EDITOR'S NOTE

A

Christmas is creeping up on us and there is no going back after tomorrow night's Christmas In Killarney Opening Parade.

The magic begins at 6pm in the town, but be sure to be early as thousands are expected to line the streets for the spectacular parade. Our photographer Marie Carroll

O'Sullivan will be out and about with her camera, so if you catch her eye and you could be featured in next week's Killarney Outlook. The Christmas In Killarney Festival wouldn't be possible without the amazing volunteers who put hours of work into the event and the opening parade

will be followed by four smaller events every Saturday night until Christmas.

Hope you all enjoy the opening festivities of Christmas In Killarney!

It's Christmas In Killarney

CHOIRS LAUNCH CHARITY CD IN TIME FOR THE FESTIVE SEASON

A choral collaboration to celebrate Christmas In Killarney has been launched this week at St. Oliver's National School. 'It's Christmas in Killarney!' is a twenty nine song, 2 CD collection of live recordings of the Killarney Golf Club Male Voice Choir, St. Oliver's National School Choir and O Happy Day Ladies' Choir singing Christmas songs in St. Mary's Church of Ireland, Killarney.

In early December 2008, a new tradition of Christmas in Killarney was born. The newly formed Killarney Golf Club Male Voice Choir joined the St. Oliver's National School Choir to give a performance of Christmas songs and carols in St. Mary's Church of Ireland in Killarney.

The unique combination happened when Choir Director and Musical Director of both choirs at the time, Noreen Coffey and Noel O'Sullivan came together. The blend of both choirs proved to be very popular and so the concert was repeated in 2009, and every year since.

A number of years ago, Russ Browne became Choir Director of the Killarney Golf Club Male Voice Choir. Russ also happened to be the

Choir Director of the O Happy Day Ladies' Choir in Killorglin and she involved the O Happy Day Ladies' Choir that year in the established choral night in St. Mary's Church. The audience were treated to a stunning night from the trio of choirs and this has become the tradition in St. Mary's Church in early December ever since.

The song that kicked off the first concert and every concert since was 'Christmas in Killarney!' It was on the B side of Bing Crosby's 'I'm Dreaming of a White Christmas' record which was the biggest selling record for many years. The song has become synonymous with the choral night in December and that is why the CD title 'It's Christmas in Killarney!' was chosen. The twin CD set sleeve and booklet was designed by Noel O'Sullivan and Josephine Doncel. The graphic designer who skilfully put the designs into reality was Tony Clifford of Ross Road. The CD set is encased in a Victorian style design which features stunning photographs of Killarney at Christmas. These photos were taken and donated generously by Killarney photographers Peter O'Toole, Valerie O'Sullivan, Michelle Cooper Galvin

and Ian Cronin. The profits from the CDs will be going to the Kerry Cork Health Link Bus and the St. Oliver's School Fund. The CDs are available from shops around Killarney and from the office in St. Oliver's N.S. for only €10! There is only a limited run available so don't delay as they will be snapped up!

"I am lucky enough to be part of the night since 2008 as I play keyboard with the St. Oliver's N.S. choir. For the last few years, listening to the three choirs on this special night, I would get the same notion every year, that we should record this night on CD:

Noel O'Sullivan, CD producer told the Killarney Outlook. "Josephine Doncel, Choir Director of the St. Oliver's NS Choir and Russ Browne director of the other two choirs gave me the thumbs up and so we got to work throughout January. It was a strange experience singing Christmas songs in January but it was so worth it!", he added.

This year's choral night in St. Mary's Church of Ireland is planned for Tuesday December the 10th at 7.30pm

INDUSTRY EXPERTS TO ATTEND TOURISM FORUM

Kerry Tourism Industry Forum are hosting a half-day of panel discussions and interactive conversations with industry experts and commentators on November 25th in The Brehon, Killarney.

The event is being organised by the Kerry Tourism Industry Forum (KTIF), an open forum between employers and business people with a vested interest in Tourism in County Kerry. KTIF was set up two years ago to share insights and areas of common interest with the intention of developing a position on a number of matters that may help the health, sustainability and development of tourism in Kerry. The round table discussions they host are between tourism

industry employers and the intention is to focus on tourism within the whole county of Kerry, without favour for any one industry or geographical area. It is hoped the forum will develop into a Destination Management Organisation in the near future. The event on 25th November is a vital discussion on the future of tourism in County Kerry. Whilst indicative figures for visitor numbers into the county appear to be holding their own, industry practitioners at grassroots level are anxious that the spirit of complacency does not slip in at national and local policy level. Further to a recent survey carried out amongst the tourism industry practitioners in County Kerry, summer 2019 was not the

prettiest of pictures for everyone.

Among the themes for discussion will be:

- Summer 2019 season – review of survey results
- The Destination Management of County Kerry as a whole
- Trends and areas of concern for tourism practitioners in County Kerry such as insurance, VAT and Brexit

The date for the forum is Monday 25th November from 10am until 1pm in The Brehon, Killarney. Tickets to the event are free but you must preregister at <https://www.eventbrite.ie/e/kerry-tourism-summit-tickets-81694954809>

LATE LATE TOY SHOW CALL FOR THREE KILLARNEY STARS

A 'Golden Ticket' for three lucky Killarney boys, who will appear on the Late Late Toy Show, Friday 29th November, in front of millions of viewers far and wide L-R Irish Dancers Marcus O'Sullivan & Aodhán O'Halloran with Rian Gleeson who will be doing a book review. PICTURE: MARIE CARROLL-O'SULLIVAN

Not one, not two but three Killarney boys are heading for this year's Late Late Toy Show to perform at the iconic TV Special.

The idea of being on the Late Late Toy Show is every child dreams and one local mum decided that she would enter her son Aodhán O'Halloran (aged 7yrs) and his friend Marcus O'Sullivan (aged 6yrs) in the auditions.

"I searched through videos of their summer performances at Weddings, clipped it down to include a group of younger dancers from the Aine Murphy Dance Academy" Geraldine O'Halloran told the Killarney Outlook. "I almost

The light in a child's eyes is all it takes to make Christmas a magical time of year

missing the deadline" Geraldine admitted and she submitted the application in a Taxi on route to a Feis in London.

It was a little over a month ago when Geraldine received a call offering the boys a chance to audition and both were truly delighted when word came through that they were successful. At the moment they are in the throes of rehearsals but their performance is a big secret - all of which will be revealed in this year's Late Late Toy Show which will be aired on RTE 1 on Friday next, November 29th.

However, before the boys take this opportunity in their stride, they both have to compete in the Munster Irish Dancing Championships in Killarney this weekend.

The boys will be joined in RTE by another local boy, Rian Gleeson, aged 7 from Artygallivan who has been selected as a Book Reviewer on the show.

Rian's step mom Paula, who runs the Gleeson School of Drama, penned a special poem about the Toy Show which Rian recited in his first audition. He subsequently had to go through another two audition rounds including a trip to the RTÉ studios in Dublin to meet the members of the Toy Show team.

Rian took the book "My Golden Ticket: Willy Wonka Experience" with him to the audition to review, and was so excited to hear that it is also Ryan Tubridy's favourite book! Ryan is one of Rian's heroes and would love to "present the Toy Show when Ryan retires!"

Rian, who is in second class in Gaelscoil Faithleann, and son of Mícheál and Caroline, has been a member of The Gleeson School of Drama for the last two years and is an avid reader, being a regular visitor the the Killarney local library since he was 3, so he is delighted that he will get to review books for the show, although he still does not know what books! "I cannot wait to see all the toys and books, meet Tubs and have loads of fun. I will be a little bit nervous I think, but that's ok! I just cannot wait", an excited Rian told the Killarney Outlook.

Electric Atmosphere... as Knocknagree light up the INEC

The contestants of Lip Sync Battle Knocknagree which took place at the INEC on Friday evening raising funds for Knocknagree GAA.. PICTURES: MARIE CARROLL - O'SULLIVAN

Knocknagree GAA held a Lip Sync Battle Fundraiser in the INEC Arena on Friday 15th November to an audience of over 700 people.

Patrons were treated to a spectacular show filled with epic dance routines, daring lifts and tricks and 12 Footballers dressed up as Britney Spears.

Creative Director Joe Burkett who trained all 9 of the local acts told us of the amazing atmosphere, 'The INEC was electric on Friday night. The entire village of Knocknagree and the surrounding communities were out in force to support their local club. All 9 acts that took to the stage were outstanding. It was an extremely close call with the public vote while the judges (Paud O'Donoghue, Margaret O Sullivan and Laurance Hickey) were stuck between 5 acts.'

The winners on the nights were Sister Act who won the Public Vote and Pink who took home

the judges trophy.

Sister Act were made up of members of the Tureenahill Active Retirement Group - Nora Dunlea, Kathleen Dennehy, Nora Murphy, Evelyn Cronin, Sheila O'Connor and Betty Moynihan. All 6 ladies were thrilled with the win adding that it was the best fun and it was a most enjoyable experience.

Katelynn O'Keeffe and Elaine O'Leary along with their backing dancers Chris Whyte, Andrew Sheehan, Timmy O Connor and Paul O Connor raised the judges trophy with their stunning version of Pinks Raise Your Glass. Both Elaine and Katelynn encouraged anyone out there thinking of taking part in a fundraising event to do so as it's so enjoyable and great craic.

Chairman Jeremiah Moynihan paid tribute to his amazing Committee of organisers, 'Elaine Cronin, Mary & Mike Dilworth, Anne Burke o Donoghue, Denis Twomey, Joanne Dennehy

and Noreen o Connor did an amazing job of ensuring the show was the best it could be. Great teamwork by all. As a committee, wed like to thank all 9 acts, 52 people for giving up their time and putting in some much effort to create a show that will go in history as one of the best Knocknagree has ever produced. We're very grateful. Our final thank yous go to you Joe Burkett who is an amazingly talented guy, very easy to work with and always at the end of the phone, to MC David O Connor, he played a blinder, Shane O Leary of Munster Drone Services for all their hard work in creating the promo videos and to all the backstage crew, thank you.'

A fantastic night for the community of Knocknagree following their county championship victory.

