LADIES CREWS HONoured AT REGATTA LAUNCH

The Muckross ladies crews of 1981, 1982 and 1983 were honoured on Monday night last at the launch of the 234th regatta which will take place on Sunday June 30th.

"On behalf of the Killarney Regatta Committee I wish to thank all who attended the launch and presentation night at the Killarney Avenue Hotel", Kathy Brosnan, PRO told the Killarney Outlook.

"Thank you to all our sponsors, without your support this special day would be difficult to run. We had the pleasure of honouring the Muckross ladies crews of '81 '82 and '83 and all the ladies attended. Two of the girls travelled from Cork on the night to share lots of memories and laughs of 38 years ago. I can see why these ladies had the winning streak as they still have a great energy and comradery

together", Kathy said.

The late James Mulligan Cox was fondly remembered on the night by all the girls.

Chairman of the Killarney Regatta Committee, Pat Cronin told lots of yarns and facts of rowing at that time including that there were very few races for ladies to enter.

In fact 1982 was the first year the Ladies Fours was introduced and the Muckross Ladies rowed it to victory.

President John O'Leary was there to present the trophies and no doubt will be on the judging stand at our Regatta Sunday 30th June.

All five Regatta Queen representatives were in attendance and will go forward for one of them to be crowned Regatta Queen 2019.

The Killarney Regatta will take place on June 30th next

TEMPORARY ROAD CLOSURE BETWEEN TORC AND DINIS

The N71 Ring of Kerry road between Torc Waterfall and the carpark for Dinis Cottage will be closed to all traffic from Monday, 24 June 2019 to Friday, 5 July 2019. The purpose of the closure is to facilitate emergency repairs to a section of the retaining wall and road at Dinis. The contractors engaged will also be carrying out night-time work to minimise the duration of the road closure. A diversion will be in place via the N22 (Cork Road) and Kilgarvan (R569) and advisory signage will be erected. Access will be maintained from Killarney to Muckross House, Torc Waterfall and the 'Cardiac Steps' walkway. Access to Ladies' View and Moll's Gap

will be maintained from the Kenmare/Sneem side. Businesses affected by the closure will be kept fully briefed on the works. Kerry County Council, in consultation with the contractor, is endeavouring to minimise the duration of the road closure, in particular for local businesses, tourism operators and the upcoming Ring of Kerry Cycle which is scheduled to take place on Saturday, 6 July 2019. Regular updates will be provided through local media, social media and the council's website. Kerry County Council regrets any inconvenience this road closure may cause.

GOLDEN JUBILEE CELEBRATION OF FR TOMÁS O LUANAIGH P.P. FOSSA.

A ceremony to mark the Golden Jubilee of Fr. Tomás O Luanaigh took place in "Christ, Prince of Peace" Church, Fossa on last Saturday night the 15th of June followed by a night of celebration in the local community centre. The Eucharist ceremony was organised by Fr. Tomás. The Parish Pastoral Council along with help from other Church groups co-ordinated the rest of the event. A special thanks to Catherine McCarthy for providing and preparing the food. Fossa school parent's council helped to serve the food on the night and also decorated the hall for the occasion which was adorned with art work produced by each class from the local school.

The Mass was concelebrated by Fr Tomás, his brother Fr Donal, Bishop Ray Browne, eight Priests, one Deacon and a team of Altar servers and was enriched by the choir, vocalists and organists. Fr Tomás's family presented the gifts which included his love of history and sport. Fr Tomás referred to his 50 years in ministry since 1969 and he produced the first hat he wore when he started his Seminary training in Maynooth in 1962 to the applause of the packed congregation in the Church. This hat he continued had been purchased in Cleary's and gifted to him by family. He catalogued his life from his ordination in St Brendan's college in 1969 by Bishop Moynihan through his Parish ministry from Kerry to London and Peru and then back to Kerry and finally to Fossa in 2015. The chairman of the Parish Pastoral Council,

Fr. Tom Looney pictured on the occasion of his Golden Jubilee last weekend.

Billy Mangan welcomed Fr Tomás's family to the celebration in the community centre and commended Fr Tomás on his 50 years dedication to the priesthood. He was then presented with a gift of a landscape painting by Olivia Ni Carra from the people of Fossa Parish and afterwards Fr Tomás cut a beautifully decorated Golden Jubilee cake which was baked by Margaret Myers.

The Kelleher family provided the music and Fr Tomás gave a beautiful rendition of "Óró, sé

do bheatha bhaile" which was enjoyed by all. The entertainment continued with music and dancing to the "Sliabh Luachra" set. A special word of thanks to the voluntary organisations in the Parish who financially supported the purchase of a gift for Fr Tomás. The community wish Fr Tomás a full recovery and continued success with his upcoming treatment.

Comhghairdeas le Fr. Tomás.

Go bhfága Dia do shláinte dhuit.

CONCERNS RAISED OVER RIVER DEENAGH

At the recent May 2019 meeting of Killarney Municipal District, Councillor Michael Gleeson proposed that:

(1) As I believe that the NPWS have stated that the situation / problem does not fall within its remit, has Kerry County Council made any progress in the matter of having the ever-growing 'island' adjacent to the Kingsbridge in the River Deenagh removed before it seriously impedes the river flow? Kerry County Council replied that a meeting has been arranged with the NPWS and Inland Fisheries Ireland in order to

progress this matter and hopefully bring it to a successful conclusion.

(2) I ask that Kerry County Council would update the members and the public on the situation regarding the present and future status of the land at Dirreen that is intended for use by The Kerry Stars. Kerry County Council replied that a Grant Application has been submitted under the Large Scale Sport Infrastructure Fund (LSSIF) for a development by the National Sports & Adventure Centre CLG at this location and a decision is awaited.

CREATIVITY TO THE FORE AT CRUINNIÚ NA NÓG

Killarney children and teenagers were among hundreds who enjoyed free cultural and creative events as part of Cruinniú na nÓg last Saturday.

Creativity was to the fore at all the events and workshops which were all well subscribed and feedback from participants has highlighted the demand for more creative activity choices for our young people in Kerry.

"Feedback tells us that there was a great choice of activity this year and parents were very pleased to be able to access quality free events for their children", stated Kate Kennelly, Creative Ireland Kerry Co-ordinator and Arts Officer at Kerry County Council, stated. The event was organised by the Arts Office at Kerry County Council and brought about as a result of Creative Ireland funding through the Department of Culture, Heritage and the Gaeltacht.

The Mayor of Kerry Councillor Niall Kelliher acknowledged the significance of the day

and the fact that in its second year there were hundreds of children and young people involved in events right across Kerry. "We are grateful to all our creative professionals, partners and venues who organised events in many towns across the county", Councillor Kelliher went on to say. Attendances were up on last year with some workshops over-subscribed.

Events at Inch Beach offered up not only creative fun but fresh air and fine appetites as a group of exuberant teens created large land art pieces on the beach. A drumming circle rounded off a day well spent in the open air. Events in Tralee, Killarney and Listowel were all well attended and a young group of filmmakers in each town got a quick immersion into the busy world of filmmaking through film, costume and stage make up information. One parent remarked "He is determined to make movies and you know I think today's workshop actually taught him the bones of how to do it". Visual art,

craft, puppetry workshops in Ballinskelligs, Cromane, Ballyferriter, Castleisland and Waterville were all well attended, and parents were pleased to see the results in exhibition form as well as creations ready to bring home. Siamsa Tíre ran an environmental drawing workshop with the apt title 'How to Save The World' where young enthusiastic participants responded using creative materials to the big questions affecting our world. The Wetlands had a great turn out to their pottery and bird making workshops and Kerry County Museum hosted a fully booked creative journalling workshop with Annemarie Ní Churreáin. Meanwhile Killarney House hosted five key events including performances, an exhibition and workshops with Ballet Poulet by the Fanzini Brothers a bit hit among younger audiences. Overall the day was a creative celebration across the county. With over 35 imaginative events in 13 locations, Cruinniú na nÓg is fast becoming a cultural force in Kerry.

Duck Race defies weather to make a BIG Splash

The Great Killarney Duck Race didn't disappoint on Friday night last as the Deenagh River on Port Road in Killarney became the race track for hundreds of yellow coloured ducks.

"It was a sight to be seen as 350 plastic ducks passed some of the native ducks that looked on bemusedly at their plastic counter parts" joked Derek O Leary, chairperson of Kilcummin Parents Association and one of the organisers of this fundraising event.

"We had a great turn out of about 100 people to cheer on the 350 ducks as they made their way from the playground

bridge to the main Deenagh bridge and this was in spite of a deluge of rain that fell, just prior to the start of the race - great weather for the ducks but not so good for the spectators" Derek went on to say.

The ducks took just 8 minutes or there about's, to cover the half kilometre distance with both banks allowing the gathered crowd to survey the race and to cheer on the ducks to their conclusion, with duck number 103 making it to the finish line in first place, closely followed by duck number 17 and 374. The temporary owners of the ducks were

Eoin Murphy (103) who won a family over night break in Kilkenny city, Aoibhe Sheehan (17) and Mary O Connor (374) who won a gift voucher each. Ava O Sullivan, bedecked in all things yellow won the best costume prize on the night.

"The Parents Association in Kilcummin wanted to run a fun family event that anyone could join in and we might generate some money along the way to support activities and facilities for the children in Kilcummin National School" Claire Troth, treasurer went on to explain. "Everyone seemed to enjoy the evening and we managed to raise over €1500 for the school from the event".

Derek O Leary wanted to thank the Kilkenny Ormonde hotel who sponsored the first prize, the premises that helped to sell the ducks, the people who bought a duck and the National Parks & Wildlife Services who facilitated the use of the river for the event.

Local Ladybirds' CELEBRATE AT FOTA

Members of Lily Ladybirds and Kilcummin Ladybirds, Killarney, were among 300 girls to celebrate Ladybirds' 30th birthday at Fota Wildlife Park at the weekend.

Ladybirds are the youngest members of Irish Girl Guides aged five to seven.

Ladybirds travelled from all over Munster to take part in the birthday bash. A further 300 Ladybirds from other counties travelled to Dublin Zoo for a simultaneous celebration.

Ladybirds, who meet each week in their local community to take part in activities, games, songs and crafts, loved the opportunity to meet up with Ladybirds from other counties to celebrate their milestone birthday.

"All the girls had a fabulous day with music, dancing and a big cake at each event," said Monica McDonnell, Chair of Irish Girl Guides (IGG) Ladybird Branch. "There was a brilliant atmosphere and everyone had a great time."

"The Ladybird programme encourages girls to care and share, to think of others and to contribute to their local communities," said Monica, who is Leader of Cúchulainn Ladybirds in Drogheda. "Each girl is encouraged to try her best and learn new skills and is rewarded for doing the best she can."

"The girls can earn badges for all kinds of things, like Road Safety, Healthy Mind, Performing Arts, Environmental Awareness, Voting and STEM. During their time with us, we see the Ladybirds grow in confidence and independence while making new friends and having a lot of fun."

Irish Girl Guides welcomes new members from age 5+ and volunteer Leaders from age 18+. No previous experience of Guiding is necessary. See www.irishgirlguides.ie for more information or tel: 01 6683898.

Air Ambulance to go Airborne within weeks

Air lifting seriously ill patients from rural areas will be just one of the tasks of the new Air Ambulance following the announcement by the Department of Health that a service contract has been signed – and Ireland's first

community Air ambulance will be airborne within weeks. Welcoming the announcement, ICRR said it looked forward to working in strong cooperation with the Department of Health and HSE National Ambulance Service (NAS) to deliver a world-class service which will save lives.

