Funding has been announced for live music, a young man has raised €2800 and Kerry blow Tyrone out of the park.

With the countdown on to the full reopening of society, stay safe - the end is in sight!

NEW KILLARNEY CYCLEWAY OPENS UP A BEAUTIFUL ROUTE FOR WALKERS AND CYCLISTS

The Muckross Road to Ross Road Cycleway, adding a key link to the town's cycling and pedestrian pathways was officially opened by Cathaoirleach of Killarney Municipal District, Cllr Brendan Cronin.

The scheme, which was constructed by Daniel Canty, under the supervision of Killarney Municipal District Engineers John Ahern and Stephen Sheehan, started in November 2020 and despite stoppages due to COVID, has finished in time for the summer season.

The 750m cycleway joins the Ross Road and Muckross Road, in an off-road, safe route, funded by the Department of Transport, Tourism & Sport and the National Transport Authority under their Active Travel Measures scheme.

The Cathaoirleach, Cllr Cronin welcomed the development of the route, praising all those who had been involved in driving this project to completion. "It is a project that has been on the agenda for quite some time, and significant work has been carried out by the Elected Members, Council officials and local

communities in making it a reality," he said. "I want to pay tribute to everyone involved in bringing it from the drawing board to today's official opening. Councillor Cronin acknowledged the input of former Councillor Michael Gleeson who was in attendance at the opening.

"Over the past 18 months, with the various restrictions due to COVID, the ability for people to be able to go out for a cycle or a walk has been critical for their wellbeing. The development of

such a key outdoor recreation project is crucial for the town and we look forward to being able to further continue the development of such dedicated cycleways and pathways."

Municipal District Manager, Angela McAllen also praised all those who have been involved in the project, and pointed to the importance of having such projects shovel-ready in terms of design and planning, to be able to take advantage when national funding for projects such as these become available.

"This a key link between the Muckross and Kenmare estates, and with fantastic views along the river, it is something that young and old can enjoy in a safe, vehicle-free setting," she said. "We are committed to improving the cycling and walking provision for residents and visitors to this county, in keeping with the objectives of the County Development Plan and the desire for greater access for all ages." Fr Niall Howard finished with a blessing as part of the opening and acknowledged the importance of a quiet space for walking and cycling.

KILLARNEY DINERS ENJOY THE SUNSHINE

Last weekend was the first in a long time for restaurants and pubs who opted to offer outdoor dining to customers and the town of Killarney was buzzing.

Many businesses have pushed the boat out in offering fantastic heated & covered facilities for everyone to enjoy getting out and meeting people for the first time in 2021.

The weather played it's part and the town looked amazing as people queued happily during the day and into the evening, with some establishments offering booking only, others offered the facility of walk-in.

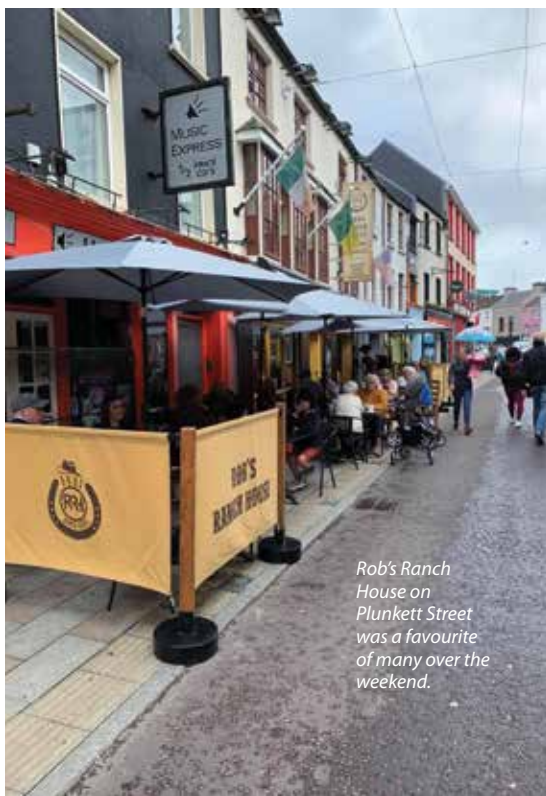

The re-introduction of outdoor dining and other attractions and entertainment facilities has given an extra boost and we can look forward to July 5th when restrictions are further relaxed.

The staff at Kitty O'Se's ready to welcome back customers. From the back Pooshal, Barbara, Eileen and Kevin and of course the famous Benson.

All smiles as customers queue for a table at The Back Yard at The Laurels.

Rob's Ranch House on Plunkett Street was a favourite of many over the weekend.

K-Town welcomed customers to their outdoor dining area.

It's great to be back..... customer at The Back Yard at The Laurels.

There was an air of sadness in the town of Killarney this week when news of the passing of Klaus Nölke was announced. Both the Killarney Chamber of Tourism and Commerce and Killarney Golf & Fishing Club have paid tribute to the man who was an integral part of the community.

Mr. Nölke a native of Hanover, qualified as a mechanical engineer after completing his national army service. He had the advantage of substantial practical experience, gained from periods working as a fitter/welder and turner. Later, he qualified as a welding engineer. He worked in management positions for various German companies before securing the position of Assistant to the Technical Director at the Liebherr plant in Biberach. He came to Killarney in 1968 to fill the position of Technical Director, vacated by Heinz Schiller's departure. He was appointed Sales Director in 1973, and Manufacturing Director in 1985. He held the latter position until his retirement in 2002. He was appointed Honorary German Consul in 1986, one of only three such consuls in Ireland. It was a role he relished, and he applied himself to it with great enthusiasm.

Klaus and his wife Christal raised their three sons, Lars, Kjell and the late Sven at their home in Crohane in Fossa before the couple moved to Countess Road.

The couple lived in Killarney since 1968 where Klaus was a very dedicated, enterprising and long-serving member of Chamber and served as its President from 1982 to 1984.

The Chamber expressed its condolences to his wife, Christal, sons Lars and Kjell, daughters-in-law Norma and Yvonne, grandchildren Max, Ben, Lara, Ewan and Katie and his extended family and friends.

President Niall Kelleher said Klaus Nölke played a major role in the industrial, commercial and business life in Killarney through his work as a director with the Liebherr Container Cranes company from 1968 to 2002.

"Everybody realises and appreciates the enormous role Liebherr has played and still plays in the everyday life of Killarney and Klaus Nölke was a central figure in the remarkable progress made by the company down through the years," the Chamber President said.

"His wonderful vision and his technical and commercial prowess ensured that Liebherr remained at the cutting edge and, in that regard, his contribution to the commercial life of Killarney was enormous," Mr Kelleher added. Born in 1939, Klaus Nölke was a very enterprising Chamber of Commerce President for a two-year term and he helped establish the Killarney Working Group which led to the setting up of the hugely successful Killarney Looking Good Competition.

A long-time member of Killarney Golf and Fishing Club, Mr Nölke was also the voluntary project leader in the painstaking project to restore the ornate iron railings which surround the Church of the Sloes opposite the town hall in Killarney. Klaus's second home was Killarney Golf and Fishing Club where he spent many hours playing the courses and chatting with

fellow members. This week the Club President Marguerita Mulcahy, Captain Harry O'Neill, Lady Captain Anne Looney, and all our Members and Staff, passed on their sincere condolences to his wife, Christal, his sons, Lars, and Kjell, and the extended Nölke family.

Klaus' association with Killarney Golf & Fishing Club began in the mid-1980s when he became actively involved in Club affairs as a Team Manager, then Member Director, and then Project Manager for the re-construction of many of our Clubhouse areas that were undertaken in the 2000s.

In 2010, Klaus was granted Honorary Life Membership of our Club in recognition of his tireless hard work and commitment to the club over many years. In that same year, Klaus was responsible, at his own personal expense, for creating a bursary for juvenile golf at the Club.

"Klaus' generosity, commitment, and involvement in improving our Club will always be appreciated

by all of us here at Killarney Golf & Fishing Club", a statement from the club said.

Following a private funeral in St. Mary's Church of Ireland on Wednesday at which a guard of honour were formed by members of the Killarney Chamber of Tourism & Commerce, the funeral cortege took the route past Liebherr where staff members lined the road. Klaus Nölke was laid to rest at Aghadoe Cemetery in Killarney.

Beloved husband of Christal and loving father of Lars, Kjell and the late Sven, Klaus will be sadly missed and dearly loved by his family, daughters-in-law Norma and Yvonne, grandchildren Max, Ben, Lara, Ewan and Katie, brother-in-law Hansjorg and sister-in-law Gudrun, nieces, nephews, relatives, his many friends, his former work colleagues in Liebherr, Killarney and his golf buddies in Killarney Golf and Fishing Club.

May he Rest in Peace.

Broad welcome for Government commitment to ensure restoration of Kerry/Dublin PSO routes as a priority

Education Minister and Fianna Fáil TD for Kerry Norma Foley has welcomed the Cabinet commitment to make the Kerry Dublin PSO route a priority.

The Department of Transport is currently examining the implications of the weekend announcement by Stobart Air and the

cancellation of the Government-funded PSO routes which operate between Kerry and Dublin.

Transport Minister Eamon Ryan confirmed his intention to seek a replacement to the PSO service linking Dublin and Kerry on an

emergency basis as provided in EU law, subject to a maximum term of seven months.

Department of Transport officials will also shortly launch a procurement process for a maximum of four years that will continue the provision of the service after the temporary contract has expired.

There has already been significant interest from potential carriers in the route and these options will be fully examined.

Every effort will be made to ensure a new operator can be selected and in place by mid-end July.

Minister Foley said: "The restoration of our regional connectivity is of critical importance to the people of Kerry. Transport Minister Eamon Ryan confirmed to me his intentions to seek an expedited tendering process which aims to have a replacement carrier in place by mid-end of July.

"I am confident Government will continue to engage as a priority with relevant stakeholders until a suitable resolution is reached for the benefit of Kerry and the south-west region."

SPORTS MAD FIRIES FOLK WELCOME NEW FACILITY

Looking forward to using the new facility at Firies National School are Kevin O'Shea and Isaac Vickers.

The progressive mid Kerry community of Firies are welcoming the construction of their long awaited All Weather pitch at Firies National School.

Firies Sports Facility is a community based sport and recreation facility, offering an inclusive programme of sport to all ages and ability levels. "We work in collaboration with Firies N.S., Farranfore Maine Valley Athletic Club and Kerry Parents and Friends (group which represents/supports and provides community based services in Kerry for people with intellectual and physical disabilities and their families) and we aim to encourage enjoyment, maximise participation and help people achieve their personal best", Eve Spillane from Firies National School told Killarney Outlook. By building this much needed all weather pitch, many clubs and community groups in Firies and beyond will benefit hugely. Regardless of age, social disadvantages, gender or

disability, every person will be able to access Firies Sports Facility. This facility will not only benefit people's physical health but also their emotional and psychological well-being.

"Firies N.S. endeavours to be a very active school and we have a very extensive Physical Education programme that includes athletics, football, hurling, basketball, rugby, soccer, yoga, dance, orienteering, gymnastics and swimming to mention a few. Unfortunately, our school field is water logged for many months during the school year and many of the activities that we endeavour to have our children participate in are cancelled. As a result our children are disappointed and not in a position to receive the basic physical activity that they are entitled to", Eve added,

This much needed facility will help create a positive, active environment in our community and as Active School Ambassadors we appreciate the importance of physical education. We want people to be active and

Firies National school children pose for a drone photo of Firies letters made by the children themselves.

healthy members of society.

