## MUMS JOIN FORCES TO HELP SYRIAN REFUGEES

Distraught over images of children affected by the Syrian crisis, two Listry mothers decided to take matters into their own hands and organise a collection of humanitarian aid to send to Greece with the charity group Help for Humans. Elerena Leslie and Sinead Cunningham printed posters and flyers and delivered them to schools and shops in Listry/Faha area. Once they organised a collection point at Listry Community centre, the kindhearted mums were inundated with offers of everything needed to make life a little easier for those people affected by the humanitarian disaster. "I received a phone call from a lady by the name of Gillian Taylor Smyth who, with her husband

Tony are the chief organisers of the charity, Help for Humans, humanitarian aid to Greece and they kindly organised transport to collect the all the items we received", Elerena told the Killarney Outlook.

"The turn out was incredible", she added, "we collected clothes, bedding, toiletries and food. People came from as far as Cahersiveen and Portmagee to donate".

"The kindness of people was truly amazing. Everyone was glad to help and were only too delighted with a collection point to do so". As the collection was such a success it is hoped to hold one again in the coming weeks.

## SKELLIG MICHAEL INSPIRES CULTURE NIGHT EXHIBITION

SKELLIG PUFFINS: BY JULIAN-FRIERS

Killarney Art Gallery celebrates Culture Night this Friday September 18th with a wide-

ranging exhibition of works influenced by the Skellig Islands.

Skellig Michael has recently inspired international filmmakers, but it has long fascinated the painters, photographers, and craftspeople showcased in the Killarney Art Gallery exhibition.

A highlight of the show will be a collection of 18 photographs from the National Library of Ireland that were taken on Skellig Michael in the early 20th century.

**THE ARTISTS:** The Killarney Art Gallery show will also feature works by artists including wildlife specialist and former Royal Ulster Academy president Julian Friers, Dingle artist Liam O'Neill, Dublin painter Paul Kelly, and German-born photographer Madeleine Weber,

as well as Killarney furniture maker James Purcell's piece inspired by the dry stone wall techniques used by the monks to build their beehive huts.

**THE WORKS:** Among the varied selection of works on show will be Friers's oil portraits of the iconic Skellig puffins, dramatic depictions of the Atlantic Ocean around the islands painted by Kelly after a recent visit, and Weber's large-scale photographs of the Skelligs in all their moods.

Killarney Art Gallery, 32 Main Street, will open from 7pm to 10pm on Culture Night. The exhibition will run for a week from September 18th and can be viewed online

# HARDCORE CLIMBERS TACKLE CARRANTUOHILL IN HORRENDOUS CONDITIONS

A squad of Irish rugby legends led the charge as close to 100 volunteers summited Carrauntoohil for charity, last weekend. Participants in GAA-star Alan Kerins' 'Caps to the Summit' event didn't let driving rain get in their way as they made their ascent, and succeeded in raising more than €100,000 to support the work of Irish development organisation, Gorta-Self Help Africa.

Rugby stars, including Kerry's own Mick Galwey and ex-internationals Shane Byrne, Tony Ward, Ollie Campbell, Donal Lenihan and Denis Hickie were joined by stars of a number of other sporting codes - long-distance running champ Sonia O'Sullivan, GAA star Sean Og OhAilpin and the 'Godfather of Kenyan distance running' Bro Colm O'Connell on the climb, which was the second charity ascent of the mountain by Kerins to support African development work. In 2014 the Galway-man led a similar expedition to Keel, when he was joined by over 100 stars and fans of Gaelic Games on a 'Sam to the Summit' climb that brought the Sam Maguire Cup with them to the top of Ireland's highest mountain.

Gorta-Self Help Africa CEO Ray Jordan, who participated in the climb, described last Friday's effort as 'gruelling', but expressed his thanks

## MICK O'DWYER TO BE PRESENTED WITH GPA LIFETIME ACHIEVEMENT AWARDS

KERRY GAA LEGEND MICK O'DWYER.

Kerry football icon Mick O'Dwyer along with Tipperary hurling legend Jimmy Finn will be honoured by the Gaelic Players Association at the annual Former Players Event in Croke Park next Saturday.

O'Dwyer and Finn will be presented with the

prestigious GPA Lifetime Achievement Awards for their contribution to football and hurling at a gathering of over 300 former county players.

O'Dwyer's retirement from inter-county management last year brought six decades of involvement in the game to a close. His extraordinary legacy as manager, however, was preceded by his four All-Ireland medals, 11 Munster titles and seven National League successes on the field of play.

Along with the Lifetime Achievement Awards, the GPA Former Players Group, chaired by Tony Hanahoe, will also recognise All-Ireland winning hurling and football teams from five decades – 1965, 1975, 1985, 1995 and 2005 with players from each squad present next Saturday.

## ARE YOU PAYING TOO MUCH FOR YOUR LIFE COVER?

Yes, you could be paying too much for your life cover. If you took out life cover for any reason personal, business, mortgage etc you need to review it regularly. You need to do this for a number of reasons: The cost of your cover today may be less now than what you are paying for it.

Your circumstances may have changed since you took out the policy and you may not need as much cover as what you have at present, this could bring down the cost.

Your premium may not have been compared with premiums from other life companies when you took it out, this can and should be done for you now.

You may have been a smoker in the past and are a non smoker now with over 12 months.

You could have been charged a higher premium in the past for health reasons, this higher premium may not apply now.

If your life cover premium was reduced by €20 per month, over the next ten years that's saving you €2400.00. We are all trying to find ways to save money, this is one way that you could save money, it's easy to check this out. Contact an independent financial advisor who will review your cover and explain the options available to you.

## KILLARNEY LAUNCH FOR 'THE BOLD KERRYMAN'

Renowned singer, accordionist and storyteller Séamus Begley is set to launch his new album "The Bold Kerryman" at the INEC Acoustic Club on September 25th.

A member of the renowned musical family from Baile na bPoc, Ballydavid, he has been singing and playing accordion from an early age. In 1972 he recorded his first album, An Ciarraíoch Mallaithe with his sister Máire. They made a second album, Planxtaí Bhaile na bPoc for Gael Linn in 1989, introducing for the first time, the Australian guitarist Steve Cooney.

Continuing his partnership with Cooney, the duo played polkas and slides from the West Kerry tradition, creating one of the seminal recordings in Irish music, Meitheal, which was released in 1996. Meitheal is a brilliant fusion of energy and tradition, with neither being compromised by the other. Most of the tracks are dance tunes - fast and furious polkas and

slides native to the Kerry region. His 2001 album Ragairne, recorded with guitarist Jim Murray, was voted 2001 'Traditional Album of the Year' in both Hot Press Magazine and The Irish Times, the latter noting at the time: "Begley seems to have successfully married all the wilderness of West Kerry with a sublime talent for the feather light touch, when required." He was awarded a TG 4 Gradam Cheoil Singer of the Year in 2013.

Meitheal was re-released in 2014 to 5\* reviews and while it is an album perhaps best-known for its dance tunes, the sprinkling of songs from Séamus leaves the listener hankering for more of his sublime vocals. Arguably, the same can be said of all of Séamus's recordings.

With this in mind, UK record producer John Reynolds of New Air Music Studios in Kilburn London (who has worked with Damien Dempsey, Seun Kuti, Sinead O'Connor,

SÉAMUS BEGLEY.

Passenger, Nusrat Fateh Ali Khan, Brian Eno and David Byrne), persuaded Séamus to record an entire album of songs.

Séamus Begley with Tim Edey and Special Guests plays the INEC Acoustic Club on September 25th. Tickets available from [www.inec.ie](http://www.inec.ie) or 064 6671555

## DOES YOUR CAMERA SING?

PHOTO BY SHAHRIAR SHAHIDI

Killarney Camera Club invites you to its open night on Thursday 24 September at 7.30pm in the Killarney Heights Hotel.

Killarney Camera Club is a welcoming group of camera lovers. Nearly all are amateur. Some are quite new to photography and others have many years of experience. Whatever our standard, we all want to be better at photography and being in the Club helps us to do that while having a lot of fun.

You might use your camera to record events or to capture breathtaking scenes or to explore your own creative talent. Whatever your interest, if you want to do it better, come and join us. We all learn from each other.

The Club has a wide range of activities, inside and out.

We have regular outings to places of beauty, to places of historic or architectural interest, to nature spots or simply to the streets. We have teamed up with other camera clubs on weekend trips. We regularly cover some of Kerry's major events, including the Ring of Kerry Charity Cycle, the Operation Transformation Walk and the South Kerry Ploughing Championships. And Killarney Public Library has exhibited some of our best photographs.

On every second Thursday from September to June, we meet in the Killarney Heights Hotel. Here we have presentations by various successful photographers, displays of work by our own members, demonstrations on how to use camera equipment and computer software and workshop sessions of indoor photography. Some of these nights are used for competitions where we have a chance to

see the best work of other members and to get a critique of our own work from more experienced members.

If you have a camera and enjoy taking photographs, you can be involved as well. Come to Killarney Camera Club at its open night in the Killarney Heights Hotel on Thursday 24 September and meet other people who share your interest. You will be most welcome.

