Lifelong dream fulfilled as Oisín is crowned Champion Jockey

Ballyhar man Oisín Murphy was born with horse-racing coursing through his veins and last Saturday his family gathered at Ascot to see him crowned Champion Jockey, fulfilling his life-long dream.

The 24 year old became the youngest competitor to win the title since a 23 year old Ryan Moore in 2006. Oisín has amassed a staggering 166 wins for the season, 35 more than his nearest rival.

Oisín is the son of Maria Culloty and John Murphy and brother to Bláthín and Siabh. He had an eventful start in life, arriving into the world at 27 weeks and in a recent interview on the British Champions Series, Oisín's mum spoke of her son's start in life. "Oisín was born with determination and that steely determination is with him so far", she said.

He had his first horse riding lesson at the tender age of four and continued with lessons until his his uncle Don bought him a three year old pony. This started him on a successful road in the showjumping circuit.

Oisín was also influenced in his career by his uncle, three-dimensional Cheltenham Gold Cup winner Jim Culloty and spent a lot of his time at Jim's yard in Churchtown in Cork.

He also spent a summer when he was 15 at Tommy Stack's yard and it was there that Oisín's mother Maria said he was taught how to ride a race-horse properly. At 16, following his Leaving Cert, he went to Aidan O'Brien's yard as a trainee and then it was onto Andrew Balding's yard in the UK.

Oisín has made great strides in the world of horse racing since 2013, when he claimed 41 wins and 2016, he became number one jockey to Qatar Racing and won 10 Group races on 10 different horses.

He gained his first Group 1 victory at the 2017 Prix de l'Arc de Triomphe and has since gone on to ride eleven more winners at the highest level, notching his first two Group 1 winners in the UK. Over the years in various interviews, Oisín has spoken of his admiration for older jockeys such as Kieren Fallon as well as contemporaries like Silvestre De Sousa and Jim Crowley, but his idol is Frankie Dettori after whom he named his dog and whom he credits as being the best jockey he has raced against.

Oisín has already accomplished remarkable success and given his youth he is destined

It was a day to shine.... and shine they did

When Killarney photographer Evelyn Woodard decided to invite cancer survivors to her studio for a free professional portrait shoot and a fun day out, the response was amazing.

Women from all over Munster vied for the opportunity to have a complete make-over, get advice on how to manage hair and skin while on chemotherapy, and following treatment, and of course go home with a professional portrait of themselves.

"It was difficult choosing our 12 ladies", Evelyn told the Killarney Outlook and in the end it was Liz McCarthy, Lucy Wade, Nora Nagle, Geraldine Guilfoyle, Ciara O'Donoghue, Niamh McSweeney, Sinead Lavin all Kerry based. Valerie & Madge Collender (mother & daughter) from Waterford, Michelle O'Riordan, Mandy Gabriel & Helena O'Brien from Cork who made the trip to our studio", Evelyn added.

Hair and Make Up professionals from the Killarney area were also very quick to sign up to share their skills free of charge and last Sunday, the day finally arrived.

"Hair & Make up started at 10 am, this team went above and beyond and they gave hair cuts and colors on top of styling. Hair and makeup consultations were given to all and the stylists, beauticians, and MUA's included Marilyn McSweeney, Make Up Artist, Marion O'Shea, Marion's Hair Studio, Hairstylist Tricia O'Sullivan, Pat O'Neill, Hair Stylist, Georgina MacKessy make up artist, Lauren O'Connor, Beauty and Joanne Henderson, Bridal Hair.

Everyone was so generous and people sent gifts to the 12 ladies including 12 bouquets from Leona from Every Occasion Flowers (Tralee), vouchers from Muckross Spa, Browtique Cork, Naivilo and Annette O'Brien", Evelyn added.

"Helena & Mandy, who bravely posed for a more intimate portrait of how breast cancer can impact our lives and bodies have since been interviewed in Cork on the radio about breast awareness based on the photo I shared so we are delighted to raise more breast cancer awareness and intend on running a similar event next year", Evelyn said.

'A Day To Shine, was for more Breast Cancer Awareness!

October is breast cancer month and we all need to be aware of how important it is to monitor our own health and keep an eye out for any changes in our bodies as breast cancer can present in many different ways.

"Every one of the 12 ladies came for their day of pampering with a different experience and story and while it was a very special day, there are several

women still going through treatment and dealing with very difficult life changes. Even if you think a person is coping well, never forget that they have had a life-changing experience and need support along the way", Evelyn, who herself is a cancer survivor added.

Taking to social media after the day, well known Hair Stylist Pat O'Neill said "spending the day with these ladies on Sunday was so so special, inspiring, and uplifting. There are so many words to describe the day. To me, it was unforgettable and so much fun. Thank you girls".

"It certainly was a day to shine and I would like to thank everyone for such an amazing day and especially Keith Woodards for the wonderful photographs", Evelyn added.

Preparations underway for Let's Talk Tourism Conference

Peter Doyle spoke with Margaret Cahill, the Republic Of Ireland President of SKAL in order to learn more about the organisation.

SKAL president, Margaret Cahill is also the chairperson of the organising committee for the upcoming Let's talk tourism conference to be held in Killarney, which is now an annual event and indeed a by-product of SKAL.

SKAL is a travel and tourism organisation, that was founded in Paris in 1932." Mrs. Cahill told the Killarney Outlook. "It was formed in order to build bonds with

both suppliers and competitors and now has 15,000 members in over 80 countries. In Ireland there are four clubs, Dublin, Cork, Kerry and Galway, totalling 150 members", she added.

The members meet about ten times a year, usually in a social setting, but the objective is to conduct business. It is a self-funded organisation, therefore it is dependant on members. The membership is diverse comprising of Hoteliers, Tour operators, Guest house owners and visitor attractions. Mrs. Cahill added, "that it is because of this diversity in membership that SKAL is viewed as the trusted voice in tourism."

SKAL has undertaken a major initiative to digitally transform both it's I.T. and web capabilities in order to attract younger recruits. This project will be rolled out from next year. The Let's talk tourism conference due to be held in the Great Southern hotel in Killarney on Friday the 8th of November is now in it's fourth year. The conference was originally conceived by members of SKAL for two

reasons. Firstly to promote awareness of SKAL and secondly to spearhead a conference that was entirely industry lead and independent of the Government.

The conference is a national event which is expected to be sold out. Minister for Tourism Brendan Griffin will open the event that features many guest speakers including renowned journalist Olivia O' Leary who is the moderator for this year's event. The main issues affecting tourism today will be discussed.

This year's theme is "Sustainability, the foundation for our future." The idea behind that is the challenge of adapting business practices in a manner beneficial to the planet. Mrs. Cahill cautioned, "that long after Brexit is resolved, climate change will remain the burning issue of the day."

Grievance & disciplinary procedures

- All employers are obligated to have written grievance and disciplinary procedures.
- Disciplinary procedures set out the stages and process you should follow when dealing with the alleged shortcomings of an employee.
- Generally, the procedures allow for informal warnings, which escalate to written warnings and ultimately to dismissal.
- Under the Unfair Dismissals Acts you must give employees written notice of these procedures before dismissal.
- You must give your employees a copy of your grievance and disciplinary procedures within 28 days of starting their contract of employment.
- If you are considering dismissing an employee, you must follow fair procedures. These include giving your employee appropriate warnings, making them fully aware of the allegations against them and giving them an opportunity to present their side.
- You must also give the employee an opportunity to be represented in any disciplinary procedures.

If you do dismiss an employee, you must be able to show you had fair grounds for dismissal and followed fair procedures.

Killarney Restaurant is the best in Ireland

Rozzers Restaurant at Killeen House Hotel, Killarney, has been voted Number One Fine Dining Restaurant in the 2019 TripAdvisor Travelers Choice Award - The World's largest travel platform, delighted with the news Head Chef Paul O'Gorman with Proprietor Geraldine Rosney, and staff Valerie Callaghan-O'Shea, Patrice Foley, Ciaran McCarthy, Junior Brosnan, Stephen Foley, Chris Scully and Odhran Murphy. Photo: Valerie O'Sullivan

A Killarney restaurant has been named the best fine dining establishment in Ireland in the 2019 Travellers' Choice Awards by TripAdvisor, the world's largest and most respected travel platform.

Rozzers Restaurant in Killarney's Killeen House Hotel has earned the top accolade as voted by guests who post reviews on the worldwide social media platform.

