With engines revving and crowds descending on the town.... its no secret that its Rally weekend in Killarney. The town is geared up to welcome thousands of rally supporters for the event which is worth in excess of €10 million to the local economy. Killarney Chamber of Tourism and Commerce are planning a networking event, a monument has been unveiled in Rathmore and an up and coming Killarney artist is set to exhibit his work in Dingle. Teams are training on the lakes as the date for the Killarney regatta has been announced and the coffee morning season continues with funds raised for MS at the Royal Hotel. As we head into the Bank Holiday weekend - safety is to the fore - so take care on the roads and remember to Keep the Race in its Place.

TIMELY SEMINAR HELPS TO KEEP KERRY'S YOUTH SAFE

AHEAD OF THE RALLY OF THE LAKES, GARDA JOE O'SULLIVAN & ANTHONY O'CONNOR, CLERK OF COURSE RALLY OF LAKES 2017 (LEFT) AND PAT CASHMAN, KILLARNEY DISTRICT CLUB MEMBER & COMPETITOR WITH EILEEN CUNNINGHAM, ROAD SAFETY EDUCATION OFFICER (RIGHT) PICTURED WITH TRANSITION YEAR STUDENTS AT THE SEM. PICTURE MARIE CARROLL-O'SULLIVAN

Killarney and District Motor Club and the Road Safety Authority (RSA) joined forces on Tuesday last to organise a road safety seminar for our next generation of road users. The initiative organised to coincide with the running of the International rally of the lakes over the May holiday weekend was specifically targeted at Transition year students and took place at St Brendan's College Killarney on Tuesday April 25th. Speaking from rally headquarters earlier this week Mr Anthony O'Connor clerk of the course of the rally emphasised that the raising of awareness and increasing understanding of road safety issues among new road users is very much the primary

focus on the day. Safety of competitors, spectators, pedestrians and general road users is very much our main priority when planning such major sporting events such as the rally of the lakes and with national statistics indicating that young first time drivers particularly male drivers being among the highest at risk category in terms of likelihood of being involved in a road traffic accident we are delighted to lend our support to any initiative which addresses these issues. Many inexperienced drivers overestimate the capabilities of a standard road car and during the hour long presentation given by Eileen Cunningham from the

R.S.A and Garda Joe Sullivan students were informed of how the lack of understanding of the affects of factors such as driver distractions, change in road surface, underestimating braking distances etc can result in very serious consequences for all road users. Experts were also be on hand from the motor club to detail the very specific performance and safety components built in to modern competing rally car, which allows crews competing in the rally to travel at such high speeds in a safe and controlled environment. Following the presentation participants were treated to a first hand experience of these modifications as the club

had arranged to have a one of the rally cars competing in this year's event to be present on the day for each student's personal inspection.

We very much want to get the message out there that there is no possible way that any standard road car can in any emulate the performance of the competing rally cars and we encourage all road users to keep the "race in its place" before, during and long after the rally weekend students were reminded to be ever mindful of their responsibility to themselves and all other road users each time they drive a vehicle.

MONUMENT TO PATRICK UNVEILED IN RATHMORE

A monument to the late Captain Patrick O'Connor, a recruit to the Irish Volunteers and the IRB, was unveiled in his home town of Rathmore on Sunday afternoon last.

Commissioned by the Glenflesk-Rathmore 1916 Commemoration Group, the costs were covered by proceeds from the staging of a musical drama based on Patrick's life which was staged for four nights in Rathmore Community Centre last year.

Patrick left his home in Rathmore to travel to Dublin on Good Friday 1916 and having spent a week with Pdraig Pearse inside the GPO, he was killed on Moore Street on 26 April 1916.

The monument in his memory which is carved from stone with a black marble insert, was unveiled close to the church in Rathmore town on Sunday afternoon last and Patrick's last Patrick's nephew, Dan Joe O'Connor, from Rathmore

townland, had the honour of unveiling the monument after Parish Priest Fr Pat O'Donnell celebrated Mass for Patrick in St Joseph's Church in the town.

The highly-rated Glenflesk Choir were in attendance and Paul Sheerin who plays the trumpet along with Con Houlihan of Cullen pipe Band were also on hand to provide music.

Following the blessing of the monument by Fr. Pat O'Donnell, Deputy Mayor of the Killarney Municipal District, Cllr Niall Kelleher spoke to the large crowd. Brian Kelly, Chairman of Rathmore Community council along with Patrick's grandniece Ann Moynihan was also in attendance. Other guests of honour at the ceremony were Val Moynihan, members of the extended O'Connor family, including Patrick's nephew, grandnieces and grandnephews, public representative Michael & Danny

Healy Rae TDS, Cllr Maura Healy Rae, Cllr John Joe Culloty, Cllr Bobby O'Connell, former minister & TD Jimmy Deenihan and Aidan O'Connor, Producer and journalist of Patrick - the Musical Drama. An informal reception was held in Teach Iosagain after the event.

Rathmore Community Council have been tasked with the maintenance of the monument and for those who have missed it or would like to see it again, Patrick - A 1916 Musical Drama will take place on 11th May in INEC.

KILLARNEY ARTIST TO EXHIBIT IN DINGLE

An up and coming Killarney Artist is set to exhibit at The Disart Centre in Dingle.

Diarmuid O'Sullivan from Ballaugh will be joined by fellow Kerry artists, Des Fitzgerald from Tralee and Joseph Keating from Cahersiveen at the exhibition which will run from Friday 28th April to Monday May 1st.

The exhibition entitled Unsettled, will be opened by Kate Kennelly, County Arts Officer as part of this year's Féile na Bealtaine.

Diarmuid's oil paintings deal with the object. He reintroduces the viewer to ordinary utilitarian things and invites them to observe and appreciate them out of context and in a different light. His latest series of paintings focus on mirror balls.

"I find these objects playful

DIARMUID'S LATEST SERIES OF PAINTINGS FOCUSES ON MIRROR BALLS.

and visually stimulating. Each square within these gloves reflect fragments of shimmering light, creating a symphony of colour and hue. It's these elements which, I believe, make for successful paintings", Diarmuid told the Killarney Outlook.

LOOKING AFTER ME A GREAT SUCCESS

Glenflesk's GAA Club 'Looking after Me' event last week was an huge success and the club are delighted with the response on the night.

"This success can be attributed to the help and support of everyone with organising, publicising ,promoting and running the event

and we wish to acknowledge all involved", Chairman of the club Derry Healy told the Killarney Outlook. "Particular thanks our Inspirational speakers, Briege Corkery, Donnagh from Jig Saw Kerry and David Saunders and special mention also to Maria Browne, Dietitian and Jimmy

Mulligan and Teresa of Jig Saw Kerry, who manned information stands at the entrance and the Glenflesk Male choir who ensured we all went home on a light note. Ultimately this evening was for and about the attendees. Thanks to the 250 teenagers and adults who took time out and were a great and

attentive presence. This included club members and officers from many clubs , a broad range of underage, minor and senior team members, members of the East Kerry Senior and Coiste na nÓg Committees and members of the County Health and Wellbeing Committee", Derry added.

In addition to the thousands of spectators, the 260 competitors will bring their mechanics, helpers, families and friends for five nights and they will all dine and stay in Killarney and its environs.

RALLY IS A GREAT "TEAM KILLARNEY" EFFORT

Worth well in excess of €10 million to the local economy and attracting several thousand people to the town for the long weekend, the Cartell.ie International Rally of the Lakes is one of the Kerry's major annual visitor attractions as well as being right up there as a hugely exciting sporting spectacle.

Killarney has been synonymous with rallying for decades, which is hardly surprising given the terrific stages it can offer, with the technically demanding stages matched only by the spectacular landscape served up in Beauty's Home.

The rally certainly plays its part in promoting Killarney and Kerry on an international stage with TV coverage of the event reaching close on 40 countries throughout Europe with an estimated 30 million household subscribers.

Various stages, showcasing the wonderful scenery that Killarney has to offer, are beamed into living rooms through the huge network of channels, including TV3, UTV, RTÉ, Sky Sports and Motors TV. This exposure hugely increases the deserved reputation of the rally as international event for competitors and spectators.

Mayor of Killarney, Cllr Brendan Cronin, remarked: "Killarney takes

great pride in hosting the rally year after year and it comes at a great time which kicks off the tourist season in the locality, bringing huge benefits to the local economy."

He added: "I wish to congratulate the hard-working team from Killarney and District Motor Club who work, on a voluntary basis, to ensure that the Cartell.ie International Rally of the Lakes grows from strength to strength." Killarney Chamber of Tourism and Commerce President, Paul O'Neill, said the town has seen the rally event flourish down through the

years and great credit is due to the Killarney and District Motor Club.

"It is very much a Team Killarney effort with Gardaí, Kerry County Council, residents and businesses all playing their part. In terms of coverage, Killarney and Kerry benefit enormously through TV, media and social media exposure," he added.

The 2017 Cartell.ie International Rally of the Lakes will get underway with a ceremonial start in Killarney town centre at 7.00pm on Friday. The real action will commence early on Saturday morning with the iconic Moll's

Gap stage, followed by the Tim Healy Pass and centralised service on Castletownbere Pier.

Then the crews head out on the famous stages of Cods Head and Ardroom with a repeat run over the Healy Pass and into service for a well-deserved break. Cods Head and Ardroom are repeated and there will be a blast through the Kilmackilloge Harbour stage to finish off the day.