ICRR is a charity and needs to fundraise €2m annually to pay for the helicopter, the pilots, the airbase at Rathcoole, Millstreet in Co. Cork and the fuel. The ICRR is a 'community' Air Ambulance so to keep this service in the air, the charity will be reliant on the public's long-term support.

The HSE NAS is providing the medical staffing for the aeromedical service and it will be tasked centrally through the NAS 999 / 112 call system. While Munster based it will be available for missions nationwide and coordinate with the existing Athlone based Emergency Aeromedical Service.

The Air Ambulance is expected to respond up to 500 calls per year, and bring the population of a 10,000 square mile area within 20 minutes of critical medical care.

Examples of incidents which the Air Ambulance is expected to respond to include:

Retrieval & Transfer: The airlift of a seriously ill patient from remote and rural medical hubs or accident scenes to specialist hospital care.

Trauma: Injuries sustained in road traffic accidents, equestrian, agricultural, industrial and sporting incidents, falls and impact injuries.

Medical: Including cardiac medical events, strokes, anaphylaxis, etc.

Since 2008, ICRR has also developed a network of over 250 land based volunteer doctors and ten Rapid Response Vehicles (RRVs), across the country, to deliver critical medical interventions which prevent serious injury or death.

MONEY MATTERS.....

By Dermot Cronin,

SHOULD YOU BE CONSIDERING SWITCHING YOUR MORTGAGE

Yes, because some of the Irish mortgage lenders have much lower mortgage interest rates compared to others. There has been a lot of discussion recently in the media recently as regards mortgage switching this is because there can be a very substantial difference in interest rates and monthly repayments between lenders. For example on a mortgage of €200000 over 30 years based on a property value of €300000 and comparing current fixed interest rates one lenders 2 year fixed rate is as slow as 2.30% (3.85% APR) which costs €770 per month whereas another lenders 2 year fixed rate is as high as 3.30% (APR 3.90%) monthly repayment €876 per month. The monthly repayment for the lender with the higher rate is a staggering €106 per month more expensive. Over the term of the mortgage you could pay €38,271.60 (approx) more in interest, assuming the interest rates don't change over the term of the mortgage. Of course you would need to qualify for the mortgage with the new lender and also there are many other considerations and information you need to know before proceeding further. An experienced mortgage broker should be able to discuss your options with you in plain simple english and answer any queries you may have.

If you have any other queries regarding the above or any other matter you can contact Dermot Cronin QFA, APA at 0646622775 or dermotcroninifa@gmail.com

To celebrate ŠKODA and Liam Lynch Motors 7th consecutive year partnering with the Ring of Kerry Charity Cycle they have announced some special activities to support cyclists pre and post the famous 180km cycle.

On Friday evening, 5th July, at the cyclist registration event ŠKODA and Liam Lynch Motors will have two courtesy bike mechanics on stand-by for any last minute repairs that participants may require ensuring that participants and their bikes can last the pace for 180km.

In addition, ŠKODA will have an array of high quality cycling apparel for sale including shorts, jerseys and rain gear at a special discount rate.

After completing the trek, cyclists can avail of sports massage therapy thanks to six sports massage therapists that will be provided courtesy of ŠKODA and Liam Lynch Motors.

Liam Lynch of Liam Lynch Motors commented; "Kerry and especially Killarney has a tradition of welcoming guests to the area. As a special thank you to all participants taking part we are delighted to offer these special services. From all the staff at Liam Lynch Motors and ŠKODA we wish everybody taking part an enjoyable and safe experience and we hope to see them again next year"

For more information on the Ring of Kerry cycle see www.ringofkerrycycle.ie. To contact Liam Lynch Motors call 066 9793066.

LOCAL KERRY BUSINESSES PARTNER WITH CYCLE AGAINST SUICIDE

LOCAL KERRY BUSINESSES, TLI Group and Kerry Coaches, Ireland's leading Luxury Coach Company, were proud to sponsor the recent 780km main cycle organised by national charity Cycle Against Suicide, in which hundreds of cyclists took part.

The Kerry businesses have been stalwart supporters of Cycle Against Suicide and the success of this year's cycle is thanks to the involvement and commitment of families, friends and the wider community, including businesses such as TLI Group and Kerry Coaches.

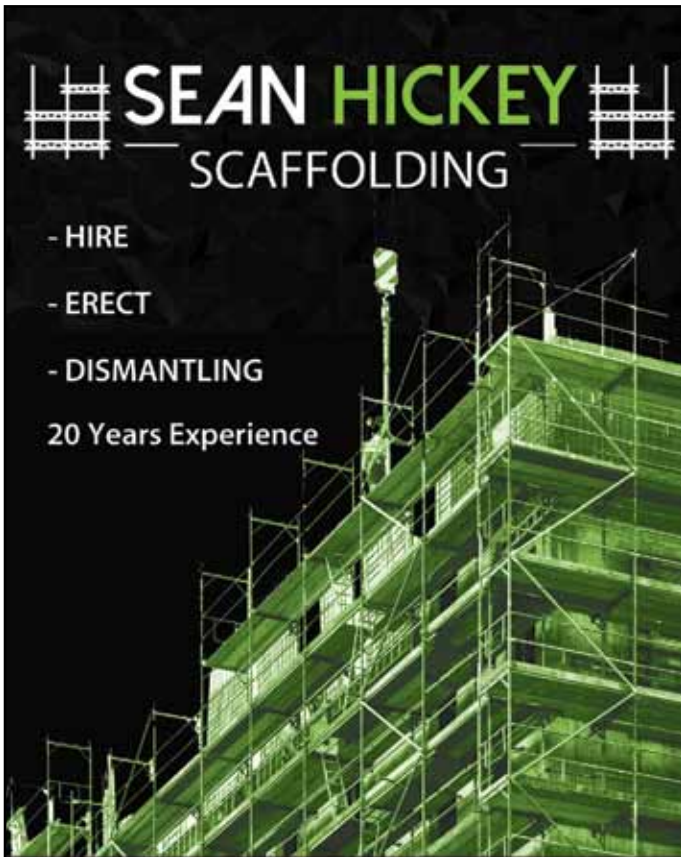

Using pedal power to promote conversations about mental health and suicide awareness, the 2019 main cycle saw hundreds of cyclists, travel through 63 towns and villages across Ireland. TLI Group and Kerry Coaches provided multiple vehicles for leading and supporting all aspects of the 10-day cycle, demonstrating their strong commitment to driving positive social outcomes in the Kerry community where they live, work and serve.

These steps in raising awareness on mental health are helping to break down the barriers around mental illness, connecting those affected with available treatment options and breaking down, one day at a time, the stigma attached to mental illness. Cycle Against Suicide is cur-

rently introducing an evidence-based Schools' Programme that educates students on mental health issues, helps build resilience and empowers young people to become mental health champions for their peers.

You have until 5.15pm on 1st July to avail of the CAO "Change of Mind" facility

By Billy Ryle

With the state exams concluding on Tuesday, the thoughts of exhausted candidates are turning to holidays, travel or summer jobs. But there is still one important task to be undertaken. Applicants to the Central Applications Office (CAO) must now turn their attention to the "Change of Mind" facility which affords then an opportunity to register a change of course choices online by 5.15pm on Monday, 1st July.

Not all applications to CAO avail of the change of mind facility as many applicants are happy with the course choices they submitted by 1st February. On the other hand, you might have done further course research or you might have changed your mind about your earlier choices. Whatever your reason for submitting a change of mind form, make sure you know exactly what you are applying for. Don't list any courses which you haven't researched. Don't apply for any course that you won't accept. Never apply for a course in which you have no interest just because your friends are applying for it. If you decide to submit a change of mind form, work on your choices before going online. Don't tinker with your original list while online as it's easy to make a mistake. Start from scratch and prepare a new list of courses. Then open your CAO account via the "My Application" facility. Click on "Add Level 8 Course Choices" and/or "Add Level 7/6 Course Choices." Then use the "New Courses" list to enter your new course choices. Every choice is important so fill up all ten choices in each category. Check the minimum and special requirements for each course you intend putting on the change of mind form. Don't enter a restricted application course for the first time on a change of mind form as it won't be considered.

Restricted application courses are those for which assessment procedures such as audition, aptitude test or portfolio submission have already taken place. The one exception to this rule is a restricted course which shares the exact same assessment procedures as a restricted course you have applied for by 1st February. Don't list any course which has been cancelled, but you may include any new courses which were announced after the 2019 CAO Handbook was published. All of this information is easily accessible on the CAO website, www.cao.ie. The two course categories – Level 8 (Honours Bachelor Degrees) and Level 7/6 (Ordinary Bachelor Degrees/Higher Certificates) are totally separate for the purpose of submitting a change of mind form. You may change one category and leave the second category unchanged or you may change both. On the other hand, you may decide to stick with the choices you submitted by 1st February last. If you make changes to your course choices online, an acknowledgement will be sent to your email address. Check that your courses have been updated by using the "My Application" facility. You may change your course choices free of charge as often as you wish up to the closing date. The final change of mind form that you submit is the one that will count for your CAO offers in August, so check online by 5.15pm on 1st July to make sure that all is in order.

After the 1st July you can make no further changes to your CAO application form. So, avail of the remaining days to give some serious thought to your course choices. With the State Exams done and dusted, you can give your undivided attention to submitting a "change of mind" form that truly contains your course

interests. It will be time well spent if you achieve your course of choice when the college offers are issued in August.

Next week, in the final article of the current series, I'll comment on the accommodation crisis and the soaring cost of college.

ŠKODA HAS ANNOUNCED THEIR LATEST ADDITION TO THEIR RANGE – THE SCALA

- › New SCALA compact hatchback starts from €23,650
- › 1.9% PCP Offer from launch
- › Choice of two petrol engines and one diesel

June 10th, 2019. The new ŠKODA compact hatchback has been named "SCALA". The name "SCALA" is derived from the Latin word for steps and represents ŠKODA's recent progress and success.

The SCALA is a spiritual successor to the ŠKODA Rapid that concluded production earlier this year. While the Rapid was offered in saloon and hatchback body styles, the SCALA is exclusively offered as a hatchback. The vehicles share very little in common with the SCALA showcasing some of the most advanced technologies available in the Volkswagen Group.

The wide and low stance and protruding front grille hide the fact that the SCALA is one of the largest cars in its segment measuring 4.4 metres in length. These dimensions deliver unrivalled interior spaciousness; particularly for rear seat passengers. Boot capacity is not sacrificed with 467 litres of capacity with unfolded seats. Low fuel consumption is assured with a turbocharged line up of TSI petrol

engines including a 1.0 TSI 115bhp and a 1.5 TSI 150bhp; a frugal 1.6 TDI 115bhp diesel is also available with both manual and DSG automatic transmissions. A lower powered 1.0 TSI 95bhp petrol unit will be offered at a later date.

The ŠKODA brand has been leading the way, for some time, in terms of infotainment and connectivity. The SCALA will be the first brand in the Volkswagen Group to receive the third and most advanced generation of infotainment systems known internally as MIB3. The benefits of the new MIB3 units include a much cleaner cock-pit as former infotainment, and air-conditioning buttons move to controls operating from 6.5", 8.0" or 9.2" colour touch screens. Other benefits include wireless Apple CarPlay and Android Auto as well as wireless phone charging capability. USB-c ports are only starting to come on stream. The SCALA is future proofed with the use of USB-c ports for superior phone charging and data transfer capabilities. The SCALA is the most connected car ever launched by ŠKODA with built-in SIM cards offering access to ŠKODA Connected Services. Emergency Call functionality is offered as standard equipment.

