# WITH THE WORLD AT HIS FEET

## David is set for International Stardom

David Kenny, one of Ireland's most talented Race Walkers, training at Killarney National Park in the sunshine.  
PICTURE: MARIE CARROLL-O'SULLIVAN

**W**ith the world literally at his feet a young Killarney athlete is set for international stardom.

20 year old David Kenny from Ballyhar is set to become one of Ireland's top athletes according to his coach and mentor Rob Heffernan.

The CIT student's sporting discipline is Race Walking and last weekend he competed in the European U23 Championships in Galve in Sweden.

Following a very competitive and fast pace race David finished in a fantastic 9th place in a new personal best time of 1.25.43 which is a very high standard for a 20 year old.

"I was delighted with the way the race went and I hope to be in the medals in two years time in this competition which will be held in Bergen in Norway", David told the Killarney Outlook.

World Champion Race Walker Rob Heffernan is David's coach and sees huge potential in the young athlete. "David is fantastic young man - not only is he training, he attends college and also works part time" Rob told the Killarney Outlook. "David is competing against full time athletes and is constantly breaking his personal best - he certainly is one to watch in the future", Rob added.

David has a long list of accomplishments to his name, at the National Athletics Ireland 20km race walking Championships in June, David finished in 2nd place in a time of 1.25.58 and has the distinction of being the fastest 20 yr old over the 20km distance in Irish History.

David has competed at all levels in Countries such as Czech Republic, England, Lithuania and Isle of Mann where he has broken all personal records. He will be competing on the 28th July in Santry in the National 10km championships to close the season. An Engineering student at CIT, David trains daily under the guidance of his coach Rob Heffernan and also trains with Olympian Brendan Boyce. He has competed in the University competitions and has won both the indoor and outdoor titles. David is the son of Noel and Mary Kenny and a member of Farranfore Maine Valley Athletic Club.

He would like to say a special thanks to Jerome Crowley and to club mate Michael O' Connor who introduced David to race walking many years ago and created the foundation and belief for his success.

## Racing and breeding industries contribute almost €65m per annum to the Kerry economy

The horse breeding and racing industries in County Kerry generate an economic return of almost €65m per annum. This is the key finding of a Regional Economic Impact Study conducted by Horse Racing Ireland and Deloitte. The study highlights the economic reach of the industry in the county - with almost 250 jobs in direct, indirect and secondary employment - and has found that County Kerry has 50 registered breeders and that over 40 horses are in training in the region. Kerry has produced a host of leading racing figures in recent years. Cheltenham Festival winning trainer Tom Cooper is based close to Tralee and is the father of Gold Cup winning jockey Bryan Cooper. Killarney's Jim Culloty is a three-time Cheltenham Gold Cup winning jockey and trained Lord Windermere to win the

race in 2014. More recently, brothers Jack and Paddy Kennedy are flying the flag for the county with their continued success in the saddle as is Oisín Murphy who is likely to be crowned champion jockey in Britain this year. Killarney racecourse, renowned the world over as one of the most scenic racecourses, holds its tremendously popular five-day July festival this week and the star attraction was Frankie Dettori who was riding at the track on Wednesday. Killarney hosts a four-day meeting in August and the following month attention switches to Listowel for the seven-day Harvest Festival which begins on Sunday, September 8 and is home to one of the best attended race days of the year for the Guinness Kerry National on Friday, September 13.

## Extracting a Winner...

**I**t was a case of 'Pulling Teeth' for cyclists to nominate their Ring of Kerry Charity Cycle's favourite volunteer. A simple quest on Facebook, with a prize of €100 Voucher from O'Sullivan Outdoor Store was up for grabs. It was a very difficult task for all. Finally the decision was made to place on the nominees names into PRO's Cathal Walsh's helmet, engage Brendan Coffey (organising committee) at his dental surgery, where the winners name was extracted and overseen by Sergeant Dermot O'Connell. And The Winners...Jack and Betty Breen, of Kelly's Cross, Sneem, who have opened their house every year and welcomed cyclists, with food, drink, cups of tea and braic. Their house has been become an institution and is so important to the Breen's to have this wonderful link with the biggest charity event in Ireland.

The Gleneagle Hotel want to recognise the importance of the Jack and Betty to the entire community, and have offered them bed & Breakfast, the night of the presentation to the charities on Friday 11th October this year.

*Open House...Jack and Betty Breen, of Kelly's Cross, Sneem, open their house every year and welcome cyclists on the Annual Ring of Kerry Charity Cycle. The Ring of Kerry Charity Cycle is the biggest one day charity fundraising event in Ireland, attracting thousands of leisure cyclists to complete the 180km challenge the spectacular Ring of Kerry. # MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

## WHY DO YOU NEED LIFE COVER?

**TO PROTECT YOUR FAMILY AND LOVED ONES**

If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner. You can also apply to add other benefits to your life cover including serious illness cover.

**TO PAY OFF YOUR MORTGAGE, DEBTS AND OTHER EXPENSES**

In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

**TO BRING PEACE OF MIND & LEAVE AN INHERITANCE**

We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

## NO ROADSIDE HEDGE CUTTING DURING AUGUST

The Minister for Culture Heritage and the Gaeltacht, Josepha Madigan TD announced this week that she will not be proceeding with regulations that would have allowed general roadside hedge cutting during August this year on a trial basis.

The decision recognises the increasing threats to biodiversity nationally and globally and follows a number of Government initiatives to protect and nurture Ireland's flora and fauna. The minister was given discretionary

powers under the Heritage Act 2018 to allow the cutting of roadside hedges during the month of August on a trial basis in 2019 and 2020.

Hedge cutting for road safety purposes will still be allowed at all times of the year.

Minister Madigan commented, "Hedgerows are a very important wildlife habitat, providing food, shelter, corridors of movement, nest and hibernation sites for many of our native flora and fauna."

## CLLR. CALLS FOR FOOD TO BE DONATED

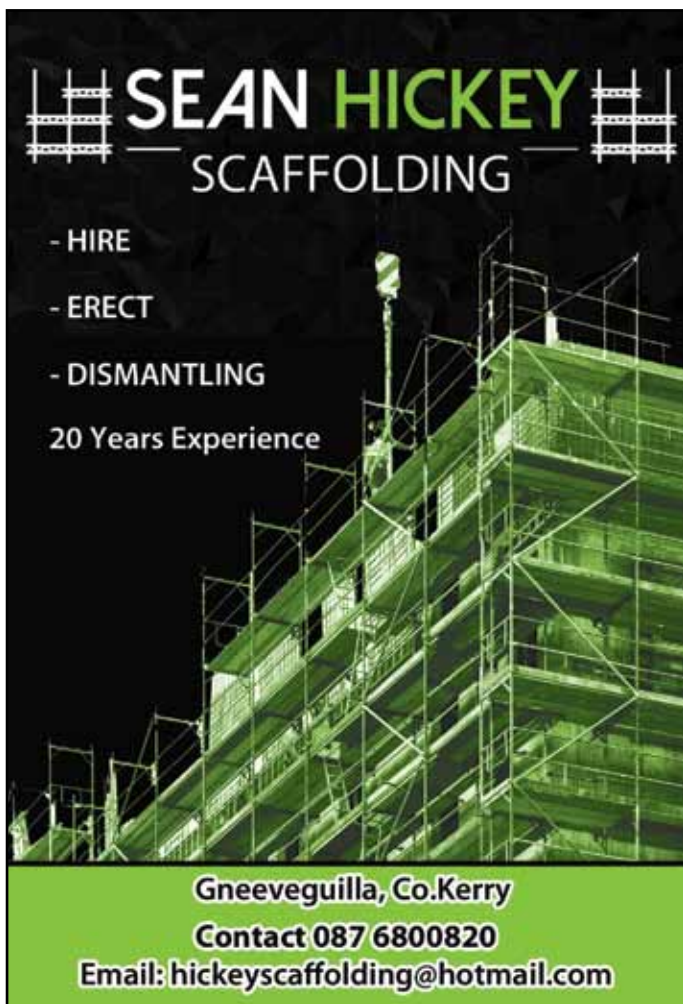

At the July 2019 monthly meeting of Kerry County Council, Councillor Michael Gleeson proposed:

