With the sun shining down on Killarney this week, the town is experiencing a rise in the number of tourists visiting. And with the Bank Holiday weekend approaching - business owners are preparing for what is shaping up to be another excellent year. There is plenty happening on the pages of the Killarney Outlook this week.... There were celebrations in Kilcummin as a young trad group came second in Ireland, the Bank of Ireland held a very successful Expo and the Top Gear stars were in town. AIB welcomed athletes from all over Munster for the Schools Fitness Challenge in aid of the Killarney Micro Track Project and Killarney Cheerleaders are vying for a world title in Florida. The county colours will be flying in Croke Park on Sunday as Kerry take on Dublin in the Allianz League Football Final at 3.30pm and Kerry manager Eamon Fitzmaurice is hoping for strong support.

All this and much more in this week's Killarney Outlook.

Aisling Crosbie, Editor.

KILCUMMIN TRAD GROUP SCOOP SECOND PRIZE

Fuaimeanna Sliabh Luachra, the sounds of Sliabh Luachra have scooped second prize in Siansa a competition run through Irish and organised by Gael Linn.

The group of friends all have a similar interest in traditional music and singing and include Cian O'Sullivan and Seán Kelliher are from Fossa, Niamh Horgan and Thomas Barrett are from Currow and Niamh McSweeney, Aisling O'Connor, Steven O'Leary and Dean Griffin are from Kilcummin.

Following an initial entry of over fifty traditional groups from all over Ireland. They were successful in qualifying through the heats with the final held in the National Concert Hall on Sunday evening last 17th April. The group displayed a maturity beyond their years with a polished and excillorating performance that raised the roofs in front of a packed house and resulted in the group being placed second against very stiff competition.

The event was broadcast live by Raidio na Gaeltachta and will be shown on TG 4 on May 2nd at 5.25pm. Tributes must be paid to their mentors, Conor Moriarity who also arranged the music, Roisin Ryan and Cathal Flood who guided them along and their parents for their ongoing support. The group thoroughly enjoyed the experience, even though it was a challenge initially to work through the medium of Irish but they embraced it and they cannot wait for this event again next year.

Adjudicating at the final were renowned traditional musicians Dónal O'Connor, Declan Masterson and Niamh Ní Charra, who were particularly impressed with the selection of music and song presented by the accomplished musicians and singers of Kilcummin! First prize went to the group 'Círéib' from Dublin, with 'Gluaiseacht' from West Cork coming in third place.

National Cheerleading team are currently competing in the World Championships in Orlando Florida.

The athletes have been training hard for months since their selection last November. The team consists of 24 members from all over Ireland whom will be competing in Level 5 Co-ed Elite category.

"This is a fantastic opportunity and a honour for all athletes to be representing their country at such a high level", Team manager, Dee Nolan told the Killarney Outlook.

The group have a number of titles under their belt as they won two golds at the Jamfest European Cheer Competition in England last Summer.

The group attended the Ireland V Scotland Schools game in Celtic Park last Thursday night and performed at half time.

SINGING FRIAR AMAZES AUDIENCE

Amazing, unreal, stunning, breathtaking - just some of the words used to describe Friar Alessandro's performance on Sunday night last at St. Mary's Cathedral.

Before a packed house the celebrated Italian tenor thrilled the audience.

Friar Alessandro shot to fame in 2012 when he released his debut album *The Voice of Assisi*. Following numerous awards this was quickly followed by a second album *Joy to the World* in 2013.

Friar Alessandro was accompanied on the night local renowned singer and harpist Marina Cassidy.

All profits raised from the concert will go directly to the Franciscan Mission in Zimbabwe.

OPPORTUNITY FOR LOCAL ENTERPRISES TO GET NATIONAL RECOGNITION

Kerry enterprises that have set up their businesses with assistance from the local development companies & Dept. of Social Protection through the Back to Work Area Enterprise Allowance Scheme (BTWEA) are being offered the opportunity to get national recognition for their efforts through a newly launched Enterprise Awards programme.

South Kerry Development Partnership and North East & West Kerry Development have this week launched a bid to find four candidate enterprises to represent the county at the Southern Regional Enterprise Awards event with the potential to progress right through and claim the overall national Enterprise award. Both SKDP and NEWKD operate the Back to Work/Short Term Enterprise Allowance scheme in conjunction with the Department of Social Protection that provides support, advice and some small grant assistance to unemployed people wishing to set up their

own business. The scheme has proven to be a tremendous success with a high percentage of the businesses set up through the programme still operating after 5 years. NEWKD CEO Eamon O'Reilly said that this new awards initiative is open to businesses set up through this scheme since 2011 and he encouraged all eligible businesses to enter the competition. "These businesses are the backbone of rural Ireland in particular and we are delighted to be involved with this initiative to promote them at a regional and national level" Eamon said.

The closing date for applications is Friday, 29th April and the application form is available to download from both the SKDP (www.southkerry.ie) and NEWKD (www.newkd.ie) websites or by contacting your local SKDP or NEWKD office directly. The national awards ceremony will take place in Dublin in September.

THE 'CHARITY' RAISES €6,000

Over 90 anglers took to the waters of Lough Lein on Sunday last to fish this year's 'Charity' fishing competition.

Even before a fly was cast on the water, the 'Charity' was already deemed a success.

Participating anglers had collected over €6000 before setting off - all in aid of the South Kerry Branch of the Irish Cancer Society.

At 11.00am, starter Dermot O'Mahony flagged the flotilla of boats off for the competition.

"The lake was flat calm - not the best fishing conditions", Rory O'Flaherty of Lough Lein Anglers Association told the Killarney Outlook.

"However, after a light shower, the westerly breeze picked up & fishing conditions improved for the rest of the day", he added.

It was reported that 'The West' had fished well the previous day, so a large number of boats headed in that direction.

It was ironic then, that the competition was won on the opposite end of the lake.

Noel Duane (8 trout) & his partner Eddie Shanagher (6 trout) fished the sandy Lake Hotel shore.

They were in the right place at the right time and finished first and second in the competition. PJ O'Brien had five fine trout to finish third.

More than half of the anglers brought trout to the weigh-in at Ross Castle that evening. Everyone reported that fish were moving in most parts of the lake.

The prizegiving took place that night after a

hearty meal in The Dromhall Hotel.

Once again, a good day, fishing for charity, was enjoyed by everyone.

"The 'Charity' committee have worked hard and deserve our thanks and congratulations", Rory added.

KILLARNEY LIBRARY LECTURE

Franz S. Haselbeck was a pictorial artist who worked with the Killarney-based photographer Louis Anthony before moving to Limerick in the early part of the last century. As a professional photographer he made a record of Captain Robert Monteith's safe houses and Limerick

hiding places in 1916 before escaping to the U.S.A.

In the 1920s he was contracted to record the Ardnacrusha scheme, which was the largest construction project in Europe at the time.

His granddaughter, Patricia Haselbeck Flynn,

will give a fully illustrated lecture, organised by the Kerry Archaeological and Historical Society, on her celebrated ancestor's works in Killarney Library on Tuesday next, April 26, at 7.30pm.

TOP GEAR STARS MINGLE WITH THE LOCALS

Top Gear stars Matt le Blanc and Chris Evans mingled with locals during their whistle stop tour around Kerry last weekend.

The BBC crew were based at the Killarney Oaks Hotel for the few days and happily signed autographs and stopped to take selfies.

The duo were driving Rolls Royce cars with Chris Evans driving his own 1976 model while Matt le Blanc was at the wheel of a new €300,000 Rolls Royce Dawn.

They stopped off at a football match in Gallarus and pulled into O'Flaherty's Service station in Dingle where they were treated to a dance display from Celtic Steps.

The show is set to air on BBC in June.

COMMUNITY COLLEGE STUDENTS COMMEMORATE 1916

Students from Killarney Community College were among over 250 students from all areas of Kerry who competed at the Kerry Education and Training board 1916 commemoration and competitions event on Tuesday April 12th in the Rose hotel, Tralee. Students performed in parallel performances. The event was co hosted by Kerry Music Education Partnership, a music initiative led by Kerry ETB, in partnership with Kerry County Council, The Institute Of Technology Tralee, Ealain na Gaelteachta Teo and Kerry Diocesan Youth Service.

Students presented their original work in creative writing, public speaking, film, music composition, drama, poetry and visual art. Categories were judged by a panel of experts, who awarded prizes at junior and senior level. Killarney community college excelled winning a number of the categories. In the Art Junior category, Painting Killarney Community College: Esel Acun (first), Roisin Wall (second). In the Senior Category: Drawing: First place: Jacob Bogaslaw.

Painting: Joint second place: Emma Jane Keenan and Francesca Baro.

Public Speaking: Junior: Natalia Skiba (First place)

Senior : Ross Brennan (First place).

