The highly coveted Benemerenti Medal, was bestowed upon Killarney resident Mrs Rena Kennelly, by Fr Kieran O'Brien, ADM of St Mary's Cathedral, Killarney, at a special Mass on Monday night.

The honour was sanctioned by Pope Francis and the Vatican in recognition for Rena's years of service to St. Mary's Cathedral. For almost 50 years, Rena has been creating beautiful life-size Christmas Cribs for over in the Cathedral. The annual crib is visited by parishes and visitors from all over the country every Christmas season and is very much part of the Christmas Tradition for many Killarney families.

Rena was joined by her family and friends at the ceremony which was performed by Fr Kieran O'Brien, ADM of St Mary's Cathedral, Killarney at Monday's 6.15pm mass.

Rena's son Mark and her daughters Shirley and Kate, along with their partners and children looked on proudly as Rena's unwavering contribution to the community was honoured. The Benemerenti Medal is a medal awarded by the Pope to members of the clergy and laity for service to the Catholic Church.

Disbelief, Sadness and Shock as Killarney comes to terms with the LOSS OF MIRIAM BURNS

Known to everyone in Killarney for her glamorous looks, her radiant smile and her great friendliness, the town of Killarney is united in grief at the shocking passing of the much loved Miriam Burns.

Miriam was a familiar sight in Killarney, always dressed to the nines and with a smile and a wave for everyone as she went about her business on her bicycle.

The 75 year old mother and grandmother was found dead at her home in Ardshanavooly, a place where she lived for almost 50 years.

At lunchtime on Monday neighbours were contacted by Miriam's son Shane who lives in Australia and who was concerned that he hadn't heard from his mother. He asked the neighbours to check on his mother and when they did so they found her body in the living room in her home.

It was at this point that Gardai and Emergency Services were called and the area was cordoned off.

Mrs. Burns body remained at the scene until the Assistant State Pathologist Dr. Margot Bolster attended and from then the body of late Killarney native was removed to University Hospital Kerry.

In a statement Gardai said: 'A post-mortem examination was conducted on Tuesday at University Hospital Kerry (UHK) by State Pathologist Dr. Margot Bolster, the results of which are not being released for operational

reasons,' a garda spokesperson said.

'An incident room has been established at Killarney garda station and a murder investigation has commenced under the direction of a senior investigating officer.

'A family liaison officer has been appointed and continues to keep the family informed of the investigation.

Local councillor Donal Grady paid tribute to Mrs Burns who was a friend and neighbour saying the community is shocked over the tragedy.

"I knew her very well and spoke with her regularly. She comes from a highly respected family and she herself is highly respected here in Ardshanavooly. She was a much loved neighbour, always smiling and so kind to all," he said.

"She has lived here since the 1970s and she has brothers and sisters who live here in Killarney and are well-known. She was a familiar sight on her bike, always cycling around", he added.

Gardai launched a murder investigation on Tuesday evening into the death of the kind-hearted grandmother hailed as "Killarney's smiling lady."

Dip in the Nip makes a welcome return

Following on from the huge success of Dip in the Nip in 2021 the event will make a welcome return this September.

The event organised by John and Michaela Edwards of Wild Water Adventures is set to be another great day and will once again raise substantial funds for cancer services in Kerry.

"As a local swimming business, we at Wild Water Adventures deal with a lot of female swimmers, and we wanted to give something back to the community. We have a unique skill set and we have used that to run several charity events over the years. We came up with the idea of running a Dip in the Nip last year and we asked Recovery Haven if they would like to be our chosen charity," explained John.

Such was the success of the event with 170 participants, John and Michaela are now hoping that it will be even bigger and better this year.

"Following the success of last year's event, we have asked Kerry Cancer Support Group to come on board as a beneficiary this year as well. We are hoping to build on that success and Dip in the Nip Kerry is now set to be an annual event."

"The feedback we received from last year's event was that women found it empowering and emotional, with ladies of all ages and walks of life taking part. We have an all-female support crew of guards, lifeguards, and marshals."

The location for the Dip in the Nip is a closely guarded secret with participants only finding out a couple of days before the event but with plenty of wonderful locations close to Tralee on the list for this year's event.

The Dip will happen at dawn on September 3, and it is a lovely social event. It is fun, exciting, empowering, daunting, exhilarating, peaceful and mindful according to participants of previous events. Everyone is on their own

journey and participating for their own reasons. This year's chosen charities are delighted to be part of this fun event and are urging women to sign up.

Breda Dyland from the Kerry Cancer Support Group said that they are very thankful to be chosen by Wild Water Adventures as a beneficiary for this year's Dip.

"We are really looking forward to what will be a unique and personal event. I want to thank Michaela, John and their volunteers for their hard work in organising the event and I hope that the ladies of Kerry and beyond come along and join us on the 3rd," she said.

Recovery Haven too is delighted to once again be part of a hugely successful event.

"Having seen the success of last year's event and the pure emotion and sense of solidarity experienced by all the women who took part, we are thrilled and honoured to once again be involved in such a wonderful event. We would encourage all women to give it a go, because it

is something very special and something they will not regret. As the phrase goes: 'Feel the fear and do it anyway,' said Marisa Reidy.

Dip in the Nip is open to all women (18+) – including those who have experienced cancer themselves, those who are supporting a friend or family member on their cancer journey or those who want to remember and honour a loved one who they lost to the disease.

Registration, priced at €40 (+ booking fee), is now open through Eventbrite and everyone who signs up will receive a custom swimming cap, a medal to mark their participation and will be automatically entered into a draw for some great prizes. Pre-registration is vital, however, as entries cannot be processed on the morning of the event. Participants are also asked, if possible, to bring tea and cakes and make this a fun social event too.

Launching the second annual Dip in the Nip Kerry on Saturday were (l-r) Marisa Reidy & Jacinta Bradley (Recovery Haven), Michaela Edwards (Wild Water Adventures), Breda Dyland (Kerry Cancer Support Group) and Siobhan MacSweeney (Recovery Haven). The event takes place at a secret location on September 3rd and registration is now open through Eventbrite

This year will mark Dáithí's eleventh year presenting the show and he and the 2022 International Roses were in celebratory form today at Sandymount Beach, Dublin before their journey to Tralee.

The Rose of Tralee International Festival will also celebrate its sixty-first year and interviews with the 33 International Roses will be broadcast live from the Kerry Sports Academy in Tralee, Co Kerry, for the very first time, at 8pm on Monday 22 and Tuesday 23 August on RTÉ One with a break for the Nine News.

Speaking at the event, Host Dáithí Ó Sé said: "I am really excited that the Rose of Tralee International Festival returns this year, I think

we all really missed it. I do feel like it's another sign of things getting back to normal. I am looking forward to meeting the incredible 33 International Roses.

"I also cannot wait to go back to Tralee to see everyone take to the streets on Saturday night and presenting the shows on Monday and Tuesday where we will have a few surprises up our sleeves as well when it comes to the party pieces."

The Rose of Tralee will be available to watch for free, live and on-demand by audiences in Ireland and around the world on RTÉ Player.

The 33 International Roses represent the Irish diaspora worldwide including, centres in Ireland, Britain, United States, Canada, Australia and the Middle East.

CHLOE CHOSEN AS THE ARIZONA ROSE BUD

There was great joy in the Nott household in Fossa when seven year old Chloe was chosen as one of the RoseBuds for the 2022 Rose of Tralee Festival.

Chloe, the daughter of Gemma and Erik Nott has one brother 9 year old Luke and is a pupil at Fossa National School and according to her mum and dad, she is absolutely thrilled with the news.

A real all-rounder, Chloe has a busy schedule as she is involved in her local GAA Club, is training to achieve

her Orange Belt in Karate and took part in the Darkness Into Light walk this year.

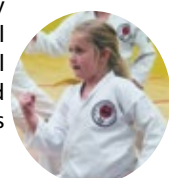

"Chloe is over the moon, as are we", her mum Gemma told Killarney Outlook.

"She has been paired with the Arizona Rose, Sophie Owen and is really looking forward to meeting her", Gemma added.

Last week Chloe was presented with her sash by Kerry Rose Éadaoin O'Connell at The Meadowlands Hotel and is really looking forward to the Festival which begins next week.

THIS WEEKS BEEF COMES FROM CAHILLANES MEATS KILLORGLIN.

Anne Lucey looks at the positive news happening in the town of Killarney

PUCK FAIR: NOT THE END OF THE (AF)FAIR

It might be the silly season, but there was no kidding around with the intensity of the debate over the putting up of this year's Puck Goat.

This year's fair was a cracking affair. Wonderful sunshine and a great atmosphere day and night on the streets.

Prompted by the heat, committed and concerned animal lovers "talked to Joe". For four days in a row. The nation was gripped. Newspapers received letters. People worried this might be the last ever puck "to go up". One of the more interesting contributions came from Michael O'Connell Listowel who asked the Irish Times had anyone consulted the goat?

A similar question was posed in poetry by Killarney's Nicky Barry from Woodlawn "The goat was famous! They were talking to Joe!

He might even be called by The Late Late Show! Joe's callers were all concerned for his health, But no one thought to ask him how he felt!"

It was a great question. The country was speaking for the goat. There was a whiff of religious fervour about some of the contributions.

Angry callers said the whole thing was "primitive" and "barbaric".

Has Killorglin ever pretended to be a suburb of London, or Dublin, I asked myself? Puck is not Kensington, and neither is it Howth.

There seems to be a presumption that what takes place in Killorglin is old, and therefore cruel, and should be discarded.

But did anyone ask the goat? I have had the rare privilege some years ago of flying over the goat in a helicopter. He was chewing away lying down in his cage, not a bother on him.

I thought there was an interesting cultural shift going on this week: previously the strongest concerns I heard about Puck is how the goat is the symbol of the devil and raising him above the human to be king for three days and three nights so the people could act the goat was a dangerous un-Christian thing.

Nothing provokes fury these days like animal welfare. Anthropomorphism - attributing human traits to animals - is as old as Aesop, and these days holds as much sway as Christian belief, it seems.

Part of me does wonder however if we may have all read too much Winnie the Pooh and Peter Rabbit!

I admired Danny Healy-Rae's contribution. He was the only Kerry TD to be brave enough to nail his colours. What had hurt people more than anything and made them angry was that the goat in Killorglin would be neglected, he said. In the history of Puck, this had never happened. If only because of the old belief in south Kerry that hurting an animal would rebound on the perpetrator.

HOUSING AND ST FINAN'S

A recent council meeting heard how 18 council owned houses are vacant in Killarney, and most of them are vacant for more than two years. This was in response to a question from Cllr Maura Healy-Rae. Some 13 of the houses are vacant over two years, she was told, and three are empty for up to two years.

This seems like a ridiculous situation in any era. But in an era where the country is coming down with pleas to house yet more Ukrainian refugees, it is farcical. The council along with other public bodies and even the GAA has been asked to identify properties suitable for refugees. While the situation with individual houses is a bit blurred, it does seem strange that so many houses in Killarney can lie empty when there is such demand. The TD Pa Daly said on Radio Kerry last week three families a week in Kerry were being made homeless, with one family in Tralee having to vacate their home of 12 years. They have ended up in one bedroom in a hostel. I am sure they would not say no to a house in Killarney.

Meanwhile, somewhat astonishingly, St Finan's once home to 1,000 patients and as many staff lies empty.

"The HSE were requested to issue details of available vacant properties/sites under its ownership to the Dept. of Housing, Local Government and Heritage for potential sources of accommodation and housing and St. Finan's was included within this list for their consideration.

To confirm, we have not been informed that the International Protection Accommodation Services (IPAS) were taking it over," a spokeswoman said.

By the way, an excellent account on the site history of mental health in the Killarney Hospital can be found on this link:

St. Finan's was included for consideration as a property to house Ukrainian Refugees.

WATER, WATER EVERYWHERE AND NOT A DROP TO DRINK!

The reservoir of Lough Guitane outside Killarney

For the third time in just over a year a catastrophic water mains burst in Muckcross has left thousands in Killarney, East Kerry and Tralee without water.

In July of '21 high temperatures along with an ageing infrastructure were blamed for two bursts within days between Lough Guitane and Sheharee. This time round, same location, Irish Water say they are not sure what caused it. But I would put money on heat again.

Last week in the heat and the high crowds there was the strong possibility Killorglin would run out of water during Puck Fair. To offset that Irish Water/Kerry County Council had to shut off supply at night to homes from Aghadoe to Milltown. It is crystal clear to me that we need more reservoirs. Yet I have seen no one calling for more reservoirs. Everyone is engaged in pipe laying! Imagine we live in a county that rains for around 360 days of the year. Some of the rain is torrential. Killarney and South Kerry gets more rain than most areas and is often swamped. But give us five days of heat and there are water shortages! It is not enough to blame the council and Irish Water.

Where are our engineers?

