Interior Design is a very personal business, be it in a domestic or a commercial capacity. There are so many aspects to consider, it can sometimes be overwhelming. This is where an Interior Designer can be of massive benefit.

Whether you wish to:

- Make your business a statement in style

- Give your home a cosmetic make over
- Redecorate your kitchen/bathroom/etc.
- Create a more functional living/working environment
- Simply change the colours in your home

Every design journey starts with the concept of evolving the space into it's own unique masterpiece

In a week that saw Dr. Crokes GAA Club capture the County Championship title, there is a lot going on in the town of Killarney. Chamber President Kate O'Leary and Cllr. Niall Kelleher will be sleeping rough tonight in the grounds of Cork Gaol in an effort to raise funds and awareness for Focus Ireland.

A very special Strictly Come Dancing has been launched by Down Syndrome Kerry with the event due to take place on December 2nd. Killarney teacher Eddie Sheehy has returned from yet another trip to Kenya and Killarney Rotary Club has won a prestigious award.

The schools have hit the ground running this term with awards, fundraisers and trips abroad all in this week's Killarney Outlook - Out first ever Friday.

TOWN TURNS BLACK AND AMBER AS DR CROKES WIN 11TH SFC TITLE

The town of Killarney turned black and amber a on Sunday last when Dr Crokes clinched the Garveys Supervalu Senior Football Championship crown on Sunday last with a seven point victory (2-16 to 1-12) over divisional side Kenmare District at a very wet Fitzgerald Stadium Killarney on Sunday last. Hundreds marched through the town to celebrate the win.

With experienced players of the calibre of Eoin Brosnan, Ambrose O'Donovan, Colm Copper and Brian Looney in their ranks they had the perfect mix of youth and experience in abundance and they controlled the game for long periods. In contrast, their opponents were young and inexperienced at this level of football and while they brought a breath of fresh air to this year's championship with

MEMBERS OF THE DR. CROKES VICTORIOUS 1991 ALL IRELAND CLUB CHAMPIONSHIP TEAM WERE HONOURED DURING HALF TIME ON SUNDAY.

DR. CROKES TEAM MEMBER GARDA MIKE MILNER LEADS THE PARADE THROUGH THE STREETS OF KILLARNEY.

their youthful enthusiasm that endeared them to many football followers, in the tough conditions that prevailed on Sunday last they were always going to be up against it, against a side, over a dozen of whom, had featured in the 4-in-row winning sides of 2010 to 2013. The winners had many fine performances on the day with Colm Cooper in particular delighting the attendance with an overall display of class that brightened up a dark afternoon. Cooper was afterwards named the Garvey's Supervalu Man of the Match, an accolade he also won back in 2010 at the start of the 4-in-a-row odyssey. Kenmare District, while not managing to secure

the ultimate prize, can look back with pride on their performances in this year's championship. Their refreshing style of play was a shot in the arm to the game of football in the county and they will know that success at this level will only come with experience. They coped admirably with the burden of having to prepare for finals at senior and intermediate level and there is certainly a bright future ahead for this talented group of players.

So Dr Crokes move up to third in the Roll of honour on 11 titles one ahead of John Mitchels and one behind Laune Rangers and Austin Stack who are joint top.

DOWN SYNDROME KERRY STRICTLY COME DANCING SET TO WOO THE CROWDS

A night full of strictly dance moves is on the cards as Down Syndrome Kerry's Strictly Come Dancing prepares to quick-step its way onto the INEC stage on Friday 2nd December. Glitter, spray tans, sequins and dance moves will consume the dancers for the next two months as they gear up for their moment in the spotlight under the expert guidance of Joe Burkett who was the creative director behind the two sell out Strictly Come Dancing events in the INEC in recent years.

"This will be my most magical Strictly Come Dancing event to date. We've got 24 great dancers, 6 of whom have Down Syndrome and they are all committed to the task ahead of them" Joe Burkett, creative director, said. "This will be the first Strictly of its kind as our 12 couples will learn not one but two styles of dance resulting in a dance fusion. We will be teaming the dance styles quickstep and jive together for example".

a professional dance from Joe Burkett. On the night, the public will be treated to 12 different styles of dance as each couple take on a dance routine. Dance styles include the Waltz, Salsa, American Smooth and Jive. DJ Gavin O'Leary will keep the crowd on their feet until 3am. This show will also have the added sparkle of Christmas magic. "The response to the event has just been overwhelming. We are absolutely thrilled with the support we've received so far. It's a fantastic fundraiser and now that the dancers are all on board, we just can't wait to get started" enthused Anne Marie Russell, Event Manager. "We've got 24 brilliant dancers who are all eager to get started with their training. I'm sure we can expect great things on the night from this gang" added Anne Marie. Rachel Fitzgerald, Chairperson of Down Syndrome Kerry says, "We as a committee would like to thank all 24 dancers for taking part in this fundraising event for us. We understand that they are giving up their time and we would like them to know that we appreciate it. We are very grateful for their help and support. Programme for their financial assistance and support for this event. All money raised from this event will remain in Kerry and will be used in the provision of essential services to our members such as Speech and Language Therapy and Occupational Therapy. Our goal in Down Syndrome Kerry is to help our members to make their own futures as bright and independent as possible by providing them with education, support and friendship every step of the way"

Tickets for this event are priced at €20 and can be purchased from all of the dancers, the INEC Box Office, our Down Syndrome Kerry office, Balloonagh Estate, Tralee and our 321 Shop, High Street, Tralee from 15th October.

They will be on sale in Scarlett, Scott Street, Killarney and in Sean Taafe Hair & Beauty, Lewis Road, Killarney and Castle Street Tralee from 18th October.

"We are looking forward to seeing everyone there to support our wonderful charity which provides essential support and services to our members all over Kerry", Debbie Walsh, PRO Down Syndrome Kerry told the Killarney Outlook.

KENYA KEEPS CALLING FOR EDDIE

After another successful year of fundraising and volunteering in the village of EmbulBul Kenya, Eddie Sheehy, founder of the Kenya Education Project has returned home after another action packed trip.

Speaking to the Killarney Outlook Eddie said that without the support of the people of Killarney the work he does would not be possible. "I would like to thank everyone who generously supported the project again this year. The annual table quiz, Church appeal, schools support and individual and business donations continue to help the project to work among poor families in the village of EmbulBul", he said.

This year the project was able to support 50

young people through school sponsorships, paying their school fees and ensuring they receive a hot meal each day. This year some past pupils returned to Brother Beausang school to share their experiences with final year students. Their accounts of struggles to achieve an education were truly inspiring. "One boy, Christantus was 14 years old in first class in primary school, persevered with his studies and now at the age of 28 is in second year of teacher training college", Eddie said.

Some past pupils are being sponsored to pursue further education and will hopefully gain employment to provide much needed support to their struggling families.

"Visiting the homes of the poor and marginalised is a central part of the work of volunteers who visit Kenya. We see at first hand the harsh, challenging living conditions families face in trying to feed and educate their offspring. Shoes, baby clothes, adult clothes were given to needy families as well as financing the purchase of beds for 4 families living in terrible overcrowded conditions. On each visit a food parcel containing rice, biscuits and maize flour was donated to families and young children. This work is organised by local SVDP volunteers who do Trojan work in supporting the marginalised", he added.

In February, Killarney footballer Ambrose O'Donovan spent a month working in the primary school helping with PE classes and coaching of school teams.

In July volunteers Sharon Courtney and Denise Collins purchased new school uniforms

and shoes for a large number of primary school students and paid school fees for some deserving families which helped ease their financial burdens. In September Katie O'Connell spent time visiting the parish feeding programme as well as volunteering in the school. At the feeding programme she befriended many of the children and listened to sad life stories from orphans, children with HIV and children of single parents. The project is financing the purchase of a new wood burning stove which will help in the preparation of food each day as well as conserving supplies of timber which cook the large containers of maize and beans.

To all who help and support the project each year thank you for your continued support and generosity Asante Sana.

RAIN FAILS TO DAMPEN SPIRITS AS KILLARNEY VALLEY CLASSIC AND VINTAGE RAISE €36,600 FOR CHARITIES

DESPITE the atrocious weather that played spoilsport on the day of the South Kerry Ploughing Championships and Harvest Show, Killarney Valley Classic and Vintage Club still helped to generate an impressive €36,600 for local charities this year.

Supported by the hard work and fundraising efforts of the four charities involved, the torrential downpour on September 11 didn't completely spoil the day and the gate receipts, fundraising initiatives and other events organised by the club and its supporters helped to boost the charity coffers. The four organisations to benefit were the Kerry branch of the Irish Kidney Association, the Irish Pilgrimage Trust, Kerry Down Syndrome and Kerry-Cork Health Link Bus and they all worked so hard to ensure the funds generating potential was maximised.

In addition, €500 donations have been made to support both the autism unit at Fossa National School and St Ita's and St Joseph's School in Tralee. Killarney Valley Classic and Vintage Club also received huge support in the fundraising drive from Kerry Macra and Mid Kerry Macra, Kenmare Mart, the Killarney Water Rescue Unit and Kerry Hospice.

