It's a picture fest in this week's Killarney Outlook with our photographer Marie Carroll O'Sullivan busy covering all that's happening in the town – and that's in between putting the finishing touches to her act for next week's Killarney Sing-Off in aid of Anthony Morris's battle against Lyme Disease.

The focus of much of this week was on the young people in Killarney. Monday evening in splendid sunshine the Leaving Certificate class of 2016 from the three Killarney Secondary Schools headed off to their Debutante Ball, however it was back to business on Wednesday morning when they collected their Leaving Cert results at their respective schools.

All eyes will be on the Rose of Tralee this week when Killarney's own Danielle O'Sullivan will represent Kerry in the contest. Killarney Cardiac Response Unit are on the lookout for volunteers and a Killarney woman is behind a novel fundraiser for the Kerry Hospice Foundation this weekend.

So sit back relax and enjoy this week's Killarney Outlook – Out first every Friday.

Aisling Crosbie.

DANIELLE RELISHES HER ROLE AS A ROSE

With the Rose of Tralee in full swing, this year's Kerry Rose, Danielle O'Sullivan from Killarney is taking it all in her stride.

The 23 year old from Kilcummin is enjoying every minute of the festival and has huge support from her family and friends.

Danielle is an avid sports fanatic having played gaelic football with Legion GAA club for many years and is the proud owner of a black belt in Tae-Kwon-Do and a bronze medal from the European Championships when she

represented Ireland.

With a degree in Law and Economics under her belt, Danielle is currently studying for a Masters in Human Rights, Law and Criminal Justice and hopes to work in the area of women's rights and has her eye on a career with the United Nations.

Being a local at the Rose of Tralee will be an advantage to Danielle and her family are currently working away on banners and signs

for her big stage interview in the dome.

And while Danielle won't be singing and dancing on the night – she has promised to do something – so stay tuned and keep your fingers crossed for Danielle – who could be poised to be the 2016 Rose of Tralee.

The hard work and dedication of leaving cert pupils paid off this week when they received their State examination results.

There were smiles all round at the three Killarney secondary schools, St. Brigid's

Presentation, Killarney Community College and St. Brendan's College for our photographer Marie Carroll O'Sullivan who was on hand to capture the moments when many students realised their dreams.

Speaking to the Killarney Outlook, Principal of St. Brendan's College Sean Coffey said "It has been a special year on many fronts, in achieving at Sport, in achieving at Subject Competitions and during this week being presented with excellent Leaving Cert results". In welcoming the results, Mr. Coffey paid tribute to the dedicated work of the staff at the school "Staff here are committed to the development of the whole student, of course on results day, we recognise the academic efforts but it is also appropriate to thank staff for their overall engagement with our 6th years over their life in the school. With 20% of the students achieving over 500 points our school once more sends forth young men into every echelon of 3rd level education", he added. Attention will now focus on the 1st round of the CAO offers on Monday next as a new generation of school leavers enter a new era of their lives and enter third level education.

Together they will be hoping to hammer home their performance for your vote. This wouldn't be the first rodeo Batty "Skip" O' Sullivan has been in over the years, one of the most loved characters in town faces an extra challenge this year as Batty will not only be competing against 9 other acts but also his own son Andrew and his group to see who really rules the roost at home. The next group consists of musicians, DJ's and Radio presenters. Normally behind the microphone Alan & Co. will be rocking you all night long hoping to win that all important vote.

The final group contesting in Killarney's first ever Sing Off brings together the biggest collection of characters and jokers Killarney has to offer. The leader of the pack is the joker himself, a man who always has the biggest smile on his face rain, hail or shine, Niall O' Sullivan of Killarney Carpet & Furniture Centre, High Street. Gabor Szucs of OMG Fashion High Street has been styling and making alterations to the women of Killarney with his glorious range of dresses since coming to town. WOULD YOU LIKE TO SAVE A LIFE?

With one year of going live under their belts the Killarney Cardiac Response Unit are on the lookout for new volunteers.

Speaking to the Killarney Outlook, coordinator Leo O'Connor said "we have responded to 200 callouts in the year alongside the National Ambulance Service and are looking for more volunteers to come on board".

The Killarney Cardiac Response Unit is a voluntary Unit of approximately 40 volunteers, from all sectors of society, who respond to 999/112 emergency Cardiac Phone calls. "We are activated once a Cardiac call is made to Ambulance control and cover an area of 6km from the centre of Killarney Town. The Responders have a Pager/Radio on them which is linked in with a control phone through the National Ambulance Service", Leo added.

"We work alongside and under the control of the National Ambulance Service. We are not here to replace the Ambulance Service but to complement them by providing care and utilising those vital few minutes as every second counts, until The National Ambulance Service arrive on scene. An out of Hospital Cardiac arrest has the worst possible outcome for survival, mainly because resuscitation is often delayed or not given. It is vital that resuscitation is started as soon as possible

BEAUTICIANS BACK NOVEL FUNDRAISER

A Killarney woman is behind a novel fundraiser which will be held this Sunday, August 21st. Caitriona Heffernan from Fossa has organised Beauty and the Beast with the support of Killarney based beauticians and all proceeds will go to the Kerry Hospice Foundation. When Caitriona went through treatment

for breast cancer in London 5 years ago she became aware of the lack of involvement from the beauty industry, arguably at a time when men and women most need advice and some pampering. "Coping with the visible side effects of cancer on top of medical worries and intensive treatment can be very difficult", Caitriona told the Killarney Outlook. Caitriona has therefore asked the Killarney beauty industry to support cancer patients by offering them a treatment when they most need it. She has been delighted with the response so far with beauticians sending a powerful message of support offering free manicures, eyelash tints and eyebrow definition treatments, which are particularly helpful during and after chemotherapy.

Caitriona saw at first hand the vital role of Kerry Hospice when her brother Brendan needed their care in 2013. "We will never forget the dedication and compassion of the Palliative Care Nurses and the essential services of the Day Care Unit. The role that the new 16 bedroom inpatient unit will play in improving the quality of life of terminally ill patients, and enabling family and friends to be close to them, cannot be understated," she said.

Caitriona is deeply grateful to the following beauticians who are offering treatments free of charge:

Lady Jane Body & Beauty, Upper Park Road.

Linda's Beauty & Holistic Clinique, Woodlawn Road.

Killarney Toning & Beauty Studio, Fair Hill.

The Innisfallen Health & Beauty Rooms, The Malton Hotel.

The Spa at Muckcross, Muckcross Park Hotel.

The Spa at the Killarney Plaza Hotel.

Desire Beauty & Nail Salon, West End House, New Street have joined the campaign and generously offered a number of treatments with an additional choice of facial, pedicure or make up application.

Kerry Hospice provides a wide range of support services to men and women with terminal illness, beauty advice being one of them. Practical advice is also available from Recovery Haven, Tralee and some Boots No7 beauty advisors are specifically trained in partnership with the Irish Cancer Society.

If you are undergoing treatment and would like to avail of a complimentary treatment please contact Caitriona on caitrionachelsea@gmail.com (limited number of treatments available). If other beauticians or hair salons would like to join the campaign please also contact Caitriona.

A street collection will be held in Killarney on Sunday 21st August for Kerry Hospice, please give generously to enable the Hospice to continue supporting patients, their families and friends during the most challenging time of their lives.

DON IS HONOURED FOR FOUNDING KILLARNEY ATHLEITC

The sun was shining on the picturesque setting of the Killarney Athletic pitch on the banks of the River Flesk on Thursday night last when the club's founder Don Harrington was honoured.

A large crowd attended the event and a commemorative plaque was unveiled acknowledging Don as the man who founded the club in 1965. Don also presented the Monica Harrington Memorial Cup to Colette Casey for her outstanding commitment and dedication to the Club. In presenting the award, Don said "I will never forget the kindness and support I received from the Club and all of you at the passing of my dear wife Monica last year. It is hard for me to feel that over 12 months have gone by since then.

I am delighted to be given the opportunity to present the Monica Harrington Memorial Cup for the second time. This time to Collette Casey another lady committed and dedicated to Killarney Athletic Club just like Mary Carrick last year.

I know that Collette has had family connection with the club, firstly, through her father Pat Casey (RIP) who was on the committee at the Arus Padraig during the early days of the 7 a side and her brother Vince Casey.

But not withstanding this, to her credit over the past 12 years Collette has given her personal commitment to the club with skill, passion, drive and determination".

Donagh Gleeson, Pat Doody and John Sparling who were part of the Athletic teams in the early years attended as well as members representing all 5 decades of the Club thereafter. Dons' sister Esther also travelled from England for the occasion with many of Monica's' (RIP) family from Cork also present.

"I cannot put in words how honoured and humble I feel at the unveiling of the commemorative plaque for me for the

Founding of Killarney Athletic Soccer Club.

Over the years, I appreciate the warmth and kindness you have all shown to me.

I never envisaged all those years ago when I came across Donagh Gleeson and his mates playing soccer in the Sand Pit Carpark what the Club has matured into today. I am so proud of Killarney Athletic Club", Don told the gathering. I cannot let this moment pass without saying thank you to all the men and women who have collectively made this happen and for the time, passion and commitment they have given to develop the Club into what it is today.

Mike O'Sullivan recalled the significance of what Don had done and achieved in forming a soccer club in Killarney in 1965 as a 19 year old Garda. Mike acknowledged the support and encouragement that Don must have received from his colleagues in the Killarney station at

the time.

Mike also acknowledged the generosity of spirit shown by the late John McShain (RIP) through his solicitor Michael Casey (RIP) in granting Don permission to use a part of his land in the Half-Moon field for a soccer pitch. Mike said "that link still remains there today through the support of the Killarney National Park as the club continue with the use of a pitch in the Knockreer playing field".

Club Chairman Mike O'Shea expressed his delight in being able to honour Don with the unveiling of the plaque, while he said "that meeting and getting to know Don over the past year has inspired him greatly". Also to mark the occasion Mike on behalf of the Club presented Don with a keepsake award that was kindly sponsored by Tom Tobin another former member of the force and Chairman of the Club.

