CELEBRATE STARS & STRIPES THIS

4TH OF JULY IN KILLARNEY

At the Launch were from left, Paul O'Neill, Killarney Chamber of Tourism and Commerce, Eileen O'Donoghue, Killarney Municipal District Officer, Diarmuid Leen, Chairman, Killarney 4th July, Stephen Sheehan, Killarney Municipal District Town Engineer, Cllr Michael Gleeson and Ollie Favier, Organiser Killarney 4th July Festival. PHOTO: VALERIE O'SULLIVAN

Killarney town is set for a major transformation this coming July as America's most significant national holiday is taking over the town.

Killarney's annual 4th of July Independence Day festival is set to be a celebration of all things American! Festivities include - The Big Parade, An out-door cinema, choir singing, a street party, swing dancing, and lots more fun for both young and old, all located in the beautiful scenic town of Killarney.

Speaking about the event, Killarney festival committee joint chairman Ollie Favier said:

"There will be a host of fun filled activities for both young and old throughout the day and this year the festival, now in its 6th year, aims to bring the town to life in a fun and exciting way to celebrate all that is great about the US and to remember the years of legacy between the United States and Ireland."

The celebrations will commence at 3pm with the raising of the American flag by the Mayor of Killarney & Chamber President at Killarney town hall. The American national and Irish national Anthems along with a selection of American

/Irish themed songs will be performed by The Glenflesk male choir and they will be accompanied this year by our special guests for the day "The University of Washington Varsity Alumni Marching Band from Seattle, Washington - USA" who will have over 100 band members present.

This is going to be amazing performance - not to be missed.

Following that the town will be transformed into a carnival atmosphere of fun and entertainment.

Wild Wild West Troupe, Brass bands, Cheerleaders, Disney characters, Face Painters will be on hand to keep everyone entertained from 3pm - 7pm.

The Highlight of the Day is The Big parade which will commence at 7pm from the outlet centre Car park, and this will bring the streets of Killarney to life.

Street Party from 8-9pm on Main St. - with Live music and DJs

Following the big parade & Street Party there will be a screening of "GREASE" on an outdoor screen in the grounds of Killarney House.

This is a Free Ticket event and places must be booked online and it is an alcohol free event.

And of course no 4th of July Celebration would be complete without a spectacular fireworks display which will round off the evening at 11.15 pm and light up the night sky over Killarney. Ollie Favier added:

"The excitement is already building and this festival has something to offer both visitors and locals alike, packed full of fun, energy and entertainment with lots memories in the making."

The Fourth of July is the most significant national holiday in the United States and given Killarney's unique relationship with America through the years is now an annual event in the town. It celebrates the Declaration of Independence, adopted on 4 July, 1776. The Thirteen Colonies of America declared themselves to be states and no longer part of the British Empire, though the revolutionary war continued for some time after.

TRIANGLE DANCE

OFF 'SET' FOR COOMAKISTA

Emma Philips, left, Fiona O'Carroll, and Danielle Favier, Fáilte Ireland, practicing the 'Triangle Dance' as Coomakista Pass will be THE place to be on the day when 6000 cyclists take to the Famed Ring of Kerry 175Km route for the 36th Annual Ring of Kerry Charity Cycle on Saturday 6th July 2019. Triangle Dance and all in the name of Charity...Emma Philips, left, Fiona O'Carroll, and Danielle Favier, Fáilte Ireland, practicing the 'Triangle Dance' as Coomakista Pass will be THE place to be on the day when 6000 cyclists take to the Famed Ring of Kerry 175Km route for the 36th Annual Ring of Kerry Charity Cycle on Saturday 6th July 2019. The infamous 'breaking point' after cyclists have climbed the 215m (700 ft) pass from Waterville, is the best stop for meeting friends and the obligatory photograph. So with that in mind, cyclists will be encouraged take part in the first 'Triangle Dance off' and must take a photo of Coomakista - whatever time you get there! The name 'Com an Chiste' "coom of the cash", originated from the legend that, an 18th century French merchant ship/privateer stashed money in the mountain recess. Coomakista Pass is a Discovery Point along the Wild Atlantic Way, with panoramic views of the Iveragh Peninsula, Abbey Island, Deenish Island and Scariff Island. There are also views of Waterville, an ancient Iron Age stone fort, and Bronze Age wedge tomb within walking distance. Fáilte Ireland have come on board to add to the charity fun and offer a promotional hamper of 'Wild Atlantic Way' merchandise for the 'best triangle dance photo' set against the backdrop of the gorgeous Coomakista. It's all part of the Ring of Kerry Charity community spirit, and just a chance to slow down and have some 'craic' on the journey. So grab whoever you

like and dance like no-one is watching! Hashtag is #TriangleDanceROKCC and for general posts on the day Facebook: @RingofKerryCharityCycle, instagram:@RingofKerryCycle, Twitter: @RingOKerryCycle

Lissivigeen N.S. and Lissivigeen Community Alert link up

Tim and Kathleen Corcoran present the Pat Corcoran Memorial Trophy to Max O'Neill winner of the Lissivigeen School Art Competition 2019. In second place was Hudson Keogh and in third place and missing from the photograph was Sarah Byrne. Also in photo is Gda. Laura Cahill, Pat Kelleher Chairman Lissivigeen Community Alert, Michael Mac Auliffe Principal Lissivigeen School, Christy Lehane, Denis Russell, Corry O'Flaherty Chairman Lough Lein Anglers, and Kathleen Gleeson.

