Happy Easter to all our readers, advertisers and contributors to the Killarney Outlook. It is certainly shaping up to be a busy weekend with lots happening around the town. The Irish dancers who are in town for this year's An Comhdháil, World Irish Dance Championships at the INEC have enjoyed a fantastic event.

St. Patrick's Festival Committee presented awards to the winners at this year's St. Patrick's Day Parade and a young sister and brother from Killarney had a lucky escape this week as

they flew to Brussels.

There is lots of news from both Primary and Secondary schools in the town including St. Brendan's bid to win the All Ireland Colleges Hogan Cup.

St. Paul's Basketball club took to the catwalk with a few surprise guests and communities around the parish are getting ready for County Clean Up day.

Keep an eye on elderly neighbours over the Easter weekend as it can be a lonely time for them, especially with lots of their usual supports and services closed.

GREEN SHOOTS AT KILLARNEY HOUSE & GARDENS By Aoife O'Carroll

The preview opening of the ornamental gardens on April 3rd marks a new stage in the fascinating life of Killarney House and Gardens. Entering via the new pedestrian entrance next to the statue of Monsignor O'Flaherty on Mission Road, visitors will discover a living piece of history being restored to its 18th-, 19th- and 20th-century splendour.

The project has been a labour of love for those involved, particularly conservation landscape architect Elizabeth Morgan, horticulturalist Cormac Foley, and Muckross and Killarney Gardens horticultural supervisor Gerry Murphy. Using historical material and archaeological digs, a fascinating, challenging collection of styles and features was uncovered, inspiring a space that manages to reference every stage of the gardens' evolution in a timeless manner.

An important element of the restoration was the replanting of the Cherry Tree Walk. Now replanted with healthy new specimens, it returns to Killarney with its spring display of magnificent blossoms. Equally important was the recreation of a section of the Long Terrace Walk, enhanced with a modern planting border to lead the eye to dramatic views of the mountains. This is an example of the axial symmetry that was in voque when Kenmare House was built in 1726. The recreated terrace references the grand scale of the overall design of the original Kenmare House formal gardens and its spectacular views of the lake, while accommodating the Cherry Tree Walk—a more recent addition.

The formal gardens also feature a graceful Patte d'Oie ("goose foot"), so called because of its shape. Other nods to fashions of bygone

KENMARE HOUSE AXIAL TERRACE VIEW 1860's.

days include the colour schemes of the formal gardens. Once established, these will reflect the tastes of the Victorian age, when Lady Gertrude oversaw the garden.

The "Wilderness" area of the garden is only wild in the way the 18th-century Kenmares might have seen it. Planted in straight lines, this designed wooded feature includes chestnut trees, beech and oak, leading the eye toward the same stunning views that the Kenmares would have enjoyed.

When you visit the gardens of Killarney House, keep an eye out for one of its oldest surviving residents. Photographs of the Kenmare House gardens of the 1870s and Killarney House grounds at Knockreer reveal a statue of cherubs that has moved with the Kenmares, witnessing the evolution of their gardens from the 19th century to today and into a rosy future.

1916 – "THE ALL IRELAND BEHIND BARBED WIRE"

There is an interesting documentary on RTE Radio 1 this Saturday (pm) that recounts a famous game played in Frongoch Camp in North Wales where the 1916 internees were held. The game was played between Kerry and Louth and became known as "The All Ireland behind barbed wire". The Kerry team was captained by none other than Dick Fitzgerald who was one of 39 Kerry internees at the camp. Fr Tom Looney, historian and author of "Dick Fitzgerald: King in a Kingdom of Kings" is a contributor to the programme.

There were five Killarney Dr. Crokes players helped Kerry defeat Louth and along with the victorious Kingdom side being captained by Dick Fitzgerald, College Street also included his neighbour Pat O'Shea of New Lane and Mick Spillane, Boherchaol, together with M. J. O'Sullivan and Willie Horgan both of New Street.

This Wolf Tone Tournament Final was played in Frongoch's own Croke Park in Snowdonia following the Easter Rising. "Old" Tom Burke was captain of his Wee County side and is grandfather of journalist Sarah McDonald whose radio documentary "All Ireland Behind Barbed Wire" will be broadcast on RTE Radio 1 at 2pm tomorrow Saturday 26th March. Kevin Stanley, the grandson of internee Joe Stanley the acclaimed "Printer of the Rising", contributes to this Documentary on ONE with his grandfather's original notes on the match. Fr. Tom Looney links the Kerry and Killarney connections with this unique and historic All-Ireland played by 'the Men Behind the Wire' in 1916.

KILLARNEY STUDENT WINS NATIONAL AWARD

A transition year student from St Brendan's College, has achieved third place in the Sports category of the Press Pass awards. Andrew Ouinlivan, received his award from the Minister for Skills, Resarch and Innovation, Damien English TD, last week at a ceremony in the Convention Centre in Dublin.

Andrew wrote about "The Price of Playing Soccer"

Press Pass is a newspapers in education initiative for TY students. A specially created workbook goes out to all participating schools around Ireland in November each year and then we deliver newspapers free of charge over a 2 week period. 7,500 students take part this year. The students then prepare entries for the journalism competition in four written categories (news, features, opinion and sport) and a photojournalism category. The schools put forward the best 3 to the national competition which is judged by a panel of journalists and editors from NewsBrands titles, chaired by Prof John Horgan. Andrew is delighted with his award and went to Dublin last week accompanied by his parents Claire and Con Quinlivan to accept it. Below is Andrew's winning entry.

THE PRICE OF PLAYING SOCCER

By Andrew Quinlivan, St Brendan's College, Killarney

As I type this, West Ham's Andy Carroll has been ruled out of playing soccer for up to six weeks with a hamstring injury. And by the end of February, Andy will have earned himself almost half a million pounds for... oh, yeah, not doing his job. It's a regular occurrence these days that soccer players are offered lucrative contracts, and it's also a regular occurrence for them to get injured. While many of these players stay fit and try to dazzle us with their feet, one thing is for certain: their piggy bank will be heavier come next week. Back in the 1950's a top England player would have earned a total of £1,677 in wages, in a year. Fast- forward to 2016, where almost two grand means nothing to players, where they can afford to let it fall out of their pocket, pay day is coming up. Football is changing and it's changing for the worse.

The average doctor in the UK earns between £75,000- £100,000 a year. Soccer players earn around that in a week without bonuses. Doesn't really make sense if you ask me. Doctors save us from illnesses. Soccer players save us from boredom. And they don't always do that.

These players are receiving exorbitant amounts of cash for kicking a ball. Isn't life so easy for them? Meanwhile the rest of the world almost breaks their back trying to scrape together a few grand before December catches up with them. And these players don't notice the rest of the world. In their eyes, they're the best thing since sliced bread. They've been blessed by the powers above to grace their quick feet on the pitch. And as a reward? Money. Lots of it. Much more than necessary, in fact. Are the players going to cut their salary though? They wouldn't dream of it! What is even harder to swallow is the fact that players sometimes demand more money. "Sorry boss, but the £90,000 a week won't do". So they mean to tell us that they deserve added cash for scoring a few goals? Logic. These deluded players can afford to sit out a couple of games and still make the same amount of money as they would have if they actually did their job. The sickening thing is, some do. "I feel I've got a stomach bug, I don't think I should play tomorrow. Sure I'll still get paid." Take Mr. Andy Carroll for instance. He can't play for 90 minutes without "pulling a

muscle." He's not the only one. Liverpool's Daniel Sturridge has missed more games than he has played for them, and there was once a man called Abou Diaby who spent most of his eight years at Arsenal on the treatment table. Yes, as I type this, West Ham's Andy Carroll has been ruled out of playing soccer for up to six weeks with a hamstring injury. It won't bother him in the slightest. Because his piggy bank is getting heavier and heavier, and we can't do anything about that. I guess that's just the price of playing soccer.

Judging Panel Citation: The average Premier League footballer in England earns in a week what a doctor working for the National Health Service there earns in a year. The great Premier League stars can earn double and sometimes treble a doctor's salary in the same time period. These are just two of the facts that emerge from Andrew Quinlivan's critique of the beautiful game. He tells us that doctors save lives whereas footballers can save us from boredom - and don't always succeed. Andrew's work is as cutting as a good striker should be and well worthy of this recognition.

NEW EXHIBIT OPENS AT DINGLE OCEANWORLD AQUARIUM

Adorable Asian Otters and Reptiles such as Juvenile Saltwater Crocodiles, Iguanas and Snakes are all part of the new Dingle Oceanworld Aquarium exhibition which has just opened.

The new exhibit is especially designed by Nautilus Creative Services of the UK and involved local contractors K&G Construction along with other local trades people.

The overall cost of the project was €750,000 and a number of jobs were created by this expansion. This is part of Dingle Oceanworlds ongoing programme of bringing the rainforest to the people for both education and conservation. The opening coincides with Dingle Oceanworlds 20th anniversary since its opening in April 1996 over 2 million visitors have passed through the doors.