The state of the art pitch will measure 60m x 40m and will contain a high density prefabricated shock pad system. It will be surrounded by rebound fencing. A 1.8m concrete footpath will hug the perimeter of the pitch. Floodlights will be installed to ensure the facility can be used in the evenings. Retractable goal posts will also be included. Furthermore, we plan on installing a cabin with two wheelchair accessible toilets and a storage area for sports equipment.

"We are sincerely grateful for all donations received to date. However, we still need your help in order to make this dream a reality. We hope to reach our goal with the help of our fantastic community, those near and far, who may be in a position to donate", Eve said.

The plan is for construction to be finished in time for the reopening of our school in September so our community can enjoy the facility it so richly deserves.

"Sport speaks to people in a language that everyone can understand"

THERE IS STILL A LOT TO PLAY FOR AS THE LEAVING CERT EXAM REACHES THE HALF WAY MARK

By Billy Ryle

As the Leaving Cert exam approaches the end of the second week, many candidates have reached or are nearing the end of the road. The optional subjects now take centre stage. As the number of candidates taking these subjects is considerably less than the number taking the compulsory subjects, exam centres will have less candidates. The number of candidates in the school environment will also continue to decrease, so it's important for candidates who still have a job of work to do, not to feel left behind or become impatient to get over the finish line.

Normally in the final seven days, candidates will have one or two subjects from a standard seven left to do. However, it's not unknown for students to take an eight or even a ninth subject to complete a particular vocational grouping such as Business, Economics and Accounting. So, there is still a lot to play for. There are grades and points to be earned.

Candidates must guard against exam fatigue in the final days. The buzz of the early days is gone. There is less foot fall around the exam centres. Your remaining subjects are likely to be spaced out. These subjects have to be faced. They must be given priority between now and Tuesday week. Keep a lid on your impatience and stay in exam mode. You need to be as motivated, focussed and energetic for your remaining exams as you were on day one.

Eight of the fifteen exam days will have passed by Friday evening. There are fourteen more subject sessions in the remaining seven days. The number of candidates taking these final days' subjects will be much less than in the earlier days of the exam. However, candidates concerned must defer any post exam celebrations. In sporting parlance, the game

ends only with the final whistle. How right he is! Defeat has often been snatched from the jaws of victory by one untimely lapse in concentration. The weekend provides an opportunity to recharge the batteries and to plan for next week. Enjoy some exercise and fresh air to prepare for the week beginning on 21st June. A good work out will help you to sleep soundly, to build up stamina and endurance and to maintain your concentration for the last lap. Enjoy a few good nights' rest so that your mind and body are fully alert for the remaining papers. Organise your revision sessions for daylight hours. Don't burn the mid-night oil but go to bed early. Go over the tips and predictions for your remaining subjects. Resist the temptation to spend endless hours cramming course material. Scan your notes on the eve of any remaining paper so that the key concepts are fresh in your mind.

Maintain your disciplined and organised approach over the remaining days. Avoid late night socialising with those who have finished the exam. Keep your distance from alcohol as you'll need a clear head and lots of energy for the task ahead. Eat well as good nutrition is important in week three to avoid energy loss. Keep your fluid levels high to avoid dehydration. Candidates have performed very well during the past fortnight. Keep up the good work and bring your exam to a successful conclusion next week. Use your free days wisely. Stay positive and be confident in your ability to do well in next week's papers. Take it subject by subject and bring the curtain down on a stellar performance.

After the Leaving Cert exam, applicants to the Central Applications Office (CAO) must turn their attention to the CAO "Change of Mind" Form, which must be submitted by Thursday, 1st July. Next week, I'll explain how to use that facility to your best advantage.

When devastating pictures and news from India shocked the world as COVID 19 ripped through the country killing thousands and hospitalising hundreds of thousands the community at Holy Cross Mercy decided to do something to help.

A clothes collection was held, with proceeds going directly to UNICEF Ireland's appeal, each student in the school was asked to bring in €2 to help.

"We were overwhelmed with the response from our school community and the wider Killarney community. We were delighted to hand over a cheque for €4,800 to UNICEF Ireland! A huge thank you to all who supported this very worthy cause" Triona Sheehy told Killarney Outlook.

MACKEREL HOOK AND LINE QUOTA

A Kerry County Councillor says he had to check that the date was not April 1st, when he read the announcement by the Department of the Marine that hook and line caught Irish Mackerel fishing is to be banned from the 12th June 2021.

"Large foreign commercial trawlers, with the capability of taking hundreds of thousands of tonnes from our oceans, can continue to operate it appears, while the small operator with a boat less than 15 metres in length, must cease" stated Councillor Michael Cahill.

"To be told that we can't go on a fishing trip if we have a hook and line but every day lorries pass through our country with tonnes of fish landed by foreign fishing vessels beggars belief" stated the Fianna Fail Councillor.

"The logic of this decision escapes me completely and we need to know how the small to medium sized fisherman is expected to make a living without his usual Mackerel catch" said the Rossbeigh based Councillor.

"Hook and line fishing can only be a small percentage of the total national catch and still these fisherman are being singled out for a penalty" said the Fianna Fáil man.

"There are fishermen up and down the coast who make a small living from hook and line fishing and many more who operate to catch a few fish for the household and they are

being picked on. We cannot police the large international operators who illegally fish our waters, but we are going to put an effort into policing the small local fisherman, who makes very little difference to our quotas. It has to be a joke" added Councillor Cahill.

"The Dept of the Marine has announced that the hook & line caught Irish Mackerel fishery is to cease on tomorrow 12th June at 14:40pm. The seasonal fishery which has a 400 tonne annual quota is a mainstay for many Irish inshore vessels around the coast and the

closure will cause increased effort on other stocks. The Mackerel Hook and Line Fishery Quota Management Closure Notice 2021 (Fisheries Management Notice No 25 of 2021) states:

"The master of an Irish sea-fishing boat less than 15 meters in length overall fishing for mackerel by means of hooks and lines shall not engage in or cause or permit any person on board to engage in fishing activity for Mackerel in the specified area (All Areas) with effect from 14:40 hours on 12th June 2021."

GOVERNMENT'S NEW REGIONAL EMPLOYMENT SERVICE A BAD DEAL FOR JOBLESS IN SOUTH KERRY

South Kerry Development Partnership a member of the Irish Local Development Network (ILDN) have criticised the Government's proposal to replace the employment service delivered by Local Employment Services (LES). The new Regional Employment Service which seeks to replace existing Jobs Clubs and Local Employment Services which have been assisting those out of work in Communities for 25 years is being initiated in four Regions across the Country ahead of a national rollout. Outlining their concerns, Noel Spillane, CEO of South Kerry Development Partnership said; "The new Regional Employment Service the Department of Social Protection are tendering for will instantly close Jobs Club in these areas and later in 2021 will inevitably lead to the closure of vital Local Employment Services and Jobs Clubs across the remainder of the Country. The timing of this could not be worse as Communities face into a post pandemic unemployment crisis. This move will deprive those unemployed due to COVID, the long-term unemployed, carers, women and other cohorts removed from the jobs market of access to a

walk-in, person centred, community-based employment services and all the supports that such services provides. Instead, jobseekers will be faced with a centralised profit-driven, results-based process which will not be accessible to all jobseekers."

Commenting on the success of existing South Kerry Local Employment Services, Noel Spillane continued; "The community-based South Kerry Local Employment Services have supported those without work in a comprehensive, person-centred way for the past 25 years. Research commissioned by the Department of Social Protection and carried out independently by Indecon indicated that attendance with a Local Employment Service had been beneficial to those who used the service. Local Employment Services have also been endorsed by employers who engage with the service."

Concluding, Noel Spillane commented; "It beggars' belief that the Department would move to dismantle such important services for those without work at such a critical time. ILDN have proposed the extension of the current LES model across its 49 members in order to provide a nationwide service. Such a model would give an efficient accessible service to jobseekers as well as transparency and value for money for the taxpayer. The Minister and the Department must revisit this decision."

It's time to Drink Virtual Tea for Motor Neurone Disease

Mary and Patsy Casey, Lucy and Donal Casey and Rachel and Eimear O'Connor from Rathmore who do great work for the IMNDA and are drinking tea for MND again this year.

We never thought this time last year that twelve months later we would be doing Virtual Tea for MND. In these Covid times our fundraising efforts have all ceased, but sadly there is no slowing down of Motor Neurone Disease. Providing the support and services to our Motor Neurone sufferers is now more important than ever before.

I am now appealing to all you good people and friends who have supported us in the past to please hear my plea. I myself will drink Virtual Tea for MND again this year. So go on, put on the kettle and take out the china tea pot and get family and friends around to the garden for a brew and a catchup for a great cause. If you do not feel comfortable with having people around, you can go very modern and go zooming and encourage your friends to do so also.

I am aware that some of our MND sufferers are themselves organising Virtual Tea Drinking get togethers.

Participating SuperValu stores are on board again this year providing tea bags etc. to raise awareness of MND, and staff will be asking shoppers for donations for the IMNDA starting

on the 7th June – 21st June 2021.

I seldom seek donations and financial support, but perhaps in these Covid times when our need is greatest you might be moved to help us. Every year MND Associations across the globe mark the 21st June as a special day of recognition where the International Alliance of ALS / MND Associations across the world undertake a range of activities to raise awareness and keeping focussed on the search

for the cause, treatment and eventual cure for this terrible disease.

Thanks again for reading this article and I wish you all good health and stay safe until we all will be meeting again.

You can donate to www.imnda.ie or if you want to contact with me, that's ok too.

Christy Lehane Chairman of Kerry friends of Motor and Ambassador for the IMNDA

The staff of Shrone N.S. are very proud of the wonderful 6th class pupils as they transition to secondary school.

"We are so proud of all they have achieved throughout their time with us and we wish them every success on their new adventure", Michelle Murphy from the school told Killarney Outlook.

As We Graduate...

It's time to say good-bye,
Our year has come to an end.
I've made more cherished memories,
And many more new friends.

We've watched each other learn and grow,
And change from day to day.
We hope that all the things we've done,
Will help us along the way.

So it's with happy memories,
We all go out the door,
With great hope and expectations,
For what next year holds in store.

REEKS DISTRICT TO HOST LONGEST DAY

PHOTO: VALERIE O'SULLIVAN

The Reeks District will host the 'longest day in the Irish running calendar' on Saturday (June 19) with the inaugural Killorglin 12 to 12 race – an ultraendurance running challenge set in the gorgeous countryside around the town and against the backdrop of Carrauntoohil, Ireland's highest mountain.

The inaugural Killorglin 12 to 12 Endurance Run will be a rare opportunity for ultrarunners from around the country to take part in a 12-hour race in Ireland. Organised by the team behind the highly popular Kerry Way Ultra, the ultrarun takes its 'longest day' subtitle thanks to it being held on June 19, the nearest Saturday to the Summer Solstice on Monday June 21.

The race will be held around a 6.5km loop which sets off from Killorglin town centre and takes in Sunhill, which sits between Castlemaine Harbour and Carrauntoohil. To be in with a chance of first place, runners will need to complete as many laps as possible during the 12-hour race time from midday to midnight.

A relay version for teams of up to four people and a shorter six-hour race starting at 6pm also form part of the programme.

The Reeks District is steeped in ancient Irish myths and legends and the race is redolent of age-old rounding rituals, a key part of pagan and religious pilgrimages where believers would pray while walking sunwise around the features of a mountain. The practice was thought to unburden stress, ego, worries, negative thoughts and negative energies, and to mirror this, the race will follow the direction of the sun as it travels around the route.