Performing Tina Turner's 'River Deep Mountain High' at the Knocknagree GAA Lip Sync at the INEC on Friday evening were Back Row L-R Michelle Twomey, Kay O'Keeffe, Shirley Nagle, Julia O'Connor & Orla O'Callaghan. Front Row L-R Anne Marie Moriarty & Joanna Hughes.

LAKE HOTEL STAFF LACE UP FOR TEMPLE STREET

Stephen Dennehy, Bar Manager, Stanislav Gnjastovic, Porter, Alex Gogin, Bar Tender, Sinead Butler, Duty Manager, Javier Gonzales, Duty Manager, Catherine Burke, Front Office Manager, just some of the staff at The Lake Hotel, Killarney who raised €5,677 in aid of the Temple Street Children's Hospital which was raised during a series of running events through the National Park and in the surrounding areas. PHOTO: DON MACMONAGLE

Following a series of running events in which staff members at the Lake Hotel participated, a cheque for €5,677 was handed over to Temple Street Children's Hospital this week.

The hotel's Employee Representative team decided to lace up their running shoes and form a running club to raise funds for this very worthy cause. The team took part in a series of running events from September this year and invited their colleagues to complete four 5kilometre runs through the National Park and in the surrounding areas. Each participant's entry fee was donated to the chosen charity. In September, four Lake Hotel employees completed the Dingle Marathon, seeking sponsorship from their colleagues with all proceeds going to Temple Street. The

Lake Hotel employees were delighted to sponsor their comrades and help raise funds for Temple Street Children's Hospital. Total funds raised from the running club membership and the Dingle Marathon sponsorship amounted to €5,677.

Stephen Dennehy, chairperson of the Employee Representative team at The Lake Hotel is already thinking of next year's fundraising efforts. "We were delighted to be sending a cheque of this value to Temple Street Children's hospital and are very grateful to everyone who supported this fantastic cause. Each year we organize a fundraising event, last year we completed a sky dive in aid of Kerry Mountain Rescue, this year we formed The Lake running club in aid of Temple Street, so we look forward to what next year will bring."

The winners of the annual Killarney Credit Union Art Competition were presented with their prizes at head office on Beech Road on Saturday last. There was great excitement by the many winners from the Under 7 to Over 18 category which were presented with an award certificate and cash prizes.

Irish Red Cross Young Humanitarian Award For Donal Walsh #LiveLife Foundation

At a gala ceremony at the Ballsbridge Hotel in Dublin on Saturday night last, the Kerry-based Donal Walsh #LiveLife Foundation was named winner in the Young Humanitarian category.

Donal Walsh touched the hearts of the nation when he came to prominence through his writings and appearance on Brendan O'Connor's The Saturday Night Show.

While Donal battled cancer he became very aware of the effect his illness was having on his family and friends. Donal's experience of fighting to live spurred him on to address, publicly, an issue which he was in a very unique position to comment on: teenage suicide.

The #LiveLife Foundation was set up after Donal died, to promote his anti-suicide message and to fundraise. Donal found there were not enough facilities in hospices, in terms of teenage mental health and faith, both of which were a big part of Donal's life. Donal's Foundation has now raised and distributed €500,000 to help develop these facilities. Donal also worked tirelessly and raised €65,000 for the children's hospital in Crumlin.

Donal's parents, Elma and Finbarr Walsh, were presented with the award by Irish Red Cross Ambassador Jason Black.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

SIMPLE RULES TO HELP YOU TO PROTECT YOUR SAVINGS & INVESTMENTS:

- Only invest in firms regulated by the Central Bank of Ireland.
Check the risk level, track record and past performance of all savings and investments before you decide where to put your money.
- Don't put all your eggs in one basket, spread around your savings and investments, you can use different providers rather than just using one.
Get a second opinion from a Financial Advisor before deciding where to put your money ideally from an Advisor who can access different product providers and not just one product provider.
- Review your savings and Investments at least once a year so that you can check how they have performed.
- Don't make up your mind too quickly, take your time and make sure you understand everything before you make your final decision, a second opinion may be very helpful in helping you to make a decision.

Maximum & minimum working hours and rest breaks
– Employers guide

MAXIMUM WORKING HOURS
The Organisation of Working Time Act 1997 states the maximum average working week for many employees cannot exceed 48 hours. This does not mean that a working week can never exceed 48 hours; it is the average that is important. The average may be calculated over one of the following periods:

- 4 months for most employees
- 6 months for employees working in the security industry, hospitals, prisons, gas/electricity, airport/docks, agriculture or in businesses which have peak periods at certain times of the year (such as tourism)
- 12 months where this has been agreed between the employer and the employees.

MINIMUM WEEKLY WORKING TIME
There is also a minimum weekly working time. An employee is guaranteed to be compensated for 25% of the time that he or she is required to be available. So, if an employee is expected to be available for 40 hours, they are guaranteed at least 10 hours of pay.

REST PERIODS & BREAKS
There are also regulations concerning rest periods and break times for the safety and well-being of the employee. Employees are allowed at least 11 hours of daily rest per 24-hour period. They must also receive one 24-hour period of rest per week, which needs to follow an 11-hour rest period. During the work day, your staff must get a 15-minute rest break if they work 4 ½ hours. If working 6 hours, they must get 30-minutes of rest.

For help, support and advice on the above or on any of your HR & Payroll needs please feel free to contact us.

THE WALL OF CHAMPIONS

Kilcummin G.A.A. Club are currently undertaking a novel fundraising initiative to help finance their on going development plans. **Peter Doyle** spoke to the club's chairman Eugene Sweeney in order to help publicise their efforts.

The current fundraising initiative is known as the "WALL OF CHAMPIONS". For as little as

€5 per week over a twelve month period or a one off payment of €250 it is hoped donors will purchase a "Brick". Donors will then have the choice of inscribing any name into their space. This will allow people the opportunity to honour the memory of Loved ones.

The club are currently implementing Phase 2 of their development plan which entails a new clubhouse, comprising of two new dressing

rooms, a referee's room, treatment rooms, meeting rooms and gym facilities.

Mr. Sweeney explained that, "construction began in July, the building is now half way there and it will be completed next June." Mr. Sweeney added that, "three years ago we collected 215,000 for Phase 1 which was a new training pitch, we now need to raise the best part of 150,000, but the people of Kilcummin are generally very good for coming on board."

Mr. Sweeney said the club did receive grants from both the Capital Sports Programme and the Munster Council, "the club's weekly lotto in effect pays for the day to day running of the club", he added.

Eugene is eager to highlight the tireless work of the volunteers in the club. There is a special development committee comprising of Paudie Healy, chairman, John Purcell, Sean O' Doherty, Denis Crowley, James Foley and Pdraig O'Connor, whom are all charged with overseeing the implementation of the current development.

Eugene is confident the club will reach their target through the generosity of the people of Kilcummin, many of whom also give their time freely in their capacity as members of the club. The new facilities will be enjoyed for generations to come.

Killarney Artist set to show her work at Art Source Cork

A Killarney artist with a life-long background in the sciences will feature at Art Source at Cork City Hall from Nov 29-Dec 1.

Olivia O'Carra began her career as a hospital physicist in Saint Luke's Dublin, one of only five in that profession in the country at the time. After moving to Killarney to start a family, O'Carra taught secondary school students at Loreto Convent and St. Brigid's Killarney in physics, mathematics, biology and chemistry. She took evening classes in oil painting, and when the opportunity to take an early retirement arose in 2003, she was motivated by the first sale of her works to continue in the arts. "I had always loved art in school, but I was never in a position to follow that route before now. My first solo exhibition in 2007 was a sell-out, which was an amazing feeling," Olivia said.

Art Source, Ireland's largest art fair, is branching out to Cork for the first time, and will feature 20 of Ireland's top artists and galleries showcasing affordable painting, sculpture, photography and ceramics. Art Source Cork is running alongside the Gifted Craft and Design Fair and will feature the best of contemporary Irish artists. Kerry photographer Norman McCloskey is also featuring at the exhibition. McCloskey has had his Antarctic photography featured in National Geographic and has produced two books of photography that capture the beauty of Killarney National Park and the Beara peninsula respectively.

Skellig Moon, a once-in-a-lifetime shot of a full moon aligned with the Skellig Islands, is a testament to McCloskey's persistence in the name of his craft.

Support services join forces for 16 days of action

Two Women's Support Services in Kerry have joined forces with the Collective of Community Based Women's Networks in South Kerry to highlight the 16 Days of Action for the elimination of violence against women and children.

National Kerry Rape & Sexual Abuse Centre and ADAPT Kerry Women's Refuge and Support Service will use the 16 Days of Action Campaign as an important opportunity to raise awareness and call for changes at an international, national and local level to make women and children safe from abuse.

The campaign runs from 25th November (UN Day For the Elimination of Violence against Women) to 10th December 2019 (International Human Rights Day).

#ShareOneThing is an innovative Social Media Campaign we developed here in Kerry and is running from the 25th November to the 10th December. This Campaign asks you to support victims of domestic and sexual violence by sharing posts, posters and information over the 16 Days of Action.

Catherine Casey (Manager Adapt Kerry Women's Refuge) & Vera O'Leary (Manager Kerry Rape & Sexual Abuse Centre) who have over 25 years experiences of working with and supporting victims of domestic and sexual abuse believe that raising awareness of the issues facing victims and supporters is vital to tackling violence against women and children.

Communities, agencies & individuals can respond and assist victims by supporting this campaign and circulating information on the services here locally. You can support by following us on social media and sharing our daily messages during the 16 days.

Call for GAA fans to rally for Seamus

A Furies man and father of four is facing a life changing future following an accident last year.

Seamus O'Brien, who lives in Flintfield in Faha with his wife Ruth and their four children, Ciaran, Cara, Oisín and Aíden has undergone multiple operations since the accident in February 2018 and earlier this month had his leg amputated above the knee.

Seamus worked in the construction industry and was self employed up to the time of the accident. An avid GAA Fan, Seamus played football with

his native Furies before he moved to London in 1991. He continued his love of the sport there and played with The Kingdom GAA club until they joined forces with Kerry Gaels. Seamus played for the Kingdom Kerry Gaels (KKG) until 2000 and played in the team which were beaten in the 2000 London Senior championship final. In the final year, he played for the team whilst living in Ireland.

Now his former teammates have set up a GoFundMe page to help Seamus and his family on what is going to be a very expensive road to recovery. Ruth has been a nurse carer for 6 to 9 months however this has been their only source of income since Seamus had his accident and with 4 kids the last 18 months have taken a severe toll on the family.

