In a week when we experienced mother nature at its worst, the residents of Spa came together to hold a major fundraiser for one of their members, a young adventurer from Rathmore has been honoured and Killarney Musical Society have launched their new show. Dr. Crokes are all set for the County Final on Sunday while the minors from East Kerry are celebrating winning the county title. Over €1million has been given to various charities at the Ring of Kerry Cycle and €4,000 has been awarded to young students from Killarney Credit Union. Its that time of the year again when we are gathering old photographs for our souvenir edition - so why now take a trip down memory lane and drop them into the Killarney Outlook office on High Street. Stay safe this weekend.

RING OF KERRY CYCLE RAISES MORE THAN €1MILLION

A gala night of celebrations took place on Friday night last at INEC when cheques totalling more than €1 million were presented to the charities involved in this year's Ring of Kerry cycle.

The presentation took place Friday night with a dinner and drinks reception to honour the charities and volunteers who work tirelessly to provide support and services to the people of Kerry and across Ireland.

The cycle event, which will take place on Saturday the 7th July next year, is the biggest one-day charity fundraising event in Ireland. To get a sense of the scale of fundraising undertaken, a total of €120 per cyclist has been directly donated to the charity beneficiaries.

Now heading into its 35th year, the event attracts over 9,000 leisure cyclists, from Ireland and abroad, to complete the cycle challenge scenic Ring of Kerry route, while at the same time fundraising for worthy charities.

Amongst the beneficiaries benefitting from the funds raised this year to improve and expand services are the Kerry Parents & Friends Association, who have found themselves able to purchase three new transport vehicles as part of their Buy a Bus Campaign, helping them to provide an efficient, reliable transport service to the people of Kerry with special needs. See Editors Notes Section for details of how all charities involved are benefitting individually.

"We were delighted with the huge support people have given once again this year which has resulted in significant donations made to very worthy causes, which our

beneficiaries are using in various ways to improve and expand services for people across all walks of life.

This event would not be possible without the ongoing hard work and support from our team of organisers, charities and 1400 volunteers. A huge thank-you to the cyclists who support us every year and to those who joined us for the first time this year – See in you all again on 2018!" Cathal Walshe, PRO of the Ring of Kerry Charity Cycle told the Killarney Outlook.

Cyclists can register for the 2018 cycle from the 10th March 2018 and are encouraged to follow the event on social media platforms for all updates.

YOUTH ACHIEVEMENTS CELEBRATED FOR THE 20TH YEAR

The remarkable achievements of young people between the ages of 14 and 19 will be celebrated for the 20th year in a row on Friday January 26th 2018.

The Lee Strand/Kerry Garda Youth Achievement Awards 2017 was officially launched this week in Lee Strand in Tralee. This year the awards will be presented at a 20 Year Celebration Ceremony in the Ballyroe Heights Hotel, Tralee. Since 1998 the awards have acknowledged the achievements of young people from Kerry between the ages of 14 years and 19 years. Awards will be presented for the Overall Winner, Certificates of Distinction, Certificates of Merit and the Voluntary Group Award. Speaking at the launch Chief Superintendent Tom Myers stated "An Garda Síochána are delighted to be associated with the Lee Strand Kerry Garda Youth Achievement Awards. We often underestimate the worth of our

youth who are both innovative and important to our future. It is important to recognise their excellence in the area of sports, arts, culture, charities or caring for a relative or friend. The awards have a positive effect on our wider community and I would like to extend our appreciation and thanks to Lee Strand for their continued sponsorship and support over the past 20 years."

John O'Sullivan, General Manager, Lee Strand stated "Lee Strand has a strong commitment to supporting initiatives within the local community and we are delighted to support the Kerry Garda Youth Achievement Awards for 20 years. The awards provide a great opportunity to celebrate and recognise the achievements of the young people of Kerry, who have made a positive impact within their local community."

The closing date for receipt of nominations is Friday, December

ARTS FESTIVALS IN THE KERRY-CORK REGION ARE ENJOYING THE BENEFITS OF GOOD MENTORING

When teams in Kerry and Cork clash, sparks usually fly, but what happens when they collaborate? Shared learning and experiences is proving to be very exciting for six key arts festivals in Kerry and Cork County and City. A creative mentoring project for arts festivals is currently underway as a partnership between Kerry, Cork City and Cork County Local Authorities. The project is funded by the Arts Council's Invitation to Collaborate fund. The project is designed to provide practical guidance and strategic support to each festival through creative mentoring. The Arts Festivals include Listowel Writers' Week, KFest in Killorglin, Cork Puppetry Festival, Middleton May Festival, Mallow Arts Festival and Cork Folk Festival.

"Each festival is unique and is a significant generator of a valuable creative and economic return to their communities. They are committed to improving opportunities for artists, audiences and enthusiasts to engage with creative content and arts programming", stated Kate

Kennelly, Arts Officer at Kerry County Council.

Mentoring the festivals is a very established team led by cultural sector expert Dermot McLaughlin and includes producer and broadcaster Philip King as well as cultural and business development consultant Una Carmody. "Our challenge is to ensure that the capability and experience of each festival is shared meaningfully and that the energies in the room can impact positively on all those involved", Dermot McLaughlin explained.

The goal of the programme is to assist each festival to develop its creative approach to programming so that an even greater artistic ambition and audience engagement can be achieved. 'Finding ways to ensure that the mentoring process will assist start up festivals and re-energise older festivals is key', Dermot explained. Central to this is how each festival will develop as a sustainable cultural organisation, increasing its audiences and its capacity to grow in artform expertise. This all

makes for enjoyable festivals on the part of the audiences and the artists who share their work with us through the festival format. Attending and celebrating a good festival is something we Irish are good at, and the catchphrase 'that was an excellent event' is what we want more and more in the delivery and promotion of the arts

locally.

One thing is obvious in the approach the Local Authorities and Arts Council involved are following with this project, is that we are certain to continue to enjoy very good arts festivals in these regions for a great many years to come.

HEY BIG SPENDERS....KILLARNEY MUSICAL SOCIETY LAUNCH SHOW

Killarney Musical launched next years extravaganza at Hotel Killarney this week and the scene is now set for Sweet Charity with lots of the familiar members along with lots of new faces taking part in the show..

"Auditions will take place Wednesday October 25th from 6pm, in Hotel Killarney. We sure would love to see as many as possible auditioning for the variety of roles available in Sweet Charity", Irene Hurley, PRO for the society told the Killarney Outlook. Sweet Charity is a tender, poignant and consistently funny look at the adventures or rather the misadventures of Charity Hope, it explores the turbulent love life of Charity Hope Valentine, a hopelessly romantic but comically unfortunate dance hall hostess in New York City.

Sweet Charity is a popular musical that has enjoyed successes in

both London and New York, as well as the big screen and has lots of big Musical numbers that delight all audiences to include: "Big Spender," "If My Friends Could See Me Now," "There's Gotta Be Something Better Than This," "I'm a Brass Band" and "Baby, Dream Your Dream."

For those wishing to audition for a principal singing role, you are requested to prepare any song of your choice (preferably from an American musical - not necessarily Sweet Charity - ideally sung with an American accent!) which you feel best demonstrates your suitability for your chosen

role. Please bring along the sheet music, if you have it.

For further information, check out our Facebook page where you can contact a committee member. Sweet Charity will be performed by Killarney Musical Society on the INEC stage, March 14th, 15th & 16th, 2018.

KERRY'S WINNING ALL IRELAND MINOR FOOTBALL TEAM LEAD THE WAY

It's going to be one of Ireland's biggest social experiments as addicted screen tapping teenagers are asked to give up their phones for 24 hours and Kerry footballers are leading the way!

Always up for a challenge, the Minor Football Team are eager to throw their support behind Enable Ireland's NO PHONE SURVIVAL CHALLENGE to support children and adults with disabilities in their community.

Enable Ireland's No Phone Survival Challenge, will run for 24 hours, starting from Tuesday, October

24th at 12 noon.

The team are asking secondary students across the county to step away from their phone and try to go cold turkey on October 24th. No phones, no snaps, no photos, no shares, likes or stores. It's Like, really hard to do!

The No Phone Survival Challenge could become one of Ireland's biggest social experiments. Ireland is pretty addicted to its phones. As a snapshot, over 40% of 16-24 year olds claim to be connected during every waking hour, according to a recent Eir

survey.

The challenge aims to put the spotlight on the power and impact that new technology can have on the lives and independence of children and adults with disabilities. Enable Ireland provides Assistive Technology to many young people and adults across the country. This vital technology can support people with vision impairment or literacy challenges to read and write and give a voice to those who are non-speaking. AT can make the impossible possible - enabling

people to live more independent lives at home, in school and in the workplace.

300 ATTEND DIOCESAN ASSEMBLY

Over 300 parish personnel from across 53 parishes gathered in Tralee on Sunday last for the Diocesan Assembly.

Dr. Dan O'Connell, lecturer at Mary Immaculate College, Limerick, presented the keynote address exploring the importance of family. Dan is co-author of Grow in Love which is the new Religious Education programme in our primary schools. His insightful presentation was humorous, encouraging and deeply thought provoking.

A variety of workshops offered practical resources and ideas for implementation at parish level. Themes related to supporting families in crisis, family prayer,

youth-friendly parishes, family and caring for the earth, parish faith development programmes, celebrating family liturgies in the parish and the World Meeting of Families.

The Diocesan Assembly was composed of Clergy, members of Parish Pastoral Councils, Liturgy groups, Youth Ministers, Parish Secretaries and Sacristans. Concern for family arose from the Listening Process conducted throughout the diocese during the development of the Diocesan Pastoral Plan 2016 - 2020.

This diocesan Assembly Parish Supporting Family Life launched the preparations for the World Meeting of Families in the diocese

IS YOUR ASTHMA/ COPD WELL CONTROLLED?

Aherns Pharmacy, Farranfore are once again promoting the importance of good Asthma/ COPD Control and encourage those with Asthma or COPD to know and get their current level control assessed.

Dan Ahern from Aherns Pharmacy explains why now is an important time to ensure good asthma control:

"Autumn signals a time when people with asthma and COPD can see deterioration in their asthma control due to the air turning colder and in spending more time indoors.

