Raising Funds in Memory of John

The late John Broderick with his wife Sandra and daughter Grace.

On Saturday 27th October, the family and friends of a hugely popular young dad, who passed away in tragic circumstances, are continuing a campaign to raise funds, in his memory, for Pieta House. Sandra Broderick, from Currow, her daughter Grace, family and friends will be holding a coffee morning and raffle in Killarney Avenue Hotel in memory of her late husband John. The coffee morning will take place from 9am to 12pm to raise much needed funds for Pieta House. Admission is by a donation at the door, from 9am to 12pm, and raffle tickets will be on sale for top prizes including afternoon tea for four people at the Fota Resort Cork, an overnight stay for two with dinner and breakfast in Killarney Avenue Hotel and afternoon tea in the Park Hotel and Sheen Falls. There will also be Nathan Carter tickets in the Gleneagle Hotel on New Year's Eve, Munster rugby tickets and over 100 fantastic vouchers and hampers. The Oh Happy Day Choir will give a recital on the morning along with guest appearances, face painting, a puppet show, magic and much more.

Sandra has written a touching tribute to her husband; "To everyone who knew and loved my husband John, I am looking for your support to help others who struggle to deal with hopelessness and depression in their everyday lives. After a long battle with depression, I lost the most fantastic husband and father

to my beautiful little girl on 28th August last. John was a fantastic person who always put everyone else before himself and was such a kind, caring, generous person. In his marathon running days he raised thousands of euros for the Irish Cancer Society. He also made regular trips to Cork to the Irish Blood Transfusion Services clinic to donate blood platelets which are life-saving for new-born babies, cancer treatment and bone marrow transplants. He was an inspiration to his family and all that knew him and I hope we are doing him proud in showing him that even though he's not with us, he is still helping others. I can honestly say that I never knew happiness until John came into my life. The love and support me, Grace and John's family have received these past few weeks will show John up in heaven how truly loved he was and always will be. Our journey through life together has come to a standstill for now, but not forever. Me and Grace will keep going on our happy journey and I know I will have John in spirit helping me along the way especially on our more difficult days.

I thank God for sending John my way all those years ago and giving me the happiest years of my life." To donate to Pieta House through the John Broderick memorial fund go to <https://fundraise.pieta.ie/fundraisers/sandrabroderick/A-tribute-to-John>

Staggering Sculpture...

Official launch of new sculpture takes place

Killarney Deer Society's Noel Grimes performed the official launching of the new sculpture on Port Road. The former Spanish chestnut tree which once stood proudly at the junction had Phytophthora ink disease and was beyond saving. And it was Master Tree Carver, Will Fogarty, Fear na Coillte, Co Limerick who was tasked with creating the deer sculpture, one of the iconic symbols of Killarney town. Cllr John Sheahan, Cathaoirleach Killarney Municipal District was also on hand at the launch.

The Killarney Native Red Stag is the largest and the only native species to Ireland, believed to have had a continuous presence in Killarney since the end of the last Ice Age.

Pictured at the launch were: back from left, John Ahern, Killarney District, Town Engineer, Padraig O'Sullivan, Park Ranger NPWS, Cormac Foley, Retired Superintendent Killarney National Park, Margaret Pigott, Killarney Municipal District & Killarney Town Towns, Eileen O'Donoghue, Town Manager Killarney Municipal District & Killarney Tidy Towns, Cllr Michael Gleeson, Killarney Towns, Yvonne Quill, Killarney Tidy Towns. Forum on Irish Language Tourism

A forum on Irish tourism took place this week at Tralee Institute of Technology.

The Gaeltacht Experience, accessing Irish language Markets and Sustainable Tourism in the Gaeltacht were just some of the discussions brought up at the Fóram ar Thursóireacht na Gaolainne which was held on Monday, 22 October.

The joint initiative by Fóram Gaeilge Chiarraí, Kerry County Council's Oifig Gaeilge, and the Hotel, Culinary & Tourism section of IT Tralee, decided to bring together the sections of the Gaeltacht and Irish Speaking communities across Kerry which have a keen interest in growing language based tourism. Matt Mooney, Cathaoirleach of Fóram Gaeilge Chiarraí said "This niche market forms a vibrant part of cultural tourism and is a corner stone of Gaeltacht tourism, with tens of thousands teenagers attending some 50 Irish Language Summer Colleges nationwide every year".

Irish Language Tourism is more than just summer school for secondary students, there are a multitude of opportunities for Irish Language Tourism including; training for Mary I students and upskilling for teachers; Saoire Teaghlaigh sa Ghaeltacht; heritage and language adults courses; American College students, not to mention cultural centres, guide tours and walks and the 15 or more festivals across Kerry that actively celebrate the Irish language and culture.

The aim of the Fóram was to give the Gaeltacht & Irish Speaking Communities an opportunity to create a platform to support the marketing of the Gaeltacht, and Gaeilge experience in a way that will help sustain and grow our Gaeltacht communities.

Killarney Actor Performs in Malta

Killarney actor, Donie Courtney, this week performed his one-man play, *God Has No Country*, to the presidential palace in Malta. Donie, son of the late Sheila and Cllr Michael Courtney from Ardshanavooley, continues to bring this fascinating story of Monsignor Hugh O'Flaherty to a global audience. *God Has No Country* tells the story of the struggles encountered by Monsignor Hugh O'Flaherty and his colleagues in Rome during World War II, as he decides

to act in defence of those suffering under the tyranny of the fascists. The play also reflects on his upbringing and education in Killarney. The President of Malta, Mariem Louise Coleiro Preca, who is an advocate for social justice, was in attendance. He previously staged *God Has No Country* in the Church of St Isidore in Rome as well as in the US. He also brought the play to the Theatre Practice in Singapore in September.

Competitive Ploughing Returns to Killarney

The recently affiliated Killarney Ploughing Association will hold their second ever points competition on Sunday, November 4th, on the grounds of Coffey's Farm, Fossa, Killarney, leased by Tony Wharton. The ploughing match begins at 11.00am and it promises to be a great day of ploughing, conversation and plenty of tea! This is the second time a points match will be held in the Killarney and South Kerry area since the 1960s. The event was launched on Saturday by Deputy Danny Healy-Rae, TD, on the Wharton's Farm, Dromin, Fossa. The association allows competitors from south Kerry an opportunity to qualify for the national ploughing championships. Prior to the formation of the Killarney association, there was just the

five ploughing associations in north Kerry: Abbeydorney, Ardfert, Ballyheigue, Ballyduff and Causeway - all of which are affiliated to the national championships. This is a fantastic opportunity for Killarney and south Kerry ploughmen as their event is now a competitive stepping stone to the national championships. Siobhan Wharton, the Association's PRO said "We are delighted to host our 2nd points competition, ploughing is such a wonderful tradition and heritage. The interest is enormous, the association would also like to congratulate two of our members Shane Godley and Michael Brosnan who competed in the National Ploughing Championships. The Association wish to thank all of our sponsors for their continued support". Killarney has a

proud ploughing tradition stretching back to 1950s and '60s when the area hosted the second ever Wold Ploughing Championships in 1954. In the 1950s Killarney's incredible Ploughmen excelled in competition, winning six All-Ireland titles, and represented Ireland in Ontario, Canada in the world championships. Killarney also hosted the National Ploughing Championships in 1939 and 1961. The Association President Mr Danny O'Leary of Bishop's Farm, Ballycasheen, was himself a champion at ploughing winning many titles in the 1960s. For Further Information please Contact PRO Siobhan Wharton on 086 4090 349 or Chairman Thomas Wharton on 086-0306344.

KILLARNEY TWIN TOWN VISIT

Killarney Town Twinning Association welcomed a group from Killarney's first twinned town Castiglione di Silva last week from 17th to 23rd October. Castiglione was twinned with Killarney in 1986, when the then chairman of Killarney Town Urban District Council, the late Sean O'Keefe, signed the charter. The chairman often spoke of the great affinity between the people and recalled visiting Castiglione with a delegation led by the late Dermot O'Callaghan. Since taking over as chairman, Sean Counihan and his dedicated committee have insured that contacts which have been built up over the many years are not lost but in fact have blossomed under the association. The Italian delegation were addressed by Paul Sherry, the Vice Chair Killarney Chamber of commerce, Yvonne Quill, Killarney Tidy Towns and a very impressive presentation by Tim O'Donoghue of KDYS. The group were also addressed by

Noel Spillane of South Kerry Development Partnership.

The Town Twinning Association took the opportunity to announce the creation of a Sports Festival including an international Town Twinning golf tournament with Pleinfeld, Germany Stafenstorp, Sweden, Castiglione and Killarney already signed up and big interest from the sister cities in the United States. Chairman, Sean Counihan, thanked the active group of committee members for this particular visit as they alternate committee members; Sheila Dickson, Sean and Donal Grady and Michael O'Leary.

He also wanted to acknowledge the municipal Mayor John Sheehan, Cllr Michael Gleason and Cllr Donal Grady for attending the civic welcome. Both Minister Brendan Griffin and MEP Sean Kelly gave excellent presentations to the visitors, and were greatly admired by the delegation. Sean Counihan also acknowledged

the Plaza Hotel for their wonderful facilities and to David Rae and Sean Murphy of Celtic Steps who are great supporters of the committee. They welcome new members as they plan ahead for next year.

The Association continues on a voluntary basis to promote and

engage with Killarney's twinned towns and sister cities and would urge groups, transition year students and organizations to consider visiting our twinned towns and we are always available to help to organise these trips.

Franciscan Friars Keep Up Tradition

An old tradition where the Franciscan Friars bless the Jarveys' horses in Killarney took place last weekend. Fr Liam McCarthy, Friary Guardian, led the ceremony after a short jaunting car trip from the Friary by Danny Ferris who is one of the longest serving jarveys in Killarney. Fr McCarthy blessed the horses individually and also prayed for the jarveys and their families and the many tourists who enjoy jaunting car trips. The service took place at the jarveys stand where tourists and passing locals gathered to observe proceedings. A video of the ceremony was posted to YouTube for those that could not attend on the day. Killarney is now the Northern European and inter-provincial novitiate for the Franciscan Order.