Quest teams drive on with Volvo

Pictured l-r in launch pic, Patricia Greene (Volvo Car Ireland), Cillian Stewart (Cherry Cool Promotions) and Oliver Kirwan (Elite Event Management & Quest Adventure Series).

Quest Adventure Series, managed by Elite Event Management, Killarney, this week welcomed Volvo Car Ireland as their official event vehicle partner across events for 2019. Quest adventure races involve running, cycling and kayaking across various distances in remote, beautiful and challenging locations. Volvo will sponsor two event vehicles for Quest over the next six months and be on hand at Quest 12/24, Quest Lough Derg and Quest Killarney so adventure racers can get to grips with the vehicles themselves. Adventure racing has become a very popular past-time in Ireland in recent years with more than 10,000 participants taking part

in Quest events across the year. AOliwer Kirwan (pictured), Quest founder and Race Director said, "We are really pleased Volvo have come on board as official vehicle partner for Quest. It's a brand that has great synergies with Quest and we know that adventure racers value high quality experiences in the outdoors. I'd like to welcome Volvo to Quest Adventure Series, we look forward to a really positive and productive partnership." Quest 12/24 is a long-distance adventure race takes place on Saturday 31st August, this is followed by Quest Lough Derg on Saturday 14th September and Quest Killarney on Saturday 12th October.

HOW TO REDUCE YOUR CAR / VAN INSURANCE RENEWAL THIS SUMMER

Although premiums, in general, have reduced over the last 18 months, many of you may not have seen these reductions. This article attempts to help you achieve such reductions.

The main reason you may not be seeing these reductions, is that insurers, in the main, have changed the way in which they calculate your annual premium. Premiums are calculated using statistics and calculations and now accompanied by 'risk intelligence', but more about that later.

Here at McCarthy Insurance Group (MIG) we have 20 motor insurers, offering close on 50 different products. Less than ten of these are available directly to you, so if you don't use a broker, you are only covering a fraction of the total market. Also when you go to an Insurer Directly, they are only obliged to answer questions on their own product, whereas a Broker must advise you on the market in general. So do you settle on one quote or do you look for a complete view.

That is where MIG come in. We analyse all the markets available to us, to get you the best premium and the exact cover you need, based on your exact circumstances.

We save thousands of people €€€ every month.

Let's start with a few simple tips:

Use your exact address, ideally using an Eircode.

If you own the property, then say so. There are discounts for being a property owner and bigger discounts if you put the property with the same motor insurer!

Make sure to use your correct Licence number. Some Insurers give over 25% discount for having no penalty points!

Garaged or Gated vehicles can give a better rate.

Know your vehicles security (most cars now have an alarm and immobiliser as standard. Vans also.

Know the market value of your vehicle. Not really a problem for vehicles in their first year, but after that, value can drop drastically, with most insurers.

How many Kilometers will you drive in the coming 12 months of your policy? There are discounts with some insurers for low Kms.

Is there a second vehicle at your permanent residence, owned by you or your Spouse/ Partner living there?

Are your named drivers necessary or infrequent users or not at all. Do they live with you? These are all rating factors and differ from insurer to insurer.

An Excess is the amount you pay first, in the event of accident and you're at fault. Usually circa €300. If you are willing to take a bigger excess of €500, €750 or €1,000, then you will receive up to 10% discount.

A lot of people consider moving from Comprehensive cover to Third Party, Fire and Theft. All well and fine, but weigh up the amount you save versus the benefit differences, such as windscreen cover.

Now, back to 'Risk Inelegance' - This is data available to Insurers instantaneously as you seek a quote. This is similar to Cartell, which anyone can access for a fee. Insurers now rate positively on the following being answered positively:

Has my vehicle a current NCT/DOE certificate?

If not, how long is it out?

Same goes for Tax and Licence!

Ownership of the vehicle, how many owners, when purchased and if it was ever crashed or written off.

They are also now receiving details of penalty points and convictions.

Any negative answer could lead to one or a number of insurers not quoting at all!

So do your homework and then contact a broker, like MIG, to give you all the quotes and benefits analysis.

Always check what Breakdown cover you are being offered.

When your provider says your policy includes Breakdown, you need to question What they actually mean. Some providers will take the vehicle to the garage of your choice and others to the nearest garage.

Some will give you one hour's labour free, others charge.

Some will get you home or to your destination by taxi, others will bring you to the nearest bus or train station.

Some take less than an hour to get to you, others several hours.

Consider; breaking down Mayo, on a weekend away! What cover would you want? Gold, Silver or Bronze? ASK?

An area of huge confusion among consumers is the difference between Open Driving and the Driving of Other Cars on a Car policy Or Vans on a Van policy.

First off Open Driving means cover for unnamed people driving your vehicle only. These unnamed must conform with the rules of that particular insurer as regards: Age, Occupation, Licence, Penalty points etc..

Driving other Cars (or Vans, on a Van policy): First off The cover only applies to the insured only and no other driver. You cannot drive in van under a car policy or similarly you cannot drive a car under a van policy. There are limitations also on the size of vehicle and ownership, so check that you are getting the cover you need. All the above covers are on a Third Party ONLY basis!

A few insurers now offer the 'Comprehensive Driving of other Cars (or Vans, in the case of one insurer, Patrona 5 Star Van policy). Cover and conditions vary with every insurer, so you need to make sure you get the cover you need!

Insurers, just like Banks are trying to take away the human element and drive the public into doing everything on a machine or computer. Not Traditional Brokers, we want to meet and greet you and give you a proper Service!

We have insurers who will quote on drivers coming back from abroad with No Bonus. Those with Accidents, Convictions, Excessive Penalty Points, High value Cars etc...

For Learner Drivers we can organize free cover on the parents policy for practicing, whilst you learn to drive with Aviva Driving School Instructors, which is a great deal!

Call us locally or call into one of our offices for an impartial and private chat on how you can reduce your annual costs. Our experienced staff are there to help and advise. There is no obligation whatsoever and we would be delighted to welcome back old and new customers alike

PEUGEOT 192-DRIVETIME EVENT NOW ON NATIONWIDE

Gowan Distributors Limited, PEUGEOT Importer in Ireland, has announced details of the PEUGEOT Drivetime event and sizzling hot 192-offers, available for a limited time only this summer. Customers who register their new 192-PEUGEOT passenger car or light commercial van before 31st July, can avail of finance from as low as 3.9%, plus either scrappage up to €4,000, or a deposit contribution of up to €750 on younger trade ins. A five-year extended warranty offered across the PEUGEOT car range also brings extra peace of mind motoring.

PEUGEOT Dealers are recording strong forward 192-orders for the multi award-winning PEUGEOT SUV range

Des Cannon, Managing Director at Gowan Distributors Limited said: "The PEUGEOT car range recorded the biggest volume increase in the market in 2018 and it has gone from strength to strength in 2019, maintaining further growth and outperforming the car and van market June year to date. Consumer demand for the multi award winning PEUGEOT SUV range continues, with the 2008, 3008 and 5008 SUVs dominating our sales table year to date. Indeed, our Dealers are recording strong forward orders for 192 for these star sellers, alongside our new Rifter and 508 fastback models."

He continued: "The PEUGEOT van range performance remains consistently strong in the Irish market, taking fourth place in the

overall sales league, with a 7.8% market share year to date in June, thanks to firm interest in our award winning Partner, International Van of the Year 2019, the Expert, a former Irish Van of the Year winner, and the load-lugging Boxer line-up. Indeed, the Partner was Ireland's best-selling model in May." He resumed, "And now, it's simply never been a better time to call to your local PEUGEOT Dealer thanks to our excellent value 192-offers, designed to drive down the cost of motoring thanks to our low-cost finance, deposit contributions or scrappage offers." To view further details of the PEUGEOT Drivetime offers and full terms and conditions, contact your local PEUGEOT Dealer or logon to www.peugeot.ie.

WHY A CREDIT UNION CAR LOAN IS BETTER THAN A PCP?

Close to four in ten consumers in Ireland will buy a new car in 2019. Over half plan to spend more than €10,000 on their new set of wheels, according to the most recent Carzone Motoring Report (2018). The study also found that one in four consumers who spent between €10,000 and €20,000 on their previous car, used a credit union car loan to fund the purchase.*

Credit union loans have always been popular amongst car buyers for their straightforward terms and conditions and flexibility, and look set to be a top choice again in 2019. Please only use the following line if applicable. Indeed, credit unions, such as XX Credit Union, are reporting an increase in car loan queries from their members.

Helen Courtney Power, Business Development Officer of Killarney Credit Union explains why she feels there has been a renewed interest in the traditional car loan. "A credit union loan is transparent and carries no hidden fees or charges. The buyer owns the car outright once they buy it, while with other more complex finance options, such as a PCP agreement, the buyer has effectively hired the car for a period of time while they make payments. At the end of the PCP agreement, they will have to make a balloon payment in order to actually own the car, which can prove to be quite the financial sting in the tail if it hasn't been budgeted for."

The Carzone report however also found that 72% of people who had spent more than €20,000 on their last car had used a finance options such as a PCP agreement. So while PCPs can be complicated, have a raft of additional charges and a good deal of inflexibility, they are proving popular with car-buyers in the over €20,000 market. Could this be down to the fact that a lot of consumers don't fully understand what they are signing up to with a PCP?

"For many people, headline rates on PCP agreements can at first look more attractive, but these can easily distract from the fact that essentially PCPs are lease schemes and the buyer will need to be conscious of the mileage they are racking up, because the balloon payment, or guaranteed minimum future value (GMFV), of the car will have been calculated with their annual mileage in mind" XX explains.

"In contrast, with a car loan from the credit union, the buyer simply borrows the money to pay for a car, which they own immediately, and which they can drive as much as they please. They can also sell the car on at any time they wish, should they need to, whereas they do not have this option with a PCP. Credit unions are ethical lenders. We will work with our members to structure repayments that suit their individual circumstances. At Killarney Credit Union our car loan is available at an affordable APR rate of 7.8%**, and is typically approved within 48 hours. We also offer car insurance to make the whole process as convenient as possible for our members. I would really encourage anyone thinking about going the PCP route to have a chat with us first at Killarney Credit Union before making the final decision. We are happy to see all our members, no matter how long it has been since they did business with the credit union, and of course we are always happy to chat to anyone who has never been a credit union member."

Helen also says potential buyers should familiarise themselves with the below checklist before signing the dotted line on a PCP agreement:

Be aware that to extend the term of a PCP you may be charged a rescheduling fee.

Take note of the cap on the number of miles/kilometres you are allowed to clock up over the period of the contract.

You may be requested to commit to certain car servicing agreements.

Ensure you always enquire about additional fees and charges, you are entitled to a list of all additional charges so ask the garage for this before you sign any agreement.

*Carzone Motoring Report 2018

** For a €10,000, 5 year variable interest rate loan with 60 monthly repayments of €200, an interest Rate of 7.49%, a representative APR of 7.8%, the total amount payable by the member is €12,019. Information correct as at 27/05/2019.

GAELSCOIL PUPIL POWER PUTS BEST FOOT FORWARD FOR JACK & JILL CHILDRENS FOUNDATION

A large group of parents and children from Gaelscoil Faithleann Killarney, stepped it out last Sunday June 16th, for a Family Fun walk in the Killarney national park. Starting at Ross Castle, the happy crew did a circular route via the river walk, with the aim of socialising with fellow parents and also raising funds for a charity chosen by the children of 4th class, the Jack & Jill Children's Foundation.