**RESIDENTS:** Patrons are requested to be aware that Croke Park is located in a residential area. Patrons attending Croke Park are requested to respect residents by behaving in an appropriate manner when going to and departing the stadium. Issues such as illegal parking, anti social behaviour, drinking and urinating in public cause difficulties and will not be tolerated by Gardai. Patrons are asked to desist from such behaviour.

**SPECIAL NEEDS PARKING:** There are no special needs parking facilities on the public streets within the Croke Park cordon area or within the stadium. Special needs parking is provided at the supervised car parks as outlined above.

Where persons have special needs requirements they should contact the GAA directly at [www.crokepark.ie](http://www.crokepark.ie) for advice and assistance or view <http://arcg.is/1K9SOtj>.

**PRE EVENT TRAFFIC RESTRICTIONS:** As with all events at Croke Park, a Garda Cordon will be in effect on the streets that lead to Croke Park. Only accredited vehicles will be permitted to pass by this cordon. All vehicles will be checked for accreditation.

Local residents, their immediate families, local business community are in possession of passes and will be facilitated at the barriers. Passes however do not guarantee entry through the cordon where pedestrian volumes exist.

As a guideline the full Garda cordon will be in place one hour prior to stiles opening time and one hour post event to enable match patrons to arrive and depart safely.

**PATRON SEARCH:** All patrons entering the Garda cordon will be the subject of a ticket

check by Stewards and search by Gardaí. Any offensive articles, e.g. glass bottles, air horns, large flagpoles will be seized. Patrons are advised not to bring any unnecessary baggage with them and are advised to travel early to the stadium to avoid any unnecessary delays.

**PUBLIC ORDER:** Patrons are advised that the Gardaí will not permit the consumption of alcohol outside public houses, while walking along the street or in any other public place.

Patrons are asked to have consideration for local residents and refrain from anti-social behaviour such as on street drinking and urinating etc.

**CRIME:** Patrons are advised to be aware of their own personal safety and security while attending the event. They should ensure the security of personal belongings while on route to and from the stadium i.e. purses/wallets/tickets/ Mobile Phones.

Patrons who arrive by vehicle should also ensure that property is not left exposed in parked vehicles. They should ensure that car windows, sunroofs are correctly closed.

**CROKE PARK HOTEL CAR PARK:** All residents of the Croke Park Hotel will be permitted entry subject to pedestrian presence at the time and are requested to access the hotel via North Circular Road / Russell Street junction where there will be a register of all guest vehicles.

**JONES ROAD CROWD MANAGEMENT AND CROWD DISPERSAL PLAN:** Jones Road has become a meeting point / access to other areas for patrons attending Croke Park games. The result of this is to seriously increase / interfere with the crowd flows resulting in pedestrian congestion in that area. In the interest of safety, the following measures are being implemented to prevent crowd congestion on Jones Road outside the Croke Park Hotel. Jones Road must be kept exclusively to facilitate exit from the Hogan and Nally Stands for a period of approx 30 minutes after the game ends.

Patrons should arrange meeting points at a distance away from Jones Road or take alternative routes to their intended destination around the stadium away from Jones Road.

All patrons are asked by Gardai to acknowledge and actively participate in this crowd movement plan by complying with Gardaí and stewards directions as they depart the stadium. The result of patron active participation and patron compliance will result in a safer entry and exit from the stadium for all patrons and children and make the stadium environs a safer place for all people.

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

IDENTIFY WHAT KIND OF EXERCISER YOU ARE.

### PART ONE

"one man's food is another man's poison" and the same goes for working out. If you hate getting up at 6am for an early morning workout then lets face it how long are you realistically going to keep it up. Or if you cant stand lifting weights and dread your next class, then why do it to yourself! There are plenty of options and workouts available for everyone so pick what is right for you!!! And not what a friend tells you has worked for them. Because a TRX or Kettlebells class has worked for a friend, its because they have stuck to it and enjoyed it and that's why it has worked. As I always say "consistency is key", so by identifying what kind of exerciser you are might help you figure out what will work for you. To help you do this ask yourself the following questions?

- Are your energy levels better in the morning or evening? If it's the morning then you're an early bird exerciser and if it's the evening, then the evening time is your one.
- What times have you available in the day to workout? Are you a busy Mom limited to a time when the kids are gone to bed so you're talking from 8pm onwards to exercise? Or are you a shift worker that fluctuates week on week off, so you would need a more flexible workout plan that you can do in your own time or fit around your shifts.
- Do you prefer working out on your own? Then if you do maybe a gym programme or a couch to 5k app might be the way to go for you. Or do you prefer the motivation of joining a group class, then you need to try out a few local classes and pick one you enjoy.
- Do you like High Impact classes? Or low impact more relaxed style classes such as Pilates or Yoga? Do you prefer weight style classes or more cardio style? There are a variety of classes to choose from locally so no excuses there.

## OUTLOOK FASHION TIP:

### DON'T OVERDO BELTS:

The belt is meant to give you a waist or hold your pants up. There are times however, the belt should be left at home. If an outfit is already fitted, there is no need for a belt. If you are wearing pants but feeling like belting the shirt, it looks a little odd. Use belts sparingly rather than often.

## DIET TIP

Choose lean cuts of meat and trim off any excess fat before cooking. Small servings of lean meat deliver all the nutrients you need and you save money on the extra weight.

### Beauty Tip

#### Spray it on:

To give your skin a sexy sheen in seconds, fill a spray bottle with a dry body oil and mist it all over right after you shower.

## NEW YOGA TUNE UP COURSES

All courses will be delivered by Sara Cooper who has over 14 years experience of yoga practice, meditation, mindfulness, in-depth anatomy and bodywork training and a self-proclaimed wellness junkie since her teens. These courses represent the accumulation of years of practice and learning and will be delivered to help you find freedom and wellness in your body and mind no matter the course you choose. Yoga Tune Up is a powerful movement modality to eradicate pain, improve posture and enhance performance. It includes self massage with therapy balls, corrective exercise, yoga based movement and relaxation using biomechanically sound principles of movement. Learn how to live better in your body, pain free by conditioning your body, restoring your posture and creating the foundation for better movement patterns.

## MEADOWLANDS SPONSOR KERRY GAA TICKET VAN

Meadowlands Hotel Tralee has undergone an exciting transformation and we're inviting you to call in to see what we've done to the place. We are the proud sponsor of the brand new Kerry GAA Ticket Van and the hotel of choice for Kerry Teams in 2015.

Just like all Kerry Fans, we're gearing up for the big game against Dublin and whether you are travelling to Croke Park or planning to watch it on TV, here are some top "Big Match Day" tips for spectators from our 'GAA experts' at Meadowlands Hotel, Tralee:

1. Be sure to wear a green and gold jersey, scarf, hat, ribbon, rosette or face-paint during the day
2. Whether you are travelling to Croke Park or not, be sure to fuel up with a hearty breakfast (we can help in that department!)
3. If you are going to the game – don't leave without your tickets!

## Killarney Practice Launch

# Evening Talk with Dr. Tony Humphreys

On Tuesday September 29th 2015 at 8.00p.m. at The Dromhall Hotel, Killarney, in association with **Dr. Tony Humphreys and Dr Helen Ruddle**, the new **Killarney Practice Launch** will take place with a lecture from Dr. Tony titled *All Behaviour Makes Sense*.

This practice is run by Anita Hegarty, Clinical and Counselling Psychologist and Co-Creational Psychotherapist and Eileen Buckley, Co-Creational Parent and Relationship Mentor.

### All Behaviour Makes Sense

Making senses of human suffering is critical to its resolution. When the creativity and complexity of human behaviour is considered and the narrative underlying its presence is examined, the sense of what the person is experiencing - for example depression, aggression, anxiety, guilt, paranoia, delusions, hallucinations, psychosomatic illnesses - emerge with crystal clarity.

In light of the foregoing, Tony will present what is his co-creative understanding of human behaviour.

**DON'T DIE WITH YOUR MUSIC STILL INSIDE OF YOU!**

The spiritual teacher and author Wayne Dyer died recently leaving behind him a legacy of lives that he had touched with his writing and beliefs. He was well known for his saying, "Don't die with your music still inside you!" It can be challenging to bring out what we have learned to keep inside of us. Early teaching or self-limiting beliefs may have taught us to hold back or not to bring attention to ourselves. Your "music" can be anything - a book, a song, a desire to enjoy the day, or make a positive difference to others. It doesn't have to be a big burning ambition. More and more people are awakening to what their own unique purpose (and there can be many) may be.

**10 signs that you've found your calling are:**

1. You have an undeniable sense of mission and purpose that involves helping others transform, even if you have no clue how to describe exactly what that is.
2. You feel like you're on a rollercoaster! You're scared and excited all at the same time
3. There's a "plunk" sort of feeling in your gut that affirms that you've found your calling.
4. Your whole life - the triumphs and the setbacks - suddenly make sense.
5. Magical things start happening, and although you feel a sense of wonder, you're not surprised.
6. None of your choices feel safe and yet you feel guided and know somehow that it's all okay!
7. Everybody suspects you've officially lost it.
8. You've quit listening to what everybody else thinks.
9. You have a sense that you're on the right path, even if you don't know where you're going.
10. You know that we're all interconnected and that helping others also serves to deepen your own calling and purpose.

