Rozzers Restaurant IS THE BEST IN IRELAND

Rozzers Restaurant at Killeen House Hotel in Aghadoe in Killarney has this week been named the best fine dining restaurant in Ireland as Tripadvisor® announces the winners of its 2021 Travellers' Choice® "Best of the Best" Restaurants awards.

The well-known travel-review website announced the winners of its annual Travellers' Choice awards in London this week with a top 10 list that included some of Ireland's best-known restaurants.

The restaurant is lead by Head Chef Paul O'Gorman who has been with Rozzers Restaurant for over 25 years. The restaurant combines modern Irish and classical French culinary styles, with items like Ring of Kerry lamb, Dingle Bay lobster, a variety of daily changing fresh fish dishes and Chateaubriand being constant features.

"Since we opened in 1992, we have always focused on creating memorable dining experiences using the highest quality local produce. Against the toughest year we've ever experienced in the Irish hospitality sector, the feedback from all those who took the time to review us on TripAdvisor is a great endorsement of the hard work and commitment of our team who share our passion in serving up incredible and memorable dining experiences at Rozzers Restaurant" Geraldine Rosney, owner of the Killeen House Hotel and Rozzers Restaurant

told Killarney Outlook.

"The entire team are beyond thrilled with the news. In 2020 Rozzers Restaurant was only open for 13 weeks due to lockdown restrictions. The fact that the people who dined with us during that time had such a positive dining experience is very special and very important to us. We could not have done this without our head chef Paul O'Gorman. For 25 years he has been a vital part of Killeen House Hotel and Rozzers Restaurant. Like a fine wine, he just gets better with age!", she added.

In line with government guidelines, The Killeen House Hotel and Rozzers Restaurant reopened in June last month, serving dinner to residents only on a very popular "Come For Dinner, Stay For Breakfast" package which proved popular with locals.

Michelle Rosney who runs the hotel alongside her mom Geraldine said: "Tuesday was one of those special days for us. Mom was busy checking in our first American guests at Killeen House Hotel since 2019 which was a real moment of optimism. With the vaccine rollout going strong and the world, and most importantly Killarney starting to open up again to get the call that we had won this accolade was incredible. We don't have a

dedicated sales and marketing team. Instead, we have a super team of real people who show up to work and take immense pride in doing their job to the best of their abilities. Awards are great but as always we aim to look after our guests and send them home happy even after they have paid the bill!"

Mulcahy's Bar and Restaurant in Kenmare came second on the list.

SHEEP HANDLERS WILL BE FLOCKING TO KILLARNEY

Sheep handlers with their loyal canine companions will be flocking to Killarney to compete in the Irish National Sheepdog Trials - a three day national championship which takes place at Killalee, Fossa, Killarney (Gap of Dunloe Road) from Thursday 5th to Saturday 7th, August 2021, 52 acre field used by kind permission of The Europe Hotel and Resort.

The trials will see 150 of the countries top handlers, working with their sheepdogs to compete for the much coveted trophy and be crowned national champion of Ireland.

The event judges will also select 15 of the top dogs in the country, to represent Ireland in the International sheep dog trials, later this year.

The event is similar to the popular tv show "One Man and his Dog". This is also the first time the national sheepdog championship takes place in County Kerry.

Tom O'Sullivan, Chairman of the Local Committee, said "Watching a handler control his dog herding sheep in a controlled manner, is the essence of a partnership, formed at home at an early age, when one goes about training a sheepdog to help out with everyday work on the farm. Everyone loves watching the sheepdog work at sheepdog trials. An event of this nature will be a huge economical boost to the Fossa and Killarney area alike particularly after the eighteen months of a Global Pandemic.

The art of working a sheepdog is magical. We are so proud to bring this event to the large sheep and farming community in Kerry.

The sheepdog trials are an opportunity to showcase the importance of a trained sheepdog/border collie is to the day to day running of the Irish farm." The local committee are very grateful for the support of South Kerry Development Partnership, (SKDP), Kerry County Council and local Businesses both from a financial and a voluntary point of view. Gilbertson and Page Pet Food and Irish Country Meats are the main sponsors for the event.

Kathryn Roche of Irish Country Meats says "Irish Country Meats are delighted to support the

Irish National Sheepdog Trials for 2021. As the largest lamb processor in Ireland, all aspects of sheep farming are the fabric of our business. We are proud to be asked to partner in such a prestigious event and wish all competitors the best of luck. We wish the winners well in the international trials in Wales. Finally, we wish the organising committee every success in such a large undertaking."

Kilcummin Gourmet Kitchens will be providing on-site catering for the three days of the event. Tom O'Sullivan, added

"The 2020 event was cancelled due to Covid 19 which was disappointing but understandable. An event of this calibre is a wonderful opportunity for people to watch the best handlers and sheepdogs in Ireland, showcasing the e age old skill of working sheep on the trials field. The event will select the 15 person Irish Team to represent Ireland at the 2021 International Sheepdog Trials in Aberystwyth, Wales. The Europe Hotel and Resort Haven, have granted use of their fifty-two acre field, outside Killarney to host the event. The sheep for the event will be from the farm of Jim Dennehy, Gap of Dunloe Road, and Con Healy, Millstreet, Co. Cork.

The local committee are very grateful to all the volunteers and indeed the local business's who have sponsored the event in any way.

We look forward to welcoming people to what will hopefully be a great trial"

The Local Committee stressed that the National Sheepdog trials will be conducted in strict accordance with the Governments Covid 19 guidelines for organised outdoor events at the time of the event. The event currently expects a capacity of 500 people, including competitors, local committee members and the general public. Due to the limited number of people allowed to the event, the local committee would like to make people aware that entry to the general public will be restricted, once the allowed capacity at the time has been reached. They would respectfully ask that the general public appreciate this. It is advised to arrive early to avoid the disappointment

Gates open from 8.00 am - 8.00 pm.

Admission will be €10 per adult per day with under 16's and International Sheepdog Society Members gaining free entry.

One Girl and her dog.. International sheepdog trial Champion - Tara Foley, (front left) Glencar, who along with 150 of the countries top handlers, will be flocking to Killarney, to compete in the much coveted Irish National Sheepdog trials and be crowned national champion of Ireland.

MIDNITE CAFÉ PERFORM POP-UP GIGS IN SUPPORT OF KERRY MENTAL HEALTH ASSOCIATION

KMHA Tralee Music
Mounthawk Manor
4 - Kerry Mental Health
Association Tralee Branch
Volunteers Terry Griffin and
Ira Neligan with Midnite
Café in Mounthawk Manor.

POPULAR Tralee band Midnite Café dusted off their instruments to perform their first gigs in 16 months in front of excited residents in 4 housing estates in town on Saturday afternoon last.

Kerry Mental Health Association's Tralee Branch benefitted from a collection at each location where the generosity was overwhelming on a glorious afternoon. Miah Lynch Transport sponsored the mobile stage which visited Derrylea in Oakpark, Caheranne Village on Strand Road, Mounthawk Manor and Connolly Park, in that order.

The final performance was outside the home of Richie Greer, father of the band's drummer, Damian. Richie celebrated his 80th birthday on Saturday. There were birthday celebrations in Mounthawk Manor as well where John Murphy, originally from St Brendan's Park, marked his

60th with family.

The General Manager of Kerry Mental Health Association, John Drummey, said: "An event like this is just what the doctor ordered. It was a tonic for the mind on a beautiful sunny afternoon. It was all about community spirit and it showed how much we need our friends and neighbours. Credit to the residents' associations who made it possible, to the band who showed no signs of rustiness after lockdown, and the team of experienced volunteer stewards, led by Martin Brosnan and Ann O'Shea, who made sure the show ran smoothly and safely."

Limited to a maximum of 200 attendees per venue under Covid guidelines, the volunteers with Kerry Mental Health Association's Tralee Branch were bowled-over by the number of donations they received at each venue.

Tralee Garda Station granted the collection permit and assisted on the day. Kingdom Fast Hire kindly sponsored the generator which

powered the sound from the stage. The objective of Kerry Mental Health Association is to promote the general welfare of people and to support those with mental health challenges and their families and carers through the provision of information, by advocating on their behalf; to provide education and training programmes that promote good mental health and wellbeing; and supports those with mental health challenges. They have Branches in Tralee, Killarney, Kenmare, Castleisland, Listowel, Killorglin, Iveragh, Corca Dhuibhne and Rathmore/East Kerry. Expressions of interest from prospective volunteers are most welcome. For more information, email volunteers@kerrymentalhealth.ie / info@kerrymentalhealth.ie or visit www.KerryMentalHealth.ie.

KILLARNEY CYCLISTS PROMINENT IN ULTRA EVENT

Killarney cyclists were particularly prominent in the TransAtlantic Way ultra race which started on July 9th and saw the riders race from Derry to Cork, much of it along sections of the Wild Atlantic Way.

There were two separate races within the event and the 'short' course was won by 66-year-old Tom Daly from Killarney Cycling Club. Tom covered the 1,680 Km, with 19,134 metres of climbing, in a time of 6 days and 11 hours. Tom had previously won a number of Masters national track championship titles with the Killarney club. The longer course covered 2,430Km and the Cassidy brothers – Benny (30) and Donnacha (32) – came second and third respectively. Benny, a former member of Killarney Cycling Club, covered the course in 5 days and 23 hours, averaging more than 400Km per day. They are sons of Brenan Cassidy who is a former Chairman of Killarney Cycling Club. Benny was a former elite road racer before taking up ultra-racing. He came second in this event

before and in 2019 came 12th in the Transcontinental Race that covers 4,000km between the Black Sea and the Atlantic coast in France.

These events are even more challenging given that the riders are self-supported: they have to carry all the kit they need and have to source food and accommodation by themselves along the way. The TransAtlantic Way terrain is also noted for being extremely challenging with much of it very steep and on poor roads.

This year's event was confined to Irish residents because of Covid and there were 22 starters. The Race Director, Adrian O'Sullivan, speaking after the leading riders finished said: "I don't know what they put in the water in Killarney to make them so tough. In the world of ultra bike-racing, the TransAtlantic Way is notorious as one of the toughest there is. It has unrelenting steep climbs and energy-sapping roads, and to have three riders from one town doing so well is remarkable".

Tom Daly, winner of the short-course event.

Benny Cassidy, second in the long-course event.

MAYOR URGES KERRY PEOPLE TO SUPPORT COUNTY'S OLYMPIANS

The Cathaoirleach of Kerry County Council is asking everyone in the county to show their support for the three Kerry athletes who will participate in the Olympic Games which get underway in Japan next week.

Cllr Jimmy Moloney has extended best wishes to Killorglin rowers Monika Dukarska and Aileen Crowley as well as Ballyhar 20km walker, David Kenny, ahead of their participation in the Tokyo games.

'Monika, Aileen and David will be among the over 11,000 athletes taking part in the 2020 Games which begin next Friday. It is a tremendous achievement and honour for them to participate in the most prestigious of international athletics events.

'Kerry has a proud tradition in the Olympics stretching all the way back to the first Games

in Athens in 1896 when John Pius Boland, later an MP for Kerry, won the singles and doubles tennis competition. The Kerry trio taking part in this year's event join a great pantheon of Irish athletes who have competed at this level and can take great pride in getting this far.

'I am urging everyone in Kerry to show their support for Monika, Aileen and David over the next few weeks by sharing messages online and by flying the Kerry and the Irish flags. They may be on the other side of the world but everyone in Kerry will be cheering them on loudly.

On behalf of Kerry County Council, I extend the heartiest of best wishes to our county trio and hope they thoroughly enjoy the experience. Áth mór oraibh go léir,' said Cllr Moloney.

STATUS ORANGE HIGH FOREST FIRE RISK WARNING TO PEAK TODAY

Teagasc is urging all involved in outdoor activity to exercise extreme caution and to heed the high level warning for fires in place for the coming week. Due to current dry weather patterns and high temperature, a high fire risk is deemed to exist in all areas where hazardous fuels such as dead grasses and shrub fuels such as heather and gorse exist. This risk phase is expected to peak by today, Friday, 23 July, 2021.

High outdoor visitor activity levels can be expected in line with the fine weather and the normal pattern of summer holiday usage. Members of the public intending to visit forests and other recreational sites are reminded to adhere to regulations introduced to limit the spread of Covid-19. Vehicles must not be parked at site entrances or impede emergency service access to forest roads. Forest visitors should

not use barbeques, or open fires at any stage. Wildfires not only pose a serious risk to property and the rural environment, they also threaten lives directly in their path and may potentially divert the resources of our emergency services. Teagasc asks farmers, land owners, rural dwellers and those using the countryside to be extremely vigilant in light of the Department of Agriculture, Food and the Marine's Condition Orange Fire risk alert and reminds everyone that it is illegal to burn growing vegetation on uncultivated land between 1 March and 31 August. Teagasc also urges forest owners and forest managers to remain vigilant over the coming days and to have appropriate measures in place to help prevent loss or damage through fire.

