 continents and operates in 17 languages. The Ebola virus is spiralling out of control. Cases in West Africa are doubling every 2-3 weeks and the latest estimate says that up to 1.4 million people could be infected by mid-January. At that scale, this monster threatens the entire world.

Previous Ebola outbreaks have been repeatedly contained at small numbers. But the scale of this epidemic has swamped the region's weak health systems. Liberia has less than 1 doctor for every 100,000 people. Governments are providing funds, but there just aren't enough medical staff to stem the epidemic.

If just 120 doctors among us volunteer, it will double the number of doctors in Liberia.

Other volunteers can help too -- lab technicians, logisticians, water sanitation workers, and transport workers. Volunteering means more than time. It means risk. Ebola is highly contagious. Health professionals have already died fighting it. But if there's any group of people that would consider taking this risk for their fellow human beings, it's our community, members on the Avaaz team are ready to take that risk with you, traveling to the front lines of this crisis.

Great things come from listening to the deepest voices within us. If you're a health professional,

or have other skills that can help, I ask you to take a moment, listen to the part of you that you most trust, and follow it.

Raising your hand to volunteer is the first step. You'll need to get, and provide, a lot of information to ensure you're well matched to an available position. You will likely need to discuss this decision with your loved ones, and you can withdraw from the process later if you choose to. For this effort, Avaaz is working with Partners in Health, Save the Children, and International Medical Corps, three of the leading organisations fighting this deadly disease. We are also consulting with the governments of Liberia, Sierra Leone, and Guinea, and the World Health Organization.

While there is substantial risk, there are also clear ways to contain that risk. Ebola is spread by physical contact, so with extreme care, the risk of contracting it can be minimized. So far, 94 health care workers have died of Ebola in Liberia, but almost all of them have been national health workers, who sadly are far less well equipped than international volunteers. With treatment, the chances of surviving the virus are better than 50%.

If Ebola spirals further out of control, it could soon threaten us all. The fact that a weak health care system in a small country can let this monster grow to a size that threatens the world is a powerful statement of just how interdependent we are. But this interdependence is far more than just interests. We are connected, all of us, in a community of human beings. All the lies that have divided us - about nation and religion and sexuality - are being torn down, and we are realizing that we really are one people, one tribe. That a young mother and her daughter in Liberia fear the same things and love the same things as a young mother and her daughter in Brazil, or the Netherlands. And in this unfolding understanding, a new world is being born. Out of the darkest places come our brightest lights. Out of the depths of the Ebola nightmare, let's bring the hope of a new world of one people, willing to give, and sacrifice, for each other.

With hope and determination, Ricken, John, Alice, Danny, and the whole Avaaz team.

HOW TO GET OUT OF DEBT

Debt elimination involves three steps:

- Stop acquiring new debt.
- Establish an emergency fund.
- Implement a debt snowball.

Here's how to approach each step.

● Stop acquiring new debt. (This step can be accomplished in an afternoon.) This may seem self-evident, but the reason your debt is out of control is that you keep adding to it. Stop using credit. Don't finance anything. Cut up your credit cards.

That last one can be tough. Don't make excuses. Stop rationalising that you need them.

You don't need credit cards for a safety net. You don't need credit cards for convenience.

You don't need credit cards at all. If you're in debt, credit cards are a trap. They only put you deeper in debt. Later, when your debts are gone and your finances are under control, maybe then you can get a credit card.

After you destroy your cards, halt any recurring payments. If you have a gym membership, cancel it. If you automatically renew your World of Warcraft account, cancel it. Cancel anything that automatically charges your credit card. Stop using credit.

● Establish an emergency fund. (This step will probably take several months.)

For some, this is counter-intuitive. Why save before paying off debt? Because if you don't save first, you're not going to be able to cope with unexpected expenses. Do not tell yourself that you can keep a credit card for emergencies. Destroy your credit cards; save cash for emergencies.

How much should you save? Ideally, you'd save €1,000 to start. (College students may be able to get by with €500.) This money is for emergencies only. It is not for beer. It is not for shoes. It is not for a Playstation 3. It is to be used when your car dies, or when you have a medical emergency.

Keep this money liquid, but not immediately accessible. Don't tie your emergency fund to a debit card. Don't sabotage your efforts by making it easy to spend the money on non-essentials. Consider opening a separate savings account. When an emergency arises, you can easily transfer the money to your regular checking account. It'll be there when you need it, but you won't be able to spend it spontaneously.

● Implement a debt snowball. (This step may require several years.)

