## LILY OF KILLARNEY SET TO BLOSSOM

The 43 Lily of Killarney was launched on Friday night last at the International Hotel. 27 girls representing local businesses gathered to meet with members of the hard working Ladies Committee of Spa GAA club who are organising the event.

Sponsors of the event mingled with the girls on the terrace of the hotel enjoying champagne and canapes.

The event will take place at the Gleneagle Hotel on Friday next, May 27th.

Speaking to the Killarney Outlook, Chairperson of the Spa GAA Club Ladies Committee, Sheila Curtin said, "we are all looking forward to a great night again this year and we would like to thank the sponsors and businesses for their support and especially the girls who are the most important part of this event".

Killarney Outlook are the Media Sponsors of the Lily of Killarney this year - so turn to page 31 to meet the girls and read all about the 43rd Lily of Killarney.

# CINDERS SET TO ENTERTAIN THIS SUNDAY

Once upon a time there was a Premier Performing Arts Academy and in that Academy there was a talented bunch of students who decided to stage an updated version of the classic tale of Cinders, Prince Charming, The Evil Step-Mother and The Ugly Step-Sisters.

Joe Burkett's Premier Performing Arts Academy is proud present live at the INEC on Sunday 22nd May for two shows only, Cinders: The iPhone Saga. This original script adaption features all the classic characters including the Fairy Godmother and Dandini but it would appear that in 2016, Cinders will lose her iPhone as opposed to her glass slipper.

"The kids have put an enormous amount of work into this production which is our biggest to date. They have been so dedicated and committed to learning their lines, perfecting their dance steps and ensuring their vocals are pitch perfect" said Joe Burkett, creative director of Cinders, "Both the North Kerry and Killarney Academy's will be taking to the stage on Sunday and they are just super excited".

The North Kerry students will perform in the 2pm show, doors open at 1pm. The Killarney students will then storm the stage at 6pm, doors open at 5pm. Tickets are available from

the INEC box office but will also be available at the door on the day of the production. Tickets are priced at €10 per person or a family ticket can be purchased at €30 (2 adults, 2 children).

## KERRY PARENTS & FRIENDS PARTICIPANTS SHOWCASE THEIR INDEPENDENT LIFE

A large group of family and friends attended the launch of "An Independent Life", a DVD showcasing the daily activities of a group of young adults who are supported by the Kerry Parents & Friends Association in Killarney. The DVD was produced by Tadhg Hayes and funded by South Kerry Development Partnership Ltd. through the SICAP programme. The 20 minute DVD gives a snapshot into the lives of the young adult participants including their involvement in the work, home and social settings. It is planned to make it widely available in the coming weeks. Instructor with the KPFA Batt Healy said they wanted to make the DVD to

highlight that people with disabilities have the same yearnings around independent living and relationships as everyone else and to showcase their capacity in both working and life situations. "This DVD will help us send out the message that these young adults have the same rights and desires as their peers and we have received a very positive response to this message" Batt said. He said that approximately 25 of the young adults they support are actively engaged in paid employment, work experience or voluntary work and this helps them achieve greater levels of independence. One of the participants Anthony Jones, who is the longest

serving staff member in McDonalds in Killarney having worked there two days a week for 14 years, said he really enjoyed being involved with the DVD. "It is something I would love everyone to see" Anthony said.

Another participant Stephen Brosnan said that it gives them a chance to show employers their skills. He also works in both Heaton's and Elverys Sports in Killarney. "I also wanted it to show how relationships and friendships are important to me and that my job and the pay helps me to be independent" Stephen said.

## VINCENT'S OPEN AND READY FOR BUSINESS

The Vincent de Paul shop which is situated in the grounds of the New Street car park in Killarney has undergone a major transformation recently and opened to the public again last week. The shop was first opened in 1982 by committee members Teresa Darcy and the late Julia Leahy and has gone from strength to strength ever since. Staffed by 20 volunteers the newly refurbished shop is open Monday to Saturday from 10am to 4pm.

Speaking to the Killarney Outlook, Vincent de Paul Chairperson Margaret Cremin said they were delighted with the reaction to the new shop. "Everyone who comes in comments on how nice it looks - the items on sale are much easier to look at and in two weeks time we hope to open a furniture section she added. Long time member of St. Vincent de Paul, Jim Cronin revealed that the first takings in 1982 was £1,225 - a sum which will be vastly improved on this year with the new premises.

A memorial walk to remember Paddy Turner has raised €1170. The walk took place in the Killarney National Park and speaking to the Killarney Outlook, organiser of the event, Enda Walshe said: "We were blessed with fine weather close to 100 people went on the walk. The final figure raised was €1170 which was divided equally between the 2 beneficiaries - The Killarney Men's Shed and the Killarney branch of the Kerry Mental Health Association." "It was a great sign of the community spirit in Killarney that a walk in memory of Paddy, with no family connections in Killarney, was such a success", he added.

Enda is hoping that this will be the first of many walks to remember Paddy, one of the town's favourite sons.

This annual competition encourages discussion of drug-related issues by inviting young people aged between 12-25 to produce either a short video, audio recording or written piece relating to drug and/or alcohol use.

Speaking at the event, guest of honour Eoghan McDermott (Irish television and radio presenter) said:

"Drug use is a problem across all age groups and all sectors of society, and youth are no exception to this. To have a project which encourages young people to think about drugs and drug use, to start a conversation

# KILLARNEY FACES AT THE MAY RACES

Killarney enjoyed a splendid sunshine on the first day of the May Races this year with large crowds in attendance over the three day festival.

The Mad Hatters competition on Sunday sparked great interest, especially among the children who spent hours perfecting their headgear in an attempt to win a family trip for 4 to London to visit Legoland.

It was a young Killarney girl, Ella Galvin who came out on top with Mad Hatters hat, much to the delight of her brother and sisters who were there when judges Mary McBride from MacBee's and Noel Ryan from Kerry Airport made the announcement.

Ella and her family are now planning a trip to Legoland and are thrilled with the prize.

First race on day one was sponsored by Killarney Outlook and it was, for the fourth year in a row, won by a JP MacManus trained horse, Sound Money who is owned by a syndicate from Galway.

Lá na gClub on Monday evening featured local GAA Clubs competing in a free taking competition while the Killarney National night took place on Tuesday. Sales & Marketing Manager of Killarney Racecourse, Bríd Lucey said 'We were delighted with our opening Festival of the Season, crowds were up, the Racing was fantastic and the atmosphere was great! We are now focusing on our renowned July Festival which promises to be another great Festival!'

# PICTURE PERFECT FOR LAKES OF KILLARNEY MARATHON

Set against the backdrop of the spectacular Lough Lein, Ross Castle and the ancient copper mines, over 400 athletes made their way through this year's crop of wild garlic and bluebells for this year's Lakes of Killarney Marathon and Half Marathon.

Organised by Alan Ryan, Hardman Events, which is based in Killarney, the winner on the day was Corkman Alex O'Shea, the famous Fireman who set a Guinness World Record for running a marathon in full fireman costume. Alex will attempt to set a record time for the fastest Malin to Mizen on foot this year. Alex broke the Lakes of Killarney record on Saturday with a blistering time of 02:34:31. Speaking after the event Alex commented "It was a magnificent race in Killarney's beautiful national park. It ticks a lot of boxes".

"I am also delighted to have been told I set a new course record in the process. What a course - It simply doesn't get much more scenic than this, ok it's not the flattest course but I think the ups and downs make it interesting", he added.

The biggest cheer of the day went to another phenomenal Cork Athlete, Gerry Forde, wheelchair athlete, who just completed his 300th Marathon!

Many competitors like Humphrey Moynihan of Killarney were notching up their 30th marathon already this year. The First lady home was Dolores Duffy in an amazing time of 03:29:00. Event Organiser Alan Ryan, said "in terms of atmosphere, setting, weather, we were absolutely delighted with this year's event".

Killarney National Park looked absolutely amazing. We are truly grateful for the kind support of Pat Dawson, Regional Manager, National Park and Wildlife Services and the NPWS local Park Rangers for their assistance. Also thanks to the many volunteers, stewards, pacers, and of course the 400 athletes who encouraged each other along every mile of the looped course", he added.

## GET SUMMER READY WITH THE SPA AT MUCKROSS PARK HOTEL

The Spa at Muckross Park has just launched their Summer Ready Programme. This 5 week programme includes a one hour Green Coffee body wrap each week, a fitness assessment, a fitness programme, unlimited access to the fitness suite and unlimited access to the vitality area with outdoor hot tub, steam room and sauna.

The one hour Green Coffee wrap is the ultimate answer to effectively treat cellulite. It stimulates the body's ability to break down fat and transform it into energy, increase metabolism and eliminate water retention. The ingredients

detoxify, smooth and enhance the skin's overall texture thus visibly reducing spongy, dimly, cellulite areas.

Spa Manager Sarah Main recommends this treatment to firm and tone. "After the course of treatments, the skin looks visibly smoother and firmer. For anyone concerned with cellulite, a course of green coffee wrap treatments is what we recommend".

Enhance the results of the 5 week course of wraps with the combination of a healthy eating plan and fitness programme. In house fitness instructor Peter McCarty will provide a fitness assessment and will tailor make an exercise programme based on the individuals goals.

With unlimited use of the vitality area for five weeks, reduce muscle tension in the Jacuzzi, soothe any aches and pains in the Vitality Pool, relax and de-stress in the Outdoor Hot Tub overlooking the Blue Pool River. Awaken your senses with the aromatic essences of the Herbal Sauna; enjoy the Steam Room, Thermal Loungers, Ice Fountains and Tropical Showers. Emerge feeling relaxed and rejuvenated each time.

It is an opportunity to celebrate the achievements of the young people and highlight the fantastic energy and enthusiasm the young people bring to the Church. Bishop Ray will present merit awards in recognition of their participation. The Diocese of Kerry Youth Celebration will take place on Friday 20th May at 7.30pm in KDYS Youth Centre, Killarney.

## ON THE AGENDA....

### GRAVEYARD ISSUE HIGHLIGHTED

CLLR MAURA HEALY-RAE

The issue of a graveyard for Killarney has been ongoing with over 30 years and it must be highlighted as it is of huge interest to the people of Killarney, Cllr. Maura Healy-Rae has told the Killarney Outlook.

"At the recent meeting of Kerry County Council on the 16th May I raised the following motion- "to ask Kerry County Council to acquire enough land from St. Finians land bank to provide ground for a graveyard in Killarney.

If the HSE won't give this land, I call on Kerry County Council to acquire the land through a compulsory acquisition order."

"I was extremely disappointed that I did not get the support from other members of the Killarney Electoral Area for this proposal that is so badly needed and wanted by the people of Killarney. I will continue my efforts," she added.

### PRIMARY CENTRE CARE FOR RATHMORE

MICHAEL HEALY-RAE T.D.