"That Kerry County Council would call on the Government to introduce legislation that would make it compulsory for all Retail Outlets to donate food that is about to reach its Best Before Date to charitable/humanitarian organisations".

Councillor Gleeson stated that the amount of perfectly good food being committed to composting is outrageous. He said that tens of thousands of tonnes of food is disposed of in this manner every year. Estimates have suggested that up to one million tonnes of perfectly edible food is so consigned annually. This squandering is a gross abuse of the fruits of the earth especially when so many are in need and hungry. There are many charitable organisations who would gladly accept this food and distribute it wisely. He acknowledged that some supermarkets at present donate this food to deserving causes and thanked them for so doing but stated that there is much room for improvement. He suggested that legislation may ultimately be the only means of ensuring that all food is wisely used. The old adage of "Wilful waste makes woeful want" is still applicable. The Motion was seconded and will now be forwarded to Government for consideration.

# Killarney set for **RUNNING BONANZA** NEXT WEEKEND!

Launch of the Run Killarney at the Ladies View: In the pictured l-r Sean McDermott (Gleneagle Group), Mike Riordan (Sanctuary Runners), Oliver Kirwan (Run Killarney), Graham Clifford (Sanctuary Runners), Catherine Casey (Gleneagle Group) and Busie Mhlophe (Sanctuary Runners).

**O**n Saturday 20th of July Killarney will play host to one of Ireland's premier running events when more than 3000 competitors take part in the Gleneagle Hotel Run Killarney half-marathon and 10K road race.

This sold out event will welcome all types of runners, walkers, newcomers and people who just want a challenge and a great day out. Participants will represent 15 countries from around the world including China, Brazil, Republic of Congo, Australia and UAE.

For the first time ever Run Killarney will be plastic bottle free, replacing cups and bottles with compostable cups for water at the various water stations and the finish line.

As part of this year's event, organisers have teamed up again with The Sanctuary Runners to help raise awareness of their mission and to collect donations of running gear from the public and those taking part in the race.

The Sanctuary Runners were set up by Graham Clifford in 2018. Their aim is to enable local

runners to run alongside, and in solidarity with, those in Direct Provision thereby fostering friendship, positivity and respect while bringing greater awareness to the system in which asylum seekers live.

The race routes give competitors the chance to run one of the world's most breathtaking and scenic road races through Muckcross House and the Killarney National Park.

Both routes are fast downhill courses with amazing scenery. The half-marathon starts at Molls Gap and continues through the National Park to the finish line and party atmosphere at the Gleneagle Hotel.

All competitors will receive a customised t-shirt and finisher's medal and can embrace the great atmosphere at the Gleneagle hotel once they cross the finish line.

Local residents are to be aware of the road closure on the N71 Molls Gap to Muckcross House Killarney from 6.30am to 11.30am on Saturday the 20th of July.

# ONE MAN'S EVEREST...

*Ultra Runner, Sean Clifford.*

**U**ltra Runner, Sean Clifford, from Killarney, set an Irish record reaching the dizzy heights of 10,000 m of positive ascent in 23 hours and 53 minutes — the equivalent height of Mount Everest, and accumulative 10 times ascent of Ireland's highest Mountain - Carrauntoohil, (1039 m) in the MacGillycuddy's Reeks.

Sean set about his challenge, on Caher Mountain, on Friday night, running through the night, ascending, Carrauntoohil, Cnoc an Toinne, using the Devil's Ladder for ascents, and Bothar na Gige (The 'Zig Zags') for descents. Final ascent was made on Carrauntoohil. Joined throughout his record breaking

quest by fellow Killarney Ultra Runners, Joe O'Leary, Damien Courtney, Neil Kelders and Harold Clifford. An exhausted Sean returned to a heroes welcome at Cronins Yard - Official home to the Reeks and Esther's famous Apple Tarts! late on Saturday night. Also managing to raise funds for Dementia and Alzheimer awareness.

Sean, has competed in races across the globe, the UTMB in France, Diagonal des Fous on Reunion Island, El Cruce in Chile and Ankor Ultra in Cambodia. More recently he has placed 2nd in Ireland's longest and toughest ultra marathon, the Kerry Way Ultra.

## CALL FOR LYME DISEASE SIGNAGE IN KILLARNEY NATIONAL PARK

Cllr. Maura Healy Rae has called on Kerry County Council to engage with the Department to urge the National Parks and Wildlife Services to erect signage in the National Park, Killarney reminding visitors to check themselves for ticks in order to prevent Lyme Disease". "I outlined that unfortunately many of us here know someone or of someone who is suffering with Lyme disease. If any of us fail to fit into one of those categories we certainly all saw the recent RTE documentary 'Living with Lyme Disease'. It was striking to

learn about how destructive this disease is physically and emotionally with many suffering from depression and suicidal thoughts", she said. I stated how incredibly proud I am of the area I represent and I recognise the work the people of Killarney put in to making it what it is. I was clear in that this wasn't a scaremongering tactic, but as Dr. Eamon Shanahan said in the documentary, it is all about 'awareness raising'. I appealed to the media to publicise the following points given the difficulty that I am having in getting the NPWS to carry out public awareness: wear light coloured trousers to see the tick easily; wear smooth materials that the tick can't attach onto; don't wear shorts; tuck trousers into socks and spray insect repellent on to wrists and ankles. Critically, in the documentary Dr Eoin Healy, Biologist, UCC said there is a period of 12 hours before ticks begin to transmit the disease, therefore, if there was adequate signage making people aware they would have sufficient time to check themselves

for a tick. I also highlighted that in general people in Kerry have knowledge of Lyme disease, however, it is fair to assume that many of our visitors would not.

I commended people such as Anthony Morris for his bravery in telling his story and his continuous campaigning. I also acknowledged the efforts of the children of Loreto National School who have produced tick kits and how it was incredible that children were seeking to make the public more aware than a government agency. The consequences are too serious, it is a matter of life and death. KCC have agreed to investigate the possibility of erecting signage at the entrances to the National Park. On foot of this notice of motion, a letter will be sent to the Minister for Environment, Heritage and Local Government asking that he would urge the NPWS to erect adequate signage. Furthermore, Deputy Danny Healy-Rae has put down a parliamentary question regarding this.

