## GOLF CLASSIC GIVES KIDS A MERRY GO ROUND

A golf classic at Killarney Golf club in August of last year has raised funds to provide an accessible merry go round in Our lady of Lourdes national rehabilitation hospital, Dun Laoighaire. The event was organised by Tom Doherty, who as a young man availed of the services at the unit.

"I was delighted to be invited to the official opening of the new accessible merry go round last Tuesday the 17th of May in Our lady of Lourdes national rehabilitation hospital, Dun Laoighaire", Tom told the Killarney Outlook.

The support staff in the department recognises the playground equipment as a valuable tool which enable children of all ages and abilities to have opportunities to accelerate social, motor, emotional and cognitive development.

The merry-go-round is spun with a little bit of manpower. It is installed flush with the ground to provide better accessibility. This means that a wheelchair user can roll right onto it. There are

also handlebars and benches, so users can sit or stand allowing siblings and friends to play together. "The children in the hospital I have been reliability informed rush to the merry go round where fun and laughter is the order of the day. I would again like to take this opportunity to thanks all those who supported and partook in our local fundraising event", he added.

The Golf Classic raised €10,185, all of which went directly to providing the merry go round.

## FIVE IN A ROW FOR MOLLY AT LISTOWEL WRITERS WEEK

MOLLY O'MAHONY.

A Killarney teenager has won a creative writing competition at Listowel Writers' Week for the fifth year in a row.

Molly O'Mahony (17) has won the 2016 first prize in the Creative Writing for Youth 18 years and under category

which is sponsored by Kerry County Council. Molly, from Lackabane in Fossa, has been a prizewinner every year since 2012. She will be presented with her prize on Wednesday night next at a ceremony in the Listowel Arms Hotel at which Pulitzer prize winning poet and author Paul Muldoon will be the special guest. Molly's entry was a witty short story about a teenage girl's infatuation with country singer Nathan Carter, how she eventually encountered him at a charity wellington walk in Killarney and how they were destined to be together forever until fate - in the form of the Bishop of Kerry wearing his wellington boots - intervened and broke her heart.

The story was inspired by an event when a new world record for the number of people walking in wellingtons was set by Glenflesk GAA club and the Bishop of Kerry just pipped VIP guest Nathan Carter at the finish line.

Molly, a Leaving Cert student at Intermediate School Killorglin, will have her work published in the Writers' Week anthology as well as receiving a cash prize and she will read her winning entry at the winners' forum in Listowel on Thursday.

## LIFE SAVING NETWORK LAUNCHED IN KILCUMMIN

The ribbons were cut on the 3 newly installed Public Access Defibrillators in the Kilcummin Parish this week, thanks to the hard working members of Kilcummin Defib Group.

The group which consists of William Fleming, Derek O'Leary, Sheila O'Connor, Johnny Guerin and Maire Moloney have been busy fundraising over the last 9 months and with the support of the local community and the Killarney Credit Union, they have purchased and erected the 3 units in prominent locations in the Kilcummin locality.

Derek O'Leary, a member of the group and who is well known and involved in many of the existing defibrillator groups and CPR training initiatives in Kerry, also pointed out the training sessions organised to support the use of the defibrillators.

"We have arranged two dates to facilitate the community in learning the skills of CPR and defibrillator use. Thursday the 9th of June at 7.30pm and Saturday the 18th of June at 9.30am are the dates scheduled for the training and both courses will be held in the Kilcummin GAA Club House. We hope that we will have a large turnout on both dates and at a cost of just €10 per person, its great value for this 2 hour Irish Heart Foundation course that could help save a persons life".

"We are encouraging everyone in Kilcummin

MEMBERS OF THE KILCUMMIN DEFIB GROUP PICTURED AT THE CUTTING OF THE RIBBON BY MARIA MOLONEY DURING THE WEEK.

to make themselves aware of the locations of the units which are located on Coolick and Anabla national schools and Kilcummin Post Office. The first 10 minutes of a cardiac event are critical and to be prepared is a huge part of a positive outcome. These units are available for use by the general public 24 hours a day, 7 days a week, 365 days of the year" said Derek. Defibrillators or AED's have been proven to be a

persons best chance of survival in the event of a cardiac arrest. 66% of interventions in relation to CPR and AED use are carried out on people that the rescuers know.

The group are asking that people would pre book the training sessions with a committee member to allow a sufficient number of instructors to be organised.

"We would like to thank the Killarney Heights Hotel and Gaby's restaurant who gave very

generous prizes and a huge thank you to the Sheahan family for all their help and continuous support in helping us keep Killarney safe", organiser Eilish Coffey told the Killarney Outlook.

## FAHA N.S. COUNTY FOOTBALL SKILLS CHAMPIONS

Three pupils from Faha NS, Micheál Keane, Aaron O'Shea and James O'Dowd, have been crowned county primary schools football skills champions. The Faha team proved their skills and emerged victorious out of the 131 schools that started out seeking glory. The county final was recently held in the Austin Stack's pitch with schools from all divisional finals meeting to decide the winners. The competition is designed to test the basic skills required for Gaelic football with both strong and weak legs. Huge credit is due to Donal Daly and all the organisers of the event, with particular thanks to Vince Cooper who calls to Faha school throughout the year to help develop and encourage the children. ## MAKING THE RIGHT CAO CHOICE

The Union of Students is advising students filling out their CAO forms on how to make the right course and college choice. For many students, filling out their CAO form can be quite daunting as it carries the risk of making the wrong choice, and it having a negative effect on their future.

The change of mind deadline is the 1st July for the CAO choices and USI is encouraging second level students and mature students to think carefully about their options before committing to a course. The SUSI online student grant application system for 2016/2017 is open on [susi.ie](http://susi.ie)

"Some students choose courses for the wrong reasons, like if their friends are doing that course, or if it's closest to home." Kevin Donoghue, USI President, said. "While these things will influence someone's decision, they should not be the basis or a swaying factor for such an important decision which will have such a huge impact on their future. We would encourage students to follow their interests, strengths and passions, and study something in a field that interests or inspires them.

"We are encouraging students to pursue what they love and are good at. Education is more than just the job at the end of the degree. It's about broadening horizons, improving critical thinking, bettering the mind and self-development."

USI is encouraging students to do their research on courses they're interested in by contacting past students, looking up the college prospectuses, emailing course co-ordinators and going to college open days. USI is also advising students to ask their careers advisor about the courses they are thinking about doing, or asking for advice if they don't know what course to pick.

## GAELSCOIL KIDS GET AGRI AWARE

Children at Gaelscoil Faithleann primary school had some very special visitors last week when Agriaware's mobile farm made a trip to Killarney. With calves, sheep, goats, chickens and rabbits amongst the animals all the children were delighted with the hands on experience.

Each class visited the farm during the day and got to interact with the animals and learn more about farming! The farm was accompanied by a trained farmer, Eoin Sharkey, who educated the children about the different farm animals on Irish farms and their role in producing quality food that is safe and affordable for consumers.

"The teachers and pupils all enjoyed the visit and they all learned something new about Irish farming", Mary Carroll of the Parents Association told the Killarney Outlook.

## THE IRISH CANCER SOCIETY URGENTLY NEEDS VOLUNTEER DRIVERS IN KERRY

The Irish Cancer Society is urgently looking for more drivers for its Volunteer Driver Service in Kerry to drive cancer patients to their chemotherapy appointments in University Hospital Kerry, Cork University Hospital and The Mercy Hospital Cork.

The service is free to both the hospital and the patient with volunteers being paid a contribution towards their fuel allowance and road toll costs. The Society recruits and trains volunteers and asks only that volunteers have free weekday availability, can commit to two weekdays a month and have access to a car.

The Volunteer Driver Service is now available from 18 hospitals nationwide with the Society's drivers bringing 1,040 patients on 10,822 journeys in total last year. In Kerry, 235 journeys were facilitated for patients in 2015 which was a 34% increase on the previous year, and the demand is increasing.

The Volunteer Driver Service was developed in 2008 by the Irish Cancer Society. Now in the ninth year of the national rollout of the service, demand for the service continues to grow.

Anyone who is interested in becoming a volunteer or would like further information should contact Gail at the Irish Cancer Society on (01) 231 05 66, email transport@irishcancer.ie or see www.cancer.ie

# CREDIT UNION LOANS & PERSONAL CONTRACT PLANS

**YOU KNOW THE OLD SAYING; IF IT LOOKS TOO GOOD TO BE TRUE.....**

There's a lot to be said for simplicity. For having a full understanding of the situation at hand. For not being confused or worrying about the small print or the hidden details.

Take buying a car. It used to be easy. You decide which car you want to buy, you find out the cost of buying it, perhaps the trade in value for your own car and then work out if or how much you need to borrow to pay for it. Simple. For anyone who has tried to finance a car purchase in recent times, the process can be far removed from this. One emerging trend in car finance is the introduction of Personal Contract Plans (PCPs). Essentially a PCP is a lease scheme which makes financing a new car seem affordable for lots of us with low monthly repayments.

## HERE'S HOW IT WORKS:

Typically, a person will be offered a PCP package at the forecourt when buying a car.

The buyer will be asked to pay an initial deposit (usually between 10% and 30%) and then agree a monthly repayment – usually over the next three years. PCPs generally have low monthly repayments, which can make them seem more affordable when compared to other forms of finance. The provider guarantees a minimum future value (MGFV) for the car taking into account depreciation and wear and tear. The MGFV is the amount you will have to pay to own the car at the end of the agreement. It is calculated by the finance company, based on its estimate of the future value of the car at the end of the agreement. It takes into account such things as, the car you are buying, length of agreement, the condition of the car at the end of the agreement and your annual mileage. At the end of the term of the PCP, the buyer is left with 3 options....

- Pay a final payment (the minimum guaranteed future value or balloon payment) and keep the car.

- Hand the car back. Be aware that if you do opt to hand the car back, you don't get anything from the car dealer for its value no matter how well you have kept it and maintained it and you might end up having to pay if you have not complied with all the terms and conditions.

- Put the car down as the deposit on another car and enter into a further PCP. It is important to be aware that the deposit you put down for the first car will not be available when you give the car back to use when taking out a new PCP. The equity you have built up in your monthly repayments and the difference of the MGFV is what you would have to put towards the

new car. All you have to put towards the new deposit is whatever equity you built up from the first PCP. This equity may be less than the deposit required for rolling it over so you will need to top the deposit up each time. With a PCP agreement, you don't own the car, you are hiring it for a period of time, typically 3-5 years. You only own it when you make the final payment. This is important because if you were to run into financial difficulty during your PCP agreement, unlike a personal loan, you cannot sell the car to pay off your debt. These agreements are among the least flexible forms of finance. Because the payments are fixed for the term of the agreement, you cannot usually increase your repayments each month if you wish to do so. If you want to extend the term, you may be charged a rescheduling fee.