Sunday morning's action starts with Moll's Gap once again, followed by service at the Liebherr Container Cranes base in Killarney. The crews will then complete a loop of three stages, Kilgobnet, Caragh Lake and Rockfield, before heading into service again at Liebherr.

This loop is again repeated with plenty of spectator-friendly access points in Kilgobnet and Rockfield. The crews will arrive back to the finishing ramp at the Rally Headquarters in the Gleneagle Hotel at approximately 5.30pm for celebrations and champagne.

The 38th Rally of the Lakes will be accounting rounds of the Clonakilty Black Pudding Irish Tarmac Rally Championship and the PlasticBags.ie Southern 4 Rally Championship.

Sunday the 25th June has been announced as the date for the 232nd Annual Killarney Regatta at the recent AGM of the committee.

During the course of his address to the AGM of Killarney Regatta committee chairman Paddy Cronin paid tribute to both the clubs and the members of the regatta committee for their contribution to the success of last year's event which due to inclement weather conditions had

to be postponed from the original Sunday date to the following Monday and while this may have inconvenienced many rowing members the committee had to adhere to this course of action to ensure the safety of the competitors. Paddy went on to thank the many business firms who had made sponsorship available, the Killarney Golf & Fishing club for the continued use of their facilities since 1954, the

management of the Avenue Hotel who make their premises available for meetings and the various media outlets who continue to promote the sport of rowing both at club level and for the annual regatta.

The following officers were elected for 2017

Vice Presidents Denis O'Brien, Raymond Coffey, John Kelly, Henry Clifton, Jimmy Doyle. Teddy O'Brien, Jimmy Doyle, Ted O'Shea, Sean Myers, Sheamus Guiney.

TWO TIER APPROACH REQUIRED IN PROPERTY SECTOR

'Property Partners the nationwide property group has called for the government to introduce incentives for the provision of new homes in areas with the lowest values. The first quarter of 2017 has already seen property prices increase nationally by in excess of 4%. It is widely accepted that the only way that this can be controlled is by increasing supply. Pent up demand is evident in the most popular areas. Property Partners, believes however, that the gap in property values between the urban areas and the regions will only continue to widen. According to CSO figures just released only 8,800 new housing units were constructed nationally between 2011 and 2016. The cost of a new 3 bed home in Dublin currently ranges from €300-€450,000 while outside the capital prices range from €140,000-€300,000 with little or no availability in many areas. Similar to the recently introduced Rent Controlled Zones, the government need to assess

areas on an individual basis and identify locations where supply is unlikely to occur in the short to medium term. The fact remains that despite an overall 10.7% increase nationally in the last 12 months, values in many areas still remain well below the cost of construction. In many areas, the figures are coming off a very low base and until such time as the government creates incentives to make it financially viable to build, development sites will remain untouched. It was recently announced that ghost estates are 'a thing of the past but not forgotten' with numbers dropping by 80%. This figure may be correct, however it is vital to look at where the remaining 20% are located. The areas where ghost estates have been completely eliminated are in the cities and commuter belts, where prices and demand are at their highest. According to Tadgh Gallivan of Property Partners Gallivan (local agent), "An acute shortage of new

homes still exists in many counties and this will continue to be the case for the foreseeable future. Simply waiting for values to return to a point where a profit can be made is an extremely negative approach and will deny many people the opportunity to remain in their locality."

The cost of constructing a 3 bed s/d residence outside the capital costs of €200-250,000. The average value of a 3 bed s/d currently stands below €200,000 in 20 out of 26 counties in the country. This is despite the recent increases in value. In some areas, it will take up to five years before construction will become viable again. The government however, have confirmed that they want young people to consider remaining in their own locality.

"There currently is little or no incentive for developers to provide new housing in Killarney. The average value of a 3 bed semi-detached property stands at €230,000" Tadgh said. "Values

TADGH GALLIVAN OF PROPERTY PARTNERS GALLIVAN WHO ARE CALLING ON THE GOVERNMENT TO INTRODUCE NEW INCENTIVES FOR NEW HOMES.

would need to increase by a minimum of 20% before the figures stack up commercially", he added. Surely everyone should have the opportunity to purchase a new home in their own locality. This is a fundamental right for all.

WEST MUNSTER TRAINING PROGRAMME AWAITS CRAIG

An up and coming rugby player from Killarney has been selected to attend the summer West Munster U15 training programme. Craig McKenzie Vass is a member of Killarney Rugby Club.

"Apart from Craigs, excellent ball skills and physicality, as well as his work off the ball, his attitude to both training and competitive

outings is fantastic" Tom Campbell from the club told the Killarney Outlook.

"Craig is an extremely charismatic, outgoing and popular player, and if he continues on the path he is going may well progress to the very top level. From his coaches and team mates we wish Craig all the best", Tom added.

OPENING CEREMONY AT RATHMORE SOCIAL ACTION GROUP

Rathmore Social Action Group will reopen the old Presentation Convent after almost a year and a half of renovation work on Sunday April 30th at 2.30 p.m. It will be blessed by Fr. Pat O'Donnell and officially opened by Aidan O'Mahony - x county football star and current champion of the TV competition Dancing with the Stars. This latest Social Action Group Competition will generate badly needed accommodation for several older adults and has resulted in the creation of nine construction jobs on average each day since 2015.

CELEBRATION AT DANÚ

Special guests will include local suppliers and artisans whose produce forms the basis of Danú's summer menu as well as members of the Millstreet Comhaltas group who will perform a medley of summer steps and airs.

"The beginning of summer is a very exciting time in the kitchen. Irish produce and flavours really

TIGHT LINES PRODUCE AN AMAZING €9,000 AT "THE CHARITY"

Last Sunday, 66 hopeful anglers from far and wide took to the waters for Lough Lein Anglers annual charity fundraiser.

Most of their work was already done before a fly was even cast. They raised a substantial 9,000 euro for this years charities.

As always, the competition had Lee Strand as its main sponsor. They provided the prizemoney for the raffle, and their representative, Gerry Dwyer, was at the event to present the prizes. Liam Twomey, the principal teacher from St Francis Special School, Beaufort, accepted 4,500 euro on their behalf. Mallow Special Olympics, represented by Jackie O'Mahony, her son, Colm, and Nicola Dwyer were delighted with their 4,500 euro.

The Charity is now 30 years young, and anglers to date, have raised almost 220, 000 euro for local charities. Weather conditions on Sunday had not been kind to these generous anglers. The winds were very light before calm descended on Lough Lein. Very few trout were moving and the fishing was quite difficult.

Nevertheless, in spite of the conditions, 15 anglers came ashore with 18 trout in total.

The overall winner was Alfie Hughes with two

trout weighing 440 grams. Eugie Mc Carthy finished in second place with the heaviest trout of the day- a fine Lough Lein specimen weighing 438 grams. Members of the winning team were Gerry Bambury, Con Murphy, Noel Murray and Robbie Creighton who landed four

trout that weighed 438 grams.

The prizes were presented later on in The Dromhall Hotel by club chairperson John Lyne. Well done to Tim O'Sullivan and his hard working team for another great charity event.

COFFEE MORNING RAISES FUNDS FOR MS

Organisers of the MS annual coffee morning were delighted with the turn out at the Royal Hotel on Saturday morning last.

Supporters gathered from 9am in large numbers for an expansive selection of confectionary items alongside freshly brewed

and steaming pots of tea and coffee, all in aid of the South Kerry branch of MS.

This annual event is organised by Tara O' Donoghue and Ann Marie O' Leary, both of whom are involved with the South Kerry branch of MS Ireland.

"With over 350 people in attendance over the morning, we were delighted with the turnout" Tara told the Killarney Outlook. "Its great to see so many people come out and support such a great cause and we are so grateful to everyone who attended", she added.

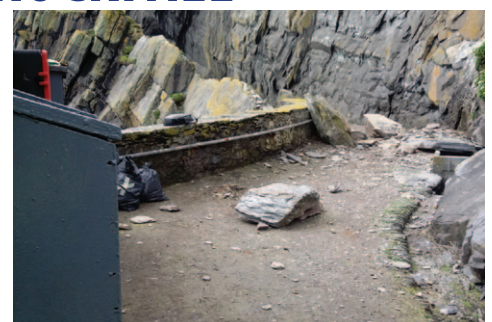

Indeed an industrious team of helpers & volunteers ensured that no pots or plates were ever empty on the day. Ann Maire had special words of thanks for all who made the event possible. "We are so grateful to the Royal Hotel and their staff who assisted us in every way in the run up to the event and in particular, the hard working staff that helped out on the day. We also had a team of volunteers on the day and a lot of people baked for the event and we are so grateful for all their time and kind support". Both Tara and Ann Maire also wanted to thank all those who donated spot prizes to the raffle that was one of the highlights of the morning. The South Kerry branch of MS Ireland provide much needed local support and services to people and families with MS in the South Kerry region.

UPDATE ON SKELLIG MICHAEL ROCKFALL

The Office of Public Works (OPW) confirmed that good progress has been made in dealing with the major rockfall which was discovered when staff arrived at Skellig Michael, the famous UNESCO World Heritage site located 12 km off the County Kerry coast, earlier in April. The specialist safety access team who were on the Island last week have surveyed all of the slopes concerned and have satisfactorily resolved all of the areas where there was a suspicion of loose material. At this stage, no large material

remains to threaten the Lighthouse Road, though it is evident that, as conditions remain very dry, there is still a possibility that the actions of burrowing birds in particular may continue to dislodge small material from the mountainside.