"The day was great fun and a chance for families to meet beyond the school gate and chat and get to know each other better. There was a lovely relaxed atmosphere, with a great turnout of people", The Chairperson of the Gaelscoil's Parents Council, Mary Carroll told the Killarney Outlook.

"This walk is an annual event for families, and has become a charity fundraiser in recent times with the children in Rang 4 in the school, forming a committee and planning the walk in conjunction with the Parents Council", Mary added.

"The teacher in Rang 4, Múinteoir Karen, was a

wonderful support and got completely behind the idea, allowing the children time and support to develop their ideas. They chose the Jack & Jill Children's Foundation as their charity, and all the class were involved in different ways and many were volunteer helpers on the day – it was really pupil power in action to help other", she said.

In the build up to the walk the pupils spread the word on the work of the Jack & Jill Foundation, and linked up with the Foundation's head office in Kildare.

According to Mary, "The children's work was more than successful – we had a lovely, fun afternoon, people met and chatted, the pupils were involved in organising the event and the walk raised over €550 for the charity through donations on the day, which will be passed on directly to the Jack & Jill Foundation on the school's behalf. This is a wonderful result, when you think that every €16 equals one hour of home nursing care for one Jack & Jill child."

Container Gardening

As gardens become smaller and apartment living more popular, many people are growing plants in containers to decorate patios and balconies. Three of the most useful kinds of container are: Window boxes, hanging baskets, large planters. The style and material used in their construction should fit in with the proposed environment. Wood, reconstituted stone and terracotta are suitable for older houses but good quality plastic, fibreglass and concrete may be more suitable for modern homes.

Compost for Containers

Ordinary garden soil is unsuitable for containers and special compost, either loam-based (i.e. soil based) or loamless is needed. Loam-based compost can be bought from garden centres (as John Innes mixtures) or made up at home. Four parts of sterilised loam can be mixed with 2 parts of peat and 1 part of sharp sand. It is important to use a good quality loam that is rich in organic matter and not heavy and sticky like clay soil nor light and gritty like sand. Peat based compost is light and easy to handle. Because it is light, containers are less stable and may blow over. Conversely, where weight is a problem e.g. in window boxes or roof gardens, peat is the preferred compost. Coir or bark may be used instead of loam or peat-based composts but results tend to be more variable

Preparation for Planting - Window Boxes

Window boxes made from softwood must be treated with a plant safe wood preservative before planting. The box should be fixed in place on the sill before filling and planting. Secure fixing is especially important for boxes on upstairs windows. Boxes must be at least 20 cm deep and 20 cm wide to prevent plants from drying out too quickly. Cover drainage holes with small stones, crocks or fine mesh to prevent blockage. If weight is not a problem add a 2 cm layer of gravel as an aid to rapid drainage and partially fill with compost.

Hanging Baskets

A hanging basket can weigh over 20 kg when planted so that it is important to ensure that the supporting hook or bracket is secure. To facilitate filling the traditional wire basket with compost, the round bottom should be supported in a bucket or large pot. A 2 cm layer of moist sphagnum peat should be used to cover the interior of the basket. A liner, placed in the open basket before filling with compost, is essential to reduce watering. Pre-formed liners are available for standard-sized baskets in a range of material including plastic, coconut fibre and bitumen paper. Waterproof liners greatly reduce the need for watering especially in summer. A small saucer can be placed at the bottom of the container to serve as a small water-holding reservoir. Compost is added to the basket during the planting operation.

LOOKING AFTER YOUR HEDGES

Hedges are an attractive and functional part of any garden. A common mistake is to leave the hedge grow too much before pruning or cutting it, especially if you want a formal hedge as this needs attention from the day you plant it.

You can prune new deciduous hedges when they are dormant in the Winter, while newly planted evergreen hedges need to be planted in the Springtime. Established hedges need to be pruned annually to keep them in shape but before you start pruning any evergreen hedge, always check to see if there are birds nesting. Lastly, remember when you plant a hedge - its up to you how tall or wide you want it go grow - you can keep it to the shape you require by regular pruning and cutting.

Meditate in the morning for a fabulous day

Morning meditations are a fabulous way to set your intentions for the day ahead. You don't need to spend hours meditating, just two minutes is enough to put yourself in a really good place to begin your day. So often we tumble out of bed with no time to mentally and emotionally prepare ourselves for the day. By giving yourself two minutes of quiet space first thing in the morning you allow your mind, body and emotions to move into a quiet and calm space.

The 2-minute meditation!

As soon as you awaken in the morning, mentally scan your body from your feet to the top of your head. Just notice how your body is feeling. Close your eyes and focus on your breathing by taking a deep breath in through your nose and exhaling through your mouth. As you continue this relaxed way of breathing, give gratitude for another day ahead of you – full of new beginnings and possibilities. Then decide how you would like to live this day. How do you desire to feel and be? Gently open your eyes and move ahead into your day! Enjoy!

Fitness Expert Edele Daly guides you TO A FIT AND HEALTHY NEW YOU...

B WELL FITNESS CLUB

- Exercise Boosts Brain Health:**
 Exercise produces acute improvements in executive function of our brains, the part of our brain that helps us manage our day and plan activities. Executive function also includes starting new tasks, handling behaviors and controlling emotions. Physical activity has been shown to enhance cognition (the process of acquiring knowledge), memory, attention and academic performance.
- Exercise improves depression management:**
 consistent physical exercise reduces depressive symptoms (or severity of symptoms) and has been known to reduce risk of clinical depression. In addition women doing moderate to vigorous physical activity become less likely to develop postpartum depression than their less active counterparts. Pregnant women with anxiety or depression can promote a healthy pregnancy with even low doses of physical activity.
- Exercise helps you sleep better:**
 there is impressive evidence that regular Moderate to vigorous physical activity improves sleep quality. The research finds that exercise helps us get to sleep sooner and reduces time awake during the night. Consistent exercise has been shown to increase deep sleep and lower daytime sleepiness.
- Exercise is vital to weight managing:**
 as part of an overall balanced approach combining healthy eating and exercise, exercise bears a lot more importance to weight loss as was previously thought. There is strong evidence to back up the importance of exercise for health and well-being.

Welcome to our brand-new Run Killarney race column for 2019. Over the coming weeks we'll help you on your journey to the start line in Killarney on 20th July.

About Me

My name is Brian, I run the RunninginIreland.com website and blog. I am not an elite athlete; I don't think I'd consider myself a fast runner either. I just love to run. But I have done a lot of races, including Killarney and I will draw on this experience to help you on your way.

Finding a training plan

Welcome to week 2 of our Run Killarney preparation column! There are a number of training plans available on runkillarney.com for both the 10k and half-marathon. I strongly recommend that you use a training plan. Although I've been doing races for over a decade, I still work through a training plan. Once it's written down, it's harder to avoid it. But don't just pick the first one that you see, read through it and see if it is going to work for you. Make sure that the times and days of the runs are practical for you, and if not, adjust accordingly. Like every plan, it must be achievable.

How to approach training

The two most important factors to consider are 'building slowly' and 'variety'. Building slowly means that you need to take your time adding in the mileage week over week. If you try to 'cram it all in' in the last couple of weeks, like the Leaving Cert, you will pick up an injury. Your body needs time to adjust and recover before pushing on further. The key here is rest. Rest after your runs allows your body time to prepare for your next runs.

Variety will become important as you go further into your training. If you go with the same type of runs, over the same routes, you will quickly get bored and give up your training, or start to skip sessions. Change it up.....rather than doing all runs at the same pace, mix in some shorter distances at a faster pace. These will have a huge benefit to you down the line, as well as keeping things fresh. There are lots of different training runs, some might feel tough, but the next run after them will make you feel like a 'super hero'. Try researching tempo runs, strides and hill repeats.

Other training tips

1. Where possible, run with friends or a running group. There's nothing like company to keep you going
2. Train for what you plan to do on the race day, e.g. if you think you might want to use energy gels during the race, test this during training
3. Training isn't just about running. Try different foods before and after your training sessions to see which work best for you
4. Get comfortable in your gear. Once you've settled on runners / shorts / top, don't change late into your training.....and definitely not for the race. Train in your race gear.

Tip of the week!

There are tonnes of running apps out there that can help you on your training journey too – even for just mapping and tracking your progress!

Places are filling fast! So don't miss out...

CO. LEAGUE RD. 6

Dromid Pearse came away with the two points after a bruising encounter with Glenflesk in showery conditions this past Sunday.

The home side had the ideal start when Brian O'Donoghue opened the scoring with a delightful left foot shot. He had to unfortunately go off injured soon after. Dromid then got into their stride though, with full forward Niall O Se causing most of the damage. He scored one two without reply, the goal coming after collecting a pass and burying a right foot shot to the back of the net. Dromid added a further point to lead by one three to a point at this juncture.

The home side then began to get back into the contest. After a great block by Gearoid O'Leary, they began to put concerted pressure on the visitor's defense. This would lead to a stylish right footed curling shot from wing back Kieran O'Donoghue after some slick passing created the space. A much needed goal soon followed. Jerry Kennedys quick hand pass found Jonathon Bowler who finished to the roof of the net with a classy left foot strike. Gavin Kelly also kicked a lovely left foot point from an acute angle just before the break. Gary O'Donoghue then made a terrific last gasp block to deny a Dromid goal chance leaving Glenflesk trailing by one seven to one four at half time.

The South Kerry men came out for the second half in determined fashion. They registered the first three points of the second half. A free from O Se was followed by a fisted effort from centre back Pdraig Jackie O Suilleabhain before midfielder Dominic O Suilleabhain dummied, and slotted over with his left foot. Glenflesk opened their account with a fine right foot score in very little space by Stephen O'Donoghue. Chris O'Donoghue added another soon after as Glenflesk entered the closing stages behind by five points on a score of one eleven to one six.

Dromid had dropped into a defensive structure at this point as they tried to close the game out. This gave Glenflesk the chance to dominate possession and they were able to draw fouls from the massed defense which were expertly converted by Ian Roche. Home goalkeeper Kenny Cronin also made a smart save to keep the contest open as injury time approached with three points between the teams. One goal would rescue a point for Glenflesk. The chance never came though and the Maroons held on for the victory on a score of one thirteen to one ten. Glenflesk are now left with just two points from six games in Division Two and may need to win out to avoid relegation to the lower tier. Once again the defense was pretty solid for the most part but the ball into the forward line and scoring production will have to be improved on if survival is to be attained. Final score; Glenflesk 1 – 10, Piarsaighna Dromoda 1 – 13.

St Olivers NS, taking part in the Garda Football Blitz at Fitzgerald Stadium on Wednesday.

The family of a talented footballer who passed away last year were present at the annual Garda 7-A-Side tournament in which his memory was honoured.

Niall McGillicuddy, a past pupil of The Mon had taken part in the tournament in 2014 and on Wednesday, his mother Sheila, father Daithí and sister Jane were at the Fitzgerald Stadium where 18 schools vied for the title.

A minute's silence was held at the beginning of the games as a mark of respect to Niall.

The four jerseys that Niall wore - the Legion jersey The Mon jersey, The Sem jersey and the Kerry jersey were to the fore of the tribute which was attended by Niall's family.

"Killarney Gardai wanted to hold their own special tribute to Niall and we felt this was a fitting way to remember him", organiser of the event, Garda Eddie Walsh told the Killarney Outlook.

Schools from the greater Killarney take part in the tournament every year and the event is very popular with the young athletes. Proceedings started with Garda Mike Millner piping the footballers onto the field at Fitzgerald Stadium.

The games were a thrilling affair and the ultimate winners on the day were Lissivigeen National School who received the winning trophy from Superintendent Flor Murphy and Garda Eddie Walsh.