The announcement was made in London and it sparked great celebrations at Rozzers where proprietor Geraldine Rosney and head chef Paul O'Gorman spearhead the dedicated team. Geraldine Rosney said the restaurant and the

hotel have been honoured with many awards over the years but being voted the number one fine dining restaurant in Ireland on the world's leading travel review website is a very special achievement.

"You know for sure that you're doing something right and that's why this award is extra special for all the team," she said.

"Paul O'Gorman provides the inspiration for the team on a daily basis and he has forgotten more about gastronomic perfection that most chefs will ever know. He has been with us for over 20 years and he is a joy and a pleasure to deal with," Geraldine added.

Rozzers Restaurant climbed up the rankings this year having being placed seventh in 2017 and second in 2018 to become Ireland's best fine dining eatery.

Located within the Killeen House Hotel, the creative force in Rozzers is head chef Paul O'Gorman who leads a great team serving up a host of tantalising dishes.

Specialties include grilled medallions of monkfish wrapped in Parma ham on a Mediterranean style couscous with wilted baby spinach topped with crisp sugar snaps and a basil dressing and vanilla brûlée with a forest berry compote and a home-made hazelnut cookie.

Hayley Coleman of TripAdvisor remarked: "The fine dining restaurant scene is extremely competitive so for Rozzers Restaurant to have consistently climbed up the rankings year after year to claim the number one spot in Ireland is a huge achievement and is testament to the stellar job that the team is doing".

The Travellers' Choice Awards for Restaurants honour travellers' favourite dining establishments worldwide. Based on a full year of TripAdvisor reviews, the winning establishments were consistently given high ratings and praise by diners across the globe. Award winners were determined by factoring in the quantity and quality of reviews, gathered over a 12-month period.

Close on 490 million people every month across the globe use the TripAdvisor site and app to browse more than 795 million reviews and the opinions of 8.4 million accommodations, restaurants, experiences, airlines and cruises. The ultimate travel companion is available in 49 markets and 28 languages.

Mike's winning streak both on and off the pitch

It was a double celebration for Mike Foley from Killarney who won €42,000 on Winning Streak while also winning his quarter final County Championship game against Dingle with his club East Kerry on Saturday.

Corner forward Michael Foley, who plays with Spa played a key role in East Kerry's Kerry Senior Football Championship quarter-final as they saw off Dingle by 1-23 to 1-11 at Austin Stack Park. The game, broadcast on RTÉ Two, was aired at the same time as his sister, Melissa played in his place on the hit TV game show, Winning Streak on RTÉ One.

Michael (22) had a big decision to make last week after his name was drawn from the drum to appear on Winning Streak on the same evening as his scheduled game. Of course he opted to play in his big match for East Kerry, but his older sister Melissa (28) stepped in during his hour of need and flew into Dublin from London to take his place in the Winning Streak hot seat! She did him proud winning him a cool €42,000 in cash meaning it was double celebrations for Michael last weekend.

Melissa Foley from Killarney has won €42,000 on last Saturday's (19th October 2019) Winning Streak Game Show on RTE. Pictured here at the presentation of the winners cheques were from left to right; Marty Whelan Winning Streak game show co-host; Melissa Foley the winning player; Maebh Gleeson, National Lottery and Sinead Kennedy Winning Streak Game Show co-host. "Telling Kerry's Story...."

Kerry Friends of Motor Neurone host Public Information Evening

An informative evening, with stories from people both affected by Motor Neurone Disease and those living with someone who is, was held in the Killarney Plaza Hotel on Thursday 17th October last.

The theme of the meeting was "Telling Kerry's Story" of people's association with Motor Neurone Disease. Following a short introduction the meeting was addressed by Irish Motor Neurone Disease Association's Regional Development Officer Marie Reavey who informed the meeting of the work the Association does for Motor Neurone Sufferers like providing home visits by MND nurses, providing financial assistance towards home care, provision of specialised medical equipment and funding for counselling and research. Marie Reavey also informed the meeting that 86% of their annual budget is reliant on fundraising and explaining where this money is spent. Alan MacDonnell formerly from Kilgarvan gave a very moving account of his mother Mary's 7 year's battle with Motor Neurone Disease. Mary was diagnosed with MND in 2005 and passed away in August 2011. Alan stated that it was so hard for him and his father Tom to watch what his mother was going through with this terrible disease but stated that they were full of praise for all that the IMNDA had done for them. They thanked all the doctors and nurses and especially the palliative day care centre in Tralee. Doctor Dominika Leeseka a speech and language Therapist addressed the meeting and told in simple language of her interactions with Motor Neurone patients stating that something as simple as listening to the patient does make a huge difference in understanding MND not alone for the patient but for the doctor also. Rathmore man John O'Neill told the meeting of

his Wife Bridie's association with MND which in Bridie's case was a short illness. Never the less she did not let it curtail her love of holidays and travel and Bridie was active up until the end "We had a video presentation from Derrynane native John O'Donoghue currently residing in Brisbane, Australia. John told the meeting of his Motor Neurone journey. John included a video of his visit home earlier this year and this was enjoyed by all present", Christy Leane from the Kerry Friends of Motor Neurone told the Killarney Outlook.

IMNDA specialist Nurse Katie Kinsella was the final speaker on the night. Katie outlined her work with MND sufferers and their families from

the top of Co Wicklow to the bottom of Co Cork.. her appointment was as a result of funding from Fr Tony Coote's heroic walk. She stressed that she was always only a phone call away from people who needed her or had a question about MND. In conclusion Christy Leane Chairman Kerry Friends of Motor Neurone read an e mail he received from Andy Mc Govern Co Leitrim who happens to be the world's longest MND sufferer having lived with the disease for 41 years. Andy is a true IMNDA ambassador and is always on hand to listen and help other Motor Neurone Sufferers.

"We hope that the meeting was of some help and enlightenment to people", Mr. Leane said.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

USING A PENSION TO PAY LESS TAX:

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally at least 25% of the value of your pension can usually be taken either completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in paying much less tax in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

Their annual brochure launch event took place last week at their head office on the Tralee Road and people all over Kerry attended to see what the 2020 coach holiday schedule had in store for them. They were also joined by Radio Kerry's Francis Jones for a live broadcast of his 11-1 Show.

Every year, the coach company develops its tour portfolio and this year is no exception, with some exciting new coach tours scheduled for Ireland, the UK & Europe. ESB Networks is aware that individuals are fraudulently calling to homes in areas of County Kerry purporting to be staff from the company. ESB Networks is aware of some incidents where individuals are asking to assess trees on properties and subsequently stealing items. Other incidents involve cutting trees and

All ESB Networks staff and contractors representing ESB Networks are required to carry and display their ESB Networks identification. ESB Networks never requests cash payments upfront for such work. ESB Networks asks residents in these areas to be vigilant when answering

the door to people proposing to be from the company and to be wary of admitting anyone into their property if in any way uneasy.

Should anyone have any doubts about an individual's identity, we recommend that they contact their local Garda station immediately.

Kilimanjaro Mama WINS BEST FEATURE FILM AT KERRY INTERNATIONAL FILM FESTIVAL

Following a sell-out premiere at Killarney Cinema on Saturday evening and a standing ovation as the credits rolled things got even better for some Kerry based filmmakers.

Director Malcolm Willis and Producer Brian Hurley along with film crew were astonished when they were informed their feature documentary "Kilimanjaro Mama" was shortlisted for two awards as part of the twentieth Kerry International Film Festival. Before the night was over it was revealed that they won Best Feature Film which is an impressive achievement for an independent production with a tight budget against some big budget international competition.

Kilimanjaro Mama is an hour long documentary featuring an extraordinary young woman, Louise Quill from Tralee. Throughout the film Louise tells us the story of why she decided to set up Tir na Nog orphanage in Africa, what drives her and the impact it has had on her own health and wellbeing. Documenting the journey from Ireland to Tanzania, this is the story of one woman's sheer dogged determination to give the children of Kilimanjaro the best possible chance to overcome the tough life they have been dealt.

"This is our home festival and it was very special having all the hardworking crew with us on the night, it's a small team of people who worked extremely hard to make this. This film shines a light on the amazing children of Tir na Nog orphanage

and the inspirational woman behind it all, Louise Quill", Director Malcolm Willis said.

"This was an amazing and unexpected accolade. We were thrilled with the support at the premiere but to have also won Best Feature Film is unreal. All involved in Kerry International Film Festival should take a bow for putting together a world class event and thank you for allowing us to be part of it", producer Brian Hurley said.