Other club events that helped raise funds for the charities involved were a vintage car show in July and a tractor and vintage car run in April. The committee, sponsors and friends of the Killarney Valley Classic and Vintage Club

gathered at the Travel Inn in Fossa for the presentation of ploughing prizes and the handing over of cheques to representatives of the four chosen charities.

As a number of the planned events had to be cancelled on the day, when the heavens opened, the committee still had an abundance of terrific prizes to be given away and, as a result, many of those in attendance on the

presentation night went home very happy. Event chairman, Tom Leslie, has thanked everybody that attended and supported the ploughing and show on September 11, those who sponsored stands, prizes, exhibitors and competitors and, particularly, all the volunteers who helped out on the day and in the weeks leading up to the event.

AMSTERDAM CALLING FOR KCC STUDENTS

Students from Killarney Community enjoyed a school trip to Amsterdam recently. One of the senior students on the tour Rory Carroll tells the Killarney Outlook all about it.

Rising at one in the morning to be in school for quarter to two for the bus is something I would not fancy doing again. The bus was a mix of tired heads and eager teenagers who couldn't wait for a school tour to Amsterdam. After a relatively thorough quick check in process and a filling breakfast it was time to leave Ireland for a new land. We touched down in Amsterdam for half nine their time. We were given the chance to explore an airport which could probably have fit all the airports in Ireland inside of it. We then met up with our fantastic tour guide Stephen from Saffron Travel Ireland. We then headed away on our private bus driven by our magnificent driver Omar. We departed for our first destination which was the Amsterdam Arena, home to AFC Ajax and the Netherlands national team. Immediately I was taken aback by the sheer size of the structure. We entered the stadium and were given a fully guided tour of the stadium. We were shown all of the stadium from standing at the very top row to sitting in the dugouts. We also toured the two changing rooms and learned about why the home one is much more advanced than the away one. This was to give the Home team a physiological advantage over their opponents. Finally we toured the museum which was filled with trophies and memorabilia which showed the rich history of the club. Following a quick stop at the hotel and rest we headed off for one of the most famous places in this beautiful city, the Anne Frank house. In a city of so much joy this house which represented one of the worst times in human history almost seemed out of place. There was a queue outside which seemed to stretch as far the eye could see. Thankfully we had pre booked our tickets and got to skip the 3 hour waiting list. Inside of the house was a humbling and sobering

STUDENTS FROM KILLARNEY COMMUNITY COLLEGE PICTURED ON THEIR RECENT TRIP TO AMSTERDAM.

experience which I would recommend doing once. You could sense the despair that was in the house looking at all the relics left behind and the facts about the experience inside of it. Following it we went to the Hard Rock café and had a very tasty dinner. We then headed back to the hotel for an early sleep as we finished our 20 hour day. The following day we visited the Rijks museum, home to some of the Netherlands finest pieces of art. It was home to pieces by artists such as Vincent Van Gogh, Vermeer and most famously Rembrandt whose Nightwatch painting was a highlight of the museum. Following that we got a private boat tour down the many canals of Amsterdam and into the bay. We learned about the history of the city, what different things meant, saw ingenious pieces of architecture and found out how many bikes fall into the canals every year. We finished the second day with some shopping in the famous streets of Amsterdam. Everyone was eager for the third day as we were going to the Eftling theme park. It is the largest theme park in the Netherlands and one of the oldest in the world. There was over thirty fantasy themed rides to choose from and naturally my group chose the biggest

and fastest ones. We experienced some of the largest, fastest and most amazing rides I've ever been on. We came back to the bus soaked, out of breath and with big gleeful smiles on our faces. To end the day we ate at an all you can eat Chinese buffet and we definitely ate all we could. Monday was the final day of the tour and everyone was bit down due to this. To compensate we visited some very historical and fascinating villages including Volendam, which were all below sea level. We witnessed how they make their world famous cheese and clogs and how the many dikes stop the sea from flooding the areas. Thankfully the sun was shining and it provided us with some amazing images and it reflected along the water which will live long in our memories. Finally we visited Zaanse Schans, home to the famous windmills of Amsterdam. The wooden and thatch roofed windmills were very interesting and provided great photos. The final day was very fascinating and a highlight of a wonderful trip. Despite our protests we eventually had to return home to Ireland from one of the most amazing trips I have ever experienced with memories that will last a lifetime.

KILLARNEY HONOURS A REAL LIVE HUMANITARIAN HERO

FR SHAY CULLEN SSC.

The 2016 recipient of the Hugh O'Flaherty Humanitarian Award, Fr Shay Cullen SSC, has confirmed that he will be in Killarney on Saturday November 5th to personally accept the Humanitarian Award.

Fr Shay has fearlessly confronted and challenged local and national Governments,

human traffickers, and other vested interests as he goes about his life's work of defending and educating the oppressed and poor of the Philippines. This is an opportunity for young and old to greet and welcome one of Ireland's great living heroes and to be inspired by his message. Fr Shay has been previously nominated for a Nobel Prize and has received various Humanitarian Awards.

For many of us, human trafficking and gross violations of human rights are what we see on the news, read about in the newspaper or catch clips online. For Columban Father Shay Cullen, preventing the abuse of women and children at the hands of human traffickers and their own governments is his life's work.

Fr. Cullen took action seeking to save the lives

of children, destroy the sex tourism business and stop the violation of human rights by co-founding the PREDA (Prevent and Rehabilitate Drug Abusers) Foundation in 1974 with Merle and Alex Hermosa.

Fr Shay will be presented with the Hugh O'Flaherty Humanitarian Award by the Mayor of Killarney Municipal District, Cllr Brendan Cronin, at a special ceremony on Saturday November 5th at 8.00.p.m. in the Killarney Avenue Hotel. Admission is free and all are welcome. To be sure of a seat, call Killarney Chamber on **064 6637928**, giving your name and the number of seats you require.

POLITICAL OUTLOOK

HSE FUNDING

DANNY HEALY-RAE TD.

Press Release from Danny Healy-Rae TD,

As part of my budget speech and where the government have promised an extra 500 million to be allocated to the department of Health, I said I do not want this money to be consumed by the HSE. I asked that

more money be given to provide extra Home Help hours to assist elderly people who want to remain in their homes for as long as possible. I asked that money be allocated to open the

closed ward in Kerry University Hospital to curb the trolley crises. I also asked that the new mental health facility in St. Margarets Road Deer Lodge Killarney be opened and staffed and that the closed wards in Kenmare and Dingle Community Hospitals be opened.

I also highlighted my disappointment that the Macroom Bypass Programme has been bypassed again as it is vital that we get this programme under way to attract investment into Kerry and for all those travelling from Kerry to Cork for employment and for access to primary health care.

I am also very disappointed that no funding has been provided for Local Improvement schemes.

HSE MEETING

Deputy Danny Healy Rae & Cllr Johnny Healy Rae are having a meeting with the HSE on this Friday morning the 21st October asking that the same services for the people who attend Lantern Lodge will be provided at the new facility at Leewood House which is opening in the next few weeks, we have asked continuously that meals, shower facilities, etc., will be made available at Leewood House but to date the HSE have failed to agree to these requests, Lantern Lodge and the staff gave an excellent service to all the people who attending there back over the years and it is not acceptable if the same care and facilities will not be provided in Leewood House.

DENTAL WAITING LISTS FOR CHILDREN

Nationally there are 15,014 children waiting to be assessed for Dental Treatment and 24,283 are awaiting treatment following on from being assessed

In a recent Dail Question Deputy Michael Healy Rae asked the Minister for Health how many children are currently on the waiting list for Dental treatment in Kerry and Nationally. In his reply the Minister confirmed there are currently 150 children waiting to be assessed for treatment in Kerry and 15,014 nationally. The below is a table the Minister has issued to show how many children are waiting for treatment following on from assessment in County Kerry.

Orthodontic waiting list

Less than 6 months - 20

6-12 months - 34
12-24 months - 55
Greater than 24 months - 197

Deputy Michael Healy Rae states that this is a disgrace that children have to wait this long for treatment. He states " everyday I get calls from parents saying how upset they are that their children have to wait so long but they cannot afford to go privately and it is heartbreaking to think of children being upset and embarrassed about their teeth. It is ridiculous that the average waiting time for routine orthodontic treatment is currently less than 4 years"

As part of a waiting list initiative for patients waiting up to four years for orthodontic treatment, the HSE has undertaken a procurement of orthodontic services with a

number of private service providers nationally.

The HSE is committed to offering a transfer of treatment from the HSE to private service providers, for those patients who have been waiting the longest. Therefore those patients who have been waiting over four years have been contacted first, followed by those waiting three years or more. This initiative commenced in April 2016 and they are currently working on 2012 list.