## PICTURE THIS FOR THE INEC

After continuously selling out dates world wide and following on from becoming the fastest act to ever sell out the INEC Killarney in 2017 Picture This have announced they will become the first band to perform at the newly rebranded The Gleneagle INEC Arena on December 20th 2019. Picture This released their self-titled full-length debut album in 2017 going triple-platinum in Ireland, holding the #1 spot in the Irish Album Chart for four weeks, and also topping the Streaming Chart for seven weeks. Live, the band have sold over 400K tickets, selling out a stadium tour in Ireland last summer and becoming the first act ever to play and sell out 5 nights at 3arena in Dublin.

The Gleneagle INEC Arena rebrand has come

about as a result of investing over half a million euro in production and technology, across lighting, sound and audio-visual systems, and an increased patron capacity of 4142. This means that they now have the infrastructure to cater for a wider variety of acts and artists.

Tickets for Picture This are €49.50 plus booking & facility fee and will be available from [www.inec.ie](http://www.inec.ie) and [www.ticketmaster.ie](http://www.ticketmaster.ie) on July 19th at 9am. Please note U16's must be accompanied by an adult and are only permitted in the seated area

## Container Gardening

**A**s gardens become smaller and apartment living more popular, many people are growing plants in containers to decorate patios and balconies. Three of the most useful kinds of container are: Window Boxes, hanging baskets, large planters.

The style and material used in their construction should fit in with the proposed environment. Wood, reconstituted stone and terracotta are suitable for older houses but good quality plastic, fibreglass and concrete may be more suitable for modern homes.

### Compost for Containers

Ordinary garden soil is unsuitable for containers and special compost, either loam-based (i.e. soil based) or loamless is needed. Loam-based compost can be bought from garden centres or made up at home. Four parts of sterilised loam can be mixed with 2 parts of peat and 1 part of sharp sand.

It is important to use a good quality loam that is rich in organic matter and not heavy and sticky like clay soil nor light and gritty like sand.

Peat based compost is light and easy to handle. Because it is light, containers are less stable and may blow over. Conversely, where weight is a problem e.g. in window boxes or roof gardens, peat is the preferred compost.

Cow or bark may be used instead of loam or peat-based composts but results tend to be more variable.

### Preparation for Planting

#### Window Boxes

Window boxes made from softwood must be treated with a plantsafe wood preservative before planting. The box should be fixed in place on the sill before filling and planting. Secure fitting is especially important for boxes on upstairs windows. Boxes must be at least 20 cm deep and 20 cm wide to prevent plants from drying out too quickly.

Cover drainage holes with small stones, crocks or fine mesh to prevent blockage. If weight is not a problem add a 2 cm layer of gravel as an aid to rapid drainage and partially fill with compost.

### Hanging Baskets

A hanging basket can weigh over 20 kg when planted so that it is important to ensure that the supporting hook or bracket is secure. To facilitate filling the traditional wire basket with compost, the round bottom should be

supported in a bucket or large pot. A 2 cm layer of moist sphagnum peat should be used to cover the interior of the basket.

A liner, placed in the open basket before filling with compost, is essential to reduce watering. Pre-formed liners are available for standard-sized baskets in a range of material including plastic, coconut fibre and bitumen paper. Waterproof liners greatly reduce the need for watering especially in summer. A small saucer can be placed at the bottom of the container to serve as a small water-holding reservoir. Compost is added to the basket during the planting operation.

### Large containers

If large pots, troughs or barrels are used, these should be slightly raised above the ground using small blocks or bricks. This aids free drainage, prolongs the life of wooden containers and reduces the risk of entry of soil pests. Place a five cm layer of small stones or broken brick at the base of the container to aid drainage and top up with compost.

### Plants for Containers

#### Window Boxes

A wide range of plants can be used including pansies (for winter colour), dwarf bulbs (for spring), annuals and perennials such as pelargonium (for summer) and dwarf shrubs (for permanent planting). Plants should be selected carefully so that they can be seen from inside the house but will not be so tall that they block out light.

An example of a planting scheme for a 1 metre long x 25 cm wide window box would be 2 trailing ivy (one at each end), a row of 7 surfinia petunia at the front and 2 grey helichrysum towards the back.

### LOOKING AFTER YOUR HERBACEOUS PERENNIALS

July can be a very colourful time in the garden for Herbaceous Perennials as a lot of them flower from early Spring, Summer and late into Autumn.

There is a huge range of Herbaceous plants – from small, medium to large and also a wide range of colour and foliage.

Looking after your Perennials really comes down to a few important things such as dead heading the flowers when they go over. Cutting back is also very important for plants like Herbaceous Perennials when the flowers go off and the foliage isn't looking very healthy. The plants can be cut right back and within a few weeks will be back looking as good as new.

# Puck Fair

## sets up Go-Fund-Me Page

Come one, come all! Pictured at the famous Puck Fair statue at the entrance to Killorglin town in Maeve McCarthy, Queen of Puck Fair. PICTURE: DON MACMONAGLE

**The committee behind the annual Puck Fair festival has launched a Go-Fund-Me page and is appealing to members of the public and festival goers to open the purse strings in order to aid the continuation of this long-held Irish tradition.**

With just four weeks to go until thousands of revelers descend on Killorglin, for one of the biggest events on Ireland's annual social calendar – Puck Fair – excitement was building at the festival's official launch last weekend.

Run like clockwork thanks to the dedication of a 22-strong committee of volunteers, Puck Fair is the pride of Killorglin, but for the first time since its inception organisers have felt the need to reach out to the general public for their assistance in making sure the yearly festival takes place as planned.

To finance soaring insurance prices and overall running costs of the three-day extravaganza, which offers a jam-packed programme of free events and live entertainment for all ages, the Puck Fair voluntary committee have launched a GoFundMe drive, appealing to members of the public and festival goers to open the purse strings in order to aid the continuation of this long-held Irish tradition. The GoFundMe campaign officially kicked off at Saturday's launch event, with organisers hopeful that funds raised over the coming month will cover this year's mounting expenses.

"It got to a point this year where we had to reevaluate our plan of action in terms of funding such a large-scale event with a very modest budget," said Declan Falvey, Chairman

of the Puck Fair committee during the 2019 launch event. "We pride ourselves on providing the public with an event that is free of charge; free entry, free entertainment – you name it. But with running costs rising across the board, we had to come up with a plan B. When the idea of a GoFundMe campaign was suggested it seemed like a no brainer. Puck is an event that is 100 percent for the people, so we're giving those that enjoy it most the opportunity to invest in its legacy. If everyone who has enjoyed the festival over the years gave just a few euros towards keeping this cherished tradition going, you can be sure Puck Fair's story will continue for years to come."

The launch, which took place on Saturday last (13th July) at Kingston's Bar in the charming town, kick-started what is set to be a busy month for all involved, with preparations already underway for a mammoth three-day event. Guests in attendance were treated to live music from B'Fheidir, while the launch saw the welcome return of the 'Barman's Race', with a number of publicans from the town putting forward a staff member whose job it was to get three prized pints over the finish line with little or no spillages!