These measures include having:

- A risk assessment completed
- Adequate insurance against fire risk
- A current and accurate fire plan in place
- Access routes clear
- Fire breaks maintained along boundaries
- Fire suppression resources at the ready

GOOD NEWS FOR RESIDENTS OF LISTRY BEAUFORT AND FAHA

The Cathaoirleach of the Kenmare Municipal District and Deputy Mayor of Kerry, Councillor Michael Cahill has received confirmation from Irish Water that they have now approved additional funding to replace 2.6km of watermains along the Board of Works Road in Beaufort which also supplies the entire Listry/Faha area.

Following representations made by me on behalf of the residents of Beaufort, Listry and Faha regarding their water supply, I am pleased that Irish Water has more than doubled the amount of funding being made available, thereby increasing the amount of watermains to be replaced along the Board of Works road from the original 1.2km to 2.6km. The Fianna Fail Councillor who has vigorously lobbied Irish Water and highlighted the plight of the residents of Beaufort, Listry, Faha and surrounding areas said that he is delighted with this latest announcement from Irish Water as he has continuously argued that the entire pipework would need to be replaced. The residents of

Beaufort, Listry, Faha, Dromin, Barleymount, Milltown and surrounding areas have endured enough pain for too long. Water is the number one basic necessity in any household and it is a basic human right" said the Rossbeigh based Councillor. Councillor Cahill also welcomed approval for designs to proceed on the rising main to Barleymount Reservoir and the Listry

to Faha section of watermains. "We are making some progress at long last" stated Councillor Cahill. Irish Water has identified that it will take significant investment over many years to bring the current water assets up to a good standard in many areas of the country, particularly in Kerry.

Minister Foley welcomes the announcement of extensive water supply improvements in Kerry

Education Minister and Fianna Fáil TD Norma Foley welcomes confirmation that extensive water supply network upgrades will commence across the county this year.

These important works will continue to reduce leaks across the network in Kerry and this tranche of significant work will specifically target and replace mains in the Farranfore, Board of Works Road and Cordal, near Castleisland. Further funding will allow for the design of additional mains replacement

between Crohane pumping station and Barleymount Reservoir, along the Listry to Faha road and in the Ashill area.

All of these works are planned for construction this year, with the first section along the Far Board of Works Road, having begun last week.

This announcement comes just weeks after Irish Water confirmed that a new Wastewater Treatment Plant is to be built in Fenit.

Knightstown Wastewater Treatment Plant is also to be upgraded as part of the Small Towns and Villages Growth Programme.

Minister Foley said: "I welcome these essential mains replacement works which will significantly upgrade and improve the water network in County Kerry. I have worked closely with my Cabinet colleague Minister Darragh O'Brien on this issue and I wish to thank him, Irish Water and Kerry Co. Council for their continued commitment, support and determination to upgrade the water network in County Kerry."

Turning the Sod

Minister Martin Heydon will turn the sod at the Site of The Kerry Food Hub Innovation Centre in Fries today.

Leo Clancy, CEO, Enterprise Ireland, David Gleeson, Chairman of Fries Business Hub DAC (The Kerry Food Hub) will also be in attendance.

Broad welcome following announcement of over €900,000 in funding for Kerry Airport

Education Minister and Kerry Fianna Fáil TD Norma Foley welcomes the provision of €913,665 in support funding for Kerry Airport.

This funding is aimed at compensating Kerry Airport for a portion of the damage caused by the pandemic.

This funding is on top of the grant aid available through the Regional Airports Programme.

Minister Foley said: "I welcome this funding as a timely support for Kerry Airport that meets the challenges of journeying through Covid 19."

CEO WELCOMES THE GREENWAY

CEO of Kerry County Council, Moira Murrell at the Council's July meeting, welcomed the recent High Court decision in regard to the South Kerry Greenway.

Deputy Mayor of Kerry and Cathaoirleach of the Kenmare Municipal District stated that the South Kerry Greenway, which he has previously described as a Gamechanger and a Lifeline for all of Iveragh and South Kerry will be essential to the survival of the whole region and the retention of our youth by the provision of

business opportunities and employment. The Fianna Fail Councillor who has been an ardent supporter of the Greenway since the very beginning said that it will be transformative for South Kerry and the entire county.

"Please God, the decision will not be appealed to the Supreme Court and if we get the Green Light for the South Kerry Greenway, it is imperative that we get moving immediately with all preparation works and ensure that this magnificent project is delivered as soon as is humanly possible. The South Kerry Greenway

Moira Murrell.

will be the finest in Ireland and in Europe and possibly in the whole wide world" stated Councillor Cahill.

"I now urge CEO Murrell and Kerry County Council to spare no time or expense in providing the highest quality facility possible and to ensure that all landowners, farmers and residents along the way are given any and all accommodation works needed to make this a top class experience for all involved" said the Rossbeigh based Councillor. "As I stated many times over the years, compensate the landowners adequately, give the farmers whatever they want in accommodation works, be it underpasses, overpasses, etc. It will be 100% Grant aided after all They are an important stakeholder and we need to bring everyone with us" stated the Fianna Fail Councillor.

Call for St. Mary of the Angels to be removed from *Time to Move on* policy

An emergency motion by Fianna Fail Councillor, Michael Cahill at this month's meeting of Kerry County Council has called on the Government to exempt St Mary of the Angels, Beaufort from the Time to Move On Policy, for the following reasons: St John Of God has served notice on the HSE to withdraw as Service Provider in all areas, including St Mary of the Angels from the 30/9/2021.

They have also notified HIQA of their intention to cease operations as and from the 30/09/2021.

If that happens, with SMOA still subject to that closure policy, it is highly likely that a short-term lease between St John of God and the HSE will be put in place and SMOA will be put on the market for sale by St John of God said Councillor Cahill.

This is what happened in County Sligo in a place very similar to SMOA called Cregg House when the Service provider there, who were The Daughters of Wisdom Order, withdrew as Service Provider and handed the service to the HSE.

Cregg house is now on the market for sale stated the Fianna Fail Councillor. The numbers are dropping all the time as the policy does not allow new entries which will also lead to the place closing by default. Residents are passing away each year added Councillor Cahill. There is also a chronic need in the community for the services provided in SMOA, now and into the future. Residents are being discriminated against under the UN Convention on the Rights of Persons with Disabilities as they are not being allowed to live in their chosen place, stated the Rossbeigh based Councillor. Councillor Cahill said SMOA should never have been included in this policy in the first place. It was included for two reasons.

1. Policy said it should close as it is a "congregated setting", which is a setting in which 10 or more people share a single living unit.

There is no living arrangement in SMOA where there are 10 or more people living in a single unit. Reason 2 for including SMOA in the policy was that "The living arrangements are campus based" Councillor Cahill said Many nursing homes are

campus based. However, not only are nursing homes exempt from this policy, The Time to Move On Policy identifies this very setting as 'highly appropriate' for people with disabilities.

Similarly exempt from this policy is campus based Carebright Community in Bruff Co. Limerick, where people with Dementia live together in the campus and are cared for.

Other groups of people with disabilities such as people with autism in The Cork Association for Autism, live together in similar campus settings. These campuses, Crobally House in Mogeely and Grenville Campus in Carraigtwohill, are not included in this policy. It is worth noting that many residents in SMOA have Autism.

Camphill Communities are campus based settings for those with intellectual disabilities and other needs. These are also exempt from the policy.

"In summary people in SMOA with severe disabilities are being seriously discriminated against in being prevented from continuing to live in a place of their choosing that is clearly best suited to their needs.

SMOA gives huge employment in Beaufort, Mid Kerry and throughout South Kerry and deserves our support", stated the Fianna Fail man.

Councillor Cahill's Emergency Motion received the full backing of all members.

BUSINESS BODY SEEKS CLARIFICATION ON AIRPORT CRUX

Killarney Chamber of Tourism and Commerce fully supports Kerry Airport in its efforts to clarify the future of the crucial Dublin-Kerry route, the success of which is imperative if tourism, business and community life in the county is to prosper going forward.

Ryanair has this week notified Kerry Airport that it intends to operate the route once a day until the end of August but the airline has committed to restoring a twice-daily service from September. While the interest of Ryanair in operating the service is greatly welcomed, given the success and shrewd business approach of the airline and its long established links with the county, it is disconcerting why, up to now, there had been no formal discussions on the matter with Kerry Airport.

Chamber notes Kerry Airport CEO John Mulhern's earlier assertion that, up to this week, he had received no notification from Ryanair and that he had not been informed of any details relating to any schedule.

Full and immediate discussions are required between the all parties involved to ensure the restoration of the PSO-supported Kerry-Dublin service. Chamber President Niall Kelleher said it is important that due diligence is observed in

Kerry Airport CEO
John Mulhern.

the entire process and terms must be agreed by management at Kerry Airport before any deal is rubber-stamped and any service is launched.

"The route is a vital lifeline for the Kerry economy and with decent access to the county so essential for the tourism and business sector, as well as

those travelling between the counties for leisure or medical reasons, the service must continue to be enthusiastically supported when it resumes," Mr Kelleher stated. He said it is essential too that when the service is restored, it will deliver a minimum of two flights per days between Kerry and Dublin to enable same-day return for passengers.

"The short commute time from Kerry to Dublin is an enormous benefit for business interests in the county needing swift access to the capital and, indeed, for those seeking to travel on flights to onward destinations," Mr Kelleher stressed.

Killarney Chamber of Tourism and Commerce said it is very conscious of the fact that the service ensures that Kerry has access to a major hub in relation to potential tourism growth which is vital to support the economic wellbeing and development of the south west region.

"The Chamber acknowledges and appreciates the fact that Kerry Airport, in addition to being a valuable employer, serves as an economic driver for the region and has a major impact on the social and economic infrastructure of the county.

"Chamber also encourages all public representatives in Kerry to continue providing support for Kerry Airport given its absolute importance to the county," Mr Kelleher said.

KERRY TOURISM INDUSTRY FEDERATION EXPRESSES CONCERN FOR THE LONG TERM FUTURE OF KERRY AIRPORT

Pat O'Leary, Chairman of
the Kerry Tourism Industry
Federation.

Kerry Tourism Industry Federation has expressed its concern for the long term future of Kerry Airport. The tourism representative body for the county has serious concerns in

respect of the recent unconfirmed reports that the Department of Transport are considering an offer

from Ryanair to operate the Dublin- Kerry Route on a commercial basis.

Passenger number statistics confirm that the commercial viability of this service is assured only through PSO support and based on the deployment of commuter aircraft. In this context the proposal by Ryanair to deploy 737 Jet aircraft having a seating capacity of more

than twice that of the commuter aircraft and with much higher operating costs without financial support has to be questioned.

The importance of the Kerry - Dublin Route to the tourism sector in the region is well established with tourism traffic continuing to grow year on year as Dublin Airport has expanded as an International Gateway. It is critical that flexible connectivity is available to travellers visiting the South-West region with a timetable which minimises transfer times at the gateway airport. A minimum of two flights per day at the correct times are required to meet this criteria.

Connectivity refers not only to passengers but also to luggage. The ability of passengers to check luggage through to their final destination from the airport of origin has long since been common practice. This allows passengers the comfort of transferring through the gateway airport without having to worry about picking up luggage, long immigration queues and recheck in. This facility is not available with the Ryanair option.

'The requirement for an efficient and time optimised service for local businesses and the community cannot be underestimated,' says Pat O Leary, The chairman of the Kerry Tourism Industry Federation. 'Dublin is a four to six hour commute depending on where one is located in the county. The service is a lifeline for those daily travellers to Dublin for business, health and social activity. As former MD of a global multinational operating in Kerry the availability of a flexible service to and from Dublin for both visiting international customers and staff was paramount. The disruption which resulted when the service was interrupted some years ago was immense.'

Regardless of which airline is awarded the contract, Kerry Tourism Industry Federation is calling on the minister to ensure that the PSO is maintained going forward and that operational considerations agreeable to Kerry Airport management are included in the service agreement contract.

NOEL LUCEY, RIP

By: Jimmy O'Sullivan-Darcy

Kerry GAA has always had a fairly traceable lineage and some families have played prominent roles. Some? Very many, in fact. The Baileys of Ballymac. The Sheehys of John Mitchels. The Landers from the Rock. The Brosnans of Moyvane, Con and his three great sons. The hurling Hennessys and the Boyles of Ballyduff. The four Murphy brothers from Camp. The Lovetts and the Bunyans. The Caseys from Lispole. The Ó Sé's of Ard an Bhothair and the O'Sheas of Killarney.