2015 DEERPARK PITCH & PUTT CLUB DANNY NOLAN MEMORIAL THREE BALL SCRAMBLE WINNING TEAM OF JOHN MURPHY, SHEILA O'DONOGHUE (DEERPARK LADY CAPTAIN) AND GEOROID CRONIN PICTURED AT THE LAUNCH OF THE 2016 EVENT WHICH WILL TAKE PLACE AT THE KILLARNEY COURSE ON FRIDAY AUGUST 26TH AT 6.15PM.

An avid Pitch & Putt player and popular Killarney man will be remembered at a tournament in his

honour on Friday 26th August. Danny Nolan one of Deerpark Pitch & Putt

clubs revered officers passed away in 2011 and next week the fifth annual Danny Nolan Memorial Three Ball Scramble takes place at the Killarney course at 6.15pm.

Inaugurated in 2012 after Danny's sad passing in 2011, the event has proved to be a popular social success not just with club members but also with the many friends Danny made throughout his time as they gather to reminisce about a much loved character. Danny served on the Deerpark Committee for years being Chairman of the club during a successful period from the mid-nineties until the mid-noughties and the club is proud to honour his memory.

The event is open to both adult Deerpark and Gleneagle members along with non-registered members of the PPUI with entry €5 per player and the draw for teams taking place at 6.15pm on Friday August 26th. The presentation of prizes will take place after the event as part of a social evening at the course.

"We ask all those who knew Danny to make an effort to attend on the night", Jason O'Connor told the Killarney Outlook.

LETTER TO THE EDITOR

A Eagarthóir,

There are many households who do not have Sky Sports and are, therefore, unable to watch a number of the major G.A.A. championship games in their own homes. At present the only option available to quite a large number of us is to go to a pub or hotel. Some, especially those with young children, do not wish to view the games in such surrounds and they are very disappointed to miss seeing their favourite teams in action on the big day. Most G.A.A. clubs have splendid clubhouses that serve the community very well on local match days and on social occasions. These buildings would be an ideal location for people who wish to view games being played in Croke Park or some other distant venue. So maybe Local Cubs would reinforce their dynamic role as community focal Centres by hosting people from the local community, members and non members, on those days when inter county games are the preserve of Sky television.

Le Gach Dea-Ghuí Michael Gleeson.

SCRAMBLE FOR SEMI FINAL TICKETS HOTS UP

With a Croke Park full house of over 82,000 spectators guaranteed, the scramble for tickets for the much anticipated All Ireland semi final meeting between Kerry and Dublin on August 28th is well and truly underway. On line tickets have been sold out and there has been a huge demand for tickets allocated through the county Board/Clubs. Kerry and Dublin have never failed to grab the imagination of their rival supporters and when you add in the fact that the GAA public at large have been waiting on this game to ignite the championship season, one can understand why the demand for tickets is so great. There is of course a third county involved and that is Kildare who have surprised many observers by reaching the Minor semi final where they will meet a treble

chasing Kerry team.

Tickets which were available on general sale online at GAA.ie are not available at the moment but a further on-line allocation will be added by Croke Park.

Any tickets not allocated through the clubs here in Kerry will go on public sale at the County Board Office in Austin Stack Park and the Kerry GAA Store in Killarney Outlet Centre on Thursday 18th August from 2.30 pm.

Admission Prices as follows: Hogan Stand (No Concession), Cusack and Davin Stands - €40; Terrace - €25; Family tickets for Cusack/Davin Stands - Adults - €40 Juveniles - €5; Students and Senior Citizens (Cusack and Davin Stand Only) will receive a €10 refund on production of valid ID at the usual stiles.

The minor semi final between Kerry and Kildare throws in at 1:30 while the senior semi final between Kerry and Dublin will have a 3:30 pm throw-in with Meath's David Gough, who refereed this year's Munster final, in charge.

MOLLY-KATE FINALLY MEETS HER DANIEL

DANIEL WITH MOLLY KATE HAVING A LITTLE DANCE AT THE INEC KILLARNEY ON FRIDAY. PHOTO: DON MACMONAGLE.

The internet sensation Molly-Kate Sloyan from Kinsale finally met her idol the 'real' Daniel O'Donnell who invited her to his sold out gig in the INEC, Killarney last week.

A video of the 23-year-old super fan went viral in February as it showed her reaction to Mario Rosenstock impersonating her idol Daniel, during the The Late Late Show Valentines special. Molly-Kate's expression switched from delight to disgust when she realised that it wasn't the real Daniel performing to the audience.

To make up for Molly-Kate's disappointment the Donegal star sent out a special video message inviting her to last Friday nights sold-out gig in the INEC Killarney. Distance could not stop Mary-Kate from meeting Daniel as she flew especially from Spain to attend the show on Friday night.

GAA HAS ALL SCENARIOS COVERED

The CCC has drawn up a football fixtures plan with regard to the three different scenarios in relation to the progress of the Kerry senior and minor football teams in their respective championships. Hopefully of course, both teams will advance to the All Ireland Finals on September 18th but fixture plans have been put in place to accommodate all eventualities such as the seniors advancing on their own or the minors advancing on their own or, dare I mention it, should neither side advance to the finals.

Plans for all three scenarios in relation to the senior and club championships and the final round of the county leagues have been circulated to all clubs and all Team Managers should be well aware by now of the various permutations.

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

WHY SHOULD YOU REVIEW YOUR PENSION?

To check the performance of your pension and what funds you are invested in. This is **VERY IMPORTANT**, for example, if your pension is invested in high risk funds your total pension fund could substantially reduce over a short period of time and if you are coming close to retirement this could result in you having much less of a pension when you retire.

Is your pension on target to reach the income you want on retirement? This should be checked on regular occasions, at least annually, if your pension is not on target changes can be made to help put your pension back on track again.

What pension provider is your pension with and how much do they charge you? Charges are very important because you need to make sure that your pension charges are competitive on a like for like basis with other pension providers.

Pension providers offer much more choices to clients now than before and the choices can be easier to understand if explained to you in plain simple English and by not using jargon. An independent financial advisor should help you understand your pension and your pension options better.

For the above reasons I recommend at least an annual review of every pension with an independent financial advisor.

To discuss the above or for any other queries you can contact **Dermot Cronin QFA APA** at **064 66 22775** or email at **dermotcroninifa@gmail.com**

BEAUFORT NOTES

BEAUFORT JUNIORS: Take the accolade of Team of the Week when they captured the Mid Kerry B Championship title in Cromane on Tuesday evening last as they beat Milltown/Castlemaine in the final. This was their first win since 2009 and it was won on a score-line of 1-13 to 0-9. Beaufort lined out without the services of injured midfielder Sean Foley. They took the lead after 14 minutes and never relinquished this though Milltown/Castlemaine did draw level 15 minutes into the 2nd half. Veteran full-forward Kevin O'Brien was chief scorer for the winners contributing 8 points. Beaufort had their first score from Michael Fogarty after wingback Edwin Kelliher made a telling run. Their 2nd score came from a free from Kevin O'Brien after Man of the Match Ronan Ferris was fouled. Ferris turned scorer with a point before Kevin O'Brien had another free after mid-fielder Padraig Hallissey was fouled. A good run from centre-back Sean Fogarty led to a point from Micheal O'Sullivan. Beaufort defended well and goalkeeper Jason Foley was wide with two attempts at 45s.

Midfielder Shane O'Sullivan robbed his player and scored a point to lead 0-6 to 0-4 at half-time. Kevin O'Brien had a point from play in the 1st minute of the 2nd half after he was at the end of a short free. Niall O'Connor had a goal chance but was well saved. Another great run by Sean Fogarty led to another Kevin O'Brien free. Milltown/Castlemaine levelled matter on 14 minutes but then Beaufort took over. Jeremiah O'Sullivan replaced Michael Fogarty. Kevin O'Brien had a free after Conor Breen was fouled. Good work by Padraig Hallissey and Micheal O'Sullivan led to another O'Brien free and he was again on the end of a move involving Micheal and Shane O'Sullivan. Niall O'Connor was at the end of a pass from Ronan Ferris to extend the lead to 4 points. Gary Tangney replaced Edwin Kelliher. O'Brien again raised the white flag from a free after Padraig Hallissey was fouled. Patrick Howell and Ryan Sweeney replaced Micheal O'Sullivan and Gary Coffey. Niall O'Connor had the final say with the only goal of the game on the stroke of full time. Final score: Beaufort 1-13 Milltown/Castlemaine 0-9. Well done to the management team of Gerry Kelliher and Maurice Foley.

FOSSA U-12 BOYS ALL-IRELAND SOCCER CHAMPIONS:

The Community Games All-Ireland U12 Soccer Finals took place in Athlone last weekend. Fossa, representing Munster played Clonguish from Longford in the semi final. This proved to be a very tough game with Ryan O'Leary converting from the spot after Finn Kennelly was brought down with only 10 minutes to go. Matthew O'Connor had a fantastic double save to give Fossa the win.

In the final Fossa were up against the favourites, Claregalway who defeated Letterkenny 2-1 in the other semi. The first half was very close with neither side scoring despite both teams having good chances. Two minutes into the second half, a sublime through ball from Sean Dineen which Darren Ryan got on to and majestically chipped the oncoming keeper for the winning goal. For the remainder of the second half both teams again had chances with Fossa unfortunate on the break on a number of occasions. When the referee blew the final whistle the wonderful Fossa supporters went wild. After coming home with the silver in the football two years ago the Fossa boys were determined to give it their all and upped their game significantly from their first match. Matthew O'Connor was superb again in goal with some fine saves. Our back three of Robert Brooks, Cian Doyle and captain Peadar Kelliher

could do no wrong with Robert and Peadar man marking the oppositions best players and Cian clearing everything that came his way. Sam Buckley was on fire on the left wing and Ryan O'Leary likewise on the right. Eddie Moroney and Rocco Sheehan played their best games of the competition. Our midfield general Sean Dineen showed the courage and commitment it takes to win an All Ireland. Up front Darren Ryan and Finn Kennelly worked their socks off. Substitute Maxine Leon proved his worth when introduced. All Ireland Champions Fossa, well done to a fantastic group of boys.