The award winning documentary film will now be entered into a select number of film festivals nationally and internationally and the filmmakers plan to secure a television broadcast in the coming months.

Fire breathing dragon at Knocknagoshel Halloween Festival

To celebrate the 26th anniversary of the Knocknagoshel Halloween Festival, the organising committee are planning to introduce a fire breathing dragon to the ghost trail this year.

The festival this year will be taking place on Sunday 27th October 2019 with the 'Ghost Trail' taking place between 6:30pm and 9pm.

"Due to the success of the safety measures implemented last year in relation to anti-social behavior, the same measures will again apply this

year", Eddie Barrett, PRO for the festival told the Killarney Outlook.

"After 10pm there are no facilities in the village to entertain anyone under the age of 18 and, as such, there is no reason for them to remain in the area. The Gardaí will be carrying out spot checks to prevent any alcohol being carried into the village and will also be detaining anyone found carrying or drinking alcohol in the street and, if underage, their parents/guardians will be asked to come to the village and collect them. Additional stewarding, security and CCTV will also

be deployed. We therefore request that coach companies/parents/guardians should collect unaccompanied minors by 10pm at the latest. Entry to the village will be restricted to everyone, except residents, after 10pm", he added.

The Festival has brought a great deal of pleasure to many thousands over the years and has raised in excess of €500,000 for our charities/groups and, therefore, the Committee and Garda are determined to prevent a few spoiling the enjoyment for the majority.

Storytellers gather to share tales

The Storied Kerry annual conference is set to take place on Saturday November 2 (at St Oliver's National School in Killarney) will be peppered with five minute Kerry stories.

Storytellers from all eight Kerry districts will range over legend, landscape, flora, fauna, archaeology, history, folklore and our contemporary story.

Among the story tellers on the day are Bridget O'Connor from Camp tells the legend of Caherconree, Danny O'Connor representing the Kenmare District tells an amazing story from his native Bonane on when he first noticed the alignments between features of the landscape with moon, planets or stars at different times of the year.

One of the few – if not the only - professional field bryologists in this country Rory Hodd, representing the Killarney District, has a story on the the unique Dr Thomas Taylor who produced the first comprehensive catalogue of our 450 mosses and 237 liverworts. Taylor - a GP in Kenmare who died of cholera in 1847 – was the first person world wide to identify 20% of these.

The Kerry ornithologist with an international reputation Frank King, representing the Tralee District, tells a bird story.

Archaeologist John Sheehan, representing the Caherciveen district, tells of finding a piece of pottery in the excavation at Caherlehillan lying where it had shattered 800 years ago.

Historian Tommy Martin from the Castleisland District tells of 10,000 British troops in Clydagh Valley in 1917 – one of the largest and last movements of British troops in Ireland, Mickey McConnell in song tells a story from our folklore and Mike Fuller tells a contemporary story from the starting up of Fexco.

Full programme and further information on the Storied Kerry conference on email from storiedkerry@gmail.com and on the Storied Kerry facebook page.

The conference will open with music and a few words of encouragement from 12-year-old Micheal O'Brien, of When Michael meets Davy fame, who is a pupil at the school and a household name in the GAA through his friendship with Wexford hurling boss Day Fitzgerald.

RENOVATE YOUR HOME

with Killarney Credit Union

With the cold chill starting to set in, it is one of the best and most popular times of year for home improvements. Home upgrading is a trend which has seen somewhat of a surge in popularity in recent years – and for good reason.

A refurbishment can completely transform a home. A nationwide survey by the Irish League of Credit Unions (ILCU) found that a significant two thirds of adults had carried out home improvements between 2014 and 2017.

For many, it is also the only affordable option if they find they have outgrown their home and need more space for the family. In the same survey, one quarter estimated that they had spent between €1,000 and €3,000 upgrading their home. 10% spent between €3,000 and €5,000.

Many households planning on renovating their home understandably would not have this spare cash to hand. It can be tempting for them to fund the planned renovations through the credit card. However, with the high levels of interest charged, even if

you clear the minimum balance, this can end up being a very pricey decision. For the cost-conscious home improver – a credit union loan is the best option, and are often approved very quickly. Indeed, the ILCU survey found that of those needing to borrow to fund their renovations, six in ten said they would use their local credit union.

Other benefits to the home improvement loan include the willingness of the credit union to work with each individual borrower to structure repayments in a way that will suit their individual circumstances. There are no hidden fees or administration charges. Borrowers are also free to repay the loan early, should they wish, without any penalties.

So whether your plans include building on an extension, overhauling the kitchen, laying new carpets or floorboards, or just giving your home a new lick of paint, talk to Killarney Credit Union where you will find they are happy to provide flexible loans of any size to suit your grand design plans!

FOR BEAUTIFUL TILES AND BATHROOMS

The H Factor is a family owned boutique style tile and bathroom showroom based on John Joe Sheehy Road in Tralee.

It has become synonymous with stylish and classic trends in quality interiors for over 10 years now. The showroom very quickly caught the imagination and the attention of people with beautiful on-trend quality products on display, showcasing top brands and creative designs for both the private and commercial sectors.

With a vast experience and knowledge of tiles and their correct application people look to the H Factor for their technical expertise and advice in specific areas - especially in commercial projects such as hotels, restaurants, pubs, factories, retail outlets, GAA centres and many more similar projects.

At the H Factor we take great pride in our showroom and the creative designs and styles of rooms on display continually inspire people to add that wow factor to their home. A house can be built by anyone but it takes effort, skill and imagination to make it a home - YOUR HOME. At the H Factor we are here to help you make that transition - with plenty of expert advice on the right products that suit your individual lifestyle and budget.

Customer satisfaction is very important to us at the H Factor so our aim is to help and advise people choose products that are suitable, of good quality, durable and within budget for them to enjoy in their homes for a long time.

Budget can be a tricky subject toward the end stage of building and the dreams at the start of the project can be dimmed a little under budget constraints. With a view to that end we can supply a complete bathroom package to suit all budgets and requirements.

So, do call in and let us talk you through a brand new bathroom for your home, inspired by the H Factor. So if it is tiles, bathroom ware and furniture, laminate wood flooring, bathroom accessories, cabinets or mirrors and other unique pieces that add the H Factor to your home we would love to see you visit our showroom in Tralee.

KILLARNEY MUSICAL SOCIETY NEWS

Killarney Musical Society held very successful auditions last Sunday and wish to thank everyone for their attendance. A special word of thanks to all the wonderful children who

auditioned, and to your parents for bringing you along, as is the nature of Musical Theatre sadly due to this musical's requirements we are limited to certain criteria and in turn are limited to the number of chorus places on offer, so well done to all and congratulations if you were successful, however if you were unsuccessful this time, don't worry there's always another opportunity right around the corner. Rehearsals will commence in the next week or two so stay tuned to social media for details. Congratulations to all who were successful at audition, we look forward to working with you. It was a great day with some fantastic talent on display and our Production Team, Peter Kennedy & Noel Lennon were thrilled. We look forward to what will be an amazing musical journey to Joseph and so let our Musical Year begin....!

Like ducks to water.... Bob and Marley are set for life on the lakes

Tourists and locals alike who have taken the Gap of Dunloe boat trip with Donal "Dux" O'Donoghue will be familiar with his love of dogs and his faithful companion Charlie.

Unfortunately earlier this year Charlie took ill and died suddenly after drinking water infected with algae on the lakes in June and Donal "Dux" and his family were devastated beyond words at his loss.

In the last few weeks, The Gap of Dunloe Traditional Boat tours have introduced two new members of staff... Bob and Marley have already had their maiden voyage on the lakes

and will have their "sea-legs" in time for the 2020 season.

While Charlie's memory will always live on, Bob and Marley have taken to life on the lakes like ducks to water!

NEUROMUSCULAR THERAPY:

Neuromuscular Therapy (NMT) is a physical therapy specializing in the treatment of soft tissue pain and injury. NMT incorporates such techniques as Muscle Energy Technique, Positional Release and Soft Tissue Release to treat a range of injuries, conditions and chronic pain including; Trigger Points, Neck Pain, Nerve Entrapment, Back Pain, Postural Imbalances, Knee Pain, Sciatica, Tension Headaches, Tennis Elbow.

STRUCTURAL INTEGRATION:

Structural Integration focuses on the fascia (also known as connective tissue). Muscles are contracting tissues that give the body and organs physical movement. The fascia surrounds the muscles, bones and organs in the body. The fascia gives muscles their shape and the body its structure.