They need to speak up and be listened to. Around a decade ago, covering a conference of Engineers Ireland at the Great Southern Hotel, I read a great booklet called Engineering Ireland where the society outlined the kind of infrastructure problems we were facing and how to tackle them.

I doubt if anyone in local authorities or in Government bothered too much to read it. Engineers are about solutions. The most successful countries - Germany and France - are strong engineering bases and are driven by engineers.

We badly need to promote engineers to the ranks of the accountants and the lawyers, and the business graduates, and to give them at least equal status in managing our infrastructure. Or we'll be running out of water after two days of sunshine.

Great day at the REGATTA

Photos: Valerie O'Sullivan

In glorious sunshine last Sunday August 14th Flesk Valley Rowing Club hosted the 2022 Kerry County Coastal Rowing championships for the very first time in beautiful Castletrough Bay on Lough Lein.

Hundreds flocked to the Valley shore to see the coastal clubs of Kerry race in crews from under 12 to Masters. As well as clubs from around the Ring of Kerry, there was a strong representation from the Killarney clubs with the Workmen, Commercials and Fossa wearing their colours with pride. The atmosphere, colour, fun and fierce competition produced a spectacular day that will live long in the memory.

The event was opened by the Councillor John O'Donoghue, vice chair of the Killarney Municipal District, who extended a warm welcome to all the clubs, congratulated Flesk Valley on their centenary which occurred during 2020, and wished all of the clubs a successful day's racing. The first race was preceded by a special blessing of the boats by Fr. Eugene McGillycuddy, who also remembered the late Brendan Teahan of Cromane Rowing Club in his prayers.

Afterwards John Fleming, chair of Flesk Valley, expressed his immense pride and satisfaction with the success of the regatta. "It's our first time ever hosting a regatta, but we wanted to do something special to mark our 102 years in existence. It was a lot of work, but we have a fantastic hard-working committee in Flesk Valley who really pulled out all the stops to make it happen, and we received fantastic support from our members, parents, other clubs and local businesses". John also thanked the Kerry Coastal Rowing Association, in particular Mary B Teahan, Andrew Wharton and Máire Twiss, and the staff of the Killarney National Park for all their support and encouragement in hosting this event.

This was a qualifying event for the All-Irelands, and the Kerry clubs will be heading to Wexford next weekend to compete for honours at the All-Ireland Coastal Rowing Championships.

Kerry-Based KASI the Killarney Immigrant Support Centre along with New Wave Wild Project in Tralee have been named Awardees of Rethink Ireland's €530,000 Social Enterprise Funds

The Awardees were announced at a celebratory lunch event held at Airfield Estate in Dublin last week. These Funds aim to support and develop social enterprises across Ireland who work to improve the lives of communities.

Based in Killarney, KASI was named an awardee of the €4.4 million Social Enterprise Development Fund (2018 – 2023). The fund has been delivered annually from 2018 and will continue until 2023, with support from IPB Insurance and the Department of Rural and Community Development via the Dormant Accounts Fund. KASI NAMED AS AWARDEE OF RETHINK IRELAND'S FUND

Two Kerry social enterprises named Awardees of Rethink Ireland's €530,000 Social Enterprise Funds

500 people gain employment through 112 social enterprises and has mobilised over 16,507 volunteers.

While the New Wave Wild Project was awarded as part of the Social Enterprise Start-Up Fund (2021-2022), an €800,000 Fund developed in partnership with the Department of Rural and Community Development via the Dormant Accounts Fund, aiming to support social enterprises at the startup and early stage of existence.

KASI: Killarney Immigrant Support Centre has been providing practical, moral and social support to asylum seekers, refugees and migrants for over 20 years. Their work has evolved from providing the necessary services and support to the new communities to setting up social enterprises to create employment in the project itself in recent years. Their latest social enterprise, the community garden, has proven to be the most fruitful ground for migrant community integration into wider society through shared gardening experiences.

New Wave Wild Project, located in Tralee, delivers professional adventure therapy programmes with young people, adults, and families in natural blue and green spaces. They take an integrative psychotherapeutic approach (supported by backgrounds in social work, education, psychology, psychotherapy and CBT) and provide unique experiences that focus on engagement, and meeting the participant as an individual, where they are at.

KILCUMMIN CELEBRATE THEIR SUCCESS at the All Ireland Fleadh

The successes of the Kerry, Munster and All Ireland Fleadh's were celebrated with Kilcummin CCÉ members, their families and friends in the Club house in Kilcummin on Sunday night.

The talent within the branch was clearly evident with a packed trophies table.

Indeed some of the successes over the last number of months were re-played in a relaxed, jovial atmosphere that meant that all attending had a great nights entertainment.

We had demonstrations of winning sets across all age groups and then we moved onto the musicians who pulled out all the stops to entertain

the large crowd, packed into the Club House.

John Moriarty, who has recently retired from his role of Supervisor with Kilcummin Rural Development, was acknowledged with a presentation to reflect the outstanding work that he has done to enhance and grow Kilcummin Comhaltas over his 25 years in his role.

Much thanks and praise was also offered to Mary, Adrian & Conor Moriarty, all involved in the progression of dancing and music within the Kilcummin Branch.

The music and entertainment continued with Helen Kerins and Denis Crowley late into the night. We're looking forward to next year already!

A FAIR DAY LIKE NO OTHER

Fair Day in Kenmare is a tradition that dates back to the 1760's and on Monday last the town was packed with traders, locals and visitors alike soaking up the fantastic atmosphere.

Originally a two day event the Fair merged into one big day after the introduction of taxation on the sale of livestock.

The traditions of the day are still in place with stalls selling everything from tools to tapas along with the traditional sale of animals. Kenmare is one of the few remaining fairs in Ireland where people come from all over to buy and sell all kinds of everything - and this year was no different with photographer Valerie O'Sullivan capturing the atmosphere of this unique event.

A HEALTHY OUTLOOK FOR MEMBERS OF BEAUFORT GAA CLUB

Members of Beaufort GAA Club launch their Healthy Club Project. Photo: Tatyana McGough, Fitzgerald Stadium PR.

It's all about health at Beaufort GAA Club as they launch their Healthy Club Project, Phase 5

The proactive club will be taking part in the GAA Healthy Club Project, Phase 5, which was launched recently in the Club. They have taken part in all the Healthy Club Project phases since it began in 2013 when only sixteen Clubs in Ireland took part. 440 Clubs are taking part in Healthy Club 5 which will run until the third quarter of 2023.

The aim of the project is to assist Clubs in taking a holistic approach to health promotion in all aspects of their activities including their governance, the programmes they run, the partnerships they engage in, and the environment within which they operate.

Healthy Club awards at the end of this phase will be divided into three types, foundation, silver and gold. Clubs who wish to attain the foundation award must complete three initiatives in the eighteen months. Those

who wish to attain silver must complete five initiatives, those who wish to attain a gold award must complete seven.

The initiatives cover a broad spectrum of health related issues from physical activity, healthy eating, mental fitness and wellbeing, suicide prevention and response, social initiatives, health and safety. It is being rolled out in partnership with the Irish health sector and Irish Life insurance; Agencies include Healthy Ireland, the HSE, and the National Office for Suicide Prevention, G.A.A. Croke Park and Kerry. The Clubs involved greatly benefit from the assistance of the Agencies in the programmes they organise.

The Club has not yet decided on their activities for Healthy Club 5. If members have any ideas on Health and Wellbeing promotion activities which might be feasible to run and sustainable, please contact the Club at 087 9975737.

Irish Cancer Society offering FREE HEALTH CHECKS in Manor West shopping centre

The Irish Cancer Society has announced that it will be offering free health checks in Manor West Shopping Centre, Tralee this week. As part of the 'Your Health Matters' Early Detection Roadshow, nurses will administer health checks to the public from 9am – 6pm on Friday 19 August, free of charge.

The health check is a free walk-in service. It will include a blood pressure check, body mass index (BMI) and carbon monoxide (CO) reading and information on cancer prevention, screening and ways to help spot the early signs of cancer.

Each health check will take approximately 15 minutes and nurses will also be on hand to discuss any changes in health or concerns about cancer a person may have. A referral for a GP will also be arranged where further help is required.

Early detection and diagnosis of cancer is essential to improve health outcomes. The Covid-19 pandemic has resulted in a growing backlog of patients with cancer symptoms who have not presented or are waiting for urgent time-critical diagnostic services. As this disruption could lead to later stage presentation and increased cancer mortality in the coming years, the Irish Cancer Society will continue to deliver Early Detection Roadshow events across Ireland throughout 2022. This initiative seeks to promote positive lifestyle changes, increase awareness of cancer symptoms, and improve medical care-seeking behaviour for the early signs of cancer.

This year the roadshow has been to 10 different shopping centres in Dublin, Cork, Waterford and Limerick. To date, over 13,000 people have engaged with the information and over 900

people have received health checks in 2022. The roadshow will move to Louth, Sligo, Carlow, Donegal and other parts of the Midlands later in the year.

KILLARNEY ESCAPES THE WORST OF THE ORANGE ALERT

Killarney was spared the worst of the thunderstorms that were forecast for the entire country following the issue of an Orange Alert for Thunderstorms on Monday.

The Severe weather alert was issued by Met Eireann and due to the sporadic nature of development, not all areas were affected. Heavy downpours of rain and hail will occur in places, and there was some localised spot flooding.

Tony McCarthy captured this cloud over the East Kerry region on Sunday afternoon but it was Monday that the area experienced the effects of the thunderstorm.

LLPS School Concerts Tour 2022. In the photo are Mike Coult, Greta Curtin, Eoin Stan O'Sullivan and Conor Moriarty.

In an area steeped in Traditional Irish Music, The Sliabh Luachra Musician in Residence is an initiative by Kerry, Cork & Limerick County Councils to help bolster the massive efforts in Sliabh Luachra to grow it's unique music culture. Eoin Stan O'Sullivan has held the position since 2018 and he is currently fulfilling a new plan that began in April of 2022.

An education programme is one of the main pillars of the Residency Plan and in May and June Eoin ran ten school concerts in primary and secondary schools around the county. The concerts were funded by the Local Live Performance Scheme from the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media and Kerry County Council. The

series featured Kerry based musicians Greta Curtin, Conor Moriarty, Bryan O'Leary, Noreen O'Shea, Mike Coult, Matt Griffin and also Leah Murphy and Conor O'Sullivan from Cork.

There are also albums available by Bryan O'Leary, Maura O'Connor and Emma O'Leary. The music from label has found many fans and features on Irish Music radio shows around the world.

Eoin will launch a book of classic tunes from Sliabh Luachra. It will be for teachers, students and anyone starting play the local repertoire. The tune book will be promoted at another series of school concerts and workshops this Autumn .

In October at the Patrick O'Keeffe Festival the Eoin hopes to release another new CD. This one will be from an exciting Kerry trio featuring concertina, fiddle and guitar.

A new life for Michael thanks to the **KENYA EDUCATION PROJECT**

**EDDIE SHEEHY SHARES HIS JOURNEY BACK TO
NAIROBI AFTER A HIATUS OF TWO YEARS**

After a break of two years it was heartwarming to return to the village of Embulbul, Nairobi, and to visit Bro. Beausang Centre of Education again and to renew acquaintances with staff and key volunteers. In the aftermath of the Covid pandemic the school is back fully functioning and catering for students from the village and surrounding hinterland. Many families continue to struggle due to loss of jobs or reduced income as the local economy tries to get back on its feet again. Many young people lost jobs during the pandemic and with no state support are depending on family for food and other essentials. Many people in the public service had their pay cut by 25% or 50%. The parish celebrated it's 25 year serving the people so it was an occasion of great celebration which lasted all day. At present the country is in the grip of election fever with everybody hoping that it will lead to a peaceful outcome and that the result of the vote for a new president will be accepted by all.

One of the highlights of the visit was partaking in the school's annual mass and awards ceremony. Many students and staff were honoured for academic, sporting and social contributions to the life of the school. One award in particular was memorable: Michael Lokati, year 3 student received an award for top marks in History. We first met Michael in 2013 when he was not at school due to his mother's struggles to educate her children.. After speaking to his mother, Michael was enrolled in the primary school that Autumn followed later by his sister and brother with support from the Kenya Education Project. Due to the sudden death of his father the family faced many challenges, living in a cramped one roomed timber home. So it was

great to see a young boy make such great progress when given the opportunity of a sponsorship and seeing how proud his mother and siblings were.

During the visit we witnessed gifts of clothes, which were donated by the project being distributed to needy families, in particular lots of baby clothing and footwear to young mothers and babies. The local SVDP group continue to provide an amazing service to the slum village residents, often relying on a limited weekly budget meeting so many different demands, mainly food and medical. We visited the school's new hostel on the grounds of the school which caters for 10 girls, who for a variety of reasons do not live with a parent. It is a comfortable building with a kitchenette, showers, toilet and spacious sleeping area managed by a matron, who is a past pupil of the school. The Project provided funding for the initial building and for furnishing the hostel.