Just a reminder that my Chakranetics mindful movement meditation classes are on Tuesday morning 10.00am and Monday evening starting 21st Sept at 7.30pm at The Travel Inn, Fossa! Also beginning Thursday 24th Sept at Collis-Sandes House, Tralee at 7.30pm. Booking is essential!

### EAST KERRY U14 CHAMPIONSHIP – DIVISION 5 - FINAL

#### DRCROKES 2-09 CORDAL/SCARTAGLEN

**1-08:** Last Wednesday evening, Cordal/Scartaglen and Dr Crokes B met in the Division 5 final of the East Kerry Under 14 Championship, sponsored by MD O'Shea. Played in Currow, there was little between the sides in the first half, with Dr Crokes edging with scores, with a goal by Lawrence O'Donoghue, to lead by 3 points at half time, on a scoreline of Dr Crokes 1-04 Cordal/Scartaglen 0-4. On resumption, both teams continued to play well, creating goal scoring chances. Conor Casey netted the ball for Cordal/Scartaglen and Rob O'Shea for Dr Crokes. That goal for Dr Crokes proved to be a turning point in the game and although Cordal/Scartaglen, to their credit never gave up and played well and bravely to the end, the Lewis Road side held on to the lead and ran out winners. Final score: Dr Crokes 2-09 Cordal/Scartaglen 1-08. Sean O' Sullivan, Chairman East Kerry Coiste na nÓg, presented the trophy to the Dr Crokes captain, Adam O'Connell. He thanked the referee and also thanked Currow GAA club for the use of their pitch.

### 2015 EAST KERRY UNDER 14 DIVISION 4 CHAMPIONSHIP FINAL – 14 SEPTEMBER: CURROW 5-07 FOSSA

**3-06:** Currow proved the stronger when they took on a spirited Fossa side in Farranfore on Monday evening, in the East Kerry Under 14 Championship Division 4 final, sponsored by MD O'Shea. It was Fossa that opened the scoring with two well taken points from Emmett O'Shea. Currow's Daniel Kelly equalised with two converted frees before Currow began to dominate. A goal from the boot of Aaron O'Connor at the end of the first quarter, was the start of a purple patch for Currow. With Daniel Kelly and Conor Sheehan in control in the middle area of the field Currow went on to build an unassailable lead, with three unanswered goals before half time, Connie O'Connor and Bryan O'Sullivan (2), on target. Two Currow points by Daniel Kelly to one for

Fossa form Emmett O'Shea, left the score at the break: Currow 4-5 Fossa 0-3.

Currow got off to a dream start in the second when Jason Brennan goaled found the Fossa net from the throw in. Fossa, showed great character and determination and began to dominate mid field. Ruairí Doyle and Eoin Talbot drove Fossa forward time after time and Emmet O'Shea reduced the margin with two goals by the thirty eighth minute, 5-5 to 2-5. Further points from Ruairí Doyle and another goal from Emmett O'Shea had reduced the gap to five points, 5-5 to 3-6. Fossa continued to press forward and Currow can be thankful to their goalkeeper Pdraig Hillard, who denied Fossa a number of goals with great saves. Currow ran out winners after an entertaining game. Final score Currow 5-07 Fossa 3-06.

Christy O'Leary, East Kerry Coiste na nÓg presented the trophy to Currow captain, Conor Sheahan. Referee: James O'Sullivan (Firies)

**JUVENILE UPDATES:** U14s combined with Keel were due to play Laune Rangers B in round 2 of mid Kerry on Friday night last but this fixture fell victim to the monsoon like rainfall we experienced on the day. This game will probably be picked up some evening during the coming week. We are playing Laune Rangers A on Friday night next at 6.30 in Keel in Round 3.

**SUPER SUNDAY:** We had a super Sunday in Allman Park this week with our U6s U8s and U12s all in action. Our U6s were first into action against Beaufort. This was the first game for a lot of this group and their skill level was very impressive. All the training that Denis Murphy, John Courtney, Mark Leslie among others have done with this group could be seen on the day. This group are clearly practicing their skills at home also which is the most important thing. Our U8s also played Beaufort and they also played very well on the day. We fielded two teams at this age. U6s and U8s are at home this Friday night at 6.30pm v Kilcummin. Finally our U12s took on Rathmore in the East Kerry league and won a very good game on a

scoreline of 4.11 to 4.09. U12s have 2 games left to play. Next fixture is likely to be Sunday week September 27th.

U10s had no game this week as their trip to Fossa on Friday night had to be called off due to the afore mentioned weather. U10s will travel to Fossa this Friday night instead.

All in the Juvenile section of the club would like to wish Ronan Buckley all the best for next Sunday. It wasn't long since Ronan was featuring at the various ages mentioned above. We hope some of our current underage players can follow in Ronan's footsteps in the years ahead. Best of luck Ronan from all of us.

## DR. CROKES GAA NEWS

### U21 CLUB CHAMPIONSHIP QUARTER FINAL:

**DR. CROKES 2-15 DINGLE 2-13:** In a game which was full of quality, excitement and passion and which either side could have won, ended in a two point victory for Dr Crokes. It looked like Dingle's game as they led by two points going into the last few minutes, after having been a goal behind with six minutes to go. The hosts struck for a goal by Macdara DeBhillis and a point by Dara Stack and victory by two points. Dingle started the better with two points in as many minutes. Crokes struck for a goal and a point to lead by two points after five minutes. The teams exchanged points in the next few minutes but four points by the hosts without reply put them 1-05 to 0-03 ahead at the end of the first quarter. Dingle were well on to in the second quarter and had five points to Crokes two in this period to leave Crokes 1-08 to 0-08 ahead at half time.

The teams exchanged points on two occasions in the first ten minutes for the second half. The visitors got well on top on the next five minutes

and a good point and a well worked goal by Matthew Flaherty put them a point front at the end of the third quarter. Four unanswered points by Tony Brosnan, a free, a '45 and two from play put the hosts three points clear with six minutes to go. The initiative was now with Crokes but Dingle never gave up and a goal and two points without reply gave them a two point lead with as many minutes to go. Then came Crokes grandstand finish and a goal and a point and a two point victory. Best for Crokes were David Naughton, Jason Lyne, Paul Clarke, Gavin O'Shea and Tony Brosnan. Dingle were best served by Tony O'Sullivan, Padraig O'Concuir, Barra O'Suilleabhain, Matthew Flaherty, Cathal Bambury and Tomás Sheehy.

**UNDER 12 AND 14 GIRLS:** Both our u12 & u14 Girls teams have been successful over their last 3 East Kerry league fixtures. The u12s had recent home wins over Milltown and Kilcummin with the u14s also recording a home victory over Laune Rangers B.

**PAINT DAY:** Congrats to all our volunteers who braved the weather conditions on Sunday morning to give the outside of the clubhouse and the stand a fresh new look. The club events committee was also on hand to look after the painters with very-welcomed refreshments when the work was done. Between painters and caterers, over 50 members turned out on what wasn't the most pleasant morning of the year - what a fantastic response to the club's latest #GetBehindTheBus appeal. Saturday week, 26th September has been provisionally pencilled in as the day to finish the job - the club looks forward to you you all back again. If for some reason, you were unable to make it to the first painting day you are more than welcome to join in the fun as we finish this great club project.

**BEST WISHES:** Best of luck to the Kerry Team for next Sunday 20th of September in Croke Park for the All Ireland Football Final. A special mention to our own players who are involved namely Gavin White, Billy Courtney and David Shaw with the Kerry Minors and Colm Cooper, Johnny Buckley, Fionn Fitzgerald, Kieran O'Leary, Niall Botty O'Callaghan, Chairman Patrick O'Sullivan and video analyst John C O'Shea with the Senior team. We also wish a safe journey to all our members who are travelling to the game and hope they enjoy the day.

**DR CROKES JUVENILE ACADEMY:** Continue their training each Saturday; Hurling 10:00 a.m. to 10:40 a.m. followed by Football 10:40 a.m. to 12:00 p.m. It was pleasing to see the large turnout again last Saturday of Boys and Girls aged 4 to 10. The U. 8 and U. 10 Boys travelled by bus to Killorglin and enjoyed 2 matches each against Laune Rangers. The skill levels of each group continue to improve each week and we thank the Laune Rangers Club for being excellent hosts. The U. 8 and U. 10 Girls travelled to the annual blitz in Passage West, Cork and a great day was had by all. The Girls played brilliantly in their matches.

The U. 6 Boys and Girls continued their training

where the emphasis at this age is on having fun and gently introducing new skills each week. Gene Doherty continues to increase the numbers each week in the Hurling Academy and they have played excellently in a number of blitzes recently. The large influx of Girls to the Academy - and especially the new Girls who joined the U. 8 to U. 10 Academy - are really enjoying themselves, and we hope to see many more each week, as Gaelic Football is a great way to keep fit and healthy.