It is also estimated that up to half of all those being treated for asthma and COPD are not well controlled on their medication. There a number of things that an individual can do now to manage their asthma & COPD:

1) Do you know your current level of control? Take a 2 minute Asthma Control Test (ACT) or COPD Assessment Test (CAT). This can be easily done with your G.P., pharmacist or practice nurse.

2) Do you have a personal action plan to manage acute attacks?

3) Do you need to refill your prescription at your pharmacy or review your prescription with your GP?

4) Are you comfortable with your inhaler technique for each of your different types of

inhaler?

5) Have you replaced your spacer device in the last 12 months?

6) Do you smoke?– it is never too late to QUIT

7) Vaccination- make sure you get your jabs

8) A good diet and regular gentle exercise can also help improve control

9) Monitor your peak flow (asthma) & know your lung function score (COPD)

Over the next few weeks Aherns Pharmacy are offering free Asthma Control Tests (ACT) and COPD Assessment Tests (CAT) as well as inhaler technique reviews, so if you are interested in any of these, call into Aherns Pharmacy Farranfore & get winter ready.

To learn more about Asthma and COPD visit www.ahernspharmacy.com or follow us on Facebook.

YOUNG ADVENTURER SCOOPS ACHIEVER OF THE YEAR AWARD

A young Rathmore girl has been announced as this year's Young Achiever of the Year at the 10th annual Boots maternity & infant Awards took place at a gala luncheon at the Royal Marine Hotel, Dun Laoghaire.

The awards, which were hosted by RTE's Maura Derrane, recognise inspirational people and commends and celebrates the very best products for parents and babies in Ireland.

Kaydi Smith is a quiet, unassuming young girl with a love for the outdoors. Hiking from the tender age of three, she has achieved things most adults would only dream of doing; climbing Carrauntoohil multiple times, getting to Everest Base Camp and under taking Mt. Kilimanjaro. But it's not only Kaydi's physical achievements that make her so special. While in Tanzania, she quietly donated the money she both fundraised and received for her birthday, about €200, to local orphanages and clinics. On her trip to Nepal in October 2016,

they also brought with them more funds they raised, plus a suitcase full of clothes to help earthquake victims. During this trip, Kaydi hiked for 18 days to get to Everest Base Camp and trekked across glaciers and the Cho La Pass, something most adults would only ever dream of doing. Kaydi's achievements are made all the more special by her humility in discussing them. "She wouldn't really tell people all about what she does a lot, she tends to keep it to herself," says grandmother, Angela Doherty, who nominated her for the award.

Her determination to conquer mountains is matched only by the depth of admiration from her family, and although she has achieved so much already, we're sure that Kaydi has many more mountains to climb in the future. "She's very laid back, she really doesn't see it as an achievement. For her, it's just something that she loves to do"

"For her, seeing kids having to walk for two hours up hill to

school everyday, kind of gave her perspective and made her realise that she had it very easy", Angela added.

KILCUMMIN NATIONAL SCHOOL GET READY FOR "SPOOKY SPRINT"

It might be a little early just yet for all things scary but the National School children of Kilcummin were busy putting in a dry run for the schools next fundraiser last Tuesday evening, which is just around the corner.

The village park, which is normally such a quiet place was taken over by Killer dolls, Zombies, Ghosts, Ninja's and even a little red riding hood. The aptly named "Spooky Sprint" is calling on people to enjoy the Halloween season even more by dressing up in the fun family run or walk, which starts from the Recreational Hall at 12 noon on Sunday 29th October. One of the organisers Derek O'Leary has said it is the chance for people to "Run, walk, creep, crawl float of fly" as he expects not only children to turn out in all types of haunted costumes but for parents to get in on the action early ahead of Halloween night which take places on the 31st October.

Registration is at 11.30am and Individuals can

pay €5 with a special family rate of €20, ideal if you are the Adams family. The event which is in aid of Kilcummin National School is open to all and refreshments with lots of delicious home baking will be available the Recreational Hall from 12 noon, while there is a hamper

to the value of €60 up for grabs with tickets currently available in Kilcummin Post Office or in the Hall on the day. "We hope everyone will have fantastic day out for the whole family and support the community event, which should be great fun" Derek concludes .

CHARITY ASKS FOR VOLUNTEERS IN THE DIOCESE OF KERRY TO HELP CHANGE LIVES

Trócaire, the overseas development charity, is encouraging people in the Diocese of Kerry to join it's volunteering programme here at home and get involved in a range of activities aimed at alleviating poverty in the developing world. Janet Twomey, who is the charity's centre and volunteer officer and based in Cork, said, "We currently have vibrant volunteer groups in various regions in Ireland who bring valuable skills, experience and energy to supporting our work here and we're looking for more volunteers to join us. Since 1973 Trócaire has been dedicated to improving the lives of people living in poverty and injustice in developing countries across the world. Our education, campaigning, parish and fundraising work in Ireland is a vital part of that fight for justice." Janet said Trócaire is particularly interested in recruiting parish volunteers in the Diocese of Kerry. "The role of a Trócaire Parish Volunteer is a very practical one where you will receive up-to-date information on Trócaire's work 2-3 times in the year. You will then be supported

and offered training to inform parishioners about Trócaire's work, show the impact of that work and very importantly thank parishioners for the great support they give to Trócaire. All you need is an interest in making a difference to the lives of those less fortunate, a willingness to collaborate with others in your parish and a desire to communicate with, motivate and encourage people. Trócaire will provide you with the training and tools necessary to really make an impact." Declan Crowley from Killorglin is one of Trócaire's current parish volunteers in the diocese. "I volunteer with Trócaire because in my view, it is a very modest, personal and local answer to Pope Francis' call to all Christians to build bridges. It is a way for me to put my faith into action and in Pope Francis' words 'to fight the globalisation of indifference,'" said Declan. Anyone wishing to find out more about volunteering with Trócaire should visit www.trocaire.org/volunteer or contact Janet Twomey at janet.twomey@trocaire.org or by calling 021 4275622.

COUNCIL CHIEF EXECUTIVE THANKS PUBLIC FOR COOPERATION DURING STORM OPHELIA

The Chief Executive of Kerry County Council has thanked members of the public in the county for their support and cooperation during Storm Ophelia on Monday.

Kerry County Council's Local Coordination Team met on Tuesday to assess the impact of Storm Ophelia and to coordinate the ongoing clean-up operation which began late on Monday afternoon. Council crews have been working on residual issues since early this morning and the council is advising the public to continue to travel with caution on all routes.

Chief Executive Moira Murrell said the fact that members of the public in Kerry heeded the weather and safety warnings ensured public safety was assured: 'This was due to the strong cooperation of members of the public who observed the advice to remain indoors and limit travelling,' she said.

'From Friday evening, Kerry County Council and other local agencies including An Garda Síochána, the HSE, Kerry University Hospital, the Kerry Fire and Rescue Service and the Civil Defence were fully engaged in preparing for the storm. From the moment Met Éireann issued the Code Level Red on Saturday evening, our team met regularly over the weekend to plan our response.

'We also participated in teleconference

meetings with the regional response team and coordinated our approach. From a preparations point of view, the Council is satisfied with the level of preparation at all levels of the organisation,' she said.

'I would like to thank our Operations staff for

their assistance and I want to pay tribute to Kerry Civil Defence, Kerry Fire and Rescue Services, An Garda Síochána, the Army Reserve and ESB Networks for their support. We thank the public for their cooperation and input as we dealt with this emergency situation.'

Visitors to the 23rd Listowel Food Fair will have an opportunity to taste the award winning cheese in Garvey's Supervalu, the official festival partner for 2017 who will host a Spin Southwest outside broadcast on Saturday 11 November.

Other Kerry winners include a gluten free soda bread by Wellness Bakery in Listowel, a honey and mustard dressing by Camos Bistro in Cahersiveen, Dingle Sushi and strained kefir. successful in the beverage category. Listowel Arms' Hotel head Chef, Mary Julian, is now tasked with creating a sumptuous menu incorporating the winning products to serve at a gala awards' dinner on Friday 10 November. The evening is an annual highlight in the Listowel Food Fair calendar as is opening night which takes place on Thursday 9 November. Following a welcome address by Jimmy

Deenihan who will invite 2017 Rose of Tralee, Jennifer Byrne, to formally open proceedings, the traditional cookery demonstration will commence. TV3 presenter and actor, Simon Delaney, will join local Flogas Ambassador and Sunday AM regular, Lizzy Lyons, from Lizzy's Little Kitchen on the Flogas demo stage. The duo will prepare dishes from Simon's recently published cookbook, "Simply Simon: The Diner Cookbook" for VIP chef's table guests, 2017 Rose of Tralee, Jennifer Byrne, and Kerry team nutritionist, Kevin Beasley. The proceeds from this year's opening night raffle will go to nominated charity, Nano Nagle.

Other events on this year's programme include a morning of talks for secondary school students, a farmers' market, a children's baking workshop, a guided taste trail, a literary whiskey tasting and a workshop about herbs with expert Greta McCarthy, author of "Greta's Herbs, Growing Wild in the West of Ireland." I'M A CELEBRITY

Get Me Out Of Here!

I'm A Celeb...Get Me Out of Here! fundraiser is captivating people everywhere as it puts twelve brave local 'celebs' to the pin of their collars like never before! The Stephen Lyne Foundation together with Kerry Stars Special Olympics Club are presenting the first I'm A Celeb...Get Me Out of Here! fundraiser in Kerry at the INEC on Thursday 26th of October 2017.

In this week's Killarney Outlook we meet the final four brave contestants who will take part in bush tucker trials for this very worthy cause.

Beneficiaries - Kerry Stars Special Olympics & Stephen Lyne Foundation. Main Sponsor - Kerry Drain Services.

BRENDAN FULLER

A smooth-talking charmer from Muckross and one of the most recognisable and popular voices in the county, Radio Kerry's Brendan Fuller says he's gotten used to living in the bush having moved

to Glenflesk with his girlfriend, stunning Eve O'Donoghue. The two charities are really close to Brendan's heart. He has fond, personal memories of Stephen Lyne from his schooldays, and Eve's sister, Janet, is a Kerry Stars Olympian with more medals for athletics than Brendan could even count. Brendan's got a chance now to show Janet, and everybody else, that he too is proven champ.

