Its beginning to look a lot like Christmas with shop windows festooned with baubles and lights and lots of Black Friday bargains to be picked up. Christmas in Killarney will begin in earnest tonight, with the first of five Magic Parades making its way through the town at 6pm. There were gala celebrations in the town last weekend with the Kerry GAA Magnificent Seven banquet at the INEC, the CIK Annual Fashion Show took place in the Europe Hotel and the Kerry Stars Ball at The Malton Hotel. Dr. Crokes fans will be making their way to Mallow on Sunday as their team take on The Nire from Waterford in the Munster Club Football final, Football For All are in the running for an national award and a Killarney Grandmother has been crowned Munster Grandparent of the Year. Killarney singer Grace Foley is set to launch her debut album, a young Milltown Student is cooking up a storm and Kerry County Council has €750,000 to give away.

All this and so much more in this week's Killarney Outlook. Out first every Friday!

KERRY GAA CELEBRATE MAGNIFICENT SEVEN

Kerry GAA PRO John O'Leary reports from a gala night at the INEC

The Kerry GAA gala presentation night at the INEC on Saturday last to honour the seven Kerry Teams who won senior All Irelands between 1997 and 2014 was billed as a night to remember and the occasion certainly lived up to the billing. In all there were 87 medal winners and 25 management team members in that period and a surprisingly high percentage of those made it to the Killarney venue. Master of ceremonies, Marty Morrissey welcomed the players on stage in groups of three and there for all to see in the flesh were players who would have graced any of the great Kerry teams in the Kingdom's glorious history. It was indeed a who's who of Kerry football with icons such as Maurice Fitzgerald, Seamus Moynihan, the three Ó Sé brothers who got a mighty welcome, Declan O'Sullivan, Mike McCarthy, Colm Cooper and Kieran Donaghy to mention but a few.

The management teams led by the likes of Jack O'Connor, Pat O'Shea and Eamonn Fitzmaurice were also introduced and all those honoured were presented with a painting of Kerry and Cork in action on Munster final day in Fitzgerald Stadium by Kerry Group CEO Stan McCarthy and the Chairman of Kerry County Committee Patrick O'Sullivan. Replying on behalf of players and management, Kerry manager Eamonn Fitzmaurice gave a passionate speech and promised to return the Sam Maguire to the Kingdom.

Vincent Linnane honoured with a special presentation

While there were players with various numbers of All Ireland medals, All Star awards, Players of the Year etc and managers with equally high profiles, at the Kerry GAA Gala night on

PATRICK O'SULLIVAN KERRY COUNTY BOARD CHAIRMAN AND STAN MCCARTHY CEO KERRY GROUP MAKE A PRESENTATION TO KERRY PLAYERS AIDAN O'MAHONY, COLM COOPER, DECLAN O'SULLIVAN AND PAUL MURPHY AT THE KERRY GAA MAGNIFICENT SEVEN CELEBRATION BANQUET IN THE INEC ON SATURDAY NIGHT.

Saturday last, the only man to get a standing ovation on the night was a quietly spoken Mayo man! Vincent Linnane, or "Vince" to all those who know him, started off as kitman for the Kerry Minor hurlers and soon after came on board with Charlie Nelligan and the Minor footballers in 1993. Very soon his brief expanded to the Under 21's and the seniors and since then he minds the various team kits with meticulous attention. The Kiltimagh native, who has made Ballyduff his home since returning from Manchester in the early eighties with his Kerry born wife Noreen, picks out the 2008 All Ireland quarter final with Galway for special mention; "It was an absolutely desperate evening and if we hadn't had the second set of jerseys that evening, we'd have been in trouble. Normally, the second set would be thrown on at half-time if the weather was very bad, but, on this occasion, they were put on before the throw-in as the players were drenched during the warm-up. We probably could have done with a third set, now that I

think of it" he recalls. Vince of course is also the caretaker of the Austin Stack Park, a role he has filled since 1989 and has seen many great Kerry footballers and managers come and go in his time involved with the senior team; "It was a privilege to be involved with them all. They were all very genuine people. The biggest character of the lot was my old friend Páidí. I always had the craic with Páidí. He was a character. I always had great conversations with Maurice Fitzgerald, he wasn't as quiet as most thought. Seamus Moynihan, the three Ó Sé's and Declan O'Sullivan, too, were very easy get on with. I'm privileged to be able to call all of them my friends." Anyone who thinks that Vince will hand in the keys of Austin Stack Park or indeed fold away the Kerry jerseys for the last time any day soon following this special presentation would be very much wide of the mark. "I wouldn't be doing what I'm doing for all this time if I wasn't enjoying it. I'll stay at it as long as the Lord lets me". Long may he continue to share in the glory of successful Kerry teams.

CHRISTMAS COMES ONCE A YEAR, SO DON'T BE LATE AS SANTA IS NEARLY HERE!

Christmas is in the air as tonight sees the switching on of the Christmas lights followed by the first of five Magic Parades. Christmas in Killarney committee are advising people to arrive in plenty of time to enjoy the pre parade entertainment and get the opportunity to

meet some of our much loved characters. As this year's parade is bigger than ever, traffic delays are expected on all approach roads to Killarney, so ensure you leave plenty of time to arrive and get a good position for viewing the parade. Entertainment will kick off from

5.30pm on Main Street, and there will be a wheelchair accessible area at Market Cross.

DR CROKES FACE THE NIRE IN SENIOR FINAL

Dr Crokes left no one in any doubt that they were the best team in Kerry when regaining the Bishop Moynihan Cup last month and they now go in search of the seventh Munster club title when they take on Waterford champions The Nire in Mallow at 3:30pm. The Nire have proved themselves to be a tough nut to crack in their two previous final outings and both against Kerry opposition. Just two years ago they held Austin Stacks to four points (3-5 to 2-4) and back in 2006 they gave Sunday's opponents, Dr Crokes a right fright before going down by three points (2-5 to 0-8). Both sides have been busy over the last couple of months and the Killarney outfit are playing for the 8th weekend on the trot. That sort of schedule often leads to injuries but the Kerry standard bearers have been very lucky in that respect. They had tough encounters against Clare champions Kilmurray-Ibrickane and Tipperary representatives Loughmore-Castleiney but

THE DR CROKES SENIOR TEAM.

were probably more comfortable winners than the final scorelines would suggest. The Deise men, who come from north Waterford not far from Clonmel, surprised many in the semi final a week after winning the county title when accounting for Cork's Carbery Rangers who

had the benefit of a quarter final tie. That is sure to give them confidence going into Sunday's game but popular opinion is that Dr Crokes will have too much firepower up front with plenty reserve talent also on the bench to come into the fray if needed.

ROAD SAFETY ISSUES

CLlr Maura Healy Rae asked KCC and the TII to rectify the railway crossing at Minish before someone is seriously hurt there, the reply she received is that the location has been examined by an Inspector from the TII and they have advised that as the problems at Minish are due to the settlement of the railway track the responsibility for it's maintenance is a matter for Irish Rail, they have promised CLlr Healy Rae that they will pursue the matter with Irish Rail.