Special guests on the night included the newly crowned Queen of Puck Fair, Maeve McCarthy from Cromane Lower in Killorglin, who was joined by her Lady in Waiting, Sian Corkery. The launch marked the first official event for the new royals, who will be put through their paces over the coming weeks as they prepare for the arrival of King Puck.

In another break from convention this year, the Cattle Fair – typically held on day two of Puck Fair – will now take place on Monday 12th August. This change in schedule is to facilitate an old Charter, which outlines that when the 11th August falls on a Sunday, the Cattle Fair will instead be held on the following day. Aside from this, festival goers can expect the usual excitement and eccentricity that only Puck Fair can offer!

The three-day schedule includes dance workshops, fancy dress competitions, a fun fair, food stalls, street markets and live music throughout the town – not to mention the famous Horse Fair, which takes place on 'Gathering Day' and kicks off the popular festival each year. The Coronation Parade and Ceremony on day one will bring people to the town's centre in their droves, while the stage in Killorglin's main square will play host each night to well-known national acts, such as Celtic Knights (10th August), Johnny Brady (11th August) and The Papa Zitas (12th August), who will entertain the crowds well into the night.

### What are you worth

The answer to this question is everything! You are born worthy. There is nothing that you can ever do that will ever take away that worth. Just to be alive and to be YOU, means you are worthy. However, so many people confuse worth with self-esteem. Self-esteem is the measure of how much value you place on yourself at any given moment in time. It can change rapidly during a day. You make a mistake and your self-esteem goes down. Someone praises you and your self-esteem rises a little. However, Self-worth doesn't change and is not based on how much intelligence you have, what you achieve, what weight you are or how much money you have in the bank.

**Choose these top three affirmations to help you become more aware of your worth**

- I am worthy just because I am alive.
- I value myself just as I am
- My worth is not based on other people's expectations on me

We often forget to honour our self-worth. However, by regularly acknowledging our self-worth we can remember what is really important and what a special and valued part of the Universe we truly are!

**Skipping meals?  
& weight loss...**

**What its really doing to your mind & body**

PART TWO

When you're on a super-calorie-restrictive diet, or skipping one meal too many, your primitive brain thinks, "Wait, maybe she's not eating because there's not enough food out there. Whoa, famine!" To protect you, your body gets the message, in the form of a hormonal messenger called cortisol (which is produced in your adrenal glands) to store every extra calorie. On goes the belly fat and up goes your cholesterol – your body's way of storing energy.

The more you go through cycles of skipping and eating, losing and gaining, and the more you push your body to be skinnier than your body is meant to be, the more you will hold onto weight.

That's not all that happens. Here's some more of the tricky stuff your survival mechanism does to keep your brain fed:

- \* You start to crave sugar, carbs, and fat
- \* Your brain actually makes sugar, fat, and carbs taste especially good so you eat more! You're like, "OMG, this is the best muffin I've ever tasted...and I'm starving (nom nom nom)" And you feel like "Ahhhh," because your brain is actually sighing, a sigh of survival relief.

County League. Na Gaeil 3-8 Kilcummin 1-13. Conceding three goals and a delayed change of mind by an umpire cost us dearly as we lost out by a point in Tralee on Saturday last. A goal by Oscar O Connor and two fine points by James Nagle were the highlights from our perspective as a highly motivated and physical home team strove to keep their Division 1 status. nWe now play Dr Crokes at home this Friday at 7.30 in Round 9 of the county league.

Great progress is being made in the early stages of the development due to the fantastic voluntary effort and to the use of Brendan Cronin's and Mike Devane's machinery. ### EAST KERRY U14

Glenfesk 5 - 18 Kenmare 3 - 21

Glenfesk's under fourteen's had a heroic victory on Monday the 8th July, against a very strong Kenmare side in a titanic battle in Glenfesk. The game started with the visitors on top and they took a one two to nothing lead in the first ten minutes. Glenfesk then began to get moving and scored two goals in quick succession. Even so at half time they trailed by two eleven to two six. No one could have predicted the excitement to come in the second half.

Glenfesk started the second half quickly and some good tackling and clever movement helped them to wipe out the Kenmare lead. Kenmare responded with their own burst of scores and looked like they would pull away. Glenfesk were not for giving up though and had their own scoring rampage that yielded two four in a blistering ten minute period. They would lead by three points with injury time approaching. Kenmare launched attack after attack on the home side's goal but, as time seemed to stand still, the defense held firm with bodies being thrown in front of the ball with no regard for personal safety. The referee eventually blew for full time and this epic tie had ended.

This was a match that was a pleasure to watch for all who turned up. It was played hard but, for the most part, fairly. Kenmare are a serious team at this level and had some high quality

footballers. Glenfesk's youngsters though, were not to be denied and thoroughly deserved this gutsy victory which was accompanied by no little skill.

## KERRY PITCH & PUTT

THE incredible winning run of Ireland No 1 ranked Mens Pitch & Putt player Damien Fleming would come to an end on Sunday at the National Senior Gents Strokeplay Championships, but not before a promising start to the defence of the title after the recent County and Munster Strokeplay wins to go with the National Matchplay title! The Deerpark player set the pace for the first 36 holes with a fine 20 under par total after two rounds of 10 under par. That was one clear of last year's second place finisher John Ross Crangle from Dublin with Tralee's Jason O'Regan also making the cut for the Top 18 playoff with 12 under par as another Deerpark player, John McGrath just missed out by a shot on joining them with 10 under par. Damien birdied the first hole of the

playoff for the title but his challenge faltered after as Crangle powered into a lead he would not surrender in finishing on 27 under par in winning the title. Damien had to make do with sixth overall as he finished sixth overall on 21 under par with Bryan Delaney of Cork and Sean Goggin of Louth eclipsing him for the silver and bronze medals. Jason O'Regan finished the tournament on 17 under par, his 36 hole score just seeing him miss out on the newly created Nett prize on countback. In Saturday's Intermediate and Junior events Deerpark duo Lorcan Martin and Darragh O'Callaghan were the only Kerry players to qualify for the Intermediate and Junior playoffs respectively. Lorcan finished sixth overall as well in the Intermediate event with three under par, eight off the winning score of 11 under posted by Brian O'Flynn from the Tipperary Hills club. Darragh came ninth in the Junior event but well behind the winning score of 11 under posted as well in that grade but Kilkenny's Derek Delaney. This weekend sees action over both Saturday and Sunday. The U-16's travel to the Hillview club in Clonmel, Co Tipperary on Saturday for the Munster U-16 Strokeplay Championships while Sunday is Scratch Cup day in Castleisland. The Danny Broderick Memorial Senior event is the main highlight with the Intermediate and Junior (Lorna Looney-Brosnan Cup) events also taking place the same day. Cards (€10) are available from 8.30am-2.30pm on Sunday with the playoff for all three grades expected to begin around 5pm.

### DR CROKES CLUB NOTES

#### COUNTY LEAGUE DIVISION 1 - ROUND 8

Dr Crokes 2-19 St Marys 0-10

Played in Lewis Road on Friday 12th of July

You would never have anticipated our convincing win at the end of the first quarter. In this first fifteen minutes the South Kerry boys matched us score for score and led 0-4 to 0-3. The second quarter however belonged to us. We sent over 1-7 without reply, our goal in the 25th minute being a killer blow for the opposition. St Marys had a point in injury time. This left us leading at half time by 1-10 to 0-5.