Structural Integration aligns and balances the body by lengthening and repositioning the fascia. As fascia is lengthened it allows the muscles to move more efficiently. When restricted fascia is released and lengthened the body can return to its structurally optimal position thus becoming more flexible, more coordinated and athletic performance improves.

After a session of Structural Integration discomfort or pain are often alleviated, other benefits are greater flexibility, a feeling of lightness and fluidity, better balance, increased breathing capacity and increased energy.

Create your own magic!

With Halloween approaching and the evenings drawing in I found myself thinking about the magic we create in our lives. I'm talking about the kind of everyday simple things of life that bring us so much joy, peace and love. It's the magic of watching the trees turn a rich shade of gold and red, the magic of sitting by the fire and feeling warm and safe. The magic of a smile from a stranger and somehow you feel connected. Each day is an opportunity for us to create more magic and bliss in our lives, however, so often we miss the small everyday moments as we are too busy feeling rushed or stressed by some event.

Weave your own magic

- Your words have power! Notice what you say. Words are powerful. They can lift you up or bring you down. Choose words that

inspire, encourage and affirm who you are!

- Use the power of three! To keep you focused on your goals, check in with yourself three times through the day. Remind yourself of how you desire to feel and what you want in the morning, at midday and in the evening before you go to bed.

- Light candles of intention. Take some space to sit and gaze into the flame of a candle while sending out an intention. An intention is a positive thought. This thought may be for you or someone else.

- Give yourself a magical gift by joining me at "Your Ritual Retreat" at the Meadowlands hotel on 15, 16, & 17th November! (Book your space at the Meadowlands on 066 7180444).

PRESBYOPIA

WHAT IS PRESBYOPIA?

Presbyopia is the normal loss of near focusing ability that occurs with age. Most people begin to notice the effects of presbyopia sometime after age 40, when they start having trouble seeing small print clearly.

Presbyopia is caused by an age-related process. This differs from astigmatism, myopia and hyperopia, which are related to the shape of the eyeball and are caused by genetic and environmental factors. Presbyopia generally is believed to stem from a gradual thickening and loss of flexibility of the natural lens inside your eye.

These age-related changes occur within the proteins in the lens, making the lens harder and less elastic over time. With less elasticity, this means the eye has a harder time focusing up close and we may have to hold material further away to see it clearly.

WHAT IS THE TREATMENT FOR PRESBYOPIA?

Presbyopia is a natural part of ageing and there is no cure for it. The solution is generally to wear glasses for reading

Contact lenses are also available for presbyopia if you do not want to wear glasses.

ARE THERE EXERCISES I CAN DO TO STOP NEEDING READING GLASSES? WILL I MAKE MY EYES WORSE BY WEARING GLASSES?

No. As presbyopia is caused by the lens stiffening, and not the muscles weakening. Wearing glasses will not make your eyes worse and there are no exercises that can help this. However, you may notice that when you take your glasses off, things appear to be worse without them than before you had them. This is simply because you are noticing how clear and comfortable vision should be. Before you had the glasses, you were unaware how blurry your vision really was because it changed slowly over the years.

Presbyopia will get worse as you age until you reach your late fifties, when you will have no natural focusing ability left. Unfortunately there is nothing you can do to stop it.

For any vision changes it is important to have a sight test to determine the cause.

COUNTY CHAMPIONSHIP QUARTER FINAL

East Kerry have reached the semi finals of the county championship after gaining revenge on Dingle for last years loss with a ruthless win in Tralee. Glenflesk had three starters on the team and each of them were very impressive. Chris O Donoghue once again played well at corner back. As part of an impenetrable East Kerry back line, he beat his direct opponent to most of the fifty fifty balls and got a crucial block down in the second half. His use of the ball was also top notch with very few stray passes. Brian O Donoghues work rate was huge at wing forward and was fouled for the free that opened the scoring. He also tracked back to help support the defence and played one lovely pass in the second half that led to a brilliant score. At full forward Darragh Roche was in flying form. He scored nine points, five from play, and had three further assists. His scores came off both feet and his link up play with David Clifford gave the Dingle defence headaches all evening. Shane Courtney also came on late in the second half. Congratulations to all the squad and confidence will be high now going into the semi final against St Brendan's, who they already played once this year.

SCOR NA NOG East Kerry takes place in the coming weeks. Anyone u17 and in post primary education are eligible to represent Glenflesk gaa in figure dancing, set dancing, recitation, solo singing, ballad group, music group, novelty act and quiz. If interested please contact Paud o Donoghue 0872586448 or Rosie Healy

0872072512 before the 1st of November.

GLENFLESK COMMUNITY GAMES Glenflesk Community Games needs a new committee as Leonard Moran, Kathleen OConnor Fleming, Karen Herlihy and Eamon Bowler are retiring. Dr Crokes 1.11 Gneeveguilla 1.10

Paddy O Leary Memorial Park in Gneeveguilla

was the venue this East Kerry Div 2 final played early on Sunday morning.

It was a great sporting battle between two committed teams.

Jamie O Leary opened the scoring for Gneeveguilla before Adam O Connell replied for the visitors.

Cian Mc Mahon then added a point from play before the same player floated a high ball into the danger area and Evan Looney applied the finish to the net.

Godwin Obeasia pointed to see the town side lead by 1.03 to 0.01 midway through the half.

Gneeveguilla were then to enjoy a fine period of play as Paul O Leary quickly replied with a well taken goal after a penetrating run from Jamie O Leary.

The O Learys then added three further points, Jamie(2) and Paul (1) before a fine fisted point by full forward Danny O Callaghan.

This saw the Home side lead by 2 points at half time 1.05 to 1.03 despite losing midfielder Daniel Fleming to a black card on 21 minutes.

On the resumption both sides traded a brace of frees, two from Dr Crokes by Sean Magann and responses from Danny O Callaghan.

Gneeveguilla were to miss two further placed ball efforts in this period which were to prove costly as Dr Crokes hit the next three points from Liam Randles, Gary O Connor and team captain Padraic Looney.

Paul O Leary added another Gneeveguilla free before the unerring Sean Magann hit two more points from frees. In a frantic finish Paul O Leary pointed again for Gneeveguilla before substitute Conor O' Brien made an immediate impact by hitting a fine point from distance to tie up the scores with time running out. Dr Crokes won possession and went in search of a late winner and found a hero when midfielder Harry Potts went on a run and took the responsibility upon himself to slot over the winning point. This was a fine competitive game played in a good spirit with plenty of skill and endeavour on both sides.

After the game East Kerry Board Chairman Johnny Brosnan presented the Div 2 Championship Cup to Dr Crokes Captain Padraic Looney. He congratulated both Clubs and thanked Gneeveguilla Gaa for the use of their fine facilities. He also thanked Referee Denis O Sullivan (Scartaglen) and his 4 umpires and Sponsors The Tatler Jack, Killarney.

EAST KERRY MINOR CHAMPIONSHIP

Glenflesk 3 – 16 Fossa 3 – 13

Glenflesk's minor team produced a come back for the ages to advance in the East Kerry Championship against Fossa on Sunday afternoon in a gripping encounter.

Glenflesk got the opening score early. Patrick Darcy, a day after scoring four points for the senior's, coming through the middle before popping the ball between the posts. Fossa's reply was immediate. Full forward Emmett O Shea scoring two quick frees before Richard Wallace found the net for the visitors. O Shea and Killian Buckley were finding space at will at this stage and their finishing was clinical. They added a second goal after a goalmouth scramble to build a commanding lead.

Glenflesk needed to get a score of their own to build some confidence and it came after wing back Ivan Crowley's powerful burst ended with Darcy burying a shot to the back of the net. They got another chance to get even closer soon after. A high ball came in towards goal and Kevin Bowler snuck in behind his marker only to be pulled back as he was about to shoot. A penalty was awarded. Bowler, who scored two penalties for the under sixteen's last Sunday stepped up again. He hit the penalty well but it just flew past the post. A big chance had gone. Fossa would lead by two nine to one six.

Glenflesk needed a quick start to the second half. They didn't get it. Fossa instead added a third goal as wing back Rian Colleran shot found the back of the net. The chance of a comeback now seemed remote. It was started by two magnificent long range points from Eoin Moynihan. Fossa then lost the ball thirty metres from their own goal and after a few quick passes, Kevin Bowler found himself one on one with the goalie. Unperturbed by his penalty miss he

coolly finished the chance and it was game back on. A once one sided match now was very much in the balance.