STUDYING THE BEHAVIOUR OF WILD BIRDS

The 4th in a series of talks will take place this Thursday night in the Plaza Hotel at 8pm. Organised by Killarney National Park, this weeks talk will focus on the behaviour of wild birds and is free of charge. It will be hosted by

LILLIE FOLEY (RIGHT) WHO ENTERTAINED WITH HER BEAUTIFUL VOCALS AT THE KILLARNEY ROTARY CLUB AFTERNOON TEA & FASHION SHOW PICTURED AT THE MALTON WITH HER SISTER GRACE FOLEY, WHO WAS A MODEL AT THE EVENT. PICTURE MARIE CARROLL-O'SULLIVAN.

John Quinn who has had a lifelong interest in birds and is Professor in Zoology at UCC. After researching oyster catchers and roseate terns in Dublin Bay in the late 1980s as a young student, John worked at the Wildfowl and Wetlands Trust in the UK Slimbridge, an organization that was set up by Peter Scott to promote the conservation of wildfowl and their habitats. He did his PhD at Oxford on the remarkable relationship between red-breasted geese and birds of prey like the snowy owl in the Russian Arctic. At Oxford John became increasingly interested in understanding how predators affect the behaviour of birds, and of the role that personality and intelligence plays in determining how individuals survive in the wild. John moved back to Ireland in 2012 where he began to study puffins and shearwaters around the Irish coast. Recently his team deployed 400 nest boxes on the Muckcross peninsula in Killarney, which he hopes will reveal a fascinating insight into the life of small birds in one of Ireland's most iconic woodlands.

10 IMPORTANT HOME SECURITY TIPS

Simply installing a home alarm system doesn't automatically mean you should ignore security in your home.

1. A good test is to lock yourself out of the house and try to get back in (without a key). If you can do it, then there is no doubt that a professional or even an unprofessional burglar will be able to also.
2. Dogs act as a great deterrent to burglars. While security is not a good enough reason to get a dog, if you actually like dogs it is always an option.
3. Install lights in all outside entrances. You could consider sensor lighting but make sure it's not the type that switches on every time someone walks by your house. It can be annoying and have no impact if it is always switching on and off.
4. If you are out and about in the evening time, always leave a light or two on to make it look like someone is home. An unlit house with no car in the driveway is an open invitation to thieves. It's also a good idea to leave the radio on.
5. When you buy new appliances such as a flat screen TV, dispose of the packaging carefully. Don't leave the box outside your house. You may as well put up "rob me" sign.
6. Close all curtains when your holiday home is unoccupied. If you are away, then get a friend or neighbour to do this each evening.
7. Don't leave any valuables such as cash or jewellery lying around or hidden in obvious places. Make sure they are securely stored. Always take photos of valuable jewellery for insurance purposes. Ensure you have adequate insurance cover for valuables.
8. Use of gravel on your driveway or pathways to your property can act as a deterrent to burglars. Always keep hedges and shrubbery well clipped as they can act as a hiding place for burglars.
9. Try to stay on good terms with your neighbours as they are more likely to look out for you and your property. You should also give a spare key to a trusted neighbour rather than "hiding" it under a doormat or a potted plant in the garden.
10. Ensure that all doors and windows have strong locks. This is especially important for patio doors, which are notoriously easy for burglars to access.

LOTTO: Numbers drawn were 7, 11, 15, 28. There was no jackpot winner. **SENIORS:** Our seniors played Beale in the Junior Club Championship Final on Saturday afternoon in Austin Stacks Park. This was a humdinger of a game which ebbed and flowed right to the end. Beale opened the scoring but in the 4th minute Tadgh O'Shea rattled the net after a slick passing movement, he followed this up with a free before Matthew Rennie kicked over a fine point in the 12th minute. Then Paudie Clifford worked his magic and scored a great goal to leave Fossa leading, 2-02 to 0-02 after 15 minutes. Fossa were winning all the battles at this stage with Fintan Coffey and Matt Rennie controlling the midfield area, Lorcan Daly was winning a lot of breaks and the inside forwards of Donald O'Sullivan and Tadgh O'Shea were causing the Beale defence all sorts of problems. Beale gradually got to grips with the game and finished the half strongly, they scored four points with our only reply coming from Tadgh O'Shea after a fantastic run by the excellent Darragh Rice. Colin Myers pulled off a brilliant save in the closing stages of the half which left Fossa leading, 2-03 to 0-06 at the break. Paudie Clifford kicked a great free at the start of the second half and then Beale tagged on three points without reply before scoring a great goal in the 10th minute to take the lead. Donald O'Sullivan kicked a point, again after a super run by Darragh Rice. Colin Myers had another great save before Beale extended their lead to two with the clock heading towards full time. While we had plenty of possession we were finding it difficult to find our range in front of the posts, in the 30th minute of the half, Fossa received a lifeline when they won a penalty after Matt Rennie was fouled. Paudie Clifford

held his nerve to slot home the resulting kick and the remaining minutes of the half were hectic and frantic as both sides looked to win the game. Beale drew level with a free, then Tadgh O'Shea looked to have sealed it when he scored in the 32nd minute after a brilliant run by Anthony Wharton, however Beale scored at the death to bring this absorbing game to extra time. In a tight first period of extra time, Beale scored two points with our only reply coming from Donald O'Sullivan. Beale added two further points in the opening minutes of the second half and looked the more likely winners at this stage, however with Killian Bellew making an immediate impact with two vital interceptions, Fossa roared back into this game. Donald O'Sullivan kicked a free, then Tadgh O'Shea kicked a massive free from 45 yards out before Matthew Rennie punched a game saving point deep into injury time. The players gave absolutely everything on the day, their fitness and never say die attitude really stood to them and they never gave up at any point. Colin Myers was outstanding in goal, Colm Walsh, Kevin McCarthy and Anthony Wharton gave an excellent display at the back, defending as if their lives depended on it. Our half backs of Darragh Rice, Mark Dennehy and Daniel O'Keeffe ran miles and attacked at every opportunity to great effect, Fintan Coffey and Matt Rennie did trojan work in the middle of the field. Mikey O'Shea, Lorcan Daly and Paudie Clifford put in a massive shift all day while the inside forwards of Tadg O'Shea, Daniel O'Connell and Donald O'Sullivan caused the Beale defence plenty of problems. The subs of Michael O'Keeffe, Shane Malone, Damien Dennehy and Killian Bellew all contributed immensely to this game when introduced.

Fossa will be happy to have got the draw from what looked like a precarious position and they will feel that they have plenty more to offer in the replay. Final score, Fossa 3-10, Beale 1-16.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

HOW TO EAT SLOWLY TO AVOID OVER EATING

a. There is a "sensor" in our brain (in the hypothalamus) that needs about 20 minutes to get activated (give or take a few minutes for individual differences). Digestive and hormonal processes need to take place before our brain realizes we are not hungry anymore; we could feel bloated and still be hungry before this recognition of satiation is set off.

9. If you feel still a little bit hungry after this, stop anyway. Drink a little bit more water. This is where you will need to use a little willpower and to recall your motivation and visualizations. In five more minutes, you won't want to eat more, even if food is delicious, because you will feel satisfied and full.

a. Use distractions if visualization on your reason for eating slowly fails at this point. Go for a walk, watch a favorite TV show, write a poem, call a friend on the phone, go for a swim, knit a sweater, feed an animal, groom your pet, wash the car, change the sheets, etc.

b. Having a hot drink can help to overcome residual hunger feelings. Try a coffee, tea, warm water with lemon, etc.

c. If you're still feeling hungry after eating slowly, you might have nutritional deficiencies or an illness; there may also be continuing underlying psychological problems. It is wise to speak to your doctor about this if it's still the case for you

OUTLOOK FASHION REMOVING WAX FROM CLOTHING

If you get wax on a piece of clothing, layer wax paper over the hardened wax and then run an iron over it to loosen it up. Once you pull off the paper, the wax should come right out with it.

HEALTH TIP

QUIT SNACKING IN BETWEEN MEALS. Do not fall for snacks in between meals. This is especially true for those who have to travel a lot. They feel that the only time they can get a bite to eat is snacks and junk food. The main problem with most snacks and junk food is that they are usually less filling and contain a lot of fat and calories.

Beauty tip

Turn Up The Heat

For curlier, flirtier lashes, the experts at You Beauty recommend heating your lash curler with a hair dryer for five to eight seconds before curling them.

BANISH YOUR FEARS THIS HALLOWEEN!

Halloween is nearly upon us again. The time of year when we love to get spooked and create all sorts of monsters, ghosts and frightening stuff to scare us! And the reason we can laugh is because we know that it's not real. It's all make believe. We can smile at our antics and not take ourselves (or others) too seriously. What if you did the same thing with your negative thoughts, fearful worries or self-limiting beliefs? If you think about it, a thought is only a thought. The beliefs we have about whether we can or can't do something is only a belief. It doesn't make it real or true. And yet, so often we get scared out of expressing our true self or enjoying our greatest life because of the frightening thoughts we are thinking! These thoughts only have power if you believe them. You wouldn't believe there's a scary monster standing on your doorstep at halloween! You'd probably smile at it and give it a treat to take away!