RORY D'ARCY

The tall, dashing, charismatic Rory D'Arcy has been steering the ship at St Oliver's National School in Ballycasheen for over 15 years. Over that time, he has overseen the school grow to cater for

almost 800 pupils, with 45 nationalities, an integrated special needs unit and it's now one of Ireland's largest and most diverse primary schools. All who know Rory D'Arcy are agreed on one thing - this man won't panic. He's a huge fan and supporter of the Kerry Stars athletes and their families, and the Roots of Empathy programme run by the Stephen Lyne Foundation is alive and well inside St Oliver's NS.

LIADH TOBIN

Primary School teacher Liadh Tobin is the baby of the 12 contestants in the first ever I'm A Celeb at the INEC on October 26th. If you're wondering about having a flutter on Liadh being crowned Queen of

the Jungle, you're money could be spent worse. The Gaelscoil Faithleann teacher is a big fan of I'm A Celeb, having watched almost every series since it first began. Unlike some of the other contestants, she knows exactly what's coming. Fear? 'Afraid of what?', Liadh asks. You know what they say; looks can be deceiving. Stunning Liadh isn't afraid to get down and dirty. She'll mix it with anyone, any time, any place.

MARY BROSNAN

You've just got to hand it to Mary Brosnan. From the moment she signed up as one of the 12 contestants in the first ever I'm A Celebrity Get Me Out of Here, Mary

came clean. No mind games. No pretending. No big-brave-woman malarkey. Petrified Mary is no push-over. She might be scared, but this woman will refuse to go down without a battle cry that could be heard above at the Mon. Remember, she's previously done a sky-dive from 18,000 feet and she's scuba-dived with sharks. The Jungle awaits.

DEDICATION

The official dedication of the extension at Beaufort GAA Clubhouse to the memory of the Late Michael Moriarty took place on Sunday, 15th October 2017. Club member and County Board Delegate, Colm Kelly, got festivities under way welcoming the large gathering of club members, special guests and well wishers to the event and then went on to speak fondly about the great man that was Michael Moriarty. Born in December 1926, Michael was a club member and later took up the position of President of Beaufort GAA Club. Michael's most significant contribution to the club and the parish of Beaufort came in the mid 80's when the club grounds were purchased and the original club house was developed and both his financial contribution and wealth of knowledge along with a never ending ability get jobs done were invaluable in developing the club that we now have. Michael passed away in September 2003 but his memory will not be forgotten. Parish Priest, Fr. Fergal Ryan blessed the extension and wished that all who used the facilities find the enrichment of companionship and healthy recreation to refresh the body and mind. Current club Chairman, Frank Coffey was next to speak, he welcomed Michael's wife, Margaret and all the Moriarty family as well as welcoming County Board members Diarmuid O'Shea and Peter Twiss. A special welcome was extended to John O'Donoghue who gave huge support with the planning and grant applications for the project while in his role of Minister for Arts, Sport and Tourism at the time and also to Ger Galvin who was development officer of the County Board. Frank also spoke of his memories of Michael, he made particular reference to one of his philosophies, which was to "leave something after us that was worth leaving" and everyone can agree that he achieved this and more with his dedication and love of the club. The dedication of the clubhouse to Michael ensures that future generation will know of him and know of his huge generosity to both the club and local community. Former Minister John O'Donoghue, Vice Chair of the County Board, Diarmuid O'Shea and current Minister for Transport, Tourism and Sport Brendan Griffin also addressed the gathering and expressed their gratitude to be associated with the event and wished all the best the club and local community. Margaret Moriarty had the honor of unveiling the plaque dedicated to her Late Husband Michael and their son Denis Pío said a few word on behalf of the family. Everyone was invited into the clubhouse after for some light refreshments in advance of the Mid-Kerry Championship semi-final between Beaufort and Laune Rangers. We would like to thank everyone who attended the dedication and we would also once again like to thank the Moriarty family, the local community, the GAA and everyone who contributed, big or small, to the development of our wonderful new facilities.

LET GO AND LET YOURSELF LIVE

Life is a process of learning to let go. And yet, this is sometimes the greatest challenge for us all. As human beings and creatures of habit, many of us hold tightly to things that would benefit us hugely from dropping. We hold on to a bad mood. We may bear a grudge for years. We hold on to the past or to something someone unkindly told us twenty years ago and we still believe it's true. We hold on to things that we may not like but we can't bear to part with them in case we offend the person who gave them to us. We try to hold on to our youth or what we achieved thirty years ago, not realizing that it's who we are NOW that counts. So many wonderful new moments that we could be enjoying are cluttered up by reminders of the past. The truth is that everything changes. You are not the same person reading this article, as you were when you first awoke this morning. To live really fully, well and peacefully we need to be able to let go of what was and move into what is and what we desire our life to be. This means that you have to learn the sacred art of letting go and allowing yourself to be. The only thing you need to take with you from your past is what you have learned from it. Then apply and use this learning and wisdom to craft the future you want but do it in the moment – every moment. The secret is to love the moment you are in and then allow it to flow into the next and the next and the next and so on. Everything passes and everything changes. Be in the flow of your life and allow yourself to unfold fresh and new and open to every moment.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

BECOME A WINNER BEFORE THE CHRISTMAS DINNER!

9x weeks to Christmas, believe it or not, so now is the time to start setting and working towards your own personal goals you would like achieve before then. Write it down. Get a pen and paper and take the first step in putting it in black and white. Then set your plan of action on how to get this goal! We all have different goals; inch loss, weight loss, increase energy, increase fitness and muscle tone, however one thing is for sure they all require a plan! The First step in Getting lean, healthy and fit is a good diet and an increase in activity, so these are the areas you need to focus on first.

Make yourself a weekly meal planner and weekly exercise planner. work out your meals, snacks etc and get shopping and prepping. Then figure out the days and times you can workout and make it an appointment with yourself, write it down and stick to it, don't let anything get in the way of that workout as this is one of the tools that is going to get you to that goal. So it's up to you to make it happen. Think of the healthy food you eat as the fuel for your calorie burning machine. In order to make that machine run smooth you have to give it good fuel. If you keep pumping crap fuel in you are only going to slow it down and block it up. So clean healthy eating is essential in any programme.

OUTLOOK FASHION

WHEN IN DOUBT, WEAR NUDE PUMPS.

Matched to your skin tone, they're a pretty safe bet. (And they make legs look longer.)

HEALTH TIP

BLUEBERRIES ARE YOUTH BERRIES

Even frozen blueberries are so packed with antioxidants that just ½ cup can double the antioxidant power of most people's diets—something that experts suspect will slow down your aging clock. Studies also show that blueberries can protect your mental sharpness and prevent memory loss!

Beauty tip

Removing Make Up

Make sure you always remove your makeup before hitting the sheets. The skin needs to breathe overnight. And makeup prevents that, as leaving it on overnight clogs the pores. Don't possess a makeup remover? Just put some olive oil on a cotton pad to get rid of the makeup and dirt.

Know Your Rights: REPLACING LEAD PIPES

QUESTION

Can we get a grant to replace lead water pipes in our house?

ANSWER

The local authorities administer a means-tested grant scheme to help low-income households with the cost of replacing lead pipes and fittings.

If your income is below €50,000 a year, you may get a grant of up to 80% of the cost, up to a maximum of €4,000. If your income is between €50,001 and €75,000, you may get up to 50%, up to a maximum of €2,500. You will need to provide evidence of your household's income when applying to the local authority for the grant.

You must own the premises and live in it as your principal private residence (your main home). You must get the remedial work done before applying for the grant, and it must cost at least €200.

You must have evidence of a risk of lead contamination in your home. This can either be:

- A letter from your water supplier (Irish Water or a group water scheme), advising that your water system probably contains lead pipes and fittings, or
- A recent certificate from an accredited laboratory, showing that the level of lead in your water supply is higher than the legal limit

The contractor who does the work must give you the following: a current tax clearance certificate; itemised receipts; written confirmation that the works carried out and the materials used are of an appropriate quality and standard.

You will need to enclose all these documents with your grant application.

If you are an Irish Water customer and you plan to replace your lead piping, you must first apply for Irish Water's Customer Opt-in Lead Pipe Replacement Scheme.

You may be able to get some tax relief under the Home Renovation Incentive (HRI) scheme even if you get a grant to replace your lead piping – see revenue.ie.

MAKING THE MOST OF OUR RELATIONSHIPS

Most relationships start out full of hopes and dreams and both parties are committed to making their relationship work. However, as the pressures of life unfold and reality bites, many individuals can find themselves drifting apart. Your relationship with your spouse or partner may provide much happiness and satisfaction or may be a source of anxiety and frustration because of conflict and unfulfilled expectations. It may be that case that you are unable to connect as you once did. All relationships change over time and with hard work and commitment, relationships can continue to be strong, enjoyable and satisfying. So how do we do that and how can we ensure that we maintain long-lasting and fulfilling relationships?

When things aren't going so well, it can be all too tempting to focus only on the negative aspects of our relationship. However, if you were to delve deeper - chances are your relationship has many positive factors. Researchers have found that the following characteristics are common in successful relationships: positivity, empathy, commitment, acceptance, love and respect.

As you reflect on your relationship – consider where your relationship ranks in relation to the following points.

Positivity: Studies show that successful spouses have far more positive thoughts about and relate more positively towards each other. Relationships suffer when couples are negative, criticising, resentful and holding grudges. However, some negativity is normal and realistic and it is important that frustrations and grievances are aired. Striking a balance between the two extremes is vital.

Empathy refers to the ability to understand from the other person's perspective. Individuals appear to be happier in their relationship when they believe that their partner understands what they think and feel.

Commitment to the relationship is vital despite the inevitable challenges and obstacles that couples encounter. When couples are prepared to compromise and balance their concern for self with concern for their partner, they are more likely to find happiness and joy in their relationship.

Acceptance is one of the most basic needs in any relationship. Feeling truly accepted for who we are – leads us to feeling more secure and confident in our relationship. Interestingly, studies show that change is more likely to occur when couples respect difference and accept each other as they are (as much as they may not like it).