Male Player of the tournament was a tie between Tom Benson from The Mon and Padraig Moynihan from Rathmore and the Female Player of the Tournament was a tie between Shola Colleran from Fossa and Shola O'Donovan from Glenbeigh.

"I would like to extend a big thank you to the Fitzgerald Stadium committee, the Gardai Siochana, John C. O'Shea, members of the local media, Daly's Supervalu, Tim Sullivan, Easyclean, Tom Tobin, Trophies and the Kerry County for all their help on the day" Garda Eddie Walsh told the Killarney Outlook.

To date an amazing 2,500 children have taken part in this tournament which is growing from strength to strength each year.

WORKMEN'S ROWING CLUB

RECENT EVENTS

Fisa Coastal Quads, Kenmare

Well done to our Senior Ladies and Senior Men who competed fantastically at this event last Saturday in Kenmare.

UPCOMING EVENTS

This weekend we have a 'doubler'. The very best of luck to our crews- Junior and Adult, who are competing at Cork Regatta on Saturday and Sneem County Championships, on Sunday. Killarney Regatta- 30th June.

Irish Rowing Championships- 12th July (3 days) Sive (Cahersiveen) County Championships- 21st July. Fenit County Championships- 4th August.

REGATTA QUEEN

The very best of luck to our Regatta Queen Representative, Wiktorja Kröl who represents Workmen's at this year's Killarney Regatta Dance. Your crew and clubmates hope you enjoy the experience and look forward to a wonderful night.

KILLARNEY RFC NOTES

SPLIT THE BUCKET

Congratulations to this weeks winner Noreen O'Sullivan who won in our Split the Bucket draw last Sunday night. The draw took place at the Speakeasy and the winning ticket was bought in Lal's bar Kilcummin. Barman John O'Sullivan, who sold the winning ticket won a cool €66 for himself. Well done to both Noreen and John. To be in with a chance simply put €2 into the envelope at any participating venue. It's as simple as that and you could be in with a chance to split the bucket. The next draw will take place this Sunday, so keep an eye on our facebook page for updates.

PHOTO ARCHIVE

We are looking for your old (or new) KRFC

photos. We are building an archive of photos for KRFC and would like your help. If you have any photos of rugby, social events, parades or anything at all, let Liam Murphy know on 087-4145662 or email a copy to pro@killarneyrugby.com

MUCKROSS ROWING CLUB

CORK REGATTA

A very busy weekend of racing is in store with 37 Muckross crews set to compete in the two-day Cork Regatta, taking place at the National Rowing Centre in Farran this Saturday and Sunday. The GrandLeague event is the last of the big national events before the Irish Championships in July, ensuring a large and competitive field in all categories. Cork Regatta is also the last of a trio of Grand League 2019 regattas, following on from Skibbereen and Dublin Metro regattas. So far, Muckross is placed eighth nationally in the league out of 47 clubs. This top 10 position is a great reflection on the hard work in training of all our crews and coaches. Here's hoping for further success at the final leg in Cork, best of luck to all our crews!

KILLARNEY REGATTA

Killarney's oldest surviving sporting contest will be renewed once again on Sunday next, June 30 as final preparations get underway for the annual Killarney Regatta. The traditional races featuring the unique fixed seat, six-

oar boats are once again set to be fiercely contested as local rivalries are reignited among the town's six rowing clubs. We encourage all our members, supporters, family and friends to get behind our crews and bring your cheering voices to the shore at O'Mahony's Point.

IRISH ROWING CHAMPIONSHIPS

The Irish Rowing Championships are set to take place over three days, from Friday to Sunday, July 12-14, at the National Rowing Centre in Cork.

DEERPARK PITCH & PUTT CLUB NOTES

Munster Strokeplay: Damien Fleming did it again last Sunday in Listowel! As if the National and County Strokeplay along with the National Matchplay weren't enough for him to hold at the one time, then came last Sunday's Munster Senior Strokeplay win as 24 years after Derry McCarthy triumphed in Templemore, Damien got a Hole-in-One on his 54th and final hole to finish on 27 under par and win by two shots. Jason O'Brien made the Top 12 playoff while we were delighted to see both Margaret C Looney and Betty O'Brien take part in the Ladies

Intermediate event as well. Four Kerry Ladies took part in the Ladies events on Saturday afternoon, Margaret C Looney and Betty O'Brien from Deerpark, Tralee's Lisa O'Connor and Listowel's Lisa McDonagh.

Bob Casey: The week had gotten off to a great start when our second-place finish behind hosts Newmarket in the final round of the Bob Casey last Tuesday week meant that we piped Listowel by a point for the title with 43.5 points for the five nights of play. Darragh O'Callaghan won the Hole-in-One prize on the night as we thank every player who turned out for the club over the five nights. This was our first time winning the event since 2014 with our third win of the decade after success in 2013 as well.

Sunday Draws: Fourball Betterball- Nett: Mike 'Seve' O'Leary and Mick Long 40½ and Gross: Ger Casey & Willie O'Keeffe 49.

Wednesday Scramble: Nett- Colm O'Dowd, Joey McCarthy & Nathan Cronin 33 1/3 and Gross- Jason O'Brien, Jack O'Sullivan & Dara Moynihan 42. National Gents Strokeplay Qualifiers: Beginning at 8.30am on Sunday morning with the Juniors first.

DAMIEN'S SUCCESSFUL STREAK CONTINUES

Deerpark Pitch & Putt Club's Damien Fleming receiving the Munster Senior Gents Strokeplay Cup from Pitch & Putt Ireland Vice-President Mark Keohane at the conclusion of the Munster Strokeplay Championships in Listowel last Sunday. Also included in photo is Myles McMorro (Pitch & Putt Ireland National Competition Co-Ordinator).

THE amazing success of Damien Fleming shows no signs of abating as the Deerpark, Killarney player added his first Munster Singles title to his National Matchplay and County Strokeplay successes of recent weekends by winning the Munster Senior Gents Strokeplay at a well presented Listowel last Sunday. Fleming didn't get off to the best of starts with four under par for his first 18 holes but birdieing five of the first six holes of his second 18 really got him into contention.

In total Damien had 11 under par for his second to bring his tournament score to 15 under as he was two off the joint lead of 17 under par heading into the final 18 holes for the Top 12. Damien was out in the second last three-ball and moved to 24 under ahead of the last two holes where a birdie on 17 was followed by an incredible hole-in-one at the last to finish on 27 under par. No one could match the total Damien posted as Cork's John Walsh finished on 25 under with defending champion Kieran Earls of Limerick finishing two further back on 23 under.

Damien's win all but ensures him of the No 1 ranking in Pitch & Putt Ireland's Mens rankings once they are updated in due course making him the first player to host the honour since Tralee's Jonathon Goodall in 2012, the last time a Kerry player won Sunday's Senior grade as well. Damien's club-mate Jason O'Brien qualified for the Top 12 playoff finishing the tournament on 18 under par as Damien's victory turned out

to be the only Kerry prize of the weekend in Listowel. Fergus Keane from the host club qualified for Saturday's Junior playoff but finished well behind winner Pat Glynn of Parteen who had a whopping 16 under par for 54 holes.

John Fitzgerald of Castleisland and Tralee's Pdraig Hobbart both made Sunday's Intermediate playoff but finished outside the prizes as the tournament was won by Brian O'Flynn of Tipperary Hills with 17 under par. Three Kerry Ladies took part in the Ladies events on Saturday afternoon, Margaret C Looney and Betty O'Brien from Deerpark and Listowel's Lisa McDonagh but the titles went to Martha O'Brien (Tipperary, Senior), Mary Quinn (Tipperary, Intermediate) and Margaret O'Donovan (Limerick, Junior).

The County Board commend Listowel on a great hosting of the event at the weekend, their first major event in 17 years as last Tuesday week saw the Bob Casey Memorial Inter-Club Strokeplay decided in Newmarket with Deerpark winning the title for the first time in five years with a tournament total of 43.5 points giving them a one point victory over longtime leaders Listowel with 42.5 points as Castleisland were third on 41.5 points with Newmarket fourth and Tralee fifth in the overall standings.

This weekend sees the National Gents Strokeplay Qualifiers take place in Deerpark with play getting underway from 8.30am. Dress code in force for all participants in the event.

Beaufort annual Golf Classic was held on Friday, 30th May and was a great success.

Thanks to all those who sponsored teams and tee boxes, the organisers and Beaufort Golf Club for hosting it.

Thanks to main Sponsor, Morgen International Ltd who has sponsored the event for the second year in a row.

Winners:

South West Dairy Services 90 pts.

2. O'Sullivan Lawlor Accountants 85pts. 3.

Inverary Guesthouse 83pts. 4. Moriarty's Heather Restaurant. 5. Investec Bank 81 pts

SENIOR MEN

Fergal Hallissey opened the scoring for Beaufort with a point from the very first attack. However Brosna completely dominated the next 20 minutes, scoring 6 points in a row, with Tom McGoldrick unerring in his accuracy from frees and from play. Another Fergal Hallissey free and a Jeremiah O'Sullivan point gave Beaufort hope but two more frees from McGoldrick saw Brosna deservedly lead at half time on a scoreline of 0-8 to 0-3. Another McGoldrick free stretched Brosna's lead to 6 points at the start of the second half, but in a complete reversal of the first half, 9 consecutive points put Beaufort in control. Sean Foley dominated at midfield and Jonathan Kissane, Liam Carey and Padraig Doona played very well in the forwards, and despite the best efforts of Eamon Kiely, Timmy Finnegan and Maurice O'Keefe, a late goal from Ciarán Kennedy sealed a win for Beaufort on a final scoreline of 1-14 to 0-11.

Beaufort team: Sean Coffey, Shane O'Sullivan, Ger Hartnett, Jonathan Kissane, Jeremiah O'Sullivan, Sean Kelliher, Ian McGillicuddy, Nathan Breen, Mike Breen, Fergal Hallissey, Liam Carey, Padraig O'Sullivan, Danny Healy, Ciarán Kennedy, Padraig Doona.

Subs used: Sean Foley, Micheal O'Sullivan, James Reilly

JUNIOR MEN

Our Division 5 team got off to a great start in Rathmore on Sunday, leading 1-6 to 0-2 after 15 minutes, helped by a Cian O'Sullivan goal. However, Rathmore took control of the game and despite the best efforts of Kevin O'Brien, Declan Floyd and Paudie Coffey, Rathmore emerged victorious.

SENIOR COUNTY LEAGUE DIV 3 - RD 6:

Furies took on Listry in Farranfore in Round 6 of County League on Sunday afternoon. A scrappy game and that was riddled with mistakes from both teams but Listry that made fewer mistakes on the day and ran out

winners in the end 0-11 to 1-06. Furies got off to the better with a free from Donnacha in the 1st minutes and a minute later Listry got their 1st point from Aaron Mc Carthy. In the 4th minute, a good ball played into the square by Aaron Flynnn was won by Mike Day and he was fouled and awarded a penalty. The penalty was struck to the net, giving the Listry Goal keeper Tadhg Ahern no chance. Furies led 1-01 to 0-01. But Listry relied in the 6th and 7th minute with a point from play again from Aaron Mc Carthy and a free from Sean Lehane. Furies replied with another point from Donnacha to leave the score after 10 minutes Furies 1-02 Listry 0-03. Listry got the next point in the 14th minute and then a minute later were denied a goal from a great save by Cian Callaghan between the posts. Firie got the next two scores in the 16th and 18th minutes coming from play from Mike Daly and a another free from Donnacha. A heavy shower of rain descended on the game following this score and the game began scrappy with a lot of passing going astray from both sides. Listry got the next score in the 27th minute to bring the difference back to 2 points. Listry had a second goal chance in the 29th minutes only for a block from Furies corner back Dan O Shea and Listry kicked the resulting 45 wide. But Listry did get the final point from a free before the half time to leave Furies ahead by one point at the break, 1-04 to 0-06. Listry got off the much better start to the second half and got the first 3 points to lead 0-09 to 1-04 after 10 minutes. Then Mike Daly was to score two points from distance in the 12th and 14th to draw the game level. But these were to turn out to be the only scores Furies got in the second half. Listry were denied a third goal scoring opportunity in the 17th minute when a free from Ronan Buckley went all the way into the net but was disallowed for a push on the Furies keeper. Both teams put alot of passes astray and made a number of handling errors for the remainder of the game but Listry added on two further points before the full time whistle to win by 2 points.