Novices from around the world spend a year in the town year learning about the Franciscan way of life and w dedicate themselves to prayer, brotherhood and community.

Female Entrepreneurs Take Part In Largest National Women's Enterprise Day

Female entrepreneurs from across Local Enterprise Office Kerry, Cork City, North and West and South Cork took part in Ireland's largest National Women's Enterprise Day on Thursday 18th October when they attended their local event at Clayton Silver Springs Hotel in Tivoli, Cork City. An initiative of the Local Enterprise Offices, and now in its 12th year, over 1,400 female entrepreneurs attended National Women's Enterprise Day events across the country.

At the Cork City event at Clayton Silver Springs Hotel, over 150 local entrepreneurs were in attendance to hear the thoughts of actress Rachel Sarah Murphy and Dragon's Den star Eleanor McEvoy. A panel of speakers represented each Local Enterprise Office, including our very own Michelle Keane of Mibeau Interiors based in Knocknagoshel, who's grit and determination to succeed in business went down a storm with the female entrepreneurs present on the day.

The National Women's Enterprise Day initiative is led by the 31 Local Enterprise Offices nationwide, and funded by the Government of Ireland, in partnership with Enterprise Ireland, Local Authorities and the Enterprise Europe Network. The theme of this year's National Women's Enterprise Day was "From Local To Global", aiming to highlight the success stories of female entrepreneurs who have taken their local ideas and turned them into global success stories with the hope of inspiring more women to do the same.

In 2017, the Local Enterprise Offices (LEOs) played a key role in supporting female entrepreneurs at all stages of their business journey. Over 18,500 female entrepreneurs took part in LEO-led training, mentoring and networking programmes, while the Local Enterprise Offices provided direct funding to 280 female-led businesses in 2017. Over 14,500 female entrepreneurs have already received training

Fiona Leahy LEO Kerry, with Niamh O'Sullivan of Kerry, Michelle Keane of Mileau Interiors Kerry and Emma Gill of Affinity Communications. From Local to Global. or mentoring through their Local Enterprise Office this year alone.

Fiona Leahy, Business Advisor at Local Enterprise Office Kerry said; "National Women's Enterprise Day is a key milestone for Local Enterprise Offices around the country. Since it started twelve years ago, the popularity of NWED has grown and every year we have more female success stories in business to highlight. The events are as important as ever, as they connect female entrepreneurs and give them the opportunity to learn from each other and share business challenges and solutions.

For any female entrepreneurs in business or starting one up, our advice is to come and talk to the team at the Local Enterprise Office and we will quickly put you on a path to the right enterprise supports. Just start conversation with your Local Enterprise office and we can guide you from there."

Further details on the supports available to female entrepreneurs in Kerry are available from www.LocalEnterprise.ie/kerryor by contacting Kerry Local Enterprise Office on 066 7183522.

Killarney crews take part in Italian rally

Two rally crews from Killarney headed off on a three day journey of 2500Kms across Europe and down to Italy recently to participate in the World renown Rally Legends Event. The crews consisted of father and son team, Kevin and Colin O'Donoghue from Park Road Killarney who were entered in their Bmw M3. Along with Tadhg O'Sullivan from Spa and

his navigator Eoin O'Leary from Ballycasheen competing in their Ford Escort Mk2.

The event takes place every year in the foothills around the principality of San Marino Italy. It includes Night stages, special spectator stages and even a stage that rallies up the side of a mountain, full of hairpins in order to reach the King & Queens Castle at the top, the crews

are then greeted by the royalties. This is an invite only event which showcases some of the best & oldest rally cars in the World. The event draws a massive following of spectators and is recognised as one of Europe's premier Rally events. Both crews represented our country and club proudly, they adapted well to the terrain and narrow roads of Italy, their flamboyant driving styles were hugely admired by the crazy Italian rally vans. Kevin & Colin had a spectacular run through the night stages, but unfortunately retired on day two with a Differential problem, while Tadhg & Eoin showcased their car handling skill and ability throughout the event and gained the respect of the whole Italian Rallying community. There was a huge following of Kerry fans that travelled out to support their local hero's and witness the amazing spectacle of World Rallying.

TO PROTECT YOUR FAMILY AND LOVED ONES

If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner.

TO PAY OFF DEBTS AND OTHER EXPENSES

In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

TO BRING PEACE OF MIND & LEAVE AN INHERITANCE

We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

Kerry Girl Guides scoop top Guiding award

Girl Guides from units in Killarney and Tralee were among the twenty-two teenagers from Cork and Kerry who received the Trail Blazer National Guide Award. These girls were among 137 Girl Guides who received the Irish Girl Guides' highest award – at a special ceremony in Croke Park recently.

The girls aged 14 to 15 years old, travelled from all corners of the country to receive the award and, with their families, celebrated reaching the pinnacle of Guiding. Each girl received a Trail Blazer gold pin from Irish Girl Guides (IGG) President Maureen Murphy and a National Guide Award certificate from IGG Assistant Chief Commissioner Áine Divilly. The award recognizes the successful completion of a series of challenges, including teamwork activities, outdoor survival skills, community service, global awareness and working with younger members of Irish Girl Guides to help them develop confidence, independence and essential life-skills. IGG President Maureen Murphy congratulated recipients, saying: "You have been committed and worked hard to gain the Award and gained valuable life-skills in the process. Everyone has put her own stamp on the challenges, which is inspiring.

Everyone here has the skills to make a positive contribution to her community and society going forward." Irish Girl Guides welcomes new members from age 5+ and volunteer leaders from age 18+. Previous experience of Guiding is not necessary. To find out more, see www.irishgirlguides.ie.

Halloween has arrived in style at the Holy Cross Mercy Pre-School

Preschool children at Holy Cross Mercy have been busy decorating the newly completed outdoor learning space for the Halloween season.

This unique educational garden was designed to be an 'outdoor natural classroom' which helps the children to use their imagination and be creative. They love exploring the many areas of our new garden such as the mud kitchen, sand area and music wall – not forgetting how they enjoy experimenting in the maths and science area where they learn concepts such as weight, balance & gravity!

The children at the Holy Cross Mercy Preschool have been making maximum use of this attractive garden since September especially given the fine weather conditions. Staff have remarked on the value that this new outdoor space has added to the children's learning. It has given them the opportunity to actively experience and explore the change into the Autumn season and it has

increased their awareness of the world around them. This natural setting includes a vast array of textures, sensory activities, plants and natural sounds to encourage the children to engage all of their senses. Through touching, feeling and collecting natural objects, the

children play in a more diverse and creative way. Feedback from parents has been very positive – they were encouraged by the wide variety of activities on offer for their children such as music, science, messy play and imaginary play. A number of parents have

commented that in this day and age when electronic devices are often a child's first choice, the garden is a welcome outlet inviting them to become actively engaged in a nature-rich environment where they use their imagination and socialise with their friends.

Local to Global Theme Resonates With Students

Scóil Phobail Sliabh Luachra held their Annual School Awards Ceremony recently and had the delight of welcoming former student, author of sell-out show 'Patrick', and well known journalist Aidan O'Connor as the guest speaker.

The 'Local To Global' theme chronicled the wide-ranging experiences of students, from the obvious in-house and state exams in Rathmore to triumph in the national basketball arena to the unusual success of fielding four Kerry minors on their Croke Park journey to stardom in Sarajevo noted by MC Carmel O'Keffee 'Any award is no mean feat' acknowledged Aidan in how the school values the whole student in the array of awards. The local historian engaged the audience with

a brilliant speech on having 'no regrets and no fears'. The message was powerful and the advice to be 'one's own best' was important. This connected with the recurrent concept of determination. He continued this theme and gave a deeply personal and moving anecdote about his son Oisín, ironically being his teacher in his unconditional and non-judgemental love.

'Being the best that you can be' is a key quality and skill that was common amongst all recipients highlighted by the 'witty, extraordinary and ordinary gentleman'. Basketball Coach Jim Hughes (trainer) praised the All Ireland basketball wins and said that the Third Year Boys (U16A Boys League and South West League) team were

unusual in that fact they have won the title for three years in a row, considering the size of the school in a small rural village it was an amazing achievement of dedication, determination and huge success to win at the top level of Irish basketball. The Leaving Certificate Student of the Year was Diarmaid Nagle. His excellent results meant he is in the 0.3 % of students to accomplish such high grades, on the successful Team Maths – never missed a day of secondary school and was always first into the classroom.

11 students scored higher than 500 points-representing 1.1% of the country . They were Diarmaid Nagle, Kieran Dalton, Shauna Davies, Gearóid O' Leary, Cathal Collins, Bríd O' Connor, Derry Mc Carthy, Kayla O' Riordan, Brian Courtney, Katie Horgan and Hannah Wright. The Junior Certificate Student of the Year joint winners with 9 As were Aisling Brosnan Susan Cahill.

Student Council head- boy and girl Éabha Dwyer and Jake Fleming, with Maria Hanrahan (deputy principal), Pat Brosnan, Denis Kerins (Principal) and Niamh Dwyer and Aidan O'Connor (guest speaker) at the Scoil Phobail Sliabh Luachra Rathmore Annual School Awards Ceremony on Friday. UNIVERSITY HOSPITAL KERRY

Michael Healy-Rae Statement

I can confirmed that Minister for Health Simon Harris has agreed to the request to meet with myself and all Kerry Oireachtas members,

Management of UHK and Senior HSE officials in the South/ South West Hospital Group to discuss issues to do with the future of University Hospital Kerry.

I have serious concerns with regard to the failure to carry out hip and knee operations at the Hospital and what appears to be the general down grading of the Hospital on a continuous basis .

It's high time that such a meeting takes place as a matter of urgency and as I have stated the people of Kerry deserve better and in my opinion they are being blaguarded by the system at present by being left in pain waiting for urgent operations to take place.