Chair of the Reeks District Jens Bachem said: The Reeks is a region of extremes, from our beautiful Blue Flag beaches to the summit of Carrauntoohil. The Killorglin 12 to 12 certainly fits into that category as runners will need to be on the top of their game both physically and mentally to be in with a chance of winning. We welcome it's arrival to Killorglin and are proud to support this and any other initiatives that increase visitation to the region in a sustainable manner."

Race Director Eileen Daly of the Kerry Way Ultra said: "Loop races, where the objective is to complete as many laps as possible in a certain timeframe, are increasingly popular in the ultramarathon world, yet they are few and far between in Ireland. We look forward to hosting this new-for-us format and seeing just how far the runners can push themselves in an effort to claim first place."

Runners travelling from outside the immediate locale will be able to take full advantage of the many facilities for visitors in Killorglin and its surrounds. A full list of accommodation options, from bunkhouses to luxury lakeside hotels can be found on ReeksDistrict.com, while Killorglin is home to a number of cafés, pubs and fine restaurants. As the town is expected to be busy for race day weekend, pre-booking is recommended. Covid-19 regulations will be in place throughout and visitors are asked to respect these.

To enter the race or find out more, see the Kerry Way Ultra website.

€1 million in funding announced for live music in Kerry

The Gleneagle Hotel Killarney/INEC Arena is among the venues that will benefit from a €1million grant for live music in Kerry.

The Killarney venue will receive €380,822 from the fund. The funding was announced to assist commercial venues, producers and promoters in Kerry to plan live events over the summer months. The Live Performance Support Scheme (LPSS) provides financial support of over €1 million to support 12 live music venues across the County this summer. The scheme aims to support live performances particularly where capacity for live attendance is restricted due to Covid-19, and where funding will make live performances viable or alternatively make them available online if audiences cannot attend due to restrictions.

Other Killarney venues and funding include:

- Courtney's Bar receives €10,570 for a number of gigs featuring all local musicians
- Celtic Steps The Show receives €84,627 to livestream performances from Killarney Racecourse Theatre.
- Scott's Hotel, receive €84,627 for live performances for tourists across the Summer.

Activities will include story-telling, art, songs, dancing, nature walks within the school grounds, games, mindfulness sessions and loads more! Camps are open to all new Junior Infants from any school, they don't have to be

An image of the Super Moon over The Paps captured by Ann Kelly has scooped her €250 in the Woman's Eye – the Beauty of the Kingdom as captured by the Women of Kerry in the Phoenix Women's Centre Photo Competition Winners

"We had 478 photos submitted and the quality was just fantastic", Sheila K. Martin

Secretary Phoenix Women's Centre told Killarney Outlook. The judges, Breda Joy and Paschal Sheehy, independently of each other, selected the three winners as well as many that were highly commended.

"It was really difficult to select those that were highly commended because so many were just top class and the judges commented that they would like to pass on their praise and thanks to everyone who took the trouble to enter.

"The Phoenix Women's Centre would love to organise an exhibition of all the photos. This would involve having all the photos printed. As we have no core funding, funds are very tight. If any local business could help sponsor an exhibition or offer a venue we would be extremely grateful. It is all for a very good cause", Sheila added.

The Phoenix Women's Centre is an organisation dedicated to engage, educate and empower women. Through the provision of information, support, counselling and training on issues affecting women, while encouraging respect, diversity and equality and is based at Maine Street in Tralee.

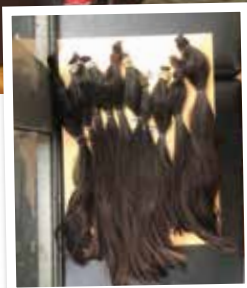

Peter gets the chop and *raises* €2,800

With haircuts few and far between during lockdown, a young Killarney student at Coolick National School decided to do something productive with his growing locks.

Peter Herlihy, the son of John and Aislinn chose the Little Princess Trust as his charity and last weekend, Peter attended his appointment at Sean Taaffe's in Killarney. With the help of Sandra O'Sullivan and Eoin Sheehan, he cut 10 ponytails of his hair measuring 13 inches each, all of which have now been sent to the trust.

Twelve year old Peter has also managed to raise over €2,800 for the trust and this will cover the cost of 4 wigs for children who have lost their hair due to cancer.

You can still donate to Peter's fundraiser at <https://gofund.me/3a8cd2c5>

10 mini pony tails were sent to The Little Princess Trust.

Mum Aislinn and Grandmother Celia watched as Peter's hair was prepared for the cut.

STRAWBERRY SHORTBREAD STACKS

Ingredients

125g soft Unsalted butter
50g caster sugar
1/2 teaspoon vanilla extract
200g plain flour, extra for rolling out
1/4 teaspoon of salt

For the filling

200g double cream
1 teaspoon icing sugar
1 teaspoon vanilla extract
1 packet of fresh strawberries

Method

1. Preheat the oven to 170c fan
2. In a large bowl beat together the butter, sugar and vanilla until mixed. Add in the sifted flour and salt and mix until it looks like big bread crumbs, do not over mix it, tip it out onto a work surface and lightly knead the mixture and pat down into a circle.
3. Dust the work surface with a flour and roll out the dough evenly about 3-4 mm turning it around often to stop it from sticking to the work surface.
4. Using a cutters or a plastic cup cut out your biscuits, prick each of them with a fork and place them on a baking tray with parchment paper leave space between them and bake them for 10 - 11 minutes until golden brown
5. When baked sprinkle a little Caster sugar while still warm and leave to cool for 5 minutes until transferring to a wire rack to cool
6. To assembly gently whip the cream, sugar and vanilla until it holds soft peaks. Pipe or spoon a layer of cream over the cookie and then place some strawberries. Top with a second cookie and pipe or spoon some more cream and add more strawberries sprinkle some icing sugar on top.

If you make the cheesecake tag me on Instagram and I will share your bakes. @theskinny.baker

Dream Come true for Catriona

The Barraduff Community Field Organisation (BCFO) is still basking in the success of their recent and very ambitious "Win a Dream Kerry Home" fundraiser. The committee members are rubbing their hands with glee and can congratulate themselves on a job well done as they look forward to planning the next phase of development at their wonderful community grounds in the vibrant village of Barraduff.

It's a dream come true for Catriona but it's also a dream come true for the BCFO. 12 months of hard work reached its climax in the INEC on June 6th when the draw was streamed live on Social Media. The lucky winner was Catriona Moriarty a local girl from only back the road in Muckcross. It's ironic that with ticket sales from 32 counties and 23 different countries a cailín áitiúil would be picked from the tombola by committee member Donal O' Donoghue. The BCFO would like to congratulate Catriona and the other 9 winners and wish them all the best. 8069 tickets in just over 7 months is no mean feat. Indeed much of the success of this campaign can be attributed to

the digital marketing company Six Two Digital who came on board after Christmas. Six Two Digital managed to sell tickets in every corner of Ireland and all around the world. This seems to be reflected in the fact that all 10 winning tickets drawn were purchased online through the Win a Dream Kerry Home website. The winners include 2 people from Wicklow, 2 from Cork, Australia, New York, The UK and of course Kerry. The committee would like to thank CEO of Six Two Colm Hanratty who guided BCFO from 900 odd sales at Christmas time to over 8069 in 5 short months. This now leaves BCFO in the envious position of having money in the bank to plan their future. The success of this fundraiser gives BCFO the platform to extend and build on the existing facilities and amenities for the local community. Members of the committee paid tribute to the many individuals who helped out. There were well over 40 volunteers helping the main committee. This shows the size of the challenge faced by the committee and they are delighted all their hard work paid off. This is yet another feather in the cap for the committee of

BCFO. The success of the carnivals in the 70's and 80's has been built on recently by various fundraisers. Many people will have great memories of the night at the dogs in 2013 and believe it or not they're not finished giving away money yet. Recent years have seen the 300 Club as the main source of income and they still have €3600 in cash to giveaway over the next few months in prizes.

BCFO is not just about fundraising. They are delighted people have made great use of their outdoor facilities during Covid restrictions and are glad to offer up their facilities for tractor runs, Barraduff Cardiac Response Unit, Santa fun runs, sports teams, fitness classes, charity runs and communal sports days between local schools.

This is truly a fantastic achievement by BCFO and one of the feel good stories of 2021 so far. Well done to Tadhg, Liam, Úna, Siobhán, Donal, Linda, Eamon, Johnny, Paul, Shane, Oliver and all their wonderful volunteers. Onwards and upwards for BCFO.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

Do You Have an Existing Pension?

If so there is some very important information that you need to know about your pension, such as....

What is the present value of your pension?

What funds is your pension invested in and what is the risk level of these funds?

Who manages your pension and how much are you being charged to manage your pension?

When can you access your pension?

These are just some of the important questions you need to know the answers to. You need this information in order to check and compare your pension to what is available in the market place today from pension companies who may be able to get you a better return for your money and therefore getting you a higher lump sum and income on retirement. So whether your pension is from your employment, an ex employer, you were self employed in the past or are self employed now it is very important that you have your pension reviewed and assessed by a financial advisor.

For more information or to make an appointment to discuss the above or any other query you have contact Dermot Cronin QFA, at 064 6622775, or dermotcroninifa@gmail.com

NEW OPEL GRANDLAND Presents Bold Design, Digital Cockpit and High-Tech Features

Opel has today revealed the new Grandland. Elegantly sporty and proudly displaying the new signature Opel Vizor brand face, it boasts class-leading technology features and a fully digital Pure Panel, with intuitive controls. The Opel SUV flagship features assistance systems that until now customers only find in higher class vehicles including adaptive IntelliLux LED® Pixel Lights, Night Vision and semi-adaptive Highway Integration Assist. Designed and produced in Germany, and available in petrol, diesel and plug-in hybrid four-wheel drive variants, the new Grandland will arrive in Ireland at the end of the year. "The Grandland will excite new customers with its benchmark technologies and high-tech interior," says Opel CEO Michael Lohscheller, "and,

of course, it is also available with powerful hybrid drive. With the new Grandland we maintain our course: clear and bold in design, highly efficient and, of course, electric. The new Grandland matches our flagship Insignia for technology." The Grandland name and the Blitz brand logo stand in the middle of the tailgate. Further accents are set by the bumpers and side panels, now painted in body colour, as well as the underbody skid-plates in high-gloss black and silver.

Onboard, two wide screens in a single unit form the Opel Pure Panel. This fully digital, driver-oriented cockpit is intuitive to operate. It comprises the latest digital technologies and delivers the most important information. The up to 10-inch central touchscreen faces the

driver, who can therefore concentrate on driving without needing to take his or her eyes off the road. The new Opel Grandland features numerous assistance systems: night vision, highway integration assist, 360-degree panorama camera, automatic parking assistant, blind spot warning system, front collision warning with automatic emergency braking, pedestrian detection, lane departure warning, traffic sign recognition, drowsiness detection and cruise control. The new Opel Grandland meets the highest standards when it comes to comfort. The ergonomic active seats for drivers and front passengers certified by the "Aktion Gesunder Rücken e.V." (campaign for healthy backs) support good posture behind the steering wheel. The award-winning seats are unique in the Grandland's class and offer a wide range of adjustments, from electric seat tilt to electro-pneumatic lumbar support. In the leather trim they offer heating and even ventilation. Comfort is further increased by "Keyless Open & Start" and the sensor-controlled tailgate that can be opened and closed by a movement of the foot under the rear bumper.