So why not head to Dingle and get up close and personal with reptiles during the daily reptile handling sessions of snakes, bearded dragons, Iguanas and much more at Ireland's largest Aquarium.

ITS ALL HAPPENING AT LORETO NATIONAL SCHOOL

Pupils and staff at Loreto National School certainly don't rest on their laurels and had three celebrations just before breaking up for the Easter Holidays.

On Tuesday March 15th Scoil Bhríde, Loreto N.S. unveiled their Global Citizenship Plaque The plaque recognises the school's long term commitment to work for a better and fairer world. Their actions start with the individual, move out to the family, school and local community and eventually spread to include all of humanity.

In order to achieve the plaque the school, who twinned with a Loreto School in Jicamarca in Peru run a raffle during Lent every year. Funds raised help Loreto children in Sudan and Peru. "We are delighted to be associated with this project and to keep up our connection with Loreto", Mary O'Sullivan, Principal at the school told the Killarney Outlook

The generous children at the school also participate in the Shoe Box Appeal and St. Vincent De Paul Christmas Food Appeal, they supported the Cardiac Arrest First Responder project, families of sick children in Crumlin and a project in Calcutta while the First Communion class give a donation every year to help children with special needs go to Lourdes.

However its not all about raising money.

Scoil Bhríde, Loreto N.S. participate every year in the debates organised by the Teachers' Centre and sponsored by Concern. "The topics make us think about and become more aware of global issues such as water conservation Homelessness, human rights and equality", Mrs. O'Sullivan said.

Throughout the school, individual classes learn about issues like Fair Trade, Global Goals for sustainable Development, Human rights, child labour and poverty in the 3rd world.

With five green flags under their belt the school also participated in the Food Dudes programme and next year plan on participating in the Super Troopers programme which involve the whole family taking on a healthy lifestyle.

Fifth and sixth class in the school took part in the Junior Entrepreneur Project this year. After much market research our Junior Entrepreneurs decided on their project – Loreto Links. They designed, made and sold customised bracelets. "We would like to thank everyone who supported this project, and we are glad to announce a healthy profit. Watch out for these pupils in the future who have a keen eye for investment with high return" said Mrs. O'Sullivan.

CONGRATULATIONS TO SCOTT O'MEARA PUPIL OF SCOIL BHRÍDE, LORETO N.S. WHO HAS QUALIFIED FOR THE WORLDS IRISH DANCING CHAMPIONSHIPS COMPETITION IN GLASGOW. THE SCHOOL ARE VERY PROUD OF HIS ACHIEVEMENTS AND WISH HIM THE BEST OF LUCK.

CONTROLLED PEDESTRIAN CROSSING FOR COUNTESS ROAD

Kerry County Council will be providing a controlled pedestrian crossing at Countess Road, Killarney which was requested by Rory Darcy, Principal, St. Oliver's National School, for improved safety of the children attending the school, Cllr. Brendan Cronin has told the Killarney Outlook.

"I was delighted to have allocated €4000 to this safety project. I wish to thank Kieran O'Halloran,

Killarney Town Roads Engineer, for meeting with Rory Darcy and myself in late 2015 and for preparing the estimated costs for this project which I requested following our meeting. The total cost is €16,000 which has now been paid in full and I wish to thank my fellow councillors who contributed to this vital project also″, he said.

The works are set to commence in the coming weeks.

THANK YOU TO LOLLIPOP DAY VOLUNTEERS

The Oesophageal Cancer Fund (OCF) would like to thank all our volunteers in Kerry who helped with Lollipop Day fundraising on February 26th and 27th this year, without which Lollipop Day could not happen. Lollipop Day is a volunteer led movement which relies on public support to keep research centres open and keep oesophageal cancer in the public consciousness.

ST. PAUL'S TAKE TO THE CATWALK

It was an exciting night of glamour and fun at the St. Paul's Basketball Club Fashion Show in Killarney Racecourse last Friday night. The event attracted a capacity crowd and was a huge success for all involved, particularly for all those who were strutting their stuff on the catwalk for the very first time.

The highlight of the night was the performance on stage of the Healy-Rae brothers. Deputy Michael Healy-Rae TD appeared at the very start of the show in the blue Kerry football jersey, togs and socks and got a great reaction.

Newly elected TD Danny Healy-Rae was a huge crowd favourite when he strutted his stuff on the catwalk in the second half of the fashion show. Modelling the green and gold Kerry football jersey, togs and socks, Danny brought the house down and also entertained the crowd with a rousing rendition of traditional music on his accordion while his daughter Elaine joined him on stage playing the tin whistle.

Popular local radio personality Brendan Fuller was another familiar face on stage while well known basket ballers Philip O'Connor and

Jordan Lee also took to the catwalk. Kerry Stars Special Olympian athlete Janet O'Donoghue was one of the many other models which included several juvenile members of St. Paul's Basketball Club.

Several spot prizes were won in the raffle while the winner of the door prize of a hotel break at The Maritime Hotel Bantry (sponsored by Gleneagle Group) was Vera Healy.

victory over
St Benildus

College from Dublin in the semi final of the All Ireland Colleges Hogan Cup on a 4-15 to 0-9 scoreline to reach the final for the first time since 2010 when they were defeated by St Colemans Newry. The "Sem" previously won the Hogan Cup on just two occasions - in 1969 and 1992 – and that is not a great return for a side that have won 21 Corn Uí Mhuirí titles. They will be trying to make up some lost ground however when they take on St Pats Maghera or Summerhill College, Sligo in the final on Saturday April 2nd in Croke Park.

In preparation for the game, the parents of St. Brendan's are organising a Monster Table Quiz in the Malton on Wednesday March 30th. Adult tables of four cost €40 while student tables are also available at €20.

MONEY MATTER

By Dermot Cronin, Financial Advisor

DO YOU FEEL FINANCIALLY SECURE?

In a recent study it was found that people in the 41 to 50 age range feel more financially secure than people in their 30s. The study found that people aged 31 to 40 felt less financially secure than those in other age groups.

According to the study's findings, nearly 30% of people aged 31 to 40 feel financially insecure. The study also found that those in the 41 to 50 age range feel more secure at present, but worry about their income at retirement. Obviously the closer you are to retirement the more of an issue your retirement becomes especially in relation to your retirement

The lack of financial planning can have a massive negative impact on people's wellbeing, as well as their actual finances. So no matter what age bracket you are in you will need financial advise at some stage whether it's about your savings, pension, mortgage, life insurance, investments etc. You should discuss your financial affairs and options with someone you can trust and preferably someone that is independent.

To discuss this or any other matter you can contact Dermot Cronin APA at 064 66 22775 or dermotcroninifa@gmail.com

BREWING UP FOR MS IRELAND

With first hand knowledge of the disease, two local enterprising ladies have taken out the aprons and dusted off the tea pots to hold a social coffee morning for MS Ireland in the Killarney Royal Hotel from 9:30am - 12pm on April 2nd.

Ann Marie O'Leary and Tara O'Donoghue are busy preparing for this event with all proceeds going to the South Kerry Branch of

"We both have links with the local branch of MS with my mother in-law, Mary O'Leary of Countess Road who passed away in 2011 and Tara's mother, Maire O'Connor of Woodlawn Park, who passed away a number of years ago from the disease" said Ann Marie.

"Its a small way of giving something back to a local organisation who do so much good work for the individuals and family's burdened with this progressive debilitating disease".

"With great support from local businesses and the Royal Hotel, we have a great social morning organised with loads of tea and coffee and plenty of delicious treats. We also have a great raffle arranged with some fantastic prizes to be won. We hope the local community will come out and support this fun social event and we

can help to raise some much needed funds for MS Ireland - South Kerry Branch".

Nine thousand people and their family members live with Multiple Sclerosis across Ireland and of that nine thousand there are 1075 people with MS in the Southern Region (Cork & Kerry). Although MS is a progressive neurological condition that can affect a person's health, lifestyle and relationships many people with MS find ways to manage and cope with many of the affects and difficulties.

Multiple Sclerosis Ireland is the only national organisation providing information, support and advocacy services to the MS community.

A HOPPING GOOD TIME FOR AN EXCELLENT CAUSE

The Easter Bunny was in Killarney a week early to meet over 400 local families as they enjoyed a sun-filled afternoon of fun and activities at the Malton Hotel.

The charity Bunny Hop tea party included an animal road show, bouncy castle, magic show, puppet show, face painting, balloon modelling and a children's dance much to the delight of the kiddies who enjoyed this fantastic day out.

The Easter Bunny in his role as guest of honour, lead the excitement of the Easter Egg Hunt and was joined by numerous friends including Minnie & Mickey Mouse, Buzz Lightyear and Woody to name but a few. The delighted children (and adults!) skipped along in the sunshine, gathering eggs hidden throughout gardens at The Malton.

