# KILLARNEY MOURNS AS NIALL IS LAID TO REST

*Goodbyes hurt the most when  
the story was not finished....*

**T**housands queued for over four hours on Monday evening to pay their final respects to a talented young sportsman who passed away after a battle with Leukemia on Friday last.

16 year old Niall McGillicuddy is the son of Daithi and Sheila (Counihan) McGillicuddy and beloved brother of Ellen and Jane. The St Brendan's student was diagnosed in May of this year and underwent extensive treatment in a bid to combat the disease.

However, Niall lost his battle surrounded by his family in the early hours of Friday last.

A promising young sportsman, Niall was a member of St. Paul's Basketball Club, Killarney Celtic where he wore the Number 6 Jersey and his beloved Legion where he donned the number 14 jersey with pride.

Niall was a regular on the sports pages of the Killarney Outlook in all the disciplines he took part in. In a beautiful tribute, Legion Club PRO Jim Reen spoke on behalf of everyone in the club this week.

"This past week started on a high note for the club as the U16's captured the East Kerry Div.2 title in style against Fries under lights in Spa.

In his eloquent acceptance speech captain Dion O'Neill sent best wishes to absent team mate Niall McGillicuddy on behalf of the panel. Niall himself was many times the star performer for that very U16 side and it was a testament as to just how popular he was that his fellow clubmates remember him on such an occasion. As is the norm after winning any trophy there is a feel good factor and it lifts the moral of one and all. So when the devastating news came later in the week that Niall had lost his battle with illness it had a enormous effect on all of us. Having recently been given some positive news it

was everybody's hope and wish that before long Niall would be back home in the comfort and embrace of his family and in time starring on the playing fields once again. Tragically it was not to be and we have lost one of our brightest and best. Niall's prowess as an exceptional footballer and all round sportsman were well known by one and all, but the fact was that he was also hugely popular, well mannered and likeable. After our Saturday morning Academy session for u10's is over there is usually a mad dash for refreshments just as one would expect from children of that age however it is recalled that when Niall was that age he would remain on the field helping to collect training bollards and other gear. Knowing his parents Sheila and Daithí it was easy to see why.

As new Kerry Manager Peter Keane gave his first big press briefing in a testament to the man himself - Peter pointed out the tragic loss of one so young and talented and how it put everything into perspective, a thought that all of us agree with.

It is impossible to find words that would lessen the pain of loss for Sheila, Daithí, Ellen and Jane, all we can do is say that we were privileged to have Niall as a member of our club and hold him as an example to others.

The Killarney Legion Club extends it's deepest sympathy to Sheila, Daithí, Ellen, Jane and Family on their tragic loss."

Guards of Honour from Legion GAA Club, St. Brendan's College and Killarney Celtic accompanied Niall's coffin which was draped in his Number 14 Jersey to his final resting place in the New Cemetery Killarney following Requiem Mass in St. Mary's Cathedral on Tuesday.

**Ar Dheis Dé go raibh a Anam dílis, leaba i measc na Naomh.**

## EDITOR'S NOTE

**T**his week we said goodbye to an incredibly brave young man in Killarney as Niall McGillicuddy was laid to rest in The New Cemetery.

Niall has left behind him his heartbroken parents Sheila and Daithi and his beloved sisters Ellen and Jane following a battle with Leukemia.

The talented sportsman will be remembered by all his class mates in St. Brendan's College and his team mates in Killarney Legion GAA Club, his family, relatives and many many friends.

On behalf of everyone at Killarney Outlook, we send our deepest sympathies to everyone who knew and loved this brave young man.

# A CENTURY OF POLITICS IN THE KINGDOM LAUNCHED

*A County Kerry Compendium of Politics in Kerry was launched last night by authors Owen O'Shea and Gordon Revington.*

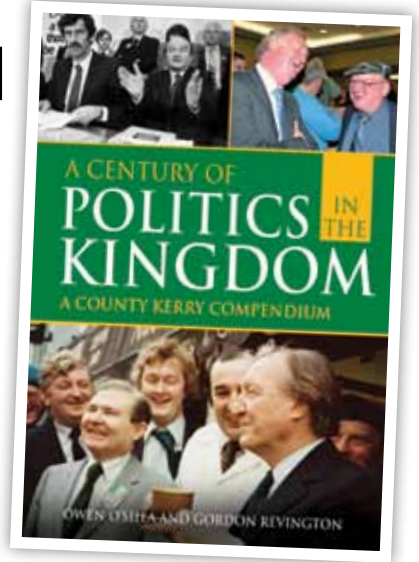

*A County Kerry Compendium of Politics in Kerry was launched last night by authors Owen O'Shea and Gordon Revington*

**S**candals, punch-ups, election-campaign shenanigans, bitter inter-dynastic contests and the stories of the ground-breaking politicians from Kerry who made their mark on the national stage and beyond, feature in a new book from Kerry authors Owen O'Shea and Gordon Revington, which will be launched at Tralee Library on Thursday evening next.

Since the establishment of Dáil Éireann 100 years ago, Kerry's political history has taken many lively, colourful and compelling turns – largely thanks to its wide roster of fascinating politicians, from Austin Stack to Kathleen O'Connor and John Marcus O'Sullivan to Dick Spring. Drawing on original research, newly published material from the political parties' archives and candid interviews, *A Century of Politics in the Kingdom* is published to coincide

with the centenary of the First Dáil. Owen O'Shea and Gordon Revington mine a unique political environment. They contend with the dramatic and entertaining episodes, and with equal depth they outline the controversies and seminal debates as well as the vociferous character of Kerry's TDs, senators and political hopefuls over the past century.

From the first sitting of Dáil Éireann, when Piaras Béaslaí TD read its Democratic Programme, to Dan Kiely's Supreme Court challenge on how votes are counted in Ireland, and the role of several Kerry ministers in sensitive Anglo-Irish negotiations, Kerry politicians have been at the heart of matters nationally, both symbolic and significant. Even if, as is continually attested, they have had to shout a little louder than many of their counterparts to have their priorities heard, Kerry politicians have indelibly

influenced the course of Irish politics and left a lasting legacy in their home county.

Remarkable tales, like the councillor who was unseated for plying voters with drink, the north Kerry woman who became a politician in Pakistan, the aristocrat who was invited to Buckingham Palace as a child and went on to become the first woman elected to Kerry County Council, the Kerry senator who received an apology from the BBC, the story of all of Kerry's female politicians, the councillor who took his own council to court, the night the gardaí were called to a meeting of a Fianna Fáil cumann in north Kerry, and the Dáil by-election candidate deselected because he wasn't popular enough, all feature.

Featuring the first ever definitive record of every Kerry Oireachtas member since 1919, *A Century of Politics in the Kingdom* captures the excitement and tension, the rivalries and resentments, the key debates and discussions, and the good old-fashioned fun and games that have characterised the political cauldron in the county over the last century.

The new book was launched by former Tánaiste, Dick Spring at Tralee Library last night, Thursday 18th October, and will be available from the middle of this week in all good bookshops, online, and from [www.merriionpress.ie](http://www.merriionpress.ie), as well as at the launch on Thursday (RRP €19.99)

## Spa Welcomes Ian at Health & Wellness Workshop

Ian O Connell was welcomed as Guest Speaker at Launch of Spa GAA Club Health and Wellness Workshop. Organised by Health and Well Being Officer Margaret Doyle the talk was very informative dealing with mental health and well being. "I invited our own, inspirational, local legend, Ian O Connell as guest speaker. What a role model for our youth and his positivity for life!", Margaret told the Killarney Outlook.

Also in attendance was Eileen Buckley (Gambling/Alcohol/Drug Co Board Officer) and Jimmy Mulligan from South West Counselling. The talk took place Friday Oct 12th in the clubhouse to a packed house which included parents/students and all the greater Spa community.

# Killarney Park Hotel celebrates Service Excellence Award

*Pictured receiving the Accredited Service Excellence – Business Award from Mr David Strahan are Niamh O'Shea, General Manager, Lorraine Horan, Senior Manager, Jason Higgins, Bar & Lobby Manager along with members of the Concierge, Front Desk, Spa, Housekeeping, Health & Fitness, Bar & Lobby staff.*

Following the completion of the "Best in Class" Service Excellence programme under a new Fáilte Ireland Service Excellence initiative, The Killarney Park Hotel was presented with the Service Excellence Award recently.

Course instructor, Mr David Strahan returned to Killarney recently to present the award to Niamh O'Shea, General Manager of The Killarney Park Hotel along with other members of the hotel's management and Front of House Teams.

The aim of the course was to provide staff with the ability to determine the difference between good service and excellent service, and how they can improve in their everyday tasks in order to give guests the best possible experience.

The Killarney Park Hotel, voted the No. 1 Hotel in Ireland for 2018, by TripAdvisor, has long been renowned for its excellent levels of service. Ms O'Shea, speaking on accepting the award was delighted that this Fáilte Ireland initiative was complimenting the hotel's own training & development programmes, "We believe that a continuous focus on training, development & upskilling is crucial in staff retention and in maintaining our standards as of one of Ireland's top hotels. It is vital that we keep our team up to date with international best practice, which only benefits our guests and re-enforces Killarney's reputation as a world-class destination" she said.

## NEW STROKE DAY SERVICE LAUNCHED

A NEW pilot Stroke Day Service, providing nursing and physiotherapy supports to people recovering from a stroke has been launched in Tralee and Listowel.

The one day a week service will deliver a six-week programme and is now open for referrals.

Led by Baile Mhuire Day Care Centre for Older Persons, Tralee and Ard Chúram Day Care Centre in Listowel, with the support of the HSE, the service will offer clients additional supports to help them through the rehabilitation process after a stroke.