TODAY'S COACHING CHALLENGE!

Treat your negative or self limiting thoughts as if they are made up monsters. Whenever they show up, try smiling at them and send them on their way. They're not real! They are just thoughts and thoughts can be changed. Turn instead to the soft, loving whispers of your heart and banish your fears and doubts for good!

Just a heads up – my **new Mindful Movement** six week course (Chakranetics™) begins on **Monday October 24th at 7.30pm** and **Tuesday 25th October** at 10.00am at the Travel Inn, Fossa. Bookings now being taken on 066 9766374.

TAX Matters with

LOCAL PROPERTY TAX (LPT)

If you are the liable person for the residential property on 1 November 2016 you have to pay LPT for 2017. If you (as an owner) sell your residential property after 1 November 2016 you will be liable to pay LPT on the property for 2017, even if it is sold before the end of 2016.

The amount of LPT due for 2017 depends on the value declared for the property on 1 May 2013 and the LPT rate applying to your property for 2017. Some local authorities have adjusted the LPT rate for 2017. Kerry County Council has not adjusted the LPT rate for 2017.

You can confirm how much LPT is due for 2017 on your property by accessing your LPT record online using your PPSN, Property ID and PIN.

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON FILLING WINTER CONTAINERS

Now is the time to start filling your winter containers, pots and baskets. First thing to do is empty your pots of the summer display including compost and give it a quick wash inside. Then put some gravel around the drainage hole at the bottom of the pot. Now add some new compost and fill it about 2 inches from the top of the pot and firm it down but not too hard.

Next it's time to choose what plants you're going to use, first plant what will be your centre piece, which could be anything from a conifer to a grass, such as a phormium or if it's a very large pot or container you could choose something like a pyramid or a standard bay-tree which is a bit more expensive but you will have them for a long time.

Next plants to choose would be something trailing such as ivy or a Vinca and plant three of them like a triangle in the pot, in between these you can plant some primroses, polyanthus, winter pansy, cyclamen, etc and also you can plant some tulip or daffodils as well.

After planting remember to water in well.

SENIOR FOOTBALL CHAMPIONSHIP FINAL

KERRY O'SHEA REPORTS ON LAST SUNDAYS SENIOR COUNTY FOOTBALL CHAMPIONSHIP SEMI FINALS.

CROKES COMFORTABLE AS THEY CLAIM 11th CROWN

DR CROKES 2-16

KENMARE DISTRICT 1-12

Twenty-five years ago, a little-known red haired young boy Colm Cooper was the team mascot as Dr Crokes set out in quest of County Championship and All-Ireland honours. Twenty-five years later that young boy is now recognised as the finest forward in the land. Injury may have affected him over the last two seasons but he was back to his brilliant best as he helped his beloved club to claim another Garvey's Kerry SFC title as Crokes defeated Kenmare District in front of 6,713 at Fitzgerald Stadium.

In doing so, Pat O'Shea's side climbed back to where they belong-at the summit of Kerry football and proved yet again just why they are the best Kerry side to win this competition in recent years as they won a 5th title in seven years and an 11th title in all to move second in the Roll of honour.

This was vintage Colm Cooper at his brilliant best, as he scored seven points, four from play and secured yet another Man of the Match title as Crokes were in almost complete control.

The Killarney side were only behind on one occasion as they dominated the game despite the efforts of a Kenmare District side who could never repeat their excellent semi-final show as goals in either half from Kieran O'Leary and Johnny Buckley cemented their domination of the game.

Crokes had other heroes too in Kieran O'Leary, David Payne, Michael Moloney and Brian Looney, who chipped in with four excellent points from play, all had their moments as did substitutes Jordan Kiely and Michael Burns who got their names on the scoresheet as well.

Kenmare District manager John Galvin's tactic of deploying Tadgh Morley didn't work as Colm Cooper's influence on this game proved too much for the challengers.

Kenmare's day got worse when they lost key defender Patrick Clifford with a recurrence of a shoulder injury late in the first half. Adrian Spillane, Killian Spillane and Tadgh Morley were at the forefront of much of Kenmare's good work but this was not their day.

Colm Cooper had the honour of opening the scoring with a fine point after 40 seconds but Paul O'Connor landed a brace for the District side who were playing into the Lewis Road end in the first half.

Crokes hit back with fine scores from Colm Cooper and Kieran O'Leary and when Killian Spillane levelled scores were tied at 0-3 apiece after 14 minutes.

DR CROKES CAPTAIN JOHNNY BUCKLEY ACCEPTING THE BISHOP MOYNIHAN CUP WITH TEAMMATE COLM COOPER ACCEPTING MAN OF THE MATCH AWARD FROM JIM GARVEY FOLLOWING THEIR 2-16 TO 1-12 VICTORY OVER KENMARE DISTRICT IN THE COUNTY FOOTBALL FINAL.

Cooper punished a poor Kenmare kickout to put his side in front and when Shane Murphy slotted a '45 shortly afterwards as the Killarney side gained the upper hand.

Paul O'Connor's place-kicking kept Kenmare in touch but Ambrose O'Donovan, Colm Cooper (f) and Kieran O'Leary in between a Paul O'Connor point from a free for Kenmare left the Crokes leading by two with ten minutes of the first half remaining.

Crokes, hopes received a major boost in the 26th minute when Kieran O'Leary finished a Fionn Fitzgerald delivery to the net for the game's first goal but Paul O'Connor, again from a free, closed the first-half scoring with Crokes 1-7 to 0-6 clear at the short whistle. Adrian Spillane gave Kenmare an early tonic with a point within the opening minute of the second half but Michael Burns, introduced at half-time for Alan O'Sullivan, cancelled this out at the other end. Then Crokes struck for their second goal in the 33rd minute when Gavin White placed Johnny Buckley who finished to the net in style.

Kenmare bounced back with a goal of their own through Teddy Doyle but Crokes hit full throttle with a string of points from Brian Looney (3), Looney was to score four in all and a double from Cooper pushed Pat O'Shea's team 2-13 to 1-8 clear with 13 minutes of the 2nd half gone.

Kenmare's hopes were slowly ebbing away and they needed goals now. They almost got one in the 47th minute only for the intervention of the woodwork to deny Paul

O'Connor as Crokes continued to hold sway. Looney, with his fourth point of the game, Colm Cooper and Jordan Kiely added points to close off Crokes scoring while Kenmare District had points before the finish from Paul O'Connor, Killian Spillane and Adrian Spillane. This was a special day for Dr Crokes manager Pat O'Shea and his family as Pat's son Gavin who was on the starting 15, now joins his father in a unique club of fathers and sons who have won County SFC honours in Kerry.

BEAUFORT GAA

BEAUFORT U14 GIRLS: Sponsored by Beaufort Drama Group. Beaufort took their place in the east Kerry final, unbeaten in this campaign, and were able to field a full strength team to face Currow. This game lined out 13 a side, on a lovely autumnal evening in Beaufort. The home team opened the scoring with a good run from centre forward Tara Clifford ending in a great goal to settle the girls. Currow also started well scoring 3 unanswered points from play, and also managed a fine goal from a great run through the Beaufort defence. Beaufort missed a point but Holly Clifford made sure with a shot over the keepers head for Beaufort’s second goal. Beaufort were moving well now, passing the ball well and Maggie Kingston broke forward from midfield to open her tally of 1-6 for the evening. Holly managed to get a shot on target, but it was saved, and met Leanne Hayes open hand to give Beaufort’s their third goal. Other points this half were from Tara, Maggie and Holly, who also had a goal attempt just breeze wide just before half time. Half time score Beaufort 3-5

Currow 1-3.

The second half saw Meabh Coleman Horgan replace Rebecca McHugh, who had worked well in the first half. Beaufort created a lot of chances but couldn’t put up the scores, with misses from Holly and Leanne giving Currow hope which they duly converted with second fine goal. Maggie opened the scoring for Beaufort in the second half after fifteen minutes. This was followed by a cracking goal from Leanne. Maggie definitely had her shooting boots on getting the rest of Beaufort’s scores with two more points and a goal to clinch the shield for Beaufort. Juliet, Caoimhe and Kerry were especially robust in defence, never giving up and always a thorn in someone’s side. Full time 5-8 to 2-5.

Congratulations to all the girls for a great campaign and to their mentors Micheal Kissane and Amy Foley.

BEAUFORT U14S BOYS: Sponsored by Sean Coffey of Kate Kearney’s Cottage travelled to Cromane last Sunday to meet Laune Rangers in the Mid-Kerry A Championship Final. This was the 3rd Final our U14 team has played in this year and came home the victors in the other 2 finals. Alas, on this occasion Laune Rangers went home with the Cup. Beaufort took a while to find their feet and despite their best efforts, Laune Rangers went ahead quickly and at half-time had a huge lead, Beaufort 0 - 4, Laune Rangers 4 - 5. Beaufort came back strong in 2nd half and their outstanding players Jack O’Connor and Sean O’Brien started to close the big gap in the score. Despite battling hard and unfortunate with some near misses, time ran out for them on their superb fightback.