In addition to the entertainment and activities, The Malton's Executive Head Chef, Will Fitzgerald, created a tempting Afternoon Tea featuring a delicious array of freshly baked miniature cakes, pastries, and breads, as well as dainty finger sandwiches, along with a 'Cake Pop' creation station for little ones and a decorating demonstration hosted by The Malton's Head Pastry Chef. The children also enjoyed a pop-up sweet shop and each guest departed with a Malton goodie bag.

The event was hosted by the Scally family and all profits from the event will be donated to Down Syndrome Kerry, a non-government funded charity, which relies on fundraising events to provide vital services in Kerry.

GREAT TURNOUT FOR TIM MOORE QUIZ

The organisers of a quiz to help to generate funds to bring children and young adults to Lourdes have thanked big-hearted supporters who ensured the event was a major success.

A total of 32 tables of four turned out at the Gleneagle Hotel on Tuesday night to participate in the Tim Moore memorial quiz, dedicated to the memory of the late local accountant who was a dedicated fundraiser for the Irish Pilgrimage Trust.

The event raised in excess of €2,000 will enable two young people to travel on pilgrimage this Easter.

Six groups of children and young adults from

Kerry, with physical and social needs, will travel on this year's pilgrimage, starting on Easter Sunday until the following Saturday, as part of a 1,000 - strong group from Ireland.

"We are absolutely delighted with the support we received and we want to thank everybody for their help," said quiz organiser Kieran Coffey, from Fossa, who will lead a 21 - strong group, including carers, on the pilgrimage.

He expressed his gratitude to all those who helped in any way, particularly Cathal Walshe who has been the guizmaster for the 26 years of the event, the Moore family for their support and all those who helped on the night.

CLLR. CALLS FOR SUPPORT FOR KDYS

At the March meeting of Kerry County Council, Councillor Michael Gleeson asked that the Council would give every possible support to Kerry Diocesan Youth Service in its laudable efforts to achieve the Council of Europe Quality label for the KDYS youth centre at Fair Hill,

Councillor Gleeson stated that if awarded the European accreditation the centre at Fair Hill will be a location of innovation where volunteers and professionals, both national and international, will design and develop ideas and initiatives to ensure a brighter future for all the youth of the county.

The proposal by KDYS has the active support of Comhairle na n-Óg. If the application is successful the KDYS centre will be only one in Ireland so recognised.

Kerry County Council agreed to support the formal request to Europe."

Are advertisements saying that landlords won't accept tenants getting Rent Supplement allowed?

ANSWER

Equality legislation applies to lettings and accommodation. The Equal Status Acts 2000-2015 ban certain kinds of discrimination. Broadly speaking, discrimination means that you receive less favourable treatment than other people in a comparable situation on grounds of gender, civil status, family status, sexual orientation, religion, age, disability, race or membership of the Traveller community. Landlords cannot discriminate against potential tenants on these

Since 1 January 2016, following an amendment to the Equal Status Acts, landlords cannot discriminate against tenants because they are getting Rent Supplement or any other social welfare payment, or a Housing Assistance Payment (HAP).

This means that landlords can no longer state when advertising accommodation that Rent Supplement (or HAP) is not accepted and they cannot refuse to rent you accommodation because you are getting Rent Supplement, HAP or a social welfare payment.

However if you are sharing with the home owner (under the Rent a Room Scheme, for example), a license agreement exists and the Acts do not apply. There are some other

If you feel you have been discriminated against by a landlord or their agent, you can contact the Workplace Relations Commission to find out more about making a complaint under the Equal Status Acts. Visit workplacerelations.ie for contact details.

DIVISION 2 CO LEAGUE RESULT: LISTRY V WATERVILLE:

Venue Listry. Sunday March 20th.

Listry's return to Division 2 of the county league resulted in a win over Waterville at home on Sunday last. Final score Listry 1-8 Waterville 0-9. Listry promoted from division 3 and Waterville who were in division 1 last year met in this opening round played in Listry. Listry were first to settle and led by two points after 8 minutes, these coming from Billy O Brien and Derry Ahern. However Waterville then took control and scored 3 points without reply from Finan Clifford and 2 pointed frees from Barry Dwyer. On the 20th minute the game saw a crucial score when Derry Ahern rattled the Waterville net to restore Listry's lead. Barry Dwyer and John Foley exchanged points before Waterville, through Kevin Dwyer and 2 from Barry Dwyer put them back in front at half time. Waterville 0-7 to Listrv1-3.

The second half started much like the first with

Listry playing the better football and scored 3 points without reply from Derry Ahern, Ronan Buckley and Gary O Sullivan to go back in front. Waterville's first attack of the second half led to a double save by Listry goalkeeper Colm Counihan. In spite of Listry's dominance they failed to pull away and a few missed opportunities had their supporters worried. Barry Dwyer closed the gap to the minimum with a pointed free. Waterville then lost Alan Dwyer to a red card following a second yellow. Ronan Buckley then restored Listry's lead to 2 with a great point. Barry Dwyer again reduced the lead to 1 before Ronan Buckley completed the scoring to leave Listry winners on the score Listry 1-8 Waterville 0-9.

Listry now face All Ireland Intermediate champions St Mary's in the next round and Waterville face Laune Rangers.

with Dan O'Shea and John Buckley combining well. Connie O'Connor scored Gneeveguillas forth point with an excellent run from wing back and a one two with Mike Murphy before pointing from a narrow angle. With 14 min gone Gneeveguilla looked comfortable 0-04 to 0-01. Currow then started to dominate around the midfield and half back line and kicked the remaining 3 points to leave the sides level at half time 0-04 to 0-04. Currow were the brighter team after the half as Mike and Pa McCarthy kicked over the first 2 points. Gneeveguilla responded with a Padraig O'Sullivan free to leave 1 between the teams with 12 minutes gone in the 2nd half. Currow then hit a purple patch kicking the next 3 points without reply one of those an excellent solo run by Pa McCarthy. Currow were then reduced to 14 after a dangerous tackle on John Sheehan but Gneeveguilla could only respond with 2 frees from Padraig O'Sullivan to leave us trailing 0-08 to 0-09 at the full time whistle. DR CROKES CLUB NOTES

COUNTY LEAGUE 2016 ROUND 1 AND

2015 LEAGUE FINAL: Even though we eventually won this game by six points, we got a big scare at the three guarter stage when Austin Stacks ran through us for 2-1 to leave just one point between the teams. We got back on top again and had the next three scores a goal and two points, the major a well taken effort by substitute Jordan Kiely. The teams exchanged points on two occasions in the last fifteen minutes to leave us six point winners at the end. The first half was played with great intensity by both sides. We however took our scores better than our opponents. In this thirty minutes both defences failed to deal with forwards running at them. Stacks problem was that they didn't convert the chances presented as well as we did. We went on this first thirty minutes to score 2-9 to our opponents 1-5, which gave us a good interval lead of seven points. We had two points to Austin Stacks one in the third quarter, a period when both sides were short of ideas. Then came our opponents great fight back and their reducing of our lead to the minimum. We did however close it out in the last quarter to add another County League Division 1 title to our collection. Our best players on the day we're Eoin Brosnan, Fionn Fitzgerald, Mike Milner, Brian Looney, Colm Cooper and Daithi Casey.

NEW SPONSORSHIP AND JERSEY

Following discussions over the past few months Dr Crokes are delighted to welcome on board Patrick O' Sullivan and Maurice Regan who have joined forces to give our club a great boost as we start out on a new football season. Patrick O'Sullivan as you know is the current County Board Chairman but he and his family have been steeped in the Dr Crokes club for quite a number of years. Patrick has previously served as club chairman, his wife Frances is our current club registrar, Deborah Ann, Patrick's sister, looks after our club shop but both ladies also contribute in many other areas within the club, Patrick's mom, Bridie, has been also been involved within the club over the years, while Eddie, Patrick's dad, has not only been a great supporter of the club for many years, he has also managed and been a selector with many underage and adult teams in the Crokes, the latest member of the family to get the managerial bug is Patrick's brother, Edmund, who has been doing tremendous work as our Minor team manager for the last few years.

Maurice Regan is a Kerry native, a very

successful business man based in New York and is President and CEO of construction giant JT Magen & Company. Maurice is a good friend of Patrick's, is a long-time supporter of the Dr Crokes and we are delighted that he has now taken his support to another level. Dr Crokes would like to acknowledge the generous Sponsorship provided by the INEC / Gleneagle / Scotts over the past 6 years and are pleased to note the INEC / Gleneagle / Scotts will continue to be an associate Sponsor.

During these years our senior team won four senior county championships in a row, competed in four Munster senior club finals winning three Munster titles in a row and competed in three all-Ireland Senior Club semifinals. During this time our second team, u21s and minors have also been simmering away nicely winning titles at County and East Kerry level and all the while carrying the O'Donoghue family brand on their jerseys.

LEGION GAA NOTES

COUNTY LEAGUE: LEGION 0-7 DINGLE

0-8: Our seniors opened their County League campaign in Derreen on Sunday afternoon and unfortunately it was the visitors who walked away with the spoils, despite playing the majority of the game a man down.