CLlr Healy Rae also asked Kerry Co Council and the TII what progress they have made addressing the highly dangerous bend at

Rusheenbeg, Glenflesk, reply given states that this section of the N22 was accessed in 2015 following a serious road accident and no changes were made to the road as it was "not deemed a dangerous bend", due to numerous representations made by both Maura and Danny Healy Rae and recent changes to the guidelines on the provision of safety barriers a further review was carried out on the safety barrier at this location, Maura now welcomes the news that a proposal has been submitted to the TII for funding to extend the safety barrier at this location.

FUNDING APPROVED

Deputy Danny Healy-Rae welcomes that Irish Water has approved funding for the following areas:

Brosna Knocknagoshel, €10,000 for provision of a sump.

Kenmare place, Killarney pipe replacement €100,000.

Cloonts, Rathmore pipe replacement €94,000.

FOOTBALL FOR ALL IN THE RUNNING FOR TOP AWARD

Killarney Celtic Football For All has been shortlisted for the Sports Club of the Year in the CARA National Inclusion Awards.

The club has been active in Killarney for over three years and has 65 children, 11 senior trainers and 6 student trainers and is going from strength

The CARA National Inclusion Awards recognises organisations and people who contribute to enhancing participation opportunities for people with disabilities in Sport and Physical Activity. The purpose of the awards is to highlight and acknowledge best practice in relation to provision for people with disabilities in sport and physical activity. This year all three finalist represent Football for All clubs and include Carrigaline United Cork, Esker Celtic from Dublin and Killarney Celtic. This is a great acknowledgment of the great work that FFA clubs are doing up and down the country.

"We are absolutely delighted to be in the final three of this award", Jane O'Donoghue, one of the clubs coordinators told the Killarney

ZEN TIME FOR GAELSCOIL STUDENTS

YOGA CLASS IN PROGRESS AT GAELSCOIL FAITHLEANN WITH TEACHER AILEEN KINGERLEE.

"Downward Dogs" and "King Cobras" are the order of the day at the Gaelscoil Faithleann in Killarney as students embark on weekly yoga classes thanks to the Parents Council. With the full support of principal Proinsias MacCurtain, each class is signed up to receive

a weekly class for six weeks.

Aileen Kingerlee is the yoga teacher for this exciting initiative. Aileen, who specialises in teaching children's yoga says, "Yoga has many proven health benefits for the mind and body, including increased stamina, strength, balance,

co-ordination and flexibility. It creates a feeling of well-being, provides a sense of calm and the ability to stay centred in a fluctuating world. Good skills to learn as a child or adult!"

Aileen continued, "Kids are great at getting into the poses and they all know them by now and enjoy the weekly interaction. Their flexibility and enthusiasm really add to the classes."

"We are delighted to organise and pay for this initiative and all parents have been very enthusiastic about it. They see their children enjoying it, and continuing to do the yoga poses at home, with 'downward dog' and 'king cobra' becoming part of their vocabulary. It is a great outlet for them and a chance to relax and switch off. It was one of the highlights of the last school year and this year we wanted every class to benefit, so every child will have six weeks of yoga class," The Secretary of the Gaelscoil Parents Council, Mary Carroll told the Killarney Outlook.

CLLR. GLEESON GIVES US FOOD FOR THOUGHT

CLLR MICHAEL GLEESON.

"At the November 2016 Kerry County Council meeting, Councillor Michael Gleeson proposed:

"That all Retailers would be encouraged to refrain from dumping unsold perishable food and other food approaching

its Best Before Date and that they would donate that food to worthy causes. He asked

that the Government would actively promote this project". Councillor Gleeson stated that we dump up to €700 million worth of food annually. Much of this food is of perfectly good quality and should be given to local charity groups. The Council replied that Food Share Kerry was launched in the Institute Technology Tralee last March. It is an initiative of North and East Kerry Development, Kerry County Council and Saint Vincent de Paul. It is a not for profit organisation that aims to combat food poverty. Quality surplus food is rescued from

the supermarkets and made available to organisations who know best how to redistribute it to those in genuine need.

The aims are firstly to have an impact on a major social need and secondly to benefit the environment by preventing the needless dumping of perfectly good food.

As yet not all retailers in Kerry are committed to the scheme. Councillor Gleeson welcomed the reply and its positive message and expressed the hope that the others will be inspired to become involved as donors.

COUNCIL INVITES APPLICATIONS FOR €750,000 COMMUNITY SUPPORT FUND

Kerry County Council is inviting applications from community and voluntary organisations for a fund of €750,000 for local projects and initiatives. The 2017 Community Support Fund was launched on Monday by the Cathaoirleach and members of Kerry County Council. The Fund, which is now in its third year, has supported 700 projects since 2015 to the value of €1.5million. It recognises the valuable contribution of the community and voluntary sectors in Kerry and the vital and beneficial work that those organisations do. Applications are now invited from community groups, residents' committees, Tidy Towns groups, Chamber Alliances and other organisations across the four Municipal Districts in Kerry. This year, it is intended that some of the Community Support Fund will be used to target strategic projects in Municipal Districts and that it will be used to co-fund projects which are in receipt of grants from other sources. It may also be used by groups to help leverage grants under programmes such as the Town and Village Renewal Scheme and the Rural Economic Development Zone Scheme (REDZ). A portion of the fund will also be retained to provide matching funding for approved LEADER projects that have a broad community gain associated with them. To assist groups in applying for funding, the

Application forms are now available to download from the Council's website at www.kerrycoco.ie. Head of the Community Department at Kerry County Council, Niamh O'Sullivan confirmed that the 2017 Fund has seven categories of

KILLARNEY AUTHOR LAUNCHES BOOK IN HONOUR OF BERKELEY BALCONY COLLAPSE SURVIVOR

KATHRYN CROWLEY.

A Killarney women has penned a heartfelt book about life growing up in Killarney. Room for One More, which is written by Kathryn Crowley (Sheahan), who is originally from Main Street Killarney will have its Killarney launch in the Liquid Lounge at the Killarney Grand on Saturday 3rd December at 7.00pm. On the night Kathryn will read from her collection of memories and short stories in aid of the rehabilitation fund for her cousin Aoife Beary who was injured in the Berkeley Balcony

Collapse. The book, Kathryn's second collection to be released in as many years, is made up of memoirs from her life growing up in Killarney town – each one accompanied by a short fictional story, which it inspired. "Aoife is one of the bravest and most determined young people I have the privilege to know. I hope any funds raised from the sale of my collection of stories will help defray the significant costs of her journey to recovery and help to make her future brighter in some small way," Kathryn, a school principal in Dublin told the Killarney Outlook. Room for One More, a touching memoir from the collection, holds a special place in the hearts of the cousins. Angela Beary, Aoife's mother said, "I am so grateful to Kathryn for all she has done to

support our family in the last year. She has been a true friend and, as they say, "cousins are friends from the same family tree."

"Kathryn and I spent many summers together as children. When going on family holidays, my mother believed there was always some more room left in the car for cousins! We reminisce often on these happy times growing up, but Kathryn's memories are much clearer than mine. "I have loved immersing myself in these stories." Room for One More will be available in paperback, ebook and to rent digitally from [emuink.ie](http://www.emuink.ie). It is available to order at <http://www.emuink.ie> or at www.amazon.com. The book is also for sale at Sheahan's Pharmacy in Main St Killarney and O'Connor's Newsagent, Beech Rd, Killarney.