Love and respect are vital components for a healthy relationship. All too often couples can begin to neglect the love and romance that was once so present. It is important to continue to cultivate and rekindle this love and respect throughout the lifetime of the relationship. Doing so will greatly help sustain a long-lasting and fulfilling relationships.

STAMP DUTY ON PROPERTY

Introduction

Stamp duty is charged on the instruments used in the transfer of property – that is, on the conveyance documents that transfer ownership of the property.

Stamp duty applies to residential property such as houses, apartments or sites with agreement to build. It is also payable on non-residential property, that is, land or housing sites without residential buildings.

Budget 2018

The 2% rate of stamp duty on non-residential property has increased to 6% with effect from midnight on 10 October 2017.

However, a new scheme is being introduced to refund stamp duty on property transactions in respect of commercial land bought for the development of housing. To avail of the refund scheme, developers will have to start the relevant development within 30 months of buying the land.

Farmers

Consanguinity stamp duty relief for family farm transfers is being maintained at 1% for a further 3 years. The exemption for young trained farmers from stamp duty on agricultural land transactions continues.

Rules

Residential property

"Residential property" includes houses, apartments and any site that is bought with a connected agreement to build residential property on it.

• If you buy a site in connection with (or as part of) an arrangement to build a house or apartment on it, then stamp duty will be charged at the residential property rate on the total of the site cost and the building cost

• If you buy a site with no connected arrangement to build a house or apartment on it, then stamp duty will be charged on the site cost at the non-residential property rate.

Rates

Residential property

Property value	Rate
Up to €1,000,000	1%

Exceptions

If you are buying your home under the local authority tenant purchase scheme, a maximum amount of €100 is charged in stamp duty.

There is no stamp duty payable on certain transfers between spouses, civil partners and cohabitants.

NATIONAL LEAGUE BASKETBALL DIVISION ONE RECORD CROWD AT KERRY DERBY

Scotts Lakers 64 Keanes Killorglin 75

TABLE toppers Keanes Killorglin proved too strong for Scotts Lakers in the big Kerry basketball derby before a record crowd at Killarney Sports Centre on Saturday night. The Killarney venue was full to capacity long before tip-off with almost 1000 people in attendance.

Killorglin side stamped their authority in the third quarter with the outstanding three-point shooting of Kevin Gray a significant factor in the victory. Gray was well supported by talented European players Daniel Jokubaitis and Ivan Bogdanovic and Killorglin's advantage to have three quality foreign players on court at all stages throughout the match was a luxury that Scotts Lakers just did not have and struggled to match up when it mattered at crucial stages of the game.

Exchanges were even from an early stage and Scotts Lakers enjoyed a narrow 16-14 advantage at the end of the first quarter.

The home side had a very productive spell early in the second quarter racing into a 22-14 lead. Mark Greene was in outstanding form but Killorglin's foreign trio of Gray, Jokubaitis and Bogdanovic kept their side well in contention to trail 26-24 midway through the quarter. Ten points from Mark Greene in this quarter alone kept the Lakers in contention and it was a tied ball game at 36 points each at the half-time interval.

Not for the first time this season, it was in the third quarter where Scotts Lakers self destruct button and capitulation kicked into force. Killorglin duly capitalised with American Kevin Gray emerging as a real hero sinking four huge three-pointers as the Lakers struggled to make an impact. Gray, who actually failed to make the score-sheet in the first and final quarters, ended up with 14 points in the third quarter alone, the actual difference between the teams at the end of

this period when Keanes Killorglin led 60-46. The game looked effectively over at this stage but Scotts Lakers did manage a strong revival with Bootle, Greene, Kapitanov and Fitzgerald

all hitting unanswered baskets as the home side cut the gap to trail 60-54 midway through the final quarter. However Killorglin responded well to the stop the Lakers comeback with the outstanding Jokubaitis leading the challenge. The talented Lithuanian hit 11 points in the final period to maintain a firm grip on Killorglin's advantage to eventually secure victory despite late efforts from Padraig Lucey and Mark Greene for the home side.

Scotts Lakers are free this weekend ahead of their next outing away to Letterkenny on October 28th before returning home again to Killarney Sports Centre on November 4th to welcome Galway Titans.

Scotts Lakers: Antuan Bootle 19, Mark Greene 18, Andrew Fitzgerald 10, Mihail Kapitanov 7, Padraig Lucey 6, Cian Clernon 2, Justin Tuason 2.

Keanes Killorglin: Daniel Jokubaitis 26, Kevin Gray 19, Ivan Bogdanovic 19, Ian McLoughlin 7, Daragh Jones 2, Mark St Fort 2.

NATIONAL CUP REPORTS:

12'S ONE STEP FROM THE LAST 32:

St Brendan's Park are just one win away from making it into the Open Draw for the Last 32 of the 12's National Cup. They won the all Kerry clash defeating Killarney Athletic 2-0. Jack Slattery and Justin O'Sullivan got the goals for Park with Immanuel Manu being their best player. For Athletic Oran O'Neill, Neil Carroll and Noah Sexton were the best on the day. One round behind Killarney Celtic just got past Lough Derg 4-2 after extra time with the Hoops keeper Calum Cronin in outstanding form. The game was tied at 2 all after normal time with Josh Bowler and Jason O'Sullivan scoring for Celtic. Into extra time and the Killarney side

were the stronger scoring twice more through Bowler again and Mikey Murphy. Killarney Celtic will now travel to Caherdavin in Round 3. Tralee Dynamos National Cup journey is over as they went down 5-1 away at Rathkeale. Darragh Corridan got the goal for Dynamos.

3 out of 4 through in the 14's National Cup:

Three Kerry sides have made it into the next round of the 14's National Cup. There was always going to be two Kerry teams through as Killorglin and Killarney Celtic clashed and it turned out to be a cracker. The game was scoreless at the break before Athletic scored twice early in the second half to take the initiative. Conor Gammell and Roco Redjucav got the goals.

Darragh Crowley pulled one back for Killorglin 17 minutes into the second half before Tom Whittleton tied up the game on 22 minutes. There were no further scores until Tom Whittleton's second five minutes into the second period of extra time won it for Killorglin who will now travel to BT Harps in Round 3.

Killarney Celtic made the short trip to Kilbreen a winning one thanks to goals from Robert Brooks and Jack O'Neill. Donagh Foley pulled one back for the home side but it wasn't enough for them. Killarney Celtic will be in Cork for the next round when they face Shelbourne. Listowel Celtic's result was probably the most impressive as they defeated Newmarket Celtic 2-1 away. Kieran O'Connell and Adam Segal got the goals for Celtic who will now be away to the winners of Bridge United and Regional United. Sadly Tralee Dynamos have gone out as the lost 5-1 at home to Granagh United.

2 OUT OF 4 THROUGH IN THE 16'S NATIONAL CUP

The winners of the next round of the 16's National Cup progress to the Last 32. Killarney Celtic have qualified for Round 3 with a 2-1 win over Moneypoint. Terry Sparling and Dylan O'Callaghan got the goal for Celtic. The Hoops go to Newport Town or Holycross in Round 3 with a place in the Last 32 the prize for the winners.

The Park are also through after they beat Caherdavin 4-1 away from home. Mervyn Shalemba hit three and John Carmody the other in the win. The Tralee side will be at home to either Nenagh or Bridge United in the next round.

Killarney Athletic were very unlucky to lose out in extra time at home to Shannon Town. The game ended 2-2 at the end of normal time and it looked like it was heading for penalties when the visitors scored the winner with the last kick of the game.

Killorglin also went out as they lost 3-1 at home to Charleville. Stephen O'Loughlin got their goal.

INTER KENMARE GO OUT OF GIRLS NATIONAL CUP IN CORK

Inter Kenmare Girls put in a good performance away in Cork going down to a strong Carrigaline United side in the FAI U14 Women's National Cup. Chloe Cremin got the Inter goal with Lucy Daly and goalkeeper Cliona Daly also playing well for the Kerry side.

League Reports:

POINT KEEPS KILLORGLIN TOP OF THE 12 PREMIER

Iveragh United and Killorglin could not be separated in their JK Sports 12 Premier clash. Ben Levy scored the two Killorglin goals that gives them the point to keep them top of the table on 7 points.

James O'Brien and Finn Barrett were on the mark for Iveragh United. This is the third draw from their three games for the South Kerry boys.

Inter Kenmare have also moved onto 3 points as they defeated LB Rovers. The game was tied 1-1 at the break but Inter took over in the second half. Zach O'Shea and Cathal Kelliher both scored two each with Jack O'Sullivan getting the fifth. Michael Houlihan replied for LB Rovers.

Four sides on 6 points at the top of Division 1:

The JK Sports 12 Division is certainly a tight division as this early stage. Four sides are on 6 points after the weekend's games.

Listowel Celtic were already on 6 points and stayed on that mark as they went down to Killarney Celtic B who are now on 6 as well. Vishnu Mandaran and Jack Tangney both hit 2 each for Celtic with Lucas Sowerby getting the fifth. Aaron Kennelly, Aaron Carey, Oisín Healy and Ciaran Clarke were the scorers for Listowel Celtic A.

Castleisland are another side on 6 points after they got the better of Tralee Dynamos B. Castleisland had a strong first half leading 4-0 and wrapped up the win in the second half. Jack O'Donoghue 2, Finn Dolan, Killian Dennehy, Jack Joy and Ben O'Donoghue were the scorers for the winners.

Killorglin B remains on 6 points after they went down to Mastergeeha who picked up their first three points of their campaign. Kieran Nagle 2, John Hughes, Liam Horgan, Diarmuid Furlong and Darragh Moynihan were the scorers for the Kilbreen side. Mathew O'Loughlin replied for Killorglin B.

Dingle Bay Rovers were playing their first game of the campaign and they started with a 5-2 home win over Ballyhar A. James Horan hit a hat trick in the first half and added one more in the second half. Edgar Muftaliev got the other Dingle goal.

CAMP JUNIORS LEAD 12'S DIVISION 2 ON 9 POINTS

Camp Juniors maintained their perfect start to the 12's Division 2 with a late 4-3 win over Killorglin C. The teams were level at the break and still tied at 2 all with just 15 minutes remaining. But then Camp's Fionn Dario scored twice to give his side all three points. Paudie Fitzgerald and David Moore had scored earlier for Camp Juniors. Aaron Doyle and Adam O'Neill scored for Killorglin C while Alex Scannell got another late on but they ran out of time to find an equaliser.