**LOTTO:** Lotto numbers 9, 12, 18, 23. Jackpot €12000 not won match 3 9 by €45. Next draw Tuesday 22nd of September in Speakeasy. Jackpot €12300.

There will be two shotgun starts so to book your tee time please contact Sean Murphy 087 2461780 or Tim O'Leary 087 2608548. **CLUB LOTTO:** 9 12 14 15. Next week jackpot 8400 Tuesday 22nd.

**U13 BLITZ:** Congrats to our Under 13 boys who won the Plate final at the Austin Stacks annual blitz. Some of these lads were members of the 2014 team that also lifted the Plate. Our lads defeated Ennistymon from Clare on a score-line of 2-09 to 1-06. We got a goal in the first minute of the game and this was a lead that we never relinquished. Over the course of the whole blitz the Legion boys played a very stylish, fast paced attacking brand of football that served them well against the bigger and more physical teams. And while it's always nice to win any competition that you enter it's very important to be as competitive as you can be in every game. In keeping with our player development programme policy, all of our natural under 13's started every game and it was great to see the improvement in these lads. Well done also to the mentors on the line who gave up their time over the last 2 days; Daithi McGillicuddy, Paddy Osborne, Aaron Benson and Connie O'Sullivan

**DEVELOPMENT SQUADS:** Well done to our lads who represented the club in the Kerry South Under 15 Development Squad in Galway, Darren Looney, Micheal Devlin, Jack Hanrahan, Robert Osborne, Barry Slattery and Jack Enright. And well done to Evan Smyth, Darragh Lyne, Peter O'Sullivan, Kieran O'Donoghue and Tadgh Doolan who travelled to Galway also with the Kerry South Under 14 Development Squad. The lads did very well winning both games against the respective Galway squad.

**CLOTHES COLLECTION:** Just a reminder that our unwanted clothes collection is still going. This is a great way to raise badly needed funds to run our club while it provides a super opportunity for you to make some space in your wardrobe - for more new clothes, perhaps.

Bag your unwanted clothes and drop them off at the clubhouse. Thanks.

**WELCOME HOME:** Welcome home to Padraig Lucey who is back home on a break from the Geelong Cats during the off season in the AFL. Hope to catch him around Direen in the coming weeks.

## SPA GAA NEWS

**COISTE NA NOG:** U6, u8 and u10 Boys. Training Saturday mornings 11-12noon.

**U10 BOYS:** Game away to Listry Friday 25th Sept at 6.30pm.

**U14 BOYS EAST KERRY SEMI-FINAL:** Spa travelled to take on Currow in an exhilarating clash last Monday night. Currow took an early command but great defending by Daniel O'Sullivan and Tomas Cronin stemmed the tide. Ryan Kelliher and Cian Murphy began to get the scores on the board. By half time the boys in blue were only 2 points behind. On resumption a physically bigger Currow team began to turn the screw, and despite great work rates from Mike Kearney and Ruairi O'Conner Spa were to lose this engaging contest.

**U21 CLUB CHAMPIONSHIP QUARTER-FINAL: SPA 1-14 AN GHAELTACHT 1-13**

There was high drama in Spa and it hit its peak just before the final whistle, as Spa goalkeeper Aaron Farrell had to spring across his square to claw away a goalbound shot, and Gaeltacht see one last great effort for an equalizer drift agonizingly wide at the end of a magnificent, open game of football.

Spa led early on with Craig Hickey (2) and David Spillane on target and Shane Cronin, who was tremendous throughout, setting up Ciaran Spillane for a goal. Seamus O Muircheartaigh (2 '45s), a very impressive Dara O Se (2, 1f) and Cathal O Gairbhia made it 1-3 to 0-5 before Liam Kearney (2f) and Shane Cronin stretched Spa's lead - Liam Kearney and Rob O Se shared a titanic and enthralling midfield battle throughout. Dan O'Donoghue added another on the break but Gaeltacht finished strongly through Dara (2f) and Tomas O Se.

Half-time Spa 1-7 An Ghaeltacht 0-8. Dara Moynihan and Craig Hickey for Spa exchanged points with Dara o Se (f) and Seamus o Muircheartaigh. David Spillane fired over and set up Conor Kearney for another to put Spa ahead by four. Just on the three quarter mark, a driving run by Briain O Beaglaioch, who was inspirational for An Ghaeltacht in the second half, was finished to the net by PJ Mac Laimh to put the minimum between them. Shane Cronin and Craig Hickey pointed for Spa but Dara O Se (2, 1f) quickly replied. Dan O'Donoghue won a free converted by Liam Kearney to double the lead but Dara O Se was equally nerveless with

one to cut the gapback to one. Then came that last minute of huge drama, with Spa's narrow lead just barely surviving to the final whistle.

**EAST KERRY U14 GIRLS:**

**SPA 3-6 GLENFLESK 0-10:** They say goals win games and that's what happened in Spa on Sunday afternoon. Glenflesk were a gallant team and result could have been reversed except for excellent saves from goalie Linda Taylor and great defending from our young girls. The scoring boots were on from Mairead Bennett (1-4), Eimear Beazley (1-1), Megann Cronin (0-1) and Maeve Fitzmartin (1-0).

**SENIOR LADIES:** Hard luck to our seniors in the Junior B final.

**SENIOR CHAMPIONSHIP:** Best of luck to Spa/Rathmore against Castleisland Desmonds on Friday 18 September. Date time and venue TBC

September at 11pm in the Golden Nuggett. Tickets for the following weeks draw will be on sale from Wednesday 23rd September.

**SENIORS:** Our seniors played Valentia on Saturday evening in the Novice Shield quarter-final. Fossa controlled the game from the start with Mikey Cronin and Matthew Rennie having the upper hand at midfield throughout. Paudie Clifford caused the Valentia defense all sorts of problems and kicked 1-3 in the first half and his goal was top drawer. Dara Rice created space for the other forwards with his intelligent runs off the ball and Tadhg O'Shea 0-2, Donald O'Sullivan 0-1 and Matthew Rennie 0-1 completed the scoring leaving Fossa leading at half time 1-7 to 0-2. The second half continued in the same vein with Fossa in control, Paudie Clifford kicked 3 more points, Donald O'Sullivan, Tadhg O'Shea and Michael O'Keeffe added further points. Chris Myers scored a great point after good build up play and Dara Rice scored a fine individual point also to leave the final score Fossa 1-15, Valentia 0-07. The defense was rock solid with Daniel O'Keeffe returning to form and Mark Dennehy excuting a crunching but fair shoulder mid way through the second half to lead by example! Colin Myers was his usual accomplished self in goals, midfield laid the platform for the win and the forwards worked well as a unit and can be happy with their performance overall.

**JUNIORS:** Our Junior team are away to Castleisland Desmonds in the next round on Friday, 18th September in the Barrett Cup, this game was postponed last week due to weather conditions.

## ALL IRELAND SENIOR FOOTBALL FINAL

### THE ULTIMATE DREAM FINAL FOR GAA FANS

#### KERRY V DUBLIN

**DATE:** Sunday September 20th

**VENUE:** Croke Park

**REFEREE:** David Coldrick (Meath).

**THROW-IN:** 3.30pm.

Kerry and Dublin clash for the 28th time when the sides meet in this year's All-Ireland final on Sunday at Croke Park. To date, the Kingdom have won 17 of these games, the Dubs 8, with two draws.

Back in January when they were asked to look into their crystal ball and predict this year's All-Ireland finalists, many of the country's top GAA journalists and pundits felt that Kerry and Dublin were the top two sides in the country and an All-Ireland final between these great rivals would catch the imagination of Gaelic football fans worldwide.

There is something very special about the Kerry-Dublin rivalry. It germinates interest and is a talking point on every occasion these two great teams meet.

They have served up many famous championship battles on the pitch. Who will ever forget the 1955 victory over the famous Dublin machine?

Other wonderful moments from the past stand out too. 1975 for instance when Mick O'Dwyer's young team of bachelors beat a hotly-fancied Dublin.

This game was the start of the wonderful Dublin-Kerry rivalry of the 1970s. During those years the sides met five times, including that magnificent 1977 semi-final when Dublin with two late late goals broke Kerry hearts.

In more recent times who will ever forget Maurice Fitzgerald's magnificent point from the sideline in the 2001 quarter-final or the famous goal by the Gooch at the start of the 2009 quarter-final, or when Kevin McMenamin and Stephen Cluxton stole the show for the Dubs in 2011.

Yes, there is something very magical to look forward to whenever Kerry and Dublin meet. The 2015 journey for Kerry began on June 14 in Thurles when they

COLM GOOCH COOPER WILL HOPE TO HAVE THE SAME INSPIRED FORM ON SUNDAY THAT HE HAD IN 2013 WHEN KERRY JUST LOST OUT TO DUBLIN AFTER A LATE DUBLIN RALLY.

overcame a stubborn Tipperary resistance to book a Munster final date with old rivals Cork.

The drawn game against Cork was noted for a number of talking points including the penalty awarded when James O'Donoghue was fouled and the late late Fionn Fitzgerald equaliser.