The Project continues to support the parish feeding programme which provides a hot meal to 80 young people from the village each school day evening. Due to many factors the costs of running the programme continues to be a challenge as the cost of basic foodstuffs and fuel increase due to the economic situation worldwide. It is costing 650 euro per month to fund the programme so the Project would welcome any further financial help to sustain the service.

In spite of the challenges posed by covid the Project is grateful for all the support, help and contributions it receives which hopefully will continue to provide sponsorships, support the feeding program and the many other challenges which the people of Embulbul face. Asante Sana.

Costs escalate but vital charity work continues

Dedicated volunteers with a charity initiated in Killarney close on 20 years ago are actively reengaging with their vital humanitarian work following the hardships and travel restrictions imposed during the Covid-19 pandemic.

The Kenya Education Project, established by retired Killarney schoolteacher and Fossa resident Eddie Sheehy, in 2003, is again providing crucial, life-enhancing support to the people of the slum village of Embulbul, 25km south of Nairobi, and the students of the Edmund Rice Catholic Education Centre.

Life is still very difficult for the people of Embulbul, however, and that highlights the importance of the Kenya Education Project's feeding programme with children receiving food packages to enable them to have one nourishing meal a day when, otherwise, they would have to go without.

The programme is run by the parish and it helps to provide food for the children of the village, from Monday to Friday, with up to 80 school pupils receiving meat, vegetables and rice.

"The facility where the meals are prepared and cooked has been fitted with an upgraded kitchen with modern wood-burning stoves and two people have been employed to prepare the meals each day and maintain and clean the kitchen. Their pay amounts to €200 per month," Eddie explained.

"Other significant ongoing overheads include the outlay on vegetables, rice, meat, maize flour and firewood and that requires a spend of €600 per month. This has resulted in our overall monthly costs rising from €650 to €800 per month," he added.

Additionally, the Kenya Education Project continues to support the school fees that need to be paid for students attending the local school as well as providing washing points and water stations and organising extra-curricular activities, including sports, for the children to enjoy.

To help meet the escalating costs involved, the registered charity always welcomes financial support from the public which can make such a difference to the children and make their lives a little more tolerable and any donations from the people of Kerry are always particularly welcome.

Anybody seeking more information on the work of the Kenya Education Project or those willing to get involved or contribute can contact founder Eddie Sheehy on 085-7497271.

BRYAN RUNS RINGS AROUND CANCER

A Furies man has remembered his father in a very unique way while raising money for the Irish Cancer Society.

Bryan Mulchinock originally from Longfield, Furies ran around the Ring of Kerry over 4 days starting the 25th of May. Bryan's motivation was the care his father Richard (Richie) Mulchinock before he passed away in May '21 due to melanoma.

"In his final weeks Dad and all our family received outstanding care, compassion and empathy from everyone at Kerry Palliative Care at University Hospital Kerry (UHK)", Bryan told Killarney Outlook.

"Dad wanted to spend a night at home from palliative care, this provided comfort to him and all the family and that could only have happened with the support of the Night Nurse from the Irish Cancer Society. Both of these brilliant organizations rely heavily on fundraising and we want to raise money for both so that other families in similar circumstances can receive the amazing support we did", he added

"I wanted the fundraising to be a challenge, connected to Kerry and reflective of the level of resilience these organisations represent", he added.

With 1500km of running training under his belt since the beginning of the year, Bryan started on the 25th of May running 49km from Killarney House to Kells, Day 2 was 42km from Kells to Caherdaniel, Day 3 was a tough day covering 47km from Caherdaniel to Kenmare. The final day was Kenmare back to Killarney House over Moll's Gap.

The final total from the fundraising was €20,200 with €6,600 donated to the Irish Cancer Society and €13,600 to the Palliative Care Unit in Tralee.

"This was a challenge that I really enjoyed, I was only successful because of the great support crew I had over the 4 days and I was really motivated by the really generous donations. I know that this money will make a real difference to families who have a loved one with cancer", Bryan said.

HONEY TREES PLANTED TO THANK THE PEOPLE OF KILLARNEY

On the eve of Ukraine's Independence Day, the people of Ukraine who are now resident in Killarney gave the community of Killarney 20 bushes of Kalina.

"We want to leave a mark in Ireland for years to come and thank all the locals for their hospitality and warm welcome" Natalya Krasnenkova posted on the Ukrainians in Killarney Facebook page

With the help of former Mayor of Killarney Sheila Casey who introduced us to today's mayor, Niall Kelleher our request was responded very quickly, Natalya added.

20 honey bushes were planted this week with the Cllr Niall Kelleher and Sheila Casey in attendance along the new walkway from Muckcross Road to the Racecourse.

"If you are walking along the footpath - get almost to the end, you will find small bushes of pinewood among the alpine slide with various plants!

Hopefully, soon they will grow up and become more noticeable", Natalya Krasnenkova said.

Kalina is a very important symbol for every Ukrainian. In every yard in every grandmother in Ukraine you will find a bush kalini. Its white flowers and red berries are sung in folk songs, embroidered on traditional clothes and towels. Houses and coats of arms of villages and cities are decorated with clay from ancient times. The Battle March of the Rebels "oh in the meadow red kalina", is now bursting around the world and is a symbol of the resistance of Ukrainians against the aggression of Russia.

"Kalina for a Ukrainian is also a symbol of the native home. We want to have a little corner of Ukraine here in Killarney. "We would also like to thank all the residents in Killarney for their hospitality and making Kalin Alley a memorable one," say all the residents at Innisfallen Hotel who organised the event.

The Ukrainian families who live in Killarney pictured with Mayor of Killarney Cllr. Niall Kelleher and former Mayor of Killarney Sheila Casey at the planting of 20 Kalina Bushes this week,

Ukrainian residents in Killarney issue invite to help them celebrate Independence Day of Ukraine

The Ukrainian residents who have made Killarney their home have issued an invitation to help them mark the Independence Day of Ukraine.

On August 24, the Ukrainian community in Killarney will celebrate the 31st anniversary of the Independence Day of Ukraine. Traditionally, on this day, Ukrainians gather together to celebrate liberation from the long-term yoke of Russia within the framework of the forced formation of states in the Soviet Union.

More than 2,000 Ukrainians in Kerry also plan to celebrate this day together and welcome everyone to join them.

If you would like to help them celebrate the group have offered some suggestions

1: Decorate your home or the window of your office or bar with the blue and yellow flag of Ukraine. Show how you support Ukraine. (You can request a PDF mock-

up of the poster, which you can print yourself and display in the shop window. You can contact krasnenkova@prhouse.com.ua for the mock-up. Or take it here <https://drive.google.com/drive/folders/1eTsX0SMPdUkWdpqRF1MXd7citGm2VbPM?fbclid=IwAR3lun0q-KzBffSEIRQNE7G5O6IEKmqKfy0jCmHJryfBnKG62GSHuvXpY-o>)

2: Attend a concert of Ukrainian music at the ANAM cultural center (Killarney, Co. Kerry, V93 D628). August 24 from 16.00 to 18.00 pm

In the program of the concert: the sisters Yeroshovy (violins), singing and dancing, gymnastic numbers from little Ukrainian girls, master classes for children on making bracelets and souvenirs.

Join the flash mob in blue and yellow clothing (the colours of the national flag)

3. Come to a cinema to watch an Ukrainian movie by English . "The Rising Hawk" is an American-Ukrainian feature film of 2019 directed by Akhtem Seitablayev and John Winn, an adaptation of the historical novel of the same name "Zakhar Berkut" by Ivan Franko. The film's slogan is "Freedom is my essence."

We are waiting for you in the cinema hall of the Great Southern Killarney Hotel, Killarney, Co. Kerry, V93 R866. Start at 18.30 pm.

All events will be open and free. Ukrainians will be happy to see all the Irish guests at the holiday!

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

DO YOU HAVE AN EXISTING PENSION?

If so there is some very important information that you need to know about your pension, such as....

What is the present value of your pension?

What funds is your pension invested in and what is the risk level of these funds?

Who manages your pension and how much are you being charged to manage your pension?

When can you access your pension?

These are just some of the important questions you need to know the answers to. You need this information in order to check and compare your pension to what is available in the market place today from pension companies who may be able to get you a better return for your money and therefore getting you a higher lump sum and income on retirement. So whether your pension is from your employment, an ex employer, you were self employed in the past or are self employed now it is very important that you have your pension reviewed and assessed by a financial advisor.

supports, throughout Irish communities.

The certified training courses, which offer nationally recognised qualifications including QQI, ICDL, and City and Guilds, have impacted significantly on the progression of people with a disability and/or health

conditions into employment and have seen some participants land jobs in companies such as Facebook, eir, Ryanair, Mr. Price and across the hospitality and tourism industry. People attending National Learning Network include people claiming any form of disability benefit, those recovering from an accident or injury, or living with mental health challenges, autism or learning disabilities.

In the past five years the organisation has also supported a further 3,700 people to transition to a broad range of further training opportunities with 50% progressing onto third level colleges and universities.

Each year National Learning Network (NLN) also supports hundreds of people with complex and enduring mental health issues through a new programme launched in 2019 called Individual

Placement and Support (IPS). IPS helps people, who would otherwise have been met with barriers to the employment market, to find work in mainstream competitive jobs. Under this initiative 616 people who participated in the IPS programme with NLN since 2019 have secured employment.

The figures were released today as National Learning Network launched its inaugural National Open Day, which will be held on Wednesday, August 24th 2022, at 11am and will see more than 30 centres across the country open their doors to the public, including NLN Tralee.

People who were supported to find employment through NLN, and who may otherwise have remained reliant on social welfare payments, have contributed in the region of over €750,000 to the State as a result of securing employment. Additionally, the Exchequer has saved conservatively in the region €100,000 annually in reduced expenditure on social welfare benefits, not including savings on secondary benefits.

>KERRY PETROLEUM SENIOR CLUB CHAMPIONSHIP RD2**SPA 0-17 KENMARE 1-14**

In Round 2 of the Senior Club Championship Spa hosted Kenmare Shamrocks on Saturday evening, and after a hard-hitting 65+ minutes the sides couldn't be separated. With temperatures in the high 20s, water breaks were added for all this weekend's games.

James McCarthy and Seanie O'Shea (mark) had early points on the board for the visitors before Cian Murphy opened the Spa account with a mark. Stephen O'Brien and Seanie Shea (2) increased the Kenmare lead with Evan Cronin replying with a point at the other end. A scrappy opening quarter had Spa trailing 0-2 to 0-5 at the first half water break.

Spa had a better second quarter, David Spillane with a lovely point curling just inside the post before Mike Foley and Cian Murphy levelled the game at 0-5 apiece. Shane Cronin kicked a brilliant '45 and Evan Cronin followed with a great point before Kenmare's Stephen O'Brien got his marching orders after a second yellow in the 28th minute. Seanie O'Shea was deadly accurate with a long range free but it was quickly cancelled out by a David Spillane point at the other end. At half time Spa had gone in front at 0-8 to 0-6.

It was a high scoring second half starting with midfielder Liam Kearney making a great run forward and fisting over the bar. David Spillane followed with another moments later. James McCarthy hit a mark for Kenmare but Spa were soon on the attack again, Evan Cronin and Ciaran Spillane making it 0-12 to 0-7. Seanie O'Shea pointed 3 frees in a row for Kenmare before a superb Evan Cronin point was quickly followed by another from David Spillane. At the second half water break, Spa, playing with the extra man, were still leading at 0-14 to 0-10.

On the restart Paul O'Connor turned over the ball from the kick out and pointed before Liam Kearney set up Mike Foley for another Spa score at the other end. Seanie O'Shea and Shane Cronin swapped points before the Kenmare goal, Tommy O'Sullivan collecting a pass and rattling the net in the 58th minute to make it Spa 0-16 Kenmare 1-12. A couple of minutes later and Spa were also reduced to 14 men as Mike Foley was shown a second yellow.

A Seanie O'Shea free levelled the game at the end of normal time, and play continued with Evan Cronin pointing a free late into injury time. The referee allowed time for one more Kenmare attack, a long ball dropped in towards goal with Griffin Wharton and James Devane both reaching for it, but it was knocked inches above the crossbar to level the game once more before the final whistle blew. Full time Spa 0-17 Kenmare Shamrocks 1-14. Spa play Na Gaeil (away) in the third and final round this Saturday August 20th with all teams needing points in the final round to determine the Group A standings.

YOU ARE PERFECT AS YOU ARE!

