NEW CAR PARK FOR KILLARNEY

THE ENTRANCE TO THE NEW CAR PARK WILL BE LOCATED ABOVE THE ENTRANCE TO THE MERCY LAUNDRY

Killarney is set to get a new car park in early 2018.

Kerry County Council will launch a Part VIII public consultation process in the coming weeks following a decision by councillors in the Killarney Municipal District to acquire a site for car and bus parking on the Rock Road in Killarney.

The site between the Mercy Convent and Áirne Villa at Rock Road measures 1.25 acres approximately and will provide additional parking capacity for the town. A new footpath for pedestrians on the Convent side of Rock Road will also be provided to link the new car/bus park to the town centre.

The acquisition of the site is being finalised and the Part VIII consultation will commence in the coming weeks.

Cathaoirleach of the Killarney Municipal District, Cllr Niall Kelleher welcomed the development saying it would provide much-needed capacity for car and bus parking in Killarney.

"I welcome the acquisition of this site which is ideally located on

Rock Road and which will provide additional spaces for parking adjacent to the town centre. I urge people to examine the proposals when the public consultation is launched and to share their views," he told the Killarney Outlook.

"It is absolutely fantastic news and huge credit is due to the council" said Paul O'Neill, President of Killarney Chamber,

"The issue of traffic and parking is the number 1 concern for our members. We have worked, and continue to work closely with the Killarney Municipal District executive and councillors to find solutions" he went on. The Chamber recognises that land procurement is far from straight forward in Killarney. "It is no easy task but the town is only getting busier and though we do not believe that this is the silver bullet to solve our traffic problems, it will certainly help" he commented.

"We will continue to give our input to the elected members and Killarney MD executive and look for further parking solutions, which will help alleviate traffic congestion", he added.

'LET'S TALK TOURISM' CONFERENCE IN KILLARNEY

The 'Let's Talk Tourism' Conference will take place in Killarney on November 10th at the Brehon Hotel. The event is a National Tourism Forum, for the grassroots of all sectors within the tourism industry to meet, discuss and debate tourism on the island of Ireland. Following on from the success of last year's event, the forum aims to continue the conversations started then and focus on future challenges and opportunities facing the industry. There is a fascinating line-up of speakers, including Mark Henry of Tourism Ireland, Peter Bellew, incoming chief operations officer of Ryanair, travel writer Pol O'Conghaile and many more. A full day conference will take place on Friday 10th November, followed by

a business networking dinner that evening. On Saturday 11th November, delegates will experience tourism in action along the Skellig Coast and Valentia Island. This year, the topics for discussion and debate by the expert speakers and panellists include: the importance of tourism to Ireland, regionalisation and seasonality, skills and manpower, planning for tourism - how do you create a number one visitor attraction?, air access, food tourism and digital trends and screen tourism. The forum, will be moderated by TV and radio broadcast journalist, Olivia O'Leary, and promises to be an engaging and entertaining event about the future of the tourism industry in Ireland.

On Sunday, November 5 the team at Danú Restaurant at The Brehon will host an exceptional evening where diners will be invited to enjoy their meal blindfolded.

KWD LAUNCH "RECYCLE RIGHT" INITIATIVE FOR PRIMARY SCHOOLS

Following on from the success of the "KWD Kids Recycling" programme in 2010, KWD Recycling are excited to launch their new "Recycle Right" initiative. The goal of this initiative is to further educate young people on the importance of recycling. This new drive is for 3rd and 4th class primary school students in particular as it is in line with the school's current curriculum strand, A Sense of Place – Strand Environmental Awareness. Their aim is to enable students and teachers to understand the role of recycling and how to dispose of their waste and recycling correctly and responsibly. The overall objective is to enable students to champion best practice when it comes to recycling so they can transfer this knowledge to home and also influence greater recycling within their schools. The launch for "Recycle Right" initiative took place in Fossa National School this week in the form of a fun-filled waste and recycling workshop, and KWD Recycling are aiming to visit all primary schools in Kerry and beyond in the coming months. Each student received a KWD "Recycle Right" 18 page booklet which contains lots of fun facts, with information and quizzes about waste and recycling, which is great fun and will ensure that the learning continues. They also received a personal

certificate for attending the workshop. It is important to teach people about the latest

KERRY COUNTY COUNCIL LAUNCHES CULTURAL ARCHIVE AWARD

PICTURED AT THE LAUNCH OF THE CULTURAL ARCHIVE AWARD AT KERRY COUNTY LIBRARY IN TRALEE ON MONDAY WERE COUNTY LIBRARIAN TOMMY O'CONNOR AND THE CATHAOIRLEACH OF KERRY COUNTY COUNCIL, CLLR JOHN SHEAHAN

Creative Ireland is a culture based programme designed to promote individual, community and national wellbeing. Details are available at www.creativeireland.ie and <https://creativeireland.ie/en/local-plans/kerry>. Within this

programme, Kerry County Council invites applications for a Cultural Archive Award with the aim of developing or preserving an archive with the intended cultural impact of preserving such material for future generations.

A one-off grant of €1,000 for a single project in each Municipal District will be made. Members of the Kerry County Council Creative Ireland Cultural Team will evaluate applications. The fund is limited and eligible applications will be evaluated on a competitive basis. The application form is available on the Kerry Library website, www.kerrylibrary.ie and the submission deadline is Monday, 20 November 2017. Applications may be submitted by hand or by post to Kerry Library, Moyderwell, Tralee, Co. Kerry or e-mailed to localhistory@kerrylibrary.ie

Michael Lynch, Archivist at Kerry Library said: 'This is a wonderful opportunity for community groups, cultural groups or individuals to preserve the history of their cultural organisation including records, minutes and details of activities, for future generations.'

To be eligible for funding the project must be Kerry based, encourage participation from the community, document a cultural practice or archival body of records in a local area/community and be a feasible project with a cultural dimension. Successful applicants from each of the four Municipal Districts will be notified following an evaluation process.

DON'T FORGET TO TURN THE CLOCKS BACK!

On Sunday October 29th at 2am the clocks go back, making mornings slightly lighter and evenings darker. Some will spend an extra hour in bed and others will get out and embrace the day but an interesting fact is that the whole concept of daylight saving was actually introduced in 1907 by the great-great-grandfather of Coldplay singer Chris Martin!

William Lillet published a pamphlet called 'The Waste of Daylight' in a bid to get people out of bed earlier by changing the nation's clocks. Willett then spent the rest of his life trying to convince people his scheme was a good one. Sadly, he died of influenza in 1915 at the age of 58; a year before his clock-changing plan was adopted by the Germans and the UK in 1916. His great-great grandson, Chris Martin however has had huge success with smash hits 'Clocks' and 'Daylight' perhaps inspired by his forefather! There are currently about 70 countries that participate in Daylight Saving Time, though not necessarily on the same schedule as Ireland. Ireland is located in the Greenwich Mean Time zone, sharing the same time as Great Britain, Iceland, Portugal, and some countries in northwest Africa. In Ireland, the maximum 17 hours of sunlight - on the longest day in June (the summer solstice) - dwindles to just seven hours and 30 minutes six months later in December (the winter solstice). So don't forget - the clocks go back on October 29th!

ROME ESCAPE LINE HEROINE DIES AGED 93

On Sunday October 1st, in the presence of her family, Rome Escape Line heroine Gemma Sands (nee Chevalier) died peacefully at her home in Aldershot in England.

Inspired by the bravery of her widowed mother Henrietta, and still only in her mid-teens Gemma played a very important role in the Rome Escape Line for Monsignor Hugh O'Flaherty, as she moved escapees and vital messages and supplies during World War 2 in Rome. Despite the grave and very real risk to their own freedom and lives, Gemma, her mother and some of her 7 siblings, helped to keep many Allied escapees safe from the grasp of the Nazi's during this time.

Shortly after the war ended, Gemma met and

married English soldier Kenneth Sands serving with the post-war military administration in Rome. They were married by Monsignor Hugh and they subsequently moved to Aldershot in 1946.

Gemma was awarded the British Empire Medal (BEM) and was awarded a certificate thanking her for all that she had done by Field Marshall Alexander, head of Allied forces in the Mediterranean.

"It is hard to imagine how much courage it took for a 17-year-old girl to do what she did in the Nazi occupied city of Rome, where escapees and those that were helping them were being mercilessly hunted down by the Gestapo", Chair of the Memorial Society Jerry O'Grady told the

Killarney Outlook.

"In 2016, during the 3rd Memorial Society Tour of Rome, it was an historic and emotional moment when representatives of the Chevalier, Derry and O'Flaherty families gathered outside the Via Imperia apartment building where Henrietta Chevalier and her 8 children lived and where they successfully hid so many Allied escapees from November 1943 to June 1944" he added.

On behalf of the Memorial Society Jerry O'Grady extended sincere and heartfelt condolences to the Sands family.

The selfless deeds of Gemma Sands will never be forgotten.

MONEY MATTERS....

By **Dermot Cronin, Financial Advisor**

USING YOUR PENSION TO REDUCE YOUR TAX BILL

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When pension benefits are drawn down, a Retirement Lump Sum can usually be taken either completely free of tax or subject to a beneficial rate. The rest of the benefit, usually taken in the form of an ARF or an annuity, is taxable. However many people will find themselves in a lower tax bracket in retirement than when they were working and making contributions, and so will have made a net gain from tax relief.

Owen McCarthy, Mission Leader at Bon Secours Hospital Tralee, presented Marie Linehan, CEO of Kerry Parents and Friends Association with a cheque from the Hospital's Community Initiative Programme for €23,000 on Tuesday.