In the replay, a piece of 'Gooch' magic, the vision of Donnchadh Walsh and the finishing touch of Paul Geaney finally broke the Cork resistance.

Croke Park on August 2nd was next on the list for Eamon Fitzmaurice's men and the challenge of Kildare.

Kerry scored seven magnificent goals in the second half to set up a semi-final against Tyrone, which the Kingdom won following a gruelling battle with a run of four late points.

Dublin, meanwhile, ploughed their way through Leinster with wins over Longford, Kildare and Westmeath. They also had a convincing win over Fermanagh in the quarter-final before eventually getting over Mayo in a replayed semi-final.

Eamon Fitzmaurice and Jim Gavin are two of Gaelic football's shrewdest and tactical managers.

Gavin will be anxious to guide his Dublin side to another victory, which will be their third since 2011 and has made no secret of his ambition.

Fitzmaurice, on the other hand will leave no stone unturned as Kerry prepare for the ultimate battle with the Dubs.

The starting line-ups are eagerly awaited by both sets of supporters. On the Kerry side, will Eamonn Fitzmaurice be tempted to start Paul Geaney who was so influential in the semi-final when introduced as a substitute?

If Geaney starts, will it be at Kieran Donaghy's or Colm Cooper's expense? On the Dublin side, speculation will centre on whether Kevin McMenamin or Michael Darragh Macauley get the nod.

Both were hugely influential in the replayed win over Mayo and if they start, will it be at the expense of Dean Rock or Denis Bastick?

These issues just highlight the strength and depth that both panels have at the moment.

Kerry's list of substitutes includes Barry John Keane, Tommy Walsh, Darran O'Sullivan and Fionn Fitzgerald, last year's joint captain, while Dublin's include Alan Brogan, a hero in the past for Dublin, Michael Fitzsimons and John Small, whose second half block in the goalmouth in the drawn game against Mayo prevented an almost certain goal.

How Kerry deal with Stephen Cluxton's quick kickouts too will be interesting to see.

Yes, Kerry versus Dublin certainly has a magical ring to it. We leave the final words to John Dowling, skipper in 1955.

When asked to describe how Kerry won that memorable decider, Dowling famously replied: "We never trained for anything like we did for the final with Dublin. We were in peak condition and we were determined that we would break the back of this so called mighty football machine.

"This we did and I would say it was one of the most shattering defeats ever inflicted on a team in an All-Ireland final. Dublin could make all the excuses they wanted afterwards but the simple fact of the matter was that we had proved our football to be superior."

Hopefully, sixty years on from that epic final, Kerry's football will be superior on Sunday.

**THE KUBE:** Well done to Mike Quirke who put in a great performance as our club representative at the Kerry Foxhound Hunt's fundraiser at the Gleneagle on Friday last. Unfortunately, there could only be one winner and that honour fell to Laura Collins of Abbeydorney Gaa who walked away with €3,000 in prize money. Thanks to all of those who went along to support Mike on the night.

**TRAINING:** After such a successful season in 2015 our head coach Mickey Joe Burns is keen to get crews back on the water so we plan to resume training on the weekend of September 26th/27th. We will notify everyone

## KILLARNEY RFC NEWS

**SENIOR XV:** Last Sunday, our seniors played the first round of the McElligott Cup. This match was played under bad weather conditions at our new home in Aghadoe and Corca Dhuibhne were the opposition. The match was a tough one with Killarney managing to take the lead for the first time, with only two minutes to go. Try scorers included Brian O'Sullivan, our captain Ger Moynihan and Chris Meyers, while Michael Sheahan had a good day with the boot scoring 3 penalties and 1 conversion. All in all, a good start to the new season.

## SUNSHINE AND SMILES AT #WALKING4FAMILIES

Families in their droves turned out on Saturday afternoon last to raise money for Ronald McDonald House at Crumlin Children's Hospital in Crumlin.

The walk was held to raise funds for the facility which houses parents of sick children while they are patients at the hospital. The walk was organised locally by Killarney Couple Fiona Fleming and her husband David O'Donnell who used the services when their daughter Eabha was a patient. Sadly Eabha has since passed away but Fiona and David were so grateful for the support they received there that they decided to fundraise for the facility.

The walk took place though the Killarney National Park and all everyone who entered it returned to the Gleneagle Hotel for an afternoon of family fun.

## 25TH ANNIVERSARY IN 1990

There is no doubt that the 25th anniversary of the club in 1990 had a very positive impact as it brought many of the people involved in the earlier era back into the fold and reignited the pride many people had in the club. In particular, the visit and contribution of Don Harrington was a great source of encouragement for the people running the club as it showed how far the club had come from such humble beginnings.

**MOST SUCCESSFUL PERIOD** The period from 1990 to 2005 was arguably the most successful period in the history of Killarney Athletic and this is down very much to the many people who contributed so much to all aspects of the club. After the purchase of the Woodlawn field from Tom Lyne in 1993, the club invested into a three year plan to develop the playing surface of the ground on the banks of the River Flesk. In April 1996, Killarney Athletic opened the redeveloped pitch with a friendly match against Killarney Celtic. The club's annual 7-a-side held in the 'Áras' pitch was the main source of fundraising for the development and with the support and goodwill of a huge amount of teams, spectators and sponsors associated with the tournament, the club was able to invest in its now permanent home ground.

**UNDERAGE STRUCTURE** The Schoolboys Football Leagues were beginning to become very popular throughout the country in the early '90s and most junior clubs were realising the importance of encouraging and facilitating underage teams in their clubs. Killarney Athletic was the 1st club in the county in 1993 to start a coaching academy for under 10 year olds and the sessions ran on Saturday mornings, firstly on the Knockreer pitch and in Woodlawn thereafter from 1996. Winter time sessions were held indoors in the 'Sem' gym.

### SOCCER CLINICS AND COACHING

The FAI Soccer Clinics, which the club was 1st to organise in 1992, also contributed greatly to the development of underage players as it exposed them to all the necessary drills and practices required to develop their skills in the game.

Nurturing the talent through quality coaching was an essential requirement for players to reach their full potential. To this end the club organised and ran FAI coaching courses and the benefits were enormous as the all-round soccer ability of the players improved. There is no doubt that Michael Moloney, Bryan Murphy, Diarmuid O'Carroll, Brendan Moloney, Michael 'smiler' Moloney and Ronan Murphy all benefitted and achieved higher standards in the game through the coaching they received in the club from a young age.

Whereas the aforementioned players deserve great credit for all that they achieved, there were numerous outstanding teams and players throughout this whole period of the club's history. O'Reilly, Gleeson & O'Connor Among the Best

One of the most outstanding underage teams of in the '90s included Brian O'Reilly, David Gleeson and Paudie O'Connor. All three played throughout at every age level from under 10s up and were amongst the best players to represent the club at senior level, while Nicholas Murphy, Mark Pyne and Aaron Quill also deserve credit in the same teams. Conor Spellman RIP was one of Athletic's most prolific goal scorers at underage level and also part of this great Athletic bunch of players.

**SUCCESSFUL CUP TEAMS** There is no doubt when John O'Connor and Sean Hanrahan took over the Athletic senior side in 1995 there was an abundance of very young talented players coming through but the KDL at the time was of a very good standard and to win a trophy was always hard-earned. To the credit of Johnny and Sean they pulled a good blend of youth and experience together ensuring that Athletic was one of the most competitive sides in the league

at the time. The side got their just reward in 1996 when they overcame a two goal deficit in a reply against a tough 'An Gleann' side to claim the Castle Bar Cup with Sean O'Donoghue getting the winner. Vince Casey, at the twilight of his career, also played with the side while also fulfilling the role of treasurer in the club at the time. The emergence of 16 year old Martin Beckett RIP was also a feature in the final as he gave a 'man of the match' performance in Athletic's win. The victory offered great promise that the side could go on and win more trophies for the club and the team management too felt that the side could beat anyone in the division on their day, but inconsistent league form meant they were more of a great cup side.

### TRAGIC EVENT IN 1998

Tragedy struck the Beckett and O'Connor families in September 1998 when Martin and Sean were both killed in a road traffic accident while returning home from a holiday abroad. Gerard Phelan RIP from Kilkenny was also killed in the two car collision. A dark sadness covered Killarney as the families and friends struggled to come to terms with their tragic losses at such a young age. Both lads were also dual players, Martin lining out for Crokes and indeed Kerry, while Sean wore the green and white of the Legion. But what united them both as lifelong friends was their loyalty and love of Killarney Athletic, an interest they also shared with their many Athletic friends both young and old. The greatest respect the club could give and gave to them was to honour the memory of their young lives by continuing to play and promote the club that they were so much a part of throughout their young lives. They are also remembered annually by the club as the Player of the Year award is presented in their memory.

Next week's article will continue to give a snapshot of the club from the late '90 to the now new millennium. All contributions or photos from any club members at the time are most welcome. Contact Mike at 0872727173 or Toirdealbhach at 0876447603.

