## STYLE THE WINNER AT CIK FASHION SHOW

Over 120 dedicated followers of fashion enjoyed a wonderful fashion show in the Hotel Europe last week as part of the Christmas In Killarney Celebrations. Under the watchful eye of top stylist Norma O'Donoghue, the guests enjoyed a champagne reception followed by a five course meal.

Fashion from top Irish designers including Tina Griffin, Catriona Hanly, Claire Garvey and Marion Murphy Cooney to name a few. Noel Cunningham of TV3 fame played host for the evening and along with Lorraine Keane chose local lady Joan Cashman as the best dressed on the evening with American Tessa Smith coming in second place.

Following the fashion show everyone enjoyed a night of dancing at the after party with Jack Healy and everyone went home with a goodie bag packed with little treats.

## JACKIE THE FARMER PASSES AWAY

An air of sadness fell over the town on Tuesday when the news broke that Jackie the Farmer had passed away.

Jackie who was 103 passed away at his home in Ballagh.

Jackie lived the simplest of lives and liked nothing more than sitting down in front of his turf fire chatting to his friends and neighbours.

Padraig Healy of Evoque Photography and a neighbour of Jackie's took this picture in September and it attracted huge interest from everyone especially on social media.

"I took this photo one night in September as Dad Paddy Healy and his Friend Sean Quigley from Silvermines, in Co. Tipperary were visiting Jackie. They would often call to Jackie to sing songs by the fire", Padraig told The Killarney Outlook.

"Jackie used love to sing old Irish Rebel songs from the War and he would go upstairs and bring down a bottle of Jameson for us to sip by the turf fire - one hand on the banister one on the bottle an amazing sight for a man of 103, the room would be filled with smoke and the low light always gave it a sort of Christmas feeling to the place/ the music, stories and laughter would make him smile like a child", Padraig added.

THE LATE JACKIE "THE FARMER" O'SULLIVAN PICTURED BY HIS TURF FIRE AT HIS HOME IN BALLAGH IN SEPTEMBER.  
PICTURE: PADRAIG HEALY EVOQUE PHOTOGRAPHY.

Jackie featured on a documentary earlier this year called "Older than Ireland" in which he said that the key to long life was simple living, home cooking and walking everywhere.

Jackie was predeceased by his wife Rita and will be missed by his many relatives and friends.

Jackie was laid to rest in Aghadoe Cemetery following Requiem Mass on Thursday morning.

Kerry Social Farming is organising a Seminar 'A closer look at Kerry Social Farming' on Friday 4th December at the Malton Hotel, Killarney from 9.00am to 1.00pm. This seminar will cover the topics including an introduction

to social farming, planning and developing social farming, health wellbeing and social farming, farm safety and insurance matters. All are welcome to attend including farmers, potential social farm participants, families/

advocates, service providers and community representatives.

The Kerry Social Farming project started during the summer of 2013 to help build closer links between the farming community & people with additional needs. In Social Farming, the farm remains a working farm at its core but invites people to participate in the activities of the farm. While on the farms people are encouraged to participate in the farming activities of the day and build relationships with the wider community.

The aim of the project was to establish a number of Social Farms in County Kerry which open their farm gates to people with additional needs to come and spend time on their farm and enjoy the experience of being with animals and plants in a safe and friendly environment. Currently there are 8 host farms operating in the project with 16 young adults going out onto these farms every week. There is potential to grow these numbers in the coming years.

The Kerry Social Farming project is being promoted through a working group and places are limited and booking is required through Lisa Murphy Telephone (064) 6636572 by 5.00pm on Tuesday 1st December 2015.

## BEAUFORT DEFIBRILLATOR GROUP COOK UP A STORM

Tasty treats including Spiced lamb tagine, pan fried sea bass and chocolate mousse with hazelnuts were on the menu at the very successful cookery demonstration held by the

Beaufort Defibrillator Group.

Professional, award-winning chef, Mark Doe attracted 150 people to Beaufort's stylish Dunloe Hotel for an evening of cookery tips and tastings.

The Furies based chef who has spent over twenty years working in some of Europe's finest hotels and restaurants, shared valuable and practical cooking knowledge and skills whilst entertaining guests with anecdotes from his years of cooking experience.

Special guest speaker at the event was Dr John Geaney, whose distressing account of his 16 year old son Tom's cardiac arrest was a stark reminder to those attending of the importance of defibrillators and CPR training.

Mary O'Connor, Chairperson of Beaufort Defibrillator Group, told the Killarney Outlook, "Mark did a really fantastic job and we were so pleased with the turnout for the event. Not only did we raise vital funds but we also dramatically increased awareness of what we do which resulted in an impressive 20 people attending training in Beaufort this month. We'd like to thank all sponsors for their kind support and also Brendan O'Sullivan and Mike O'Dowd for the lovely music on the evening."

Beaufort's 9 life-saving defibrillators need to be consistently funded to remain in reliable working order. €2880 was raised on the evening

for the upkeep of life-saving defibrillators in the community.

The next CPR and defibrillator training session will take place on Saturday 6th February 2015 at Beaufort Community Hall, 9am – 3pm. A certificate is given on completion of the course which costs €25 if re-certifying or €40 if new to the course. The cost includes morning coffee, lunch (kindly sponsored by the Beaufort Bar and Restaurant), pocket mask and certificate. All instructors are voluntary and any remaining funds go towards ongoing running costs. Please call Mary O'Connor, Chairperson of Beaufort Defibrillator Group on 087 2927309 to

book a place.

Beaufort Community Hall, Kate Kearney's Cottage, Cronin's Yard, Kilgobnet National School, Cullina National School, Lord Brandon's Cottage, Curraghmore Black Valley (x2) and Kissane's shop.

## CHILDREN WITH DISABILITIES WILL BENEFIT FROM NEW SUPPORTS

Children with disabilities attending free pre-school will begin to benefit from a new range of additional services and supports as announced by Minister James Reilly, Minister Jan O'Sullivan and Minister of State Kathleen Lynch, Senator Marie Moloney has told the Killarney Outlook. €17 million has been secured to establish this new programme in 2016 rising to €40 million annually from 2020, and 7,500 children are expected to benefit. The aim of the programme is to provide truly inclusive care and education

for children with disabilities to participate in free pre-school in a mainstream setting alongside their peers.

This new programme focuses on children's developmental levels, their abilities and their needs rather than a specific diagnosis, which many not have at such a young age. The supports range from universal supports to highly targeted ones based on the needs of the individual child.

Senator Moloney said "I believe every child

deserves the best possible start in life, and these additional supports will help children with disabilities to take full advantage of the Free Pre-School places from September next. There will be more training for staff, grants for equipment, increased capitation for more difficult cases with a focus on developing a sector that is truly inclusive for all our children. Embracing diversity in this way will improve outcomes for everybody."

Centre.

Four teenagers from Killarney were among a record number of girls to receive Irish Girl Guides' highest award at a special ceremony held in the Gresham Hotel, Dublin, on Saturday

last.

The four girls – Orla Finn, Fionnula Murray, Rebecca O'Reilly and Ciara O'Sullivan - are members of Torc St Mary's Guides.

They were among 140 girls who travelled from every corner of the country to receive the prestigious Gold Award in recognition of their successful accomplishment of a number of challenges. These included service to their local community, improving health and fitness, developing a variety of interests and acquiring new life-skills.

Each Guide received a Gold Award pin from Irish Girl Guides' (IGG) President Maureen Dillon and a certificate from Dublin's Lord Mayor, Cllr Críona Ní Dhálaigh.

Over the course of the past year each recipient has worked hard on her own initiative and, in doing so, demonstrated self-motivation, commitment and enthusiasm. Optional activities ranged from public speaking and woodwork to renewable energy, Fairtrade and cultural awareness. The girls also spent time working with younger IGG members, serving as leaders with Brownies or Ladybirds.

## PARADE KICKSTARTS CHRISTMAS IN KILLARNEY

The streets of Killarney will be transformed into a winter wonderland this Saturday night when the annual magic parade makes its way through the streets.

It's a perfect way to kick-start the Christmas celebrations and promises to be a great evening for all the family. Children from the local schools will be taking part in the event which takes in New Street on to Beech Road, then Main Street and back down New Street.

Meet the man himself Santa Clause who will switch on the lights and this year will be joined by his friends Minnie and Mickey Mouse as well as frozen stars Anna, Elsa and Olaf.

Children are invited to post their letters early this year at the special post box at the Market Cross

Don't worry though if you miss the parade as festival organisers have four more parades

planned in the run up to Christmas and on New Year's Eve.

As part of the Christmas in Killarney festival, Killarney on Ice is coming back! Kerry's only ice rink, in association with Believe at Ballyseedy, will open from December 4th to January 10th.

## BEAUFORT BOWLS CLUB

No matter where there is a Bowls Competition, Beaufort can be expected to figure. Congratulations to Jim and Lesley Dunne, who finished 2nd and 3rd respectively in Ennistymon recently at a competition hosted by the Cork Zone. Eileen Cronin also reached the play off stage.

The local Sean Chairde Friendly Bowls League was completed this month, the semi finals and final being played in Killarney. Beaufort Siogs, Beaufort Hobbits, Neidin (Kenmare) Seals and a team from Killorglin, skipped by Michael O'Sullivan, fought it out, and the honours went to Killorglin taking home the Perpetual Cup, with the Beaufort Siogs finishing runners up.