"Through our Community Initiative Programme, Bon Secours Hospital Tralee invests annually in

worthwhile projects that respond to the needs of the most vulnerable in our communities and that bring about a social good. We do this by assisting charities, charitable causes and not-for-profit groups such as Kerry Parents and Friends Association in the outstanding work that they are doing," said Owen McCarthy.

"While our care within the Bon Secours Health System is summed up by our brand line 'advanced medicine, exceptional care', our care

goes beyond the walls of our hospital through our Community Initiative Funding. The Projects we support are a key way in which we translate our Catholic Ethos, our Mission and Values, into action for the wider local community," he said.

"We believe that, through our Community Initiative Fund, we can act as a catalyst in tackling social issues by assisting local charities and not-for-profit groups in the outstanding work that they are doing in response to the healthcare and related social and economic needs of the community and are delighted to support Kerry Parents and Friends Association," he said.

Marie Linehan, CEO Kerry Parents and Friends Association said; "We really appreciate the support from the Bon Secours and this donation will be used to enhance our Respite Services so that those we support for short breaks, will enjoy their experience, while their families avail of a much needed rest."

Kerry Parents and Friends Association provides a range of services countywide including Day and Residential Services, a limited Respite Service and a growing Outreach Service. "We see the need to vary the types of services offered to meet all types of unmet need. There is so much to do and the Association is very grateful to the Bon Secours Hospital for assisting in this important work" said Marie.

KERRY FILM FESTIVAL AWARDS CELEBRATE AN OUTSTANDING YEAR

On Sunday October 22, 2017, the 18th Kerry Film Festival came to a close, following another outstanding year of Irish film premieres, screenings and discussions. The annual awards ceremony took place at the INEC after the Irish Premiere of 'Lies We Tell' on Saturday evening. The awards are judged by a private industry jury panel. The Kerry Film Festival 2017 Winners are: Best International Narrative – NORO, Best Documentary – Blood And Ink, Best Animation – Second to None, Best Student – Raha, Best Score – Wrongheaded, Best Irish Narrative – Wave, Best Kerry Connection – A Conversation, Winner Kff/ Storystock Competition – Alfie Barker. I attended a screening of the music documentary 'Score' which was shown in St Mary's Church of Ireland and I also made it to the Kerry Connection Shorts Programme. Each short in the category has a Kerry connection

whether it be the director, actors or writers involved or that it was filmed in Kerry etc. Artistic Director of the Kerry Film Festival Maeve

McGrath, was at the screening on Sunday and told us how the winner of the category nearly didn't make the cut! Most of the films for this category are sent in with a note, detailing their Kerry connection. The winner of the category, A Conversation, was viewed by the jury and they noticed that one of the actors was wearing a Kerry jersey in the film! The festival contacted the director in China and found out that yes, the lead actor was Glenbeigh native Mikey Griffin. It is a fantastic performance and a well deserved win for the short film about a roguish Irish expat that helps a Chinese stroke victim resolve a decades old family dilemma. The Kerry Film Festival is a platform for showcasing the best in Feature, Short and Documentary Cinema from at home and abroad, we are already looking forward to next years event!

CLLR. SHEAHAN WELCOMES PROPOSED DEVELOPMENT IN KILCUMMIN

The Cathaoirleach of Kerry County Council, Cllr John Sheahan has welcomed the proposed development of a wastewater pumping station in the townland of Clashnagarrane, Kilcummin, as part of the Kilcummin Sewerage Scheme. The proposal has been granted by An Bord Pleanála based on the submissions of the planning application and the appeal which included the Natura impact statement. It was found that the proposed development would not seriously injure the amenities of the surrounding area and is therefore in accordance with planning and sustainable development in the area. The wastewater pumping station will include a below-ground peak flow holding tank, a below-ground pump sump with duty and standby pumps. There will be odour control, electrical

and telemetry systems which will be housed in an above ground building with an access road to the station from the rear of Pairc Chuimin Estate. There will be an emergency over flow from the station adjacent watercourse which discharges to the River Deenagh. It is welcome news for the people in the area.

KILLARNEY COMMUNITY COLLEGE OPEN NIGHT A GREAT SUCCESS

MS. MAIRE KEANE, PATRICIA MADERGI, CIARA KEARNEY, CAOIMHE CROWLEY, AOIFE O'BRIEN, MARIYA CASEY, JULIA OLDOBE, MS. ORLA BROSAN IN THE HOME ECONOMICS ROOM.

The school was a hive of activity as soon as the doors opened when both 5th and 6th class students and their parents were warmly welcomed by the staff and management in the college. Parents and children were free to walk around the school and experience different subject areas throughout the college. The smell of freshly baked cupcakes wafted through the assembly area, while parents and students tasted what was on offer they listened to an impressive talk about Home Economics in the college by Ms. Keane and Ms. Brosnan. Science rooms bubbled while the students made Elephant Toothpaste, they also got to witness and take part in the dissection of hearts, kidneys and livers. The woodwork rooms displayed beautiful creations made by our students. The piano echoed sweet music from the music room. All subjects were on display with teachers talking to parents and students about any aspect of their particular

subject.

Principal Stella Loughnane in her address to the 400 plus crowd explained how Killarney Community College is a very progressive school. It is the first school in Killarney to have adopted one hour classes. Killarney Community College provides students with a wide variety of optional subjects such as Home Economics, Metalwork, Business, Woodwork, Music, Art and Technical Graphics as well as the traditional core subjects of Irish, English and Maths. The principal went on to explain how the school provides excellent learning opportunities and extra-curricular activities alike. The principal explained to parents that the first cohort of students just completed their new junior cycle exam and the excellent results that were achieved by our students. This year we have a new fully equipped school gym that is available to students at scheduled times. The rowing machines are a big attraction with the students already this year.

Killarney Community College fully embraces new technologies and has recently implemented the innovative computer system Microsoft 365 which is helping the students be prepared for the future world of learning and work. Currently students are communicating on a daily basis with their teachers through Microsoft 365. Parents on the night commented on the ease of movement around the school and the very obvious connection between teachers and students that is a hallmark of Killarney Community College. Overall Monday night was a wonderful success due to the hard work and dedication of the management and staff of the college.

KERRY STORIES FEATURED IN NEW BOOK ON DANCEHALL DAYS

Three Kerry people have written prominent stories in a new book recalling the halcyon days of the showband era, which was launched this week.

From The Candy Store to the Galtymore chronicles the 1950s to the 1970s in rural and urban Ireland through the stories of the young men and women who religiously went to their local Ballroom of Romance each weekend.

The book echoes an era of social and cultural uprising in Ireland as the country began dancing the weekends away to the sounds of showbands in newly-built ballrooms.

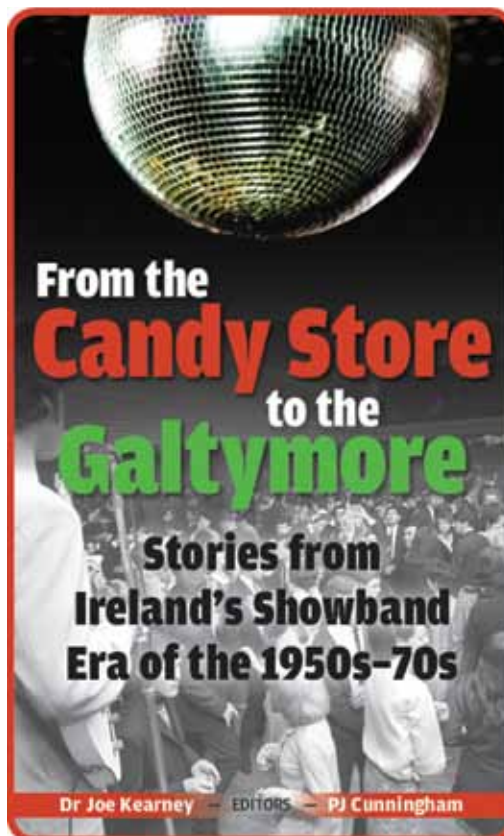

It was the time of Larry Cunningham, Joe Dolan, Brendan Bowyer, Dickie Rock and Butch Moore and wherever they played, the crowds followed.

Listowel native Billy Keane contributes a hilarious story in his own unique style titled 'Sex Outside The Jumper'.

"The girls of our age didn't wear high-heels. It was the men who were falling down steps and saying stuff like 'my feet are killing me' or 'I can't wait to get home and take these off,'" writes Keane.

Michael O'Connell is now back in Tralee but recalls how while in Cork his father's 'Rebel Kingdom' kept both Cork and Kerry sides happy on the dance floor.

Monica Fitzell from Lixnaw writes about the hunger for love – and food – when young people were out dancing while now Cork-based Brigid Daly highlights how cupid's arrow struck during her visit to the Rose of Tralee.

Queen of Country and Irish Margo O'Donnell, writes a harrowing account of how she met a down-and-out before a show in London and became great friends with him as he battled

against drink before his death.

It is a story of sadness but full also of pride in how he turned his life around to die a proud man.

The book, which is dedicated to music man extraordinaire, Ricey Scully, also contains two hilarious stories rolled into one by the former Twiggs and Crackaways member concerning The Singing Nun and U2.

Co-editors PJ Cunningham and Dr Joe Kearney trawled the country over the past year to bring Ireland's showband stories together in one book.

In all, there are 70 contributions contained in this social and cultural review of the time.

"From The Candy Store To The Galtymore is a collection with twists in every turn – stories of romance, of chance meetings and tales that are funny and maybe even mischievous," said PJ.

"All human life gathered for the weekly dances in what was a cultural shift away from the more formal céilís which held sway up until then.