Mastergeeha B are on 6 points after another close game. They saw of Killarney Athletic B 4-3 thanks to goals from Danny Coffey 2, Barry Collins and Adam Whitty.

MEK opened their campaign in another game that ended 4-3. Their game with Ballyhar B was tied 2-2 at the break. For the Fossa based side

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON FILLING WINTER CONTAINERS

Now is the time to start filling your winter containers, pots and baskets. First thing to do is empty your pots of the summer display including compost and give it a quick wash inside. Then put some gravel around the drainage hole at the bottom of the pot. Now add some new compost and fill it about 2 inches from the top of the pot and firm it down but not too hard.

Next it's time to choose what plants you're going to use, first plant what will be your centre piece, which could be anything from a conifer to a grass, such as a phormium or if it's a very large pot or container you could choose something like a pyramid or a standard bay-tree which is a bit more expensive but you will have them for a long time.

Next plants to choose would be something trailing such as ivy or a Vinca and plant three of them like a triangle in the pot, in between these you can plant some primroses, polyanthus, winter pansy, cyclamen, etc and also you can plant some tulip or daffodils as well.

After planting remember to water in well.

**JOHN O'SULLIVAN, FOUR SEASONS GARDENING
SERVICES, KILLARNEY 087-2787160.**

Owen Bolger, Cian Fleming and Aaron Dinhan plus an own goal were just enough to give them the three points.

The Park B are also on 3 points following their 3-2 win at home to Listowel Celtic B. Odhran Kerins scored twice and Trey O'Brien added a third for the Tralee side that led 1-0 at half time. Cian Horgan and Ruairi McCarthy replied for Listowel Celtic B.

DINGLE BAY ROVERS LED 13'S DIVISION 1

There were two games played in the Daly's Supervalu 13 Division 1 during the week. In mid-week Dingle Bay Rovers moved onto 7 points from their 3 games with a 4-0 win over Tralee Dynamos. Paddy Ryan, Sean Roche, Ronan O'Conachuir and Aaron Hughes got the Dingle Bay goals.

On Saturday Listowel Celtic defeated Tralee Dynamos 5-1 with Cormac Dillon hitting 4 and Shane Horgan the 5th.

BALLYHAR UNBEATEN IN 14 DIVISION 1

Ballyhar have made the perfect start to the Quills Woollen Mills 14 Division 1 with 4 wins from 4 games. Their latest 3 points came thanks to a 5-0 away win at Killorglin B in a game where they were 4-0 ahead at the break. Stephen Palmer hit 3 and Aaron Burke 2 in the win.

Ballyheigue have opened their campaign with a big win over Inter Kenmare. Feilim O'Sullivan 4, Dara Kavanagh 2 and Eric Walsh were on the mark for the North Kerry side.

CASTLEISLAND GO JOINT TOP OF 14 DIVISION 2

With LB Rovers not playing Castleisland took the opportunity to join them on 4 points at the top of the table. Alex Kepp got both the goals for Castleisland.

Fenit and Killarney Athletic B shared the points following a 3-3 draw. Fenit led 2-0 at the break Robert Monaghan scored both to put them in control. Credit to Athletic they turned things around and led 3-2 thanks to goals from Teddy Muldoon, Cillian Courtney and Dylan Roume. But a late Fiachra O'Connor goal levelled matters.

RATTOO JOINT LEADERS THE WAY IN 16 DIVISION 1

Rattoo Rovers 4-1 away win at Dingle Bay Rovers sees them top of the Tralee Trophy World 16 Division 1.

Camp Juniors were too strong for Iveragh United with the winner's goals coming from Eoghan Lyne, Cian O'Grady, Adam Costello, Caolan O'Connell and 3 from Alex Connor O'Leary.

Mid-Week win for Killarney Celtic in Division 2: Killarney Celtic's first game in this Division saw them stop Park B from moving onto 9 points. Ruairi Dorrian, Mathew Fleming and Adam Griezic got the goals.

Mastergeeha saw off Fenit 2-1 with all the goals coming in the second half. Chris Moynihan opened the scoring 10 minutes into the second half after he swept home a corner. Ian O'Connor made it 2-0 with ten minutes to go before Edward Stack pulled one back late on. But Mastergeeha were not to be denied their second win from their two games.

MEK boys worked hard and everyone stood out at one stage or another. The lads were 3-0 down early on but never panicked. A little more composure in front of the goal and the result could have been different. The coaches were very proud of the boys for their first outing. Next up the lads play Dingle at home next Saturday at 12.

U14:

MEK 6 - KILLORGLIN B 1

Another friendly match took place last weekend and Eddie Moroney scored a hat-trick with Sam Griffin, Conor Harty and Kevin Durant also on the score sheet. Well done lads. Next up the lads take on Listowel Celtic on the 28th at home at 1pm.

this local derby. The visitors started the better and went a goal up early on. However the boys battle hard and got a deserved equaliser just before the break when Donagh Fahy finished well. In the second half both sides created some chances before the visitors took the lead in the 50th minute. After this Mastergeeha pushed forward with Colin O'Leary and Darra O'Callaghan having good efforts saved. All played well.

MASTERGEEHA 2 FENIT SAMPHIRES 1

The lads made it 2 wins out of 2 in the league and moved up to joint top following this tough battle against Fenit. An even 1st half finished scoreless but the deadlock was broken by centre back Chris Moynihan 10 mins into the 2nd half when he swept home a Philip O'Leary corner. The lads doubled their lead with 10mins to go when Ian O'Connor bundled home

following good work again by O'Leary and although Fenit scored in the final minutes the lads held on to claim the points and continue their good start to the season.

IMPRESSIVE START FOR KRFC UNDER 16'S

Killarney U16 Rugby team opened the new season with an impressive 47-0 victory over Abbeyfeale. The squad that lined out on the day were Matt McAuliffe - solid in the scrum and in the carry. Brendan O'Donoghue - made some great line breaks. Odeniz Koyun - a powerhouse who's ball ripping was a joy to behold. Adam McSweeney who showed incredible pace. Evan Mannix and John McCarthy controlled the line outs and were strong in defence. Padraig Talbot at No. 7 was instrumental in so many moves along with our Captain No 8 Craig McKensie Vass who led the rampant pack. Peter Walsh tackled aggressively and kicked some wonderful conversions. Out half Dion O'Neill kept the backline on the front foot and provided some great ball to the centre partnership of Mark Sheahan and Jose Ferrero (MOTM) who used their fast hands to release the ball. The wings were very busy with some great line breaks from Donnchadh Grealy and fingertip handling from Jack O'Connell. Full back Liam Randles used his pace to good use and held the last line of defence. Sam Casey when introduced was relentless in his tackling and Cian Murphy came on at full back and showed his quick mind and feet with some well taken clearances. Tomas Clifford also appeared and was hungry to show his speed and took his try very well. Adan Cronin, Josh Campbell and

James Kennelly also made their u16 debuts. The introduction of rolling subs for this season gives a great opportunity for all players to showcase what they are learning on Tues and Thurs nights. Try scorers on the day were Dion O'Neill, Peter Walsh, Adam McSweeney, John

DR CROKES AND SOUTH KERRY RENEW RIVALRY IN GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP FINAL

JOHN O'LEARY LOOKS AHEAD TO SUNDAY'S GAME

DR CROKES GAA SQUAD PICTURED ON HOMEGROUND FOR TRAINING AHEAD OF THE COUNTY FINAL AGAINST SOUTH KERRY. PICTURE MARIE CARROLL-O'SULLIVAN

Dr Crokes and South Kerry, two teams who built up a fierce rivalry in the noughties, bring the curtain down on another senior football championship season when they meet in the Garveys Supervalu senior football championship final at Tralee's Austin Stack Park on Sunday next. For very different reasons, neither side will need any reminding of those epic encounters when the Divisional side broke Dr Crokes hearts with three victories. In 2005, South Kerry won by 0-12 to 1-6 following a man of the match performance from Maurice Fitzgerald and in 2006 they completed a three-in-a-row of titles with a booming winner from Bryan Sheehan at the death and again in 2009 the Southerners prevailed once again by a point scored by Declan O'Sullivan.

Both sides have undergone some major changes since those halcyon days for the South Kerry side and of course, following the last of those galling defeats the Killarney side went on to claim four titles on the trot. Two years ago South Kerry claimed their 11th title following victory over another Killarney side, Legion, while last year of course Dr Crokes moved into third place on the Roll of Honour when defeating Kenmare District in the final.

That recent history between the sides will hardly count for much on Sunday next but Dr Crokes will know that South Kerry are the one side in the county who seem to have the Indian sign over them. Dr Crokes have not broken stride since being crowned All Ireland champions in March and their panel is the envy of every other club team in the country. They have the one commodity most other teams lack – scoring forwards – and in recent time the likes of Micheál Burns for example has stepped up to the plate in the scoring department. The availability or otherwise of Kieran O'Leary will have a big bearing on the outcome but Dr Crokes have the knack (and the backup) to overcome such losses that would spell disaster for any other team.

Staying with injury concerns, the loss of Killian Young to South Kerry with a pelvic injury will be a massive loss to the Divisional outfit. They do have some good young replacements in the defence such as the likes of Brian Sugrue and Robert Wharton but up front they will be concerned about the availability of team captain Denis Daly who of course has played League football for the county. South Kerry were put to the pin of their collar by Kerins O'Rahillys in the semi final in a game where they should really have been out of sight at half time and any such squandermania against the All Ireland champions will of course prove fatal. There will be a contrast in styles in Sunday's encounter and South Kerry are the one Divisional side who have proved over the years that the further they progress in the championship the better they get. Whether they are at a stage where they can go stride for stride with the country's best club side is one of the intriguing questions that will only be answered on Sunday next.

The final will be refereed by Brendan Griffin of Clounmacon.