Our body and sense of self are intimately linked. The attitudes that you have about your body readily spill over into self-attitudes. For example, If you believe you are too big, you may avoid going out in public. If you are dissatisfied with yourself, you may take it out on your body by neglecting what you need. The image that we have of our body begins early on in childhood. In our early life we are so often repeatedly told what we are not by others. We learn what it means to be a part of the family we are born into by what we are told about who we are. We are conditioned to accept these beliefs as truths. We learn to create a mindset that becomes a library of "I am not's!" As a schoolchild, whenever we received a report card that said we were less than what was expected we filed that away as the truth. Wherever we were compared to others in a negative way we became less than them. Whenever we judged ourselves by the standards of beauty or the body culture of the day we became not good enough, pretty enough, thin enough, curvy enough or talented enough. However the real truth is that wherever there was a "not" there was a lie! The truth is that from the moment you were born, you were (and are) the most magnificent precious beautiful being that has ever existed on this earth. The truth is that you are loved, needed and adored by the Universe and that you are perfect as you are, no matter how you are!

answers your beauty questions...

Can I use my regular Moisturiser on sunburn?

If you are sunbathing or have sunburn use After-sun care. Regular moisturisers are often oil-based and occlusive, which means they trap the heat in your skin if applied after sunburn. This will exasperate that burning feeling of heat and inflammation on your skin. After-sun formulas are lightweight moisturisers with high water content and contain anti-inflammatory ingredients to calm skin quickly after sun exposure. A sun kissed glow may look attractive now but to avoid long-term damage(aging) caused by the UV rays you need to feed antioxidants into your skin. Aloe vera is naturally full of antioxidants, very hydrating and immediately soothes the skin. Chamomile contains azulene, which has potent anti-inflammatory effects." These ingredients in a gel, spray or

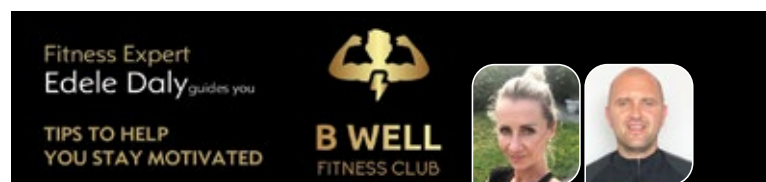

lotion formula will allow the heat to escape helping to keep your skin cool. After sun with insect repellent gives added protection while soothing sunburn. Keep your after sun in the fridge for extra cooling effect. After sun cannot reverse UV damage so get a good sunblock and remember to reapply it every 2 hours.

AN EYE EXAMINATION SHOULD MAKE THE BACK TO SCHOOL CHECKLIST

A comprehensive eye examination is as essential for back-to-school success as supplies for learning. Studies have consistently linked school performance to poor vision and visual disorders.

More than one in 10 children in every classroom is estimated to have an undiagnosed common vision problem that affects their learning and development.

Some eye conditions do not display any signs or symptoms, so the only way to know for sure is to take your child for a sight test.

Signs which may show there is a problem with a child's sight include:

- an eye appearing to drift inwards or outwards;
- difficulty concentrating;
- headaches;
- sitting too close to the television; or
- rubbing their eyes a lot.

The condition 'lazy eye' can run in the family, so if someone in your family has either an eye turn ('squint') or suffers from reduced vision in one or both eyes ('amblyopia'), it's a good idea to take any related children for a sight test.

What is vision screening?

Some children have their vision screened at school – this is usually a basic test, designed to pick up children who have reduced vision

in one or both eyes. If a problem is suspected, children will usually be referred for a full sight test.

What is a sight test?

A sight test is a comprehensive check which can pick up many conditions, including colour vision defects, problems with the development of 3D vision and any need for glasses. Taking children for sight tests from an early age helps to build good eye health habits into adulthood.

What can I do if I don't want my child to wear glasses?

Some parents avoid taking their children for a sight test, because they do not want them to wear glasses

It's important to understand that some children do need visual correction so their vision can develop normally and to achieve their full potential. The good news is there is now a much wider range of attractive frames to choose from and less stigma attached to wearing glasses.

Many children are also suitable for contact lenses.

This is particularly helpful for children who take part in regular sports activities and they can be successfully worn from an earlier age than most parents expect.

CLUB CHAMPIONSHIP An Gaeltacht 1-13 Kilcummin 1-11

Following our victory over the Desmonds on the previous week we travelled to Gallerus on Sunday to face the Gaeltacht who are always a very formidable team on their own ground. So, it transpired as they secured the points to leave the group very much in the balance with four teams on two points prior to this week's final group games. For our part our players battled hard and stayed in touch with the home team until the last ten minutes when the opposition scored three consecutive points to see out the game. The first half had seen us match the opposition score for score early on with both teams at 3 points with fifteen minutes gone. Kilcummin certainly had the better of the second quarter when a Cian Foley goal helped us to reach half time leading by 3 points. Five minutes into the second half the sides were level and both teams exchanged points until those final few minutes that saw Gaeltacht get over the line. We now play Glenbeigh/Glencar on this Saturday at 7pm in Kilcummin to decide who qualifies for the quarter-finals.

GLENFLESK

Written by: Seamus Healy

>INTERMEDIATE CHAMPIONSHIP GROUP 4 ROUND 2
GLENFLESK 0 - 13 RATHMORE 1 - 18.

A superb goal from Kerry goalie Shane Ryan, was the score that finally decided this round 2 Intermediate Championship game, as Rathmore advanced to the Quarter Finals, leaving Glenflesk needing to beat St Mary's in their final game, to be in with a chance of joining them.

It didn't take long for the visitors to get into their stride, with Chrissy Spiers giving them the lead within 30 seconds. Dylan Roche responded with a point, after taking a mark from Jeff O Donoghues pass. Points from O Donoghue and Darragh Roche put Glenflesk ahead after 5 hectic minutes. Rathmore then began to take over, with Kenneth O Keeffe having great success with his kick outs to the wing. Firstly James Darmody pointed after a clever pass from Brian Friel. Then Mike Joe Kelliher started an attack that ended with Shane Ryan finding the target off his left foot. Ryan then added another point, this time with his right, as Rathmore went into the water break with a 3 point lead.

Glenflesk eventually managed to get back on the scoreboard when Chris O Donoghue pointed after taking a mark. Rathmore were finding scores easier to come by though, and Brendan O Keeffe powered forward to add his name to the scoresheet. Glenflesk managed to get the last 2 points of the half with Jeff O Donoghue catching a kick out and finishing superbly, and Patrick Darcy capitalizing from a rare Rathmore kick out error. Rathmore on top, but still game very much on.

Spiers pointed an early free as Rathmore forward's looked like they could break free in every attack. Chris O Donoghue then fisted over, when a goal chance may have been possible. John Moynihan's 2 quick points kept Rathmore in control, before Glenflesk had 2 goal chances that could have

altered the games course. Firstly Darrah Roche brilliantly caught a high ball, shrugged off Paul Murphy, and saw his blast at goal go over rather than under. Then Ian Roche broke in and exchanged passes with Kevin Bowler. His shot looked destined for goal, only for O Keeffe to deflect it away to safety. Rathmore survived these 2 scares, and pushed on from there. 2 fisted points from Anthony Darmody and Andrew Moynihan put them 4 up again. Then Ryan leapt highest to catch a high ball, and hammered the ball to the net. The intensity of the game dropped markedly from here, with Rathmore comfortably seeing out the win, with George O Keeffe getting the last score as time expired.

Rathmore advance with 2 wins from 2, and are highly likely to be at home in the quarter finals. Glenflesk now head to Cahersiveen with only 1 point from the first 2 games. They now need to win down there, and hope Rathmore beat Milltown. Report by Michael Healy.

KERRY PITCH & PUTT

After both Tralee (Scotch Foursomes) and Listowel (U16 Matchplay) played host to Munster events this year, it is Deerpark's turn to welcome an official Pitch & Putt Ireland Championship to Kerry this weekend as they play host to the National Youth Championships this Saturday. It will be the first time since 2011 that the Killarney club have hosted this event with all events condensed into one day to help with the cost incurred by competitors for the weekend. In all there are four different events on the day beginning with the U20 Championship at 9am. There are Deerpark, Tralee and Listowel entries in this event while the main Boys (U16) category sees entries from both Deerpark and Listowel. In the Girls event we have entries from Tralee and Listowel as the U16 Inter-County event sees both the Kerry 'Gold' and Kerry 'Green' teams in action this weekend. The 'Gold' team of Brian McCarthy, Nathan Cronin, Noah Sexton and Ajay Barrett will be hoping for a provincial and national double after their recent win at the Munsters in Dungarvan, Co Waterford.

The Kerry 'Green' team of Ben Kelliher, Jayden Chute, Daniel Leahy and Dylan Sweeney meanwhile were third in the Munsters and will hope for another strong performance in their native county. Like the provincials the inter-county players best 18 hole cards in the Boys Singles Championship will count as their inter-county singles score as they will play their 18 hole Scotch Foursomes cards afterwards.

The team is kindly sponsored by Sewells Pharmacy Killarney as we wish all Kerry players no matter what competition they are playing in this weekend the very best of luck. The County Board also wishes Deerpark the very best of luck with the hosting of the event. The underage nationals are not the only Pitch & Putt event in Kerry this weekend as Tralee are hosting their Scratch Cup on Saturday also.

The club are operating a timesheet for the event as any registered Pitch & Putt Ireland member interested in playing is asked to contact the club themselves regarding the availability of timeslots.

DAVID HIGGINS TO DEFEND IRISH PGA CHAMPIONSHIP TITLE AT CARNE GOLF LINKS

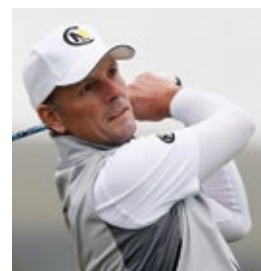

The magnificent rugged Carne Golf Links will once again play host to the Irish PGA Championship 2022 from 17th to 20th August and defending champion, David Higgins (Waterville Links), and many of Ireland's leading PGA professionals will battle for a slice of the €45,000 prize fund put up by Erris Tourism Holdings Ltd, the course owners.

The 54-hole tournament is returning to the Wild Atlantic Dunes course at Carne Links, for the second year in a row, and will be preceded on August 17th by a Pro-Am. The tournament, which is the oldest golf tournament in Europe, will once again be sponsored by Columbia

Sportswear, whose CEO, Tim Boyle, and his family, owns Gearhart Golf Links in Portland, Oregon, which is twinned with Carne Golf Links. Former champions, Tim Rice (Limerick GC) and Damian Mooney (Damian Mooney Golf) have confirmed their place in the field alongside European Tour winner Simon Thornton, and serial winners on the PGA circuit, Colm Moriarty (Glasson Lakehouse), Richard Kilpatrick (Banbridge GC) and Liam Grehan (The K Club). The event will copperfasten the Wild Atlantic Dunes course routing at Carne Golf Links, which entered the Irish Golfer Top 100 rankings at number 13, and has been described as the

biggest and most explosive Links in Ireland.

The original 18-hole course that overlooks the Atlantic Ocean on Ireland's west coast in County Mayo was the last to be designed by the celebrated architect Eddie Hackett and was completed in 1995. An additional nine holes known as the Kilmore, which was opened in 2013, plus the back nine of the Hackett course form the Wild Atlantic Dunes – the stage for a tournament that was first contested in 1907.

AIDAN ELECTED ONTO THE SFAI EXECUTIVE

The Kerry Schoolboys Girls League is delighted to announce that it's Chair Aidan Murnane has been elected onto the SFAI Executive.

He is the first Kerry official to hold this position.

At the 2022 AGM the SFAI (Schoolboys Girls FAI) the make-up of the Executive was re-worked with the larger Leagues losing their automatic right to a seat.

Instead the Provinces and Council now elect the members of the Executive with Munster and Leinster getting an extra seat.

The Munster Council meeting took place this week with Aidan being the unanimous choice of the Leagues.

Speaking afterwards he said that he was looking forward to working for the betterment of the underage grassroots game.

"Yes it's a proud achievement to be elected by your peers onto the SFAI Executive and also a

Aidan Murnane who has been elected onto the SFAI Executive.

proud day for the KSBGL.

"We are an integral part of the SFAI and the League chosen to host the Munster Girls Finals.

We have always been well represented at Council level and this will continue.

My role as part of the SFAI Executive is to ensure everything that needs to be done for the grassroots game, for both boys and girls, is done and we give our players, clubs and Leagues and deliver the right suite of age-appropriate competitions.

These include the National Cups, where we brought in a Shield competition for teams that are knocked out in Rounds 1&2. This will give Kerry sides a second bite at the cherry.

It also includes the Inter League competitions, the Kennedy and Gaynor Cups.

But we will also be looking at any other way we can support our Leagues who are the backbone of the underage grassroots game."

REPRESENTING HER COUNTRY, LEAH TAKES PART IN THE FIBA CHAMPIONSHIPS

Featuring Basketball superstar Leah McMahon from Killarney, Ireland U16 women were the final age grade team to take to the court at the FIBA European Championship this summer, when they meet Bosnia and Herzegovina in their first group game yesterday afternoon.