Poetry: Junior Kimberley O'Brien (First place)

Music Composition Junior: Breda and Sean Kelliher (first place).

The afternoon event comprised a celebration of 2016 through performances in music and the Arts by students from the eight Kerry ETB schools.

Colm Mc Evoy CEO of Kerry ETB, closed the event emphasizing that "this is an extraordinary

time for students in the history of the Irish state. The 1916 commemoration has provided an opportunity for our students to become immersed in Irish history in a way that will probably not happen for another 100 years. Our teachers and students have embraced this experience with enthusiasm, creativity and passion."

In September, Kerry ETB will host the ETBI national conference in Killarney. Killarney Community College was one of the winning acts that has been chosen to perform in front of a national audience of representatives from across the country.

KERRY AND DUBLIN IN ALLIANZ LEAGUE FINAL SHOWDOWN

All roads lead back to Croke Park for Kerry football fans on Sunday next when the Kingdom travel to headquarters to take on the All Ireland champions, Dublin, this time in the Allianz League Division 1 final. It is Kerry's first League final since 2009 when they defeated Derry having been defeated by the same county in the previous year's final and of course 2009 will be fondly remembered as a year when Kerry went on to complete the double with victory over Cork in that year's All Ireland final. It is hard to believe that we have to go all the way back to 1987 for the last meeting between Kerry and the Dubs in a League final and on that occasion a star studded Kerry side were beaten on a 1-11 to 0-11 scoreline. We did not know it at the time maybe, but that defeat was the beginning of the end for the greatest team ever to grace Croke Park.

It will be interesting to see how both managers will approach Sunday's showdown. Will there be a bit of shadow boxing ahead of the championship or will one or both sides want to lay down a marker ahead of a possible championship meeting in August? Dublin have put together an extraordinary run of victories in the both League and Championship and they now stand one game away from achieving a 4-in-a-row of League titles, a feat last achieved by Kerry from 1971 to 1974. Kerry for their part will not want to concede further ground to their opponents given that Dublin have had the upper hand in Championship meetings between the sides in the last few years and no doubt the Kingdom will want to head into a seven weeks break before the Munster Championship in a positive frame of mind.

While Dublin have been steamrolling all before them en route to the final, Kerry have been quietly impressive themselves putting together a run of six League victories on the trot culminating in a rather facile victory over Roscommon in the semi final and Eamonn Fitzmaurice and his management team must have been on tender hooks this last weekend with all their squad involved in the various Club Championships on Saturday last.

James O'Donoghue and Anthony Maher are back doing gym work and they are the only long term injuries but Johnny Buckley remains a doubt having picked up an injury against Roscommon in the semi final, otherwise Eamonn Fitzmaurice and his management team's biggest task is who to leave out of the 26 man match day squad for Croke.

Sunday's encounter promises to be another epic battle between these age old rivals and hopefully, when the dust settles, Kerry will have gained their 20th League title.

TALKING TO YOUR CHILD EFFECTIVELY

yelling and pleading in the world!

The one day workshop 10am to 3.30pm costs €45.

AT THE WORKSHOP YOU WILL BE GIVEN THE OPPORTUNITY TO LEARN HOW TO:

Cope with your child's negative feelings - such as frustration, disappointment & anger.

Express your own frustration without being hurtful.

Engage your child's cooperation.

Set clear limits and still maintain goodwill.

Use alternatives to punishment.

Resolve family conflicts peacefully.

Facilitated by Cora Carey and Tina Fallon, two busy mums who have been in the trenches and on the frontline of family life for many years!

Cora Carey has been helping women tackle problems since 1998. Emotional traumas, relationship issues and family conflicts - this work has become her passion and has led to her pursuing a wide range of training and qualifications so that she can best serve the women (and men) who need her, and their families. But her best and deepest training has been her own life experiences - dealing not only with profound difficulties such as emotional trauma and bereavement but also the fulfilling and challenging experiences of her 30 years as a parent of 3 children, with 10 of those years as a single mum.

Prepare to be amazed at the difference this will make in your family life!

WARNING: YOUR HOME IS AT RISK IF YOU DO NOT KEEP UP PAYMENTS ON A MORTGAGE OR ANY OTHER LOAN SECURED ON IT. THE PAYMENT RATES ON THIS HOUSING LOAN MAY BE ADJUSTED BY THE LENDER FROM TIME TO TIME.

Note: The above notice in respect of adjustments to repayment rates will not apply during any period when the loan is at a fixed rate. If you or your dependants intend to use the property as a principal place of residence, you must show evidence of mortgage protection insurance, unless you are exempt under the Consumer Credit Act 1995. Maximum loan to value of Owner Occupier Residential Properties 90% of purchase price or valuation whichever is lower. Normal Lending levels are subject to monthly repayment burden, typically not exceeding c.35% of borrowers disposable income and will vary according to individual circumstances. Loan requests considered on the basis of proof of income, financial status and demonstrated repayment capacity (including capacity to repay at higher interest rates). Loans not available to people under 18. Mortgage loans by their nature require to be secured by a mortgage and charge on the subject property. A typical €100,000 20 year Variable interest rate mortgage for an Owner Occupier Residential Property with LTV greater than 80% will have monthly repayments of €618.44 APR 4.33%. If the APR does not vary during the term of the mortgage, the total cost of credit i.e. total amount repayable less the amount of the mortgage, would be €48,425.60. The effect of a 1% increase in interest rates for such a mortgage will add €54.13 to monthly repayments. Surcharge Interest Arrears attract surcharge interest at 6% per annum in addition to the interest rate that applies to the loan. Execution and registration of the mortgage deed will involve payment by you of your solicitor's fees, outlays and registration fees.

MAJOR GORSE FIRE ON TOMIES

A major gorse fire has broken out on Tomies Mountain. Fire fighters from all over the county are battling the blaze which got out of control

on Wednesday night.

Killarney Fire Brigade were joined by crews from Kenmare, Castleisland and Killorglin to fight the blaze which is located close to one of the most important oak forests in Europe - Tomies Woods.

The National Parks and Wildlife Service have issued a statement urging the public to stay away from the western part of Killarney National Park where ongoing work is continuing to battle the blaze.

SPECIAL MASS

The memory of the late Michael Galvin, late of New Jersey and Park Road, will be celebrated at 6.15pm Mass in Saint Mary's Cathedral this Friday, April 22nd. His family would welcome the presence of his friends. Michael, best-known as Mikie, worked as a carpenter in his native Killarney before emigrating to the US where he worked in New York and Jersey City. He was a very highly-regarded, generous man, who helped out countless people in his own quiet way.

COUNCIL MATTERS

WATER WORKS:

Cllr Maura Healy Rae and Danny Healy Rae TD are glad to announce that €51,000 has been made available by Irish Water for the replacement of water mains at Shronedarragh, Headford, Killarney, they both have had motions down about this water main and Danny has been asking for it for a very long time, the funding for the water main is of major importance as there is funding already in place to get the road done, this work would be in jeopardy if funding for the water main had not come through from Irish Water, Maura Healy Rae says "we are absolutely delighted that this funding has been granted as the water main will be put in place very soon and works on the road will be done before the end of the year, this is very welcome news for the people of this area and indeed all the people who use the road"

APPROPRIATE SIGNAGE

At the April Municipal area meeting Councillor Michael Gleeson asked: That some form of internationally recognised signage would be put in place on the approach roads to Killarney indicating to large truck and coaches that have no business reason for doing so, that they should not enter the actual town and very especially not enter Plunkett Street. The Council replied that advisory signage can be located at key junctions in the town advising drivers of the preferred route that they should follow in order to avoid the immediate town centre.

Councillor Gleeson stated that this was an urgent matter as on occasion large vehicles unnecessarily access the town centre and cause considerable upset to traffic flow."

MID KERRY WATER WORKS

At the recent Killarney Municipal Meeting Cllr. Brendan Cronin was informed that important water pipe replacement works will begin at three locations as follows:

1. The 2.2km pipe replacement at Bushmount to Cloonlara, Furies will commence on Monday, April 18th.
2. The 1.5km Aglish to Coolbane works will begin in July.
3. The 500 meter pipe replacement from Faha NS junction towards Rockfield will begin in June. "I am delighted with the announcement at the Killarney Municipal District meeting in reply to my queries, I have been campaigning for a number of years for this vital replacement works to the Mid Kerry water supply scheme and I hope these work will improve the water supply to the concerned communities", Cllr. Cronin told the Killarney Outlook.

AIB TO HOST MORTGAGE AWARENESS EVENT

Owning your own home has always been an enduring topic of conversation with Irish people, whether it is the state of the property market, house prices, location, whether to move or extend and if you should opt for a new, second-hand or build your own home. We have seen the housing market start to stabilise over the last number of years with evidence of some increases in prices countrywide and new developments starting to come on stream. This is reflected in recent Central Statistics Office Price Indices showing an overall increase in prices of 6.5% nationally and over 10% outside Dublin in 2015. Mortgage activity and house completions are increasing year on year.