"The showband dances were modern and slightly more brash occasions than the country had been used to but, if anything, the number of stories of love and loss, rows and ructions, fun and games grew in the new environment.

"The book looks at this era from left of centre and collects the forgotten, overlooked or rarely-told stories of that time."

The sources are mainly ordinary folk with some interesting insights from singers, musicians and band managers as well.

There will also be facepainting and balloon modeling, as well as an arts and crafts station, for those who want to get creative or need that last minute costume inspiration. Radio Kerry will be there too playing great music, taking requests from visitors and there will be an opportunity to win some special spot prizes!

This event, is just one of many Manor West have organised for the lead up to Christmas. Following on from the success of previous years, the demand for the Food and Craft fair has grown and Manor West are hosting three events this year during November and December. The fair is a fantastic opportunity to celebrate the abundance of artisan producers and craftspeople in the Kingdom offering a

diverse range of specially crafted food produce and beautiful handmade creations, providing everyone with a plethora of Christmas gift ideas.

WOMEN MUSCLE IN ON WEIGHT TRAINING

SIOBHAN & LEANNE

#LadiesWhoLift Seminar at The Aquila Club
Renowned Personal Trainers Siobhan OH and Leanne Moore will bring their hugely popular fitness seminar #ladieswholift to The Aquila Club at The Gleneagle Hotel on Saturday November 18th.

These #ladieswholift seminars were designed to introduce women to the benefits of weight training as well as offering top tips and methods on how to introduce a healthier lifestyle into daily life. Another aim of the seminars was to bring women together to help empower each other on their fitness journey.

Topics covered on the day will include the importance of weight training for women, programme structuring, demonstrations of the basic compound movements squat, bench and dead lift and a lifting session incorporating these movements, a HIIT session & nutrition advice. There will also be a Q&A session, exclusive #ladieswholift Goodie Bag and light refreshments on the day.

Siobhan OH is a personal trainer and online coach. She originally studied maths in college but her passion for training and healthy living encouraged her to take a risk and change careers. Siobhan struggled with her weight growing up and tried various diet and exercise plans. She took her education as well as gaining a qualification in personal training

and transformed her own body. Due to this she can relate well to peoples struggles with fat loss and muscle building and helps others feel good about themselves, both physically and mentally through exercising and eating well.

Leanne is a personal trainer, fitness blogger and owner of Go Gym Limerick. Having worked in the media for seven years, Leanne changed her career at the age of 30 to follow her passion for fitness and healthy eating. Leanne works as a trainer in various gyms in Limerick, Dublin and Wicklow and offers online plans as well as running fitness bootcamps.

Last year Leanne and Siobhan put their minds together to come up with Ladies Who Lift - in a bid to help women see the importance of weight training in their fitness routine.

The #ladieswholift seminar with Siobhan & Leanne takes place at The Aquila Club in The Gleneagle Hotel on Saturday, November 18th from 10am to 1pm. Tickets cost €45 per person and include a Day Pass to The Aquila Club. To book your ticket call 064 66336178. Tickets are limited so early booking is advisable.

AUTUMN TALK

Last Thursday night - October 26th, was the 4th Autumn talk at Killarney House and Gardens, and was entitled "The 'Innisfallen' Crosier, A National Treasure from Ireland's Golden Age" which was delivered by Dr Griffin Murray. Dr Griffin Murray (BA, MA, PhD) is a graduate of UCC. He has worked in the museum sector, in both the National Museum of Ireland and Kerry County Museum, in the area of collections. The celebrated Innisfallen Crosier is an example of one of the finest metalwork

treasures hand crafted by the talented monks of Innisfallen island, during Ireland's Golden Age of Monasticism. Innisfallen Island, is the largest of the islands on Loch Léin in Killarney National Park. It is home to the ruins of Innisfallen Monastery, founded in 631 by St. Faithleann. The Island features as one of the most remarkable archaeological remains from the early Christian period in Killarney. The most important of these being the Annals of Innisfallen. The monks documented their lives and a legacy of early Irish history, as it was known to them, over a period of an estimated 300 years to create the Annals of Innisfallen.

FR. GALVIN CUP

The seniors played Cordal on Sunday in the Fr Galvin Cup. This proved to be a very entertaining game of football, Fossa started brightly with the O'Shea brothers, Tadhg and Mikey kicking a brace of very good points to give them a solid lead after 10 minutes. Fintan Coffey, Lorcan Daly and Paudie Clifford were winning a lot of ball around the middle of the field and this gave our forwards a plentiful supply of ball. Two further Tadhg O'Shea points were followed by a great goal from Paudie Clifford after some excellent build up play in the 20th minute of the half. This left Fossa leading at half time, 1-07 to 0-04. Donald O'Sullivan opened the second half scoring with a free but Cordal gradually clawed their way back into the game with a couple of points. Paudie Clifford had an immense second half and points from Tadhg O'Shea and an excellent score from Fintan Coffey kept the score board ticking over. Cordal never gave up the chase and added further points as the game entered the last quarter. Dara Rice was using his pace

to great effect at wing back and Anthony Wharton looked very fit and was defending intelligently. Cordal struck for a goal in the 25th minute which meant that the game finished in a weather of excitement but Fossa defended well and used all their experience to seal a win on a score of 1-12 to 1-11. Paudie Clifford was presented with the Aquila Club Man of The Match award from Johnny Brosnan which was well deserved and overall the management can be happy with a solid team performance which sees them through to the next round against Furies.

SENIOR LADIES

Congrats to our Senior ladies team who capped a fine year with a great win over Laune Rangers to win the East Kerry League title on Sunday.

EK U-16 CHAMPIONSHIP DIV 3 - SEMI-FINAL

Spectators were treated to a goal feast in Fossa on Sunday evening when Fossa and Glenflesk played out a highly entertaining game with Fossa emerging as winners in the end. Glenflesk were in control in the first half and had the lead at half time by 4-2 to 2-4. Fossa scorers were Emmett O'Shea with 1-3, Darren Cronin 1-0 and a fine point by Killian Buckley. The second half saw Eoin Talbot take control in midfield and Harry Buckley turning in a superb display. The backs also tightened up with Ruairi Doyle, William O'Brien and Richard Wallace playing very well and Fossa controlled the game as a result. Emmett O'Shea added another 4-03 and Eoin Talbot capped a super performance with a cracking goal. The final score was Fossa 7-08, Glenflesk 6-07. Fossa are now in the final and awaiting the winners of Kilcummin v Glenflesk.

Life & Body Confidence Coach

BANISH YOUR GHOSTS THIS HALLOWEEN!

Are you haunted? Do you carry around with you long gone memories that still have the power to hurt or upset you? Do you harbour grudges or live in the past wishing that things were different? If so, maybe it's time to set your ghosts free so that you can find peace in the present.

Carrying around the ghosts of your past is a heavy burden and can have a negative impact on how you live today. And whilst we can't change what has happened in the past, we can change how we choose to look at it in the present.

As a life & Body Confidence coach, one of the key coaching skills that I work with is how to think effectively. When we change the way we think we also change the way we live. It's about helping people make thinking choices that will support them rather than oppress them.

HALLOWEEN COACHING CHALLENGE!

Write down all the things that you want to leave behind in the past. Whether it's unproductive thinking, an old resentment, guilt, fear, an unhappy relationship or an old behaviour pattern you no longer want. At the stroke of midnight on Halloween, burn or bury the paper telling your self that you are now willing to let all of these things go and move on. Let it mark a new beginning and a turning point in your life!

HAPPY GHOST FREE HALLOWEEN!

OUTLOOK FASHION

Lots of layers for Winter

Layers are a massively practical way to dress this winter when it's really cold. So don't be afraid to pile on the layers. A turtleneck, under a sweater, under a jacket, under a coat, for instance, will definitely keep you warm.

DIET TIP TRY NOT TO BECOME A SLAVE TO THE SCALE: Remember weight loss is a long process and your weekly weigh-in will give you a good overall idea of your progress. If you weigh yourself too often you may become disheartened if you don't drop pounds as quickly as you would like.

Beauty Tip

Always use base coat
It might take you some extra time, but it gives the coloured polish something to adhere to, making your manicure last a couple of extra days longer, and it prevents staining on your nails from pigmented paint.

MINIMUM WAGE INCREASE 2018

The Minimum Wage in Ireland will be increased from January 1st 2018.

The Low Pay Commission recommended in June this year that the National Minimum Wage for an experienced adult worker should be set at a rate of €9.55 per hour.

The rates of the Minimum Wage that will apply from January 2018

- Experienced adult worker €9.55 per hour.
- Over 19 and less than 2 years since first job €8.60 per hour.
- Over 18 and less than 1 years since began first job €7.64 per hour.
- Aged under 18 €6.69 per hour.

An experienced adult worker – for the purposes of the National Minimum Wage Act – is an employee who has an employment of any kind in any 2 years over the age of 18.

For example: A 19 year old gets his first job on June 1st 2018 – he is entitled to €7.64 an hour. He won't be entitled to €8.60 an hour until June 1st 2019 – the first anniversary of his first job. He won't be entitled to €9.55 an hour until June 1st 2020 – the second anniversary of his first job. It doesn't matter how long he worked in each job or if there were gaps in employment.

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON DIVIDING HERBACEOUS PERENNIALS

If you divide your herbaceous Perennials regularly it will ensure healthy, vigorous plants that will look good and should perform year after year. It also gives you the opportunity to multiply your plants.

Every two to three years should be enough to divide most perennials to maintain good vigor and healthy plants but if you want to divide them for the purpose of propagation, it can be done more regularly.