Final Score: Listry 0-11 Furies 1-06. Up next for Furies is a must win journey to Lispolo on the weekend of 29th/30th.

Furies Team: Cian Callaghan, Josh Flynn, Diarmuid Brosnan, Dan O'Shea, Liam Brosnan, Niall Dognohue, Stephen Foley, Pat Daly, Jake Flynn, Padraig O'Connor, Con O'Mahony, Mike Daly, Darragh Donohue, Donnacha O Sullivan, Aaron Flynn.

JUNIOR EK LEAGUE: SPA 0-10 KILCUMMIN 0-17

The game opened with a point each from Ryan Kelliher and Ivor Moynihan, but with several long passages of play, and a number of wides for both sides, it was in the 21st minute before the next score came. Paul Cahill pointed for Spa before Kilcummin kicked an unanswered five from Anthony O'Sullivan, Oscar O'Connor (2), Danny Cronin and Paul O'Riordan. Late in the half Ryan Kelliher and Mikey Moynihan added to the Spa tally and at the break Kilcummin led by 0-6 to 0-4. At the start of the second half two quick points from Ryan Kelliher levelled the

Fíres U15 Team who reached the final of the Munster U15 Blitz in Mallow

game at 0-6 apiece. Additional points from Paul Cahill, Ryan Kelliher and John Falvey and points from Oscar O'Connor, Anthony O'Sullivan and Ritchie O'Connor levelled the game again at 0-9 apiece going into the final quarter. Kilcummin took control at this point and with points from Ritchie O'Connor, Tom O'Connor (2), Mikey O'Shea, Shane Smith, Anthony O'Sullivan and Danny Cronin, they led 0-16 to 0-9 in the final minutes. Two late points from Spa's James Lynch and Liam Spillane, and a final point from Kilcummin's Oscar O'Connor, finished the game at 0-17 to 0-10. Spa Team: David Carroll, Connie Cremin, Brian Devane, Thomas Fleming, Conor Kerins, Hugh O'Donoghue, John McKenna, Andy Fitzgerald, Shane Fenton, Paul Cahill, Mikey Moynihan, Conor Brosnan, John Falvey, Ryan Kelliher, Liam Spillane. Suns: Pat Cronin, Eoin Carroll, James Lynch

CO LEAGUE RD6: SPA 4-8 NA GAEIL 3-9

Spa had a slow start to the game and, playing with the wind in the opening half, they kicked several wides, but a stronger second half performance and some great individual displays earned Spa two more Co League points. Next up we are home to Dr Crokes on the weekend of June 29th/30th. Spa Team: David Carroll, Eoghan Cronin, Eoin Fitzgerald, Brian Devane, Niall O'Mahony, Dan O'Donoghue (0-1), Ciaran Spillane (0-1), Shane Cronin (1-2), Michael McCarthy, Ryan O'Carroll, Michael O'Donoghue (0-3), Niall McCarthy (1-1), Cormac Cronin (1-0), Michael Foley (1-0), David Spillane. U12 BOYS CO. LEAGUE: SPA 2-15 BALLYMAC 5-09

Round 4 of County League took place Sunday evening in Spa against Ballymac. A very competitive affair but one which started badly for our boys who conceded 3-01 inside the opening 8 minutes. Following this, we regained composure and grew more into the game. We kicked 1-08 to Ballymac's 3-04 to go in at half time two points in arrears. In contrast to how we started the first half, we started the second half very brightly, kicking 1-02 to no score that put us back into the lead, both teams kicked a number of points however, unfortunately we conceded 2 goals in the last 15 minutes of the game handing back the advantage to Ballymac. We pressed hard for a goal to level up the scores but unfortunately Ballymac held out to win by 3 points - Spa 2-15 Ballymac 5-09. Our last game is away to Austin Stacks with date and time to be confirmed.

U12 GIRLS

Played our last U12 game away to Finuge/St Senans. Our girls played very well and very unlucky with some scores. At half time we were three points down. On resumption of the second half we started well but the home side pulled away to snatch victory.

GIRLS U14 NON CO LEAGUE

Spa played ISG B at home last Saturday evening. An evenly matched game and we showed great skill and determination. This is a very young team and have improved with every outing. However, the visitors notched up a few goals and we couldn't narrow the margin.

OUR SPA U8S will play a friendly game with Glenflesk this Thursday night June 20th at 6.30pm.

OUR U10S will play their final night of the U10 Go Games Blitz this Wednesday June 19th at 6.15pm. The games are on in Kilcummin and the teams taking part are Spa, Kilcummin and Gneeveguilla.

BEST OF LUCK to all the Fleadh competitors taking part in Fleadh Cheoil Chiarraí in Milltown from this Thursday June 20th to Sunday June 23rd.

HANDBALL

The Munster One Wall Handball Finals take place in Spa on Saturday 22nd June. This is our second year hosting the tournament and this year our following members are playing: Masters B: Fr Kieran O'Brien, Brendan O'Donoghue and Tadhg O'Sullivan. Men's C: Mike Casey and Eoin O'Donoghue and Ladies C: Aoife Walsh. Everybody welcome to attend and support

DR CROKES CLUB NOTES

COUNTY LEAGUE DIVISION

1 - ROUND 6

Dr Crokes 0-12 Killarney Legion 0-9
Played in Lewis Road on Sunday 16th of June
Both teams were understrength in this game but nevertheless a lot of good football was played in this contest. We ran out winners by three points in the end after a very poor first quarter and an outstanding third quarter. Legion even though facing the breeze in the first half were well on top, especially in the first quarter at this stage they led by four points to nil. We had our first point of the game at the start of the second quarter. We outscored our opponents by four points to three in the second quarter. This left Legion 0-7 to 0-5 ahead at half time.

The game was won by us and lost our opponents in the third quarter. We sent over five points without reply to go into a 0-10 to 0-7 lead. There were many attacks by both sides in the remaining period and a number of goal mouth misses with both sides scoring two points each. This left us winners in the end on a score of 0-12 to 0-9.

Our newcomers did not let the side down once again but three of our seasoned players had vintage displays. Fionn Fitzgerald was outstanding in defence and Kieran O'Leary and Brian Looney excelled, scoring half our scores between them, three points each.

Team and Scorers: Shane Murphy, Brian Fitzgerald, Fionn Fitzgerald, David Naughton, Brian Looney 0-3, Jason Lyne, Lorcán Mc Monagle, Mike Milner, Mark O'Shea, Jack Griffin, Daithí Casey 0-3 (0-2 frees), Michael Potts 0-1, Brendan Falvey, Kieran O'Leary 0-3, Mike Casey 0-2
Subs: Alan O'Sullivan, David O'Leary

DIVISION 5

Kerins O'Rahillys 3-1 Dr Crokes 1-15
Played in Connolly Park in Tralee
Despite a goal from Ciaran Brosnan and points from Sean McGann and Mark Hartnett in the

first half we were still 6 points down at halftime. Everyone showed alot more fight and desire in the 2nd half and we dominated the half. Points again from Sean McGann, Jack O'Connor and Eanna Kavanagh launched the comeback in the 2nd half but time ran out. Missed goal chances in both halves cost us in the end.

WALK WITH CROKES

Get out and walk with Dr Crokes. Walking will continue every Tuesday and Thursday (7.00pm - 8.00pm) and Saturday (10.45am - 11.45am) for the month of June. Walk around the outside of the main pitch at your own pace and for as many laps as you wish. Newcomers and non-members are welcome.

THANK YOU

LEGION GAA NOTES

County League Div 1

Dr Crokes 0-12

Killarney Legion 0-09

Legion travelled to their neighbours over the road at Dr Crokes in what was always going to be a tight game with both sides missing key players. Conor McCarthy put in a great shift pulling off two great saves and some pin point kick outs . Legion had the majority of ball in the first half with Conor Keane and Micheal Devlin keeping the scoreboard ticking over but never capitalised on it going in at half time with a two point lead 0-07 to 0-05pts. The second half saw Crokes dominate all over the field, with Legion

losing their shape. The game slipped away to see the home side run out deserving winners on a score line of 0-12 to 0-09pts.

U-12 BOYS DIV 2 COUNTY LEAGUE

Two of the U-12 boys teams were in County League action this evening in the penultimate round of the Division 2. We made the short trip over the road to our neighbours Dr Crokes GAA for two matches. With conditions ideal for football, the supporters were looking forward to exciting contests. Both games were close run affairs in the opening half. The hosts had their noses ahead in one match while our boys took the lead into the break in the other. The second half saw a surge from the trailing team in both games. However the half time lead proved too much of a gap to bridge in both contests. So the spoils were shared with a win and loss for each club. Well done to all the players in action this evening and thanks to our hosts Dr Crokes and referees from Spa GAA and Fossa GAA Club.

Next up are our final games in the league away to Glenflesk and Waterville.

JUVENILE ACADEMY

Killarney Legion welcomed the boys and girls from Furies Gaa on Saturday morning in what turned out to be a very very busy morning. With all pitches full it provided a great morning of entertainment for all the boys and girls. Well done to all involved and to Furies Gaa for visiting us in Direen.

Match Report: Senior 'B' :By Dara O'Connor

Mid Kerry Junior Football League Round 4

Cromane 'B' 2-13 Milltown/Castlemaine 4-08

Our Senior 'B' side travelled to Cromane for Round 4 of the Mid Kerry Junior Football League on Tuesday last and we emerged narrow one point victors after a fiercely contested game between both sides in lovely conditions.

Cromane were fast out of the blocks and led 0-3 to 0-0 before scores from Seamus O'Dowd & John Blenner Hassett had us back on level terms inside ten minutes at 0-3 apiece.

Darren Houlihan goaled for Cromane soon after and a point followed to open out a four point gap at 1-4 to 0-3. Aidan O'Sullivan almost seen a goal chance for Cromane go in too only for a save by Dara O'Connor & a subsequent block on the line by Jono O'Connor & Adam Scanlon. Seamus O'Dowd who was flawless all evening particularly off his perceived weaker left boot and a scintillating free flowing move which ended with a Dwight Bacalso palmed effort to the net had us trailing by just two points after a very evenly contested first half.

HT Score: Cromane 1-7 Milltown/Castlemaine 1-5

The second half followed along a similar vein with Cromane taking the game right to us all through. Darren Houlihan with his second goal of the game followed by a succession of points for the hosts had us under a lot of pressure in the opening quarter as they almost added another goal only for a save by Dara O'Connor which was turned out for a '45' before eventually being pointed but our lads kept at it, plugging away gradually offensively and an imperious brace of goals from man of the moment & match Seamus O'Dowd as well as one from Linus Og Burke and a score from John Blenner Hassett ably assisted by Eoin O'Brien's foraging runs from deep seen

the game go down to the wire & we just managed to take the win by the narrowest of

margins but in truth it could have went either way after some fine football was played all evening from both sides.