A major consideration is how best to finance your new home as this can represent the biggest financial decision you will make. The mortgage process can be somewhat daunting and the recent regulations announced by the Central Bank have probably heightened customer's perception of the complexity of the process. What is needed is understanding, support, sound advice, explanation of the mortgage journey and access to someone

who has your best interests at heart.

AIB is the largest provider of mortgage finance in Ireland, it has a countrywide network of branches and a dedicated and experienced mortgage adviser in each location who will support you every step of the way. Our local branch here in Killarney is hosting a mortgage awareness event on Thursday 28th April and would be delighted to welcome everyone along be they existing customers or not, who would like to learn more about obtaining a mortgage, what options are available, how much they can afford, who else they need to engage with, what is available locally and how best to realise their ambition of owning their own home.

If you are interested please contact John Courtney AIB Killarney on **086 7843191** or email john.j.courtney@aib.ie

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHERE TO INVEST YOUR MONEY?

Interest rates for deposits in banks are the lowest they have been in years. Another problem for people looking for good interest rates is that as well as interest rates being low is that DIRT tax is very high at 41% and also a PRSI levy of 4% can also be applied. The effective tax rate on interest earned on savings can be as high as 45% as both the new higher rate of Deposit Interest Retention Tax (DIRT) tax and the PRSI levy on unearned income have both come into force. If you invested €20000 over 12 months at 1.50%, taking into account DIRT tax and the levy you may only get €165 after DIRT tax and the PRSI levy. Because these returns are so poor people are looking for alternative investments. Thankfully there are other investment options available to you. It is important that you speak to an independent advisor about the options available to you. Investment providers have introduced many different types of products because of the very low returns on deposit accounts and it is very important that people know about all these products before deciding on what products suit them best. A mixture of different type of investments may be the best way to spread your investments rather than having all your eggs in one basket.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

STRUGGLING TO SHIFT THOSE EXTRA FEW STUBBORN POUNDS, & NEEDING SOMETHING TO HELP GET MOTIVATED?

Here are some helpful inexpensive Tools that I often recommend to my clients to help them stay on track & often use myself, so I'm delighted to be sharing them with you this week.

- Take a full length "Selfie": Selfies are all the rage at the moment. However this particular type of selfie I don't think is one you will like to share as I recommend taking it in minimal clothes & full length to see all your lumps and bumps so you can visible see results happening and track your progress. If you can see your progress visually it really helps motivate you to do more & stay on track. Take one every 2 weeks or every month and keep record or each photo in a private file that can not be accessed by anyone else unless you want to brag about the progress your making!!!

- Measuring tape: investing in a simple measuring tape can be a great tool if you don't like the thought of scales or photos but still want to track some progress. The Main measurements I take are; waste, hips, chest, arms, thighs. But don't worry if your confused and don't get it right just take the measurements of the largest diameter of the area you want to reduce, make a note of it and compare in about 4 weeks again. Just make sure to measure the exact area again eg. use the belly button as a marker or a birth mark etc.

Im sure when you see the inches dropping you will think twice before ditching the next workout or reaching for the takeaway menu.

- Skipping rope: having a skipping rope by the bed or back door and setting yourself a small daily challenge of 300 skips in morning and evening can make all the difference. Then gradually increasing it to more reps or increased time, this will add extra activity to your daily calorie burn and especially if you do it first thing as it will get those metabolic engines revving for the day so you turn into a calorie burning machine!!! This does not however mean eat like a machine. Remember these calories you are burning you want them shifting from your stubborn fat zones and not from your daily food intake. You will burn more than 200 calories in 2x 10minute skipping sessions per day which equals 1400 calories weekly which is nearly hitting half a pound!

OUTLOOK FASHION

ANGORA OR MOHAIR

To stop angora or mohair from shedding, fold the garment and place it into a zip-top bag and freeze it for at least three hours.

HEALTH TIP

INTAKE OF WATER

Include in your diet things that contain more water like tomatoes and watermelons. These things contain 90 to 95 % water so that there is nothing that you have to lose by feasting on them. They fill you up without adding to the pounds

Beauty tip

Summer Make up

Always keep your summer makeup minimal. Minimal and sheer makeup is the way to go when it's hot and muggy outside.

HAVE YOU FELT IT?

There's a change in the air! Have you felt it? No, it's not that the days are warmer and the evenings longer – although that's lovely! It's something much greater and more profound than this. It's a change in attitude, perspective and what it means to live your happiest life! I've noticed it within myself, the people I meet, the conversations I have and the energy I feel! There's a sense of "waking up" – a feeling of people yearning to really **LIVE** their lives! It starts with a niggles of discontentment and an inner knowing that there must be something more. Sometimes it takes, months or even years to make sense of those inner feelings but once you experience them - the quest is on! Suddenly life is not just about going to work, repeating the same old routine every day – having the same old conversations and dealing with the same old people. Suddenly there's a hunger for passion and purpose and an urge to be the **YOU**, you've always felt inside but never fully expressed. If you have felt the stirrings of your soul and the whispers of your heart then I think you will **LOVE** my mindful moving meditation classes. (Chakranetics™). New course is starting on Tuesday 26th April at 10.00am at the Travel Inn, Fossa, Killarney. Only €60.00 for six weeks!

DR CROKES CLUB NOTES

CLUB CHAMPIONSHIP QUARTER FINAL DR CROKES 4-17 KILCUMMIN 0-7

This game played at Lewis Road resulted in a big win for us in the end. We had the advantages of the breeze in the first half and we were well matched by our opponents in the first quarter. They in fact led by 0-4 to 0-3 after 15 minutes. The teams exchanged points in the next two minutes but the remainder of the half belonged to us, as we went in to score 1-6 without reply. This left us eight points ahead at half time 1-10 to 0-5.

Kilcummin needed a good start to the second half but the opposite happened. We had 1-3 in the first five minutes, to put us 14 points ahead. A point by our opponents was followed by a Tony Brosnan goal for us in the 40th minute (one of three goals scored by our number 13). The game became sloppy in the last quarter. Kilcummin to their credit never gave up but the lead against them was too considerable for them to have a chance of winning. Both teams emptied their benches as we went on to score 1-4 to our opponents 0-1.

JUVENILE FOOTBALL NOTES

UNDER 12 CO LEAGUE: There were goals galore on Sunday evening in Lewis Road when Glenflesk travelled in to play our Black and Amber teams. The Black team put in a great team performance but unfortunately it was Glenflesk who had the upper-hand on the night, winning the game by 3-19 to 5-7. Some clever and skilful attacking play helped the Amber team to a 5-17 to 5-7 victory over the visitors in the second game.

NEXT FIXTURES: Sunday, 24th April at 6pm – Black & Amber (Home) v Laune Rangers.

UNDER 14 CO LEAGUE: It was a great week for our Under 14 teams as they both recorded two well-earned wins. In Division 1, the Black team had a great battle at home against Laune Rangers. Both sides traded scores throughout the encounter but thankfully the Crokes won by a goal in the finish, 2-8 to 0-11. The Amber team secured a convincing 2-12 to 2-2 victory when they travelled to Furies.

UNDER 16 EAST KERRY LEAGUE: Our Under 16's had a great win at home to Legion on Monday last. Crokes led 1-5 to 0-5 at half-time before going on to win the game 4-7 to 1-8.

NEXT FIXTURES: Monday, 25th April at 7pm – Black team (Away) v Spa.

LEGION GAA NOTES

CLUB CHAMPIONSHIP

KILLARNEY LEGION 0-9

KERINS O'RAHILLYS 0-8: Legion picked up a huge win on Saturday evening in Derreen when they overcame a very strong Kerins O'Rahillys outfit in the opening round of the Club Championship. Having lost their opening three games of the County League, one of those defeats coming against Rahillys a few weeks back, the lads showed a great deal of character to pull through at the end of what

was a fiercely contested match.

Both sides fielded strong teams as Kerry stars Brian Kelly, Podge O'Connor, David Moran, Barry John Keane and Tommy Walsh all lined out for their respective clubs, although Legion went into the game without the services of Jonathan Lyne and James O'Donoghue.