## MONEY MATTERS....

By Dermot Cronin,  
Financial Advisor

### WHAT OPTIONS HAVE I GOT WHEN DEPOSIT RATES ARE LOW EVERYWHERE??

Firstly interest rates in some banks are better than others, for example one bank at the moment will give you only .01% per annum interest for having money on demand, so for €50000 you would only get €5.00 interest over 12 months and that's even before DIRT tax is deducted. However another bank will give you 1.50% per annum for a demand account which is €750.00 interest over 12 months before DIRT tax. In every bank there are customers earning extremely low rates of interest at present. However, by simply shopping around or getting an advisor to check up to date interest rates you can substantially increase the amount of interest you could earn by just changing bank accounts, which is very easy to do. Also there are even better rates of interest available for other products such as fixed term deposit accounts. This can be done for you by a financial advisor who is authorised to carry out this business for you.

### TRALEE & KILLARNEY CREDIT UNION'S LAUNCH PILOT PROJECT

Representatives from Killarney and Tralee Credit Unions came together in Killarney this week to launch the new Personal Micro Credit Project (PMC) which is also being piloted in over 30 credit unions across the county.

The project is being run in partnership with the Department of Social Protection, the Citizens Information Board, the Social Finance Foundation and An Post and is open to social welfare recipients. Those who would like to avail of this type of loan will need to join Tralee Credit Union & Killarney Credit Union (if they are not already a member) and sign up for repayments to be made to the loan via the Household Budget Scheme which is run by An Post.

Speaking about the initiative Mark Murphy, CEO, of Killarney Credit Union said:

"We are delighted to take part in this pilot scheme. We are all well aware of the penal interest rates charged by moneylenders, both legal and illegal, in local communities. This pilot

scheme will highlight that the credit union is a real option for people who are on social welfare in our area".

Fintan Ryan, CEO, of Tralee Credit Union added "The target audience for the scheme are those who are excluded from mainstream credit. Essentially, the aim is to offer small loans to those using or considering using a moneylending service. The project is working to create a realistic offering to counter the 'convenience and ease' advantage that moneylenders have in this country. An eligible person can apply for a loan of between €100 and €2,000. This type of loan will be distinct from a standard credit union loan" he concluded.

The Central Bank estimates that about 360,000 (2013 Report on Licensed Moneylending Industry) people are using moneylending services in the Republic of Ireland. This does not take into account those using unlicensed operators. Interest charged on loans from moneylenders can be 290% or even higher. The maximum interest rate which credit unions can charge is 12% (12.68% APR).

Credit unions have been particularly vocal throughout the recession years about the dangers of using moneylending services as in many cases, those who avail of this type of credit are getting trapped in a cycle of debt which is very hard to break free from.

Information on the pilot scheme will be available in Money Advice and Budgeting Services (MABS) and St. Vincent de Paul (SVP) offices which are in the vicinity of the participating credit unions.

Commenting on the initiative, John-Mark McCafferty, Head of Social Justice with the Society of St. Vincent de Paul, said:

"We have been advocating for an alternative to high cost moneylenders for some time and we warmly welcome the leadership shown by credit unions in the pilot to provide this product for people on social welfare who are eligible. We are working with our credit union colleagues locally throughout the pilot sites in order to ensure take-up of the scheme and more affordable credit for the households we assist".

## BISHOP LAUNCHES 5 YEAR PLAN

PRESENTATION SISTERS BERNADETTE COSTELLO, CARMEL DOWNING, MAUREEN O'SULLIVAN AND EILEEN O'SHEA TRALEE AT THE LAUNCH OF THE BE CHRIST'S JOY DIOCESE OF KERRY PASTORAL PLAN 2016-2020 AT THE MALTON, KILLARNEY ON MONDAY.

MARY DENNEHY, FR TOM LOONEY FOSSA, GOBNAIT CREEDON MILLSTREET AND FR GER GODLEY AT THE LAUNCH OF THE BE CHRIST'S JOY DIOCESE OF KERRY PASTORAL PLAN 2016-2020 AT THE MALTON, KILLARNEY ON MONDAY.

Bishop Ray Browne launched "Be Christ's Joy", the Diocese of Kerry's five year Pastoral Plan in The Malton Conference Centre, Killarney on Monday November 23rd at 8.00pm. The evening was a celebration of faith with Dr. Patricia Kieran of Mary Immaculate College, Limerick reflecting on the plan and Bishop Ray Browne launching the new Pastoral Plan. Fr Pat Ahern worked with young people from the secondary Presentation School in Tralee on a presentation of flags from the 53 parishes and 12 pastoral areas of the diocese. The evening which began at 7.30 with tea and a warm welcome included prayer, music and reflection on the new plan and concluded at 9.30.

"The Diocesan Pastoral Plan provides a clear direction for the work of the Diocese over the coming five years. It builds on the good work that is already underway and responds to the challenge of proclaiming the Gospel at this time. It is the product of a lot of hard work,

which involved people from every corner of the Diocese, over the past two years. It contains clear goals and actions which I believe will provide hope, encouragement and confidence for all involved in the life of the Diocese of Kerry", Fr. Ger Godley, Pastoral Director said on the night.

Addressing the group, Bishop Ray Browne said "Over the past two years the diocese of Kerry has become my home and my life. Thank you all for your kindness and support. Seeing everything in the Church of Kerry for the first time I have seen it with fresh eyes. I am encouraged, let us all be encouraged. I see strong faith, I see strong faith communities. I see great faith, hope and love. For so many people and communities prayer is part of their way of being. There are great challenges ahead. We have great gifts and strengths as we face them. Appreciate the good, appreciate the strength of your parish and the whole diocesan

family. Jesus has said that He is with us always. Let us all be encouraged.

Our Pastoral Plan is shaped by three goals.

**Develop welcoming communities:** God is a Father to us all, ever he wants us to be a strong united family, united in Christ His Son.

**Enable people to deepen their faith:** at heart we seek to know God better and to better understand his presence in our world.

**Be a catalyst for compassion and justice:** if we are without justice, without compassion, without love all our Christianity is in vain.

The three goals capture the essence of the diocesan family. United together, ever seeking to be close to God, always seeking to be loving, just and compassionate in all that we do ...

Two phrases come to mind, one in Irish and one in English. "If the Lord does not build the house, in vain do the builders labour", "Ní neart go cur le cheile". Trust in God's help; Trust in God's ways.

## SIGNS OF HEARING LOSS

Audiology Medical Services is a family-run premier independent hearing healthcare Practice who offer professional advice for patients and their referring Specialists. In Kerry, we are located at the Bon Secours Hospital and Scotia House, Tralee. In this week's information feature, we discuss and outline the very important signs of hearing loss. If you think you may have hearing loss or if you recognise any of the signs we have discussed, get yourself tested. Hearing loss due to diabetes is typically a high frequency sensorineural (nerve deafness) hearing loss. This type of loss is not curable but can be treated successfully with hearing aids.

### THE SIGNS OF HEARING LOSS INCLUDE:

- Frequently asking for others to repeat themselves.
- Feeling as though others are mumbling.
- Turning up the volume on the TV or radio.
- Problems hearing in busy places or with multiple people.

The earlier a hearing loss is diagnosed, the earlier it can be treated, the less dramatic an effect it will have on your life. We now know that untreated hearing loss has a negative impact on general health emotional well-being and quality of life, conversely, treating hearing loss has a very positive impact on quality of life. There are also mounting concerns of a link between untreated hearing loss and cognitive issues such as Dementia and Alzheimers.

The main point being for diabetics, the sooner the hearing loss is treated the better. So if you or a loved one has diabetes, ensure a hearing test is part of your routine medical check-ups. If you are worried about hearing loss, don't hesitate to give us a call. We can help you find out exactly what is going on with your hearing in a no pressure open environment. Audiology Medical Services at the Bon Secours Hospital and Scotia House Tralee is Kerry's only independently audited hearing centre of excellence. AMS is the exclusive supplier of the Lyric Hearing Aid which can be worn 24/7, even in the shower and without having to change batteries. For free trial of the Lyric Hearing Aid, Call **1800 501 501**.

## 'MINDING OUR MINDS' – NEW FREE DIRECTORY TO BE LAUNCHED IN TRALEE

The free directory has been produced by the Killarney voluntary group, 'Be Aware! Prevent Suicide', which has organised four mental wellness exhibitions to date.

Kerry Peer Support Network, one of the services listed in the directory, will also be launching its plans for further expansion of its recovery support services in Kerry at the Brandon exhibition.

"Be Aware! Prevent Suicide is committed to being a bridge between the community in Kerry and service providers, both voluntary and statutory," Be Aware Chairperson and Founder Deirdre Fee said.

"We are committed to de-stigmatising mental health issues by talking about them, by

informing our community about them - the signs, the symptoms, as well as the help and support that is available," she said. "By working together and talking to each other we can mind our minds and the minds of our families and community," she said.