Before agreeing to a PCP make sure you always read the small print before you sign up. For instance, the cap on the number of miles/kilometres you are allowed to clock up over the period of the agreement. They may also request that you commit to certain car servicing requirements. Always enquire about any additional fees and charges. You are entitled to a list of all additional charges and fees, so ask the garage for this before you sign up to any agreement. For instance, ask if there is any documentation fee for setting up the agreement, missed repayments fees or repossession charges. When comparing finance options, take the time to compare the total amount payable on a credit union car loan (cost of credit) with the PCP cost (the deposit, plus monthly repayments and final payment). Make sure you also compare the terms and conditions of each option. An issue with a PCP is that it can restrict what you do with the car during the term. If you've taken out a credit union loan, then the car is yours to do with as you please. Drive as many miles as you please and crucially, sell it if you need to. The way a PCP is structured can set up a situation where the easiest and simplest option is to roll over into a new car and a new plan. PCPs are, in effect, a way of trying to ensure that you will come back and buy another car from the same dealer or manufacturer. All well and good, but what if you don't like the brand of car or range they have to offer anymore? It does seem a little like saving money in the short term by spending more over a longer period. Our advice - read all the small print and be fully aware before you sign on the dotted line.

# BIRTHDAY CELEBRATIONS AS BUDDIES PLAY CENTRE TEN YEARS

Buddies Play Centre, Killarney, celebrates its tenth birthday this year having opened in March 2006.

The popular family run business has been a world of fun and smiles for the children of Kerry ever since. Owners, Gavin and Jacqui Lythgoe, held a strong vision all those years ago to open a facility for families in Killarney and its surrounding areas that would offer an exciting new venue for play, great parties and value for money.

Following a decade of commitment to quality, the Play Centre now has a richly deserved reputation for its fun and friendly staff and high standards of food and hygiene. Buddies have also become the local kid's favorite in every sense of the word and is now deservedly a household name with thousands of happy, excited faces passing through its doors for playtime or Birthday Parties over the past ten years. To help celebrate its birthday, Buddies are delighted to announce

it has added 3 new party rooms so even more children can share in the excitement as Gavin explains:

"We have a very popular FROZEN Princess party room, which is already creating an exciting buzz among the girls; a Super Hero room with the very popular Disney Avengers for all our super hero boys out there; and our new Disney Fairy party room for our magical little fairies who have a birthday coming up. These are welcome additions to our already popular Pirate Party. For all the artists out there, our Clayfun party packages means customers are going to be spoilt for choice when planning a Birthday party for both the boys and girls. The addition of the new rooms is a timely one and it helps us to celebrate our tenth birthday with

the customer very much in mind," said Gavin.

Gavin and Jacqui are extremely thankful to everyone who has worked with them over the years in helping Buddies reach its current milestone; they also wish to thank the many customers who have made Buddies their first choice for children's parties in Kerry.

"We wish to thank all our staff, past and present, especially our managers, Elaine Murphy and Ruth Suter who work very hard to make Buddies the success it is. And a big thank you to all our customers, past and present, for your loyalty, kind words and for sharing your children's very special moments with us. We hope to share many more happy times with you all in the future," said Gavin and Jacqui.

## HUMAN DISTURBANCE CAUSES LOSS OF CHICKS

Human disturbance is being cited as the reason why White-tailed Sea Eagles chicks have failed to hatch and survive.

The Sea eagles have nested in four counties in the Republic of Ireland in 2016 with chicks successfully hatched in Cork, Kerry and Galway. Eight pairs of Sea Eagles laid eggs and five pairs hatched chicks in April and May this year. However, most disappointingly one of these pairs has now been confirmed as failed having lost their chicks in the first two weeks after hatching. A second pair failed to hatch its eggs and both pairs are strongly suspected to have failed due to human disturbance at the nest site.

The Mountshannon pair of Sea eagles has successfully reared chicks over the last three years but has failed to hatch its eggs in 2016. The pair was still sitting on eggs this week, three weeks after the expected hatch date. Disturbance at the nest at some stage during incubation is likely to have caused the eggs to become chilled leading to the death of the embryo. While the adults continue to sit on the eggs they will likely desert any day. Wilful and deliberate disturbance is not only detrimental to nesting birds but is illegal under the Wildlife Act (1976 & 2000).

Sea Eagles have nested in Killarney since 2013 and successfully fledged their first chick in

AN ADULT WHITE-TAILED EAGLE HUNTING FOR FISH FOR HER YOUNG CHICKS. PHOTO: VALERIE O'SULLIVAN.

2015. However the nesting pair relocated to a new nest in 2016 after their old nest blew down in one of the many winter storms. This pair hatched around or before 12 May but despite great support from local anglers the nesting attempt has apparently failed. While the adults were still present near the nest this week it is likely that disturbance at this site caused the parents to leave the nest and chicks unguarded long enough for avian predators (crows) to enter the nest and predate the chick's. Thus it appears that in both cases undue human interest in the nest site has led to nest failure. In 2014 another nest site in Co. Galway failed to hatch eggs after a series of human disturbance events at that site. Happily with the cooperation

of the local angling community and vigilance this site was successful in 2015 and again in 2016 has reared two chicks. Two other nesting pairs, in west Cork and south Kerry have also hatched chicks that, it is hoped, should fledge successfully in July.

Sea Eagles fledged four chicks from nests in Clare, Galway and Kerry in 2015. Three chicks fledged successfully from one nest in Clare in 2013 (2) and 2014 (1). Thus the five remaining chicks at the four successful nests in Cork, Kerry and Galway bear the future hopes of the project in re-establishing this iconic eagle species in Ireland.

A young Ballyheigue girl, Mikayla O'Sullivan has been announced as the inaugural Grand Marshall for this year's Ireland BikeFest Killarney Parade taking place on Sunday June 5, in aid of Muscular Dystrophy Ireland.

Mikayla, who has muscular dystrophy, will launch the festival's Sunday Ride-Out which sees hundreds of bikers and their gleaming machines parade through Killarney in a spectacular cavalcade that's set to wow the public.

The big-hearted bikers want to rally public

Monies raised will go to fund essential supports and services for people affected by muscular dystrophy in Kerry. To enter the raffle, members of the public can simply text "BIKEFEST" to 50300\* with each text costing €4, plus there is absolutely no limit to the number of entries a person can make, so even more chances to win! this donation goes to Muscular Dystrophy Ireland across most network operators. Some operators apply VAT which means that a minimum of €3.25 will go to Muscular Dystrophy Ireland. Service Provider: LIKECHARITY. Helpline: 076 680 5278.]

MDI's efforts have already received great support from many well-known public figures, such as TDs Michael and Danny Healy-Rae, and Mr Ireland Karl Bowe, and at the Grand Marshall announcement, Mikayla was joined by Kerry GAA star Kieran Donaghy who is also lending his voice to calls for supporting the Harley-Davidson® Raffle:

"I'm delighted to be able to lend my support to Muscular Dystrophy Ireland and to be part of their efforts for the Bikefest. There are so many great people involved like Mikayla, the biker community who support this event, and all the members and families in Kerry who benefit from the supports and services that MDI provide.

"Through the GAA, I've been lucky to have experienced the great support of the people of Kerry for many years, and I hope that we can find that same support for Muscular Dystrophy Ireland and the Bikefest as there has been for many an All-Ireland Sunday."

# MEET THE GREATS AT THE NIGHT OF CHAMPIONS

## KERRY GAA NIGHT OF CHAMPIONS AT THE KINGDOM GREYHOUND STADIUM

The Kingdom Greyhound Stadium in Tralee is the venue for the very popular Boyle Sports Kerry GAA "Night of Champions" tonight, Friday, May 27th.

This is a chance for Kerry GAA supporters of all ages to mingle with their county football and hurling heroes. The buzz is always electric on the night and the occasion has become one of the big Kerry GAA social events of the year. The addition of a live broadcast by Radio Kerry and Weeshie Fogarty from the Stadium will ensure we have a very entertaining night on Radio Kerry as well! Posters and handouts will be available for juveniles.

The staging of this event is of course a huge logistical challenge and it would not have been possible without the support of the many generous sponsors, the Clubs around the county and their many members, the GAA public at large and of course Declan Dowling and his staff at the Kingdom Greyhound Stadium who host this very important fundraiser each year for the Kerry GAA Teams.

It is important to point out that all funds raised from the Night of Champions goes to the Kerry teams training fund – both hurling and football.

### The Brehon Hotel Club Sweepstake:

One of the highlights of the night on the track is the Brehon Hotel Kerry GAA Club Sweep and this has once again been supported very well by the various Clubs and units. There are eight clubs left with a chance of scooping the €1,000 first prize for their club. The Brehon Hotel Club Sweepstake finalists are as follows:

Civility Counts: Keel & Na Gael.

Russmur Beauty: Furies.

Send in Ducula: Glenflesk.

Kilcurra Mia: Templenoe.

Kerry Legend: Austin Stacks.

Garfinney Bolt: East Kerry & Kenmare District Committees.

The Kerry GAA Supporters Club will remember the late Leo Griffin by sponsoring a race at the Night of Champions. Last Monday night at the supporter's club monthly meeting, the committee presented the race sponsorship

cheque to Christy O'Connell, Chairman of the Boyle Sports "Night of Champions" organising committee. The Kerry GAA Supporters Club have of course been stalwarts for the past 26 years in supporting Kerry teams on and off the field and we sincerely thank this very dedicated voluntary group for their great support over the years and in particular for the Kerry GAA night of Champions.

Patrons are asked to come early on the night and park responsibly in the vicinity of The Kingdom Greyhound Stadium.

## LORETO GIRLS REUNITE AFTER 40 YEARS

St. Brigid's Presentation Convent Leaving Cert Class of 1976 held a reunion last weekend which included pupils and staff from school.

The reunion included a walk through the demesne and a visit to the school before the group met up with some of their old teachers for afternoon tea in the International Hotel.

The girls then went on to the Malton Hotel for a celebratory dinner where they chatted and reminisced about the old days.

To round off the weekend the group met on Sunday morning with a walk in the National Park and lunch in the Garden Restaurant.

"It was a truly wonderful event!", Claire Breen, one of the past pupils told the Killarney Outlook.