Mike Burke, Seamus O'Dowd, Jono O'Connor, John Blenner Hassett & Dwight Bacalso top performed on the night for us but all in all everyone contributed very well to the win all over the field including the many subs who came in.

Our 'B' side take on Laune Rangers 'B' on Tuesday next, June 18th in J P O'Sullivan Park, Killorglin.

FIFTY FOR FEILE

This fundraising initiative to send our under 14 footballers to Galway in a weeks time where they have qualified for the prestigious National Feile Finals, has proved very popular once again this week. The overall cost of this weekend is €6,000 and the club appreciates the generosity of all who have contributed so far to raising the money needed to fund what will be a memorable weekend for all these young boys, their families and management team.

The lucky winner of the second draw was Catherine Dillon who received €165. Congratulations Catherine. Not a bad return for popping €2 in an envelope. So it's well worth your while either selling or buying a ticket or two!

Fifty for Feile buckets are in local shops and businesses so why not try your luck.

Next draw on this Thursday during the underage training at our GAA Grounds.

FLEADH CEOL CHIARRAI

CORK STOCK RISING BUT KERRY STILL HOLD UPPER HAND

CORK V KERRY

Saturday 22nd June

Páirc Uí Chaoimh @ 7pm

Referee: Anthony Nolan (Wicklow)

Next Saturday evening Peter Keane (Pictured) will come face to face with his first real test in Senior Inter County management.

For many the league was a test of where Kerry might be, come championship and while getting to a final was a positive step forwards, Keane knows more than most that keeping the rebels at bay will carry a lot more weight amongst the supporters than league form.

Keane's first outing in Munster has already awakened his attention to the task at hand (not that he needed any) with a stubborn Clare asking enough questions of Kerry, to possibly put a little doubt into the camp. Especially when one compares the relative ease that Cork had in getting to the provincial final.

Keane who admitted that despite defeating Clare, in what was somewhat "uncomfortable at stages" points to the fact that Kerry need to be a little more productive when chances present themselves.

"We should have got three goals in the first quarter of an hour," Keane says of the semi-

final against Clare. "We had a productive first quarter without putting it on the board."

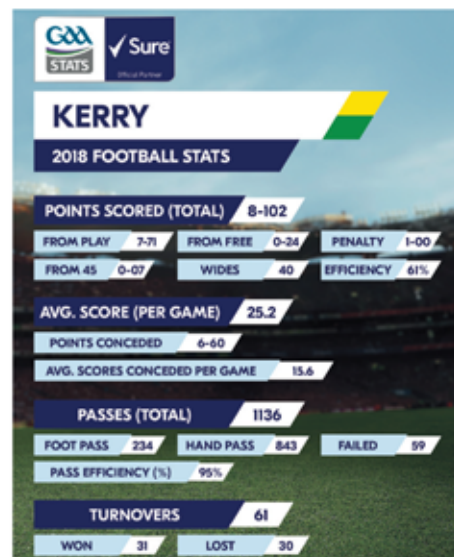

"It was a hugely potential banana skin for us. Nobody expects you to lose, despite the fact that you are preparing a team that anything can happen and anything can happen in a two horse race. It has always been a tight place over the years."

Of the challenge ahead of Kerry on Saturday evening, Keane believes that Cork's departure to Division 3 earlier this season bears no real reflection of where Cork are at the moment on form. "They seem to be winning almost every challenge game for fun at the moment and against some very good teams. Their performance against Limerick was excellent

and you can only face your opponent on the form they bring. It is a Munster Final and I would take your hand off right now for a one point win. Its that's tight."

Keane has a full hand to play with revealing that "there is nobody definitely out, we are looking at everyone and we are hopeful that we have a full hand to pick from"

"It was a hugely potential banana skin for us. Nobody expects you to lose, despite the fact that you are preparing a team that anything can happen and anything can happen in a two horse race. It has always been a tight place over the years."

MINORS LOOK TO KEEP RECORD GOING PREVIOUS ENCOUNTER HAS NO BEARING WHATSOEVER

CORK V KERRY

Saturday 22nd June

Páirc Uí Chaoimh @ 4.30pm

Kerry minor manager James Costello (Pictured) says he has no trouble in getting the attention his Minor team when it comes to next Saturday's Munster Minor Final "There is a medal there to be won, it is one of the ones that you put on your CV when you retire, so we are going flat out to win that" Kerry who are looking to claim their seventh minor football title in a row have already defeated Cork but Costello believes that there is little to go on the sides previous meeting in the competition in which Kerry won by 16 points.

"Looking back on the Cork game, seven

minutes into the second half, the scores were level and everyone seems to forget that. There are two types of people, those that were at the game who saw that and those who saw the five line summary of the game. The five line summary is that we won by 16 points but the reality of the game was that seven minutes into the second half we were level. The only positive was the way we reacted. How it affects the game next Saturday night it has no bearing"

As the minor records continue to fall for Kerry, Costello is at pains to point out that this group of players are looking for their first medal (outside the two from the 2018 panel). Indeed the last time Kerry fell at Minor level was at the hands of Cork all the way back in April 24, 2013, when Cork won a quarter-

final replay by 3-6 to 0-10 in Tralee but Kerry regrouped and won the title.

Munster Final

It is great to have both our Senior and Minor football teams in the Provincial deciders on Saturday in Páirc Uí Chaoimh. We have a good record in the Munster Championship but this group of Minors are going for their first Munster Title and the Seniors are very aware of the challenge ahead of them. We are hoping to have a large support present on Saturday. The Minor game is at 4.30pm and the senior game is at 7pm. The earlier start for the Minor game is to allow for 'winner on the day' procedures to be put in place if the teams are level after 'extra time' then penalties will determine the winner. Both teams have put in a huge amount of preparation and we wish them the very best of luck in their respective Munster Finals.

Tickets are on sale in Centra & SuperValu stores as well as in the Kerry GAA store in Killarney. Adult Stand Pre-Purchase: €35, Adult Terrace Pre-Purchase: €25. Juvenile in both areas: €5. Prices will increase by €5 midnight the night before the game. Students/Senior Citizens will receive €10 concession on Full Priced Adult tickets at the designated stile prior to entry with Valid ID. Juvenile Group tickets can be availed of (subject to availability) at €5 per juvenile with 1 adult free with every 10 juveniles for this game. Additional adults will pay the Pre-Purchase Stand Price of €35.

The Kerry GAA Supporters Club will take coaches to Cork. All seats must be booked by Thursday night, for booking contact Donal O'Leary, John King or Martin Leane.

The Kerry Senior Team will be announced on the Kerry GAA website at 8pm on Thursday

night and the Kerry Minor Team will be announced on the Kerry GAA website at 1pm on Friday. The Championship gear can be purchased exclusively in the Kerry GAA Store, Killarney.

Credit Union County League

At this stage, 6 rounds of the Credit Union Senior County Leagues have been played. In Division 1, incredibly there are 7 teams on top with 8 points – An Ghaeltacht, Rathmore, Kerins O'Rahillys, Kilcummin, Spa, Dr Crokes and Austin Stacks. St Mary's are the only team yet to register points. Glenbeigh/Glencar top the table in Division 2 with 11 points closely followed by Kenmare Shamrocks on 10 points. At the other end, both Ardfert & Glenflesk are on 2 points. In Division 3, Gneeveguilla has 10 points after 5 games and Ballydonoghue has 10 points after 6 games. Lispole are yet to register points. Laune Rangers are three points clear in Division 4 as they sit on 12 points with Churchill and Duagh on 9. Valentia are yet to register points. Scartaglin top the Division 5 Group A table with 12 points while Kilgarvan and Knocknagoshel top the Group B table with 10 points. The full list of fixtures, results and updated tables are on the Kerry GAA website.

G.A.A Five Star Programme

The GAA 5 Star initiative aims to support and recognise Primary Schools that provide pupils with 60 minutes of moderate to vigorous Gaelic

Games activity per week in a manner that ensures the children will experience fun, friendship, fairness and ultimately improve their fitness. Recognition as a "GAA 5 Star Centre" is awarded to Primary Schools that undertake to deliver a programme of Gaelic Games activity that is age-appropriate and meets the developmental needs of children within the school. In order to receive recognition as a "GAA 5 Star Centre" a Primary School must provide for the flexible delivery of GAA related activities over the course of a school-year. The following schools in Kerry have met the criteria and will be awarded their flags this week in Currans - Cullina NS Beaufort, Scoil Bhreanainn Portmagee, Glounaguillagh National School, Muire na Mainistreach Monastery Killarney, St. Bridgid's N.S. Duagh, Scoil Mhuire Brosna, Lyreacrompane N.S., Scoil Mhuire de Lourdes Lixnaw Boys Sliabh a'Mhadra N.S., Gaelscoil Faithleann, Scoil Naomh Eoin Baiste Lios Póil, Scoil an Fheirtéaraigh, Furies N.S., Killocrim N.S, SpaN.S., Scoil Chríost Rí Drumnacurra, Knockaderry NS, Gael Scoil Mhic Easmainn

Scoil Bhríde Loreto and Holy Cross Mercy Killarney.

Congratulations to all the Kerry schools. Applications are now open for Principals who wish to take part in the initiative in the next school year.

The Annual Kerry GAA Night of Champions

The Annual Kerry GAA Night of Champions went ahead last Friday night and it was a great success! We wish to thank everyone who supported our fundraiser. The buster winners were drawn by Kerry Rose Sally Ann Leahy and the winners were Councillor John Francis Flynn who won 1000 euro and Debbie & John Joe Dorgan Lispole who won 500 euro. The Navillus sponsored race of champions was won by 'Slippy Cian' of the Full House syndicate.

The Kerry Group Sweepstake where clubs are twinned with dogs was jointly won by Skellig Rangers and Keel.

The raffle prizes were won by Brian Dow Castlemaine, Joanne Murphy Kilgarvan, Emelia Marin Spain, Patrick Fennell Tarbert, Donal O'Connell Tralee, John Walsh Ballydonoghue, Brendan Cremin Rathmore, Betty Tobin Tralee, Treasa O'Donnell Tralee and Sean Nolan Tralee.

Our thanks to Christy O'Carroll, John Joe Carroll and all the organising committee for organising a superb evening. Thanks also to all the sponsors and the staff at the Kingdom Greyhound Stadium.

Know Your Rights:

QUESTION

Travelling to my office through city traffic is taking me longer because of increased congestion. Can I travel by electric scooter instead?

ANSWER

An electric scooter (sometimes called an e-scooter) is a small platform with two or more wheels that is propelled by an electric motor. The rider can also propel the electric scooter forward by pushing off the ground.

Electric scooters and electric skateboards fall into the category of 'mechanically propelled vehicles' (as defined in the Road Traffic Act 1961). If a vehicle can be powered by mechanical or electrical power alone, then it is considered to be a 'mechanically propelled vehicle'.

Under Irish road traffic law, people using such vehicles in a public place must have insurance, road tax and a driving licence. There are penalties under road traffic laws (including fixed charge notices, penalty points, fines and possible seizure of the vehicle) for not being in compliance with these requirements. As it is currently not possible to tax or insure electric scooters or skateboards, they are not considered suitable for use in public places.

However, the Road Safety Authority is carrying out research as to how electric scooters and other such vehicles are regulated in other countries, particularly in other EU member states. The goal is to understand the road safety implications of the use of such vehicles on public roads, especially when interacting with other vehicles.

You can read frequently asked questions about electric vehicles on rsa.ie.