U-16 BOYS: On Monday evening our U-16's met Kerins O'Rahillys in a must win game where defeat would almost certainly mean elimination from the county league. After a bright start where we had a goal from Eamon Murphy and further points, mainly from Emmet O'Shea, the game became scrappy with Fossa in particular guilty of missing some guilt edge chances. However, Fossa got to half time with a 5 point lead. The second half was much more one way traffic. The backs got much tighter on their opponents with John Talbot and team captain Cian O'Shea dominating the midfield area. A superbly dispatched penalty from the team captain and further goals from Eamon Murphy and Eoin Talbot pushed Fossa to a 4-14 to 0-10 victory. Eamonn Murphy, with 2-3 and the pin point accuracy of Emmet O'Shea (0-9) were big factors in the victory. This however was a real workmanlike performance with Ryan Sheehan showing power and strength, Cian O'Shea, Cian McCarthy and Anthony O'Keeffe all dominating the centre spine of the team.

On Wednesday evening it was Gneeveguilla away in the final group game. A victory here

would guarantee a semi-final place. Having got off to a very strong start the team had a comfortable lead at half time. This continued in the second half and Fossa ran out comfortable winners on a score line of 8-14 to 2-11. Best for Fossa on the night were Cian McCarthy, Cian O'Shea, Emmet O'Shea and Daniel Talbot. The team has now qualified second in the group and will contest a home semi-final.

U-16 GIRLS: Fossa U-16 Girls chiselled out an away win in a tight encounter against a sharp and skilful Corca Dhuibhne team in Lispolle last Thursday evening. Weather conditions played a part in making it difficult for both teams. Both sides were finding it hard to convert their chances but Fossa were creating opportunities and they were just edging out their opponents in the possession stakes as the first half reached its conclusion. Half time score, Fossa 1-6, Corca Dhuibhne 0-2. On resumption of the half Corca Dhuibhne looked dangerous every time they went forward, with their speed and movement particularly impressive. Fossa's defence stood strong and the satisfaction from this win comes from the manner in which the girls fought to grind it out, showing a determined character. Credit must go to our U-14 girls, Jodie Sheehan, Aoife Kissane and Sara Sheehan who helped us fulfill the fixture, as a lot of our U-16 girls are away on holidays. The final score does not reflect the intensity in this Div 1 clash. Fossa 2-9. Corca Dhuibhne 0-4. Fossa have secured a home semi final against Milltown/Listry.

FOSSA NOTES: If anybody has any item they would like included in the notes, please email information to John O'Neill at pro.fossa.kerry@gaa.ie. Please forward information before Sunday at 11am.

championship pace we matched our illustrious opponents for the entire 60 mins and at the end it took a great save and the crossbar to deny us a well deserved league point. A point that would have a great influence on the final round of the Co. League. As it is we are depending on a highly unlikely win by Rahillys over Mitchells in the final round to give us the opportunity to maintain our Div 1 status. Credit is due to our players for a heart warming performance and gives us confidence facing our championship games against Milltown/Castlemaire and Glenflesk in the coming month. **TEAM:** Tommy Brosnan, Sean Brosnan, Damien O'Leary, William Maher, Daniel O'Leary, Gavin O'Connor, Daniel Moynihan, Shane McSweeney, Kevin Gorman, James Devane, Noel Duggan, Eric O'Connor, Chris O'Leary, Kevin McCarthy, Richie O'Connor. COMMUNITY GAMES: Athlone was the venue this weekend for the National Finals of Community Games and we had 16 competitors representing Parish & County at this wonderful gathering. And what a weekend it was for our young U12 music group who performed superbly to sweep to glory and bring six All-Ireland Gold Medals back to Kilcummin. With Olwyn Evans on concertina, Julieanne Friel on guitar, Michael Healy and Ryan McGurl on tin whistle, Liam Kerrisk on accordion and Ewan Evans on tin whistle and mandolin, these young musicians gave perfect renditions of Frank Thorntons Highland and Chase me Charlie Slide and it was celebrations all around as Kilcummin and Kerry were announced as All-Ireland champions. Well done to all involved and a big Thank You to Grania Evans for her time and effort in preparing the group over the past few months. Well done to our U12 Singing Group who also put in a super performance but were outside the medals in a very competitive event. No doubt but Clare Culhane, Molly O'Connor, Amy Sexton, Kayla Shine & Ruth Doyle will benefit from the experience and many thanks to Lily Foley for her help in preparing this group. Finally well done to our very young U16 Music Group who performed perfectly but came up against some very experienced musicians in this competition. Four of this group of Claire Stagg, Shauna O'Leary, Kirill Healy, Liam Randles and Brandon Griffin are under age again next year. Many thanks to Stephen O'Leary for his work in preparing them. FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

IMPORTANCE OF MASTERING THE BASICS NOT ONLY FOR YOUR WORKOUTS BUT FOR EVERY DAY ACTIVITIES.

• Everyone wants six pack abs yet a lot of people coming into me first day are unable to engage their core correctly to activate the abdominal muscles in a basic crunch or pelvic tilt. They may look to an untrained eye like they are doing it properly but are not engaging and firing up the right muscles. So how could you get a six pack when you are only pulling on your neck head and shoulder? Again this is where injuries happen. But don't just think that these basics are for the trained seasoned athletic type gym bunnies, these basics will also come into play for Functional everyday activities. For example;

- we need to squat every day when we are sitting down.
- We should be deadlifting and hip hinging every day when we are picking up things.
- We are doing a crunch/ sit up or push up getting up out of bed every morning
- and we should be practicing standing abdominal bracing when holding Heavy shopping bags, or lifting boxes etc.

Unfortunately none of these basics are mastered or practices by most people and they end up doing damage to their body's either short or long term.

I have heard this phrase so many times and I think it says it all. "you only have one back so mind it"

To get up to date with these basics and get practicing check out my website www.fitnesswithedele.com

Beauty tip

Cuticle Care

Use excess eye cream on cuticles. The more you hydrate your cuticles, the stronger your nails will be.

UNLOCK YOUR CREATIVITY!

According to Julia Cameron in the book *The Artists Way*, "creativity is God energy flowing through us." She says, that "when we are clear about who we are and what we are doing, the energy flows freely and we experience no strain."

I agree. However, allowing ourselves to trust our creative life force can be a scary and challenging process. Every single one of us is a creative force; whether we are creating a home, a relationship, a business or a piece of art. Living your best life is a creative process and it asks us continually, "What do you want? What is your vision?" This is where we are most likely to doubt ourselves. We put blocks in the way. We make excuses and give ourselves plausible reasons why today is **NOT** the day to follow our dreams. We look at others and find them so much more capable or talented than ourselves. We find endless tasks and chores to do before we make time to sit down and write, paint or even just give ourselves five minutes to day-dream. We may eat or drink too much or keep ourselves so busy that we couldn't possibly take a half hours walk!

TODAY'S COACHING CHALLENGE!

Become aware of where you block yourself from doing the things you want to do and making the changes you want! Instead of using your favourite way to block your creative energy try just sitting with the feelings instead! If you feel resistance or anxiety – USE it! Work with it, play with it, paint it, write about it! This is one of the quickest ways to unblock your creativity and move ahead!

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON AUTUMN LAWN CARE

This is the time of year to look after your lawn after the wear and tear of a long season. Any repair work that needs to be done can commence before the winter comes in and the growth stops.

After you cut your lawn at this time of year it would be well worth giving it a good rake. This practice is known as scarifying and it keeps the levels of old grass stems and dead moss under control.

Old grass stems that go deeper than about 1 cm can slow down water and fertilizer getting through. For larger lawns there are power tools available.

You can also give your lawn an autumn feed at this time of year. Use an autumn lawn fertilizer which is high in phosphates and potash as this will help strong roots to develop. Do not use a spring fertilizer as it contains high levels of nitrogen which will encourage soft leaf growth and this could be damaged by frost.

AFTER YOU GET YOUR EXAM RESULTS

CONTINUED....

PERSPECTIVE If your results are what you expected, great but if not, remember that the Leaving Cert is a stepping stone on a journey to something bigger. The exams are not just goals in themselves; they can be a means to a goal. The stepping stones are very important but the main thing is to use them productively to arrive at where you want to be. The points should not be the main goal – they only help you reach the next level or to get closer to your chosen career. If you are disappointed about your results, remember that your goal does not need to change but how you reach it may be different. Take advice, talk to your Career Guidance Teacher. Check out websites e.g. headsup which even has information on goal setting.

TAKE TIME Now you have your results, take time to consider all your options. Weigh things up and don't make rash decisions. You have many options.

REWARD YOURSELF Regardless of the results, you have worked hard throughout the past two years. Whether you are disappointed or delighted with the way things have worked out, you deserve a reward, so treat yourself sensibly. Be careful especially around your alcohol intake. You don't want to ruin it all by making unwise choices that may have far reaching consequences.

OUTSIDE HELP: If you are feeling down as a result of your exam results and would like to talk to someone in confidence, check out local services including where you could meet with a counsellor. There are also excellent websites with contact information such as headsup and spunout. Please talk to someone and don't ignore how you are feeling. If you know of a friend who is feeling like this, please urge them to talk to someone.

RESILIENCE Resilience is the inner strength that helps us to manage stressful situations and living our life with the goal of reaching our full potential. It is a set of personality traits and qualities that makes us resilient.

Young people can develop some of these by:

- Building a supportive network of good relations – family, friends and others.
- Expecting change. Nothing is permanent in life. Learn to see changes as progress and opportunities to grow. Adapt with changed circumstances. Accept the inevitable. Learn even from your defeats and move ahead. Remember some failures are inevitable and don't let them define you.
- See things in perspective. Take a long term view. See problems and stresses as temporary in nature. Visualize yourself coming on top of all problems. Remember your past achievements. Take strength from them.
- You must take immediate action. Don't overlook or avoid looking at problems. Face them and then take action, even if it is going away from them for the time being. But take immediate action.
- Participate regularly in relaxing activities that are enjoyable and fun. Remember that what you do next does not have to be a commitment for life. We all change in many different ways and as you grow and mature other interests may appeal which you can then pursue. In five years time, nobody will particularly care what points you achieved in your Leaving Cert, you will have a qualification of some sort to your name, and you will have built up some work experience. The world will be opening up for you. Good luck!