BETTY IS NAMED MUNSTER GRANDPARENT OF THE YEAR

Killarney woman Betty Crosbie has won the Munster Grandmother of the Year in a competition run by Specsavers and Third Age. Betty (88) who is a grandmother of eight, was nominated by her grandchild Abbie O'Sullivan (11).

She beat off stiff competition from grandparents throughout the province and is one of four regional finalists who will compete to win the prestigious title of Specsavers Ireland's Grandparent of the Year. The team at Specsavers Killarney recently presented Betty with her prize which comprised a framed certificate, bottle of champagne and a Specsavers voucher.

The Grandparent of the Year award was launched by Specsavers in association with Third Age to recognise the benefits of an ageing population and celebrate the special role that grandparents play in the lives of Irish families and the community. Grandchildren of all ages were asked to nominate their grandparents with a written entry on why they deserved the title.

Speaking at the prize-giving Betty said, 'I am absolutely delighted to be named Specsavers Munster Grandparent of the Year. It is a real honour and even more special because I was nominated by my granddaughter.'

Specsavers Killarney store director Thomas Doyle commented, 'Congratulations to Betty on this much deserved achievement and her granddaughter Abbie for her fantastic entry which we were touched by. At Specsavers, we recognise that older people, and particularly those with hearing loss, are vulnerable to social isolation and these awards are an opportunity for younger generations to celebrate the many ways that grandparents and older people

enrich our lives and communities. We wish Betty the very best of luck in the final!

In her winning entry, Abbie, who describes her grandmother as 'amazing', details how caring and giving her grandmother Betty is. The youngest of eight grandchildren, Abbie loves visiting her grandmother and helping her with her fundraising efforts. Although Betty suffers from hearing loss in one ear, since working in the telephone exchange, she is incredibly active and leads a very busy life. Betty visits Chernobyl regularly, helping young children and sending them on holiday camps. She raises money throughout the year and has a keen interest in politics. Betty is an active volunteer for St Vincent de Paul, collecting at Muckross

Church Mass every month. Abbie loves her grandmother very much and enjoys nothing more than staying in her house and baking scones with her.

The overall winner will be chosen by a panel of judges, including campaign ambassador Mícheál Ó Muircheartaigh, at the end of November and will win a weekend away in Ireland, a Specsavers voucher and the Grandparent of the Year trophy. The grandchild who nominated the winning grandparent will receive an iPad Air.

The other regional finalists are: Moya Connelly from Blanchardstown, Margaret McConnell from Letterkenny and Oliver Ryan from Galway.

MARIE CLICKS FOR JACK & JILL

"We can't do great things but we can do small things with great love" ~ Anon

Killarney Outlook photographer Marie Carroll O'Sullivan recently spent a full day in the Penthouse Suite of the Aghadoe Heights Hotel photographing families just in time for Christmas. Not unusual for a photographer, but Marie donated the proceeds of the photoshoot for the second year in a row to the Jack & Jill Foundation in memory of two very special children.

Baby Molly Ashe from Killarney passed away a year ago this week and Baby Éanna Coffey from Valentia Island passed away a few weeks ago. Both children were cared for by nurses from the Jack & Jill Foundation and Marie's contribution of €500 to the fund is the equivalent of providing four eight hour

shifts to the charity. "I was delighted to be able to do this again this year", Marie told the Killarney Outlook. "Not only had I the pleasure of photographing so many families but also able to make a contribution to the Jack & Jill Foundation.

Marie would like to thank the Aghadoe Heights Hotel for their generosity in providing the Penthouse Suite on the day and everyone who availed of the offer and made the donation possible.

KILLARNEY SINGER LAUNCHES DEBUT ALBUM

Killarney singer Grace Foley is launching her debut album 'Home To Kerry' on Thursday December 1st at 8pm in the Malton Hotel Killarney. This album has been a labour of love for Grace as she has endeavored to convey her love for her native county through the medium of song. It features some well known ballads relating to various places throughout the county and it also features two Christie Hennessey songs. When speaking about singing the music of the late Tralee singer Grace says, 'I would love to have had the opportunity to sit down with Christie Hennessey and talk to him about his wonderful songs. His lyrics are so heartfelt and they really touch somewhere deep inside my heart'. Grace hopes that this album will be loved by locals and visitors alike and that people will feel a real sense of pride in this wonderful county when they hear it. Grace began her training at age 14 with the late Aine Nic Ghabhann and continued to study with James Nelson of The Celtic Tenors and with Virginia Kerr at the Royal Irish Academy of Music. She is currently working as both a singer and as a singing teacher. She is co-leader of the church folkgroup 'Risen' alongside Paul O Raw

at the Church of the Resurrection and is also co-leader of the Killarney School of Music choirs alongside Jayme Linehan.

Grace will be joined on the night of her launch by M.C. Frank Lewis of Radio Kerry, traditional musicians The Linehan family of Millstreet, pianist Santa Ignace, members of Dochas drama group and the multi-talented Tony O Flaherty.

'I am incredibly lucky to be joined on stage by some dear friends of mine on the launch night. In fact, one of the musicians, Jayme Linehan, is not only one of my best friends, she is also going to be my bridesmaid!', Grace told the Killarney Outlook.

Grace recorded the album with Tony O Flaherty at Sonas Recording Studios and cannot speak highly enough of him. 'Tony has been absolutely amazing during this entire process. There is almost no instrument he can't play and no problem he can't fix! Two other musicians also feature on the album, namely Padraig Buckley of the Killarney School of Music, who played the Killarney Whistle, and the very talented violinist Niamh Varian-Barry. 'I was extremely fortunate to have such wonderful

KILLARNEY SINGER GRACE FOLEY.

musicians playing high quality instruments on the album. I am delighted that the Killarney Whistle features, it is such a sweet sounding instrument and Padraig made it sing', said the Killarney singer.

Entry on the night is €10 for adults and €7 for children. Tickets will be available to buy both on the night and also at Variety Sounds in Killarney. This promises to be a great night's entertainment and a great way to start the festive season!

PHOTO: DON MACMONAGLE.

A young student from Milltown Presentation has been announced as the runner up in the Junior Category at the 2016 Listowel Food Fair Bord Bia Quality Mark Schools Competition.

Earlier this year the Listowel Food Fair Committee in Partnership with Bord Bia invited secondary schools across Co. Kerry to enter a competition for secondary school students

to create awareness of the Bord Bia Quality Mark. Junior and senior level students were asked to create a healthy everyday recipe using beef, lamb, pork, bacon, poultry or eggs with the Bord Bia Quality Mark.

The Bord Bia Quality Mark when displayed on food products demonstrates that the food item has been produced to the highest Bord Bia quality standards with 100% traceability "from farm to fork". The Bord Bia Quality Mark process ensures that food is independently checked at every stage of its journey from the farm to the table.

Annalee, who is the daughter of Killarney hairdresser Ann O'Shea and Brendan O'Mahony based her entry on superfoods for people who are suffering from cancer. She received a prize of €100.

This year the Listowel Food Fair Committee and Bord Bia received the highest number of entries to date, with ten secondary schools in Co. Kerry entering a total of almost one hundred projects. The projects were adjudicated and four lucky finalists were chosen with much difficulty by two independent judges.