"There is a wealth of highly trained support and service providers in the county, and nationally, who can help us deal with the life-changing events and traumas that challenge our emotional well-being," she said. "Their contact details, along with the services they provide are listed in 'Minding Our Minds'." The chairperson said that the publishing of 80,000 copies of the directory had been made possible by the generosity of the Kerry public in supporting fund-raising for Be Aware! Prevent Suicide. She acknowledged the support of key fund-raising events and groups such as Cycle for Suicide Prevention in Memory of Stephanie O'Sullivan, the Charity Fashion Show in Memory of Stephen O'Sullivan, Social Inclusion and Community Activation Programme (SICAP), North, East and West Kerry Development, 'Calendar Girls Rev up for Charity' and the ESB. 55,000 copies of the

free directory would be distributed to homes in Kerry while the balance would be donated to third level colleges and second level schools. Stories and insights on recovery will be communicated chiefly by professionals and people who have journeyed through wellness with the support of Kerry Peer Support Network which opened its first Recovery Centre in Tralee in 2013. The centre was developed by a consortium of members including Tralee Mental Health Association, Irish Advocacy Network and Kerry Mental Health Services. At the exhibition, the Network will unveil plans to roll out this model via other satellite centres throughout Kerry over the coming year.

Through the network's Peer Support programmes, individuals listen to others who have dealt with similar experiences. They learn to move beyond illness and are provided with opportunities to seek out new pathways and meaning towards living a full life.

Jim Breen of Cycle Against Suicide will be the MC at the exhibition which runs from 1pm to 6pm at the Brandon Hotel on Sunday, November 29th.

## SET YOURSELF A PRE CHRISTMAS CHALLENGE

Christmas is fast approaching but its not too late to get into gear. Why wait until January to get started, get the foundations laid for your new Healthier life style now & you can hit the ground running in January.

Last week in my studio I got all my members to set a "Fit 4 Christmas Challenge" for themselves. It was a great motivator and incentive to get people focused for the next few weeks.

So why not Start today by setting yourself your own challenge from here until Christmas. It might be to give up the biscuits with the cup of tea and get out walking 5 nights a week. Changes as small as these can make all the difference and here is why.....

4 chocolate digestives= 340 cals approx.

1 hour fast pace walk= 250 cals approx. (results will vary per person)

So if you give up the Biscuits with the tea every day (340cals x 7) and add in the walk 5nights per week (250 x 5) you will be burning and saving 3,630 calories approx. per week. And since one pound of fat = 3,500 calories you will be well under way to shedding a few pounds this side of Christmas. So why not. Ask yourself wouldn't it be nice to be 4lbs down at least before Christmas day!!! I think no one can argue with that!

Good luck everyone! If you're looking for some extra motivation please give me a call on 087-7643449 & I'd be happy to get your started.

## OUTLOOK FASHION DON'T SPEED-SHOP

Don't speed-shop, especially if you're searching for something really specific. Give yourself enough time to browse, try stuff on, and not get all stressed out.

## DIET TIP

### MODERATION!

*Still enjoy your favorite foods. Instead of cutting them out altogether. The key is moderation.*

## Beauty Tip

### PREPPING YOUR EYELIDS

Prep your eyelids with concealer and powder before putting on eyeshadow to make it last all day.

## A PLACE OF SAFETY

A haven is defined as a place which affords safe anchorage for ships, and also a shelter or a place of safety.

In Kerry, just as in the rest of Ireland men are shy about steering their problems into a harbour of safety. We tend to keep these things to ourselves on the basis that talking about them might show signs of weakness. The truth of course is quite different. The many supports that are now available have developed because some men came together to share their problems and wondered if structures could be provided to help people like themselves.

Recovery Haven has a sub-name — Cancer Support House — open to all who are at any stage in their cancer journey. We can accept

news that we have many diseases but a cancer diagnosis leaves us feeling that our whole person has been invaded by some nasty monster. It is a fact that the fitter we are the better we are set up to co-operate with the healing processes involved in dealing with this monster. In Palliative Care Unit and in Recovery Haven there is an aura of peace, hope and caring love. We soon get it into our heads that we are not alone on this journey and that by availing of the many supports available we can fight this disease. Also it helps family to come to terms with the situation much better. Group sessions in Recovery Haven teach us to listen; regardless of the agony and angst there are always encouraging words to help us through the bad times.

## GARVEYS FOOTBALL CHAMPIONSHIP FINAL

# SOUTH KERRY CELEBRATE DRAMATIC TRIUMPH AND THE LONG WAIT CONTINUES FOR KILLARNEY LEGION

KERRY O'SHEA REPORTS FROM SUNDAY'S GARVEY'S KERRY SFC FINAL REPLAY BETWEEN KILLARNEY LEGION AND SOUTH KERRY

**SOUTH KERRY 1-13**  
**LEGION 1-12**  
*After Extra Time*

For the first time since 1987, a period of extra-time was required to decide the outcome of the Garvey's Kerry SFC at Killarney's Fitzgerald Stadium last Sunday as South Kerry hung on grimly to claim the title for the 10th time at the expense of a gutted Killarney Legion.

Back in 1987, Kenmare defeated Dr Crokes by a one-point margin and a one-point margin was also the outcome this year, as the Southerners fought doggedly to claim a famous and dramatic win.

The old adage that replays never live up to the drawn encounter was incorrect as this game was far better than the drawn encounter two weeks ago.

The game had everything, suspense, drama, mistakes, great scores, and great support for both sides and a couple of black and yellow cards added in for good measure.

Referee Paul Hayes, who was handling his 3rd county decider, did not have one of his better days and missed a few obvious card offences here and there.

For long periods, Killarney Legion had victory within their sights. Seven minutes into the second half, South Kerry were on the ropes as Legion were leading 1-10 to 0-6 and heading to an almost certain win.

Legion's lack of experience at this level and an inability to close out the game when in a commanding position was to prove costly.

South Kerry needed something special to

bring them back into the game, and it came in the shape and form of a smashing goal out of nothing following a jinking solo run from that man Bryan Sheehan as Declan O'Sullivan played the role of provider.

That magnificent South Kerry goal was the turning point in the game, as it gave the leveragh side an injection of momentum which they fully availed of.

In our preview of this game in last week's edition, we alluded to the difference Bryan Sheehan could make to South Kerry in a very tight decider.

Our prediction proved true as Sheehan, who

was black-carded with the game deep into stoppage time at the end of normal time, literally dragged South Kerry to victory from the jaws of almost certain defeat.

The St Mary's Cahersiveen County marksman playing in his 11th consecutive game since the All-Ireland final, was not surprisingly named Man of the Match, Sheehan finished the game with 1-5, of which 1-3 came from open play.

South Kerry are a divisional team with eight clubs providing players to the squad. Of their tally of 1-13, all but one point came from the St Mary's players.

This noteworthy fact must have greatly pleased

## GARVEYS FOOTBALL CHAMPIONSHIP FINAL

St Mary's manager, the legendary Maurice Fitzgerald and surely a great omen ahead of the Club's Munster IFC Final clash with Carrigaline next Saturday.

A despondent Legion are still asking questions as to how they let this game slip from their grasp. Two missed scores from James O'Donoghue in normal time proved vital as these would have put the Killarney side, who failed to score for the final eight minutes of the game and the first period of extra-time out of sight.

To lose by one point is gut-wrenching and there are usually plenty of if's and but's.

On this occasion it was the tenacity and the experience of the South Kerry men that carried the day.

Playing into the Dressing Room end in the first-half, Killarney Legion, despite dominating the early stages still found themselves trailing 0-3 to 0-2 with 17 minutes of the first-half gone.

With corner-backs Podge O'Connor and Chris Davies driving them forward at every opportunity, Peter Keane's side then hit a purple patch and scored 1-4 without reply in a five-minute spell to jump into a six-point lead. Legion's goal, scored in the 18th minute, was finished superbly by Jamie O'Sullivan, who was so influential in the drawn game.

The Killarney side deserved their four-point interval lead 1-7 to 0-6, having led by six points with eight minutes of the first half remaining.

Apart from O'Sullivan's goal, the Legion's first-half points came from Conor Keane 0-5 (4 frees), Tom Moriarty and Billy McGuire (0-1 each), while South Kerry's total came from Bryan Sheehan (4), three of which came from play, with one apiece coming from Aidan Walsh and Paul O'Donoghue.

On the restart, Legion extended their advantage further with points from Podge O'Connor sandwiched between two James O'Donoghue efforts from frees.

When Legion led 1-10 to 0-6 seven minutes into the second half they appeared set for a famous victory.

Sheehan's goal proved the catalyst for South Kerry's comeback, and points from Aidan Walsh, Conor O'Shea, Daniel Daly and a superb Killian Young effort on the sideline in front of the stand drew the sides level at 1-11 apiece.

Both sides had chances to win the game in the remaining minutes of normal time but extra-time was needed to decide the outcome.

Amazingly both sides failed to make the scoresheet in the first period of additional time. Podge O'Connor gave the Killarney side the advantage with 72 minutes gone on the stopwatch, however, South Kerry had the better staying power and points from Daniel Daly and Aidan Walsh edged them home to a dramatic and famous win.

'Let joy be unconfined' for the South Kerry followers, but for Killarney Legion, the wait for a

first Kerry SFC title since 1946 continues.

Following the game and in the gathering gloom, Bryan Sheehan was presented with the trophy by his fellow South Kerryman and County Board Vice Chairperson Diarmuid O'Se. The presentation to the winning captain which normally takes place in the stand, was made on the pitch as a spectator who had been taken ill, required medical assistance.