Dara Tangney scored a lovely point under pressure before Marc Kelliher converted his third forty five of the day. Fossa got an important score from Eoghan Myers to bring the sides level again. Patrick Darcy then evaded tight Fossa marking to score the point that gave Glenflesk the lead again. Another big score from either team would now decide it. It was Glenflesk who got it. Tommy Bowler's cross field pass was won by Darcy who composed himself to find the net despite the intervention's of two Fossa defenders and the goalie. There was still time to go though. O Shea scored twice more for Fossa, but they couldn't engineer the goal chance they needed. After what seemed like an eternity the final whistle blew. Glenflesk had completed the impossible recovery.

Heartbreak for Fossa then, who will be bitterly disappointed to give up such a commanding lead. For Glenflesk there will be an amazing sense of pride at delivering this turnaround. Early in the second half they trailed by three ten to one seven and even the most die hard supporters at the game were losing hope. Most importantly, the players themselves had not given up hope. The defence was far tighter in the second half with Killian O Sullivan particularly impressive. Up front the forwards work rate pinned Fossa in and chances that were created were finished well, even under pressure. Those who turned up to watch will be glad they were present to see such a second half performance of fight and skill.

DR. CROKES AND EAST KERRY STILL IN THE HUNT AS KILLARNEY LEGION LOSE OUT

DR. CROKES WEATHER THE KENMARE STORM

Dr. Crokes 1-20 Kenmare Shamrock 1-12

Senior Football county champions Dr. Crokes are back in another County Senior football semi final following an impressive final quarter performance that saw them get past a gritty Kenmare Shamrock challenge.

In what could only be described as an exceptionally heated game at times, which provided plenty hard challenges, quality scores and a good few flash points, it was certainly a test to the champions that found themselves in arrears by three points at the three quarter mark. However inspired once again by the fire power of Tony Brosnan, Dr Crokes outscored a hard working Kenmare outfit 1-9 to a single point in the remaining quarter to claim a semi-final berth. In what was a heated opening seven minutes referee Pdraig O'Sullivan had produced more yellow cards than both sides had scores between them as Sean O'Shea and Mark O'Shea had scored a point each with Micheal Burns, Mark Crowley and Johnny Buckley going into Pdraig O'Sullivan's book. Still the football did break out and it was certainly fast and furious as both sides enjoyed periods of dominance. Crokes pushed the issues early on to lead 0-4 to 0-2 but Kenmare were ahead by the 24th minute 0-6 to 0-5. Level on seven occasions during the opening half it was Dr. Crokes with Tony Brosnan's fifth point had them ahead at the break 0-9 to 0-8 Kenmare opened the second half brightly and with points from Paul O'Connor and Sean O'Shea they had assumes the lead for the second time in the contrast but David Shaw had them level once again by the 37th minute. Kenmare how enjoyed a lot of possession were now beginning to press the issue and finally their goal arrived after a patient build-up in which Griffin Wharton bundle to the roof of the net. It gave Kenmare a three-point lead as the decent sized crowd finally got engaged with the sense of something special about to happen. By the three quarter mark, it was 1-11 to 0-11 but then Dr. Crokes moved up the gears. Toney Brosnan fired over his sixth of the day, followed up by Shaw, then it was Kieran O'Leary's turn before Brosnan had a seventh and an eight by the 53rd minute to put Dr. Crokes in a 0-16 to 1-11 lead. Kenmare's only response a wide.

Three more Dr. Crokes points were on the board by the time Kenmare ended a 16-minute spell without a score and by then it was gone from them. By the time Kieran O'Leary added a Dr.

Crokes goal in the 4th minute of added time it did more to inflict a sense of injustice on the effort that Kenmare put in over the hour but it was vintage Dr. Crokes with their backs to the wall that showed the way in the final quarter.

THE CLIFFORD AND ROCHE SHOW SEND DINGLE PACKING

East Kerry 1-23 Dingle 1-11

East Kerry made light work of their quarterfinal joust with the team that ended their dream last year at Austin Stack Park on Saturday night.

Coming into the game, much of the talk was around how last season's replay between the side grabbed all the national headlines for all the wrong reasons but a year later, the headline makers were writing about the brilliance of an east Kerry performance that was pulled out of the top drawer.

In truth, East Kerry who led at the break 1-10 to 0-6 put this game to bed inside the first half dozen minutes of the second half when they outscored the west Kerry men by 0-6 to 0-1 to extend their lead to 1-16 to 0-7.

Despite this the opening quarter remained competitive as an off target Dingle side (who kicked eleven wides throughout) fought to get back into the contest after a brilliant 15th minute individual goal by David Clifford. Dingle hit what they thought was the next three points to be get back within a goal but their final point of the three by Barry O'Sullivan was disallowed by the referee after consultation with his umpires. It spurred East Kerry on who hit the next five points to put them in the driving seat.

Still while their forward unit received the plaudits, it was a strong defensive display too from hard working unit of defenders. Twice the brilliant Dan O'Donoghue blocked and regain possession at a vital stage; Jack Sherwood regained his composure from a few early Dingle attacks to tower over Paul Geaney by games end and even fired over a point after a charging run. While Chris O'Donoghue and Pa Warren nullified their Dingle attack threat.

Paudie Clifford looked right at home in Austin Stack Park, collecting kick outs, setting up

attacks and even finding the time for two points of his own and all this with the attention of Tom O'Sullivan following him around the pitch.

However, it was their firepower that was the difference. Over the hour the fail to register a wide such was their accuracy. Dara Roche with nine points, five from play and David Clifford with 1-6 from play has really pushed East Kerry up the favourite's board as we head into the final four.

ALL EYES ON ANTHONY AS UNDERDOGS TAKE ON MAYO

Rathmore footballer and IT Tralee Student Anthony Darmody is set to wear the No. 12 Jersey for TG4's show, The Underdogs, tomorrow, Saturday 26th October at 8pm in McHale Park in Mayo.

Anthony is the son of Mary and Paul Darmody and brother to James and David.

A former pupil at Scoil Phobail Sliabh Luachra, Anthony is now studying Business at IT Tralee.

The show is based on a group of men who have enough skill, athleticism, and dedication to take on one of the best Gaelic football teams in the country.

This year the management team include former Kerry Captain and former Kerry Manager Mickey Ned O'Sullivan, Gaoth Dobhair legend and former Donegal Footballer Kevin Cassidy and former Cork Ladies Footballer Valerie Mulcahy.

The Management team have to put a panel of footballers together that have the potential to take on an inter-county team within a few months. The only rule is that these players can never have played Gaelic football at a senior inter-county championship level.

Each week Management will have to drop one or more of the players from the Underdogs camp, as only 28 can come with them to play the ultimate challenge match which takes place tomorrow.

Anthony is one of three Kerry men on the team, Valentia and South Kerry's Brendan O'Sullivan and Annascauls and West Kerry's Jason Hickson have also been named in the first 15 for the match, which will be broadcast live on TG4 on Saturday evening.

Anthony Darmody, ready to take on Mayo with The Underdogs.

LEGION CHALLENGE HITS THE ROCKS AS BRENDAN'S VOYAGE CONTINUE

Killarney Legion 1-10 St Brendan's Board 1-12

Killarney Legion will have to wait at least another year before dreams of returning to a county senior semi final as they failed to hold onto a four point half point lead last Saturday evening at Austin Stack Park.

The 2015 county finalists who remained well in contention throughout saw their final quarter performance bettered by the Tralee Board side who relied heavily on their goalkeeper Eoghan O'Brien who scored four points from dead balls. Despite practically owning the ball for the opening eight minutes, it was St. Brendan's that found themselves behind 0-3 to 0-1 by the 10th minute. Not helped with five early wides of which three were from placed balls and it was up to Diarmuid O'Connor to find the target eventually on the 5th minute.

Still Killarney Legion who barely boasted an early attack were on the board by the 8th minute with a James O'Donoghue free that was won by Conor Keane. Having scored from the dead ball it was one from play by O'Donoghue a minute later and Keane was in on the action a minute later with a free as Legion were now on the front foot.

A fantastic block down by the Legion full back Danny Sheahan was the beginning of a move that saw Legion sweep down the field with Thomas Moriarty firing low to the net to see

them five points clear by the end of the quarter 1-3 to 0-1.