## ON THE AGENDA.... LETTER TO THE EDITOR:

### CLLR CULLOTY CLARIFIES MISLEADING STATEMENT ON GRAVEYARD ISSUE

CLLR JOHN JOE CULLOTY

A Chara,  
I wish to clarify a misleading statement made by Cllr Maura Healy-Rae, in last week's edition of this publication, dated 20th May, 2016. Cllr Healy-Rae stated that she was extremely disappointed she did not get the support

from other Members of the Killarney Municipal District for her Notice of Motion, where she called on Kerry County Council to acquire land from St. Finian's land bank for a graveyard, and if the HSE would not give this land, that it be acquired through a compulsory acquisition order. The first reason I could not support this Motion was that, it was not a valid Motion, and this was pointed out to Cllr Healy-Rae by the CEO, who clearly stated that the decision to purchase land in these circumstances was an Executive decision. The second reason I could not support this was that, as a result of previous discussions I had with the Municipal Executive, where I had suggested arranging a meeting with the HSE, to discuss the possibilities of

acquiring land from St. Finian's land bank, Ms. Angela McAllen, our Municipal District Manager, asked me to request a meeting with the HSE, to discuss possible options for this land. I immediately set about contacting the Estates Department of the HSE, requesting them to meet with the Executive of Kerry County Council. On 18th April last, I received an e-mail from Mr. Pat McCarthy, Assistant National Director, Estates Department, HSE South, stating that "The HSE intends to engage with the Executive of Kerry County Council, with the aim of seeking their views on future possible uses of the property in a manner to be consistent with the priorities of Kerry County Council". I then contacted Ms. McAllen with this information, and a meeting was arranged between Kerry County Council and the HSE. This meeting took place on 18th May last. Ms. McAllen has informed me that they had, what she described as, "a constructive engagement" with HSE representatives. Regardless of this being an Executive decision, I could not support a call for a compulsory acquisition order, just days before negotiations began with the HSE. This would be equivalent of putting a gun to the head of the HSE before talks began. It is extremely disappointing that Cllr Healy-Rae chose to try and make cheap political gain out of this extremely important issue, at the expense of her Municipal Colleagues.

**Cllr. John Joe Culloty,  
Killarney Municipal Area.**

## LETTER TO THE EDITOR

**Clasheen,  
Cill Áirne.**

A Eagarthóir,

At the May meeting of Kerry County council I proposed the following Notice of Motion: "As Bunreacht na h-Éireann in Article 40:1 states that all citizens as human persons shall be held equal before the law, that this Council in support of that article and of the resultant right of each individual to be treated equally, irrespective of where he or she resides, demands that the same level of Enhanced Home Care would be available to persons living in Kerry as is at present available to persons living in Cork or elsewhere in the country." I proposed this Motion as I had recently been made aware of a person who had undergone a double amputation from above the knee and would therefore have absolutely no personal mobility henceforth. Such a person would obviously need considerable home care either from family where possible or from designated carers. If that person resided in Cork there would be a home care entitlement of over twenty hours per week but as the place of residence was Kerry the entitlement would be about eleven hours. It was my belief that the HSE was established in order to ensure equality of treatment/care irrespective of place of residence. But clearly this is not so. Equally clearly it seems to me and to the person and family in question that people of Kerry are blatantly discriminated against.

I now ask the new government and the HSE to give effect to the spirit of Article 40 of the Irish Constitution and ensure that there is fairness and equality for all.

Mo Bhuíochas leat.

## MONEY MATTERS.....

By Dermot Cronin,  
Financial Advisor

### WHERE TO INVEST YOUR MONEY?

Interest rates for deposits in banks are the lowest they have been in many years. Another problem for people looking for good interest rates is that as well as interest rates being low is that DIRT tax is very high at 41% and also a PRSI levy of 4% can also be applied. The tax rate on interest earned on savings can be as high as 45% as both the new higher rate of Deposit Interest Retention Tax (DIRT) tax and the PRSI levy on unearned income have both come into force. If you invested €20000 over 12 months at 1.50%, taking into account DIRT tax and the levy you may only get €165 after DIRT tax and the PRSI levy. Because these returns are so poor people are looking for alternative investments. Thankfully there are other investment options available to you.

It is important that you speak to an independent advisor about the options available to you. Investment providers have introduced many different types of products because of the very low returns on deposit accounts and it is very important that people know about all these products before deciding on what products suit them best. A mixture of different type of investments may be the best way to spread your investments rather than having all your eggs in one basket.

## **EATING THE FOODS THAT ARE RIGHT FOR YOUR BODY! CONTINUED..**

Likewise we all have different energy demands. A person working in an office all day sitting down and not moving a lot will need far less calories than a person out on a building site all day lugging blocks and very active throughout the day. So it's important to fuel yourself with the right foods in the correct quantities or you will end up very low on energy and constantly starving, tired, and irritable.

In summary don't just go on the latest celebrity diet for the sake of it... gluten free or dairy free, vegan, Paleo diet, juice diet... It all just gets a little bit overwhelming if you ask me. Ask yourself why am I doing it. What are the benefits I feel when I'm not eating it! Does my body feel good when I don't eat certain foods and when I do eat others?? And then you will know if it is right for you. It is not normal to feel tired all the time, or hungry, so get that out of your head. Food should make us feel and look great so start listening to your bodies rhythm it will tell you what it needs!

As always if your struggling with your diet and confused what is the right plan for you. Give me a call on 087-7643449. I'll gently guide you in the right direction.

## WAKE UP AND LIVE!

Many years ago I read a lovely book called "The Alchemist" by Paulo Coelho. The premise of the story is that it is about a simple shepherd who goes in search of his personal legend – his dreams. It is through his journey that he discovers the Universal language of the world and connects to his heart and listens to his soul. I believe that each and every one of us has our own personal legend – something which, only we can know and go in search of. This personal treasure is at the heart of our soul – it is the thing that makes us feel deeply connected to others, life, the world and ourselves. It is something, which, only we can find and only we can give.

### Discover your personal legend

How do you know what your personal legend or treasure is in this life? You begin to listen to the stirrings of your heart. You notice a pattern or a theme that has been weaving through your life since the day you were born. You begin to wake up to the possibility of YOU! Above all of the every day human struggle of paying the bills, meeting deadlines, going about your daily business is a journey that provides a deeper and more profound meaning to why you are here and what you need to do, become, create or experience. Take time to stop or slow down. Observe your own thoughts, actions and feelings with curiosity and wonderment. Look at where you feel alive and buzzing with energy and notice what drains you or saps your get up and go. These are your clues to discovering what is truly right for you. Listen to your heart, follow your bliss and use your mind to steer your course!

## GARDENING OUTLOOK

with **John O'Sullivan**

### LOOKING AFTER YOUR SUMMER BEDDING

- If you look after your bedding plants throughout the Summer you will have colour until early autumn or the first early frost.
- A liquid feed of Tomato feed every 2 to 3 weeks is an ideal way to feed your hanging baskets, window boxes and containers.
- Make sure when you are feeding them to do it in the evening time and keep the liquid off the foliage as much as possible.
- As the summer goes on you will notice that some of the flowers will start to go off. All you have to do here is take the dead flowers off, a process called dead heading.
- It only takes a couple of minutes and it will ensure that new flowers will grow.
- Later in the Summer if a plant looks bad in the basket or window box, remove and replace it with something else like a trailing ivy. Otherwise the whole hanging basket, window box or container will look as if its gone off, and a new plant will give it a new lease of life.

**NEXT WEEK I WILL FOCUS ON SUMMER FLOWERING SHRUBS.**

## MANY PLANTS THAT ARE PERFECTLY ACCEPTABLE AND EVEN BENEFICIAL ARE LABELLED "WEEDS":

Any plant that is growing where you don't want it is described as a weed now days however "weeds" like dandelions, thistles, nettles and burdock for example have very long tap roots that bring a lot of nutrients up from deep in the soil. All three also anchor the soil, and stabilise slopes.

Granted, thistles can be painful on bare feet, dandelion sap stains clothing, burs cling to everything. Yet all these plants have qualities that make them tolerable.

Thistles are a major food source for goldfinches, who delay laying their eggs until late in the season in order to have a rich source of seeds to feed their young.

In the days before artificial fertilisers, herbicides and pesticides Burdock root was considered tasty by humans; the roots of the first year's growth were peeled and eaten like radishes in the spring. The roots were also be steamed like asparagus, and seasoned with a little herb vinegar or lemon juice. The young leaves of the dandelion were edible, having a mild spinach flavour that is pleasant in a salad. The flowers were delicious battered and fried; their taste has been compared to mushrooms. Stinging Nettles have been used for centuries to treat allergy symptoms, particularly hayfever.

Nettle has been studied extensively and has shown promise in treating Alzheimer's disease, arthritis, asthma, bladder infections, bronchitis, bursitis, gingivitis, gout, hives, kidney stones, laryngitis, multiple sclerosis, PMS, prostate enlargement, sciatica, and tendinitis. Externally it has been used to improve the appearance of the hair, and is said to be a remedy against oily hair and dandruff. An infusion of the plant was very valuable in stemming internal bleeding. It was also used to treat anaemia.

**Health warning – Please do not pick any of the above for human or animal use, due to the chemicals in the air and in soil, these "weeds" are now far more likely to poison you than relieve your symptoms or flavour a meal.**

## ELEPHANT IN ZOO CRIED AS SHE DIED:

Yani, a 34-year-old Sumatran elephant who was kept at the Bandung Zoo in Indonesia, died of an unknown disease on May 11th. The zoo reportedly did not provide her with any medical treatment while she was sick.

The poor defenceless elephant cried as she died in chains in the Zoo in West Java, where staff had moved her from her enclosure to a pen when she became ill a week earlier.

Yani was apparently kept in horrible conditions, and when she fell ill the zoo just neglected her needs. She lay on the dirty ground as tears streamed down her face. The zoo did not have a resident veterinarian for almost a year and so Yani was left to suffer.

The zoo has closed temporarily while there is an investigation. If enough of us speak out against this horrific treatment, we can make sure this zoo never re-opens and continues its neglectful practices of these intelligent, feeling animals. Please sign the online petition asking that the Bandung Zoo close its doors for good, so no more animals have to suffer and die, all you have to do is insert the above headline in your search engine and scroll through the results until you find the petition.

## AIRLINES BROKE THEIR OWN RULES SO PETS COULD ESCAPE FIRES:

More than 80,000 Fort McMurray's residents in Canada were forced to flee their homes because of the massive wildfires. Thankfully, West Jet and Canadian North airlines made the evacuation process easier by letting people fly with their pets in the cabin.

"It's definitely unusual to carry pets in the cabin, but due to the unusual circumstances we were able to bend the rules to accommodate these animals," a spokesperson from Canadian North said.