Michael Healy Rae has welcomed the announcement that a proposal regarding the provision of a new Primary Care Centre in Rathmore was approved by the HSE recently. This centre will accommodate both the GP and GP practice staff as well as HSE primary care team members. Deputy Healy Rae states that work will commence on progressing this proposal in the coming months. This is an exciting development for those delivering health services in Rathmore. The HSE have confirmed to the Deputy that it is committed to working with the appointed GP to ensure that a full time GP presence is available in Rathmore. Michael Healy Rae says "This is great news for the people of Rathmore and its surrounding area who at present have to travel to other towns to visit a GP", Deputy Healy Rae told the Killarney Outlook.

## SAFETY ISSUES ON MILL ROAD

CLLR MICHAEL GLEESON

"At the recent Municipal area meeting, Councillor Michael Gleeson stated that the road surface on Mill Road, particularly the section in the townland of Dromhumper is in a deplorable condition and urgently needs to be upgraded.

The Council replied the road works will not be undertaken until new water mains are put in place. At times of high water demand or when there is any interruptions to water supply in the trunk mains in Killarney there can be low pressure or no flow in the old, deficient and inadequate spur water pipe to the properties in Dromhumper.

The Council has made a submission to Irish Water requesting €95,000 for the laying of 500 metres of 80mm pipes. No response has as yet been received.

Councillor Gleeson stressed that this is a very urgent matter in the interest of both the safety of road users and of residents who need a reliable water supply.

To further highlight the urgency of the matter I met with representatives of Irish Water last Monday and sought to impress upon them the seriousness of the situation."

## MONEY MATTERS....

By Dermot Cronin,  
**Financial Advisor**

### WHY SHOULD YOU REVIEW YOUR PENSION?

To check the performance of your pension and what funds you are invested in. This is **VERY IMPORTANT**, if your pension is invested in high risk funds your total pension fund could substantially reduce over a short period of time and if you are coming close to retirement this could result in you having a much less pension when you retire.

Is your pension on target to reach the income you want on retirement? This should be checked on regular occasions, at least annually, if your pension is not on target changes can be made to help put your pension back on track again.

What pension provider is your pension with and how much do they charge you? Charges are very important because you need to make sure that your pension charges are competitive on a like for like basis.

Pension providers offer much more choices to clients now than before and the choices can be easier to understand if explained to you in plain simple English and by not using jargon. An independent financial advisor should help you understand your pension and your pension options better.

For the above reasons I recommend at least an annual review of every pension with an independent financial advisor.

To discuss the above or for any other queries you can contact **Dermot Cronin** at **0646622775** or email at **dermotcroninifa@gmail.com**

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### EATING THE FOODS THAT ARE RIGHT FOR YOUR BODY!

Over the past few years I've met so many clients that see the same things happen eg. If they struggling to shift weight despite eating healthy, and exercising I might suggest trying giving up gluten for a week, or dairy and just see does anything change? And more often than not it does and they not only loose weight but start to feel amazing. I think it's important you monitor your own body's responses to certain foods and your energy levels as a result of eating them. The easiest way to monitor this is to keep a food diary. Log the foods and make notes on your energy levels, moods, sleeping patterns etc throughout the day and week.

Foods that make you tired, bloated, constipated or any other un favourable symptoms should be eliminated from diet one by one for about a week on each to determine which food or ingredient is causing the problem. This can be tedious but be patient. Take one food at a time. Common culprits are gluten, dairy, red meat, yeast, processed sugars, eggs etc. Having said that don't just go totally off all these foods without determining which is the trigger for your system as eliminating it for no reason could have serious negative implications to your overall health and you could be depriving yourself of an essential food your body needs and thrives on. When you do find your trigger foods and decide its best to stop eating them it's important you replace its nutritional benefits with a healthy alternative to ensure you are getting sufficient nutrients into your body daily. Nutrient deficiencies cause a whole range of problems down the line in themselves including; osteoporosis to name but a few. So best to speak out a professionals advice if you are unsure or suffer any health problems or are on any medication.

## OUTLOOK FASHION LOOKING AFTER YOUR SUEDE

To clean dirt off suede, remove the crust from a piece of bread and allow it to become stale. Gently rub dirt and stains with the edge of the stale bread, and they'll disappear. To de-scuff suede, use an eraser or nail file.

### HEALTH TIP START YOUR DAY WITH A GLASS OF WATER.

As soon as you wake up, gulp down a glass of cool water. It's a wonderful way to start you day and you only need a lesser quantity of your breakfast drink after that. A glass of water lets out all your digestive juices and sort of lubricates the insides of your body. You may have your morning cup of tea but have it after a glass of water. It is good for you.

### Beauty tip Hair Care

Before you blow dry your hair, start with a volumizing spray or light gel to give the roots some lift. Pull the brush up towards the ceiling to really boost volume.

## CREATE YOUR DAY!

With every morning we begin again to a new day. In every fresh moment we get the opportunity to choose how we want to be, what we want to feel and how we will live.

What is the story of your day? What will you write on the script of your life? Living really well means choosing to live each day and moment as well as you can. It means approaching everything you do as if you've never done that thing before. If you think about it, even though you may have done the same thing millions of times, it is always different in each new moment! This moment hasn't happened before, this breath hasn't happened – it's a new breath! Everything is constantly new and fresh if we allow it to be!

So make each day a new opportunity to be more fully in love and engaged in your own life. Many people give up on themselves too soon. They brand themselves a failure when things don't go according to plan. They feel useless when they don't get that job promotion, exam result, or their creative ideas are rejected. They feel unlovable when a relationship ends. That's all part of the experience called Life. It doesn't mean that you will never be happy, loved or achieve your dreams. Don't let one bad chapter or one negative moment in your life define the rest of your life. The key is to learn from that chapter or moment and write a new story.

Happy New Day!

## Know Your Rights: RULES ON OPERATING DRONES

### QUESTION

I intend to buy a drone.  
Are there any rules I should be aware of?

### ANSWER

Drones and model aircraft are both considered small unmanned aircraft and the same rules apply to their operation. The rules are set out in the Small Unmanned Aircraft (Drones) and Rockets Order 2015 (SI 563/2015).

Under the rules, all drones weighing 1kg or more must be registered with the Irish Aviation Authority (IAA). This includes the weight of the battery and all attached equipment, including cargo, at the start of its flight. You must be over 16 years of age to register a drone, otherwise it must be registered by a parent or legal guardian. You register your drone online at [iaa.ie/drones](http://iaa.ie/drones).

You must never operate a drone in a negligent or reckless manner so as to endanger the life or property of others and you must have permission from the landowner for take-off and landing. You must never operate it:

- Farther than 300 metres from you or out of your direct line of sight
- Over 120 metres above ground level
- Over urban areas or over a group of 12 or more people
- Within 120 metres of any person, vessel or structure not under your control
- Closer than 5 kilometres from an aerodrome
- If it will be a hazard to another aircraft in flight
- In civil or military controlled airspace or in restricted areas such as prisons

If you want to operate your drone outside these limits, you must apply to the IAA for a specific operating permission and complete a drone safety training course. If your drone weighs 4kg or more, you must complete a drone safety training course before operating it.

You should be aware that there may be privacy or trespass issues if you operate a drone over private property. While you do not need insurance to operate a drone it is recommended that you are insured and that you complete a drone safety training course.

# *Lily of Killarney 2016*

The Gleneagle Hotel will set the scene for the 43rd Lily of Killarney which will take place on Friday next, May 27th.

Representing local businesses, 27 girls met with Spa GAA Club Ladies Committee and sponsors at the International Hotel on Friday night last where they mingled and enjoyed a glass of champagne.

On the night, all the contestants will be joined by family, friends and well wishers at the buffet and dance where the 2016 Lily of Killarney will be selected.

The first Lily of Killarney was selected in 1974 as part of a carnival, which was held to raise funds for Spa G.A.A Club. In recent years the event has been organised by the ladies committee of the club and with their hard work and commitment it has grown into one of the major social events of the year in Killarney.

The funds raised at the Lily of Killarney go towards the running expenses of the club and the committee under the guidance of Chairperson Sheila Curtin must be praised for their dedication and organisational skills.

The buffet will commence at 7.30pm sharp and will be followed by a great nights entertainment and dancing to Celebration The Band. Tickets for Buffet/Dance are €25.

With a fantastic raffle including an iPad sponsored by Acorn Life and a wonderful door prize of two night B&B for two people in the Maritime Hotel Bantry sponsored by the Gleneagle Group - a great night is guaranteed.

The 2016 Lily of Killarney will receive the Healy Cronin Perpetual Trophy and the following prizes:

- \* Cheque for €500 sponsored by Tricel
- \* Hybrid bicycle sponsored by David O'Sullivan of O'Sullivan Cycles
- \* Flight and one night's accommodation for Killarney/London Reunion 2016 sponsored by Noel O'Sullivan, London
- \* An electrical gift from O'Leary's Expert
- \* Bouquet of Flowers from White Heather florists.
- \* Hamper from Sheer Beauty
- \* Hamper of hair products sponsored by Pat O'Neill Style Suite

Each contestant will receive a memento of the occasion to commemorate the event along with a voucher from Killarney Toning & Beauty Studio. The winning sponsor will also receive a momento of the occasion from Killarney Medals and Trophies.

## COMMITTEE ENSURE A NIGHT TO REMEMBER

The success of the Lily of Killarney is possible only because of the hard working ladies committee of Spa GAA Club, who under the leadership of chairperson Sheila Curtin, ensure that no stone is left unturned in the planning of what is one of the social highlights of the year.

"The Ladies Committee would like to thank the Killarney Outlook for coming on board as media sponsors of this year's event," Chairperson Sheila Curtin told the Killarney Outlook. "We would also like to thank the many businesses in Killarney and surrounding areas, who continue to sponsor lilies and prizes and also thank the International Hotel for their sponsorship of the Lily of Killarney press reception and the Gleneagle Hotel for facilitating the event", She added.

## INTERNATIONAL MISSING CHILDREN'S DAY IS NEXT WEDNESDAY:

The observance of May 25 as Missing Children's Day began in the United States in 1983. In 2001, May 25th was first observed as International Missing Children's Day through the efforts of the International Centre for Missing and Exploited Children (ICMEC), Missing Children Europe and the European Commission. The symbol for International Missing Children's Day is the forget-me-not flower.

The main purpose of International Missing Children's Day is to encourage everyone to think about children who remain missing and to spend some time considering what they can do to support the search for children who go missing,

An Garda Síochána continues to work with the International Centre for Missing & Exploited Children (ICMEC) to commemorate International Missing Children's Day on May 25th. It is hoped that through this global campaign, all missing children in Ireland and indeed worldwide will receive the awareness of a nation and that answers may be found regarding their disappearances.

When a child goes missing every pair of eyes counts!

AMBER Alert Europe is the European Child Rescue Alert and shares information on AMBER Alerts and endangered missing children in Europe on its website. Follow Amber Alert on Facebook or Twitter and automatically be informed on AMBER Alerts in Europe. The primary goal of the AMBER Alert is the safe and early recovery of the child unharmed.