Seamus is now waiting for a prosthetic leg to be fitted. He will be fitted for 3 prosthetic legs within the next 2 years with the costs of that alone exceeding €200,000. And this is before physiotherapy, occupational therapy, adjustments to be made to the house and any additional costs.

"We are calling out to all those in the wider

GAA community. Think of all the great GAA men and women who have supported you down through the years. As you can read above, Seamus dedicated himself to the game and we would like to call on your generosity to help our teammate in his time of need. We have no doubt, if the shoe was on the other foot, he would be the first man to offer help", a spokesperson for the Kerry Kingdom Gaels said on social media.

Seamus was still playing football up to recently and was part of the KKG Over 35s team that took part in the annual Tommy Griffin tournament in Dingle in September 2016 and 2017.

He has passed on his love for the GAA to his kids who are currently playing underage with Milltown/Listry and Seamus is helping train the Keel/Listry U14s. A gofundme page has been set up to support Seamus and his family in his recovery. You can find the link on the Furies GAA Facebook & Twitter Pages. Or log onto www.gofundme.com and search for "Seamus O'Brien Support Fund" and donate.

PRES GIRLS ENJOY VISIT TO WALSH COLOURPRINT

5th Year Leaving Certificate Vocational Program (LCVP) students from St Brigid's Secondary School in Killarney had a very enjoyable and educational visit to Walsh Colour Print in Castleisland this week. As part of their course students must make links with the local community including a local business enterprise. Mr. Tony Walsh of Walsh Colour Print and Educate.ie was very generous with his time in showing the students around the factory and giving them an insight into the working of a printing business. The students had special interest in the early days of the business and the motivation that inspired Mr. Walsh to go into the printing business.

Special Recognition Award for Geraldine

Geraldine Tangney, Food Services Manager at the Gleneagle Hotel in Killarney, was presented with a special recognition award annual awards scheme organised by the Kerry branch of the Irish Hotels Federation. Geraldine has been a key member of staff for the past 37 years and she is one of the most popular frontline personalities in the Kerry tourism industry. She was recognised for going above and beyond the call of duty as her immediate intervention helped save a man's life when he took seriously ill on a visit to the hotel and Geraldine revived him. The man and his family were so grateful for her lifesaving actions that they return to the Gleneagle time and time again. A total of 14 employees, representing all disciplines within the hotel industry, were nominated for the award and following interviews and extensive deliberations, the panel of adjudicators announced the winner at the Kerry IHF ceremony.

The judges were former IHF National President and hotelier Michael Vaughan, Mary Rose Stafford, Head of School of Business at IT Tralee and Caroline McEnery of the HR Suite in Tralee. Meanwhile Roland Ujbanyi, a dedicated member of staff at the Parknasilla Resort and Spa in Sneem has been crowned Employee of the Year in an annual awards scheme organised by the Kerry branch of the Irish Hotels Federation. Roland Ujbanyi, who works as a therapist in the hotel's spa and leisure centre, will now go on to represent the county at national level.

A native of Hungary and a qualified PE teacher, Roland arrived in Ireland in 2015 without a word of English and started work

in Parknasilla as a kitchen porter. He taught himself the language by placing a new word on a board in the kitchen every day and learning it. He later enrolled for English classes and is now learning Irish. He worked his way up to the position of spa therapist and he has hugely impressed his employers and work colleagues.

County Fleadh to stay in Milltown

The annual County Fleadh will stay in Milltown for the third year in a row.

Announcing the news, Chairman Vincent Prendergast said, "We're delighted to welcome all the trad family of Kerry back to Milltown in June. We've a proven team of volunteers and the venues are second to none, and musicians from Tarbert to Tuosist are happy with the central location." The decision was announced at the county board meeting on November 11th, and planning is already underway at the mid-Kerry village. PRO Chris Horan informed us that the committee is a mix of experience with some new faces bringing new ideas for 2020. "There is an increasing number of musicians all over the county, and this is evident in our branch too", Chris explained. "Our recent 'Rambling House' in Listry showcased our growing group of enthusiastic young singers, dancers and musicians." Branch chairman Turlough O'Brien said this 'Rambling House' was the ideal venue to announce that the Fleadh is back. "The 'Rambling House' brings the community together in a spirit of fun and music just as the Fleadh does for the county." The tunes in Listry went long into the night, with supporters travelling from near and far. "We'd like to thank all our loyal supporters and musicians, as well as our generous sponsors GMHD Insurance, Killarney for their continued support for all community events", Turlough added. Look out for news over the coming months of musical acts playing in Milltown as part of Fleadh Cheoil Chiarraí 2020.

THOUGHTFUL TY STUDENTS CREATE DIGNITY PACKS

TY students at St Brigid's Secondary school, Killarney are working with St Vincent De Paul to create awareness of homelessness and to raise funds and resources for such a worthy cause. As of September 2019, there were 10,397 people homeless across Ireland. This figure includes adults and children. The number of homeless families has increased by 354% since September 2014. TY students, with your help, want to help to make a small difference to the homeless women and children of Kerry. Students will be collecting "Dignity Packs" for the month of November to give to those who really need them over Christmas. The girls will also be holding a spon-

sored "Sleep-Out" in December to raise money.

A dignity box is a pack filled with essential hygiene items which we take for granted every day. Items being collected are: Sanitary pads, hairbrush, hair ties, hats, plasters, wipes, deodorant, lip balm, toothbrush, face cloth/wash, fluffy socks - this list is suggestive but not endless.

If anyone would like to donate, we would be very grateful for any donations you can give. You can contact a member of staff on shoran@sbk.ie or feel free to drop them to the school office in St Brigid's Presentation, New Street, Killarney.

EXPERT TALK AT THE LIBRARY

Killarney Library is delighted to announce that Early Childhood Education Expert Dr Mary O' Kane will hold a talk on Friday 6th December 2019 at 1pm. The talk will be on Supporting Confidence, Independence and Resilience.

These three aspects of development are key in preparing children for so many aspects of their lives both as young children and supporting children as they transition into adulthood. Teenagers are under so much pressure today, building these strong supports in childhood can help them to negotiate difficulties later in life. Dr Mary O' Kane explains the interaction between these three aspects and offers practical advice on how to support children in these important areas.

Dr Mary O' Kane is a lecturer in Psychology, Early Childhood Studies and Education. She is a regular guest on the parenting slot on Ireland AM and she is a constant contributor to the Alison Curtis Show. Her research interests include childhood transitions, self-esteem and well-being, and the value of play.

Due to the popularity of this talk booking is essential. To book please phone 064-6632655 or email killarney@kerrylibrary.ie

THE IMPORTANCE OF TAKING REST DAYS AND ACTIVE RECOVERY WHEN TRAINING OR EXERCISING REGULARLY

CONTINUED ...

Resistance training is based on the principle that muscles of the body will work to overcome a resistance force when they are required to do so. When you do resistance training repeatedly and consistently, your muscles become stronger.

A well-rounded fitness program includes strength training to improve joint function, bone density, muscle, tendon and ligament strength, as well as aerobic exercise to improve your heart and lung fitness, flexibility and balance exercises. How many times a week should I do resistance training?

Twice a week is recommended and don't forget to get your cardio in too. Its never to late or too early to start taking care of yourself. Cut out unhealthy habits and get up and get active. Check out a range of resistance class available at B Well Fitness Club

What we think, we are!

Every single day we are recreating ourselves in the moment. How? By the thoughts we think, the feelings we have and the actions we take. This is exciting because potentially we can change the "story" of who we've been in the past by choosing to think, feel and act differently in the present. This then creates a new experience and new opportunities for the future. However, many people experience a sense of being stuck in their lives and seem unable to get themselves out of a repeating pattern or habit.

Here are my top three Coaching tips for changing your thinking and transforming your life!

•Become aware of what you are thinking! Notice what kind of things you tell yourself on a daily basis and if they are negative, self-limiting, distracting or unhelpful.

•Challenge the thoughts! Question the self-limiting thoughts by asking yourself if you truly believe this in your heart. Is that thought really true or is it just something you've been repeating because your parents/teachers/society says it's true?

• Choose a more empowering thought! You are the chooser of your thoughts. If a thought doesn't serve you well – change it to one that does! YOU get to choose!

Once you have chosen a better thought, the key is repetition, repetition, repetition! Keep repeating it and choosing actions and behaviours to support it. Like any new skill, positive, effective thinking needs to be learned!

Oh, and one last thing – have the greatest amount of fun you can have with this along the way!

WINTER EYE HEALTH

Here are some of the ways winter can affect your vision, or worsen an eye condition, and tips for prevention.

Driving in winter

In winter you may have more difficulty seeing clearly because of darker evenings. When it is dark your pupils become larger to let in more light. However this can result in your vision becoming more blurred. This is why you may be more reliant on your glasses at night.

The glare of a low-lying sun can also make it more difficult to see, so make sure your windscreen is clean, both inside and out. It is useful to have a pair of polarised sunglasses in the car to help with the glare from the sun, even in winter.

Dry eyes

If you already have dry eyes, central heating may make them worse. Here are some simple steps you can take to minimise the discomfort caused by dry eyes in winter:

- Lower the temperature in rooms when possible.
- Blink more often.
- Use a humidifier. Opening windows for a few minutes on cold days will also help.
- Lubricants. Certain lubricating eye drops may be helpful for you.

Increased screen time

People tend to stay in and watch more television and spend more time using computers during the winter. Using a screen will not damage your eyes but prolonged use can make your eyes tired and dry. Remember to take breaks and operate the 20:20:20 rule; every 20 minutes, take a 20-second break and focus your eyes on something at least 20 feet away.

Watery eyes

In cold and windy conditions, many people complain that their eyes water more than normal. Wearing glasses will provide protection against the wind, even if you don't usually wear them outdoors.

Winter sun

Snow and ice are reflective, so the sun's damaging UV rays can reach your eyes from below as well as above. UV exposure is cumulative, so although you may not feel any immediate effects, you could be putting yourself at risk of long-term damage and risk cataracts and age-related macular degeneration (AMD) if you don't wear good quality sunglasses or goggles.