Normally, animals traveling by plane should be kept in the cargo hold. However, the residents were not allowed to return home for crates so it was wonderful that they could take their beloved animals with them.

## SEED BANKS ARE MORE IMPORTANT THAN MONETARY BANKS:

During the 872-day German siege of Leningrad in World War II, in which an estimated 1.1 million civilians died, a small band of workers devoted themselves to safeguarding a priceless trove of 200,000 seeds at the Institute of Plant Industry. Then the world's largest seed bank, the collection had been amassed, in large part, by famed Soviet botanist Nikolai Vavilov during expeditions to 64 countries.

As the siege wore on and starvation became epidemic, workers at the institute refused to eat the seeds and protected them from hungry citizens.

Nine of Mr. Vavilov's seed bank colleagues ultimately died from starvation.

Seventy years later, in 2012, employees of a gene bank at the International Centre for Agricultural Research in the Dry Areas in Syria (ICARDA), heroically duplicated irreplaceable wheat, barley, and lentil seeds and spirited them out of the battle-scarred country to the frozen Svalbard Seed Vault, located inside a Norwegian mountain. Last year, the vault was opened for the first time to retrieve those seeds in order to re-establish ICARDA's gene banks in Lebanon and Morocco.

From war, to civil strife, to natural disasters, seed banks around the world face crises that, with surprising regularity, befall these genetic repositories that are the lifeblood of the international agricultural community. With 9 billion people to feed by 2050 and with crops facing increased stress from rising temperatures and drought, plant breeders must marshal all of the available crop diversity to continuously develop new varieties of wheat, maize, rice, and other foods. The arrival of a new pest threat, for example, will inevitably send agronomists searching through gene bank collections for pest-resistant seeds — often, only a handful of seeds may have the needed trait.

Protecting crop diversity and making sure the genetic heritage preserved in seed banks is shared among nations are cornerstones of global food security.

## THE FIRST WOLVERINE SEEN IN NORTH DAKOTA IN OVER 150 YEARS HAS BEEN SHOT:

A rancher in North Dakota saw that his cattle had surrounded a wolverine, which looks like a small bear but actually hails from the weasel family and decided that the little animal posed a threat to his cattle, so he gunned it down.

After posting pictures to his Facebook page, which caught the attention of the North Dakota Game and Fish Department, an investigation was started and it was discovered the wolverine was approximately

nine years of age and was the same animal that was fitted with an internal electronic tag back in 2008 when it was found in Yellowstone National Park. The tag had stopped transmitting Colorado in 2012, but officials said the wolverine still had the device. In total, the wolverine had travelled over 1,300 before being killed, a necropsy was carried out on the animal and though there wasn't much in its stomach at the time, it appeared to be in good condition and healthy as far as the officials could tell.

The North Dakota game department issued a statement, writing that the killing of the wolverine "was investigated and determined to be within North Dakota law, which allows a landowner, tenant or that persons agent to catch, or kill any wild furbearing animal (except bears) in protection of poultry, domestic animals or crops."

The last confirmed record of a wolverine in North Dakota was from the fur-trading era during the mid-1800s. The closest population of wolverines occurs in the mountains of Montana, and the forests of northern Canada. However, male wolverines are known to travel great distances in search of habitat, food or other wolverines.

## BUILDING A WALL TO HALT THE DESERT:

In only five years, the UN says, around 60 million Africans may be displaced as their land ceases to be arable, a potential humanitarian disaster the scale of which would be unprecedented. This would be devastating to a huge portion of the African continent not only ecologically and economically but socially as well.

Experts at the United Nations say without action, desertification may claim two-thirds of Africa's farmlands in under a decade. The Great Green Wall, was conceived as a wide-reaching strategy to halt Northern Africa's rapidly advancing Sahara Desert.

According to the Global Environment Facility, a group sponsoring many of the individual projects encompassed by the Great Green Wall initiative, the nations of Sahel Africa make around 40% of their GDP from agriculture and husbandry — activities increasingly impacted by desertification.

The Green Wall, once complete, will stretch an incredible 4,400 miles from Senegal in West Africa to the East African nation of Djibouti. Instead of bricks and mortar, the wall will be made of trees and other vegetation, including

plants that can be eaten or used to create medicine.

Originally proposed in 2005 by Nigeria and adopted by the African Union in 2007, the massive undertaking is now approximately 15% complete. So far, Senegal has done the most to lead the initiative; however villages in Niger, Mali and Burkina Faso have made contributions as well.

Though the endorsement for the Great Green Wall comes from nations' governments, the implementation is being organized and executed by communities on a local level. The aim is to make the Great Green Wall a generational, long-term project stewarded by hundreds, if not thousands, of cities, towns and villages.

## BOY WITH DOWN SYNDROME & AUTISM HAS A BOND WITH HIS DOG THAT PROVES ANIMALS ARE THE BEST THERAPY:

When parents Jake and Robyn Zampier researched the benefits of service dogs for special needs children, they decided it was worth a shot. They ended up working with the North Star Foundation, where the puppies "are socialised from the start to regard children as benevolent leaders".

"We fell in love with the North Star model which encourages bonding with the dog from a very early age. Basically the dog and the kid grow up together. This was what we wanted," Jake said.

Since adopting Shadow into the family, Jonathan has been able to form a friendship unlike any other. Because of his challenges, he can sometimes feel isolated; but now, he's much less lonely.

"Jonathan has Down syndrome and autism, which is an interesting mix. He's a lovable and fun little boy, but struggles with communication and interacting with other kids," Jake explained. "Most people don't realise how lonely physical challenges can be." The energetic 10-year-old spends a lot of time at home with his family. He has a hard time in crowded social settings, like birthday parties or local events. And in the cold Connecticut winters, he stays inside a lot to avoid getting sick. But with Shadow as his constant companion, he always has a playmate to keep him company.

"Jonathan loves Shadow – constantly looking for him, constantly wanting to know where he

is, and always wanting to be near him," said Jake.

Not only has Shadow brought sunshine into this little boy's life, the whole family can't imagine living without him.

Since bringing the pup home, "we went from being a family of 3 to a family of 4. Literally Shadow has changed everything. He is like another child added to our family. And in fact, Jonathan struggled a little with sibling rivalry at the beginning – somebody else was getting mom and dad's attention and playing with his toys. Shadow goes everywhere with us and we include him in all of our planning," Jake said.

For 10 years, Jonathan's only regular words were "Mom" and "Dad". But within weeks of getting his barking brother, he's added a third word to his vocabulary — "Doe," short for Shadow!

Good luck to these best friends! It's truly amazing how animals can reach people in ways that other humans simply can't. Whether dogs are trained service animals for those special needs or family pets that have been welcomed into the household, they're therapeutic for humans, big and small!

## EVERY WEEK, HE EATS LUNCH WITH THIS HOMELESS WOMAN:

Greg Smith founded Hybrid Athletes, which is a professional fitness training organisation stationed in Orlando, Florida. Greg frequently finds himself downtown where he is faced with homeless people in need begging for cash or food.

One day Greg passed a woman who simply told him to have a nice day. She didn't ask for money, and that change caused Greg to stop and talk to her. Her name is Amy Joe and for the last few weeks he's been meeting her downtown every Tuesday and the two have been going to lunch.

During one of the lunches Amy Joe told Greg she cannot read. Amy Joe does not smoke, drink, have a drug addiction, or anything to that nature. She simply just has never had anyone teach her how to read. She told him how hard it was for her to find work not being able to read. She began to tell him any money that she can collect she uses to check out library books that help with learning to read instead of buying food.

At lunch now days Greg is teaching her to read. He rents one library book a week and they read it together on Tuesday's and she practices on her own throughout the rest of the week.

There are a lot of people out there like Amy Joe, not all are hungry, homeless, or hurt. Some could be your family or friends. Helping someone could be as easy as saying hello and smiling. Greg says he has been fortunate enough in his finances that he can take care of Amy Joe, so that's what he is going to do.

Greg stated that the goal in telling the tale was not to illicit sympathy for Amy Joe but rather to demonstrate that there are loads of people out in the world who just need a little bit of helping and that communicating with the people around you can make everyone's lives a little better.

## SENIOR COUNTY FOOTBALL CHAMPIONSHIP

KERRY O'SHEA AND DONAL BARRY ROUND UP SOME OF THE ACTION FROM ROUND 2 OF THE GARVEY'S KERRY SFC

### RATHMORE ADVANCE

#### RATHMORE 3-14 ST BRENDAN'S 1-16

Rathmore, following an opening round defeat to Dingle, recorded a vital win when they had four points to spare over St Brendan's in a keenly contested Garvey's Kerry SFC Round 2B contest at Austin Stack Park on Saturday evening.

This game produced a total of 34 scores but crucially, three of Rathmore's were goals and that is where the difference lay at the end.

St Brendan's had their moments of domination but a missed penalty from Kieran Hurley, who finished the game with a haul of 0-12 from play and frees proved crucial.

Rathmore's captain Brendan O'Keeffe (two yellow cards) received his marching orders early in the second half.

Rathmore missed their skipper as he was very influential in helping them lead 2-9 to 1-6 at the break, thanks to first-half goals from John Moynihan and the outstanding George O'Keeffe while Alan O'Donoghue replied with a green flag for St Brendan's.

That Kieran Hurley penalty miss gave St Brendan's the spur they needed and with Jack Barry's industry and high fielding at midfield and Kieran Hurley's prolific accuracy in front of the post, the amalgamation side managed to claw their way back into contention.

However, a third Rathmore goal from Donal O'Sullivan decided the outcome in favour of the East Kerry side.

**TEAMS AND SCORERS** Rathmore: Padraic McCarthy; Conor Jenkins, Cathal Murphy, Michael J Kelliher; James O'Sullivan, TJ Friel, George O'Keeffe (1-1); Aidan O'Mahony, Daniel O'Sullivan (1-0); Brendan O'Keeffe (capt, 0-4,

0-3 frees), Paul Murphy, Mark Ryan (0-1); Mark Reen (0-3), Eoin Lawlor (0-3), John Moynihan (1-1).

**Subs:** Colm Kelly for TJ Friel; Dean Fitzgerald for John Moynihan; Donal O'Sullivan for Colm Kelly; Brian Moynihan for Daniel O'Sullivan; Tadgh Moynihan for Michael J Kelliher.

**St Brendan's: Eoghan O'Brien;** Trevor Wallace, Paul McMahon (capt, 0), Kieran O'Dwyer; Laurence Bastible (0-1), Michael Brennan; Eoghan Courtney; Jack Barry, Kevin Shanahan; David Griffin, Alan O'Donoghue (1-1), Michael Griffin; Ivan Parker (0-2). Kieran Hurley (0-12, 0-7 frees), Darragh Carmody.