The final squad was announced by head coach Andy Gill in May and since then, they've been busy on the practice court and participating in as many preparation games as time allowed to get to this point.

Best of luck to Leah and her team mates in the competition.

Leah McMahon pictured front row third from left heads off to take part in the FIBA European Championship scene this summer will be our U16 women.

FLESK VALLEY ROWING CLUB**COUNTY CHAMPIONSHIP REGATTA****FLESK VALLEY HOSTED A VERY SUCCESSFUL**

County Championship regatta for the very first time in Castlelough Bay last weekend. Clubs from all over Kerry flocked to the Valley shore to compete for the title of county champions in the one-design boat. Against the backdrop of the resplendent Killarney National Park, the regatta had everything you could hope for; a great crowd, a brilliant atmosphere and lots of exciting races. It was great to welcome so many familiar Valley faces to the lakeshore, including Club President Jimmy Fleming and long-time Flesk Valley supporter Freddie Healy who made the trip from Dublin especially for the day.

THANK YOU

An enormous amount of work went into the regatta and the club is very grateful to everyone who helped in any way to make the event such a success.

In the first instance huge credit and thanks are due to the committee members for all their hard work and time over the past few weeks and at the weekend. The club would also like to thank all our members, past and present, and parents who contributed amazing home baking and volunteered in the shop, in the car park, loading boats and on the water looking after everyone's

safety.

Flesk Valley would also like to thank councillor John O'Donoghue, vice-chair of the Killarney Municipal District for opening the regatta; Fr. Eugene McGillicuddy for blessing the boats; the Order of Malta for covering the event; Timmy Counihan for driving the safety launch, Muckross Rowing Club for the use of their boat and launches and Leane's Tool Hire, Hegarty's Muckross Road, Muckross Creamery, National Tile Killarney, Mark Clifford, Café Du Parc and the Killarney Race Company for their generous support.

Finally, thanks to the participating clubs, the Kerry Coastal Rowing Association, and in particular Mary B Teahan and Andrew Wharton, for their support and encouragement, and thanks to the staff of the Killarney National Park for facilitating the regatta.

COUNTY CHAMPIONSHIP RESULTS

On the water Flesk Valley also had a good day with victories in the U12 boys and girls, the U14 boys, the U16 girls, the U18 boys and the Veteran Men categories, along with second place finishes in the U21 ladies and men, U14 and U16 boys and Pre-Vet Mixed and third in the Junior Ladies. A big thank you to all our coxes and coaches for their efforts.

WEXFORD 2022

This weekend Flesk Valley will take almost 30 crews to the All-Ireland Coastal Rowing Championships in Wexford. We wish them every success and safe travels.

CRONIN TAKES CRUCIAL WIN IN SCOTLAND

Keith Cronin and Mikie Galvin have won Grampian Forest Rally in their Volkswagen Polo GTi, to further extend their lead of the 2022 British Rally Championship. The Ballylickey driver and his Killarney co-driver were fastest on five of the Aberdeenshire event's six stages, and eventually finished with a winning margin of 21 seconds. Their nearest championship rivals, Osian Pryce and Noel O'Sullivan, also in a Polo GTi, snatched second on the final stage from Ruari Bell and Max Freeman, who were fortunate to finish after an off-road excursion in their Skoda Fabia over the final few miles. James Williams and Dai Roberts survived late brake problems to take fourth in a Hyundai i20, with Jason Pritchard and Phil Clarke (Polo) rounding out the top five. The Grampian marks Cronin's second BRC victory of the season, having also won the Jim Clark Rally on the series' previous visit to Scotland in May. With Pryce also taking two wins so far, Cronin recognised the importance of today's result, ahead of the next two rounds taking place on Pryce's home territory: "It's great to get the win, as I said at the start of the rally, we really did need it, especially when we're going into

Wales next, it'll be tough to beat Osian in Wales. We had a good start and we were able to manage it from there. It's our first win on gravel in a while, so that was really good. We are leading the championship, but we need the wins in order to win the championship, it's all to play for. Everything worked really well for us today. We had made a few changes to the car between this and the last rally, and they obviously worked".

The day started well for Cronin and Galvin, the Killarney & District Motor Club crew taking an early lead of three seconds over Bell and Freeman on the opening test. Pryce and O'Sullivan, running first on the road, were a further second back, with Pryce reporting that his Polo was cleaning the roads of loose gravel. Cronin and Galvin extended their margin at the head of the field over the next two tests, adding six and four seconds to their advantage. The battling Bell/Freeman and Pryce/O'Sullivan shared equal fastest time on stage four, taking three seconds back from the leaders, but Cronin and Galvin were quickest again on the remaining two stages to cement the victory.

The British Rally Championship resumes with the tarmac surface Rali Bae Ceredigion, based in Aberystwyth, on September 3rd and 4th.

Sun Shines on Ted's Opel Vauxhall Run

On Saturday morning last the 13th of August, seventy two cars assembled at the Mills Inn, Ballyvourney, Co. Cork, for the 15th Ted's Opel Vauxhall Run, in aid of "Dogs for the Disabled".

They came from all corners of the country, Belfast to Clonakilty, Derry to Kerry, Kildare To Sligo, Galway, Waterford, Limerick and plenty local support as well. Also in attendance was the Marketing Manager of Opel Ireland, Emma Toner, who on her first visit to the run was highly impressed. Ms Toner also had the duty of selecting the winning car for Best Overall Car of the run and selected the Opel Kadett Coupe of Kieran O'Neill from Belfast for the Opel Ireland sponsored Award. Kieran was one of the Group Motors Rallying group who travelled down for the event bringing in total 9 cars with them. The first Special Award of the day was selected by Caroline from the Mills Inn and went to John & Elaine Unkles and their Opel Manta A from Sligo. After a briefing the cars headed off through Gaeltacht Mhúscraí taking in Reinanaree, Toonsbridge, along the Gaeradh, Dromcarra, Inchigeela, along the Lough Allua rally stage and stopping at Gougane Barra. Another Special Award was chosen and presented by Maria Uí Laoire from Cronin's Café, and the winner was Enda Faherty from Omagh with his Opel Ascona B. Leaving Gougane Barra the run continued to the Mouth of the Glen, Furihy, Top of Coom, Coolea and returning to the Mills Inn for a Barbeque and the remainder of the prizes. The Kevin O'Leary Perpetual Cup for Best Opel went to Tom Hennessy from Limerick with his Opel Ascona B, The Cartell.ie Perpetual Cup for Best Vauxhall went to Declan & Jerry O'Sullivan with their Vauxhall Astra Estate, The Rentokil Perpetual Cup for Best Modified went to Vinny Ward from Killaloe with his Opel Manta 400r who incidentally also won the Perpetual Shield, which is randomly picked from all the run entries. The Jackie Small Memorial Award went to David O'Brien from Kildare with his Opel Rekord Diesel. The Spirit of the Run Award went to Group Motors

Rallying as a team who always support the event and always help out in any way they can. There were two other Special Awards left and one was chosen by Gerard Cronin who was representing Dogs for the Disabled, Gerard had his Assistant Dog "Maud" with him, he chose the Opel Manta 400r in the "Billy Coleman, Dealer Team Opel Ireland" livery owned by Joey O'Shea from Limerick. The last of the Special Awards was chosen by Josie and Clodagh from the Mills Inn and the winner was another Limerick man Jim Ahern with his Vauxhall Victor Fb. There was also an auction of two framed and autographed rally prints of Jimmy McRae and Ari Vatanen kindly donated by Podge Newe, the bidding went to €120 each and that money also went to the Dogs for the Disabled. The evening finished off with the wonderful music of Hank Wadel. We would like to thank all who attended to make the event possible, and hope you all return next year on August 12th 2023.

Spa v Kenmare Shamrocks ended in a draw

SENIOR CLUB CHAMPIONSHIP

Group One

Spa 0-16 Kenmare Shamrocks 1-13

Spa may well see this as an opportunity lost, considering that they led by 0-8 to 0-6 at half-time and looked in command of proceedings after Stephen O'Brien got a second yellow, but the reality is that Kenmare were well worth a draw in the finish, not least for a stunning exhibition by Seán O'Shea. Spa are at least safe, and in with a great chance of a semi-final if they can take anything out of Na Gaeil – the eponymous 'if'!

Dingle 1-10 Na Gaeil 2-6

Dingle needed a win after their opening round defeat and got it, just about winning a very close encounter that blows the group wide open. They will be travelling to Kenmare next week with their fate in their own hands – Kenmare probably have the best player in the competition but with just one point on board, could very well end up in relegation trouble yet. Spa, with three points, are the only team certain of safety so far but wins for Dingle and Na Gaeil would see them miss out on qualification. All to play for yet!

Group Two

Templenoe 0-10 Dr. Crokes 1-6

Templenoe, with Gavin Crowley outstanding, took control early on and, although Crokes did draw level, they were always chasing the game to a certain extent. Both teams had young players standing out. The likes of the excellent Neil O'Shea, Evan Looney, and Cian McMahon, who picked off a poacher's 1-2, stepped up for Dr. Crokes. Has any club produced such a seamless line of corner sharpshooters? Paddy 'Bomber' O'Shea, Jackie Looney, Pat O'Shea, Kieran O'Leary, Colm Cooper, Tony Brosnan nowadays....McMahon already looks a natural, while Neil O'Shea gave a seamless display at the back. Kenmare had Gavin Crowley as man of the match, just about pipping a dynamic Micheál Burns and O'Shea, but they had young

tyros too in Tommy O'Sullivan and Aidan Crowley. In fact, Crowley was the unlikely hero, his third dead ball conversion from long range took the win. Crokes had chances to equalize, but just couldn't quite convert, and absolutely must beat Austin Stacks in Lewis Rd. next week. I never saw a bad game between those two great rivals yet – this one should be a cracker. But you'd have gotten fair odds on Templenoe beating the both of them earlier on!

Kerins O'Rahillys 1-14 Austin Stacks 1-15

It went right down to the wire, as it so often does in the Tralee derby. Stacks have looked a bit rudderless in the absence of Kieran Donaghy, but this time they had players hunting responsibility and an impressive spread of nine scorers. Jack O'Shea is worth special mention, kicking 0-3 from centre back – certainly the outstanding form of all the returning Kerry footballers confirms the quality of their selection and coaching – but sure, the jangling celtic crosses are confirmatory enough! Rahillys were just as impressive as Stacks in open play in a fantastic game of positive flowing football, but more reliant on Jack Savage for their cutting edge, especially in the absence of Conor Hayes. In the end Stacks just about deserved to win it. Templenoe will be playing in a semi-final – any of the other three could join them or be in a relegation battle yet!

INTERMEDIATE

Group One

Gneeveguilla, Ballydonoghue, Beaufort, Currow

Gneeveguilla were always expected to beat Currow, who have been in a few relegation battles in recent years and unfortunately look headed in that direction again. Beaufort have been just inches away from winning the competition in the last couple of years, but Ballydonoghue have been turning into a real powerhouse – the Foley brothers are part of an exceptionally talented team that represented Kerry at Féile and those players are now at their peak. I had Beaufort among the favourites,

but last weekend's result reminds me that Ballydonoghue are one of those teams that are often under-estimated.

Group Two

Killarney Legion, Laune Rangers, John Mitchels, Dromid Pearses

Killarney Legion were the obvious favourites to go straight back up (early days yet, of course!) and look well on course with two very convincing wins. Graham O'Sullivan excelled for Dromid, but they haven't the power to contain a hungry Legion. Dromid have the quality – two South Kerry titles in recent years proves that – but they just don't have the numbers – it's becoming an all-too-familiar problem. Laune Rangers have been sleeping giants for a long time but have put in the hard yards. Mitchels, kingpins of the early sixties, have been slumbering longer but could still grab a quarter-final berth.

Group Three

Gaeltacht, Kilcummin, Castleisland Desmonds, Glenbeigh/Glencar

Yeah, this is the group that every neutral is watching! All four are talents, and the fact that all four have one win each after two games says everything. Gaeltacht's win over Kilcummin would be the biggest surprise, but Gaeltacht are always capable of that – their county league travails were due to a bad habit of leaking goals, not any overall weakness or lack of talent. You'd still back Kilcummin, even without Kevin McCarthy, to come through. One thing's certain, whatever teams come out of this group will have been soldered in a hot fire!

Group Four

Rathmore, St. Marys, Glenflesk, Milltown/Castlemaine

Rathmore's victory over Glenflesk wouldn't be a huge shock – Rathmore would be among the overall favourites – but that's a much bigger margin than I had expected. St. Marys win over Milltown/Castlemaine must count as a bit of a surprise, though – Marys had their travails in the league but Bryan Sheehan has been the best club player in Kerry for nigh on 20 years and Marys are always dangerous. Milltown's

increasing population will have a long term effect, but that will take time. This group could go any which way yet! One thing is certain, the relegation battles will be as entertaining as the promotion finales in this grade!