HOW TO SAVE MONEY ON YOUR CAR INSURANCE

Car Insurance is still a major cost for all motorists in Ireland. The many causes have been in the public arena for quite some time. John Healy of Healy Insurance outlines how you can save money when your car insurance is due for renewal.

- Ensure you are getting all the relevant discounts that your Insurer allows. Ask about mileage discounts, value of car and having other business with the broker or insurer. Discounts may also be available for your spouse/partner having a second car.
- Review the drivers on your policy annually. Some Insurers charge for extra drivers and believe it or not some insurers offer lower quotes when drivers are added on. As Independent Insurance Brokers we know the market and can advise you accordingly saving you time and money in the process.

- Consider reducing your no claims bonus protection. Most Insurers will charge to include Full Bonus protection.
- For older vehicles ask about third party fire and theft cover – but always include windscreen!
- Consider paying in full for your policy as instalments add up to 8%
- Talk to an Independent Insurance Broker for advice. Direct Insurers will only offer the lowest value product to get the sale, this product may not allow you to drive other cars or have windscreen cover and you may get charged each time you do minor amendments during the year.
- To Save Money and not compromise on your cover you should contact Healy Insurances and get the very best local service and the best price.

At Healy Insurances we have invested hugely in our cloud based systems in the past 18 months so we can obtain quotes from Irish and international markets in a matter of minutes. Our qualified advisors are on hand to research the markets and negotiate the best terms for our customers.

Incorrectly Fitted Child Car Seats Major Cause for Concern in Kerry

Research from the Road Safety Authority's 'Check it Fits' Service, which checks child car seats and restraints nationwide for free, has revealed that 4 out of 5 child car seats are incorrectly fitted nationwide.

To help address this problem, the RSA 'Check it Fits' service will be visiting Kerry where child car seat installation experts will be available to ensure car seats and restraints are correctly fitted. The service takes between 10-15 minutes, is free of charge and offers parents and guardians reassurance that their child is safe while travelling in the car. If your child's car seat or restraint is incorrectly fitted, the 'Check it Fits' experts will advise on how to fix the problem, demonstrate how to fit the restraint correctly and answer any queries participants might have to avoid potential serious or fatal injury in the event of a collision. For more information on Check it Fits and for an up-to-date schedule of upcoming road shows, visit www.checkitfits.ie.

Top Tips for Parents:

It is now EU law that all children must travel in a child seat, booster seat or booster cushion. The golden rule for choosing a child car seat is making sure it is suitable for your child's weight, height and age and that it conforms to the latest EU safety regulations (look for the 'E' mark).

- Do not use age exclusively as a guide while picking a car seat, as every child is different.
- When buying a child car seat, make sure you go to a retailer who can show you how to fit it in your car. If the child car seat will be used in more than one

car, make sure it's compatible with additional cars as well.

- Avoid using a second-hand child car seat or restraint unless you know its history. It may have been damaged in a previous collision, and although the damage may not be visible, it won't provide the same level of protection for your child.
- Don't move your child from a rearward-facing child car seat to a forward-facing child car seat too soon. If you're unsure, always consult with your retailer before you buy your next child car seat.

HOW TO REDUCE YOUR CAR/VAN RENEWAL THIS WINTER

Although premiums, in general, have reduced over the last 24 months, many of you may not have seen these reductions. This article attempts to help you achieve such reductions. The main reason you may not be seeing these reductions, is that insurers, in the main, have changed the way in which they calculate your annual premium. Premiums are calculated using statistics and calculations and now accompanied by 'risk intelligence', but more about that later. Here at McCarthy Insurance Group (MIG) we have 20 motor insurers, offering close on 50 different products. Less than ten of these are available directly to you, so if you don't use a broker, you are only covering a fraction of the total market. Also when you go to an Insurer Directly, they are only obliged to answer questions on their own product, whereas a Broker must advise you on the market in general. So do you settle on one quote or do you look for a complete view.

That is where MIG come in. We analyse all the markets available to us, to get you the best premium and the exact cover you need, based on your exact circumstances. We save thousands of people's every month.

Let's start with a few simple tips:

- Use your exact address, ideally using an Eircode.
- If you own the property, then say so. There are discounts for being a property owner and bigger discounts if you put the property with

the same motor insurer!

- Make sure to use your correct Licence number. Some Insurers give over 25% discount for having no penalty points! Garaged or Gated vehicles can give a better rate.
- Know your vehicles security (most cars now have an alarm and immobiliser as standard. Vans also).
- Know the market value of your vehicle. Not really a problem for vehicles in their first year, but after that, value can drop drastically, with most insurers.
- How many Kilometres will you drive in the coming 12 months of your policy? There are discounts with some insurers for low Kim's. Is there a second vehicle at your permanent residence, owned by you or your Spouse/ Partner living there?
- Are your named drivers necessary or infrequent users or not at all. Do they live with you? These are all rating factors and differ from insurer to insurer.
- An Excess is the amount you pay first, in the event of accident and you're at fault. Usually circa €00. If you are willing to take a bigger excess of €00, €50 or €1,000, then you will receive up to 10% discount.
- 'Risk Inelegance' - This is data available to Insurers instantaneously as you seek a quote. This is similar to Car Tell, which anyone can access for a fee. Insurers now rate positively on the following being answered positively:

Has my vehicle a current NCT/DOE certificate? If not, how long is it out? Same goes for Tax and Licence!

Ownership of the vehicle, how many owners, when purchased and if it was ever crashed or written off. They are also now receiving details of penalty points and convictions.

Any negative answer could lead to one or a number of insurers not quoting at all!

So do your homework and then contact a broker, like MIG, to give you all the quotes and benefits analysis. For Learner Drivers we can organize free cover on the parents policy for practicing, whilst you learn to drive with Aviva Driving School Instructors, which is a great deal!

Finally beware of 'Ghost Brokers / Insurers' who appear on Facebook and Instagram. They usually offer 50% OFF, but they are all SCAMS and you end up with documents that are worthless with no protection and you lose the cash you pay over. Plus you end up in trouble trying to get a genuine Broker or Insurer to insure you again! For a list of all registered broker, go to www.BrokersIreland.ie/members

Call us locally or call into one of our offices for an impartial and private chat on how you can reduce your annual costs. Our experienced staff are there to help and advice. There is no obligation whatsoever and we would be delighted to welcome back old and new customers alike.

CHRISTMAS IN RATHMORE

Mr. Liam Flynn from Millstreet outlined a proposal which would very much enhance our town over the Christmas period. Unfortunately the proposal would involve significant expenditure in year one but not quite as costly in year two and subsequent years. Year one brackets would cost €50, trees are €15 and lights €22, putting up and taking down €40. Initial cost of €120. For those who already have brackets, trees and lights can be supplied for €70. He has agreed to leave prices as last year. While we feel that it is not easy for people to find money for everything in these times we feel that this is a project worth recommending but it is up to people themselves. If you are interested please ring Liam on (087) 638 0053 or (029) 70 397, Michael O'Mahony 0876676817, or any member of Rathmore Community Council.

EAST KERRY HOMECOMING CELEBRATIONS

After the magnificent victory for East Kerry at the weekend, Spa had the honour of hosting the traditional 'Captain's Homecoming' celebrations at the clubhouse on the Monday night. As the bonfire greeted the team on arrival, a massive crowd filled the hall in Spa to welcome the champions, led by East Kerry team captain and Spa defender Dan O'Donoghue. On the night we were joined by the East Kerry team and management, officers of the East Kerry Board and supporters from all the six clubs involved – Spa, Glenflesk, Gneeveguilla, Fries, Listry and Fossa – and members of the local community. A big thank you to everyone in the club who helped with the homecoming celebrations, and special mention to Anne Holland for her photos.

O'DONOGHUE CUP QUARTER FINAL: SPA 4-15 CURROW 1-11

Spa welcomed Currow on Sunday afternoon in the East Kerry O'Donoghue Cup Championship quarter final, and while the game was close in the first half, an unanswered 2-5 from Spa in the third quarter helped secure our place in the semi-final. Michael Foley (2) exchanged opening points with Currow's Mike McCarthy, John Buckley and Dan O'Shea before a super pass from Shane Cronin was finished to the net by David Spillane. Currow did reply with a great goal chance but James Devane pulled off a good save to deny Mike McCarthy. Spa

added another point when Evan Cronin got a hand to a high ball dropping in towards the Currow goalmouth and moments later he did well to turn over a ball in the Spa defence and played into Michael O'Donoghue who finished the second Spa goal. Evan then added another Spa point to make it 2-4 to 0-3. Currow soon levelled the game however, with Dan O'Shea, Conor Sheahan, Seamus Brosnan and Pa McCarthy all on target and Mike McCarthy with the Currow goal from the penalty spot to make it 2-4 to 1-7. Ryan O'Carroll and Michael O'Donoghue (2) edged Spa in front again, and with a late point from Currow's Pa McCarthy, at half time Spa were leading 2-7 to 1-8. Spa hit a purple patch in the third quarter with points from Ryan O'Carroll, Michael O'Donoghue (2) and Evan Cronin and goals from David Spillane and Evan Cronin, to take a big lead at 4-11 to 1-8. Man of the match Evan Cronin added two more points, and Niall McCarthy and Michael O'Donoghue also added to the Spa tally while Currow points from Mike McCarthy and Pa McCarthy (2) finished the game at Spa 4-15 Currow 1-11.

Draw for the semi-finals to be announced. Spa Team: James Devane, Eoghan Cronin, Eoin Fitzgerald, Brian Lynch, Shane Lynch, David Spillane, Ciaran Spillane, Liam Kearney, Shane Cronin, Gary Vaughan, Ryan O'Carroll, Michael McCarthy, Michael Foley, Michael O'Donoghue, Evan Cronin. Subs: Niall O'Mahony, Ollie Cremin, Cormac Cronin, Andrew Garnett, Niall McCarthy, Brian Devane

COUNTY LEAGUE ROUND 11

GLENFLESK 0 - 14 JOHN MITCHELLS 0 - 17

Glenflesk have fallen short in their quest to remain in division two of the County League after a late spurt from John Mitchells denied them victory in Barraduff on Sunday afternoon.