### FR GALVIN CUP FINAL

#### SCARTAGLEN 1-7 LISTRY 0-9

Last Sunday, Scartaglen won the Fr Galvin Cup Intermediate Championship Final, sponsored by the Aquila Club, Gleneagle Hotel, was an exciting strongly fought game against last years finalists, Listry. The teams were closely matched and a Padraig Reidy goal towards the end of the first half was a turning point in the game. Listry were first to point (Jimmy O' Leary). Scartaglen responded with three points (Daniel Murphy, Padraig Reidy, Pa Rahilly) to lead by two by the sixteenth minute. Listry equalised, through the boot of Joe Clifford – 0-3 each. The teams exchanged points (Hugh O'Connor for Scartaglen Ronan Buckley, Listry before a Padraig Reidy high lopping ballot into the goal, went over the line with three minutes remaining in the half. Scartaglen led, 1-4 to 0-4. Joe Clifford reduced the lead to the minimum, with two points from play and Scartaglen led at the break by a point - Scartaglen 1-4. Listry 0-6. On resumption, Listry took the lead with Ronan Buckley and Gary O'Sullivan points, 0-8 to 1-4. However, Scartaglen confidence was high and they equalised then pulled ahead, with a Daniel Murphy pointed free and Pa Rahilly point ten minutes into the half. Scartaglen held their lead to the finish. A Daniel Murphy pointed free at the start of the last quarter, increased the lead to two points. The sides were both reduced to fourteen on the fiftieth minute. Listry pressed forward and a Joe Clifford converted free reduced the margin to the minimum with 2 minutes to play. Scartaglen held possession and held on to win on a final scoreline of Scartaglen 1-7 Listry 0-9.

### DR CROKES 0-14 SPA 1-8

Dr Crokes Minor team won the East Kerry Minor Championship division 1 Final, sponsored by The Tatler Jack, after a sporting game against Spa last Saturday. Played in wet conditions which made scoring very difficult, it was Dr Crokes who opened the scoring with a Michael Casey point early in the game. Billy Courtney added a second point for Dr Crokes, before Spa goalie David Carroll brought off a great save and Spa opened their account with a pointed free by Dara Moynihan on the eighteenth minute. Dr Crokes replied with two points from play, by David Shaw and Creagh Courtney Dr Crokes led 4 points to 1 twenty five minutes into the game. A well taken point by Spa's Dara Moynihan, was followed with three unanswered points for Dr Crokes. First a great point by Adam O'Shea, followed by a Billy Courtney point, from a great interception by Dr Crokes corner back, Brian Fitzgerald. The third point was a great long distance effort from the boot of David Shaw, leaving the score at the break: Dr Crokes 0-7 Spa 0-2.

Spa's Ciaran Spillane reduced the margin with a well taken point three minutes into the second half. Adam O'Shea replied for Dr Crokes with a great long distance point provided by Michael Potts. Three Spa points without reply, Dara Moynihan (2) and Evan Cronin had reduced the margin to two points, set up with some great high fielding from Ciaran Spillane at mid field, before Evan Cronin sent a high ball into the Dr Crokes square. The keeper made a great save, high fielding the ball, but was deemed to have crossed the end line and a goal was awarded, giving Spa the lead with fourteen minutes remaining. Dr Crokes responded, levelled the scores with a point by Michael Casey and built a lead with four unanswered points, Michael Casey, Billy Courtney, Adam O'Shea and David Shaw finding the target, to lead 0-13 to 1-6, with seven minutes remaining. ## BEAUFORT GAA NOTES

### U21 MID KERRY CHAMPIONS 2015:

Well done to Beaufort who beat Milltown/Castlemaine in the Mid Kerry Final played in Beaufort on Sunday morning in perfect conditions. Beaufort had the first score with a Fergal Hallissey free when Ronan Murphy was fouled. This was cancelled out 2 minutes later with Milltown/Castlemaine free. Fergal again had another free with Beaufort's tactic of playing usual mid-fielder Ronan Murphy inside at the edge of the square paying dividends, he got a good supply of quality ball and he won and scored or was fouled with any ball that went in to him. The visitors took over on the scoring stakes with 1-3 without reply.

Ronan Murphy had a point from play before free-takers Fergal Hallissey and Jack McCarthy traded points to leave the score on 15 minutes Beaufort 0-4 Milltown-Castlemaine 1-5. The visitors extended their lead to 5 points with another free. This was to be their last score of the half as the home team worked hard and snuffed out whenever the visitors attacked, while Beaufort began to claw their way back into the game with a Danny Healy point, 2 frees and a 45 from Fergal Hallissey. Darragh Coffey

had a point from play for the home side to level matters. Beaufort had a goal chance but Niall O'Connor saw his shot come off the cross-bar. They finished the half with a Ronan Murphy point from play and Niall O'Connor had the final score of the half leaving Beaufort leading 0-11 to Milltown-Castlemaine 1-6.

The 2nd half saw Beaufort continue where they left off with a Fergal Hallissey free after man of the match Shane O'Sullivan was fouled. Conor Breen finished a great move by the home side with a point and Ronan Murphy scored another from play. Centre back and All-Ireland medal winner Mike Breen joined the attack and added a fine point. On 19 minutes Milltown-Castlemaine had their first point of the 2nd half with a free and they followed quickly with a good goal thus leaving only 2 points between the teams. Another free cut Beaufort's lead to the minimum. Beaufort losing the ball going forward and on the break the game was levelled with a point from play. The home side also lost Ronan Murphy to a black card with 9 minutes remaining. Padraig O'Reilly Milltown-Castlemaine and Conor Breen, Beaufort saw red after picking up a yellow and black each while David Roche was lucky to get away with a yellow. With time almost up Milltown/Castlemaine had a free to go back into the lead but Beaufort had the last say with 2 late frees slotted over by Fergal Hallissey to leave the final score Beaufort 0-17 to Milltown-Castlemaine 2-10.

**BEST OF LUCK:** To our Minors who play Listry/Keel in Beaufort on Saturday next at 2pm in the Mid-Kerry Championship.

**LOTTO:** Next Lotto Draw for a Jackpot of €4,400 will be held in Kate Kearney's Cottage on Sunday, 29th November.

Exciting times ahead with ladies football in the Club. Any girls interested in playing or being involved with the club can contact Nora Hallissey, MaryJo/Cliona Coffey or Amy Foley.

The very popular GAA QUIZ will be held this year on Sunday, 27th December in Kate Kearney's Cottage.

## LEGION GAA CLUB NOTES

**COUNTY FINAL:** And the wait continues. After an enthralling contest last Sunday we just came up short as South Kerry prevailed on a 1-13 v 1-12 scoreline after extra time but it wasn't for the lack of effort as the lads gave it everything and should be very proud of the effort that they put in all year. Played in ideal conditions, Legion were full value for their four point halftime lead and when they stretched that lead to seven early in the second half, the outlook was promising but South Kerry in fairness stuck at it and gradually clawed their way back into the game and following a scoreless first half of extra time, it was our opponents that edged home by the bare minimum and we wish to congratulate them on their victory. The club would like to thank all the supporters, many of whom travelled long distances to be there. Of course even though last Sunday was disappointing, the footballing year isn't over yet as this weekend we face Firies in the O'Donoghue cup quarter final and the following week we take on Austin Stacks in the playoff to see who will play in the County league Div1 final against Dr Crokes.

**COOKERY DEMO:** The club held their amazingly entertaining Cooking and Baking Demonstration at the Dromhall Hotel on Friday night. Quinlans Fish generously sponsored the event. The very large crowd attending enjoyed a wonderful night's entertainment and went away with some very useful information. The demonstrations were excellent and the food tasting was delightful. (5 in total ) The club wishes to thank Quinlans Fish, Mark and Tracy, Bernadette Randles of the Dromhall Hotel and her wonderful staff, all those who gave such magnificent prizes for the raffle ( many worth well in excess of €200 )and all our talented volunteers who contributed to making this event such a great success.

## DR CROKES CLUB NOTES

### EAST KERRY MINOR CHAMPIONSHIP - FINAL

#### DR CROKES 0-14 SPA 1-8

Even though we played second fiddle to our opponents in the third quarter of the game, in which Spa turned a five point deficit into a

one point lead, we still ran out winners by three points in the end. Our victory was achieved because we showed good composure and greater accuracy in our shooting in the last fifteen minutes. We out scored our opponents by six points to two in this period and went into injury time a score in front. Spa won a penalty in these dying minutes but failed to convert it, leaving us winners by three points. We were the better team in the first half and outscored the opposition by seven points to two. We probably deserved our five point lead at the interval as we carved out many more scoring chances than Spa. Our opponents dominated the third quarter and their goal and four points to our one point, put them a point in front. We got to grips with our game at this juncture and five points without reply, put us back in front by four points. Our opponents did not give up and added 0-2 to our 0-1, to leave us just a score in front going into injury time. Spa did force a penalty but unlucky for them this last kick of the game sailed wide. This was a good team performance. One would have to pick out Brian Fitzgerald, David Naughton and Jack Lenihan in defence. Both sides had their moments at midfield but Billy Courtneys three points from play in this sector was a big bonus for us. Michael Potts was good both in defence and attack. Mike Casey, David Shaw and Adam O'Shea who between them scored ten points (nine from play) were best in attack.

## CYCLING NEWS

### HAMPER RIDE COMES ROUND AGAIN:

You know Christmas is on the way when the Hampers and Roses scratch cards hit the shops. In a similar way when the Killorglin Cycling Club's Hamper Ride takes place Christmas can't be far away.