The Coopers. The Lynes of Cleeney, one of them played a stormer for the Kerry U20s last week. Their nephews, of course, the Spillanes of Templenoe. All the Ó hAinfeins of Lispole and the Geaneys of Dingle (I have to admit that I've lost count of them all). The Burkes of Milltown. The Hassetts in Killorglin. The Kennellys in Listowel. The O'Sullivan in Rathmore. The O'Sullivan in South Kerry. The Sherwoods and their cousin Peter Crowley. The Cliffords, of course – you could hardly leave them out now! The Luceys from Caragh Lake, Brendan, Jimmy, Vincent, and Paul, could hold their heads high in any and all of that company.

Noel made his debut in the 1962 Munster semi-final in Frank Sheehy Park, Listowel. As expected, it was an easy baptism for the new centre back. His second game was against Cork in the Athletic Grounds. I don't know why, but that was the toughest encounter of them all between Kerry and Cork. Not on the field – off it. The Cork supporters, normally our best of enemies and beside us any time real troubles befall, were shouting and throwing things – Johnny Culloty had to shelter in his own net with the umpires that day. Obviously that atmosphere was going to transmit onto the field of play. The fact that Kerry were in control of the scoreboard from early on only inflamed the situation. Referee Moss Colbert had to fight fire on all sides, it was an impossible task. Cork's Eric Ryan had already gone off injured (I don't know why, but in fairness, this game wasn't all saints on one side and sinners on the other!) when tough Joe O'Sullivan got stuck into the greenhorn, test his mettle. He didn't know that this was midfielder Jimmy Lucey's younger brother but he found out quickly, and it wasn't Jimmy who enlightened him.. Joe was one of the great veterans on that Cork team. But he was tangling with the wrong man. Even on a day when he was trying to keep his eyes half-closed (as I would have myself), Moss Colbert had to send both of them off.

Tadhg Crowley and Dr. Jim Brosnan had to escort him along the sideline, enduring a hail of sods and stones (terraces weren't concreted back then). It was water off a duck's back as far as Noel was concerned. Noel was never the first

man to throw any punch – but he was rarely the first man to stop, either! Donie O'Sullivan, the great Spa footballer, made his debut that day and told me that Noel and Niall Sheehy were the saving of him. By the end of the year Noel Lucey had an All Ireland medal around his neck after Garry McMahon scored the fastest goal ever in an All Ireland Final. He had a National League medal to add to it by the following year after Kerry defeated New York. However, they came a cropper against Galway in the All Ireland Final. A lot of Kerry players would get to know that Galway team in Croke Park well, three times Kerry met them and three times they had our measure. Noel was gone after his second All Ireland final. And any time he met his good friend Joe O'Sullivan, they had great laughs together

He was back with his beloved Glenbeigh/Glencar. The brothers, including Noel, all played for their native club, Paul moved to Tralee and fell in with Austin Stacks. He had no problem fitting in!

At a time like this many of us remember Noel in the summer sun, standing in the heart of Kerry's defence, defying all comers. But that is just one small measure of a man, and Noel was a gentle giant in many walks of life, but most especially as a husband and a father. He was prouder of those roles, and better at it, than any football match he ever played in all his long and happy life.

At Noel's Requiem Mass in St. Agatha's Church in Glenflesk, Noel's grandchildren brought up symbols of his life including a Number 6 Kerry Jersey, a football trophy, a model dog statue, a family photograph, a medal and the Irish Examiner.

Noel was laid to rest in Aghadoe Cemetery where his brother in law Donal Shine sang the Fields of Athenry and Danny Healy Rae TD and his three daughters played tradition Irish music, Noel's favourite.

May he meet up now with his beloved wife Mary, his daughter Linda, and his brothers, agus ar dheis Dé go raibh a anam dílis.

Shannon ABC secures €700,000 for capital equipment to support Irish companies

Shannon ABC, a Research Centre and Technology Gateway based in Limerick Institute of Technology (LIT) and Munster Technological University (MTU), has secured significant funding from the Enterprise Ireland Capital Equipment call for new equipment. The funding, won by three separate applications, will be used to purchase equipment to help support R&D activities with Irish enterprises.

At the announcement of the €6m fund, the Tánaiste and Minister for Enterprise, Trade and Employment, Leo Varadkar TD said, "Great things happen when companies collaborate with third level institutions. Recent data show that companies which collaborate with our universities have double the turnover of those that don't. Third level institutions benefit too, by getting to work with creative, business-minded entrepreneurs, working on solutions to real life problems. Congratulations to all the successful applicants, I look forward to seeing the fruits of

this collaborative effort."

The equipment to be purchased includes:

- Sample Preparation and Extraction Suite (Super-critical fluid extraction, Combinatory Pressurised Liquid – Dispersive Solid Phase Extraction Module, microwave digester, micro-plate reader). Dr Lena Madden (€250,000)
- Environmental Monitoring Suite (Elemental Analyser, Greenhouse Gas analyser) Mr Patrick Quille, Dr Oscar Goni (€250,000)
- Photosynthetic growth chambers (upgrades to current chambers, GEN1000-IN incubation chamber (new), GEN2000-SH short-height multi-tiered chamber, PGC-Flex-2 Tier intermediate-scale chamber) Dr Peter Downey, Dr Siobhan Moane (€200,000).

These grant awards bring to €2.5m the amount of funding secured by Shannon ABC for capital equipment in the last three years.

Brid McElliott, VP for Research, Enterprise and External Engagement at MTU said: "MTU are delighted that Shannon ABC have secured this

funding for new equipment. This achievement provides a great opportunity for Shannon ABC, through both MTU and LIT, to build on their excellent industry engagement track record. I wish to acknowledge the support of Enterprise Ireland in facilitating the acquisition of this equipment which offers Shannon ABC additional business development opportunities, ensuring its continued relevance to the industry it serves"

Dr Liam Brown, Vice President for Research, Enterprise and Innovation at LIT said, "These successful equipment applications will significantly enhance our research capabilities and thus enable Shannon ABC to provide further support to Irish companies. This is particularly important in light of LIT's recent designation as a technological university in conjunction with AIT and the centrality that research will contribute to our new technological university - TUS: Midlands Midwest". Shannon ABC is funded as a Technology Gateway by Enterprise Ireland.

New portaloos to be installed at Rossbeigh

The favourite beach destination for many Killarney folk, the glorious spell of good weather that we are presently enjoying has severely tested the capacity of the public toilets at Rossbeigh Beach according to Councillor Michael Cahill, Chairman of Kenmare Municipal District.

"The vastly increased numbers of people visiting the seaside due to the fabulous sunshine, means that the capacity of our toilet services have been under

pressure and queues have been forming there" stated the Rossbeigh based Councillor.

"I have brought this to the notice of the Council and fair play to them, they have announced that additional capacity, in the form of Portaloos, will be provided as from Wednesday of this week" said the Fianna Fáil man. "Anybody with a family or with elderly relatives will understand the requirement for toilet facilities at a venue such as the beach, as it is, for most people, a day

long trip, weather permitting. I am delighted that the present under pressure situation will now be alleviated with the provision of these Portaloos" I would also like to thank John Breen, Director of Services and John Kennelly, Senior Engineer in the Department of Roads, Transportation and Marine with Kerry County Council for their rapid response to my request" added Councillor Cahill.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

Why Should You Review Your Pension?

To check the performance of your pension and what funds you are invested in. This is VERY IMPORTANT, for example, if your pension is invested in high risk funds your total pension fund could substantially reduce over a short period of time and if you are coming close to retirement this could result in you having much less of a pension when you retire.

Is your pension on target to reach the income you want on retirement? This should be checked on regular occasions, at least annually, if your pension is not on target changes can be made to help and try to put your pension back on track again.

What pension provider is your pension with and how much do they charge you? Charges are very important because you need to make sure that your pension charges are competitive on a like for like basis with other pension providers.

Pension providers offer more choices to clients now than before and the choices can be easier to understand if explained to you in plain simple English and by not using jargon. A financial advisor should help you understand your pension and your pension options better.

For the above reasons I recommend at least an annual review of every pension with a financial advisor who has access to different pension providers.

To discuss the above or for any other queries you can contact Dermot Cronin QFA at 0646622775 or email at dermotcroninifa@gmail.com

Revitalise your Energy this Summer!

Summer brings us abundance and a sense of everything coming to fruition. It is a time where we can appreciate the richness of life. The energy of summer invites us to open our hearts and our arms to what truly brings us alive. As we continue to navigate our way through these times of change, it is vital that we find ways to revitalize our energy, enthusiasm, inner peace and joy of living.

Energy check in
Just stop – right this moment and take a snapshot of how you feel. On a scale of one to ten, (with ten being absolutely brilliant and “one” being on the floor!), how high is your energy level right now? Are you free from any aches and pains? Do you feel excited and nurtured by life? Are you conscious of this moment and also looking forward to what your day brings with ease and trust?

Your answers to these questions will give you an idea of how you are using your energy and where your energy may be being drained or gained.

Revitalize your energy
Some great ways to revitalize your energy levels through the day are by taking small moments to check in with your body and become aware of what you need. Are you thirsty? Hungry? Do you need to stop and take a rest? Being around negative people can drain your energy so make sure your time in their company is as limited as possible! Wishing you all a lovely Summer. If you would like more positive, inspiring tips for living well and happily please visit my Instagram page. I'd love to see you there.

Noreen answers your beauty questions...

WHAT Women WANT

How can I stop my skin looking so oily in this hot weather?

These high temperatures and humidity will increase your sebum production and you will sweat more. Your skin looks oilier than it is as oil slows the evaporation of sweat from your skin, oil and water do not mix well. Wearing facemasks will also clog your pores and bacteria thrive in this hot weather causing breakouts so, it is important to keep your skin cool and clean.

Use a gentle cleanser twice a day with salicylic acid like ENVIRON Sebuwash €39 to lightly exfoliate and clear out dirt and bacteria from your pores. Do not skip moisturiser even if you feel oily as this can trick the skin into feeling it needs oil and produces more. Use an oil free moisturiser with spf to hydrate and protect your skin.

Use a mask twice a week with glycolic acid to de-grease and brighten your complexion.

You could try using a powder sunscreen with a built-in brush, also great for topping up during the day.

Blotting papers can be used for excessive oiliness or a serum with microspunge technology to absorb excess oil.

HOW TO PREPARE WHEN EXERCISING IN THE SUN

The summer time brings fun enjoyable moments in the sun and gives you a great opportunity to get some exercise done with family and friends. However, it is vitally important to keep yourself and loved ones safe when working out and exercising in the sun. I'll outline some key points to consider below:

Staying safe in the sun

Hydration is a key part of exercise, especially with the warm weather the past few days. Drinking plenty fluids throughout the day helps reduce stress on your body and keeps your mind and body fresh and ready for exercise and physical activity.

Wear light and bright coloured clothing to prevent overheating, while also wearing plenty sunscreen to prevent sun burn and harm to your skin.

Timing is everything, the best times to exercise in this weather would be before 10 am and after 5pm as the sun is not at its peak and this time is where the sun could be at the coolest for the day. Know your limits, your body will tell you when to stop and get some water and into the shade. Exercising in the shade and taking plenty breaks will help in protecting yourself

Benefits of exercising in the sun

Exercising in the sun is a great mood booster and is essential when absorbing Vitamin D for your body. It has a positive impact on blood circulation around the body and can improve your sleep quality at night. Working out in the sun also helps you build up your immune system to combat any diseases. Get outside, stay safe in the sun, enjoy the weather and drink plenty fluids to keep your mind and body active.

DRY EYE

WHAT IS DRY EYE?

People with dry eye either don't make enough normal (lubricating) tears or the ones that they make are of poor quality, causing the tears to dry up too quickly and the front of the eye to become dry and irritated. As a result, dry eye can be uncomfortable and cause the eye to produce the watery type of tears. This only helps for a short time - leaving the eye uncomfortable and gritty.

If your eyelids are sore and red, you may also have another condition called blepharitis. Blepharitis is a condition that affects the eyelids making them sore and inflamed. If the eyelid glands become blocked, you may have a condition called meibomian gland dysfunction. It is quite common to have a combination of these conditions.

Dry eye doesn't tend to cause serious damage to the eyes, but it can be very uncomfortable. Severe cases do have a risk of causing long-term damage, but fortunately these are rare.

Risk factors

Dry eye is much more common in people over the age of 50. This is often because the glands that make the normal tears, and particularly the oily part of the tears, tend to become less effective as you get older. Also the tears tend to spread across the eye less well with age.