Opel will open the order books for the newly developed SUV flagship in a few weeks' time. Deliveries of the new Grandland, "made in Germany" at the Eisenach plant, will begin in the autumn and will be available at Ahern's Castleisland.

Life, Inspiration & Body Confidence Coach/Author

Coming through the tough times better than before

I don't know about you but the past year and a half has changed me. Or rather, I should say that I have changed me in response to the challenging situation of the Pandemic.

There have been days when I have felt unlimited and free and others when I have wondered about what the future will bring. Like many people, I have lost someone close to me from Covid and it has made me stop and reflect a little more about what truly matters in life.

However, through these times of change and uncertainty, I know one thing for sure and that is, that what changes us, rearranges us. By this, I mean that everything we go through and experience in our lives has the potential to reshape the way we think, feel, act and behave. When we can take what has happened and grow stronger, clearer and more compassionate with ourselves and others, we can become better than we were before. And then we can use our own lived experience to help others along the way who may be feeling doubtful, afraid or uncertain in their lives.

Inspirational Coaching Tip

When the day is hard, don't fight with it. Allow yourself to feel what you feel. When we allow it, emotions can pass through our bodies quickly, however what we often do is try to suppress them or not feel what we are feeling. This keeps the painful feeling in our bodies longer or pushes them down. Reach out for support if you feel you need to. There is always someone you can talk to. And, as soon as you can, focus on the smallest things that bring you comfort; a cup of tea, a walk outside, the warm air on your skin, the scent of summer flowers. And remember, that this too will pass.

Noreen
answers your
beauty questions...

I have very dry skin, do I still need to cleanse my skin twice?

Yes, always cleanse twice especially in the evening if you are wearing makeup and sunscreen no matter what skin type you have.

A specific cleanser like Environ Pre-cleanse oil €27 or balm cleanser can be used for this. The oil/balm dissolves make up and sunscreen so your actual cleanser can then really cleanse and treat your skin thoroughly.

Apply directly over your skin and massage for 1 minute before adding water which turns it into a milky texture making it easier to remove. Remove using a soft mitt or face cloth for best results.

Pre cleanse oils/balms are nourishing and moisturising so great for dry skin but must be thoroughly removed with a second cleanse.

These cleansers generally double up as

an effective eye make up remover so it is a great time saver.

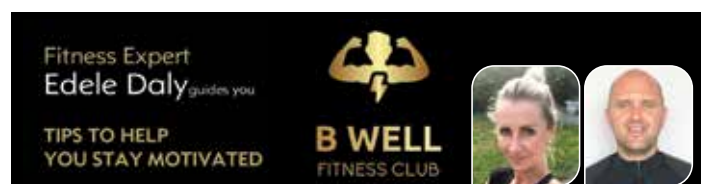

As you are dry you might prefer a balm for its rich luxurious feel like Dermalogica Pre-cleanse balm €49.

You can also cleanse twice with your own cream cleanser if you prefer.

GRAVITY YOGA

A TARGETED APPROACH TO INCREASING YOUR FLEXIBILITY

For most of us it is true to say that we lose flexibility as the years pass us by. Movements that most children can do easily, become more of a struggle as we get older. Simple everyday things like squatting down, or bending forward from our hips become more difficult as we lose our flexibility. Unfortunately, for most of us the loss of flexibility can lead to pain and discomfort, back pain, stiffness in the back or hips and even upper back and shoulder pain can often be attributed to a loss of flexibility. Loss of flexibility in muscles then has a direct impact on the joints that those muscles cross. Over time reduced range of movement in joints will lead to poor movement patterns, our body is clever enough to be able to adapt to tight muscles but sometimes the body's work around is where the problems begin. How many mornings when getting dressed do you struggle to bend down to put on socks or tie your shoe laces?

So, what can gravity yoga do for someone who has such flexibility problems?

The Gravity Yoga uses a combination of specific breathing techniques, coupled with long pose or stretch holds, usually a minimum of 2 minutes and up to maximum of 5 mins. The key to improving flexibility is understanding that muscles stretch best when they are relaxed. The breathing technique used helps get our nervous system into "rest & digest", also known as our parasympathetic nervous system.

It is when the body is in the rest & digest state that we can improve muscle flexibility using the long hold times. Much of our flexibility gains come from our nervous system. We work on switching off the stretch reflex and coupled with the hold times is where the magic happens – of course the magic doesn't happen over-night.

The benefits of gravity yoga include increase range of motion, reduces pain in back, shoulders & hips. It's important to note though that it has nothing in common with warm-up stretches you might have learned to do before a workout. It is an intense form of stretching and for some can cause some discomfort initially. The good thing is though that once your body starts to adapt then the benefits certainly outweigh the initial discomfort.

One final thing - if you think it's not for you but you still want to improve your flexibility and are happy to stick with what you have always done, then ask yourself one question – Why haven't I improved my flexibility doing what I currently do? If that hasn't helped you up to now, then why will that change if you stay with it? Maybe it's time to try a new approach, maybe it's time to try Gravity Yoga.

ALLERGIC CONJUNCTIVITIS

Allergic conjunctivitis is commonly caused by sensitivity to grass and tree pollen, dust mites or animals. It is far more common in those with a history of allergies or those who have a family history of allergies.

SYMPTOMS

Allergic conjunctivitis usually causes pink or red itchy eyes. The eyes are normally watery and other allergy symptoms such as sneezing and a runny nose may be present.

The seasonal type of allergic conjunctivitis will vary with the time of year and weather conditions. Those with more general allergies, such as an allergy to dust mites, will most likely have symptoms throughout the year.

TREATMENT

You can treat allergic conjunctivitis by:

- Avoiding the cause of the allergy (if possible)
 - Using cold compresses (such as clean cotton wool balls soaked in cold water) to soothe the eyes
- Avoiding rubbing your eyes as this will make the symptoms worse
- There is also a range of medicines that may help. Some are available over the counter at the pharmacy and other stronger medicines need a prescription.

Mast-cell stabiliser eye drops such as sodium cromoglicate (Opticrom) do not work straight away. Instead, they take a few days to start to work. These drops are good if you know when you are likely to develop an allergy and so you can use them to prevent symptoms

Antihistamine eye drops such as antazoline sulphate (Otrivine-Antistin) provide a more immediate effect. They won't prevent an allergic reaction, but instead treat the symptoms once the allergy has started.

Antihistamine tablets work in the same way as the eye drops, but will also treat other allergy symptoms such as a runny nose and sneezing that is caused by the allergy.

You should not wear contact lenses if your symptoms are severe or if you have been told that your cornea is affected. Do not put drops in your eyes while wearing contact lenses.

Remember:

- MAvoid rubbing your eyes, as this may make your symptoms worse
- Use a cold compress to soothe your eyes
- Wearing glasses or sunglasses may help to shield your eyes from pollen

>KILCUMMIN LOOKING GOOD

We are in the process of upgrading the Peoples Park in the village to make it more user friendly for everyone, with the financial assistance of Kerry County Council. In connection with this, we are looking for a number of items which

people might like to donate; these items include an old wrought iron bath, an old style bicycle, pallets, wheelbarrow, old gardening tools, sundial, old bike chains, metal pipes for a sound feature, and a bird bath. If you have any queries on these items please contact Tony on 087 6258641 or Sheila on 087 7944679. We are, also, organising a work night in the Park on Tuesday, 15 June, at 7 pm. Any one who would like to help would be most welcome; please bring gardening tools and a Stanley knife (to remove plastic from around trees). A big thank you to all those who have gone out and collected rubbish on the roads in their area. Bags are available in the Rural Dev. Office if anyone needs them. Mile buiochas

>KILCUMMIN GAA COUNTY LEAGUE DIV1

Kilcummin 2-14 Spa 1-10. Our senior team got off to a great start to their county league campaign with an impressive win over Spa on Sunday last. The foundation of this win was a great 2nd half display against the breeze that saw us outscore Spa by 1-6 to 0-2. Goals by John McCarthy and Noel Duggan were crucial but Kieran Murphys display at midfield was the catalyst for this fine performance. The management team of Tommy, Mark, Kieran, Damien and Shane will also be pleased with encouraging performances of the younger players, in particular the likes of Philip O Leary, Colm Kelleher, Danny Cronin and Andy Lowin. We play John Mitchels away next Saturday night at 7.30 in Rd 2. Team Brendan Kealy, Oscar O Connor, Kevin McSweeney, Donal Maher, Eoin O Donovan, Padraig Nagle, James Nagle, Kieran Murphy, Colm Kelleher, Philip O Leary, Gary O Leary, Noel Duggan, Mikey O Shea, John McCarthy, Kevin McCarthy, subs used Danny Cronin, Richie O Connor, Andy Lowin.

DIVISION 6 CO LEAGUE

Kilcummin failed to field a team in Rd 1 against Milltown/Castlemaine on Saturday last which is particularly disappointing given the desire by many to field a team in this competition. We are at home in Rd2 to Toustist on Sunday next at 2pm.

>CONGRATULATIONS

Congratulations to Paul OShea, Brendan Kealy and James Foley on their recent National League title with Kerry.

>SHARE THE POT

Congratulations to Miriam Brosnan, Killeagh, Farranfore, winner of our 50/50 Split The Pot. Miriam receives €200.00. Next draw Sunday 30th June. Tickets available from Kilcummin P.O., Paddy O'Keefes Gatabawn or www.Kilcummingaa.com.

>MINOR CO LEAGUE RD 2 Glenflesk 2 – 15 Ardfer 5 – 6

In a match of incredible drama, Glenflesk and Ardfer minors have finished level after 60 intense minutes of action where both sides had chances to win it at the end. Ardfer opened the scoring as their strong running game caused early problems for Glenflesk. John Kelleher got Glenflesk's opening score from out far, before Dylan Roche shimmied into space before firing over. Ardfer replied with a fine score of their own before two Roche frees left Glenflesk with a four two lead at the water break. Eoghan Kelly pointed after good work from Callum Cronin, but a defensive lapse allowed Ardfer score their first goal of the evening. This got Glenflesk going again as they ran off a run of scores. Pressure on the Ardfer kick out was leading to a lot of chances. As Glenflesk looked to be pulling away, Ardfer fisted in their second goal. Glenflesk now held a one point lead at the break. Roche pointed an easy free after Cronin had been fouled after making a great catch. Roche then goaled after cutting in on the right and blasting a shot into far corner. Once again Ardfer responded with another goal when needed. Great points from Luke Crowley and Kelliher's second, after good work from Jamie

Moynihan, meant Glenflesk led by a point with the last quarter to be played. Roche added a second goal after being set up by Cronin, and Kelliher's third point of the evening, off his left, gave Glenflesk a six point lead with the end nearing. Cronin's classy flick sent Kelly in all alone, but his blast of a shot flew past the post and wide. Ardfer attacked again and won a penalty. It was duly buried as the deficit dropped to three. Then they launched everybody forward, and a low shot somehow found its way into the net. Both sides had two chances each to win it, but neither took them, and a crazy match ended level. Ardfer will probably be happier with the draw, but there was enough good signs for Glenflesk to recover from the disappointing ending suffered tonight. **Report by Michael Healy**

>CO LEAGUE DIV 1A SPA V KILCUMMIN

Spa began their Co League campaign with the short journey to Kilcummin on Sunday afternoon. An exciting first half had the sides level at the break, but a strong second half performance from Kilcummin, hitting an unanswered 1-5, left the result in no doubt. A pointed free from Noel Duggan opened the scoring, but Spa were quickly on the attack, a Mike Foley goal shot just inches wide before points from Mike Stam O'Donoghue, Dan O'Donoghue and Mike Foley edged them into a 0-3 to 0-1 lead early on. Kieran Murphy kicked over Kilcummin's second point but again Spa replied well, two points from Mike Stam O'Donoghue and a point from Niall McCarthy. A second point from Kilcummin midfielder Kieran Murphy made it 0-6 to 0-3 at the water break. Mike Stam kicked his fourth of the day before Kilcummin raced towards goal at the other end, Gary O'Leary working the ball across the goalmouth for John McCarthy to finish to the back of the net. Shortly after, injury ruled Mike O'Donoghue out of the game, and as play resumed Kilcummin were again quickly heading for the Spa goal, James Devane with a great save on Kevin McCarthy's goal shot and Kieran Murphy converting the resulting '45. Philip O'Leary pointed for Kilcummin before Cian Murphy worked a great ball in for Spa and David Spillane buried it in the back of the net to level the game. Kieran Murphy and Evan Cronin swapped scores, and at half time there was nothing between the sides at 1-8 apiece. Evan Cronin pointed at the start of the second half to edge Spa in front, but Kilcummin hit a purple patch and kicked an unanswered 1-5, the goal from Noel Duggan and points from Kevin McCarthy, Kieran Murphy (2), Noel Duggan and Mikey O'Shea. A late Evan Cronin point was quickly cancelled out at the other end by Ritchie O'Connor, final score Spa 1-10 Kilcummin 2-14.