This year the ride will take place on Sunday December 13th and once again will give the cyclists the chance to build up some winter miles in their legs with a 75km and 50km to

choose from. Registration and sign-on will be at the Killorglin Sports and Leisure Centre from 8.45 to 9.30am with the cycle getting underway just before 10am. Cycling Ireland Licence holders can sign on for €15 with non-members sign on costing €17. This includes hot showers and food on the cyclists return to Killorglin. The Hamper Rides are essentially a fun event allowing cyclists to have a leisurely spin or for the more competitive riders a nice lung-opened. The event has become hugely popular over the last few years and is renowned far and wide as one of the most enjoyable social days out for cyclists in the county. While everyone is welcome to take part in the Killorglin Cycling Club Hamper Rides children under 16 must ride with an accompanying adult and are restricted to the 50km route. The 50km route starts in Killorglin and heads to Killarney, onto Farranfore, Fries, Castlemaine and Milltown before returning to Killorglin. The 75km is more testing and it follows the same route to Farranfore but then continues towards Tralee turning off for Farmers Bridge with the climb up to the main Tralee to Killorglin road and then back to the start via Castlemaine and Milltown. Both events are controlled by a pace car for approximately two thirds of the route, depending on conditions. The controls are lifted at Fries for the shorter route and Farmers Bridge on the 75km route and all are free to get home as fast as possible from there. While the event is not a race the first 3 riders home from the 75km will have their choice of hamper with the first rider home from the 50km will choose next. After that all the remaining prizes will be drawn from the sign on numbers.

## WORKMENS ROWING CLUB NOTES

**PROVINCES INDOOR ROWING CHAMPIONSHIPS:** Last Saturday 21st November saw a fleet of cars leave Workmens Rowing Club for the above championships at the University of Limerick. Fifteen athletes along with coaches and family members were looking forward to a great day of Indoor Rowing. Safe to say...none were disappointed! 'READY, ATTENTION, ROW' was the starting

cue and it didn't take long for our rowers to once again showcase their determination and stamina. All those pieces on the erg machines, those hours in the gym, really paid off, with Killarney Workmen taking home more than their fair share of the medals. Our Womens J15 Crew of Annie O'Donoghue, Ciara Brown, Leona Brown and Ciara Moynihan gave it their all, with Annie and Ciara Moynihan in the top 5 of the five minute race and a 2nd and 3rd place respectively in the 1000m race, with Ciara B and Leona not far behind. Lovely to see 2 of our club's girls on the podium at once!! The unstoppable J16 Siobhán Burns meanwhile showed huge character in participating and coming a fraction of a second outside the medals, in the final of a blistering 500m sprint, despite being below form. Keep warm Siobhán!!! Not to be outdone by the girls, the boys squad comprising J14 Seán Farndon, J15 Jacob Kunicki, and J18s Mickey O'Donoghue and Tom O'Leary were all super in their races. Our J16 competitor Dylan Bartlett set a new personal best by coming a very close 4th in the 2km race and a mere second outside the medals in his final of the 500m sprint. Adding to the boys' successes was another J15, Ruadhán Mac Curtain coming home with 2 medals, silver in the 5 minute race, and gold in the thrilling 1000m final. Speaking of thrills!! Our Senior Ladies and Men weren't lacking in spirit with John O'Leary and Hugh Rudden enjoying their debut on the Indoor Arena - John with a memorable 4th in his race and Hugh taking home a silver in his very first race and subsequently barely missing a medal by coming a very close 4th in the heart-stopping 500m race. Deserving of our praise is of course our very own Lauren McCarthy setting a new personal best in her races. Well done Lauren! Last, but by no means least is Pauline O'Brien whose love of the silver and gold coins transferred beautifully to her achievements by beating off stiff competition and coming 1st with a gold medal in her 2km race and the 2nd for silver in a nail-biting 500m sprint. We were also delighted to meet Senator Eamonn Coughlan at U.L. As a three times Olympian, a world record holder for the indoor mile for 18 years and Chairman of the High Performance Committee of the Irish Sports

Council, he showed huge interest in all races as he was there recording a sports-related documentary on the day.

A huge thank you to our coaches and mentors there on the day... Mikey Joe, Hannah and Anthony. Roll on the All-Ireland Indoors in UL again at the end of January where no doubt Workmen will once again show, just what it is, to be the best!

**A.G.M.:** Our A.G.M. was held on Sunday 8th November. Thanks to everyone who attended. We recalled a great year of training and rowing and look forward to 2016 with anticipation of more thrilling races both on and off the water.

**TRAINING:** Training continues as usual at Reen Pier at the usual times. Your coaches will inform you of any changes.

**CUPID STRIKES !:** A very special congratulations to our own committee member Mr. Mike Quirke, on his recent engagement to Miss Stephanie Quirke. You kept that well under wraps at the A.G.M.

We wish you both all the very best in the preparations for your nuptials!

### REPORTS:

#### EXTRA TIME IN ALL SATURDAY'S NATIONAL CUP GAMES:

There were a number of National Cup games played at the weekend. In the 12's Round 4 Killarney Athletic are on a great run and now join Listowel Celtic in the Last 32. They defeated Moneypoint 2-1 after extra time. Coilte Cronin got the goal in normal time and Alex Hennigan netted the win in the extra period.

In the 14's Killarney Celtic won the all Kerry clash knocking out Killorglin after extra time. It was 1 all after full time with Cian Dineen putting Celtic ahead. Killorglin equalised late on when Gearoid Hassett lashed home a 25 yard cracker but in extra time goals from Niall McGillicuddy and Evan Looney put Killarney Celtic one win away from the Last 32 Open Draw. To get there they will need to defeat Moneypoint at home in Round 4.

Tralee Dynamos were unlucky to go out away to Ennis Town. Sean Kennedy's hat trick for Dynamos saw the sides tied 3 all at the end of normal time. But it was Ennis Town that got the only goal in extra time to progress.

**UNDER AGE ACTION:** Watching our youngest stars in action is always a joy as they play just for the love of the game. This weekend was particularly busy with the players of Killarney Celtic and The Park meeting each other in an 9's and 10's blitz.

The Moriarty's Centra 11's also saw plenty of action. Listowel Celtic and the Park met

with multiple teams. In Kilbrean Park teams from Mastergeeha, Killarney Athletic, Tralee Dynamos and Inter Kenmare were in action. Camp Juniors hosted Iveragh United, Dingle Bay, Asdee, Ballyhar and Fenit for another great few hours of underage action.

### League Reports:

#### DALY'S SUPERVALU 13'S:

Park lead in a very tight Division

With Premier leaders Killorglin and Killarney Celtic not in action The Park took full advantage to leap frog all the sides around them. However they were pushed all the way by home side Inter Kenmare with the Tralee boys finally winning 2-1. Corey Murphy for Inter and Earnan Ferris swapped goal to leave it at 1-1 before Darragh Caplis cut in from the right, beat two defenders and curled a left footed winner to the net. The Park are now on 6 points.

Maurice O'Connell put Camp Juniors ahead early on but then Listowel Celtic scored twice to lead 2-1, a lead they held until late on. Maurice O'Connell is a striker on form and he got his second of the day to get a hard earned point for his side. This leaves Camp Juniors, Killorglin and Killarney Celtic all tied on 4 points.

#### DIVISION 1 LEADERS PARK WIN AGAIN WITH KILLORGLIN B GOING 2ND:

In Division 1 leaders St Brendan's Park were 3-0 winners away to Mastergeeha at Kilbrean Park. 2 goals from Adam Walker and one from Matt Healy saw them take all 3 points.

Killorglin B went into the day in 3rd but leap frogged second placed Ballyhar when they defeated them 6-4. For the winners Dara O'Grady hit a hat trick, Jack O'Sullivan got 2 and James Treacy 1 in the win. Bryan Burke 2, Owen Greaney and Nathan Campbell got the goals for Ballyhar.

Killarney Celtic B defeated Killarney Athletic 4-0 to move up the table. Ruairi Dorian, Simon Coffey and Erin Moloney were the scorers for Celtic.

Iveragh United go top on their own in Division 2: Iveragh United's Division 2 2-0 win over Fenit sees them move onto 10 points and into the lead in the Division on their own. Keith Brennan and Darragh Devlin were the scorers for the South Kerry side.

Tralee Dynamos B put themselves into contention when they made it two wins from two with a 1-0 victory away to Dingle Bay Rovers who remain in second place on 7 points. Sean Goran got the all- important goal for the Tralee boys.

The Park C will be happy to have 3 points on the board following a 5-2 home win over MEK. Messiah Chilworth hit 3 with Cianan Cooney and Sean O'Connor netting 1 each.

#### KILLARNEY PLAZA 15'S:

#### TRALEE BATTLE AT THE TOP OF THE PREMIER:

Leaders Tralee Dynamos are on 7 points and were top of the table at the start of the day but weren't playing. Neighbours The Park were in action and only a point behind going into the their game with Listowel Celtic. The Tralee Boys took the win to move onto 3 wins from 3 and 9 points. JR Tishicato, Sean McGrath 2, Colin Walsh 2, James Sheehan Junior Ancoma, Mervyn and Leon Shalemba

were the Park's scorers.

Killarney Athletic unbeaten and lead Division 1: The two unbeaten sides in this Division in Murt Scott Park and it was the visitors Killarney Athletic that took the points defeating Ballyhar 1-0. Harry Potts scored the vital goal to leave the Woodlawn side on 3 wins from 3 and leading the Division.