Brian Carmody, himself a former stroke patient and who now runs the only voluntary stroke support service in Kerry, said: "This is the best news I have heard in a long time. I had my stroke 12 years ago and at that time once you were out of the hospital and finished with the treatment, there was no support. Now we have a service that will help stroke sufferers here in Kerry. It's vital for them and their families to have a place to go and meet fellow stroke sufferers and get expert help for all of us who have suffered a stroke. It's important to let them know that they are not alone or isolated anymore with this new Stroke Support service in Kerry."

People availing of the service will receive physiotherapy, nursing care and other allied professionals inputs, peer support and can avail of physical and mental stimulation programmes, morning tea and a midday meal.

People availing of the service will receive physiotherapy, nursing care and other allied professionals inputs, peer support and can avail of physical and mental stimulation programmes, morning tea and a midday meal. Chairpersons Paddy Garvey of Baile Mhuire and Tom Pierse of Ard Chúram said: "We are delighted to be leading this new service in Kerry. Both groups are grateful to the HSE for supporting this service which was identified by the Kerry Stroke Support Group. When a person survives a stroke, it's not only their life that may be turned upside down, it's their family and those closest to them who are also affected. There can often be an impact on people's capacity to access services to promote their rehabilitation. We are confident that the new Stroke Day Service in Tralee and Listowel will be a success and of immense

benefit to all stroke survivors. It is our hope we will demonstrate the effectiveness and value for money of this community-based approach and that similar projects will be developed in other areas."

Both Chairpersons would like to acknowledge the support of staff and management in both HSE Community Services and University Hospital Kerry as well as the National Office for Service Improvement of Older People.

The Stroke Day Service will commence in November and it will operate one day a week in Ard Chúram Day Care Centre, Listowel on Mondays and in Baile Mhuire Day Care Centre for Older Persons, Tralee on Fridays from 10am to 3pm in both locations. For more information about the new Stroke Day Service in Tralee, contact Rose at 066 7123373 or in Listowel, contact Louise at 068 22986.

## USING YOUR PENSION TO PAY LESS TAX

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax). When pension benefits are drawn down, a Retirement Lump Sum can usually be taken either completely free of tax or subject to a beneficial rate. The rest of the benefit, usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in a lower tax bracket in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

# Cooking demo to help the homeless

A cookery demonstration in aid of Focus Ireland took place at the Killarney Asylum Seekers' Initiative (KASI), log cabin in the group's community garden in Ballycasheen.

The event was hosted by Marilyn Counihan, who spearheads the Killarney Asylum Seekers' Initiative (KASI) in Killarney.

Held in association with the Parents Council of Gaelscoil Faithleann, where KASI provide the school lunches the evening was attended by parents and locals alike. Marilyn cooked some dishes from the Philippines and entertained the group with stories and tips.

According to Marilyn, "I feel so strongly about doing something to help homeless people – the numbers are frightening and the issue complex, but groups like Focus Ireland do so much to help."

Speaking for the Parents Council of Gaelscoil Faithleann, Mary Carroll said, "We are delighted to link up with KASI, the lunches they do in our school are fabulous and we thought this was such a great cause to support. It was also a great social evening for parents, and the food was fabulous."

All proceeds will go to Focus Ireland to help tackle homelessness. Marilyn intends to do more cookery fundraising in the future, including offering to cook for groups who would make a donation to Focus Ireland.

# Nostalgic St. Brendan's Reunion takes Place

The Class of 1968, pictured at St Brendan's College for their School Reunion.

It was a nostalgic occasion for over 20 past-pupils from the Leaving Cert Classes of 1968 who revisited in St Brendan's College, Killarney, on Saturday last.

A highlight of the 50th anniversary celebrations was a visit to the college and a warm welcome from its president, Sean Coffey, and some present day students.

Looked at from the outside, "The Sem" looks much the same as it did in the 1960's, but there are huge changes inside to meet the needs of education today.

The students of 50 years ago received a strictly academic education, with subjects such as Latin and Greek on the curriculum, and some of those revisiting the college were surprised, for instance, to find a large woodwork room.

Some of them had not met since they left the college and others had never been back there. They were given a tour of the buildings by Mr Coffey.

"The clear impression we got from Mr Coffey is that the college is moving ahead and providing an education to meet the needs of today's young people. The changes since our time there almost defy description. Simply a different world," said Donal Hickey, of the Classes of 1968 told the Killarney Outlook.

Ten deceased classmates from 1968 were remembered at 6.15pm Mass in St Mary's Cathedral, on Saturday evening.

Some of the recently deceased include Paudie O'Connor and Phil O'Sullivan, both Killarney, and Donagh Murphy, from the Barraduff area.

Member of the European Parliament and former GAA President Sean Kelly was a special guest at a dinner by the past-pupils on Saturday night. A former student in St Brendan's, he sat the Leaving Cert in 1969 and later became a teacher in the college.

## WATER BABY SCOTT shows how it's done

Scott O'Sullivan pictured at Water Babies in the Aquila Club at the Gleneagle Hotel.

Water Babies swimming school, is celebrating National Baby Swimming Week this week as 5,000 babies and toddlers across Ireland take the plunge with their Mums and Dads and enjoy all the benefits of baby swimming.

And among them is 2 year old Scott O'Sullivan who has been attending Water Babies Classes at the Gleneagle Hotel in Killarney since he was just four months old.

He's a very confident and determined young man who likes to do his own thing. Water Babies has not only given him a love of water and swimming it has also taught him the joy of singing (he sings Water Babies songs all the time in and out of the water), music and sharing. Scott's Mum, Sandra says the best thing that Scott has learned at Water Babies is the ability to be more patient. Scott has to wait his turn and be a little more cautious which is super important around the water. During the summer Scott spent lots of time swimming in the sea which is a lot different to our pool and never had any trouble because of all the skills he learned at Water Babies. He even tried his hand at surfing and paddle boarding and passed on the skills he learnt at Water Babies to his big brother and cousins.

# TIM GIVES HIS LAST COW TO RWANDA

## *In act of kindness*

**A**n East Kerry farmer has spoken of his joy at the seeing first-hand how his very last dairy cow, which he gifted to a family to a family in Rwanda, has transformed lives.

Tim Moynihan, from Gneeveguilla, along with his daughter Doreen travelled to the heart of Rwanda in central/eastern Africa to see themselves the remarkable impact that the last dairy cow from his farm has had on the Rwandan family.

Tim gave up dairy farming six years ago and rather than sell his last cow he donated it through Bóthar to a family near Rwamagana in east Rwanda.

The single cow is just one of an ever growing 'Bóthar' herd that is transforming the lives of families across Rwanda – a nation that was savaged by the fastest killing spree in the history of the world almost 25 years ago when up to 1million people were slaughtered in its 90-day genocide.

The aid agency has been sending Irish dairy cows and other food-and-income producing animals such as goats, pigs and sheep to Rwanda – it also has projects elsewhere in Africa, Eastern Europe and Asia - since the late '90s thanks to the generosity of the Irish farmers and the wider public.

Its current programme in Rwanda is in support of the Rwandan government's 'One Cow Per Family' project which aims to reduce extreme poverty in rural areas of the country by providing each poor family with a cow.

The cow donated by Tim Moynihan has not alone given the parents and children of the recipient family a daily source of

nutrition they otherwise would not get but proceeds from excess milk and sale of calves born to her have enabled them to educate their children and buy land.

Tim said he was overjoyed at seeing the difference the cow had made and also at being reunited with her one last time. "I never dreamt in my life I'd ever again see that cow. I think she recognised me. We took a photograph of that cow before she left the farm and I have that photograph at home.

"The calf is the spit of her mother, star on the forehead and the stripe on the shoulder."

Looking back on the donation and the reasons for it, he said: "My farm is situated in East Kerry. And we milked cows there all my life. And when we decided to give up the cows, we went into suckling.

"We said we'd donate this heifer to a country that would need it more, and this was the last heifer to come from my farm."

He was also delighted with her condition. "The farming practice is very good here," he said. "I'm delighted. Couldn't be happier that I made this donation. I would over and over again. "I've heard that she has been very successful with the farmer. She's a champion cow. They had Little hope

of him ever being a good farmer. Well, he's beaten all the odds; that cow is the best milker in that part of Rwanda."