With the St. Brendan's forward unit misfiring it was left to their full back Kieran O'Dwyer to get up the field and he slotted his effort over the bar to end the Tralee sides barren ten minutes without a score. Full forward Ivan Parker fired over another minute later and all of a sudden it look like St. Brendan's had found their groove. Still it was the Killarney side that would push on and with three points on the bounce they looked comfortable at 1-6 to 0-3 by the 23rd minute.

A strong final ten minutes for St. Brendan's with scores from Parker, O'Brien (45) and David Callaghan they were again on the coat tails with a late Conor Keane free sending Stephen Stacks men to the dressing rooms at half time, four points clear.

As he did in the first half it was Diarmuid O'Connor that hit the first score but this time he raised a green flag and with it the intent of the Divisional side that they were up for the fight.

By the 40th minute they were level with O'Connor yet again firing over and with scores from play at a premium to get it was the coolness of place balls from the St. Brendan's keeper that was very much a feature of the second half.

The Churchill man added three points for St. Brendan's and would end the game with four and pushed his championship total to an impressive eleven points.

By the 52nd minute they had pushed themselves into a three point lead 1-12 to 1-9 and despite not scoring in the remaining 13 minutes of play (five added), Legion could only find the target once through Jack O'Neill and would finish up short.

Killarney Legion: Brian Kelly, Darragh O'Doherty, Danny Sheahan, Cian Gammell, Damien O'Sullivan, Denis Sheahan, Jonathan Lyne, Pdraig Lucey, Shaun Keane, Jack O'Neill 0-1, Kieran Slattery 0-1, Billy Maguire, James O'Donoghue 0-3 (0-1F), Conor Keane 0-5 (0-3F), Thomas Moriarty 1-0

Subs: Darragh Lyne for Jamie O'Sullivan (HT), Michael Devlin for Pdraig Lucey, Rob Leen for Denis Sheahan (BC) Peter McCarthy for Thomas Moriarty, Shaune Keane for Billy Maguire (52), Finnbar Murphy for Kieran Slattery (56)

St Brendan's Board: Eoghan O'Brien 0-4 (0-3F), Fergal Barry, Kieran O'Dwyer 0-1, Trevor Wallace, Brandon Barrett, Andrew Barry, Patrick Keaney, Jack Barry, Diarmuid O'Connor 1-2, David O'Callaghan 0-1, Daithi Griffin, Paul McMahon, Niall Sheehy, Ivan Parker 0-3 (0-1F), James Duggan

Subs: Alan O'Donoghue for James Duggan (30) Killian Fitzgerald 0-1 for Niall Sheehy (H/T) Thomas Kearns for Daithi Griffin (41), Michael Kelleher for Ivan Parker (49), Brendan Poff for Patrick Kearney (58), Eoin McElligott for David O'Callaghan (64). Referee: Sean Joy

MUNSTER NOVICE & JUVENILE EVEN AGES

XC Limerick Racecourse was the venue for the first Munster Cross Country Championships. The Munster Novice and Juvenile Even Ages, Sunday 20th October on a dry chilly autumn's day. However the ground was very heavy underfoot following the torrential rain dropped over the last two weeks. Even before the first race kicked off almost every blade of grass was trodden into ground and a sea of wet stick mud formed over the one kilometer loop. A credit to all athletes who took part. First on the cards from our club was Ryan Vickers in the U10 1000m. Ryan, as usual took off at a very fast pace and was amongst the lead group of well over 100 runners from the start. He continued to battle for positions and with the finish tunnel in sight he up the pace to pass another few runners and finished in an impressive fourth place. Next up was Rhian McCarthy in the U12 2000m. With 165 competing, it was one of the largest races of the day. Rhian held her nerves and settled into a good pace as the course was now very difficult with very little ground for fast running. Into the second lap Rhian began to push her way through the pack and eventually crossed the line in eighteenth place overall. Isaac Vickers was in the U12 Boys race. Again a big field with a very fast start. Isaac, competing out of age ran well to finish well up to the top group of runners. Shauna McCarthy in the U16's 4000m where now a section of the course was diverted as it was like a sea of slurry. Shauna, no stranger to these conditions was doing very well as she worked her way to the lead group of eight runners. This group continued to open a big gap from the rest of the field as they conquered each lap. Shauna did well and held on to finish in seventh place overall. She now goes forward to represent Munster at the National's in November. The last race of the evening was the Novice Men's 6000m, 6 laps of pure gutter. George McCarthy could not go home without experiencing the hurt our four juveniles had to endure. George started to find his rhythm going into the third lap and began to advance through the tiring pack of men, picking off one by one he worked his way up the field to finish just outside the top 10 finishers. It was a great experience, and one to remember as the course that John Treacy won the World Cross Country Championship back in 1979 in very similar conditions.

On Sunday November 3rd we have the County Juvenile "B" and Masters XC in Killarney. The age categories are U10/U12/U14/U16. The distances are reduced to 600m/1200m/2000m/2000m respectively. We would encourage all our club members to take part in this event as the distances are much shorter and your training every Tuesday night proves you will have no problems.

CLUB TRAINING: Juvenile U8 to U16 Tuesdays from 6-7pm at GAA Grounds Farranfore. €2. Maria's Strength, Endurance & Flexibility Exercise Classes from 7pm at the Sports Hall in Farranfore. Class is designed for all abilities from secondary school upwards. €5 per class.

KILLARNEY COMMUNITY GAMES

The Killarney Community Games AGM was held on Sunday 20th October 2019 in the Dromhall Hotel. The meeting was chaired by Philip Gammell who presented a professional detailed and comprehensive review of the successful year including all the activities that the area participated. Treasurer Margaret looney compiled and presented her accountants report working in unison with Area Secretary Anthony Greaney who compiled a detailed comprehensive file for the AGM. Children's Officer Catriona White was complimented on ensuring everyone on the committee is now Garda vetted. Unfortunately committee member Sinead Sugrue was unable to attend the meeting but contributed hugely to the organising of activities in the area in 2019 and going forward for 2020. 2019 was an extremely successful year for the area with the highlights being National medal winners in Athletics, Pitch and Putt, Swimming and Chess. The boys U10 Gaelic football team won Kerry and got silver in Munster with county medals also being won in community games Soccer. The big disappointment in 2019 was the boys U16 relay team being unable to compete in the National Finals. We are appealing to parents to please help out in the upcoming fundraisers i.e. bag packing, church gate collection details

to follow. Elected Officers for 2020: Chairman: Philip Gamell, Secretary: Anthony Greaney, Treasurer: Margaret Looney, Children's Officer: Catriona White, Committee/PRO: Sinead Sugrue, Billy Hennigan.

Next up was the under 16/B race combined. , Killarney's Luke Murphy took the win in stellar fashion. Luke has a national medal in under 14 mtb in 2017 and 2018, and also 7th in the U.K. race before having to take time off the bike due to an injury, great to see him back racing. DIVISION 2 In a high scoring encounter MEK Galaxy were led by hot-shot Tadgh Gosney who ended the day with 5 of his sides 7 goals. Aaron Dinham and James Clifford got the other goal with Clifford's and important one as Ballyhar Dynamos had gone 2-0 up. Their goals came from Fionn Coleman 2, Aaron O'Sullivan, Michael Fitzgerald and Daithi O'Shea.

Mastergeeha are also onto 6 points thanks to 3 goals from Zyngintas, 2 from Patrick Radney and

one from Kuba Cislá in their win over Killorglin c. Park lead in 16 Premier

The Park's goals in their win over Killarney Athletic came from Sean Healy 2, Sean O'Connor, Sean O'Connell and Cillian Murphy. Inter Kenmare and MEK Galaxy enjoy opening wins in 16 Division 1 North

2goals from Colin O'Leary and one each from Turlough O'Connor and Dara Callaghan saw Mastergeeha see off Ballyhar Dynamos in the Tralee Trophy 16 Division 1. It was a day of celebration for Mastergeeha who were celebrating their 40th anniversary.

For MEK in their win Eddie Moroney 2, Fionan Griffin, Liam Roche and Shane Evans were their scorers in their 5-1 away win at Killorglin.

Tralee Dynamos 3-3 in 16 Division 1 South Goals from Jack O'Donoghue, and Donagh Stephenson and 1 from Nathan Rogers and Jamie O'Shea gave Tralee Dynamos the win over LB Rovers who had a consolation goal from Joe Finch. But it wasn't as easy as the score line suggests as Dynamos keeper James Moore gave a player of the match performance.