Mastergeeha move level with Ballyhar on 6 points after they were too strong for Castleisland. Paul O'Shea, Dylan Murphy, Niall O'Connor, Sipo O'Neill, Darragh O'Leary and Eoin Rahilly got the goals.

Also moving onto 6 points are Iveragh United who got the better of Killarney Celtic B in a 7 goal thriller. 2 goals for Lewis Gehring and one each from Patrick Farr and Ian Moriarty gave Iveragh all three points in Caherciveen. Adam Kissane and Jared Barton with 2 replied for Celtic B.

#### TOP SIDES REMAIN UNBEATEN IN DIVISION 2:

St Bernard's have made the perfect start to the season and have not dropped a point in their 5 games so far. Their latest win came at home to Listowel Celtic B with the Saints winning 6-2. Aaron Malik cannot stop scoring and he hit another hat trick and these were added to by goals from Liam Rice, Cillian Trant and Ryan McElligott. Liam Dowling and Aodhan Behan were the Listowel Celtic scorers.

## KILLARNEY ATHLETIC NOTES

### DENNY PREMIER A

Killarney Athletic 1-0 Camp

A goal 20 minutes into the first half from William Courtney insured Athletic took all 3 points from the game. We had plenty of chances to extend our lead but some inspired saves from the Camp Keeper kept them in it and we had to survive some heavy pressure in the last 10 minutes to warrant our win.

#### U15 Killarney Athletic 1-0 Ballyhar Dynamos

A game in which the home side probably deserved a share of the spoils, Our U15 squad continued their fine start to the season with another win. A solitary goal from Harry Potts ensured we came away with all 3 points. Fantastic display from Oliver Cremin in goals.

#### U12 Killarney Athletic 2-1 Moneypoint (AET)

Our u12 squad welcomed Moneypoint from Clare to Woodlawn in this National Cup encounter. With the visitors snatching an early goal it wasn't until late in the second half when Caoilte Cronin struck the equaliser. To extra time it went and 3 minutes to the final whistle up popped Alex Hennigan to grab the winner with a cracking goal. On a day when the weather was poor both sets of players were a credit to themselves and the sport.

## KILLARNEY CELTIC NOTES

**COMHGAIKDEAS** Comhgairdeas to the Sem on winning the O'Sullivan and Moran Cups this week and commiserations to Killarney Legion, who were just pipped in the County Football Final by a single point after extra-time; all three teams featured a host of Killarney Celtic players who did themselves and their team-mates proud.

**40TH ANNIVERSARY COMMEMORATIONS** Our Club has a big birthday when it turns 40 next year. To help mark the occasion and to preserve our history for future Killarney Celtic generations, we will shortly be compiling a Digital Archive of club photos, news reports, memorabilia etc. That will require current and past members to rummage out whatever you might have in display cases, old biscuit tins and photo albums. There's no better time than over the winter months for such flicking through history so please spread the word.

We'll be publishing more details here and via the press of the project and how you can get us your materials (and get them safely back). Best of Luck to the Kerry Oscar Traynor Team against West Cork this Saturday night at 7.30pm in Mounthawk Park.

**RESULTS** Munster Junior Cup: Kerry Area Semi-Final: Killarney Celtic 1 Mitchels Avenue 0 Killarney Celtic and Mitchels served up a brilliant game of soccer last Sunday, with Celtic's sharpness in possession and crisp passing just about giving them the edge over a Mitchels Avenue side who like to play fluid soccer on the ground and have plenty of sublime skill and great heart themselves. With Brian Spillane and Chris O'Leary rock solid against a lively attack and Roy Kelliher - arguably the best keeper in the county at the moment - very quick and sure in coming to claim things, while Connall Murphy and John McDonagh remained alert and sure-footed throughout, Mitchel didn't really create too many chances after giving us one early

scare. With powerful control and excellent distribution, Gary Keane and Matt Keane controlled the middle - some of Matt's long passing was a joy to behold. Conor Randall and the outstanding Fergal O'Donoghue worked the wings tirelessly, while Stephen Hayes and Wayne Sparling worked everything up front and kept Mitchels on the back foot for the most part. In fact, Celtic would have gone ahead but for some great saves by keeper Chris Hegarty, while Liam O'Sullivan, playmaker Sean O'Reilly, and dynamic Chris Kerins kept us very busy as well - cracking soccer to watch!

Wayne Sparling eventually made the breakthrough in the second half but we couldn't get a second one to relax and in fairness Mitchels stayed disciplined, focussed, and relentless right to the finish. We needed, and thankfully got, great energy from the bench through livewire Stephen McCarthy, Jamie Spillane, and David Hayes. Stephen is a young player but a phenomenal talent, as he proved with one magnificent strike that came back off the crossbar.

**MUNSTER YOUTHS CUP: KILLARNEY CELTIC 4 MASTERGEEHA 2** Cathal O'Shea and a header by Stephen McCarthy put us in front but Mastergeeha hit back to make it 2-2 at half-time. Celtic dug deep in the second half, with Stephen McCarthy outstanding and young players like Jack Galvin and Jack Enright coming on and really stepping up to the mark. Cathal O'Shea's second put us back in front and Cian Casey sealed it. Well done to both sides on serving up a great game in Mounthawk Park despite horrendous weather conditions.

**U17 LEAGUE:** Killarney Celtic 2 Inter Kenmare 2 We were without some key players but showed great heart and resilience to come from behind twice to get a deserved share of the spoils. Eoin Moynihan and Pablo Martin got the vital scores, while Jordan Leahy and Gary Cronin were others to impress on the day.

**U15 DIV ONE:** Iveragh 4 Killarney Celtic B 3 This was a cracking game and we can feel a little hard done by, losing out to an excellent Iveragh by the odd goal in seven. Adam Kissane and Jared Barton (2) were our goalscorers, while Tommy McGuire also had a great game.

**U14 NATIONAL CUP:** Killarney Celtic 3 Killorglin 1

We had chances to finish it in normal time but a resilient Killorglin stuck with us all the way extra time, where Celtic managed to find an extra gear to close it out.

**CONGRATULATIONS** to U14 player Cian O'Leary on making the Kerry Schoolboys/Schoolgirls Team of the Week.

## MASTERGEEHA FC

**U11 BLITZ** On Saturday afternoon the U11s played teams from Killarney Athletic and Tralee Dynamos. All involved played well winning all their games and scoring lots of goals along the way.

**U13** Mastergeeha 0 Park 3 In this game the boys were level at half time 0-0 but in the second half more clinical Tralee side got the goals to take the three points.

**U15** Castleisland 0 Mastergeeha 8

Away in Castleisland on Saturday morning the boys were the better side and got a deserved win. Paul O'Shea, Dylan Murphy, Sipo O'Neill, Eoin Rahilly and Darragh O'Leary were the scorers in a good team performance.

**MUNSTER YOUTHS CUP AREA FINAL**

Killarney Celtic 4 Mastergeeha 2 In the KDL on Friday night the boys went down two goals early on. However just before the break Mastergeeha pulled a goal back when Paul O'Connor headed home following a corner. Mastergeeha started the second half the better and were back on level terms when Sean Twomey scored following a cross by Jake Moynihan. After this both sides created some chances with Shane O'Sullivan and Paul O'Connor going close. However with 5 minutes remaining Celtic took the lead scoring from free that took a deflection off the wall. After this Mastergeeha pushed forward but could not get the equaliser they deserved. In the final minute Celtic scored again.

**MASTERGEEHA FC LOTTO** There was no winner on Friday 20th November 2015. Numbers drawn were 7,18,21,23

### DRIVE IN WITH A DIFFERENCE AT KILLARNEY GOLF AND FISHING CLUB:

Each year in Killarney Golf and Fishing Club the new Captains and the new President mark the beginning of their year in Office, with a traditional drive in followed by a Mixed Competition. The event occurs this year on Sunday November 29th at 10.00 am. However, this year's drive in will be tinged with nostalgia as the mixed team competition will be held on the original course which opened in 1939. This course which was designed by Sir Guy Campbell and further developed by Lord Castlerosse was in use until 1972 so Golf on this occasion will be a trip down Memory lane for some Members. For other Members it will provide a chance to step back in the mists of time and have the opportunity to play the original course. Enda Murphy and his Green-keeping team are busy preparing for this most unusual event. Following the mixed team competition there will be a presentation of prizes in the Club house at 3.30 p.m. Any Member or Former Member is welcome to join us in the Clubhouse for the prize-giving event. No doubt many golfing stories will be swapped and regaled on the merits of the original course versus the merits of Killeen, Lackabane, and Mahony's Point which now make up Killarney Golf and Fishing Club.

## WINTER DRIVING

### COPING WITH COLD, SNOW AND ICE

Of all the seasons, winter requires the most care and preparation if you're to stay safe and avoid a breakdown.

Breakdowns are more common at this time of year - we have extra patrols on call as the number of breakdowns nearly doubles during particularly cold spells - and road conditions can be really challenging, particularly when snow and ice strike.

Here's our general advice for safe and troublefree driving through the cold, dark months ahead.

### BATTERY AND ELECTRICS

Lights, heaters and wipers put high demands on the car battery. If your driving is mainly dark rush-hour trips, the battery will give out eventually.

Batteries rarely last longer than five years. Replacing one near the end of its life can save a lot of time and inconvenience at the side of the road.

Avoid running electrical systems any longer than necessary - turn the heater fan down and switch the heated rear window off once windows are clear.