The best time to divide herbaceous Perennials is when the plants are dormant, so anytime from November to mid March. A lot of spring flowering plants such as Irises, are best divided in Summer after flowering when they produce new shoots.

When you have divided your plant and you have either planted some in the border or in pots, remember to keep well watered until established.

ONLINE SHOPPING AND IMPORT CHARGES

QUESTION

I want to do some of my Christmas shopping on American websites. What are the rules about VAT and customs duties when shopping outside the EU

ANSWER

You are importing goods if you buy goods from abroad online or from a mail order catalogue, or if you get goods that are sent as a gift from abroad. In general, when goods are imported into Ireland from a country outside of the EU, they become liable to import charges. These include VAT, customs duty and excise or other duties where relevant. In some cases, you can get relief from import charges.

If someone sends you a gift from outside the EU, and it is valued at under €45, you do not have to pay customs duty or VAT. To qualify for this relief, the gift must be of an occasional nature and sent from one private individual to another. You can buy some goods from outside the EU up to a value of €22 without paying VAT. The value is calculated on the full value of the item, plus postage and duties. This is also the value that is used to calculate VAT, if it is payable. If you buy goods from outside the EU valued at more than €150, you will have to pay customs duty as well. Customs duty is normally calculated as a percentage of the full value of the goods including the cost of postage, packaging and insurance. VAT, customs duty and excise duty are always charged on excisable products (such as alcohol, tobacco and perfume) from outside the EU, whatever their value.

All packages received from outside of the EU require a customs declaration, which is usually completed by the sender. The declaration should include a description of the goods, the value and whether they are gifts or commercial items. Some websites offer to undervalue your goods to avoid import charges. This is illegal. You, as the importer of the goods, are responsible for ensuring that the information provided is accurate and that all duties and taxes are paid. Some websites may also promise delivery from within the EU, which would eliminate any import charges, but are in fact shipping their products from outside the EU. If this is the case, you are liable to duties and VAT.

THE IMPORTANCE OF COMMUNICATION

When people come along to counselling, and begin talking about their problems, it sometimes becomes apparent that some of their difficulties may be down to the challenge of communicating with the other people in their lives.

This can apply to any of us. Whether discussing issues in our relationship with a partner or other family member, or with friends or colleagues, we are quite likely to say 'He knows how I feel about this', or 'She knows how difficult I find that', or 'I'm not going to ask them for help because I shouldn't need to ask, they should just know what to do', and so on. Sound familiar?

All this ignores a fundamental reality – we cannot assume other people know what we think, or how we feel, or what we need, unless we tell them. We are all equipped with a degree of intuition, and some people can be very 'tuned in' to the thoughts and feelings of others. But we cannot always rely on intuition alone. For example, someone may long for their partner to open up about a shared difficulty in their lives, while the partner may want exactly the same thing, but feel they 'shouldn't go there' because they think this would be unwelcome. Two people, who long to connect with each other, may grow further apart because of a gap in communication.

Of course we all need, and are entitled to, our privacy. We don't have to wear our heart on our sleeve all the time. What we are thinking about here is building bridges and sustaining connections with the significant people around us, rather than seeing those connections weaken through a lack of communication, with all the misunderstandings, frustrations, conflict, hurt and loneliness that can ensue.

As children, we may have been fortunate enough to have an adult around who 'tuned in' to our feelings and tended to our needs, before we were old enough to put those feelings and needs into words. Even if we don't realise it, perhaps a bit of us still quite naturally longs for that sort of automatic understanding from others. But, as adults, we probably need to play our part in making ourselves known and understood. The counselling process can offer a safe space where we can start putting things into words, gradually find our own voice, and become more confident about making ourselves known to another person.

KERRY GAA SCENE

REPORT BY JOHN O'LEARY

DR CROKES ARE COUNTY SENIOR FOOTBALL CHAMPIONS FOR THE 12TH TIME

Dr Crokes are Garveys Supervalu senior football champions for the 12th time following their two points victory (0-17 to 1-12) over a gallant South Kerry side at Tralee's Austin Stack Park on Sunday evening last. They thus join both Austin Stacks and Laune Rangers at the top of the Championship Roll of Honour.

The victory was probably all the sweeter for the Killarney side given that they had to dig deep against a side that refused to throw in the towel and of course it must also be remembered that they had to play the last quarter without county player Johnny Buckley who was dismissed following a black card on top of the yellow he had picked up earlier.

After the game, Tim Murphy presented the Bishop Moynihan Cup to winning Dr Crokes captain Daithí Casey and Jim Garvey of Garveys Supervalu presented the Man of the Match to Gavin White of Dr Crokes who was the unanimous choice of the printed media correspondents covering the game.

Before the game, the Mid Kerry team, Kerry senior football team, county champions of 1992 were presented to the crowd.

DR CROKES IN MUNSTER CLUB ACTION

Fresh from their county final victory on Sunday last Dr Crokes will put their All Ireland Club title on the line when they travel to Clonmel on Sunday next to take on Clonmel Commercial in the Munster senior club quarter final (2pm). While it would be a huge surprise were the Kerry side to lose their crown, the wearers of the black and amber will need little reminding of the giant killing act by the Tipperary side when they rocked Nemo Rangers with a late, late, goal to clinch the Munster title in 2015. Still this Kerry side you would think are in a different league and they will be overwhelming favourites to go on to a semi final meeting against Clondegad or Kilmurray-Ibrickane of Clare a game that would be played in Killarney.

Kerins O'Rahillys maintain their County Championship Title

Kerins O'Rahillys maintained their proud senior football championship status with victory over Kilcummin in the senior football championship relegation playoff in the curtain raiser in Austin Stack Park on Sunday last (2-12 to 1-10). The winners were a little fortunate to go to the half time break on level terms (1-4 each) and availed of a dominant third quarter to go four points clear. Kilcummin refused to wilt however and cut that deficit in half before a late goal confirmed that the Tralee side would be playing

senior championship next season.

Kilcummin meantime, will play in the Intermediate championship next year having been senior since 1998 which in itself was a remarkable achievement.

A BIG WEEKEND OF CASTLEISLAND MART CLUB CHAMPIONSHIP FOOTBALL IN STORE

DROMID PEARSES AND FIRIES MEET IN JUNIOR PREMIER DECIDER

Dromid Pearses and Firies meet in the Castleisland Mart Intermediate Championship final in Killorglin on Saturday next, a game that throws in at 4pm.

There is certainly a gap between the sides when it comes to the League. Dromid Pearses were in Division 3 this past season and gained promotion to Division 2 for next year while Firies finished 6th in Division 4. Dromid defeated Renard and Fossa in the 1st Round and Quarter finals respectively, both by narrow margins but had it relatively all their own way when defeating Skellig Rangers in the semi final. Firies had comfortable victories over St Senans and Keel in their first two games scoring three goals in each and they got another three when surprising Na Gaeil in the semi final. Indeed all of their opponents finished ahead of them in the League with Na Gaeil and Keel topping Divisions 3 and 4 respectively while St Senans were also a Division 3 team.

Extra time will apply to this game in the event of a draw at full time given that the winners are away to Clare champions Naomh Eoin on the following weekend. Referee for this game is Seamus Mulvihill (St Senans).

CASTLEGREGORY AND LISTRY CONTEST THE JUNIOR CLUB FINAL ON SUNDAY

The curtain raiser in the Castleisland Mart Club Championship double bill on Sunday (1pm) is the meeting of Castlegregory and Listry at 1pm. Castlegregory are no strangers to Club Championship finals having gone all the way to win the All Ireland Junior title in 2010. They have slipped down to Division 5 since that glorious day but they are back up in Division 4 this year and have defeated Scartaglen, Duagh and Tuosist on the way to Sunday's final. Listry, under the management of former Dr Crokes All Ireland winning captain Seanie O'Shea, have been playing their football in Division 2 of the League these past couple of years, not withstanding the fact that they were relegated this year and they have had tough encounters against Asdee, Tarbert and Lispole on their way to the final which should stand them in good stead. Extra time applies in the event of a draw and the game will be refereed by Eamonn Moran (Ballydonoghue).

CREDIT UNION SENIOR FOOTBALL LEAGUE

There are some important issues to be tidied up in the Credit Union senior football League over this coming weekend.

In Division 1 the relegation playoff between St Marys and Milltown Castlemaine will take place in Glenbeigh on Sunday at 2pm. Both of these sides finished locked on 8 points ahead of Austin Stacks and Desmonds who are already relegated to Division 2 next season.

The Division 3 relegation playoff between Gneeveguilla and St Senans, due to take place last weekend was postponed due to a bereavement and it will now go ahead in Castleisland on Saturday at 4pm.

In Division 4 the title playoff between Keel and Lispole will be played on Sunday in Strand Road at 1pm.

Meanwhile on Monday, the Division 4 promotion playoff between Dr Crokes and Skellig Rangers, to decide who goes to Division 3 next season along with Keel and Lispole, will take place in Cromane at 2pm.

All those playoffs carry extra time in the event of a draw.

NEW KERRY GAA WEBSITE IS LAUNCHED

A new Kerry GAA Website will be launched on this Saturday. Our aim at the design stage was to bring the Website up to a modern standard rich in content and colour and in particular to make the site mobile friendly given that a large percentage of the people who log on to the site do so via mobile phones.

In the new site we have paid particular attention to Fixtures/Results and News Items and we have introduced some new features such as the Club Locator. While many of the features of the old Website have been retained it was not possible to retain all of them, and many of those that have been retained, such as the Forum, have been re located.