Both teams went into the match knowing what they required to achieve their aims. Glenflesk to avoid relegation and John Mitchells to achieve promotion. It was Glenflesk who struck first as Darragh Roche pointed a free to give them an early lead. Michael Kelliher and Niall Sheehy then scored points from a free and a forty five before the first point from play arrived. Daniel O'Brien, back in the team after missing several months of action, swinging over a classy point with his left foot. Patrick Darcy then scored an equally impressive point with his right foot as Glenflesk held a four points to three lead at this juncture. John Mitchells had been relying on frees to get their scores up to this point and needed some production from play if they were to be successful. Patrick Kearney came forward to fist a point when a goal seemed possible before James Duggan and Alan O'Donoghue each pointed, and the crossbar denied them the opening goal of the afternoon. The visitors would hold a seven points to six half time lead after a tense first half.

Midfielder Brian Costello extended the lead early in the second half before Glenflesk had a chance to score the crucial opening goal. Jeff O'Donoghue coming through the middle before finding Patrick Darcy who's shot beat the goalie

but went well over the crossbar. A big chance had been missed. Darragh Roche shot then crept inside the post before Brian O'Donoghues left foot score answered Niall Sheehy's to bring the scores level at ten points a piece with the game still very much up for grabs. Sheehy scored another point from a free which Ian Roche cancelled out after latching on a rebound off the post from Kieran A O'Donoghues shot to fire over the equaliser. At this point the referees hands were rarely in his pocket as there was a flurry of yellow and black cards as both teams were in reaching distance of their objectives. It was to be the Tralee sides day. After Kelleher scored another free they added three in successive attacks to take a firm grip on proceedings. Darragh Roche's last gasp free flew over and Mitchells had prevailed.

John Mitchells end the year back in Division one after a hard earned victory. Congratulations to them on their promotion. For Glenflesk the late upturn in results came too late to survive, and Dromid's win over Ballymac meant victory today would not have been enough. It was the first section of the season that was their downfall as a raft of injuries did not help their cause. The players kept going to the end though, and will no doubt come back stronger for the experience.

EAST KERRY MINOR FINAL

Glenflesk V Kilcummin - Sunday 24th November at 2pm, Best of luck to our boys please come out and support the team.

RAHEEN N.S.

Lewis Rd on Saturday was the venue for our final game of an amazing and historic two year period of our clubs history on the playing fields. Regaining our senior status in 2018 and retaining it in 2019, gaining promotion in 2018 and finishing mid table in 2019 were great achievements but this period will be remembered for our success in becoming All

Ireland Intermediate champions in February of this year. For this we need to acknowledge players and management and this will be done on December 27th at a social event in Killarney Avenue Hotel.

BEST WISHES TO CLUB SECRETARY Ciara'O Leary and minor team mentor Darragh Kelly who are getting married at the week-end.

MERCHANDISE

Orders now being taken for Christmas, contact Marie Lehane 087 9181973 before Dec 1st.

CLUB DEVELOPMENT

We greet with appreciation and delight the announcement of a sports capital grant of €43,500 to aid the completion of our development. While this is very welcome we still need the support of our loyal supporters to make sure we can complete the development and provide the parish with a complex to be proud of. The Wall of Champions fund raiser is a unique opportunity to do just that for a commitment of just €5 per week for a year you can record for ever your name, your family name, your business or a loved one who was part of the clubs history on this wall for ever. We have set a deadline of December 1st for returned forms. There is not a necessity until end of January to commence payment but the committee need to know the level of support to budget going forward.

We got on top in the last quarter and outscored our opponents by seven points and went in front by six points, 3-16 to 1-13. Injury time however had Kilcummin on the front foot, scoring 1-2 without reply. This however left them a point in arrears when the referee blew the full time whistle. All at Furies Gaa Club would like to sincerely thank Brendan Griffin and his department for the fantastic Sports Capital Programme Grant of €46,649 announced on Friday.

SENIOR COUNTY LEAGUE DIV 3 - RD 11:

Furies made the journey to Blennerville on Sunday to take on the home team St Pats in the final game of the county league. Furies knew going into the game that they needed to win to force a relegation off with St Pats but alas this was not to be the case. St pats stated the stronger with 4 points before Furies registered their first in the 19th minute. The remainder of the half was an even enough affair with both teams scoring 4 each to leave the half time score St Pats 0-08

to Furies 0-05. Furies started the stronger in the second half after after 10 minutes the score were level with 9 points each. But this was as close as Furies could get. Despite some good team defending, St Pats kicked some good scores from distance to leave the final score St Pats 0-14 to Furies 0-12. Furies did have two goal chances at the end to steal the game. The first coming from a penalty that was saved by the St Pats keeper. The second was a ball dropped into the square, that did end up in the back of the net but the referee deemed it a square ball and a free out was awarded. This result means Furies are relegated back to Division 4 for the 2020 season. Hopefully the lessons learned in 2019 will help to build the team to get back into Division 3 again for the 2021 season.

RESULTS:

Senior County League Rd 10 St Pats 0-14 Furies 0-12

SEAMUS O'BRIEN SUPPORT FUND

Kerry Kingdom Gaels are fundraising to help a former team mate and club member, Seamus O'Brien, who played with the Kingdom Kerry Gaels from 1991 - 2000. Seamus played all his underage and senior football with Furies until that time. Seamus suffered a life changing accident in February 2018 and his recovery is going to be a long expensive process.

This is why we are asking and urgently need YOUR help.

We are calling out to all those in the wider GAA community. Think of all the great GAA men and women who have supported you down through the years. As you can read above, Seamus dedicated himself to the game and we would like to call on your generosity to help our teammate in his time of need. We have no doubt, if the shoe was on the other foot, he would be the first man to offer help.

A gofundme page has been set up to support Seamus and his family in his recovery. You can find the link on the Furies GAA Facebook & Twitter Pages. Or log onto www.gofundme.com and search for "Seamus O'Brien Support Fund" and donate.

Mid Kerry Senior Football Championship Semi-Final:

Milltown Defy Pre-Match Underdog Tag to Book Mid-Kerry Final Spot'

Milltown/Castlemaine 0-11 Glenbeigh/Glencar 0-9. Report By Dara O'Connor

Milltown/Castlemaine journeyed to Glenbeigh today to take on the hosts in the Mid Kerry Senior Football Championship Semi-Final, with the winner facing into a meeting with Laune Rangers in the final in 2 weeks' time. Glenbeigh/Glencar

who were the reigning champions were looking to add their fifth Mid Kerry title this decade by securing this year's Championship but they were met by a young, energetic and hungry Milltown/Castlemaine side eager to also advance to the 2019 showpiece in the District. It was a game where the hosts only led twice all through but Milltown/Castlemaine finished strong to ensure the victory.

Dylan O'Neil opened the scoring within the first few minutes with a superb score off the ground, Jonathan O'Sullivan who put in a huge performance followed this up to give to give Milltown/Castlemaine an early 0-2 to 0-0 lead. Donal O'Neil who was called into action twice in the opening half saved brilliantly from attempts by both Pa Wren & Gavin McKenna to keep the hosts in the reckoning.

Tommy Cahill through two pointed frees & a young yet developing Adrian O'Connor put Glenbeigh/Glencar 0-3 to 0-2 ahead by the halfway mark of the opening half. Jonathan O'Sullivan & Cathal Moriarty both notched up superb scores on the turn from play to extend Milltown/Castlemaine's lead prior to the half time interval.

Glenbeigh/Glencar were back on level terms soon after the interval when firstly Caolim Teahan followed by a Tommy Cahill free had matters tied up at 0-5 to 0-5 on 35 minutes.

Jonathan O'Sullivan who kicked 0-7 all day and was fully tuned in proved very hard to mark as a hugely talented footballer & never missed the target all afternoon. Jonathan's scores along with superbly executed efforts from a hugely impressive Kieran O'Carroll who landed a beauty late on & Jerome Flynn who landed the clincher seen the visitors advance to a Mid Kerry Senior Football Championship meeting with Laune Rangers on Sunday, December 1st.

Rockin It!!

Students from 6th class in Nagle Rice Primary School, Milltown came 2nd place in the National SOPHia physics science competition in the University of Limerick on Friday last. Diarmuid Quirke, Sean O' Sullivan, Chloe McHugh and Sarah Heasman submitted their project named 'ROCK-IT', which studied the physics of rockets, in October. They were delighted to be selected for the finals of the competition which were held in UL on Friday last to mark science week.

The students were up against some very stiff competition but they held their own and spoke confidently whilst presenting their project to the judges. They are thrilled to gain 2nd place in the junior category of this competition. Their mentor was Clíodhna McCarthy Quirke, teacher

of Science and Physics at Presentation Secondary School, Milltown and director of whos4science. Clíodhna is extremely proud as the students worked 'hard and relentlessly on this project - we all had great fun!' Well done to all! DR. CROKES AND SPA INTO FINAL FOUR

Dr. Crokes and Spa made their ways into the O'Donoghue Cup semi final last week but both sides had their nervy moments. The Killarney Outlook reports on both games.

Spa firepower puts out Currow Rising

Spa 4-15 Currow 1-11

Man of the Match: Evan Cronin.

An impressive third quarter in which Spa exercised their greater firepower was the foundation in which the Killarney side laid to defeat a game Currow in an entertaining O'Donoghue Cup quarterfinal played in Spa.

Spa started with nine players in their starting 15 who a week previous had picked up Senior County Final medals with East Kerry looked to be heading for a comfortable afternoon especially when Michael O'Donoghue added a second goal for the hosts on the 20th minute to put them 2-3 to 0-3 ahead. Currow had battled back from a two point deficit to take the lead 0-3 to 0-2 by the end of the opening quarter. However, goals by David Spillane and Michael O'Donoghue quickly had them six clear and it was seven clear when man of the match Evan Cronin popped over a point.

The Spa speedster was continuing on his great form from the Senior County Final and would end the day with 1-5. Still the Division 3 side were nothing if determined and fought their way back to parity within minutes. Points by Dan O'Shea, Conor Sheahan, Seamus Brosnan and Pa McCarthy before Mike McCarthy goaled from the penalty spot to make it 2-4 to 1-7.

A brace of late points by Michael O'Donoghue helped Spa into a half time 2-7 to 1-8 lead.

It was as close as Currow were left get as Spa minus their East Kerry captain

Dan O'Donoghue put the contest out of reach early in the second half where they went on a scoring spree and hit 2-5 without reply. Further goals by David Spillane and Evan Cronin help them build a 4-11 to 1-8 lead as the game played out to an inevitable conclusion.