Each year, Lissivigeen Community Alert and Lissivigeen N.S., link up to raise awareness among our pupils of the great voluntary work being done in our community by our Community Alert organisation.

As Killarney has many lakes and rivers we came up with the idea of an Art Competition to celebrate 'Fishing' in our locality.

The children were invited to draw or paint pictures connected to any aspect of fishing in rivers, lakes or the sea.

Each year the overall winner receives the Pat Corcoran Memorial Trophy in honour of Pat Corcoran who was a founding member of Lissivigeen Community Alert. This year the standard of the art work was amazing with the imagination of the children coming to the fore. Congratulations to our winners, Max O'Neill, Sarah Byrne and Hudson Keogh.

Lissivigeen school would like to thank the Community Alert committee for their continued support and for providing such beautiful trophies for the winners.

An added bonus this year was a fantastic talk from Master Fisherman and Secretary of Lough Lein Anglers, Corrie Flaherty.

Corrie spoke to Third Class about how he began fishing at the age of 5 and has continued fishing for 70 years. He spoke to the children about all the beautiful birds and animals he sees as he is fishing and outlined to the class what a great pastime fishing is. The children were spellbound with his talk and we thank him most sincerely for coming to Lissivigeen.

We hope this important link between our school and our Community Alert will continue for many years to come.

CROWNING OF REIGNING QUEEN OF PUCK kicks off preparations for... *Puck Fair 2019*

Hear ye, hear ye – a new queen has arrived in town! With the annual Puck Fair celebrations just around the corner, preparations for the biggest event of the year are already well underway in Killorglin and an integral part of that is the selection of her royal highness, **Queen Puck**. The selection process sees an independent judging panel trawl through all the entry letters from 6th class pupils across the region before interviewing each hopeful and hearing them read aloud the famous Puck Fair welcome speech, which is recited during the Coronation Ceremony on the festival's opening day.

The legendary 3-day event, which runs annually on the 10th, 11th and 12th of August, is Ireland's oldest gathering festival and revolves around the crowning of a wild mountain goat as King Puck and overseer of the town. The festival's ancient traditions date back to 1613, but over four centuries later the popularity of this unique event shows no sign of waning, with visitors from all over the globe flocking to Killorglin every August to witness the royal festivities with their own eyes. One little lady who is

especially excited for this year's celebrations is 12-year-old Maeve McCarthy from Cromane Lower in Killorglin, who has just been crowned as Queen of Puck Fair.

Maeve, a student of Scoil Réalt na Mara in Cromane, will now take her rightful place among a long list of former Puck Queens, each of whom has played a central role in Puck Fair over the decades. Much like her predecessors, Maeve's duties will include meeting and greeting visitors to the festival, addressing the crowd in the town's main square on day one of the fair and of course, the all-important crowning of King Puck during the Coronation Ceremony. Although a lot of responsibility will fall on her royal shoulders, it seems that Maeve is most certainly up to the task. The 2019 Puck Fair line-up is looking more promising than ever, with the usual wide range of free family fun activities, children's entertainment and musical acts on the agenda. For information and updates on Puck Fair 2019, visit www.puckfair.ie or follow @puckfair on Facebook and @puck_fair on Twitter.

KERRY POLITICIANS ATTEND FAILTE IRELAND CLINIC

Kerry TDs Michael Healy Rae, Danny Healy Rae, John Brassil and Senator Mark Daly this week attended Fáilte Ireland's Oireachtas Information Clinic at Buswells Hotel, Dublin. The members of the Oireachtas were there to hear first-hand about the work Fáilte Ireland teams are doing on the ground in Kerry to highlight the economic value and importance of tourism to the national economy, to grow visitor numbers, increase tourism revenue and to support jobs across the constituency and region.

The National Tourism Development Authority provided the members of the Oireachtas with a direct and comprehensive update on Kerry, detailing the work that Fáilte Ireland does on the ground and the

many social and economic benefits that this work brings to their respective area and region. County specific details on Fáilte Ireland's grant programmes, business supports, festival plans, training initiatives and future investments in visitor attractions and tourism businesses across Kerry and the Wild Atlantic Way were provided.