The first five minutes of the third quarter were again very competitive, the home team scoring a goal and two points to the visitors two points. We again hit a parker patch in the next ten minutes, sending over four points without reply for a 2-16 to 0-7 lead. St Marys however never gave up and matched our last quarter score of three points.

As a result of this game we should be safe from relegation and on a more positive note, a win in our last three games could give us a final birth but a lot would depend on other results for us to achieve that.

St Marys know themselves that they have not got the results they normally get in the County League. They have however been missing key players and on their return will get back to winning ways.

Team and Scorers: Shane Murphy, John Payne, Mike Moloney, David Naughton, Lorcan Mc Monagle, David O'Leary, Brian Looney 0-2, Mark O'Shea, Alan O'Sullivan, Jack Griffin 0-2, Gavin O'Shea, Mike Casey 0-1, Chris Brady 1-3, David Shaw 0-5, Jordan Kiely 1-5

Subs: Kieran Ward, Mike Milner, Johnny O'Leary 0-1, Sean Magann, Harry Potts

#### SENIOR COUNTY LEAGUE DIV 3 - RD 8:

## SPA GAA CLUB

### EAST KERRY JUNIOR LEAGUE DIVISION 2 FINAL: SPA 0-14 DR CROKES 1-10

Played in Rathmore on Tuesday night, Spa and Crokes met again as they competed for the East Kerry Junior League Division 2 title. A point, deep in injury time, from Cian Tobin proved to be the winner on the night. Michael Casey was first on target for Crokes, and Spa had four attempts wide of the mark before Cian Tobin kicked our opening score. He followed with a second but Michael Casey quickly had another two on the board. The first shot on goal came from Cian Tobin but it rebounded off the post, and less than a minute later the same thing happened for Crokes when Sean Courtney's shot bounced back off the Spa post at the end of the first quarter. Paul Cahill and Darren Gaffey swapped points before Michael Casey netted the Crokes goal in the 19th minute to make it 0-3 to 1-4. Cian Tobin's next point glanced the inside post, Liam Spillane followed with another and Ryan Kelliher sent a long high ball straight between the posts. A point from Mark Hartnett made it 0-6 to 1-5 at half time. Paul Cahill, Cian Tobin (2) and Liam Spillane exchanged points with Mark Hartnett, Cian O'Neill and Jack Griffin before Crokes were reduced to 14 men going in to the final quarter. Sean Courtney kicked another for Crokes to extend their lead before Paul Cahill scored twice and levelled the game at 0-12 to 1-9 as full time approached. As injury time began, Alan Kelly kicked a brilliant '45 to edge Crokes in front, but Conor Stack replied for Spa to level

Kilarney Legion U-12's hosted visitors from a south Mayo club, Shrule - Glencorrib, who had travelled down for the Kerry-Mayo game.

the game on 64 minutes. With a number of delays during the half, the play continued and Spa picked up a breaking ball in the middle and closed in on the Crokes goalmouth. A free was awarded and Cian Tobin kicked the winner in the 66th minute. The game finished Spa 0-14 Crokes 1-10. Well done to the team and to the management of John O'Donoghue, Billy Morris and James Fitzgerald. East Kerry Board officer Donald O'Sullivan was on hand to present the winning trophy to Spa captain Brian Devane after the game. Spa: David Carroll, John McKenna, Brian Devane, Paudie O'Donoghue, Shane Fenton, Hugh O'Donoghue, Connie Cremin, Andrew Fitzgerald, Conor Stack, Paul Cahill, Cian Tobin, Liam Spillane, Ryan Kelliher, Mikey Moynihan, Conor Gleeson. Our seniors played their last Co League game away to Scartaglen. We started very strong with Meghann Cronin opening the score sheet. Followed shortly by a well taken goal by Mags Cronin. However, Scart settled and took their points and narrowed the gap. The home side took the lead with a goal and first half was Spa 1-2 to Scartaglen 1-6. East Kerry junior League Division 1 Final played in Cordal last week between Gneeveguilla and Rathmore. Gneeveguilla captured the James Doyle Memorial Cup on scoreline 15 to 1-10 (13) The James Doyle Memorial Cup was presented to Gneeveguilla capt Conor Herlihy by young James Doyle nephew of late James Doyle & Michael O'Mahony PRO of East Kerry Board

#### EAST KERRY JUNIOR LEAGUE DIV 2

Spa 0-14 Dr Crokes 1-10 at Rathmore

The narrowest of margins and deep into injury time, gave Spa a thrilling victory over Dr Crokes in the beautiful grounds of Rathmore, to claim bragging rights with the junior stakes of East Kerry. This final was very close throughout with only a few points separating the sides throughout the game. Dr Crokes started very strong with the excellent forward Michael Casey causing all sorts of problems for Spa's defence in the first half. Casey had notched up

a great point from play before Spa settled with a wonderful point from Cian Tobin in the first quarter. Shortly afterwards, Mike Casey added another two to his tally with Tobin additional one. The skilful Mike Casey added another while Paul Cahill for Spa kept it level. Full Forward for Crokes, Darren Coffey slotted another over the bar. Mike Casey won beautiful possession and knifed through the Spa defence to score the first and only goal in the 25th minute. Spa responded with three consecutive points in the next two minutes. Crokes added another from Mark Hartnett while Spa brought the first half to a close with another from Ryan Kelliher. Dr Crokes entered the dressing room with a lead of 1-5 to Spa 0-6.

At the resumption of the second half Spa started well with an impressive score from Paul Cahill. Mark Hartnett replied. The next five minutes both teams matched score with score from Cian Tobin, Liam Spillane, Mike Casey, Cian O'Neill and Sean Courtney. A shock to the Crokes team with the loss of half forward Roan Delaney for an off the ball incident with a straight red, mid way through the second half. Spa took advantage and acquired ownership with magnificent scores from Paul Cahill. The last ten minutes was very exciting with the teams level three times. However, a foul on Spa's Alfie Giles on the twenty metre line gave a great chance for Cian Tobin to level once again. The back line pushed up and kept possession on Dr Crokes half to enable Spa's midfielder Conor Stack snatch a sweet victory deep into injury time, of an exciting final. Captain Brian Devane was ecstatic accepting the cup from the East Kerry Board and thanked Dr Crokes for a great game. While both teams played well Dr. Crokes had impressive performances from sharp shooter Michael Casey, Jack Griffin, Sean Coppinger, Mark Hartnett and Alan Kelly. Spa had remarkable players in Cian Tobin, Conor Stack, David Carroll, Shane Fenton, Brian Devane, Paudie O'Donoghue and Ryan Kelliher.

In the second half Legion took the game to Rahillys with Darragh Doherty making some strong runs resulting in Legion picking off some great scores up front, Shaun Keane's physical presence was very influential on a game that came down to the wire. The introduction of Kevin Breen helped Legion to kick on, with Pdraig Lucey finishing in the back of the net from a lovely high ball in. Legion showed massive heart to close the deficit and see off a very strong physical Rahillys side notching a valuable two points to the table.