**U17 CUP FINAL** Mastergeehea 4 Park 1. In the replay of the cup final in Mouthawk Park Mastergeehea were victorious against a good Park side. In the opening half both sides created half chances before Mastergeehea took the lead when Luke Murphy headed home a Pdraig O Connor corner. Early in the second half the boys doubled their lead when Patrick Warren combined well with Brian Friel to score. However shortly after The Park got a goal back. After this Mastergeehea defended well and counter attacked well. In the 70th and 75th minutes Gearoid Kerins was unlucky not to extend the lead with his shots coming back off the upright. Shortly after Mastergeehea scored when Sean Twomey set up Patrick Warren to finish well. In the closing stages Patrick Warren got his hatrick after being setup by Sean O Leary. Well done to all involved after a long hard season it is magnificent achievement for this squad of players and management to win both the league and cup.

**PREMIER A** Mastergeehea 1 Castleisland 1. In their first game of the season the seniors got a deserved draw at home on Sunday afternoon. In an even game Mastergeehea opened the scoring in the first half when Scott O Mahoney scored with a good shot. However half way through the second half the visitor got the equaliser. In the final quarter Mastergeehea pushed forward with Tony Brosnan and Pdraig Nagle forcing good save from the Castleisland goal keeper.

**DIV 1B** Tralee Celtic 1 Mastergeehea 2. Mastergeehea got a deserved win away on Thursday night in the Kerry district league pitch. Colm Lenihan and Chris Keane were the scorers in a good team performance.

## KILLARNEY ATHLETIC ACADEMY. (U6'S - U10S)

Our Academy is starting up again on Friday's from 5.00pm to 6.00pm for ages 6, 7 & 8's and from 6.00pm to 7.00pm for ages 9, 10 & 11 in Killarney Athletic, Woodlawn. Registration will take place on the night and bring €2 for training. All Players welcome, new and old, bring your friends.

**UNDER 12'S TRAINING** Under 12's training is back on Thursday in Woodlawn at 6.30pm until 8.00pm.

**UNDER 14** Our under 14 team started their league campaign against our near rivals Killarney Celtic. This was our teams first premier game after being promoted this year so this was a big step up and ask for our players to see if they could match the top teams. They more than did this on the night and if only a bit of luck they could have got a result. The game was even for the first 15 minutes back and forth between both teams, all of a sudden the boys in blue got on top and pushed the game to Celtic. All this was rewarded with a great move that resulted in the Celtic goalkeeper taking Emmet Finnan down as he was clear in on goal with nobody to beat. Owen Benson's penalty struck the post and was cleared, this unsettled our boys and this left Celtic in for a goal after this when we should have cleared our lines. After

this we woke up again and hit the crossbar with a blistering shot and we also had a couple of half chances before the half time whistle. The second half continued in the same way and yet again by not clearing the ball they scored from outside the box. However from then to the final whistle our boys took the game to Celtic and kept pushing forward but couldn't put the ball into the net. This was a superb performance from the boys and they look like they will do very well in the premier this year going on this performance, they worked really hard all over the field and kept their shape superbly. Well done to all on the night they should be very proud of their performance. Training continues Thursday nights 6.30 - 7.30pm, it's on the training ground is where we will improve for every game going forward.

**SENIOR B** Our First game of the new season was away to neighbours and friends Cedar Galaxy played in awful weather conditions on Sunday morning. This was the first B game in nearly 6 months so the lads were obviously short on March sharpness and Cedar were well on top in the first 20 minutes where they duly obliged of a poor back pass to go 1-0 up. Athletic quickly woke up and dominated large amounts of possession but Cedar's defence were in outstanding form. Another poor back pass in the second half left Cedar in for 2-0. With both teams running the bench, there were little chances left. Senior debuts to Ori Perro, Eamonn Lavin, Jack O'Connor and a youthful team, this team will pick up points once they cut out silly mistakes. Best on the day for Athletic was Eamonn Lavin.

**KILLARNEY ATHLETIC WEBSITE:** Please check the website on [www.killarneyathletic.com](http://www.killarneyathletic.com) or facebook for match reports, club information and contact details.

# PLOUGHING CHAMPIONSHIPS RESCHEDULED

The South Kerry Ploughing Championships and Harvest Show, due to take place at Fossa, Killarney last Sunday, have been rescheduled for Sunday, September 27.

The gates will open at 11.00am and visitors will be treated to a fantastic spectacle with a feast of quality events that will leave nothing to the imagination.

**GOLF CLASSIC:** The golf classic held in Beaufort last Saturday turned out to be a great success with over 40 teams competing. This was due mainly to the huge effort put in by the golf society members, sponsors and players. A special thanks to Pat O'Connor, Rathane whose accountancy firm sponsored the course on the day. His generosity is greatly appreciated and emphasised his commitment to his local community. Despite inclement weather Beaufort was in great condition and enhanced the enjoyment on the day. After some great scoring George Lenihan, Philip O'Connor and Niall Gilroy emerged winners on a score of 53 points.

## JOHN O'LEARY, PRO KERRY GAA GIVES HIS VIEWS ON THIS SUNDAY'S ALL IRELAND FINALS

### CROKE PARK THE PLACE TO BE THIS WEEKEND:

Croke Park will be the Mecca for all Kerry GAA followers this coming weekend when Kerry go in search of a rare two in a row of All Ireland titles at both Minor and Senior level. This is the third such occasion that the Kingdom have been involved in such a scenario the others being 1931/1932, and 1979/1980. The only blot on that achievement has been the defeat of the Minors in 1979.

### KERRY AND DUBLIN RENEW RIVALRY

The scene is all set for the culmination of the 2015 All Ireland Championship with a Kerry V Dublin showdown in Croke Park on Sunday next.

It is fair to say that once the draw had predetermined that the big two would be kept apart in the earlier rounds, Kerry and Dublin were everyone's favourites to reach Sunday's final. The game has captured the imagination of the general public like no other and games between these two sides rarely fail to live up to expectations. The rivalry between the men from the Kingdom and the Metropolitan is indeed legendary and really took off when Kerry, captained by the redoubtable John Dowling, overcame the Dublin "machine" in 1955 causing one of the greatest upsets that the fledgling Association had seen till then. Indeed, years ending in "5" have been particularly good to Kerry and invariably Dublin have been at the wrong end of the result in those years. One need only reflect back to 1975 when a youthful Kerry fifteen shocked the Dubs and they repeated that dose ten years later when captained by the late Paidí Ó Sé.

So what does 2015 hold in store? Both teams will feel that they have not played to their full potential thus far this season and both had a hiccup or two along the way. Kerry, despite a fine first half showing, left the door ajar for Cork in the drawn Munster Final between the sides but the Kingdom needed no second request to finish off the job in the replay with a much more focused display having taken lessons learnt in the drawn encounter on board. Dublin on the other hand almost managed to lose a semi final from a very commanding position of seven points to the good, however, like Cork, Mayo were unable to close the deal. The big difference was of course that had Dublin fallen through the trap door then they were out of the Championship while Kerry were in the comfort zone of being able to fall back on the Qualifiers if needed.

There is no doubt that the replay matches

READY FOR ACTION! THE KERRY TEAM PICTURED AT THEIR OPEN DAY IN THE FITZGERALD STADIUM. PICTURE: MARIE CARROLL O'SULLIVAN

were of enormous benefit to both teams – particularly Dublin who, if they had driven on in the drawn game when seven points to the good, would have papered over many cracks that Kerry would have been only too glad to reveal. It's a different ball game now and there is little doubt but Kerry will have to produce a season best display if they are to get the better of this latest Dublin "machine". No doubt, if Kerry can invoke the spirit and passion of the trailblazers of 1955 on Sunday next there is no reason why they cannot put back to back titles in place. They carry the best wishes of all Kerry followers both within the county and beyond.

### DAVID COLDRICK IS THE REFEREE

David Coldrick from the Blackhall Gaels Club in Meath is the Referee for the Kerry V Dublin Senior Final. Coldrick is an experienced Referee having refereed the All Ireland Finals of 2007 and 2010 as well as 6 Provincial Finals. He has officiated at games involving both Kerry and Dublin in this Championship being the man in the middle in the Leinster semi final between Dublin and Kildare and also refereed the Quarter Final between Kerry and Kildare. It will be recalled that he also refereed the Kerry V Mayo drawn All Ireland Semi final last year. Joe McQuillan of Cavan is the stand-by Referee.

### KERRY AND TIPPERARY MINORS MEET AGAIN

Having gathered their first All Ireland Minor title in twenty years just twelve months ago, there was little expectation that this year's Kerry minor team would be challenging for honours this September. It is after all essentially a new team with the likes of team captain Mark

O'Connor, and Andrew Barry the only survivors from the starting fifteen that saw off Donegal last year. However, the likes of Jason Foley, Jack Morgan, Stephen O'Sullivan, Gavin White, Conor Geaney and Brian Ó Seanachain were part of the substitutes bench or the extended panel and that experience is sure to have stood to them. The team showed great character in surviving the onslaught of a fancied Cork side in the Munster semi final, a game which Kerry controlled for long periods but which hung in the balance in an extra time classic. Against Tipperary in the Munster final, Kerry got the boost of two first half goals and that was enough of a cushion to see them get another provincial title. They easily accounted for Sligo in the quarter final and in the semi final they had it much their own way against a Derry side that flattered only to deceive. So Jack O'Connor, who barring a draw, will be managing the Kerry minors for the last time, is on the verge of achieving a unique double and hopefully the Kerry minors will give him the perfect send-off on Sunday.