Some general health conditions can cause dry eye as a side effect, such as autoimmune diseases and hormonal changes. The condition is also more common in windy, cold, dry and dusty conditions. If you're concentrating on your computer or smartphone for long periods of time without a break, this may also make your eyes feel dry.

Air conditioning and central heating can make dry eye worse too, as can some medications and general health problems.

Smoking has also been linked to dry eye as it may both cause the condition and make it worse.

Symptoms

People with dry eye may get some or all of the following symptoms.

- A sandy or gritty feeling
 - Sore eyes
 - Uncomfortable and sometimes painful eyes
 - An itching or burning sensation
 - Short-term blurred vision
- Watery eyes, as if you are crying (having watery eyes can mean you are producing poor-quality tears and actually have dry eyes)

TREATMENT

Most cases of dry eye tend to be a long-term condition, meaning that you'll need ongoing treatment.

There are lots of different types of drops and gels that can help your eyes feel more comfortable. The best ones don't have preservatives in them, or if they do they contain very gentle preservatives, which helps to reduce irritation. They may also contain an ingredient called sodium hyaluronate, known to be very effective in treating the condition.

It's important to use the correct type of drops. The wrong drops are unlikely to cause any harm, but they won't help as much. If your drops aren't working or you're not sure which drops to use, you're a sight test can help determine the best treatment options.

BEAUFORT

>BEAUFORT GAA CAMP

We ran our first Beaufort GAA camp from 12th - 16th July and it was a great success. Thank you to all coaches, children and parents for making the week so enjoyable. Special thanks to Mike Breen, Seán O'Brien and Louise Ní Mhuircheartaigh who spoke to the children and presented each child with their own football.

>SENIOR MEN

Our senior men travelled to Rathmore on Saturday evening for round 4 of the county league. In very hot weather conditions, Rathmore got off to a great start and went ahead on a scoreline of 0-5 to 0-1 after 10 minutes. However, points from Padraig Doona, Seán O'Brien and Ronan Murphy narrowed the gap and a penalty from Danny Healy put us ahead 1-4 to 0-5 after 15 minutes. Further scores from Liam Carey, Fergal Hallissey and Ciarán left the half time scoreline 1-9 to 0-9 in Beaufort's favour. Rathmore started the second half very strongly and went ahead on a scoreline of 2-14 to 1-11 just after the water break. While Fergal and Kieran Dennehy added to our scores, it just wasn't enough to win and the game ended on a scoreline of 2-15 to 1-13.

Kilcummin LGFA benefit from generosity of The Pavers Foundation

The last 18 months has been an extremely challenging time for voluntary clubs and organisations. Since the beginning of Covid it has been really difficult to raise much needed funds because of the cancellation of so many regular fundraising events. For this reason, Kilcummin Ladies Football Club are thrilled to have received a much needed financial boost recently from The Pavers Foundation. Denise Smyth, who is the Store Manager of Pavers in the Outlet Centre in Killarney and also lives in Kilcummin presented a cheque of £1,000 (approximately €1,150) to the club officers recently to the delight of all members of Kilcummin LGFA. Club Treasurer Colm Brosnan explained the importance of such a donation at this stage for the club stating, 'with almost 100 players registered from under 12s up to senior ladies, this money will make it easier to fund much needed equipment as well as helping with the ongoing running costs of a club of this size'. He went on to say, 'we are really grateful to The Pavers Foundation for this generous donation and we will ensure it is put to good use for our players.'

>U15 CO LEAGUE DIVISION 1 SEMI FINAL
SPA V AUSTIN STACKS

Our young blues travelled to in-form Austin Stacks last Wednesday evening to play the Division 1 county semi-final. Unfortunately, due to some injuries and absentees we could only go with a squad of 15 players which included 2 of our U13 team. The lads did their best under the circumstances however their hosts dominated the game from start to finish and ran out convincing deserved winners. Best of luck to Austin Stacks in the final, our lads now have a break and next week we will start our preparations for the East Kerry league. We wish a speedy recovery to our injured players and we look forward to getting the full squad back on the pitch soon.

>U12 GIRLS DIVISION 4B FINAL: SPA 2-8 DR CROKES 3-8

Thanks to Mike Doolan manager who has done a great job with our young members. Thanks also to Aisling Mahony for stepping in tonight and did a great job as referee. GLNFLESK

➤COUNTY LEAGUE RD 4

Glenflesk 0 – 17 Keel 0 – 10

A fast firing start to the match from Glenflesk, which saw them lead by 5 points to nil in the opening minutes, was the platform for this comfortable win in round 4 of the County League, in the sweltering heat of Glenflesk. Keel improved after their poor start, but never looked like winning.

Jeff O Donoghue's powerful run set up the first point of the evening, as he was fouled and Darragh Roche converted the free. Roche then burst forward and blasted a shot at goal. Keel goalie Stephen Cahillane made a great save to deflect the shot over the bar. Roche was in unstoppable form, and added another point with his left foot soon after. He then collected O Donoghue's pinpoint cross field pass to fire over his fourth point in as many minutes. Sean Doherty then made it 5 in a row after linking well with Darragh and Ian Roche. Full forward Aaron Murphy opened Keels account with a free and they began to see more ball. Glenflesk's disciplined tackling was thwarting their efforts. Roche continued to be lethal, powering over two frees from miles out. Doherty got his second of the game, and Ian Roches score left Glenflesk 8 points up as the badly needed water arrived. Wing back Luke Flynn came forward to score Keels first point from play. Murphy then pointed his second free as Keel found some rhythm and their passing improved. Another great save from Cahillane denied Roche a super goal. He again found the target off his left foot to settle Glenflesk after a period of sloppy play. Murphy's free just before half time meant Glenflesk would lead by 10 points to 4 at the break.

Murphy again showed his accuracy from a dead ball, slotting over from 30 meters out. Roche replied with two frees back to back from 45 meters out. A 45 from Tommy Buckley brought Keel back to within 6 points. Glenflesk then had a four point run to pull away again. Patrick Darcy, who came on at midfield at half time, powering forward to get one of those scores. Daniel Brien also scored during this period. Flynn again showed his scoring ability to get his second point, before Murphy converted another free from way out near the touchline. Glenflesk led by double scores at the second water break. David O'Donoghue's accurate restart found Chris O Donoghue free near the sideline. He drove forward at speed, and his outside of the foot shot was perfectly hit. It was Glenflesk's last score. Corner forward Gary Murphy pointed twice from play as the game got very ragged in the last 10 minutes. Buckley was sent off for Keel near the end after receiving 2 yellow cards. A good win for Glenflesk to finish their home campaign. The two tight away defeats back to back have damaged chances of promotion. This win eases any fears of relegation. Keel tried very hard but lacked the quality to break down Glenflesk's strong defense. Up the other end, the early blast of attacking play was a joy to watch. Even if the play became scrappier after that, there was enough evidence here that they can finish the League with a strong performance away in Blennerville.

David O Donoghue, Shane Courtney, Peter Cronin, Colm Tobin, Kieran A O Donoghue, Brian o Donoghue, Cian Horan, Alan Murphy, Daniel O Brien 0 -1, Emmet Finnan, Jeff O Donoghue, Ian Roche 0 – 1, Danny Lucey, Darragh Roche 0 – 10, Sean Doherty 0 – 3, Patrick Darcy 0 – 1, Chris O Donoghue 0 -1, Dara Fleming, Michael Mullane, Sean Lucey. Report by Michael Healy.

➤GLENFLESK B V BEAUFORT B

Beaufort 1-13, Glenflesk 3-11. A game played with a high intensity considering the blistering heat. Glenflesk backs that played well were Gary O Donoghue who had a great battle all day with his Beaufort opponent. The experienced Dónal Ó Sullivan controlled midfield and gave some great distribution of ball to his forwards. Up front it was the Bowler cousins Kevin and Tommy who fired Glenflesk to victory with the majority of the scores. Report by Padraig O'Sullivan.

➤CUL CAMP

Fossa u15 boy's Lee Strand County League / shield semi - final. Last Wednesday evening Fossa U-15's hosted Asdee/Ballylongford/Clounmacon/Ballydonoghue in the County League Division 5 Plate Semi-Final. This was a tough and very competitive game. Fossa Boyd were a bit sluggish to start and conceded two goals before the first water break.

Things improved in the second quarter and we were 5 points ahead at half time - 2-2 to 2-7. The third quarter saw our opponents stage a strong comeback leaving Fossa just three points ahead with 15 minutes to go.

In the final quarter our midfield/defense stood firm and following some well taken scores Fossa ran out winners by about 10 points.

Fossa u13 boys: Fossa u13 B welcomed Milltown/Castlemaine B to Fossa this evening for our final game of Lee Strand county league, phase 1. Despite a huge effort in defence helping to limit scoring opportunities for MC, Fossa struggled to convert their own possession into scores. All the boys gave a great account, unfortunately MC winners on the evening.

Well done to all the boys.

Best of luck to Kerry team and management in the Munster final against cork especially Paudie and David Clifford.

COMMISSERATIONS

To all the players we had on Kerry Panels in the last week Minor & U20 hurling and football.

CREDIT UNION CO. HURLING LEAGUE DIV. 1

Dr Crokes welcomed table toppers Causeway to Lewis Road in the final round of the Credit Union County Senior Hurling League Division One on Friday last. The game was played at a frantic pace in temperatures in the mid 20's, a credit to both sides.

Causeway started well, leading by 3 points to 1 after 10 minutes. But points from Tom Doyle, his second and Michael Lenihan ensured the game was level at the first half water break. Causeway nudged in front by 2 after the water break. 3 pointed frees from Michael Lenihan ensured the gap remained at 2 points for the most of the first half, but two late points from Causeway pushed the 2020 County runners up into a 4 point lead at the interval, 10 points to 6.

Dr Crokes goalkeeper Conor Bohane showed how important he is to this side, with two saves out of the top drawer in the first half to deny Causeway certain goalscoring opportunities.

The work rate shown by our lads was testament to their dedication, giving the extraordinary temperatures, captain Mike Milner led from the back with Rory Waters, Patrick Crehan and Declan Hickey making vital interceptions to keep Causeway at bay.

Dr Crokes won the 3rd quarter, 7 points to 4 with multiple players getting their names on the score sheet. Tom Doyle, Mike O'Keeffe, both midfielders Cathal White and Jack Lenihan with 1 and 2 points respectively and Michael Lenihan with one from pay and one from the dead ball. We trailed by one at this point with a real pep in our step. It was great to welcome two intercounty players back into our side for this one, Tom Doyle returning from the football U20 setup and Michael from the hurling equivalent. Rob Ryan, David Carroll and Aodhan Burns all worked tirelessly in the half forward line, setting up multiple scores across the game.

Causeway pushed into a 3 point lead again at the start of the final quarter. Conor Bohane landed over a long range free before the score was cancelled out moments later.

We now focus our attention on the County Senior Hurling Championship which is a historic occasion for the club. We have been drawn to play Abbeydorney and Crotta O Neills in Group 3. The first fixture will be against Abbeydorney in Austin Stack Park on August Bank Holiday Sunday, August 1st at 2:30. All support is welcome!

Our B team travelled to Kenmare for our semi final on "Saturday" and playing in near 30° afternoon sunshine we were thankful for the water breaks. We were 7 pts up at half time but Kenmare added a few goals in the 2nd half and coming towards full time we were down a point. This Week in the Coiste na nÓg:

To start off the week our fantastic U8 Girls played Laune Rangers in three fantastic games. The girls showed great progress in their skills all over the field, well done the all the girls and their amazing coaches. Next up on the same evening our U13 White Team travelled to Fossa and won their final game in phase one of the county league.

East Kerry Junior League Final Division 1 Pictured is the James Doyle cup which was presented to Keith O'Leary, Dr Crokes Captain by EKB PRO Michael O' Mahony & James Doyle nephew of James Doyle.
Also in photo is Stephen Brosnan Dr Crokes.

A good start saw our U13s race into an early lead which they added to throughout the match to win 4-06 to 0-07 in the finish. Our U10 Girls Teams showed some brilliant defensive play, tackling, passing and scoring on a very warm evening at the Track in Killorglin on Wednesday. This was the 5th game between our neighbours Laune Rangers GAA and our Milltown/Castlemaine Gaa Club across the last 8 days with some fantastic games between the two clubs involving our Juniors, U11 Boys, U10 Girls, U9 Boys and U8 Girls over the past week. Great to see such fantastic enthusiasm for the game in Mid Kerry as always at all age levels and wonderful to have football back at all age levels.

Well done to our U15 Green Team who were too who won the Division 2 Shield semi final on Wednesday evening against St Michaels Foilmore. With our Milltown/Castlemaine team on top form they took a good lead into the second half of 3-11 to 1-03. The second half brought more strong play from our U15s as they went on to win 5-17 to 1-07 and book a final spot against Rathmore later this week.