The specialist team have now left Skellig Michael and their place has been taken this week by OPW staff who will now undertake a number of specific tasks.

HOLY CROSS MERCY PRE-SCHOOL CELEBRATE AWARD

There were celebrations at the Holy Cross Mercy Pre School this week when Staff and children received the news that they received the "Healthy Ireland Smart Start" award for being a Health Promoting Preschool.

This award was given by the HSE and National Childhood Ireland at a ceremony held in Athlone last weekend. The Holy Cross Mercy was one of the first pre-school services in Kerry to receive the award in recognition for its efforts in ensuring children are supported to adopt healthy lifestyle behaviours from early childhood and onwards. Staff attended a training programme over a number of months which was subsequently followed by an independent assessment and inspection.

The focus in the pre-school to achieving this award was on nutrition & healthy eating, physical activity, oral health, health & safety as well as paying particular attention towards supporting children's emotional well-being and literacy. The Holy Cross Preschool Staff are proactive in bringing children, parents and staff together to work towards having healthy lifestyles and emotional well-being.

EIGHT NEW JOBS FOR KILLARNEY

The Edinburgh Woollen Mill is investing in a new store located in Killarney Outlet Centre, bringing eight new jobs to the area.

The new Edinburgh Woollen Mill store will open on Friday 5 May at 9am, with staff greeting the first 40 customers to make a purchase in store with a goody bag.

To celebrate the landmark opening of the store, staff will greet the first 40 customers to make a purchase in store with a goody bag. Customers will be able to choose from a goody bag comprising Edinburgh Woollen Mill or Ponden Home Interiors gifts.

The store will also mark its arrival in the area with an in-store competition, rewarding 40 lucky visitors with a prize. The first visitors to find the envelopes hidden around the store will walk away with either an Edinburgh Woollen Mill or Ponden Home Interiors voucher to spend in store.

Colin Davidson, Area Manager for the store in Killarney, said: "We are delighted to bring The Edinburgh Woollen Mill to Killarney and I'm confident the store will be a superb addition to the town's existing retail offering.

"I'd like to welcome locals in the area to join us on 5 May to celebrate the opening of our new store and browse our fantastic selection of spring/ summer fashion and homeware collections.

"Our first customers have the chance to snap up a goody bag and take part in our competition to find the hidden vouchers."

KERRY GAA LOTTO

RUNNING FOR FAITH

Over 75 people are going to run from Killarney to Castletownroche tomorrow, Saturday 29th April to raise funds so a Castletownroche family can finally see their daughter take her first steps. The runners are taking on the challenge of running 80km each on April 29th to raise €100,000 for a life-changing operation.

Two-year old Faith Browne from Castletownroche, Co. Cork has spastic diplegia cerebral palsy, which means she cannot walk, crawl or even sit up unassisted. Faith also has a rare hearing condition called Auditory Neuropathy Spectrum Disorder (ANSD).

After tirelessly searching for a treatment, Faith's parents, Lisa Browne and Dave Carroll have found an operation in St Louis Hospital, Missouri that specialises in helping patients with spastic cerebral palsy move independently. The operation, called Selective Dorsal Rhizotomy (SDR), treats muscle stiffness in cerebral palsy by separating the rootlets in the spine. This, teamed with intensive physiotherapy three to four times a week, will help Faith to finally walk, skip and play like her older sister Lydia.

The €100,000 will cover the operation in St Louis Hospital and pay for four weeks accommodation, flights and intensive physio in Missouri as well as two to three years private physio and equipment after the operation.

Faith's family have received generous donations from people around the country so far, including Irish footballer James McClean who donated €1000, however they are long way off the amount needed for Faith's operation and follow-up treatment.

Runners from a number of athletic clubs are taking part in the '80k in One Day' run from Killarney to Faith's home in Castletownroche, Co. Cork on April 29th. You can find out more on her Go Fund Me page.

FOSSA NOTES

LOTTO

Numbers drawn were 4, 8, 24, 28. There was no jackpot winner and the €40 consolation prize winners were Julie Gaffey, Steven Cronin, Crohane Fossa, Patrick J Coffey, Barleymount Middle, Matt Shallow, Crohane Fossa

and Regina Neilan, Rossarney, St Margaret's Rd. Next weeks jackpot will be €14,850. Tickets are on sale at The Golden Nugget Bar, The Castlerosse Leisure Centre, The Travel Inn, The Old Killarney Inn, Foley's Spar Shop, The Laurels Bar and Committee members.

SENIORS

The seniors played Dromid on Sunday in the second round of the Junior Championship, having already lost to the same opposition in the county league, they needed no motivation for this game. Dromid opened the scoring before Dara Rice kicked a cracking point after a searing run forward, Dromid tagged on a couple of more points but frees from Donald O'Sullivan, Tadhg O'Shea and Paudie Clifford kept Fossa in touch. We had plenty of possession in this half but found it hard to break down a very disciplined and organized Dromid defense, in the last 12 minutes of the half Dromid scored 1-04 without reply which left us trailing 1-11 to 0-05 at half time. This called for a big response in the second half and that is what we got. Mikey O'Shea came on at the break and the impact was immediate when he was instrumental in setting up Fintan Coffey for a goal in the first minute, this was quickly followed by points from Donald O'Sullivan and Paudie Clifford and suddenly the lead was down to 4 points. Dromid settled again and the side exchanged scores as the game ebbed and flowed, Fossa were awarded a penalty which was well saved by the Dromid goalkeeper. Fossa never gave up and two fabulous points by David Clifford brought us to within two points of Dromid, then deep in injury time a Donald O'Sullivan point left the bare minimum between the teams. Amid a welter of excitement, Fossa pressed hard for an equalizing score as we ran at the Dromid defense but even though we had chances to level matters we just couldn't find our range, Dromid held on to run out winners, 1-16 to 1-15. This was a cracking championship game with everyone giving their all, Fossa will be disappointed but the damage was done in the first half as Dromid were never going to surrender a nine point lead easily, however the Fossa players never gave up the chase and nearly got a draw in the finish which their second half efforts deserved.

MINORS

The minor team played Ballymac in the semi final of the county league on Friday evening in Ballymac and recorded a fantastic victory. It is never easy to win away from home and considering that they had lost to them in the league stage it was never going to be an easy game. On the night the Fossa players, to a man, stood up to be counted and produced a sterling display of football to win 4-09 to 1-14. This sets up a final with An Ghaeltacht in a couple of weeks time.

LADIES FOOTBALL

The senior ladies recorded a good win over St Pat's on Sunday morning on a scoreline of 6-11 to 4-07, well done ladies.

KILLARNEY LIBRARY

GLENFLESK NOTES

GLENFLESK SENIORS (SPONSORED BY THE KERRYWAY & O'BRIENS QUICKPICK)

Intermediate Championship

Our Senior team bowed out of the Intermediate Championship on Sunday last after a narrow loss to Laune Rangers. Despite being the better team for much of the first half, the concession of 2 early goals saw us go in at the break level. With the game in the melting pot Laune Rangers struck for what proved to be the decisive goal mid way through the second half and finished up with a 3 point win. A disappointing day for our young team but great credit must go to them for the never say die spirit they displayed.

Full Time; Glenflesk 0-13, Laune Rangers 3-07

GLENFLESK JUNIORS

Our juniors play Kilcummin in the East Kerry League this Friday April 28th at 7pm in Glenflesk.

GLENFLESK MINORS

Our Minor team put in 2 marvelous performances last week in the Co. League. On Tuesday they had a great win over Fossa in the group stage to book a semi final place on Friday night away to An Gaelteact. Despite a brilliant team performance we lost out by the bare minimum. Well done to the team and management a great campaign.

GLENFLESK LOTTO

No winner of the lotto which took place in The Corner Bar on 24th April, 2017. Jackpot €5,000, Numbers were 4, 9, 19, 23.

1. Wiebke McGuire, Lough guittane (Yearly ticket)
2. Diane Healy, Barraduff (sellers prize) Liam Bartlett
3. John Bartlett, Woodlawn
4. Tim Brosnan, Killorglin.
5. Denis Russell, Killorglin.

The next draw will take place in the Kerryway on 8th May, 2017 and the Jackpot is €5,200.

Renewal of the Annual Lotto subscription is now available and we would also welcome new subscribers. The Annual Lotto tickets will reflect the increase in the numbers to 30 from 1st May 2017. The fee for an Annual ticket is €50.

LOOKING AFTER ME

The positive feedback from our 'Looking after Me' event on Thursday 20th has been overwhelmingly encouraging and we are delighted with the response to the messages delivered on the night.

This success can be attributed to the help and support of everyone with organising, publicising, promoting and running the event and we wish to acknowledge all involved

Particular thanks our Inspirational speakers, Briege Corkery, Donnagh from Jig Saw Kerry and David Saunders.

Special mention also to Maria Browne, Dietitian and Jimmy Mulligan and Teresa of Jig Saw Kerry, who manned information stands at the entrance and the Glenflesk Male choir who ensured we all went home on a light note.

RAHEEN N.S

Congratulations to Joan Mullane who had the winning lotto no. 12 on Saturday the 22nd of April.

Student Grant Scheme

To qualify for a student grant, you must fulfil the conditions of the scheme as regards:

- Nationality and immigration status
- Residence
- Means

You must also be attending an approved course in an approved institution.