The new site is still very much a work in progress and at this stage we would welcome any suggestions on how to improve the site – constructive feed-back is always welcome. You may contact us at itofficer.kerry@gaa.ie with your views.

We hope that the new website will be to your liking.

NEW KERRY JERSEY TO BE LAUNCHED ON FRIDAY

The new Kerry home jersey will be launched in conjunction with team sponsors Kerry Group on this Friday (27th) at 12 noon at the Kerry GAA Store in the Killarney Outlet Centre. The Jersey will be unveiled by Mr Frank Hayes Head of Corporate Affairs, Kerry Group along with Mr Tim Murphy chairman

CROKES CLAIM 12TH CROWN

DR CROKES 0-17 SOUTH KERRY 1-12

KERRY O'SHEA REPORTS FROM AUSTIN STACK PARK TRALEE

Dr Crokes claimed their 12th Garvey's Kerry SFC when they defeated old rivals South Kerry in an entertaining decider at the Austin Stack Park on Sunday.

This win was a particularly sweet success for Crokes as they had never beaten their great rivals in a Kerry decider and had already lost three finals to the Southerners in recent years.

Crokes, who had to line out without Colm Cooper, a late withdrawal through injury were never behind once they hit the front in the 10th minute.

In the end, Pat O'Shea's side availed of their chances that bit better than South Kerry and that was where the difference lay.

South Kerry had a number of guilt-edged opportunities towards the finish when it appeared that Johnny Buckley's sending off on a black card after 48 minutes could tilt the balance in their favour.

However, as we know from the past Crokes are hardy battlers and with Man of the Match Gavin White, who is surely in line for a call-up to the Kerry Senior set-up, leading from the back, the Killarney side hung on for the victory with late scores from Jordan Kiely and Kieran O'Leary, from a pass from Colm Cooper who was introduced in the 42nd minute.

Crokes were enjoying a four-point lead in the 18th minute when a poor pass from Mike Moloney who was later black-carded, gifted possession to South Kerry's Ian Galvin who finished to the net past Shane Murphy. Despite this superb goal, Crokes led by two points at the break, 0-11 to 1-6

After the break, Michael Burns extended the Crokes advantage but South Kerry with scores from Paulie O'Donoghue and Bryan Sheehan reduced the gap to one. Daithi Casey and Sheehan exchanged points

and when Sheehan who had earlier missed a basic free, pointed to level the scores with 49 minutes gone, South Kerry's hand appeared to be on the Cup.

Even though he didn't start, Colm Cooper was introduced as a sub in the 42nd minute. The Gooch was seeking his 7th Kerry SFC medal, as was former Kerry team mate Eoin Brosnan.

It was a special day too for arch GAA supporter Mike Allen from Ballyhar, who was attending his 71st County SFC final. The only final Mike missed was in 1957 when Kerins O'Rahilly's defeated St Brendan's. Well done Mike.

FR GALVIN CUP

FOSSA 1-12 CORDAL 1-11

Fossa progressed to the Semi Final of the Fr Galvin Cup, East Kerry Intermediate Championship, sponsored by The Aquila Club, Gleneagle Hotel, with a 1 point win against hosts Cordal last Sunday. In a game of 2 halves, visitors Fossa build a convincing lead in the first half. Tadgh O'Shea opened the scoring with a point from play. A scatter of points (Philip O'Connor and Brian Reidy - Cordal, Mikey O'Shea, Tadgh O'Shea and Paudie Clifford - Fossa) saw the visitors lead 0-6 to 0-2. Then came a key move of the game. The impressive Paudie Clifford, collected the ball in the half back line and made a penetrating run forward. Paudie picked out Tadgh O'Shea, took the return pass and punched the ball to the net. Fossa led 1-6 to 0-2 and look to be on course for a convincing win. A Donald O'Sullivan point extended the Fossa lead. Philip O'Connor replied with a pointed free. A Brian Reidy converted free left the score at the half time score: Fossa 1-7 Cordal 0-4.

On the restart, Fossa increased their lead with a pointed free by Donald O'Sullivan. However, Cordal notched up 3 points without reply. Philip Griffin provided Brian Reidy for a point from play. Cordal Goalkeeper, Seán Óg Ó Ciardubháin, converted a 45m free and Brian Reidy pointed a free- 0-7 to 1-8 on the 38th minute. It was tit for tat in the next 10 minutes. Tadgh O'Shea pointed a free. Philip O'Connor replied for Cordal. Fintan Coffey fired over for a Fossa point from play, from a lovely lay off by Paudie Clifford. Cordal goalkeeper, Seán Óg Ó Ciardubháin, kicked great pointed free - 1-10 to 0-9 in Fossa's favour on the 39th minute. It was end to end. A well struck free came off the post for the Cordal keeper and Fossa turned defense into attack. However, good defence by Cordal gave the home side the advantage again. Both sides were unlucky on front of the posts. The sides swapped points. Tadgh O'Shea (Fossa) in a move started by Lorcan Daly and Paudie Clifford. Philip O'Connor (Cordal) replied immediately, with a point from play. Fossa increased their lead with a Donald O'Sullivan point, provided by the industrious Paudie Clifford - 1-12 to 0-10, on the 55th minute. Donal Mc Carthy won the

kick out, made a surging run forward, laid off to Philip Griffin who found the Fossa net - 1-10 to 1-12. Game on. As the clock ticked to full time both sides created scoring chances, only to see the ball trail wide. As the end of normal time approached Fossa were reduced to 14. Cordal pressed forward and with the game in added time, Philip O'Connor pointed from play reducing the gap to a single point. Excitement was a fever pitch. Both sides created further attacks without scoring and Fossa held out to progress to the semi final against Furies on a final scoreline of Fossa 1-12 Cordal 1-11.

TATLER JACK EAST REGION MINOR LEAGUE DIVISION 2 FINAL

BEAUFORT 1-18 GLENFLESK 1-10

A powerful team performance saw Beaufort annex the Gleneagle Hotel Perpetual Cup when they won the Tatler Jack East Region Minor league Division 2 Final, on Sunday at Beaufort. Midfield pair Ciaran Kennedy and Jonathon Kissane hit 12 points between them. The Glenflesk team, despite injuries to some of their key players, put up a stout resistance up to half time but were overrun in the second half.

An Ian Roche pointed free for Glenflesk opened the scoring followed by two pointed frees from Ciaran Kennedy for Beaufort. Two top

class saves by Glenflesks Mark Kelliher from point blank shots by Beauforts Jack O'Connor and Jason Halissey followed. When O'Connor slipped the ball to Halissey at the edge of the parallelogram in the 13th minute, the wing forward made no mistake and Beaufort lead by 1-2 to 0-1. Glenflesk then hit a purple patch and over the next 15 minutes put 1-4 on the scoreboard. Centre back Alan Murphy evaded a number of tackles and playing one-two with Darragh Fleming, Murphy struck a fine goal. Points from Jamie Ó Sé, Patrick Darcy (2) and Alan Murphy saw the scoreboard read 1-5 to 1-3 in Glenflesk's favour with 5 minutes left in the half. However, misfortune befell Glenflesk. Midfielder Jamie Ó Sé had to retire with injury. Beaufort finished strongest as Jack O'Connor soloed 40metres to put over a great point followed by two converted frees from Aaron Kennedy. Half time Beaufort 1-6 Glenflesks 1-5.

With Beaufort's keeper, Sean Coffey, hitting inch perfect kick outs to Ciaran Kennedy, the Beaufort midfield was dominant throughout the second half. Glenflesk levelled the scores - 1-6 apiece- with a Patrick Darcy point. However, within 3 minutes, Beaufort was three points ahead with Jack O'Connor, Johnathan Kissane and Paudie Coffey all profiting from the good work of William Joy, Ciaran Kennedy and Ciaran O'Sullivan. Glenflesk were dealt another blow when Mark O'Donoghue retired with an injury. Ian Roche converted a free but over the following 18 minutes, Beaufort added eight points (Ciaran Kennedy (5), Jack O'Connor, Rory Clifford and Jonathan Kissane), to lead 1-17 to 1-7 with 5 minutes left. Beaufort's keeper, Sean Coffey, denied Glenflesk a goal chance from an Alan Murphy pile driver. Another promising Glenflesk attack was snuffed out by a great interception in defence by Ciaran O'Sullivan. Glenflesk finished strongly with points from Ian Roche and Patrick Darcy (2) while Beaufort captain Jonathan Kissane put their 18th point on the scoreboard. It finished Beaufort 1-18 Glenflesk 1-10.

DR. CROKES GAA NOTES

SENIOR COUNTY FINAL 2017

Played in Austin Stack Park

Dr Crokes 0-17 South Kerry 1-12

At the end of the first quarter it was a definite

FOSSA TEAM WINNERS OF THE FR GALVIN CUP INTERMEDIATE CHAMPIONSHIP PRELIMINARY ROUND GAME PLAYED ON SUNDAY V CORDAL .

that this game was going to go to the wire. We got on top in the early stages and led 0-7 to 0-3 coming to the end of the first fifteen minute period. We were rocked by a South Kerry goal at the commencement of the second quarter to leave us just a point ahead. We shaded the last ten minutes, scoring four points to our opponents three. This left us 0-11 to 1-6 in front when the referee blew the half time whistle. Their goalkeeper denied us goals with some great saves in this first half but our goalkeeper Shane Murphy made some great saves also during the game and his kick outs were also excellent.