Whether you are a parent of a young child, a carer to a young person, a family member or

a friend, there are some signs you can look out for which may indicate a child or young person is at risk of going missing. If you think they may be at risk, talk to them. It may not be easy, but reaching out and letting them know that they have a choice can be an important step in preventing them from running away.

## RESULTS OF MEP'S GLYPHOSATE URINE TESTS:

Last month, Members of the European Parliament (MEPs) volunteered to take a urine test to see if glyphosate—the cancer-linked weedkiller—is in their system. Forty-eight MEPs from 13 different European Union countries participated in the test, and now the results are in.

Test results from the accredited Biocheck Laboratory in Germany showed that "All participants excreted glyphosate by urine."

On average, the MEPs had 1.7 micrograms/litre of glyphosate in their urine, 17 times higher than the European drinking water norm (0.1 microgram/litre). This means that everyone tested was way above the limit for residues of pesticides in drinking water.

The test showed that EU-parliament members from Lithuania, Spain and Croatia had the highest concentrations of glyphosate. The lowest concentrations were in the urines of participants from Italy, Finland and Ireland.

## DID YOU KNOW?

New Zealand's rarest and smallest dolphin

with a Mickey Mouse ear-shaped dorsal fin is in trouble. Conservationists and scientists predict that the Maui's dolphin could go extinct by 2031, or in roughly 15 years, if the New Zealand government continues to ineffectively address the issue of fishing nets. Over 90% of Maui's dolphin fatalities involve fishing nets. But there's still hope for the dolphins -- if the government intervenes and puts their interests over the fishing industry, then the species can bounce back with up to 500 individuals within about 90 years.

## SOCKS AS A SIGN OF ROMANCE:

Tristan da Cunha in the middle of the Atlantic Ocean is the world's most remote island, accessible via a six-day sea voyage from South Africa. Its 267 residents are mostly farmers, dwelling at the base of an active volcano. Supply ships come once a month and sometimes the island is visited by the odd fishing vessel arrives from Cape Town or a cruise ship from Antarctica.

Inhabited since 1810, the island has developed some solid traditions and one of those traditions is that of the island's "love socks," which are knitted to express endearment. In olden days socks were the choice for young lovers. A woman would knit a pair for her intended partner, adding as many stripes as she saw fit. If the target of her affection felt good about the stripe situation, he would signal his acceptance by knitting a pair of moccasins for the young lady. The young lady would then offer to wash his clothes and this was a sign that they were formally engaged and a marriage would follow shortly.

The Islands knitters still make love socks, both for themselves and as souvenirs and anyone seeking a pair of love socks, can order them online and the socks will be hand knitted to your specifications, but it will take a few months for your order to arrive at your address, so now that you know in good time for St Valentine's Day all you have to do is decide how many stripes you are in love!

## CHILDREN WRITE NOTES FROM SHELTER DOGS' POINTS OF VIEW TO HELP THEM GET ADOPTED:

One special education teacher from Chicago had an excellent idea on how to use the children's innocent view of the world to help dogs at the Chicago Animal Care and Control (CACC) find loving homes.

The children, whose ages range from about 4th to 8th grade, met the adoptable dogs at the CACC. They also had some background on the dogs through the information cards that contain the details about the dog's breed mix, energy level, and age. All the children had to do was put themselves in the dog's position, and from the dog's point a view, write a note to potential adopters on why they should adopt the dog.

The results were adorable and heartwarming. The children were able to imagine what it feels like to be a dog living in the shelter.

And with that, they were able to write sweet and adorable notes to potential adopters to

convince them to adopt. One note was lengthy, some were brief, but all were heartfelt, here are just a sample with spellings corrected! One note was addressed To any family, Please adopt me. My family abandoned me a long time ago. I'm tired and scared of being in the cage alone. It's cold and dark. Love me and I will love you forever, protect you and play with you. Love your new friend.

A second child wrote: Please adopt me. You may not want a dog that has a lot of energy, but I really want to play with kids. I can't do that from inside this cage. If you take me home I promise to love you with all of my heart.

And a third: Dear Adopter, I know I may look mean I promise to be nice. Don't believe stereotype about my breed. Take care of me and I will show you a lot of love and kindness – sincerely, your new pet.

## DID YOU KNOW?

On any given night in America, half a million people will sleep in a jail cell because they are just too poor to pay even small bail amounts. Money bail punishes people for being poor and can cause people with even the most minor offenses to lose jobs, housing or even their children.

## A WORLD-CLASS RECYCLING SYSTEM FOR NEW SOUTH WALES:

From July 2017, everyone will get 10c back for every can and bottle they recycle in NSW.

It may not sound like much, but it worked for South Australia with double the recycling rate of other states. It's the system promised in 1915 that Greenpeace supporters rallied to defend earlier this year against Coke-led attacks.

Greenpeace has helped clean Australia's beaches and parks, saved ratepayer dollars on litter pick-up, and lined up a windfall for charities and community groups who'll start getting 10c back for every can and bottle they recycle.

From scientific reports to political lobbying to tens of thousands of emails in MPs' inboxes to six brave climbers sitting atop the Coke mega-

billboard causing - this is a community victory. Just a few months ago the NSW government was wavering, swayed by the ferocity of Coke's lobbying. But tens of thousands of people banded together to build the world we want to live in, and won.

## SIR DAVID ATTENBOROUGH HAS CELEBRATED HIS 90TH BIRTHDAY:

The man that has almost certainly done more than any other individual to inspire millions all over the world to care about the natural world and its marvels celebrated his 90 birthday on May 8th and he continues to bring an understanding and enjoyment of nature – and all its beauty, strangeness and complexity – into our homes and our hearts. And the world is a better place for it.

A founder member of the World Wildlife Fund – UK he was one of its first trustees and continues today as an ambassador.

But his understanding of nature does not begin and end with wildlife. In 2006, when he became convinced that the science pointing to climate change was correct, he put his considerable influence to bear on the subject – declaring it the biggest challenge facing the world.

David Attenborough has brought alive how important it is to protect a whole range of species and places – and has shown us the beauty and complexity of the amazing world we live in, and the absolutely critical relationship between its continued well-being and our own.

## VAMPIRE VINE HELPS TO DESTROY ALIEN "WEEDS" IN AUSTRALIA:

Gorse, Scotch broom and Blackberry (briars or brambles to us) were introduced to Australia by European settlers in the early 1800s and are regarded as invasive "weeds" that are doing untold damage to Australia's native biodiversity and costs the Australian Government millions of dollars annually to eradicate. The European Gorse alone costs

more than A\$7 million each year to clear from natural habitats and farmland with a mixture of herbicides, mechanical removal and burning.

Now scientists have come up with the idea that the Vampire Vine which is a parasite that sucks the life out of plants could be a new agent for biocontrol.

The vine kills by attaching small suckers to the plants' stems and extracting their water and nutrients.

The Devils Twine as it's also known is a native Australian vine species in the Laurel family and already grows naturally across large tracts of eastern Australia and has a much greater deadly effect on invasive plants, than native ones.

## WE MUST ALWAYS TAKE SIDES:

Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented. And yet part of the human tragedy is that despite our best intentions and our most ardent ideals, we often lull ourselves into neutrality in the face of injustice -- be it out of fear for our own stability, or lack of confidence in our ability to make a difference, or that most poisonous foible of the soul, the two-headed snake of cynicism and apathy. How, then, do we unmoor ourselves from a passivity we so masterfully rationalise, remember that injustice anywhere is a threat to justice everywhere, and rise to that awareness with moral courage and imagination.

That's part of what Elie Wiesel said in his spectacular Nobel Prize acceptance speech.

## BELGIUM BECOMES THE SEVENTH EUROPEAN COUNTRY TO MOVE AWAY FROM COAL:

Europe's coal industry continues its downward spiral as a quarter of European Union countries have now closed their doors to the dirty energy source.

Belgium follows Cyprus, Luxembourg, Malta and the Baltic countries in quitting the polluting fossil fuel.

Scientists estimate more than 80% of the world's coal reserves must stay unburned in order to limit global warming to 2C, the internationally agreed upper limit set under the Paris agreement.

On the international stage, India has shown that it is ready to play a leading role in driving forward the adoption of clean energies like solar.

## FINALLY THIS WEEK:

Animals of all kinds often mistake rubbish for food or shelter. Please securely cover rubbish and recycling bins so that animals can't get into them and become trapped inside, squeeze all cans tightly closed and cut all plastic rings from milk bottles to six pack holders and anything that is round that a bird or animal could get trapped in. And don't forget to keep an eye out for other people's rubbish too. Your actions could be the difference between life and death for an animal.

# Kerry Rose Selection Night 2016

## KERRY'S NEW ROSE SET TO BLOOM

TIME TO PICK THE PERFECT ROSE THIS FRIDAY NIGHT AT THE BALLYROE HEIGHTS HOTEL

It might not be the time of year, we actually think Rose of Tralee but with the first weekend of fine summer weather over, it is slowly dawning that the famous festival is just around the corner. With the official announcement of new sponsors, the unveiling of the new 3 day programme and even the added addition of the newly acquired Rose Hotel, thoughts are turning to the main event on August

Still before any main event all, the Rose centres are busy getting their Roses selected for the New Year and next Friday evening at the Ballyroe Hotel, Kerry goes in search of their own Rose for the year ahead with the possible chance to become the International Rose of Tralee for 2016/2017

Last year's winner Julett Culloty proved a popular hit for the year and as the year comes to an end for her she is sad to see it go "It was an amazing year really. When I entered last year, I never had any thoughts of winning. I had been through a tough phase of my life, my family entered me, and I can remember when they were making the announcement of who was going to win. I said to myself wouldn't it be crazy if I won, and then I heard my name and I was mobbed by all the other girls. It was a special moment for me and for my family. It was something that certainly helped me along for the last year. People still recognise me and children still look for autographs and I have met so many people and attended so many events. It really is a special part of my life and I have made lifelong friends. I really want to thank the Kerry Rose centre for all that they have done and next Fridays winner is in for one wonderful experience"

This year the Kerry Rose contestants have already had a busy time with the Kerry Rose centre putting them through their paces at a number of organised events and they

certainly have left a mark already on many people that they have met.

Last weekend the 29 budding Roses met at Kerry County Council before going on to Pieta House and later to Kingdom Greyhound Stadium.

Saturday saw them visit Killarney where they visited the tearooms at Deenagh Lodge run by Down Syndrome Kerry. Having proved a hit, where they took time for photographs and autographs, it was off to see Nathan Carter at the Gleneagle Hotel. After rocking a few wagon wheels it was time for "the Grand," Killarney style. The popular venue rolled out the red carpet and the roses took their shoes off and danced into the small hours to bring the perfect end to a perfect weekend for the hopefuls.

Friday night will see them all centre stage, where they will be put through the interviews and for one it could lead to the ultimate win in August.