I can also confirm that management in the hospital has sought a briefing session with Oireachtas members on Monday, 12th November 2018 at 4.30pm in the General Manager's office, UHK to discuss the following,

- Hospital Capital Developments & Plans
- Service Developments
- Winter Plan

COMMEMORATIVE PLAQUES LAUNCHED AS KILLARNEY GOLF & FISHING CLUB CELEBRATE THEIR 125TH ANNIVERSARY

Included at the special presentation was Cathoirleach Killarney Municipal Area, Cllr. John Sheahan, Captain of Killarney Golf and Fishing Club, Derry McCarthy, Lady Captain, Sheila Courtney, Paddy McCarthy, Deerpark, where the golf club was first located in 1893, Mary Shanahan, Deerpark, where the Clubhouse was located in 1893, Pat Dawson, Killarney National Park - Demesne Kenmare Estate, and McShain Family, Founding members, represented by Katie O'Connell, Clare O'Connell and Creagh Downing, past and present Captains and Presidents and staff members were also represented. PHOTO: VALERIE O'SULLIVAN

The vision of the men and women who founded Killarney Golf and Fishing Club on the shores of Lough Lein has been honoured.

Commemorative Plaques to celebrate the 125th anniversary of Killarney Golf & Fishing Club have been launched by Brendan Griffin T.D., Minister of State for Transport, Tourism and Sport.

The launch took place at Killarney House and Gardens as the history of Killarney Golf Club is inextricably intertwined with the story of the Earls of Kenmare, and in particular Lord Castlerosse. Historically, both locations have benefitted from the generosity of benefactors such as the Mc Shain family, Lord Castlerosse, and Beatrice Grosvenor, who in generously

donating their estates to the Irish Republic, have ensured that many generations to come will have the absolute pleasure of visiting and viewing these beautiful locations.

While the primary mission of Killarney Golf and Fishing Club is what it says in its name - to promote golf and fishing - the club are very conscious in celebrating its anniversary that they not only celebrate the present but also mark the past by erecting these commemorative plaques. In this way, the story of the men and women who founded Killarney Golf and Fishing Club and the story of its various locations, will not be forgotten and will live on in present and future memories.

The names of all the founder members are on

a plaque and will be displayed permanently in Killarney Golf and Fishing Club. Relatives of the Downing Brothers, represented by Creagh Downing and Lady Tucker, Ellen O'Connell, represented by Katie and Clare O'Connell, who were involved in the founding of the club. Lady Tucker was a founder member of the club and she was also a scratch golfer - both activities would not have been the norm for the majority of women at that time. As part of Killarney Golf Club's 125, the Ladies Club in consultation with Ellen, Lady Tucker's family, re-designated the Lake Cup as the Ellen Lady Tucker Cup which was awarded to the best nett score in Handicap 18 and under on this year's Lady Captain's Day. Paddy Mc Carthy and his family, and Mary Shanahan were also presented with a commemorative plaque. Killarney Golf Club was located on Paddy Mc Carthy's land (Deerpark) from 1893-1936 and the clubhouse of Killarney Golf Club was located in Brú na Páirce which is the property of Mary Shanahan. Pat Dawson, of Killarney House and Gardens, was presented with a plaque to acknowledge the involvement of Valentine Browne, the 6th Earl of Kenmare, in establishing Killarney Golf and Fishing Club at its current lakeside location at Mahony's Point in 1939. Valentine Browne was better known as Lord Castlerosse and is quoted as saying "When anyone sees Killarney, even if he is the basest heretic, he must believe in God". Lord Castlerosse found it necessary to find a new location for Killarney Golf Club due to the fact that the Land Agent for that part of the Kenmare Estate located at Deerpark and comprising of the then Killarney Golf Club, was instructed by receivers to obtain a proper market rate for the letting of the lands. The lands at that time in 1936 were let to Killarney Golf Club at a peppercorn rent of just 1 shilling per annum, and following a review, it was devised that the rate should rise to £75.00 Per Annum. This was a massive and potentially ruinous increase, and one that the then membership of some 130 members could not afford, after all they were only paying 1 guinea Per Annum as their Subscription, which in total amounted to £136, and 10 Shillings.

Thanks to the vision of these men and women, Killarney Golf and Fishing Club found a new home on the shores of Lough Lein. This vision has made the club what it is today with all its rich history and breath-taking scenery, and we look forward to what the next 125 years will bring.

Captain of Killarney Golf and Fishing Club, Derry McCarthy, Lady Captain, Sheila Crowley, Paddy McCarthy, Deerpark, on whose land the golf club was first located in 1893, also included is Paddy's Son in Law Tom O'Connor. PHOTO: VALERIE O'SULLIVAN

IS YOUR ASTHMA/ COPD WELL CONTROLLED?

Farranfore

066 9764110

www.ahernspharmacy.com

Aherns Pharmacy, Farranfore are once again promoting the importance of good Asthma/ COPD Control and encourage those with Asthma or COPD to know and get their current level control assessed.

Dan Ahern from Aherns Pharmacy explains why now is an important time to ensure good asthma control:

"Autumn signals a time when people with asthma and COPD can see deterioration in their asthma control due to the air turning colder and in spending more time indoors.

It is also estimated that up to half of all those being treated for asthma and COPD are not well controlled on their medication.

There a number of things that an individual can do now to manage their asthma & COPD:

1) Do you know your current level of control? Take a 2 minute Asthma Control Test (ACT) or COPD Assessment Test (CAT). This can be easily done with your G.P., pharmacist or practice nurse.

2) Do you have a personal action plan to manage acute attacks?

3) Do you need to refill your prescription at your pharmacy or review your prescription with your GP?

4) Are you comfortable with your inhaler technique for each of your different types of inhaler?

5) Have you replaced your spacer device in the last 12 months?

6) Do you smoke?— it is never too late to QUIT

7) Vaccination- make sure you get your jabs

8) A good diet and regular gentle exercise can also help improve control

9) Monitor your peak flow (asthma) & know your lung function score (COPD)

Over the next few weeks Aherns Pharmacy are offering free Asthma Control Tests (ACT) and COPD Assessment Tests (CAT) as well as inhaler technique reviews, so if you are interested in any of these, call into Aherns Pharmacy Farranfore & get winter ready.

40 years of Irish Rallying celebrated in Killarney

Killarney and District Motor Club played host to the Irish Tarmac Rally Championship Award Dinner at the Gleneagle Hotel last Saturday night. Each year this prestigious event is rotated between the participating clubs and this year was a special year for both the KDMC and the ITRC as they both celebrated their 40th anniversary. To coincide with honouring the 2018 championship winners, past winners were also honoured. This was a momentous gathering of motorsport greats for whom countless rally fans lined the ditches of Ireland for so many years, providing spectacular memories demonstrating their heroic skills in legendary cars in pursuit of that ultimate prize. The Killarney and District Motor Club pulled out all the stops for this celebration of Irish rallying with the Gleneagle Ballroom filled with such tarmac titans as Austin MacHale, Billy Coleman, Kenny McKinstry, Andrew Nesbitt, John Coyne, Tim McNulty and the young guns Gareth MacHale, Keith Cronin, Robert Barrable, Brothers Sam & Josh Moffett were all in attendance and interviewed throughout the night by Martin Walsh of the Examiner. Ireland's most successful WRC competitor, 5 time WRC rally winner Killarney's Paul Nagle was in attendance

- comparing notes will fellow competitors. Phil Collins from Great Britain received a special award for his continuous support to Irish Rallying and his endless enthusiasm to compete here in Ireland and spoke of his first time competing in the Killarney International Rally of the Lakes and collecting his prize in the same venue 38 years previous, a venue synonymous with Irish rallying. He also went on to thank Mike and Noreen Marshall for persuading him to compete in Killarney all those years ago and as testimony to the high standard of the event he became a constant on the entry list. John Naylor, President of Motorsport Ireland also spoke highly of the KDMC contribution to the sport and to Dermot Healy and his team for hosting an excellent event. Gerard Quinn of Ford Performance was also on hand to perform prize giving duties. Frank O'Mahony, Chairman of the TROA, spoke very highly of the KDMC's contribution to the championship in his address and particularly Dermot Healy and his team for representing both organisations so well in a very

Fionn's Fundraiser raises €7,000

A fundraiser at K-Town on Friday night last has raised an amazing €7,000 for Cork University Maternity Hospital's Neo Natal unit and Bru Columbanus.

The event was organised by Denise Lucey and her husband Aaron BNrosnan who spent time in the hospital following the premature birth of their son Fionn. Born a 23 weeks, Fionn is now a thriving little boy and the couple wanted to give something back to the nurses and doctors who helped them so much.

STACK O'BRIEN OPTICIANS

"YOUR VISION, OUR FOCUS"

BY OPTOMETRIST
DIARMUID O'SULLIVAN F.A.O.I.
STACK O'BRIEN OPTICIANS

WHAT IS A CATARACT?

A cataract happens when the lens within your eye becomes cloudy. It can happen to all of the lens or just part of it. There are different types of cataract, but the most common is age-related cataract, which is more common in people over 65. It can be found to some degree in almost all older people.

RISK FACTORS
Age is the biggest risk factor for developing cataracts. Apart from age, smoking increases the risk of cataracts and often causes the cataract to develop earlier and more quickly. Excessive exposure to sunlight and ultraviolet light can increase the speed at which cataracts develop. In some cases, people are born with cataracts.

SYMPTOMS
Cataracts can cause your vision to become cloudy and less clear. You may notice that you're more easily dazzled

by vehicle headlights, or that objects appear less colourful. Cataracts don't cause eye pain or make your eyes red.

TREATMENT
At first following a sight test we may be able to prescribe new glasses that will help with changes to your vision caused by the cataract. When this no longer helps you to see well enough, the only effective treatment is surgery. Surgery is usually only recommended once the cataract is causing problems with everyday activities, such as driving, watching television and reading. Cataract surgery improves the vision of nearly all patients and has one of the highest success rates of all surgery. If you experience blurred or cloudy vision you should have a sight test.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

TIPS FOR A HEALTHY "MIND BODY" BALANCE

PART 3

- Avoid processed foods, hidden sugars.
- Listen to your body and eat when hungry and stop when full.
- And STOP and think before you reach for comfort food to sooth the feelings that are bubbling up at certain triggers and times of the day. Maybe this is the times you should be practicing your breathing or meditation, or simply getting out for some air and exercise.
- Take time for restful sleep.
- Restful sleep is essential key to having health and vital energy. When you're well-rested, you can approach stressful situations more calmly, yet sleep is so often neglected or underemphasized. There is even a tendency for people to boast about how little sleep they can get by on. In reality, over time, inadequate sleep disrupts the body's innate balance, weakens our immune system, contributes to weight gain and depression, and speeds up the aging process.
- Human beings generally need between six and eight hours of restful sleep each night. Restful sleep means that you're not using pharmaceuticals or alcohol to get to sleep but that you're drifting off easily once you turn off the light and are sleeping soundly through the night. If you feel energetic and vibrant when you wake up, you had a night of restful sleep. If you feel tired and unenthusiastic, you haven't had restful sleep. You can get the highest quality sleep by keeping your sleep cycles in tune with the rhythms of the universe, known as circadian rhythms.