After you've stopped using credit, and after you've saved an emergency fund, then attack your existing debt. Attack it with vigour. Throw whatever you can at it.

Many people say to pay your high interest debts first. There's no question that this makes the most sense mathematically. But if money were all about math, you wouldn't have debt in the first place. Money is as much about emotion and psychology as it is about math.

There are at least two approaches to debt elimination. Psychologically, using a debt snowball offers big payoffs, payoffs that can spur you to further debt reduction. Here's the short version:

Order your debts from lowest balance to highest balance.

Designate a certain amount of money to pay toward debts each month.

Pay the minimum payment on all debts except for the one with the lowest balance.

Throw every other penny at the debt with the lowest balance.

When that debt is gone, do not alter the monthly amount used to pay debts, but throw all you can at the debt with the next-lowest balance.

With the debt snowball, it still takes time to pay off your debts, but you can see results almost immediately.

● Supplementary solutions

You can do other things to improve your money situation while you're working on these three steps.

First, focus on the fundamental personal finance equation: to pay off debt, or to save money, or to accumulate wealth, you must spend less than you earn.

Curb your spending. Re-learn frugal habits. (Frugality is something with which most college students are all too familiar.) You can find some great ideas in the archives of the Get Rich Slowly archives site, also check out Frugal for Life through your search engine.

live in smaller cities, although many of those are among the fastest growing.

GOOD NEWS

A duck in Wichita, Kansas, is lucky to be free and alive, thanks to one woman's kindness and determination. Debbie Fanning and her dogs were on a routine walk one July day, when she stumbled upon a duck across the pond clearly in distress. The poor duck had a plastic six-pack holder around its head.

Debbie knew that she wanted to help, but like most of us she didn't know the best way to help the struggling duck, so she tried calling upon the experts. Debbie tried to reach out to ten local animal welfare and rescue agencies, and they said that they couldn't help her or the duck. Many claimed that they didn't handle wildlife cases. One of the ten groups devoted to helping animals shockingly told Debbie to just "let nature take its course."

Thankfully, Debbie didn't listen. She finally got in contact with the Wichita Animal Action League (WAAL). WAAL usually handles domestic dog and cat cases — including fostering animals in emergency situations and performing trap-neuter-return (TNR) programs — but Sarah Coffman, the organization's founder and director, agreed to at least try and help the duck fighting for her life.

Ms. Coffman was dismayed when she heard of Debbie's struggle to find help for the innocent duck. She was even more appalled when she heard the line about nature taking its course. As Ms. Coffman said "I don't think a plastic six-pack holder wrapped around a duck is natural. It's littering."

When the WAAL rescue team arrived on the scene, the situation was worse than they expected. Not only did the duck have a plastic

pop carrier around its head, but the plastic had wrapped three times around her head and around the duck's beak. Ms. Coffman described how the duck's beak had begun to grow around the plastic. This affected how the duck would eat, so she would have become malnourished and starved to death.

Volunteers had to think fast. They started throwing meal worms in an attempt to lure her closer to them. Finally, after feeding her and her duck friends delicious meal worms for close to an hour, they caught her with a net and pulled her to shore. Volunteers carefully snipped away at the plastic until she was free.

Happy to be in the water again, the duck swam and splashed around, but Ms. Coffman said that she did come back towards the group of "volunteers and just stared as if to say 'thanks.'" WAAL also won because not only did they save a duck, they also got a new volunteer since Debbie has plans to help the organisation. While WAAL made the rescue happen, it would've never been possible without Debbie's determination to find help.

PLASTIC IS DESTROYING OUR ENVIRONMENT

While one duck in Wichita is lucky to be free and alive, many more animals aren't as lucky. Degradable plastic like the six-pack holder can still do damage before it degrades, like we've seen in this story. Had that plastic at least been cut up, then the innocent duck wouldn't have been caught in the first place.

According to WHOI, turtles are confusing plastic bags with jellyfish and some seabirds are ingesting plastic pellets taking them for fish eggs.

– Plastic wraps around living corals, suffocates and kills them.

– The substance is capable of holding and attracting dangerous elements, like PCB and DDT.

– There's actually a place 500 miles off California's coast called "plastic island," also known as the Great Pacific Garbage Patch. At 7 billion pounds and twice as large as Texas, plastic island is nothing more than a monstrous patch of floating plastic that's formed from currents.

5 SIMPLE WAYS YOU CAN HELP:

- 1) Avoid plastic as much as possible
- 2) Cut up all plastic rings from milk containers, bottles, 6 packs etc before disposal.
- 3) Properly recycle plastic
- 4) Become informed and share what you know
- 5) Consider joining a roadside, river or ocean clean-up where they'll inevitably be plenty of plastic.