## LEINSTER HURLING CHAMPIONSHIP ROUND ROBIN

### CHAMPIONSHIP FEEL AT LAST FOR KERRY HURLERS

DONAL BARRY PREVIEWS KERRYS DO OR DIE MATCH AGAINST OFFALY IN THE LEINSTER HURLING CHAMPIONSHIP

#### KERRY V OFFALY

Sunday May 22nd

O'Connor Park, Tullamore

It was never meant to come down to this. A win over Carlow and Westmeath and a dead rubber visit to Offaly in the last round of the Leinster Round Robin and a trip to Laois in the Leinster Quarter. Well if anything is clear in sports, its things do not work out the way they are planned. Kerry's defeat to Westmeath has them in a must win scenario for the Kerry hurling championship dream to continue.

Sundays clash with Offaly has the full feel of championship and with the prize on the line for both teams a place in the quarter finals, there is certainly new pressure on the shoulders of Ciaran Carey's men.

Having got amongst the ranks of the "big boys", Kerry have performed well, a positive Munster

league, an encouraging League campaign and a positive start to the championship with a win over Carlow, has certainly shown the Kerry are well worth their place. A place that is again confirmed for next season, so Sunday is a day when the shackles can be removed against a fragile Offaly, who are certainly moving in a different direction to Kerry at the moment. However, Offaly have the proud tradition of hurling in their veins, they also are at their most dangerous when they are wrote off and on Sunday Eamonn Kelly will hope that "Faithful" pride might overpower "hopeful expectation".

That said this Kerry team will not want to end their hurling journey at O'Connor Park, especially when they can write their own page of history in a Leinster Quarter final.

**Verdict:** Kerry

## SENIOR COUNTY FOOTBALL CHAMPIONSHIP

KERRY O'SHEA AND DONAL BARRY ROUND UP THE ACTION FROM THE OPENING WEEKEND OF THE GARVEY'S COUNTY SFC

### STACKS SOLID START

AUSTIN STACKS 1-16

EAST KERRY 2-08

2014 champions Austin Stacks began their 2016 Garvey's Kerry SFC campaign with an expected victory over East Kerry in Killarney's Lewis Road on Saturday night.

East Kerry certainly asked questions of the Tralee men, who badly missed injured Kerry star Kieran Donaghy.

East Kerry, with goals from a Jeff O'Donoghue penalty and Ronan Buckley led by six points with ten minutes of the first-half remaining.

However, Stacks rallied and produced a scoring run of 1-5 in reply to 0-1 from East Kerry the goal from Fiachna Mangan, which proved the difference as they led by one point at the break, 1-9 to 2-5.

East Kerry started the second half the brighter and points from Kerry minor Evan Cronin, Dara Roche and Jack Sherwood propelled them to a 2-8 to 1-10 lead with 42 minutes gone.

The Rockies, with David Mannix mercurial from both play and frees, rallied again and clinching scores from Mannix, Shane O'Callaghan and Fiachna Mangan secured the Tralee men's place in the second round of the winners' section this weekend.

### CROKES STUN WEST KERRY

DR.CROKES 5-19

WEST KERRY 1-09

CCampionship favourites Dr Crokes illustrated just why they are the team to beat in this year's Garvey's Kerry SFC when they produced a display of power-packed football to crush West Kerry in the second game of the Lewis Road double-header on Saturday evening.

West Kerry's cause wasn't helped by the loss of key players Marc O'Se, Brian O'Beaglaoich and Alan Fitzgerald and their absence certainly didn't help their team-mates.

Despite conceding an early goal to West Kerry's Sean Mici O'Conchuir in the opening seconds, it didn't take Dr Crokes too long to establish their grip and an outstanding individual performance from Kerry u21 Tony Brosnan

who finished the hour with a personal tally of 2-6, gave Pat O'Shea's side total control.

First-half goals from the aforementioned Brosnan and Gavin O'Shea propelled the home side to a commanding 2-11 to 1-2 interval lead and they never looked back.

Crokes scored at will in the second half adding a further 3-8 to their tally, Tony Brosnan (his second), Jamie Doolan and Jason Lyne, the goal scorers.

Teams and Scorers: Dr Crokes: Shane Murphy; John Payne, Michael Moloney, Fionn Fitzgerald; Shane Doolan, Alan O'Sullivan, Mike Milner; Eoin Brosnan (0-2), Daithi Casey (capt) (0-3, 2 frees); Michael Burns (0-3), Gavin O'Shea (1-0), Brian Looney; Colm Cooper (0-2), Kieran O'Leary (0-3), Tony Brosnan (2-6).

**RATHMORE 2-08**

**DINGLE 1-16**

DA stronger finishing Dingle consigned Rathmore to the losers round. Two Paul Murphy goals helped Rathmore to a 2-5 to 0-8 interval lead.

However, Paul and Conor Geaney with 0-11 between them put Dingle into a dominant position as they hauled back the home side and were level by the 45th minute.

### O'BRIEN DRIVES KENMARE

**ST.BRENDANS 1-08**

**KENMARE DISTRICT 1-16**

St Kenmare District, with Kerry star Steven O'Brien turning in a man of the match performance, cruised to an inevitable win over a very disappointing St Brendan's outfit in a lacklustre Garvey's Kerry SFC opening round tie at Austin Stack Park on Sunday afternoon.

St Brendan's, with Alan O'Donoghue posing plenty of problems early on, matched their opponents throughout a first half where wides were the order of the day, but Kenmare, thanks to O'Brien's promptings and hard work, managed to lead by the minimum at the turnover, 0-7 to 0-6.

Kenmare finally began to pull away from their rivals in the third quarter with a string of points from Kerry minor Sean O'Shea, who really caught the eye, a much improved Killian Spillane, Stephen O'Sullivan and Steven O'Brien pushed them clear.

The sides exchanged two goals in the final

Scorers for Legion: D O'Sullivan (2-5, 1-0 pen, 4 frees), P McCarthy (1-2), D Lyne (1-1), J Lyne (1-0), C. Keane (0-2), J O'Sullivan and J O'Neill (0-1) each.

(0-6 frees), D Kelliher (0-1).

### O'RAHILLY'S EDGED OUT

**KERINS O'RAHILLY'S 1-15**

**SOUTH KERRY 3-10**

Defending county SFC Champions South Kerry lined out without county stars Mark Griffin and Brendan O'Sullivan and had to rely on their experience before seeing off the challenge of Kerins O'Rahilly's in a pulsating Garvey's Kerry SFC Round 1 encounter at Austin Stack Park on Sunday.

O'Rahilly's dominated the early stages with David Moran bossing midfield and Barry John Keane and Tommy Walsh also impressing.

The Tralee men led by 0-7 to 0-3 after a scintillating opening quarter of fast free-flowing football, but South Kerry rocked

the blues moments later when Sean Cournane scored the first of his two goals somewhat against the run of play.

Tommy Walsh's goal in the 22nd minute put O'Rahilly's firmly in the driving seat and at the break, they led 1-11 to 1-6.

Bryan Sheehan was a dominant figure for South Kerry in the 2nd half. The Southerners were back in contention when Sean Cournane scored his second goal of the game 7 minutes into the second half and when Barry O'Dwyer netted for the Southerners with six minutes remaining, they led for the first time in an amazing turnaround.

Teams and Scorers

KERINS O'RAHILLY'S: Gary Kissane; David Murphy, Danny O'Sullivan, Tommy Begley; Cormac Coffey, Shane Brosnan, Cian Sayers; John C O'Connor (0-2), David Moran (0-1, 1f); David McLoughlin, Barry John Keane (0-3), Kevin Walshe; Jack Savage (0-6, 4 frees), Tommy Walsh (1-0), John Ferguson (0-3).

Subs: Matthew O'Sullivan for John Curran; Greg Gibson for Conor O'Shea; Barry O'Dwyer (1-0) for Daniel Daly; Cian O'Connor for Ian Galvin and Rob Wharton for Oran Clifford.

**CORRECTION:** Last week in the Tralee Outlooks Sports preview of the Kenmare District v St Brendans game we incorrectly had Daniel Collins and John Egan named in the preview. This was incorrect. We are happy to clarify this.

## EAST KERRY NOTES

With Áine Ní Shúilleabháin PRO

### KERRY PHYSIOTHERAPY AND REHABILITATION CENTRE EAST KERRY JUNIOR LEAGUE:

Legion and Kilcummin took the league points last week in the Kerry Physiotherapy and rehabilitation Centre, East Kerry Junior league, round 6 games while the Glenflesk versus Dr Crokes game did not go ahead. This means that Dr Crokes are on 7 points with 4 games played and the outcome of Glenflesk v Dr Crokes not included. At the time of writing, Killarney Legion are on 8 league points with 5 games played, followed by Gneeveguilla and Rathmore on 6 and 5 league points respectively, both teams with 4 games played.

**KILCUMMIN 0-6 RATHMORE 1-15:** Both teams gave a wholehearted performance in this Kerry Physiotherapy and Rehabilitation Centre East Kerry Junior league round 6 game, despite torrential rain throughout the match. The first half was very competitive and Rathmore went in at half time with a three point lead 0-9 to 0-6. The second half was a different story with Rathmore in control throughout but finding it difficult to score against a resolute Kilcummin defense where Tommy Brosnan, Chris Keane and Jamie O'Donoghue stood out. Rathmore added 1-6, the goal coming from Michael O'Riordan. Final score: Rathmore 1-15 Kilcummin 0-6. Referee: Tommy Brosnan (Dr Crokes)

### MD O'SHEA EAST REGION UNDER 16 LEAGUE DIVISION 4 FINAL

#### GNEEVEGUILLA 1-19

**GLENFLESK 1-19(AET):** The division 4 Final of the East Region Under 16 league, proved highly exciting with a nail biting finish, to extra time, when Glenflesk and Gneeveguilla met in Rathmore on Thursday evening. Great credit must go to the two squads of players and mentors, for a strongly contested and sporting game, that ended with the side level after extra time. It was nip and tuck from the off. The sides traded points before Glenflesk pulled ahead with two unanswered points. Gneeveguilla equalised and went ahead by the minimum with three points without reply. Gneeveguilla continued to press forward and could have scored goals but for two great saves by Glenflesk keeper, Mark Kelleher. The crossbar also denied Kieran Dalton's (Gneeveguilla) fine goal bound effort. A scatter of points left the score at the break Glenflesk 0-7 Gneeveguilla 0-5.

On resumption, the game continued tit for tat. Glenflesk opened the scoring, Gneeveguilla replied and Glenflesk led - 0-11 to 0-7. Glenflesk increased their lead with two unanswered points. However, Gneeveguilla hit a purple patch and levelled the scores 0-13 a piece with a scatter of points. In an exciting end to normal time, both teams created scoring opportunities, and notched up a point each, putting the game into extra time on a scoreline of 0-14 a side.