SENIOR FOOTBALL CHAMPIONSHIP RELEGATION PLAY-OFF

The curtain raiser to Sunday's game is the Senior Football Championship Relegation playoff between Kerins O'Rahillys and Kilcummin. The senior football championship regulations passed in 2015 deemed that relegation from the championship would be based on a club's performance in the Club Championship. In that competition, Kenmare Shamrocks surprised O'Rahillys in Strand Road while Ratmore defeated Kilcummin by a point. Both then progressed to the Round 1 of the Relegation playoff where O'Rahillys were well beaten by Austin Stacks and Kilcummin went down to a heavy defeat at the hands of Dingle.

The losers of Sunday's game which throws in at 1pm, will play Intermediate football next season. Referee is Jonathan Griffin of

CO. FINAL MATCH DAY ARRANGEMENTS

Gates will open at 12 noon and Tickets will be available from the ticket vans adjacent to the ground. Tickets may also be purchased in advance from Supervalu and Centra stores around the county including all Garveys Supervalu stores, from the Pavilion in Austin Stack Park and from the Kerry GAA Store in the Outlet Centre in Killarney.

KEANES SUPERVALU KILLORGLIN MINOR FOOTBALL CHAMPIONSHIP FINAL EAST KERRY MINORS REIGN SUPREME

REPORT BY JOHN O'LEARY

EAST KERRY 2-14 ST BRENDANS 1-15

East Kerry are Keanes Supervalu Killorglin County Minor Football Champions for the third time in 5 years following a narrow two point victory over a gallant St Brendans side at Austin Stack Park today. The winners, who had a commanding 7 points lead at the break thanks to a dominant second quarter, had to withstand tremendous pressure from the underdogs in the second half and St Brendans were decidedly unlucky not to have at least earned a draw following a tremendous fightback.

With a host of All Ireland Minor and Colleges medal holders on board, East Kerry were odds on to win this final and with something to spare, and win it they did but they got the fright of their lives from a St Brendans side that refused to throw in the towel.

Brendans it was who got the better start and Eoin Greaney from a free and play had them two up before Brian Friel opened East Kerry's account in the 4th minute. Marc Kelliher was called on to make two fine saves in the East Kerry goal as Mikey Kelliher set up Jason Mortimer and then had a shot of his own saved during a good spell for the Brendans. David Clifford got East Kerry going with points from a free and play and then he did all the spadework before setting up Ian Roche for a goal which he punched to the net after Clifford crossed across the square in the 14th minute. Mikey Kelliher, who was very influential in the first half, replied with a point for Brendans but with Brian Friel dominating the centre, East Kerry forwards were getting a fine supply of ball and they reeled off 5 points in a three minute spell to go 1-8 to 0-3 clear by the 21st minute. Sean Donnellan and Eoin Greaney pointed either side of a Sean Doherty point for East Kerry before Cian Gammell put Ian Roche through for his second goal in the 27th minute. Brendans had the perfect response however when straight from the kickout Fergal Barry set up Eoghan McElligott for a goal at the other end. Dara Devine and Sean O'Leary swapped points but at 2-10 to 1-6 the odds certainly favoured East Kerry at the break.

With both Diarmuid O'Connor and Eoghan McElligott thundering into the game at midfield, St Brendans set about reducing the deficit with some gusto. Eoin Greaney made it a 5 point gap from play and free inside two minutes of the new half but Brian O'Regan had to make two fine saves either side of a Clifford free to keep St Brendans in the game. Still the underdogs were now dominating proceedings and after Dara Devine converted three frees on the bounce in as many minutes, there was just

THE VICTORIOUS EAST KERRY MINOR TEAM

a single score between the sides 2-11 to 1-11 with 41 mins gone.

With midfield possession drying up David Clifford was forced to move out to centre forward and he picked off a badly needed point for his side in the 42nd minute. Mikey Kelliher replied for St Brendans and then Clifford set up Sean Doherty but the Glenflesk man elected to shoot when a pass to an unmarked colleague would have been a better option – O'Regan made another fine save and when Greaney pointed a free it was a 2 point game, 2-12 to 1-13 with 10 to go. Cian O'Shea, again after good work by Clifford, increased the gap to three again and O'Regan in the St Brendans goal had another fine save from Darragh Lyne to keep his side in the hunt. East Kerry's obsession with goals almost cost them as Eoghan McElligott and Dara Devine (Free) reduced the margin to a point as time ticked over to the mandatory 4 minutes of added time. However, they were let off the hook by a Brendans side who had not kicked their first wide until the 47th minute, but as time ebbed they were off target twice from reasonable distances and angles and after he had a great chance to seal the issue with a blistering shot that went just wide of the butt of the post, David Clifford got the insurance score for East Kerry in the 64th minute.

So, while they certainly deserved their win, East Kerry will in time look back on this game as one that could very easily have gone the other way. On this occasion, Clifford certainly got a run for his money for the Man of the Match award from the likes of comrades Paul O'Shea and Brian Friel (first half) while the losers had outstanding displays from goal keeper Brian O'Regan, Niall O'Mahony who did as well as anyone has done on Clifford, and midfielders Diarmuid O'Connor and Eoghan McElligott.

After the game, County committee Chairman Tim Murphy presented the Frank King Cup in the presence of his daughter Breda King, to

U16 BOYS

Minus the service of some regulars the U16
boys acquitted themselves very well against
Rathmore in the East Kerry Championship.
In a tight game played in Direen scores were
hard earned and it was only the final moments
that Rathmore hit the front with 2 points in
as many minutes. With the score at 0-4 to 0-3
at halftime it was still level at 0-6 apiece with
5 minutes to go before Rathmore got the all
important scores. Next up now is a date with
Gneeveguilla this weekend with the winners
facing Rathmore in the final. A very competitive
championship with 3 of the top 6 teams in the
county all still involved, whoever wins out with
certainly earn their corn.

SATURDAY MORNING ACADEMY

Our troops had a busy weekend just gone
when they travelled to Connolly Park to play a
series of games on Sunday morning with Austin
Stacks. Our U10 boys had a double date as they
spent Saturday having a most enjoyable day

all round. The Academy finishes on Saturday
October 28th with a visit from Cian Gammell
and a certain Tom Markham Cup.

U10 BOYS

History was made on Friday night 13th Oct in
Spa when the official first match was played
under lights with an U10 blitz. This was well
organised by Ivor Flynn, Chairman of Spa
Coiste na nOg and the u10 coaches and
parents. 4 clubs took part in this fun blitz.
Spa, Rathmore, Dr Crokes and Glenflesk. The
talent was abundant in this competition. Spa
ran out the eventual winners defeating a very
strong Rathmore side by a last minute goal to
win by the narrowest of margins. Thanks also
to referees Pat O'Neill and John O'Neill and to
all the umpires etc. Special mention to field
committee chairman Michael Cronin and Pat
Herlihy for getting the pitch ready. A brilliant
nights entertainment with a great crowd to
support our young future stars.

U12 BOYS

Played their final East Kerry game at home
today. This game was also the boys final game
of the season. Due to the lack of numbers by
Firies we were only able to field one team, which

meant nearly all our panel which is close to 30 players were used in this game. The boys came up short on this occasion. The boys cannot be faulted for skill, heart, determination and effort. The season is now over, and the coaches were very happy with the way the boys performed in all their training sessions and all their games. The coaches would like to thank the boys for all their time and effort, also the parents for all their support throughout the season.

SENIOR LADIES

SPA 3-13 MILLTOWN/LISTRY 2-9

Well done to the senior ladies who reached another final this year. They defeated Milltown/Listry in the semi final in Listry in another cracker of a game. This was their fourth time meeting the opposition this year. They meet either Austin Stacks or Currow in the final.

EAST KERRY ARE KEANES SUPERVALU KILLORGLIN COUNTY MINOR FOOTBALL CHAMPIONS

East Kerry are Keanes Supervalu Killorglin County Minor Football Champions for the third time in 5 years following a narrow two point victory over a gallant St Brendans side at Austin Stack on Saturday last (2-14 to 1-15). The winners, who had a commanding 7 points lead at the break thanks to a dominant second quarter, had to withstand tremendous pressure from the underdogs in the second half and St Brendans were decidedly unlucky not to have at least earned a draw – they passed up two glorious chances to level the game in the final minutes - following a tremendous fightback. With a host of All Ireland Minor and Colleges medal holders on board, East Kerry were odds on to win this final and with something to spare, and win it they did but they got the fright of their lives from a St Brendans side that refused to throw in the towel.

After the game, County committee Chairman Tim Murphy presented the Frank King Cup in the presence of his daughter Breda King, to winning East Kerry captain Ian Roche while sponsor Peter Keane presented East Kerry's David Clifford with the Man of the Match trophy.

COUNTY COMMITTEE MEETING

The October meeting of the County Committee, due to take place on Monday night last but postponed due to the inclement weather, will now take place in Austin Stack Park on this Wednesday evening (8pm).

FARRANFORE MAINE VALLEY ATHLETIC CLUB

On Sunday 15th October the Juvenile Even Age Relays, Senior & Junior Cross Country Championships were held in Killorglin, hosted by Star Of The Laune AC. Weather conditions were ideal in what was a testing course with undulating hills, soft sections and the odd down hill.

In the Juveniles first up was the U10 4x250m Relays. The team was made up of Rhian McCarthy, Jessie Lynch, Grainne Costello & Rachel Boyle. They all ran exceptionally well to win gold with a very comfortable lead. The U10 Boys made up of Kevin O'Shea, Tyrnan Lynch, Isaac & Ryan Vickers had a good run to come in 2nd place taking silver. U12 4x250m Girls race we had Doireann O'Shea, Niamh O'Shea, Meabh Dineen and Sadhbh Teahan. Most of these girls were out of age but ran an impressive race to finish outside the medals. U14 4x500m Girls we had Shauna & Eabha McCarthy, Elaine McMahon & Ellen Kelliher. They were up against some very tough competition and finished outside the medals. The U14 Boys did well to finish in 2nd place. The team was Cian Spillane, Malachy & Diarmuid Kirwan & Cormac Costello. Our U16 3x500m Boys did very well to finish in a comfortable 1st place. Their was some very impressive running by Conall O Mahony, Michael Brosnan & Thomas Clifford. Great to see so many teams out representing our club on the day.