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

HAVE YOU GIVEN UP SMOKING WITH OVER 12 MONTHS?

If the answer is yes and you have any of the following:

Life Cover
Mortgage Life Cover
Serious Illness Cover
Income Protection

Then it is very likely that you are paying too much for your insurance regardless of whether the policy is in one person's name or in two names. By reapplying for the same cover you have with over the same remaining term there is a strong possibility that you may have a substantial reduction in your premium. For example a 35 year old male smoker with €200000 life cover and €100000 serious illness cover over 20 years would pay at present €62.61 per month whereas for the same cover as a non smoker the premium is reduced to only €40.26 per month, this is an annual saving of €268.20 and over a 20 year term a saving of over €5,364.00.

If you require any further information on the above or any financial matter please contact Dermot Cronin QFA APA at **064 6622775** or **dermotcroninifa@gmail.com**

MINOR CELEBRATIONS: There was a great turnout of young and old alike on Saturday evening in the clubhouse for a reception for this year's All-Ireland winning Kerry Minor team. It was a fitting tribute to this talented group of young players and especially for David Clifford who had a tremendous year all through, it was lovely to see a photo being taken of David with his parents and also his grandmother from Derrynane and his grandfather from Ballymac. A SIMPLY FABULOUS THOUGHT FOR THE WEEK!

Have you ever noticed that when you want to make any changes with yourself - the person we visualize becoming or "see" in our imagination is always "out there" somehow. It's as if that person feels apart from us! And yet, the woman (or man) you want to be is **ALREADY HERE!** It's the person you see looking back at you in the mirror everyday. They are within you right now!

When most of us look in the mirror or look at our lives we are looking at ourselves with the same old thoughts, conditioning, beliefs and feelings that we've always had. Consequently we continue to see the same old reflection. To make any changes in your life you have to **CHOOSE** to see yourself and your life in a **NEW WAY!** You have to make decisions based on how this new you feels, what you want, what you prefer to think and what you tell yourself about yourself!

THIS IS SO POWERFUL because it means that all you have to do is peel away the layers of anything that is **"NOT YOU"** to uncover the **"YOU"** that is simply waiting patiently to emerge!

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

CREATE A CALORIE DEFICIT

In order to lose weight, you must create a calorie deficit. It is easier and healthier to cut back your calorie intake a little bit at a time. Every 3,500 calories is equivalent to one pound.

So, if you cut back 500 calories a day, you should lose about one pound per week. That said, If you exercise to burn off 500 calories a day you should lose approximately one pound per week. Do both, and ... you get the picture. Ideally, you should do a combination of both, (such as cut back 250 calories; burn an extra 250 calories).

Your weight loss will vary from week to week and at times you may even gain a little weight -- if you're working out you could be developing muscle, which weighs more than fat.

The long-term results are what matters.

BEAUFORT GAA NEWS

BEAUFORT SENIORS: Sponsored by Maurice Foley of MF Decorating travelled to Keel for the Replay of the 1st Round of the Mid Kerry Championship. Conditions were perfect for the game. Beaufort had the upper hand from the off when they began well with a point from play from Fergal Hallissey and a free from him also after Niall O'Connor was fouled. Francis Courtney had a free also on 6 mins with Liam Carey was fouled. Keel had their first score on 10 mins. Beaufort's reply was instant with a Padraig Doona after a great ball in by Liam Carey. Mike Breen could have had another goal on 16 mins but the chance went abegging. Keel had another point but this was cancelled out with a Fergal Hallissey point after good work by Niall O'Connor. Keel had 2 points in quick succession. Beaufort replaced Padraig Hallissey with Jeremiah O'Sullivan. The teams exchanged points again with Ger Hartnett attacking from defence and slotting over. Francis Courtney had a free after Ronan Ferris was fouled. Padraig Doona had a point and Keel finished the half with a point to leave the half-time score: Keel 0-7 Beaufort 1-8. Beaufort began the 2nd half well and Ronan Ferris was pulled back when goal bound, but no advantage played. Francis Courtney scored the resultant free. Beaufort got sloppy with their passing and led to Keel scoring a point. Keel lost Martin Burke who had been quite influential to a black card. Keel responded well with 2 points to put 2 between the teams. A shot off the cross-bar led to Padraig Doona

scoring a point. Conor Breen replaced Nathan Breen and Daragh Coffey replaced Ronan Ferris. Niall O'Connor was at the end of a great move to extend the lead again. A decisive solo run by Ger Hartnett led to Liam Carey's goal as he rounded the keeper and finished to the net. Beaufort were now leading 0-10 to 2-11. Francis Courtney extended the lead to 5 points with a free. Sean Kelliher replaced James O'Reilly and soon afterwards Danny Healy replaced Michael John O'Connor who saw black after 19 mins of the 2nd half. Danny Healy was fouled and Fergal Hallissey scored the free. Keel had a point. Beaufort had another good build up with Daragh Coffey scoring a point. Keel responded with 3 points before Beaufort finished with the last score of the game with a point from Daragh Coffey in injury time. **FINAL SCORE:** Keel 0-15 Beaufort 2-15. AQUILA CLUB O'DONOGHUE CUP SEMI FINAL: RATHMORE 2-16 SPA 0-16

On Saturday last, Rathmore progressed to play Dr Crokes, in this years final of the O'Donoghue Cup, SFC, sponsored by The Aquila Club, Gleneagle Hotel. A good game of football, played in Fitzgerald Stadium, Spa shaded it in the middle area of the field but Rathmore proved the stronger overall. The Rathmore defence was stronger and their attacks more effective, particularly in the second half, two goals proving the difference between the sides in the end. There was little between the sides at the break, with the Rathbeg side 2 points ahead. A second Rathmore goal on the 39th minute, gave the Rathbeg side a cushion they did not relinquish and Rathmore ran out winners with a six point margin. Final score Rathmore 2-16 Spa 0-16.

Although Spa got off to the stronger start, with scoring 4 points without reply in the first five minutes, Rathmore had narrowed the margin to the minimum by the eighth minute and were denied a goal with a great save by full back Matt Moynihan. It was tit for tat and the sides were level 6 points a piece early in the second quarter. However, a John Moynihan goal, provided by Shane Ryan, on the 20th minutes, put daylight between the sides - 1-7 to 0-6. With five minutes remaining in the half, Spa reduced the gap to the minimum picking off 3 unanswered points 1-7 to 0-9. A scatter of points left the score at the break Rathmore 1-9 Spa 0-10. On resumption, the sides traded points. The turning point in the game came when John Moynihan sold a dummy and rattled the Spa net for a well worked goal on the 48th minute and Rathmore had a 5 point lead, which they did not relinquish. It was nip and tuck with the margin varying from 4 points to 6 points. Spa created goal scoring opportunities but the Rathmore defence was strong and denied Spa a goal. Final score: Rathmore 2-16 Spa 0-16.

Johnny Brosnan, Vice Chairman of the East Kerry Committee, presented the Man of the Match Award, of a years membership of the Aquila Club Gleneagle Hotel, to Rathmores Mark Reen.

Referee: Pdraig O'Sullivan (Firies).