Extra time saw the games continue with the sides continuing to match scores, point for point and so the teams were on equal scores at the break. In the second half of extra time, Gneeveguilla's Jamie O'Sullivan rattled the Glenflesk net - 1-18 to 0-18 in favour of Gneeveguilla. However, the Glenflesk response was emphatic and the pressure paid off when they were awarded a penalty in the final minutes. Sean O'Doherty ably converted to level the game on a final score of 1-19 to 1-19. Referee: Tom Moriarty (Killarney Legion).

The replay is fixed for Monday the 23rd May in Rathmore, starting at 7pm. Extra time if necessary.

### 2016 COUNTY PRIMARY SCHOOL BOYS SKILLS FINALS:

Faha NS (Aaron O'Shea, Micheal Keane, James O'Dowd) won the team event with St Johns NS Kenmare (Jamie O'Regan, Mark Casey, Tom Quinlan) finishing in third place. The standard was excellent in the individual section with Aaron O'Shea (Faha NS) winning the event edging out Mark Casey (St Johns NS Kenmare) into second place with Killian Courtney (Loreto NS) finishing a gallant third place in a superb display of football skills. Thanks to Vince Cooper East Kerry/ Kenmare GDA for organising the well run event ably assisted by St Brendans College students on the day.

**BEAUFORT U-14 GIRLS:** County league Beaufort v Spa May 14th 6.30pm Sponsored by Beaufort Drama Group.

Beaufort turned in an excellent team performance, playing good solid football throughout the pitch. Leanne Hayes opened the scoring for Beaufort with a point. Tara Clifford followed with a point and a goal.

Holly Clifford at corner forward received great

passes forward to score 0-3 in a row. Leanne and Holly each scored a goal and finished the first half in a strong position 3-6 to 1-4. Beaufort worked hard for each other, the backs especially ran well catching up a lot of ball and preventing Spa from getting into their stride, especially Juliet Murphy, Caoimhe Foley, Katie Joy and Rebecca McHugh. Leena Kissane worked hard in midfield, her speed playing a key role in winning a lot of key ball. Adele O'Brien and Hannah O'Connor worked well and delivered great passes forward. All subs were brought on in the second half and all contributed well in a fast and flowing game. Sinead Kissane, moved to full forward, scored two quick goals in a minute, and Tara scored 0-4 points from play Sub Saoirse Dorrian scored 1-1 when she came on. The girls have been working hard this year and their hard work is paying off. Great team performance.

**BEAUFORT U12 BOYS:** Sponsored by Maurice Foley of MF Decorating played Scartaglin away in the County League on Sunday evening. While the Amber team lost on a scoreline of Scartaglin 5-13 Beaufort 5-3 the Blue team won Scartaglin 2-8 to Beaufort 5-8.

## DR CROKES CLUB NOTES

### COUNTY CHAMPIONSHIP - ROUND 1

#### DR CROKES 5-19 WEST KERRY 1-9

It's hard to believe that this game, played in Lewis Road on Saturday last, was level after the end of the first quarter. A contributory factor towards this was that our opponents had a goal in the first minute. West Kerry also defended solidly during this period and made life hard for our attackers. A goal by Gavin O'Shea in the 16th minute seemed to open the floodgates and led to us scoring another 1-8 to West Kerry's 0-1. This gave us a half time lead of 2-11 to 1-2. Our opponents gave us a much tougher game in the third quarter and matched us score for score. As often happens when you bring on replacements, your team instead of being weakened plays with greater

endeavour. Indeed two of these subs, who are trying to impress scored two of our last three goals. West Kerry never threw in the towel and sent over some great points in this second half. We ran out easy winners in the end and go into the hat to face the other winners in the second round.

**UNDER 12:** Phase two of the County League began with an away trip to Listowel for our U12 teams. In division 2A, the black team put in a great gutsy performance but it wasn't enough as the home side won 5-11 to 4-10. The Amber team continued their winning ways with an impressive 5-21 to 2-6 victory over the Emmets in division 2B.

**U14 COUNTY LEAGUE FINALS:** The U14 Black and Amber teams were defeated in County League Finals last Wednesday night. Austin Stacks proved too strong for the Black team in the division one decider played in Listry. The Tralee side won by 6-8 to 1-6. In the division 10 final, the Amber team lost by 6-13 to 2-3 to Ballymacelliott in Lewis Road. The club is proud of both teams achievement in reaching their respective county finals. Brighter days in black and amber lie ahead for these talented young players.

**UNDER 14 GIRLS:** Our under 14's travelled to Frank Sheehy Park, Listowel for their latest league fixture. Played in beautiful sunshine, Crokes were slow to find their rhythm but still lead at halftime thanks to goals from Ava Sheehan and Niamh Stack. Treasa O'Sullivan was outstanding on her return to the team and is enjoying her new centre back role. We pushed on in the second half to secure the win with Lyselle O'Shea finishing strongly, helped by a wonderful cameo from Shauna White at corner forward and contributions from all 20 players. We have one more league fixture at home to Castlegregory, currently fixed for 5th June.

The pitches were in superb condition thanks to Tim O'Sullivan and the field committee, under the watchful eye of Der Brosnan. Great fun was had by all with 8 matches taking place at the same time and excitement levels were high by both parents and the boys and girls. Much needed refreshments were served to all

afterwards, adding to the enjoyment of the day and big thanks to Kerins O'Rahillys GAA Club for their courtesy on the day. Big thanks also to the many Dr. Crokes coaches and parents who took charge of teams and helped out on the day. ### UNDER 12 LEE STRAND COUNTY LEAGUE PHASE 2-DIVISION 2A AND 2B:

Our Under 12's acquitted themselves very well at the weekend with the 2A Team having a comprehensive victory over Moyvane on a score line of 4/14 to 2/07.

The 2B Team tried really hard and ended on a score line of 0/04 to 1/06, with Moyvane emerging victorious in that one.

Well done to all the panel and to their dedicated coaches.

### UNDER 14 COUNTY CHAMPIONSHIP:

Well done to the Under 14 boys and their management team on a fine victory over Castleisland district on Sunday last. They now play Kenmare District away on this Wednesday at 7 p.m.

### GARVEY'S SENIOR FOOTBALL CHAMPIONSHIP:

The first round of the championship between Milltown Castlemaine and Killarney Legion - last year's beaten finalists, took place on a beautiful sunny afternoon in Killorglin. Milltown were delighted to have their

goalkeeper Cormac Leane back from injury but were very unfortunate to be without Cathal Moriarty - who is recovering from surgery, John Blennerhassett who picked up an injury in a club championship game two weeks ago and Jonathan O'Sullivan who sustained an injury at training during the week. It was the 4th minute before the first score was registered - for Legion with a pointed free from Conor Keane followed by a Jamie O'Sullivan point in the 6th minute. Legion quickly established their dominance in centre field and this paid dividends in the 7th minute when MC were caught by a deceiving hop of the ball, and Jonathan Lyne reaped the rewards for Legion - with a smashing goal.

It was the 8th minute before Jack McCarthy gave MC their first score - a pointed free.

Legion's ability to clean up in centre field made it very difficult for Milltown Castlemaine to create an attack and Legion continued to punish hard on the scoreboard with points in the 11th and 15th minute followed by a goal in the 16th to give a score line of 2/04 to 1 point after the first quarter.

MC did create some nice passages of play but Legion and Kerry goalkeeper-Brian Kelly, had some fine saves - particularly in the 20th minute, off a Mike Burke shot.

MC eventually scored a second point in the 26th minute - a free by Jack McCarthy. Disaster struck in the 29th minute with a third goal by Donal Lyne followed by a consolation point for MC on the short whistle.

Half time Score: MC-3 points, Killarney Legion: 3/04. There was an uphill battle for MC to climb in the second half but they did have a good breeze to their backs to aid them. Legion came out guns blazing and by the 4th minute they had notched up 1/1. A point by Donal Lyne and a converted penalty by David O'Sullivan, leaving a score line of 4/04 to 3 points. A further point by Legion in the 6th minute gave them a 16 point margin. Both teams introduced fresh legs with Ciarán Kelliher coming in for Brendan Delaney (MC) and Mike O'Sullivan replacing goal scorer Donal Lyne. Jack McCarthy reduced the deficit in the 8th minute with a pointed free. Further changes of Cathal O'Connor for Stephen Roche were made but the excellent kick passing of the Legion team was again rewarded with a 5th goal in the 12th minute from David O'Sullivan: 5/06 to 4 points. Some good work by David Roche, Eoin O'Brien and Marcus Mangan created scoring opportunities for MC and Jack McCarthy popped over 2 points at the end of the first quarter of the 2nd half.

Alan Looney and Donal Dennehy replaced Mike Burke and Dónal Kelliher in the 16th minute for MC. Despite their best efforts, MC could not get past the Legion defence. Jeremiah Hayes made way for Séan O'Dea and Thady O'Sullivan was introduced for Paul Carroll in the MC team. Legion brought Alan Moriarty and Denis Sheehan off the bench and continued their dominance with 4 unanswered points in the final quarter. MC had no answer for Killarney Legion, who ran out comprehensive

winners and look set to progress well in the Championship. Final Score: Killarney Legion: 5/11, Milltown Castlemaine: 7 points.

MC will have another chance in the losers round - facing East Kerry on a double header next weekend.

**EXAMS:** Best of luck to all our members who are studying for and sitting college exams at this time.

Claire Moynihan, Mags Cronin, Saoirse Holland supplied plenty of scoring opportunities to the full forward line. Linda Bruggener pulled off some great saves. ## LEGION GAA NOTES

**COUNTY CHAMPIONSHIP:** A fast start which included a great goal by Jonathan Lyne in the 8th minute set the tone for the rest of the game as the forward line linked up to good effect. Further first half goals by David O'Sullivan and Donal Lyne were the by-product of good movement in the forward division prompted by Conor Keane amongst others, as the defence held their opponents to just three points. Peter McCarthy made sure we were first out of the traps in the second half with a fine point and when Jack O'Neill was fouled in the penalty area David O'Sullivan coolly slotted home from the spot. Peter McCarthy stole in for a well-deserved goal halfway through the second half to put the game to bed. The rest of the game saw both sides swap points as both

benches were emptied. Conor Culloty made his championship debut and won good possession as we closed the game out. Final score: Legion 5-11 Milltown-Castlemaine 0-7

**U-16 FINAL:** The U-16s put on a battling performance in this East Kerry Division 1 final but ultimately came up short against a very accomplished Kilgarvan/Tuosist team in a score fest in Glenflesk. ## CYCLING NEWS

**DOYLE BY A WHEEL:** The opening round of the iBike Time Trial League took place in wonderful early summer conditions which saw a field of over 70 riders go against the clock.