Our U15 White Team also had a semi final on Friday evening against a very strong Ballymac side in Div 10 of this years County League. Although our Milltown/Castlemaine side worked hard and played some fantastic football they were to just miss out on the night. Well done to the players and their coaches on a fantastic run of performances in this years county league.

Well done to our U10 Girls teams who were out again against Scartaglen on a very sunny Saturday morning again both teams played some fantastic football showing some brilliant defensive work and incredible accuracy in front of the goal. Our U13 Green Team were just pipped at the post as they say against Ballyduff on Sunday evening in the County League

Phase 2 match. The sides were all square at the first water break, our visiting side led by a point at half time and by a point at the second water break only for the home side to grab the win with a last gasp green flag. Our U13 showed excellent skill, commitment and guile throughout the contest which could not have been any tighter.

FIELD DEVELOPMENT PROJECT

There has been fantastic progress in our field development project in the past week with the concrete works on the stand nearing completion, being expertly done by Denis O'Riordan and his company FRC. It is our hope that the seats for the stand will be installed in the next 2/3 weeks.

We would like to say a huge thank you to Padraig Clifford & Sons Power Washing who kindly washed down the containers for our socialisation area, a fantastic job and if you need their services you can contact Padraig on 0876777154. This week also saw the laying of the astro turf sections of our walkway and at the entry points to the field including the dugout areas.

ALL IRELAND MINOR FINAL

Well done the Cillian Burke and his teammates on reaching the 2020 All Ireland Minor Final. It wasn't to be on the day but all here at Milltown/Castlemaine GAA Club are incredibly proud of our club member Cillian Burke and his achievements along with his fellow Kerry players over the past year. In a somewhat disjointed championship do to the unusual circumstances of the last 18 months the Munster Championship took place during the winter. Cillian was fantastic in both the semi final and final earning man of the match in both games. In All Ireland Final again this passed Sunday he played extremely well, covering every blade of grass in Tullamore. We look forward to seeing more from this Kerry Team in

years to come and to seeing Cillian in the Green and Gold but especially in the Green and White.

DR CROKES B 3 - 14 RATHMORE 2 - 12

Dr Crokes eventually came out in top after an enthralling 60 minutes of football, with the result in doubt until near the end, played in front of a captivated crowd, in perfect conditions in Glenflesk. It was Crokes who got going the quicker, taking a five points to no score lead in the opening stages. Mark Fitzgerald and Chris Brady among the scorer's in their whirlwind start to the match. Rathmore eventually settled with wing back Tadhg Morley coming forward to kick a great score with his left foot. They then launched a high ball towards the Crokes goal. Wing forward Brian Moynihan was first to the rebound, and he calmly finished to the corner of the net to bring Rathmore back to within a point at the water break.

Crokes Michael Casey, who had a great battle throughout with Rathmore captain Mike Joe Kelliher, then launched a high shot that split the posts as he began to be more influential. Brian Friel replied for Rathmore before they struck for their second goal of the evening. Midfielder Anthony Darmody showing great strength to hold off his marker and blast his shot to the back of the net. Bradys effort then went over with the help of a post. Goalie William Casey then made a superb save to deny Crokes a crucial goal. Frieis accuracy from frees would keep Rathmore ahead as half time approached. Crokes were level by interval though as Casey found the net after a scramble. 2 – 5 to 1 – 8 at the break. Shane Doolan found the target to start the second half as the end to end nature of the game continued. Friel then pointed a free after Darmody's amazing catch and run from midfield ended with him being hauled down. Friel was in hot form now, and he added another point straight after David Neeson had made a great save for Crokes. Fitzgerald's ability to come forward and score was keeping Crokes in it, and three points from him left Crokes one ahead at the second water break.

With both team's now down to 14 after a scuffle, the game was still there to be won. Darmody burst through again but his chipped shot cleared the crossbar. A goal now would be decisive. It was Crokes who struck for it. Brady being first to a loose ball, and passed it into the net along the ground. Friel pointed another free to keep Rathmore in touch. Crokes were not to be denied though, and sub Sean McCann added another late goal to secure victory. Rathmore kept going for it, but a shot into the side netting was as close as they came. Crokes deserved winners after a fierce contest.

Afterwards Captain Keith O Leary accepted the James Doyle Cup on behalf of his team from EKBPRO Michael O' Mahony As he left the field I got his thoughts on the win. He said that it was a "good match" to play in, the first half was "hard", and that the team "held on well in the second half". Commiserations to Rathmore after putting in such an heroic effort, and congratulations to Dr Crokes on such a great victory.

Rathmore, William Casey, Timmy O Doherty, Mike Joe Kelliher, (capt) Thomas Houlihan, Cian Dineen, Philip Kelly, Tadhg Mahony, Daniel O Sullivan, Anthony Darmody, Jimmy Mahony, Ben O'Connor, Brian Moynihan, Dean Fitzgerald, Brian Friel, Aaron Cronin, , Dr Crokes B, David Neeson, Mark Fitzgerald, Kieran Ward, David Naughton, Mark Cooper, Neil O'Shea, Jason Kerins, Terry Sparling, Harry Potts, Brendan Coppinger, Shane Doolan, Evan Looney, Michael Casey, Chris Brady, Brian O'Shea, Paul Clarke, Sean McCann, David O'Leary.

EAST KERRY JUNIOR LEAGUE

DIVISION 2. FINAL

KILCUMMIN B 1-15 - DR CROKES C 1-10

On a perfect evening for football Dr Crokes opened the scoring with a Mark Clifford point before the lively Josh Fleming added a second. Kilcummin replied with three pointed frees from the accurate Mikey Shea. Mark Clifford and Eoin Donovan then traded great points

from play before Richie O Connor called a Mark and pointed the resulting free kick.

This left Kilcummin in the lead 0-5 to 0-4 at the water break.

Jamie Doolan pointed for the town side immediately after the restart before Kilcummin added three points, frees from Mikey Shea(2) and Richie O Connor and a fine effort from play from Paul Moynihan.

Josh Fleming and Richie O'Connor then traded frees, Points from Eanna Kavanagh and Richie O Connor saw Kilcummin lead 0-10 to 0-7 at half time. The second half started with great excitement as Dr Crokes were awarded a penalty which Jamie Doolan coolly converted to tie up the scores. Two further Richie O Connor frees followed for Kilcummin before Jamie Doolan and Jack O Connor pointed again for Dr Crokes.

Points before the water break from Eoin Donovan and John MC Carthy saw Kilcummin lead by 2 points. As the game entered a crucial period. John MC Carthy finished a great move to the Dr Crokes net and Danny Cronin added a further point which saw Kilcummin kick on to victory. Kilcummin defended with determination as Dr Crokes tried gallantly to close the margin. Dr Crokes Mark Clifford had the last point of a thoroughly entertaining game played at an excellent facility at Listry Gaa. Johnny Brosnan Chairman of East Kerry Board thanked both teams and the referee and his team on a fine sporting game. He also sincerely thanked competition sponsor Ruth Allen Physiotherapy. Kenmare Shamrocks 1-11

Killarney Legion welcomed Kenmare Shamrocks Saturday evening on what was a great evening for football, A welcome return for James O'Donoghue who opened proceedings raising a green flag. Legion kicked on and played well all over the field with some lovely passing and quick ball into our forwards picking off some lovely scores. We went in at the half time whistle 1-08 to 0-03pts. The second half Kenmare tried to come back into the game, our backs held with some great play from Darragh Doherty, Chris Davies, Danny Sheehan and Podge O'Connor we held out leaving us going home with 2 points.

SENIOR LADIES

The Legion Senior Ladies continued their Donal Curtin Cup last night with an away game to Annascaul/Castlegregory. It was a dry evening for football. Both teams started the game off with great intensity. Annascaul/Castlegregory midfielders made runs directly down the middle of the pitch causing a huge threat to the Legion backs. Our goalie made heroic saves, diving for the ball and bursting out of the back line to create room for kick outs which were won brilliantly by our midfielders who's

high catches we're wonderful to watch. Legion backs, as always, committed to their tackles and tracked back continuously, overturning the ball. The forwards runs were quick paced which helped them convert the backs turnovers into some brilliant scores. Legion lead marginally at half time. It was all to play for at the beginning to the second half and Annascaul/Castlegregory did not mess about! They won the hop ball and with more direct running from midfield, Annascaul/Castlegregory buried the ball into the back of the net making Legions lead even tighter. However, the Legion ladies held a their heads high and pounced back straight away. With immense effort, Legion were able to rack up a few goals with the game ending 7-11 to 2-08 in Legions favour. Great team work ensured the Legion win. Thank you to Annascaul/Castlegregory for hosting Legion. Thank you to everyone who came out to support the ladies.

LEGION MINOR LADIES

The minor ladies had their second game this week against our neighbours Dr.Crokes as apart of their Division 3 league.

It was a beautiful evening for football as the sun was shining down in Killarney. The Legion ladies started off great working the ball up the pitch and putting some scores on the board. Crokes came back quickly and levelled the playing field, taking the lead at half time.

Crokes played some brilliant football. Unfortunately, it wasn't Legions night. Hard luck Legion ladies. Thank you to Dr.Crokes for hosting us! Next game is away to Furies on Friday 23rd July @7:30pm

U-12 GIRLS

Our u12 girls' white' team concluded their South Kerry campaign. Once again we welcomed Inbheir Scéine Gaels to Direen, this time for the Divisional decider. There was nothing between the sides in their previous meeting in the group stage so another close encounter was expected. On a lovely evening for football, the game ebbed and flowed from end to end throughout. ISG were faster out of the blocks and raced into the lead, raising the white flag twice in succession. The Legion girls battled back with some well worked scores of their own. Both teams traded scores throughout the half. The vocal support were entertained with goalmouth clearances, excellent passing moves and an exhibition of block downs from both sides. The sides were level at the water

break and again at half time. The visitors took the initiative again from the restart and once again the girls in green and white responded. A third quarter goal from the home side lifted the home support and saw Legion take the lead for the first time. The ISG girls dug deep and worked their way back into the game. The second half water break saw the sides level once again. All to play for as the players resumed for the final act. As is often the case in tight matches, 'goals win games' and the home side found the net in the closing stages to edge in front. A nail biting finish ensued but in the end, the home side were the victors on the night. Well done to all the girls on providing a wonderful entertaining game (again) for supporters this evening. And congratulations to the young ladies of Legion on winning their divisional final, a great reward for their hard work throughout the season so far.

Moyvane 1-15 1-8 Kilgarvan

Moyvane had the better start at home to Kilgarvan with 3 points on the board in the 5th minute, 1 from Paudie Leahy and 2 from Jerry Clancy followed closely by Sean Godfrey pointing for the visitors. Daniel Casey goaled for Kilgarvan in the 8th minute but Moyvane responded well with Paudie Leahy and Darragh Mulvihill splitting the post, a point from Kilgarvan's Daniel Casey was quickly followed by 2 points from Paudie Leahy. Casey pointed once more before Darragh Mulvihill got Moyvane's last score before water break. Once again it was Casey for the visitors but a Paudie Leahy point and a well taken goal by Gearoid Stack Mulvihill saw Moyvane go in at half time with a lead of 1-9 to 1-4. Kilgarvan had the better start of the second half with 2 from Casey and 1 from Sean Godfrey pointing for the visitors. 3 unanswered points by Paudie Leahy, Shane Carmody and Darragh Mulvihill took us to the water break. Corey Murphy got Kilgarvan's last point of the game in the 25th minute and Darragh Mulvihill and Paudie Leahy finished off a great display with a point each in the last minute. Leaving a final score of Moyvane 1-15 Kilgarvan 1-8. Best for Moyvane were Jerry Clancy, Paudie Leahy, Darragh Mulvihill, Gearoid Stack Mulvihill and Eamon Stack Mulvihill, while Daniel Casey, Corey Murphy and Sean Godfrey impressed for the visitors. A very welcome win for Moyvane for what has been a very difficult week in our parish.

Laune Rangers B 0-10, St Michaels/Foilmore 0-14

Conditions were nothing short of tropical on Sunday afternoon as Laune Rangers B hosted St Michaels/Foilmore in JP O'Sullivan Park. In blistering heat, it proved to be former County players of different eras – and counties – to provide the main scoring threat from either side with five time All Ireland winning Mike Frank Russell and former Kildare forward Éanna O'Connor providing the most work for the umpires, while another former Kerry player Mark Griffin operated at midfield for the visitors. The first quarter was dominated by the visitors, who scored five unanswered before the water break through Sean O'Sullivan and Éanna O'Connor (4, 1 '45) and added a sixth through Darren O'Sullivan before Rangers registered their first point – a super long range effort that curled in off the left boot of 44 year old Mike Frank Russell. Russell added a free before Ronan O'Shea pointed a 45 for the home team. However, the six point gap was restored before the break as Pádraig King, Éanna O'Connor and Bernard Kelly all pointed for the visitors.