TATLER JACK EAST KERRY MINOR A & C CHAMPIONSHIP FINALS

DR CROKES 1-17 FIRIES 2-9: In a sporting and skillful game of two halves, between Firies and Dr Crokes, it was the Lewis Road side that won the East Kerry Minor A Championship title, sponsored by The Tatler Jack. Dr Crokes dominated the scoring in the opening half, notching up some lovely points from play and led at half time 12 points to 2. Firies came out on fire after the break. A Dr Crokes pointed free was followed by a Firies purple patch. A goal from Diarmuid O'Mahoney, quickly followed with three points without reply had reduced the gap to 5 points - 0-13 to 1-5, nine minutes into the half. Firies were awarded a penalty but the Dr Crokes keeper Nealu Doherty, made an outstanding save to keep his side ahead. Two points a piece kept the score board ticking over and a great goal from the boot of Cathal O'Shea, had a single score between the sides, Dr Crokes 0-15 Firies 2-6. With excitement reaching fever pitch, a Firies pointed free reduced the gap. However, Dr Crokes followed a point from play, with a well sorked goal, finished to the net by Mark Hartnett, giving Firies a mountain to climb with the game in the last five minutes - 1-16 to 2-7. Two Firies points to a single point for Dr Crokes left the full time score: Dr Crokes 1-17 Firies 2-9. The Cup was presented to Dr Crokes captain, David Shaw, by East Kerry Committee Vice Chairman, Johnny Brosnan. Johnny thanks the referee, the Fitzgerald Stadium committee and both teams for a great sporting game. He wished Dr Crokes well for the Munster SFC Final next Sunday. Referee: Christy Crowley (Gneeveguilla).

CROKES TEAM: Nealu Doherty, Murt O'Shea, David Naughton, Mark FitzGerald, Donie O'Sullivan, Michael Potts (0-1), James McAuliffe, Billy Courtney (0-2f), Mark O'Shea, Brendan Coppinger (0-2), Jack Griffin (0-5), Josh Fleming (0-3), David Shaw (Capt) (0-1), Mark Hartnett (1-2;1f), Rohan Delaney (0-1). RATHMORE 3-9 CORDAL/SCARTAGLEN

0-8: Rathmore won the Tatler Jack East Kerry Minor C Championship title against Cordal/Scartaglen last Sunday. Played in Dr Crokes field, Rathmore got off to a dream start notching up 1-4 in the first quarter, the goal by Ian Cremin on the 14th minute. Cordal/

Scartaglen opened their account at the start of the second quarter with a well taken point but Rathmore continued their dominance and a Dean Fitzgerald goal in the last minute of the half gave Cordal/Scartaglen a mountain to climb. Score at the short whistle Rathmore 2-6 Cordal /Scartaglen 0-2. On the restart, Cordal /Scartaglen pointed but Rathmore sealed their victory on the 40th minute with a third goal, Mark Ryan on target. Play moved from end to end and there were a scatter of points 3 for Cordal /Scartaglen and 4 for Rathmore to leave the final score: Rathmore 3-9 Cordal Scartaglen 0-8. Johnny Brosnan, Vice Chairman of the East Kerry Committee presented the cup to Rathmore joint captains, Naoise Clifford and Donal Moynihan. He thanks the referee, Dr Crokes club and congratulated Rathmore Referee: Tom Moriarty (Killarney Legion)

WELL DONE: To East Kerry Schools in Cumann Na mBunscoil Finals.

Knockanes NS team defeated Bulian Siar NS in the three teacher county final last Wednesday night in Austin Stack Park. The scoring power of the Glenflesk school team proved vital in the decider defeating a spirited Bualian Siar team. Fossa NS defeated a gallant St. Olivers NS team in the Division 1 final. Both East Kerry teams played superbly on the night with extra time needed to decide a winner. Fossa NS won the title with a great team display. St. Olivers NS team losing at the close of play by a small margin. Congratulations to all players and management teams on a job well done.

DR. CROKES GAA DIVISION 1 COUNTY LEAGUE FINAL DR CROKES 2-15 AUSTIN STACKS 0-8

In this game which neither side wanted to play on this particular date we ran out easy winners in the end. We didn't want to play as we are playing the Munster Final next weekend. Stacks also had a very good reason for wanting to fulfil this fixture. They hadn't played a game for six or seven weeks and had called a finish to their season when they exited the County Championship. They were hardly expected to keep on training for another several weeks for a fixture which both teams were prepared to play next year.

Our opponents had a point in the first minute but then we sent over seven points without reply before the end of the first quarter. Austin Stacks were the better team in the second quarter, restricting us to just one point, while scoring two themselves. This gave us a half time lead of 0-8 to 0-3. We had a great quarter and outscored our opponents 1-5 to 0-1. This left us 1-13 to 0-4 in front at the end of this period. Both sides ran their benches in the last quarter

and the game was devoid of any enthusiasm during this final period. This left us winners by 2-15 to 0-8.

Our Management would have had some satisfaction with our display. A positive was that seven of our starting line out got on the scoresheet along with substitute Chris Brady. A negative was that we only got one point in the third quarter even though we had a lot of offensive play. In fairness to our opponents they would have found it very hard to get into shape for this match after several weeks without a game. They never gave up but they ran out of steam in the second half.

TEAM AND SCORERS: Shane Murphy, David O'Leary, Eoin Brosnan, Fionn Fitzgerald, Gavin White, Alan O'Sullivan, Luke Quinn, Ambrose O'Donovan, Johnny Buckley 0-1, Micheal Burns 1-1, Daithi Casey 0-1, Brian Looney 0-1, Jordan Kiely 1-2, Colm Cooper 0-4 (0-3 frees), Tony Brosnan 0-4.

Subs: PJ Lawlor, Chris Brady 0-1, Mike Milner, Jamie Doolan, Cillian Fitzgerald, Paul Clarke.

Under 11 boys – A classy performance by Ross Howell produced two bronzes in the 50 metres freestyle and the 50 metres breaststroke.

Under 12 boys – Some very fast finishing by Nathan O'Connor resulted in a matching pair of silver medals in the 50 metres butterfly and the 50 metres freestyle.

Under 13 girls – It was a busy day in the pool for the Killarney girls in this age group with Caitlyn O'Connor finishing up with a gold in the 50 metres breaststroke and silver medals

Meanwhile, Emma O'Sullivan won a hotly contested bronze in the 50 metres backstroke.

Aoibhin Evans and Alex Hennigan Cross Country and the U. 12 boys 4 X 100m relay team of Karl McCarthy, Conor Gammell, Teddy Muldoon, Alex Hennigan, Dara Looney and Robbie Hartnett. There were a number of important issues discussed at the meeting including the proposed merger by Kerry Community Games of the Killarney South and Killarney North areas. For this to happen, new people from the Killarney North area who would like their children to be involved in Community Games activities (i.e.) athletics, swimming, basketball, soccer, gymnastics, GAA etc. need to contact area secretary Anthony Greaney ASAP. This merger can only happen if new people come on board on the committee so please ring area secretary Anthony Greaney 087 709 8695. This

is a huge development for the area as it will give boys and girls from the wider Killarney area to fully participate in Community Games activities. However, it can only happen if new parents express an interest in getting involved so again, ring Anthony on 087 709 8695 without delay. Finally, congratulations to all the children and parents who participated in various events in 2016 and roll on 2017. ST BRIDGETS 43: Cougars hosted St Bridgets in the Cup Quarter final and the Currow boys strong final qtr saw them come out on top with a slightly flattering winning margin following a well contested game. The visitors made the best start to lead 13-10 with Jack Moriarty impressing. The second qtr was basket for basket to leave the score at half time 19-16 to St Bridgets. Cougars took the game to St Bridgets in the third qtr and were dominant with Harry Byrne impressing for Cougars to reduce the arrears by the end of the qtr 26-24 but Cougars had missed very good opportunities to have the lead heading into the final qtr. Cougars frustration at missed chances led to foul trouble early in the closing qtr and the visitors made them pay from the free throw line with Darragh Kelly very accurate from the line as they opened up a lead as the Cougars challenge faded in the closing minutes despite a big effort the Currow boys held firm in a very entertaining Division One contest.