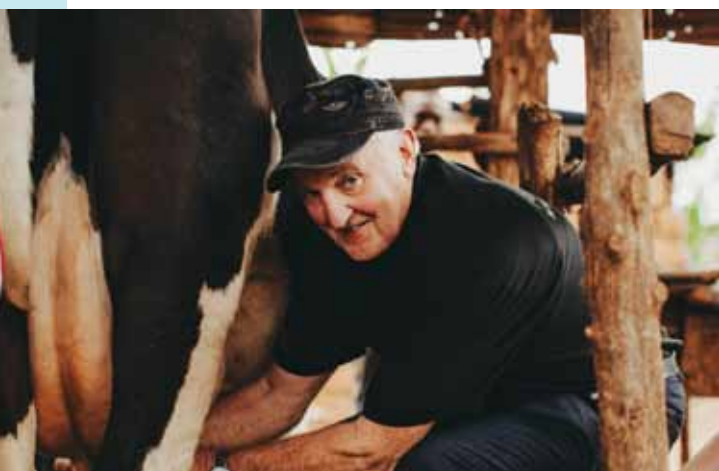

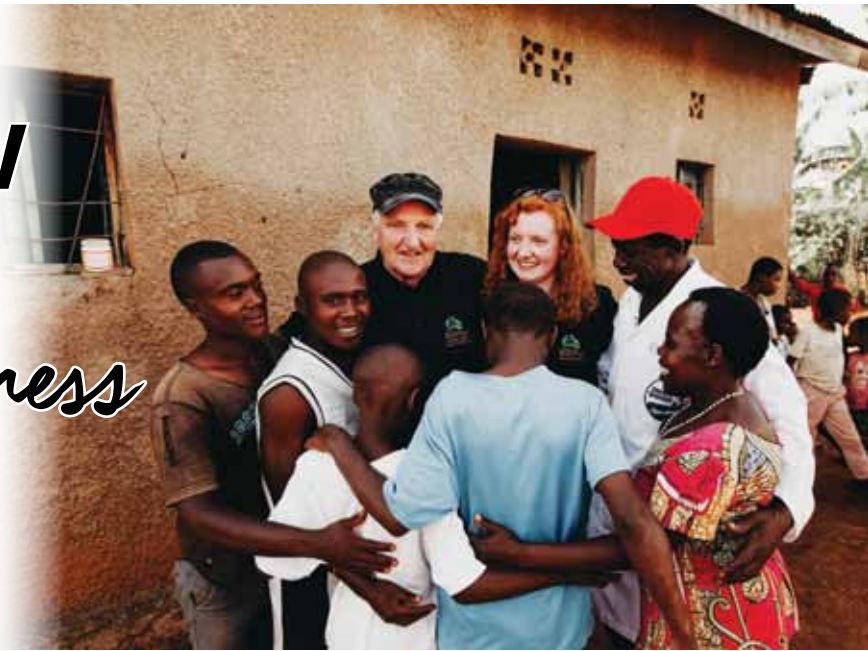

Tim's daughter Doreen travelled with him and spoke of the impact the trip had on her father. "This trip means a huge amount to my father to see how his donation has changed the lives of this family and what legacy this cow has given from its offspring being passed on and the help it's given to other families, not just one," she said.

"The experience we just had, seeing my father's cow now on this farm was just amazing; quite emotional actually to see how well she's done and how much she's done for the family."

The donation of Irish cows, which have a yield six times that of the best local cows, have had a transformational effect on the lives of an estimated 1,000 plus families.

Bóthar heifers arrive in calf, with each recipient family agreeing to pass on the first-born female calf to her to another family. Bóthar returns each year to re-impregnate the cows, so the cycle continues.

Prior to being given a heifer, each family undergoes a six-month programme of training in animal husbandry, water-harvesting and basic horticulture practices.

# Women remembered at Tree Planting Ceremony

Mayor of Kerry Cllr Norma Foley who plant a tree on grounds of the KCC Building Rathass to mark the Centenary of the parliamentary Suffrage to women along with KCC CEO Moira Murrell and Aoife McAllen. PHOTO: JOE HANLEY

A tree has been planted in the grounds of County Buildings in Tralee by the Cathaoirleach of Kerry County Council to mark the centenary of the extension of parliamentary suffrage to women in 1918. Cllr Norma Foley planted the oak tree at Áras an Chontae this afternoon to mark the one hundredth anniversary of the first general election in which many Irish women were entitled to vote for the first time.

In February 1918, the Representation of the People Act extended the vote to all men aged at least 21 and women aged 30 or older who were university graduates or owned property. The general election of 14 December 1918 was the first occasion on which women in Ireland were entitled to vote in a parliamentary poll.

'As Cathaoirleach of Kerry County Council, I was pleased to mark this important centenary by the symbolic planting of a tree in the grounds of

Áras an Chontae,' said Cllr Foley.

'The enfranchisement of women in 1918 was an important first step to achieving full suffrage for women in Ireland and is one of the many important centenaries that occur at this time.

'This centenary is also an opportunity to honour the women who have served as members of Kerry County Council over the past century. While women were eligible to vote and stand in local elections from 1899, it was 1920 before a woman was first elected to Kerry County Council. Albinia Brodrick (Gobnait Ní Bhruadair) was a councillor from 1920 to 1926 and was followed on the council since then by 17 other women who have all played a role in shaping our county and our society.'

'I hope that this tree will serve as a symbolic memorial of the centenary of the first extension of the parliamentary vote to women in this country,' said Cllr Foley.

## Biblical Journey to Support MS Ireland

Local woman, Kathryn Brosnan, is set to embark on a Biblical journey into the Kingdom of Jordan, as she volunteers to take

part in the 2018 MS Ireland Fundraising Trek this month. She aims to help raise funds in support of their incredible and essential work for MS sufferers and their carers. With this in mind, she has created a page on the website - Everyday Hero - in order to raise funds for The Multiple Sclerosis Society Of Ireland, which enables and empowers people who are affected by Multiple Sclerosis to live the life of their choice to their fullest potential. The Society facilitates people with MS to control their lives and environment, to live with dignity, participate in the community and to provide support for the families and carers of people with MS. They also co-operate with the medical, scientific, social and caring professions to promote scientific research into the cause of, cure for and management of MS. Kathryn says 'The more people that know about The Multiple Sclerosis Society of Ireland, the greater their impact. I want to make a difference. I'm inspired by the work of The Multiple Sclerosis Society of Ireland and wanted to support them by raising money'. MS Ireland have been organising treks around the world since 1989 to raise vital funds for people living with Multiple Sclerosis. # *'Call of the Wild'* to form part of Global Social Media Campaign

Minister of State for Tourism and Sport, Brendan Griffin today announced 'Call of the Wild', a joint initiative between the Department of Transport, Tourism and Sport, Fáilte Ireland and Tourism Ireland.  
PHOTO: VALERIE O'SULLIVAN

Minister of State for Tourism and Sport, Brendan Griffin this week announced 'Call of the Wild', a joint initiative between the Department of Transport, Tourism and Sport, Fáilte Ireland and Tourism Ireland. The new initiative aims to give local people on the Wild Atlantic Way the opportunity to have their hidden gems included in a global social media campaign, while at the same time highlight to their own social network the beauty of the locality as a holiday destination. Over the coming weeks, locals from along the Wild Atlantic Way will be called on to share photos and videos that showcase the beauty of the West Coast on social media using the hashtag #MyWildAtlanticWay.

The best photos and videos will be shared by Tourism Ireland on its social platforms with millions of potential holidaymakers around the

world (Tourism Ireland has around 4.3 million Facebook fans worldwide, almost 500,000 followers on Twitter and 425,000 followers on Instagram). Everyone who gets involved will have the chance to win a 2-night getaway along the Wild Atlantic Way.

Minister of State for Tourism and Sport, Brendan Griffin, commented on the 'Call of the Wild' initiative:

"This is the first of a number of regional tourism initiatives made possible due to the increased funding in tourism. From stunning landscapes to exquisite food, there are many hidden gems along the Wild Atlantic Way known to locals, but undiscovered by the rest of the world. We are asking local people along the Wild Atlantic Way to share their own 'hidden gems' with the world and help spread the word about the beauty of the West Coast by sharing their own

photos or videos on social media using the hashtag #MyWildAtlanticWay."

To launch the initiative, Fáilte Ireland have teamed up with eight sporting legends from along the Wild Atlantic Way, from Aidan O'Mahony in Kerry, Orla Finn in Cork, Podge Collins in Clare, Michael Murphy in Donegal, Róisín Upton in Limerick, Lee Keegan in Mayo, Alan Cawley in Sligo and David Collins in Galway. Each 'Call of the Wild' ambassador will share some of their favourite destinations in the region across their social media accounts, encouraging their followers to follow suit and share their own favourites.

Share your Wild Atlantic Way hidden gems using the hashtag #MyWildAtlanticWay before the 31st October for your chance to have your photos and videos be part of a global promotional campaign.

# Reen's Rathmore crowned Peugeot Dealer of the Year for Second Consecutive Year

For the second consecutive year, Reen's Rathmore, Main Peugeot Dealer for County Kerry, has been crowned Peugeot Dealers of the Year. The presentation was made to Dealer Principals, John and Tim Reen, at the annual Peugeot Dealer Conference at the Castleknock Hotel and Spa, Dublin.

Des Cannon, Managing Director at Gowan Distributors Limited, Peugeot Importers in Ireland, said: "It came as no surprise to me when we collated performance indicators from Administration, Sales, Parts and Service, to arrive at the winner of this year's Peugeot Dealer of the Year title, that

Reen's Rathmore were top of the league table. The Reen family have demonstrated continued drive and energy, to ensure their customers are king, bringing the Peugeot brand to new heights in the Kingdom of Kerry. I

congratulate them on another incredible performance in 2018."

Tim Reen, Dealer Principal, said: "Whilst I am simply overwhelmed with this award, the second in a row, I recognise my team's strength at Reen's Rathmore and I am immensely proud of our performance again in 2018, across all facets of the business. I thank each and every customer who came through our door this year, without whom we would not be celebrating this award and we very much look forward to next year, with confidence."

The family-run business in Rathmore was first established by brothers John, Vincent and Donie Reen. Appointed Main Peugeot Dealers in 1987, the business grew to new heights in 2005 when a new state-of-the-art showroom was opened on the existing site in Rathmore. The showroom underwent a refresh in 2018, adopting the new Peugeot corporate identity and external signage. Increasingly recognised in their locality for their outstanding customer service, the family have a strong ethos of always putting the customer first. No stranger to awards, Reen's Rathmore was Peugeot Dealer of the Year in 2006, 2015 and 2017, before clinching the title again for 2018 for the second consecutive year in a row.