Have you got an attitude of gratitude?

What are you grateful for right now? Take a moment and look around you? There is always so much to be grateful for – the chair we're sitting on, the food we eat, the roof over our heads, our health, our friends and family, the sun rising in the morning, the beat of our hearts and the love we have to give. There are a million things that we can give thanks for in our life and when we do, it changes the experience we have of our lives. Every day is a blessing and even when times are hard, we can still find things to be grateful for. And indeed we must if we are to grow in health and happiness.

Instead of focusing on the negative, we can choose to see what is good. When we consciously decide to choose to be grateful we realize that every day is a gift and every smile a blessing.

Try these top five ways to develop your own attitude of gratitude

1. As soon as you wake up in the morning say, "Thank you" for another day!
2. When you look in the mirror say to your self, "I appreciate and love you so much!"
3. Write a card to someone you love and tell them how thankful you are to have them in your life!
4. Say "thank you" to your fabulous body for all it does for you day after day!
5. Write a gratitude journal every day noting down at least five things that you are grateful for each day!

The more we appreciate life, the more life appreciates and bestows us with more goodness.

SENIOR LADIES

Randles Bros Ltd Div 3 County League Final Fossa and Miltown/Listry played the Div 3 Senior County League Final in glorious sunshine in John Mitchels Complex before a sizeable crowd. Meadhbh Rochford opened the scoring with

a free for M/L and Erica McGlynn replied with a pointed free. Clodagh Evans pointed for M/L before Fossa took over proceedings with a point from Julie Cronin and two outstanding goals, one apiece from Anna Clifford and Anna O'Reilly, Fossa 2-2 to M/L 0-2. Caoimhe Evans scored two pointed frees but Fossa responded once more with an Anna Clifford point, however as momentum grew, the heat intensified and the game become a very scrappy affair. Susan Ahern pulled off an outstanding save only to end up in a heap, play went on and Miltown were awarded a penalty. Caoimhe Evans stepped up and deftly converted it and she followed this with a pointed free. M/L Niamh Broderick was sin binned on the 23rd minute, Fossa pushed on and added 1-2 from the boot of Erica McGlynn. A high ball in saw Lorraine Kennedy palm it to the Fossa net and Clodagh Evans with a point left the half time score Fossa 3-5, Miltown/Listry 2-6. On resumption Lorna Hickey pointed from play and Fossa pushed ahead by 5 with points from Jodie Sheehan, Anna Clifford and Erica McGlynn. Miltown replied with three of their own from Lorraine Kennedy, Caoimhe Evans and Ella Teahan leaving one between the sides. Fossa was at full stretch when Lorraine Kennedy raised the green flag and put Miltown ahead by 2, Fossa weren't giving up and Shelly Clifford replied with a classy point from way out. Miltown/Listry lost the influential Clodagh Evans to a sin bin, Meadhbh Rochford pointed a free. Ella Teahan slotted it home and Miltown scored the last point of the game leaving the score Miltown/Listry 4-12 to Fossa 3-9. Despite defeat Fossa still had a number of excellent displays, Susan Ahern made superb stops while Katie Talbot, Amy Moriarty, Kate Murphy, Aoife Kissane, Orla Moynihan, Mollie Kelly and Maud Kelly fought to the end and left everything on the field. DIV 1 U15

Killarney Celtic 1 Mastergeeha 2. In this close game the boys had to battle hard for the points. After going a goal down the boys got the equaliser with 10 minutes remaining when Darra O'Callaghan scored. After this Mastergeeha pushed forwards and got the winner when Mark O'Shea converted from a penalty.

AVENUE FC 3 MASTERGEEHA 2

The lads travelled to Ennis on Sat morn and played their part in a cracking cup tie. They shocked the Clare side on 2mins when Darragh O'Riordan fired home from the edge of the box after Ian O'Connor's shot had been cleared off the line. They defended stoutly for the remainder of the half with GK Joe Colgan making some super saves until the home side levelled just before the break when a long ball into the box evaded all and found the net. The lads came out firing in the 2nd half and Ian O'Connor restored the lead when he fired low into the corner following a Philip O'Leary corner. Unfortunately they couldn't hold on and the home side levelled within 15mins and then struck the winner late on. A great effort by all involved with Ian O'Connor and GK Joe Colgan outstanding.

KILLARNEY RFC NEWS

SENIORS

Killarney 29 - 9 Ennis RFC

Last Sunday Killarney RFC took on Ennis in the third round of the Munster Junior League in perfect playing conditions at Aghadoe. A large crowd were in for a cracker of a match, though the half time score of 5 points to 9 in favour of the visitors didn't bode well. The penalty count from Killarney was too high and ill discipline cost us in the first half. However, Paudie Sheahan crossed the white wash after some excellent passing to earn the home side's first try. Mark Griffin was unlucky not to score a try of his own in the first half having run almost the length of the pitch only to be tackled at the very last minute. The discipline was much better in the second half and it must be said that Killarney's scrum was a powerhouse and a joy to watch all day. Ger Moynihan crossed for his second try in as many games after some excellent pressure by the home side allowing Oisín O'Shea to convert. Connie O'Leary crossed for a try of his own and Killarney earned a penalty try for repeated infringements late in the match. A very well deserved win and well deserved man of the match display by Ger Moynihan. Captain Peter Kelly made a break from a ruck and was unlucky not to score. Another good day at Aghadoe. Thanks to Emjay Leslie and Isabella O'Leary who were our mascots for the day and to everyone who came to support the lads.

FARRANFORE MAINE VALLEY AC

Munster Novice & Juvenile Even ages Cross Country Championships.

Beaufort was the setting for the Munster Novice & Juvenile Even ages Cross Country Championships. Held on Sunday 21st Oct which started with a wet morning and cleared to glorious sunshine as the races commenced. There was a great turnout for all Munster athletic clubs and some very exciting races to keep the spectators well entertained. The first race was the U10 Girls 1000m. Jessie Lynch ran very well from the gun and finished in third place overall and was part of the County Team bronze medal winners. Isaac Vickers equally ran very well to be placed seventh to win individual medal and was part of the County Team bronze medal winners. His brother Ryan, out of age, had a great run. In the U12 Girls 2000m Mairead Walsh & Rhian McCarthy were competing and part of county team. They both did exceptionally with Rhian finishing in 48th place & Mairead in 50th place. Tyrnan Lynch did yet again another strong run to finish in 27th place. Eabha McCarthy was in the U14 3000m where

Munster Novice Ladies. Marie McKenna and Mary Daly where Mary Daly was Novice champion.

she was seventh overall. Shauna McCarthy & Natasha Myers represented our club in the U16 4000m. Shauna who is no stranger to the Munster XC with many championship medals under her belt had a great race. Running out of age she was part of the lead group from the start.

At the half way point she was placed in sixth overall and comfortable. In the final lap she pushed up to 4th place and had to put in a sprint finish to hold onto her position. A great performance and she now represents Munster at the Nationals next month. Natasha, who is coming back after a long spell out of running did well to complete a long distance at munster level. Shauna was also part of the county team to bronze. Cian Spillane competed in the U16 boys. This was a very competitive and fast race from the start. Cian also running out of age found the pace tough and finished in good 27th place. The Novice Women's 4000m was the highlight of the day.

Marie McKenna & Mary Daly were competing. Mary Daly was with the lead group from the start. After the first 1000m lap Mary took the lead and over the next two laps she opened up a gap of over forty meters from the second placed runner. Mary was never going to be caught and finished in a well deserved first place taking the Munster Novice title. Marie McKenna also did very well finishing in 15th place where both were part of the county team to win bronze. George McCarthy was our only Novice Men's 6000m club representative which was the final race of the day. There was a good representative from Kerry clubs, eleven in total. The start was very fast with the top athletes fighting to keep with the lead group. George paced himself very well and over the course of the race he continued to fight his way through the field. George finished in fourteenth place overall and was fourth home for the county picking up county silver medal. Well done to

Eddie O'Connor of Listowel AC who was third overall. Again, a HUGE thank-you to the very dedicated volunteer coaches spending their fourth Sunday in a row at XC championships. Next XC fixture is Munster Juvenile Uneven Age & Senior Cross Country Championships, Sunday 11th November in the Turnpike, Two Mile Borris, Co. Tipperary. Those interested in competing must contact club secretary for registration before Sunday 4th Nov. Details on Munster Athletics Website.

KERRY O'SHEA Reports From Austin Stack Park

GEANEY HAT-TRICK BLASTS EAST KERRY ASIDE IN FIERY ENCOUNTER

DINGLE 4-13 | EAST KERRY 0-12

The old saying that familiarity breeds contempt certainly rang true as Dingle ran out comprehensive winners over East Kerry in a bad-tempered Kerry SFC semi-final at Austin Stack Park on Sunday afternoon.

It was the third time this summer that the sides had met in the Championship race. Something had to give on this occasion as Dingle had obviously learned from the drawn encounter seven days earlier and were fully intent on completing the job this time around.

In a bad-tempered affair, East Kerry's Paudie Clifford incurred the wrath of referee Paul Hayes following an incident that also saw a representative of each side's managements banished to the stands.

East Kerry's hopes eventually went up in smoke when David Clifford was sent off in the 47th minute following an off-the-ball incident with Dingle's Mikey Boyle.

Dingle got off to a great start when Michael Geaney goaled after less than two minutes to put them firmly in the driving seat.

The West Kerry side built on this advantage and when County star Paul Geaney added a brace of further goals in the 7th and 10th minutes of the opening half, the West Kerry men were on course for a positive result.