The goals for the home side came from Michela O'Connor, Maggie O'Riordan, Erin O'Connor, Andrea Kirwin and Edel O'Donoghue. U14 PREMIER DIV

Killarney Celtic A 3, Castleisland 2.

Our u14s played their second league game today welcoming Castleisland to Celtic park. Celtic started the brightest with some great passing moves opening up the Castleisland defence but failing to capitalise. After 8 minutes Mark Daly made a great run down the right wing to rifle home a great cross to make it 1-0. Our lead was short lived as Castleisland got a fast break and levelled matters 10 mins later. The second half saw Celtic keep the pressure on with our goalkeeper Daire Murphy commanding his box to stop any Castleisland threats. We played some fantastic football with Mark Daly working tirelessly on the wing and Pdraig O'Donoghue controlling the mid-field. Calum Cronin was tormenting the Castleisland defence with some excellent tantalising runs and great determination. Which paved the way for Celtic to score through Josh Bowler with an excellent finish. Shortly after Ted O'Gorman made a great run to put Josh Bowler through for his second and Celtic's third 3-1. Castleisland got one back 3 minutes from time which made it a nervy ending. Once more a massive team performance today from everyone with the whole panel playing their part in getting the 3 points.

U14 Div 1 Dingle Bay Rovers 3, Killarney Celtic B 3. Oisín Fleming (2), Cillian Murphy.

2 nil down at halftime. 2nd half we were down 3-1 and came back to draw 3-3 showing great determination with Pearce Moynihan outstanding in goal.

Lakers secure impressive victory

By: Eamonn Keogh

Portlaoise Panthers 82

Scotts Lakers Killarney 97

SCOTTS Lakers winning form continued following an impressive 15 point victory in Portlaoise last Saturday night. It was a third consecutive win for the Killarney side and the first away win this season. Despite lining out without the services of big men Andrew Fitzgerald and Carlton Cuff, the Lakers always enjoyed an advantage throughout the game to help secure victory.

Scotts Lakers started with early three-pointers from Aaron Jackson and Mark Greene while Toby Christensen also made his presence felt. Further big three-pointers from Aaron Jackson and Brian O'Neill kept the visitors in front while Portlaoise kept in touch through Mantas Vilmas, Dylan Dunne and Kyle Burke. Scotts Lakers finished the quarter much stronger with further scores from Toby Christensen and Mick McGinn while Aaron Jackson was on fire with two massive three-pointers and a basket. The Lakers enjoyed a 31-21 lead entering the second quarter but struggled to maintain that lead following a sequence of missed scoring opportunities and costly turnovers. Panthers grew in confidence and put up the scores through Sean Condon, Mantas Vilmas, Kyle Burke and Gary Morrissey to reduce Scotts Lakers advantage to 38-36 midway through the second quarter.

However the Killarney side responded well

through the hard working Victor Martintez along with two three-pointers from Toby Christensen and two converted free-throws by Aaron Jackson. It was enough to regain a ten point advantage and Scotts Lakers lead 51-41 at the half-time interval break. The Lakers enjoyed a good run upon the resumption with baskets from Victor Martintez, Mark Greene, Aaron Jackson, Toby Christensen and Mick McGinn. Brian O'Neill and Toby Christensen added three-pointers while Seamus Brosnan also impressed as Scotts Lakers built up a commanding 73-57 lead entering the final quarter. The first seven scores for Lakers in the final quarter included two free-throws from Toby Christensen and five three-pointers – three from Aaron Jackson and one each from Christensen and Brian O'Neill. Despite the best efforts of Mantas Vilmas, Gary Morrissey, Sean Condon and Kareem Davis for Panthers there was no way back for the home side against a dominant Scotts Lakers team that registered 16 three-pointers on the night.

CUP GAME SCOTTS Lakers have now climbed to third place on the league table with a 4-2 winning record. League leaders Ballincollig, who remain unbeaten with a 5-0 record, are the visitors to Killarney Sports Centre on Saturday night, October 26th, for a crucial national cup first round clash. It promises to be an exciting encounter with both sides anxious to progress and enjoy a good cup run. Ballincollig will be raging hot favourites following recent clashes between both sides. In five games between the

teams in the past two years, the Cork side have emerged victorious in each one and will travel to Killarney in confident form. A capacity crowd filled The Killarney Sports Centre a year ago to see Ballincollig clinch a thrilling 101-96 win helped by a whopping 46 points from outstanding American Andre Nation. He is back again this year and along with the likes of Ciaran and Ronan O'Sullivan, Ian McLoughlin, Dylan Corkery, Daragh Fleming and Inigo Zabalo, the Cork side have a very talented squad. They have won the national cup for the past two years and won't want the Lakers stopping any three-in-a row ambitions. Scotts Lakers are more than capable of causing an upset and coach Shane McCarthy will be looking for huge performances from all of his players. Ballincollig will focus on limiting the scoring threats of Aaron Jackson and Toby Christensen. Lakers have several other players capable of stepping up and the recent addition of Mick McGinn makes them a more formidable threat. The likes of Brian O'Neill, Victor Martinez, Mark Greene, Carlton Cuff, Andrew Fitzgerald and Seamus Brosnan will all have prominent roles to play. The Killarney side knocked down 16 three-pointers in Portlaoise last Saturday night. It is highly unlikely that Ballincollig will allow them do that again. Home advantage is a huge bonus for Scotts Lakers and Killarney basketball followers are urged to come out in force for this one. Tip-off in Killarney Sports Centre is at 7.30 pm.

COUGARS 12'S WIN BY A POINT:

Kenmare Kestrels 23-24 Killarney Cougars:

This U12 Boys Division 2 game, while the first game of the season, will probably go down as one of the games of the season. The sides exchanged baskets all game with the home side just two points up at the end of the first quarter. Cougars fought back in the second quarter and

kept that lead into the third.

Kenmare Kestrels threw everything at the Killarney boys in the final period but came up just one point short. Feargal Murphy was the top scorer for Cougars while Dylan Treyvaud led the Kestrels scoring charts.

Leah leads Gneeveguilla 14's girls to victory:

Gneeveguilla 14's Girls 37-36 St Mary's

This u14 Girls Division 2 Pool 2 game was another one that went down to the wire. Gneeveguilla led 21-12 at the break but the girls needed to draw on all their defensive and offensive skills to hold on for the win. They were led by the excellent Leah Murphy who top scored on 11 points. Her teammates Katelyn O'Leary ended with 7 and Ella Guerin-Crowley hit 5.

COLEMAN'S 14'S GIRLS GOOD PLAY SPARKS VICTORY

St Brendan's 25-38 St Colman's Sparks

In this u14 Girls Division 3 Pool 3 encounter

between St Brendan's and St Coleman's played in Moyderwell saw the visitors take the win. It was a very tight first quarter with the home side leading 9-8. But the visitors took over in the second and third quarters outscoring their host 19-4 and there was no way back for the Tralee side. For the winners Ella McGillycuddy hit 12 and Laoise Foley 8 while for St Brendan's Abigail O'Shea also ended with 12 while Aisling Browne had 6 points.

IMPERIAL'S U18 GIRLS GO TWO FROM TWO:

Tralee Imperials u18 Girls got their Division 1 League campaign off to the perfect start. They opened with a 47-34 point home win over St Pauls Killarney. And they followed this up with an away win at TK Bobcats to lay down an early marker for the season. Amongst the girls who put in very good performances were Rachel Kilgallen, Lara Flynn and Rebecca Conway.

Killarney U14 Girls Create History

BY MILO O'MEARA

On Sunday 24th of October, 15 young emerging rugby girls made their way to the Killarney RFC club that is based in Aghadoe, itself, one of the most attractive viewpoints in Kerry.

Shortly afterwards, as the bus departed for Bruff, home of the famous John "Bull" Hayes, Ireland's tight head prop for many years, one wondered what would be in store for these girls as they stepped off the bus to compete in their first ever full 15 a side on a full sized pitch. It been our first trip we were short on time to warm up and get organised, it was indeed a baptism of fire for these girls to face a much bigger set of girls who had been training for longer, were very organised and structured.

It must also be stated that Fiona Steed, herself a huge figure in Irish Women's rugby and a former Bruff player, was present on the day, and she would have been very proud the way Bruff started, as they ran in a few quick tries. They had a very talented outhalf who was very adept at finding space which accounted for those tries.