Means test

The means test for a student grant in 2017-2018 is based on your family's gross income for the previous full tax year (2016). However, if you or your family have had a change of circumstances (which is likely to be permanent) since 31 December 2016, your changed circumstances may be taken into account. Reckonable income for a student grant is gross income from all sources. Some social welfare payments are excluded from 'reckonable income' for the purposes of student grants.

How to apply

From 3 April 2017, you can apply for a student grant for the 2017/2018 academic year.

Since 2012, Student Universal Support Ireland (SUSI) is the single grant-awarding authority handling all new applications for student grants. All new grant applications will be made online. You do not need to know the exact course you will be attending in order to apply online.

The closing date for receipt of student grant applications for the 2017-2018 academic year is 13 July 2017.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

STARVING YOURSELF OR SKIPPING MEALS WILL NOT HELP YOU LOSE WEIGHT PART 2

Long term sustainable and maintainable weight loss (and lets face it who doesn't want that) is only achieved by clean nutrition eating, regular exercise, and stress reducing techniques such as relaxation and breathing. A good balance of the ying and yang I think we all need in our lives.

Treats can be built into a clean healthy living and eating plan and will allow us to Live a little and still loose weight. Please don't think of it as "I'm on a Diet" as your brain will register this as restrictive and a negative. Think of it more like this is the new more energetic and positive lifestyle change u choose.

The following is my tips for long term sustainable weight loss the healthy way;

- Always eat your main meals (breakfast, lunch and dinner)
- Be prepared and carry these meals with you if needed
- Skipping meals causes sugar imbalances and snacking and eating the wrong foods
- Watch portion sizes in each meal (protein: 1x palm size women/2xmen, carbs: 1xfist women, 2xmen, fats 1xthumb size, veg 2-3 fist sizes)
- Snack as needed on nutrition healthy snacks in between meals (when you feel hunger creeping up this is when I opt for a healthy snack to tie you over for next meal) e.g. Apple and tablespoon of natural peanut butter
- Eat good quality, clean, homemade, additive free food (organic or fresh locally grown produce)

OUTLOOK FASHION TIP:

HOW TO BREAK IN SHOES:

Break in stiff or too-snug shoes by slipping them on with socks and blasting your feet with a hot hairdryer.

DIET TIP DON'T GIVE UP:

After a binge eating session, don't just give up. Make sure your next meal is healthy and move on. Try focusing on health, not weight.

Beauty Tip

Concealer first

Concealer first, then foundation: Concealer is probably better to use before you apply foundation. Getting problem areas smoothed out before using foundation makes for a smoother end result.

HAVE YOU FELT IT?

There's a change in the air! Have you felt it? No, it's not that the days are warmer and the evenings longer – although that's lovely! It's something much greater and more profound than this. It's a change in attitude, perspective and what it means to live your happiest life! I've noticed it within myself, the people I meet, the conversations I have and the energy I feel! There's a sense of "waking up" – a feeling of people yearning to really LIVE their lives! It starts with a niggles of discontentment and an inner knowing that there must be something more. Sometimes it takes, months or even years to make sense of those inner feelings but once you experience them – the quest is on! Suddenly life is not just about going to work, repeating the same old routine every day – having the same old conversations and dealing with the same old people. Suddenly there's a hunger for passion and purpose and an urge to be the YOU, you've always felt inside but never fully expressed.

Top Coaching Questions:

If you have felt the stirrings of your soul and the whispers of your heart then ask yourself these questions: What is it that I am most hungry for? Where am I being led in my life? What is the purpose of my life?

It may take a while to come up with your answers. That's okay. These are deep pondering questions. Just keep them in your mind as you go about your day and trust that your own innate wisdom is already guiding you.

New 2017/18 Wedding Packages and Menus

"From the very first meeting we had at the Dromhall we knew that we were in the right place. The decor of the function room is beautiful plus the layout with dance floor and bar works brilliantly. The room is a good size with loads of natural light. Our wedding package was just amazing honestly you will not find a quality hotel that will beat it. Location is also perfect. If you're thinking about the Dromhall you won't regret it." Amy & Brian, November 2016

SUITS SELECT

Here are suits select We have seen a return to the classics but with a modern twist. Clients are

looking for something unique, suits that make their wedding stand out. Blue 3pc suits are still proving quiet popular, Along with Tweeds. Textured fabrics are on top of the trend for 2017. Not forgetting a massive resurg in traditional wedding colours like grey, black and navy also remains on trend. Clients are also accessorising their suits with double breasted, tweed and lapelled waistcoats for a more stylish 3 piece look.

We have a buy option only but have many different package to avail of to suit everyone's budget. This also helps avoid the struggle of choosing gifts for the grooms party, I mean who wouldn't love a brand new suit.

A popular option is the groom wearing a different waistcoat to the groomsmen and maybe dressing it up with a contrast pocket square, pocket watch and cuff-links. Accessories are just as popular for the guys as they are for the bridal party and we have

everything to help you choose from even down matching funky socks.

You have to be careful when trying to match outfits. We often get wedding parties coming in looking for waistcoats in burgundy or deep red shades, which can look too dark as a block colour on many groomsmen so if you really want to include these colours, it's a good idea to work the colour into the tie/cravat and then have another splash in the likes of the buttonhole flower.

At Suit Select we recommend you have your suits picked 10-12 weeks in advance of your wedding date and final fitting 3-4 weeks before.

Keep an eye out on our facebook, instagram and twitter for more exclusive deals and competitions to help your on your big day. Call into our new superstore and check out our wide range of suits where one of our staff members will ensure you get the highest level of service and quality we have to offer in a relaxed environment.

Wedding IDEAS

CAKES!!!

A dummy display cake and several dessert cakes for your venue to cut and serve should cost less and still give you the same amount or even more cake for your guests. Fresh

flowers are a great decoration.

SEATING CHARTS

Wine corks are the usual go-to for vineyard wedding seating charts, but we think we love using wine bottles even more. Each bottle's label features the guest names for one table, while also being used as a vase.

FLOWER DISPLAYS

Here are some wedding flower decor ideas that can help give a fresh and romantic touch to your wedding ceremony and reception. From

delicate little Lily of the Valley, lilacs and sweet peas, to statement blooms such as tulips, daffodils, anemones and ranunculus, flowers can make a big impact!

FULL BLOOMS

Full blooms such as peonies and roses are currently very popular. Not only do these stunning flowers look traditional and

timeless – a beautiful rose bouquet will never date – they also come in some seriously pretty shades.

WEDDING SHOES

When it comes to your wedding shoes, comfort is key! If you know you're going to want to wear lower shoes for the reception, do your best not to select the highest possible heels for the

ceremony. And consider a lower shoe that isn't actually flat for the reception. Have the gown hemmed shorter than the bridal shop recommends.

SWEET CART

Adults and kids love sweets. A sweet cart at your wedding reception will be a huge hit. You can do it on a budget yourself with some fun decor or research suppliers in the area. Some hotels may

supply a sweet cart for you. A fun way to keep your guests entertained!

FAVOURS

Instead of favours you can do different, thoughtful fun things for your guests. Supplying some budget flip flops in the ladies will be a welcomed idea to most ladies with sore heels

who don't want to leave the dance floor!

Worldwide HONEYMOON Destinations 2017

The choice is endless – the world at your fingertips for the most amazing holiday of your lifetime. Here are some of the most amazing, idyllic honeymoon destinations in the world. From far flung exotic locales like Sri Lanka, Marrakesh and Maldives to

BALI, INDONESIA

There's a reason its nickname is the "Isle of the Gods." Even before the hit book and movie Eat, Pray, Love, the island had been a magnet for romance seekers for its mist-shrouded temples, beautiful mountain vistas and vivid arts scene.

PARIS, FRANCE

Paris is synonymous with romance. It's a combination of the architecture, the food and the art that makes this city so special.

VENICE, ITALY

Italy has long been a favorite honeymoon location for newlyweds. After all, nothing says "amore" quite like a gondola ride through the Grand Canal as you sail past historic buildings.

HARBOUR ISLAND, BAHAMAS

Chances are you've never seen anything like this pink-sand paradise. Plus, it's loved by boldface names like designer Diane von Furstenberg, Mick Jagger, Bill Gates and supermodel Elle Macpherson, so it must be amazing!

SANTORINI, GREECE

This small volcanic island is known for its seriously gorgeous sunsets and pristine whitewashed villas.

KILLARNEY ATHLETIC NOTES RESULTS

U14

Athletic 1 Iveragh 1

Iveragh scored early when a cross from the right in behind the defence found the striker at the back post who finished to the net.

Athletic grew into the game & some great link up play between Moynihan, & O'Sullivan put Lee clean through only for him to be taken down by the centre half.

Into the second half & again Athletic started slow but for some timely interceptions from Tynan, & alert goalkeeping from Foley meant that the game stayed only 1-0. The equaliser came midway through the second half when Mulvaney who was a constant threat in the second half was hacked down on the right wing. A superb free kick from Alade found its way to the back post where Conor Horgan's beautifully volleyed finish gave the keeper no chance for his first goal of the season.

LEE STAND FOOTBALL LEAGUE

Our assiduous U12 boys headlined the fixtures this week; both the Blue and White teams were in action last Sunday. Unfortunately, it did not go to plan for both teams; the blue troopers met a very strong Keel side; losing out 3-07 to Keels' 5-22. Yet, all wasn't lost as the Whites came up trumps 5-12 to 2-06. Well done to both teams on their industrious effort. The boys continue their endeavours in division 4; Furies Vs Ballydonoghue at home @ 6pm on Sunday, 30th April.