## KERRY HIT TOP FORM AS MAYO SENT HOME EMPTY HANDED

KERRY O'SHEA WAS AT FITZGERALD STADIUM ON SUNDAY TO SEE KERRY PRODUCE SOME OF THEIR FINEST FOOTBALL IN A FEW YEARS

**Kerry ensured their incredible unbeaten home championship record which stretches back to the 1995 Munster final would survive another year when they put Mayo to the sword in no uncertain terms at Fitzgerald Stadium on Sunday afternoon.**

This was easily Kerry's best performance this year as the Kingdom dominated in all facets of play.

Peter Keane rang the changes from the team that was announced on Friday night with Shane Enright, Adrian Spillane, Gavin Crowley and James O'Donoghue selected to start in place of Jack Sherwood, Diarmuid O'Connor, Michael Burns and Dara Moynihan.

Kerry's brilliant footpassing and high fielding at centre-field had Mayo on the back foot. It was clearly evident from a very early stage that there was only going to be one winner. With David Moran majestic at midfield and Sean O'Shea and David Clifford on fire in the forwards and the much-maligned defence doing their job, Kerry built up an unassailable nine-point lead at half-time, 0-15 to 0-6. This proud young team ripped Mayo apart which was a surprise to many present. Kerry created three goal chances during the first-half with efforts from Paul Geaney and James O'Donoghue sailing over the bar, while another Geaney effort following a beautiful Clifford through ball was missed when the Dingle man failed to connect properly with the ball.

Just before half-time, David Clifford sent over a wonderful sideline free kick similar to the famous effort by Maurice Fitzgerald against Dublin in Thurles in 2001, a score that drew gasps from even the Mayo supporters.

DAVID CLIFFORD SHOOTS ANOTHER SCORE WITH SEAN O'SHEA IN SUPPORT IN LAST SUNDAY'S DEFEAT OF MAYO.

Mayo did rally in the second half and the introduction of Seamus O'Shea and Andy Moran proved significant. Kerry goalie Shane Ryan tipped over a Cillian O'Connor penalty late on, while the width of the crossbar denied the visitors a second goal. Kerry finished in style when Paul Geaney finished a Dara Moynihan-Stephen O'Brien move to the net to complete the rout. Kerry head to GAA Headquarters next Sunday afternoon where a much sterner test in Ulster champions Donegal awaits. The Killarney victory is one to be savoured and has given Peter Keane's charges control of their group destiny.

**KERRY:** Shane Ryan; Tadgh Morley, Jason Foley, Tom O'Sullivan; Paul Murphy, Shane Enright, Gavin Crowley; David Moran (0-1), Adrian Spillane; Gavin White, Sean O'Shea (0-7, 6 frees), Stephen O'Brien (0-3); James

O'Donoghue (0-1), Paul Geaney (1-2), David Clifford (0-7, 2 frees).

**SUBS:** Dara Moynihan for O'Donoghue; Graham O'Sullivan (0-1) for Enright (50); Diarmuid O'Connor for Spillane (58); Brian Ó Beaglaoich for Foley (63); Michael Burns for Geaney (68); Mark Griffin for Crowley (71)  
**MAYO:** David Clarke; Brendan Harrison, Chris Barrett, Keith Higgins; Stephen Coen, Lee Keegan (0-1), Colm Boye; Donal Vaughan, Aidan O'Shea; Fionn McDonagh (0-1), Kevin McLoughlin, Jason Doherty; James Carr, Darragh Coen (0-3), Cillian O'Connor (0-6, 3f, 1 pen).

**SUBS:** Seamus O'Shea for McDonagh (HT); Andy Moran (0-1) for Carr (47); Ciaran Treacy (0-1) for McLoughlin (48); Fergus Boland (0-1) for Coen (52); James McCormack for Keegan (60); Eoin O'Donoghue for Barrett (6)

**REFEREE:** S Hurson (Tyrone).

## KEANE SHOWS NO SIGN OF EXCITEMENT

Kerry Senior Manager Peter Keane was showing no signs of excitement following the full time whistle following his side's 10-point win over Mayo on Sunday in Killarney.

It was very much of game won, lets move on and the Cahirciveen man was very much looking forward despite being asked about the previous meetings with Mayo

"Well, look at the league final, March 31st, 3½ months ago, How many changes have we made since the league final? We had eight changes. That's more than half a

team. On top of that, a change that we hadn't made was David Clifford who had only one game played before that in a period of six months. We had to give him that game to give time and get him rolling. I wasn't overly concerned about the league final. If we had won it, it would have been great coming away with a cup, we wouldn't have been jumping and shouting about it and we weren't crying coming down the road either, there is a huge amount of learning required for those fellas. We got eight games out of the league and we were very happy with that."

## ALL IRELAND JUNIOR FOOTBALL PREVIEW

### FIVE IN A ROW NOT THE CARROT FOR JUNIOR FOOTBALLERS

THE KERRY JUNIOR FOOTBALLERS WILL SEEK TO WIN FIVE IN A ROW ALL IRELAND TITLES ON SATURDAY EVENING IN PORTLAOISE, HOWEVER MANAGER JIMMY KEANE INSISTS THAT IT NOT SPOKEN ABOUT BY HIS PLAYERS. **DONAL BARRY** CAUGHT UP WITH KEANE AND CAPTAIN PHILIP O'CONNOR

"Pulling the strengths out of the group that you have" is the key to Kerry Junior success in recent times. That is the belief of Kerry Junior manager Jimmy Keane who sees his charges look to secure a fifth All Ireland title at this grade in a row on Saturday evening against Galway.

Galway are of course no strangers having lost last years final to the Kingdom and Keane admitted that "they left their shooting boots behind last year and they will be eager to put that right".

The Tribesmen arrive to the final off the back of a thrilling 7-17 to 5-22 scoreline, while Kerry arrive having defeated the British champions Scotland in a facile fashion.

Keane, who is in charge now for three years, has had to start from scratch each time with a new squad as no player that wins an All Ireland can compete the following year. So does this pose a problem?

"Well you have to start all over each time. Some groups will have very talented individuals while more groups are even but the even groups can be strong in some aspects that you want to play."

With little enough time to prepare and no ban on players playing with their clubs, the set up

THE KERRY JUNIOR FOOTBALL SQUAD READY FOR SATURDAY EVENING'S ALL IRELAND JUNIOR FOOTBALL FINAL.

is often very different. Something that attracts players to play the grade.

"You have so little time with them that don't really delve too deep into tactics. We do ask them to go out and play with freedom the way they want to play and express themselves. We don't have time to go into systems as much as other teams would."

Despite the headlines that a five in row chasing team at any level attracts Keane admits that is not the carrot for these players. "None of them are going for five, for many it is their first and winning that medal is their focus and nothing else. It will be a nice thing to say afterwards but for now its just Galway on Saturday and that's all we are focused on" admits Keane

## JUNIOR FOOTBALL A GREAT STANDARD

Cordal's Philip O'Connor certainly did not get the best start to life as a Kerry Junior Footballer having been part of the team that lost to Tipperary in 2013. That night is now a distant memory as he heads into next Saturday's final as captain and seeking another All Ireland Junior medal to add to his growing collection.