KILLARNEY RFC NOTES

SENIORS: This Sunday, our Seniors are due to host Rugbaí Chorca Dhuibhne in the next round of the Munster Junior League. Following on from our win in the Martin O'Sullivan Cup and away matches in Cork, this is the first time

in a while that our seniors play at Aghadoe, so let's get out and support the lads at home! Kick off is at 2:30pm.

U18'S: Our U18's travelled to Mallow in the league last Saturday. A tough match and the result did not go our way, however this squad is building and under the leadership of Pat F. O'Connor, Ger Maher and Denis Reen a strong squad is beginning to click. Though the lads were well beaten on the day, Rob Campbell showed excellent leadership on the day following the departure of our Captain Dylan McCarthy to injury. Cathal Helay and Oisín Doherty were other players of note on the day with excellent defensive displays. Next weekend, we host Listowel RFC in Aghadoe at 1:30pm.

MINIS: Tomorrow our minis are due to host our round of the West Munster Minis Blitz, at Aghadoe. We will welcome teams at all ages from U7 to U12 from Castleisland RFC, Iveragh RFC and Kenmare RFC. This is a fantastic occasion for us to showcase our club, our hospitality and our children's rugby skills in a wonderful setting. We would ask parents to please bring along some goodies - sandwiches, buns, Rice Crispie cakes etc for the post matches celebrations, where we welcome all players, coaches and parents to have some food at the clubhouse. The children in particular love blitzes as they get to play against other clubs and show off their skills to their family. All are welcome to come along and we would ask everyone to be there for around 10:15. Any questions, give Minis coordinator Liam Murphy a bell on 087-4145662.

80'S V 90'S NIGHT: Last Friday night we held a hugely successful fancy dress night at the Killarney Grand in order to raise funds for the club. A wonderful night ensued and it was fantastic to see so many people come along to support the club. Players, parents, coaches and friends of the club came along and some dressed up for the occasion. We had the Blues Brothers, Indiana Jones, Madonna and shell suits, glitter and ankle warmers were the order of the day as nostalgia reigned supreme. The 80's music was declared the winner on the night and a fantastic night was had by all. A huge thank you to Helen Sheehan and the staff at the Killarney Grand for their hospitality and huge support.

LIGHTS: Last Sunday a meitheal of hard workers under the guidance of Club Captain Ger Moynihan, put up the long awaited new light poles at the pitches at Aghadoe. Helped by James Allman, Connie O'Leary, Peter Kelly and Jeremiah Moynihan, the poles are now in place. Well done all and thanks for your hard work!

Mastergeeha had some great individual players and it was a hard, fast game from then on, with Jack O'Donoghue positioning the Celtic defence well to blot out danger. Celtic's third saw Senan collect his hat-trick on the counter-attack and William Harty capped off a great day with the final goal. KILLARNEY ATHLETIC NOTES

RESULTS: DENNY PREMIER A

KILLARNEY ATHLETIC 0-1 FENIT

SAMPHIRES: A heartbreaking finish to a very tight game with Fenit scoring the only goal of the game in the 92nd minute. Athletic found the Fenit keeper in great form and when we did beat him the post kept us out. At the other end Brendan Kealy made some fine saves when

Fenit threatened. A tough pill to swallow with the goal coming deep in stoppage time via a deflection.

U15: KILLARNEY ATHLETIC 1-2

KILLARNEY CELTIC: We played neighbours Killarney Celtic at Woodlawn and lost 2-1 but deserved something from it. We played brilliantly in the 1st half and went in 1-0 up. The second half Celtic pushed us and equalised with 15 mins to go. A serious eye injury to Eoghan O'Sullivan with 10 minutes to go unsettled us and in injury time set a great counter attack to win the game. Super performance from the Boys in Blue and definitely deserved something from the game. Well done to all.

U13: The u.13 B's travelled to Ballyheigue where they met a physically stronger team. Despite early saves by Sam Bolger, the defence was breached 3 times before half time. Created some good chances before half time but did not convert them with the Ballyheigue keeper making a great save from Caoilte Cronin. Played much better in the second half & Cillian Courtney converted a penalty after Karl McCarthy was fouled. However Ballyheigue were awarded a penalty minutes later for a harsh hand ball decision resulting in a final score of 4-1. Best for Athletic was Sam Benson.

FIXTURES: Saturday

KILLARNEY GOLF AND FISHING CLUB MEN'S CLUB

Friday the 18th of November saw the revival of the lapsed Downing Trophy competition between the respective Men's Club committees and some invited guests, between Killarney and Dooks. This competition has its origins back in the mist of time, having commenced in 1908. The Trophy was presented by Henry Downing who was a principal partner in the solicitor firm of the same name, who had offices in both Tralee and Killarney dating back to the 19th century. The Killarney team, which was led by Club Captain Declan McCarthy won a tight contest by the odd match of 7 pairings, and Declan played a true Captain's role by winning

his own encounter when partnered by Brian Fitzgerald.

Ex-officio Captain Liam Hartnett also won his match, when partnered by Harry O'Neill in their own match. Both Club Captain's in their post dinner speech expressed the wish that the competition would now continue into the future.

TODAY IS INTERNATIONAL DAY FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN

Women's activists have marked 25 November as a day against violence since 1981. This date came from the brutal assassination in 1960, of the three Mirabal sisters, political activists in the Dominican Republic, on orders of Dominican ruler Rafael Trujillo (1930-1961). On the 17 December 1999, the United Nations General Assembly designated 25 November as the International Day for the Elimination of Violence against Women, and invited governments, international organisations and NGOs to organise activities designed to raise public awareness of the problem on that day. There are several forms of violence against women including physical, mental and psychological abuse, rape, sexual assault, genital mutilation, human trafficking, forced marriages etc. According to a report from Amnesty International, violence against women in this country is widespread. Another survey on violence against women reveals that 26% of Irish women have experienced physical and/or sexual violence by a partner or non-partner since the age of 15. The survey by the European Union Agency for Fundamental Rights (EU FRA) reveals that violence against women is pervasive and extensive across the 28 EU states, including Ireland. Almost one in three Irish women have experienced some form of psychological violence by a partner, according to the comprehensive survey. If you have experienced violence, you may feel shock, fear, sadness, and confusion. You may even feel numb, or think that what happens to you doesn't matter. But no one has the right to hurt you or make you feel afraid. Many groups and people want to help you live a healthier, happier life.