The teams exchanged points on two occasions in the first twelve minutes of the second half. Two points from South Kerry without reply brought them equality with ten minutes to go. The defining moments of the game came in the next seven minutes when we sent over three unanswered points. We now had a three point lead with six minutes to go including three minutes of injury time. We were also down to fourteen men at this period but our defence managed us to hold out. Our opponents sent over two points to leave just the minimum between the sides. A point by Kieran O'Leary in the 62nd minute eased our anxiety but we were relieved to hear the referees final whistle a minute later. This left us winners on a scoreline of 0-17 to 1-12.

We had to line out without our talisman Colm Cooper but all our lads responded to the task we had in hand and this carried us over the line in the end. Colm came on in the last quarter and had a big part in our recycling of the ball in the closing stages and our eventual win.

This was a twenty one man victory as all played their part, the first fifteen and the six subs introduced. One however would have to mention Kieran O'Leary 0-4, Micheal Burns 0-4 and Daithi Casey 0-3 who contributed eleven points from play. One would also have to single out Gavin White who deservedly won the man of match award.

South Kerry were in this match right to the final

whistle and can be very proud of their display. Team and Scorers: Shane Murphy, John Payne, Mike Moloney, Luke Quinn, David O'Leary, Fionn Fitzgerald, Gavin White 0-1, Alan O'Sullivan, Johnny Buckley, Micheal Burns 0-4, Gavin O'Shea, Brian Looney, Tony Brosnan 0-2, Kieran O'Leary 0-4, Daithi Casey 0-5 (0-2 frees) Subs: Colm Cooper, Jordan Kiely 0-1, Shane Doolan, Paul Clarke, Ambrose O'Donovan, Eoin Brosnan.

LEGION GAA NEWS

U16 BOYS

Our 16 boys defeated a gallant Gneeveguilla by 2-14 to 0-08 on Sunday in the East Kerry Division 1 championship. The inclement weather of late had little effect on the pitch which was in excellent condition. Both sides were missing several key players but despite this the teams served up a very entertaining match. Legion got off to the better start. Tadhg Doolan was in impressive form up front, winning plenty of ball while Niall McGillicuddy's free taking was as reliable as ever and he converted several

difficult frees. Darragh Lyne and Evan Smith had a great battle in midfield with Darragh kicking a lovely point from distance. Our defense were in a mean mood once again and this was our 3rd game in a row not to concede a goal. Kieran O'Donoghue and Adam Kissane had terrific games in the backs while Peter O'Sullivan's powerful running saw him score 3 super points from wingback.

Halftime: 0-08 to 0-02.

Gneeveguila shot out of the blocks in the second half, reducing the score to 0-09 to 0-05. This seemed to be the wake up call that we needed. Our lads upped the ante and were awarded a penalty after Tadhg Doolan was fouled by the keeper. Ryan O'Grady made no mistake and slotted home the ball. William Shine made a big impact when he was introduced while his under 14 teammate, Darragh Fleming made no mistake when he found himself unmarked at the back post, tapping in a perfectly floated cross. It was a good all round team performance with 7 different players getting on the scoresheet. The club would like to wish the young Gneeveguila player who got injured today a speedy recovery.

Final score: Legion 2-14 Gneeveguila 0-08.

We now meet Rathmore in the final.

CLUB MASS

Many thanks to everyone who attended our Club Mass on Friday last. Celebrant Fr Simon Twomey gave a wonderful service and well done to all who participated in the readings, the choir and the Prayers of the Faithful. Special thanks to all who helped prepare the sandwiches, buns and light refreshments especially Joanne Downey. They certainly went down well and added to a nice occasion in the clubhouse.

KERRY MINORS

After the Mass we availed of the opportunity to honour our club members who were part of Kerrys All Ireland minor win this year. Chris Flannery was the teams physical trainer and he received a token of appreciation from the club for the superb job he performed in the role. Cian Gammell was presented by special guest minor manager Peter Keane and club chairman Enda Walshe with a framed action photo of him from the All Ireland final. This was in appreciation for the many achievements he had in 2017. It's been a remarkable 2 years for the dashing defender.

SENIOR FOOTBALL CLUB CHAMPIONSHIP PLAYOFF

Kilcummin 1-10 Kerins O'Rahillys 2-12. We left Austin Stack Pk on Sunday last with a mixture of emotions, disappointed at losing our senior status, mystified and frustrated at some decisions but the over riding feeling was one of great pride. Our players and mentors gave it everything and despite a number of injuries we left with our heads held high after a very competitive and entertaining game. It brings to an end a twenty year journey as a senior club that saw us reach one Senior Co Championship final, in 2002 one semi final and replay, in 2007 a Munster Senior Club Semi-Final in 2007 and a Minor Co Championship title in 2010. Sunday's game saw us play some of our best football of the year and at half time both sides had scored 1-4 apiece. Kevin McCarthy finished sublimely to the net after an outstanding catch and pass from Kevin Gorman who had a fine game throughout. Brendan Kealy had opened

GLENFLESK MINORS 2017 DIV 2 FINAL ER MNR LGUE

the scoring with a long range free Matt Keane and Noel Duggan accounting for the other scores. A quick start to the second half saw Matt Keane and Brendan Kealy add further points but Rahillys matched score for score. Despite some powerful defending and further scores courtesy of Noel Duggan and Kevin Mc Carthy we found ourselves trailing by two points with two minutes left. However following a free awarded to Rahillys that left most spectators scratching their heads to put it mildly, the ball ended up in the net to put a five point margin between the teams and a flattering score line for the winners. Our next game is against Dr Crokes in the O'Donoghue cup scheduled for Saturday week Nov 4th in Lewis rd.

FARRANFORE MAINE VALLEY ATHLETIC CLUB

The Munster Juvenile Even Ages Cross Country Championships were held on Sunday 22nd October in Clarecastle, Co. Clare. Following some very heavy rainfall on Saturday the course was very wet and muddy. Although great efforts were made by stewards to keep the course clear, there was no avoiding the mud.

We had four of our juvenile athletes competing. First up was Diarmuid Kirwan in the U12 2000m race. This was two small laps. Diarmuid did very well with almost 150 boys competing he finished in 65th place. Shauna McCarthy U14 3000m was our only girl competing. The course was 1 small lap and one large lap. Shauna who won the county U14 & U15 XC races was in part of the main group after the first lap. Slowly the athletes began to spread out as the wet & muddy course began to take its toll. With 1000m to go, Shauna still looking very strong took the lead and began to inject some speed. No one else was able to follow and Shauna won the U14 race with plenty to spare. Cian Spillane and Malachy Kirwan represented the club in the U14 boys race. From the start Cian was part of the lead group changing front positions throughout the course. With 400m to go the gold medal was between Cian and another. Cian made a break in the last 200m but was unable to shake his competition off. Cian had to settle for a well deserved second place. Malachy, who is most suited to the shorter distances, ran a very gutsy race and finished very strong in 32nd place. Congratulations to all four of you. Shauna and Cian will now go forward to represent Munster in the National Cross Country in November.

The Autumn Open International Cross Country was held on Sunday 22nd October at the National Sports Campus, Abbottstown. The event showcased Ireland's talent from junior level right up to the masters along with a selection of international runners. The combined women's race of 6000m distance was also part of the Masters Irish Team selection for the British & Irish Masters Championships. Maria McCarthy, who has represented Ireland on two occasions ran very well to finish 6th place in the O40, with Marie McKenna 14th & Grainne Tierney 19th. Caitriona Barry was 9th & Bernie O'Mahony 13th in the O45.

In the men's 7,500m Dermot Dineen was 27th in the O35 & Jerome Foley 14th in O50. They

both ran very well and enjoyed the experience competing with some of the best runners in Ireland.

GNEEVGUILLA BASKETBALL CLUB

DIV2 GNEEVGUILLA 47- ST ANNES 28

Gneeveguilla girls got off to good start in their first home game of the season. A strong first two quarters by the Gneeveguilla girls made it difficult for the St Anns girls. Aishling Brosnan and Michelle Fleming for the home team

scored from both inside and outside shots, while Kornekia Cybul and Hanorah Hurley were very strong in defence. But credit to St. Annes they won the third quarter with fine scores by Magan Brosnan, Kimberly O'Brien and Chloe O'Connor. The last quarter was tight but Gneeveguilla had a lead from the first half that St Annes could not get back despite performing strongly until the final whistle. Aoife O'Suilevan put in a fine second half performance in defence for the home side, and Alice O'Leary put in a sterling performance as point guard. Gemma Cremin, who went off injured in final quarter, and Megan Mc Carthy for Gneeveguilla worked hard right through the game. Final score Gneeveguilla 47 St Annes 28.

Boys U-18 National Cup Gneeveguilla 87-61 St Brendan's. (Played 21/10/2017)

Gneeveguilla BC made its U-18 National Cup debut on Saturday evening with a home game against fellow Kerry club, St. Brendan's of Tralee. A large crowd assembled in Rathmore gym on a windy, rainy evening and were rewarded for their perseverance with a high-energy, high-skill, high-scoring game.

After Ronán Collins struck the first blow for Gneeveguilla, scoring a 3-pointer from the first possession, it was the Tralee side who settled quicker, taking an early 7-3 lead with Padraig Fleming leading the way with 7 first-quarter points. Gneeveguilla rallied with the introduction of Lorcan Keane at point guard and a Paul O'Leary 3-pointer edging the home team to a 13-11 lead after the opening 10 minutes.

Rap Buiydas and Ronán Collins were locked in a great one-to-one battle throughout and it showed their class that both scored highly despite this close attention, Rap with 10 and Ronán with an outstanding 40 points, making him high scorer in the game. The 2nd quarter saw both teams scoring 19 points each, with Cathal Collins top scorer in this quarter for Gneeveguilla and Padraig Fleming for St Brendan's. Padraig finished top scorer for his side with 18 points. So at the half the game was very much in the balance, 32-30 to Gneeveguilla.