In the Men's Over 40 section, section there was a clean sweep for Tralee Manor West iBike with George Doyle posting the fastest time of the night, a 38 minute flat time for the 20km course. He was just 2 seconds ahead of Tom Gentleman with Jerry McCarthy clocking 29.02. Conjur Kissane of Killarney CC had the best time of the Senior Men taking 4th overall in 29.33. The top 6 was completed by two more Manor West iBike riders with Tom Barrett, Men's over 50's in 5th and Robert Whyte in the over 40's in 29.46. A sign of the talent on show was that the top 7 riders were all inside the 29.50 with Killarney CC's Brendan Slattery taking that time. Defending champion Denis Dunworth is recovering from injury and Cathal Monihan is gearing up for the Ras with both expected to return later in the League.

Suzanne O'Sullivan's time of 33.29 saw her home as the fastest lady with numbers up in this section as well. Robbie Scott from the same Tralee club was the fastest u16 completing his 20k in 31.02. The u14's had an epic battle with Patrick Galvin coming out on top in a category were less than 14 seconds separating the top 3. The 12's was similar in closeness with Adam Lenihan clocking the fastest time. There was less than 25 seconds between the top 3. The next round of the iBike Time Trial League is on Thursday May 26th.

**COUNTY LEAGUE ROUND 2:** Round 2 of the Cycling Clubs County Road Race Leagues takes place this Thursday with Killarney the host venue. The usual Churchtown circuit near Beaufort will be in use with the Youth races starting from 6.30pm.

WORKMENS ROWING CLUB ENJOYING A BREAK BETWEEN RACES AT LEE REGATTA LAST WEEKEND. L. TO R. MARC WOODARD, RUADHÁN MAC CURTÁIN, JAKUB KUNICKI, LEONA BROWNE, CIARA BROWNE, CIARA MOYNIHAN, SIOBHÁN BURNS, ANNIE O'DONOGHUE AND BEN CUSSEN. PHOTO: KEITH WOODARD.

## WORKMEN'S ROWING CLUB

**TRAINING NEWS:** Training continues as usual for all our underage and adults as per coaches texts. Beginners rowing, U14 and U15 takes place at Reen Pier, Ross Castle every Saturday at 10am. For further information regarding Beginners Rowing you can call Mary Burns on 086 8098182.

**LEE REGATTA, THE MARINA, CORK:** Last Saturday our rowers competed with spirit and strength at the Lee Regatta, and did themselves and their club proud in the process. Starting with the youngest, the Mens J15 double of Seán Farndon and Marc Woodard rowed strongly to come in a fast 2nd in their final, and later they teamed up with Ross McCarthy and super-sub Ben Hartnett to compete in the final of the quads, coxed by Leona Browne. Seán Farndon had earlier rowed impressively in his final of the single sculls. Well done guys!!

Our Womens J16 scullers had a fantastic day. Annie O'Donoghue and Ciara Browne beat off stiff competition from Castleconnell, Shannon and Killorglin to come in first in their final of the Doubles, while later teaming up with Ciara Moynihan and Leona Browne to come in 2nd in their Quad Final, coxed by the one and only Jakub Kunicki. Later both Ciara Moynihan and Annie O'Donoghue competed against each other in their final of the single sculls, both rowing strongly and with very little between them, just outside the medal finish.

Meanwhile the Mens J16 rowers were kept busy, with scullers Jakub Kunicki and Ruadhán Mac Curtáin coming in just outside the medals in their respective singles finals. A couple of hours later however, they teamed up in their double and cruised home to win an impressive first place in their final of the double sculls. They were subsequently joined by Seán Farndon and Marc Woodard in the J16 quad crew, coxed by Leona Browne and came in a fantastic 2nd place in that final.

It was up to the older girls then to keep up the momentum... and that they certainly did! Siobhán Burns was a delight to watch, driving home first in her heat of the Womens J18 singles and being just pipped for a medal

in the final. Siobhán then teamed up with her cousin Ciara Moynihan in the Club 2 doubles and showed just how it's done, when they delighted all by coming first in the final. Super stuff girls! Furthermore, Lauren McCarthy had a super race in her Club2 singles final, coming in a fast second and just missing a medal. Well done Lauren! Finally to our older and bolder Mens Club 2 Team. Mikey O'Donoghue and Brendan Joy were in top form last Saturday coming in first in each of their singles heats and competing against each other in the final, with Brendan just beating Mikey O to the medals.... a first and a second for the Workmens!! Then came the doubles races for the Club 2's. Brendan teamed up with Tom O'Leary, and Kamil Kunicki teamed up with Dylan Bartlett. Kamil and Dylan won their heat securing qualification for the final, while Brendan and Tom qualified too. Well done lads on hugely impressive work in your doubles, and on your subsequent participation in the coxed quads final with Ciara Browne as cox. An amazing day was had by all. Thanks to all the coaches and parents and supporters who travelled, and a special word of thanks to Keith Woodard on his stunning photographic record of the day.

**UPCOMING EVENTS:** This Saturday 21st May we'll be heading for Castleconnell Regatta, with events over a 500m distance. It'll be back to the 2km races then in June with the Cork Regatta at the National Rowing Centre, Iniscarra, on 25th and 26th of that month. Next will be the Killarney Regatta at O'Mahony's Point, followed by one of our major events of the Summer... the Irish Rowing Championships, again at the National Rowing Centre, from 15th to 17th July. Please make sure you have your copy of our calendar of events, which is available in the clubhouse for you to keep. Also there is an information sheet attached with our fundraising dates included and our plans for the All Ireland Coastal Championships being held in Donegal in August.

## REPORTS: UNEVEN SHIELD'S GO TO IVERAGH UTD & BALLYHAR:

The decision of the League to hold all its Shield and Cup final at Mounthawk Park has certainly led to some exciting game. This weekend the action was in the Uneven Shields and after two very good games Iveragh United and Ballyhar were crowned the winners.

**JOHN JOE NAUGHTON 13'S SHIELD:** To score in a final is always nice but to hit a hat trick makes it a memorable day. And that's what Iveragh United's Ronan Teehan did in the John Joe Naughton 13's final. His goals came in the 25th, 30th and 32nd minute to put the South Kerry side in position to win their second trophy of the season. He could have had more goals but for two very good saves by the Mastergeeha keeper and one that came back off the crossbar. Mastergeeha pulled one back through a Brendan O'Leary penalty but Iveragh were just that bit too strong on the day. Tommy Naughton and members of the Naughton were on hand to present the Shield and the Player of the Match trophy to Teehan who is the son of basketball great John and nephew of Maurice Fitzgerald.

**THE HEALY FAMILY 15'S SHIELD:** There was never going to be much between Ballyhar and Listowel Celtic B and so it proved. The side from Murt Scott Park took the Shield 2-1 thanks to goals from Patrick O'Connor and Jason Brennan. League Fixture's Secretary Tadgh Healy presented the Healy Family to Ballyhar and the Player of the Match to the winner's Dylan Callaghan.

**MUNSTER WFAI 14'S ¼ FINAL:** Listowel Celtic 14's Girls have qualified for the Munster WFAI 14's semi-final thanks to a 2-0 away win at Ennis Town. Aoife Horgan got both goals for the Hoops. They will face AK United from just

across the Limerick border in the Last 4.

**10 OUT OF 10 FOR PARK 12 B:** St Brendan's Park 12 B's are the JK Sports 12 Division Champions after defeating second placed Mastergeeha 1-0 in their final game. Conor Kirby got the all-important goal to see the Park go through their 10 game League programme without dropping a point. Mastergeeha need 1 win from their last two games to clinch second place as they are 5 points ahead of Castleisland with both sides having played 8 games.

Castleisland kept up the pressure on the Kilbreen side after they defeated Inter Kenmare 2-0. Conor O'Neill and Manuel Sanchez got the goals.

### 4 POINTS FOR DINGLE BAY IN 12 DIV 3:

Dingle Bay Rovers were held to a 1 all draw by Listowel Celtic C but are still favourites to win the JK Sports 12 Division 3. They trail Killarney Celtic C by 5 points but have 3 games in hand. Cormac O'Cinneide got the goal for Dingle Bay who had earlier in the week defeated MEK 3-0. Park C are 1 point behind Dingle Bay but have played a game more. The Tralee sides latest 3 points came after a 6-3 win over Fenit. Kasper hit 3, Lasha 2 and Obina 1 for the Park with Fenit goals came from Eddie McCarthy 2 and Dylan Ryan.

### POINT WILL DO AS PARK BEATEN IN

**13 DIV 1:** Mastergeeha were the happiest team this weekend in the Daly's Supervalu 13 Division 1 even though they did not play. They are joint leaders with the Park who went down 2-1 to Killorglin. Dara O'Grady and Ryan Sullivan scored for Killorglin with Dan Fisher getting the goal for the Park. The Park are on 20 points from 10 games played, the same points as Mastergeeha who still have Killorglin to play. A point will do for the Kilbreen side in the last game of the League.

**WIN FOR FENIT IN 13 DIVISION 2:** Fenit won this mid-table clash with the Park C 2-1 with their goals coming from Eddie McCarthy and Ron O'Neill. Kieran Slattery replied for The Park.

### DESTINY IN CELTIC'S HANDS IN 14'S:

The Foundation Sports 14 Premier clash of Killarney Celtic and the Park was always going to be a vital one as the Tralee side were 3 points ahead of Celtic but had a game more played. With this being the Park's last game it was a must win for Celtic and they did 6-2. This was a wider margin than expected in a game where everything went right for Celtic.

Their goals came from Ruairi Doyle 2, Evan Looney, Ryan O'Grady, James Darmody and Niall McGillicuddy. Mervin Shalemba got both goals for the Park. A point from their last game against Killorglin will see Killarney Celtic take the title. Killorglin and Killarney Athletic drew 0-0 in the other game in the Division.

### LEADERS DINGLE BAY TAKE 4 POINTS:

Games in the Foundation Sports 14 Division 1 saw Dingle Bay Rovers drew 2 all with Ballyhar in mid-week. Dylan Greaney and Naoise McGearailt got the goals for the West Kerry side. Jason Brennan and Dylan Callaghan replied for Ballyhar. The same two players scored for Dingle Bay on Saturday and there were added to by 2 from Dylan Geaney. TJ McMahon hit

both for the Park.

Mastergeeha went to Ballyheigue and went 1-0 down before Shane Warren equalised and then put the Kilbreen side ahead. The home side equalised with 10 minutes to go.

### LISTOWEL CELTIC TAKE POINTS IN 15'S:

A Pat Scully goal was the difference between Listowel Celtic B and Fenit giving the Hoops the points and 4th place in the table.

### VITAL 3 POINTS FOR PARK IN 16'S:

The Park picked up a very important 3 points with a 3-1 win over Tralee Dynamos in the Tralee Trophy World 16 Premier. Michael Slattery hit 2 and Adam Ward in the win. The Park are now on 19 points from 9 games played, 1 point behind Killarney Celtic but with a game in hand.

### MASTERGEEHA ARE CHAMPIONS:

A 2-1 win away to second placed Killarney Athletic gave Mastergeeha the Tralee Trophy World 16 Division 1 title. Anthony Darmody and Philip O'Leary got the all-important goals for Mastergeeha who took the title with a game to spare. Mark Fennell got the goal for Athletic who are guaranteed the runners up spot.