Dingle started much the brighter and took the lead through Paul Geaney's thirty-five metre free in the opening minutes. He repeated the trick soon after, this time popping over a handy one following a foul on the lively Tomás Mac a' tSithigh. Legion spurned an opportunity to strike back just moments later when Tom Moriarty was unfortunate to see his shot fly wide. The home team did manage to pull one back in the 13th minute when Conor Keane pointed a free and he almost fired Legion into the lead just moments later, his improvised outside-of-the-boot effort cannoning back off the upright. Paul Geaney re-established Dingle's two-point lead midway through the first half, evading his man with a dummy solo before firing over a marvelous point with his left foot. Tom Moriarty replied with a fine score of his own to reduce the deficit to one again, but this was as close as Legion would get to their opponents until the 60th minute. Paul Devane, who was in superb form down Dingle's left wing, pointed from distance and the lead was back to two. With nineteen minutes on the clock, Dingle were reduced to fourteen men when Jamie O'Sullivan took an elbow to the face. This should have been a big psychological boost for Legion but surprisingly it was Dingle who powered on and finished the half the stronger, two lovely scores by Paul Geaney and Tomás Mac a' tSithigh extending their lead to four. Legion 0-2, Dingle 0-6 at the break.

Things could have gotten a whole lot wore just a couple of minutes into the second period when the referee awarded Dingle a penalty, but Conor Geaney struck his low effort wide of the post, Conor Keane and Paul Geanev exchanged pointed frees and Dingle led by seven points to three with just a quarter of the game to go. As the game went on, tensions began to rise and another unfortunate incident saw Dingle reduced to thirteen men on the 45 minute mark. Now playing with a two man advantage, it seemed as though momentum was swinging in Legion's favour. Billy McGuire kicked an excellent score and Jamie O'Sullivan gathered well before swinging over a well-struck point to cut the lead to just two with ten minutes to go. Legion midfielder Jack O'Neill was shown a black card in the 23rd minute and Paul Geaney, ever the deadeye in front of the posts, kicked his fifth point of the day from the resulting free. Legion pulled one back through first half substitute David O'Sullivan, who capped a fine showing with a typically accurate kick at goal. Dingle were up two with five minutes to go when Tom Moriarty picked up his second yellow and the game's third red card following an altercation with Mikey Geaney on the sideline. Legion piled on the pressure in the final few minutes but Dingle were dogged and intelligent in defence. As the game went into added time Derek Twomey, who had earlier replaced the black-carded O'Neill, found a pocket of space to bring Legion to within one, but thirteen-man Dingle dug in their heels and hung on for an impressive away win.

LADIES Congratulations to Tara Murphy who played the full game at corner back as the Kerry U-14 girls beat Cork on Saturday.

Unfortunately the minors came up short against the same opposition but well done to the Legion contingent of Elizabeth Mohan, Isabelle Corridan and Rebecca Murphy.

And finally great news on the senior front as our ladies put in a great performance to win their first match of the season against Annascaul/ Castlegregory. They ran out 2-06 to 0-4 winners in their Division 4 Championship opener.

MINORS Well done to the minors who bounced back from last week's defeat to Beaufort to beat Rathmore on a 2-11 to 1-11

SEM St Brendan's College have qualified for the Hogan Cup final after another resounding victory, this time defeating St Benildus College (Dublin) on a 4-15 to 0-9 scoreline in Nenagh. All four Legion representatives played their part: Cian Gammell started corner back, Peter McCarthy played wing forward and kicked two points, and both Finbarr Murphy and Michael Pierce came off the bench. The opposition is yet to be confirmed but the final will take place in Croke Park on April 2nd.

ACADEMY The Academy continues this Saturday, March 26th at 10.30am. The Academy caters for boys and girls aged 4-10 and, as always, new members are more than welcome. If you'd like to register a child you can do so at the pitch this Saturday.

RATHMORE/GNEEVEGUILLA **COMMUNITY GAMES**

Well done to our U11 Mixed Basketball panel who took part in the County finals in Castleisland last Sunday. They started out playing a strong Currow team in their first game which ended up a close game won by 2 points but unfortunately their second game against Glenflesk didnt go their way... This left us with a decisive match against the actual winners on the day 'Castleisland'. The result in losing this game meant that we couldnt go any further in the competition. A great bunch of children who we would like to thank very much for taking part... better things ahead for them all.

Leah Daly, Orla Cronin, Tara Jones, Grace Murphy, Leah Murphy, Shane Daly, David McCarthy, Padraig Moynihan, James Twomey. JUVENILE NEWS: U12 GIRLS DIV II: KILLARNEY COUGARS 35 ST BRIDGETS 21

A strong display by Killarney Cougars as they hosted the girls from Currow at the Pres Gym in the final league game for both sides and a very entertaining game saw Cougars finish with a big scoring burst in the final gtr to take the points. Cougars returned to full strength for this game but trailed by three points in the opening qtr with Emma Buckley and Doirean O'Sullivan both scoring well for St Bridgets. Cougars got in to their stride with Edel Horgan and Sophie Dennehy both on target to get Cougars back on track to give the home side the lead at half time by 20 15. The teams went basket for basket in the third gtr with the game slowing down before Cougars opened up in the final gtr with Sophie Dennehy dominating inside to get some great baskets with Alicia Burke coming into the game to get some guick baskets late on the fast break. Cougars finished comfortable winners with a slightly flattering winning margin despite a great effort by St Bridgets that kept them in contention until the closing minutes of what was a very competitive game.

U14 GIRLS DIV II: KILLARNEY COUGARS 30 TRALEE IMPERIALS 20: A great game at the Pres Gym between two well matched sides that had little to separate them until the closing minutes. The teams went basket for basket in the first half with Cougars Maud Kelly and Sadie Myers scoring some good baskets with Chloe Fitzpatrick and Caoimhe Leahy both responding well for the visitors with some well worked baskets. The game was played with great energy as both teams sensed victory was within reach with very little between the sides until Cougars went to the bench late in the third qtr and found their scoring touch with good scores from Fiona Dineen and Aoife

Kissane to edge ahead 22-18. The final qtr saw defences on top before a final flourish from Cougars who pressed the Imperials into several turnovers which led to good opportunities to Maud Kelly who finished with a couple of late baskets to secure the points for Cougars in a well contested game.

U11 BOYS DIV I:

KILLARNEY COUGARS 21 BOBCATS 28

A great game saw the League Leaders coming to Killarney in their final game to get the win that would see them go the season unbeaten in both the league and cup and the Bobcats duly obliged despite a determined effort by Cougars who contributed to a good game. The visitors held the early lead thanks to baskets by Calum Prieslty and Jack O'Flaherty with Cougars slow to get into the game in the first half. Cougars had the better of the game through the second half with Killian Caufield Drier and Daire O'Brien and Mark Daly all on target with some great scores. The Bobcats responded to Cougars comeback to get a couple of good baskets to secure the points in a very entertaining game in what was a perfect season for the Bobacts who went undefeated. Cougars had good peformances from Rocco Sheehan, Roan Daly, Mark Daly and Ted O'Gorman.

CORK OPEN U12 BOYS: Killarney Cougars U12 Boys were up and on the road at 7am last Saturday morning as they set off to the Parochial Hall Cork and came through a tough schedule to make through to the Top four. Cougars were the opening game of the day and came out all fired up for their first game on the courts in Cork as they dominated to take the opening game scoring a season high 54pts to brush aside the challenge Carrig na bhfear Rebels. Cougars came through the group stages and after a thrilling game with Ballincollig which needed overtime Cougars came through to meet undefeated Cork Champions Blue Demons. The Demons playing on their home court with good support were in top form but Cougars took the early lead and surprised the home side in a fiery opening qtr with the sides tied 14-14 at the end of the qtr with Cian Doyle, Rian Colleran and Patrick Lyons in top form for Cougars . The sides went basket for basket before the home side finally got on top in the late in the second gtr to finish the gtr ahead 26-20. Cougars struggled through the early stages of the second half but staged a recovery to finish well but Demons once ahead were hard to catch as they finished winners 43-38 after a very entertaining game. A very good weekend for the Killarney boys who enjoyed a successful days great basketball.

KERRY SELECTIONS: The Killarney Cougars will have four more players involved with Kerry teams at the weekend Inter Area Tournament with Shelly Clifford, Megan O'Donnell, Kate Stack and Ruiari Murphy all involved in the University Arena Limerick. Cougars Jourdan Devoll represented the Kerry Mens in the NAIC finals earlier this month as they went all the way to the Final, we hope the Kerry juveniles will enjoy similar success at the weekend.