JUNIOR PREMIER

Group One

Skellig Rangers, St. Senans, Churchill, St. Pats Blennerville

Skellig went all the way to the final last year and are on course for the knockout stages again the 'Lovey'O'Sullivans are some foundation to build success! St. Senans look on course to join them, but St. Pats on their home ground will have something to say about that. St. Pats have to win, as do Churchill – they drew the head to head and there's just a single point in scoring difference between them – I'd expect mobile phones to be busy at the two games next weekend!

Group Two

Annascaul, St. Michaels/Foilmore, Brosna, Ballyduff

To be honest, I expected Ballyduff to be in line for qualification – the North Kerry League might be holding their hurlers' attention. Annascaul have been doing well at underage so they are no surprise. I must admit that I am delighted for St. Michaels/Foilmore, who were struggling badly for numbers a few years ago but have brought good minors in. Brosna are another club with great heart but a small playing population – their journey to Croke Park is the most epic club journey I ever saw – but I can't see them beating Annascaul this weekend.

Group Three

Ballymac, Ardfert, Keel, Waterville

At last, a group that is panning out more or less as I expected! Ballymac played in Division One this year and lost a good few close games – they are still my overall favourites. Ardfert are more used to relegation battles in recent years than being contenders – I think it's still too early for them but they've had great minor teams over the past three years – keep a weather eye. Waterville are not the force of old, but absolutely need to beat Ardfert – that one could be interesting.

Group Four

Fossa, Listry, Listowel Emmets, Castlegregory

They tell me that there was over €5000 taken at the gate in Castlegregory for their game against Fossa. All eyes, of course, were on one player – he really is a phenomenon, and his presence alone has seen a lot of attention on their chances. Fossa are good, very good, and the brothers are generational talents, but I'd be watching out for last year's semi-finalists. Ruairi Murphy may be Listry's headliner, but they still have the likes of Jimmy O'Leary, Billy O'Brien, Gary O'Sullivan – you'll fight for any ball you win in that mix! I could see Listry in the final shake-up. Listowel are solid – I don't see them leapfrogging the top two, but I think they

should have enough at home for a surprisingly off-form Castlegregory, especially with Davy Keane and Coprmac Mulvihill in current form.

JUNIOR

Group One

Reenard, Scartaglin, Cromane, Moyvane

This one is fairly decided. Reenard and Scartaglin are through to the quarter-finals. Cromane host Moyvane this weekend with the losers going into relegation – I'd fancy Moyvane to just about have enough to get over the line there.

Group Two

Cordal, Sneem/Derrynane, Lispole, Ballylongford

Another group where none of the teams will have celebrating when it was drawn. Cordal won all three games – Cordal were unlucky in recent years in this competition; they'll knock on the door but last four would be an achievement. Sneem/Derrynane join them, while Ballylongford are another team struggling badly for playing numbers and facing relegation.

Group Three

Tarbert, Furies, Asdee, Beale

The clash between the top two in Farranfore should be a cracker next weekend, two quality sides. Home venue might just tip it Furies way, but they'll have their hands full with the likes of Cillian Langan and Michael Carrig. Beale should be able to defeat Asdee, yet another side struggling to field teams.

Group Four

Knocknagoshel, Finuge, Duagh, Kilgarvan

Give Kilgarvan a rest from their hectic schedule and an injury-free run, and they'd be a match for anyone – it's great to see John Mark Foley back to form. Things happened too fast for them, and they have a relegation fight at their hands. The talismanic Walsh brothers Edmund and James have seen Knocknagoshel unbeaten, while Lixnaw's earlier than expected departure from the hurling championship may have worked in Finuge's favour as they take second spot.

MINOR COUNTY CHAMPIONSHIP SEMI-FINALS

Mid Kerry 2-7 South Kerry 0-11

The game was delayed by quarter of an hour in Tralee for a pitch inspection because of the rain – a far cry from the blazing heat of the weekend! South Kerry had dethroned six-in-a-row champions East Kerry, but Mid Kerry just about edged this one thanks to goals in either half. Their first one was a trifle lucky, especially for their opening score after 25 long minutes (the rain made scoring very difficult, to be fair) with a point effort dropping short and Jack McGrath flicking home. It was a great game from then on, but Dara Hogan's second half goal sealed a hard-fought victory.

North Kerry 2-13 Kenmare Shamrocks 0-6

North Kerry is a powerful amalgamation, and it was always a huge ask for Kenmare to end their run. As it was, North Kerry's sharpshooters Cormac Dillon (0-7, 5f) and Oisín Healy (2-2) had them with a commanding lead all through and they had plenty to spare in the finish. Mid Kerry are a fine side who have been knocking on the door for a while, but North Kerry will go in as strong favourites into the final next Monday.

MANAGERIAL

MERRY-GO-ROUND

The ones we are all waiting for is Declan Bonnar's replacement in Donegal and James Horan's in Mayo. I always rated Bonnar after their minors pushed a great Kerry team all the way in 2014, but the hard truth is that Donegal have underperformed badly in recent years – regression to the mean after McGuinness revolutionised football by doubling down on the blanket? I expected Donegal to win Ulster and rattle an All Ireland Final last year with the talent there – but I really do hate seeing a phenomenal scoring talent like Michael Murphy dropping behind midfield.

I thought Horan did everything he possibly could in Mayo – including unearthing fantastic young talent – I'll fear Mayo this year again. Injuries will tell a lot. The new format will be cruel to recovery time for every county, including us – counties will need very deep panels.

Colm O'Rourke in Meath. Gary Neville tried the switch from soccer commentator to Valencia manager and it was a disaster, but Neville is no Colm O'Rourke. I'd have appointed him with Meath underage teams long ago – O'Rourke is a great reader of the game. I saw him often with St. Pats of Navan in Hogan Cup games – O'Rourke is as canny as they come, has just the right touch of ruthlessness, and is much more au fait with modern tactics than people give him credit for. I'll say now that I'd be bringing Pat Spillane into Kerry underage teams – Pat attends a huge amount of underage games and keeps his powder drier than people think. Cork did their business quick and quiet (the best way), in appointing caretaker John Cleary to take over from Keith Ricken. I'll be keeping a very wary eye on Cork this year, and that's not playing the poor mouth or being Kerry cute – an injury-free run and they can hurt any team, including us. I expect them to have a very real rattle in Division Two and their confidence to grow.

John Kearns, the Austin Stacks man, is a proven pair of hands as he takes the helm in Offaly, but I just don't think they have enough players of top quality. I'd be dampening expectations as much as possible.

Hurling is more settled and more interesting. The big one is Davy Fitz to Waterford – love or dislike the headline magnet, he's unquestionably a brilliant manager and knows the Waterford scene from his last stint. I still think that Waterford have all the talent they needed to win an All Ireland; last year was a

big disappointment for them. There was talk of Waterford native Stephen Molomphy being drawn back from Kerry – I'd say he'll end up there, but after more experience. To be honest, my jury is still not fully convinced – Kerry's late comebacks in games were great, but we shouldn't have been that far behind in the first place. I think we should be beating the likes of Down, respectfully. And I don't like our over-reliance on one scorer – imagine Boyle and Conway on fire together!).

Liam Cahill's departure from Waterford, of course, was surely the lure of his own county, but I think Tipperary are still a distance away from the days of yore – "Cork bate and the hay saved, the thousands wildly sing" went the old song. My sweet garsoons, ye still sing soon, though there's no modern Christy Ring! I don't think Colm Bonnar did much wrong with what he had available.

Derek Lyng was always one of the quietest and most reliable of that great Kilkenny hurling team, but my word does Brian Cody leave massive boots to fill! Kilkenny need to look to their underage supply lines – God be with the days when that great underage mentor Fr. Tommy Maher parsed every penny but always ensured there were plenty of hurleys!

Pat Ryan takes the helm in Cork – a promotion from within, but that's a job I wouldn't touch. Cork are two years away on a good s & c programme, they have all the skill needed – but their supporters' expectations are unreasonable.

Dublin's hurlers still await their new manager. I'm honestly amazed that they didn't try and get Joe Fortune, who has done an excellent job with Westmeath – Fortune managed Ballyboden, and the Dublin minors and U21s. He's good, very good – we know it to our cost in recent encounters! Eddie Brennan is surely the favourite for the job at this stage – Brennan has cut his teeth well in management.

CYCLING MUNSTER CRITERIUM CHAMPIONSHIPS

Killarney Cycling Club had a very good Munster Championship in the Limerick Racecourse last weekend. At U15/16, Shayna Daly took bronze in her category, while Cathal Larkin was only caught in the finishing straight but finished in a very creditable eighth place. John Blackwell, one of those who helped put Killarney cycling on the map, did very well in the M40/M50/M60 category as part of his build-up for the Cycling Ireland Mens Masters Championships next month.

The best news of all was in the A1/A2/A3/Jr race, where a full Killarney complement of Conor Kissane, Mark McGlynn, and Lorcan Daly were part of a breakaway group, with Frank Doherty providing brilliant support. The break was eventually caught, but Lorcan Daly finished in front and Conor Kissane took silver, while a very strong finish from Mark McGlynn and Frank Doherty ensured that Killarney also took the team gold.

BOXING

Internationally, boxing has been by far Ireland's most successful sport. The Caseys of Sneem were outliers in rowing – the strong domestic tradition didn't translate into regular international success until recent years. A lot is owed to the O'Donovan brothers as they pulled like dogs! We can politely dismiss both soccer and basketball. King Kelly and Stephen Roche put Irish cycling on the world map, however much we ourselves were devoted to the Rás. Ronnie Delaney in 1956 transformed athletics; the Chairman of the Boards and Sonia built on that foundation. You'd think rugby would have been our top sport, but actually Jackie Kyle and the 1948 team were on their own on that mountain top for a long time. We never won as many triple crowns as you might think either – despite the mythology, that famous 1982 game was not about the fight at the end and had a much bigger impact than Munster's defeat of the All Blacks in 1978 – that one only turned into an legend in the nineties, it made no great ripple at the time.

Irish boxing is obviously not in a good place, and the public resignations of the CEO and Chairman of the IABA after losing a vote to implement governance in line with Sport Ireland requirements and the independent McNeice report, which has also led to a 15% decrease in funding. I don't know the ins and outs, but there's something wrong somewhere when an organization loses the likes of Billy Walsh (a colossal mistake), Nicholas Cruz, and Bernard Dunne in a short space of time. Hopefully common sense will prevail before too long. Kerry has a particularly proud history of boxing, thanks to the likes of Joe Christie,

Paddy Fitzmaurice, and locally the great John 'Killer' O'Callaghan. I noticed that Garry O'Brien managed Ballyduff's hurlers to this year's County Final – Garry was the Irish heavyweight champion in his day. Mick Finucane, that great Kerry footballer of the 1940s, was a champion boxer in his time and may well have been the toughest man to ever pull on the Kerry jersey – his wife was a great Kerry camogie player as well. Hopefully wise heads will prevail and the sport will continue its growth of recent years. Boxing, unfortunately, is a sport that has always had a murky underbelly (especially so internationally in recent years) and one that has lent itself to bluff, bluster, and....nonsense. Tyson Fury retired recently amid what he fondly imagined as a furore. To even less fanfare, he is now announcing his possible un-retirement, if only he can possibly be coaxed by a gullible public forking over millions to see it. I'd say

Jamsie is pictured with his coaches and manager Jennifer O'Sullivan-Coffey

good luck with that, lad – I follow boxing, and even I don't care.

I've never been a fan of Jake Paul, to be honest. Not because he came through a non-traditional route into professional boxing, some of the more traditional routes aren't exactly classy! Not because he seems more about notoriety than anything else – read a history of Muhammad Ali some time, that lad could work a media room! But Jake Paul, like his brother, picks his opponents very carefully – too much showman, not enough boxer. Jake Paul's latest attempt is offering €2m to Katie Taylor to drop down a weight for a rematch against Amanda Serrano. Taylor, always polite-spoken, dismissed this utter nonsense in politer terms that I would have. Everybody wants to see that rematch, but if you think your fighter can't handle it, just put your money away, lad. There's some talk of the rematch being in Croke Park (assuming they can once again get over the restriction to three public non-GAA events that they signed up to). Despite Jake Paul's initial posturing (and I expect we'll hear more attention-seeking nonsense from him), I think Serrano and Taylor both want this fight. I hope so – that first one was brilliant.

The biggest news this week is that Kevin Cronin, aka 'The Kingdom Warrior' will have his fifth professional fight on September 24th in Manchester.

At the time of writing, Jamsie Casey beaten Romanian Raul Benia Antonio at the European Schools Championships. He progressed to the

Quarter Finals against Moldova a where he won a bronze medal. He was scheduled to fight for a Silver at 5pm yesterday.