Jamie O'Sullivan and Rahilly's wing forward Greg O'Connell exchanged points in the opening minutes before youngster Donal Lyne gave Legion the lead with a well-taken score. Barry John Keane equalised shortly after and with ten minutes on the clock the teams were tied at two. David O'Sullivan, who had kicked well in our previous game against Kilcummin, picked up where he left off and swung over two nice frees to put his side ahead by two. At the other end the lively Jack Savage pulled one back for Rahillys with a fine effort but another of Legion's youngsters, Hogan Cup winner Peter McCarthy, responded with great point of his own a few minutes later. As the half drew to a close Barry John Keane reduced to the deficit to the minimum once more and Legion went in at the break one point to the good, 0-5 to 0-4. There was controversy five minutes into the second period when Kerins O'Rahillys were reduced to fourteen men, Jack Savage getting his marching orders for committing his second bookable offence. The Tralee team reacted well, however, and Barry John Keane levelled the tie with a free two minutes later. Legion sharpshooter David O'Sullivan was unerring in front of the posts and two more quick-fire frees put Legion two points up heading into the last quarter. Luck was on Legion's side soon after when the ball fell to John Ferguson inside the box but his side-footed effort somehow deflected off a defender and looped over the crossbar. David O'Sullivan compounded their misfortune just moments later when he kicked a superb score to make it 0-8 to 0-6, and Legion managed to widen the gap to three on the fifty-three minute mark when Jamie O'Sullivan kicked a monster score from out towards the left sideline. Rahillys pushed on manfully in the closing stages in the hope of clawing themselves back into the game. Tommy Walsh popped over a free from close range to cut the lead to two and, as the game ran into added time, David Moran kicked an excellent 45' to make for a very nervous few minutes for the home crowd. They just failed to find the equaliser, however, and Legion held on for a priceless victory.

CLUB CHAMPIONSHIP DRAW: The draw has been made for the semi-finals of the Club Championship and Legion will play Dr Crokes on Saturday, April 30th in Kilcummin. Throw-in: 6.30pm.

LADIES: Hard luck to the senior ladies who were beaten last weekend by Beale in the County League. Legion were short some regulars but battled hard and actually finished the game the stronger team. Final

JUNIOR EAST KERRY LEAGUE:

KILLARNEY LEGION 2-15

KILCUMMIN 2-5: Legion came out on top in this sporting if slightly one-sided affair in Derreen last Tuesday evening (April 12th). The home side started with a young and energetic team and they were very lively from the outset, especially in attack where they looked dangerous from all angles. Fresh from their Hogan Cup triumph with the Sem, Finbarr Murphy, Mike Pierce and Peter McCarthy all put in impressive performances and linked well with their fellow forwards who all managed to get their names on the scoresheet. Kilcummin did their best to stem the tide but a goal from Murphy gave Legion a healthy lead going in at the break. With Colm ó Cuív doing a great job in midfield and Seán McCarthy and Rob Leen marshalling the defence, Legion stretched their lead further in the opening stages of the second half. Credit to Kilcummin they kept tipping away and they got some reward when Chris Keane bagged a couple of goals to close the gap. The result was never really in doubt, however, and Conor Culloty capped a solid team performance with another goal late on.

U-14 BOYS: KILLARNEY LEGION 4-11

AN GHAELTACHT 4-05: Legion were the victors in this Division 1 tie but huge credit must go to both teams who played out a thrilling and skilful game in Derreen despite the very challenging conditions.

SPA CLUB NOTES

INTERMEDIATE CHAMPIONSHIP RD 1:

SPA 0-15 JOHN MITCHELS 2-8: After two feisty encounters earlier this year, Spa and John Mitchels met again in the opening round of this year's Intermediate Championship. Played in Tralee, Mitchels were first on the scoreboard but Spa quickly replied with points from Michael Foley, Shane Cronin, Shane Lynch and Mike O'Donoghue to give us a 0-4 to 0-1 lead. The home side had drawn level by the 20 - minute mark but Spa finished the half well and thanks to scores from Shane Lynch, Michael Foley, Mike O'Donoghue (2) and Andrew Garnett, we led 0-9 to 0-5 at the break. Points from Mike O'Donoghue (2) and Craig Hickey extended our advantage but Mitchels found the net after 10 minutes and began to claw back that gap. Two points on the trot and they were suddenly within a point of Spa, until Mike O'Donoghue and Dara Moynihan stretched the Spa lead again. A goal for Mitchels in the 60th minute levelled the game and it was deep into injury time when a great score from Dara Moynihan edged Spa ahead. Spa continue to the Quarter Finals with a home draw against Kenmare and the win against Mitchels also secures our Intermediate status for 2017!

UPCOMING FIXTURES: Intermediate Spa v Kenmare is fixed for Saturday 30th April at 6.30 pm in Spa

LADIES FOOTBALL:

U12 GIRLS: Our very young team played away to ISG in Kenmare and were beaten by the stronger team. These girls are improving with each game and continue to get stronger.

U14 GIRLS: Our girls travelled to Tralee and defeated Kerins O'Rahillys. We were much stronger team and our defense of Sarah O'Sullivan, Leah Beazley, Grainne Spillane made it very hard for the opposition to find the goal. While up front Erin Holland 1-1 and Sarah Fleming 3-7 were excellent. Twins Grace and Marie Courtney were also outstanding.

U16 GIRLS:

SPA. 2-17 FINUGE/ST. SENANS 3-8

An excellent game of football to watch. A great team effort but excellent performances from Ciara Moynihan, Mairead Bennett, Eimear Beazley, Siona Moynihan and Sarah Fleming.

SENIOR LADIES:

SPA 4-5 CLOUNMACEN/MOYVANE 0-5

Our seniors played at home. The Kearney sisters were in great form in front of the goal. Young Roisin Kearney scored another hat trick 3-1. Her older sibling Niamh Kearney showed she hasn't lost her touch in the forwards after injury 1-1. Saoirse Holland in a positional change proved she's an all rounder with 2 pts. And Cassandra Buckley finished the score sheet with 1 pt. Best of luck to Cassandra Buckley and Linda Bruggener in the National League semi final as they take on Mayo next Saturday 23rd.

U12 BOYS: Played their first county league game away to Rathmore recently. Although they came out on the wrong side of the result on the night, they should be very proud of their performance.

Kenmare got off to a flyer of a start with Paul O'Connor, Sean O'Shea and Stephen O'Brien on deadly point kicking form. Gneeveguilla tried hard up front but found scores difficult to come by with Padraig O'Sullivan getting our only two scores of the first half. Kenmare went in at half time leading 0-10 to 0-02. Gneeveguilla came out fighting in the second half and scores from Don and Mike Murphy narrowed the gap. However a Alan O'Leary goal killed off the game mid way through the 2nd half. Kenmare ran out eventual winners Gneeveguilla 0-08 Kenmare 1-16. A big thank you to all who worked on the field during the week so today's game could go ahead.

KILLARNEY RFC NEWS

MUNSTER JUNIOR XV V KERRY JUNIOR XV

SELECTION: Our new grounds in Aghadoe was the setting on a mostly sunny but bitterly cold spring day. The facilities were excellent and Munster had a near full strength squad which welcomed the return of Martin Downey of Castleisland for his first competitive fixture since he ruptured a cruciate last year. The Kerry squad was at full capacity but of course were limited to a couple of training sessions in advance of this match and so struggled in the set pieces from the off. Killarney lads to feature included Ger Moynihan, Paul O'Sullivan, Matt Lane, Aaron Jones, and James Allman. They played extremely well and played most of the match. Downey was very prominent throughout and Munster were too dependent on him to be a playmaker, but he put in a superb performance and showed his rehab has worked very well. Well done to him on his return.

Munster ran out comprehensive winners as expected yet the Kerry side who failed to register a score gave them plenty to think about right to the final whistle. Match referee Declan Fuller did a very fair job in a lively encounter which was more like a cup game than a challenge. Well done to Ger Moynihan and his groundsmen for having the pitch in great shape and thanks to Luke O'Sullivan for his hard work. Teams repaired to Killarney Avenue for stew and sustenance, however we were to be disappointed by a poor Munster Senior display against the mighty men from the West.

MINIS END OF SEASON: Next Saturday, our minis will hold our final training session for the season as well as our famous end of season party and medal/award presentation at our

pitches at Aghadoe. This has been a very busy year for the minis with the weather wreaking havoc on our season. However due to the hard work of the coaches and coordinators, we have managed to miss very few training sessions across the season. The weather put paid to most blitzes, particularly since November. However the minis have really developed their skills and they want to show off their skills, next Saturday, to their families. We will have a few matches followed by a party and would ask parents to bring along some goodies on the day - buns, sandwiches, crisps etc if at all possible. For any details, contact Minis Coordinator Liam Murphy on 087-4145662 and keep posted to our facebook page.

IRISH INDOOR ROWING CHAMPIONSHIPS

The Irish Indoor Rowing Championships will take place at the UL Arena on Saturday April 23rd 2016. Competitors from all over the world are due to take part. Good Luck to all of our athletes who will rub shoulders with World Champions, World Record holders, Irish Record Holders, Olympic hopefuls and as yet undiscovered talents, all sitting down to beat the clock together. We wish all our rowers, trainers and families a very safe journey and if the Provinces Competition is anything to go by, we should return to Killarney with a boatload of personal bests and medals. More information on the Indoors Website: www.iirc.ie

SYMPATHY: Our sympathy is extended to the relatives of Dermot Coffey R.I.P. late of Killarney, his wife Imelda and his children Mary, Catherine, Dan and John who rowed with Workmen in the past. Ar dheis De go raibh a anam.