Final score Beaufort 4- 10, Laune Rangers 6 - 10. Well done to all the U14 team. Thanks also to their trainers who have put in a lot of work with this team and the team has greatly benefited from it. All in all, a great season of football from our U14 team.

CONGRATULATIONS: To both Fiadhna Tangney who has been named Munster Ladies Football Player of the Year and to Sarah Houlihan who is the only Kerry player to be nominated for an All Star in 2016. Their function will be held in City West Hotel, Dublin on Saturday, November 12th. This is the 2nd year in a row when the Munster Young Player has gone to the Black Valley.

LOTTO: Results of Sunday, 16th October for jackpot of €6,400. Numbers drawn: 4, 6, 12, 14. Congratulations to Teresa Foley, Kilgobnet, Beaufort who was lotto jackpot winner. Next draw for lotto jackpot of €2,000 will be held in Beaufort Bar on Sunday, 30th October.

FIXTURES: Beaufort Seniors sponsored by Maurice Foley of MF Decorating will play Keel in the Mid-Kerry Championship on week-end of November 5/6th.

Mid Kerry minors will play East Kerry in Co Minor football Championship final on Sunday, 23rd October at 1.30pm in Fitzgerald Stadium. Replay if draw.

Beaufort Under 16 Boys home Laune Rangers

on Saturday, 29th at 3pm in Round 1, Mid Kerry Competition. Bye on Monday, 31st October.

BEAUFORT U14 AND U12 LADIES: Were presented with their East Region League Medals on Friday evening in Beaufort. DR CROKES NOTES

SENIOR COUNTY FINAL 2016

DR. CROKES 2-16 KENMARE DISTRICT

1-12: This was a game of pure football by both teams. Our ability to take our scores more easily and our strong bench enabled us to win in the end by seven points. We had the first score of the game, a point from a free from Colm Cooper but two points by our opponents put them in front by the seventh minute. This was the only time in the game that they were ahead. By the end of the first quarter we had gone ahead, 05 to 03. The teams exchanged points on two occasions in the next ten minutes. The crucial score of this first half came in the 26th minute, a well taken goal by Kieran O’Leary. Kenmare District had a point in the 35th minute of the delayed first half to leave us in front 1-7 to 0-6 at half time. This half was delayed because of an unfortunate injury to Kenmare’s Patrick Clifford. We wish him a speedy recovery from his injury. The teams exchanged points in the first five minutes of the second half but we had a goal from our captain Johnny Buckley in the 36th minute to give us a seven point lead. The big lead lasted only a minute as our opponents raced through for a good goal to bring our lead back to four points. We got well on top after this setback and four points without reply gave us an eight point lead as we entered the last quarter. Our opponents outscored us four points to three in the final quarter and were also denied a goal when their effort hit the post in the 46th minute. This gave us victory by 2-16 to 1-12 but the young Kenmare District team can look forward to the future with optimism. This was a great team display by all our players as well as our strong bench contributing to this great win. I don’t think anyone at the game would disagree with Colm Cooper’s selection as man of the match.

We also salute our manager Pat O’Shea and his selectors Harry O’Neill, Eddie O’Sullivan, Niall O’Callaghan and Mike Buckley. We must also thank our two men doing the logistics – Matthew Courtney and Seamus O’Doherty and our medical man Brian O’Callaghan.

SENIOR MANAGEMENT: Kieran Cronin has stepped down from his position as senior team manager. We would like to sincerely thank Kieran, his selectors Michael Lyne and Diarmuid Leen, fitness and conditioning man Noel Kelleher and team attendant Paudie Lynch for their efforts, work and total dedication this year.

VOLUNTEERS: With an ever-increasing playing population, the club is always anxious to ensure that every player is given the best possible coaching and education for the game. We are always thankful for the hard work and dedication of our members who volunteer to help out and assist with each team. As always we are looking for new people to become involved. The 2016 playing season is almost complete and has been both rewarding and busy. All this would not be possible without the input of our volunteers. With this in mind and looking ahead to 2017 we would like to invite

anyone who would be interested in getting involved in any team at any level to let us know. "Many hands make light work". A committee of four is now in place with the task of putting together for ratification by the Club Executive juvenile management teams for next year. Paddy Osborne, Barry Slattery, Seán Culloty and Tommy Galvin comprise this committee. If you are interested in any way, big or small, please contact one of the committee members. Thank you.

U15 SUPER TOUCH BLITZ: PJ Reidy - GDA for Mid Kerry organised a very successful u-15 'Super Touch' blitz, in Beaufort on Saturday last. Every club in Mid Kerry took part and the competition was played on a round robin basis with each team playing 4 games.

After some very close exciting football, it all came down to the final game where Milltown/Castlemaine faced Glenbeigh/Glencar/Cromane. GGC needed to win but a draw would have been sufficient for M/Castlemaine who had won all of their games. After a tight first half - with defences on top, GGC lead 0-3 to 0-2 at halftime. An excellent second half saw the teams level on three occasions and in an exciting finish M/C held on to win by 0-8 to 0-7. Great credit is due to the mentors of both teams for the standard of football played and the discipline shown by their players throughout the day. Míle buíochas to Beaufort GAA club for providing superb playing facilities, to P J Reidy and Mary Jo for co-ordinating the blitz and to the referees Fergal Hallissey and Clíona Coffey.

FARRANFORE MAINE VALLEY ATHLETIC CLUB

The unveiling of the new cross country course at the National Sports Campus in Abbotstown, Dublin was eagerly waited at Athletics Ireland's Autumn Open Cross Country race festival on Sunday 16th October. The adult races also doubled as the trial for the British and Irish Masters Cross Country Championships.

The course itself was a pretty testing one with several hills and a 100m sandy section that drew much comment. The downpours of the weekend added a fair bit of mud into the mix. The lap was a long 2000m which brought the athletes into the woods and well away from spectators. The consensus from the athletes generally was that it was a fair but hard course, the spectators found it even tougher!

First off for the adults were the senior and masters women over 3 laps of 2k. 65+ women completed 2x2k laps. First home from our club was Maria McCarthy, who won her category and was placed 25th overall. Bernie O'Mahoney, competing at this event for the very first time ran very well to finish fourth in her category. Caitriona Barry finished strong to be placed 7th in her category. Niamh De Hora was competing in the Senior Women's race. Following on from her success at county level, Niamh finished in 30th place overall. Teams will now be selected for those who will represent Ireland in the British & Irish Masters Cross Championships which will be held in Tolcross Park, Scotland on Saturday 12th November. We wish everyone all the best. At the award presentation there was a moving tribute to the late Jim McNamara. He competed in this race many times including in 2015 for the last time and he was arguably Ireland's greatest ever masters athlete. The Irish Masters Athletics Association (IMAA) commissioned two trophies for the first master man and woman in the race. With the cooperation of Jim's family, a pair of his spikes was crafted into two beautiful perpetual trophies. These were presented to Letterkenny AC's AnneMarie McGlynn and to Slieve Gullion's Paddy Hamilton.

ST. BRIGID'S CADET BASKETBALL TEAM WERE ON A WINNING STREAK FRIDAY 7TH OCTOBER, WHEN THEY OVERCAME ABBEYFEALE ON A SCORELINE OF 60 TO 45.

Cougars lead 15-9 at the end of the opening qtr and 25-20 at halftime but the visitors hit the front at the end of the third qtr 34-33. The lead changed sides throughout the final qtr with the Tigers dominance on the boards just edging it in the closing minutes. Best for Cougars on this occasion were Cian Doyle, Harry Kelly, Oran O'Sullivan and Patrick Lyons.

JUVENILE ROUND UP: A very busy week many of our teams getting into action. KILLARNEY RFC NOTES

MINIS: Killarney RFC Minis held a very successful registration day at Aghadoe during the minis training session Saturday morning. As an added treat, buns, croissants and baked goodies were given out along with teas and coffees in the clubhouse. The baked goods, from Petite Delice in Killarney, went down very well with all parents and kids! The minis continue to train at Aghadoe every Saturday morning between 10:30am and 12 midday and our first blitz takes place on Saturday the 29th in Listowel. Details to follow.

YOUTHS: U14S: Our u14s traveled to O'Dowd Park in Tralee in the league. Another fantastic result for our U14s as they demolished the home side on a scoreline of 37 points to nil, with tries coming from Paudraic Talbot, Liam Randles, Tomas Clifford, Peter Walsh and Bailey O'Sullivan. Conversions were slotted home by budding outhalf Donncha Greally. Coaches John O'Connell, Seamus Greally, Eoin Seery and Paul O'Sullivan are doing sterling work with the lads and next up it's a visit from Abbeyfeale at home next Saturday.