Scorers:

Spa: Evan Cronin 1-5, Michael O'Donoghue 1-5, David Spillane 2-0, Ryan O'Carroll 0-2, Mike Foley 0-2, Niall McCarthy 0-1

Currow: Mike McCarthy 1-2 (1-0 Pen) Pa McCarthy 0-4, Dan O'Shea 0-2, Conor Sheahan 0-1, John Buckley 0-1, Seamus Brosnan 0-1

Teams:

Spa Team: James Devane, Eoghan Cronin, Eoin Fitzgerald, Brian Lynch, Shane Lynch, David Spillane, Ciaran Spillane, Liam Kearney, Shane Cronin, Gary Vaughan, Ryan O'Carroll, Michael McCarthy, Michael Foley, Michael O'Donoghue, Evan Cronin. Subs: Niall O'Mahony, Ollie Cremin, Cormac Cronin, Andrew Garnett, Niall McCarthy, Brian Devane

Currow Team: Shane O'Leary, Niall O'Sullivan, Garreth O'Connor, Timmy O'Leary, John O'Connor, Pat O'Sullivan, Mike Hanifin, Seamus Brosnan, Seamus Scanlon, Conor Sheahan, Pa McCarthy, Luke Fitzgerald, Mike McCarthy, John Buckley, Dan O'Shea. Subs: Kevin Daly, Sean Brosnan, Tommy Dennehy, Pdraig O'Shea

Legion and Rathmore should have enough

The final two East Kerry O'Donoghue Cup quarterfinals are down for decision this weekend with newly crowned Division 3 champions Gneevegullia hosting fellow parishioners Rathmore as Fossa look to cause an upset against Killarney Legion. Rathmore will head up the road for the short journey to Gneevegullia knowing that it will not be easier to come away with a win especially as the 2003 champions looked impressive in their Division 3 league title win over Ballydonoghue last week. Rathmore will look to put what has been a nightmare year for them, which saw an injury ravaged side relegated from the senior championship. No less than a dozen Rathmore players have been on the injury list at some stage during 2019 as Liam Hassett plots to finish the year on a high. Throw in on Sunday is 2.30pm

By the time they throw in Gneevegullia either Fossa or Killarney Legion should be in the final four as their 1.30pm throw in should peak the interest as on form Clifford brothers Paudie and David should add to the firepower of the underdogs.

Killarney Legion might have to look as far back as 1976 for their last win but the Killarney town side have contested four O'Donoghue Cup finals in recent years and should have enough in their arsenal to get into the final four once again as they like Rathmore look to end the year on a high.

Sarah hangs up her boots

Widely regarded as one of the best forwards in the game, Kerry Football star, Sarah Houlihan has announced her retirement from inter-county football after 13 years.

In a tweet on Wednesday morning, the three time All-Star said: The privilege has been all mine. 13 years of playing in the green & gold jersey I feel it's time I started a new chapter. It has brought me to wonderful places, introduced me to lifelong friends & given me millions of memories. Thank you to my family & friends, forever grateful".

CROKES AND KILCUMMIN SERVE UP CLASSIC

Dr. Crokes 3-16 Kilcummin 3-15

Just six days after the heartbreak of losing a Senior Football County Final, Edmund O'Sullivan's Dr. Crokes side got back to winning ways after defeating Kilcummin by a single point at Lewis Road in a pulsating match.

In the end it was a real test for the town side who trailed by two points eight minutes into the second half when Paul O'Shea struck for goal to give them a deserved 2-13 to 2-11 lead but it was the home side who hit 1-5 unanswered that untimely turned the tide back in their favour.

Dr. Crokes captain Brian Looney fired his side ahead inside the first minute with a goal only for Kilcummin to find the equaliser with a goal of their own from Paul O'Shea on the 4th minute.

The sides would swap points right throughout the opening quarter and would be level on five occasions before a 15th minute goal from Tony Brosnan put a little daylight between them as they took a 2-4 to 1-4 lead.

Kilcummin however kept at their task and with the impressive 1-3, first half contribution of Paul O'Shea Kilcummin trailed 2-9 to 1-10.

Kilcummin hit two of the opening three second half points with Matt Keane and Enda O'Sullivan finding the target as they began to pick up more breaking balls from midfield.

They would put this to full advantage on the 37th minute when Shane McSweeney took control of a breaking ball and advanced forward with

menace before he found the space for a shot at goal as he reaped maximum reward as he goaled past Shane Murphy. A quick point by Paul O'Shea and suddenly Kilcummin were two points clear 2-13 to 2-11 but their failure to find the target for the next 18 minutes would become a deciding factor as Dr. Crokes hit 1-5 (with Michael Casey getting the goal) without reply to take control of the contest as it ticked into the dying embers. Trailing by six it looked beyond Kilcummin but a goal fired past the line full of Dr. Crokes players by Paul O'Shea from a 13M free followed by points Kevin McCarthy and Gary O'Leary had them in sight once more but time would beat them as Crokes advanced.

Five Goal MD O'Shea's retain Kerry inter firm title

MD O'Shea's 5-18

FEXCO 4-7

Killarney company MD O'Shea's defended their Kerry Inter Firm Senior Football title at John Mitchel's GAA when their greater fire power proved too much for FEXCO

MD O'Shea's 0-2 to 0-0 lead after just six minutes before FEXCO caught them cold for two goals in the seventh minute. Amazingly, it led to a sequence of five goals in just four minutes as the game really opened up.

First FEXCO's Chris Doncel found the net when played in by Danny Healy. Healy provided another pinpoint pass on the next play as Doncel found the net once more.

MD O'Shea's response was emphatic. Goals by Paudie Coffey, Chris Brady and Brendan Falvey all in a three-minute period put the eventual winners in control at 3-2 to 2-0.

A fourth goal arrived from the boot of the busy Jeff O'Donoghue on the 20th minute as the they took a 4-12 to 2-2 lead with them to the break.

Goal number five arrived minutes into the second half and this time it was Lee O'Donoghue who fired past the FEXCO keeper. O'Donoghue would end the evening with 1-7. FEXCO never threw in the towel and the very impressive Chris Doncel from Dr. Crokes would get a third goal as he brought his tally to 3-2 for the evening with Jack Evans also raising a green flag for the Mid Kerry company.

MD O'Shea's ran their bench in the final quarter, which included the replacement of corner back Jonathan Bowler by his father Eamon Bowler on what was a very special family moment.

MUNSTER MASTERS & JUVENILE CLUB RELAYS CROSS COUNTRY C'SHIPS

Beaufort was the venue for the Munster Masters & Juvenile Inter Club Relays Cross Country

Championships on Sunday 17th November , hosted by Star Of The Laune A.C., A big thanks to the Dennehy family for giving the use of their lands for this event. Conditions were ideal with the course very good underfoot which gave rise to some very fast running. Thankfully the rain held off and made the day very enjoyable for competitors and athletes. It was unfortunate the club was unable to field any juvenile teams due to other commitments and illness.

However, in the Masters races we had a very strong turnout in the Women's 4K race.

Mary Daly ran very well throughout as she was part of the lead group from the start. Working hard and when the pace increased into the final lap, Mary pulled away with lead runner from Leevalle AC. Mary held on but had to settle for second place in the end. A great finish and she won individual silver in her age category. She also led the county O35 team to silver.

Emer Bevan, competing at Munster level for the fist time was 6th in her age category and part of the County O45 team to win bronze.

Next home was Helen English, also first Munster race, was part of the O35 County Team. Not far behind was Siobhan Riordan & Grainne Tierney. Our club finished in fourth place. Well done to all for representing club and county.

In the Master Men's 7K race we had George McCarthy & Brendan Lynch. George following on

from his Munster Senior race last weekend went out with the lead group at a fast pace. George continued battling and with a sprint finish was 8th overall and second in his age category. Brendan Lynch equally ran very well and was placed well up in his new age category at 6th place. The county was one man short to have a county team in the O35 category.

Further afield, Dermot Dineen was in Mayo and took part in the Hollymount 10k. A race now in its 54th year. Dermot finished 14th overall in a time of 37:54

THREE NATIONAL CUP EVEN SIDES INTO LAST 32

The Killorglin 12's are through to the Open Draw which is the last 32 in a great 4-3 away win after extra time at Cahercomlish. The game finished 3-3 in normal time with Killorglin hitting the post and crossbar at the end of the game. But they got the vital goal in extra time when Brian Mangan scored from the penalty spot. Giovanni McCarthy got 2 and Patrick Levy the other goal for Killorglin. Killarney Athletic are also celebrating progressing to the same rounds as they won the hard way at home to Lough Derg. Mark O'Carroll scored

KILLARNEY ATHLETIC

U12S NATIONAL CUP ROUND FOUR RESULT

Killarney Athletic AFC 1 - 1 Lough Derg (AET, Athletic win 3-2 on penalties)

Mark O'Carroll (penalty)

Our young blues welcomed Lough Derg FC from Tipperary to Woodlawn for Round 4 of the National Cup. The first half was a very tight game. Both teams were not giving an inch. After 25 minutes Lough Derg FC went 1 nil up with a fine strike by their impressive no 10.

Second half, Lough Derg FC were not going to be rolled over easily. Athletic had the majority of possession but were unable to create too many chances. Kalen Browne and Mark O'Carroll put in a good shift to keep Lough Derg's FC quick no 10 quiet. Liam O'Brien and Evan Doona worked tirelessly in mid field. One minute to go it looked like Killarney Athletics' National Cup journey was coming to an end but there would be one more twist. Athletic were on the attack in their area when Mark O'Carroll was pulled to the ground and the ref pointed to the spot. Mark O'Carroll stepped up and slotted it home to bring the game into extra time.

Extra time, both teams started where they left off battling and looking for the winning goal, it wasn't to be, next up penalties.

Penalties with Lough Derg FC missing 3, Ewen McCrohan with 2 fantastic saves, and Athletic missing 2, Evan Doona stepped up cool as a breeze and put athletic through to the semi-finals, 3 - 2 on penalties. Every one of the boys worked

hard today, every player did their bit to ensure we're still in the National cup, even 1 nil down the boys didn't drop their heads and kept pushing till the very end and got what they deserved.