O'Connor who works with Cara Credit Union in Tralee admits that is a big honour for him but in a modest way he wants to share it with his club Cordal who ply their trade in Division 4 of the County League.

"Cordal we have great club members and being captain of the county side is as much a reward for them as anyone else. It is a huge honour to have a player from your club to play county. We are like any club in Kerry we want to produce minors, Under 20's and Seniors and this is a great way to start it when they see someone local making it"

O'Connor is a full believer in the grade and hopes that the competition can grow as it is a great breeding ground for

CORDAL'S PHILIP O'CONNOR CAPTAIN OF KERRY AHEAD OF THEIR JUNIOR ALL IRELAND FOOTBALL SEMI FINAL

players who wish to take the step up to Senior.

Players like Jason Foley, Killain Spillane, Tadhg Morley, Darren Coen (Mayo) and even Roscommons latest recruit Conor Cox have all spring boarded to Senior football from here.

Many of the class of 2019 also harbour ambitions of getting to that level too and O'Connor speaks highly of his team mates "As a panel we have really gelled together and it is a great bunch."

All this despite the backdrop of poor support for a team chasing five in a row. It is something that will admitting "could be better", O'Connor says the standard is not defined by the level of support in the stands.

"We are realistic I suppose as players. We know what we are getting into. Junior football is every entertaining. The couple of games that I have been involved with have been excellent games. They might not be a tactical as Senior games but they allow players to play with an openness that players want to" O'Connor reveals

# KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

## A Positive Start!

The atmosphere around Killarney last Sunday was reminiscent of Munster Final Days of past years. A huge thank you is due to the wonderful Kerry Supporters who created a sea of Green & Gold inside Fitzgerald Stadium. From the off, Kerry were intent on laying down a marker and each player was willing to put their body on the line. RTE chose David Clifford as Man of the Match, but truthfully the accolade could have been awarded to the excellent Clifford or to several of his colleagues who put in equally impressive performances.

A word of thanks to Der Brosnan, the Fitzgerald Stadium Committee and the band of Volunteers who organised a hugely successful event last Sunday. The Celtic Steps show also added to the occasion. The upgrade of the facilities in the Stadium was evident and appreciated by Patrons. The new Scoreboard sponsored by Quinlans Fish Shops and Seafood Bars looked majestic in the sunshine!

While we all left the Stadium in buoyant mood, it is important to remember that we have nothing won yet outside of the Munster Championship. Next Sunday we travel to Dublin to take on Donegal in Round 2 of the 'Super 8s'. Inevitably, Donegal will provide us with a very different challenge. We need to be ready for this which will be difficult given the limited turnaround time. However, Peter Keane and his Management Team will have them as prepared as possible! The game throws in at 4pm and this can be a tricky time for Supporters but we urge you to travel to Dublin in large numbers and give the team the boost that they got from supporters last Sunday.

The Kerry GAA Supporters Club will take coaches to Croke Park. All seats must be booked by Thursday night July 18th. For booking, contact Donal O'Leary, John King or Martin Leane. The game will be preceded by the Mayo V Meath fixture.

Ticket Prices as follows: Hogan Stand (No Concession) - €30, Cusack Stand - €30 Terrace - €20 Family tickets - Cusack and Davin Stands Adults - €30 Juveniles - €5 Students & Senior Citizens (Cusack & Davin Stand Only): Purchase full price tickets and get a rebate of €10 with valid I.D. at Block D, Stiles 1 to 5 in the Cusack Stand (Rebate can only be claimed on entry into the stadium via BLOCK D) Tickets are on sale at tickets.ie, at Centra and SuperValu stores around the County as well as in the Kerry GAA store in Killarney. The Kerry team will be announced on Friday at 8pm on the Kerry GAA website. We wish Peter Keane, his Management team and the Senior Panel the very best of luck on Sunday.

## Kerry Juniors and Kerry U20s

Best of luck to Jimmy Keane, his Management Team and Junior Panel in their All Ireland Final on Saturday. The other semi-final was played last weekend between Galway and Meath and it was a goal bonanza! After extra time, Galway overcame Meath by the narrowest of margins

Full time score at the Fitzgerald Stadium on Sunday. Picture: T. McGough Fitzgerald Stadium PR

as the game finished 7-17 to 5-22. The final between Kerry and Galway is fixed for Saturday at 5pm in Portlaoise. Hopefully Philip O'Connor will be bringing the Junior Cup back to Cordal this weekend!

Last Thursday Jack O'Connor's U20s defeated Limerick in the EirGrid Munster semi-final. They worked hard against a defensive Limerick side. Next Thursday Kerry meet Cork in the Munster Final in Pairc Uí Rinn at 7.30pm. Cork made light work of Waterford last Friday night so a big challenge lies ahead for our Kerry side. However, Kerry are the Munster title holders and are not interested in giving that title up! We expect a high tempo game next Thursday night and we hope there will be a large Kerry Support present in Pairc Uí Rinn. The Kerry U20 team will be announced on Wednesday at 8pm on the Kerry GAA website. Best of luck to Jack O'Connor, his Management team and the U20 Panel!

## Credit Union County Leagues

# WORKPLACE STRESS!

Whilst we can't control everything in our work environment, we're not powerless to make some changes – even in very difficult circumstances. Fear of losing our job, increased pressure to perform to meet rising expectations, staff cutbacks and increased overtime can all lead to excessive workplace stress. The way in which we deal with workplace stress and pressure is crucial. The key factor is to focus on those things that are within our control – namely ourselves. The better we are at managing our own stress, the less we will be affected negatively by other people's stress. Strategies to manage our own stress include

It is important not to ignore the warning signs of work stress as these can lead not only to less productivity and effectiveness but to physical and emotional problems. Some signs and symptoms of excessive job stress include lack of interest in work, sleeping problems, social withdrawal, headaches and muscle tension, fatigue, difficulty concentrating, feeling anxious or irritable and stomach upset. If you are experiencing any of these symptoms then it is time to take action. Taking care of you involves making more positive lifestyle choices – one step at a time.

1. Keep Active. Regular exercise is a powerful stress buster. Try to get at least 30 minutes of heart-pounding exercise at least 5 times a week. This will enhance your mood, increase your energy and relax your body and mind.
2. Healthy eating is vital for dealing with stress. Eat small but frequent meals to maintain a balanced blood sugar, avoid mood swings, keep your energy up and help you to concentrate.
3. Smoking can lead to higher levels of anxiety as nicotine is a very strong stimulant.
4. Don't drink to relieve job stress as this can lead to problems down the line.
5. Aim to sleep for 7-8 hours per night as a good sleep can keep us emotionally balanced and better resourced to deal with stress.
6. We've all heard how 'a problem shared is a problem halved' – so share how you are feeling with family or friends.
7. Prioritise and Organise your responsibilities. Good time management and organization can significantly reduce stress levels. Make a list of 'to-do' tasks and attend to them in order of importance – with high priority tasks first.
8. Break tasks into small steps – and focus on each manageable step one at a time. This will prevent you from getting overwhelmed by taking on everything at once.

*Next week we will look at further strategies to reduce Workplace Stress.*

### Know Your Rights:

#### QUESTION

I have a second property, which I would like to rent out to visitors for short stays? Are there any procedures I need to follow?