Another Meath man, David Gough, will referee the game which throws in at 1:30.

### WELCOME HOME

The Kerry Minor and Senior teams will be welcomed home to Tralee and Killarney on Monday evening next. The team will arrive in Tralee by train at approximately 6pm and will make their way to the Ashe Memorial Hall in Denny St, before travelling on to Killarney where they are expected in the Glebe Car Park at 9pm approximately.

## RENTAL INCOME

The following are some tips to help with preparing your income tax return for your rental property.

### TYPES OF RENTAL INCOME

Rental income includes income earned from letting a house, flat, apartment, office or building. However, income tax is also applicable on income from easements. This means, any payment received for the right to erect advertising signs, communication transmitters or grazing rights can be subject to income tax.

### MORTGAGE INTEREST

You are only entitled to claim 75% of the mortgage interest against residential rental income and not 100%. This is a common pitfall when filing Rental returns. Your mortgage provider should issue you with a mortgage interest certificate at the end of each tax year which confirms the total amount of interest charged in the year.

### PRTB

Mortgage interest can only be claimed as an expense for residential lettings if you are registered with the PRTB.

### REPAIRS & MAINTENANCE .V. FIXTURES & FITTINGS

It is important to classify these expenses correctly as the tax treatment differs with both. Repair and maintenance expenditure can be offset in full against rental income, in the year it is incurred. In contrast, expenditure on fixtures and fittings is offset against rental income over an eight year period.

Income Tax Returns must be filed with Revenue before 31 October 2015 deadline (12 November if filing via ROS online).

## Know Your Rights: WATER CONSERVATION GRANT

### QUESTION

I registered with Irish Water earlier this year. How do I apply for the Water Conservation Grant?

### ANSWER

Every household that registered its principal private dwelling (main home) with Irish Water by 30 June 2015 is eligible for the Water Conservation Grant in 2015. The payment is €100 and will issue from September 2015.

Households that registered after 30 June 2015, or have yet to register, are not eligible for the grant in 2015.

By the end of September 2015, all eligible households will get a letter from the Department of Social Protection explaining how to apply for the Water Conservation Grant. You cannot apply for it until you have received this letter. When you get your letter, you apply online on [watergrant.ie](http://watergrant.ie). You must apply before 8 October 2015.

### YOU WILL NEED THE FOLLOWING INFORMATION TO APPLY FOR YOUR WATER CONSERVATION GRANT:

- TIN (Transaction Identification Number) – you will find this number on the letter you received from the Department.
- WPRN (Water Point Reference Number) – a number specific to your house, which you will also find on the letter from the Department.
- Irish Water account or registration number – you got this when you registered with Irish Water. If you have your own water supply and waste water services, you will have a registration number instead of an account number. Contact Irish Water directly if you cannot find these numbers.
- Your PPS number.
- Details of the bank or other account into which you want your grant to be paid (BIC, IBAN and account name) – you will find these on recent bank statements.

If you do not have internet access or a bank account, you can telephone the Water Conservation Grant Support Team at **1890 100 043** (9am–5pm, Monday to Friday) and they will make arrangements for you.

# EMOTIONAL INTELLIGENCE

Emotional intelligence (EI) refers to the way in which we manage, perceive, understand and control emotions and relationships – both our own and others. Research has shown that EI is very important in life – and for many people it is more important for success than general intelligence (IQ). Four different factors have been identified in EI and these include

- 1. The ability to perceive emotions.** In order to understand emotions, we have to first perceive them accurately. This might mean understanding nonverbal cues such as body language and/or facial expressions.
- 2. Reasoning with Emotions.** Emotions help us to prioritize what we pay attention to and what we respond to.
- 3. Understanding Emotions.** If someone is expressing emotion, we must interpret what it might mean – emotions can have a wide variety of meanings.
- 4. Managing Emotions.** Being able to manage our emotions, regulate our emotions and respond to the emotions of others effectively is key to EI.

In order to recognise an emotion ‘as it happens’ for us, it is important to develop self-awareness. This involves tuning into our feelings, recognising what they are and the effect they have on us. Self-regulation is also important in helping us to manage our emotions. There are times when we may have little control over our emotions, but we can learn techniques to self-regulate. All of these factors are important in helping us to better understand, empathise and negotiate with other people. The ability to recognise how other people feel is important for success. Being able to read other’s signals and respond appropriately is key. The better we are at discerning the feelings behind another person’s behaviour, the more skilled we become at communicating with them.

The good news is that EI can be learned and developed. Strategies to work on our EI include

- 1. Observe:** How do you react to others. Do you rush in to judge before you know all the facts? Do you stereotype people? Take a closer look at how you are interacting with people and try putting yourself in their shoes.
- 2. Put the focus on others:** Give others a chance to shine – without worrying about getting attention for your accomplishments.
- 3. Examine how you respond to Stress?** Do you get upset, blame others or get angry when in difficult situations. The ability to stay calm and in control when things go wrong is key to success.
- 4. Take Responsibility:** If you make a mistake, apologies.
- 5. Know how your actions will affect others.**

Next week we will explore how parents can teach EI to their children.

**SouthWest Counselling Centre** will run an 8 week course entitled Supporting Parents to Support Their Teens, starting on 30th September, cost €25. Call **064 6636416** to book your place.

## FLU VACCINATION INFORMATION

### WHO SHOULD BE VACCINATED?

**Vaccination is strongly recommended for :**

- Persons 65 yrs. And over
- Those with a long-term medical condition such as diabetes, heart or lung disease.
- People whose immune system is impaired due to disease or treatment
- Residents of Nursing Homes and other long stay institutions
- Persons with a body mass index (BMI) over 40
- Pregnant Women (can be given at any stage of pregnancy)
- Health Care Workers
- Carers
- People with regular close contact with poultry, water fowl or pigs.

### HOW DOES SEASONAL FLU VACCINE WORK?

Seasonal flu vaccine helps the person’s immune system to produce antibodies to the flu virus. When someone who has been vaccinated comes into contact with the virus these antibodies attack the virus.

### WILL THE FLU VACCINE GIVE ME THE FLU?

No, flu vaccine will not give you the flu. Flu vaccine contains killed or inactivated viruses and therefore cannot cause flu. It does, however, take 10 – 14 days for the vaccine to start protecting against flu.

### WHEN SHOULD I GET VACCINATED?

The vaccine should be given in late September/October each year. The vaccine starts to work within two weeks.

**Please contact Killarney Medical Centre on 064 6620628 to make an appointment for this years Flu Vaccine.**

## HANDSOME FEMALE SEEKS SOMEONE TO SHARE A LIFE OF HAPPINESS AND BELLY RUBS:

A liver and white coloured female German Pointer 5 / 6 years old is in need of a good home preferably away from roads as she has a fascination for bicycles.

Her owner has passed away and she is a suitable pet for all ages, likes to play fetch, loves walks or would be ideal companion for a person living alone as she is quite wary.

For further information please contact 087 992 5848.

## A FEW UNUSUAL USES FOR POTATOES:

\* If you want to ease aches and pains, then make a hot or cold - frozen or chilled - compress using potato slices inside a sock.

\* Take a raw, uncooked potato and rub it over your windows, or car windscreen, before wiping away the juice with a clean cloth. You will be left with gleaming glass.

\* If your cutlery is cloudy and your trinkets are tarnished, why not use a potato to restore their sparkle? You can rub a raw potato over the items if you like, or soak them in potato water. This also means you don't have to use extra potatoes to perform the task, simply use the water from the batch you have boiled for your dinner. Add any peeled skins into the water for great results.

\* To remove a broken light bulb from a socket cut the potato in half, and gently press the flat side on to the remainder of the bulb. When the bulb is firmly inserted, you can simply screw it out. Always make sure the power is off before attempting to change a light bulb.

\* The nutrients in potatoes will help your pot plants grow. You can either carve a small hole in the potato and plant the stem of the flower inside it, before putting the whole thing into the soil; or you can sprinkle some potato shavings into the soil around your already growing flowers to give them a fantastic, natural boost.

## HUMAN EATING OF OATS GOES BACK A LONG TIME:

Archaeologists say they have found traces of wild oats on grinding tools from about 32,000 years ago, about 20,000 years before formal farming is thought to have been established. The prehistoric people may have baked or boiled the oats and made flatbread, according to the researchers. Researchers have assumed that the primary foods Paleolithic (Stone Age) peoples relied on were meats and fats. They say botanical traces on food-preparation tools and stone vessels are rare at Stone Age archaeological sites. However, in the past several years of analysis of stone tools has revealed the presence of traces of wild grains and seeds and roots of cattails and ferns.