Half Time Score:- Laune Rangers B 0-3, St Michaels/Foilmore 0-9. Tony Lyons saved twice for Rangers in the early minutes of the second half – Éanna O'Connor's shot going over the bar, and Bernard Kelly's being pushed around the post for a 45, which Éanna O'Connor made no mistake in putting over the bar. Rangers did well to respond with two excellent points from acute angles by Gavin O'Shea and Mike Frank, as James Treacy and Mike Frank (2) continued to reduce the gap with points to see the visitors leading by 0-11 to 0-8 at the first of two second half water breaks in the blistering heat of JP O'Sullivan Park. O'Connor brothers Éanna and; Cian O'Connor scored for the away side to stretch their lead to 5 at the final water break. Ronan O'Shea pointed a free before Mike Frank Russell was brought down inside the square for a penalty. However, Brian Smith saved brilliantly from Ronan O'Shea to push the shot around the post. O'Shea did well to put the resulting 45 over the bar and leave three between the sides. However, Bally/Foilmore held on and a final Pádraig King point was enough to see them home.

Austin Stacks 1-11; Ballyduff 0-9

With both sides going into this round 4 game on six points each after their opening three round wins this game lived up to its billing and even though Stacks had five points to spare at the end it was anybody's game almost right up to the end. On a scorching hot summer's day in Connolly Park it was understandable that it might be low scoring and that was the case when both sides went in at half time on level terms (0-4 each). However the game changer came six minutes after the resumption when Conor Myers got through for the only goal of the game and even though Ballyduff added two quick points the home side took control again adding a further five points to two for the visitors before referee Donal Casey blew the final whistle. And even though on the losing side Ballyduff's Kevin Goulding could be regarded the man of the match after he landed all his team's nine points throughout the hour.

Scorers:

Austin Stacks: Conor Myers (1-4 – three frees), Donagh McKivergan (0-4 two frees), Adam Curran (0-2) and Paul Barrett (0-1).
Ballyduff: Kevin Goulding (0-9 – three frees).

**Kerins O'Rahillys "B" 2-12 1-10

Another magnificent display from midfielder Keelan Crow at midfield laid the foundations of this win for the Tralee side. Half time score say Rahillys ahead by one but on the change over they dominated proceedings over and goals from; Fintan Collins, Daniel Bowler and points from Conor Hayes, Declan Crowe, Sean Griffin Jerome Daly; Sneem Derrynane replied through, Goal from Tim Murphy and points through, Jack Riney, Dion Burk, Ian Galvin and Conor O'Brien.

DIVISION 6 "A" Round 4

Rathmore 1-12 John Mitchell's 1.08

John Mitchell's opened the scoring with a point with a levelling point coming from a free a couple of minutes later the sides traded points before Mitchell's hit a goal and point before the water break. After the resumption Rathmore struck 3 unanswered points with Mitchell's pulling one back before half time to leave it Rathmore 0-05 to John Mitchell's 1.05. Rathmore were first on the score board with a point followed by a point and goal by Daniel O'Sullivan. Mitchell's pulled back 2 points before the sides traded points to leave it level at 1.08 each at the second Water Break. After resuming Rathmore put over 4 unanswered points to put it out of reach.

Gneeveguilla Killarney Legion "B" Not Played

Beaufort "B" 1-13 3-11 Glenflesk "B"

A game played with a high intensity considering the blistering heat. Glenflesk backs that played well were Gary O'Donoghue who had a great battle all day with his Beaufort opponent. The experienced Dónal Ó Sullivan in midfield controlled the okay and gave out some great distribution of ball to his forwards. Up front it was the Bowler cousins Kevin and Tommy who fired Glenflesk to victory with a majority of the scores.

DIVISION 6 "B" Round 4

Tuosist 6-21 1-9 Dr. Crokes "C"

The result of this fixture played at a sun drenched Phil O'Sullivan Park in Lauragh was never in any doubt. By the first water break Tuosist had taken a commanding 2-0-5 to 0-01 over the visitors with goals coming from Flor O'Sullivan and Darragh Sugrue. There was to be no let up by the home side who were dominant in every sector. Peter O'Shea added a third goal before half time to see Tuosist take a 3-11 to

0-03 lead at the break.

Crokes tried hard in the second half to salvage something however the Tuosist defence to a man were in superb form and Crokes had to work hard for any return. On the any rare occasion that the traveling team did manage to penetrate they found Tuosists veteran netminder Stephen O'Sullivan to be equally superb to the challenge. Tadgh Sugrue, Flor O'Sullivan and Colm Brosnan added three further goals to see the home side run out comfortable winners on a scoreline of Tuosist 6-21, Dr.Crokes' 1-09.

EAST KERRY MINOR LEAGUE DIVISION 1 FINAL DR CROKES 1-16 FOSSA 0-12

A powerful surge early in the second half allowed Dr Crokes to grab the East Kerry Minor League Division 1 title, holding off a spirited performance from Fossa, after an outstanding and sporting game of football, played in the perfectly set up pitch in Kilcummin this evening. It was Fossa who were the sharper to start with. From the throw in, center back Cian Doyle burst forward to score a brilliant point. Harry Kelly then pointed a free as Fossa were dominating territory and moving the ball forward quickly. Crokes first score arrived after a great kick out from Shay O Meara. Maidhici Lynch was first on to it, and he ran forward purposely before finding Full Forward Cillian Courtney. Courtney's rocket of a shot hit the crossbar and went over. Wing forward Patrick Lyons then pointed for Fossa, with Kelly and Ryan O' Leary linking up well in the buildup. Courtney then found the room to swing his left footed shot over while under heavy pressure. Fossa would still hold the advantage at the water break though, leading by five points to two.

Corner forward Ryan Neeson then saw a possible goal chance go over the bar. Crokes threat to score a goal continued, and only good work to get back on the line from wing back Maks Leon denied them as a loose ball headed goal wards. Kelly blasted over another point for Fossa, and it looked

like they would still lead going into half time. Crokes though had other ideas. With time running down Courtney found midfielder Alex Hennigan, who carried the ball hard through the Fossa defense. He then kept his composure to find the corner of the net with a classy left foot finish. Crokes would lead for the first time in the match, by a point, as half time arrived. Fossa looked to have created a goal of their own soon after the restart, but O'Meara denied them with a brilliant save. A free from Kelly soon brought them back level. Conal Gallagher's monster score from out wide then gave the lead back to Crokes. It was now a gripping end to end contest. It was in the next few minutes that Crokes began to take over. Courtney was the main man during this period, scoring 4 superb points, all created by the speed of ball and movement occurring out the field. Gallagher's second point meant Crokes lead had stretched to five by the second water break. Centre forward Robbie Hartnett then intercepted a pass before firing over another score. Kellys accuracy from frees was keeping Fossa just about in touch. Corner forward Rocco Sheehan also scored a point as they desperately tried to engineer a goal. The closest they came was when Kelly rifled a shot in that O' Meara again was able to keep out. Courtney's eleventh point of the evening was the

KERRY AND CORK IN THE FITZGERALD STADIUM MUNSTER FINAL PREVIEW

No offence to Clare or Tipperary, both of whom gave us plenty to do, but they have never been the first counties we think of when the draw for the Munster Championship rolls around. The first meeting that I can trace with certainty between Kerry (represented by Laune Rangers) and Cork (represented by Nemo Rangers) was in 1890. Leather, hair, and skin have all been frequent flyers when the two meet ever since – and neither would want it any other way. Cork beat us last year, a deadly sting in the tail when it looked like we were just about to scrape across the line. And yeah, the memory stings even now. Not in a begrudging kind of way. They hung in there and that was superbly done by Mark Keane.

But I still say that the dull weather slowed Kerry down a bit and our defensive selection and running tactics suited Cork perfectly. Saying that it was a confluence of circumstances and Kerry got things wrong is not intended to take anything away from Cork's victory, any more than I would Tipperary's subsequent victory of them in the Munster Final.

I watched the Cork Limerick game this year and I saw a couple of their league games. I'll cast caution to the wind once more. I predicted a comfortable Kerry victory last year (without beating Dublin later on). I'm going to double up this year, and if we get through this, I think we should roll the table. I don't for one minute think Dublin have fallen back to anything like the extent people are saying; it's a false narrative to drum up excitement. They have had players step away, but remember how many players fighting to even get on their panel already have All Ireland U20 medals in their hands. That ain't any dry wellspring!

But I'm getting ahead of myself. Like I say, Cork had speed and a real cutting edge up front – Kerry have struggled to contain direct runners in recent years. And people can criticise McCarthy all they want, but he is a very astute manager and shouldn't be underestimated.

Kerry have lost James O'Donoghue, and it looks like Dara Moynihan is out with injury. But Mike Breen and Paudie Clifford are massive additions to last year's panel and it sounds like Tony Brosnan will be knocking on the door for a starting jersey. Peter Keane has choices to make in defence (where does Tadhg Morley fit in? Paul Murphy or Mike Breen? Will there be some juggling?), midfield (Jack Barry must be chomping at the bit and Adrian Spillane has impressed on every appearance, but David Moran and Diarmuid O'Connor are in possession) and as for up front? An abundance

of options in a multiplicity of positions. No, I'm not even going to have a guess. With just 2500 tickets, I don't expect to get into the ground myself, but that's okay. I can shout advice over long distances while watching on the telly. On home ground, I don't see Cork lightning striking Kerry twice.

JAMES O'DONOGHUE STEPS BACK FROM INTER-COUNTY

James O'Donoghue first wore the Kerry jersey in championship action, just as his father Diarmuid had worn one before him, on May 14th 2008 against Cork. It wasn't a surprise to anybody. With his startling speed and twisting agility added to his radar-like accuracy, James had been long recognised as an upcoming serious talent. A star-studded minor side eventually bowed out to a Mayo side that included Aidan O'Shea. Three years later the bones of that team were hammered at U21 by Cork. James had already established himself on the senior panel, though, in 2010, making his first appearance off the bench in a National League match against Dublin. To say that he never looked back is an understatement. In

2012 he scored 1-11 in the championship, just behind Colm Cooper and Bryan Sheehan as Kerry bowed down to Dublin by a single, solitary point. In 2013 he scored 3-11, with Kerry bowing out in the semi-final, once again to Dublin. 2014 was his annus mirabilis.

Unfortunately injury has been a real bugbear for James in recent years, so much so that his last appearance for Kerry was in February of 2020. His skills, poise, and intelligence were as strong as ever, but his body just wouldn't bear the strain. He has remained a committed member of the senior panel since but has suffered from a lack of playing time and has decided to step away from the panel and get back to playing for his club, scoring 1-2 in his beloved Killarney Legion's county league win over Kenmare Shamrocks last weekend. There's plenty of football left in James O'Donoghue yet, and I suspect that with Brian Kelly, Jonathon Lyne, and James all back in the fold, Legion will be a team to watch in the club competitions this year. Either way, I will wish the club's smiling assassin all the best going forward.

JO JO BARRETT RIP

Any debate about Kerry's best full back would be a long and interesting one. To me, it would be a three way split between Joe Barrett in the twenties and early thirties, Joe Keohane a decade later, and John O'Keeffe on the Golden Years team. Mike McCarthy and Seamus Moynihan were brilliant there, but it was never the closest role to their hearts, and I respectfully haven't seen anyone of that calibre lock down the position for Kerry ever since.

Jo Jo Barrett, namely son of a namely father, was a good footballer in his own right. All the Barretts were, his brother John stepped in when Kerry were short against Waterford in 1957 (one of our most famous defeats) while reporting for The Kerryman. Jo Jo himself won an All Ireland medal on his very first appearance for Kerry, coming off the bench in the 1962 All Ireland Final against Roscommon and becoming a mainstay in the forwards in the following, fruitless years. A strong republican like his father, his book 'Shadow of a Gunman' is amazingly candid about the War of Independence and the Civil War. Then again, the Barretts were straight talkers always.

Jo Jo fell in to training Stacks after his playing days were done and was their manager in 1977 when they became the first Kerry club to follow in the East Kerry 1971 team's footsteps and win the All Ireland Club Championship.

He enjoyed a successful inter-county managerial career until it came to an abrupt end in an altercation with a referee after his team had come from ten points down to go two up, only to lose out to last minute penalty. That shouldn't detract from his enormous contribution to Kerry and to the GAA overall and, indeed, society down through the years. Ar dheis Dé go raibh a anam dílis.