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### TIPS FOR A HEALTHY "MIND BODY" BALANCE

#### PART 2

Here are my top tips for helping with a Healthy mind Body connection:

#### TAKE TIME TO BREATHE AND MEDITATE DAILY:

Meditation is one of the most powerful tools for restoring balance to our mind and body. In meditation, you experience a state of restful awareness in which your body is resting deeply while your mind is awake though quiet. In the silence of awareness, the mind lets go of old patterns of thinking and feeling and learns to heal itself. Scientific research on meditation is accelerating with the growing awareness of meditation's numerous benefits, including a decrease in hypertension, heart disease, anxiety, depression, insomnia, and addictive behaviors. As little as eight weeks of meditation not only helped people feel calmer but also produced changes in various areas of the brain, including growth in the areas associated with memory, empathy, sense of self, and stress regulation. Meditation brings us home to the peace of present moment awareness and gives us an experience of profound relaxation that dissolves fatigue and long-standing stresses. The most powerful benefits of meditation come from having a regular, daily practice.

Each day eat a healthy diet that includes a variety of tastes and a wide variety of colorful fruits and vegetables.

Next to breathing, eating is our most vital bodily function. To create a healthy body and mind, our food must be nourishing. Ideal nutrition comes from consuming a variety of foods that are appropriately prepared and eaten with awareness.

## ENERGY MEDICINE – what it is and how to use it!

Every single thing we do or experience in our lives is affected and also determined by where you are using and directing your energy! Where your attention goes, your energy flows! For me, energy is one of the most prized possessions I have! Your own personal energy signature will determine your health, aliveness, confidence, stress levels and also the way you connect and engage with your life and with others. When you walk into a room, before you have even said a word, your energy field will be communicating your exact state of being at that moment. This is why we so often have that sense of incongruence about someone. They may be saying all the right things but somehow their energy doesn't match their words and it feels a bit "off!"

When your energy is good, life becomes easier. We are not drawn into other people's stress or drama and are able to manage our own emotions better. This is powerful when it comes to health and wellbeing as healing occurs best when we are in the relaxation response mode. If you are interested in learning more about how to balance your own energy field come along to my next energy medicine healing circle. I will be teaching a beautiful chakra balancing meditation and also how to use emotional freedom tapping technique to create greater health, inner peace and vitality.

My next energy medicine healing circle is on Thursday 25th October at the Killarney Court Hotel at 7.30pm. Cost is €20.00. Booking is essential. Please bring a cushion or pillow and light blanket.

## KERRY PITCH & PUTT NOTES

DEERPARK's Gents Nett team once again qualified for the Finals Day of the National Inter-Club competition as for the third year-in-a-row they won their Quarter-Final encounter, this time against Bagenalstown of Carlow at Clonmel on Saturday. Miserable conditions from the aftermath of 'Storm Callum' made play tricky at the Clonmel course but the

Irek Brudniok and Greg Lejwoda of Desire Kitchen Killarney (front left) presenting first prize in the Lady Captain's Charity Day sponsored by Desire Kitchen and in aid of Autism Service Dogs and Str John of Gods to the winners Norma Moran and Sighle Hennigan of Ballybunion Golf Club with Sheila Crowley Lady Captain and prizewinners at Killarney Golf Club.

Killarney club got off to a great start by winning all three Doubles matches played in a Scotch Foursomes format.

The combinations of Noel Moynihan & John O'Brien along with Gearoid Cronin and Adam Kelly won their matches 2up while the duo of Lorcan Martin & Darragh O'Callaghan won 2&1 to give them a 3-0 lead at the halfway stage. Two wins from the Singles matches would do Deerpark to win the matches but they ended up winning four as John O'Brien (8&7) and Kieran Fitzpatrick, Adam and Declan Kelly (all 3&2) guided their side towards an overall 7-2 victory. The team will now advance to Finals Day on the October Bank Holiday Saturday, October 27th, where they will face Gowran of Kilkenny in the Semi-Final and should they be victorious they will play either Tipperary sides Riverdale or Tipperary Hills in the Final.

It will mean a busy weekend for the Killarney club with their Open Scramble and Scratch Cup events on the same weekend with the Scratch Cups on the Sunday this year all being played over a reduced distance of 36 Holes in each grade. The Scramble will take place on Friday (26th), Saturday (27th) and Monday October 29th that weekend at the Killarney club. Cost of Cards for both the Scramble and Scratch Cups is €10.

## BASKETBALL: NATIONAL LEAGUE DIVISION ONE

# IT CARLOW SECURE VICTORY OVER LAKERS

By Eamonn Keogh

IT Carlow 93

Scotts Lakers St Paul's 85

A poor second quarter performance contributed largely to Scotts Lakers losing out to IT Carlow on Saturday afternoon. Falling 20 points behind, the Killarney side did bounce back well in the second half to narrow the gap to three points but the home side held on to secure the victory. After being on the road at 7.00 a.m for a 12.30 tip-off in Carlow, Scotts Lakers started well leading 10-6 midway through the first quarter. Papito Hersisia kept the visitors in front with a big three-pointer and Lakers led 25-21 with 1:36 left in the first quarter. However Carlow finished stronger with American Johnny McCarthy sinking a late three-pointer and the home side led 26-25 at the end of the first period.

It was in the second quarter where Carlow completely overpowered the Killarney side outscoring them 30-11. Dylan Phelan pushed the home side 35-26 in front after two minutes. Baskets from Dailian Mason and Shane McCarthy left Scotts Lakers trailing 43-31 midway through the second quarter. However with Carlow's Johnny McCarthy dominating and scoring with ease, the home side led 53-33 with two minutes left and were 56-36 in front at half-time.

Carlow led 58-41 early in the third quarter but Scotts Lakers kept battling away with Hersisia, Mason and McCarthy chipping in with baskets and they managed to reduce the deficit to 71-55 with 2:37 remaining in the third quarter. The home side maintained their advantage to lead 71-64 as the game entered the final quarter.

The gap was narrowed to three points, 77-74,

with seven minutes remaining. Carlow's Johnny McCarthy kept his side in front leading 82-74 midway through the quarter. A big score from Hersisia brought the Lakers back to trail 88-85 with 2:18 remaining.

However this was followed by a very controversial incident with a melee breaking out on the court. The match officials took action by ejecting four Carlow players from the court for their roles in the incident while just one Scotts Lakers player, Papito Hersisia, was disqualified. When play was eventually restored, Carlow kept their composure with Johnny McCarthy pushing them 90-85 ahead with 1:23 remaining and they held on to win by eight points in the end.

It was a match that Scotts Lakers could and should have won. The second quarter collapse was the crucial factor but 16 turnovers and nine

missed free throws was also costly. Scotts Lakers managed to score 16 from 39 two-pointer field goals while they converted 13 from 37 three-pointer attempts.

IT Carlow: Johnny McCarthy 26, Brian Hogan 14, Armands Vaikuls 14, Dylan Phelan 12.

Scotts Lakers St Paul's: Dailian Mason 22, Papito Hersisia 21, Sean O'Brien 11, Shane McCarthy 10, Mark Greene 9, Andrew Fitzgerald 8, Seamus Brosnan 2, Justin Tuason 2.

Scott's Lakers are away to Limerick Celtics in St. Munchins Limerick on this Saturday October 20th at 6.00pm. This will be followed by a difficult cup tie away to Dublin Lions the following week while the next home game for Scotts Lakers is against Limerick IT in Killarney Sports Centre on November 4th..

## FARRANFORE MAINE VALLEY AC

The final race in the County Cross Country fixtures was hosted by our own club on Sunday 14th October. Held on the farm land of McMahon's and organised by the Walsh's in Firies. It was like a summers day with glorious sunshine & no wind. The field was soft underfoot with some soft patches following Saturday's torrential rain. We would like to express our gratitude to the McMahon & Walsh families for the use of their land and facilities. Special thanks to all our volunteers in parking assistance and stewarding. Thanks to all who provided food & refreshments for competitors and spectators. It went down a treat and made just under €300 for the club funds.

The first race up was the women's Senior & Junior race. It was great to see Deirdre Nagle wearing the club singlet on her first race of the season.

Deirdre did well to finish in fourth place overall. Pierrette Scroope, which is her very first season competing in cross country also did extremely well to complete the 5K distance and finish in tenth place.

Not enough for a team but their personal achievements is more valuable. In the senior men's 10Km, which was made up of eight laps, we had four athletes competing. Their was a very big field of competitors compared to other years which was great to see. The overall winner was Conor O'Mahony (An Riocht AC). Arthur Fitzgerald ran well to be first club member to cross the line in ninth place. Not far behind was George McCarthy in 12th place. The team took bronze by the combined efforts of Brendan Lynch and Aidan McCarthy. Well done.

The juveniles were competing in the relays. Each team member had to run 500m. Again a great turnout from all clubs with on average 8 teams per age category. Our U10 Girls were 5th, U10 Boys 3rd, U12 Girls 2nd, U12 Boys 6th, U14 Girls 3rd, U16 Girls 3rd & U16 Boys 1st. The best overall juvenile club went to Kenmare AC with Farranfore in second place.

This was a great achievement for our small club. All our juveniles should be very proud. A special thanks to their lead coach, Maria McCarthy who puts alot of time into developing their running technique and preparing them for the cross country season.

With the County XC season finished it now moves to the Munster competitions. Next XC Munster Race is on Sunday 21st October in Beaufort. First race at 11:30am will be the Juveniles U10, U12, ..U18. ## KILLARNEY RUGBY CLUB NEWS

With so many away on school tours, an under strength Killarney travelled to Tralee on Sunday to play in their second outing of the season to take on the combined strength of Tralee and Listowel.