**Subs:** Darren Wallace for Darragh Carmody; Iarla Courtney for Kevin Shanahan.

**Referee:** Jonathan Griffin:

### WEST KERRY ON TOP

#### WEST KERRY 1-15 KILCUMMIN 1-10

Hammered by Dr Crokes last week, West Kerry returned to winning ways when they defeated Kilcummin in a lively and entertaining game in Kilcummin on Saturday evening.

In doing so, West Kerry ended Kilcummin's participation in the County SFC for 2016. Kilcummin will be wondering how they lost this game as they held a seven-point lead at one stage only to see this collapse and eventually lose by five points.

The first half was very open with fast free-flowing football, especially from Kilcummin. The home team got off to a great start when Kevin McCarthy finished a move to the net in the 5th minute.

However, West Kerry, with Marc O'Se back in the starting line-up, responded well with points from frees by Sean Mici O'Conchuir but

the home team held a 1-4 to 0-4 lead after 15 minutes, thanks to two superbly-struck '45's from Kerry keeper Brendan Kealy.

Kilcummin pushed on and points from Kevin McCarthy, Philip Casey (2) and a long-range free from Brendan Kealy, gave them a lead of 1-8 to 0-4 at the break.

The second half was a different story as West Kerry showed their clear intent and determination.

From the throw-in, Eanna O'Conchuir collected the ball and ran 50 metres before blasting a shot to the corner of the net. This was followed by some points from Jason Hickson and Sean Mici O'Conchuir. Suddenly, a point separated the sides. Kilcummin responded with points from Noel Duggan and Kevin McCarthy, but Gearoid O'Nuanin and Sean Mici O'Conchuir (3) had points for the West Kerry men, who finished the game with five unanswered points to claim a very merited win.

#### Teams and Scores:

**West Kerry:** T Mac an tSaoir; C O'Murchu (0-1), C O'Luing, C O'Muircheartaigh, P O'Se, M O'Se, T O'Caomhanaigh, G O'Connor, E O'Conchuir (1-1), G O'Nuanain (0-1), J Hickson (0-3), E Hickson; SM O'Conchuir (0-7, 5 frees), J Crean (0-2), S Foley.

**Subs:** C O'Beaglaioich for T O'Caomhanaigh; A Kelliher for S Foley, G Fitzgerald for P O'Se, D O'Uigin for E Hickson.

**Kilcummin:** B Kealy (0-3, 0-2 45's, 0-1 free); S Brosnan, D O'Leary, W Maher; G O'Connor, C O'Leary, P Casey (0-2, 1 free); K Gorman, S McSweeney, M O'Shea, N Duggan (0-1), M Keane, K McCarthy (1-4, 0-1 free), J McCarthy, D Moynihan.

**Subs:** R O'Connor for M O'Shea, J Devane for W Maher.

### CLOSE ENCOUNTER IN MILLTOWN

#### MILLTOWN-C/MAINE 1-15 EAST KERRY 1-14 (AET)

Milltown/Castlemaine returned to JP O'Sullivan Park for a second consecutive week in the County Senior Football Championship when they hosted East Kerry on Sunday afternoon.

The sides were level at 0-3 a piece after 15 minutes, with Jonathon O'Sullivan (2 frees) & Pa Wrenn pointing for Milltown and Jeff O'Donoghue, Ronan Buckley and Lee O'Donoghue (free) responding for East Kerry. Milltown/Castlemaine could have been ahead at this point but for their wastefulness in front of goal – the club side kicking 4 wides in the opening quarter. The game was much scrappier in the second quarter and it was East Kerry that capitalized on the broken play. Points were twice traded between the sides – first Jeff O'Donoghue and Shane Murphy cancelling

each other out before Lee O'Donoghue (free) and Marcus Mangan (45) did the same. East Kerry got the advantage before the break when Lee O'Donoghue found the net for a goal. The Half Time score:- Milltown/Castlemaine 0-5, East Kerry 1-5.

There was just a point between the sides on the three-quarter mark. Jeff O'Donoghue extended the lead for East Kerry in the 2nd minute of the half before Milltown/Castlemaine began to chip away at the deficit. Jonathon O'Sullivan pointed three frees to leave Milltown trailing by 0-8 to 1-6 with 15 minutes to play. Substitute Darragh Moynihan (East Kerry) and Gavin Horan (Milltown) traded scores before Lee O'Donoghue pointed twice to leave his side leading by 3 with four minutes to play. Milltown/Castlemaine kept plugging away and amazingly – due to indiscipline from the East Kerry defence – Milltown were given opportunities from placed ball and Jonathon O'Sullivan held his nerve, pointing three successive frees to tie the game up deep in injury time. The referee blew the final whistle and the game was heading for extra time. End of Normal Time:- Milltown/Castlemaine 0-12, East Kerry 1-9. Milltown/Castlemaine took early control of the extra time battle and went 1-15 to 1-11. East Kerry kicked the last three points but could not get the equaliser.

## KENMARE CONTINUE TO PROGRESS

### KENMARE DISTRICT 1-11 LEGION 0-10

A Paul O'Connor penalty was the decisive strike in this tense and tight SFC encounter at Kenmare. Kenmare got off to a good start with points from Teddy Doyle and Tadhg Morley but Legion replied with David O'Sullivan and Billy McGuire pointing. Two good points from Killian Spillane had the home side 5 to 3 ahead at the end of the first quarter. David O'Sullivan, Podge O'Connor and Billy McGuire had Legion on level terms approaching the break but another fine

point from Killian Spillane saw Kenmare lead by 7 points to 6 at the break.

Paul O'Connor, and the O'Sheas, Peter and Sean, extended the home side's lead to four points but their scoring dried up thereafter. The game had gone fifteen minutes without a score when David O'Sullivan scored on 45 minutes to put two between the sides, the District leading 0-11 to 0-9. In that final scoreless quarter Stephen O'Brien got a second yellow and with Kenmare District a man down for the final 12 minutes, the Legion drove in a number of times looking for a goal – Conor Keane principally, but he was shepherded back out time and again by Dara Crowley.

With the game in the balance Adrian Spillane (who had a great game) sliced down through the middle of the field and headed for goal. He was brought down and O'Connor slotted the penalty to put the District side ahead by five. Damien O'Sullivan pointed a 45 for Legion but it was too late and Patrick Clifford rounded the evening's entertainment with a fine point.

## ST KIERAN'S QUESTION DR CROKES FAVOURITES TAG

### DR CROKES 2-16 ST KIERAN'S 3-12

"Was it a throw ball" – It was the big question on home supporters minds as they exited Cordal GAA following an exciting Senior championship battle which saw Dr. Crokes sneak pass the home side St. Kierans.

Indeed PJ Lawlors 45th minute goal proved the big talking point as St Kieran's contested the manner in which Colm Cooper passed the ball to substitute PJ Lawlor for Crokes' second goal. Thomas Hickey and Philip O'Connor both goaled to give St Kieran's an early 2-2 to 0-5 lead. However, Dr. Crokes still lead at the break 1-10 to 2-4 with Gavin O'Shea the Crokes goal James Walsh scoring Kierans third goal in the 36th minute to put them 3-6 to 1-11 ahead and all of a sudden there was a belief that a shock was on the cards but Crucially Crokes hit 1-3 without reply.

Kieran's fought back to within a point on a number of occasions but could not find the score that would have forced extra-time.

Ambrose O'Donovan came on in the 50th minute and struck two points which kept the daylight between the side.

**Scorers for Dr Crokes:** G O'Shea, PJ Lawlor (1-0 each), C Cooper (2 frees) and T Brosnan (0-3 each), J Doolan, B Looney (2 '45's), A O'Donovan (0-2 each), D Casey, S Doolan, E Brosnan and K O'Leary (0-1 each).

**Scorers for St Kierans:** T Hickey (1-4, 3 frees), A Barry (0-5, 4 frees), P O'Connor and J Walsh (1-0 each), M Hickey, T O'Leary and A Breen (0-1 each).

## LEGION GAA NOTES

**COUNTY CHAMPIONSHIP:** No joy for the seniors who ultimately came up short against a strong Kenmare District side last weekend. Playing into a strong breeze in the first half, Legion did well to keep within striking distance of their pacey opponents thanks to points from David O'Sullivan (three frees), Billy McGuire (two) and Conor Keane. With the score poised at 0-7 to 0-6 at the interval it seemed as though we were in a good position to pull off what would have been a great win but Kenmare flew out of the traps and tacked on three unanswered points. Trailing by four heading into the final quarter, Jamie O'Sullivan swung over a huge score and when David O'Sullivan kicked his fifth free just moments later, Legion trailed by just two. Kenmare were forced to play out the last ten minutes with fourteen men when Stephen O'Brien picked up his second yellow card for a tackle on Podge O'Connor. Unfortunately, Legion were unable to break down Kenmare's staunch defence and a late penalty sealed the home side's victory. Final score: Kenmare District 1-12 Killarney Legion 0-10

**DRAW:** Legion now enter the draw for Round 3 of the County Championship. They will face either Kerins O'Rahillys, Rathmore or West Kerry (Milltown/Castlemaine are also in this

pot but teams who have previously met will be kept apart in the draw).

**JUNIORS:** The juniors opened their County League campaign with a fine away victory over Listowel Emmets on Sunday. Despite fielding an understrength lineup, Legion took advantage of a strong wind to open up a commanding first half lead. Listowel mounted a second half comeback but the lads had enough in the tank to hold on for a comfortable win. Final score: Listowel Emmets 3-7 Killarney Legion 3-17.

## O'DONOGHUE/O'SULLIVAN CUP

**DRAWS:** Legion have received a bye and will play the winners of Spa and Scartaglen in the quarter final of the O'Donoghue Cup. The juniors have been drawn against Kilcummin in the first round of the O'Sullivan Cup.

**U-12 GIRLS:** County League result: Killarney Legion 2-4 Kilcummin 1-4.

**U-12 BOYS:** Well done to both U-12 boys teams who defeated Keel in the opening round of Division 3 of the County League.

**EAST KERRY U-14S:** The East Kerry U-14s defeated Shannon Rangers in Ballyduff last week. Well done to Legion men Niall McGillicuddy (captain), Cian O'Leary, Owen Benson, Ryan O'Grady, Christian Casey, Jack Corridan and Jack McCarthy who all featured. Eoghan O'Sullivan missed out due to injury. They will now play Mid Kerry in the next round.