EAST KERRY NOTES

WITH ÁINE NÍ SHÚILLEABHÁIN PRO

BILL TANGNEY CUP FINAL:

GNEEVUILLA 0-11 CURROW 0-9:

Gneeveguilla won the Bill Tangney Cup, East Kerry Junior Competition after a closely contested fast moving game against Currow. Played in Farranfore, in a strong wind, the result was in the melting pot until the final whistle. Gneeveguilla were first on the scoreboard, with a Padraig Doyle point from play in the opening minute and were denied further score by a solid Currow defence. Currow put their name on the scoreboard with 2 pointed frees by Mike McCarthy. It was nip and tuck and Shane Crowley levelled the game with a point from play at start of the second quarter, quickly followed by a Jamie Brosnan point from play, Gneeveguilla led, 0-3 to 0-2 with 17 minutes played. Play moved from end to end for the remainder of the half, and Mike McCarthy levelled the game for the second time with a well taken point from play, on 23 minutes – 0-3 a piece. The final 5 minutes for the half saw Gneeveguilla pull ahead with 2 unanswered points by (Paddy Doyle and Dean Crolwey). The sides traded points (Mike Mc Carthy, Currow,

Padraig Doyle Gneeveguilla), to leave the half time score: Gneeveguilla 0-6 Currow 0-4.

On resumption, Shane O'Sullivan extended the Gneeveguilla lead with a point from play, 0-7 to 0-4, but Currow dominated the remainder of the quarter and equalised, firing over 3 points without reply, Pa McCarthy, Mike McCarthy, Seamus Brosnan on target – 0-7 a piece, ten minutes into the half. The sides traded points, (Padraig O'Connor and Mike McCarthy), 0-8 a piece going into the final quarter. A Gneeveguilla rasper came off the post and Shane O'Sullivan was quick to respond scoring a point from the rebound – Gneeveguilla led 0-9 to 0-8. The Currow response was decisive, Kevin Daly made a surging run forward and pointed – 0-9 each. Gneeveguilla introduced fresh legs and the game flowed from end to end without score until Shane O'Sullivan picked off a great point on the 22nd minute – 0-10 to 0-9 in Gneeveguilla favour. In an exciting end to the game, Gneeveguilla extended their lead with a Padraig Doyle pointed free, as the final whistle neared, 0-11 to 0-9. Currow drove forward and were denied a goal by a brilliant save from Gneeveguilla goalie, Jerry Cronin. In the final passage of play, Currow were awarded a free, and send a high dropping ball to the goal mouth, but it was Gneeveguilla that won the ball and cleared their lines and the final whistle sounded. Final score: Gneeveguilla 0-11 Currow 0-9.

Referee: Denis Mc Carthy (Scartaglen)

O'SULLIVAN CUP – EAST KERRY JUNIOR CHAMPIONSHIP SEMI FINAL

LISTRY 2-07 FIRIES 1-11: Firies progressed to the Final the O'Sullivan Cup, East Kerry Junior Championship, sponsored by Killarney Carpet and Furniture Centre, with a one point victory over neighbours Listry, in a game that almost went to extra time. Played in Listry, the visitors opened the scoring, with a well taken point and built a three point lead on the 18th minute, with end to end play. Listry responded and took the lead, notching up 4 points without reply, their first score from a pointed free quickly followed by 3 points from play, to lead by the minimum on the 21st minute – 0-4 to 0-3. Firies then took control of the game, and had the lions share of possession but Listry defended well and it was from their own back line that they constructed a quick counter attack involving Paul O'Donoghue and ending with Peadar Keane rattling the Firies net. Listry led 1-04 to 0-03. Firies tried for a quick reply but were denied by a great save by Listry keeper, Senan Wrenn, from a point blank blistering shot. William Courtney converted the resultant 45m free to narrow the gap to 3 points. In the dying moments of the half, Firies pointed from a tight angle, reducing the gap to two points. Score at the break: Listry 1-4 Firies 0-5.

The second half continued nip and tuck. Fires opened the scoring with a point from play but Listry replied with a Joseph Clifford goal, giving the home side a four point lead. Fires responded with a point and levelled the game

with a well worked goal, on the 40th minute, when Padraig O'Sullivan sent a precision pass across the goal mouth, flicked to the net by Ed Kerrisk - 2-4 to 1-7. Furies took the lead with a point from play, 2-4 to 1-8 going into the last quarter. However, Listry rallied and scored the next three points, to lead by two - Listry 2-07 Furies 1-08. Furies replied and levelled the game. In an exciting final five minutes, it was the visitors who found the target, with a lovely Sean Burke point from a difficult angle, to take the lead by the minimum, 2-07 to 1-11. In a nail biting finish, Listry rallied and pressed forward, but without success and Furies held on, to progress to the final against Spa. Full time score: Furies 1- 11 Listry 2-7.

SPA CLUB NOTES

COISTE BS NOG

U14 DIC 5 EAST KERRY FINAL: Spa played a physically stronger Scart/Cordal team in Fitzgerald Stadium last Monday night. Even though Spa conceded a couple of early goals they never gave in. Riain O'Neill defended exceptionally well winning most of the ball going down the middle. He linked well with Ethan O'Neill who fed some great ball into Cian Murphy who in turn crashed a couple of great balls to the net. In the second half Eoghan Mulvany got onto some great ball and made some surging runs up the pitch finishing a fantastic ball to the oppositions net. However on the night a much stronger Scart/Cordal team won well in the the finish. However it was very reassuring to note that many of the Spa team will be under age again next year, whereby they'll be a year older and stronger.

U16 CO LEAGUE: Spa U16s took to the field away against Ardfert in a top of the table clash last Wednesday night. Spa were missing a number of starters but played courageously. Ardfert grabbed the initiative early on scoring a brace of goals. Sean Cahill in midfield got on the end on a great move to crash a ball to the Ardfert net to keep the boys in blue in contention. Some great defending by Alan O'Sullivan kept the game tight. The introduction of the two Cremin brother Oliver and Connie brought fresh impetus in the 2nd half. However as the game wore on Ardfert scored some important points and were worthy winners. Spa now play Beale at home next Wednesday night at 7pm in the County League Semi final.

MINORS EAST KERRY LEAGUE: A very much depleted Spa team took to the field against Currow last Thursday night. Even though they were missing 5 regulars the Spa men put the home team to the pin on their collars for large periods of the game with Evan Jones and Eoghan Cronin excelling when moved to midfield. Niall McCarthy and Niall Moynihan scored some points in the second half to keep the Spa in touch but as the 2nd half wore on Currow ran out worthy winners. Spa will now play the winners of Rathmore/Cordal in the Semi Final of the East Kerry League.

SENIOR CO. LEAGUE RD 9: SPA 1-14

GLENFLESK 5-12: The home side raced into an early lead and by half time were 3-9 to 0-6 ahead. Spa tried hard in the second half but Glenflesk ran out convincing winners.

DR. CROKES NOTES

COUNTY LEAGUE DIVISION 1 - ROUND 10

DR CROKES V TEMPLENOE: We had a comprehensive win over Templenoe in this vital County League game played in Lewis Road on Sunday last. As a result of this victory we qualified for the final of the competition. We do need to win our remaining game to ensure that we get home venue for the final. We went on the offensive from the start and built up a big lead by the end of the first quarter. Our opponents rallied after that and a few points, followed by a goal before half time rallied their team. It still left them with a mountain to climb in the second half. We were still well on top in the second half and even though Templenoe fought right to the end and finished up with a respectable tally of 2-8 they were always chasing the game.

Our mentors must have been very happy with our display. The defence was steady throughout even though they conceded two goals. Our midfield gave an ample supply of play to our attackers to shoot a match winning score. Ten different players got on the scoring sheet. Our top scorers on the day were Kieran O'Leary with 1-9 and Johnny Buckley with 1-7.

TEAM: Shane Murphy, John Payne, Michael Moloney, Lake Quinn, David O'Leary, Gavin White, Alan O'Sullivan, Ambrose O'Donovan, PJ Lawlor, Bryan O'Shea, Johnny Buckley, Gavin O'Shea, Kieran O'Leary, Daithi Casey, Brian Looney.

Subs: Jason Lyne, Jamie Doolan, Paul Clarke, Mike Miller.

LEGION GAA

SENIORS: COUNTY LEAGUE: GLENBEIGH/GLENCAR 2-11 KILLARNEY LEGION 0-10.

In a very even first half, a goal by Glenbeigh/Glencar midfielder Colin McGillicuddy was the big difference on the scoreboard. Some good free-taking by Jamie O'Sullivan and points by young guns Conor Culloty and Finbarr Murphy saw the home side lead by one at the break. The second half saw a more robust and lively Glenbeigh/Glencar team up the ante and some nice points by Donal Lyne were not enough in the end. The defeat sees the senior team drop down to Division 2 after a tough run in Division 1. The absence of key players for the majority of the summer in what is a competitive league didn't help results. However the side should be strengthening from here on in with the O'Donoghue Cup kicking off post-Kerry's All-Ireland Championship campaign.

U-16 BOYS: COUNTY LEAGUE: AUSTIN

STACKS 3-11 KILLARNEY LEGION 2-12.

The lads now await other results to see who their opponents will be in the County League semi-final.

MINORS: EAST KERRY LEAGUE: DR CROKES 3-13 KILLARNEY LEGION 2-13.

DEVELOPMENT SQUADS: Well done to all of our players who were involved with the underage development squads last weekend. Eoghan O'Sullivan, Ryan O'Grady, Niall McGillicuddy and Cian O'Leary were in action with the U-14s against Cork in Ratmore while Darragh Lyne, Peter O'Sullivan, Kieran O'Donoghue and Adam Kissane travelled to Clare with the U-15s to take on their Mayo counterparts. Keep up the hard work lads.

LOTTO: Winning numbers: 3, 13, 15, 20. No winner. Match 3: Mia Byrne (88 New Street), Paddy Moloney (Bust the Ball Syndicate), Geoffrey Mahony (Killorglin), Peggy McNeice (Fairhill). ALL IRELAND LADIES FOOTBALL CHAMPIONSHIP

KERRY FIRE POWER CAN PAVE WAY FOR SEMI FINAL

MONAGHAN V KERRY

Venue: Birr Time: 2.15pm
Referee: John Niland

If there is anything one can say about the Kerry Ladies over the last decade, it is that they have been consistently in the mix at the later stages of the All Ireland championship. Next Saturday they play in their ninth All Ireland Quarter Final in a row and despite coming up against Ulster champions Monaghan, they should feel that they have what it takes to better the Farney girls but will tread carefully, considering that both of last week's favourites Mayo and Dublin only scrambled passed Westmeath and Donegal. Both Mayo and Dublin blamed the long layoff as both qualifier winners Westmeath and Donegal carried momentum into those games. Monaghan too have been sitting it out for a while having defeated Cavan in the Ulster final and Kerry who unusually for them see them play their fifth

championship game. Their victory over Waterford showed Kerry at their most ruthless up front with Laura Rogers, Sarah Houlihan, Lorraine Scanlon and Louise Ni Mhuirteartaigh all showing their best of form. Their midfield partnership of Bernie Breen and Emma Sherwood showed up well also as but despite a great performances by Caroline

Kelly and Edel Murphy, the Kerry defence did leak 3-10 against the Division 3 champions and this may be a cause of concern especially with a Monaghan side who in Ciara McAnespie, Laura McEnaney, Danica Tavey, Ellen McCarron and Cora Courtney are all quality players.