U16S: Killarney RFC Under 16s hosted Charleville, on Saturday 15th October. With several players returning to the squad, the team was much more balanced for this game and the players knew only too well the task facing them. As seems to be customary Killarney leaked an early and debatable try which, Charleville

converted. Krystian Komosa, pounced on a loose ball - not dealt with by Charleville, from a missed penalty kick, to score a try which was unconverted. Almost immediately from the restart, Komosa scored again by barging through three defenders out wide, to touch down, converted by Cian Murphy. Komosa scored his third of the day, again out wide, half way through the second half, converted by Christopher Carey. With about three minutes remaining Killarney were awarded a penalty on the 22, which was kicked through the posts, just to ensure the much sought after win. Final score 22-7. Well done to the entire team lead by Richard Wallace, and well done to the younger boys who are really stepping up to the mark.

U18S: Our u18s travelled to Charleville in the league and had a tough day at the office, losing on a scoreline of 22 points to 7. Next weekend they host Kanturk at Aghadoe.

SENIORS: This weekend the seniors host Fethard and District in the first home game of the Munster Junior League, Division 3. So, let's get out and support our local rugby team as they do battle on Sunday. Kick off is 2:30pm and all are welcome to come along to Aghadoe for the match!

ANTHONY FOLEY: It was with utter sadness that we learned of the death of Munster Head Coach and legendary no. 8, Anthony (Axel) Foley. The word 'legend' is often bandied about when describing sports people, however in rugby terms and particularly in Munster Rugby circles Axel was a true rugby legend. For those of us lucky enough to follow Munster over the years, nothing comes close to the occasion at the millennium Stadium in Cardiff, when Foley captained Munster to their first ever Heineken Cup win. He will remain forever in our hearts for this alone. Add to this his 202 caps with Munster and 62 caps with Ireland, he was a true rugby stalwart. An excellent coach, Axel will be missed by all involved in Munster Rugby and Killarney RFC would like to offer our condolences to his

wife, two sons, family and wide circle of friends. Ar dheis De go raibh a h-anam Dilis.

KILLARNEY ATHLETIC NOTES

RESULTS: DENNY PREMIER A

KILLARNEY ATHLETIC 1-3 TRALEE DYNAMOS

DENNY DIVISION 1B

WINDMILL UNITED 2-1 KILLARNEY ATHLETIC B: Athletic went down by the odd goal in Blustery Tralee with the goal coming from winger Dave Long. Best for athletic were Aaron Quill, Conor Healy and Dan O'Sullivan. A great 2nd half performance but couldn't find that second goal to take a share of the points.

U18 LEAGUE: DINGLE BAY 2-3

KILLARNEY ATHLETIC: Goals came fast from Luke O'Donoghue who put in a free kick that evaded everyone and slipped through the keepers legs. This was quickly followed by John Hannigan scoring his 2nd goal in 2 games to give athletic a 2-0 lead. Athletic got complacent and left Dingle back into the game to leave it tied 2-2 at half time. Great team performance with a man of the match performance from Robbie O'Donoghue. Others who stood out were Luke, David O' Mahony and Dylan Fitzgerald. Well done boys.

U16: BALLYHAR 0-4 KILLARNEY

ATHLETIC: Athletic started the game at full speed and Ballyhar were unable to match the intensity of the game. 2 quick fire goals for Harry Potts and Caolan Ryan gave athletic the lead at half time but Ballyhar and their talisman Dylan O'Callaghan didn't give up. Harry Potts added to the score line twice in the second half to come away with a hat trick. A great team performance from everyone.

U14: DINGLE BAY ROVER 0-1

KILLARNEY ATHLETIC: Athletic scored midway through the first half through Aaron O'Sullivan. Into the second half & Dingle piled on the pressure, but good defending from the Jack Lynch, Donnachadh Warren, Jaime Aliadare & man of the match, Patrick Komosa, kept Dingle at bay. When Dingle did get through they found firstly Darragh Doolan and then Keelan Foley in fine form, and it was Foley's excellent passing out from the back that relieved a lot of the pressure on the back four in the second half. A lot of running & hard work done by the two Rian's, O'Brien & Gill meant Athletic always had a reliable out ball. In what was a great team performance the lads kept their heads & won the game the right way & with a number of key players to come back in the team can build on this result.

Tralee Dynamos went out to Fairview Rangers at home while Listowel Celtic lost away to Corbally. The National Cup is also over for Killarney Athletic who lost in Charleville.

Kerry wins in 14's Round 2 but not Round 3:

Killarney Celtic and Camp Juniors won the all Kerry battles against Listowel Celtic and Mastergeeha. Killarney Celtic were 1-0 down to Listowel Celtic but they rang the changes at half time and goals from subs Liam Shine and Ronan Coffey 2 saw them through.

Camp Juniors defeated Mastergeeha 2-1 after a great tussle that went to extra time. Mastergeeha led 1-0 at the break despite Camp Juniors probably having more possession. Caolan O'Connell eventually got his side level with a clever flick past the Mastergeeha keeper. Donal Crean got the all-important winner in extra time following a great run and shot.

Killorglin were already through to the next round.

The Park went out 3-1 away to Clogadh Rangers after having a player sent off 10 minutes into the second half in what was a questionable call by the referee. Earnan Ferris got the Park goal. Inter Kenmare went out 3-0 to Aisling Annacotty away in Limerick.

3 go out in the 16's: Tralee Dynamos had already qualified for the next round before a ball was kicked but unfortunately none of the three sides in action came through. The Park lost 3-1 to Mungret Regional with JR Tshikato getting the Tralee sides goal.

Mastergeeha were unlucky to go out 1-0 to Corbally United after extra time despite a great effort with Dylan Murphy leading from the front. The Kilbreen side will be disappointed they didn't take the game to penalties at least.

Listowel Celtic lost 5-1 away to Charleville with Max Alveres scoring for the North Kerry hoops.

Listowel Celtic progress in the Girls Nat Cup:

With Girls soccer now split in 8 Regions the opening rounds of the National Cup took place at the weekend. Kerry are in the South West Region with Cork and West Cork. In the 14's National Cup Round 2 Listowel Celtic defeated Inter Kenmare 5-3. Abbey Murphy hit a hat trick for Inter but it wasn't enough. Not many teams will fancy meeting Listowel Celtic and here goals from Aoife Horgan 4 and Katie Keane saw them through to meet either Carragiline or Leeside FC for a place in the Last 16.

LEAGUE REPORTS:

Goals Galore in 12's: Mastergeeha Green claimed 3 points with big wins in the JK Sports 12 Premier 4. The Kilbreen side defeated Killarney Athletic and had hat tricks from Ryan McGurl and Jack Fogarty, 2 from Ewan Evans and one from David O'Riordan. Darragh Foley replied for Athletic.

In 12's Division 1 Camp Juniors defeated Killorglin B 9-3 to pick up three points in their first League game.

Ballyhar make it 3 from 3 in 14 Division 1:

In the Foundation Sports 14 Division 1 Ballyhar made it three wins from three games as they defeated Killarney Celtic B 7-3. Bryan Burke hit a hat trick while John Power got 2 with Peter Cosgrave and Aaron O'Shea getting one each.

Tralee Dynamos stay in 2nd place and are now on 7 points after a 4-2 home win over Fenit. Danny Burke, Sean Dillane and Philip Evans 2 were the Tralee sides scorers. Niall Cassidy and Eddie McCarthy replied for Fenit.

Killorglin B are onto 4 points after a 1-0 away win at Iveragh United while Killarney Athletic will be happy to have three points on the Board. They were also 1-0 winners away to Dingle Bay Rovers.

Camp Juniors drop points but stay top of 16 Division 1: A Con O'Regan goal gave Camp Juniors a share of the points with Inter Kenmare. Camp Juniors stay top on 7 points after their 3 games. Listowel Celtic B and St Bernard's also shared the points following a 0-0 draw. St Bernard's are onto 4 points.

Killarney Athletic are also on 4 points after they defeated Ballyhar 4-0 at Murt Scott Park. Harry Potts hit a hat-trick with Caolan Ryan getting the other one.

Iveragh United opened their campaign with a 2-1 away win at Fenit. Sean Teahan scored from the penalty spot and Jack O'Shea got the other one in the win with Edward Stack getting the goal from Fenit.

Subway Inter League Dates: This seasons Subway Inter Competitions are due to get underway in the next week. In the 15's Kerry are away to North Tipperary in their first Group game. It will take place at Brickfields in Nenagh on Sunday 23rd of October at 2pm.

KITCHEN SCRAPS CAN HELP TO FEED BIRDS (Part 3)

As regular readers will have seen over the past two weeks birdseed, suet and nectar aren't the only suitable foods you can feed the birds: there are many different kitchen scraps that can augment more traditional food sources. If used wisely and sparingly, kitchen scraps can easily become a part of your backyard birds' diet without harm.