Dingle led 3-2 to 0-4 at the end of the opening quarter and with Tom O'Sullivan in majestic form at centre-back the Sean Geaney-managed side drove forward at every opportunity. O'Sullivan kicked five points, all from play as Dingle stretched their advantage to nine points at half time, 3-7 to 0-7.

East Kerry needed early scores if they were to revive their hopes but the Dingle defence were in no mood to surrender.

Despite early scores from Darragh Roche, Dingle kept surging forward. The dismissal of David Clifford ended whatever fleeting hopes East Kerry had of a revival and when Paul Geaney completed his hat-trick with eight minutes of normal time remaining, the rout was complete.

Dingle Scorers: Paul Geaney 3-1 (1-0 pen); Tom O'Sullivan 0-5; Mikey Geaney 1-2 (0-1f); Tomas Sheehy 0-1, Gavin Curran 0-1 (1 '45); Barry O'Sullivan 0-1, Padraig O'Connor 0-1, Niall Geaney 0-1.

Dingle: Gavin Curran; Michael Flannery, Tom Leo O'Sullivan, Padraig O'Connor, Michael Boyle, Tom O'Sullivan, Aidan O'Connor, Liam O'Connor, Barry O'Sullivan; Brian O'Connor, Michael Geaney, Eoin Murphy, Tomas Sheehy, Paul Geaney, Matthew Flaherty.

Subs: Brendan Kelliher for Matthew Flaherty (40); Niall Geaney for Michael Boyle (inj, 49); Brian O'Connell for Tomas Sheehy (55); Brian Devane for Billy O'Connor (60); Sean B Brosnan for Liam O'Connor (61) and Cathal Sheehy for Paul Geaney (65).

East Kerry Scorers: David Clifford (0-4, 3 frees); Darragh Roche 0-3; Paudie Clifford 0-2; Darragh Moynihan 0-1, Chris O'Donoghue 0-1, Jeff O'Donoghue 0-1 (0-1 '45).

East Kerry: Brendan Kealy (Kilcummin); Darren Brosnan (Gneeveguilla), Dan O'Donoghue (Spa), Chris O'Donoghue (Glenflesk); Sean O'Leary (Kilcummin); Jack Sherwood (capt, Fries), Philip Casey (Kilcummin); Shane McSweeney (Kilcuin), Kevin O'Gorman (Kilcummin); Darragh Moynihan (Spa); Paudie Clifford (Fossa), Liam Kearney (Spa); Evan Cronin (Spa), David Clifford (Fossa), Darragh Roche (Glenflesk).

Subs: Noel Duggan (Kilcummin) for Evan Cronin (49); Ronan Buckley (Listry) for Kevin O'Gorman (55); Brian O'Donoghue (Glenflesk) for Liam Kearney (60); Anthony Kennedy (Listry) for Sean O'Leary (61).

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Garvey's Senior Football Championship County Final

Following on from last week's replay, the pairings for the County Final are now confirmed. On Sunday at 3pm in Austin Stacks Park, Dr Crokes face Dingle in the 2018 Garveys Senior Football Championship County Final. If the game finishes level after normal time, it will go to a replay. Both Clubs have had an impressive record so far in this year's championship. I expect a close, tense and entertaining game. Large crowds are expected to the venue next Sunday so advance ticket purchase is highly recommended.

General Admission is €20. Tickets are now available to purchase from Centra and SuperValu stores around the County, Kerry County Board Office and Kerry GAA Store in Killarney Outlet Centre. Students and Senior Citizens who pre-purchase an Adult Ticket will get a refund of €5 on the day from the designated stile with Valid ID. Admission for U16s is free. Tickets will also be available to purchase from the ticket van on Sunday. There will be a unique curtain raiser as the CCC has scheduled a match between Kerry Green and Kerry Gold. The aim is to showcase the great work that goes into the Development Squads and it is a fantastic initiative to have this game involving the 2018 U16s Development Squads as the curtain raiser on County Final day.

As is tradition, Kerry Coiste na nÓg are producing the match programme for the County Final. From what I have seen so far it is a very impressive publication, certainly something that you will sit down and read in the days after the final. The programme will be on sale in various parts of the grounds. This is the main fundraiser for Coiste na nÓg and they need the funds to continue their amazing work with underage football and hurling in this county.

It is also a very important day for the people of Killorglin as Laune rangers are the team that will be honoured at half time having won the County Final in 1993 beating Annascaul 1-15 to 1-8.

Our thanks to Garvey's Supervalu for their sponsorship of the football and hurling championships.

Munster Fixtures

It's only a few weeks until the Kerry Clubs are back in Munster action. In the Senior Club Championship either Dingle or Dr Crokes will

travel to Tipperary on November 4th where the opposition will either be Moyle Rovers or Ardfinnan. On November 3rd, Kilcummin travel to Clare to play Kilrush in the Intermediate Quarter Final and on November 10th at a Tipperary venue, Beaufort will play Ballylooby-Castlegrace or Mullinahone in the Junior Quarter Final.

Christmas at Currans

Santa will visit the Currans Centre of Excellence during the month of December. Bookings are open and you can check out the Kerry GAA website for further information. This is a great opportunity to see Santa and see the Currans Centre of Excellence all in one go!

Referee Recruitment

Pat Sheehy of the Referee's Committee has launched a recruitment drive for new referees in this county. There are limited numbers of referees available in Kerry but this is also the case in all other counties. The number one goal listed in the GAA's recently published 'Referee Development Plan 2018-2021' is increased recruitment and retention of referees. Retention is just as important as recruitment because the effort required to enlist new referees is somewhat in vain if they're not in it for the long haul. The reality of refereeing is that it can be a steep learning curve so unfortunately the drop-out rates can be high in the first year. The GAA's National Match Officials Manager, Patrick Doherty, hopes the introduction of a new mentoring programme as well as an even greater emphasis on referee training and education will give new referees the support they need to stay the course. If you are interested in becoming a referee, please make contact with Pat Sheehy or Mark Griffin for the details on the mentoring programme.

Hurling

The big hurling game of the weekend will see Kerry senior champions, Lixnaw, take on Cashel King Cormac's (Tipperary) on this Sunday, 28 October in Round 1 of the Munster Intermediate Hurling Championship. The game goes ahead at Lixnaw where there will be a 1.30p.m. throw in.

In the Munster Junior Hurling Championship quarter-final, Kilgarvan will have an away fixture against the Limerick champions, Tournafulla on Saturday, 10 November. Full fixture details at www.munstergaa.ie

The Co. Intermediate Hurling Plate Final between Austin Stacks and Ballyheigue B will take place on this Friday, 26 October at Caherslee, 7.30p.m. with extra time if necessary.

SOUTH KERRY

Kilgarvan are the 2018 South Kerry Senior Champions following their 2 - 23 to 0 - 12 win over Dr. Crokes in the final played at Fitzgerald Stadium last Saturday. The winning lineout was: Shane O'Sullivan, Flor O'Sullivan, Patrick O'Shea (captain), Liam Twomey, Seán Casey, John Mark Foley, Jack O'Brien (0-1), Gearóid Fennessy (0-1), Con Godfrey (0-02), Richard O'Sullivan, Keith Harrington (0-5), Christopher Creedon, Daniel Casey (0-3), Seán Godfrey (0-4), Dónal O'Sullivan (2-6). Subs: Connie Cremin, Padraig Dillon (0-1), Michael Godfrey, Martin Godfrey. Management team: Mike Foley, Flor O'Brien, Pat Twomey, John Foley, Adrian O'Sullivan. MID KERRY

O'SULLIVAN CUP FINAL

Cromane 0-17, Glenbeigh-Glencar 1-12

Cromane ended 2018 on a high with a two-point win today over neighbours Glenbeigh-Glencar in the Mid Kerry O'Sullivan Cup final in Killorglin. It was well-deserved as they dominated the second half at one stage opening up a four-point lead, 0-15 to 1-8 with 12 minutes left.

Things got a bit nervy towards the end with referee Maurice Murphy playing over six minutes of injury time but the lads got the job done in the end. Apart from a poor patch of play in the middle of the first half when Glenbeigh-Glencar hit six points in a row they controlled matters and could have passed the 20-point mark but for some wayward second half shooting.

Cromane started the game very well and led by 0-4 to 0-1 after eight minutes with points from Darren Houlihan (two long distance frees) and two from play courtesy of Sean O'Sullivan and Mikey Houlihan.

Glenbeigh-Glencar settled and hit that purple patch reeling off six points in a row between the 10th and 18th minutes to power ahead, 0-4 to 0-7.

Cromane rediscovered their mojo and proceeded to hit four unanswered points of their own (all from play): Sean O'Sullivan (with two), Shane O'Neill and Darren Houlihan the scorers. This seemed to have settled them but then they were hit with a sucker punch just before the break with a high ball into the Cromane square was punched to the net by Glenbeigh-Glencar's Kieran Cahillane to give our opponents the lead once again, 0-8 to 1-7. A late first-half free from Darren Houlihan (his fourth point of the half) left us one adrift at the break, 0-9 to 1-7.

Glenbeigh-Glencar midfielder Colin McGillicuddy started the ball rolling in the second half with an outstanding point from wide on the left, off his left. However, this was to be Glenbeigh-Glencar's last score for 20 minutes as our lads knuckled down and started to play their best football: quick and simple football. Between the 34th and 48th minutes, they rattled off six unanswered points in a period of play that ultimately won the game for Cromane. Scores came from Donnchadh Walsh, Danny O'Shea to level matters (0-11 to 1-8), three Sean O'Sullivan frees (one a mighty score from the sideline off his left boot), and a fine Liam Teahan effort to leave us ahead, 0-15 to 1-8 entering the last quarter.

Glenbeigh-Glencar stopped the onslaught with a Kieran Courtney point before our captain John Michael Foley pulled off a great save to deny the same player moments later. While we were getting our act together in the forward

O'Sullivan Cup winners.

line it was our backs who dominated their men in the opening 20 minutes of the second half: John Michael led the way, with Conor Sugrue, Brendan Foley, Cathal Crosby, Ethan Griffin, and Liam Teahan following his example. Goalkeeper Paudie McMahon was also assured under some testing high balls when he was needed.