SENIOR NEWS: KILLARNEY COUGARS 91

ST BRENDANS 98: The Cougars final game of the season saw Cougars come up against a very strong St Brendans Tralee and the National Intermediate Cup Champions proved to strong in a high scoring game. Cougars led 28-23 at the end of the opening qtr thanks to the three point shooting of Darren Gaffey 8 pts and a further 8 pts by Eugene Bowler with Fergal O'Sullivan three pointers keeping them in touch. Cougars just held onto the lead at halftime 52-50 with Dan Cronin and Darren Gaffey again contributing with some excellent three pointers. The pace of the game took its toll on the Cougars and St Brendans punched into the lead with Donaghy dominating on the boards and further three pointers from O'Sullivan saw the Tralee side ahead 77-74. Cougars tried hard in the final gtr but the Tralee side maintained the lead to the end despite Cougars best efforts of Kevin O'Regan, Niall O'Brien and 27 points from the in form Darren Gaffey. KILLARNEY SWIMMING CLUB NOTES

Well done to all our swimmers who took part in the "B" gala in Tralee on Saturday the 19th of March. We are now moving into the business end of the swimming calendar with swimmers from all clubs reaching their peak of fitness, making it far more difficult to win medals. Despite this, Killarney swimmers were the big achievers on the day, winning nearly a third of the medals on offer. Congratulations Killarney! BOYS UNDER 11: Ross O'Leary had a marvellous day out, showing true class to take gold in the 100 metres backstroke and the 200 metres Individual Medley and silver in the 200 metres freestyle and the 100 metres breaststroke.

GIRLS UNDER 13: Once again, Saibh O'Brien was in scintillating form winning gold medals in the 100 metres backstroke and the 100 metres freestyle and a silver medal in the 200 metres freestyle. Aisling Coffey, new to this category, showed some serious potential seizing silver in the 100 metres butterfly and bronze in the 200 metres freestyle.

BOYS UNDER 13: Charles O'Brien gave us a masterclass in style winning gold in the 100 metres backstroke, gold 100 metres breaststroke and silver in the 200 metres Individual Medley. Meanwhile, Ethan O'Neill took a fine bronze in the 100 metres breaststroke, in what was a very competitive section.

GIRLS UNDER 15: In this category, two Killarney girls stood out with Emer Dineen winning a well-deserved bronze in the 100 metres butterfly and Meadbh O'Sullivan, showing a return on all the hard training by winning bronze in the 100 metres breaststroke. **BOYS UNDER 15:** Sean Farndon was really up for a fight on the day and literally left other swimmers in his wake to take gold in the 200 metres Individual Medley, silver in the 100 metres breaststroke and yet another silver in the 100 metres freestyle. However, the biggest prize of all was that Sean made his "A" grade times on the day! Sean now moves out of "B" gala competition - competitors at "A" galas can only tremble. Paul O'Leary was another man on fire winning gold in the 100 metres breaststroke, silver in the 100 metres backstroke, silver in the 200 metres Individual Medley and a bronze in the 200 metres freestyle. Well done, Paul.

GIRLS OVER 16: Janine O'Connor once again swept the board in this category winning gold in the 200 metres freestyle, gold in the 100 metres backstroke, gold in the 200 metres Individual Medley and silver in the 100 metres breaststroke. With some superb tumble-turns and speed off the blocks, Emma Quirke took silver in the 200 metres freestyle, silver in the 100 metres backstroke, bronze in the 200 metres Individual Medley and bronze in the 100 metres breaststroke. Certainly a swimmer to watch out for in upcoming galas.

RELAYS: In the girls under 12 freestyle relay event, the Killarney team of Aisling Coffey, Maura O'Keeffe, Ellen O'Connor and Saibh O'Brien were, quite simply, a force of nature. Taking the lead from the moment the race started, they never lost that advantage and by the time Saibh O'Brien took to the water on the final leg, the gold medals were well and truly in the kitbags. Well done, girls and particular congratulations to Saibh O'Brien who also made her "A" grade times and moves out of "B" galas. While this will be a huge loss for this brilliant young relay team, the search for a replacement has begun already with the coaches tight lipped on potential candidates! Unofficially, we understand that assessments will continue until May when the new relay team will be announced.

Thanks to our coaches, Cathal O'Brien and Leontia Doody, who gave huge support and encouragement to all swimmers on the day and to our team manager, Samantha O'Connor who, as always, was there to deal with all trials and tribulations as they arose. Thanks also to all parents for travelling and for assisting in the timekeeping down on deck.

KILLARNEY ATHLETIC NOTES

RESULTS: DENNY PREMIER A KILLARNEY ATHLETIC

CASTLEISLAND: With the score 0-0 at half time Athletic fancied their chances of a home win. However Castleisland raced into a 3-0 lead early in the second half. Adam Moynihan scored a spectacular free kick to give our side hope but unfortunately it finished in defeat.

ATHLETIC KILLARNEY BALLYHAR DYNAMOS: For the second time this season Athletic defeated Ballyhar Dynamos 1-0 and the visitors certainly deserved at least parity in both fixtures. On a day when Athletic struggled to find any fluency this was a result born out of hard work and perseverance. The introduction of Ian Prendergast to centre midfield added some much needed energy in that sector. While the home sides defence repelled a series of corners, chances at the other end were few and far between. But with the destination of valuable league points in the balance it was Prendergast who passed the ball to the corner of the Ballyhar net to settle the

RESULTS

MUNSTER JUNIOR CUP QUARTER-FINAL: JANESBORO 4 KILLARNEY

CELTIC 1: We were highly disappointed to exit the Munster Junior Cup at quarter-final stage, but hugely proud of the battle our understrength team put up, given that we were missing no less than 6 regular starters. Youth players Cian Casey, Adam Polinenka, and Pable Ferreno stepped up fantastically to the challenge on their debuts for the seniors. Celtic made a good start and regulars Wayne Sparling, Gary Keane, Conor Randall, Jamie Spillane, and Fergal O'Donoghue were brilliant from start to finish. Kevin Moriarty and David Hayes joined the starting line-up for the first time this season and played superbly, as did

KILLARNEY SOCCER

John McDonagh and Anthony O'Leary on their welcome returns. Had Celtic their full squad it is quite likely that the result may well have been different; nonetheless we congratulate a sporting Janesboro and wish them all the best in the competition. Conor Randall put away a great goal for us from a pinpoint Wayne Sparling cross. A superb performance from a remarkable group of players.

KILLARNEY **GOLF** AND FISHING CLUB

MEN'S CLUB REPORT AND RESULTS. **OPEN DAY, KILLEEN COURSE 17/03/2016.** Men's Captain Liam Hartnett was in the

second group to tee off in the first "Open Day" competition of 2016, played on St. Patrick's Day, at 7.20 a.m. on Thursday the 17th March, which had a huge turnout of over 120 competitors, and a good proportion of those competing were from outside courses, such was the enthusiasm to get to play Killeen, and to see at first hand some of the course repairs and improvements undertaken by our Course Manager Enda Murphy and his team over the last three months or so, which were done as and when weather conditions allowed. The general consensus of opinion was indeed most positive which is most gratifying to all of those concerned in those repairs and improvements which will greatly enhance playing conditions on the course in the fullness of time, and which we will enjoy for many years to come when they have all bedded down.

Liam said that It was great to be back on Killeen course once again, and that we can now look forward to getting our competition schedule "back on track" for the remainder of the year.

The competition results are as follows, and as it was an open competition then there were only three prize-winners.

1st Eddie Coleman with 42 points, playing off 12 handicap.

2nd Alan Flannery with 41 points playing off 19 handicap.

3rd Eoin O'Donoghue with 40 points (back nine) playing off 9 handicap.

Apart from the winner, our own Eddie Coleman, with a great score of 42 points the next most notable score was by Alan Flannery who is a brother of our Club Secretary/Manager Cormac Flannery, and who is a member of Ceann Sibheal, who was second with 41 points and had a most impressive 24 points on the back

Standard Scratch was not in play due to the temporary green on the 8th hole, which was brought about by the current up-grading of the water hazard at the greenside on that hole.

25 of those who competed played to, or bettered their handicap, and this was a fair testament to the condition of the course which had undertaken such a ferocious battering in the winter storms which started with Clodagh, on the 28th of November last, followed by Desmond, Eva, Frank, Gertrude, Henry, Imogen, and finally with Jake, which was as recent as the 2nd of March.

FOURSOMES QUALIFIER, ON CLUB "KILLEEN" ON EASTER SUNDAY THE 27TH OF MARCH.

31 teams qualifying to join our Club Captain and his partner in the knock out stages of the competition. Entry for this competition will be via the Club on-line system, with times running from 7.30 a.m. to 2.30 p.m.

CLUB WEBSITE, MEN'S SECTION, UPGRADE.

Liam Hartnett also wishes to advise all members that a very substantial upgrade of the website for the "Men's Club" section has recently been undertaken by Men's Club Committee member, and our Handicap Secretary James Curran, James has spearheaded and single handedly undertaken the task of this upgrade, the result of which can be very easily seen with a much easier and more user-friendly and informative website now in place, than what was there heretofore. James himself stresses that it is still a "work-in-progress", but a cursory viewing by all members, which Liam strongly encourages, will convince everyone that what James has already put in place is just fantastic, and he is to be complimented on his initiative, expertise and enthusiasm for what he has already put in place.