Special mention to Szymon Jasciski and Ewen McCrohan who both picked up injuries today, hope to see ye back on the pitch very soon.

Thanks to Lough Derg FC management and players also to the Supporters and the Athletic parents who helped out with refreshments after the game. This win sees our young Blues into the last 32, open draw to made on December 14th, and a Regional Semi-Final to play for as well.

LOCAL DARBYS

Our U12 Division Two welcomed Killarney Celtic this morning to Woodlawn in what was a very entertaining and sporting game. The game started with both sides feeling each other out and against the run of play Celtic took the lead with a break away goal, our keeper Fionn Sheehan getting injured in a 50/50 tackle saw the ball break to a Celtic player and he finished to the empty net. Athletic didn't let the heads drop and had two great chances to level but for some great saves from the Celtic keeper. Our equaliser finally came with a great move which saw Jamie Benjumea slip a pass through to Liam Harmon who was a constant threat all day and he smashed the ball to the top corner. 1-1 and with athletic pushing for the advantage,

we were hit again on the counter.. 1-2 Celtic, our boys had to dust themselves down and go again, which they did, some super play again by Jamie Benjumea saw his shot saved but ball came out to David Courtney and he slotted home 2-2 HT. The second half started with Athletic having numerous chances only to find the Celtic keeper and defence in resolute mood, athletic pushed and pushed for the advantage but again were caught with another breakaway goal. As the game wore on, athletic kept going and pushing for an equaliser and it came with 5 minutes to go, Liam Harmon was upended in Celtic box and the excellent Timmy Ryan made no mistake for the spot... athletic pushed and pushed in the final minutes but the spoils were shared between the two local rivals.

Quality of Rugby showcased at the weekend

Killarney 13 Killorglin 3

By: Seamus Greal

Saturdays highly competitive and entertaining affair played in excellent conditions in Ballymalis certainly showcased the depth and quality of underage rugby in East Kerry. Killarney got back to winning ways but like all previous games in the group it was a tight rollercoaster of a game. Killarney started brightly and enjoyed territory and possession with the forward pack in particular gaining hard yards and recycling with control. Pressure was rewarded with a well slotted penalty by Ciaran O'Brien after 10 Mins that gave the visitors a 3 point lead. Killorglin then enjoyed a period of dominance and came very close to touching down in the left corner before eventually also settling for 3 points drilled over by fullback Shane Og O'Sullivan. A feature of the game was the intensity of the attacking pods powering into contact and the resultant groundwork. Both teams displayed impressive counterrucking and poaching skills and any weaknesses in ball presentation were punished. After 20 Mins Killarney used their depth to rotate 5 players and with fresh legs forged attacking positions but generally the home teams midfield defence was ruthless extinguishing the threat. A breakthrough arrived after 25 Mins when a successful lineout catch by John McCarthy set a maul pummeling into the 22, the ball was forcefully moved through a number of phases before backrow speedster Matt McAuliffe sliced through a gap to score under the posts. Ciaran O'Brien added the conversion. Killarney pressed further before half time and following some super interplay forced a penalty that was secured to leave the half time score at 13 to 3 for the visitors.

The second half was a tense and exciting affair that ebbed and flowed mainly between the 10 yard lines. Both teams threw everything they had into attack but it was a day when the tackling was intense, line breaks were rare and defences were dominant. Considering that a lot of the on field players were teammates last season both teams displayed an awareness of the others powerpoints and the mutual respect on show was commendable. Killorglin piled every ounce of energy into one final siege on the try line for the last few minutes. The Killarney boys held firm and kept the door shut. The front row combo of Ciaran O'Brien, Craig McKensie Vass and Rob Nealon again excelled as a unit driving the scrum forward and performing at the coalface. The rotating second row of Krystian Komosa, Pdraig Talbot, Evan Mannix,

Sam Casey and Adam Mc Sweeney covered every inch bravely tackling and rucking. John McCarthy soared in the lineout and was ably assisted in the backrow by powerhouses Brendy O'Donoghue and captain Matt McAuliffe. Killarneys backline competed superbly against a very coherent and versatile Killorglin unit. Cian Murphys kicking was excellent and several yard eating penalties from hand stood out. Dion O'Neill tackling was inspirational. Wingers Tomas Clifford, Ronan Buckley, Michael Casey,

James Kennelly, and Aidan Keane probed with ball in hand and defended the wide channels. Centres Mark Sheahan, Donnchadh Greal and Adam Walsh constantly took ball bravely into a fiercely combative strike zone. Fullback Gary Randles displayed his array of football skills and stoutly defended the line. Able reserves on the day were Adam Cronin and Jack O'Connell. Next up is the last tie of the 5th West league at home on Sat 23rd against Newcastlewest / Estuary with a 12.30 start.

National League Division One

LAKERS OVERPOWERED IN AWAY GAME

Fr Mathews 84
Scotts Lakers 72

A POOR opening quarter contributed largely to the downfall of Scotts Lakers when they were overpowered by Fr. Mathews in The Fr Mathews Arena in Bishopstown, Cork, last Saturday night. The home side had gained a 15 point advantage at the end of the first period and despite the best efforts of the Killarney side being well in contention in every other quarter, they were always chasing the game and just could not claw back the early lead that was conceded.

Lakers could only manage nine points in a dismal first quarter and these came from two free throws from Victor Martinez, two baskets from Aaron Jackson and a three-pointer from Seamus Brosnan. Fr. Mathews sank four three-pointers in the opening period through Jarvis Pugh, Declan Cahill and Darco Bucan and the Cork side enjoyed a comfortable 24-9 advantage at the end of this period.

Scotts Lakers did respond well with converted free-throws from Seamus Brosnan and a three-pointer from Brian O'Neill while Aaron Jackson and Toby Christensen added two free-throws and two baskets each. Victor Martinez and Mark Greene also added scores but Fr. Mathews

remained in control mainly through baskets from Jarvis Pugh and Jack O'Mahony and they led 45 - 29 at the half-time interval.

The Lakers actually outscored Fr Mathews in the third quarter. Aaron Jackson repeated his second quarter tally with two baskets and two free throws and Brian O'Neill added his second three-pointer, along with two free-throws. Mark Greene scored a basket and two free throws, Toby Christensen a basket and a free-throw, Victor Martinez a basket - and a free-throw each from Seamus Brosnan and Mick McGinn.

However it wasn't enough to catch up with the home side as Jarvis Pugh and Jack O'Mahony created most of Fr. Mathews scores in this quarter, accumulating 16 of their 21 total, and Fr. Mathews led 66 - 51 entering the final period. Scotts Lakers outscored the home side again in the final quarter but struggled to claw back the overall deficit. Brian O'Neill hit a big three-pointer, his third of the night, to start proceedings for Lakers. Seamus Brosnan was enjoying his best game of the season and added another three-pointer, his second of the night, allied with two baskets and a free-throw. Aaron Jackson hit three baskets and three free-throws, while Mick McGinn added a free-throw. Again, it was Pugh and O'Mahony who did the damage

for Fr. Mathews, scoring all but two of their 16 points in this quarter.

In the end Fr. Mathews had 12 points to spare and the Cork side and Lyit Donegal both enjoy a 7-1 winning record and are joint second on the league table. Ballincollig still lead the way with a 8-0 record while Scotts Lakers have dropped into fourth place with a 6-3 record.

Whatever about losing to league favourites Ballincollig earlier in the season, the disappointing losses to Fr Mathews and Limerick Celtics could prove very costly to any promotion hopes for Scotts Lakers as the season progresses. The Killarney side have a tough test again this weekend with a big road trip to Ulster University Elks in Belfast on Saturday November 23rd. The northerners have a 3-6 record so far this season and the Lakers will be favourites to advance but the long journey and early tip-off of 12.30 in Belfast will be significant factors.

Scotts Lakers: Aaron Jackson 25, Seamus Brosnan 14, Brian O'Neill 11, Toby Christensen 9, Victor Martinez 6, Mark Greene 5, Mick McGinn 2.

Fr Mathews: Jack O'Mahony 29, Jarvis Pugh 25 and Owen Connolly 10.

Her baskets were added to by 8 from Katie Hannon, 6 from Aoife Scanlon and Sarah Moriarty, Isult Long and Aibhin O'Neill also got on the score sheet.

In the u12 Girls Division 1 game played in the Kilcummin School Hall it ended St Paul's 44 - 22 St Mary's. The St Paul's girls did a lot of the damage leading 20-2 and also won the second quarter 10-6. The second half was very tight with both sides hitting 14 points.

For St Pauls Ciara O'Sullivan had a game high 22 points, Clogadh Clancy hitting 10 with Cliona Moynihan and Kate Healy both ending with 4. St Mary's top three scorers were Jasmin Tobin Moran on 6 with Julie O'Connor and Kate Griffin on 4 each.

In the Kerry Airport Kerry Area Senior Men's Division 2 St Mary's made the trip to the Glenbeigh Sportshall a winning one as they saw off the Falcons 76-56. The Castleisland men led by 5 at the end of the first quarter 22-17 and were 10 up at the break 41-31. Any hopes of a

comeback by the Falcons were dashed in the third quarter as St Mary's outscored them 19-7. An exciting final quarter saw the Falcons hit 18 to St Mary's 16 but the job was done for the Castleisland side in the opening three quarters. For the home side Gearoid Griffin hit 25, Cian Knight and Dara Casey had 8 each with Kieran Brennan hit 18 and Chris Brosnan 14 for St Mary's.

St Bridget's win in Plate: Moving to the boys and in the u16 Division 2 Plate St Bridget's defeated TK Bobcats 44-32 thanks mostly to a strong second half. There was only 2 points between the sides at the break with the Currow boys leading 19-17. For St Bridget's Cathal Brosnan had a good night shooting 16 points, John O'Connor had 10 and Cathal Sheehan 9. The Ballymac boys scoring was led by E Boyle on 10 with E Creedon on 9.

Ballybunion Wildcats went down 22-41 at home to St Mary's in the u16 Boys Division 2. The Wildcats scorers were Robert Stack on 10, Jack Chute on 4 and Callum Keane, Jamie Keane, Joe Finch and Aidan Chute all had a basket each.