If the car stands idle most of the weekend a regular overnight trickle charge is a good idea to give the battery a chance to revive.

Turn off non-essential electrical loads like lights, rear screen heater and wipers before trying to start the engine.

Use the starter in short five-second bursts if the engine doesn't start quickly, leaving thirty seconds between attempts to allow the battery to recover.

### ANTIFREEZE

A continuous squealing noise as soon as the engine is started is a sign the water pump is frozen - it's the fan belt slipping on the pulley. The cylinder block could be frozen too. Stop the engine immediately and allow it to thaw out. This may take several days unless the car can be moved to a heated garage.

If the car begins to overheat a few miles from home it's likely that the radiator has frozen preventing coolant from circulating. Stop straight away to avoid serious damage and allow the radiator to thaw.

Antifreeze costs only a few pounds, but a frozen and cracked engine block will cost hundreds of

pounds to repair.

Most modern cars use long-life antifreeze - it's important to use the right type and avoid mixing different types. Check the handbook or ask a dealer for advice.

Some types of antifreeze may need to be changed after only two years. Check the manufacturer's service schedule.

You need a 50-50 mix of antifreeze and water in the cooling system for winter. This gives maximum protection down to -34° centigrade, and without it, severe engine damage costing hundreds of pounds can occur.

### VISION

Keep the windscreen and other windows clear - if your vision is obscured through dirt, snow or even sticker-infested car windows you could face a hefty fine. Clear snow from the roof as well as from windows as this can fall onto the windscreen obscuring your view. It can be a hazard to other road users as well.

Dazzle from a low winter sun can be a particular problem.

Improve vision by making sure that the windscreen is clean both inside and out. Scratches, abrasion and chips on the outside can also worsen the dazzling effect of the sun.

Greasy smears on the screen that don't go with use of a normal screenwash additive will require a little elbow grease. Try using a cream glass polish with a slight abrasive action. If that doesn't work then try dishwasher powder

dissolved in a little water - Use clean kitchen paper to clean a small area at a time and try not to go back over a patch you've just done.

Use air conditioning for faster demisting and to reduce condensation on cold windows.

Check windscreen wipers and replace if necessary.

Make sure that wipers are switched off in the park position when leaving the car, when there's risk of freezing. If you don't and the blades freeze to the screen, you could damage the blades or wiper motor when you turn the ignition on.

Top up Windscreen washer fluid and treat with a suitable additive to reduce the chance of freezing. Don't use ordinary engine antifreeze as it will damage paintwork.

### VISIBILITY

Make sure that all bulbs are working and that lenses are clean. When roads are really mucky you might need to clean lights after every journey. Keep the number plates clean too, as you can be fined if they are dirty and illegible.

If you have to clear snow from the car it's important to clear it from the lights - front and back - as well as from the glass and roof.

You must use headlights when visibility is seriously reduced. You may also use front or rear fog lights but these must be switched off when visibility improves as they can dazzle other road users and obscure your brake lights.

### CHRISTMAS LIGHTING IN RATHMORE WORKING TOGETHER AS A COMMUNITY:

Mr. Liam Flynn from Millsteet outlined a proposal which would very much enhance our town over the Christmas period. Unfortunately the proposal would involve significant expenditure in year one but not quite as costly in year two and subsequent years. Year one Brackets would cost €50, trees are €15 and lights €22, putting up and taking down €40. Initial cost of €120. For those who already have brackets, trees and lights can be supplied for €70, He has agreed to leave prices as last year. While we feel that it is not easy for people to find money for everything in these times we feel that this is a project worth recommending but it is up to people themselves. If you are interested please contact any member of Rathmore Community Council or ring Liam on (087) 638 0053 or (029) 70 397.

Tribute and praise to outgoing chairman Joe Downey for his work

as chairman who did not seek re election. Cllr Niall Kelleher also attended the meeting. Rathmore got off to the best start in this opening quarter with some excellent teamwork and well taken scores by Sean Clifford (6), and Paul Cremin(4) leaving Rathmore ahead at the end of this quarter 14-8. Rathmore kept on top in the next quarter with some fine running and passing movements keeping their noses ahead on the buzzer 24-18. In the 3rd quarter Bridget's dominated, breaking through the Rathmore defense, this was an exciting quarter with Bridget's getting the final basket just before buzzer went, leaving only a basket between the sides. It was anyone's game at this stage.

In a highly tense final quarter Rathmore came out fighting with scores in this quarter by Sean Clifford, Darragh Rahilly, Derry McCarthy, Anthony Darmody and Ian O'Connor. This was a brilliant team display by the Ravens winning on a score of 49-45

### CYCLE TO WORK SCHEME

The cycle to work scheme aims to encourage employees to cycle to and from work. Under the scheme employers can pay for new bicycles and bicycle safety equipment for their employees up to €1,000. The employee then pays it back through a salary sacrifice arrangement of up to 12 months. The employee is not liable for PAYE, PRSI or Universal Social Charge on their repayments and the employer also benefits as employers PRSI does not apply to the cost of the bike and safety equipment.

The employer must purchase the bicycle and / or equipment. The exemption will not apply where an employee purchases a bicycle and / or equipment and gets reimbursed by his or her employer. The purchase must be made from an approved provider.

Employers do not have to take part in the scheme, however if they do, they must offer it to all employees.

The bicycle and / or safety equipment must be used by the employee mainly for qualifying journeys to and from work.

### Know Your Rights:

## HALF-RATE CARER'S ALLOWANCE

### QUESTION

My husband is getting a payment for me with his pension. My mother is in poor health and I have been caring for her for the last year. Can I qualify for a carer's payment and how will it affect my husband's pension?

### ANSWER

If your husband is claiming an Increase for a Qualified Adult for you with his pension, you can apply for a half-rate Carer's Allowance. If you qualify, you can keep the Increase for a Qualified Adult in full. This will not affect your husband's pension.

You must meet the qualifying criteria for Carer's Allowance. For example, your mother must require full-time care and attention and you must satisfy a means test. You can read more about the conditions for Carer's Allowance on [citizensinformation.ie](http://citizensinformation.ie).

To apply fill in an application form for Carer's Allowance (CR1). You can get this form online or from your local Intreo centre, social welfare local office or Citizens Information Centre. The form includes a medical report, which must be signed by the person receiving care and completed by their doctor.

Note that the application form for Carer's Allowance asks for a lot of detailed information from you. The Department of Social Protection has to work out your income and the income of your husband to assess the means of your household. The Department must also examine the medical condition of your mother to decide if she needs full-time care and attention. In addition, the Department must be satisfied that you, the carer, are providing full-time care and attention and are able to do so. You can get help with filling in the form from your local Citizens Information Centre.

If you satisfy the conditions for Carer's Allowance it will be awarded at half of the rate that would apply if you were not getting any other payment. You will also be eligible for the Respite Care Grant and a Free Travel Pass.

## DEALING WITH DEPRESSION III

When we are feeling depressed, we can experience our feeling state like a sink that is blocked with no outlet. Our reactions to events and unwelcome thoughts seem to go round and round, rather than just flowing through

our mind. Tubridy and Corry describe depression as a natural response to life's experiences – and maintain that depression is an emotion and not a disease. Just as we respond to life with feelings of anger, joy, sadness, love and fear – depression is another way in which we respond to life. Depression however doesn't just come upon us randomly and by chance. Instead it is a defence we build up around ourselves when we feel under threat or in danger. We build up barriers to protect ourselves and these can act as a very effective defence. However, when the time comes to remove the barriers, we may be unable to do so – thus our barriers of protection become our own prison.

Often our *Psychological Skin* has become too tight or too loose. When too tight we find it difficult to give or to allow others in. We feel the need to control everything ourselves and can't delegate or trust others. This however leads to feeling isolated and being cut off from growth in our lives. When our skin has become too open, we readily take on the problems and worries of others – often feeling overwhelmed and unable to set boundaries and say no. The optimal situation is to be neither too open nor too closed. Permeable boundaries allow us to open and let in when needed say no when we need to and reserve our energy.

Frequently people who are experiencing depression can feel plagued by tiredness. The constant effort to keep everything under control, to not upset people or to meet the needs of others can all lead to a constant anxiety and despair, which in turn leads to tiredness.

### Some ways out of our depression include:

**Have something positive that you can say to yourself (e.g. all will be well, or this too shall pass) or some inspiring music that you can put on when things feel dark and you feel alone.**

**Choose something that works for you**

**Develop the habit of doing at least one enjoyable, pleasant thing for yourself each day.**

**Keep a diary or a journal where you can record inspiring words, valuable insights or special memories. Whenever you feel low, read what you have written.**

Counselling can provide a great support to help deal with depression.

## 6 ALTERNATIVE USES FOR MOUTHWASH IN THE HOME

WARNING – MOUTHWASH CONTAINS ALCOHOL.