Wishing a speedy recovery to Mike Stam O'Donoghue. Our senior team will be home to Austin Stacks next Saturday night June 19th at 7.30pm.

Spa: James Devane, Eric O'Donoghue, Eoin Fitzgerald, Eoin Cronin, Ryan O'Carroll, Dan O'Donoghue, Niall O'Mahony, Shane Cronin, Ciaran Spillane, Cian Murphy, Michael O'Donoghue, Niall McCarthy, Michael Foley, Evan Cronin, David Spillane. Subs: Mikey Moynihan, Shane Lynch.

>U15 CO LEAGUE SPA V LEIGION

Our U15 boys made the short journey to local neighbours Killarney Legion last Wednesday for the first outing of 2021. On a beautiful summer's evening our boys started slowly and conceded 3 quick goals in the first quarter, but we added one ourselves leaving a lot to do in the remainder of the game.

Our second quarter saw the boys step up a gear and edge into an 8 point lead which in the end they never relinquished, leading at half time by 8 pts.

The second half saw the home side get on top and got the deficit down to two at one stage, however our boys hung on for an excellent win.

Thanks to Killarney Legion for being great hosts and a very hard fought game which could have gone either way at a number of occasions. Well done to our boys and management, excellent start to the year. FT Legion 4-6 Spa 4-9

Panel on the night: Conor Sowerby, Darragh Brosnan, Danny Coffey, Kris O'Leary, Lucas Sowerby, Cian Russell, Liam O'Leary, Shane O'Sullivan, Fionn Daly, Joey McCarthy, Aidan Cronin (Captain), Luke Doolan, Adam Herlihy, Emmet Spillane, Jack O'Donoghue, Cathal Mackey, Maurice Joy. Missing - Oran O'Neill, JJ O'Donoghue, Vincent Oliveras.

>U14 GIRLS SPA V LAUNE RANGERS B

Spa u14 ladies hosted Laune Rangers B last Thursday in Spa and what a thrilling encounter it was. A very exciting and well-matched affair. Spa started very well and opened the score line with a fantastic goal from Caoimhe O'Neill. This set the trend for the rest of the game as Spa led for most of it with scores coming from Lara O'Neill, Ciara O'Sullivan and Angelina Kenny. A strong midfield performance from Ciara O'Sullivan

and Maggie May O'Donoghue kept feeding great ball into the forwards. A brilliant display from the backs especially Emily-Kate Waters, Muireann Spillane, Siofra Brosnan and Casey Mulry kept a strong Laune Rangers at bay. There was a fantastic display of football from both sides with Spa proving the strongest as they had to fight an incredibly tough wind in the second half. Spa u14's ladies travel to Currow next week. Spa 4-7 Laune Ranger B 4-4. Scorers for Spa were Caoimhe O'Neill (1-3), Lara O'Neill (3-1), Angelina Kenny (0-2) and Ciara O'Sullivan (0-1).

LADIES FOOTBALL

Congratulations to Ciara Murphy, Caoimhe Evans, Mairéad Lehané and Ella Teahan of MKL Gaels and the Kerry team and management on their win against Monaghan on Saturday in the semi-final of the Lidl Ladies National Football League Division 2A. A thrilling battle between the two sides that resulted in extra time. Extra time could not separate the sides and a shoot-out took place. Kerry won by 1 and will progress to the Division 2 League Final against Meath. Date, time and venue to be confirmed.

KERRY GAA

Well done to the Kerry football team on their win over Tyrone on Saturday. Commiserations to the Kerry hurlers who were beaten by Carlow on Sunday.

DR. CROKES

Games finally returned last week with many of teams back in action, our hurlers played in their first Div 1 co. fixture our 3 senior teams fielded in their respective divisions with mixed success A & C teams victorious with wins over John Mitchells & Valentia with the B side losing to a strong Glenbeigh/Glencar side.

A feature of these saw the return from long term injury of Daithi Casey & Jordan Kiely both who performed excellently.

SENIOR HURLING DR CROKES 1-08

CROTTA O'NEILLS 0-17

Friday night last was an historic night in Lewis Road where we lined out as a Senior Hurling Team for the first time and hosted Crotta O'Neill's in the Credit Union County Hurling League Division 1. We had the perfect start at both ends of the field with Conor Bohane saving a point blank shot while, at the other end, Mark Heffernan batted the ball to the net. Further points came from Kieran O'Connor and Kevin Landers however Crotta O'Neill's had seven scores before halftime, leaving the score: Dr Crokes 1-03 to Crotta O'Neills 0-09.

By the second water break Crotta led by three points 0-13 to 1-07 however we only added one more point before the end following a number of wides. While the game ended in defeat, we played with great heart and determination in our first game at senior level.

Team: Conor Bohane, Anthony Keogh, Mike Milner (Captain), Patrick Crehan, Rory Waters, Declan Hickey, Gary O'Connor, Jack Lenihan, Shane Lyne, Kevin Landers, Colm O'Cuiv, Kieran O'Connor, Rob Ryan, David Carroll, Mark Heffernan.

Subs: Ciarán Kennedy, Michael O'Keeffe and Shane Kavanagh

Div. 1 football Dr. Crokes 2-17 John Mitchells 0 -10. an experimental Dr. Crokes side lined out against John Mitchells on Sunday last unable to call on sixteen players through

Inter county commitments and a long list of injuries management blended experience with a youthful look handing Senior debuts to goalkeeper Adam Kelly & Evan Looney with Terry Sparling & Harry Potts introduced in the second half.

We started the livelier and led 0-06 to 0-01 after 10 minutes Mitchells kept plugging away and reduced the arrears to 3 points after the first quarter at half time we led 0-12 to 0-06. On the resumption Jordan Kiely closed out the game with 1-01 in the opening 3 minutes. The second goal came in the closing minutes with a Mikey Casey finish.

B Team Div. 2 Glenbeigh/Glencar 3-11 Dr. Crokes 2-07 we had a strong performance against a strong local side. This was good performances by a relatively young side who battled bravely. This game marked the return of Daithi Casey after a year long battle with a knee injury and he certainly had a wonderful game, their were other notable performance from Chris Brady, Niall O'Shea, Harry Potts.

C team Div 6 Dr. Crokes 2-16 Valentia 1-11 we travelled to the Island for this fixture and came away with the spoils.

ACADEMY

GAELIC FOR GIRLS

This is a new initiative for girls to try gaelic football for the first time or else if they want to return after a long time out. The programme is on every Tuesday at our grounds on Lewis Road from 7 until 8 everyone welcome to give it a try. Games

The U11 started their season on Thursday with two away games against Laune Rangers. There were two good sporting contests between the clubs. The trainers were delighted with our performances and it was great all of the players' hard work was rewarded. Thanks to Laune Rangers for hosting us so well.

The U13 team began their County League campaign at home against Glenflesk on Sunday. Despite being short some numbers through injury the squad put in a great performance to win 5 -14 to 1 -7. Thanks to Glenflesk for a good game.

The Dr Crokes U15 A and B teams commenced their county league campaigns with two very entertaining games versus Kenmare and Ballymac at Lewis Road last Wednesday evening. The B team had a fine win v Kenmare in a very sporting game and played lovely attractive football throughout led by captain Killian White and well officiated by referee Christy Crowley. The B team next fixture is at home to Kilcummin this weds at 5 pm .The A game v Ballymac was a terrific high quality contest and Ballymac raced into a 3 point lead before Noah Sexton opened the scoring for the home team. The same player then combined nicely with Liam Hennigan who cut in from the right for a fine score. The backs Brian Titus and Adam Byrne were defending impressively and

two fine saves by the impressive goalkeeper Kasper Roebak kept us in the game. After the water break the crokes really upped the pace led impressively by midfielders Oisín O'Sullivan and debutant Cian Mulcahy well assisted by the impressive Neil O'Carroll centre forward and his hard working brother Mark and Ben Kelleher both U 13. Then before half time a big turning point in the game when Liam cut in from the right along the sideline and passed the ball across the goal for the in rushing pacy Oisín O'Sullivan who fisted the ball into the empty net but the goal was ruled out as the referee deemed advantage to be over .Cian Mulcahy our impressively midfielder scored the resultant free to leave the half time score 6 pts to 5 to Ballymac. The second half started with Ballymac scoring some impressive points and a goal to race into a 7 point lead despite some impressive defending by Kieran Clancy and Gearoid Sugrue. Then a fine individual goal by Neil O'Carroll reduced the lead just before the water break .Following calm words by Vince and Brian O'Shea during the break and a few positional changes where Nathan Cronin switched to Corner Back and shored up the defence and Jack O'Donoghue very impressive also. Muiris O'Donoghue impressive throughout following a fine move then scored a cracking goal which reduced the Ballymac lead to 5 pts and two long range Cian Mulcahy frees further reduced the lead to 3 entering injury time. Crokes were then denied a penalty which could have earned the team a draw before Ballymac went up the field to score the insurance point giving Ballymac a deserved 4 point victory on the night. This was an excellent performance against an impressive well drilled physically stronger Ballymac team and considering 11 of the team that finished is underage again next year augurs well for the future .Brian Mc Carthy sub who was very impressive in the B game replaced the injured centre back Adán Byrne near the end who was excellent throughout. Sean Kiely sub also impressive in the B game picked up a knock in that game and could not come on but will be ready for the game v Churchill next weds evening. Thanks to the great support on the night from all the parents of all the teams who really appreciated being able to watch games again following lockdown The U17 started their campaign against Glenflesk. Glenflesk have their strongest team for many years and have a number of county minor panelists. Nevertheless Crokes put in a very strong performance before Glenflesk took a deserved win.