The third quarter saw Gneeveguilla hit top stride, scoring 20 points in under 6 minutes and opening up a 17 point lead, with Paul O'Leary and Ronán Collins scoring 27 consecutive points for their team during this stretch. Paul scored 17 in total. David Gleeson scored 9 points, but he was more noticed for his outstanding rebounding, and along with Sean Clifford, for diligent defending. It was St Brendan's turn to rally, and with Aaron Fleming (6 points) and the excellent point guard Laurence Guardino (16 points) leading the way, they reduced the deficit to 63-50 after 3 quarters.

In the 4th quarter, The home team increased the lead once again, with contributions from Charlie Collins and Donal Hurley, and this time St Brendan's had no answer, and the game finished 87-61 to Gneeveguilla. Coaches and officers of the club expressed their delight with their first experience in this competition and the result, and they look forward to more exciting games in the coming weeks and

KILLARNEY GOLF CLUB - MENS

Club President Breda Duggan, Club Captain Derry McCarthy and Lady Captain Sheila Crowley, will be the welcoming party to greet Paul McGinley when he arrives at Killarney Golf and Fishing Club on Thursday evening next, the 26th of October, when Paul will be presented with the highest accolade that our Club can bestow on any person, that is the award of "Honorary Life Membership".

The function will begin at 6.00 P.M. sharp, and many of our former Club Presidents, Captains, and existing Honorary Life Members will be present to grace the occasion.

This award was offered to Paul in December 2014 by the then Club President, Denis Cronin, just months after Paul, as Team Captain, had led his European Team to victory in the Ryder Cup at Gleneagles in Scotland. Denis had previously met with Paul on a number of occasions, the first occasion was here in Killarney in January 1993 when Denis was the Club Captain for our Centenary year, and an exhibition/challenge match was arranged to mark the occasion, and Paul who was partnered by Philip Walton defeated John McHenry and our own Eoghan O'Connell by 68 strokes to 71 strokes.

Paul graciously accepted the award on the 8th of January 2015, when his name was added to our list of Honorary Life Members. Denis was also present when Paul and Pdraig Harrington famously defeated Tiger Woods and Davis Love 111 at Oakland Hills U.S.A. in the 2004 Ryder Cup by 4/3 after they had gone two down after two holes against the Americans, Denis has Paul's Golf glove as a treasured memento of the occasion.

Paul's career include 3 Winning Ryder Cup successes in 2002, 04, and in 2006, when the Ryder Cup was played at the K Club in Co. Kildare. In 2002 Paul had the honour of holing the winning putt of the Ryder Cup when he holed his putt on the 18th green in his match against Jim Furyk at the Belfry, in England, it was from about 10 feet, and Paul has since described this putt as the single Golf stroke as being the most decisive and defining moment of his entire playing career, and for which he will be forever remembered. Paul has remained undefeated in his singles matches in the Ryder Cup. Paul has also won 9 tournaments worldwide, and they include his winning partnership with Pdraig Harrington in the World Cup of Golf when it was played at the Ocean Course Kiawah Island South Carolina U.S.A. in 1993. Pdraig is also an "Honorary Life Member" of Killarney Golf and Fishing Club, it was awarded to Pdraig in 2010.

TIME CHANGE THIS WEEKEND

Before you go to bed on Saturday night remember that Clocks go back 1 hour as Summer time ends at 2am on this Sunday October 29th. For your own convenience reset all timers (heating etc).

Longer hours of darkness ahead - road users make sure you can be seen at a distance. If you are not already a member of a Library now is a great time join and discover the pleasure of a good read.

FIREWORKS ARE ILLEGAL

For those of you that like putting the lives of the Emergency Services and public at risk and enjoy terrifying the elderly, babies and animals - are you willing to face a fine of up to of €2,500 or to imprisonment for up to 6 months or both? Yes folks that is the penalty you could face if you are found in possession of a firework without having a licence to import, or for their use even in your own property, or if the person caught using them supplies your name to the Gardai.

TIPS FOR PROVIDING A SAFE HALLOWEEN FOR ALL ANIMALS

Farmers it is now time to double check your roadside fences especially to make sure they are stockproof and to make your cubicle houses, fields and feeding yards etc as safe as possible to prevent injury or death to terrified animals and also make sure your farm dogs are secured in comfortable surroundings they cannot escape from.

As it impossible to know when fireworks will be set off keep your pets inside as much as possible, from this weekend until November 2nd preferably with human companionship. Keep your dog on a lead while it does its necessary in the garden and provide clean litter trays for cats etc. If you are unable to be present to comfort your pet leave a radio switched on. Make sure your pets do not escape when you answer the door to 'trick or treaters' and if you are having a party remember all alcohol and most human foods are poisonous to pets - it is really safer to keep your pets in rooms away from all the excitement.

Provide a safe place inside for your pets to retreat. When scared of sounds they can't orient, dogs often prefer small enclosed areas. Keep the curtains closed, and also the windows. Make sure all your dogs are wearing ID tags with a properly fitting collar. (Dogs have been known to become Houdini around Halloween.) Leave your pet something fun to do - like a frozen Kong filled with his favourite treats.

If a pet or any animal goes missing at Halloween or any other time, please place notices in shop windows etc. also contact your local Garda Station, the numerous animal shelters throughout the County and the Kerry Co. Council Pound at 066 - 7183 700.

THE ORIGIN OF HALLOWEEN

Samhain, the Celtic festival of the dead was celebrated on October 31st with big bonfires,

parades and dressing up in costumes.

In later years The All Saints Day celebration which falls on November 1st was also called All-hallows or All-hallowmas (from Middle English Alholowmesse meaning All Saints' Day). The night before it, Samhain, began to be called All-hallows Eve and, eventually, Halloween.

The tradition of the Jack-o'-Lantern stems from Ireland, England and Scotland, where ghostly flickering lights, a natural phenomenon known as "ignis fatuus" or "fool's fire" that might be seen in the distance over bogs, swamps or marshes and would disappear upon approach. It was thought to be trying to lure night-time travellers off the safe roads. In Ireland, the story goes that an unsavoury character named Stingy Jack kept tricking the devil into not claiming his soul upon death. When he got to heaven, he found that God didn't want him because of his misdeeds, so he was condemned to roam the earth with nothing but a burning coal to light his way. He carved a turnip into a lantern and became known as "Jack o' the Lantern."

Across Britain and the continent, people started making their own spooky lights from various indigenous hard vegetables that were carved out and lit from within with candles. Immigrants to America brought the tradition with them and began using locally grown pumpkins, which were larger and easier to carve.

The American tradition of "trick-or-treating" dates back to early All Souls' Day parades in England. During festivities, poor citizens would beg for food and richer families would give pastries called "soul cakes" in return for a promise to pray for the wealthier family's dead relatives.

The practice, which was referred to as "going a-souling" was eventually taken up by children who would visit the houses in their neighbourhood and be given ale, food and money. It is believed that this is the first time the celebration turned into a community event.

FROM RAGS TO RICHES

When Dr. Charles Mully was growing up in Kenya, he lived in an abusive home for the first six years of his life. His father was an alcoholic and he was abandoned at just six years of age. For 10 years, he survived as a beggar, living on the streets. Though he attended and finished primary school, Mr. Mully couldn't afford secondary school. Growing tired of being homeless, he took it upon himself to walk more than 40 miles to Nairobi, where he found a job in a private home.

Eventually, he gained more lucrative employment and was able to save up enough money to buy a vehicle. From there, he started his first business - a transportation company. He went on to start multiple other companies and by his late 20s, the once-homeless boy was valued in the millions.

When his car was stolen by street children, he saw himself in them. Knowing that he had to help them, rather than giving them money to return his car, he took on a new life passion: saving underprivileged children.

He had long felt guilty for all his wealth and when he was confronted by the homeless kids, he saw an opportunity. Mr. Mully liquidated all his businesses despite having a loving wife and seven children, and began bringing children back to his family's home.

The once-wealthy entrepreneur's family thought he was crazy. Mully even went so far as to send his children off to higher education at boarding schools so he could make more room in their home for other street kids.

From 1989 to 1995, Mr. Mully and his wife took in more than 300 children. But their home was

too small for such numbers, so they began looking for a new place to run Mully Children's Family (MCF).

The organisation found land in an arid part of Kenya and began building. Soon, the Ndalani outpost was a 503-acre self-sustaining farm. The Mully's continued to take in more and more children, educating them, housing them, and showing them that love existed in the world. Since the beginning, Mr. Mully and his family have taken in more than 13,000 children. They've gone on to become engineers, doctors, teachers, lawyers, and scientists. And nowadays, there are multiple MCF outposts. The Mully's goal is now to start a university.

HIKER RESCUED A ROOSTER AND CARRIED HIM 42 MILES TO SAFETY

Heather Bolint was not expecting to rescue a rooster while of hiking the Appalachian Trail. Heather Bolint is an animal advocate but a few months ago, the 31-year-old left a job with The Humane League, working on farm animal protection measures, in order to fulfil her lifelong dream to hike the Appalachian Trail from Maine to Georgia. Still devoted, Heather had been using the hike as a fundraiser for the animals.

By 9 a.m. on Oct. 10, Heather had already hiked 4 miles that morning. She'd completed 1,124 miles of her hike altogether, and was in Pennsylvania, about a half-mile north of the Mason-Dixon Line.

That's when this very "fancy rooster appeared out of nowhere. The rooster in question was on a trail, about 30 feet from a rural road, with no houses nearby. Heather sat on a log, while eating some snacks and waiting to see if the rooster would depart on his own or if he'd be collected by another person. "But he just stuck around," she said.