A Mikey Houlihan point in the 56th minute reopened our four-point cushion, 0-16 to 1-9, but Glenbeigh-Glencar to their credit finished strongly with three unanswered points to leave us in squeaky bum time as the referee added on those six minutes. In the sixth of those Sean O'Sullivan tapped over a free (his 7th point) of the day and moments later the final whistle blew on a fine win. Final score: Cromane 0-17, Glenbeigh-Glencar 1-12.

After the match, our winning captain John Michael Foley accepted the O'Sullivan Cup while the man-of-the-match award - sponsored by Ashe's Bar, Glenbeigh - went to Cromane's Darren Houlihan.

LEGION GAA

After an emotional and heartbreaking week for all involved with the club as we said goodbye

to our much loved Niall McGillicuddy, Killarney Legion Gaa would like to express our thanks and gratitude to the Kerry & East Kerry boards and all the clubs throughout the county and country that passed on their sympathies and condolences. A special word of thanks to the U-16 team and mentors who gave Niall a dignified guard of honor.

EK Minor Semi Final Div 2

Legion 1-20 - Furies 0-08

Killarney Legion progressed to the East Kerry Championship Division 2 final with a well earned win over Furies. The game started with a minutes silence with officials and each team lining up side by side on the half way line in honour of our very own Niall McGillicuddy. Played in Direen in ideal conditions Legion were slow to start but once they got into their stride they took control of the game. Furies gave as good as they got but Legion always seemed to have the edge and took scores at the right times. At the final whistle the scoreline was more of reflection of the hard work and determined effort right up to the final whistle.

EK Championship U-14 Replay

Legion 13pts

Furies 1-8pts

Very tight tough championship match. Both teams evenly matched but Legion dug deep in the second half and showed great character to win the game, well done to the management and lads.

DR CROKES

SENIOR HURLING

Our season came to an end in Fitzgerald Stadium on Saturday when we were beaten by Kilgarvan in the South Kerry Championship Final. Final score was Kilgarvan 2-18 Dr Crokes 0-12. This game was arranged at the end of a long period of uncertainty surrounding the arrangements for the championship resulting in an understandable loss of interest on the part of our players and of other clubs. The South Kerry Hurling Board must do better.

Although our lads were handicapped by the absence of several regulars and the lack of games during the last couple of months they

The Killarney Legion U-10 Girls who took welcomed Listowel Emmets to Derreen at the weekend for some great sporting games. Last game of the season, well done girls..

put up a brave show of defiance. Kilgarvan had already, as Kerry Intermediate Champions, qualified to represent Kerry in the Munster Junior Club Championship and clearly had put in a lot of work and were the better team on the day. We wish them well on their travels as they go forward to take on the Limerick Champions in two weeks time.

Our best players on the day were veteran goalkeeper Timmy Hourigan, Shane Kavanagh, Colm O Cuiv, Jack Lenihan, Aaron Murphy and Rob Ryan.

DEEPEST SYMPATHIES

The Club sends it's sympathy to our players Jack and Mike Lenihan on the death of their grandmother Joan Griffin, and to another player, Gary O'Connor on the recent death of his grandfather John Coffey.

CHAMPIONSHIP DIVISION 4 FINAL

Rathmore 3-14 Spa 1-13

Played at Fitzgerald Stadium early on Sunday morning, this MD O'Shea East Kerry U14 Championship Division 4 Final, was a fine in an open entertaining and sporting game between Spa and Rathmore. It was Spa who made the brighter start, hitting four early points including two from Donagh Davy and a point each from Aidan Cronin and Luke O'Neill. However, Rathmore responded and stunned their opponents with two quickfire goals from Cian Twomey and Michael Dennehy in the space of a minute. Fionn Murphy then pointed a free for Rathmore before Spa steadied themselves with points from Luke O'Neill and Aidan Cronin. As play swayed from side to side, Spa finished the half strongly with points from Aidan Cronin (free) and a Luke O'Neill point after a fine run. This left Rathmore 2 points ahead at the break: Rathmore 2-4(10) Spa 0-8.

Rathmore went on to dominate the first 8 minutes of the second half, kicking five points in succession. These scores came from Fionn Murphy(2), Michael Dennehy (2) and a free from Darragh Nagle. Spa replied with an Aidan Cronin free and a point from play from Calvin O'Sullivan. Rathmore again put points on the board with impressive midfielder Fionn Murphy pointing two frees and full forward Ciaran Collins scoring from play. Spa narrowed the lead to five when they had three unanswered points in a row. However, Rathmore's Darragh Nagle pointed at the end of a fine move. The same player then scored a great goal, set up by Fionn Murphy. Then Murphy himself hit a fine score from distance. MILLTOWN/CASTLEMAINE

UNDER 16-MID KERRY CHAMPIONSHIP

Hard luck to our Under 16's who were beaten by Keel Listry on Sunday afternoon last –in the above competition. They say goals win games and there was no shortage of same in this encounter. Keel Listry slotted in 5 and Milltown Castlemaine had 2 of their own. Were it not for a man of the match performance by M/C keeper, Jack Griffin, who pulled off some magnificent saves, the number could have been much higher. Shane O' Connor, Jack Teahan, Evan O' Sullivan and Cathal Daly commanded a great full back line with Pat O'Sullivan, Oisín O'Connor and Anthony Kelliher ably assisting in the half backs.

Cillian Burke and Seamus Nagle showed plenty of skill at centre field with some excellent fielding. Our half forwards Liam Roche, Conor Spillane and Anthony Barrett combined well along with their inside forwards- Tom Keane,

Cathal Barrett and Brendan Casey, setting up and converting some fantastic scores. Well done to Keel Listry on an excellent performance and to Milltown Castlemaine –who despite being a very young side- put in a super effort and never gave up. League Reports:

Subway Inter League:

In the battle of the two unbeaten sides in the 13's Subway Inter League Group 1 Limerick Desmond defeated Kerry 4-1 at Mounthawk Park. In the second game on the All Weather Kerry the 15's Inter League game between Kerry and Limerick County finished in a 1-1 draw with Joe Finch getting the Kerry score. Killorglin make IT 3 from 3 in the 13 Premier:

Killorglin continued their unbeaten start to their Daly's Supervalu 13 Premier and made it three wins from three but only just. Two goals including one from the penalty spot and one from Andrew Owens put Killorglin 3-0 up at the break. In the second half Listowel Celtic fought hard and two Evan Boyle goals, with one of his also coming from the penalty spot, brought the home side right back into contention.

Killarney Celtic moved onto 6 points after a 4-0 home win over neighbours Killarney Athletic. Mikey Murphy, Josh Bowler, Jamie Moynihan and Pdraig O'Donoghue got their goals but they also needed keeper Callum Cronin to be in top form to keep the Woodlawn side at bay. Mathew Moynihan and Neil O'Carroll were the best for Athletic.

The Park and Iveragh United have to be satisfied with a point each. Goals from Evan and Fintan O'Sullivan put the West Kerry aide ahead with Immanuel Manu getting the Park's goal. And it took a cracker from JJ Olajitan to earn the point for his side.

New leaders in the 13's Division 1:

Killorglin B have moved to the top of the 13's Division 1 thanks to a 7-2 win over Tralee Dynamos 2. Jessie O'Reilly, Jack Evans, Jamie Casey, Mathew O'Loughlin and Mathew Spillane were on the mark for Killorglin who move onto 7 points. Castleisland had goals from Mint O'Connor, David Healy, Eoghan Shire and Jack O'Donoghue as they defeated Inter Kenmare 4-3. Killarney Celtic B took the first three points of the weekend as a last minute winner from Vishnu gave them a 1-0 win over Camp Juniors. Celtic keeper Pierce Moynihan was in great form.

4 from 4 for Park C in Division after 9 goal thriller in 13 Division 2 North:

St Brendan's Park C made it 4 wins from 4 in the 13's Division 2 North but did so by just coming out on the right side of a nine goal thriller. Sam Slattery hit 2, Ryan O'Driscoll a penalty, Adam Prendergast and Ciaran O'Connell got the goals for the Park. Patrick Walsh hit a hat trick and TJ O'Sullivan were on the mark for any unlucky LB Rovers side.

Ballyhar now the leaders in 13 Division 2 South: In a tight Division Ballyhar are now the leaders after they won 6-2 away at Killorglin C. Daithi O'Shea and Aaron O'Sullivan both hit two each with Kristupas and Tristan Keating getting the other two. For the home side Tristen Janinski who was again the stand-out player on his side and Micheal Roache for the goals.

Mastergeeha travelled to MEK for what turned out to be an amazing game ending 8-6 to the Kilbreen side. Gavin Barry, Jack O'Brien, Barry Collins, Bobby Galvin, Darren O'Leary and Emmet Spillane got the Mastergeeha goals. Aaron Dinhan, Cian Fleming and James Clifford all got two each for MEK.

Killorglin make it two wins from two in the 15 Premier:

An Eoghan Hassett hat trick and a fourth from Brendan Casey saw Killorglin win the day's only game in the Killarney Plaza 15 Premier as they won 4-2 at Murt Scott Park. They are now top of the table on 6 points Stephen Palmer from the penalty spot and Luke Ring were the Ballyhar scorers.

Mastergeeha win Killarney derby in 15's Division 1:

Goals from Dara Callaghan and Mark O'Shea gave Mastergeeha a narrow 2-1 win away to Killarney Celtic B. The win sees them move onto 7 points from 3 games to top the Division. Mikey McCarthy replied for the Hoops.

Two wins from 2 has Castleisland on 6 points with the latest 3 points coming from a 3-0 win over Fenit. Raymond O'Neill 2 and Freddie Galway got the goals for the winner.

Ballyheigue picked up their first three points on a 3-0 score-line over Iveragh United.

Goals Galore in 15's Division 2:

Inter Kenmare took advantage of the top two teams in the Division losing as their win away to Killorglin B saw them move onto 7 points and level with LB Rovers at the top of the table. Killorglin B were unlucky to see their keeper sent off early on for handling the ball just outside the box. Cian Lyons who played some of the game in goal came out and scored from the penalty spot with Rian O'Sullivan getting their other goal.

LB Rovers lost out to neighbours Listowel Celtic 3-2 with the North Kerry Hoops goals coming from Adam Segal, Sean Keane and Tony Boland. LB's reply came courtesy of goals from Joe Finch and Kieran O'Connell.