KERRY MINORS BOW OUT IN DRAMATIC FINISH

**All Ireland Minor Final:
Derry 2-12 Kerry 1-14**

So near and yet so far. It stung, no point in pretending otherwise. But over the course, not even of a year but almost two, everyone of these Kerry minors stood up to be counted.

Derry took a two point lead. Kerry had an early goal disallowed before Cillian Burke (2), Cian McMahon, and Keith Evans made it 0-4 to 0-2. The Kerry defence was holding up very well against hard-running Derry. They had to be, Derry pressed hard but two great blocks and a post meant that four attacks yielded just a point from a free by Matthew Downey. Kerry very nearly got in on goal but there was a blatant foul – the referee did issue the Derry player a black card during the water break – little recompense for such an important chance at a goal. Mind you, we were fairly haunted ourselves – Cian O'Donoghue did brilliantly to get back onto the goal-line and get his body in the way of a certain goal, but he didn't know

much about where the ball was at that speed. That great move deserved a Derry goal, to be fair, lucky escape. William Shine (2) gave Kerry a 0-6 to 0-3 lead and Derry seemed to be creaking somewhat. Mark Doherty scored for Derry and they did have a shot on goal, but Seán Broderick was perfectly positioned. Keith Evans made it 0-7 to 0-3 to Kerry at half-time. Derry had been the bigger side and had asked hard questions of a Kerry defence who passed the tests brilliantly, while Kerry's attacks were that bit fast and more astute. Kerry could (arguably should) have had two goals, while Derry deserved one, but all that was water under the bridge now.

Derry missed a few chances, while Cian McMahon comfortably slotted a free won by Paudie O'Leary, and Oisín Maunsell on the run pointed for Kerry in response to a Derry free. The game was very much about strong runners bursting through tackles on both sides – personally, I hate seeing players take the ball into contact when there are easy passes available but, arrah, I'll show you my medal collection some time and you'll understand that you shouldn't pay much attention to me. Derry brought it back to a goal but Kerry looked the better side now. Then disaster struck. Cillian Burke won a great ball and went on a searing run to bear down on goal...in retrospect, he should have slipped it to his left or hand-passed over the bar, but hindsight gives easy answers. His shot was saved, Kerry swept down the field, and Lachlan Murray fisted to the net. Mark Doherty pointed to put Derry in front but Burke and Maunsell nudged Kerry ahead 0-11 to 1-7. Derry, surging with renewed confidence now (they were great footballers) hit four points on the trot. Jordan Kissane, who impressed greatly on his introduction, very nearly set up a Kerry goal; his pass at full speed was just two inches behind and Kerry were also denied a point by a great block. Seán Broderick calmly nailed a '45 but Kerry were unlucky when the referee erroneously thought a punched overhead pass was thrown (don't misunderstand me; we got

lucky on plenty of calls during the game as well) cost us a point. 1-12 to 0-12. Cillian Burke was unlucky to slip after gathering in the Derry square and the defence smothered the chance, but Cian McMahon pointed a free and added a fantastic score from play. One point in it.

The unfortunate Derry keeper had a nightmare as an alert Maurice O'Connell swooped on a disastrous short kick-out...Kerry goal!

Full credit to Derry. They didn't blink for a second. The ball was at halfway by the time a couple of Kerry players stopped celebrating, and in the Kerry square before they could do anything about it. No qualms about the penalty, it was very clear-cut to me and I thought the same when I watched it on television afterwards. Bang!, and Derry back in front.

We had chances to level but couldn't snatch an equaliser, and when the final whistle sounded, Derry had their first minor title since 2002 and their fifth in total.

Hard luck on Kerry. James Costello and co. has taken one team to an All Ireland semi-final and another, in arduous circumstances, to another. I'd trust him with any team. And these players, every last one of them? To have the resilience, the strength of character, the humility to take on advice, the commitment during the long, long hours when nobody was watching....true, they don't have an All Ireland medal to show for it. But medals never measured any man, and they have legacies from this that will stand to them all the days of their lives. All I have to say is 'thank you'.

Kerry: Seán Broderick (0-1, 1'45); Dara O'Callaghan, Joey Nagle, Cian O'Donoghue; Paudie O'Leary, Armin Heinrich, Killian O'Sullivan; Oisín Maunsell (0-2), Cillian Burke (0-2); Thomas O'Donnell, William Shine (0-02), Keith Evans (0-02); Darragh O'Sullivan, Aaron O'Shea (0-01), Cian McMahon (0-04, 0-02 frees). Subs: Jordan Kissane (for Darragh O'Sullivan, 43 mins), Maurice O'Connell 1-0 (for William Shine, 45 mins), Darragh Fleming (for Killian O'Sullivan, 49 mins).

MUNSTER U20 SEMI-FINAL

Cork 2-13 Kerry 2-12

We all expected a cracker after their thrilling clash and minor, and none of us were disappointed. Colin Walsh and Conor Hayes traded early points. Darragh Lyne had the better of Brian Hayes in midfield, but both sides were using pace rather than high fielding. Dylan Geaney always looked lethal for Kerry, but Jack Cahalane was already shaking off shackles, and as for Conor Corbett? Nobody could land a glove on him. You have to admire pure quality, regardless of what jersey it's wearing. Dylan Geaney rattled the crossbar while Corbett sent leather skinning over rather than under. Lyne broke the deadlock with a fantastic burst of pace and superb finish, 1-3 to 0-4. Cahalane scored a goal in similar fashion; Dylan Geaney had the ball in the net a minute later. This was enthralling stuff.

Corbett's strike flashed into the net to balance the scales again. At half-time, Cork led by just 2-7 to 2-6.

The third quarter was disastrous for Kerry. Cork outscored them by three points to one (a Geaney free) before the games' star performer, Corbett, struck another stunning goal. 3-11 to 2-7, surely no way back for Kerry now. Except that Kerry suddenly burst into life, inspired by a resurgent Paul O'Shea and Patrick Darcy's game-changing introduction from the bench. Paul won and scored a penalty (looked harsh, but the referee applied the rule correctly) and Jack Kennelly and Seán Quilter added frees. Cork's lead was down to two. It was almost wiped out in an instant. Paul O'Shea's fisted effort was just a bare inch too high. Cork held firm, but Seán Quilter finally hit the equaliser.

The drama wasn't over, with Brian Hayes gathering a rapid kick-out and sending it in to Ciarán O'Sullivan to fist over the bar.

Kerry barely won a thriller in 2018 with a last minute point by substitute Jack O'Connor. A cruel way for it to end, especially in knockout, but the boot is on the other foot now. I saw enough to say that you will see a lot of these lads at senior yet...on both sides.

Kerry: Marc Kelliher, Dan Murphy, James McCarthy, Owen Fitzgerald, Colm Moriarty, Eoghan O'Sullivan, Eoin Clifford, Darragh Lyne (1-0), Sean O'Brien, Tom Doyle, Dylan Geaney (1-4, 4f), Killian Falvey (0-1), Conor Hayes (0-1), Paul O'Shea (1-2, 1 pen), Ruidhrí Ó Beaglaíoch (0-1). Subs Jack Kennelly 0-1, 1f (for Tom Doyle, 40 mins), Seán Quilter (for Conor Hayes, 40 mins), Alan Dineen (for Colm Moriarty, 47 mins), Patrick Darcy (for Killian Falvey, 50 mins), Paul Walsh (for Ruidhrí Ó Beaglaíoch, 59 mins).

JOE MCDONAGH DEFEAT FOR KERRY HURLERS

Joe McDonagh Final: Westmeath 2-28 Kerry 1-24

This one was a tough watch, to be honest. Just like last year against Antrim, Kerry never really established any grip on this game and the truth

is that Westmeath had it won long before the final whistle. Kerry led just once, after Barry O'Mahony's goal, but John Mitchell responded with a goal and Ciaran Doyle (the twins were outstanding for Westmeath, hardly a surprise) added another just before the break. Davy Glennon had four points on the board. That gave them a 2-16 to 0-14 lead,

Kerry needed to eat into that fast but four wides proved costly as Westmeath hit five in a row. Kerry did battle their way into the game, Pdraig Boyle really wearing the mantle of leadership well, but it was already too late. Mikey landed 1-3 and Cian Hussey 0-3 but the Lake County were never going to lose it from here, not after losing two finals already.

After last Sunday we know that feeling all too well ourselves! Congratulations to them, they did it the hard way. Kerry, who were hampered by a big injury list all through this season, can come back stronger.

Kerry: John B O'Halloran, Eric Leen, Evan Murphy, Conor O'Keeffe (0-1), Jason Diggins (0-1), Fionán Mackessy, Tomás O'Connor, Paudie O'Connor, Shane Nolan (0-2), Mikey Boyle (1-3), Daniel Collins (0-1), Pdraig Boyle (0-7, 3f), Barry O'Mahony (0-2), Shane Conway (0-4, 2f, 1s), Cian Hussey (0-3). Subs: Micheal Leane (for Paudie O'Connor, half-time), Bryan Murphy (for Tomás O'Connor, 43 mins), Maurice O'Connor (for Barry O'Mahony, 54 mins)

KERRY U20 HURLERS BOW OUT TO CLARE

Munster U20 Quarter-Final: Clare 2-20 Kerry 0-15

Normally Kerry would be playing in the B competition, which quite understandably had to fall by the wayside during this pandemic. Clare were always going to be too strong and raced into a 0-9 to 0-3 lead, Shane Punch and Diarmuid Cahill doing most of the damage. Dylan Moriarty, despite missing a couple of scorable frees, was our main threat. Kerry outscored Clare 0-10 to 0-5 in a second period where players like Colin Walsh, Dáire Nolan, Sean Sheehan, Tomás Ó hAiniféin, and substitute Darragh Reen stepped up to the mark. That was encouraging, but the truth is that Clare had relaxed a couple of gears by then. This was a young Kerry side. Almost all U19, but I have to be honest here – the U20 team last year was very young again, and most of them weren't available this year. That's been a trend in Kerry, good young hurlers switching codes just as they are hitting their prime. Perfectly understandable, but maybe pick a few more lads already on the age to inspire players for next year? Michael Lenihan (Dr. Crokes) did come on late in the game for a very impressive cameo.

NO JOY FOR KERRY MINOR HURLERS

Munster Minor Quarter-Final: Tipperary 2-27 Kerry 1-14

It's a similar situation with the minor competitions, and Kerry were never really expected to be a match for Tipperary. The Premier led by 0-8 to 0-2 at the first Water break before 1-2 on the trot by Kerry, the goal coming from Killian Boyle, showed that Kerry might be outgunned, but they weren't afraid to have a go. That was as good as it got, with Tipperary leading by 1-10 to 1-7 at half-time and never really looking back after that. Felim O'Sullivan was Kerry's best player and finished with 0-9 (6f).

MUNSTER U14 LADIES

Munster Championship Round 1: Kerry 3-11 Tipperary 2-10

Congratulations to the Kerry U14s, especially Manager Charlie McCarthy (Rathmore), selector Mike Curtin (Currow), and local girls Maggie Mae O'Donoghue (Spa), Áine Walsh (Scartaglen), Grace Murphy (Rathmore), Lauren Carey (Killarney Legion), Aoise O'Donoghue (Glenflesk), Seodhla Collieran (Fossa), Emma O'Brien, Sarah Palmer, and Suin Horgan (Fries), Sarah Cooper and Siofra Randles (Dr. Crokes), Bríd Curtin (Currow), and Lori O'Connor (Beaufort).

WELL DONE TO MICHEÁL DEVLIN

Congratulations to Micheal Devlin, who gave a fascinating interview on Kerry Radio about his journey from a Kerry minor with Killarney Legion to starring for the University of Georgia before being signed for Duluth FC for the summer and playing a huge part in their successful season, which concluded last week.

GOLF

Congratulations to Seamus Power on winning his first PGA event, the Barbasol Championship in Kentucky, last Sunday. He beat JT Poston on the sixth playoff hole to finish at -21 and now has a four year exemption on the PGA Tour.

ATHLETICS

Ireland's U20 squad had phenomenal success at the European Championships, with Rhasidat Adeleke (100m and 200m), Cian McPhillips (1500m), and Nicholas Griggs (3000m) all returning home with gold medals. Hopefully another confidence boost for Ireland's largest ever Olympic team, especially Kerry's four representatives David Kenny, Monika Dukarska, Aileen Crowley, and Jordan Lee.

REPORTS:

TWO GAMES FOR THE 14'S LEAGUE OF IRELAND

In the EA Sports 14's League of Ireland Kerry had two home games starting with Treaty United in Killarney Celtic on Wednesday night. This was Treaty's first game and they gave Kerry the perfect start when a mix-up between the keeper and defender saw Kerry take the lead inside the first two minutes.