Lee Stand Hurling League

The U12 Furies Hurlers are in action in round 5 of the Lee Strand division 3 on Friday, 5th May at home in Pairc Eamonn at 7pm. Support would be very much appreciated.

KILLARNEY CAMOGIE CLUB NOTES

Training has resumed at Crokes on Monday evenings at 6.15 following the Easter break.

Anyone who would like to try a unique sport is more than welcome to join us. All equipment is provided. We cater for girls from 6-16.

Our under 14's took part in a Feile qualifier final against Parnells of Tralee on Sunday last. The game was played in Blenerville. Due to scheduling conflicts, Killarney had to field a weakened team. Parnells put on a great show in the first half and our girls struggled a little with the pace of the game. However, the girls rallied at half time, and came our fighting in

the second half. They got stuck in and really acquitted themselves. This was exemplified by a great goal scored by Aine Devlin after a fine individual run. There was some great defensive work in the backs led by Geraldine Murphy, Lisa Lenihan and Keelyn O'Leary. While the scoreline didn't flatter Killarney, they girls are showing signs of progress. There was an added bonus of Kerry Camogie selectors observing the game as they search for the next generation of County players!

All at the club would like to extend their deepest sympathies to Margaret Hickey (one of the founding members of our club) and her family on the recent loss of her Father John Galvin RIP.

EAST KERRY NOTES

EAST KERRY JUNIOR LEAGUE

The East Kerry Junior league, sponsored by Kerry Physiotherapy & Rehabilitation Centre, Killarney, is nearing the finals stage, with round 2 played last week. In Division 1, it was the home side, Dr Crokes took the league points when they played Gneeveguilla. Dr Crokes built an unassailable lead in the first half, notching up 2-13 to 0-4. Dr Crokes continued to dominate the second half and ran out winners on a final scoreline of Dr Crokes 4-20 Gneeveguilla 0-10. In the second division 1 game, Rathmore proved much too strong and experienced for a young Killarney Legion Junior side, missing a number of regulars in this game played in Derreen. Starting brightly enough with points on the scoreboard, the home side seemed to be well in contention. However, Rathmore settled to their task and gradually began to open up a gap. The half time score saw the sides go in with Rathmore leading 1-8 to 0-3. On resumption, Rathmore increased their lead and had a comfortable winning margin. Adam Moynihans well taken penalty

was a bright spot for the Killarney Legion side. Final score Rathmore 3-17 Killarney Legion 1-08. These results mean that Rathmore top the division 1 league table, with 4 league points, while both Dr Crokes and Gneeveguilla are on 2 league points going into the final round of league games. Dr Crokes play Killarney Legion and Rathmore meet Gneeveguilla in round 3.

In Division 2, visitors Spa booked their place in the final when they travelled to Kilcummin for a round 2 game, having drawn in their round 1 game against Glenflesk. After an evenly contested first half, Spa lead by 1-8 to Kilcummin s 1-7 at the break, the goal scorers being John Falvey for Spa and Gearóid Kerins for Kilcummin. The second half saw Spa in complete control and out score Kilcummin by 12 points to 3 with John Falvey accounting for 1-10 in total. Final score Spa 1-20 Kilcummin 1-10. Spa await the outcome of the round 3 game between Glenflesk and Kilcummin to find out who they will meet in the final. Kilcummin need to win while a draw would suffice to see Glenflesk through to the final. Both division 1 and division 2 finals are fixed for Tuesday 2nd May at neutral venues.

EAST REGION U16 LEAGUE

The last league round of games in the MD O'Shea East Region U16 League, to determine progression to semi finals and finals, are fixed for this week. The semi finals in Divisions 1, 2 and 3 sees the second placed team on the league table take on third placed team, with the second placed team having at a home venue. The top team in the league table has home venue for the final. In Division 3 the fourth placed team will play a home final versus the winner of fifth V sixth placed team (fifth at home for semi final) for a Division 4 title. There will be extra time if necessary in all semi finals which are set for Monday 1st May. Extra time also applies if necessary in the finals, which are fixed a week later, on the 8th May. The league tables are on the East Kerry Web Site (www.eastkerrygaa.com) under Fixtures and Results.

U8/U10 GO GAMES BLITZES 2017

Kerry Coaching and Games organised county blitz days in John Mitchels during the week. The games were played in great spirit with all teams performing well over the two days. Well done to all concerned the standard was superb.

The result of the matches is not important players getting match practice and enjoying the experience is the main aim. MILLTOWN/CASTLEMAINE NEWS

UNDER AGE GIRLS ACADEMY:

We are delighted to announce that training for the Under 6/8/10 girls will commence, after the Easter break, on Thursday April 27th.

The venue is Milltown Castlemaine GAA Grounds-6.15 to 7.15.

FEILE:

The National Féile Peil na nÓg 2017 will be held in Monaghan, Cavan and Fermanagh while the Division 1 County Féile will be held in Sligo at the end of June. Kerry will have three qualifiers for the National weekend. Kerry B, C and D. Kerry A will be in Sligo. Milltown Castlemaine's U.14's are in the B qualifiers.

Last Wednesday, Milltown Castlemaine hosted Group 2B of the Kerry Coiste na nÓg Féile Peil na nÓg qualifiers. Milltown Castlemaine played Na Gael in the first game. Na Gael had a very fast start with two goals in the first minute. Milltown Castlemaine rallied and as the game went into the second half they had levelled the match. However Na Gael lifted their game in the last few minutes to score three consecutive points to win on a score line of Na Gael 3.03 to Milltown Castlemaine 1.06. The second game was Na Gael v An Ghaeltacht. Na Gael qualified for the Div 2 Féile final as top seeds from this group with a controlled win. Na Gael led from pillar to post with again an early goal having them in control. An Ghaeltacht rallied but the speed of the breaking Na Gael forwards meant that Na Gael won on a score line of Na Gael 3.05 An Ghaeltacht 1.02. The final place in the Feile semi finals was to be decided by the last game of the evening. Milltown Castlemaine's very young defence set the platform for their teams win. Their forwards got the room in the second half to ensure that they qualified with a win on a score line of Milltown Castlemaine 2.03 An

Ghaeltacht 0.04. Well done to the players of all three teams for some very entertaining and enjoyable football. Referee for all three games was Paul Hayes, Kerins O'Rahillys.

Na Gael and Milltown Castlemaine qualify for the Division 2 semi finals. which will be held on Wednesday May 3rd. Times and venues to be confirmed.

U 12'S

Our Under 12's had two excellent games v John Mitchel's on Sunday evening last. The green team lost 5 11 to 4 11 in a very close, exciting match where they hit the cross bar 5 times and the white team were victorious on a score line of 4 10 to 2 10 after a great come back in the 2nd half.

Well done to Turlough and the entire panel of players.

BLITZ

Our Under 8's and Under 10's both had a great time participating in the annual blitz held at John Mitchel's Tralee. Special thanks to John Mitchel's for organising the blitz and to all the coaches and mentors from our club for their continued work with these age groups.

UNDER 14'S

Well done to Ian and his under 14 boys on their victory over Ballyduff on Wednesday last. The final score was 5/10 to 3/08.

Their next opponents are An Ghaeltacht whom they will play on Wednesday at 7 in An Ghaeltacht pitch.

MINORS

Hard luck to our minor team who were defeated by Glenbeigh Glencar Cromane on Friday evening last in the semi final of the minor league. Having beaten them by two points on Tuesday evening, it was the visitors who set the pace on Friday night with a blistering start. A huge well done to the panel and management for getting so far- despite being without some key players due to injury.

SENIORS

The Milltown Castlemaine senior men were at home on Sunday afternoon to Cromane in a back game of the senior league.

Conditions were excellent for the game. Full time score of MC:2/13,Cromane:0/12.

Well done to both teams for a very sporting game and to the referee who acquitted himself very well.

BEAUFORT GAA CLUB MATCH REPORTS

U14 Girls County League Div 4 - Beaufort Vs. Fossa. Beaufort 6-05 Vs. Fossa 6-05. Beaufort welcomed near neighbors Fossa in an epic game played in damp conditions. Beaufort without midfield pair and Fossa missing Danielle O'Brien, Kerry U14 player. While Beaufort looked like getting off to an flying start inside the first minute with Emma Kissane shooting narrowly wide of the post and Saoirse Dorian hitting the post, it was the visitors who took the early lead notching up two goals of their own in the fourth and fifth minute. Leanne Hayes pointed in the 6th minute, Fossa quickly answered with another point. Beaufort's affair with the post continued with Saoirse Dorian hitting it twice more in the eighth and tenth minute. Another goal chance going wide from Emily Kissane on the ninth minute. Fossa had no problem finding the net in the twelfth with a fine goal. Looking well out of the game at this point and poor ball handling the tides turned for Beaufort's Leanne Hayes who kicked a point from a free on the thirteenth and Saoirse Dorian, Leanne Hayes and Holly Clifford all adding goals in a three minute spell to put the home team into a one point lead. Adele O'Brien narrowly missed a scoring chance while Fossa added a point on the twenty first. Beaufort closed out the half with a goal from Emily Kissane on the twenty fifth but Fossa sneaked another goal and point to let the leading by one point at the break. Fossa took the first score of

the second half with a well taken goal with a goal chance going a miss by Beaufort's Saoirse Dorian. Holly Clifford found the net on the sixth minute and Saoirse Dorian added a fine point in the tenth minute but will be having nightmares about the post striking it again on the fifteenth. Fossa added a point on the eleventh minute from a free. Leanne Hayes pointed well in the twenty fourth, Saoirse Dorian found the net on the twenty eight minute it looked like the home team could finish out winners but Fossa upset the party with a goal in the twenty ninth. Holly Clifford pointed on the death but still time remained for Fossa to add one more to end the game in a draw. Both teams happy to leave with a point. Kerry U14 player Leanne Hayes showed great strength and pace throughout the game, well done to all the girls for the strength and determination shown on the field a joy for the spectators to watch. **U12 BOYS COUNTY LEAGUE DIV 2A BEAUFORT VS. RATHMORE.**