**DANIELLE O'SULLIVAN:** Congratulations to former Legion player Danielle O'Sullivan who was crowned Kerry Rose last week. Best of luck, Danielle, from everyone at the club.

**CONGRATULATIONS:** Congratulations to Nigel and Laura Shevlin on the birth of their baby son Danny James.

**GARDA VETTING:** Under the National Vetting Act no person will be allowed to undertake any GAA activity with juveniles without being vetted by the Garda Síochána. It will be deemed to be an offence under the terms of the GAA and the law nationally. The GAA has recently launched a new electronic vetting system which replaces the original paper system. The new e-vetting system is aimed at being a more efficient and streamlined way of being vetted. Our children's officer Christina Tangney is on hand to assist anyone not vetted with the new system. The immediate goal of the GAA is to get everyone involved in the Association who is not vetted sorted with immediate effect. Those previously vetted under the old system may then be asked to go through the new process. The club wants to ensure that everyone is vetted in due course. Anyone who needs more information or assistance can contact Christina via email at christina.tangney@mycit.ie or alternatively at 086 1925549.

**BAZAAR:** A reminder that the club are hosting a bazaar on Saturday, June 4th at

## DR CROKES CLUB NOTES

### SENIOR COUNTY CHAMPIONSHIP ROUND 2

#### DR CROKES 2-16 ST KIERANS 3-12

We just got over the line by the minimum margin in this game, played in the lovely and spacious Cordal Pitch. We got off to a very bad start and were behind 1-2 to nil after five minutes. We were playing with the strong breeze in this first half and had levelled the game by the tenth minute, 1-2 to 0-5. A minute later our opponents struck for a goal from a penalty, which hit the crossbar and was finished to the net by an in rushing forward. The teams exchanged points in the next few minutes, to leave St Kierans a goal ahead as we entered the last seven minutes of the first half. We struck a purple patch in the remaining minutes and added on 1-4 to our opponents single point. This gave us an interval lead of 1-10 to 2-4.

With the wind at their backs our opponents added on two points at the start of the second half. We had a point in the 35th minute but Kierans struck for a goal a minute later and went into a two point lead. Before the end of the third quarter we registered 1-3 and went into a five point lead. In the next five minutes our opponents scored three points without reply to narrow the gap to two points. In the last ten minutes both sides exchanged points on two occasions, our two scored by influential sub Ambrose O'Donovan. The five minutes of injury time were nail biting, with many attacks by our opponents. They did manage to score a point in the 35th minutes but we held on in the end for a one point victory. Best in defence were John Payne, Fionn Fitzgerald and Mike Milner. All four midfielders had their dominance during the game and exchanges broke about even. We were best served in attack by Colm Cooper, Kieran O'Leary and Tony Brosnan.

All six players who came off the bench contributed, especially PJ Lawlor, who scored a vital goal and Ambrose O'Donovan, whose two points in the last ten minutes got us over the line. **DR CROKES BEST PLAYER:** Colm Cooper.

**UNDER 14 GIRLS:** As part of a Feile Southwest familiarisation initiative, we hosted both Beale/Ballyduff and Beaufort at Lewis Rd on Saturday 21/5/16. All three teams enjoyed the opportunity to play under Feile conditions and rules and we look forward to the main event at the end of June where we have been drawn in a group consisting of ourselves, neighbours Fossa and teams representing

Carlow and Antrim.

## BEAUFORT GAA NOTES

**BEAUFORT U-14 BOYS:** Pride of Place this week goes to the Beaufort U14 boys sponsored by Sean Coffey of Kate Kearneys Cottage who won the Division 3 County Final which was held in Listry last Tuesday night and what a final it was! Two very evenly matched teams put on a super show and dazzled the crowd with their football skills and their determination. At half-time, Furies were ahead by 6 points which posed a big challenge for Beaufort going into the 2nd half. Half-time score, Beaufort 1 - 6 to Furies 3 - 6. Beaufort rose to the challenge in the 2nd half and with some great team play and taking their points!! they slowly added the much needed scores to the scoreboard. With less than 5 minutes remaining, Beaufort finally were level with Furies and it looked like extra time would be played. But a great point taken by Niall Carey put Beaufort in the lead & the battle continued with Beaufort fighting hard to retain the 1 point lead. A second point scored by Kieran Dennehy settled the game, as the Beaufort supporters anxiously waited for the final whistle which finally sounded much to everyone's delight. Beaufort victorious and the much coveted prize presented to deserving team captain Jack O'Connor. Final score Beaufort 2 - 15, Furies 3 - 10. Ethan Coffey and Sean Kissane played very well in the backs and did a great job on the opposition dangermen. Captain Jack O'Connor dominated around the middle of the field while up front Sean O'Brien was outstanding and both players contributed 6 points each. Well done to the management team who have done great work with these players.

**LOTTO:** Next draw for jackpot of €4,400 will be held in Kate Kearneys on Sunday, 29th May. Tickets available from usual sellers and online at [www.beaufortgaaclub.com](http://www.beaufortgaaclub.com)

**FIXTURES:** Junior men were due to play Annascaul at home on Friday last but Annascaul were unable to field a team. They are away to John Mitchels on Friday evening next at 7pm in Round 2 of the Junior League. Senior men sponsored by Maurice Foley of MF Decorating

are due to play Finuge on Sunday next, 29th May at 2pm in Round 10 of County League which is brought forward due to hurling fixtures. U12 boys are home to St. Senans, on Sunday next at 6pm. U12 girls are home to Dr. Crokes on Tuesday, 31st May at 6.30pm.

**U12 BOYS:** Sponsored by Maurice Foley of MF Decorating were away to Ballydonoghue, on Sunday, last in the Co League and lost both games. Final Scores: Ballydonoghue 4-13 Beaufort Amber 2-8. The 2nd game Ballydonoghue 5-16 Beaufort Blue 3-7.

**BEAUFORT U12 GIRLS:** Sponsored by Anthony Foley Decorating played Ballymac in the First Round proper of the County League on Tuesday evening. Final score: Ballymac 1-6 to 1-3. A great display of football by both sides some great passing moves looking comfortable in the early stages but not converting to scores in the second a spade of frees for Ballymac turned the game into a dead ball kicking feast for Ballymac. Beaufort will really look back on the goal chance they missed one hitting the crossbar crossing the line but not given seconds later hitting the bottom of the upright with two more goal chances narrowly missed chances like these cost you games but noted by both teams the referees approach to the game really cost the Beaufort girls a chance to play football like they are well able to. Next Tuesday they play Corca Dhuibhne at 7:30 in Beaufort.

**WELL DONE:** To Mid-Kerry on their 2nd win in the County Championship v Dingle on Sunday after extra-time. Beaufort had Mike Moriarty, Ger Hartnett, Nathan Breen, Ronan Murphy, Liam Carey and Padraig Doona on the starting 15. **WELL DONE:** Also to the Beaufort players involved with Mid-Kerry U14s who had a big win against Kenmare District. Final score: 6-15 to 1-11. Players involved are Ethan Coffey, Jack O'Connor and Sean O'Brien with Jack O'Leary on the bench.

The game was closely balanced in the opening twenty minutes with play going from end to end. Kenmare opened with three unanswered points within five minutes. The turning point came in the second half when Kenmare found the net for two well taken goals, Dan McCarthy and Dylan O'Connor on target, an a scatter of points to lead - 3-11 to 1-4 with twenty minutes remaining. The gap could have been greater but for a number of outstanding saves by Listry/Keel keeper, Séan Langford. Listry/Keel reduced the margin scoring eight points to two for Kenmare. Final score: Kenmare 3-13 Listry/Keel 1-12. Dan Favier, East Kerry presented the trophy to the Kenmare captain Griffin Lynch Wharton.

## KILLARNEY SWIMMING CLUB NOTES

As we approach the end of the swimming season, Killarney Swimming Club has had swimmers of every age and strength successfully competing in galas all over Munster with official results still coming in and more awaited. First up, well done to all our swimmers who took part in the "A" gala in Mallow recently. With the best swimmers in Munster competing, all at their optimum fitness level, we knew this would be a tough nut to crack. However, our squad did us proud at all levels and brought home a fine haul of medals.

**GIRLS UNDER 11:** Pia Hickey, new to grade "A", surprised everyone to take bronze in both the 100 metres backstroke and the 200 metres backstroke. Congratulations Pia.

**GIRLS UNDER 13:** Treasa O'Sullivan turned on the style to win a bronze medal in an incredibly fast 200 metres backstroke race.

**GIRLS UNDER 15:** As always, Margaret O'Brien dominated the pool, easily winning gold in the 200 metres butterfly and following that up with a bronze in the 400 metres Individual Medley and yet another bronze in the 100 metres butterfly. A stunning performance.

**BOYS UNDER 17:** In this, the hardest category of them all, Killarney showed some real class with two of the club's top swimmers in the pool. Robert O'Brien saw off the best they could throw at him to win a precious gold medal in the 400 metres Individual Medley while Shane Courtney put in one of the best swims of the day to win gold in the 200 metres butterfly. Finishing with a flourish, Robert O'Brien also grabbed a bronze in 100 metres butterfly.

Thanks to our coaches, Cathal O'Brien and Leontia Doody, who gave huge support and encouragement to all swimmers and to our team manager, Samantha O'Connor who, as always, was there to make sure everything went to plan. Thanks also to all parents for travelling and assisting. Finally, a reminder to everyone that our end-of-year outing takes place this Saturday the 28th of May. While great surprises are planned, we can tell you that it's on in Castlegregory and that a pair of togs are essential! Also, there is a new rule that all adults on the bus must sing on the way home, so a set of earphones might be a good idea!

## MUCKROSS ROWING CLUB

**REPORTS:** Even age Cups go to different Clubs: Following on from the season it was Cup

Finals weekend with the even ages – 12's, 14's and 16t – finals being played at the excellent Mounthawk Park.

Killorglin take the 12's Cup and the Double:

First up was the 12's Final for the John Murphy Memorial Cup with arguably the two best teams of the season contesting the decider. Killorglin, who had won the League and were hunting the double, faced off against The Park who were runners up in the League.

And it proved to be a cracker. Eoin Hassett put Killorglin 1-0 up in the first half and they doubled that lead with 10 minutes left when a James O'Sullivan header flew into the net.

Credit to The Park they kept going and set up a grand stand finish when Cianan Cooney pulled on back with a few minutes to go. And as the Park ran out of time it was Killorglin that were celebrating.

Eoin Hassett was named Man of the Match and members of the Murphy family presented the Cup, named after Tom who was involved in the Schoolboys League during the early years.