Killarney started with precision and within 5 mins James Kennelly ran over the whitewash to finish off a try that went through the hands of no less than 8 players. Killarney also had to defend exceptionally well against a strong Tralee/Listowel forward division that had a lot of strength and ran direct testing lines. However Killarney broke through again with the tigerish Dan Twomey finishing off for their second try of the day. Before half time a similar pattern resulted with Cormac Rowe scoring his debut u16 try. Ouhalf Donnchadh Grealy converted.

Tralee resumed the second half very powerfully and scored under the Killarney posts for a seven

pointer. A crucial penalty from the Killarney outhalf put light between the teams and Killarney finished the more dominant team. Following probing attacks from the likes of Peter Walsh, John McCarthy and Padraic Talbot. Liam Randles scorched over in the corner for a converted try that sealed the victory.

The controlled attacking and defensive tackling of the players was something that particularly pleased the Killarney coaching team. Lining out on the day were Rob Nealon, Brendie O'Donoghue, Cormac Rowe, John McCarthy, Bailey O'Sullivan, Shane McAllister, Padraic Talbot, Peter Walsh (c), Donnchadh Grealy, Liam Randles, Mikey Moriarty, Dan Twomey and James Kenneally.

A special word of thanks to Tralee RFC for hosting us - we are always assured of a great welcome when we visit.

Training continuous 7.30 Thursday evenings. All new members welcome to attend.

Next game is home against Abbeyfeale on the 27th. All support is welcome.

### GIRLS RUGBY

Some fantastic rugby was on display and our girls played some excellent rugby, showcasing their skills at all levels. Well done to the girls and to coaches Denise, Peter, Liam and Tom who looked after their charges and to Clonakilty for the wonderful hospitality on the day. Well done everyone.

# KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

## Darran O'Sullivan Announces His Retirement

On Tuesday, Darran O'Sullivan, stepped away from the Kerry Senior team after dedicating a major part of his life to Kerry Football. Fourteen years on from when it all began in 2004 there are few players with the record that Darran has achieved. A four time All Ireland winner

and an All Star in 2011, we all remember his many searing runs through opposition defences and either getting or creating scores at crucial times in games. Darran has been an incredible ambassador for Kerry. We wish to sincerely thank Darran for his incredible contribution and wish both himself & Laura the very best in the future.

Honours Won: 4 All Ireland Senior Football 2006,2007,2009,2014. Kerry All Ireland Winning Captain 2009, 3 Allianz League Medals 2006,2009, 2017. 10 Munster Senior 2007,2010,2011,2013,2014,2015,2016,2017, 2018. 1 Munster Minor 2004, 1 All Star Award 2011. 2 McGrath Cups 2011, 2013.

## Garvey's Senior Football Championship

The Semi Finals were played last Sunday in Austin Stack Park. The intriguing match ups and the perfect weather attracted large crowds to the venue. Both games were highly entertaining. The first game saw both sides, Dingle and East Kerry, finish with 14 men after a ding dong battle particularly over the last 15 minutes. Both teams may feel that they left it behind but in the end a draw was the fairest result.

It's all to play for next Sunday when the sides meet in the replay in Austin Stack Park.

The second game looked as though it was heading down the replay route also but in the last ten minutes, Dr Crokes imposed themselves on the game and established a strong lead. Kerins O'Rahillys put on a massive display and but for a couple of flash points going against them, the result could have

Michael Potts, David Moran, Tommy Walsh and Michael Moloney in action during the weekend's County Championship semi final against Kerins O'Rahillys.

been different. At the final whistle, Dr Crokes had booked their place in the County Final which is in fact their 8th final in 10 years, a rather impressive feat indeed.

## Munster Fixtures

It's only a few weeks until the Kerry Clubs are back in Munster action. In the Senior Club Championship either Dingle or Dr Crokes will travel to Tipperary on November 4th where the opposition will either be Moyle Rovers or Ardfinnan.

On November 3rd, Kilcummin travel to Clare to play Kilrush in the Intermediate Quarter Final and on November 10th at a Tipperary venue, Beaufort will play Portroe, Ballylooby-Castlegrace, Cappawhite or Mullinahone in the Junior Quarter Final.

The 2019 Munster Senior Football Championship Draws took place on Thursday October 11th. Tipperary will play Limerick with the winners playing Cork while Clare take on Waterford with the winners playing Kerry.

## Barrett Cup Final

Congrats to Spa who emerged victorious on a score of 2-10 to 1-07 over a gallant Mark Healy led Laune Rangers side in an exciting and competitive final played on Thursday evening last.

The game was played under lights in the Centre of Excellence Currans just ahead of the arrival of storm Callum! This was a game of some quality throughout with the Spa boys

getting off to the better start with early scores aided by the slight breeze and retired at half time with a four points lead.

The Laune Rangers boys led by the ever talented Mike Frank Russell and John Sheehan began the second half with renewed energy and had levelled matters after ten minutes and were favoured to drive on. However the Spa boys competed well for next ten minutes in an ding dong contest until Spa scored the all important goal which drove them on until the final whistle.

Credit to both set of players on serving up an entertaining game with a range of scores and skills for the sizeable attendance. The final was refereed by Tom O Sullivan of Clounmacon. Spa captain Hugh O Donoughue accepted the Barrett Cup from County Board Officer Christy Killeen to the delight of the Spa supporters present.

## Deepest Sympathy

Our Deepest Sympathy is extended to the McGillycuddy and Counihan families following the recent passing of their beloved Niall. Our thoughts and prayers are with his family Sheila, Daithi, Ellen and Jane, his friends, his Club Killarney Legion, his classmates in St Brendans College Killarney and all who knew this young man.

Niall has been taken from this world far too soon and we hope our prayers will provide his family with some comfort as they deal with their tremendous loss. Ar dheis Dé go raibh a anam dilis

## LEGION GAA CLUB NEWS

### A SAD WEEK

This past week started on a high note for the club as the u16's captured the East Kerry Div.2 title in style against Furies under lights in Spa. In his eloquent acceptance speech captain Dion O'Neill sent best wishes to absent team mate Niall McGillicuddy on behalf of the panel. Niall himself was many times the star performer for that very u16 side and it was a testament as to just how popular he was that his fellow clubmates remember him on such an occasion. As is the norm after winning any trophy there is a feel good factor and it lifts the moral of one and all. So when the devastating news came later in the week that Niall had lost his battle with illness it had a enormous effect on all of us. Having recently been given some positive news it was everybody's hope and wish that before long Niall would be back home in the comfort and embrace of his family and in time starring on the playing fields once again. Tragically it was not to be and we have lost one of our brightest and best. Niall's prowess as an exceptional footballer and all round sportsman were well known by one and all, but the fact was that he was also hugely popular, well mannered and likeable. After our Saturday morning Academy session for u10's is over there is usually a mad dash for refreshments just as one would expect from children of that age however it is recalled that when Niall was that age he would remain on the field helping to collect training bollards and other gear. Knowing his parents Sheila and Daithí it was easy to see why.

As new Kerry Manager Peter Keane gave his first big press briefing in a testament to the man himself - Peter pointed out the tragic loss of one so young and talented and how it put everything into perspective, a thought that all of us agree with. It is impossible to find words that would lessen the pain of loss for Sheila, Daithí, Ellen and Jane, all we can do is say that we were privileged to have Niall as a member of our club and hold him as an example to others. The Killarney Legion Club extends its deepest sympathy to Sheila, Daithí, Ellen, Jane and Family on their tragic loss. Ar Dheis Dé go raibh a Anam dílis, leaba i measc na Naomh.

## DR. CROKES GAA CLUB NEWS

### SENIOR COUNTY CHAMPIONSHIP SEMI FINAL

Played in Austin Stack Park

Dr Crokes 2-19 Kerins O'Rahillys 2-10

This game was level with five minutes to go plus injury time and looked destined to go to a replay. The injury time ran to eight minutes and it was during this remain in five minutes plus injury time that we got the upper hand. We scored 2-3 to Kerins O'Rahillys 0-1 in this period for a nine point victory. There was no way that we deserve to win by this amount but it came about because our bench was strong and one of our substitutes scored two goals.

Our opponents got off to a great start and had an early goal and a point without reply. We sent over five unanswered points to get on level terms by the end of the first quarter. We continued to kick points in the second quarter, six to add to our first quarter tally of five. O'Rahillys matched our second quarter score with 1-3 to leave the teams level at half time 2-5 to 0-11.

Our opponents had the first two scores of the second half, two points but we quickly equalised. The teams exchanged points before the end of the third quarter to leave the teams still level at 2-8 to 0-14.

The Tralee lads went ahead with a point in the 52nd minute but the game changer came in the next three minutes when we notched 1-2 to go four points clear.

There were a lot of open spaces in the last five minutes, plus injury time as both teams had a man sent off. Our opponents were without their full complement of player for larger than us and we scored 1-2 to Kerins O'Rahillys 0-1 in injury time and scored our place in the Final.

We wish our goalie Shane Murphy a speedy recovery from injury and also the Kerins O'Rahillys player who was injured during the game. Team and Scorers: Shane Murphy 0-1 (45), John Payne (Capt), Mike Moloney, Fionn Fitzgerald, Shane Doolan, Alan O'Sullivan, Gavin White, Johnny Buckley 0-2, Daithi Casey, Micheal Burns 0-2, Gavin O'Shea, Brian Looney 0-1, Tony Brosnan 0-6 (0-2 frees), Kieran O'Leary 0-5, David Shaw 0-2.