An under strength U12 team came up against a very strong Rathmore side this on Thursday, 13th April. The defense was under pressure from the start with the Rathmore forwards picking off scores at every opportunity. The Beaufort attack got very few chances to show what they could do and did well to score 3-03 during the course of the match. Final Score: Rathmore 5-32 Beaufort 3-03. Beaufort U12 Team: Darragh Kingston, Cathal Lannigan Ryan, Gary O'Sullivan, Donnacha Coffey, Cian O'Shea, Timmy Galvin, Josh Coffey, Darragh Foley, Jer Landers, Pierce Slattery, Rian O'Shea. The U11 side played out a very competitive match which could have gone either way until very near the end when a late Rathmore goal sealed the win for the home side. Final Score: Rathmore 5-10 Beaufort 5-04. Beaufort U11 Team: Fionn O'Neill, Lucas Cronin, Ciaran Doyle, Cian Kissane, Evan doona, Thomas Healy, Hugh Dorian, Liam Coffey, Padraig Casey, Eanna Coffey, Alphonse Barrett, Mikey Leane, Adrian Johnston.

LEGION GAA CLUB NOTES CLUB CHAMPIONSHIP

KILLARNEY LEGION 2-14 DINGLE 2-14

Anyone who paid at the gate coming in definitely wasn't looking for a refund coming out as this epic finished level. Even the extra 20 minutes couldn't separate the 2 teams as they slugged it out for 80 minutes. We looked especially dangerous in the first quarter as James O Donoghue stole in for a goal and shortly after Conor Keane was most unlucky

to see his audacious lob come back off the crossbar. At the other end Captain Danny Sheahan and All Star Paul Geaney had a ding dong battle as Paul slipped in for a goal and there was little between the sides at half time. 1-7 to 1-5 in Dingles favour. There was a slight drought in scoring in the second half with Dingle again slipping in for a goal to open up a 5 point gap midway through. But Conor Keane, Thomas Moriarty and James O'Donoghue kept chipping away with Jack O'Neill going through some lung busting work. Captain Danny Sheahan cavaliered upfield to win a penalty which was duly converted by James. The last 8 minutes were tense as Danny again stormed forward to nudge Legion in front in injury time before Mikey Geaney in a rare moment broke off the shackles of Denis Sheahan to equalise with the last kick of the game.

The pace of the game didn't drop in extra time as both teams gave their all. Dingle lead by 1 point with the last play of the game being a Legion free from 50 yards out. Up stepped substitute Finbarr Murphy with ice in his veins to kick a superb point and bring the curtain down on an absorbing draw.

The team management will be delighted with the way the lads never relented and kept going to the bitter end with a draw being most deserving.

Scorers James O Donoghue 2-4, Conor Keane 0-4, Thomas Moriarty 0-2, Danny Sheahan 0-1, Denis Sheahan 0-1, Donal Lyne 0-1, Finbarr Murphy 0-1.

SENIOR LADIES

Killarney Legion 6-11 Laune Rangers 1-7

The Senior Ladies travelled to JP O'Sullivan park in Killorglin and came home victorious with a fine win over Laune Rangers. With more or less a full panel they played to somewhere near their potential and ran out deserving winners. Great building and progress under the stewardship of John Doona and Susanne Smith.

BOYS U14 FEILE

Direen was a hub of activity last Wednesday as the qualifying round of the National Feile was held. Our lads acquitted themselves very well and we're most unlucky with 2 of the games going to the wire. The big positive was it gave the management an opportunity for every panel member to get a taste of competitive action. They are back in County League action now with games vs Castlegregory and Fossa.

GIRLS U16

Our U16 girls took to the field at Derreen for 2nd round of the county league against Na Gaeil. In what was a very tough and competitive game, the lead swapped hands several times in the first half with the half finishing 2-4 apiece. Despite Na Gaeil taking the first score of the 2nd half, the Legion girls showed great spirit and determination winning several individual battles around the field to forge into a 5 point lead as the game entered final stages. Still there was further excitement as Na Gaeil grabbed a goal late on to force a nail-biting finish but once

again our ladies showed great character, in the process doing themselves proud and held out to win on a score line of 3-10 to 3-7.

Well done Ladies. Next game is home v Ballymac
FIXTURE

Good news on the fixture front our 1st. round Co. Championship game v Kenmare Shamrocks has been fixed for Sunday 14th. May at 6p.m. in Derreen.

SYMPATHY

The Killarney Legion Club extends it's sincerest sympathy to John O Leary and family on the sad passing of his mother Nora R.I.P. Sioraí na bhFlaitheas ar a h-Anam Dilis.

DR. CROKES GAA NEWS

CLUB CHAMPIONSHIP QUARTER FINAL PLAYED IN LEWIS ROAD

Dr Crokes 0-10 Austin Stacks 0-4

In a game which never reached the heights expected we ran out six point winners over Austin Stacks. In a contest between two clubs in the top four in the County you would have expected greater intensity.

We got off to a great start and had five points on the scoreboard without reply by the end of the first quarter. The second quarter was scarce score wise with our opponents outscoring us three points to two. This left the half time score 0-7 to 0-4 in our favour.

Scores were very scarce again in the second half but our patience in recycling the ball saw us giving our forwards more chances than Austin Stacks. Our total however in this second thirty minutes amounted to just three points. This however was enough to give us a six point win as our opponents scored two points less than us in this thirty minutes.

Both teams will be disappointed with their display in this game. The sides have been meeting one another in big games over the last number of years and maybe this partly accounted for the cat and mouse displays by the two black and ambers.

Our two best players on the day were Gavin White and Daithi Casey who probably were the only two players who managed to get over the gain line with regularity.

Team and scorers: Shane Murphy, John Payne 0-1, Mike Moloney, Gavin White, David O'Leary, Alan O'Sullivan, Fionn Fitzgerald, Mike Milner, Daithi Casey 0-2 (0-1 free), Micheal Burns 0-2, Gavin O'Shea, Brian Looney 0-1, Colm Cooper 0-3 (0-2 frees), Jordan Kiely 0-1, Shane Doolan
Subs: Chris Brady, Jamie Doolan, Paul Clarke, PJ Lawlor, Mark Egan, Jason Lyne

UNDER 14 GIRLS

On Tuesday April 18th Lewis road was the venue on a cool but dry evening which saw Dr Crokes entertain Southern Gaels in Round 2 of the County League Division 4 in a clean fast flowing game. Crokes had just 15 players for this match and this was in no small part due to players being away for the Easter Holidays. This was an evenly matched contest with Crokes more wasteful of scoring opportunities

than their rivals who looked clinical but opted for points when a goal opportunity appeared easier.

Dr Crokes lead 1-3 to 4 points at half time with scores from Jade Potts 1 -2 (who would be the leading scorer in the match with a total of 1-4) and Kym Murphy also netting a Goal.

Goal Keepers are hard to find in Ladies Football but Southern Gaels have done that and were it not for some fine saves from Southern Gaels Keeper from several Dr Crokes attacks, then the score line might well have read much differently. Both teams showed fantastic skills with players on either side soloing the ball 30 and 40 yards. Crokes added points from Sarah Macmahon Kym Murphy and Kate O Donoghue and won out on a final score of Dr Crokes 2-7 Southern Gaels 2-5.

All 15 players gave it their all. Jade Potts had a fine display at midfield while a very strong performance in defence came from Rocha Clifford and Sara Neher. In the forward line the duo of Ella Galvin and Amy Leahy also stuck well to their task.

On Sunday April 23rd the Crokes girls were away to Ballyduff/Beale. Dr Crokes were seriously understrength and were no match for their opponents. They were completely overwhelmed and very heavily defeated on a score line of Ballyduff/Beale 8-5 Dr Crokes 2-1. This was just one of those days where nothing went to plan. Scorers for Crokes were Rocha Clifford and Sara Neher with a goal each and Sarah MacMahon.

UNDER 12 GIRLS

Dr Crokes U12 ladies had their first home game v Milltown Listry on Tuesday 18th, and it turned out to be a great display of football by two evenly match teams.

UNDER 14
Our brave U14 team lost out to Kilcummin by a solidarity point in a Féile qualifying game on Wednesday evening. The players struggled early on to come to terms with the full rules but rallied well before half-time and trailed by a point at half-time. Kilcummin caught us for 1-1 early in the second half and our comeback came just a little too late.

UNDER 16

The Black team had an impressive win over Furies on Monday evening on a scoreline of 2-17 to 1-10. They played a back game on Thursday evening also in Lewis Road. The Crokes men proved far too strong as they dismantled Kenmare by 6-17 to 1-10.

We would like to wish U16 star Lorcan Martin a speedy recovery and we look forward to seeing you back in the Black and Amber shortly.