Referees: The club is anxious to recruit referees especially at underage level. We are open to members with some training or anyone that might want to take on a new challenge. For details contact Diarmuid 086 833938

campaign off to a great start with a win over Ballyduff last Sunday. The Crokes girls opened the scoring and continued to lead throughout the game. From the backs to the forwards the girls linked up well together with some lovely fast, free flowing football. At the end of the first half the girls were up 2.8 to 2.3. But it was in the second half that the girls really started to pull away, with Clodagh McGorrian, Sarah Cooper and Siofra Randles all hitting the back of the net. Sabra Hicky and Aoife O'Donoghue also got on the score board. Jocelyn Hickey and Ella Bartlett where solid in defence. Well done to Jessica Uchtyl-O'Connor for pulling off some lovely saves. COISTE NA NÓG:

U8

Our under 8 girls team got off the mark on this morning against Fossa in Gortroe. Well done to Deirdre O'Sullivan and her fantastic team of coaches for preparing the girls for their first game of the year. Many thanks to the home side Fossa for a fantastic morning of matches, we hope to welcome them to Paddy Burke Memorial Park later in the summer.

U9

The U 9 boys were also out this morning and after a fantastic series of games against Kilcummin last year it was a pleasure to welcome the east Kerry team for a game on the brand new surface here at Milltown/Castlemaine GAA grounds. Just like last year the games were well contested. Our Milltown/Castlemaine U9s showed a maturity beyond their years with some great team play picking out teammates with passes throughout the morning, well done to both sets of teams. Thank you to Paul Twiss, Liam Doherty for organising a great morning of football.

U10

Our U10 Girls were out for the first time this year yesterday against Legion in Killarney. James Daly and his team of coaches have done a super job preparing the U10 girls and it showed as there was some fantastic football played. Thank you to hosts Legion we hope to welcome you for the return fixture later this year.

U11

It was a brilliant and busy week for our U11 Boys. The coaching team led by Gary Murphy have again done a fantastic job preparing the team over the passed 6 weeks. There was no training this week but a challenge match against Keel on Tuesday helped both teams to prepare for the upcoming Go Games. There was some

fantastic football played on the evening by both teams. The U11 team then moved on to Ballymac for the first of their Lee Strand County Go Games and again performed brilliantly on the night, that hard work in training and practicing at home definitely shone on this week for our U11s.

U13

Kenmare Shamrocks 3-03 V 3-23 Milltown/Castlemaine Green

Our U13 Green team just made the cut for the notes with the matches playing just a couple of hours ago on this sunny Sunday evening. Our U13 White Teams game has been postponed until next Friday evening but our Green team travelled south to face Kenmare Shamrocks.

Well done to our U13 Green team who played some scintillating football in Kenmare this evening with incredible skill, guile and teamwork on show. They scored high and scored several fantastic team scores.

U15

Listowel Emmets 4-09 V 7-12 Milltown/Castlemaine Green

Our U15 team were also on the road and at home this week starting when the Green Team made the trip to North Kerry. Listowel Emmets the opposition and it was a tight affair in the first half with the game balanced on one point in favour of the home team at halftime with some missed opportunities from our U15s. It remained close with the home side extending their lead to four at the second half water break but six second half goals were to prove the difference for our visiting team in a fantastic second half performance, clinically taking their chances to get a great win.

MILLTOWN/CASTLEMAINE WHITE 7-13

V 4-11 KEEL/LISTRY B

In an exciting game our neighbours Keel/Listry on Friday evening our Milltown/Castlemaine team finished up with the win to get there Division 10 South of to a great start. Just the 3 points in it at half time with our under 15s leading by a score of 3-06 to 3-03 but there was to be a lot of scores notched in the second half with fantastic displays all over the field, the final score reading Milltown/Castlemaine 7-13 v 4-11. Well done to all the players.

It was great start to our minors year this week with a fantastic win on the road against Listowel Emmets:

Listowel Emmets 3-09 V 4-13 Milltown/Castlemaine

A fantastic win for our minor side in their first game back, well done to the players, their coaching team and to their opponents Listowel Emmett's on a great game.

The game saw our minors raise the green flag four times and fantastic performances all over the field. Dara Hogan, Liam Roche x 2 & Rian Foley got the goals and shortly after his goal Rian was unfortunately taken off with an injury everyone at Milltown/Castlemaine GAA wishes him a speedy recovery.

Well done to all the players and coaches again on a fantastic win next up in the round two and the team's first home fixture of the year against Kenmare Shamrocks.

Div 1 County League

Killarney Legion 0-15pts

Rathmore 2-07pts

Killarney Legion got their league campaign off to a winning start with what turned out to be a hard-fought victory in a sun drenched Direen on Sunday. From the off Legion looked to be in impressive form with some exciting passages of play that punished an out-of-sorts Rathmore side. Such was the Legion's dominance they had a comprehensive lead of 0-12 to 0-01 at half-time with the Rathmore point coming from a free after twenty-five minutes of play. The second half was a completely different affair with Rathmore showing greater intent that had Legion in all sorts of trouble. Legion for their part were guilty of over-playing in possession with an ever-increasing missed points tally as the half progressed. Two quick goals by Rathmore mid-way through the half set the cat among the pigeons with a mere two points now separating the teams. Rathmore pressed for a third goal to steal a victory, but Legion held them out with some desperate defending to claim victory.

Div 6 County League

Killarney Legion 1-11pts

John Mitchell's 0-02pts

It was great to be back in action at Direen for both players and supporters to host John Mitchell's B team. Both teams got off to a slow start notching just 3-1pts going on at the half time whistle in favour of the home side. Legion got off to a great start in the second half being led from the backs by Sean McCarthy, and the very impressive Paudie Enright who put in a great shift all over the field. Aaron O'Sullivan was called into action 5 minutes in pulling off a great save from the ever dangerous Mitchell's side. Just after the water break Bryan Griffin finished in the back of the net and raised the green flag, Legion kicked on from there with a flurry of points. A great team performance and great to get the first 3 points on the table. Well done to the Management and lads.

MAIREAD TAKES ON THE 54321 CHALLENGE

to raise funds for Comfort for Chemo

Despite being on her own cancer journey, Glencar woman Mairead Dunphy is set to take part in this year's 54321Challenge.

This year's selected charity is Comfort for Chemo Kerry, when choosing this year's charity the organisers contacted Mairead, a past participant and a dear friend to all.

"We wanted to show our support to Mairead and knowing that she would like to support those who have supported her on her journey so far, she had already been looking at ideas to raise much needed funds for Comfort for Chemo Kerry", PRO for the group Tony Dunne told Killarney Outlook.

"Little did we think that Mairead would be actually contemplating taken part in the event but in true style and testament to the person that she is, she will be one of the ten participants", Tony added.

The 54321 Challenge was originally started 9 years ago with a team of 5 People over 4

DAYS, completing 3 CYCLES, and climbing 2 MOUNTAINS for 1 Cause – a local charity.

Given the ongoing COVID 19 situation, this year again will see restricted numbers taking part in the event. The 54321 Challenge's top priority is to ensure the safety of its participants and in the current climate, this extends to their families, neighbours, friends etc. This year ten ladies will take to the roads and mountains over the 4 days of the event and this will take place from Thursday 19th to Sunday 22nd of August 2021 inclusive. This will include the following.

Day 1 (Thursday 19th) - Cycle the Ring of Kerry.

Day 2 (Friday 20th) - Climb Carrantuohill.

Day 3 (Saturday 21st) - Cycle from Killarney to the foot of Cnoc Na Tobair and then climb Cnoc Na Tobair

Day 4 (Sunday 22nd) - Cycle the Skellig Ring.

The committee are currently looking at ways other people can participate in an online version of the Challenge while representing

and raising funds for their chosen charity, and they will be announcing details in the coming weeks via their website and social media.

The Challenge has raised almost €242,000 to date supporting a number of very deserving Kerry Charities.

KERRY BLOW TYRONE AWAY

National League Semi-Final: Kerry 6-15 Tyrone 1-14

Gotta admit, I was not expecting that! Tyrone, of all people, were so tactically naive in defence that you were sorry for them long before even the half-time whistle, but that shouldn't distract from a Kerry performance packed with speed, strength, and raw passion, and sublime skill. I think that, with Mayo in a bit of transition and still a bit too reliant on Cillian O'Connor, Kerry are justifiably looked on as Dublin's biggest threat. Tyrone and Donegal would be the leading contenders just behind them – or at least, they were until last Saturday night.

People have said that Tyrone were taking it handy and not showing their hand. Nope. That can happen, and frankly there are times where a team has to do that to preserve their chances later on down the road. But in this one, Tyrone got the simple basics in defending all wrong, and took way, way too long to re-adjust.

As is their modern wont, Kerry forwards drifted out. At one stage Tyrone goalkeeper Niall Morgan was just short of the halfway line. There was just one player behind him.....Kerry's Sean O'Shea. In all fairness, you are going to leave that kind of space open for lads like Gavin White, Adrian Spillane, Diarmuid O'Connor, Sean O'Shea, Stephen O'Brien, and most especially the Clifford brothers and Dara Moynihan to run into? What exactly were you hoping was going to happen? Frankly, it's tantamount to insanity.

Kerry did this tactic against Cork last year. And Cork

had their gameplan well ready. Their defenders left their men off away out the field and when the likes of Gavin White and Tom O'Sullivan went on their lung-bursting trademark runs, defenders were fresh and ready waiting for them.

Against Tyrone it was empty space and defenders were twisting backwards trying to rebut the waves of potent Kerry forwards.

Adrian Spillane nearly fisted an early goal before Sean O'Shea gathered from Mike Breen to open the scoring. Breen was outstanding here as were his half back colleagues. Gavin White was my man of the match (Dara Moynihan was very close, with Paudie Clifford and Jason Foley also outstanding). Imagine that Paul Murphy, of all people, will have to fight to get his jersey back? It says something. Jason Foley's late point, in a game that was already over in real terms, received a warm round of applause. He deserved it (he was the TG4 Man of the Match). He always had the style and technique, now he has the necessary power to bring it into play and completely shut down a dangerous player in Conor McKenna – that individual duel was the best of the game, and Foley won it hands down.

Tyrone went in front with a point from Kieran McGeary, who also set up Darren McCurry for their second. Then their roof basically started to cave in. I can't put it nicer than that. Dara Moynihan was the link man in a breaking line of Kerry attackers and he laid it off to David Clifford, who was tackled

just as he was pulling the trigger. Niall Morgan made a great save, but referee Conor Lane spread his arms to indicate a penalty – a very harsh call, to be honest. Morgan actually made a great effort at the penalty, but David's shot had power and precision. Kieran McGeary added his second point for Tyrone, but Kerry sliced through again, this time Paudie Clifford's superb run left him in on goal, but he delayed his shot for a fraction too long.

Kerry were pressing the kick-out (something I love to see) and it was really paying dividends. Tyrone were struggling to deal with it.

Gavin White's goal.....look, you have a few hardy enough oul' cynics in the press area, but every last one of us had our mouths hanging open at that one. He read the kick-out perfectly – his feet were moving just as Morgan kicked the ball. Dived forward to catch it, looked up....a measuring glance. I knew what he was trying and I honestly thought "no way". Ummm.....way.

An absolutely brilliant, perfectly weighted precision kick over the hapless keeper and into the net. I'm telling you, we have seen the Goal of the Year even before the championship starts.