DRIVERS AND CYCLISTS

ADVICE FOR DRIVERS AND CYCLISTS SO THAT ROADS ARE SHARED SAFELY

Many people are getting back on their bikes or taking up cycling as the most convenient (and cheapest) way to get around

The following are key tips for safer and confident cycling.

Be aware of the driver's blind spot when passing lorries and buses. It's often safer to hang back. Pay attention to what is going on around you and be aware of what other road users might

Try to make eye contact with drivers so that you know they have seen you.

Ride assertively, away from the gutter. If the road is too narrow for vehicles to pass you safely, it may be better to ride in the middle of the lane to prevent dangerous overtaking.

Ride in a straight line past parked cars, rather than dodge between them, and allow at least a full door's width between you in case the doors are suddenly opened.

Wait in front of other vehicles at traffic lights. Use the advanced stop line for cyclists if there is one.

Don't ride through red traffic lights.

Use appropriate hand signals when making a left or right turn.

Wear bright clothing in the day and reflective clothing or accessories at night.

Use lights after dark; white at the front and red at the rear.

Wear a helmet.

Keep up to date with your knowledge of the Rules of the Road and follow its advice.

RULES FOR CYCLISTS:

Cyclists have the same rights on the road and as a driver you should remember that you are sharing the road with cyclists.

Cyclists are more vulnerable than car users take particular care near cyclists and give them plenty of room at all times.

Expect cyclists in unexpected places – always check your mirrors for cyclists before turning. If you're uncertain as to the intention of another road user – including cyclists – hold back rather than risk a wrong assumption.

Watch out for cyclists coming up on your near side when turning left or moving over to the left - check mirrors and blind spotscarefully. Give as much room as practically possible when over-taking a cycle

When parking check the door mirror and look behind you before you open the door to make sure you don't hit a cyclist.

When turning left allow any cyclist ahead of you to pass the junction rather than overtake them and turn sharply across their front wheel. Don't overtake a cyclist if you can see that the road narrows ahead – if they're travelling faster than you think you could end up squeezing them off the road.

Don't drive aggressively around cyclists or sound your horn

Cyclists may be travelling faster than you think (could be 20mph plus) - judge their approaching speed with care before pulling out at a junction.

Take special care on roundabouts - you must give way to any vehicle approaching from the right and that includes cyclists.

Be prepared to wait behind a cyclist turning right in the same way you would for a car - rather than squeezing past or getting impatient.

Don't park in cycle lanes – you could be forcing a cyclist into a dangerous situation and will be committing a road traffic offence if you drive or park in a cycle lane marked with a solid white line.

Match your speed to the conditions and make sure you will be able to stop well within the distance that you can see to be clear on country roads there could be a group of cyclists, a horse rider or pedestrians around the next bend.

At night, use dipped headlights when approaching cyclists as you would when approaching any other road user.

Allow cyclists extra room in wet weather as surfaces will be wet and slippery.

Consider riding a bicycle for some of your own journeys to get a better understanding of the risks cyclists face.

SENIOR FOOTBALL: CREDIT UNION CO **LEAGUE DIV 1:**

CASTLEISLAND DESMONDS 0 - 13KILCUMMIN 0-10. Losing to Desmonds on Sunday our supporters will be disappointed that the team did not do itself justice on the day but will be concerned that we finished the game with just thirteen men with Kevin McCarthy and Kelvin Teahan being dismissed in the second half. On the positive side despite being a numerical disadvantage we showed great resilience and but for the crossbar and a number of goal line clearances by the hosts we could have got a deserved draw. In the end we left pointless and now face Dr Crokes in Kilcummin this weekend in Round 2. Desmond's overall physical advantage and the skills of Tomas Hickey in particular were the difference on the day but players like Sean Brosnan, Damien O'Leary, Chris O'Leary and Kieran Murphy will take some solace from their performances.

SENIORS: The senior team had a hard fought but vital win over Lispole on Sunday afternoon in the first round of the County League. Played in Lispole, Fossa took the initiative early on and really played good football to take a commanding lead into the half time break, 1-09 to 0-04. Tadgh O'Shea, who was excellent all through, got the goal with Paudie Clifford, Fintan Coffey and Donald O'Sullivan adding points also. Lispole came back hard in the second half, as one would expect, but even though Fossa only scored two points in this half through pointed frees from Tadgh and Lorcan Daly, they defended heroically to carve out a very important win away from home. Final score Fossa 1-11, Lispole 1-09. They are at home to Renard next Sunday at 2pm in Round 2 of the County League.

MINORS: The minors had a tough trip to

Valentia on Saturday evening where they took on a combination of Skellig Rangers/ Valentia/ Sneem/ Derrynane. Short of a couple of players they played really well but in spite of pulling back a 9 point deficit at one stage they couldn't get over the line and went down 3-14 to 2-09. They play Castlegregory in Fossa next Saturday at 4pm where they need a win to make the playoff stages of the league.

LADIES FOOTBALL: Our senior ladies had a comprehensive win over Glenflesk on Sunday morning in the opening game of Division 4 of the County League. Played under lovely sunshine in Fossa, Anna O'Reilly opened the scoring with a goal. Fossa continued to dominate around the field but Glenflesk's Keelie O'Connor also found the net.

Half time score Fossa 1-9 to Glenflesk 1-2. Throughout the second half Glenflesk continued to pile pressure but Ciara Griffin, goalkeeper for Fossa pulled off some fine saves, Glenflesk's efforts were rewarded with goals from Gillian Courtney and Abby Lynch, however Anna Clifford kicked a goal and some fine points which kept Glenflesk out of reach. Final score, Fossa 2-22, Glenflesk 3-3.

Well done to Maud Kelly and Sarah Sheehan who were members of the Kerry U-14 panel who defeated Cork on Saturday, 2-11 to 3-04 in the first round of the Munster championship. Also well done to Katie Talbot who was a member of the Kerry Minor panel who lost to Cork, 4-16 to 2-09 on Saturday.

SNIPPETS FROM THE BEAUFORT ARCHIVES:

Great response from people to the fledgling Beaufort Historical Archive re submission of photos, publications, stories and songs etc ... as they say keep it coming ... much work to be done!!

Lá Le Pádraigh is just past and throughout history many traditions were associated and attached to the festival. Trolling through a few old publications threw some interesting pieces ... one such, that it was the tradition in many parts of Ireland that a Patrick's Cross was made ... I assume the precursor to the St Patrick's Day Badge. The crosses were highly decorated with

multi-coloured paper and a Report from 1895 Cork Journal stated that to adorn the Cross they used to acquire the colours thus ... " for Yellow the yolk of a hen did duty, while laundry Blue added another colour to the list ... Green was obtained by chewing rich young grass, while Red was usually obtained by pricking with a needle the tip of one's finger" ... and that in the days before the art supply store !!! ... and from T. Dinely (1681) ... " the immoveable feast when the Irish of all stations wore crosses in their hats, some of pins, some of green ribbons wearing the three leaved grass which they likewise eat to cause a sweet breath."

And moving swiftly along to Easter... the days of Holy Week were named thus in olden times ... Palm Sunday (Domhnach an Iúir or Yew); Black Monday; Sorrowful Tuesday; Spy Wednesday; Maundy Thursday; Good Friday; Holy Saturday and Easter Sunday. Beannachtaí na Féile daoibhse go léir.

Sleep is as important to us as air, water and food. Anyone can suffer from insomnia, which can be frustrating, exhausting and depressing, affecting both our mental and physical health.

DIFFERENT TYPES OF INSOMNIA:

· Transient insomnia - which lasts for a short time period only, typically this can be associated with a stressful event e.g. an exam, a bereavement. • Chronic insomnia - lasting for several weeks, months or sometimes years

SIGNS OF INSOMNIA?

• Difficulty falling asleep - common in young people.

• Being a restless and light sleeper - waking often, lying awake in the middle of the night. In younger people it may be associated with depression. • Waking early and being unable to get back to sleep.

Feeling tired during the day, headaches, feeling irritable or finding it hard to concentrate. Here are some typical causes of insomnia:

- states of mind anxiety, depression, anger, grief, preoccupation with a future event e.g. a child's leaving certificate exams
- · change moving house, new job, end of relationship..
- environment noise, jet lag... pain medical conditions heart, breathing, stomach, digestive, high blood pressure, arthritis, anorexia.
- recreational drugs (e.g hard drugs like LSD) –but this also includes nicotine, caffeine.
- other prescription drugs including some contraceptives, diuretics, slimming pills, beta-blockers, stimulants.

SUGGESTIONS: Consider... Your Environment

 You need a comfortable bed and a room that's quiet, not too cold or too warm and dark enough.