FROM HALF-GENERATION TO HALF-GENERATION

BY A HURLER ON THE DITCH

Last Thursday, I picked up the final hour of Dr Crokes' Easter Camp that had been bubbling with fun and excitement for three days. I was really pleasantly surprised and impressed by what was transacting before me. The coaches were made up of a cohort of young ladies and men from the ranks of the Senior and Minor players. Those being coached were mainly in the five to ten years age bracket and all was overseen by the senior members of the coaching academy. The Events Committee played their part, in ensuring everyone was fed and watered.

There was an obvious organisation around the drills, games and skills transfer from one generation of players to the next – or rather “half-generation”, for, in reality, that is all that

was between both ranks. But the overall ambiance was one of fun, levity and comradery. Our young coaches were making huge efforts to ensure that, above all, the younger kids were enjoying themselves and were included in everything. Again, it was obvious that friendly relationships had built up between coaches and players over the three days - the high-fives, the jokes, the hugs, the easy manner, in which they interacted – a shared community.

The Easter and Summer Camps are one of the most important dates on the Crokes' calendar. It is, of course, an opportunity for our younger players to improve their football skills, make new friends and start appreciating what it means to be part of the Dr Crokes' community. It also provides an opportunity for our Minors and young Senior players to give something back to the Club, from which they have

received so much. These young coaches were the embodiment of what the founders of the GAA and Dr Crokes aimed to achieve – building a community, based on true Gaelic principles; a caring community that looks out for each other; expressed through our national games. The experience in Lewis Road left me happy to know that the next generation are growing up with the right values and the importance of young people being involved in a community that evokes the right principles. I was always a supporter of handing values from one generation to another. But, in this era, where everything is accelerated at such a pace, what I witnessed at the Dr Crokes' Easter Camp has me thinking whether society could make greater use of the “half-generation” for teaching values and principles to our young people.

MUCKROSS ROWING CLUB LIMERICK & SCHOOLS REGATTA

Congratulations and well done to all our members who competed in the Limerick and Schools Regattas held in O'Briensbridge last weekend. Over two days, the four-lane regatta course was raced over 1500m with 1000m races for J14, J15 and Masters events. In the Limerick Regatta on Saturday, the club was represented in categories from Junior 14 to Masters, with a number of strong performances throughout the day. Well done to our Womens Junior 15 Double who were second to Shandon in their final, with Fermoy third and Carlow fourth. A silver theme continued for the Womens J15 crews with two more second place finishes following. The Womens J15 Eight were second to Carlow with Shandon in third. Meanwhile the first of two Womens J15 Quad crews to race were second to Castleconnell BC in their straight final while the second quad crew to race finished third to Athlone and Clonmel in the following straight final. We also say well done to our Mens J18 Quad crew who were heat winners over Portadown, King's Hospital and Shannon crews and to Aoife Farrell, who was second in her heat but was unlucky to miss out on the sole qualification spot in a category attracting numerous entries. Similarly, the Womens J16 Quad crew raced well in their heat finishing second to Carlow and ahead of Portadown but also missed a place in the final due to the limits of the four-lane course and multiple entries in the category. The club is very proud of our younger and beginner crews, with a number of members competing in their first regatta. Great promise for the years ahead! On Sunday, there was fierce competition between the second level schools of the country. Well done to all our members who put in competitive performances for St. Brigid's and St. Brendan's Colleges. Our thanks to the coaches and parents who helped with the events. Special thanks to Sean Daly and Alan

Lyne who towed the club boat trailer and to Mike Daly who supervised Saturday's bus trip.

REGATTA SEASON

The next event for the club sees a return to O'Briensbridge for the Castleconnell Sprint Regatta over a 500m distance on Saturday next 6th May. Best of luck to all our crews competing! HANDBALL NEWS:

DOUBLE DELIGHT FOR DOMINIC AND JOHN JOE

Glenbeigh pair Dominic Lynch and John Joe Quirke are celebrating another All Ireland title as the pair were crowned All Ireland Over 35's Doubles champions in Cavan at the weekend. They defeated Gavin Buggy and Barry McWilliams 21-4, 21-8 in a final that was not as straight forward as the score suggests.

Lynch is only just back from injury well ahead of the time he was told he would be out. "I suffered a hand muscle injury a few weeks ago and was told I would be out for a few months.

However after intensive physio I was fit to play as no player wants to miss out on an All Ireland decider. "I was very cautious in the early stages but thankfully John Joe was in great form and we won the first game 21-3. However at 6-3 up in the second game he injured his ankle on the base of the wall, tearing ligaments. However he would not quit and I must say there is no stronger a player out there than John Joe and certainly the adrenalin kicked in and we saw out the game 21-8.

"John Joe had to go to A&E to get his ankle strapped but as he said sure it's worth it to win another All Ireland title, his 9th. This is my 26th and second this year which makes it another great year for me and we will probably take a break now from the hard ball season. But we will decide that later. For now we will celebrate this title as they are getting harder to win".

FOSSA COMMUNITY GAMES NOTES

The Community games Indoor Soccer Kerry finals for U13 boys took place in Milltown last Friday night. Fossa were one of the four teams to take part. The boys won there semi-final against Knocknagoshel 2-1. Max Leon was the scorer of both goals.

Fossa then played Duagh/Lyre in a very exciting final. After a slow start Fossa came

back from 2 nil down to draw the game at full time thanks to goals from Max Leon and Darren Ryan. Extra time saw Fossa take the lead for the first time when Finn Kennelly scored in the 1st half of extra time but Duagh/Lyre equalised and with the scores locked at 3-3 it was time for the dreaded penalty shootout. Even after each team had taken 5 penalties it was still impossible to separate them but unfortunately Fossa lost in sudden death and Duagh/Lyre won the gold. Fossa boys put on a great show and did Fossa proud. Well done to the boys and their dedicated coaches Maurice and John. Thanks to all the parents and supporters who came to cheer the team on hopefully you've all recovered from the excitement.

KILLARNEY GOLF & FISHING CLUB

Club Captain Declan McCarthy has requested that as many members as possible turn out to support our teams as they go out to

represent our Club, as the National Inter-Club Competitions season gets under way during the course of the next few weeks. Declan went on to point out that we had got to the advanced stages in a number of those competitions last year, and we are now going to put every effort into trying to bring one, or even more than one of the coveted Munster, and possibly even National pennants back to our Club during the year of 2017.

Declan would also like to give one last mention to his forthcoming Captains Charity Day which will be held on Sunday next, the 30th of April, he still has some "Tees and Greens" available for sponsorship at €100 for either. Declan has arranged for several sub-sections to his Charity day, and the beneficiaries of which are the Chemotherapy Day Unit at University Hospital Kerry, and the Irish Kidney Association.

One such event will be the raffle for a state of the art Powakaddy FW7, value €650 which can be yours for as little as €20 if your name is drawn out of the hat, tickets are still available from Brian Clarke who is the organiser of the raffle, or Derry McCarthy or Captain Declan himself. There will also be an auction for various Green Fee's from our fellow Kerry Clubs, and other events, which are in the pipeline. Presentation of prizes, the draw for the raffle, and the auction are scheduled to take place at 8.30 P.M. on next Sunday night in the Clubhouse.

John also advises that the Junior Club are holding competitions on Lackabane every Monday evening during the month of May, and that Coaching lessons for beginners are held every Saturday morning at 11 A.M. also at Lackabane.

The Charity Fund-raiser Golf Classic in memory of Sheila Kelliher will be held on Mahony's Point Course on Thursday & Friday the 4th & 5TH of May, the Charity selected to benefit from this fund-raising event is the "Kerry Palliative Care Unit" in Tralee. Sheila's husband and Club Member, Tomas advises that there are still a few spaces available in the mornings of both the Thursday and the Friday.

Sheila, who was affectionately known as Sheila Mac, passed away at a very young age due to

the ravages of cancer, and the organisers are hoping to collect a substantial amount of cash for their chosen and most deserving charity.

The competition on Sunday the 23rd of April was the Gallivan Murphy Hooper Dolan Insurances sponsored qualifier for the Club Fourball competition played on Killeen course. Suffice to say that the scoring was of the highest standard, with only two of the ten pairings on 40 points making the "cut".

Club Captain Declan McCarthy with his playing partner Neil Coffey comfortably qualified with 43 points, even though Declan and his chosen partner for the competition would have been exempt from having to qualify. The winners with 47 points were James Devane & Peter Wickham, James has been playing good golf lately and has been prominent in a number of competitions. In second place by virtue of a better back nine holes were George Vass and Michael O'Donoghue with 45 points, George and Michael are the current holders of the Club Foursomes competition. In third place were Jonathan Sparling and James Mannix also with 45 points. The subsequent draw has, as usual thrown up some interesting pairings, the Sponsors and Father and Son combination of Tadhg & Simon Gallivan, will face John Culloty & Tommy Galvin. Another interesting tussle will be between Bernard Carey & Jim Morris versus Paul Murphy and Donal "Doc" O'Connell.

HAVE YOU SEEN OR GIVEN A HOME TO A BLACK AND WHITE COLLIE IN THE PAST MONTH?

Shep is a 6 year old, black and white Border Collie missing from the Knockeenahone near Scartaglen and his owners are extremely anxious to get news of his whereabouts - even if the news is bad at least they can stop searching - they would also like to thank sincerely all those who have been in touch to date.