## KILLARNEY ATHLETIC NOTES

### RESULTS: DENNY PREMIER A

### KILLARNEY ATHLETIC 4-3 CAMP:

Despite being 2-0 down Athletic showed fantastic metal to win this game. A superb hat trick by William Courtney and a fine strike by the ever green Rafa secured 3 vital points for the boys in blue. In all a brilliant team display by all involved.

### U16: KILLARNEY ATHLETIC 1-2

**MASTERGEEHA:** Athletic u16s finished their season with a narrow defeat against Mastergeeha on a 2 1 scoreline last Thursday. In a game that was to decide the league title and a possible double for Athletic after they won the shield final the previous Saturday beating Asdee 3 1. However this was a very different game but as on Saturday Athletic went a goal down against the run of play as we missed four or five clear cut chances that we would rue as the game went on. As Athletic had to push forward they were caught on the break while still playing all the football before pulling one back but could not find the equaliser. Brilliant season overall and thanks to all for the commitment.

### DENNY DIVISION 1A

### KILLARNEY ATHLETIC B 1-1 LISTOWEL

**CELTIC B:** Athletic very disappointed to come away from this with only a point. Athletic set out very early with attack play in mind and had numerous chances but good defending by Listowel and not killing off our chances made it a frustrating night for the boys in blue. A great spirit shown by the group with only 2 league games to play. A good sporting game and we wish a speedy recovery to the Listowel forward who suffered an injury to his wrist.

## MEK UNITED FC

**END OF SEASON:** The Academy finished training for the season with a final training session followed by a party and medal presentation on Saturday last at Fossa. A great day was had by all children, with Jerry Hayes' U7's kicking off proceedings with a training session and match, followed by a medal presentation and party. An hour later, Alberto Mendoza and Pa Murphy's group, the u8 followed the same schedule and finally Liam Murphy's u10's played a match and then enjoyed the party and medal presentation. There was great excitement at each of the medal presentations and the children enjoyed the party where there was no shortage of food thanks to the generosity of the parents who brought goodies along for the party.

In his speech, chairman Pa Murphy thanked all present for their hard work over the season, particularly the children who braved all the elements across the year to train with their team mates. He also thanked the parents for their support and dedication to the club as well as the Academy Main Sponsor Denis Murphy of Gallivan Murphy Hooper Dolan for their support and Portalis Limited for its support of the youths sides at U12 and U13's. Finally he paid tribute to the hard working coaches for giving their time every Saturday to train the future stars of the club.

**CORK CITY ROAD TRIP:** We took a bus load of very excited kids and parents to watch Cork City take on Derry City in the Airtricity League at turners Cross last Friday. In all, 40 children and 10 parents witnesses a cracking match, where the home side ran out deserved winners, from fantastic pitchside seats and under glorious conditions. Following the match, we had a pitstop at a local eatery and eventually rolled in to Fossa at about 1am. A fantastic trip to Cork for all involved and it was great to enjoy such a road trip as a club. Thanks to Pa and Liam for organising the trip and we will certainly revisit Turner's Cross in the future!

**TRAINING:** Underage training is now completed for the season.

**SOCCER TOTS:** Our Soccer Tots Programme commences on Wednesday, June 1st, at 7.00pm. All welcome.

**RESULTS: DENNY PREMIER A: KILLARNEY CELTIC 3 TRALEE DYNAMOS 2:**

This was unbelievable stuff, as dramatic as it can possibly get. Celtic, with a very hard-working and controlled display, got on top in the first half and led thanks to a Gary Keane penalty and a superbly executed Peter McCarthy goal. Old rivals Dynamos came back, however, and hauled it back to 2 all. Celtic pushed on and really dominated the last quarter, creating numerous chances, but we were repeatedly just millimeters away from finishing them. Dynamos were clearly content to settle for a draw at this stage and it looked as if they would get it, but concentration never wavered and in the dying seconds of injury time, Brian Spillane did well to flick on a Jamie Spillane sideline throw towards the back post.... exactly the opportunity that Peter had been waiting on, and he gave the hapless

keeper no chance with a superb header to claim the points and the win.

**YOUTHS LEAGUE SEMI-FINAL: KILLARNEY CELTIC 2 ST. BRENDANS**

**PARK 2:** Celtic were the better side, but Park held on, battled hard and honest, and earned their draw. Cathal O'Shea and Stephen McCarthy were our goalscorers.

**U14 PREMIER: KILLARNEY CELTIC 6 ST. BRENDANS PARK 2:**

Park have always been our biggest rivals at this age group, and this duel was absolutely crucial in the title race. It was level at half-time, but Celtic ruled the roost with an amazing team display in the second half. Ruairi Doyle opened our account, with Evan Looney, Ryan O'Grady, Niall McGillicuddy, and James Darmody were all on target for us before man of the match Ruairi closed out the scoring with his second. A minimum draw against Killorglin - an excellent team in their own right - in our final game would see us claim the title.

**CONGRATULATIONS:** To U14 player Ruairi Doyle on making the Kerry Schoolboys/Schoolgirls Team of the Week and on our U14 team on being the Schoolboys Team of the Week.

**FIXTURES:** Denny Premier: Killarney Celtic at home to Listowel Celtic, Sunday, 11.30am.

**LOTTO:** Numbers drawn 4, 7, 16, 22. No winner, 5 x match three, Joe O'Connor, Crosstown, Matt c/o Mary, Alan O'Connor c/o The Speakeasy, Cyril Morris c/o Ray, Joshua McGrath, Pinewood, €30 each. ## KILLARNEY GOLF AND FISHING CLUB

**MEN'S CLUB REPORT AND RESULTS:** Club Captain Liam Hartnett was very pleased to see the further progression of two of our Men's Club teams to the next stages of their respective competitions.

The "Jimmy Bruen Team" have made it to the final of the west Munster area, and will face Ceann Sibeal at Killorglin Golf Club on Wednesday afternoon next the 25th of May with the first match out at 4.15pm.

Liam is hoping for a good attendance of our members to support the team who have reached the final by winning three matches over the weekend of 14th and 15th of May, at Kanturk Golf Club by defeating Doneraile in the first round on Saturday morning by a margin of 3 matches to 1 with 1 match called in as the result had been decided, they then went on to meet Bearehaven in the afternoon when they won by a margin of 4 matches to 1, on Sunday morning they played a very fancied home team and they had a nail-biting finish against Kanturk.

Killarney's 1st pairing out with Pat Chawke partnering Darren Mulcahy lost their match 2/1, then James Curran and Donal "Gap" O'Sullivan lost 6/5, but the fight back came when Luke Walsh and Robert Cussen won a

tremendous tussle by 2/1, Dermot Roche and Niall McCarthy won 4/3 and then everything depended on the last match, and the Father and Son combination of Tomas Kelliher and Ryan Kelliher prevailed on the 17th green when young Ryan holed a birdie putt to secure a great victory for the Killarney team.

In a conversation "après-match" between Sean Duggan and the manager of the Kanturk team the Kanturk manager remarked the they thought that they had a very good team, but that Killarney had a fantastic team. The team featured 15 out of their panel of 16 players over the two days, and the team mentors of Sean Duggan, Johnny O'Connor and Tomas Barry will have a very difficult task with the selection of the team to face Ceann Sibeal in Killorglin on Wednesday next.

The J.B. Carr team are in the area final against Waterville, and played the "away" leg of their tie at Waterville on the 13th of May when they won that tie by a margin of 4 matches to 1, Con Healy and John Wall won 1 up, Seamus O'Connor and Donie MacSweeney won 4/3, Enda Curtayne and Dermot Roche won 6/5, Derry O'Connor and Pdraig Griffin were beaten on the 20th, and John Hickey and John Clifford won 1 up. Killarney now bring a most important lead when facing their opponents in the home leg which will be played on Friday 27th at the Mahony's point course in Killarney.

## GARDENING OUTLOOK

with **John O'Sullivan**

### FILLING WINDOW BOXES AND CONTAINERS

Again there is a large range of different types of window boxes and containers. The most popular ones are the plastic. If it's a plastic window box that you have the first thing you must do is sort out the drainage.

Turn the window box upside down and you will see holes marked out. You can either use a screw driver or a drill to punch out these holes. Turn the box back up and put some small stones or polystyrene around the holes. Fill the box with compost and a slow release fertiliser to about half an inch from the top of the box and firm in compost. When choosing the plants for the window box make sure that the taller plants are at the back trailing plants towards the front and medium sized plants for fillers inbetween.

A good example for tall plants at the back of the box would be upright geraniums or upright fuchsias. Good trailing plants for the front of the box would be trailing geraniums or trailing petunias. Other examples of good trailing plants for fillers would be trailing lobelia, bacopa and bidens.

When you box is planted, water in plants well and don't put into position for a few days. Remember that all window sills slope so when your trailing plants start to grow you will need something to hold you box in position.

## HAZARDS OF SUMMER DRIVING

### SAFETY ADVICE FOR DRIVING DURING GOOD WEATHER!

The good weather does not always mean good driving conditions as the sunshine can melt the road surface making it extremely slippery. Also, rain at the end of a long dry spell can mix with dust, oil and rubber, producing a road surface like an ice rink.

### DRIVING TIPS FOR SUMMER MOTORING

**Servicing:** A full service is necessary at least one full week before a long journey.

**Last Minute Checks:** Engine, oil, brake and clutch fluids, battery electrolyte, tyre pressure and the windscreen washer reservoir should be rechecked just before the journey Starts.

**Spare Kit:** Delays caused by minor faults can be reduced by taking a small spares kit comprising of a fan belt, radiator hoses, bulbs, points, a condenser, pair of spark plugs and a roll of insulating tape.

**Balance:** The load should be balanced, that is, heavy articles should be placed as near to the centre of the car as possible. Heavy articles must never be concentrated on one side of the vehicle, neither must luggage impede the drivers vision or prevent seat belts from being used.

**Inside The Car:** Loose or heavy items in the passenger compartment can move under braking or cornering - this can distract the driver or jam against the control.

**Outside The Car:** Roof racks must be firmly and loaded with as low a profile as possible to minimise the wind resistance and maintain stability. Also, make sure every-thing carried on the roof rack is securely tied down.

**Care In The Country:** Many city drivers feel free driving in the country - less restricted, however,

you must remember, care and attention is still needed at all times - there may just be a herd of cows around the next corner!

Farm animals must be treated with patience. Drivers meeting them should slow down well in advance and leave as much space as possible between the car and the herd.

Fast driving past a horse and rider can also be dangerous - it may cause the horse and rider to shy and throw its rider. They should be overtaken very slowly, with as much space as possible between it and its rider.