Subs: Colm Cooper, Jordan Kiely 2-0, Michael Potts, Eoin Brosnan, Billy Courtney, Johnny O'Leary

### DR CROKES U12A 2-14 LEGION U12A 5-08

A cracking game of football tonight in Direen in very difficult conditions. A goal line clearance by a legion defender from Crokes in the last attack was the difference in the end. A strong win made it a game of two halves and Crokes led by 1-09 to 3-01 at half time. The defence played really well with Mark Carroll in goal and defenders Dara Griffin, Adam Byrne and Mikeie Murphy outstanding with a good second half from Gearoid Sugrue.

Midfielders Neil O Carroll 0-6 and Leah Mc Mahon 0-1 were outstanding with forwards Noah Sexton 0-1 and Mathew Moynihan 1-0

Fossa boys who played in the Charity Football U.10 football Blitz at GAA Centre of Excellence at Currans on Saturday.  
PHOTO: JOE HANLEY

worked really hard. Inside forwards Nathan Cronin 0-2 and Liam Hennigan 1-05 had fine games and subs Ciaran Boyne and Anton Donchev played well when introduced. While the whole team played really well with good performances.

Player of the match has to go to the outstanding Leah Mc Mahon. She was also player of the match in a national cup final with Kerry schoolgirls recently.

What an unbelievable talent. Well done to Legion team and mentors on their win in a fine sporting game with excellent standard of football on view. Well done to all.

### UNDER 16 EAST KERRY CHAMPIONSHIP

The U16 East Kerry Championship Final kicked off last Friday evening in Fitzgerald's Stadium in beautiful September sunshine. The game began at pace and our U16's got off to a strong start.

From the outset we put huge pressure on the opposition and with excellent team work throughout, coupled with some well taken scores we ended the first half well on top on a score line of 1-9 to 4 points.

As expected, Rathmore came out fighting and dominated the third quarter of the game. The Dr Crokes backs were sticky and tenacious in their tackling and blocking and withstood this Rathmore onslaught. Overall, the second half was a tight affair with challenges at times going in hot and heavy.

However, our gallant U16's kept Rathmore at bay and saw the game out on a final score line of 2-14 to 13 points.

This was a well deserved win for the team and culminates a very successful season. We now conclude the year as East Kerry League and Championship winners and finalists in the County League. The lads played and trained diligently all year and are worthy champions. Well done to everybody involved

### DIVISION 5 FINAL - MD O'SHEA EAST KERRY U14 CHAMPIONSHIP

Currow 5-12 Gneeveguilla 3-08

A minutes silence was observed in tribute to Niall Mc Gillicuddy, RIP, the young Killarney Legion player who sadly passed away, the previous night before this MD O'Shea East Kerry U14 Championship Division 5 Final. Played in Spa GAA, this was a sporting game between Gneeveguilla and Currow. Gneeveguilla made the early running aided by a slight breeze. Centre forward, David O'Leary, took a fine goal inside the first two minutes after a good passing move with Dara Fitzgerald. Dara then added four points, including one from a free. Gavin Barry also kicked a fine point as Gneeveguilla dominated the first twenty minutes. Currow were slow to start, but notched up two John O'Connor points in the first twenty two minutes. However, Currow grew into the game and enjoyed a purple patch before halftime, which saw the side take the lead at the break.

Firstly, midfielder Padraig Brosnan burst through the Gneeveguilla defence and fired to the net. Currow forwards Freddie Galwey and David Healy then pointed from play, before John O'Connor crashed a great goal high to the Gneeveguilla net. This left Currow ahead by two points at the break: Currow 2-04 Gneeveguilla 1-05. Currow continued their dominance in the second half. Freddie Galwey had the first two points for Currow after the restart, before John O'Connor added two more, including a huge effort from a long distance free. James Doyle opened Gneeveguilla's second half account when he picked up the ball out on the wing and went on a long run and pointed from play. Currow were now dominant in most sectors, John O'Connor, Freddie Galwey and Ruairi Brosnan all adding points. Then Currow struck for two quickfire goals in a minute, from Freddie Galwey and the lively David Healy. Gneeveguilla, to their credit, responded when Danny Hickey goaled from a rebound after Dara Fitzgerald's initial shot was blocked. Dara Fitzgerald then added a point before Sean Finnegan goaled from a tight angle. However,

Gneeveguilla were unable to make any further inroads and Currow had the final say as Freddie Galwey goaled impressively and the same player pointed from play. Final Score: Currow 5-12 Gneeveguilla 3-08. Seán O Keeffe East Kerry Coiste na nÓg presented the trophy to winning Currow captain Liam O' Sullivan. He thanked sponsors MD O Shea, and Spa GAA for the facilities. Sean congratulated both sets of teams and mentors. ### KERRY MANAGER:

Comhghairdeas to Peter Keane from our

neighbouring club/parish, Listry, on his recent appointment as Kerry senior manager. We wish Peter and his management team every success in the future. We hope you will have a fulfilling and rewarding experience at the helm.

### NEW PITCH DEVELOPMENT:

Since September 2018, Allman Construction has been working hard on our pitch to get the final ground works complete on site. In a short few weeks, our new sand based playing pitch will be turning green and we will be in a position early next year to see our club training on it. The days of pitch closure, due to bad weather and muddy playing surfaces will soon be a thing of the past for us here in Milltown Castlemaine GAA Club.

Much of the work to date has been completed underground. We have been future proofing the site with extensive drainage and site services. Much of this work is hidden from view now but the weather has been great and the much progress has been made.

The pitch is open every day and the public is more that welcome any time- to come and see this exciting pitch development.

This phase is now complete and with Training Area 1, we will have to wait until May 2019 for Phase 2 to commence. This will consist of developing the current playing pitch and the construction of a new 170 seater stand.

The seeds have been sown so all that's left now is for the grass to grow!

Videos are available on social media and on our new club website if you wish to keep updated on progress.

# CROKES CRUISE TO VICTORY AFTER EARLY O'RAHILLY'S SCARE

DR CROKES 0-10 | KERINS O'RAHILLYS 2-10

KERRY O'SHEA REPORTS FROM A  
USTIN STACK PARK

Defending champions Dr Crokes eased their way into a third successive decider following a nine-point drubbing over Kerins O'Rahilly's. Crokes pulled away from their Tralee rivals in the final 15 minutes of the contest when Kerins O'Rahilly's had given it all they had.

O'Rahilly's supporters were confident their side would repeat their Round 2 heroics when they stunned the Crokes in Fitzgerald Stadium last month but Crokes were out on a revenge mission this time out.

Even the concession of two first-half Gavin O'Brien goals did not ruffle the feathers of the Pat O'Shea's side who looked extremely confident throughout.

O'Rahilly's were more than a match for Crokes in the first half and were inspired by two Gavin O'Brien goals. They should have built on these scores but they found points hard to come by against a well-marsalled Crokes defence.

The sides retired level at the end of the first half (2-5 to 0-11) before the game turned in the

Crokes favour following two key second-half incidents.

Firstly, Jack Savage was sent off in the 43rd minute by referee Brendan Griffin following a second yellow card offence.

The second incident was with six minutes of normal time remaining when Crokes scored their first goal. Substitute Jordan Kiely took advantage of a misunderstanding between the O'Rahilly's goalkeeper Gary Kissane and wing-back Ross O'Callaghan to intercept and goal.

Crokes were now firmly in the driving seat and O'Rahilly's who had worked so hard from the off, were now a spent force.

Despite the late dismissal of Brian Looney on a second yellow Crokes cruised into the final and on this display they will be hard to dislodge.

# Stalemate As Dingle And East Kerry Finish All Square

DINGLE 0-13 | EAST KERRY 2-10

KERRY O'SHEA REPORTS FROM A USTIN STACK PARK

A point from inter-county star Tom O'Sullivan six minutes into injury time at the end of the second half rescued Dingle from almost certain defeat and forced a replay in the first of the Garvey's Kerry SFC semi-finals at Austin Stack Park on Sunday.

Earlier on, it looked as if Dingle, even with 14 men following the first-half dismissal of Paul Devane, would reach their first final since 2012, as they held a commanding six-point lead thanks to Tom O'Sullivan's strike on 45 minutes.

However, David Clifford who had earlier missed a first-half penalty, fired two brilliantly taken goals and an exquisite point from play, from a pass from his brother Paudie, to turn the game on its head.

East Kerry were back in front and destined for the final but Tom O'Sullivan's point deep into stoppage time rescued Dingle and both sides live to fight another day.

The first-half was a tempestuous affair at best, blighted by the sending-off of Dingle's Paul Devane and a number of ugly off-the-ball skirmishes.

Club championship games up and down the country this year have been blighted by these off-the-ball skirmishes. We all understand that teams are nervous and anxious to win at all costs but it spoils the game and the classic spectacle that is gaelic football.

Dingle, with Paul Geaney in fine form, led by 0-8 to 0-4 at half-time and maintained that advantage in the early stages of the second half before East Kerry eventually woke up and all the subsequent drama which

followed.

## Dingle Scorers

Paul Geaney 0-6 (5f), Tom O'Sullivan 1-1, Tomas Sheehy 0-2, Michael Geaney 0-2, Michael Flannery 0-1, Barry O'Sullivan 0-1. Dingle: Gavin Curran; Michael Flannery, Tom Leo O'Sullivan, Padraig O'Connor, Michael Begley, Tom O'Sullivan, Aidan O'Connor; Billy O'Connor, Barry O'Sullivan; Brian O'Connor, Michael Geaney, Paul Devane; Tomas Sheehy. Paul Geaney, Matthew Flaherty.

Subs for Dingle: Eoin Murphy for Aidan O'Connor (55); Niall Geaney for Michael Flannery (63).