Still Monaghan are a pale shadow of the team that challenged for All Ireland glory in 2008, 2011 and 2013. Their league form suggested that the could have struggled in Ulster but being crowned provincial champions is a step further than they went last year

but Alan O'Neill's side should have too much firepower and momentum for the Farney girls and with a full bill of health expected ahead of team selection, Kerry should progress to yet another All Ireland semi-final against the winners of Cavan or Cork

CREDIT UNION COUNTY FOOTBALL LEAGUES

PROMOTION AND RELEGATION ISSUES A LITTLE CLEARER

KERRY PRO JOHN O LEARY ROUNDS UP THE CREDIT UNION SENIOR FOOTBALL LEAGUE ACTION FROM ROUND 10

Promotion and relegation issues are becoming a little clearer following Round 10 of the Credit Union Senior Football League last weekend but there are still plenty back games to be played out before the final round of games. Dr Crokes have clinched a place in the Division 1 final following a comprehensive victory over Templenoe and the second final place will be decided when Templenoe take on Austin Stacks in the final round of games. Stacks, thanks to their victory over Kilcummin, move into second place in the table two points ahead of Templenoe.

At the other end of the table, Glenbeigh-Glenclar's victory over Legion condemns the Killarney side to the 2nd Division next year and they will be joined by Kenmare, whose victory over O'Rahillys has come too late to save them from the drop. Kilcummin will need both points against Glenbeigh-Glenclar in the final round and hope John Mitchels slip up against O'Rahillys to avoid being the third team to go down.

DIVISION 2, Rathmore's victory over fellow promotion hopefuls St Marys sees them promoted to Division 1 with 15 points and St Marys who finish up with a game at home to Emmets, look like joining them on 13 points as do An Ghaeltacht (12 points), who have a game in hand with Listowel Emmets next weekend, Emmets, who also have a second game in hand against Finuge, are on 9 points and cannot be ruled out while Spa, who also have a game in hand with Finuge are on 10 points with an outside chance.

There is nothing decided at the bottom where St Michaels Foilmore's win over An Ghaeltacht has thrown the South Kerry side a lifeline. Finuge are on 5 points with those two games in hand; Laune Rangers, on 6 points, play Listry in their Round 10 game on Tuesday evening of this week needing both points while Listry themselves are just a point better off and also in need of both points. St Michaels Foilmore (7) and Beaufort (8) are not out of the woods yet.

DIVISION 3, Currow (14 points), who have a

back game with St Senans next weekend, can clinch promotion with victory in that game, St Pats and Annascaul are both on 13 points with a game to go, while Ardfert, who have 2 back games with Beale and Brosna, are still very much in the running for promotion. Gneeveguilla, who have a back game with Dromid next weekend, have an outside chance.

At the bottom, Tarbert are already relegated while Beale will have to win that back game with Ardfert to stay in Division 3 – they finish with a trip to leaders Currow. St Senans (7), Dromid and Brosna (9 each) will all be hoping to win their respective back games to avoid the drop.

DIVISION 4, long time joint leaders Na Gaeil and Fossa stay top of the table – neither played last weekend but face teams just below them in back games in the coming weeks. Fossa play Skellig Rangers in Fossa next weekend in Round 10 while Na Gaeil travel to Ballymac the following weekend in their back game. Ballymac are on 14 points, 4 behind the leaders while Skellig Rangers are on 12 points

with Furies having an outside chance on 11 points with a game in hand on August 27th against Scartaglen.

At the bottom, Moyvane are relegated to Division 5 next season while Valentia, who have games in hand against Scartaglen next weekend and Dr Crokes the following weekend, will have to add to their 2 points from those games. Churchill are on 4 points with one game to go, and that is a relegation four pointer with Valentia. Scartaglen are on 5 points with those back games against Valentia and Furies to come.

DIVISION 5: There are still a number of teams in line for promotion in Division 5 with Castlegregory (15 Points), who have a back game with Asdees next weekend, favourites to go up as champions. Rathmore and Duagh, are tied in second place on 14 points and they meet in the final Round. Tuosist on 12 points, play lowly Ballyduff in a back game next weekend and finish up home to Cromane and they would appear to be favourites to take a promotion spot while Cordal, also on 12, finish up home to Asdees and cannot be ruled out.

BEAUFORT AND TRALEE PARNELLS TO THE FORE IN HEALTHY CLUBS PROJECT

Uachtarán CLG Aogán Ó Fearghail has commended Beaufort and Tralee Parnells for their participation and success in the GAA Healthy Club project. Beaufort were involved in the pilot project/phase 1 of the Healthy Clubs project and achieved great success and are now involved in phase 2 of the project. Tralee Parnells joined the project for phase 2. The national initiative strives to provide

club members – and in many instances the local community – with opportunities to develop their physical, social, emotional, and psychological health. These clubs are leading the way for health and wellbeing in the GAA and the work they are planning to implement over the next year is quite phenomenal.

KEANES SUPERVALU KILLORGLIN MINOR FOOTBALL CHAMPIONSHIP

MILLTOWN/LISTRY COMMUNITY GAMES

WEEKEND 1: The national finals commenced last weekend and it turned out to be a memorable weekend for most of our area competitors who were participating. Pride of place goes to our U14 draughts team who won the gold medals. They narrowly beat Meath on Saturday morning and then had comprehensive wins over Roscommon on Saturday evening and Donegal on Sunday morning. This is a great reward for these players for their dedication

over the past few years. Special praise must go to their coach Pat O'Sullivan who has been with them all along and has overseen the improvements over that period. **TEAM:** Patrick O'Sullivan Aaron O'Donoghue Peadar Whelan Brendan Casey Edward O'Sullivan Cian Spillane and Cian O'Connor.

Besides winning gold in the draughts, Cian Spillane was also a member of the victorious Kerry U12 boys cross country team. This is their second consecutive year winning this event and Cian has been an integral member of both teams.

Shauna McCarthy represented us on the Kerry U13 girls team. She ran a fantastic race to come 5th and very unlucky not to get in the medals. We also had Saibh O'Brien representing Kerry in swimming and Cathal O'Donoghue in the handwriting but unfortunately neither were in the medals. They both have done fantastic to get to Athlone in very competitive events.

We congratulate all our participants and thank their families for travelling in such support. I'm sure the memories will remain for years to come!

WEEKEND 2: The second weekend of the national finals is coming up this weekend and we will have 2 of our athletes in action. No rest for Cian Spillane who after his exploits of last weekend will this time have his own individual event of the U12 600m. Also representing us and Kerry will be Leanne Cronin in the U16 discus who has been very dedicated in training for this event

SPA MUCKROSS AC

CONGRATULATIONS: To the Kerry U12 Cross Country mixed distance relay teams. Boys (1st place - Gold) & girls (4th place - Pewther). These teams are made up of young people from different areas all over Kerry. Spa Muckross had 5 athletes taking part - U12 boys Cian and Oisín Lynch, and Jack O'Sullivan, and U14 girls Grace and Marie Courtney. The U14 girls were in a hugely competitive semi-final heat, and were a place short of qualifying for the final, so unfortunately, Grace and Marie's journey ended Saturday. The U12 boys team repeated last year's gold medal success. Again this year, they dominated the race from the beginning, and maintained a clear lead throughout. Spa Muckross boys Jack O'Sullivan, and Cian and Oisín Lynch performed brilliantly. A proud day for Cian & Oisín's Dad Connie, as he spent the last 7 weeks, with County Committee member Owen Stack, preparing all the Cross Country athletes for this weekend's competition. Well done to everyone this weekend; you gave it your all. Swimming results will be included in next week's notes. The second weekend will involve young people from Spa Muckross competing in Judo, Gymnastics & Track. Best of luck to everyone.

FARRANFORE MAINE VALLEY ATHLETIC CLUB

All eyes were on the National Community Games Finals, Weekend 1, held in Athlone IT last weekend. We had three juvenile athletes from our club competing in the Cross Country events. Shauna McCarthy and Conall O'Mahony competed in the U13 mixed 1200m race. They both ran very well. Shauna had a fantastic run finishing in 5th place in the girls category and the first home for Kerry. Conall was not far behind and the second Kerry boy to finish. Unfortunately Kerry team were just out of luck and didn't place but all the young athletes ran their best and should be proud. Cian Spillane was part of the U12 Boys Relay team. Cian played a major role in his leg of the race and securing Gold for Kerry. This was a fantastic achievement, there second year to win gold for Kerry. Well done to all the juvenile athletes who competed over the weekend. Next weekend the National Community Games athletics finals will be held. The very best of luck to all. Full results can be found on the community games website.

FOSSA COMMUNITY GAMES NOTES

What a fantastic weekend it turned out to be for 13 young Fossa children in the community games finals in Athlone. On Saturday Caitriona McKenna followed her U8 art Gold from 2015 with another Gold this time in the U10 art category. She is a brilliant talent and it is great to see her talent being recognised on a National level two years in a row.

Fossa weren't finished winning Gold in Athlone as our U12 boys soccer team won Gold after two incredibly tense and hard fought victories on Saturday and Sunday. On Saturday they won 1-0 in the semi final against Clonguish of Longford thanks to a calmly taken penalty by Ryan O'Leary after Finn Kennelly was upended in the box. Our defence held firm and our keeper Matthew O'Connor made some crucial saves to ensure Fossa advanced to Sundays Final. The Final was another very tight game

which again finished 1-0 to Fossa this time against ClareGalway/Lackagh of Galway. The Crucial goal came courtesy of a brilliant chipped finish by Darren Ryan and again our team held their shape and discipline to keep a second clean sheet to secure Gold for Fossa and become Community games Champions 2016. Special mention to their coaches John Dinneen and Jim Doyle who did such a great job in organising and training this super team. The all conquering Fossa side were as follows Matthew O'Connor, Robert Brookes, Cian Doyle, Peadar Kelliher, Sam Buckley, Eddie Moroney, Sean Dineen, Rocco Sheehan, Ryan O'Leary, Darren Ryan, Finn Kennelly and Max Leon.