Second half goals give 14's Cup to Park:

The Park were favourites to lift the Tom Hayes 14's Cup but were pushed all the way by Ballyhar. The Tralee side opened the scoring in the 15th minute through Colin Walsh. But while Ballyhar might be from Division 1 they certainly were not outclassed by the Premier side and they pulled level early in the second half through Seamus Nagle.

However they did need goalkeeper Cian Ring to be in great form and he made two big saves

to keep his side in the game.

The Park began to take control and went ahead in the 52nd minutes when Junior Ankoma showed his strength to hold off the defence and score. Leo Gaxha added a third as his speed got him past the Ballyhar defence. The excellent Colin Walsh then scored twice in quick succession to complete his hat-trick which also earned him the Man of the Match performance. Ballyhar never gave up and got one back when Jack McCarthy scored to make it 5-2 but the Cup goes to the boys from Christy Leahy Park. They were presented with the Tom Hayes Memorial Cup by Denny and Stephen Hayes in memory of Tom who was the first of three generations of the Hayes family who, so far, have been involved with the League.

Killarney Celtic retain the 16's Tucker Kelly Cup: Killarney Celtic A were up against a strong Park B side whose appearance in the final shows the strength of the Tralee club. Celtic started the stronger and Pierce Lyne Roberts was the first to go close. They then opened the scoring when Lee Downing got past a few defenders to score in the 12th minute.

The Park fought back when Aaron Ward and Conor Higgins went close and they got their break in the 22nd minute when they were awarded a penalty and Celtic were reduced to 10 players. Gary Vaughan was sent off for a tackle as the last man back and John Ward scored from the spot to level the scores at half time.

Celtic almost went in front early in the second

half by Jack Rodgers pulled off a fabulous save from a Fleming header. The pressure told in the 60th minute when Mike Doyle scored from a corner and in the 67th minute the Park will be disappointed to have conceded from another corner. This time it was Michael Devlin who scored with a free header from a Fleming corner.

Sean Doherty completed the scoring to see Killarney Celtic retaining the Tucker Kelly Cup, named after the man who was the heart of Fenit and soccer in Kerry for many years and who was sadly lost at sea. Mary Kelly presented the Cup and the Man of the Match trophy to Lee Downing.

**LEAGUE REPORTS:** While the Leagues are coming to an end there are still some major issues to be sorted out.

**PARK TAKE 2ND IN 12 PREMIER:** The Park got the point they needed to secure second place in the JK Sports 12 Premier as they drew 0-0 with Killarney Athletic. Killorglin are the champions in this Division.

**2ND FOR THE KILBREEN BOYS:** Mastergeeha wrapped up second place in the 12's Division 1 with a 4-1 away to Castleisland. Dara Callaghan hit three and Donagh Fahey the 4th in the win.

**ATHLETIC TAKE POINTS IN DIVISION 2:** Killarney Athletic took the points from Camp Juniors as they ended the season in 4th place.

**POINT WILL GIVE KILLARNEY CELTIC THE 15 PREMIER TITLE:** Killarney Celtic put themselves in the position of needing only a point from their last game against the Park to be crowned Champions. However if the Park win that game there will be a play-off. Celtic defeated Tralee Dynamos 4-2 to move the three points ahead of the Park. Ryan Kelliher 2, Michael Lenihan and Evan Lyne scored for Celtic with Shar Chaudry and Adi Cena replying for Tralee Dynamos.

**POINT GIVES MASTERGEEHA THE WIN:** Mastergeeha's 3 all draw with Killarney Athletic gave the Kilbreen side the title with a game to spare. Sipo O'Neill with 2 and a Dylan Murphy penalty gave Mastergeeha the point with Danny Cronin, Harry Potts with a volley and Liam Kelliher scoring a 30 yard screamer saw Athletic getting a point.

## KILLARNEY ATHLETIC NOTES

**RESULTS:** Denny Premier A  
Killarney Athletic 6-3 St Brendans Park  
Athletic's roller coaster season continued on Sunday morning last with a fine win and a valuable 3 points collected. However this win wasn't as easy as the scoreline suggests. The away team took the lead 3 times before Athletic's never say die attitude won the day. An impressive team performance with 6 different scorers. Anthony o Carroll, Adam Moynihan, William Courtney, Shane Doolan, Cillian o Reagan and Rafa. Final game of the season next Sunday. 11-30 kick off v Tralee Dynamos. Please come and support the boys in blue.

## DENNY DIVISION 1A

Killarney Athletic 0-3 C.S.K.A Tralee  
The B team lost to league promotion hopefuls CSKA Tralee last Friday night. A good team performance where Athletic played some good football at times but 2 quick fire goals by the Tralee side and a late penalty outdone the Athletic boys. Athletic had their share of chances but couldn't convert. The b team are away to Castlegregory Next Friday night in the final game of the season.

**FIXTURES:** Friday 27th May

## KILLARNEY CELTIC NOTES

**BEST WISHES** to Patricia O'Connor, who is recovering from a hip injury at the moment. Best wishes also to John and Jane and the O'Donoghue family on their trip to Milan this weekend for the Champions League Final, winning tickets in the 2015 FAI ticket draw.

**EUROPEAN CHAMPIONSHIPS DRAW**

No tickets for Ireland's euro games yet? Killarney Celtic has 2 tickets for the Ireland v Sweden match in Paris in June. We are raffling off the tickets to help cover club expenses throughout the year. Raffle tickets are €5 each from club members, draw on May 23rd. Support is greatly appreciated.

**TRAINING** Underage training is now completed for the season.

**SOCCER TOTS** Our Soccer Tots Programme commences on Wednesday, June 1st, at 7.00pm. All welcome.

**RESULTS: DENNY PREMIER A:** Killarney Celtic 3 Listowel Celtic 0  
Unfortunately, Listowel Celtic were unable to field on the day and Celtic were granted a walkover. That means that a win or draw against Fenit Samphires in our last regular league fixture – and that it always a hard task against a side of Fenit's quality – would put us into the League Final.

**YOUTHS LEAGUE FINAL:** Killarney Celtic 2 Fenit Samphires 2

Celtic were the better side in the first half and went 2-0 up through the effervescent Stephen McCarthy, but credit to a great Fenit comeback and they reeled us in in the second half. It should make for a great replay, but with the full and immediate co-operation of both clubs, it has been agreed to defer the game until after Leaving Cert. exams.

**U16 PREMIER:**

St. Brendans Park 2 Killarney Celtic 0

Unfortunately it was a different story in the final league game, with Park putting in one last great display to take the title with the very last game. C'est la vie, Celtic finish just behind them after an absorbing and intriguing battle between two great teams all season – well done to both teams all the way.

**U15 PREMIER:**

Tralee Dynamos 2 Killarney Celtic 4

With the title race very tight, Celtic needed a win here and got it from a great team performance. Ryan Kelliher (2), Michael Lenihan, and Evan Lyne got the crucial goals and a win or draw against Park in the last game could seal the title for us – but a play-off could well be required yet!

**U15 DIV ONE:**

Killarney Celtic 3 Ballyhar Dynamos 0

Unfortunately Ballyhar were unable to field in our final game of the season, not how we would have wanted it to end but it can happen to any club at this time of year. After showing a marked improvement after putting in a lot of effort this year, we hope to see everybody back for next season.

Congratulations to U16 player Ryan Kelliher on making the Kerry Schoolboys/Schoolgirls Team of the Week.

**FIXTURES**

**DENNY PREMIER:** Killarney Celtic at home to Fenit Samphires, Sunday, 6.30pm

This is a huge game for the club with a place in the League Final at stake and we are asking for as many supporters as possible to come to Celtic Park.

**U15 PREMIER:** Killarney Celtic away to St. Brendans Park, Saturday, 11.45am

**U14 PREMIER:** Killarney Celtic at home to Killorglin, Friday, 7.30pm

**LOTTO** Numbers drawn 3, 9, 22, 23. No winner, 2 x match three, Jim Ryan, Kilcummin, Owen Casey c/o Casey's Electrical, €75 each. Next week's jackpot €6000, draw in the Failte on Monday night. Tickets available from all club officers. Yearly tickets available.

## DRIVING IN EUROPE

Rules and regulations you need to know

When driving in Europe, there are numerous rules and regulations, by laws and procedures that differ from country to country. The AA can, in most cases, provide detailed information for the motorist travelling to Europe.

- Driving Licence and/or International Driving

Permit (IDP)

- Vehicle Registration Certificate (Log Book)
- Evidence of Motor Insurance
- Passport
- A Warning Triangle
- Nationality Plate

Headlight Converters / Dipped Headlights

In preparation for hard driving over unfamiliar

roads, have your vehicle serviced before you go. Make sure that you have clear all-round vision; ideally, rear view mirrors should be fitted to both sides of your vehicle. If your car's tyres are likely to be worn down to below 2mm before you get back, replace them before you leave.

## MOTERING ABROAD HINT AND TIPS

Advice and requirements for driving in other countries

### WHAT TO DO:

Contact your motor insurer before taking a vehicle out of the Republic of Ireland. It is important that you are adequately covered to your and their satisfaction and have the necessary documents to prove it.

Carry your driving licence (and IDP where necessary), original vehicle registration document and passport; you may be asked to produce any one of these items. A provisional licence is unacceptable and the minimum driving age in most countries is 18. If the vehicle is borrowed you will need a letter of authority from the registered keeper.

Display the IRL national identification letters on your vehicle (and any caravan or trailer you are towing) when travelling outside the EU. Irish registration plates incorporating the IRL/European Union symbol make display of a conventional sticker unnecessary when circulating within Europe. However, such identification is still required outside the EU even when displayed alongside the European Union symbol.

Make sure that you are aware of all the requirements when taking a minibus abroad. A minibus constructed and equipped to carry 10 or more passengers (including the driver) is subject to the regulations governing international bus and coach journeys.

Check your tyres carefully - including the spare. If you think they are likely to be worn down to below 2mm before you get back, replace them before you go.

Remember that children under 12 and/or 1.5 metres in height are not permitted to travel as front seat passengers in some countries and in others may only do so when using an approved restraint system - check. However, never use rearward facing child restraint in front seat with

an airbag.

Familiarise yourself with the telephone system of the country you are travelling in. In some countries public callboxes may only be operated with locally purchased phonecards. Drive on the right and overtake on the left except when travelling in Cyprus, Malta and the Republic of Ireland.

### WHAT NOT TO DO:

- Drink and drive. The laws are strict and the penalties severe.
- Forget if your vehicle is fitted with seat belts - wear them!
- Overload your vehicle, apart from safety risks and on-the-spot fines, this could invalidate your insurance.
- Cross a solid white line to change lanes or overtake - the result could be an on-the-spot fine, up to €500 in France.
- Park illegally. Heavy fines are imposed and unaccompanied offending vehicles towed away. Find out about local parking regulations and try to understand all relative signs. As a rule, always park on the right hand side of the road or at an authorised place. Leave money or

items of value in an unattended vehicle, and remove all other property whenever possible.