HANDY HINTS

- Don't over cook fish, it's better to take it off the heat and let it continue to cook for up to 2 minutes in the pan.
- If you accidentally over-salt a dish while it's still cooking, drop in a peeled potato. It absorbs the excess salt.
- To get the most juice out of fresh lemons, bring them to room temperature and roll them under your palm against the kitchen counter before squeezing.
- To prevent eggshells from cracking, add a pinch of salt to the water before hard-boiling.
- Wrap celery in aluminium foil when putting in the refrigerator to stop it wilting.
- When peeling vegetables put a colander in the sink to catch the scraps, you can lift straight up with much less mess.
- Cleaning your blender is much quicker if you fill it about a third with hot water and add a couple of drops of your washing detergent, then turn it on.
- Stuck-On Food in Pots, Pans, and Casserole dishes - : Fill the pan with water and place a fabric softener sheet in the water. Allow the pan to soak overnight. The food will wipe right out! Wash well before reusing.
- Dusting artificial flowers - put into a large paper bag containing salt and give them a good shake.
- Burnt your tongue? Sprinkle a few grains of sugar on the sore spot to alleviate the tenderness.

THE MONARCH OF THE GLEN PAINTING LOOKS SET TO STAY IN SCOTLAND

Whisky giants Diageo have agreed to sell the Monarch of the Glen to the National Galleries of Scotland. The company has now gifted more than half the value of the piece to NGS in the hope it can raise the remaining

£4m to put it in public hands for the first time. Originally commissioned for the House of Lords, the painting now valued at £10m never went on display there and was sold to a private collector. It changed hands several times before being snapped up by whisky firm John Dewar and Sons and has since been in the hands of the industry. The sale of the 1851 painting of a stag set against a remote Highland backdrop, which had not been available on the market for 100 years, had sparked concerns that it would end up going overseas. The National Galleries of Scotland will launch a multi-million pound fundraising campaign to secure Sir Edwin Landseer's work, which was due to be sold by auction in London next month. The move, described as a "part-gift" by galleries officials, will ensure that the painting - which was previously on long-term loan to the National Museum of Scotland - will remain on public display.

DAVID ATTENBOROUGH 'REPORTED TO FBI' OVER REMARKS HE MADE ABOUT DONALD TRUMP

Sir David Attenborough has been targeted with death threats and faces a possible FBI investigation after suggesting that Donald Trump could be shot. Speaking before the US Presidential election, the broadcasting legend was asked how he would feel about America voting for Trump who has claimed that climate change is a "Chinese hoax", in comments reported on inews Sir David answered: "We could shoot him. It's not a bad idea." A giggle indicated that the natural history presenter was not being serious. However the more fanatical pro-Trump supporters failed to see the joke. Sir David, whose new Planet Earth II BBC series is entertaining 11m viewers, has been the victim of online abuse, including death threats, following the remark. Others contacted the FBI and Secret Service feeds on Twitter, urging the authorities to open an investigation into Sir David, citing any threat to assassinate the President as a Class E felony. Sir David, who recently celebrated his 90th birthday, was also accused of "incitement to murder".

U.S.-BORN PANDA TWINS HAVE FOOD AND LANGUAGE PROBLEMS IN CHINA

Two United States-born giant panda twins, currently in China, are struggling to adjust to the local food and language as they only know English, state-media has reported. Three-year-old Meilun and Meihuan are struggling to follow Chinese, specially the Sichuan dialect as they can only understand English and prefer American crackers to Chinese bread. The pandas arrived at Chengdu Research Base of Giant Panda Breeding on November 5 from Atlanta Zoo. The pair of twins was born in the U.S. Their mother, Lun Lun, gave birth to

another set in September. The giant pandas are on loan from China to the U.S. as part of the agreement, all adult offspring are sent to China when they're of age. Pandas are shy with strangers and need company, explained Luo Yunhong, a breeder at the panda base. His main worry about the transition is that they both love American crackers so much that everything they eat - from bamboo to apples and even water - must be mixed with the crackers and to help them get used to food in China, Luo has been gradually replacing the crackers with Chinese bread. Another problem is that Meilun and Meihuan cannot understand Sichuan dialect; only hearing their names can make them raise their heads, whereas they react to a number of basic words in English, such as "Come here". Their carer says the sisters are gradually getting used to their new lives and Meilun is very lively, often jumping onto the roof and hanging upside down from a rail unlike her elder sister Meihuan who prefers to sit still and observe her new environment, occasionally snacking on bamboo.

TEEN CREATED APP SO BULLIED CHILDREN NEVER HAVE TO EAT ALONE

Natalie Hampton from Sherman Oaks,

California knows what it is like to be completely ostracized by all of her classmates, and she had to eat lunch alone every day. It felt lonely, embarrassing, and so awful that Ms. Hampton had to leave. It doesn't happen to her at her new school and she felt that if she was thriving but didn't do anything about the people who felt like she had every single day, then she was just as bad as the people who watched her eat alone. She felt that it was her job to prevent other children from ever having to experience it and so the 16 year old created "Sit With Us," an app that helps children find a friendly spot to sit. Willing children sign up as ambassadors for a Sit With Us club and agree to post open lunches so that anyone who has the free app and has nowhere to go can find a table and, hopefully, make some new friends.

MORE ENVIRONMENTALLY FRIENDLY KRATHONG THIS YEAR

JUST OVER 93% of nearly 662,000 floats collected from Bangkok's waterways after this years Loy Krathong celebrations were made of natural materials, officials said. A total of 661,935 floats were collected, which was 19.8%, or 163,676, less than the 825,211 collected last year, Bangkok Governor Aswin Kwanmuang said. "Compared to last year, krathong made of natural materials rose from 91.4% to 93.3%, and the Styrofoam ones dropped from 8.6% to 6.7%," he said, adding that 2015 saw 754,587 floats made with natural materials and 71,027 made with foam. "This shows that Bangkok residents prefer natural materials and also reflects their and sellers' concern for the environment," he added. The Environment Department, Drainage and Sewerage Department of the Bangkok Metropolitan Authority (BMA) and district offices deployed 210 members of staff, along with 45 boats to collect floats and floating candles from waterways and parks for 4 hours immediately following the end of the festivities. On the evening of Loy Krathong, people gather around lakes, rivers and canals to pay respects to the goddess of water by releasing beautiful lotus shaped rafts, decorated with candles, incense and flowers onto the water. Every year, it falls on the night of the twelfth lunar month (usually in November), at the end of the rainy season when the full-moon lights up the sky. The history behind the festival is complex, and Thais celebrate for many reasons. The main rice harvest season has ended and it's time to thank the Water Goddess for a year's worth of her abundant supply, as well as an apology for polluting the waters. Some believe that this is the time to symbolically 'float away' all the anger and grudges you have been holding onto, and including a fingernail or a lock of hair is seen as a way of letting go of the dark side of yourself, to start anew free of negative feelings. If your candle stays alight until your Krathong disappears out of sight, it means a year of good luck.