MUNSTER CYCLOCROSS LEAGUE

Mark McGlynn, Killarney Cycling Club - Photo: Sean Rowe

On Sunday round 4 of the Munster CX league was held by Greenmount Academy Cycling Club. Once again, killarney riders came out in force to test themselves against the best riders in the province. Ben o' keeffe, killarney CC took a well deserved 3rd spot on the under 12 podium, in the first race of the day.

Eoghan Crowley also took 3rd in the under 14's, in a hard fought race.

In the B race, Michael Coghlan got 10th position in a large field, coming ever closer to that podium, followed closely by Eoghan Barry, both killarney CC.

The main event of the day was a field of big hitters, with the sport going from strength to strength, and more people training

harder to be as competitive as possible. Richard Maes (strata3/velo Revolution) once again was hot off the start line and was opening a gap of 15 seconds by the end of lap 1 of 7, the gap continued to grow, and Richard won with a gap of over a minute to next placed rider Paidi O'Brien, Verge Pi Cycles. Next killarney rider in 7th place, and 1st m40 was Patrick Clifford (strata3/Velorevolution), follows closely by Michael Lucey and John Crowley, John taking 2nd m50. Colin Leahy, Marcus Treacy, Oran Keane, John Brosnan, all killarney CC, finished strong. The junior race saw Ruairi Coghlan (Scott eurocycles) take 3rd spot and Mark McGlynn (killarney CC) in 5th.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

MUNSTER CLUB CHAMPIONSHIP

Congratulations to Kerry Intermediate champions Templenoe who beat Éire Óg in Ovens last Sunday in the Munster Club Championship semi final. Templenoe will meet St Breckans of Clare in the Munster Intermediate Final on December 1st. Congratulations also to the Kerry Junior Champions Na Gaeil who beat Kilshannig in Mallow in their Munster Quarter Final last Sunday. Na Gaeil will meet Michael Cusacks of Clare in the Munster Semi Final on Saturday at 1pm in Austin Stack Park. We wish Templenoe and Na Gaeil the very best of luck.

Unfortunately Austin Stacks have exited the Munster Senior Club Championship after losing to Cork's Nemo Rangers last Sunday. There will be better days ahead for this great Kerry Club.

MCGRATH CUP

The draw for the 2020 McGrath Cup Football competition took place on Monday November 11th. All six Munster counties are taking part ensuring that the competition will be run off with two groups of three counties and with all counties assured of one home match. The winner of each group will then qualify for the Finals scheduled for the weekend of January 11th / 12th 2020. Kerry are drawn in Group B along with Cork and Tipperary. We will host Cork in our first game and our second game is away to Tipperary.

COUNTY COMMITTEE MEETING

County Executive and County Board Meeting Emma Sweeney of Ballymac and Ballydonoghue's Mark Griffin are in the race for

Assistant Secretary of the Kerry County Board. It takes great courage to put yourself forward for election and it takes a huge amount of time and energy to run an election campaign. Both candidates are truly devoted to Kerry GAA and they come from families steeped in the GAA tradition. The election result will be made known at Convention in the Rose Hotel on December 10th.

The next County Committee meeting is on Monday November 25th at 8pm in the Pavilion, Austin Stack Park and a number of motions will be debated on the night. Any proxy attending for a delegate on the night must be made known to the County Secretary in writing before the commencement of the meeting.

REFEREES' COURSE

The Referees Committee are running a Foundation Course in Currans on 29th November and 6th December. The course will start at 7pm both nights and there will be another night after Christmas. The Course is open to new referees and anyone who is thinking of making a comeback who hasn't attended the last few In Service courses. Further information is available from Mark Griffin.

HURLING

Congratulations to Causeway on winning the 2019 Credit Union Co. Senior Hurling League Division 1 title. In last Saturday's Final played at a sparsely attended Austin Stack Park they had a convincing win over St. Brendan's, 1 - 26 to 1 - 8. After the game the Nicholas Scollard

Cup was presented to the winning captain, Muiris Delaney, by the Kerry Co. Board Hurling Officer, Paudie Dineen. The Credit Union Man of the Match award went to the Causeway corner back Tommy Barrett. This was their first win in this competition since 2015 (when they also defeated St. Brendan's in the Final).

Munster

Kilgarvan put up a very creditable performance in the Munster Junior Hurling Championship semi-final last Saturday but went down by 2 - 21 to 1 - 11 against the Cork champions Russell Rovers at Fitzgerald Stadium.

South Kerry

Congratulations to St. Pat's East Kerry on winning the 2019 South Kerry Junior Championship [Pa Doyle Cup] with a 3 - 6 to 1 - 7 win over Duagh at Rathmore on Friday last. The winning team was: Wayne Doyle, Dónal Casey, Paul Kiely, Donagh Regan, Ger Lenihan, Mark O'Connor (capt.), John Kelly, Tomás Holohan, Mark Coleman, James Burke, Paul Horan, Tom Boyle, Mark Dwyer, Mike McCarthy, Fionn Holohan. Subs who played: Andrew Field & Tom Coleman. St. Pat's are also in the upcoming Co. Junior Championship Final against Ballyheigue.

Clubs

The North Kerry Hurling Board Annual Awards function will take place at Ballyroe Heights Hotel on Friday week, 29 November. Best of luck to Clanmaurice camogie club in the All-Ireland Junior Club final against Raharney (Westmeath) on this Sunday, 24 November. Venue is McDonagh Park, Nenagh where there will be a 2.00pm. throw in.

Ian O'Connell received a surprise visitor at his home last Thursday evening as members of the East Kerry team and management called for a visit with the Bishop Moynihan Cup.

Know Your Rights: SEASONAL FLU VACCINATION

Question

I am an Irish citizen. Can I apply for my first Irish passport online?

Answer

From 1 November 2019, Irish citizens (adults and children) living in the following countries can apply for their first Irish passport through the Passport Online service:

- Ireland and Northern Ireland
- Great Britain
- Any country in the European Union
- Iceland
- Liechtenstein
- Norway or Switzerland

If you have not been issued with a passport in the last 15 years, you are considered a first-time applicant.

If you live outside the countries listed above or do not want to use the online service you can still apply using a paper form.

When you apply online, you must generate and print an Identity Verification Form. If you are living in Ireland, this form must be signed by a member of An Garda Síochána who must be satisfied as to your identity. If you are applying from outside Ireland, you can find a list of or appropriate witnesses on the form.

If you are applying for a child's first passport online, you need to confirm the child's identity and guardians' consent by sending your child's Passport Identity and Consent Form to the Passport Service at the end of the online process. You may need to provide additional documentation, for example, a birth certificate, or documents relating to guardianship. When you have completed the online process, you will be told if you need to provide additional documents.

You also need a digital photograph, an email address and a credit or debit card.

The application process generally takes ten working days and is the fastest way to apply for or renew your passport.

The Importance of Communication

When people come along to counselling, and begin talking about their problems, it sometimes becomes apparent that some of their difficulties may be down to the challenge of communicating with the other people in their lives.

This can apply to any of us. Whether discussing issues in our relationship with a partner or other family member, or with friends or colleagues, we are quite likely to say 'He knows how I feel about this', or 'She knows how difficult I find that', or 'I'm not going to ask them for help because I shouldn't need to ask, they should just know what to do', and so on. Sound familiar?

All this ignores a fundamental reality – we cannot assume other people know what we think, or how we feel, or what we need, unless we tell them. We are all equipped with a degree of intuition, and some people can be very 'tuned in' to the thoughts and feelings of others. But we cannot always rely on intuition alone. For example, someone may long for their partner to open up about a shared difficulty in their lives, while the partner may want exactly the same thing, but feel they 'shouldn't go there' because they think this would be unwelcome. Two people, who long to connect with each other, may grow further apart because of a gap in communication.

Of course we all need, and are entitled to, our privacy. We don't have to wear our heart on our sleeve all the time. What we are thinking about here is building bridges and sustaining connections with the significant people around us, rather than seeing those connections weaken through a lack of communication, with all the misunderstandings, frustrations, conflict, hurt and loneliness that can ensue.

As children, we may have been fortunate enough to have an adult around who tuned in to our feelings and tended to our needs, before we were old enough to put those feelings and needs into words. Even if we don't realise it, perhaps a bit of us still quite naturally longs for that sort of automatic understanding from others. But, as adults, we probably need to play our part in making ourselves known and understood. The counselling process can offer a safe space where we can start putting things into words, gradually find our own voice, and become more confident about making ourselves known to another person.

A Word of Victory

Welcome back dear reader last week we looked at Lazarus's sister Mary and how she worshipped the Lord and served Him. On the night Judas betrayed Him, Jesus and His disciples celebrated the Passover Meal - the Lord's Supper. Jesus took bread and gave thanks to God for it, then broke it and shared it with His friends. He used the bread to symbolise how His body would be broken so that all humanity could receive healing and restoration fulfilling the prophecies about Him (Isaiah 53:5; Matthew 8:16-17). Then He took the cup which represented the perfect blood He was about to shed for the forgiveness of all our sins establishing the New Covenant between God and the believers who receive Jesus as their Saviour (Luke 22:14-27). But just before He did this He gave His disciple's one last lesson on how to serve. Jesus took off His outer garment (which was an expensive robe that the soldiers who crucified Him fought over because it was worth so much – John 19:23-24), and He put on the apron of the servant who waited on them. He took a towel and a bowl and proceeded to wash their feet (John 13:1-17). In the culture of the day, it was the job of the lowest ranking servant in the house to wash the feet of guests to honour and esteem them. As Jesus washed His friend's feet, He was teaching them that even though the world promotes that greatness only comes through achievements and fame, in the Kingdom of God true greatness is measured by one's humility and love. This is why Jesus said in Matthew 11:28 "come to Me all you who labour and I will give you rest...learn from Me for I am humble...My yoke is easy and My burden is light". The humility of Jesus has been distorted by the religious spirit which teaches that in order to be humble one must be poor and wretched. Jesus was neither poor nor pathetic. He is the King of Glory! Psalm 24 tells us that the earth is the Lord's. God owns everything - but He is not proud. Pride is the backbone of a religious spirit and needs to be repented of (Proverbs 6:16-19). Pride drives people away from God, pushing them to find their own way of Salvation through good (dead) works, thus rejecting God's Word and the Only way to God's heart – through the Cross of His Son Jesus (John 14:6; Ephesians 2:8-9; John 3:16-17).