But, the Killarney RFC girls, little by little growing in confidence, began to compete in the ruck, their line speed got better, the tackling improved and just before the half, their first ever try was touched down by the excellent Bronagh Dorian. That try was to lay down a marker for the second half.

With just minutes before the game to set up their scrum, and though non contested, their coach was very proud of the effort made to either run or pass from the base of the scrum. Setting up in the front row, Molly Gabbot, Jasmine Howard and Ella Guerin Crowley did a great job in what's known as the engine room! In the second row, Niamh Dorrian and Clodagh Foley made great improvements as the game progressed, both in loose play and the lineout. The back row of Nell Crowley, Bronagh Dorian and Fia Whelan excelled and though a lot to learn, as it is for everyone, a lot of great work was done and it bodes well for the future.

Their coach at half time asked that they forget

Killarney Rugby Club Girls team who played Bruff.

about the scores of the first half, and look at the second half as a new game, which they did.

To those reading this article please don't underestimate the effort made by these girls in the second half, as running in three more tries all converted by Bronagh in Brilliant fashion, ensured that not only did they win the second half, but they played the better rugby, itself a marker for the potential of these girls, against a very big Bruff outfit.

Scrumhalf, Holly O Sullivan was very good and it was her skipped pass that put Ella in the corner for a brilliant try. At outhalf, Robyn Landers, though slight in build, has the heart of a lioness and made the referee work very hard at controlling the ruck as Robyn was constantly competing for the ball in there!

Katie O' Donoghue was a power of strength in the centre, ably assisted by Emer Harrington, who both, as they improve, will be a force to be reckoned with. Elsewhere in the back three, Melissa McCarthy, Isabella O' Leary and Kate Mangan had a great day learning in what's

required, making tackles, getting stuck in and growing in confidence.

So, the second half tries from Katie, Niamh and Ella rounded off a great 'baptism of fire'.

A big thank you to Ger, player and chairman who had been coaching the girls up to recently, to the parents who turned up for such a historical occasion, to Tom, Liam, Ann and a big mention to Fiona, whose work is pivotal in introducing more girls to rugby and keeping the paperwork of which there is a lot, up to date.

These are a fantastic group of young athletes, who despite their being completely new to the game, already have a belief in themselves and each other, imagine how good they will be once they have had a chance to train and play a few games!!

Next week the girls play a much more developed side, Ennis RFC in Killarney, and will this young and inexperienced side again go out and give the opposition a run for their money??...you better believe it!! See you there.

KERRY PITCH & PUTT NEWS

UNFORTUNATELY, it ended in defeat for the Tralee Scratch Gents Pitch & Putt team in their National Inter-Club Semi-Final with defending champions Fermoy in Lakeside, Templemore on Saturday as they were made to pay for a poor start to proceedings.

They lost all three of their doubles matches to the defending champions as the combination of Tony Blake and Jason O'Regan came closest to recording a match win losing at the last hole. It meant Tralee trailed 3-0 as despite Jamie Blake, Jason O'Regan and Alan

Hobbart winning their singles matches, Fermoy won the other three to record a 6-3 win overall. It was a disappointing loss for Tralee after their dramatic 5-4 win over another Cork side St Annes the previous week. Danny O'Leary joined the team this week that also included Jason Cregan and Alan Hobbart amongst their seven-player squad. Fermoy would go on to win a fourth consecutive title with a win over Cashel's Larkspur Park in Saturday afternoon's final. This Bank Holiday Weekend sees the final open fixtures of the year in the county as Deerpark host their Open Three Ball Scramble and Scratch Cup events. Play in the Three Ball Scramble event is from 12pm-dusk on Friday with cards also available from 10am-4pm (last card) on Saturday for €10 per player. The Scratch Cups events on Sunday (played over 36 holes) will see cards available from 8am-2pm (last card) for €10 per player as well. Please note there is no event on Monday this year like previous years.

Gardening
with Killarney Outlook

FOCUS ON TREES

Trees are beautiful in any garden and their long life makes them a wonderful garden feature. A tree should be the first think you plant in your garden after the hedging – they can be underplanted afterwards with bulbs and shrubs. Trees are interesting in all four seasons with attractive unfolding of leaves in spring, full foliage in summer, good Autumn colour followed decorative bark in the Winter. The first and most important think you need to know when buying a tree is what's the height and spread going to be when it is mature. There are many varieties of trees to choose from and there is a tree suitable for most areas. Trees can be planted all year round but as with hedging, trees can be planted when they are dormant between November and March.

When planting your bare rooted tree, dig the hole big enough that you can spreads out the roots all around the hole. Then drive your stake into the hole roughly about 6 to 8 inches below the bottom of the hole, place your tree and spread the roots out well. If possible place your stake on the side of the prevailing winds as this will ensure that the tree is blown up against the stake when the wind is high. Fill in the soil mixed with compost around the roots and firm in with the heel of your foot. Lastly place your tree ties on – one near the top and one at the bottom with a spacer in between to stop the bark being damaged by the stake.

A Word of Victory

Welcome back dear reader, we've recently looked at how we and our children are being affected by demonic things dressed up as innocent fun and entertainment in what we are watching and part-taking in. It is up to you friend to do what you like with that information, but I urge you to call upon the Lord Jesus, and ask Him to reveal the truth about these things to you. God warns in Ezekiel chapter 33:1-9 that the watchmen - those who preach the Gospel, are to tell people the truth of His Word and sound the alarm of the enemy's approach. If we don't do that their blood will be on our hands. If we have relayed God's Word and His people take action - great; but, if they ignore the warnings, then the teacher of God's Word is absolved from the responsibility because they were told, but chose not to repent and turn to Him. The Bible is full of accounts of where false prophets tickle people's ears telling them they're ok, and all is peaceful. God gives these false prophets short shrift, but it's the people who are being influenced by them who suffer. Isaiah 30:8-22 describes this as follows - the people have been going to the world's system (represented here by Egypt and Pharaoh) for help instead of going to God. They have engaged in such rebellion to His Word, that they now cannot stand the things of God, and so do not want Him or His commands mentioned any longer in their society. God can do nothing for them but lay out that the consequences of their rebellion will be their sudden destruction by the very enemy they have engaged with. He still expresses His Love for them though and gives them the blueprint for preventing the inevitable destruction. "Only by returning to Me and resting in Me will you be saved. In quietness and confidence will be your strength" (Isaiah 30:15). Do you need rest and peace today friend? Though the world may promise you the sun, moon and stars they will never satisfy your needs like being filled with the Presence of the Living God can (Jeremiah 10:10). In His Presence there is fullness of Joy (Psalm 16:11). Those who live without God's Presence are likened as "a lonely flagpole on a hill...a tattered banner on a distant mountaintop" (Isaiah 30:17-22). But those who come to Him will receive His love and compassion, their lives directed by God's peace, forever changed and blessed!

NOVENA TO THE SCARED HEART

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.
(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

ACKNOWLEDGEMENT

IN LOVING MEMORY OF

DAN (LAWLOR) MOYNIHAN

WHO DIED ON THE 30TH OCTOBER 2018 R.I.P.
LATE OF SHRONEDRAUGH, HEADFORD

As we lovingly remember Dan on his first Anniversary, his wife Nuala and his family would like to thank most sincerely all those who sympathised with us on our sad loss.

We express heartfelt thanks to our extended family, friends, neighbours and work colleagues for their kindness and support over the past few years.

Thank you to all who called to our House, attended the rosary, removal, Funeral Mass and Burial.

Many thanks also to those who provided refreshments at this time.

Thank you to Dr Donal Coffey and to all your caring staff at the Ross Medical centre.

We also wish to thank O'Donoghue's Pharmacy for their help at all times.

Thanks to the community nurses, Sheila McCarthy, Mary Healy, Deborah Houlihan, Maura Cronin and Dan's home help team; Geraldine Cremin, Joan Cahill, Alex Abu, Siobhan Fleming and all at the home help Office.

Special thanks to Murphy Funeral Directors for their professionalism in the handling of the funeral arrangements.

Many thanks to our Parish Priest Father George Hayes for his many visits to Dan and for his beautiful Funeral Mass.

We also wish to thank the concelebrants to the Funeral Mass.

We would like to thank Derry and Rosie Healy for their music and song in the Church and at the Graveside.

Thank you to the Killarney Heights Hotel for their hospitality and services provided after the Funeral.

As it would be impossible to thank everyone individually, please accept this acknowledgement as an expression of our deep gratitude to one and all.

The Holy sacrifice of the Mass has been offered for your intentions.