There was nothing between the sides but it was the visitors the finished the half the better getting the equaliser in the 39th minute. Another tight 40 minutes saw neither side able to make the break through and both sides put their first point of season on the line.

In the second game Kerry welcomed Cobh Ramblers to a scorching Kenmare and it was the visitors that were the better side on the day despite a battling Kerry effort. Kerry will be disappointed with the two goals Cobh got in the 7th and 15th minutes through Jack O'Brien and James Traynor. Their third just before half time was an unfortunate own goal.

For Kerry Leigh Meehan, Darragh Lynch and Neal O'Shea went closest to opening Kerry's scoring. The second half was much the same with Cobh adding goals from Devon Gibson and Jack O'Brien with Adam Evans unlucky not to get one back for Kerry.

BOYS REPORTS

12'S COMPETITION CONTINUES

Castleisland were 6-3 winners away to Listowel Celtic. Tadgh McCarthy hit a hat trick for Castleisland with their other goals coming from Bryan Cullhane, Loukas Cotter and Cian Cahill. Ryan Browne got two for Listowel Celtic and Louis Corridan got the third.

A hat trick from Sean Mulvihill and one from Tadgh Dalton saw Listowel Celtic C take the win at Tralee Dynamos B.

MEK Galaxy defeated Killarney Athletic A 5-1 in Fossa thanks to goals from Leo Allan 2, Killian Fitzgerald, James O'Meara and Cillian O'Donoghue with Eanna Hennigan getting the Killarney Athletic goal.

13 BOYS CUP

In the 13 Boys Cup Killarney Athletic's Marcel Kowalczyk put his side 1-0 at half time at home to Listowel Celtic. Athletic pulled away in the second half with goals from Szymon Jasinski, Liam O'Brien, Ben Kelliher and a second from Kowalczyk.

MEK Galaxy won a high scoring game at home to Tralee Dynamos B. Jayden Fennell had a day to remember hitting 5 with further goals from Harry O'Connor, Killian Fitzgerald and David McCarthy.

INTER KENMARE DEFEAT PARK B

IN 13'S SHIELD FINAL

St Brendan's Park B have qualified for the 13's Shield Final thanks to a 6-1 win over Mastergeeha at Kilbreen Park. Their goals came from Johnny Neillings and Edison Jahiri who got two each with Tuoyo King and Jack Daly, from the penalty spot, also scoring.

They met Inter in the final as they got past Tralee Dynamos B in Kenmare. The home sides goals came from Rossa McGearailt, Josh Linnane, Caoileann Desmond 2, Robbie Guest 2, Michael Jones and Micheal O'Mahony.

The final took place in Woodlawn and it was the Tralee that started the better going 2-0 up early on thanks to Johnny Neillings. Inter got a vital goal back just before half time through the hard working Caoilainn Desmond. The second half was end to end and mid-way through Rossa McGearailt levelled the scores at 2-2. A sweet pass from Dylan Treyvaud set up Desmond for his second to put Inter ahead and they wrapped up the win in the last 5 minutes thanks to a cracking 25 yard free kick from Robbie Guest.

Castleisland first team into 13's Plate Final:

Goals from Eoghan Joy, Josh Ryan, Jack Foley 2, Shane Sullivan, Shane Coughlin, Darragh Cahill and Ben Brosnan saw Castleisland A book their place in the Plate final as they defeated Mastergeeha B.

The other semi-final was between Ballyhar Dynamos and Killarney Celtic was tied at the break 1-1 with Anthony Cronin for the home side and Jack Paddy O'Callaghan levelling for Celtic on the stroke of half time. In the second half Cronin added a second for Ballyhar with Conrad Long and Johnny Henderson adding two more in a 4-1 win.

PARK TAKES THE 16 BOYS

FINAL AFTER EXTRA TIME

A two minute spell in the second period of extra time produced the only two goals of a tight 16's boys final played at Killarney Celtic. The goals

went to St Brendan's Park as they defeated a strong Inter Kenmare side 2-0.

The first goal came after Rodrigo Pinho was fouled and Venis Jahiri made no mistake from the penalty spot. And before Inter could re-group Togor Silong made it 2-0 and the win was secured. In other games in the 16's Tralee Dynamos were 3-0 winners over Killorglin.

GIRLS REPORT

In the 12 Girls a hat-trick from Laura Meehan and one from Sinead Lyons saw Listowel Celtic defeat Inter Kenmare 4-2. Grace O'Shea got both goals for Inter. St Brendan's Park made the trip to Inter Kenmare a winning one on Saturday thanks to goals from Malwina JanKowska and Leah Griffin. Killarney Celtic Green defeated Inter Kenmare 3-1 to qualify for the 13's final thanks to goals from Emma Daly 2 and Bethany Moynihan. Phoebe O'Shea replied for Inter.

The 15's girl's game between St Brendan's Park and Dingle Bay Rovers was a cracker. Abigail O'Shea scored for the home side in Christy Leahy Park but goals from Ciara Kennedy and Beth Bambury saw Dingle Bay take the win.

Also in the 15's goals from Saoirse Buckley 3, Tara Desmond 2 and Martha O'Sullivan saw Inter Kenmare take the win over MEK Galaxy 6-1.

Killarney Celtic were 5-2 winners away to Camp Juniors. Michaela O'Meara, Ava O'Malley, Clodagh Moriarty and Aine O'Sullivan were the Celtic scorers.

Dingle Bay Rovers and Killarney Celtic 16's were involved in a cracking game with only one goal separating the sides in the end. Abbie Finnan got the goal for Celtic to take the win in Dingle.

Beaufort golfers to Play in Pink

Beaufort Golf Club – Ladies branch are hosting a "Play in Pink" competition to raise funds for Breast Cancer research. Research into breast cancer allows for the continuing development of both diagnostic and treatment tools. Recent statistics show that one in nine women in Ireland will get Breast Cancer at some stage of their lives. So the Beaufort Ladies are looking for as many of their lady members to play in the weekend competition and are looking for the "Best Dressed Lady in Pink". There will also be a raffle over the weekend and this is open to members and non-members. The Lady Captain Laura Furlong and her Ladies Committee are appealing for as many people to support the raffle as possible. There is some wonderful prizes to be won and would really appreciate if people would call to the golf club, where the Ladies will have an area set up all weekend from the early hours of Saturday 24th to late evening on the 25th July. All donations from the raffle will be donated to the charity..

Left to right, Niamh O'Donoghue Chief Organiser, Lady Captain Laura Furlong, Sally Harvest Organiser.

The Ladies are also appealing to the men's club to actively take part in the raffle and will provide a prize for the best dressed man also. So from the beautiful greens of Beaufort let's try and turn everything a beautiful pink on the 24th and 25th July in Beaufort. Gardening

with Killarney Outlook

by John O'Sullivan

SUMMER GARDEN JOBS

- Keep patio container plants well watered and feed with a liquid fertilizer every couple of weeks.
- If you have Dahlias or Lilies now is a good time to stake them to prevent wind or rain damage.
- Trim back lavender plants if they have stopped flowering so it will keep them nice and compact – you can also prune summer flowering plants if they are finished flowering.
- Prune climbing roses and rambling roses once they have finished flowering unless they are repeat flowerers, then leave them alone.
- Now is also a good time to spray perennial weeds such as ground elder as there is plenty of foliage to absorb the weed killer.
- If possible cut lawns at least once a week, keeping the edges neat.
- Lawns should be fed, if this has not already been done. However, if the sun does come out don't mow as often during long, dry spells as this just lets the grass grow longer plus summer feeds shouldn't be used as this encourages new growth. Lawns in drought areas may turn brown during warm weather in the summer, making the look less attractive, but try not to use a sprinkler as they will quickly recover once wet weather returns in Autumn, if not sooner!

CLERICAL CHANGES ANNOUNCED IN THE DIOCESE

Bishop Ray Browne has announced clerical changes which will come into effect on Wednesday August 4th.

"It has been a difficult and challenging year for every aspect of parish life, with limited or no congregations in church, the restrictions on funerals and weddings, and so much more. Many homes and individuals have been seriously affected. Together, ever there for one another, we have come through.

Sincere thanks to all clergy and the whole community, for their dedicated service. A special word of thanks to parish secretaries", Bishop Browne said

"It is a difficult time to announce the annual clergy appointments. It is difficult for a priest to leave a parish after a year of 'near total lockdown' and it is difficult to move to a new parish with ongoing restrictions on all personal contacts likely to continue.

The appointments this summer reveal the reality of three more parishes to be served by the priests of the Pastoral Area, with one priest taking a leadership role as Moderator.

Lay ministry.

We are grateful to have the support of two priests from Kitale diocese in Kenya, and four other priests on loan from their Missionary Congregation or Order.

Diocese of Kerry Appointments July 2021

Bishop Ray Browne wishes to announce the following changes of appointment of clergy of the Diocese of Kerry:

Retirements:

Fr. Tom Crean, PP Kenmare.

Fr. John Lawlor, PP Ballydonoghue.

Fr. Con Buckley, PP Kilgarvan.

Appointments:

Fr. George Hayes PP Glenflesk to be PP Kenmare.

Fr. Kevin McNamara, PP Moyvane to be PP Glenflesk.

Fr. Brendan Carmody SJ to be PP Moyvane.

Fr. Martin Spillane, PP Caherdaniel, to be PP Brosna.

Fr. Bernard Healy further Studies Rome to be CC, St. John's, Tralee.

The parish of Ballydonoghue will be served by the priests of the North Kerry Pastoral Area, with Fr. Sean Hanafin as Moderator.

The parish of Kilgarvan will be served by the priests of the Kenmare Pastoral Area, with Fr. Joe Begley as Moderator.

The parish of Caherdaniel will be served by the priests of the Iveragh Pastoral Area with Fr. Gerard Finucane as Moderator.

Forgiveness

What can YOU do about sin?

The simple answer is nothing! Does that surprise you?

The bible teaches that the wages of sin is death, but the gift of God is eternal life through Christ Jesus. (Romans 6:23)

He who had no sin became sin for us. Jesus, who was without sin, took our place on the cross: we exchange our guilt for His innocence.

(2 Corinthians 5:21)

From the moment we accept Jesus Christ as our saviour we are free!

(John 5:24)

So don't bear the burden and guilt of your sin for another moment!!

Give it all to Jesus who will readily cleanse, heal,

and forgive you (1 John 1:9)

**We meet at St.Olivers School Ballycasheen

A Word of Victory

Welcome back dear reader "for God has not given us a spirit of fear, but of power and of love and of a sound mind" (2 Timothy 1:7). We have written about fear many, many times, but the level of fear upon the earth attacking people is at an all time high, fuelled by the bad news media and social media in particular, which has brainwashed people into magnifying the negative, and eliminating anything positive or truthful. This is a toxic situation.

"For God has not given us a spirit of fear...." Yes friend, fear is a spirit! God calls it exactly what it is. It is a demonic spirit just like the spirits that Jesus cast out during His earthly ministry. The word for fear here translates as 'timidity'. So what God is saying is He did not give us a spirit of intimidation. This is how fear operates. It intimidates and paralyses the timid person enslaving them into bondage. It takes people captive and they live in a prison shackled to this thing. When a negative situation arises, a trigger button is pressed in that prisoner's personality which can especially occur if the person is overwhelmed and exhausted by problems or difficulties.

This is why many suffer with anxiety in cycles. When things are calm and good the fear goes to the background, but if the red button is pressed they go down 'under the circumstances'. Friend, God never intended for His children to live 'under' anything. The Lord Jesus, the Light of the world, comes to live inside of you if you believe that He is the Son of God who paid the price for your sins to restore you back to Father God in righteousness. And if the Light of the world lives inside of you, then you have His light to guide you with. "God is Light and in Him there is no darkness at all" (1 John 1:5)

The devil and his demon spirits operate in darkness. I'm not talking about night-time. You do not need to be afraid of night darkness if you know the Light of the world. Jesus promises that you can lie down and have sweet sleep, knowing that He watches over you and protects you – read Psalm 91, Psalm 121 and Proverbs chapter 3 to study this. If Jesus is up guarding you and your home, you don't need to be up with Him to help - you need rest, so go to sleep! But the darkness the devil operates in is the darkness of ignorance. God has not given you a spirit of fear, but He has instead given you His Spirit - The Holy Spirit - who brings you God's authority and power; Who ministers God's Love in you and through you; and who brings soundness and peace to your heart and mind through the revelation of God's Word of Truth upon which you can rely. Don't live in darkness as a slave to fear. Instead, ask the Lord Jesus in to light up your life (Psalm 119:130).

Dear Heart of Jesus in the past I have asked
many favours. This time I ask you this special

it.

Then in his merciful eyes it will become your
favour not mine.

Amen.

Say this prayer for three days. Publication of
prayer and favour will be granted.