SOUTH KOREA TAKES STUDENT EXAM VERY SERIOUSLY

To clear the roads for the 606,000 students to ensure they arrived on time, government offices, major businesses and Seoul's stock market opened at 10am, an hour later than usual and police cars offered rides for students who might find it difficult to get to their destination on time. Transport authorities halted all airport landings and take-offs for 30 minutes in the afternoon to coincide with the main language listening test. Work at many construction sites was suspended and large trucks were banned from the roads near the 1,183 test venues nationwide. Teenage South Koreans spend many years preparing for success in the National exam which is taken over one day, a good result means a place in one of the elite colleges seen as key to a future career and even marriage prospects. From elementary school ages, South Koreans will spend many hours in private cram schools after their regular classes. For a senior high school student, the study routine includes self-study sessions during their almost 8 hours a day at school, cram school classes and more self-studying hours late into the night at private cubicles. To encourage the students to rest, the current Lee Myung-bak administration placed a ban on operating private classes after 10pm. Government officials routinely patrol areas and crackdown on illicit classes. The pressure to score well in the exam has been blamed for teenage depression and suicide rates that are among the highest in the world.

EAGLES V DRONES - THE EAGLES ARE WINNING FOR NOW

Unmanned aerial vehicles (UAV) have become unlikely prey for wedge-tailed eagles in Western Australia's Goldfields, costing a mining giant more than \$100,000 to replace its newest surveying tool. Ten UAVs (Drones) have been lost since South Africa's Gold Fields, the world's seventh-biggest gold producer, began operating the Trimble UX5 systems at its St Ives operations near Kambalda. One crashed as a result of human error, while nine have been taken down by wedge-tailed eagles, which are known to have wingspans more than twice that of the 1-metre-wide UAVs. The Drones are constructed from foam and carbon fibre, and fly at an altitude of about 125 metres with cameras attached; they reach speeds of up to 92km/h and for some unknown reason are built to resemble an eagle or other large bird and the drones remote control operators must pass a five-day course to fly them. The UAVs cost about AU\$10,000 per body and another AU\$10,000 per camera and capture large-scale photographs, down to 2cm resolution, and computer-generated, high-detail contouring of mined areas that are incorporated into future plans.

Know Your Rights: CHRISTMAS BONUS

QUESTION

I'm getting a social welfare payment. Will I get a Christmas Bonus?

ANSWER

The Christmas Bonus is paid to people getting a long-term social welfare payment. Long-term social welfare payments include the following:

- State Pensions and Widow's/Widower's/Surviving Civil Partner's Pensions
 - Invalidity Pension, Blind Pension, Disability Allowance, Carer's Allowance, Carer's Benefit, Domiciliary Care Allowance and guardian's payments
 - Jobseeker's Transitional payment, One-Parent Family Payment, Farm Assist, Deserted Wife's Benefit and Allowance
 - Community Employment, Rural Social Scheme, Tús, Gateway, Back to Work Enterprise Allowance and Job Initiative
 - Back to Education Allowance (BTEA), VTOS and Further Education and Training (FET) training allowance (people coming from jobseeker's payments must have been on their payment and/or BTEA or VTOS or FET training allowance for 15 months)
- For Jobseeker's Allowance or Basic Supplementary Welfare Allowance, you must be getting the payment for 15 months to get a Christmas Bonus.
- In 2016 the Christmas Bonus will be 85% of your normal weekly payment (including the Living Alone Increase, the Island Allowance and the Over-80 Increase). Fuel Allowance is not included when calculating the Christmas Bonus. The minimum Christmas Bonus payment is €20.
- For Domiciliary Care Allowance (DCA), which is paid monthly, the bonus is 85% of the weekly payment. The DCA portion of the bonus is calculated independently of other payments. So, for example, if you are getting DCA for one child, 85% of the weekly payment is €60.70.

TAX Matters with

ASPECT QUERY LETTERS FROM THE REVENUE COMMISSIONERS LINKED TO 'PATRONAGE SHARES' ISSUED BY KERRY CO-OP FOR THE YEARS 2011 TO 2013

The Revenue Commissioners are seeking income tax on part of the 600,000 'patronage shares' issued by Kerry Co-op for the years 2011, 2012 and 2013. Revenue have estimated values for the shares issued in 2011 at €65, 2012 at €75 and 2013 at €90.

It is Revenue's position that the shares need to be included in the accounts as additional trading income subject to income tax, USC and PRSI at the appropriate rates, based on the market value of the shares when received.

Correspondence from the Revenue states:

"This affords you the opportunity of making an Unprompted Voluntary Disclosure under the Code of Practice for Revenue Audit and other Compliance Interventions thereby minimising potential penalties together with avoiding publication and prosecution if all conditions attaching to making such a disclosure are met.

"To enable you to avail of the opportunity to make such a disclosure, please respond with your computation of the tax liability together with the appropriate payment." Significantly, the Revenue has declared that the patronage shares are to be regarded as trading income and subject to income tax, USC, and PSRI. Moreover, the scale of these liabilities must be based on the market value of the shares, not their par value. The recipient farmers have been given 21 days to reply.

So far 400 out of a total of 3,400 suppliers have been contacted, prompting fears that this may be an initial move by Revenue before they spread the net wider within the region and beyond.

A WORD OF VICTORY

Welcome back dear reader this may be the most important message you ever hear and it's no accident that you are reading this right now. A question much pondered is "Is there life after death and if so, how can we be sure of where we will spend eternity?" Now whether you believe in life after death or not, one day we will all know the true answer. Some people think that religious activity will be sufficient to get them through but in John chapter 3:7 a man named Nicodemus (a leader in the Jewish council) came to Jesus with this question in mind. Jesus said to him 'Truly I tell you, unless you are born again you cannot enter the Kingdom of God'. Nicodemus, a Pharisee, would have been in the Temple most of the time studying Scriptures, celebrating all the feasts and one would think that with all that learning and religious activity he would have had the answers! But it was not enough because he did not understand what Jesus said - 'you must be born again'. Jesus told him that one must be born from above - by the Holy Spirit because flesh gives birth to flesh, but the Spirit gives birth to spirit. Nicodemus asked how could this be? Jesus was revealing to him that we are firstly a spirit, we live in a human body and we have a soul which is our mind, will and emotions. We see in Romans 7:9 that at birth our spirits are separated from God through the sin of Adam of Eve. As their descendants we have inherited their sin and its penalty. At death the spirit - the real person - leaves the body; the body goes back to the ground from where it came, and the spirit and the soul move on into eternity. Our spirits need to be as Jesus said 'born again' by accepting Jesus as our personal Lord and Saviour and understanding that He paid the full penalty for our sin at the Cross. Unless we acknowledge this fact our spirits and soul are lost but "whoever calls on the name of the Lord shall be saved" (Romans 10:13). More next week....

LET'S PRAY TOGETHER INTO THE WORD

Psalm 141 I pray to you God please be not slow to respond. I know you will listen to me. Let my prayers rise up to you like incense I lift my hands up high in worship to you. Please help me Lord to only speak the words you want me to say. Close my lips if the words are not of honour to you. Keep my heart protected from any evil and my mind from thinking wicked deeds. Prevent me from being involved in the company of ungodly people. Let righteous people change me with their kindness but let them rebuke me when needed. My prayer is continually against unpure things. Let my eyes always be focused on you Lord God you are my protection my refuge you never leave me defenceless. Let the wicked fall into their evil nets of deceitfulness. You Lord are my perfect path. The path I will walk continually with your help Lord. Amen.