- Grated mild cheese can be added to a feeder or thrown at the back of flower borders for robins, wrens, dunnocks and starlings.
- Save the leftover crumbs from your sandwich and/or bagel and add to your scraps,
- Buy own brands of sultanas, shredded wheat and cereal oats and chop up very finely if you think they are good value.
- Remove the bad bits from an apple, pear etc and cut it in two with the skin still on, hang it up and the birds will really enjoying it.
- Save the crusty ends of bread and cut up small for the crows, jackdaws, and magpies and feed from the roof of a shed.
- Blitz cooked root veg to a puree with oats, flour, nuts, bread crumbs, cooked rice, tomatoes etc in a blender.
- Make up a batch of food in a food processor from what you have in the house. This can be made from bread, peanuts, leftover scraps of cheese and an apple. Lard can also be added, but birds can get soft fats on their feathers and it's not easy for them to get off so they

lose the insulation of the feathers and can get too chilled and die in cold weather.

Kitchen scraps can spoil quickly, and while birds' tastes are less refined than humans', unappetising food will not be consumed. Don't leave any form of food hanging around in feeders for days to go mouldy. Birds can be forgiving if a feeder is empty for a few days, but a feeder that is consistently empty won't attract many birds. While wild birds grow to depend on feeders as a food source. Refilling feeders promptly will attract a wider variety of birds and will help keep the feeder clean and in good repair. All feeding areas must be clean to keep bird populations healthy so remove old or damp seed from beneath all feeders and rotten fruit from trees where birds feed and keep birdbaths and other perches clean. Above all please make sure birds have access to fresh, clean drinking water. A light ball floating in the water will be moved by even a gentle breeze, and should keep a small amount of water ice-free by day, line the bath with a polythene sheet that you can lift out along with the ice in the mornings.

90 YEARS OF WEDDED BLISS

Karam Chand and Katari had been married for 90 long, happy years before Karam passed away just a month before his 111th birthday. The couple who were believed to hold the world record for the longest marriage had eight children – four boys and four girls – who grew up to give them 27 grandchildren and 23 great grandchildren. Once they were married in the December of 1925, they migrated from Jalandhar, India to Great Britain. Katari, who will be turning 104 on November 1st, says that "it was a blessing to have been married and lived for so long and now that he has gone, she will pray for his peaceful rest." According to their children, the two never argued and before Karam died, they still had their good health even in old age.

YOUR DOG'S SENSE OF SMELL IS 60 TIMES MORE POWERFUL THAN YOUR OWN

Dogs are incredible scent detectives, able to tell time, predict weather, identify dangerous substances, and even detect cancer with their noses. Their two nostrils can operate independently of one another, they inhale through their nostrils and exhale through slits at the side of the nose, creating a circulation of air and scent molecules that lets them smell far more than we can even imagine. You know how your dog spends so much time sniffing telephone poles and trees? These doggy landmarks are aromatic bulletin boards, carrying messages of who's been by, what they've been eating, and how they're feeling. Your dog's ability to identify hormones and pheromones also explains how she/he knows to be extra-attentive when you're feeling sad or sick. Alexandra Horowitz of the Dog Cognition Lab at Barnard College theorises that dogs can track time throughout the day by the odours circulating in their environment just as we if we sit in the same room all day, we notice the light changing as the hours go on, and feel the change of temperature on our skin. Dogs notice similar changes, but with scent. It's tempting to hurry your dog along when he/she is lingering over a particularly odorous patch of sidewalk, but according to Dr. Horowitz, pulling dogs away from smell-rich environments can cause their sense of smell to diminish. If you pressure your dog to live in "our visual world," she says, "they start attending to our pointing and our gestures and our facial expressions more, and less to smells."

MAN USES PIZZA DELIVERY TO CHECK UP ON HIS GRANDMOTHER AFTER HURRICANE

Claire Olsen's phone lines were disconnected following the wake of Hurricane Matthew,

making it impossible for her to contact friends and family to let them know she was okay. Her worried grandson in Omaha, Nebraska, however, got tired of waiting and sent someone to check on her. After calling the local Papa John's in Palm Coast, Florida, he ordered a pepperoni pizza to be delivered to his grandmother's house with instructions to call his phone number once they arrived. When Lance Tyler dialled the number in front of Claire's house, her grandson answered in a panic, still worried about the senior and though Ms. Olson was initially worried about the unsolicited delivery, her face lit up at the sound of her relative's voice. Lance may have received an extremely hefty tip for his good deed, but he said the whole experience was far more inspiring than any gratuity.

TWITTER PHOTO SAVED THE LIFE OF A MAN AND HIS DOG

A videographer was just taking his drone for a spin over the flooding and damage from Hurricane Matthew – he wasn't expecting to save any lives. But after he posted a photo of a suburban neighbourhood in Hope Mills, North Carolina almost entirely underwater on Twitter, he received an incredible message.

Aspiring photographer Quavas Hart was contacted by a man in Austin, Texas saying that the flooded house in the photo was where his twin brother Chris Williams was trapped inside with his elderly dog Lana.

Chris had already tried to call 911 twenty or thirty times with no success because of the overwhelming amount of rescue help needed after the storm. Mr. Hart was about to prepare his boat for rescue when he noticed a Federal Emergency Management Agency boat nearby. He used his drone to get their attention before saying that they should follow the robot to where a man was trapped in his home.

MIXED MARTIAL ARTS FIGHTER GIVES WINNINGS TO OPPONENT IN NEED

Angel Cruz was in dire need of a fight so he could make some money for his family – but even though he lost, he still received the \$2,000 bonus. That's because his opponent, John Castaneda, understood the financial struggles that come from working in mixed martial arts. Mr. Castaneda delivered a punishing victory to Cruz in the second round of their Combate Americas bantamweight fight. However, his triumph didn't taste as sweet as it should have knowing that Mr. Cruz was desperate for the money that came from winning the match. Mr. Castaneda had met his opponent's two daughters at their weigh-in several days earlier. Since he had taken the fight with only five days notice due to the previous competitor dropping out at the last minute, Mr. Cruz thanked him for rising to the occasion, saying he needed the finishing bonus to feed his family. Following his victory

in the ring, Mr. Castaneda whispered in the ear of Campbell McLaren, the head of Combate Americas, to give his winning bonus to Mr. Cruz. Mr. Castaneda isn't exactly rich either – the fighter works as a trainer at Lifetime Fitness in order to supplement his own income.

MYSTERIOUS CAT RESCUED INJURED TOURIST FROM SWISS MOUNTAINS

A Hungarian tourist would have had to spend a frosty night in the mountains if a friendly black and white cat had not crossed his path. The man who had sprained his ankle on one of the many mountain trails of the Bernese Oberland had just discovered the path that led back to his hostel had been closed, leaving him lost and stranded in the Alps. Then a cat who was just wandering around, found him while I was resting from a hike, "the cat started walking and kept looking at me to follow and led me straight to the path that would take me back down to the valley" the traveller said. Since the Hungarian posted the video to Reddit, there have been dozens of comments from other backpackers and skiers relating similar experiences with the village cat that has become an internet star overnight.

STUDENTS TURN CROCHET PLASTIC BAGS INTO SLEEPING MATS FOR THE HOMELESS

Honour students are turning plastic shopping bags into "miles of mats" to keep the homeless warm during the cold Michigan winter – and keeping the bags out of landfill. The teens at Three Rivers Community Schools cut up the bags, then crochet the strips together to create insulating sleeping mats. It takes 500- to-700 bags to make each one, and they say they won't quit until they've made a mile-long line of the six-foot by four-foot mats. The local chapter of the National Honour Society plans to make 880 of the mats using about 616,000 plastic bags and are also seeking pledges of \$200 for each mat they create, with a goal of raising \$176,000 over the course of "Miles for Mats" to fund this and other community projects.

DIABETIC BOY FINALLY GETS BELOVED SERVICE DOG

4 years ago, Aiden Heath discovered that he had type 1 diabetes – and that he could get a service dog to help him manage it. Even though certified service dogs usually cost up to \$15,000, Aiden's mother Jenni told him to start saving his pennies and he would be there in no time. In April 2016, the 8-year-old boy had saved \$6,000 in change. His inspiring story, however got him national coverage. Before he knew it, strangers had crowd funded another \$20,000 for his dream dog.

That's when they adopted Angel, a chocolate Labrador who had passed all of her service tests. With Angel by Aiden's side, she will be able to smell his blood sugar drop thirty minutes before a meter would ever register the change – she is also the best friend a boy could ask for. "Aiden looked at me and said, 'This is a dream,'" Jenni said. "We have been so amazed by the outpouring of support; there are no words to express our gratitude."