East Kerry Scorers: David Clifford 2-4 (0-1 free); Dara Roche 0-2 (1f); Jack Sherwood 0-1, Philip Casey 0-1, Paudie Clifford 0-1 '45 and Liam Kearney 0-1.

East Kerry: Brendan Kealy (Kilcummin); Darren Brosnan (Gneeveguilla), Dan O'Donoghue (Spa), Shane Courtney (Glenflesk); Sean O'Leary (Kilcummin), Jack Sherwood (Furies), Philip Casey (Kilcummin); Shane McSweeney (Kilcummin), Kevin O'Gorman (Kilcummin) Darragh Moynihan (Spa), Paudie Clifford (Fossa), Kevin McCarthy (Kilcummin); Evan Cronin (Spa), David Clifford (Fossa), Darragh Roche (Glenflesk).

## NIALL REMEMBERED BY MINUTE'S SILENCE BEFORE MANY GAMES:

It was a sombre Kerry Schoolboys Girls League at the weekend as the death of Niall McGillycuddy came through on Friday. A multi-talented young sportsman Niall played soccer for Killarney Celtic and Kerry. A Minutes Silence was perfectly observed at the start of many games as many of those who played with him and against him remembers a sporting life that was over way to soon.

National Cup journey continues for many:

In the 12's National Cup St Brendan's Park are into the next round following a come from behind win away at Corbally United in Limerick. Down 1-0 at the break the Tralee side hit three unanswered goals from Sam Slattery 2 and Ronan Carroll

Killarney Celtic went behind early at home to an impressive Aisling Annacotty side. They battled well for the rest of the game with Joey McCarthy and Fiana Bradley both going close while keeper Pearse Moynihan did very well on a busy day. As they were chasing hard to get one back the home side were caught on the break.

### 4 SIDES THROUGH IN THE 14'S:

Some of the best performances of the day came in this section with four Kerry sides having very impressive wins. Inter Kenmare were at home to Limerick hot shots Fairview Rangers and struck late for a very good win. The Inter goals came from man of the match Sean Treyvaud, Yago Cornide and Darragh O'Connor. The Kerry side were also grateful to goalkeeper Eoghan McCarthy who was excellent on the day.

Mastergeeha went to Limerick and easily went through against Carew Park. Their goals came from Eoin Kelly, Jack Fogarty, Alan O'Leary, Iggy O'Leary, Cian Murry and Jack O'Donoghue.

Killarney Celtic went all the way to extra time before Eoghan Crowley got the only goal for the Hoops away at Avenue United from Clare.

Unfortunately Killorglin are out going down 1-0 away to Kildimo while Iveragh United are also out with Newcastlewest going through.

A round ahead and now into Round 4 are Listowel Celtic who defeated Pike Rovers 2-1 after extra time. Robert Heffernan and Cormac Dillon got the goals for the North Kerry Hoops with their player Fearghal Cudlipp as the player of the match.

### 2 OUT OF TWO THROUGH IN 16'S:

Both Kerry sides in the 16's are through to the next round. Listowel Celtic were too strong to Summerville United thanks to goals from Adam Segal's long range effort, 2 crackers from Chris McQuaid and Dylan Quinn who got in to twice to score from two one on ones.

Killorglin made the trip to Geraldines a winning one with Dylan Moriarty 2, Cillian Burke, Keith Evans and Darragh Callan all on the mark in the win.

The Killarney Celtic versus Mastergeeha game will be playing in the coming week or two.

Good Day for Killarney Celtic in 12 Girls Premier: Killarney Celtic's strength in depth at this age was evident as both their u12 Girl teams took wins. The White team were a bit too strong for a younger Fenit side. Naoise O'Donoghue, Eve Culhane, Aine Fitzgerald, Amber McIndoe Abbie Finnan and Casey Mullroy were all on the score sheet.

The Killarney Celtic Green side were involved in a great battle just coming out on top away to MEK. Jessica Leggate, Liadh Ford, Kate Ford and Cora O'Donovan got the goals for Celtic with Izzy McGrath, Kate McCann and Ruby Gaffey getting the MEK goals.

### PARK'S FIRST WIN IN THE 16'S GIRLS PREMIER:

second game. The Park went 2-0 up early on but Fenit pulled one back before the break. The Park restored their 2 goal lead before Muireann O'Brien got her second to give Fenit renewed hope. However the Tralee side got the last goal to wrap up the win with their goals coming from Emily Crowe, Jasmine Ryle, Lauren Dowling and player of the match Dakota Carter Flynn.

Inter Kenmare were 3-0 winners at home to Killarney Athletic. Chloe Cremin2 and Grace Foley were the Inter scorers while Sarah Taylor was excellent in defence. For Athletic Sara Neher, Laura O'Carroll and Jean Foley were the best on show.

### HOME WIN, AWAY WIN AND DRAW IN THE 12 PREMIER:

On Saturday Killarney Athletic won away to Killorglin. Luke Doolan got two and Liam Henningan the other in a 3-1 win. Adam O'Neill replied for Killorglin. Inter Kenmare were 2-1 winners at home to Listowel Celtic.

All teams in action in 12's Division 1:

Killarney Celtic B's Leon Bowler made his return from injury a memorable one when he got the only goal of the game in a 1-0 away win at Tralee Dynamos. The goal came in the first half. Dynamos had good performances from Mollie Duggan, Odhran Foley, Christy Burke and Tobi Obadina but they just could not find the equaliser. Two goals each from Sean Cox and Mathew Kennedy and one from Ronan McCarthy gave Mastergeeha at 5-1 away win at Listowel Celtic B.

Killarney Athletic B brought home the three points from their trip to Camp Juniors. The sides were tied a 1 all at the break. Craig Leggett made it a good day for the family as he got the first for Athletic while his sister also scored in her game. Karl James O'Neill and Luke Courtney were the other two scorers for the Woodlawn side. David Moore got both goals for the home side.

Inter Kenmare's journey to Tralee was a happy one as they took the points from their visit to Christy Leahy Park winning 2-1. Cathal McSweeney and Robert O'Donovan got Inters goal while Oisín Breen replied for The Park.

Fenit were too strong for Ballyhar and took all points thanks to scores from Aaron Harty, Jayden Deedy, Tom Quilter and Cian McKenna. Action North and South in Division 2:

In the JK Sports 12 Division 2 North The Park just got the better of LB Rovers with Edison Jahiri scoring from the penalty spot and Sean O'Neill getting the goals for the Tralee side. Player of the Game goes to our stand in goalkeeper Yvonne O'Connell, who earned compliments from the opposition coaches.

Really well done to everyone. It was a tough game given the conditions, but everyone put in a proper shift. Our back line of Ali, Micheala and Lauren did a fantastic job, a lot of important tackles! Ruby, Izzy and Captain Caoimhe really did challenge the Celtic midfield, creating and scoring the lot between the 3 of them.

Our front line is Kate and Sinead were unlucky not get on the scoresheet more than what they did. It could have went our way very easily. We deserved a draw. Shout out to Kate and Ruby who registered their first ever goal for the club and to Izzy who got number 3 for the season.

## KILLARNEY ATHLETIC A.F.C. NOTES

### RESULTS UNDER 12 PREMIER

Killorglin A.F.C 1 Killarney Athletic A.F.C 3

Our young Blues travelled to Killorglin to play their second League match of the campaign. Our young Blues started on the right foot and quickly started to control the game. It wasn't long before they broke the deadlock when Liam Hennigan scored when he found the bottom corner. Moving the ball really well and it wasn't long before the returning Luke Doolan scored a quick brace. 3-0 at half time. Second half saw Killorglin come into the game and were awarded a penalty which saw them get one back. We had more chances to score but the damage had already been done. Well done to Killorglin on pushing us all the way to the final whistle which made us having to fight hard for our win today, and the result might have been different only for our Goalkeeper Caolan Mitchell making two great saves. Great performance from all 12 players.

### UNDER 12

Camp A 2 Killarney Athletic B 3

Another great win for under 12 B team at a wet Camp juniors on Saturday morning. This team has won 3 out of 3 league games so far and are showing great heart and skill throughout the whole squad. Goals from Craig Leggate, Karl James O'Neill and Luke Courtney. All players were outstanding.

### UNDER 12 C

Killarney Athletic C 1 MEK 5

It was 2 to 1 at half time but MEK finished stronger. Man of match for Athletic was Gracjan Pawlak. Cillian Coffey, Cian O' Sullivan, Dara Lynch and Max Coyne also played well.

### UNDER 16 GIRLS

Our Under 16 girls team made the trip to Kenmare on Saturday and after a great first half performance were unlucky to be held to 0-0 at half time. In the second half Kenmare piled on the pressure and despite some great defending we couldn't hold them out and they scored a

few late goals to eventually win 3-0 once again a great performance by the girls and on another day the score line could easily have been reversed.

### FAI YOUTH CUP

### YEAR END ACCOUNTS WHAT YOU SHOULD CONSIDER WHILE REVIEWING THE FIGURES

For compliance reasons all businesses produce year-end accounts. It is important that business owners interpret the information contained in the accounts to the best effect.

It is important to review the accounts carefully and see if there are indicators therein that can inform the decisions you make for your business into the future. Examples of the questions you may consider while reviewing the accounts are as follows:

1. Has turnover increased/decreased in the year? Which areas are performing well and could benefit further from increased time and resources, and which areas are wasting time and resources?
2. Has the profit margin changed, and what were the factors causing this?
3. How are wages costs relative to turnover? If you take on more employees, is turnover likely to grow relatively?
4. What was the overall performance of the business year on year? What was the trend over the last five years? Can you project this trend into the future?
5. How is cash-flow relative to turnover and profitability? Is there a danger of over-trading?
6. Is all expenditure necessary? Is there waste that could be cut from the business?