#### ANSWER

Yes, there are new regulations for short-term lettings that you may need to follow. These regulations came into effect on 1 July. They aim to bring properties used for short-term tourist lettings in Rent Pressure Zones (RPZs) back to the long-term rental market. The regulations cover people who let out property for short stays (less than 14 days) in RPZs, which are areas where rents are highest and rising quickly. The Residential Tenancies Board has a rent pressure zone calculator where you can check if your property is in an RPZ to see if the regulations apply to you. If your property is in an RPZ and you want to let it out on a short-term basis for the first time, you will need to get planning permission so it can be used for tourism and short-term letting purposes. If you are already renting your property on a short-term basis, you will need to apply for retention permission. You apply for planning permission to the local planning authority, who will decide on your application within eight weeks. However, it should be noted that in areas of high housing demand, where there is high rent inflation, insufficient supply and lots of applications, it is unlikely that permission will be granted.

The regulations do not apply if your property is outside an RPZ. They also do not apply if your property is a holiday home, or is used for longer-term flexible lettings, or is a normal letting used for longer stays of more than 14 days.

The Department of Housing, Planning and Local Government website has an FAQ document about the regulations, which includes further information.

## BEWARE OF WATER INTOXICATION IN DOGS!

On the first anniversary of the death of their dog Max an English animal lover has issued the following warning to Dog Owners.

Just a year ago after a day filled with fun, fetch and swimming in Lake Windermere, Myself, Lucy and Tiggy had to say goodbye to our best friend Max.

He collapsed and was rushed to the nearest vets where he was diagnosed immediately with Water Intoxication and put on drips of sodium, potassium and mannitol to increase his electrolytes and relieve pressure on his brain.

After 7 hours of determination from the vets and nurses, Max was unable to pull through.

"Water Intoxication is a relatively rare but frequently fatal condition in dogs. At highest risk are dogs that enjoy playing in the water for long stretches."

We are so unbelievably devastated that a simple game of fetch in the water, something we had done a hundred times before, resulted in such a perfect day turning into our worst nightmare.

Water Intoxication was something we knew nothing about. At this time of year, so much awareness is spread about not leaving dogs in hot cars but no one ever mentions the hazardous effects of your dog ingesting too much water whilst playing.

We have had to learn the hard way and all we can do now is spread awareness of this terrible condition in the hope that other dog owners are informed.

\*Water intoxication is caused by excessive water intake by the dog while playing in the water. Symptoms to look out for are loss of coordination, glazed eyes, lethargy, nausea, vomiting and excessive salivation. ... if you suspect your dog is suffering from water intoxication, they need immediate medical attention.

## NEW ZEALAND'S CAPITAL CITY HELD ITS FIRST MANAAKI DAY LAST NOVEMBER

When 6-year-old Eddie Writes decided the world needed a little more kindness, he did the only thing he thought would work he wrote to his city's mayor and asked for help putting on an annual "Kindness Day" and the surprising thing was Wellington Mayor Justin Lester wrote back.

As a result on Nov. 16, New Zealand's capital city held its first Manaaki Day (manaaki being the Maori word for kindness), taking Eddie's ideas of how to encourage and celebrate charitable acts - buying toys for children that hadn't any," for example - to improve the social well-being of citizens.

"I am pleased to see a change in politics in New Zealand that I hope focuses more on listening," says Eddie's mother, the noted Kiwi writer and feminist Emily said "Kindness should be what politics is all about. When you become a politician, it shouldn't be for money or power or privilege it should be because you had a dream right from childhood that you could work with others to make our world better."

The mayor's support for the new holiday was part of a new wave of progressive, child-centred politics sweeping New Zealand, led by Prime Minister Jacinda Ardern, herself a new parent, who pledged New Zealand would be "a kind and equitable nation where children thrive, and success is measured not only by the nation's GDP but by better lives lived by its people."

## DID YOU KNOW?

That on this day in 1785 Richard Crosbie a science enthusiast from Co Wicklow who had studied at Trinity College Dublin made his third attempt to cross the Irish Sea in a hot air balloon. This was despite the fact that the Mayor of Dublin had issued a ban on flying balloons as when they were floating over the city, work levels and production dramatically fell as the locals stared up in wonder at the flying crafts. Beaten by severe weather conditions that caused his balloon to descend into the Irish Sea, about halfway between Ireland and Wales, he was rescued by a ship that had been following his progress from below. A statue of him was erected in Ranelagh Gardens, Dublin to honour his heroics.

## MARRIED IN HASTE

Two century-old seniors have tied the knot after meeting in their assisted living facility in Ohio.

John and Phyllis Cook met at the Kingston Residence of Sylvania and dated for about a year before they went to get their marriage license recently and ended up just having their wedding right there.

"It wasn't the plan, but we got here and they said we could marry you here. I said 'good, let's get it over with!'" John said

John is a World War II veteran that recently turned 100. Phyllis, originally from West Virginia, will turn 103 on August 8th, which is still three years shy of how old her mother lived to be.

"To tell you the truth, we fell in love with each other. I know you think that may be a little bit farfetched for somebody our age, but we fell in love with each other," Phyllis said.

"Well, we were just compatible in a whole lot of ways, found ourselves enjoying each other's company," added John.

## A Word of Victory

Welcome back dear reader "show me the right path, O Lord; point out the road for me to follow. Lead me by Your Truth and teach me, for You are the God who saves me" (Psalm 25:4-5 NLT). We all need guidance and direction in our lives, but where our instruction comes from will have a bearing on the outcome. Each one of us is on a journey through this life, but this earth is not where our journey will end. When you and I close our eyes for the last time, the 'earth suit' – the physical body will die, but the spirit and soul will live forever in one of two places - Heaven or Hell. God desires that all people come to know Him and be saved (1st Timothy 2:3-6). Saved from what? Eternal separation from Him. Hell was created for the devil and his angels and not for mankind. But unfortunately, many kind and wonderful people end up there because they have been instructed and directed by un-truths instead of the Truth of God's Word. The Scripture above tells of King David's trust in the Truth of God's mercy, forgiveness and love. Jesus spoke about 'Truth' many times. He told the Samaritan woman that those who worship God must worship Him in Spirit and in Truth (John 4:23-24). Theological reasoning's and laws are irrelevant, and only those who worship God led by His Holy Spirit, leaning on the Truth of His Word hold any weight with Him. In order to approach Almighty God we have to come through the 'Gate' that is - His Son Jesus (John 10:7-9), and His death and resurrection only. Jesus said 'I am the Way, the Truth and the Life; no-one comes to the Father except through Me' (John 14:6). Later, when Jesus promised the Holy Spirit, He said that He will reveal Himself to each person individually as we love Him and obey His commands (John 14:15-21). It is the Holy Spirit who reveals the Truth of God's Word and the love of God for all humanity which He accomplished in Jesus (John 3:16-17). If you are unsure about any of this friend, call upon the Lord Jesus the Son of God, and ask Him to reveal the Truth to you and He will answer you. 'Come out from unbelief... and come into God's family' (2nd Corinthians 6:14-18). Humble yourself before God, repent of your sins, and "you shall know the Truth and the Truth shall set you free" (John 8:31-32)