Straight from the kick-out, Dara Moynihan was coolly finishing goal number three. Tyrone were already re-jigging their defence but there were too many leaks to plug. If nothing else, Kerry's conditioning work is really starting to pay dividends. I've seen Kerry players lose out to their stronger Dublin opponents in those contests in

recent years, especially in the last ten minutes of games. That's something that might – please note that I am just saying 'might' – be different this year. Kerry were picking off points at will, no hit-and-hope shots, but a couple of real beauties. A superb steal by Jason Foley led to another synchronised forward wave, Stephen O'Brien and Sean O'Shea setting up Paul Geaney for an expert finish for goal number four. O'Shea nearly added his name to the growing list of goalscorers, he did everything right except keep his shot down. It was Geaney, instead, who added our fifth goal. Geaney, who looks about as comfortable in the half forward line as I do at the dentist (frankly, either play him as an inside forward, at which he's a proven expert, or don't play him at all) seemed to have taken confidence and his blistering shot from distance had too much power for Morgan to stop.

Half-time Kerry 5-6 Tyrone 0-7.

David Clifford opened the second half with another great goal effort but Morgan (he's actually a very good keeper) made a good save and it was McGeary who opened the second half scoring. But Kerry was like a machine. Eight shots and seven scores. Micheál Burns and Killian Spillane off the bench were highly effective – Peter Keane and co. are going to have some selection headaches this year, and that's a good thing. The likes of Joe O'Connor and Jack Sherwood did themselves no harm either. There was plenty of off the ball rough and tumble – and Kerry were as happy

to be involved as Tyrone. Good – I can name an archbishop with an All Ireland medal, but I never heard of any saint with one.

Tyrone did pick off a couple of well-worked points, scores that any team would find hard to stop. But Kerry were picking them off at will – Burns in particular kicked an angled beauty. The final goal was yet again a sweeping Kerry move that ended with Niall Morgan coming out of goal to fist clear.... but only as far as Jack, who immediately finished confidently.

Look, I'm always cautious about league games. We were the worst team in the world after the Cork game last year. After our league opener against Galway, we were suddenly the best team in the world. And then the Dublin game.....the cycle continues. And it is a cycle. The slow hard ascent to the top is done by the people inside, the people doing the work.

I'm not getting too excited by this one. Kerry did look absolutely great, but they were allowed to do so by as poor a Tyrone display as I have seen in years. After a generation of being on top, they look like they may be regressing to the mean, not least with Donegal on the rise. But again, it's one game. It's a swallow, not a summer.

As for this weird half of a league title? That whole thing is a bit embarrassing all round. I'd say let the two teams toss a coin for it.

JIMMY O'SULLIVAN-DARCY takes a look at all things sport...

Look, it's absolutely fantastic to have the county leagues back. There's a lot of auld guff spouted on a regular basis at a national level about "clubs are the bedrock of the GAA". Yeah, I think that more money flows up from the clubs than down on those particular canals! What clubs really are is the bedrock of local communities, and in Ireland, the GAA clubs particularly fill that role, but they all, literally everyone, are important. So it is great to have them back, not just for the players, but for the supporters as well. Of course I am delighted that games are back. The development of facilities such as the Killarney Valley Athletics Club Arena and the huge improvements at Murt Scott Park by Ballyhar Dynamos are a huge boost to East Kerry.

I completely supported the restrictions. The effect of the restrictions on mental health and the economic impact of closure on so many businesses at a micro and level has been devastating, but most of us were able to weigh the risks to life against the risk of economic loss properly and support the Government's measures. Part of the return to play plan is to have the Ladies' National Finals in Croke Park. Great to have a Kerry team back in action on that much-beloved sod in just one week's time, even though I'll probably have to watch Kerry take on Meath on the livestream provided for free by Lidl.

I'm not going to comment on the first two rounds of the County League for Kerry teams, even though Round 1 was a particularly good one for most East Kerry clubs. I just think that teams deserve a couple of games to really get up and running; it's been a long time without collective training and especially competitive games. My only worry is the possibility of injury. A glance at the amount of injuries to Kerry's senior footballers and hurlers over the past while is indicative of the potential risks. No amount of training can really replicate the intensity and physical requirements of a competitive game.

HURLING

National League Div Two Kerry 3-25 Carlow 0-14

No point in dancing around it; that was a bit of a hammering. But I don't mind and I bet that Fintan O'Connor won't be bothered by it either. What will worry him is Brendan O'Leary, just back from injury, having to hobble off late in the game. Kerry's injury woes are growing with every game, unfortunately.

This game was a dead rubber, with Offaly already confident of the only promotion spot. As I have said, I think Kerry are better off in Division Two as yet; the step up is simply a bridge too far for us just yet. We put out a very very experimental

Brendan Griffin TD and Cllr Bobby O'Connell, pictured with Ballyhar Dynamos club officers JJ Dowd, Donal Groves, Davin Quilter, Anthony McKenna, Padraig O'Connor, Brendan O'Sullivan, Dan Quilter and Tim Teahan view the club's recently installed tarred access road, footpath and 50 parking spaces. The project had a total cost of €75,000, with €50,000 generously provided by the Department of Community and Rural Development. Ballyhar Dynamos are very grateful to the local community for supporting its ongoing lotto and fundraising activities over the recent years so as to improve our facilities at Murt Scott Park.

team, I'd say it was a debut start for Seán Sheehan, Flor McCarthy, and Conor O'Keeffe, and a return to action for their first time this year for Bryan Murphy and Brendan O'Leary. Carlow opened up a 1-6 to 0-0 lead, the goal coming from John Nolan. Kerry did spark some bit of life after that, but Martin Kavanagh slotted a second one late in the first half. It was 2-12 to 0-7 after that and never getting better from there. Look, I followed it on Radio Kerry and I only did that much because Mike Halloran's commentary is superb. If I can combine metaphors, analysing this one would be like flogging a dead rubber.

Kerry: Darren Delaney, Flor McCarthy, Evan Murphy, Seán Sheehan, Conor O'Keeffe, Jason Diggins, Michael Leane, Paudie O'Connor, Daniel Casey, Brendan O'Leary, Shane Conway (0-5, 5f), Bryan Murphy (0-1, sideline), Padraig Boyle (0-3), Mikey Boyle (0-2), Cian Hussey (0-1). **Subs** J O'Connor (for Flor McCarthy, half-time), Shane Nolan (for Daniel Casey, 47 mins), Eoin Ross (for Brendan O'Leary, 47 mins), Donal Hunt (for Michael Leane, 53 mins), Colin Walsh (for Cian Hussey, 60 mins), Nathan Guerin (for Paudie O'Connor, 60 mins)

PITCH AND PUTT

Four of the eight prizes on offer for Men in the delayed 2020 National Strokeplay Championships were won by Kerry players as the Junior event in St Annes saw an unprecedented 1-2-3 finish for the county. Listowel's Jake Shine topped the podium. A great second round saw Tralee's Brian Moynihan claim second. Castleisland's Paudie Looney claimed the bronze medal. Both Brian and Paudie followed their children Ella and Padraic respectively in winning National Singles medals. Ella Moynihan was a runner-up in both the National Girls Matchplay and Strokeplay last year while Padraic Looney was a bronze medallist in the 2016 National U16

Jake Shine, Junior Winner.

Boys Strokeplay Championships.

In the Intermediate event, Tralee's Michael Conway had a hole-in-one in his second round to help him finish on 11 under, tied with ESB's Michael Herlihy. It went to countback rather than play-off under the covid requirement rules, with the Kerryman just getting the nod.

Damien Fleming was four shots off making it a treble the following day in the Senior event and winning it for a second time for himself. He was just barely pipped into fourth place. However, That does qualify him for the 2021 renewal in Navan this September and will not need to qualify to participate in the finals.

KERRY AND MONAGHAN SERVE UP A THRILLER

National League Semi-Final: Kerry 1-14 Monaghan 2-11 AET (Kerry Win 4-3 In Shootout)

It was an absolute thriller, with the most dramatic ending imaginable, going right to the wire. Ellen McCarron, who was a real threat all through, opened the scoring but Hannah O'Donoghue replied for Kerry. Both sides were a little bit sluggish in the first quarter, to be honest. Kerry had more of the play but four wides in the period is a lot. In fact, our three points came from frees by Louise Ní Muircheartaigh, as did Monaghan's second through Cora Courtney. Kerry could have goaled when Hannah O'Donoghue was pulled down for a penalty, but Louise Ní Muircheartaigh's well-taken shot was superbly tipped onto the crossbar, and when Louise darted in to volley the rebound, the woodwork denied her again.

Monaghan score the next three points through Ciara McAnespie (a great score) and a brace from Ellen McCarron (1f) to go in front, but Louise Ní Muircheartaigh squared things up again and that was how it stood at half-time, 0-5 apiece no real sign of the drama about to unfold in the second half.

On the resumption Louise hit the post with a free.. Mind you, at the other end, Monaghan cracked a good effort off the crossbar. Things were hotting up now! Niamh Carmody put us in front and then Lorraine Scanlon was on hand to finish a great move to the net. Kerry with four points in hand.

It didn't last long, with Ciara McAnespie exchanging a 1-2 with Ellen McCarron and giving Ciara Butler no chance with her shot. Cora Courtney added a free and it was level pegging again. Courtney nudged Monaghan in front by two (1f). Louise Ní Muircheartaigh pulled one back and Hannah O'Donoghue, after great work by Niamh Ní Chonchúir forced Emma Corrigan into another great save.

Holly McQuaid had a shot at the other end, but it was an easy one for Ciara Butler – I thought she would have been better off to take a point. Good job she didn't! Cora Courtney also missed

Niamh Ní Chonchúir, Corca Dhuibhne kicked the point to take the game to extra time.

a fairly scorable free. The clock was ticking that little bit faster now, and Kerry were struggling to close that one point gap. In fact in injury time, Monaghan had the ball and were going on the attack, but a player accidentally fouled the ball and it gave a tiny lifeline for Kerry to snatch at. Good work by Danielle O'Leary won a free. Louise launched it long in around the square. Niamh Ní Chonchúir read it beautifully, grabbed it up, exchanged passes with Louise Galvin, and launched a fantastic kick that laded on top of the net. 1-8 to 1-8 and extra-time to come.

Louise Galvin and Casey Treanor exchanged scores. Hannah O'Donoghue and Louise Ní Muircheartaigh (f) put Kerry back in front and we were two points to the good at half-time in extra-time. The restart was disastrous for us as Laura McEaney pulled one back and Ellen McCarron, Monaghan's best player, struck for a great goal. Suddenly Kerry were two points down. Louise, unerringly accurate, added two more frees to her tally but Ellen McCarron pointed in reply after a foul on Amy Garland and Kerry were once again a point down with time running out. Louise Ní Muircheartaigh has been Kerry's go-to girl in games so far, and she came up trumps yet again, winning and calmly stroking over a free. On to the dreaded shootout. Five designated free-takers to shoot frees to decide the winner. Monaghan went first and missed. So did Louise Ní Muircheartaigh. Probably the two best shooters on the field! It happens. Monaghan missed again. But Niamh Ní Chonchúir didn't. Monaghan scored but so did Lorraine Scanlon. Niamh Carmody pointed. Monaghan got their last score, and that made it 3 apiece with just Danielle O'Leary left to kick.

I would have been nervous stepping up to that way. From the confident way she struck it over, I doubt if Danielle even noticed. Talk about nerves of steel! Cáit Lynch was my bean laoch an chluiche, with honourable mentions to great

players on both sides.