- **Hand sanitizer and deodorizer:** If you've just been chopping garlic and can't get rid of the smell, simply apply some mouthwash to your hands. Let it dry for some time before rinsing your hands. \***Deodorant:** Ran out of deodorant? Use mouthwash as a quick fix. Apply it to a ball of cotton wool and dab it on your underarms to reduce the odour of sweat.
- **Piercing after-care:** Use mouthwash instead of a saline solution after you've got a new piercing, dabbing the area with a few drops to prevent infections.
- **Treat cuts and scrapes:** Apply some mouthwash to your cuts or scrapes before wrapping them in a bandage. This will act as an antiseptic, preventing infections. It has also been said that mouthwash can even prevent a bruise from forming by applying it to the affected area.
- **Keep dandruff at bay:** Our scalp contains antimicrobial compounds that contribute to the formation of dandruff. Mouthwash does a pretty good job at killing them though - just apply 1 tablespoon of clear mouthwash to the scalp after washing your hair with shampoo, massage it, and then condition it as usual.
- **Cure blisters:** Reach out for some mouthwash when you have a blister. Dab it with a few drops once a day to see it vanish in no time. This can both numb the pain and speed the healing process.

## A TIGER'S STRIPES HELP THAILAND JAIL THE POACHER WHO KILLED IT

When police found the parts, skin, and meat of a tiger in a car in western Thailand, they were

almost certain a crime had been committed. There are only 100 or so tigers left in the wild in Thailand, and it is illegal to kill them. But their chances of nailing the suspect for the crime were slim.

"Typically, in that circumstance, the poachers will just say they shot the tiger in Myanmar, where wildlife laws are lax, and traffickers have little fear or punishment," said Peter Clyne, deputy director of the Wildlife Conservation Society's Asia program.

But thanks to a technological collaboration between Mr. Clyne's organisation and Thai wildlife officials, this tiger's remains included a vital clue to its origins. The pattern of stripes on its skin matched those of a tiger that had been photographed in Thailand's Huai Kha Khaeng Wildlife Sanctuary. Over the past 20 years, the team has set up hundreds of automated camera traps in the 600,000 - acre reserve, capturing thousands of images of its tigers in order to estimate their numbers and study their movements. "Every tiger has those distinctive stripes, but the patterns are unique to each tiger, once you know how to I.D. a tiger by its stripes, it's just like using fingerprints, but less tricky" Mr. Clyne added.

These images allowed officials to identify the poached tiger as a female from Huai Kha Khaeng, last photographed with two cubs by a camera trap in April this year. The fate of the cubs remains unknown. But the fate of the poacher is more certain: Police have taken him into custody, where he now awaits trial.

## A NUN'S FEARLESS FIGHT AGAINST MEXICO'S DRUG WARS

In a world of random terror, of mass graves and decapitated bodies, of kidnapping and murder and where, more often than not, the police and the army are the bad guys—the message to the average citizen is clear: Keep your head down and your mouth shut. Stay in the shadows as best you can. For 67-year-old Sister Consuelo Morales, an Augustinian nun and veteran human rights activist based in drug war – torn Monterrey, Mexico - and one of the main subjects of Bernardo Ruiz's new documentary film *Kingdom of Shadows*, opening Nov. 20th —these are not options.

As long as there is truth to be spoken and no one else courageous enough to do it, she will not be silent. Since 2006, when President Felipe Calderón declared open war on the Mexican drug cartels, more than 23,000 people have disappeared, including journalists, politicians, policemen, and many thousands of ordinary citizens with no direct connection to the drug trade or organised crime. In June 2011, poet and activist Javier Sicilia, whose son had been murdered earlier in the year in Morelos, arrived in Monterrey with a caravan of buses and cars on a cross-country protest journey. "He told us that if the attorney general wasn't paying attention to us, we needed to go see him," says Sister Morales. "So at midnight, with seven families, we went and knocked on his door." The prosecutors promised to investigate. It seemed unlikely anything would be done, and, indeed, the violence and disappearances continued. But little by little, certain truths began to emerge. "At least we began to understand how organized crime, and perhaps the authorities as well, had disposed of the people they had taken," Sister Morales explains, "mutilating them, burning them or dissolving them in acid." The truth was brutal, but it was better than no truth. Through Sister Morales and her co-workers at Citizens in Support of Human Rights, the organisation she cofounded in 1993 - originally to combat routine police abuse against youths - the families began to feel they could have a voice. They began to come together for weekly meetings; mothers, fathers, sisters, brothers, and children continue to support one another, to share their suffering and desperation, and to find a way forward. Since childhood, Sister Morales had wanted to become a nun. There was a time, though, before she took her vows, when she questioned her faith. But she discovered that working in human rights allowed her not only to confirm her beliefs but, more important, as she puts it, "to live the commitment of true fraternity with those who are most vulnerable," helping them to restore and defend their dignity as human beings and convert their pain into power. "A faith that does not translate into a radical, clear commitment for the defence of what one believes, a faith that does not translate into action," she says, "cannot be called faith."

## DRACULA ANTS

During a recently concluded study conducted over the last ten years, researchers from the California Academy of Sciences (CAS) working with the Madagascar Biodiversity Center (MBC) have discovered and described six new species of ants belonging to the genus *Prionopelta*. Commonly, known as 'Dracula Ants' for their unique feeding behaviour, these new members of *Prionopelta* have been found to be tiny, ferocious social predators living within the subterranean, microscopic ecosystem of the forest floor soils in Madagascar. One of the main tools the team used for sample collection is the 'Winkler' trap. Organic material is gathered from the forest floor and suspended to dry in a special bag. As the organic material dries out, the natural behaviour of insects hiding within is to move downwards with the remaining moisture to the bottom where a collection vial is conveniently located for capture. This technique allows scientific collection and study of extremely difficult to find soil-dwelling invertebrates, such as the tiny Dracula ants which are minute and colourless, with the smallest, *P. laurae*, measuring 1.5 millimetres in length and 0.2 millimetres in width. Dracula ants have a loose social structure where they live together and coordinate behaviour. It is a simple social organisation with a queen caste similar in appearance and behaviour to workers. The ants send chemical signals to one another regarding the location of food sources by laying down a secretion from a gland in their legs. This behaviour is then followed by a body-shake to attract other ants that then follow the ant that initiated the behaviour.

It is the way in which Dracula ants survive in times of limited resources that they differ widely from other social ants. The species got its name due to a practice of wounding the young of their colony and drinking their blood. This behaviour is described as 'larval hemolymph' and can be considered a form of resource sharing according to scientists.

## A BEAR SLEEPING BAG FOR ALL YOUR HIBERNATION NEEDS

If you are looking for a present for a person who has everything - this could be your answer - Japanese artist Eiko Ishizawa is the brilliant mind behind a sleeping bag, called the "Great Sleeping Bear," which is exactly what it sounds like: a gigantic plush bear you can sleep inside of. "By having the experience of transitional discoveries like finding a bear,

realizing a little human face in his mouth, and recognizing details and shape of this commodity, I attempt to create this work as to be a medium for audiences to generate one's transitional perceptions and fantasies in reality," the designer wrote about his creation - and if you think the words are a little on the large side - so is the price, it can be bought online for € 2,200, I am not sure if the price includes postage and packing but who cares if you are willing to pay over €2,000 for a sleeping bag I am sure a little thing like the cost of delivery will put you off.

## SAD CHIMP TAKES COMFORT IN TINY TROLL DOLL

Foxie the chimp was born in August of 1976 into a lonely life. Subjected to laboratory research on hepatitis vaccines, Foxie was compelled to produce more chimpanzees for research. But she never got to raise them.

Foxie gave birth again and again, but all four of her babies, including a set of twins, were taken away from her just after being born.

When Foxie was retired to Chimpanzee Sanctuary Northwest in 2008, the caregiver at the lab warned that Foxie was not to be trusted, that she would be rough if people got too close. When she arrived at the sanctuary she was aloof for a time around humans and cautious about her surroundings, she would not play with or even touch any of the toys and other items the staff gave the chimps.

And then, she adopted a troll doll with bright pink hair in 2008. Since then, she's adopted many more. Foxie and her troll dolls have been inseparable, sometimes she carries the dolls on her back like a chimpanzee mother would do with an infant. "After all the years of deprivation, she has something that is hers," one commenter wrote on Facebook. "Beautiful and tragic." "Does she have enough trolls or is it possible to send her one?" wrote another. "I collect them so I have many." The answer? "She has hundreds, but she's always excited to get a new one!"

## A WORD OF VICTORY

Welcome back dear reader the Word of God says there is great power in agreement. In Mathew 18:19 Jesus says that where two agree about anything in prayer it will be done for them by Father God in Heaven, and in the book of Amos 3:3 the Word says "Can two walk together unless they are agreed?". In relation to everyday life situations such as a marriage, as long as the couple are in agreement they will succeed; it's the same story in a business - when disagreements occur then the trouble begins. All failed marriages arise from disharmony - often an accumulation of trivial things that lead to the eventual break-up. No man or woman getting married intend on having their marriage fail. They have both agreed to get married so what then causes the strife and the hurts and failure? You see the thief spoken about in John 10:10 ('the thief comes only to kill, steal and destroy') wants to break up that union, so he sets up a pattern of living in either one or both partners that leads to disagreement and disharmony that can ultimately end in break-up with each one blaming the other. The emotional trauma suffered can open the door for all types of health problems such as depression, sickness or disease to come on a body. Scripture and science agree that our attitudes affect our emotions, and our emotions affect our health. The real problem of course is the thief - Satan is the real enemy; he is crafty and cunning, dropping thoughts contrary to God's will into people's mind's which cause pain and destruction. Hosea 4:6 says "My people perish for lack of knowledge" so with proper knowledge and prayer ministry this disaster can be turned around for good. God loves you dear friend and He wants you to be happy, call out to Him in the name of His Son Jesus and He will bring healing instead of the pain (Isaiah 61:3). More next week...