Your lifestyle

- · Cut down on all stimulants. These include: coffee and tea, alcohol, nicotine, fizzy drinks, food additives, 'junk food', slimming pills or appetite suppressants
- Try to avoid heavy, rich foods within two hours of bed.
- · Get regular exercise. Aim for 30 minutes or more of daily activity, but not too close to bedtime.
- · Avoid stimulating activity and stressful situations before bedtime. This includes vigorous exercise, big discussions or arguments, or catching up on work.
- Turn off screens one hour before bedtime. The light emitted from TV, tablets, smartphones, and computers suppresses your body's production of melatonin and can severely disrupt your sleep. Instead of using technology try listening to a book on tape, a podcast, or reading by a soft light.

Seek Professional Help

If you are still having trouble getting the sleep you need, a doctor or counsellor may be able to help.

SEEK PROFESSIONAL HELP FOR INSOMNIA IF:

- Your insomnia doesn't respond to self-help as mentioned above.
- Your insomnia is causing major problems at home, work, or school
- You're experiencing symptoms like chest pain or shortness of breath, (contact you General Practitioner immediately).
- Your insomnia occurs almost every night and is getting worse.

TAX Matters with

VAT REGISTRATION

You are required to register your business for VAT if, in any 12 month period, the turnover exceeds or is likely to exceed the following limits:

- €37,500 for the supply of services
- €75,000 for the supply of goods

Businesses who do not exceed the relevant thresholds have the option of voluntarily registering for VAT which may be an advantage if all or the majority of the businesses taxable supplies are made to VAT registered customers.

Implications of registering for VAT

- VAT at the relevant rate to be charged on sales
- VAT on business expenses can be reclaimed
- The business must prepare and submit VAT returns

The VAT rate chargeable depends on what goods / services are being supplied. The Revenue Commissioners have a VAT rate index on their website which contains the rates applicable to hundreds of goods and services.

Records

VAT registered businesses must keep complete records of all business transactions which affect or may affect their liability to VAT and entitlement to deductibility. The records must be kept up to date and must be sufficiently detailed to enable a business to accurately calculate their liability and if necessary for Revenue to verify the validity of the VAT return.

GET OUT OF YOUR OWN WAY!

Life is always calling to us to LIVE! This journey we are all on asks us to be fully alive whilst we are alive. The key is in knowing how to do this! We weren't born with a manual on how to live our most fabulous life and most of us just do our best to work it out as we go along. However there is one thing that will always help us to rise to our challenges. This is believing wholeheartedly in who we are. It means not second guessing your talents and not undermining your skills or your dreams. So often in life it is our own doubt and fear that get in the way of our happiness, inner peace or taking that next step forward. And so, we make excuses for why we can't do something or we find ourselves eating, drinking or working too much to avoid even thinking about what we desire.

LIFE COACHING ACTION TIP

Practice loving yourself anyway! Whenever you are tempted to take a step back or put yourself down. Whenever you feel that you're just not able or good enough, stop, smile and LOVE YOURSELF MORE! Pretend that you are your very best friend and most champion of supporters. Imagine what you would say to someone you loved and tell this to yourself.

Over time this rewires your brain and becomes your natural way of being!

I am running a BREAK FREE FROM EMOTIONAL EATING course - starting Wednesday April 6th from 7.30 – 9.30pm at the Travel Inn, Fossa, Killarney Booking is essential. €125.00

MARCH **25TH** INTERNATIONAL DAY REMEMBRANCE OF THE **VICTIMS OF SLAVERY AND** THE TRANSATLANTIC SLAVE TRADE

The 400-year Transatlantic Slave Trade marks the worst violation of human rights in history. In 2007, the U.N. set aside March 25 as the International Day of Remembrance of the Victims of Slavery and the Transatlantic Slave Trade to honour all those who died as a result of slavery, and to consider the causes, consequences, and long-term impacts of the slave trade today to ensure this horrific abuse is not repeated.

About 17 million people were transported against their will from Africa to North, Central and South America during the 16th century and up until the 19th century. Millions more died while being transported to the Americas. This mass deportation and resulting slavery are seen as one of the worst violations of human rights. Some experts believe that its effects are still felt in Africa's economies.

Slavery was officially abolished in the United States on February 1, 1865. However, racial segregation continued throughout most of the following century and racism remains an important issue today. Hence, the International Day of Remembrance of the Victims of Slavery and the Transatlantic Slave Trade is an occasion to discuss the transatlantic slave trade's causes, consequences and lessons. It is hoped that this will raise awareness of the dangers of racism and prejudice.

THE ISPCA IS CALLING FOR A BAN ON THE USE OF WILD ANIMALS IN CIRCUSES

The Irish Society for the Prevention of Cruelty to Animals is asking for your help to bring an end to this cruel and out-dated practice!

The Society believes that the complex welfare needs of wild animals such as elephants, tigers, lions, zebra and sea lions cannot be met in the travelling circus environment. Circuses serve no conservation purpose, and sentient, intelligent wild animals are held for their lifetimes in substandard and wholly inadequate conditions for the sole purpose of 'entertaining' a circus audience.

Animals used in travelling circuses are subjected to constant travelling, cramped and barren accommodation, regularly forced to perform unnatural behaviours, as well as being denied the natural space, climate and social opportunities that their species require. The Netherlands recently became the 9th EU country to introduce a ban on the use of wild animals in circuses, and as a result, two circuses recently travelled to Ireland with 65 animals, including three elephants and Bactrian camels. Don't let Ireland become the dumping ground for wild animal circuses!

You can find more information at The ISPCA website www.ispca.ie where you can also sign their petition and they are also asking that you contact them if you see posters of upcoming circuses in your area that advertise wild animals as part of their "entertainment" by e-mailing campaigns@ispca.ie with the date and location, by phoning 043 33 25035 or by writing to the ISPCA Head Office, National Animal Centre, Derryglogher Lodge, Keenagh, Co. Longford.

STEVIE THE WONDERCAT IS GOING TO CLIMB CARRANTUOHILL

Stevie the cat loves to go hiking with her owner Patrick Corr. While other cats love the sights outdoors, Stevie is most interested in the sounds and smells. That's because Stevie's blind. But that doesn't stop Stevie from enjoying her time traversing the countryside by her family's home in Cork.

Patrick Corr adopted Stevie four years ago and have been best friends ever since. "We're inseparable!" Patrick says. Stevie walks with Patrick on a leash or balances on his shoulders. But, Patrick said, Stevie really prefers to explore by herself. She can explore with confidence knowing he is nearby and follows the sound of his voice when they are outside together. Stevie navigates using a combination of her senses, Patrick said and explained how she keeps low to the ground so she can use her whiskers to help her get around. He adds that she also uses her paws to judge distances so she doesn't fall off ledges for example.

And now the duo is using their love for hiking to help other animals in need. They are planning a hike this month on Ireland's highest mountain Corrán Tuathail to raise money for animal welfare in Ireland.

OUOTE

"Humility is the mother of all virtues - purity, charity and obedience. It is in being humble that our love becomes real, devoted and ardent. If you are humble, nothing will touch you, neither praise nor disgrace, because you know what you are. If you are blamed, you will not be discouraged. If they call you a saint you will not put yourself on a pedestal" - Mother Teresa.

THE SHARK FIN TRADE

In the morning of the 17th of February an unknown person offered fishermen in a little town in northern Peru 3000 dollars for the fins of a whale shark. "Cut off the fins and dump the rest in the ocean because it is an endangered species and I don't want trouble," this person said.

Unfortunately, the fishermen took the money. They caught a whale shark and cut off its fins. They dumped the beautiful animal back in the sea, doomed to a slow, painful death.

Whale sharks are the largest fish on the planet, growing as long as 20 meters. The gentle filter feeders live off of plankton and small fish. The species is listed as vulnerable on the International Union for the Conservation of Nature's (IUCN) Red List. They are easy prey for unethical fishermen, as they swim slowly, often right at the surface.

The presence of whale sharks in Peru was only recently discovered and the species is not yet protected by law as it is in many other parts of the world. Therefore, this horrible act of whale shark finning is not punishable under Peruvian law.

But Whale Sharks are not the only sharks to suffer this terrible fate, the trade does not discriminate between shark species, age or size and once the shark fins are collected, they are dried and used in a delicacy known as shark fin soup.

- Shark finning "violates the United Nations Food and Agriculture Organisation's Code of Conduct for Responsible Fisheries," yet it still continues at an alarming rate today.
- An estimated 100 million sharks are killed for their fins every year.
- Shark populations have decreased by 60 to 90% in just the last 15 years because of the shark fin trade.
- Since shark populations take a considerable amount of time to recover (as sharks themselves mature within seven to 20 years), it is nearly impossible for them to bounce back as quickly as they are removed from oceans, leaving entire ecosystems at great risk.

SURGEON GIVES UP SUCCESSFUL CAREER TO SAVE STREET DOGS IN SINGAPORE

Dr. Siew Tuck Wah whose love for dogs started in college after his roommate took one in, was enjoying a career as a successful cosmetic surgeon, at the renowned Sloane Clinic for aesthetic medicine, when volunteering with a rescue organization completely changed his life plans.