## CYCLE SAFETY

### WITH TRAINING FOR THE RING OF KERRY IN FULL SWING THIS WEEK WE LOOK AT CYCLE SAFETY.

Cycling is a common means of transport in Ireland. It's popular for several reasons: it's great exercise, it's cheap and it cuts down on travel time, especially during rush-hour.

But cyclists are also a vulnerable category of road user. Every year there are several cycling fatalities on Irish roads and countless collisions involving cyclists.

**As a cyclist, you can reduce your risk of death or injury by following some simple advice:**

- Never cycle in the dark without adequate lighting - white for front, red for rear.
- Always wear luminous clothing such as hi-vis vests, florescent armbands and reflective belts so that other road users can see you.
- Wear a helmet.
- Make sure you keep to the left. Always look behind and give the proper signal before

moving off, changing lanes or making a turn.

- Follow the rules of the road, never run traffic lights or weave unpredictably in and out of traffic.
- Maintain your bike properly - in particular, your brakes should work properly and your tyres should be inflated to the right pressure and be in good condition.
- Respect other road users - don't get into shouting matches with motorists; stop at pedestrian crossings; don't cycle on the footpath.
- Watch your speed, especially when cycling on busy streets and going downhill.
- Steer well clear of left-turning trucks: let them turn before you move ahead.

### Cycling for children

Using a bike for the first time and learning to ride has been a rite of passage for generations of Irish children. Cycling is fun and sociable and, like swimming, a life-skill that stands to

children in later years.

Yet, like many activities, cycling carries an element of risk. Parents play an important role in minimising the risk by giving them proper guidance and instruction at an early age to ensure that basic safety rules are absorbed while young.

### Do's and don'ts of safe cycling for children

#### Do ensure they:

- Cycle a bike matched to their height and experience.
- Wear a safety helmet.
- Use lights in dark or dusky conditions.

#### Don't allow them to:

- Cycle on public roads unsupervised (if under 12).
- Wear loosely-worn scarves or other clothing that could get caught in the wheels or chain-set.
- Take unnecessary risks.

Down 2-4 to 3-12 at half time, a much better second half saw Fossa grow into the game. Despite the loss we were happy with the finish by the boys and are confident they will get stronger as we progress. Rian Colleran, Darren Ryan and Peadar Kelliher were best for Fossa. Final score Fossa 3-13, Laune Rangers 5-18 On the same night Fossa U-12 blacks had a good win over Laune Rangers by a score of 5-18 to 4-02.

**LADIES FOOTBALL:** Fossa U-12'S didn't have a game this past week as the grading is now complete.

### ROUND 1: MID KERRY 3-12 KILCUMMIN

**1-13:** Our supporters travelled in big numbers to Killorglin on Sunday last to support the lads in this first round game and although the result was disappointing there was praise all round for a determined and disciplined performance. Great credit is due to the management team and players for their efforts against a strong Mid - Kerry team who boasted an array of Kerry players. While it was very much a team performance there was a number of standout displays particularly from Brendan Kealy, Sean Brosnan, Philip Casey, Shane McSweeney, Noel Duggan and Kevin McCarthy. The team now face West Kerry in the losers round on Saturday next and will need to be successful to progress further in this competition. A special word of praise for Donal Dwyer and James Weldon who stepped forward to manage the team in the last two weeks with the support of Pat O'Driscoll, John Fitzgerald and D.J.Fleming.

**TEAM:** Brendan Kealy, Sean Brosnan, Damien O'Leary, William Maher, Gavin O'Connor, Chris O'Leary, Philip Casey, Kevin Gorman, Shane McSweeney, Mikey O'Shea, John McCarthy, Noel Duggan, Kevin McCarthy, John Devane, Matthew Keane, Subs Used Daniel O'Leary, Richie O'Connor, Chris Keane, Jamie O'Donoghue, Daniel Moynihan

### MASTERGEEHA FC: U12:

**PARK 1 MASTERGEEHA 0:** In this top of the table clash to boys battled all the way but could not find the equaliser in this close game. Colin O'Leary and Mark O'Shea went closest for Mastergeeha.

### U13 SHIELD FINAL: MASTERGEEHA 1

**IVERAGH 3:** The boys faced a good side in this year's shield in Tralee on Saturday. The South Kerry started the better and leading two nil at the break. In the second half Mastergeeha pulled a goal back with Brendan O'Leary scoring from the penalty spot however Iveragh scored again late on to claim the trophy.

### U14 DIV 1:

### BALLYHEIGUE 2

### MASTERGEEHA 2:

The lads finished the season with a well-earned point in this cracking game against the North Kerry boys. Both teams defended well in the first

half with Geeha creating the better chances with Darren Lehane and Philip O'Leary both going close before the home team went ahead from a corner. Shane Warren came out firing in the 2nd half and equalized when he slotted home after a defensive mix up and then he put the lads 2-1 up when he rifled home from the edge of the box. Ballyheigue levelled the game with 10 mins to go and Lehane thought he had won it but his goal bound rocket was tipped over by the home keeper. Well done to all involved.

### U16: KILLARNEY ATHLETIC 1

**MASTERGEEHA 2:** In this deciding game of the league Mastergeeha claimed the title with tough battle over near neighbours. Mastergeeha took the lead mid-way through the first half with an excellent strike by Anthony Darmody. In the second half Mastergeeha created some chances with Paul O'Shea and Dylan Murphy going close before Philip O'Leary scored following a pass from Darragh O'Leary. In the closing stages Athletic pulled a goal back but Mastergeeha defended well and deservedly won this league.

### YOUTHS LEAGUE SEMI FINAL

**FENIT 4 MASTERGEEHA 2:** On Friday evening Mastergeeha travelled to Fenit for this semi-final. The home side started the better and were 3-0 up at the break. In the second half Mastergeeha played much better and pulled a goal back when Jerry Cronin scored with a free kick. However the home side scored again. After this Mastergeeha pushed forward and got another goal back when Jason O'Sullivan scored. In the end the stronger side progressed to the final but the Mastergeeha boys never gave up and tried hard throughout.

**MASTERGEEHA FC LOTTO:** There was no winner on Friday 13th May 2016. Numbers drawn were 1, 4, 10, 15. ## EXAM STRESS

As you study this week - don't forget to include regular breaks and to take care of yourself during the exam preparation. It is important that you are in good mental and physical condition for the exam. As there isn't enough time

to go over everything, you must decide what is most important for the exam.

A small amount of stress can be good so if you feel a little anxious before an exam do not worry about it. It may even improve your performance. However, too much mental or physical strain can be detrimental to your performance so try not to become too anxious about the exams and find ways of coping with your anxiety. Keep a positive attitude about the exams and stop yourself if you find yourself thinking or saying negative things such as 'I am no good at exams.' Avoid staying up too late if you can help it and aim to get a good night's sleep. Eat well now to build your energy, but avoid heavy foods that can make you drowsy.

### What does your teenager want at this time?

The last thing young people want is to be questioned about study. This can create even more anxiety and close off any further conversation. Young people want the respect and responsibility to manage their own study, their social life and the balance between the two. However, they also need and want your help at times - but usually when they request it and on their terms. Throw into the mix however, that young people would also like their parents to 'intuit' that they need some support - and would like their parents to reach out at these times of difficulty too. So be prepared to lend your support when you see worry, despair or struggle.

If your teen seems to be procrastinating, disorganised or spending too much time online this can often signal that they don't know where to start - so be sure to offer some concrete help. Anger and irritability, whilst to be expected at this time, can also be symptoms of not coping - so be sure to respond calmly and not take it personally.

Your practical support at this time will also be greatly welcomed. Make sure your teen has a comfortable place to study. You can help them to organise their study space, so it's not too cluttered. Ask them if there are any subjects that they need particular support with - and assist them in whatever way you can. There are numerous online resources that you can check out yourself.

## TAX Matters with

### REVENUE FOCUS ON IMPORTATION OF SECOND HAND MOTOR VEHICLES

Those in the motor trade should be aware of Revenue focus on the importation of second hand motor vehicles under the VAT Margin Scheme. Most of these will be imported from the UK. A key point of focus for Revenue will be attempts to convert non Margin Scheme vehicles into Margin Scheme vehicles. If that attempt was successful, Irish VAT would only be payable on the Margin rather than on the full sales proceeds.

### HOW TO PROTECT YOUR BUSINESS FROM BECOMING INVOLVED IN VAT FRAUD

Guidelines on how to protect your business from becoming involved in VAT fraud have been published in on the Revenue website. These guidelines are intended to help businesses avoid becoming involved in such illegal transactions.

## A WORD OF VICTORY

Welcome back dear reader have you ever heard the beautiful words of this song 'What a friend we have in Jesus, all our sins and grief's to bear, what a privilege it is to carry, everything to God in prayer. O what peace we often forfeit, O what needless pain we bear – all because we do not carry, everything to God in prayer.' If you can, Google this song and learn about its Irish author friend, you will be blessed. The problem today is people do not know how to communicate with God and feel it's best to stay away from Him. God is Love (Read 1st John 4:8). In a situation where the father in a family never told his children while they were young that he loved them, if he never encouraged them or complimented them on their achievements, and especially if he was harsh with them, this behaviour scars the child as they grow. Children who don't receive proper fatherly love see God the Father in the same light as their earthly father. We've observed it many times in Word of Victory - a room full of people when asked whether they ever heard their father tell them that he loved them when they were young and it's always the same – more than 85% will say they never heard it. But, a simple prayer of forgiveness brings tremendous healing, emotional and otherwise to these individuals. Ministers of the Gospel have seen the same thing happen the world over. Really, the father's can't be blamed, because they only hand on what they received from their fathers while they were young. Yes, God our Father loves us intently and He calls us His little children (John 3:16; Romans 8:31; John 1:12-13). He's waiting for you to talk to Him. Christianity is a relationship, not a religion. More next week....

### NOVENA TO THE SACRED HEART

You have said O Divine Jesus, ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises, I come with confidence during this novena to beg of you the favours that I need (make request). For whom shall I ask Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God. I believe in your power, I believe in your knowledge, I believe in your personal love for me, and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory, say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

### NOVENA TO THE SACRED HEART

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Then in his merciful eyes it will become your favour not mine.  
Amen.  
Say this prayer for three days.  
Publication of prayer and favour will be granted.

## PRAYER TO ST. JOSEPH

O St. Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires. O St. Joseph, do assist me by your powerful intercession, and obtain for me from your divine Son all spiritual blessings, through Jesus Christ, Our Lord. So that, having engaged here below your heavenly power, I may offer you my thanksgiving and homage to the most loving of Fathers. Press Him in my name and kiss His fine head for me and ask Him to return the kiss when I draw my dying breath. St. Joseph, Patron of departing souls pray for me. This prayer was found in the fiftieth year of Our Lord and Saviour Jesus Christ. In 1505 it was sent from the Pope to Emperor Charles when he was going into battle. Who ever shall read his prayer or hear it or keep it about themselves, shall never die a sudden death, or be drowned, nor shall be burned in any fire or shall be overpowered in battle.