Serena Williams Retires

There have been unseemly debates about her place in history and the pantheon of all-time greats since her replacement. It's be nice if pundits could pause for a moment to thank a player who, along with her big sister, defined a sport for a generation. I'm not sure I like the idea of a father coaching his two little girls daily from a very young age – in fact, I think it's very unhealthy (incidentally, my sympathies, though certainly my full approval, are a lot more with Will Smith at the Oscar ceremony and his award for the hagiographic portrayal of Richard Williams than the obnoxious Chris Rock). But there can be no doubt that Venus and Serena were the best players of their generation – I don't put Clijsters or Sharapova in anything like the same bracket. The Williams changed the game, bringing the same revolution that Sampras and Lendl wrought in the mens' game – precise power rather than athletic rallies. Serena whacked aces like a machine, and it wasn't as entertaining as rallies, but it was incredibly effective. And she could rally when she had to. Also, like Billie Jean and Martina, her influence extended far beyond the court -Serena was black, beautiful, proud, an unrepentantly trenchant and awful loser – good for her. It was often described as

'petulance' – funny enough, the term was never applied to similar male counterparts. She didn't suffer fools and she didn't compromise for any pandering pundit – womens' tennis had a few players more famous for their looks than their talent when the Williams' came along – they forced the conversation in another direction, and all of sport is better for it. That said, she isn't retiring from the sport; she's 'evolving away from it'. That's actually what 'retiring' means, Serena.

LEGION GAA CLUB

SENIOR MENS

Our Senior Men made it 2 from 2 in the group stages of the Intermediate Club Championship with a more comfortable than expected win over Dromid Pearses on a humid afternoon in South Kerry. Displaying a hunger from the start they set about the task with gusto, especially in the first half and any thoughts Dromid had of a much needed win were dispelled quickly. With a comfortable half time lead the bench was utilised in the second half and it offered everyone a chance to show their wares ahead of the final group game against John Mitchels in Direen this Sunday August 21st at 2.30pm. Final Score Killarney Legion 2-18 Dromid Pearses 0-7.

EAST KERRY U13 LEAGUE

The U13 Boys East Kerry League kicked off this past weekend where both our teams had a weekend off. Our Green team will operate in Division 1 while our White team is in Division 6. Our opposition in both divisions will be Keel/Listry and Firies and games will be played mainly on Sunday mornings.

LADIES UPDATE

The Minor Ladies faced MKL Gaels in the Division 4 County League Final in Pat Healy Park in Ballyrickard last Friday night. The Mid Kerry side won the first encounter in the league stages so the Ladies knew they would be in a battle. They started the game in determined fashion, completely dominating their opponents, holding them scoreless for 17 minutes but unfortunately they didn't take enough of their chances. At half time the teams were level at 1-1 to 0-4 and in truth it wasn't a fair reflection of the half. The start of the second half saw the biggest shift in power as MKL Gaels enjoyed their own period of supremacy and made it count, hitting four goals in a devastating eight minute spell. This really put the game out of our reach but to their credit the girls battled to the last whistle before losing out on 5-6 to 0-7 scoreline. A simple analysis of the game would suggest that you have to take your chances when in control and ultimately this would prove the big difference.

The highly popular uneven age group Club Championships began this weekend.

Our U13 Girls faced Kilcummin in Direen on Sunday morning with a 10am start, a wise move considering the hot conditions. A real cracker of a game, the visitors made a fast start hitting the net twice early on. The rest of the game was very evenly matched but the early goals always seemed to be the cushion and so it panned out in the end. Final Score Kilcummin 4-8 Killarney Legion 4-3.

The U17 Ladies are in the B Championship also and they will face Corca Dhuibhne in the next week. The competitions are straight knockout so it's all on the day.

KERRY SOUTH U15

Kerry South met Cavan in the All Ireland Shield final last Saturday and two of our own, Killian Murphy and Oisín Fleming, started the game, which was won by Kerry South on a 3-10 to 2-6 scoreline. Another Legion man Bryan

Walsh was introduced during the course of the game. Great experience for the three lads and congratulations to them as well.

ETHAN O'NEILL

Congratulations to Ethan who was a member of the Irish Junior Rowing team that took part in the Home Regatta International held recently in London. Competing in the 500m sprint event they claimed Gold and the Irish anthem was proudly belted out in London Docks. Ethan, whose father Brendan played for the club at all grades, was part of a very successful Legion group at Juvenile level and all at the club are very proud of his endeavours on the International stage. With age on his side we look forward to seeing Ethan line out again in the Green and White whilst not in the International vest.

DEEPEST SYMPATHIES

The Club extends its sympathies to the family of Margaret at this sad time. The Slattery family have a long association with our Club, most notably with Joan married to the late great Weeshie Fogarty May she Rest in Peace.

Also to the family of Patie Cullinane, Kilcummin. Patie's nephew Timmy Doolan is a staunch club member as are his family, Tadgh, Darragh and Ciara.

ENGAGEMENT

Former and popular Senior player Kevin Beano Breen made his first trip home in three years since emigrating to Australia in 2019. And he made his visit worthwhile as he and his new fiancée Grainne Favier, of Glenflesk stock, announced their engagement. Congratulations to Kevin and Grainne and we wish them well in their future plans.

EAST KERRY JUNIOR LEAGUE DIVISION 1 FINAL

Gneeveguilla 0-13 Dr Crokes 1-13

Dr Crokes have retained the East Kerry Junior League Division one title, with a goal early in the second half from Brendan Coppinger being pivotal in the victory.

It was Gneeveguilla who started better, with corner forward Evan Cronin getting the first point from a severe angle. Harry Potts equalized soon after. Gneeveguilla then had their best spell of the evening, with Ross O Leary, Mike Brosnan and Shane Sullivan firing over three unanswered points. A scrappy period of play followed, with Dr Crokes being denied by the post and the crossbar in quick succession. Terry Sparling and Alan O Sullivan ended the scoring lull, before Cronin put Gneeveguilla a point up at half time, benefitting from Sullivan's defense splitting run.

They got off to the perfect start to the second half as well, with Captain Danny O Callaghan pointing straight after the throw in. The

defining moment of the game then arrived. A poor Gneeveguilla kick out was grasped on by Coppinger, who lobbed the ball over the backtracking Tadhg O Connor and into the net. From here Crokes began to take control, forcing turnovers, and adding points from Aaron Murphy, Terry Sparling and Sean Fitzgerald. Connie O Connor fired over a great point from a 45 to keep Gneeveguilla in touch, and they reduced the deficit to one point with five minutes to go. It was Crokes who finished stronger though, with Cillian Courtney and Sparling sealing victory with late scores.

At the end, East Kerry PRO Michael O Mahony was on hand to present the James Doyle memorial trophy to Crokes Captain Kieran Ward, along with James nephew. James Doyle Well done to Crokes on keeping hold of the trophy, and well done to both teams for producing such an enjoyable final.

U15 FOOTBALL CHAMPIONSHIP

Castleisland District 2-20 Eoghan Ruadh 3-09
Round 1 of the County Under 15 Championship in Cordal, produced an entertaining game, as the home side saw off Eoghan Ruadh's strong second half performance, to take the 2 points away with them.

It was the East Kerry combination who started quicker, with Oisín O Leary fast out of the blocks. The Gneeveguilla man fired in a goal and a point in the first five minutes, set up both times by Cathal Casey. This great start didn't last though. Castleisland began to dominate physically, and their forwards began to get going. Their main man was Jack Joy, the Ballymac man firing over two great points, before blasting a penalty to the net. Joy continued to cause trouble for the Eoghan Ruadh defense, and when they gained a second goal via a lucky deflection, they were well in control as they held a ten point lead at the break.

Liam O'Brien got a great point for Eoghan Ruadh after the restart, but three quick points from Martin McGivernan looked to mean it would be an easy second half for Castleisland. Eoghan Ruadh upped their intensity markedly though. Then a great team move ended with James Kelly dummying a shot with his right foot, before firing home with his left from a tight angle. Then Pierce Moynihan just fired over when a goal looked likely. More good play produced another point for O Leary, before O'Brien's superb pass found Damien Moynihan, whose low shot crept underneath Cian Harris. Joy got a settling score for Castleisland, before points from McGivernan and Thomas Jones saw them see the victory. Castleisland District take on East Kerry next week, while Eoghan Ruadh must regroup before facing Mid Kerry.

Fossa U8 girls pictured after they played a game against Beaufort last Sunday

A new set of playing jerseys was presented to the Fossa U14 Girls Team by David Clifford on behalf of Aherns.ie Motor Group. All members of this dual Division 1 winning U14 team were also presented with a personal initialised half zip. These individual tops were also very generously sponsored by Paul and Noreen Ahern. Pictured are Chair of the Fossa Ladies Peter O'Shaughnessy with David Clifford and Paul Ahern.

Can you start getting teams or individuals organised? I know it's hard at this time but we are into August now and time is running short. I will be in contact with clubs in the next few weeks to check in on the status of member participation. As soon as I get the dates confirmed I will email them.

Any queries please contact Anne Holland East Kerry Scor Officer by email or 0857780883.

KERRY SOUTH: U-14, U-15 AND U-16 DEVELOPMENT SQUADS

We had a number of club representatives lining out for Kerry South at U-14, U-15 and U-16 on Saturday morning and afternoon.

Charlie Griffin was part of the Kerry South U-14 team that drew with West Cork and beat Cork City.

James Dempsey and Michael Lynch were part of the Kerry South U-15 squad that defeated Cavan 3-09 to 2-06. Sean Griffin was on the extended panel with Ian Twiss, a member of the management team.

Dara Hogan lined out for the Kerry South U-16s with Aaron Dinham part of the extended panel and David Heasman was manager. The team were involved in a pulsating contest with Kildare which went to extra time before Kildare ran out three point winners on a score of 0-19 to 1-13.

Well done to all involved. It is fantastic to see

our club represented at such a high level and it is testament to the great work ongoing at underage level throughout the club from all our coaches and players.

CONGRATULATIONS

Huge congratulations to Ronan Twiss, an U-11 footballer for Milltown/Castlemaine GAA who excelled in another code in recent days as he became the U-11 Flogas Irish Junior Open Tour Champion at Millicent Golf Club. Ronan was representing Killarney Golf & Fishing Club at the event. A wonderful achievement and all at the club are delighted to hear the terrific news.

KERRY PETROLEUM INTERMEDIATE CLUB FOOTBALL CHAMPIONSHIP: ROUND 2 RESULT AND ROUND 3 FIXTURE

Milltown/Castlemaine welcomed St.Mary's of Cahersiveen to the Paddy Burke Memorial Park over the weekend but came up short on this occasion as the South Kerry men won on a scoreline of 5-08 to 0-14. St. Mary's raised three green flags in the opening half which gave them a five point cushion at the half-time interval and two further goals in the second half in quick succession put the result beyond doubt despite the best efforts of our lads who fought to the end.

Round 3 takes place next weekend when Milltown/Castlemaine must travel to group leaders Rathmore. Date and time is yet to be confirmed. In the same group next weekend, St.Mary's will play host to Glenflesk.

Rathmore have won both their group games thus far which means they have qualified for the knockout stages with a game to spare. Second place is still very much up for grabs with St. Mary's on two points and Glenflesk and Milltown/Castlemaine both on one point following their draw in Round 1

COUNTY U-15 FOOTBALL CHAMPIONSHIP

Mid Kerry's U-15s side continued their County Championship campaign in recent days as they recorded a 4-14 to 5-06 victory over Eoghan Ruadh in Listry. Milltown/Castlemaine have 4 players on the panel with James Dempsey, Michael Lynch, Sean Griffin and Diarmuid Quirke all involved, Stephen Roche of our own

club is part of the management team too. Well done to everyone on the recent victory.

U-11S: CENTRAL REGION ROUND 3 FIXTURE AND JERRY FOLEY INVITATIONAL TOURNAMENT

Our U-11s have had two games so far in the Central Region over the past two weeks, they faced John Mitchels in Round 1 and Keel in Round 2.

The team are taking part in the Jerry Foley Invitational Tournament in Farranfore (Feries GAA) on Saturday next, August 20th.

U-13S

Milltown/Castlemaine's U-13 Green and White sides will both continue training on Tuesday and Friday of this week at 6:00pm at the club grounds. The White team will take on Austin Stacks at the Paddy Burke Memorial Park on Sunday next, August 21st with a throw-in time of 6:30pm. A short few days later on Tuesday, August 23rd the Green team will play Austin Stacks also in Milltown with a throw-in time of 5:45pm.

Our U-13s side played Macroom in Macroom on Saturday of last weekend. It was a very enjoyable trip for both players and management.