TRAINING: Training continues as per your coaches' texts. It was fabulous to see a brief respite in the bad weather last Saturday which allowed many of our Juniors their first outing on the water in weeks. After all of the flooding and hardship it does the heart good to see the determination and spirit of coaches and rowers, in tune once again with the (briefly) still waters of Lough Lein.

KILLARNEY ATHLETIC NOTES RESULTS:

DENNY PREMIER A

MASTERGEEHA 1-1 KILLARNEY

ATHLETIC: In a game Athletic controlled for large parts we took it to the home side from the first whistle playing nice team football and were rewarded with a Chris O'Meara goal 10 minutes from half time. However the home side grew into the game and enjoyed a 15 minute period whereby they got their goal. It was nip and tuck till the final whistle with both sides having to settle for a share of the spoils.

DOMINOES PIZZA RESERVE CUP 3RD ROUND

KILLORGLIN 3-1 KILLARNEY ATHLETIC

NATIONAL FOOTBALL LEAGUE DIVISION 1

FITZMAURICE APPEALS FOR STRONG SUPPORT FOR KERRY

KERRY O'SHEA LOOKS AHEAD TO SUNDAY'S ALLIANZ FL DIVISION 1 DECIDER BETWEEN OLD PROTAGONISTS KERRY AND DUBLIN

KERRY V DUBLIN

**ALLIANZ LEAGUE FOOTBALL FINAL
CROKE PARK SUNDAY 3.30PM**

Kerry have another chance to gain redemption for last September's All-Ireland final loss to Dublin when the counties face off in the Allianz League Division 1 Final at Croke Park this Sunday.

It will be the first time since 1987 that the sides have met in a League decider. On that occasion, Kerry lost on a 1-11 to 0-11 scoreline. Dublin, of course, are defending league champions and are going for four league titles in a row, a feat last achieved by Kerry between 1971 and 1974.

Fitzmaurice made a strong plea for the Kerry supporters to turn out in large numbers at headquarters for the important clash. He added that strong support always gives the team more confidence especially so since Dublin are on home ground.

"We've a huge following for all our games. There's a great difference in following a team and supporting a team. To support a team, you have to be prepared to travel. We have the core group of Kerry supporters that travel to all the games and we are very grateful for whatever support we get. Of course, we are hoping to have a large attendance in Croke Park on the day."

Fitzmaurice is hopeful that Sunday's league decider will be a higher-scoring game as he reflected on his side's losses to Dublin in September's All-Ireland final and the initial league outing in Croke Park in January.

"Conditions played a big part in the All-Ireland final, with that monsoon-like rain. We hit a lot of wides in the first half and should have been closer going in at half-time then again, Dublin also hit the post."

Apart from the long term injuries of Anthony Maher and James O'Donoghue, Fitzmaurice reported that his Kerry squad were eager, fit and ready for the task and was happy to let

EAMON FITZMAURICE WILL BE HOPING FOR A LARGE KERRY SUPPORT AT GAA HEADQUARTERS ON SUNDAY.

the players back to their clubs for the opening rounds of the club championships.

Fitzmaurice was keen to allay rumours surrounding the availability of Maher this year and was hopeful that the Duagh man would have a role to play come championship time.

"Everyone is fine bar the long-term absentees. Hopefully, the lads will all come through the club championships, 'touch wood'. The Club championships are big games for the lads and the clubs, it's not an issue with us, and they have to be as professional as they can with regard to their preparation and to warming up. To be tuned into your team and your game is important.

It's not always easy for players to settle back with their clubs after spending time away on county duty so they need every opportunity they can avail of with their clubs."

Fitzmaurice refused to be drawn on Kerry's plans for the final and their tactics in coping with Stephen Cluxton's kickouts which are vital to the success of Dublin as a unit under Jim Gavin.

"Stephen is back to his best form, we all know he is the best keeper in the country and what an important weapon he is to Dublin. We will have plans to cope with him, sometimes they work, sometimes they don't, then again, similarly they will be analysing our kick out strategy as kick outs play a vital part in the game."

Fitzmaurice expressed satisfaction with Kerry's scoring rate in the current league campaign (scoring 8-124 and conceding 5-91 ahead of the final) and in particular, the form of Darran O'Sullivan.

"Darran has worked hard over the last while. He was one of our best players in the All-Ireland final and he has taken his opportunities very well. You have to be very happy with the form of all the players going into the final and the good spread of scorers shows that they can all deliver for us."

The form of Colm Cooper, Aidan O'Mahony, Marc O'Se, Kieran Donaghy and Bryan Sheehan has caught the eye.

"A majority of the senior players were late in returning last year. This year has been different, since we started training in January everyone was back bar one or two. I think we have used 30 plus players during the league. There are still others who haven't played so far this year and we are anxious to give them a chance. We need to have as strong a squad as possible available to us going into the championship."

Fitzmaurice has stated that plans to add some of Kerry's u21's to the panel are on hold for the moment. "We have given them a bit of down time but we will be reviewing this at the end of the league when we will have a management meeting."

Dublin go into this joust, unbeaten in the league and championship since they lost to Kerry last year in Killarney. They will be hoping to keep their unbeaten run going, while the Kingdom will be hoping to bring Jim Gavin's side's winning sequence to a halt.

KILLARNEY GOLF AND FISHING CLUB

MEN'S CLUB

Club Captain Liam Hartnett wishes to advise that he has selected the following very worthy causes as being the beneficiaries of the proceeds of his forthcoming "Captain's Charity Day" which is due to be played on Mahony's Point on Sunday the 1st of May. The charities that will jointly benefit will be, the "Make a Wish Ireland" foundation, and the "Rockmount Centre" in Kilgarvan. Whereas we are all familiar with the Make a Wish Ireland charity, the "Rockmount Centre" is less well known, Liam advises that it is a day care centre for

persons who are in the early stages of either Dementia or Alzheimer's Disease, a charity which is very dear to his heart.

A teams of 4 event with 2 scores per hole to count, will cost €120 per team, and Liam is urging all gent's, both members and non-members alike, to become involved in entering a team, a full time-sheet will garner no less that €6,000 for the charities, and of course, there will also be the raffle for some fantastic prizes to embellish this great sum. The most interesting fact about this fundraising event is that it will be the very first Club event to incorporate play on the newly refurbished greens on the 4th and 13th holes and the new tee boxes on the 4th and 14th holes, this, on its own, should guarantee a full time-sheet.

BOY'S JUNIOR GOLF: Captain Liam was a spectator at the "Fred Daly" junior singles event, played at Newcastle West course on Sunday last, the 17th of April, Liam witnessed a most spirited performance by our Killarney boys, who were very narrowly edged out by the very fancied Ballybunion team.

Niall McCarthy was beaten by 2/1 in the top match, Luke Walsh won match number two by a margin of 4/3, Brian English was beaten by 2/1, Conor Clancy was beaten on the 18th green, and the final match was won by Luke Sweeney by a margin of 3/2. Liam was fulsome in his praise for our boy's standard of play, and this is in no small way due to the coaching and encouragement that they most willingly receive from our Club Professional David Keating and his assistant professionals, as well as the junior boys club representatives of Ned Brosnan and John Curtin.

SINGLES MARCHPLAY QUALIFIER: PLAYED ON MAHONY'S POINT SUNDAY THE 17TH

APRIL: This very keenly contested event attracted no less than 147 competitors, with the top 62 to qualify to join those already pre-qualified being the Captain, Liam Hartnett, and last year's winner, Dermot Roche.

RESULTS.

1st Joe Hartnett (11) with 42 points,

Category 3 Pat Favier (15) with 39 points,
Category 4 John Twomey with 40 points.
Joe Hartnett, the winner with 42 points laid the foundation for his great score with an incredible front nine of 25 points, Joe was three under par for the 6 holes 4th to the 9th which was a great score on any day.

The subsequent draw which was conducted by Men's Committee Members, none of whom, just co-incidentally, are involved in the "matchplay" for one reason or another, has thrown up some very interesting matches, Club Captain Liam is pitted against Fossa Golf Society Captain John O'Mahony, Ger Linehan is opposed by his foursome's partner John O'Shea, the holder Dermot Roche plays Seamus Doheny, in-form Bernard O'Shea takes on Enda Prendergast, and the clash of the titans must be the game between Donal Considine and Mark Tuite.

SUNDAY 24TH COMPETITION "ARBUTUS CUP" SINGLES STABLEFORD ON KILLEEN.