TOKYO IS THE WORLD'S MOST POPULOUS MEGA CITY, WITH 38 MILLION PEOPLE

With more and more of the world's population moving into urban centres, the number of such areas with more than 10 million people has exploded in the last quarter century.

In 1990 there were only 10 of these "megacities," with about seven percent of the global population. Now there are 28, according to the UN report on World Urbanization. The total number of people living in megacities has grown from 153 million to 453 million during that period, says the UN report. About 12% of the world's population lives in one, while 54% lives in an urban area, expected to grow to 66% by 2050. By 2030, the world is projected to have 41 such megacities.

Of those 28 megacities, sixteen are in Asia, four are in Latin America, three each are in Africa and Europe, and two are in Northern America. Tokyo leads the list with more than 38 million people living in its metro area. Delhi is a distant second with 25 million. However, the population of Tokyo is projected to shrink somewhat while Delhi is expected to grow rapidly until the two cities are nearly equal in population. Shanghai, Mexico City, Sao Paulo and Osaka follow with over 20 million apiece. Beijing has almost 20 million.

Meanwhile, the rural population is expected to shrink. It's currently at 3.4 billion and is expected to decline to 3.1 billion by 2050. And a majority of Earth's 3.9 billion urban residents

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON FILLING WINTER CONTAINERS

Now is the time to start filling your winter containers, pots and baskets. First thing to do is empty your pots of the summer display including compost and give it a quick wash inside. Then put some gravel around the drainage hole at the bottom of the pot. Now add some new compost and fill it about 2 inches from the top of the pot and firm it down but not too hard.

Next it's time to choose what plants you're going to use, first plant what will be your centre piece, which could be anything from a conifer to a grass, such as a phormium or if it's a very large pot or container you could choose something like a pyramid or a standard bay-tree which is a bit more expensive but you will have them for a long time.

Next plants to choose would be something trailing such as ivy or a Vinca and plant three of them like a triangle in the pot, in between these you can plant some primroses, polyanthus, winter pansy, cyclamen, etc and also you can plant some tulip or daffodils as well.

After planting remember to water in well.

HOUSEHOLD BENEFITS PACKAGE AND WATER CHARGES

QUESTION

I live alone and get a State Pension. Will I be able to get any help with the new water charges?

ANSWER

Domestic water charges have been applied since 1 October 2014 and the first bills will issue from January 2015. A free allowance of a certain amount of water will be provided for every household, with extra allowances for children. If you are getting the Household Benefits Package, you will also get help with the cost of water charges.

From January 2015 the Household Benefits Package will include a new annual Water Support payment of €100 (made up of four equal payments of €25). The Water Support payment will be paid to everyone who qualifies for the Household Benefits Package. This includes people who are not customers of Irish Water and who either have their own water supply or are members of a group scheme.

If you are currently getting the Household Benefits Package and get your allowance as a credit on your bill, the Department of Social Protection (DSP) does not hold payment details for you. In September 2014 the DSP contacted customers to ask them to complete a form with their bank account information so the Water Support payment can be paid directly. The Water Support payment can also be paid in post offices.

The Water Support payment will be paid directly to you, not to Irish Water. If your home is connected to a public water supply (or to public wastewater services) you will need to set up an account with Irish Water to pay your water charges and to claim the free household allowance. Irish Water has sent customer application packs to all households, to be returned by 31 October 2014.

THREE BELIEFS THAT HOLD YOU BACK!

What we believe has the power to shape our lives, do the seemingly impossible and overcome the most difficult of situations! Beliefs are like the magic keys that open the doorways to our best, most extraordinary lives.

Beliefs are created in childhood by the information, expectations, thoughts and opinions of our close family, our culture and our education. When those beliefs are empowering, positive and full of possibility we believe in ourselves and what we can create or achieve in this life. However, all too often the beliefs that we may carry with us are self-limiting and predominantly fear based.

Three beliefs that often hold us back are

- That we're not good enough!
- That other people are thinking negatively about us!
- That life has to be a struggle!

All of the above have their roots in fear. One of the best ways to blast through negative or disempowering beliefs is to dispute them!

Because these beliefs may be so ingrained, we may not even think to challenge them and so they continue to exert power over our lives and happiness. The next time you catch yourself thinking one of these beliefs, stop and get really curious about whether it is true or not? In the face of genuine curiosity and firm questioning these beliefs simply don't stand up! The result - **FREEDOM TO BE THE BEST YOU!**