The researchers in this latest study, led by Marta Mariotti Lippi of Italy's University of Florence, say the finding is the earliest known preparation of oats for human consumption. The news follows research Mariotti Lippi participated in several years ago that found traces of wild starch on grinding tools in Italy, Russia and the Czech Republic from at least 30,000 years ago.

## EGYPTIAN BILLIONAIRE IS OFFERING TO BUY AN ISLAND FOR REFUGEES:

Naguib Sawiris, one of the Egypt's wealthiest men, said "there is no limit" on what he is willing to spend to buy an island from Italy or Greece to provide the refugees with a new home and has suggested the name Hope for the new Country.

The chief executive of telecom group Orascom TMT said there are dozens of empty islands off of Greece and Italy that could handle 100,000 to 200,000 people. "It's a very simple solution, they sell the island to me and I'll make a temporary shelter for these people. I'll make a small port or marina for the boats to land there. I'll employ the people to build their own homes, their schools, a hospital, a university, a hotel, and the people will be free to return home at any time or stay on the island. Greek and Italian officials were not available to comment on the proposal at time of writing.

## THE SECRET TO A LONG LIFE?

Emma Morano-Martinuzzi at 115 years, 6 months is the oldest person to ever have lived in Italy (at time of writing), and the last remaining European born in the 19th-century (November 29th, 1899). Emma was only married for 11 years, but being a Catholic, she did not believe in divorce, so she only kicked her husband out of the house and remained married until he died in 1978. Their son died at six months, and Emma has stayed in her marital home ever since. She still lives alone, aged 115 years.

Emma's secret: "I never touched drugs and only drank brandy that I make at home. I eat three raw eggs every day and treat myself to

chocolate sometimes, but mainly, I think it's my positive thinking about the future that kept me alive for so long."

## SESAME SEEDS FOR A HUNGRY PLANET:

Sesame has been cultivated for approx. 5,500 years and its seeds are full of protein, iron, zinc and calcium, but the crop has traditionally been unprofitable because it is difficult to harvest and produces a low yield. Part of the problem is that a high percentage of sesame seeds are found to be unfit for human consumption.

After meticulously screening and selectively

breeding more than 100,000 sesame-seed variants of many different hues at his lab, Hebrew University Prof. Zvi Peleg developed an improved sesame cultivar with bigger seeds, more seeds per pod and better bioavailability of the nutrients in the seeds. He and his team are also working to make sesame pods that can be picked by machine rather than by hand.

Prof. Peleg's innovation enables cereal-crop farmers to grow high-yield sesame in the summer period of their annual crop-rotation cycle. This has many benefits aside from the ability to sell the produce, because summer planting contributes to more sustainable agriculture while the variation in crops prevents the development of herbicide-resistant weeds. Though Israel is rain-free in the summer, sesame plants are naturally drought-resistant and don't need much water. Global production of sesame currently stands at 4.4 million tons, with a projected growth value of between 5 and 10% yearly.

## ELEPHANT HAS SUFFERED 28 YEARS SOLITARY CONFINEMENT:

The fastest way to ensure an abused animal's suffering continues is to witness it and do nothing. This is a story of someone who did the opposite.

Last month, Samar Khan was on vacation in Pakistan when she stopped for a visit at the Murghazar Zoo, in the capital city of Islamabad. There, Khan encountered one of the world's saddest animal captives, a male elephant named Kaavan, whose torturous existence was too much for Ms. Khan to overlook.

Kaavan had been sent to the zoo from Bangladesh when he was just a calf. He was all alone, as he has been for the 28 years he's been at this zoo. His legs were chained up to limit where he could move in his enclosure. But that didn't seem to matter because for the entire time she was there Kaavan didn't move. The only thing that moved was his head, as it bobbed repetitively from right and left, a behaviour known as "weaving" which elephants adopt in response to stress and depression. Kaavan also has gangrene susceptible gashes on his feet from the chains. Despite his obvious discomfort, the zoo claims that Kaavan is used to his enclosure and doesn't mind it.

Kaavan's predecessor was Saheli, donated to the zoo by the Sri Lankan government. She died from gangrene and neglect.

Once back home in California, Ms. Kahn launched a petition on Change.org informing others of what she'd seen and calling on them to help bring about a better life for Kaavan—and the response was overwhelming. In a matter of days, more than 30,000 people from around the world had added their names to the petition.

In light of Khan's petition, Islamabad's government entity overseeing the zoo, the Capital Development Authority, announced that the lonely elephant will be freed from his shackles, and

ordered the zoo management to follow standard and international protocols defined

for the captive animals."

Unless his handlers fail to comply with the orders, Kaavan's quality of life will soon be greatly improved — but true freedom is still out of reach. While Ms. Khan's petition proves that a grassroots effort can help bring about change, it has yet to secure what the captive elephant needs most: to be relocated to a place where he can live in peace.

If you would like to sign the petition please insert Help free Kaavan the elephant from 28 years of solitary confinement in your search engine and tell your friends.

## ARE YOU AFRAID OF LIGHTNING?

There is a place on Earth where an "everlasting storm" appears almost every night, averaging 28 lightning strikes per minute for up to 10 hours at a time. Known as Relámpago del Catatumbo — the Catatumbo Lightning — it can spark as many as 3,600 bolts in an hour. That's one per second.

This storm lives above a swampy patch of northwestern Venezuela, where the Catatumbo River meets Lake Maracaibo, and has provided near-nightly light shows for thousands of years. Its original name was rib a-ba, or "river of fire," given by indigenous people in the region. Thanks to the frequency and brightness of its lightning, visible from up to 250 miles away, the storm was later used by Caribbean sailors in colonial times, earning nicknames like "Lighthouse of Catatumbo" and "Maracaibo Beacon."

The lightning has also played an even larger role in South American history, helping thwart at least two nocturnal invasions of Venezuela. The first was in 1595, when it illuminated ships led by Sir Francis Drake of England, revealing his surprise attack to Spanish soldiers in the city of Maracaibo. The other was during the Venezuelan War of Independence on July 24, 1823, when the lightning betrayed a Spanish fleet trying to sneak ashore, helping Adm. José Prudencio Padilla fend off the invaders.

Although the Catatumbo Lightning doesn't appear every night, it's not known for taking

extended breaks. That's why people were alarmed when it vanished for about six weeks in early 2010.

The disappearance began in January of that year, apparently due to El Niño. The phenomenon had been meddling with weather around the world, including a severe drought in Venezuela that virtually eliminated rainfall for weeks. Rivers dried up, and by March there still hadn't been a single night of Catatumbo Lightning. Before that, the longest-known hiatus was in 1906, after an 8.8-magnitude earthquake had caused a tsunami. Even then, however, the storms returned in three weeks.

Environmentalist Erik Quiroga has been trying since 2002 to get this natural wonder and national treasure declared a UNESCO World Heritage site, and while that's proved difficult, he did recently succeed in lobbying for a Guinness world record: most lightning bolts per square kilometre per year.

## FINALLY THIS WEEK:

Sherlock Holmes and Dr. Watson decide to go on a camping trip. After dinner and a bottle of wine, they lay down for the night, and go to sleep.

Some hours later, Holmes awoke and nudged his faithful friend.

"Watson, look up at the sky and tell me what you see."

Watson replied, "I see millions of stars."

"What does that tell you?"

Watson pondered for a minute.

"Astronomically, it tells me that there are millions of galaxies and potentially billions of planets."

"Astrologically, I observe that Saturn is in Leo." "Horologically, I deduce that the time is approximately a quarter past three." "Theologically, I can see that God is all powerful and that we are small and insignificant." "Meteorologically, I suspect that we will have a beautiful day tomorrow." "What does it tell you, Holmes?"

Holmes was silent for a minute, then spoke: "Watson, you idiot. Someone has stolen our tent!"

## A WORD OF VICTORY

Welcome back dear reader last week we looked at the effects negative thoughts have on our emotions. When we turn on the television, radio or read the newspaper we are bombarded by negative, negative and more negative news. Obviously there is not much profit in good news. The Bible tells us that 'laughter is better than medicine' (Proverbs 17:22) and when we hear or see something that we can have a good laugh at our brain signals the glands in our body which then produce happy hormones that bring a sense of well being. For a number of years now we have been listening to news of the terrible things happening in Iraq and Syria but it didn't really cause us much concern as it was so far away. But recently the picture of the little boy who had drowned while escaping to a better life sparked off an immediate response from a huge number of people – the sight of the little one touched the hearts of so many and even though this tragedy has been going on for such a long time it took this one picture to bring this overwhelming - almost panic stricken response which has now opened the doors for something to be done for those escaping from this crisis. It's amazing what an effect that one sad picture had over all the previous terrible images – even innocent people being beheaded didn't strike the same chord. It's obvious to all that these poor people need help, but help costs. Where are they going to stay to be properly looked after? People want to help out of genuine concern, but reality has to be faced when taking on such a challenge so that the end result won't wind up being a worse problem, but would have a happy ending for all involved. This project needs a lot of prayer and wisdom (James 1:5; Psalm 91:15). If you have any prayer need please call **064-6622950** or email **wordofvictory@eircom.net**. More next week...