This competition is being kindly sponsored by "Killarney Printing Works Ltd". This is the third occasion that the Arbutus Cup has been re-scheduled for, and it is very much hoped that it will prove "third time lucky" for the staging of this competition for one of the most historic cups in the Club cabinet, it was first played for in 1940 and the winner on that occasion was a J O'Brien, in those day's it was an "open"

competition. Time sheet will run from 7.30 a.m. to 2.30 p.m. and will be via the usual Club on-line system.

PRIZE PRESENTATION, AND CLUB INFORMATION EVENING: The next scheduled prize presentation evening has been set for Friday 29th of April, with an expected start time of 7.00 p.m. This will be pre-ceded by the next of the Club information evenings which will be presented, once again, by Club Secretary Cormac Flannery, due to start at 6.00 p.m. and it is hoped that there will be a good attendance of our members to once again partake in this question and answer session.

GREAT RESULT FOR LOCAL CREW

The Vauxhall Motorsport Junior Rally Team had a fantastic result at the Circuit of Ireland Rally, based in Belfast.

Killarney crew, Rob Duggan and Ger Conway took maximum points on the British DMACK Junior Rally Championship in their Vauxhall ADAM R2, and are now leading the championship. Swedish Crew, Mattias Adielsson and Andreas Johansson came a close second place in their ADAM R2.

A hard fought for third place was awarded to Adam Bustard (one of the Vauxhall Motorsport Junior Rally Team finalists) and Aaron Johnston in their Ford Fiesta R2T.

The Circuit of Ireland was an international event, and also hosted a round of the European Rally Championship, where the Vauxhall ADAM's

sister car, the Opel ADAM R2 dominated the Junior category. Congratulations to Łukasz Pieniążek for winning the ERC Juniors in his Opel ADAM R2, and to Opel Motorsport's Chris Ingram and Marijan Griebel for coming a close second and third in their ADAM R2 cars.

Robert Duggan, who is a member of Motorsport Team Ireland, was relentless in his pursuit to ensure he placed first Junior BRC at his home event. He finished the first day leading the DMACK Juniors, and continued to lead the BRC Juniors for the entire duration of the event with 9 out of 14 stage wins.

We asked Rob what the key was to winning the Circuit of Ireland?

"Lots of practice! We came with the intention to win, we put in a lot of effort over the last

BEAUFORT HISTORICAL ARCHIVE:

Continuing with our annual diary of events ... the next one for April is the story of An tSeanBhó Riabhach ... The Old Brindled Cow who boasted that the harsh March weather couldn't kill her. So to put her in her place the weather god of March borrowed three days from April which killed and skinned the poor cow. These three borrowed days were called Laethanta an Bó Riabhach or The Reehy Days

or another name was The Skinning Days. There was a variation to the story in the North of Ireland where the first nine days of April were known as The Borrowing Days ... in that March punished the insolence of the blackbird, stone chatter and grey cow thus ... Three days for fleecing the Blackbird, Three days of punishment for the Stonechatter, And three days for the Grey Cow.

This is somewhat a believable story especially with the inclement April weather at the present time with the Scarbheen just round the corner !!! Song series on sale at local outlets numbering eight at present in a series of twelve. EXCITING WEEKEND AHEAD AS TASTE OF TRALEE FOOD FAIR RETURNS TO MANOR WEST

Manor West is delighted to host another Taste of Tralee Food Fair this weekend. After 2 extremely successful Food Fair weekends in the shopping centre over the Christmas period, the highly anticipated wait for our first Food Fair of the year is nearly over. The event, in association with Taste Kerry is a fantastic opportunity for some of our local Kerry Artisan food producers to showcase their wide range of wonderful products. Once again there will be a vast range of various food stands in the centre with their fantastic displays of superior food products. Come along & chat to the people who make the food & taste something new while you are out doing your shopping. From hot to cold, sweet or savory, there is always something to please everybody's taste buds.

Derek Rusk, shopping centre manager stated that "Following on from the massive success of the Taste of Tralee Food Fairs here in recent

years we are delighted to welcome back the Food Fair to Manor West this weekend. As the 2 Christmas Food Fairs were the most successful to date, we are confident that this weekend will continue that trend as the event is becoming increasingly more popular with our customers. The event always creates a fantastic buzz within the shopping centre as customers avail of the opportunity to taste the wide array of products on display as the fantastic aroma of the various food stands fills the main shopping mall. This year will mark the fifth year of Manor West's support of Taste Kerry in its role in supporting & promoting the county's home-grown food producers. By hosting events such as this here in Manor West, the food producers have the opportunity to engage with a large number of customers & help them to further market their business & various products."

As always our favorite Disney pals from Kingdom Party Pals, such as Ana & Elsa and Mickey & Minnie Mouse will be here both days from 12-5pm to keep all the young ones entertained. There is a real family feeling about the Food Fairs here in Manor West so make sure to call along with the young ones & take a few pictures while tasting some of the tempting treats on display at the food stalls.

The event will take place from 12 noon to 6pm this Saturday 23th and Sunday 24th April in the shopping mall in Manor West Retail Park with many more events and activities planned to take place in over the next few months. For further information on Manor West visit www.manorwest.ie or follow Manor West Retail Park on Facebook and Twitter.

FOSSA NOTES

FOSSA GAA: Lotto 17th April 2016. Numbers drawn were 18, 19, 26, 27. There was no jackpot winner and the €40 consolation prize winners were Maureen McCormick Curragh, Ann Russell Gortroe, Angela Lynch Maulagh, Pdraig O' Connor Gneeveguilla and Marcia Kowalczyk 10 Thornbury Mews New Street. Next weeks jackpot will be €6,900. Tickets are on sale at The Golden Nuggett Bar, The Castlerosse Leisure Centre, The Travel Inn, The Old Killarney Inn, Foley's Spar Shop, The Laurels Bar and Committee members.

SENIORS: Our seniors made the trip to Dromid on Sunday for the first round of the newly formed Junior Premier Championship. Played in lovely sunshine, the game started lively with scores aplenty, Dromid kicked the opening point, Donald O'Sullivan replied with a free. Lorcan Daly and Matthew Rennie kicked further points and it was 4pts to 3pts after 15 minutes. Then on 18 minutes Fossa hit the front when Paudie Clifford rattled the Dromid net after excellent work by Fintan Coffey, Tadgh O'Shea added two further points but ominously Dromid had the last couple scores of the half to leave the halftime score Fossa 1-05, Dromid 0-08. Fossa would have been happy enough at this stage because they had the aid of the wind in the second half, however Dromid were quick off the mark and put over two points before they struck for a crucial goal on 8 minutes. Donald O'Sullivan had a free and Tadgh O'Shea put over an excellent long range effort to keep us in touch but in truth Fossa struggled to get any foothold in the game thereafter, Dromid showed all their experience at this level and they worked hard to close out the game and limited Fossa to shoot from distance, Lorcan Daly did kick two brilliant long range points but we never got close to scoring the goal that was needed. Colin Myers was very solid in goals, our defence and midfield worked hard to contain the waves of Dromid attacks and Tadgh O'Shea and Lorcan Daly put in a great shift up front but the forwards got little change overall from the home defense, especially in the second half. They now face Lispole in Fossa on Saturday evening next at 6.30 pm in the first round of the Junior Championship, having beaten them in Lispole by a point in the opening round of the county league it should prove to be another close encounter with a lot at stake for the season ahead.

BOYS U16 EAST KERRY LEAGUE DIVISION 1B RD 3: On Monday evening our under 16s played Gneeveguilla in round three of the east Kerry league. Playing with the wind in the first half Fossa went ahead with two good goals from Dan Talbot and Emmet O'Shea and lead by 6 pts at half time. The second half was a very tight affair with the main turning point being the concession of a penalty mid way through the second half. The wind was a factor and Fossa were unable to kick the points needed to

stay ahead. Gneeveguilla went a point ahead late on and seemed to close up at the back. Emmet O'Shea rattled the post with one of the last kicks, but it was not enough. Best for Fossa were Shane O'Sullivan, Anthony Keeffe, Naoise Buckley, Gary Cronin and Emmet O'Shea.

Final score Fossa 2-7 Gneeveguilla 2-8

BOYS U14 COUNTY LEAGUE DIVISION 2A

RD 3: On Wednesday evening Fossa were well beaten by a slick Ballymac U14 team - with underfoot conditions very soft it was always going to favour the much stronger away team. Ballymac's ability to get goals set the team apart and even though Fossa tried valiantly till the end they could never catch up.