THINKING OF GETTING A TATTOO?

A 2016 report from the Joint Research Centre (JRC), which provides independent scientific advice to the European Union, chemically analysed a wide variety of tattoo pigments and listed the ingredients of most concern. The most dangerous are known as polycyclic aromatic hydrocarbons (PAHs), a chemical group found in mostly black inks that contain carcinogens that can migrate from the skin to the lymph nodes. There are also azo pigments, which make up about 60% of the colour ingredients in tattoo inks. Though azo pigments are safe when they first enter the skin, they can degrade over time into potentially cancer-causing compounds.

A Swiss survey of 229 tattoo inks also found problematic preservatives. A quarter of the inks that survey analysed contained the skin irritant benzo-isothiazolinone and 7% contained formaldehyde, a carcinogen. Tattoo inks can also contain harmful metals such as nickel, chromium, and cobalt.

That doesn't mean all tattoos are unsafe. Modern high-quality pigments are typically made from various metal salts. Different metals pose different risks, which mean certain colours are inherently riskier than others. Red ink, in particular, is known to cause sensitivity reactions and other health problems more often than black ink, which can be easily manufactured from safe sources. Blues and greens made from high-quality copper salts tend to be safe as well but watch out for cobalt-based blues. White pigments made from titanium oxide are some of the least reactive pigments in the industry. While yellow pigments are often derived from natural sources like turmeric or curcumin, they commonly cause reactions because of how much pigment it takes to create a bright colour.

If you want to be safe about getting a tattoo, stick to reputable artists and don't be afraid to save up and pay a premium price. Cheap inks are cheap for a reason, and unscrupulous tattoo artists won't be able to offer evidence supporting their ink choices. You should ask your tattoo artist to provide as much information as possible about where the inks came from and what they're made of, and be specific about the colours involved.

A CALIFORNIA STARTUP IS TURNING EXCESS FOOD PRODUCE INTO DRIED SNACKS

In an effort to capture some of the 1.3 billion metric tons of food wasted every year Treasure8 worked along with the University of California – Davis and the USDA to create a new kind of technology that can suck 97% of the moisture out of fruits, vegetables, and fungi.

Once dried, the produce still maintains the same

taste and nutrition – except it has a much longer shelf life without using any preservatives.

Treasure8 now sources all of their produce from various agricultural companies and manufacturing facilities for consumer packaged goods – and they hope to start collecting excess produce from local retailers and supermarkets in the US in the near future.

In addition to selling crisps made out of beets, sweet potatoes, and apples, the company soon plans on unveiling a new kind of biscuit that is partially made out of dehydrated vegetables.

MORE THAN 200 WILD AND ENDANGERED ANIMALS RESCUED FROM CANADIAN ROADSIDE ZOO

For the first time in Quebec animal welfare charges have been made by way of indictment – a type of prosecution reserved for the most serious offenses and which opens the door to more serious penalties, in this case zoo staffers had already received a number of citations for animal neglect. Upon refusing to bring the facility up to code, the Quebec government ruled that all of the animals must be seized from the unaccredited zoo.

Roadside zoos, also known as backyard zoos, usually operate as unaccredited tourist attractions and generally fall short of animal welfare regulations, making them notorious for animal exploitation and neglect and many of the rescued animals were suffering from medical conditions and showed signs of distress from confinement.

Among the animals rescued were lions, tigers, zebras, bears, camels, monkeys, goats, and kangaroos – many of which were found to be endangered species, according to Humane Society International rescuers (HSI). The animals will be matched with species-appropriate facilities that are as close to their natural environments as possible. After that, the animals will have the opportunity to live happy and healthy lives in reputable sanctuaries.

HSI also urges travellers to be responsible and conduct proper research before visiting a zoo in order to make sure that it is accredited.

A Word of Victory

Welcome back dear reader last week we spoke of the good gifts and plans that Father God has for those whose hearts are yielded to Him. So many people cannot draw close to God the Father as a result of hurts and wounds caused to them by their earthly fathers or others who were in authority over them. Many others never knew their father either because of tragedy, or because they were rejected or abandoned by him. This hurts God the Father's heart. He is merciful and so kind yet, often, father's who are to represent God's love to their families, do such damage instead to the little ones in their care, that now they, cannot believe or receive anything from God. "God is Love" (1 John 4:8). He doesn't just love sometimes if it suits Him - His character IS Love. Time and again those who have been unable to demonstrate God's love may themselves have been wounded by their own fathers, and so the cycle goes on - handed down as an iniquity that traumatises and scars. If your father didn't show you love, or if he abandoned or rejected you there is hope for you! The cycle can stop now. Few intend to cause damage to their children, but addictions or dysfunction in a person's life can bring havoc and destruction to that family. Many find it difficult to express their emotions - the 'hard-man' image is a deception, and has been responsible for indescribable grief to those who were at the brunt end of it. Father's day is not as big as Mother's Day because a lot of people hate their father - whether they know him or not. Men - if you are in a place where you are intentionally estranged from your children, you need to acknowledge them and earn their trust. This is only possible with repentance and integrity. These can only be cultivated by a relationship with God through Jesus His Son, as you learn and obey His Word. Friend, if you bear scars from wounds inflicted by your father or by others in authority who should have demonstrated the love of God to you, give those ashes (Isaiah 61:1-3) to Jesus and pray this simple prayer for freedom: Lord Jesus, please heal my heart from every wound and scar. I desire to leave the past behind, and to receive Your mercy, joy, freedom and peace. Show me the Father's Love, in the name of Jesus I pray. Amen (John 14:7-27).

EMERGING ADULTHOOD

Emerging Adulthood is known as the period of time between the age of 18 years and 28 years of age approximately. Unfortunately little attention is given to this period in an individual's life which is a pity because it can be quite a daunting, challenging and fearful time. They may or may not just be out of school and finishing the tail end of their turbulent adolescent years yet this is given little consideration. While it is healthy to encourage more detachment and autonomy and promote the need for more independence it is equally important to acknowledge the plethora of emotions that come with such a step. The fear of the unknown exists. It is part and parcel of this chapter hence parental guidance and support needs to remain steadfast. Emerging adults rarely confess their fears because the pressure is on to save face. They want and need to achieve independence but secretly harbour a lot of fear and confusion as they branch out. Emerging adulthood can extend into a person's late twenties so discussing this reality with our teenagers is necessary. They may change academic courses before finding the right one, take time out and travel, work different jobs, go through various relationships etc. on this journey of discovery; but one thing is for sure they will grow and evolve as they do so. Being open to receiving them regardless of possible mistakes will make them more emotionally robust. They will more than likely seek you out for guidance or comfort and familiarize you with the context of their new world, be it courses, new friendships, problems etc.. They are unique individuals encountering unique experiences to them; we, on the other hand, may have forgotten how this feels. We must bear this in mind if they become derailed.

Creating a good foundation, before they eventually fly the nest, will provide a solid base for them to return to. This foundation is achievable via open and honest communication, gentle encouragement, unconditional positive regard and acknowledging the challenges which exist for them. Slowly but surely the need to save face and disguise difficulties fades and the emerging adult can discuss his/her experiences in a more realistic fashion, be it academic pressure, friendship/relationship worries, financial concerns and so on. This is a welcomed moment! Now we can visualize someone who is ready, willing and able to be in touch with their emotions and recognize the need to reach out for support. This can be an uphill struggle for emerging adults who don't want to disappoint. Remember, they remain vulnerable and sensitive to praise and criticism despite this outward appearance of emerging adult. As parents we can do a great deal to help them navigate any obstacles they may encounter without remaining so much in the forefront of their lives! Once they know that your support is consistent they can discover a world full of possibilities and, in turn, discover themselves!

NOVENA TO THE SCARED HEART

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.

(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

S.H.

NOVENA TO THE SACRED HEART

You have said O Divine Jesus, ask and you shall receive, seek and you shall find, knock and it shall be opened unto you.

Relying on these promises, we come with confidence during this novena to beg of you the favours that we need.

(Here mention your requests)

From whom shall we ask Lord Jesus, if not from you, whose heart is an unfailing source of grace and merits? Most loving heart of my God, I believe in your power, I believe in your knowledge, I believe in your personal love for me, therefore, O Sacred Heart of Jesus, I place all my trust in You.

Our Father, Hail Mary and Glory.

Say 3 times for 3 days and request will be granted. Never known to fail.

ACKNOWLEDGEMENT & 1ST ANNIVERSARY

IN LOVING MEMORY OF

BRIDGIE CASEY

LATE OF KNOCKROUR W. SCARTAGLEN AND KILLARNEY NURSING HOME

As we remember Mom on her First Anniversary, June 21st.

We, her family, would like to thank most sincerely all who sympathised and supported us on our sad loss.

Thanks to those who sent Mass cards, floral tributes, travelled long distances and to all who attended her Funeral services.

Sincere thanks to Fr Dan O'Riordan for celebrating her beautiful Mass. Thanks also to Helen and Denis for their lovely singing and music.

We would like to thank Mike and Fidelma Daly of Daly's Undertakers

who were so accommodating to us.

Special thanks to the wonderful staff of Killarney Nursing Home for the great care they gave to mom. Also, her Home Care team who looked after her in her home in Knockrour. Thanks to all our relatives, friends and neighbours who visited her at home and at the Nursing home. Mile Buiochas.

As it would be impossible to thank everyone individually, please accept this acknowledgment as a token of our sincere and grateful appreciation.

The Holy Sacrifice of the Mass has been offered for your intentions.

ACKNOWLEDGEMENT & 1ST ANNIVERSARY

IN LOVING MEMORY OF

MICHAEL (MIKE) DENNEHY

LATE OF MOUNTHENRY, FIRIES
WHO PASSED AWAY ON
25TH JUNE 2018 R.I.P.

As we lovingly remember Michael on his First Anniversary, we his family, would like to thank most sincerely all those who sympathised with us on our great loss. Heartfelt thanks to family, extended family, friends, neighbours and work colleagues for their kindness and support and to those who travelled from far and near to be with us. Thank you to everyone who called to the house, attended the removal, funeral Mass and burial.

Sincere thanks to all who sent Mass cards, perpetual enrolments, letters of sympathy, floral tributes and to those who made charitable donations.

A sincere thank you to Fr. Tadhg ÓDochartaigh, Fr. Donie O'Connor, M.H.M., Fr. John Ahern and Fr. Tom Looney for Concelebrating Michael's Funeral Mass.

Also the choir, singers and musicians who added beautifully to the Mass. Thanks also to Fr. Luke Roche.

Sincere thanks to Milltown Castlemaine G.A.A. Club, The Mid Kerry District Board and Kerry County Council for their dignified Guard of Honour on both days.

Also to Michael's two cycling friends who walked with his beloved bike on his final journey.

Thanks to Dr. Pat Daly and his team at Brooklands Medical Centre Castleisland and Farranfore for the care and kindness shown to Michael and to Dr. Patricia Sheahan and her team at U.H.K.

We also wish to extend our gratitude to Ahern's Pharmacy Farranfore, O'Connor's Funeral Directors and the Anvil Castlemaine.

To everyone who shared our great loss and assisted in any way by word or deed we sincerely thank you.

As it would be impossible to thank everyone individually, please accept this acknowledgment as an expression of our deepest gratitude.

The Holy Sacrifice of the Mass has been offered for your intentions.

'Safe in the arms of Jesus'

Forever loved and sadly missed by his wife Noreen, sons Dónal, Michael and Jack.

Mother Joan, sister Mary, brothers Donal & Jerome, uncles, aunts, brothers in law, sisters in law, nieces, cousins, friends and neighbours.