The Senior Women's 5000m race was 3 laps of the course. We had eight ladies competing. Maria McCarthy running strong from the start took second place position behind Shona Heaslip of An Ríocht AC. Just behind Maria was Niamh De Hora in fourth place, Mary Daly 5th, Catriona Barry 6th and Marie McKenna 7th. Mary O'Shea 13th, Grainne Tierney 14th, Julie Dean 19th. Our club picked up two team medals Team A Gold and Team B bronze. An outstanding performance by everyone. There was a big turnout for the Men's 10Km, 6 lap race. We had six competing. George

McCarthy was first to finish in 5th place overall. Next was Dermot Dineen in 8th, Artur Fitzgerald 10th, Brendan Lynch 15th, Garvin Cronin 17th & Denis Riordan 18th. With some very gutsy running the six men took silver team.

This was a very successful county cross country championships for the club. We are not one of the largest clubs in the county, but we had a great turnout in both Juvenile and adult level. It was great to see so many teams in all age categories competing and doing so well. This would not have been possible only for the hard work of our chairman, Jerome Crowley, who works tirelessly all season in bringing everything together. A special thanks also to our head coach, Maria McCarthy and her assistants, Sean O'Shea and Eileen Myers.

We will now be focusing on the Munster events. The Munster Juvenile 'B' and Intermediate XC will be held in Beaufort on Sunday 3rd December. This will be our main focus over the next month and it is a great event for newcomers to get experience in competing at Munster level.

KILLARNEY RFC NEWS

U14

Last Saturday our U14's took on Corcha Dhuibhne at Aghadoe with the home side winning 51 points to 20 in a convincing performance. Killarney's running attacking play proved to be the difference between both teams. However in the second half, the visitors upped the tempo testing the home teams defence with two late scores. Noteworthy performances from try scorers Rian Colleran,

Darragh Looney and Jack Kenneally proved the difference between the teams. With two wins from two, Killarney face the challenge of Abbeyfeale away next Saturday at 11am.

U16

After the "summer" break, the U16 team took to the pitch for the start of the Munster U16 conference league against Abbeyfeale. This was expected to be a tough game against a team that we have come up against on several occasions over the last few years. The weeks of training was evident from the outset with some great plays from the Killarney side. After the initial few contacts Killarney started to get to grips on the game. Killarney settled well into the game and played an attacking game. Every player played their heart out and contributed to a fine team performance. The final score was 47 - 0. The squad that lined out on the day were Matt McAuliffe, Brendan O Donoghue, Odeniz Koyun, Adam McSweeney, Evan Mannix John McCarthy Padraig Talbot Captain No 8 Craig McKensie Vass Peter Walsh Dion O Neill Mark Sheahan and Jose Ferrero Donnacha Grealy Jack O Connell. Liam Randles Subs Sam Casey Cian Murphy Tomas Clifford Adam Cronin, Josh Campbell and James Kennelly also made their u16 debuts. The introduction of rolling subs for all players to showcase what they are learning on Tuesday and Thursday nights. What was really positive and commented by all was that every time a sub came on the standard and consistency of play never waned. Try scorers on the day Dion O Neill, Peter Walsh, Adam McSweeney, John McCarthy, Liam Randles, Tomas Clifford, Craig McKensie Vass, and Ozeniz Koyun.

U18

The amalgamation of Killarney, Killorglin and Corcha Dhuibhne, known as South Kerry hosted Newcastlewest/Estuary in Killorglin and lost 32 to 10 in a excellent match between two highly committed teams. South Kerry will improve as the cohesion increases and can be very proud of this performance and optimistic of the future. Next weekend the lads are away to Listowel.

5 HUMAN ACTIVITIES ARE CONTAMINATING THE WORLD'S WATER SYSTEMS AND DISRUPTING WILDLIFE

*Chemical runoff from farms has caused 400 dead zones around the world and is leaching into nearby streams, waterways and groundwater, killing thousands of insects and fish. The presence of fertilisers in the water alters nutrient systems, resulting in explosive growths of algae that produce harmful toxins and deplete the water of oxygen, and as a result little or no marine life can exist.

*Noise pollution is driving animals to extinction - sound waves from ships, sonar devices and oil rigs can travel for miles disrupting migration, communication, hunting and reproduction patterns of many marine animals. The deafening noise of gas and oil explorations are so loud that they are causing devastating effects to the sea life residing in our world's oceans such as mass strandings, reckless diving, the inability to find food and chronic stress. Extreme noise pollution has been known to kill hundreds of dolphins and whales at a time, many of which are already on the brink of extinction.

*Cruise ships dump more than 250,000 gallons of wastewater and sewage every day. Current regulations allow cruise ships to legally dump untreated sewage and other waste once the ships are three miles from shore. This toxic waste is discharged directly into the ocean and contains bacteria, pathogens, medical waste, oils, detergents, heavy metals and other harmful substances, all of which are putting aquatic life at risk.

*Acid rain discharges toxic amounts of aluminium into the water systems. When water in the atmosphere mixes with certain chemicals, in particularly those omitted from burning fossil fuels, acidic compounds are formed. Acid rain has been linked to many serious adverse effects on ecosystems, especially aquatic ecosystems on which it falls. Through the discharge of toxic amounts of aluminium into the water, pH levels are altered, killing many animals outright and throwing delicate ecosystems out of balance.

*More than a million sea birds and mammals are killed each year by ingestion of plastic.

You can help to protect the planet and sustain the world's ecosystems by supporting environmental groups that are fighting to put a stop to these harmful practices, as well as by making your own conscious decisions regarding waste management, harmful chemicals and earth friendly alternatives to your everyday products.

FAVOURITE TOYS HAVENT CHANGED A LOT IN 5,000 YEARS

Excavating the ancient city of Sogmatar, Turkey which is believed to be among the world's oldest settlements archaeologists unearthed a 5,000-year-old earthenware toy horse, carriage and its wheels as well as a rattle with a bird motif buried along with a child.

The toy dates back to the Bronze Age and is thought to have been produced for the children of kings or administrators in the city.

THE TAXIDERMY REMAINS OF DOLLY, THE FIRST MAMMAL EVER CLONED FROM AN ADULT CELL ARE ON DISPLAY IN EDINBURGH

Though Dolly the Sheep looks like any of the other woolly creatures that fill the Scottish countryside, she's actually an extra special specimen. She was the first cloned mammal ever to be created from an adult cell.

The sheep was a scientific marvel. Her successful arrival into the world brought her international fame within the scientific community. Before Dolly, the idea of cloning an adult mammal was pure science fiction.

Dolly was created from the mammary gland of a sheep and was named after country singer Dolly Parton, the sheep was born in 1996 at the University of Edinburgh's Roslin Institute. Despite the fact that her life began in a test tube and she technically had three mothers (one sheep provided the egg, another the DNA, and another carried her embryo), she lived a fairly normal life and gave birth to six lambs over her lifetime. She died in 2003 after developing tumours in her lungs and her stuffed remains are now on display in the National Museum of Scotland in Edinburgh.

A MOTHER ACCIDENTLY DISCOVERED HOW HER BULLIED SON SPENDS HIS MONEY

Homelessness is a worldwide epidemic that continues to grow at alarming rates. Liam Roberts, a 15-year-old from Norris Green, a district in Liverpool, not only believes that homelessness should not be a problem; he has dedicated his time and money toward helping these less-fortunate individuals.

A victim of bullying, Liam knows what it's like to be picked on, just as so many homeless people are subjected to on a daily basis. Because he "hates to see people suffering" he took it upon himself to get involved and lend a hand.

Liam is given £5 weekly by his mother. Instead of spending it on snacks, gadgets, or even saving up for the latest game, Roberts uses his money to buy the ingredients for a fish-based stew that is popular in Liverpool called "Scouse." Monthly, Liam cooks the dish from scratch, separates it, and writes "God bless, Stay safe" on the top of each container. Then, he takes the batches down to the local homeless charity to be distributed alongside other community volunteers.

Liam was spotted by his mother lugging heavy bags to the soup kitchen. When asked, he explained what he had been up to and his mother is immensely proud of her young man.

BRIDAL PARTY DITCHED BOUQUET, GUESTS AWESTRUCK BY WHAT THEY WALKED DOWN THE AISLE CARRYING INSTEAD

As Samantha Clark's five bridesmaids marched down the aisle at her outdoor wedding, all eyes were on the delightful alternative "bouquets" they were carrying.

Inspired by an idea she found on Pinterest, Ms. Clark decided that there was something more fitting for her wedding than flower bouquets. That's when she called AHeinz57 Pet Rescue and Transport to enquire if there was any way she could get her hands on six puppies for her wedding day. The shelter was more than happy to oblige and Ms. Clark and her bridesmaids each held an adorable, cuddly puppy in their arms as they walked down the aisle. Ms. Clark said that her bridesmaids "were in heaven" with the puppies and that the guests "were in awe!" Ms. Clark who is from Iowa wanted her special day to help support something she cares about deeply: pet adoption.

At the wedding reception, a AHeinz57 booth was made available to guests in case they were interested in adopting a dog of their own and several applications were submitted that day.

THE TROVANTS STONES OF ROMANIA

"Trovant" is a term used in Romanian geology to describe the spherical cement clumps of sand that were created during seismic activity nearly six million years ago, there are several locations in Romania that contain them, but Costesti which is only a small village is said to

have the most impressive variety. When the stones come in contact with water, they grow in size as if they're alive. Depending on each one's size, heavy rainfall allows them to expand anywhere from a few millimetres to several meters in diameter.

Scientists believe the reason for the expansion is largely due to the high mineral-salt content in the sediment that lies underneath the hardened exterior. When the surface of the rock gets wet, the chemicals spread, which puts pressure on the sand to expand.

Trovants have also been known to move locations on their own, much like the famous rocks in Death Valley that slide through the sand unassisted. They move at an incredibly slow pace, but they do it on their own.

The Costesti Museum in Romania was created to protect these unusual geological formations, and it attracts tourists from all over the world.

A massive earthquake is believed to have created the first group of trovants. The seismic activity broke apart thousands of tons of stone, and large amounts of sediment hardened on top of stones lodged in thick sand beds.

STREET SCHOOL SET UP BY A 12 AND 15 YEAR OLD BROTHER AND SISTER

With the rise of costly private schools for middle to elite class children in Pakistan, those who are underprivileged are often forced into working as street beggars, with education being left behind.