The game was played in four quarters with all players from our Green and White teams involved. Both teams toggled out in the county colours for the day which added to the excitement. Our lads came out on top at the end with a final score of 5-24 to 5-12. Both teams played outstanding football and our lads looked very comfortable wearing Kerry jerseys. Milltown/Castlemaine would like to thank Macroom GAA for all the refreshments served after and for the great day that our lads will remember for many years to come. Thanks to everyone involved in organising the day.

DR. CROKES GAA CLUB

SENIOR CLUB CHAMPIONSHIP

Dr. Crokes 1-06 Templenoe 0-10

We were very unlucky to fall short by the minimum in a highly competitive game back in sunny Templenoe on Saturday evening. Micheal Burns got the scoring underway in the first minute of play with a point from play. Templenoe then used the breeze to their advantage scoring the next 5 points without reply. Two Tony Brosnan points helped narrow the gap to just 2 points at the first water break. As play resumed, we continued to claw back with two consecutive points from championship debutant Cian McMahon to even scores. Both teams struggled to keep the scoreboard ticking over until Templenoe's Killian Spillane popped the ball over the Crokes crossbar 5 minutes before the half, giving the home side a 0-06 to 0-05 lead at half time. We started the second half lively with Daithi Casey setting Cian McMahon up to stick the ball in the back of the Templenoe net after just 6 minutes of play. Templenoe responded with a point from play to level matters once again. Both sides were unlucky not to raise the green and white flags before the second water break. Going in to the last quarter trailing by 1 point, Michael Potts stepped up to level matters with 8 minutes of normal time left to play. Templenoe full forward, Aidan Crowley held his nerve to kick a long range free 4 minutes before the final whistle. We now face Austin Stacks at

home next Sunday 21st at 2:30 in a must win game.

East Kerry Junior League Division 2 Final

FIRIES ON TOP IN FINAL DECIDER

Furies 1 – 14 Currow 0 – 13

Seven points from full forward Cian Cronin, and a superb goal from Peter Cosgrove, helped Furies on their way to victory over local rivals Currow in the final of the Kerry Physiotherapy Division 2 Junior League, played in Furies on Tuesday evening.

It was Currow who started more brightly, with Eugene Cronin and Dan O Shea on target early as they took a quick three points to nil lead. Cronin's first point of the evening eventually got Furies after their slow start. Points from Connall O Mahoney and Cosgrove were rewards for their improved play, and two more Cronin efforts put them in the lead for the first time. O Shea struck back for Currow with two fine scores just before half time, as they went at the break with a one point lead.

They started the second half as they had the first. William Brosnan firstly firing over from a tight angle started another three point run. Cronin and O Shea putting them four points up with a fisted point and a free. Furies earned a response to turn the tide. It arrived with a brilliant goal from Cosgrove. He ran straight at the visitor's defense, before unleashing a low shot right in the corner of the net. Connall Murphy added two quick point's as Furies began to dominate throughout the field. Currow had a great chance to get back in it, but were denied by an astonishing save from Trevor O Shea, somehow deflecting a close range effort over the bar. They kept trying till to the end, with O Shea continuing to impress, but a late free from Cronin secured the victory for Furies.

At the end of the match Captain Shane O Sullivan collected the Ted Linehan Cup on behalf of his delighted teammates. It was a hard earned win, as they had to survive fast Currow starts to both periods. Congratulation's to them, and well done to both team's on producing an entertaining contest.

PROHIBITION OF BUYING DIESEL AND PETROL CARS FROM 2030 IS UNREALISTIC

Danny Healy-Rae TD

The prohibition of purchasing diesel and petrol cars from 2030 is totally unfair and unrealistic in the context of the cost, durability, and reliability. Electric cars are in no way as durable as petrol and diesel cars and the infrastructure is simply not in place for charging electric cars. – Danny Healy Rae The Rural Independents

Speaking today (Thursday, 11th August), Deputy Danny Healy Rae said :

There should be no notion of compelling people to buy or use electric cars. If electric cars were competitive and were a real option people would not have to be forced to purchase them. People always buy what is value for money and durable.

If they were really competitive, I would have no problem with them but it's clear that they are not at the present time. Until the proper technology is developed, and these cars are comparable in every way there should be no need to stop people buying diesel and petrol cars. It's very clear that by going down this route that the Government know that electric cars are not currently a competitive option.

The government's targets for Electric Vehicles are completely unrealistic. There is an initial figure of 195,000 by 2025, followed by a further

750,000 in 2026-2030. The Government are not taking into consideration the ongoing financial difficulties already facing families due to the ever -worsening cost-of-living crisis. People simply cannot afford the added cost of an Electric Car.

It is ludicrous to continue with this policy when at present there are amber alerts every day to say we don't have electricity to run our homes or businesses not to mind talking about operating additional cars by electricity. We don't have the infrastructure in place to deal with more electric cars. The Government are not prepared to consider other options which would reduce emissions such as adding biofuels to the diesel and convert petrol cars to gas. They are aware of these options but are trying to bully their ways to buy expensive electric cars.

People simply cannot afford the cost of an electric car which cost approximately €38,000 when a good second-hand petrol or diesel car could be bought for a fraction of the cost. Also considering the batteries of electric cars need to be replaced after 5 years and actually would cost the same as a good second-hand car. It also costs a lot to dispose of the batteries.

The Fianna Fail, Fine Gael, and Green Party target is pressuring ordinary people to have

one million electric cars on Irish roads by 2030. This is not practical as people cannot afford a new electric car and there is no secondhand market for these vehicles. This policy places enormous financial pressures on families."

There are many constituents, who already own electric cars, are telling me that they are going back to diesel and petrol cars, due to a lack of charging points or poor battery range when travelling long journeys with the electric vehicles.

The banning of diesel and petrol cars impacts people in rural areas in particular. While there are public transport options in urban areas there is a lack of public transport options in many rural areas and people have no option but to drive in particular in rural areas. This is yet another example of the Governments anti Rural agenda.

I am appealing on the government to consider all options before forcing people to buy expensive electric cars. It's a downright disgrace what is happening with good petrol and diesel cars being sent for scrapping. This is wilful waste, and I was always told that "wilful waste makes woeful want." concluded Deputy Healy Rae

NEW PLAYGROUND FOR KILGOBNET NS under the CLÁR programme

Fianna Fáil Councillor, Michael Cahill said sthat he is delighted at the announcement of Clár Funding to the tune of €47,269 towards development of the playground at Kilgobnet National School in Beaufort.

"I am particularly pleased as I was involved in the project myself and I know that a lot of hard work went into the application. This development will ensure the playground will be for the benefit of the whole community in Beaufort" stated Councillor Cahill.

"I would like to congratulate the Principal, Teachers and parents on their success in this venture in Kilgobnet. I hope this will set a precedent for many more similar worthy projects throughout the county" said Councillor Cahill.

"This is wonderful news for all the children in Beaufort" added the Rossbeigh based Councillor.

Meanwhile the Minister for Education and Kerry TD Norma Foley, welcomes the announcement that €460, 548 in CLÁR funding will be made available to support 10 community projects in Kerry.

In this latest tranche of funding, sports

clubs, schools and community groups across the county will receive grants of up to €50,000 to develop a wide and diverse range of community facilities in rural areas.

Successful projects include the development of playground facilities, running tracks and beach walkways alongside community gyms and public toilets.

Minister Foley said: "I am delighted that a number of integral Kerry projects and organisations are being supported by The CLÁR programme.

"At a time when the spirit of community has never been more valuable, this funding will help to enhance and upgrade a number of community projects. This includes the development of a number of playgrounds and outdoor facilities which greatly enrich the local amenities in those areas."

MINISTER FOLEY WELCOMES OVER €3 MILLION IN FUNDING FOR MTU

Minister for Education and Kerry TD Norma Foley, welcomes the announcement of €3,266,915 in funding for Munster Technological University (MTU) to support green initiatives and increase accessibility for students.

The funding can be used to support universal access; energy efficiency and decarbonisation; to help students access laptops and other essential equipment; upgrading buildings and other minor works.

Minster Foley said: "This

vital investment will ensure that MTU continues to lead the way in terms inclusivity and accessibility for all people. This significant tranche of funding will also provide extra resources for students to access laptops and key Information and Communication Technology (ICT)."

The funding forms part of ongoing investment in the higher education sector under Project Ireland 2040 and reaffirms a strong commitment to public investment in higher education infrastructure.

AUTUMN CONTAINERS

Containers filled with permanent and seasonal plants can be very versatile as they can be moved anywhere in the garden at any time to brighten any corner. It is usually annuals that are planted in containers, but you can also plant them with most shrubs, grasses, herbaceous perennials and even certain types of trees and conifers. Vegetables can also be grown in containers. If you have an area in your garden that you would like to screen off but haven't got the earth to do it, you can plant most climbers in containers. A good type of containers for this is a quarter barrel as it can fit next to a wall or railing.

As with all plants in container, make sure that you water and feed regularly. When choosing a terracotta container, make sure that the label says frost proof rather than frost resistant as these can still crack in prolonged frost. There are also imitation terracotta pots made from plastic which are very practical to use in your garden.

A Word of Victory

Welcome back dear student – just a reminder about our upcoming Healing Meetings next Tuesday and Wednesday nights at 7.30pm with Pastors Paolo and Dana Argio originally from Italy but now living in Texas. Paolo will minister from the Word of God on healing and there will be prayer and praise and worship. If you or someone you know need healing come expecting to hear from and receive from God! Miracles, signs and wonders follow the preaching of the Word as the Lord always confirms His Word with signs following (Mark 16:20). There is no charge whatsoever – with all welcome. Parking is limited so please car-pool or text the number below if you need a lift.

This is an exciting time to be alive! God is pouring out His Holy Spirit just as He promised and we are witnessing powerful manifestations of His Glory. "But the earth shall be filled with the knowledge of the Glory of God as the waters cover the sea" (Habakkuk 2:14). "Once more, in a little while, I am going to shake the heavens and the earth, the sea and the dry land. I will shake all the nations and they will come and I will fill this house with Glory" says the Lord of Hosts (Haggai 2:6-7). Many people are reading the Scriptures and seeking God because they know deep down that there is something going on. The Lord is drawing people to Himself for the honour of His Great Name to bring His plans to pass for them and to rescue them from the snares of the enemy (Jeremiah 29:11-14; Psalm 91:1-4). God has good plans for your life dear friend – not plans for disaster. But unfortunately some people miss God's plan and get trapped by the devil's plan instead.

What we're studying here every week is not a religion – you will find no denominations in Heaven (Ephesians 2:13-22). No, this is relationship, and it's what God sent His Son Jesus to die for. God wants a relationship with whomever receives His Son's sacrifice (John 3:16-17). In order for us to enter into the Presence of God sin and death had to be defeated for us because we cannot save ourselves. This is what Jesus was doing at the Cross. Then God raised Jesus from the dead – He is Alive! Death and sin and sickness have all been defeated forever by Jesus, but few people know about it because man's religion has nullified the power of God's Word with empty ritual and tradition (Mark 7:5-9). Only those who have been washed in the Blood of the Lamb – whose names are written in the Lamb's Book of Life will enter the Kingdom of God (Revelation 3:5) Jesus paid the price for our sins when He took them upon Himself on the Cross – even though He had never sinned and didn't deserve to die – Jesus willingly gave His life as a ransom for yours and mine so that by making Him Lord of our lives we could be reconciled to God as if we had never sinned by simply repenting for our sins and believing upon His Name for Salvation (Romans 10:9-17). Furthermore, Jesus took our sicknesses, pain and disease upon His body when they whipped Him (Isaiah 53:4-5; 1st Peter 2:22-24). Those stripes were for the healing of our bodies, our minds and emotions. Sickness and disease is not your portion friend, because too high a price has been paid for your healing!

NOVENA PRAYER TO ST JOSEPH

O Saint Joseph, whose protection is so great, so strong, so prompt
before the throne of God, I place in you all my interests and desires.
O Saint Joseph, assist me by your powerful intercession and obtain for
me from your Divine Son all spiritual blessings through Jesus Christ,
Our Lord; so that having engaged here below your heavenly power, I
may offer my thanksgiving and homage to the most loving of Fathers.
O Saint Joseph, I never weary contemplating you and Jesus asleep
in your arms; I dare not approach while He reposes near your heart.
Press Him in my name and kiss His fine head for me, and ask Him to
return the Kiss when I draw my dying breath. Amen

THE MIRACLE PRAYER

Dear Sacred Heart of Jesus, in the past, I
have asked for many favors.

This time I ask for a very special one.
(Here mention your request.)

Take it, dear Jesus, and place it within
your own broken heart, where your Father
sees it. Then, in his merciful eyes, it will
become your favor and not mine. Amen.

Say for three days and promise to publish.

Then in his merciful eyes it will
become your favour not mine.
Amen.

Say this prayer three times for three

PRAYER TO THE LITTLE FLOWER ST THERESE

O Little Therese of the Child Jesus, please