As always the Fossa support was incredible with family and friends making the long journey with some even changing holiday plans just so they could be there cheering on the boys all the way. Kerry Community games committee members Margaret Culloty, Trish O'Neill and Neilus Collins were in Athlone all weekend to lend their support to all the competitors representing Kerry.

BEST OF LUCK: To Orlaith Dinneen (Marathon) Ciara Kennelly (High Jump) and our U12 relay team of Abbey Murphy, Alicia Burke, Alison Butler, Melissa Ahern and Rachel Wallace next weekend in the athletics finals.

SPECIAL THANKS: Once again to Flogas for sponsoring our Jerseys for the finals making sure the competitors had great gear to match their talents.

RATHMORE GNEEVEGUILLA COMMUNITY GAMES

We had three participants in last weekend's All Ireland Finals in Athlone. Oisín O'Leary took part in the U10 art competition, his brother Jack in the 800m Mixed Distance Relay and Paudie O'Leary in the U14 Solo swimming competition.

Unfortunately, no medals were won on this occasion but Jack's relay team reached the final and Paudie reached the Semi final stage

of his competition, so they all did their very best and made their families proud on the day. We would like to thank all the families who travelled to support them in Athlone and we hope you all enjoyed your weekend. KILLARNEY GOLF AND FISHING CLUB

MEN'S CLUB REPORT AND RESULTS:

Club Vice Captain Declan McCarthy has been very busy making preparations for his impending take-over of the Captain's role which will happen in October next, Declan has already made out a detailed itinerary for the year 2016/17 on behalf of both the Men's Club and the Club in general, and in conjunction with the Lady Vice Captain Amy Arthur, they have been preparing and agreeing the relevant competition itineraries for both the Ladies and the Men's clubs for that year. Declan, who is a native of Killarney is married to Nessa Doolan-McCarthy who is originally from Kilcummin, they have two sons, Callum and Nathan and they reside in Kilcummin. Declan began playing golf as a junior, and he spent his school summer holidays caddying at the Club which nurtured his interest in

the game. Declan currently enjoys playing off of a handicap of 8 at present and he is hoping to at least maintain his handicap for his year as Captain. Sunday the 14th was a Men's Club sponsored, Vs, Par competition, played on Mahony's Point course, it was won by 15 year old Ian Prendergast, Ian who has been playing golf for many years, and recently began a rich vein of form when he won the Lady Captain's prize to the Men's Club while playing off of a handicap of 17. He subsequently finished a very close 2nd to the winner of the Club Captain's prize being just one point behind, and he only scored one point over his closing two holes on that occasion while playing off of 15 handicap. Ian played off of 13 handicap on Sunday and recorded an excellent score of 5 up and has now been cut to 12 handicap and his ambition is to pass out his illustrious Grandfather, Tom Prendergast who plays off of 11 handicap, even Enda, his own father, who is off of 9 handicap is expecting that Ian may very well be playing off of a lower handicap than himself before the year-end.

RESULTS WERE AS FOLLOWS: 1st Ian Prendergast (13) 5 up, 2nd John Culloty (11) 5 up, 3rd Pat Fogarty (18) 5 up, 4th John English (8) 5 up, 5th Dermot O'Sullivan (19) 4 up. Best gross David O'Donoghue (4) 3 up, category 2

Eoin O'Donoghue (10) 4 up, category 3 Tony Walsh (17) 4 up, category 4 Kieran Fleming (28) 2 up. Standard scratch was 71. The Racing Cup, was played over three of the days of the July meeting at Killarney and was won by Sean Casey with an excellent score of 43 points, this competition commenced with the opening of the Killarney race course and is open to all comers, both Ladies and Gentlemen, and both Members and Non-Members alike, its origins were, that it would encourage visitors to enjoy both Golf and Horse-racing while they were visiting Killarney in the summer-time, and is awarded to the best score recorded over the three days.

FOOTBALL FOR ALL ENCOURAGES PARTICIPATION IN GAA

A new initiative involving South Kerry Development Partnership Ltd. and the Kerry County Board is underway in Killarney aimed at encouraging primary school children different nationalities and backgrounds to take part in GAA games. The initiative is funded through the Community Support Fund administered by Kerry County Council and the pilot is focused on the Ballydribeen area of Killarney. The three clubs, Spa, Legion and Dr. Crokes are involved with the project which runs over a total of 6 nights.

Community Development Officer with SKDP Éadaoin Moynihan pointed out that the GAA is an integral part of most Irish communities and the aim is to encourage as wide a participation as possible in the sport from a diverse range of backgrounds and nationalities. "We are delighted with the support of the GAA and the three clubs in helping make this project happen and we hope that many of the participants will go on to join the clubs following their initial feel for the game" Éadaoin said. "Sport helps break down barriers and we hope this initiative will see many more children from different nationalities become involved with our national sport" she added.

The Football for all initiative will run two night a week over the next two weeks and anyone seeking further information or wishing to take part should contact Éadaoin Moynihan on 087 1906450 for further details. DIDN'T DO AS WELL AS YOU HOPED IN THE LEAVING CERT? - DON'T WORRY

In Britain a recent study of 18 to 35-year-olds has found that the previously accepted wisdom that going to university improves life chances is no longer widely accepted by the current generation of young adults. Just under half now believe they could have got where they are without obtaining a degree. The economic climate, which has seen many struggle to find employment in the wake of the 2008 financial crisis, has also left young adults struggling to make ends meet as they seek to pay off debts while meeting high living costs including rent or mortgage payments. The study found that after paying for essentials such as food, energy bills and rent, the average millennial has a monthly disposable income of £156 (182 Approx) and an average debt of more than £6,000 (€7,000).

PLEASE DO NOT TO KISS A BABY IF YOU HAVE A COLD SORE OR VISIT A NEW BABY IF YOU ARE SICK

First time parents John and Louise Wills from Rathfarnham in Dublin had no idea how lethal a simple kiss to a baby could be before losing their child. Their baby Eibhlín was just 12 days old when she died from the common cold sore virus – and now they've called for increased awareness to prevent other parents suffering the same ordeal. Eibhlín Gráinne Wills was born at 9:29am on Thursday the 19th November 2015 in The National Maternity Hospital by an emergency C-Section. She weighed a healthy 7lb 11oz and was 9 days overdue. After birth she was sent to the Neonatal Intensive Care Unit (NICU) as a precautionary measure as she had become a little distressed prior to delivery. All was well and after 5 nights in hospital she came home with them on the afternoon of Tuesday 24th November. Her parents say that "from the moment she came home she was such a little joy, so placid and relaxed and for the remainder of that week seemed to settle into her own

routine quickly. She slept, fed and toileted perfectly. She had a high level of alertness for such a young baby and would look around wide eyed when awake taking in whatever shapes and movements she could see. On Friday of that week she had her first visit from the Public Health Nurse who examined her and went through the usual things with us". Most of the weekend went without incident as she fed and slept perfectly. On Sunday she was a little out of sorts and that night she was difficult to settle but on Monday morning she was back sleeping well. As the day went on it appeared she was a bit congested as if she had caught a cold. At approx. 11pm that night she appeared very tired and Eibhlín's Granny was called in for her advice, her conclusion, like Eibhlín's parents, was that she was a bit out of sorts, and that they should bring her to the GP in the morning, however within a couple of minutes her colour changed in front of their eyes and she became listless, they headed to Tallaght A&E and upon arrival she was immediately taken in, within minutes a crash team was called and they were "working on her" but Eibhlín was pronounced dead at 1:09am just a week to the day she came home. The family now know that the cause of death was the Herpes Simplex Virus 1 which is more commonly known as the Cold sore virus. In Eibhlín's case it was Disseminated Neonatal Herpes Simplex Virus 1, which incubates for a time and results in multiple organ failure but it remained asymptomatic until it was too late. By the time the symptoms were evident it had (according to the post-mortem) devastated her bowel and liver. While this type of death is rare it is even rarer in Eibhlín's case as 90% of these infections come from the mother. Louise has been tested and found not to have carried the virus. The parents were told it was contracted postnatally very soon after her birth and the virus was already in her system when she came home from the hospital. Eibhlín's heartbroken parents have launched a website www.rememberingeibhlin.org which advises people not to kiss a baby if they have a cold sore and not to visit a new baby if they are sick, so that they can create awareness about the dangers of HSV/Cold sores and infants. Louise and John Wills wishes to thank everyone that takes the time to read Eibhlín's story, and asks them to let as many people as possible know of the website, by talking

about what happened to Eibhlín with friends, passing on newspaper articles etc in order to promote education and awareness.

TODAY IS WORLD HUMANITARIAN DAY

World Humanitarian Day is held every year on August 19 to recognise the aid workers that risk their lives in humanitarian service, to celebrate the spirit of humanitarianism and to mobilise people to advocate for a more humane world.

Every day, humanitarian aid workers stand on the front lines of war and disaster, braving tremendous dangers and difficulties to deliver assistance to those who need it most. The day was designated by the United Nations General Assembly in 2009 to coincide with the anniversary of the 2003 bombing of the United Nations headquarters in Baghdad where 22 humanitarian aid workers were killed.

This World Humanitarian Day, the UN and its partners are calling for global solidarity with the more than 130 million people around the world who need humanitarian assistance to survive. Under the theme of 'One Humanity', World Humanitarian Day will highlight how the world came together in Istanbul for the World Humanitarian Summit earlier this year, and made commitments to support people affected by crisis and ensure that aid workers can safely and more effectively deliver to those in need.