- Forget if you wear glasses, take a spare pair with you; this is especially important if you are the sole driver.

● Forget that leaded petrols is no longer generally available in many northern European countries. If a lead replacement petrol (LRP) is not on sale, an anti-wear additive may usually be bought from the filling station shop.

● Overlook motorway taxes and/or toll charges. Motorway taxes are payable in Austria, Czech Republic, Hungary, Slovakia and Switzerland. Heavy fines are imposed for non-payment, Tolls are payable on many motorways in Europe.

● Forget, although credit cards are accepted at most petrol stations, Irish & British cards have magnetic strips not computer chips and some French retailers may refuse to accept them. Check with your card issuer if you are concerned about this.

● Forget to check the requirements for registration and third-party insurance if taking any type of boat abroad.

**JUNIOR FOOTBALL:** Our junior team will play Brosna in Brosna on Friday 27th May at 7.30 pm in the second round of the County Junior League. This is 13-a-side so we ask every player to make the effort to be there if possible.

**U-8 GO GAMES:** As part of the East Kerry Go Games Blitz hosted by Legion GAA, Fossa travelled to Legion on Wednesday the 11th of May and again on Wednesday the 18th of May. On both evenings we had a great turnout of 19 players which is testament to the commitment of the boys and their parents. We fielded two strong teams on both nights playing Listry on the first night and Legion on the second night and it would be fair to say that both teams and all players gave a fantastic account of themselves and the club.

Next up for the U8's is Fires in the last of the Go Games on Wednesday the 25th. All of the players made a fantastic contribution and if this group keep training and playing together then the future of Fossa GAA is in good hands. Well done to all.

**BOYS U12 COUNTY LEAGUE DIV 1A AND 1B:**

This was a good win for the Fossa U-12 black team, away to Kilcummin on Sunday evening. They led by 5 points at half time and scored 4 unanswered goals midway through the second

half, which effectively finished the game as a contest. On the night Dean Sheehan, Harry Kelly, Sam Buckley and Peadar Kelliher played well. Final score, Fossa 5-9 Kilcummin 0-11.

The U-12 red team continued it's winning ways also away to Kilcummin on Sunday evening. It was a tense affair with never more than two points separating the sides as the lead went back and forth. Playing with a strong breeze in the first half, Fossa dominated possession but could never get away from a resilient Kilcummin team who finished stronger to lead at half time by two points. Like a team possessed in the second half Fossa began to get a grip on the game, led by captain Sophie Dennehy. She was a rock in defence and set up a lot of good Fossa football. Daire O'Brien was simply outstanding. Luke Murphy, Cian Myers and Gavin O'Leary were the engine room in the middle of the field. Up front Matthew O'Connor, Philip Lyons, Arron Coffey and Amy Coffey took their scores with aplomb. In the closing minutes our defence held out to win the game with the final score 5-07 to 5-05.

**KITS FOR KIDS:** Dalys Supervalu have nominated Fossa to be one of the clubs to be in with a chance to receive an O'Neill's GAA training kit through the Kits for Kids Initiative. Can everyone please remember to collect the vouchers in store and place them in the Fossa nominated box behind the checkouts, thanks.

**FOSSA GOLF SOCIETY:** Fossa Golf Society held it's President Humphrey Curran's outing in Dooks on Saturday. On a lovely day in testing windy conditions the President's son, James Curran, was victorious with a great score of 38 points. In 2nd place was Seamus Coffey, 3rd

Brian Fitzgerald, 4th Kieran Coffey, 5th Brendan Lynch and 6th Ted Curran. Front 9 was won by Maurice O'Meara and back 9 by Ronan Brosnan. The society would like to say a big thank you to Bowlers Garage and Fexco for their generous sponsorship and to Maurice O'Meara, Dan Sugrue and all the staff at Dooks for a fantastic day out.

### KILCUMMIN GAA:

**CO JUNIOR LEAGUE:** Kilcummin V Na Gaeil Friday 27th May in Kilcummin

### GARVEY'S CO CHAMPIONSHIP RD 2:

**KILCUMMIN 1-10 WEST KERRY 1-15.** Our senior team bowed out of this year's County Championship in Kilcummin on Saturday last going down to a West Kerry side who were determined and impressive. Our team gave us two contrasting performances in either half. The first half was full of fast free flowing football with some fine scores numerous chances created and a half time lead of 7 points. The second half saw us struggle throughout and only manage two points in a period where the opposition scored nine points without reply. However there was a lot to enthuse about and the management team will know that with a higher level of fitness and injuries clearing up that this team can repeat that first half performance over an entire game in the season ahead. The focus now turns to preparing for the Club Championship relegation battle, Credit Union Co League and The O'Donoghue Cup where we are drawn away to Glenflesk in the first round.

**O'SULLIVAN CUP:** The Junior team face Legion in the early round of the O'Sullivan Cup.

**UNDER 12 GIRLS:** Play Southern Gaels at home

The tournament provides an opportunity for under 14 players to participate in an annual Festival

The Kilcummin boys team will host the Éire Óg Greystones GAA Club from Wicklow and our under 14 Girls will host Clontarf GAA Club from Dublin. **SYMPATHY:** To the family & friend of the late Rev. Canon Patrick J. Horgan – Rathmore Parish (1) Dec. 1955 (2) July 1996 – July 2007.

It was with great sadness that the Parish Community received the news of the passing of our former parish priest Rev. Canon Patrick J. Horgan. Canon Pat always held fond memories of his time in Sliabh Luachra and was held in equal affection by parishioners. Many aspects of the parish still bear the imprint of his ministry among us: the strong sense of liturgy, the renovations to Knocknagree Church, the building of Holy Family National School, to mention but a few.

We extend our sincere sympathies to his family at this time, we thank them for the gift of their beloved Pat, and for the richness of his faith which was undoubtedly moulded in the family home. May he rest in peace.

Special Mass for Canon Pat Horgan will be celebrated this Sunday 29th May at 11.30am in Rathmore.

## SPECIAL COLLECTION FOR WORLD MEETING OF FAMILIES THIS WEEKEND AT ALL MASS IN PARISH:

Then we will process up through the graveyard and down through Holy Family N.S. grounds and finish at the altar at the Grotto. All are welcome

## EXAM STRESS SOME TIPS FOR PARENTS AND STUDENTS

### For Parents

Exams are nearly here and will be over before we know it. The best way to support your teen at this time is to make home life as calm and pleasant as you can. You may notice that although

you are desperate to know how the exam went, it's wise not to launch into an inquisition – so give your teen some space.

Feeding them healthy snacks and good nutritious food will all be very welcome. Make sure they eat a good breakfast on the morning of the exam. Be sure to remind your child to take study breaks and get some fresh air to help clear the mind. After an hour or two of study, let them chill out but within reason. They need to switch off from exam student mode too. It's ok to be a couch potato at this time.

A good night's sleep is vital before an exam, so make sure your child isn't staying up late. Encourage an early night but don't let it turn into an argument. Insisting your eighteen year old goes to bed at 11pm doesn't really work, especially if he/she is not able to get to sleep and ends up tossing and turning until 4am. On the other hand it is not good either to turn a blind eye to 'gaming' until the early hours. Remind them that the brain needs at least 7 hours to absorb what they have learnt and to function well the next day. Lack of sleep can cause concentration and memory problems. Often, the study done after midnight is wasted.

### For Students

The Psychological Society of Ireland offers some last minutes tips and advice to students how long to study. They advise students to study "regularly and briefly - rather than "cramming" at the last minute. Try to study in blocks of time which do not exceed your concentration span. For example, break up a study session into periods of about 50 minutes each." They also offer valuable advice to gain control over the exam situation as follows: "Ignore what other people do in the exam. Do not look around you in the exam-hall when the papers are handed out and do not pay any attention to students who request extra paper from the exam supervisors. Remember that it is the quality rather than quantity of the answer that attracts good marks. In any case, many "hand raisers" write on only one side of a page or perhaps skip every second line of their answer book. So, be selfish in an exam - ignore everyone else."

## TAX Matters with

### THREE YEAR TAX EXEMPTION FOR NEW START-UP COMPANIES

The three year relief for start-up companies, identified as highly important among entrepreneurs, is to be extended in its current form for another 3 years to the end of 2018.

This relief reduces corporation tax on the profits of a new trade and gains on disposal of any assets used for the purposes of the new trade by the amount of PRSI paid for each employee, subject to a maximum of €5,000 per employee and an overall limit of €40,000 in the first 3 years of trading.

A "qualifying trade" is a new trade set up and commenced by the company and does not include a trade:

- which was previously carried on by another person;
- which, if carried on by an associated company, would form part of a trade carried on by that associated company;
- which involves dealing in or developing land;
- which involves the exploration and extraction of natural resources;
- which involves the carrying on of a profession or the provision of a professional service;
- which involves the holding of an office or employment.

## A WORD OF VICTORY

Welcome back dear reader Proverbs 23 verse 7 notes "as a man thinks in his heart, so is he". Our thinking is formed by what we hear, read and see. If this is not in line with God's Word but is based on the world's theories and views, we have a big problem. An often heard comment is "there is no cure for this disease". A person with an ailment having received an opinion where they are deemed incurable by an educated professional, will then begin thinking about death, believing the diagnosis handed down by the expert. However, God's Word tells us that sickness and disease are a curse; works of Satan who hates humanity and only wants to destroy us (John 10:10). God sent His Son Jesus to bring peace, healing and deliverance to all who are afflicted (Acts 10:38; 1st John 3:8). Jesus was scourged, beaten and crucified. He was in fact, taking the punishment due to sinful man on Himself therefore setting us free from condemnation and from guilt and shame. He also bore our sicknesses and grief's. You can read this for yourself in Isaiah chapter 53 and 1st Peter chapter 2. If we don't hear these things we will not benefit from the wonderful works that Jesus accomplished at the Cross and will not experience divine health and prosperity (3 John 2). Jesus told His followers, the church (His body) to go and preach the Good News of His coming and of what He has done for us. Believe it friend – God does not want you sick or living out a death sentence (Mark 16:15-20). Jesus also told of His returning back to earth where He will rule from the city of Jerusalem. At that time the Devil and his spirits will be locked into Hell forever bringing great peace and joy to all who live. The enemy is trying to stop this hence all the trouble in the Middle East. We will speak more on this again. God bless you friend. More next week....