BOB DYLAN AWARDED 2016 NOBEL PRIZE FOR LITERATURE

Born Robert Allen Zimmerman, the 75-year-old legendary American folk singer songwriter and poet has not only created 37 studio albums ranging from rock and roll to acoustically crooning serenades, but he has also written a whimsically mysterious collection of poems called *Tarantula and Chronicles* – a flowing, autobiographical memoir detailing his rise to fame and his musical trials in New York City. He has also published an encyclopaedia of all of his lyrics from 1961-2012. When he wrote 'Blowing In The Wind' in ten minutes he never realised it would become an anthem for the Civil Rights Movement – he sang it at a voter registration rally in Greenwood, Mississippi. Peter Yarrow sang it during the march from Selma to Montgomery. And the trio, Peter, Paul and Mary played it on the steps of the Lincoln Memorial during the March on Washington; just hours before Martin Luther King Jr. stood before thousands and declared "I have a dream." His song 'A Hard Rain's A-Gonna Fall' was written in 1963 about the war in Vietnam and forcibly dispatching young men off to war and the lasting effects of that on America, in 2009 ahead of the Copenhagen climate change conference, the UN adopted the song and released a video to highlight the dangers of global warming. Bob Dylan's list of thought provoking songs just goes on and on.

FAMOUSLY TURKISH CAT GETS BEAUTIFUL MEMORIAL STATUE

Tombili was already a beloved friend of many in Istanbul, but after someone snapped a contemplative photo of the cat, he became internet famous. In the picture, the portly pet is leaning against a stone wall staring off into the distance, seemingly lost in thought—maintaining an air of relaxed refinement while he ponders. Since his passing in August, his friends and fans insisted that he be honoured in some way for his famous countenance as the friendly feline was the epitome of a neighbourhood cat, always lounging about outside. He was even captured in Google Maps. With more than 17,000 people signing a Change.org petition, the city complied and local artist Seval Şahin recreated the cat's most iconic pose in a pensive bronze statue which was unveiled on October 4th – World Animal Day – in Ziverbey, Istanbul.

MAKING THE MOST OF OUR RELATIONSHIPS

Most relationships start out full of hopes and dreams and both parties are committed to making their relationship work. However, as the pressures of life unfold and reality bites, many individuals can find themselves drifting apart. Your relationship with your spouse or partner may provide much happiness and satisfaction or may be a source of anxiety and frustration because of conflict and unfulfilled expectations. It may be that case that you are unable to connect as you once did. All relationships change over time and with hard work and commitment, relationships can continue to be strong, enjoyable and satisfying. So how do we do that and how can we ensure that we maintain long-lasting and fulfilling relationships?

When things aren't going so well, it can be all too tempting to focus only on the negative aspects of our relationship. However, if you were to delve deeper - chances are your relationship has many positive factors. Researchers have found that the following characteristics are common in successful relationships: positivity, empathy, commitment, acceptance, love and respect.

As you reflect on your relationship - consider where your relationship ranks in relation to the following points.

Positivity: Studies show that successful spouses have far more positive thoughts about and relate more positively towards each other. Relationships suffer when couples are negative, criticising, resentful and holding grudges. However, some negativity is normal and realistic and it is important that frustrations and grievances are aired. Striking a balance between the two extremes is vital.

Empathy refers to the ability to understand from the other person's perspective. Individuals appear to be happier in their relationship when they believe that their partner understands what they think and feel.

Commitment to the relationship is vital despite the inevitable challenges and obstacles that couples encounter. When couples are prepared to compromise and balance their concern for self with concern for their partner, they are more likely to find happiness and joy in their relationship.

Acceptance is one of the most basic needs in any relationship. Feeling truly accepted for who we are - leads us to feeling more secure and confident in our relationship. Interestingly, studies show that change is more likely to occur when couples respect difference and accept each other as they are (as much as they may not like it).

Love and respect are vital components for a healthy relationship. All too often couples can begin to neglect the love and romance that was once so present. It is important to continue to cultivate and rekindle this love and respect throughout the lifetime of the relationship. Doing so will greatly help sustain a long-lasting and fulfilling relationships.

We will continue to focus on the topic of Relationships in the coming weeks and look at what we can do to make our relationships stronger, more enjoyable and satisfying.

A WORD OF VICTORY

Welcome back dear reader following on from last week on how Jesus is our Healer, nowadays so many people are dealing with stress, anxiety or mental health problems and struggle to find or maintain peace in their lives. There is a constant stream of articles and talks from all quarters trying to solve this. One of the greatest hindrances to finding peace or overcoming anxiety is un-forgiveness and offence. It's amazing the cleansing effect forgiving people for wounds they have caused us has on the soul. Our bodies and minds were not created to carry such weights and burdens as bitterness and offence, and when we don't get rid of them they clutter up our heart and cause darkness, strife and chaos. Our enemy the Devil has no new tricks up his sleeve – getting us angry at others is a simple tactic he uses to keep people bound in an endless cycle of despair. Psalm 119 verse 105 is a key "Your word is a lamp for my feet, a light on my path" – when we know God's Word we will spot the traps and snares the Devil sets up and we won't fall for the same old bait when others hurt us. God's Word is akin to a light showing us the way on a dark road, keeping us safe from tripping or falling down. Jesus called Himself "the light of the world" and continued "whoever follows Me will not walk in darkness but will have the light of life." (John 8:12) There is no other way to put it friend – if you have bitterness or un-forgiveness in your heart towards anyone (living or dead) it's a toxic poison that needs to be gotten rid of. Yes I can hear you now – "but you don't know what that person did to me!" Listen, holding onto offence or hurts won't make the pain go away, but releasing it out of your life in a simple prayer in the Name of Jesus will alleviate the effect it has on your peace of mind and Jesus can and will heal the painful memories with His love instead. We'll continue this next week....

FIRST ANNIVERSARY & ACKNOWLEDGMENT

In Loving Memory of

**HANNAH
MARY LYNE**
(NEE MURPHY)

**Knockeendubh, Tralee Road, Killarney
Who died on October 28th, 2015.**

As we lovingly remember Hannah Mary, on this the first anniversary of her passing, her husband John, and children - Michael, Miriam, Pauline, and Alan, together with extended family, wish to express our sincere gratitude to all who sympathised with us on our sad and sudden loss. We were truly overwhelmed and humbled by the outpouring of sympathy and kindness during this very difficult time in our lives. It gave us solace in our grief. For this we are forever grateful.

Thank you to all those who visited our home, telephoned, sent letters, Mass cards and enrolments, and attended the rosary, removal, funeral Mass and burial, especially those who travelled long distances and from overseas. Special thanks to those who, despite inclement weather, waited at length outdoors at the removal to pay their respects.

Thanks also to all who donated to the South Kerry Branch of Multiple Sclerosis Ireland, as was her wish.

Much gratitude to our kind family, neighbours, and friends, for their assistance and support at the time and always.

For the emergency services who attended at the house including the ambulance team, fire brigade, and members of An Garda Síochána, and those who directed traffic during the course of the funeral. We are very thankful for your dedicated service.

To her longtime doctor, Patricia Mangan, your gentle assistance and words of solace are appreciated.

Thank you to Father Jim Lenihan who ministered to Hannah Mary, and celebrated her funeral Mass and to all the clergy involved.

Thanks to the cathedral choir and singers who helped enrich the ceremony, and to the altar servers, and sacristans, especially for facilitating a sound link for those unable to attend.

For all who participated in the guard of honor - including members of South Kerry Multiple Sclerosis Society and the Kilcummin Guild of the Irish Country Women's Association, your mark of respect is very much appreciated.

Thanks also to the Dr Crokes GAA club, the flag of which draped her coffin, an honor she would have very much appreciated. Thanks to the club's ladies committee who kindly assisted with catering during the wake.

Many thanks to Tim and Michael, and all at O'Shea's Funeral Directors, for their respectful guidance and professionalism.

As it is impossible to thank everyone individually, we offer this acknowledgement as a token of our sincere gratitude to all. The Holy Sacrifice of the Mass has been offered for your intentions.

**Anniversary Mass on Friday 28th October
at 6.15pm in St. Mary's Cathedral.**

**Knockeendubh, Tralee Road, Killarney
Who died on October 28th, 2015**

*May he support us all the day long,
Til the shadows lengthen and the evening comes,
And the busy world is hushed,
And the fever of life is over, and our work is done.
Then in his mercy may he give us a safe lodging, a
holy rest, and peace at the last.*

Amen

*Deep are our memories, precious they stay,
No passing of time can take them away.
They bring a smile, sometimes a tear,
But always a wish that you were still here.*

**Sadly missed and always remembered by
your loving husband John,
children Michael, Miriam, Pauline, and
Alan, and extended family.**

LET'S PRAY TOGETHER INTO THE WORD

Lord God you know me. You know me when I am standing and sitting down. You know my thoughts. You know my pathway and all my ways. Even before I speak you know what I am about to say. You lay your hand upon me. This is indeed a wonderful knowledge. Your Holy Spirit is always here. Your presence is always here. If I go up to the skies you are there. If I go underground you are there also. If I am in the deep of the sea you are there. Your hand always leads me and I am held by your right hand. Verses 7-10 summarised to: *God is everywhere and no respecter of places.* We are as conscious of God in the little cottage kitchen as in the great assembly at Church, in the palace as in the prison. **Our Loving Father In Heaven Hears All Prayers And Never Forgets Them.**
Amen. **Psalm 139.**