INDIA'S 'IRON LADY' ENDS 16-YEAR HUNGER STRIKE BUT HER FIGHT GOES ON

The world's longest hunger strike has come to an end, as an activist dubbed India's "Iron Lady" broke her 16-year fast but vowed to continue fighting alleged army brutalities by running for political office. Irom Sharmila had not taken food or drink by mouth since November 2000, instead being fed through a plastic tube in her nose. She became the figurehead of protests against a controversial law that gives Indian soldiers sweeping powers to shoot-on-sight in "troubled" parts of the country, such as her native northeastern state of Manipur which is fighting for independence from India. Speaking at a courtroom in Imphal, Manipur's capital, where she was appearing to face charges of attempting suicide, Ms Sharmila said: "I have been fasting for 16 years and not got anything from it, I no longer believe my hunger strike will succeed in forcing India's government to revoke the Armed Forces (Special Powers) Act. "I want to try different agitation now - one that will see me contest against the chief minister of the state" she told reporters when she was released on bail.

LIBRARY ON WHEELS FOR THE HOMELESS

Recognising that "those living outside or in temporary shelters are usually barred from borrowing books from regular libraries because they lack the required documentation," Professor Laura Moulton began lending books to people living on the fringes of society in Portland, Oregon. In 2011 Ms. Moulton founded a bike-powered mobile library, Street Books, to make sure those in isolated communities have access to literature and stimulating conversations. "Being recognised and spoken to on the street and offered a book for someone who has really been struggling can be a really powerful thing," Ms. Moulton says. "Books have the power to have us feel empathy and have us experience the thrill of a journey of someone else." Would you like to 'Be The Change' and give a book you love to a friend or stranger? Do you recycle your Outlook Magazine when you have it read? Will you consider dropping it in to a public or private Nursing Home or

Community Hospital instead? Just imagine the pleasure it would bring to the residents.

MEXICAN GYMNAST BEAUTIFULLY DEFENDED BY PEOPLE ON TWITTER

During the women's artistic gymnastics competition in Rio, Mexican gymnast Alexa Morales was bullied on Twitter despite the fact the 22-year-old competed on the beam, vault, uneven bars and floor and finished in 31st place on day four of the Rio games.

Ms. Morales weighs 45kg and apparently wasn't slim, trim or attractive looking enough for the couch potatoes watching the Olympics, so the faceless cowards turned to Twitter to try and make her life a misery. I will spare you the horrible comments that were tweeted about her weight and body shape but the great news is that Twitter was also full of overwhelming support for Ms. Morales.

A few of my favourites are: #alexamorenos has the strength and the beauty of those who dare. Love u, #AlexaMoreno you are beautiful, talented, strong and a true inspiration for girls of all races.

#The people who are hating on AlexaMoreno probably can't even touch their toes #To those body shaming AlexaMoreno from their sofas at home, she has achieved more at 22 than you probably will in your entire life.

ITALIAN COASTGUARD BRINGS KITTEN BACK TO LIFE WITH CPR

A member of the Italian coastguard put his CPR skills to use recently when a little kitten was found struggling in the ocean.

A group of children on the shore in Marsala noticed the kitten in the water and alerted the nearby coastguard crew, who had just returned from a patrol mission. The crew took their boat back out to sea and a crew member jumped in to rescue the little cat, once on board, crew members administered mouth-to-mouth resuscitation and massaged the kitten to remove water from its lungs, while encouraging it to "Breathe, breathe. Wake up", the kitten believed to be about a month old was then brought to shore to recover and a vet was called. The kitten who is now in good health has unofficially been adopted by the local maritime office and they have named him Charlie.

SOCCER FOLLOWERS – HAVE YOU EVER HEARD OF THE HOMELESS WORLD CUP?

The Homeless World Cup is an annual football tournament organised by the Homeless World Cup organisation, a social organisation which

advocates the end of homelessness through the sport of association football (or soccer). The organisation puts together an annual football tournament where teams of homeless people from each country compete. From humble beginnings in 2001, the Homeless World Cup and its partners now span the globe, with more than 70 countries taking part and more wanting to join. The fourteenth World Tournament took place in Glasgow from the 10th to 16th of July. The defending champions were Mexico, who won in Amsterdam in 2015. For the duration of the seven day event, Glasgow's George Square was "the most inspiring place on the planet with 64 teams, representing 52 countries and 512 players coming together each of whom are on a journey to create a better life for themselves. The Square was converted into an outdoor street football venue, with three purpose built pitches with seating and approximately 100,000 spectators attended the tournament over the week. Entry was free every day, and tickets were not required. Ireland secured the Men's Plate (known as the second tier trophy) after winning against Egypt in a close game between the two evenly-matched teams.

Both teams had a number of near misses in the first half, leading to some spectacular saves from the goalkeepers, but Egypt slipped ahead, with minutes left before half time. Despite Ireland levelling out the score briefly, the Egyptian team remained in the lead by two goals to Ireland's one. Ireland came back with a quick goal when play resumed, before scoring a further two to put them safely in front with a score of 4-3. Victory in normal time slipped through their fingers, however, when to the dismay of the Irish fans, Egypt's number eight slipped a last-second goal past the Irish keeper to take the final to a sudden-death penalty shootout. Ireland's succeeded in slipping a goal past the Egyptian keeper, and Egypt couldn't match their goal. After one round of penalties, Ireland emerged victorious in the Men's Plate group final. The team was comprised of socially excluded men between 16 and 40 years old. A panel of players was selected at the all-Ireland annual tournament, from which the team to represent Ireland was chosen. A unique feature of the Homeless World Cup tournament is that regardless of ability, all teams compete for the same number of days. The competition breaks into eight different trophies: six for the men's competition and two for the women's. This year's Women's Homeless World Cup went to Mexico and The Women's Plate went to Argentina. The Men's World Cup is returning to Mexico after the Mexican men's team took the glory for the second time in a row. The third tier trophy in the men's/mixed competition went to the Bulgarian squad, The Men's Shield to Wales, The Men's Globe to team Cambodia, The Men's Quaich (the bottom tier trophy) was earned by Team Czech Republic, who defeated South Korea. Oslo, Norway has been awarded the 2017 tournament.

VEHICLE SECURITY FOR CARS AND JEEPS FROM AN GARDA SIOCHANA

For most persons, our car is generally the second largest purchase we make and it is therefore important to protect your investment by keeping it safe and secure.

On average, each year in Ireland over 10,000 vehicles are stolen. Most are recovered, albeit damaged in many cases, but some are never recovered. A similar figure applies to theft from vehicles. Parking in Public Areas Theft from cars and other vehicles is a common crime in Ireland today. Ideally, property should not be left unattended in cars or other vehicles. However, if you must, please bear in mind the following

- Ensure all windows are closed and all doors are locked.

- Ensure that your alarm / immobiliser is set.

- Do not leave property on view inside your vehicle.

- Do not leave cash, credit/debit cards, cheque books or other valuable items inside your vehicle.

- Do not leave personal documents (driving licence, insurance certificate, utility bills, bank statements etc.) as this can facilitate identity theft or lead criminals to your home address. Be particularly careful with laptops, mobile phones and other small electronic items as the data they contain may be very attractive to the thief.

- Do not place property under the seat - it is not a secure location and can often be seen.

- If you must store property in your vehicle, place it in the boot but do so at a location other than the area where you intend to park.

- Avoid parking in isolated places and, at nighttime, park in a well-lit area.

- Consider retracting, where possible, your wing mirrors as flush as possible to the doors to avoid criminal damage.

PARKING AT HOME. The above recommendations equally apply when parking at home. If you have a garage, park your vehicle inside it and keep your garage locked.

DRIVING

While driving, be alert to your surroundings.

- Keep all doors and windows locked.

- Keep valuables out of sight - do not leave briefcases, handbags, coats etc. on seats in open view.

SECURITY DEVICES

IMMOBILISERS AND ALARMS - Most modern cars are all fitted with immobilisers and alarms. If you do not have an immobiliser, consider fitting one. Mechanical Locking Devices Various types of locking devices are available that fit onto and/or around steering wheels, gear sticks, brake/ clutch pedals etc. These all help to deter vehicle theft. Lockable wheel nuts have proved effective against the theft of wheels, particularly high value alloy wheels. Lockable petrol caps are also available.

TRACKING SYSTEMS

The use of tracking systems greatly help in recovering vehicles that have been stolen, usually within hours of their theft. Etching All glass surfaces - windscreen, rear window, side windows and headlamps - should have your car registration number etched onto them. This can help to deter thieves as it makes it more difficult and costly to sell or off-load the vehicle. It is also a good idea to place a small sticker on windows to indicate that these glass surfaces have been etched.

KEYS

Most modern cars are difficult to steal without keys.

- When you leave your car, even for short periods, do not leave keys in the ignition. This applies both in public and private areas including your own driveway, at filling stations, shops etc.

- Do not leave car keys in open view on kitchen or hall tables, window sills, counter tops or on wall hooks etc., particularly within reach of the front door. It is not uncommon for thieves to remove keys using a 'fishing rod' or similar through the letterbox.

- At bed-time, take keys with you if you have no other secure location but remember, if challenged, that your personal safety, and that of your family, is more important than protecting your car.

- Do not attach a tag to your key ring which shows your name and address.

- Remember - if you inadvertently leave your keys in an unattended vehicle it may compromise your insurance cover.

Know Your Rights: THE NATIONAL FLAG

QUESTION

What are the rules around using the national flag. Is it true that you can't write on it?

ANSWER

The National Flag of Ireland is often referred to as the tricolour and consists of three colours – green, white and orange. It was adopted as the flag of the Irish Free State in 1922. It was formally confirmed as the National Flag in the 1937 Constitution:

"The national flag is the tricolour of green, white and orange."
Article 7: Bunreacht na hÉireann.

As part of the 1916 commemorations, the national flag was presented to every primary and post-primary school in the State. Along with the flag, schools received a copy of the 1916 Proclamation as Gaeilge and in English, and a booklet detailing the guidelines for respecting the flag.

These guidelines are issued by the Department of the Taoiseach and give extensive information about when the flag can be flown and how it should be used. For example, no other flag or pennant should be flown above it when it is being flown in Ireland. Care must also be taken not to let the flag touch the ground or become entangled with trees.

The flag should never be defaced by placing slogans, logos, lettering or pictures of any kind on it, for example, at sporting events and it should not be draped on cars, trains, boats or other modes of transport. It should not be carried flat, except when used to drape a coffin. The rules also say the national flag should be replaced if it has become worn or frayed, as it is no longer fit for display in a respectful manner. The same principles apply if the flag is reproduced in printed or electronic format.