Tralee Dynamos are onto 4 points following their home win in a game where there were 12 goals scored with the Tralee side winning 7-5. Dynamos had goals from Damien Hogan and Donagh Stephenson getting 2 each, Liam Moroney, Tom Quilligan and Thomas Degreee. Shane O'Connor's hat trick was added to by goals from Kevin Harrant and Eddie Moroney for MEK.

INTER KENMARE AND CAMP JUNIORS TAKE THE POINTS IN THE GIRLS 12'S AND 14'S:

Camp Juniors were the winners in the 12's Premier thanks to goals from Miriam Sheehan who hit a hat-trick with Suvi O'Connor scoring twice and Asleigh Horan getting the 6th. Kayla Roche replied MEK who had good performances from Holly Barrett, Sarah Barrett and Grainne Kelliher.

On Sunday Inter were 9-4 winners away at Litowel Celtic in the 12's Girls Premier. Phoebe O'Shea, Helena O'Donoghue who was Inter's best player on the day. Martha O'Sullivan and Sophie Ryan scored for Kenmare. Lias Slattery with 3 and Emily Browne were on the mark for Listowel Celtic. Inter Kenmare won away at newcomers Fenit in the 14's Premier with Grace Foley, Laoisa Casey, Chloe Cremin, Lucy Burton, Tara Desmond and Saoirse Buckley all getting on the team sheet.

Joey is the Penalty King:

This year sees the inaugural John Giles Foundation Penalty Competition with the ultimate prize of taking penalties in the Aviva during the upcoming Northern Ireland game. Firstly the Kerry qualifier Killarney Celtic's Joey McCarthy will have to win the Munster qualifier which is set for early next month. In the KSGBL final he saw off Killorglin's Charlie O'Connor, LB Rovers Lee Meehan and Tralee Dynamos Shay Kelliher in a decider that went to sudden death.

MEK UNITED NEWS

Last weekend saw our U13's and U15's in action. Our U13's took on Mastergeeha 'b' at Lackabane in a cracker which saw the visitors the victors on a 5 - 8 scoreline. Meanwhile our U15's travelled to Tralee to take on Tralee Dynamos and lost 7 - 5 with Eddie Moroney bagging a hat trick and Kevin Harant and Shane O'Connor getting on the scoresheet. RESULTS UNDER 13 PREMIER

Killarney Celtic 4 Killarney Athletic 0
The score line didn't do justice to our lads who after an early setback where a fortunate deflection led to a goal for Celtic. After this we had the upper hand for the remainder of the half with Celtic goalkeeper making some fine saves on another day we could have went in 3-1 up at half time instead of 1-0 down. In fairness to Celtic they were the better team in the second half and scored an early goal. We were now chasing the game and Celtic added 2 late goals to seal the result. Overall a decent performance by our boys with some good performances all over the pitch.

Under 17
Killarney Athletic 2 Tralee Dynamos 1
Our under 17's kept their unbeaten league form going yesterday by beating Tralee Dynamos 2-1 in Woodlawn. This win was made all the better by a never say die spirit of this team playing 70 mins with 10 players. Scorers were Damien Switzer and William Shine with his 1st goal for the Blues.

SENIOR B

Killarney Athletic B 2 Castlegregory 5. After a bad start by the B's who were 3 down after 20 minutes played really well after this with goals from Conor Healy and Chris O'Meara to make it 3-2. The momentum was now with Athletic and were denied a blatant penalty. Throwing everything at Castlegregory they were unfortunate to be caught twice on the break. Wishing a speedy recovery to Gary Moynihan and Rafa who were injured in this game.

OUTLOOK BASKETBALL

BASKETBALL: NATIONAL LEAGUE DIVISION ONE

By Eamonn Keogh

Limerick Celtics 75
Scotts Lakers St Paul's 98

SCOTTS Lakers bounced back to winning ways with a comprehensive 23 point victory over Limerick Celtics in St. Munchins Limerick last Saturday night. After two recent defeats, it was a badly needed victory for the Killarney side and puts them back in second place on the league table as well as getting them in the right frame of mind for a big national cup clash away to Dublin Lions this weekend.

This was a match that Scotts Lakers were always in control of. The welcome return of Padraig Lucey to competitive action was a big boost and the Killarney side were 24-15 in front at the end of the first quarter. Sean O'Brien was back to his best and knocked down 18 points in the first half as team coach Cormac O'Donoghue ran his full bench with all eleven players featuring prominently in the opening half.

Lakers enjoyed a 45-35 advantage at half-time and started the second half in convincing fashion. Papito Hersisia, Andrew Fitzgerald and Padraig Lucey dominated the boards while Sean O'Brien, Seamus Brosnan, Mark Greene, Dailian Mason and Cian Clernon were also prominent as the Killarney side opened up a 73-51 lead at the end of the third quarter.

Sean O'Brien sat out the closing minutes of the third quarter and was also rested for the final period but his able replacement Justin Tuason kept the Lakers in firm control. Big Papito Hersisia was also rested as Padraig Lucey, Andrew Fitzgerald and Shane McCarthy continued to dominate the rebounds battle against a struggling Limerick side. In the end Scotts Lakers enjoyed a comfortable 23 points to spare with an outstanding overall team performance. They shot 10 from 21 three-point attempts and converted

12 from 14 free throws and this result pushed them up to six wins and two losses on the league table. Team coach Cormac O'Donoghue was pleased with the great team performance. "It was good to get a win after two tough losses especially with a huge Cup game coming up this weekend. Our defense was definitely better which it needed to be after coughing up big scores the last two weekends. I felt it was a perfect response to a poor performance last week and we shared the ball much better. It was good that everyone got good minutes before next weekend." Scotts Lakers: Sean O'Brien 29, Papito Hersisia 22, Seamus Brosnan 9, Justin Tuason 8, Mark Greene 7, Cian Clernon 7, Dailian Mason 6, Andrew Fitzgerald 6, Padraig Lucey 4 Shane McCarthy, James Murphy.

Limerick Celtics: Turrell Morris 29 Fabio Hernandez 13 Shane O'Connell 11.

NATIONAL CUP

Scotts Lakers face a difficult national cup clash away to Dublin Lions at Coláiste Bríde, Clondalkin on this Saturday night October 27th, at 6.30 p.m.

Dublin Lions have enjoyed an impressive league campaign so far with six wins and just one loss. The sides clashed twice last season with Lakers winning by one point (76-75) in Killarney but losing 86-81 in Dublin.

With home advantage, Dublin Lions will fancy their chances and have some quality players in Muhammad Sabic, Garrett Collins, Finn Hughes and Latrell Wilson. Scotts Lakers will have to be at their best to get a good result here and try and get a decent cup run.

Gardening
with Killarney Outlook
by John O'Sullivan

**FOCUS ON FILLING
WINTER CONTAINERS**

Now is the time to start filling your winter containers, pots and baskets. First thing to do is empty your pots of the summer display including compost and give it a quick wash inside. Then put some gravel around the drainage hole at the bottom of the pot. Now add some new compost and fill it about 2 inches from the top of the pot and firm it down but not too hard. Next it's time to choose what plants you're going to use, first plant what will be your centre piece, which could be anything from a conifer to a grass, such as a phormium or if it's a very large pot or container you could choose something like a pyramid or a standard bay-tree which is a bit more expensive but you will have them for a long time. Next plants to choose would be something trailing such as ivy or a Vinca and plant three of them like a triangle in the pot, in between these you can plant some primroses, polyanthus, winter pansy, cyclamen, etc and also you can plant some tulip or daffodils as well. After planting remember to water in well.

ARE YOU GOING TO BE SETTING OFF FIREWORKS THIS HALLOWEEN?

Are you willing to face a fine of up to €2,500 or to imprisonment for up to 6 months or both just so you can put the lives of the Emergency Services and public at risk and terrify the elderly, babies and animals all in the name of so called fun?

That is the penalty you could face if you are found in possession of a firework even on your own property without having a licence to import.

4 HOME REMEDIES THAT HAVE COME DOWN THROUGH THE AGES

*Combat bad breath with celery - Rather than chewing away at gum, celery has long been deemed to be a cure all for bad breath. So be sure to keep a few sticks at hand instead.

*Cure an earache with lemons - Squeeze some lemon juice onto an ear bud, cleaning the inside of your ear (gently) for a minute or so. The lemon juice will stabilize pH levels in your ears, alleviating the pain.

*Banish hair loss with nettle - Nettle leaf contains high levels of protein, calcium, phosphorous, iron, magnesium, and beta-carotene. It also contains high amounts of vitamin A, C, D and B complex. Many of these vitamins and minerals promote hair growth and maintenance, keeping it strong and luxurious. Simply boil 4 to 6 nettle leaves in a mug and rinse your hair with the nettle mix. Caution: Nettle leaves are high in silica which can be harmful at high doses.

*Prevent indigestion with dried apricots - Dried apricots are high in dietary fibre, helping your stomach to digest food and prevent bloating. If you're feeling unwell after your meal, grab a handful of apricots.

IT'S ALMOST HALLOWEEN SO WHERE WOULD WE BE WITHOUT A MORBID STORY?

it's tricky to focus on food when you're surrounded by recently deceased, mouldering corpses, however this was not always the case. For a time, friends and families used to put aside any sense of squeamishness and congregate to have picnics in graveyards all over the world. Early photographs from the 19th-century show lines of men and women heading happily to leafy burial grounds, heavy-laden baskets in tow, preparing for a perfectly innocent day out.

Though we now think of a picnic as the perfect excuse for a family-focused day in the sun, the realities of domestic life differed considerably for earlier generations. Rampant disease and poverty meant that mortality rates and life expectancy were considerably lower for everyone. Death was a part of daily life. Though tragic, this also meant that many people were used to the idea of mortality in a way that we aren't any longer. Spending time in cemeteries was, for many, the only way to reconnect with loved ones who had

passed before their time. Families would gather around the graves of children, parents, brothers and sisters, swapping stories and sharing food with one another away from the squalor and dirt of the inner city. Visiting cemeteries became, for many, one of the few opportunities for leisure available outside of the tortuous 19th century working week.