However we are all hoping for good news and if you have seen or taken in Shep out of the kindness of your heart please contact his owners on 087-2699 299. On the other hand if you have given Shep a home and do not wish to part with him you might not like to get in touch with his owners directly but please contact me and I promise you I will not give away any of your details and between us we will put his owners mind at rest - my contact details are on top of the page. Shep who is a male disappeared during a thunderstorm towards the end of March and could have travelled miles in any direction, he was wearing a blue collar at the time, but this might have fallen off by now - so if you have seen a black and white Collie on the loose anywhere please get in touch and if you haven't seen him yourself please spread the word amongst your friends.

TODAY IS...

World Day for Safety and Health at Work and International Commemoration Day for Dead and Injured Workers:

The World Day for Safety and Health at Work is an annual international campaign to promote safe, healthy and decent work. Every 15 seconds, a worker dies from a work-related accident or disease. Every 15 seconds, 160 workers have a work-related accident as workers are facing greater pressure to meet the demands of modern working life. Yet these fatalities; accidents and illness at work are highly preventable.

Many Psychosocial risks such as increased competition, higher expectations on performance and longer working hours are contributing to the workplace becoming an ever more stressful environment and work-related stress is now generally acknowledged as a global issue affecting all countries, all professions and all workers both in developed and developing countries. In this complex context, the workplace is at the same time an important source of psychosocial risks and the ideal venue to address them in order to protect the health and well-being of workers.

A national occupational safety and health culture is one in which the right to a safe and healthy working environment is respected at all levels, where governments, trade unions, employers and workers actively participate in securing a safe and healthy working environment through a system of defined rights, responsibilities and duties, and where the highest priority is accorded to the principle of prevention.

The 28th of April is also the International Commemoration Day for Dead and Injured Workers organised worldwide by the trade union movement since 1996. Its purpose is to honour the memory of victims of occupational accidents and diseases by organising worldwide mobilizations and awareness campaigns on this date.

A FEW TRICKS FOR THOSE WHO WEAR GLASSES

* Apply a thin line of fluorescent paint on your glasses case. It'll become much easier to find it in a dark room.

* The best fabric to dry-clean your glasses is microfiber. It doesn't scratch the lenses and neither does it accumulate grime. Never wipe the lenses with your shirt's hem or sleeve: they'll leave tiny scratches that will create an additional burden for your eyes.

* Washing up liquid is perfect for lenses! Don't use cleansers containing alcohol, vinegar, ammonia, or bleach as these substances deteriorate the protective coating of the lenses.

* Don't use your spectacles as a hairband — the frame will lose its shape and start falling off. When washing your face and in other situations when you don't use your glasses, better just take them off.

* If your glasses keep sliding down, hold the rounded parts of the earpieces in hot water for a few minutes until the plastic gets a bit softer. Then bend the ends down so they better fit your ears. On the other hand, if your spectacles are a little too tight, hold the earpieces in hot water, and then try bending the rounded ends up to reduce the pressure.

* When traveling in a car don't leave your plastic glasses on the dashboard in direct sunlight. Heating up, the lenses may lose shape or even pop. It's best to store your spectacles in the glove compartment in a special pocket.

* To adjust movable nosepieces, put your glasses on an even surface to see how they look compared to each other.

* If you've got wide-spaced eyes, opt for glasses with a thick or prominent bridge — this will draw attention to the middle of your face, making your eyes visually closer to each other. If you have close-set eyes, choose frames with decorations on the outer edge. That way, your eyes will look farther apart from each other.

QUOTE

"You never really understand a person until you consider things from his point of view—until you climb into his skin and walk around in it" - Harper Lee, To Kill a Mockingbird

ON THIS DATE – APRIL 28TH

1789 - Fletcher Christian led a successful mutiny aboard the HMS 'Bounty' against the captain, William Bligh. Mutineers set Captain Bligh and 18 crew loyal to the captain afloat in a 23-foot open boat. Captain Bligh and his fellow loyal crew made it after a 47-day voyage to Timor in the Dutch East Indies, returned to England and reported the mutiny. The Mutineers eventually settled in Pitcairn Island and Tahiti.

1826 - Ice on the Red River began to break up, marking the start of the greatest recorded flood up to that time in Manitoba history.

1856 - Yokut Native Americans fought off an attack on their land by 100 would-be Indian fighters in California.

1908 - Oskar Schindler, the man responsible for saving over a thousand Jews during the Holocaust, was born

1916 - Led by Lispolse man Tomás Ashe, a group of Irish Volunteers ambushed a 40-man unit of the Royal Irish Constabulary (RIC) in Ashbourne, Co. Meath.

1919 - Canada joined 41 other countries as they unanimously accepted the Covenant of the League of Nations.

1926 - Harper Lee, the author of To Kill a Mockingbird, was born in Alabama. Published in 1960, the book was immediately successful, winning the Pulitzer Prize. It became renowned for its warmth and humour, despite dealing with the serious issues of rape and racial inequality.

1932 - A yellow fever vaccine for humans was announced.

1937 - 1st commercial flight across the Pacific was made by a Pan-American Boeing 314 Clipper seaplane which landed in Hong Kong.

1945 - The Italian fascist leader Benito Mussolini was executed after being captured by partisans.

ICE CREAM-EATING SQUIRREL

A junk food-loving squirrel that lives along North Carolina's shore is gathering worldwide acclaim. Nicknamed Putter she lives near Fantasy Isle Ice Cream and Mini Golf in the Holden Beach area, where owners Scott and Pam Martin regularly feed her miniature ice cream cones.

"You can call her name and she will come out of her nest in one of these big trees and hops her way down to the roof, from there to the rail and waits on her cone," Scott said, adding that Putter sometimes plays on the mini-putt course with children.

Everybody wants to see her The Martins said and their customers regularly ask for updates on Putter's whereabouts.

And before any extreme animal advocates start giving out - a little Ice Cream never hurt anyone or anything (unless they are actually allergic to it) and the children interacting with Putter will learn that not just the friendly but all wildlife has feelings and shouldn't be hurt.

GARDENING OUTLOOK

with **John O'Sullivan**

FOCUS ON SUMMER BEDDING

It's that time of year again when we think of putting colour in our pots, baskets and containers and also in the ground. Summer Bedding plants can be used very effectively in the ground for filling gaps between shrubs or border perennial plants as they can cover a lot of ground and add plenty of colour very quickly. When planting Summer bedding plants in the ground the first thing you have to do is to dig over the area and dig in plenty of compost. Most Summer Bedding plants need a nice sunny sheltered position but if you have a shaded area, begonias are excellent bedding plants for this situation and they will give you flowers right through the summer and into early autumn. As an added bonus they will also provide you with excellent coloured foliage from light green to dark purple. Always remember when planting bedding to put the taller ones at the back. If you want to do a summer display of bedding on its own in a bed you will have to choose a centre piece - a good plant for this would be a standard fuchsia. Then start with the tallest, such as marigolds or antirrhinums and work your way out to the edge of the bed with some begonias or petunias and finally at the edge of the bed with some lobelia and alyssum. A good idea before you plant would be to position all your plants to get an overall view of what it will look like. And remember to water all plants well in afterwards.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days. Publication of prayer and favour will be granted.

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. You have said O'Divine
Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. A WORD OF VICTORY

Welcome back dear reader, 'Know the truth and the truth that you know and understand will set you free' (John 8:32); the Word also tells us that the thief comes only to steal, kill and to destroy – these are Jesus' own words, but He came that we would have abundant life (John 10:10). Previously we've seen in Hosea 4:6 that God's people are destroyed from lack of knowledge. About twenty years ago a woman called to me regarding her sister who had terminal cancer. She had collapsed with severe back pain and was hospitalised. After all the tests, her family were informed that her spine was riddled with cancer and unfortunately there was nothing the doctors could do and her time was very short. As I began to share Scripture with this lady about God's goodness she objected demanding "why is God killing my sister who has young children and never did anything wrong to anyone, was a regular church-goer and a good person?" I then asked her "why do you think that it is God who is killing her?". She said "who else could do it – isn't He all powerful?" I showed her the Scripture in John 10:10 about the thief and she then understood the truth. All this occurred on a Thursday evening. The following day we went to the hospital to pray for healing for her sister who was in severe pain, hadn't been eating and could not move in the bed. The woman was so sick she was oblivious to our presence. We prayed for her and left. Four days later I received a phone call from the lady telling me that her sister was home from hospital completely healed and was up town shopping! She told me what had happened – the morning after receiving the prayer her sister had sat up in the bed completely pain free and famished looking for tea, toast and scrambled eggs. She was able to get out of bed and shower unaided. She was discharged on the Monday with a clean bill of health - Praise God. The cancer was no match for God's Word - it just had to leave. Friend as we dwell in the secret place...under the shadow of the Almighty (whose power no foe can withstand), He delivers us from deadly diseases and under His wings we find refuge' (Psalm 91). Healing is there for everybody who will just believe. More next week....

LETS PRAY TOGETHER INTO THE WORD

Praying is talking to God. And by doing this we
draw nearer and get to know who our Father in
Heaven is. By praying (talking) we are directed
by God. We should pray in the right way and this
will change our lives more than we can imagine.
People pray when there is a difficult problem
or situation. Every person seems to have, deep
down the urge to pray. We should ask God for
teaching in the way we pray. (luke 11(1)). Jesus
gave us the Lords Prayer matthew 6(9-13). Is not
the Lords Prayer worth spending deep study on!
It comes from Jesus Gods Son.
Amen.

For Prayer Requests.