When 12-year old Shireen was approached by a young girl at a traffic light, who instead of asking for money requested Shireen to teach her, she realised something needed to change. Deeply affected by this encounter she decided that she would do something about the state of public education in Karachi but her initial intention of a small session eventually turned into a full-scale school with multiple branches spread throughout the city with the help of her elder brother, 15-year old Hasan.

Together, they run their school six days a week from 4 – 6pm and teach the students multiple subjects, including English, math, and the local language Urdu. They also hold exercise classes as well as fun activities and games on Saturdays. The youngsters are aided by teachers who help around the school and who are also paid for their contributions.

Initially, The Street School was funded by a non-governmental organisation but is now run completely on the two youths own expenses. The inspiring brother and sister team also distribute snacks around the school which further encourages these children to continue coming and learning. The local community has also gotten involved by providing funds and donations, as well as cold refreshments and umbrellas to beat the heat. A pick and drop van service has also been set up by the sister and brother to alleviate travel expenses for students coming from far off places within Karachi.

MAN SUED DRY CLEANER FOR \$54 MILLION FOR LOSING HIS PANTS

Many people have lost items at the dry cleaners. Stuff happens. We get mad, and maybe demand the dry cleaner reimburse us for the cost of the lost clothing. But when a

Washington, D.C., dry cleaners lost Judge Roy Pearson's pants, Pearson sued the business for \$54 million. In Pearson vs. Chung, Pearson argued a "Satisfaction Guaranteed" sign hanging in the cleaners entitled him to an enormous award. The judge hearing the case disagreed, ruling in favour of the dry cleaners. The Korean immigrants who ran the cleaners suffered devastating financial losses defending the litigation.

SIMON - THE CAT WHO BECAME A WAR HERO

Simon the cat lived aboard the HMS Amethyst during the infamous Yangtze Incident, a 101-day siege that trapped the British frigate on the Yangtze River during the Chinese civil war in 1949. Simon killed rats that threatened the ship's food stores, and greatly boosted morale among the stressed sailors.

Simon was gravely injured when the ship came under fire, but he received a hero's welcome when the Amethyst docked in Great Britain on Nov. 1, 1949. Sadly, Simon died three weeks later, but officials buried him with full military honours. Simon was posthumously awarded the PDSA Dickin Medal, given to animals for heroism in war. That's the animal equivalent of Britain's prestigious Victoria Cross.

*Heroin was once a perfectly acceptable medicine prescribed by doctors for everything from coughs to headaches.

*Ronald Reagan is best known for being U.S President and acting in numerous films, but he was also a lifeguard, who saved 77 people from drowning.

52 YEAR OLD FEMALE MASON HELPING TO REBUILD NEPAL

Newly-qualified Dilkumari Neupane is a mason now in charge of rebuilding collapsed houses in Rasuwa District, Nepal, two years after the

devastating earthquake which killed 9,000 people.

The earthquake left many women without their husbands and homes, leaving the burden of providing for a household firmly on their shoulders.

Women like Ms. Dilkumari are rebuilding their futures supported by local organisation Lumanti, funded by British aid agency CAFOD, they have gained a range of masonry skills needed to construct earthquake-resistant buildings and since completing the training, she now leads a team of both male and female trainees.

The married mother of 6 children and grandmother of 1, trained to be a mason so she could earn more money to support her family and now that she is qualified earns 300 more rupees per day than before – bringing her salary up to 800 rupees per day, on a par with her male counterparts.

With the additional money she is earning and her newly acquired skills Ms. Dilkumari also hopes to rebuild her home which was destroyed in the earthquake.

LUXURY FASHION HOUSE WILL SELL ITS REMAINING FUR ITEMS IN AN AUCTION WITH THE PROCEEDS DONATED TO ANIMAL RIGHTS ORGANISATIONS

Italian Fashion giant Gucci has committed to being fur-free from next year, starting with its spring-summer 2018 collection, the luxury brand's president and chief executive, Marco Bizzarri has stated.

Mr Bizzarri said: "Being socially responsible is one of Gucci's core values, and we will continue to strive to do better for the environment and animals, the brand will no longer use any type of animal fur including, coyote, mink, fox, rabbit or karakul, which is a breed of domestic sheep. Mr Bizzarri said the change could be made in part thanks to Gucci's creative director, Alessandro Michele, who joined in 2015. "I wanted to find someone who shared a belief in the importance of the same values. I sensed that immediately on meeting Alessandro for the first time," Mr Bizzarri added.

The fashion house's remaining fur clothing will be sold in an auction with the money made donated to the animal rights organisation Humane Society International and LAV, an organisation that initiates legal actions to assert animal rights.

As part of the change, Gucci will also join the Fur-Free alliance, a group of international organisations that campaigns for animal welfare and encourages that alternatives to fur are used by the fashion industry.

A WORD OF VICTORY

Welcome back dear reader train up a child in the way they should go and when they are old they will not depart from it (Proverbs 22:6). Those of us who are adults have been trained up from birth in a particular way, and as we have grown older we have put our trust in what was handed on to us and it's called faith. Because of this people trust in the world's system and things handed on from parents, teachers and from the media, but if the foundation is not based on God's Word, it's a false faith which will produce nothing of benefit. Jesus taught us that faith comes from hearing and hearing God's Word (Romans 10:17). Thankfully today in true Christian circles children are being taught the rules and the principles of Kingdom living, and when they hold fast to those teachings and apply them in their day to day living they see that the Lord can be trusted because the faith they are building produces the promises of God such as good health, peace and joy, prosperity and the assurance of an everlasting reward in the hereafter. Fear, stress and worry have no power over such people. Right throughout Scripture when God spoke to people His first command was to 'fear not' – do not be afraid, so when God says it there must be a way for us to live free from fear, stress and anxiety. The problem is that the adults not trained up to trust the Lord find it difficult to shift from their old system into God's way of doing things. Usually the change happens when a sickness or some crisis hits, and they begin to realise that the way the world deals with issues will not bring victory or lasting peace over the negative circumstances they are facing. It's only when one begins to hear the Scripture having turned to the Lord will His Word produce lasting change for the better (Mark 4:9-20). At Word of Victory today we see the young children who are being instructed in the Word of God being taught to pray properly and take this light with them as they grow older. The answer really is not in pills but in God's Pill - the Gospel. The Lord never said we wouldn't have trials – but in His strength we overcome the trials (John 14:27). It takes trust in the Lord to achieve victory and it's for you too friend! (Proverbs 3:5-7) More next week....

PRAYER FOR HEALING

Heavenly Father, I call on you right now in a special way. It is through your power that I was created. Every breath I take, every morning I wake, and every moment of every hour, I live under your power.
Father, I ask you now to touch me with that same power. For if you created me from nothing you can certainly re-create me. Fill me with the healing power of your spirit. Cast out anything that should not be in me. Mend what is broken. Root out any damaged cells. Open any blocked arteries or veins and rebuild any damaged areas. Remove all inflammation and cleanse any infection.
Let the warmth of your healing love pass through my body to make new any unhealthy areas so that my body will function the way you created it to function.
And, Father restore me to full health in mind and body so that I may serve you the rest of my life.
I ask this through Christ, our Lord
Amen.

1ST ANNIVERSARY & ACKNOWLEDGEMENT

In loving memory of
**CATHERINE REIDY
(NEE HORAN)**
Dulague Castleisland
who died on the 26th October 2016

Rest In Peace

As we deeply miss and lovingly remember Catherine, on this the first anniversary of her passing, her husband John, sons Shane, Denis and Mark, mother Maura, brothers Fr. Mike, Moss and Paudie and sister Carol would like to express our heartfelt thanks to all our relatives, friends and neighbours who supported and comforted us in so many ways during this sad and difficult time.

We wish to express our deepest gratitude to everyone who called to our home, brought food and refreshments, attended the Rosary, Removal, Requiem mass and Burial and to all who travelled near and far to show their support. To all those who sent mass cards, mass enrolments, letters of sympathy and phone calls, we appreciate your kindness. Sincere thanks to all those who made donations to the Palliative Care Unit, University Hospital Kerry, in her honour. A sincere thank you to those who cared for Catherine both in hospital and at home most especially to the Oncology Unit, Dr. Patricia Sheehan and her team in the Palliative Care Unit, her GP Dr. Anita O'Sullivan, her home help Noreen Keane, the public health nurses, the homecare team and to all the staff in the Aghadoe Ward UHK who looked after Catherine so well in her final days. We will be forever indebted to them. Also thanks to Breda and Catherine's work colleagues at Crowley's Pharmacy whose support will never be forgotten. Many thanks to Joan the Sacristan, to Fr. Dan O'Riordan for his support to Fr. Mike in receiving Catherine's remains into the Church and during the funeral mass. A sincere thanks to Fr. Pat Crean Lynch, Fr. Denis O'Sullivan and Fr. John Kerin who also concelebrated at Catherine's requiem mass. Thanks to Denis, Orlaith and Morgan for their outstanding music which really enriched the mass.

A sincere thanks to Mary, Bernard and Anne-Marie of Tangney's undertakers for their kindness, professionalism and the dignified manner in which they carried out the funeral arrangements. Also thanks to the grave diggers for preparing Catherine's final resting place.

As it would be impossible to thank everyone individually, please accept this acknowledgement as a token of our gratitude. The Holy Sacrifice of the Mass has been offered for your intentions.

Catherine's first anniversary mass will be celebrated on Saturday the 28th of October at 6.15pm in St. Stephen and John's Church Castleisland.

LETS PRAY TOGETHER INTO THE WORD

Let's Pray Together In The Word
Mathew 10(37) whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me.
Romans 8(35,38,39). Who shall separate us from the love of Christ? ...neither death, nor life...nor things present, nor things to come...shall be able to separate us from the love of God, which is in Jesus our Lord. Love is such a power in people, but the Devil knows this and captures and holds it. Our hearts are strong and sensitive of our nature.. This is where we are blessed and opportunities for self denial happen. Relationships where we might stray from Gods path. Love of home and friends that might influence the plans of God. Lord I pray I will deny myself of these things. Amen

For Prayer Requests.