However, these guidelines are not statutory guidelines. In other words, there are no laws setting out the rules around use of the flag. This means that there are no penalties for anyone who does not follow the guidelines.

Liebherr 2016 Apprentice Programme Skills for the Future

Liebherr Container Cranes Ltd., based in Killarney, is one of the world's leading suppliers of "State of the art" container handling equipment. Liebherr manufactures ship to shore container cranes for loading and unloading of container ships in ports as well as the support equipment required for the stacking of containers in container yards and the loading of containers on trucks and trains. The products manufactured in Killarney are delivered to customers all across the globe.

The products manufactured by Liebherr in Killarney are continuously advancing in technical complexity, and the skill levels required to design and manufacture such equipment requires the highest international levels of skills in all disciplines. This necessitates significant investment in training and upskilling of all staff. Liebherr prides itself on the quality of its employees and the skills and experience that they bring to their positions.

Liebherr has experienced exceptional growth over the past number of years and investment in the facilities continues apace with employee numbers continuing to increase. Employee numbers at Liebherr have doubled since 2008. To meet market demands and also to allow for future development, Liebherr continues to recruit in all areas of the business with positions available from trainee to senior levels, particularly in those areas requiring technical, engineering, automation and IT skills.

Liebherr is now launching its annual recruitment campaign for apprentices who will start their training in October 2016. The successful applicants will train under the guidance of expert instructors with a combination of in-house, ETB and IT lectures, all with extensive industrial experience. The apprentices will graduate in 2020 with a globally recognised qualification.

The Liebherr apprenticeship programme has undergone a significant restructuring in recent years. In 2013 Liebherr commenced a review of the traditional apprenticeship programme in the context of future education and the skill levels required within the company. It became clear that the existing curriculum could not fully cater for the skills that are currently required and for the future.

As a result Liebherr entered into a collaboration with the Institute of Technology Tralee (ITT), and enhancements to the apprenticeship programme evolved through the combined efforts of Senior Engineers at Liebherr

and Senior Academic staff at ITT. The programme commenced in 2015 and this joint venture between ITT and Liebherr has been an outstanding success and will provide various career options to apprentices who successfully complete the programme. Depending on the ambition and ability of individuals a level 5, 6, 7, or 8 qualification is now attainable through the programme. To put this in context a level 8 qualification is the equivalent of an honours bachelor degree on the QQI National framework of qualifications as conferred by Universities and 3rd Level institutions. This programme provides the opportunity for ambitious apprentices to attain the same qualification as had they attended a 3rd level college.

Speaking about the enhanced apprenticeship programme, Director Mr. Pat O'Leary says "In effect Liebherr is now offering academic scholarships to our apprentices. This is a significant enhancement to the traditional apprenticeship programme and is a fantastic opportunity for the successful applicants. The apprentice can now train to the level of a highly qualified professional engineer with enhanced skills on an 'Earn and Learn' basis. It provides the qualifying applicants with additional and better employment opportunities."

The tradition of both a practical and theoretical education is synonymous with Liebherr. Many of the most senior positions currently in the company are held by personnel who started their careers as apprentices. Mr. O'Leary says "I believe that the value of a practical background is key to understanding the theory behind the complex technologies which we now utilise and cannot be underestimated. This new programme will ultimately lead to highly competent individuals who have mastered the practical skills as well as having an in depth understanding of the theory behind them. In effect our apprentices are 'fit for work' immediately after they qualify."

The apprentices recruited in 2016 will have the opportunity to train under this programme. The recruitment process which is based on a combination of academic results, aptitude and attitude is well established and it is expected that, as every year, there will be a high demand again this year. The calibre of applicants has been excellent in recent years and the evolution of the programme to its current status will no doubt ensure that this remains the same in 2016.

Employee Profiles

Finishing Manager - Mike O'Mahony

Date started: 29th November 1999

Started as: Apprentice Electrician

Current Position: As Finishing Manager I am responsible for the final production processes in Liebherr which includes Shotblasting, Painting, Mechanical Assembly, Electrical assembly and product testing. My role includes co-ordination of the processes, planning, scheduling, technical support, and people management. Ensuring that we attain the highest level of quality in the finish of our products is a key function of my role.

Career steps: I started my Electrical apprenticeship at Liebherr in 1999 and completed it successfully in 2003. I had an interest in travel and crane installation work so I applied for this role and was employed as an electrical installation supervisor until 2013. Following on from this I was employed as a Supervisor in the electrical department for production, and in 2015 I was promoted to Finishing Manager.

Testimonial: I applied to Liebherr Container Cranes for an apprenticeship due to the company's long-standing reputation in the region. Since then my expectations have been greatly exceeded. There are no limitations to what can be achieved, and I have always been encouraged to take opportunities, improve my knowledge, and develop new skills through further education. From travelling extensively worldwide, to now enjoying a challenging role at home, I have been supported in my career all along the way and I am looking forward to future opportunities and growth.

Mechanical Design Engineer -

Michael Lawlor

Date started: October 1995

Started as: Apprentice Mechanical Automation and Maintenance Fitter

Current Position: As a Mechanical design engineer I am responsible for the design of elements of the Ship to Shore crane. I work as part of a multi disciplinary design team which includes Structural, Mechanical, Electrical, Automation and IT engineers. Communication with colleagues is essential to ensure that an accurate and efficient crane design that matches the client's specifications is achieved.

Career Steps: I started as an apprentice at Liebherr in 1995 and successfully completed my apprenticeship in 1999. I decided to further my education and qualified as a Mechanical Engineer (Level 8). Subsequently I worked as a fitter fabricator in Liebherr and I have worked as a Mechanical design engineer since 2013.

Testimonial: The Liebherr apprenticeship is an excellent career path and also an ideal platform to further education. The knowledge and experience gained was a great advantage when studying for my degree. I now design many of parts that I had worked on as a fitter fabricator in the manufacturing department. The practical experience that I have gained has proved invaluable during my studies, and also now in my current role.

Apprentice Training Instructor - Eoin Lawlor

Date started: 11th January 2010

Started as: Apprentice Mechanical Automation and Maintenance Fitter

Current Position: As the Apprentice instructor I am responsible for the coaching and development of apprentices on all aspects of the trade. Examples of subjects taught include bench fitting, machining, CNC, metal fabrication and welding.

Career Steps: I commenced my employment at Liebherr as an apprentice in 2010 and qualified in 2014. Due to the diverse nature of the apprenticeship training at Liebherr, I was fortunate to be able to work in a variety of different areas. Immediately after my apprenticeship I began my career as a fitter fabricator, and in 2015 I transferred to the machining department as a CNC machinist. In 2016 I was promoted to the position of Apprentice instructor.

Testimonial: Since I joined Liebherr I have learned to strive for excellence in everything I do. I am passionate about training and I take pride in the fact that I can pass my skills and knowledge to the next generation of apprentices, and watch them develop. I enjoy working at Liebherr as it is a teamwork based environment where help and support is available in abundance for employees. I have been fortunate enough to receive numerous personal development and career progression opportunities at Liebherr. I have also had the opportunity to travel abroad, and I am the current captain of the interfirm football team.

A WORD OF VICTORY

Welcome back dear reader last week we looked at the soon return of the Lord Jesus to begin His reign over all the earth and the Devil's opposition to prevent it from taking place. Religious leaders may say that we all pray to the same God, but friend according to Jesus' own Word this is not correct. 'There is only One Mediator between God and man that is the Man Christ Jesus' (1st Timothy 2:5) There is only One name under Heaven given to men by which we can be saved - the Name of Jesus (Acts 4:12). Jesus said 'I am the Way and the Truth and the Life. No-one comes to the Father except through me' (John 14:6). Now, if you claim to be a follower of Jesus, how can you say that we can pray to whomever we like and be heard by our Heavenly Father? Every religious system has a vision to convert all people to their beliefs and worship their gods - who really are not God. The proof is that these so called 'gods' died and are still dead. There is only one who died and was raised again and that is Jesus the Son of the Living God. Who came to save humanity from sin and return us back into fellowship with the Father from Whom we had been separated through the sin of Adam and Eve. But praise God today we can come to the throne of grace with confidence and boldness through the body and the blood of the Lord Jesus where we find mercy and grace - unmerited favour (Hebrews 4:16). Jesus warns us that in the end times many voices will be claiming to be the Saviour but not to be deceived - He said 'be careful of what you hear and how you hear it'. Anyone who denies that Jesus came in the flesh is of the anti-Christ but if we keep our eyes on Jesus and pay heed to His Word the Bible, we will be safe (1st John chapter 4 and Mathew 24:5-14). More next week....

(NEE HEALY)**

Scartaglen Village

Who died on the 22nd August 2015

As we lovingly remember our mother Joan on the First Anniversary of her passing, we, Michael, John, Donie, PJ, Margaret, Kay, her sister Bessie (Dublin), brother Sean (USA) and extended family would like to thank most sincerely all those who sympathised with us, attended the rosary, the removal, funeral Mass and burial, and also thank all those who travelled long distances to be with us. We thank those who sent floral tributes, Mass cards, perpetual enrolments, letters of sympathy and those who donated to the Palliative Care in her memory.

Thanks to all our relatives, neighbours and many friends for all their support and generosity in our time of loss. A special thank you to Dr. Eamonn & Margaret Shanahan and staff at Farranfore medical centre and Kennelly's pharmacy for their excellent service. Thanks to all the carers, public health nurses, and occupational therapist for their assistance in caring for Joan in her home. We are also very grateful to the palliative care team who were a tremendous help and support during Joan's final days.

Thank you to Fr. Michael Fleming & Fr. Buckley for celebrating her funeral Mass, to Julianne, Helena and Jerome for the lovely singing at the Church and graveside, also to Diarmuid the sacristan and to Fr. Dan Riordan and Fr. John Kerin for their support at this time. Thanks to the undertakers Mike Daly, gravediggers, traffic stewards, Scartaglen Heritage Centre Caterers and to the Parish Council for providing refreshments at Joan's Months Mind Mass.

As it would be impossible to thank everyone individually, please accept this acknowledgement as a sincere token of our appreciation. The Holy Sacrifice of the Mass has been offered for your intentions.

Content in her home and always there,
Her life was one of kindly deeds,