Best for Fossa on the night were Jack Clifford and Emmett O'Shea in the forwards - Colm Talbot played very well in the middle of the field and in defense Rory Doyle, Joe Cahillane and Eoin Myers ran their socks off. Dean Sheehan again played very well in goals

Final score Fossa 1-07 Ballymac 7-8

BOYS U12 COUNTY LEAGUE DIVISION 2A

AND 2B RD 3: Fossa under 12 black team had a great battle with Ardfert on Sunday evening. There was nothing between the teams, only a kick of the ball in the dying seconds for a goal giving Ardfert the win. Harry Kelly had a great second half scoring 2-4. Darren Ryan and Rian Collieran with a goal each and Ryan O'Leary, Robert Brooks and Patrick Lyons adding points. Cian Doyle, Sam Buckley, Peadar Kelliher and Rian Collieran did well in defence with Dean Sheehan playing very well in goal behind them. Sean Dineen and Darren Ryan battled hard in midfield. Overall Fossa were unlucky on the night and their mentors were more than happy with the effort put in by our boys.

Final score Fossa 4-07 Ardfert 4-09.

On a lovely evening for football Fossa under 12 red team put in a great shift against a strong Ardfert team. A very entertaining game saw both sides exchange scores throughout the game, with the best score coming from Luke Murphy, a goal Robbie Keane would have been proud of. Jack Cronin was superb in goals, Finn Kennelly was very industrious and up front Tom Cahillane chipped in with some fine scores.

Final score Fossa 4-08 Ardfert 5-07.

U-10 BOYS: Fossa under 10 boys had their first outing of the year to Cromane on Sunday for a blitz in which Glenbeigh Glencar, Beaufort, Cromane and Fossa took part. In the opening game Fossa won against Glenbeigh Glencar. However they then lost a close game to Cromane by a goal and were also beaten by a stronger Beaufort team in the final group game. Fossa met Glenbeigh Glencar in the B final but couldn't repeat the win from earlier in the day. Despite this the Fossa boys showed plenty of skill and determination and most importantly had an enjoyable afternoon.

Well done to the players and mentors.

U-8 BOYS: Fossa under 8 boys made the long

trip to Dromid on Sunday to play Dromid under 8'S during half time of the senior game. The Fossa boys gave a fantastic account of themselves with some great points and goals scored by Fossa, supported by some fantastic defensive play. Standing out for Fossa were Fionn Doyle, Jack Hallisey and Dylon O'Meara. All the boys were a credit to the club and showed the seniors how it should be done!! A big thank you to everyone involved.

LADIES FOOTBALL: The U-16 ladies have played two games in Division 1 County league to date. Their first game was at home vs Laune Rangers. The teams were tightly matched in the first half, but after the interval, Fossa dominated the second half which resulted in a comprehensive win for the Fossa girls.

The U-16 ladies were away to Rathmore this week. As always, there is never much between these two very competitive teams. Spectators weren't disappointed as both teams played tough competitive football. The game ended in a draw, Rathmore 2-11 to Fossa 1-14.

No under 16 game this coming week.

KILLARNEY LIBRARY: On Tuesday 26th April, Kerry Archaeological & Historical Society will host a lecture on Franz S Haselbeck, Pictorial Artist and Photographer with Louis Anthony Studio in Killarney circa 1920s. The lecture will be delivered by Patricia Haselbeck Flynn and commences at 7.30pm.

PAPAL NUNCIO VISIT: Archbishop Charles J Brown has accepted the invitation of Fossa Parish Pastoral Council to launch a Parish programme celebrating Christ, Prince of Peace Church's Ruby Jubilee (1977-2017) on the late afternoon of Thursday 28th April next, at a time to be announced. In conjunction with Pope Francis' recent Encyclical on Creation, Archbishop Brown will bless our newly created Laudato Si Garden as linked with The Diocese of Kerry Pastoral plan and Earth Week 2016.

FOSSA COMMUNITY GAMES NOTES: We will be holding our local qualifying round for Athletics on Thursday evening the 28th of April in Fossa GAA grounds in Gortroe with the first race starting at 6.30pm sharp so please come early to register and facilitate the smooth running of this event.

Anyone who wins a medal will be automatically selected to represent Fossa in the Community games county finals on the weekend of the 11th and 12th of June in Castleisland.

Looking forward to seeing you all there for what is always a fun action packed evening. We will have races in U8, U10, U12, U14, U16 and we'll have a race for the little ones as well.

HAPPINESS IN THE WORKPLACE

For many of us a great deal of our day is spent in the work place – or thinking about work, therefore it makes sense that we would aim to make our working lives a happy and pleasant experience. However,

when faced with various frustrating challenges at work our stress levels can increase and lead to anything from burnout to boredom to distraction. Whilst some levels of stress at work are normal, excessive stress can interfere with productivity as well as our physical and emotional wellbeing. In her book *Real Happiness at Work*, Sharon Salzberg discusses eight pillars of happiness in the workplace. These include balance; concentration; compassion; resilience; communication and connection; integrity; meaning; and open awareness. Throughout the book she presents formal meditations along with mini meditations and practices for the reader to try out. These exercises are simple, small and practical ways in which we can achieve greater calm and satisfaction. The following includes some of the advice she gives us to have a more peaceful and happier day at work.

1. Before starting a project, meeting or even a conversation, ask yourself: "What do I most want to see happen from this?"
2. Before starting your day, set an intention. She gives the following example: "May I treat everyone today with respect, remembering each person wants to be happy as much as I do."
3. Try to perform a simple act of kindness every day. The following are such examples: "holding a door, saying thank you in a sincere manner, or listening to someone with a clear and focused mind."
4. Pay attention to your feelings. For example, if you're feeling irritated toward a co-worker, pay attention to your irritation, "not so much the story of why you're irritated, but the actual feeling of it." What does it feel like in your body? Where do you feel it? Identifying irritation as it starts helps you prevent an action you might later regret. "With a more immediate recognition of what we're feeling, we have a choice as to how we want to respond in that moment."
5. Think about the people who make your job possible, such as a housekeeper, caretaker or fundraiser – and thank them.

These are just some simple measure we can take to generate more happiness in the workplace.

1916 CENTENARY TOMORROW IS LOST DOG AWARENESS DAY

Ballymacelligott 1916 Centenary Committee's Commemoration will take place at the Captain Robert Monteith Memorial, Glanageenty, Ballymac on this Saturday April 23rd at 12 noon.

Main Speaker – George Rice, Tralee. Kathleen Herlihy and John Lenihan (World Mountain Running Champion) will also speak on the local history of the area.

THIS SUNDAY NIGHT IS CENSUS NIGHT

On this Sunday night, 24th April every household in the country is required by law to complete a census form.

Amongst the questions that must be answered you have to account for all persons (including visitors) who spend the night of Sunday, 24th April at your address and on List 2 on page 3 of the form you have to account for all persons who usually live at your address but were temporarily absent on Sunday 24th April.

When you have completed the form, please read and sign the declaration and keep your completed form in a safe place until the enumerator calls to collect it. You are obliged by law to complete and return the form, any person who fails or refuses to provide the required information or who knowingly provides false information may be subject to a fine of up to €44,440.

DID YOU KNOW?

Every two seconds, a child becomes a victim of forced marriage. 1 This flagrant child rights violation robs millions of their childhoods, substituting a life of misery and hardship.

Girls like Maria*, who at 13 was forced to become the sixth wife of a 70-year-old man. When she resisted, her father told her: "If you don't go to join your husband, I will kill you."

When a dog goes missing, many families give up looking for their lost pet. Lost Dog Awareness Day was created to give hope to the families still looking for their dogs and remind the public that not all stray dogs are homeless. Please take a second look if you see a dog wandering, if the animal is uninjured and hungry, please feed it with appropriate food, and make water available and if it doesn't have visible ID then please bring the animal to your local vets, animal shelter or dog pound so they can scan them for a Microchip. Maybe he has a home waiting for him!

If you cannot keep the dog in your home please bring him to the local pound or ring your local animal shelter to see if they have room to take the dog in. If the pound or animal shelter is closed you can bring the dog to your local Garda station. The Gardai can then ring the emergency Dog Warden.

If you choose to keep the animal in your home until you find the owner:

- All found dogs **MUST** be reported to the local dog warden - number can be located from Directory Enquiries.

- Place an ad in the lost and found section of www.irishanimals.com, <http://www.lostandfoundpets.ie> and www.petsireland.invisionzone.com

- Create a poster with the animal's details, where found, your mobile contact number and a picture of the animal and give this to your local Garda stations, vets, etc. Put this poster up around the area where you found the pet. It is a good idea not to give a full description of the animal so that if someone contacts you saying the animal belongs to them you can check those extra details.

Owners of lost pets please check with your local Pound and animal shelters, get as much publicity as possible, for instance contact Club PRO's and Correspondents that write for Outlook Magazines, I am sure most if not all will include a description of your pet in their notes. Sean and Eileen Reilly presenters of "Irish Favourites" on Radio Kerry every Sunday night from 10pm until 1am always read out messages of lost / found / straying animals and I am sure many of the other programme

presenters would do the same. Place notices on shop windows, notice boards etc with a photo if possible, take out a small ad, if you can afford it.