Kerry will now face Meath in the division Two Final on Saturday (i.e. tomorrow week) at 5.00pm in Croke Park, with 3000 supporters able to attend.. Unfortunately Siofra O'Shea will not be back for the game after unfortunately damaging her knee in Kerry's last game and she is likely to miss the championship as well. There seems to be something of a curse on Kerry winners of the Munster Young Footballer of the Year award. Previous winners for Kerry in recent years also includes a big injury list. I can only remember five winners off the top of my head, and Denise Hallissey, Laura Rogers, Tara Breen, and now Siofra have all suffered serious injury. Louise Ní Muircheartaigh is the only one I can remember being relatively unscathed. And believe me, I'm talking about absolutely phenomenal talent here. When that all-conquering Cork side played Kerry, no less a player than Brid Stack was always despatched to try and stop the teenage Denise Hallissey. And for those of you who remember Brid Stack playing, it says enough in itself that I said 'try'. That really is how good she was. Tara is Mike's sister, we saw how good a footballer he is last weekend, and Tara has always been every bit as good as her brother. Maybe it's coincidence, or have we maybe been pushing a little too hard and too fast with our best young talents?

Kerry: Ciara Butler, Julie O'Sullivan, Aislinn Desmond, Ciara Murphy, Aishling O'Connell, Kayleigh Cronin, Cáit Lynch, Lorraine Scanlon (1-0), Niamh Carmody (0-1), Anna Galvin, Emma Dineen, Louise Galvin (0-1), Andrea Murphy, Hannah O'Donoghue (0-2), Louise Ní Muircheartaigh (0-9, 8f). Subs Niamh Ní Chonchúir 0-1 (for Andrea Murphy, 28 mins), Ella Teehan (for Anna Galvin, 51 mins), Mary O'Connell (for Niamh Carmody, 52 mins), Danielle O'Leary (for Emma Dineen, 56 mins), Ciara O'Brien (for Ciara Murphy, 60 mins), Niamh Carmody (for Kayleigh Cronin, 71 mins)

KERRY PITCH & PUTT NEWS

Kerry Pitch & Putt has had a lot of great days throughout its near 50 year history and last Saturday's performances by players from the Tralee, Listowel and Castleisland clubs will certainly enter the conversation when time comes to discuss the greatest ever.

Four of the eight prizes on offer for Men in the delayed 2020 National Strokeplay Championships were won by Kerry players as the Junior event in St Annes saw an unprecedented 1-2-3 finish for the county. Listowel's Jake Shine topped the podium with a seven under par winning score as rounds of four and three under par saw him claim a major singles win only two years after being a part of the 2019 Kerry U16 National Inter-County winning team. A great second round of five under par saw Tralee's Brian Moynihan claim second meanwhile as he finished a shot behind Jake on six under par.

Castleisland's Paudie Looney had rounds of two and three under par to claim the bronze medal with five under as the county stood atop the national Pitch & Putt scene on Saturday. Both Brian and Paudie followed their children Ella and Padraic respectively in winning National Singles medals. Ella Moynihan was a runner-up in both the National Girls Matchplay and Strokeplay last year while Padraic Looney was a bronze medallist in the 2016 National U16 Boys Strokeplay Championships.

Over at St Stephens at the Intermediate event, Tralee's Michael Conway was finding a 'hole-in-one' in his second round very helpful in gaining victory on countback with 11 under par. He had started with a four under par total for his first 18 but his challenge really came to life in the second round as he ended up tied with ESB's Michael Herlihy on 11 under par at the end of his 36 holes. Due to the alterations to the event caused by the pandemic, countback as opposed to a playoff would be the deciding factor in determining the winner as Conway's seven under par second round saw him get the title on countback from Herlihy's four under second round to complete Kerry's incredible day across the county bounds. Damien Fleming was four shots off making it a treble the following day in the Senior event and winning it for a second time for himself. Rounds of seven and five under par saw him finish on 12 under, a score that gave him third for most of the day until he was piped for an official prize late on. However, as fourth placed finisher Damien is now automatic for the 2021 renewal in Navan this September and will not need to qualify to participate in the finals. The other Kerry players in the senior event all finished with respectable scores, Jason Cregan of Tralee shooting nine under, County Board chairman James Dignan of Castleisland shooting eight while another Tralee player, Alan Hobbart, had a score of seven under. Entry forms for the County Strokeplays on the weekend of July 10th/11th are now available. The U16 event will take place on Saturday the 10th in Tralee while the adult competitions will be in Newmarket the following day.

CALL FOR LEGENDARY COMMUNITY SPIRIT AS LISTRY LOTTO IS RELAUNCHED

Pictured at the launch of the Listry Lotto are Anthony Clifford, Listry GAA Club Secretary, Mark O'Sé, Listry Senior Football Manager, Ted Scannell, Chairman of the Lotto Committee, Colm Counihan, Listry GAA Club, Jerome Kennedy, Chairman Listry GAA Club, Tony Darmody, Chairman, Listry Community Council and Catheriona Doody O'Connor, Listry Community Council.

The drum will roll on Sunday June 20th for the first time since the start of the COVID-19 pandemic as Listry GAA Club and Listry Community Centre relaunch their week lotto draw. Both Listry GAA and Listry Community Council have been seriously impacted by the COVID 19 restrictions since March 2020 with both organisations effectively shut down. Thankfully the Meals on Wheels service continued and expanded to support older people in our community and First Step Childcare reopened on 29th June

2020. Listry GAA officers and members have worked very hard during lockdown to prepare for reopening and it is great for our community that the GAA pitch is open again and training and games have resumed with spectators returning shortly. Significant expenditure has been incurred by both organisations to get our services and facilities up and running safely in full compliance with COVID 19 regulations and ongoing maintenance and repair of our facilities is both necessary and

urgent. The Listry Lotto has been a major source of income for both Listry GAA and Listry Community Council for the past number of years and both organisations felt the loss of income very much. The Listry Lotto ceased from March 2020 but will restart again on 20th June 2021 which coincidentally is the 20th Anniversary of the launch of the Lotto in June 2001. More than €500,000, which has been shared equally by Listry GAA Club and Listry Community Council, has been raised through the Listry Lotto over the past 20 years resulting in quality services and facilities being provided for the benefit of everyone in the community.

"We have to change the way the Listry Lotto will operate to comply with COVID 19 requirements and again we are asking for your co-operation", Tony Darmody, Chairman of Listry Community Council told Killarney Outlook. We are offering the following options to play. These options are for your safety and the safety of those operating the weekly draws.

- Purchase 6 or 12 month multiple draws tickets. Please use Direct Debit if possible.
- Multiple tickets can be supplied to individual supporters for use over a

period of time for weekly draw entries. Tickets can be dropped into the outlets below or individual arrangements can be made with your regular collector.

- Tickets can be purchased or dropped off at Faha Court, O'Sullivan's, Beaufort Bridge and Listry Community Centre
- Tickets are available online on Listry GAA Website or Facebook page. Just click on the link We hope that the online option will be availed of both locally and by Listry people abroad.
- It may be possible to purchase tickets from individual promoters in limited circumstances while adhering to COVID 19 requirements
- Annual Listry Lotto tickets can be purchased from Listry GAA Officers or Listry Community Council for €100. Generous discounts are available for multiple ticket purchases i.e. 2 for €180 or 3 for €260. This option could be beneficial for multiple purchase of tickets within families.

The starting Jackpot on 20th June will be €5,000 and the consolation prizes are as before. Minimum starting Jackpot will be €3,000.

"Listry GAA and Listry Community Council thank all of you for your support over the past 20 years and we look forward to your continued support as we all work together for the betterment of everyone in our community", Tony added.

Gardening

with Killarney Outlook
by John O'Sullivan

TREES FOR SMALL GARDENS

There are a lot of trees suitable for smaller gardens and they come in all shapes and sizes, evergreen or deciduous.

There are a lot of things to consider when choosing a tree for a limited space, the most important being the eventual height and spread of the tree. Some ornamental small trees can still reach a height of 20/25 feet. Sometimes even these small trees can be too big for a small garden but there is still a lot of choice out there.

Examples would be a weeping tree which never gets too tall and is very easy to prune back if need be. On the other hand you can choose a tree that is columnar in shape and it won't spread out too much. There is also the option of standard trees. These trees are usually about 3ft to 4ft in height and grow from the top to ground level, staying at the height you plant them at.

Sinner?

John 5:14

Most assuredly, I say to you, he who hears My word and believes in Him who sent Me has everlasting life, and shall not come into judgment, but has passed from death into life.

Sin is an unpopular word, but Scripture teaches that it is a big problem for all of mankind; Jesus came to free us from it.

KILLARNEY TO BENEFIT FROM OUTDOOR FUND

Killarney is set to benefit from allocations for the new 'Additional Outdoor Infrastructure Fund' which were announced by Minister for Transport, Eamon Ryan T.D this week. The fund, which will help ensure a Safe Outdoor Summer, will support 234 projects across 30 local authorities to the tune of over €13 million. Local authorities were invited to apply to the funding stream in late April for short term measures which would enhance outdoor urban space and improve walking and cycling facilities. The measures are now being

introduced as quickly as possible to support the gradual re-opening of society in a safe manner and include projects such as kerb widening to facilitate outdoor dining, new on street furniture, improved cycling facilities, and traffic management changes that prioritise pedestrians and cyclists.

Areas to benefit include:

Upper High Street, New St Car park upper, New street, Fair Hill / College street, Glebe car park, High St Beach Road College Square Main St, College St Killarney and South Well Lane.

A Word of Victory

Welcome back dear reader "the wicked flee when no one pursues, but the righteous are as bold as a lion" (Proverbs 28:1). This describes two very distinct types of people. 1) Those who don't know God - who have rejected His Word and His commands and who are subject to the influence of a spirit of fear which harasses and terrorises them at every opportunity. Or, 2) those who do know the Lord - who have received Salvation through His Son Jesus and have had their hearts and minds transformed by the Holy Spirit, understanding that the blood that the Lord Jesus shed brought them rightstanding with God. Empowered by this righteousness they can face any circumstance with the assurance - 'if God be with us who can be against us?' And, 'with God on our side whom shall we fear?' (Romans 8:31; Psalm 27:1). This freedom from fear allows one to live differently to everyone else. Through study of God's Word you learn that you are never alone, because 'Emmanuel' (which means 'God with us') will never leave you or forsake you, and therefore you can have confidence to face your enemies, and overcome them through His divine power. The new birth which Jesus spoke about in John chapter three brings peace with God by trusting in Jesus' finished work of Calvary for Salvation and victory.

God's people were regularly being plundered and bullied by their enemies and God called the most unlikely man to bring an end to it (Judges Chapters' 6-7). He called Gideon who was fearfully hiding underground from the enemy. God had a plan to bring glory to Himself and Gideon was it! But first, Gideon had to un-learn all his misconceptions about his identity, and see who he was in God's eyes - a 'mighty man of valour'. It's no different for us friend.

God has good plans for you, to bring you hope, and a future that's blessed not cursed (Jeremiah 29:11-15). But you need to get right with God first, by repenting for your sins and receiving forgiveness for them through the blood that Jesus shed when He was nailed to the Cross (1st Peter 2:24). This is God's plan of Salvation for us - that we would believe that His Son's blood paid for our freedom from the penalty of sin. When we understand that we are made right with God - not by any good works that we have done, but because of His love and mercy demonstrated to us in Jesus, it removes us out of the devil's dominion, and brings us into God's family. There, just like He did with Gideon, God can use us to bring His plans to pass. And instead of the old fearful wimps that we once were, now with God's hand upon us, we are transformed into overcomers because of Who's side we're on. "For God has not given us a spirit of fear, but of power and of love, and of a sound mind" (2nd Timothy 1:7)