Later in life, Dr. Siew began volunteering with Save Our Street Dogs Singapore (SOSDS), an organisation dedicated to rescuing and rehoming stray dogs and for the past four years, he has served as president of the organisation, however, Dr. Siew wanted to do more. Unable to take on more volunteer work while balancing a heavy case load, he decided this year to follow his true calling and left plastic surgery behind to focus entirely on his dog-saving efforts.

It's an incredible thing for someone to leave behind a lucrative, stable career to volunteer for animals, but his efforts are desperately needed. Singapore is home to roughly 5,000 stray dogs in need of food, care, and a loving family. Animals on the street are often looked at as a nuisance and treated like trash. Luckily, Dr. Siew is working to give these dogs a chance at life and help spread awareness of their plight.

THE MONTH OF MARCH IS DOLPHIN AWARENESS MONTH

The month of March is when we celebrate

and raise awareness of dolphins, extremely intelligent creatures with bubbly personalities. They are mammals, and are closely related to, but are not themselves, whales or porpoises. Dolphins are popularly noted for their grace, intelligence, playfulness, and friendliness to humans. The most widely recognized species are the common and bottlenose dolphins, characterised by a "built-in smile" formed by the curvature of its mouth. It has become a familiar performer in oceanariums. It has also become the subject of scientific studies because of its intelligence and ability to communicate by using a range of sounds and ultrasonic pulses. In addition, the bottlenose dolphin has the longest social memory of any nonhuman species; several members of the species demonstrated the ability to recognise the unique whistles of individual dolphins they once associated with some 20 years after becoming separated from them. They have also demonstrated the ability to recognize their reflections in several experiments, suggesting a degree of self-awareness. That capability has only been observed in higher primates and a few other animal species.

Here are a few more fast facts about our dolphin friends:

- There are 40 different dolphin species and they differ in significant ways.
- Fungi the Dingle Dolphin is a Bottlenose.
- Bottlenose dolphins have 72-104 teeth
- A dolphin may be able to dive up to 1,000

feet.

- Dolphins can swim at a speed of up to 25 miles per hour.
- Most dolphins have great eyesight and can hear frequencies ten times or more above the upper limit of adult human hearing.
- Dolphins are highly social animals, often living in pods of up to a dozen individuals.

THE LARGEST ONGOING MARINE CLEANUP EFFORT ON THE PLANET

About 30 years ago, then-construction worker Chris Pallister discovered that some of the most remote shorelines in America were also the most polluted. The cause? Currents off the infamous North Pacific Gyre — the site of the Great Pacific Garbage Patch — propel a disproportionate amount of rubbish in the sea towards Alaska's coasts.

To cleanup the Last Frontier, Mr. Pallister founded Gulf of Alaska Keeper, an organisation that's been actively cleaning beaches in Prince William Sound and the Northern Gulf Coast since 2002. The nonprofit's five boats, seasonal crew of 12 and dozens of regular volunteers has removed an estimated 2.5 million pounds of marine debris (mostly plastic items) from more than 1,500 miles of coastline.

MAKING BICYCLE TRANSPORTATION A MORE ATTRACTIVE OPTION FOR COMMUTERS

The Copenhagen Wheel, transforms an ordinary two-wheeler into an electric-powered bike that can travel at up to approx. 32Km (20 miles) per hour and up to 50Km (31 miles) per charge.

Embedded within the 26-inch wheel is a disk that consists of three computers, 12 sensors, a 350-watt motor and a 48-volt lithium battery. The wheel replaces the ordinary back wheel and can be attached to any bike with rear brakes, the motor kicks in while you are pedalling and the only extra you need is a smart phone.

This invention has come a long way in comparison to the invention of cycling by means of a small coal-fired steam engine attached to a frame around 1868 in Boston.

FINALLY THIS WEEK

Please remember that with all the beautiful dry weather we have had, the countryside is highly inflammable, so please do not drop anything that could start a fire, as our ground dwelling wildlife are nesting or already have young and also please dispose of your rubbish properly for the sake of all wildlife and the environment.

I would like to wish all advertisers, correspondents, readers and the Killarney Outlook team a Happy and safe Easter that is just as bright and joyful as the spring time air around you and may it be a wonderful time spent with your friends and family.

Welcome back dear reader c. 2000 years ago God the Father sent the promised Redeemer to crush the Devil so that we people could be set free from Satan's evil power and return back into fellowship with our Heavenly Father. Many things happened at that time - Jesus was born, He grew up and at the age of thirty He was anointed with the Holy Spirit and power and He began His earthly ministry of teaching, preaching and healing the sick (Acts 10:38). Multitudes were drawn to Him and His wisdom. The religious organisations in Israel opposed Him and eventually had Him crucified. They (the Pharisees) claimed that God was their Father but Jesus told them plainly that the Devil was their father (John 8:44) - probably not a nice thing for religious people to hear! Jesus told them that if God was their Father they would know Who He (Jesus) was. Before Jesus was crucified He was scourged and beaten violently and was made drag His cross through the streets to His death. Isaiah the prophet in chapter 53 when prophesying about the death that Messiah Jesus was to have, told us that Jesus was 'pierced (wounded) for our sins, that He was bruised (crushed) for our iniquities, the chastisement of our peace was on Him (i.e. His mind was in torment so we could have peace) and that by His stripes (the wound marks from the savage whipping He took on His back) we were healed'. Friend, Jesus' suffering was a joyous time for humanity because He bore the punishment we deserved on Himself so that we would not have to bear the penalties due through sins (1st Peter 2:24), which are sicknesses and diseases and then death unto separation from God in Hell for all eternity. This is the Good News that we are called to believe and to understand and benefit from by accepting the free gift of Salvation, by making Jesus our Master and not the evil one. Jesus endured the Cross for the joy that was beyond it (Hebrews 12:2). More next week

NOVENA TO ST. MARTHA

O ST. MARTHA, I resort to thee and to thy petition and faith I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties thro' the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech thee to have definite pity in regard to favour I ask (mention favour). Intercede for my family that we may always be provided for in all our necessities I ask thee St. Martha to overcome the dragon which thou didst cast at they feet. One our Father and three Hail Marys, and a lighted candle very Tuesday and the above prayer made know with the intentions of spreading devotion to St. Martha. Never know to fail.

B.X.

ST THERESE

O glorious Saint Therese, whom Almighty God has raised up to aid and counsel mankind, I implore your Miraculous Intercession.
So powerful are you in obtaining every need of body and soul our Holy Mother Church proclaims you a "Prodigy of Miracles...the Greatest Saint of Modern Times." Now I fervently beseech you to answer my petition (mention here) and to carry out your promises of spending Heaven doing good upon the earth... of letting fall from Heaven a Shower of Roses. Henceforth, dear Little Flower, I will fulfill your plea "to be made known everywhere" and I will never cease to lead others to Jesus through you.

Amen. Say the above for 9 days and you will receive a flower or a rose in some form during or after 9 days as an indication that your request will be granted. **B.X.**

Our sincerest gratitude to O'Shea's Funeral Directors and staff for their professionalism, but also for the great care and kindness they showed Patrick and our family. Also thank you to everyone involved in preparing Patrick's final resting place at Aghadoe.

Special thanks to Fr. Niall Howard who provided a very personal and insightful homily and much needed comfort to our family. Thanks also to Fr. Michael O'Doherty who concelebrated at the funeral Mass and to St Mary Cathedral's choir.

2ND ANNIVERSARY

In Loving Memory of

KATHLEEN Brady

Late of Ballaugh Cross, Killarney & Formally Drumheckna, Co. Cavan who died on 25th March.

> Feel no quilt in laughter, she knows how much you care Feel no sorrow in a smile that she's not here to share You cannot grieve forever, she would not want you to She'd hope that you can carry on, the way you always do So talk about the good times and the ways you showed you cared The days you spent together, all the happiness you shared Let memories surround you. A word someone may say Will suddenly recapture a time, an hour, a day That brings her back as clearly as though she were still here And fills you with the feelings that she is always near For if you keep these moments, you will never be apart And she will live forever locked safe within your heart

From her loving daughter Kathleen and son-in-law Andy.

2nd Anniversary Mass on 1st April in St Marys Cathedral at 6.15pm.

NOVENA TO THE SACRED HEART

You have said O'Divine
Jesus ask and you shall receive, seek and you
shall find, knock and the door shall be opened
to you. Relying on these promises I come with
confidence during the novena to beg of you the
favours that I need (make request). From whom
shall I ask, Lord Jesus, if not from you whose
heart is an unfailing source of graces and merits.
Most loving heart of my God I believe in your
power, I believe in your knowledge, I believe in
your personal love for me and therefore O Sacred
Heart of Jesus I place all my trust in you. Our
Father, Hail Mary and Glory. Say 3 times for 3
days and request will be granted, Never know to
fail. Must publish. S.P.