IDENTIFY AND ENCOURAGE BENEFICIAL INSECTS

Our insect allies far outnumber the insect pests in our yards and gardens. Bees, flies, and many moths help gardeners by pollinating flowers; predatory insects eat pest insects; dung beetles, flies, and others break down decaying material, which helps build good soil. Honeybees are called the "spark plugs" of agriculture because of their importance in pollinating crops, but other wild bees are also important pollinators and natural pest-control agents. There are approx. 20,000 species of bees worldwide, some of these are vital as pollinators of cultivated crops. Many others are crucial to wild plants. Pesticide use, loss of habitat, and pest problems such as mites have vastly reduced wild and domestic bee populations. The best way to encourage native bees is to tend a flower garden with as long a bloom season as possible and provide a shallow water source where they can drink. The best way to protect beneficial insects is to avoid using toxic sprays or dusts in the garden. Even organically acceptable sprays such as insecticidal soap and neem can kill beneficial species, so use them only when absolutely necessary to preserve a crop and then only on the plants being attacked. Be careful when you hand pick or spray pest insects, or you may end up killing beneficial insects by mistake, while many beneficials are too small to be seen with the unaided eye, it's easy to learn to identify the larger common beneficials.

1500 - Pedro Alvares Cabral (c1460-c1526), Portuguese explorer, discovered Brazil and claimed it for Portugal.

1970 - Earth Day, an event to increase public awareness of the world's environmental problems, was celebrated in the United States for the first time. Millions of Americans, including students from thousands of colleges and universities, participated in rallies, marches, and educational programmes. Earth Day was the brainchild of Senator Gaylord Nelson of Wisconsin, a staunch environmentalist who hoped to provide unity to the grass roots environmental movement and increase ecological awareness.

NOT SPENDING MONEY ON MENTAL HEALTH COSTS THE WORLD \$1 TRILLION A YEAR

Spending on counselling or medication to treat mental health issues can be an expensive, but new research from the World Health Organisation indicates that the global community cannot afford to not treat mental illnesses. Every dollar invested in mental health treatment sees a \$4 return based on better health and ability to work, according to a WHO study published recently. Researchers calculated treatment costs and health outcomes in 36 countries of varying wealth from 2016 to 2030. Applying a meta-analysis of past studies regarding depression and anxiety's impact on workplace productivity and absenteeism, they estimated that a failure to scale up mental health programmes would lead to 12 billion days (or 50 million years globally) of lost work annually over the next 15 years.

THERAPIST FOUND ABANDONED INFANT IN A PILE OF RUBBISH

Sara Conque is a 28 year old therapist with a passion for helping people in need. In 2013 she moved away from her home in Louisiana

to go and help children in Haiti. She got a job at Danita's Children Medical Centre and has been doing inspiring work ever since. In 2014 a woman brought in her 3 month old child, Nika. Nika was suffering from hydranencephaly, a condition which causes a buildup of fluid in the brain. Because of this her head was swollen to three times its size, and Nika wasn't expected to live much past infancy. As if this weren't bad enough, Nika's mother felt ashamed of her daughter, and thought that she couldn't care for the child.

One day, Sara went to check on Nika and her mother, but upon entering the house, she found Nika alone, lying amidst piles of garbage. Sara brought Nika into a nearby orphanage and began to make sure that the baby girl was getting the best medical care possible. It wasn't much longer until Sara and her partner, Stephen, adopted Nika and brought her to the United States. Nika has undergone two neurosurgeries, and she is now able to walk and lift her head by herself. That's a breathtaking turn of fate! Sara and Stephen saved this little girl's life and have guaranteed her a happy and healthy future!

WHERE WILL EMPLOYMENT OF THE FUTURE COME FROM?

Japan shocked the world when it recently staffed a hotel with robots. Now the Country is preparing to open the world's first fully automated vegetable farm in 2017, the first of its kind in the world. With Robotic Carers, weed whackers, robotic gardeners, cropping robots, dairying robots, fruit picking robots, and every other aspect of farming and industry being automated with robots, where are the jobs of the future to come from?

THE IRISH SLAVE TRADE

- More Irish slaves were sold in the American colonies between 1651 and 1660 than the entire free population of those colonies.
- More Irish were sold as slaves in the America's during the 17th Century than Africans.
- The typical death rate on the slave ships was around 37%.
- The Irish were often sold into slavery from 7 to 20 years.
- While the number of Irish being sent into slavery dropped off considerably in the 1660's, it did not just end. After the Battle of the Boyne in 1691 numerous Irish slaves were sent to the new world.
- The last person killed at the Salem Witch Trials was Ann Glover. She and her husband had been shipped to Barbados as a slave in the 1650's. Her husband was killed there for refusing to renounce Catholicism. In the 1680's she was working as a housekeeper in Salem. After some of the children she was caring for got sick she was accused of being a witch. At the trial they demanded she say the Lord's Prayer. She did so, but "as Gaelige" because she didn't know English. She was then hanged.

AN ENTIRE VILLAGE ESPECIALLY BUILT AS A CARE HOME

The Dutch village of Hogeweyk looks like a normal sleepy village. With shops, restaurants, parks and even a theatre, you wouldn't suspect that this town is a progressive care home for those with dementia and Alzheimer's. The 152 elderly residents living there enjoy complete freedom and privacy and are cared for around the clock. The younger residents of the town are geriatric nurses and specialists, who work to provide the citizens with a more natural yet facilitated life. They wear everyday clothing to make the residents feel more comfortable and fulfil a range of roles around the village including cashiers, post office clerks, and grocery store attendees. To the residents, they seem like caring neighbours, or hired help.

The village was especially designed to look less institutionalized and make residents feel like they are autonomous. The village has 23 houses, each with varied lifestyles. The 7 styles they can choose from include Upper Class, Homey, Urban, Christian, Artisan, Indonesian or Cultural. There are no locks on the doors and residents are free to wander around the village by foot or bicycle. A staff of 250 is always around to ensure they are cared for and safe. There are other leisure facilities such as a café, restaurant, theatre, bar, to make the experience seem as life-like as possible. In each house, the residents have their own bedroom and share the living room, dining room and kitchen with 6 other residents. Residents manage their own households, with support from carers. At home, they are responsible for cooking, washing and cleaning. Residents can do their grocery shopping at the Hogeweyk supermarket. There is no currency exchanged in the village. The stress of finance is removed from residents' lives as all expenses are covered in their monthly payment.

SOFT VEGETABLES? MAKE SOUP!

Last few carrots lingering limply in the fridge? Half a turnip or squash unused from last week? Just about any vegetable can be transformed into a gorgeous warming soup. This is a great way to use leftovers for maximum nutritional value. As a basic rule, gently fry one onion and two garlic cloves before adding a few handfuls of chopped vegetables. Top up with 1-2 litres of hot stock and cook for 10-20 minutes before blending smooth. Using vegetables of similar colours will give you a more vibrant soup – combining too many colours will turn it a muddy shade of brown. Add turmeric to orange and yellow soups for a golden hue, and red lentils for an extra protein boost to keep you full. Green vegetables combine well with creamy ingredients like potato, soy cream, or cauliflower which give the soup bulk.

A WORD OF VICTORY

Welcome back dear reader last week we looked at the two kingdoms currently in operation – the kingdom of this world's system whose ruler is Satan; and the Kingdom of God where Jesus is Lord. Many people leave their native land and travel to other countries seeking a better life. In their new land they must adjust to the rules and regulations that operate there. To abide in God's Kingdom it is not necessary to travel anywhere. God's Kingdom is a spiritual Kingdom. "Eye has not seen nor ear has heard the things which God has prepared for those who love Him.... for the things of God are spiritually discerned" (1st Corinthians 2:9-14). You see friend, we are firstly a spirit, we live in a body and we have a soul (which is our mind, will and emotions). We make contact with things in this world through our senses – what we see, hear, touch and smell (our body and soul). God is a Spirit and He contacts us through our spirit (not our body or soul). The qualifying condition to receive anything from God is to be 'born-again' (see John chapter 3) by accepting Jesus as Saviour and making Him Lord of our lives. Then, as we read the Word of God our spirit discerns God's will for us (1st Corinthians 2:11-12) and, as we carefully follow the Scriptures the Holy Spirit connects with our human spirit and leads us in the way we should go. Jesus said that it is impossible for the un-born again spirit to connect with the Spirit of God. The un-born again person is controlled by the environment around them and this is why there is turmoil instead of peace; so much sickness, war and violence – these can only operate in Satan's kingdom. Satan is God's enemy and our enemy. He comes only to steal, kill and destroy (John 10:10) but Jesus came that we could have abundant life. Jesus said to choose life, but we have the free will to choose the kind of life we desire. More next week....