The diet of the picnickers varied enormously depending on social class. Luxury portable items such as chocolate would only be available to a select few families who had the disposable income to afford such extravagance. For ordinary people, meals were far more restrained with staples such as sandwiches, boiled sweets and fruit and records from disgruntled graveyard officials, reporting on the mess left by crowds of rowdy diners, show that that cans of sardines and bottles of beer were commonly left strewn across the sites.

In Ancient Rome, an annual celebration known as the parentalia commemorated the spirits of deceased ancestors. The festival involved family members transporting a carefully prepared banquet to offer to the spirits of dead relatives, before themselves dining on wine and cakes around the tomb. Similarly, cultures across Asia regularly prepare food for the dead to this day, to be offered up as part of funeral festivities.

At the start of the 20th century graveyard dining began to wane as networks of new public parks sprouting in or close to Cities across the world, families became far less concerned with sharing their leisure time with the dead.

STRICTER LAWS FOR TRICK OR TREATING IN PARTS OF THE U.S. AND CANADA

For teens living in certain cities, the scariest part of Halloween is a ban on teenage trick-or-treaters. In the city of Chesapeake, which is Virginia's third-largest city, local law states that trick-or-treaters older than 12 can be charged with a misdemeanor. Teens guilty of this offense can be required to pay a fine of between \$25 and \$100, spend up to six months in jail, or both. And the city also has a ban on all trick-or-treating past 8 p.m., which is punishable with a fine ranging from \$10 to \$100, or up to 30 days in jail.

Other cities in Virginia have similar laws on the books. The town of Newport News prohibits trick-or-treaters who are older than 12, and parents who accompany their children cannot wear masks. Other towns like Norfolk, Portsmouth, Suffolk, and Virginia Beach have similar regulations.

Several North Carolina cities have similar laws against teen trick-or-treaters, as well as requirements to end the festivities by 9 p.m. And in some areas in South Jersey, a curfew of 7 p.m. is enforced.

In many Cities in Canada it is also illegal for teens over the age of 14

In a recent survey in Great Britain one in five people said they would support a ban on trick-or-treating.

YEAR END ACCOUNTS WHAT YOU SHOULD CONSIDER WHILE REVIEWING THE FIGURES

For compliance reasons all businesses produce year-end accounts. It is important that business owners interpret the information contained in the accounts to the best effect.

It is important to review the accounts carefully and see if there are indicators therein that can inform the decisions you make for your business into the future. Examples of the questions you may consider while reviewing the accounts are as follows:

1. Has turnover increased/decreased in the year? Which areas are performing well and could benefit further from increased time and resources, and which areas are wasting time and resources?
2. Has the profit margin changed, and what were the factors causing this?
3. How are wages costs relative to turnover? If you take on more employees, is turnover likely to grow relatively?
4. What was the overall performance of the business year on year? What was the trend over the last five years? Can you project this trend into the future?
5. How is cash-flow relative to turnover and profitability? Is there a danger of over-trading?
6. Is all expenditure necessary? Is there waste that could be cut from the business?

THE IMPORTANCE OF COMMUNICATION

When people come along to counselling, and begin talking about their problems, it sometimes becomes apparent that some of their difficulties may be down to the challenge of communicating with the other people in their lives.

This can apply to any of us. Whether discussing issues in our relationship with a partner or other family member, or with friends or colleagues, we are quite likely to say 'He knows how I feel about this', or 'She knows how difficult I find that', or 'I'm not going to ask them for help because I shouldn't need to ask, they should just know what to do', and so on. Sound familiar?

All this ignores a fundamental reality – we cannot assume other people know what we think, or how we feel, or what we need, unless we tell them. We are all equipped with a degree of intuition, and some people can be very 'tuned in' to the thoughts and feelings of others. But we cannot always rely on intuition alone.

For example, someone may long for their partner to open up about a shared difficulty in their lives, while the partner may want exactly the same thing, but feel they 'shouldn't go there' because they think this would be unwelcome. Two people, who long to connect with each other, may grow further apart because of a gap in communication.

Of course we all need, and are entitled to, our privacy. We don't have to wear our heart on our sleeve all the time. What we are thinking about here is building bridges and sustaining connections with the significant people around us, rather than seeing those connections weaken through a lack of communication, with all the misunderstandings, frustrations, conflict, hurt and loneliness that can ensue.

As children, we may have been fortunate enough to have an adult around who tuned in to our feelings and tended to our needs, before we were old enough to put those feelings and needs into words. Even if we don't realise it, perhaps a bit of us still quite naturally longs for that sort of automatic understanding from others. But, as adults, we probably need to play our part in making ourselves known and understood. The counselling process can offer a safe space where we can start putting things into words, gradually find our own voice, and become more confident about making ourselves known to another person.

SouthWest Counselling Centre, Killarney provides affordable professional counselling to children, adolescents adults and couples – both at its Killarney Centre (Lewis Road) and at Kenmare Family Centre. info@southwestcounselling.ie

A Word of Victory

Welcome back dear reader continuing on the deceptions of Halloween, horror and the kingdom of darkness; Proverbs 29:18 says that where there is no prophetic vision; where people do not accept Divine guidance, they cast off all restraint and run wild, but whoever obeys the Law is happy and joyful. We all need boundaries – society depends upon rules to run smoothly – everything from paying our taxes, to ensuring people's welfare and safety, and protection from harm. Unfortunately, it is promoted now that people need no Divine instruction or moral boundaries as these don't matter anymore. Do what feels good instead. This is coming from the demonic realm using the media to promote its agenda. Many people's rebellion towards the things of God is based upon their desire not to be controlled, but they can still be influenced by what is being expressed in film, TV, and media sources. In the past people were controlled and dictated to by some corrupt leaders who abused their position, often using God's name as a means of exerting that control. A distaste for man's rituals has left many deeply spiritual people feeling lost in their relationship with God. People can get sucked into thinking that they can live free from the restraint of God's laws as He will only limit their fun and happiness. This is a massive deception, and is the root cause of many sicknesses, mental health issues and addictions. When we try to live without God there is huge void inside, which only a real relationship with Him through Jesus His Son, can fill (John 14:6). Jesus is the Prince of Peace, and His love is the antidote you need to all of the evil and despair you have experienced (Isaiah 9:6). Psalm 101:3 says "...I will set nothing wicked before my eyes". Movies, Games, T.V. etc... increasingly depict hardcore violence, porn, rape and exploitation as entertainment for all ages. The more violent the better it seems. Yet, there are children and adults in the world that are actually enduring these horrors as part of their everyday lives! Friend, the Bible says that our eyes are the vessel where either darkness or light enters. If you are watching horrors, evil, violence, rape or abuse – this is filling you with darkness, and opens the door wide open for demonic activity and attack, depression and darkness in both your own and your family's lives. If the light that is in you is really darkness how deep that darkness is (Matthew 6:22-23). Call on the Lord Jesus for Salvation, bring in His Light and eliminate the darkness – don't wait! (Romans 10:13) **See more on wordofvictory.net**

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. (Make request). O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in this necessity. There are none, that can withstand your power. Oh show me herein you are my mother. Oh Mary conceived without sin, pray for us who have recourse to thee (3). Say this prayer for 3 consecutive days and then publish it and request will be granted to you. This prayer must be published in thanks giving for favours received. And thanks to the universe.

PRAYER TO OUR LADY OF MOUNT CARMEL

Oh, most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven.

Oh, Blessed Mother of the Son of God; Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother.

Oh, Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity. (Mention your request here) There are none that can

withstand your power.

Oh, Mary, conceived without sin, pray for us who have recourse to thee.

(say three times).

Holy Mary, I place this prayer in your hands. (say three times).

NOVENA TO ST. ANTHONY

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers. Miracles waited on your world which you were ever ready to speak for those in trouble and anxiety. Encouraged by this thought I implore of you to obtain for me my request...(mention request). The answer to my prayer may require a miracle. Even so, you are the Saint of Miracles. O gentle and loving St. Anthony, whose heart was ever full of human sympathy, intercede for me and the gratitude of my heart will ever be yours. Amen.

NOVENA TO THE HOLY SPIRIT

O Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things you have given me as you confirm once again that I never wanted to be separated from you in spite of all material illusions. I wish to be with you in Eternal Glory. Thank you for mercy towards me and mine. This prayer must be said for three days, after three days the favour will be granted. X

NOVENA TO THE SACRED HEART

Sacred Heart, St Jude, St Anthony. And to all of the Saints for favours received. And thanks to the universe. X

NOVENA TO THE SACRED HEART

Sacred Heart, St Jude, St Anthony. And to all of the Saints for favours received. And thanks to the universe. X

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

E.C.

PRECIOUS MOTHER OF JESUS

Mother of Divine Grace, you can find a way, where there is no way. Please hear my prayer and grant me my request. (Say 6 times daily and your request will be granted).

ACKNOWLEDGEMENT & 1ST ANNIVERSARY

In loving memory of

JOHN MANGAN

The Garage, Killarney Road, Milltown, who died on the 27th October 2017.

As we remember John on his first anniversary, his wife and family wish to thank most sincerely all those who expressed sympathy to them following John's death. We greatly appreciated the comfort and support offered to us by family, friends and neighbours. Thanks to all who sent messages of condolence, Mass Cards and attended John's funeral.

A special word of thanks to Dr Edmund Prendaville, Diarmuid O'Sullivan (Pharmacy Killorglin), doctors and staff of the Palliative Care Unit Tralee and Anita O'Sullivan, the public health nurse, for all their care, kindness and compassion shown to John and all his family during his illness.

We would also like to express our gratitude to Flynn's Funeral Directors who were so kind and professional.

Our heartfelt thanks to Fr. Kevin Sullivan for all his guidance and support and for John's lovely funeral mass. We thank Fr. Luke Roche, Fr. Pat O'Brien and Deacon Conor Bradley who concelebrated the mass and all other priests who attended his funeral.

A special mention to the Pioneer Association for their respectful guard of honour.

As it would not be possible to thank everyone individually, please accept this acknowledgement as an expression of our deepest gratitude.

The holy sacrifice of the mass has been offered for your intentions.

Deep in our hearts you will always stay, loved and remembered everyday.