## THE PLACE WHERE PEOPLE LIVE THE LONGEST

There is a small hamlet in south west Italy where more than 10% of the people are aged over 100, and 20% of this number live to be 110. This extraordinary statistic completely dwarfs the number of Irish, American, British or Australian centenarians, which stands at around 1 per 5,000 of the population. It's for this reason that a study has just been conducted to find out why the beautiful village of Acciaroli is the place with the oldest residents in the world.

The amazing thing about Acciaroli is that the local people here live a happy life, and don't pay much attention to their health. Not only do they smoke a lot, but they also eat greasy, fried fish, drink coffee all day and wine in the evening. They do not spend their time on exercise regimes. They neither jog nor do yoga.

Yet, they do not suffer from the typical chronic diseases that most western elderly people are prone too: illnesses like heart disease, obesity and Alzheimer's and no one over 80 had cataracts, which most people who reach a grand old age are afflicted with. It's for this reason a study was commissioned to find the secret of the beautiful Italian hamlet. The 6-month study of the area by Sapienza University and San Diego School of Medicine found that the local inhabitants of Acciaroli have amazingly good blood circulation for their age. After analysing the blood samples taken from just over 80 elderly people, the researchers realised that each of them had unbelievably low levels of a hormone known as adrenomedullin, which helps to widen blood vessels. When people age, their bodies usually produce more adrenomedullin, which contracts the blood vessels. This leads to circulatory problems and a whole host of debilitating health issues. Yet, the levels of adrenomedullin in these retired locals are at the same level as those of healthy people in their 20s and 30s.

The residents of Acciaroli generally eat local food, including locally caught sardines and anchovies. The anchovies are eaten in virtually every meal, which is interesting because this fish is full of antioxidants, which reduce cholesterol and inflammation. Many of them keep rabbits and chickens, which they kill for meat. Furthermore, the olive oil, wine, fruit, and vegetables are all locally grown too. Rosemary is also used in almost every meal and is also an ingredient in their Olive Oil. The lack of imported foods means they consume very fresh food, uninfected with pesticides.

The people of Acciaroli are incredibly active, though they don't exercise for the sake of it. Because the region is hilly, they are simply forced to drag themselves up and down, around and around, day after day.

Acciaroli is a quiet little town, far removed from much of the hustle and bustle that typifies modern living. Thus, the people there are relaxed. They enjoy sitting in cafes, where they talk politics, read the newspapers, drink coffee and take it easy.

## CARING AMBULANCE WORKERS TOOK A DETOUR TO GRANT DYING MAN'S WISH FOR ICE CREAM

Thanks to the attention and kindness of two Australian ambulance workers, a dying man was able to have the last meal he most desired.

After 17 years of fighting pancreatic cancer, Ron McCartney was set to be taken into palliative care a few months ago. His wife Sharon, however, needed to call for a medical escort after her husband's sickness took a bad turn. While the Queensland paramedics conducted an evaluation in the ambulance, they discovered that the 72-year-old had not been eating for several days. The two paramedics, identified only as Kate and Hanna, asked the senior: "If you could eat anything... what would it be?" He replied, "A caramel sundae."

The medics then detoured from their route, so they could buy Mr. McCartney the sweet treat

before arriving at the hospital.

Shortly after the ambulance ride, Mr. McCartney's daughter Danielle Smith expressed her own appreciation for the compassion shown to her father before he passed away.

"Dad enjoyed this so much and it was the last thing he was able to eat by himself," she said "Mum and I cannot thank QAS enough for all the help and compassion you have all given towards us."

## REMOVING GOATS BY HELICOPTER

Olympic National Park in Washington State is a 1442-square-mile expanse of mountains, meadows, and old-growth forest and is the rightful home of dozens of creatures. Spotted owls nest in its trees. Black bears trundle through its fields. Mazama pocket gophers burrow into its soils, and Roosevelt elk munch on its shrubs.

But it is not the rightful home of the mountain goat. At least, so say park officials, who have been trying to get rid of the goats—an introduced species—for decades. Recently, in collaboration with the USDA Forest Service and the Washington Department of Fish and Wildlife, they began their latest, and most ambitious, removal effort.

The goats are suspended in slings, wearing blindfolds that fit snugly beneath their horns and hang vertically from a helicopter before being placed in the trailer of a lorry and if all goes well, over the next couple of years, hundreds of mountain goats will travel by helicopter and truck from Olympic National Park to the North Cascade Mountains, about 150 miles east. (There's a naturally occurring goat population in the Cascades, and the hope is that these newcomers will bolster it.) Eventually, goats that are too hard to capture will be killed. "The goal is to get to a zero population level," said park spokesperson Penny Wagner. Until about 1925, there were zero mountain goats on the Olympic Peninsula. The first four came to the area in 1925, brought over from British Columbia as game for local hunters. Over the next few years, these were joined by seven or eight more, this time shipped in from Alaska. While hunters did kill a fair number, the frisky goats outpaced them. By the early 1980s, this herd of a dozen had grown to 1,175.

# UNHEALTHY RELATIONSHIP PATTERNS

Do you find yourself repeating similar patterns in different relationships or in a particular relationship over time? Perhaps you often feel lonely or jealous in your relationships. Maybe you try to earn the other person's attention by being overly nice or giving without paying heed to your own needs or desires. Do you fear rejection or being abandoned? Could it be that you choose partners who are distant and can make you feel and/or believe that you're not good enough. Do you focus so much on your partner that they feel stifled? Often these patterns can reflect our inner experiences and our beliefs about ourselves and our emotional availability to others. Psychologist John Bowlby defined attachment as a 'lasting psychological connectedness between human beings' and attachment theory can help us to understand the ways in which we connect with others – particularly those who are emotionally significant to us. We develop our attachment style in childhood – and the way in which our parents and/or caregivers responded to us will impact on our relationships.

For example, a child who believed that the only way he/she could be loved was when they were doing something for others, may grow up believing that they need to earn the attention and love of others. Adults who believe they are inadequate and unworthy of love may have learned this in their early years – which will inevitably lead to difficulties in their relationships. They may believe that the other will leave them or that they are going to disappoint the other – leading to them clinging to the relationship and/or getting jealous easily.

However, the good news is that with awareness we can discover our own attachment style and learn to cultivate healthier relationships. Some of the ways in which we can bring more awareness to our relationship patterns include the following:

1. Bring your awareness to your bodily sensations. How do you feel in your body? Being aware of this can help you to understand how you are feeling and/or thinking.
  2. What thoughts are you thinking about you/ the other? How do these thoughts impact on your feelings and emotions?
  3. Which emotions do you struggle with – how do these emotions affect your thoughts and beliefs about yourself?
  4. Are you overly self-critical? Can you show yourself some self-compassion, support and care the way you might a close friend or a small child?
  5. Learn to communicate more directly about your thoughts, feelings and needs. Once you become aware of what these are – then you can express them more fully to others.
- Next week we will focus on the importance of communication and how counselling can help us to find our own voice, and become more confident as we make ourselves known to another person.

**SouthWest Counselling Centre, Killarney** provides affordable professional counselling to children, adolescents adults and couples – both at its Killarney Centre (Lewins Road) and at Kenmare Family Centre. [info@southwestcounselling.ie](mailto:info@southwestcounselling.ie)

## A Word of Victory

Welcome back dear reader last week we saw the dangers of Halloween and all its deceptions. You can read further on this at [www.wordofvictory.net](http://www.wordofvictory.net). Often we can be part-taking in something having no idea of its background, unknowingly opening ourselves and our children up to the darkness of the demonic realm. We live in this physical realm which we perceive and know with our senses, but there is also the spirit realm around us containing both darkness and light. "God is Light, and in Him is no darkness at all. If we say we have fellowship with Him while we walk in darkness, we lie and do not practice the truth. But if we walk in the Light, as He is in the Light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin." (1st John 1:5-7). God is three Persons – yet He is One; the Father, the Son – Jesus, and Holy Spirit, Who is the Presence of God. We also are three part beings, as God created us in the image and likeness of Himself (Genesis 1:26) and we are to worship Him in Spirit and truth (John 4:24; John 17:3). Firstly, we are an eternal spirit, secondly we have a soul (which is our mind, will and emotions) and thirdly, on this earth, we live in a physical body which returns to the earth upon death. But our spirits go on forever – in one of two places – Heaven or Hell.

Ever seen a banner with the words "John 3:7" or "John 3:16" at sporting events? This relates to the encounter Jesus had in the third chapter of John's gospel with Nicodemus, a religious scholar. Jesus told Nicodemus God's plan of Salvation – that a person must be 'born again' in the Spirit to inherit the Kingdom of God and eternal life. Jesus outlined to him the amazing love that God has for us, such love that He gave His Only Son Jesus, to die in my place and in yours, so that we could be saved from eternal judgement by just believing in Him. When a person repents of their sin and acknowledges Jesus as the Son of God and Lord, we are cleansed by His blood and made right with God, and we receive His free gift of Salvation – being made whole in spirit, soul and body (1st Thessalonians 5:23). This means we have changed kingdoms from the kingdom of darkness where Satan operates, to God's Kingdom where Jesus is Lord and King. It is the Kingdom of Light, Hope and Healing, Love, Peace, Joy and Everlasting Life! **See more on [wordofvictory.net](http://wordofvictory.net)**

Oh, most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven.

Oh, Blessed Mother of the Son of God; Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother.