She walked around for a good long while to see if there was any evidence of a home the rooster might belong to. There wasn't. It's possible the rooster, who seemed comfortable around people, had been left to fend for himself in an area with many predators and she later heard that another hiker had seen the rooster there a couple of days earlier.

"I was afraid that someone just dropped him off there because it was a quiet country road, and because he was a rooster, which people don't always desire," she said.

Given her professional background and passion for animals, plus having always taken care of creatures in need, what choice did Ms. Bolint have? Holding the rooster close to her body, they proceeded along the trail. Now familiar with one another, she called him Eddie.

Over the course of the following 24 hours, Heather carried Eddie for 42 miles, from Pennsylvania to West Virginia, having stopped about every hour so he could forage for insects and plants and drink some water.

The two reached Harper's Ferry, West Virginia, at noon the next day where Heather's boyfriend, who works for another farm animal advocacy group, met them with his car. He suggested reaching out to a farm animal sanctuary called Poplar Spring, located on 400 acres in western Maryland.

"We rescue farm animals from many bizarre situations, but this one was definitely unique," Poplar Spring co-founder Terry Cummings renamed the rooster Mason, in tribute to the location where he was found. Mason settled in well and went through a quarantine period

until the veterinarian deemed him safe to interact with the sanctuary's other animals and he is now living a wonderful, happy life.

THE CEO WHO GAVE 90% OF HIS SALARY TO HIS STAFF

In April of this year Dan Price, CEO of the Seattle-based tech company Gravity Payments did something with barely any precedents in the modern business world. He gave away 90 per cent of his own pay to raise the salaries of his 120 employees to a minimum \$70,000 a year.

When he announced the decision to his staff "There was a moment of stunned silence. Some people were looking around at each other, a few jaws had dropped, and then someone actually asked me to repeat myself. Then the team started clapping, cheering, and giving each other high fives. It was an emotional moment" he said.

Mr. Price's decision came after reading a study by Professors Angus Deaton and Daniel Kahneman of Princeton University, which found that emotional wellbeing rises with income up to a cut-off point of \$75,000 dollars, after which extra pay has no effect on happiness. At first Mr. Price struggled to make the numbers work, but after a while he realised that by cutting his own pay and using some company profits, he could afford it.

Mr. Price believes that freeing employees from money worries enables them to better focus on their work.

FEARLESS HERDING DOG SURVIVES CALIFORNIA WILDFIRES AFTER REFUSING TO ABANDON HIS GOATS:

A brave goat-herding dog who refused to abandon his flock amidst the deadly California wildfires miraculously survived the flames that burned the entire property.

Odin is one of two Great Pyrenees who take turns guarding the Handel family's eight goats from coyotes and mountain lions, and he was on duty the night the fires broke out.

As the raging fires encroached upon their home, Roland Handel had to make a split-second decision: try to force his dog Odin into the car, or leave him behind.

"My daughter and myself had opened the gates so the animals could flee and loaded up our 3 other dogs and 2 cats in the family car, but Odin, our stubborn and fearless Great Pyrenees would not leave the goats. Even under the best of circumstances it is nearly impossible

to separate Odin from the goats after nightfall when he takes over the close watch from his sister Tessa. I made a decision to leave him, and I doubt I could have made him come with us if I tried. We got out with our lives and what was in our pockets" Mr. Handel said.

Mr. Handel returned the next day to discover that his home and everything else on the property was completely destroyed - except for Odin, who was there waiting for him with all eight goats.

"Eight goats came running to see us and get cuddles and kisses," he said. "Dixon has a burn on his back the size of a nickel. Other than that they are perfectly fine. Odin's fur is burned and his whiskers melted. He was limping on his right leg. And he has adopted several baby deer who huddle around him for safety and water from the goat trough, which is miraculously intact and full of relatively clean water" Mr. Handel added.

A JOKE FOR HALLOWEEN

A woman had a heart attack. During this, she died and met God.

"Will I die?" she asked.

"No," God replied, "You will live for another 40 years, 2 months, and 8 days."

At that instant, she snapped back to life and decided to make the most of her life.

She got a face lift, liposuction, and a tummy tuck. She even gets a surgery to change the colour of her hair. After her final surgery, she walked out and got hit by a car and died. When she goes up to heaven and meets God, she's steaming.

"What was that!?" she asked. "What?" God responded, "You died."

"You said I would live another 40 years!"

"Oh," God thought for a while. "I didn't recognize you."

Finally this week I would like to wish all visitors, readers, advertisers, news contributors and all at the Killarney Outlook office a safe and pleasant public holiday weekend and Halloween.

A WORD OF VICTORY

Welcome back dear reader healing evangelist ministries who travel to Africa and India and third world nations witness tremendous miracles in the lives of the people there. Everything from AIDS to diseases that medicine has no answers for are being supernaturally healed by the power of the Word of God. Sick people travel for miles in great discomfort to where these crusades are being held and there they are rewarded with astounding miracles all done of course, in the name of Lord Jesus, the Lamb of God. Yet when those ministers come to preach in the western world they don't have the same success as out in these poorer nations. Why is this so? The answer is that in Africa and other places the spirits behind these infirmities are known as 'dumb spirits' but in our western world these are intelligent devils that cause the afflicted ones to trust in man's power such as medicine. Here the sick one may get patched up through surgery but they are not healed, but over there they don't have the same resources to rely on as wealthier nations. But praise be to God this is now changing, and here at Word of Victory ministries where we believe that there is nothing impossible with God and to all of us who believe in His Son Jesus we have seen blind eyes open, the deaf hearing, cripples healed and good news is preached to the poor (Luke 4:18). Of course this leaves the medical profession confused and dumbfounded. We've seen people held together with metal implants with limited movement, after prayer having complete mobility restored - verified by x-rays showing the implants gone replaced with real body parts. How did this happen? There is nothing impossible to God and to us because we believe according to His Word (Matthew 21:22; Luke 1:37). It's powerful to see the blind seeing, the deaf hearing the dumb speaking, bipolar sufferers in their sound minds, and Praise God it is simple and not difficult (Matthew 11:5; Mark 16:15-16). So reader if you are suffering and continually going for medical treatment why not come where the Word of God the Lord Jesus can and will set you free, for the truth is God the Father loves you, Jesus loves you and He gave His life to buy our freedom and it is a terrible thing when people, having heard the Word of God turn away and put their trust in worldly ways. Friend, we love you and want to see you well and benefit from what was done for you at Calvary. It's free and listen - you have nothing to lose but everything to gain! More next week...

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in this necessity. There are none, that can withstand your power. This prayer must be said for three days and after that the request will be granted and the prayer must be published immediately. Thank you for favours received. NOVENA TO THE SACRED HEART

You have said O'Divine
 Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted. Never known to fail. Must publish. **M.M**

FIRST ANNIVERSARY AND ACKNOWLEDGEMENT

In loving memory of

TOM NOONAN

Lissivigeen Killarney

who passed away on 31st Oct 2016

On this the first anniversary of Tom's death, his wife, Bernadette and family and his brothers and sisters remember a beloved husband, father, brother and friend. We miss his steady presence, advice, empathy, humour, spark and affirmation. He coped bravely with a difficult illness and was cared for by compassionate and caring staffs in St. Joseph's Nursing Home and Bon Secours and Kerry University Hospitals. He was treated by many doctors but we mention especially Dr. Darren Quirke, Dr. Brendan Lynch, Dr. Helena Moore, Dr. Tariq and Dr. Asif, Dr. Patricia Sheahan and Dr. Elizabeth Hellstrom, together with the palliative care team. We hold dear your care of Tom and your kindness to us, his family. Many thanks to K.U.H. pastoral care team for journeying with Tom and with us and for continued support. We remember with gratitude the attentiveness of our good friends during his final months, those who walked those extra miles with Tom, who comforted him and eased his pain. Our special neighbours are a blessing to us. You accompanied Tom through his illness and your continued support and care is greatly appreciated. O'Shea's Undertakers left no stone unturned in meeting our needs. We are very grateful for your kindness, your advice and respectful attention to detail.

A sincere thanks to all who sympathised with us in many different ways at the time of Tom's funeral; to all who sent mass cards, perpetual enrolment cards and letters of sympathy, and to those who phoned, called to the house and attended the removal and funeral mass and burial. A special thanks to Tom's neighbours from Clare, to his classmates and former colleagues who travelled long distances bringing comfort and prayers to us. Many thanks to Area 36 Toastmasters, who formed a guard of honour. Our parish support is another blessing that sustains us. We mention especially Fr. Niall who was with us during Tom's final weeks and who celebrated Tom's Requiem and delivered a beautiful homily. We give thanks to the concelebrants, Fr. Dan O'Riordan, Fr. Pat Hogan, Fr. Alfred O.F.M. and to Rev. Simon Lumby for his presence on the altar. We are grateful to all who participated in the Liturgy and made it such a moving celebration of Tom's life and love. The Holy Sacrifice of the Mass has been offered for your intentions.

Anniversary Mass in St. Mary's Cathedral on Sunday 28th October at 12.00 noon.

NOVENA TO ST. ANTHONY

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers. Miracles waited on your world which you were ever ready to speak for those in trouble and anxiety. Encouraged by this thought I implore of you to obtain for me my request... (mention request). The answer to my prayer may require a miracle. Even so, you are the Saint of Miracles. O gentle and loving St. Anthony, whose heart was ever full of human sympathy, intercede for me and the gratitude of my heart will ever be yours. Amen.