Well known hotelier Francis Brennan, who is also an Authority board member of Fáilte Ireland, was on hand to meet with the TDs and Senators.

Central to the Information Clinic were newly created and comprehensive county-by-county updates which highlight Fáilte Ireland's ongoing work and future opportunities on a county level.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash: Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income.

It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninifa@gmail.com

SWINGS AND ROUNABOUTS AT BALLYFINNANE

A brand new playground has opened in Ballyfinnane much to the delight of the local children.

The local primary school, Ballyfinnane National School in partnership with Ballyfinnane Hall Committee received CLÁR Funding for this wonderful Community Playground. This is a partnership with the local school, hall committee and Kerry County Council who joined together to secure a suitable site. Funding for the playground was provided through the CLÁR initiative and from the local Tour de Ballyfinnane which is organised by Ballyfinnane NS Parents Association annually.

All the young boys and girls in Ballyfinnane NS and the local community are overjoyed to have a playground on their doorstep and have given it the big thumbs up. We are delighted to welcome Brendan Griffin TD to the official Opening today. The Ribbon was cut at 1pm while the pupils of Ballyfinnane NS entertained us with beautiful traditional music and Irish dancing.

"I am delighted with this new addition to the locality as it provides a great social outlet for families and gives the boys and girls a safe and fun place to play during breaks. I know that this new playground has involved a tremendous amount of work and commitment – where enormous praise and gratitude must be given to the many people who have

Ross Lally 4th class pupil in Ballyfinnane "I like the playground because it is good for all ages. It has a climbing frame for the older children, three slides for all ages and a pretend shop for pretend play. It's lots of fun and I really enjoy it."

Mia Ryan 2nd class "thinks the playground is lots of fun as there is lots of equipment to play on" Rachel Lally "likes all the different equipment to play on".

played a part in making this wonderful dream and facility come through for the children and community of Ballyfinnane" "Principal Catherine O'Shea said. Eileen Daly from the hall committee thanked the hall committee for help and support in choosing the site for Playground and wished the children in the school and the wider community many happy, safe years of fun in their new playground. "The playground is a great asset to our

small rural community. It's lovely for the children and people of Ballyfinnane to have a focal point to meet. This would not have been achieved only for the fantastic Community spirit and the hard work of the school, Board of Management, Parent's Association, Kerry County Council and Ballyfinnane Hall Committee" Marie Edwards (Ballyfinnane Parents Association)".

Liam Lynch Škoda has announced the appointment of Mr Pat Quaid from Carrigkerry, Co. Limerick, now living in Knocknagoshel, as a sales and marketing executive at their Farranfore Dealership. Liam Lynch said "As the Škoda brand continues to

MOTOR INDUSTRY AT A CLIFF EDGE WITH TAXATION CHANGES

The Motor Industry and the motorist is facing the greatest change in taxation since 2009. The Industry is haunted by the taxation changes in 2009, which undermined both new and used car sales by being too ambitious and seeking to implement change too quickly. Overnight car values plummeted, new car sales declined and the industry feel off a cliff. That together with a recession resulted in the closure of 150 family businesses, 14,700 jobs lost and over €1bn in lost revenue for the Exchequer.

The looming Budget 2020 brings a very concerning feeling of Déjà vu. The Society of the Irish Motor Industry (SIMI) continues to highlight the need for extreme caution in dealing with motor related taxation in the upcoming Budget, doubly so now that the Budget almost coincides with the Brexit date.

The Economic Statement issued by the Minister for Finance Paschal Donohoe yesterday outlined budgetary policy is not a one size fits all, and highlighted the huge difficulty in framing a Budget for next year. Brian Cooke, SIMI Director General outlines the major concerns facing the Industry, "The State must stop overburdening new cleaner cars with tax, while at the same time ignoring the problem of replacing older cars, which is where the real emissions problems lie. In fact, it's even worse, the VRT system discriminates against new cars when compared to older used imports. With the full move to WLTP emissions testing on the horizon, Budget 2020 must make allowance for the difference between the new and old emission testing systems. Most other EU countries have followed the EU Commission view that consumers should not be faced with increased taxation due to the new emissions testing regime. Ireland should be no different. So let's not make the mistakes of the past. Progressive changes to VRT should be focused at replacing older cars with new ones. This is the only way to start the transition to a low and ultimately zero-emission free fleet. In that way we will all win, the consumer, the Industry, the Environment, protecting the 47,000 jobs and businesses in our communities."

Cost and accommodation cause huge problems for Kerry's ambitious students

By Billy Ryle

It's not easy to make the most of college life if you have to make a daily return commute from Kerry to Cork or Limerick. But that's the only option facing an increasing number of Kerry's brightest students who can't afford to meet the spiralling cost of student accommodation. Education is a right of all citizens not a privilege of those who can afford to pay. So, it's sad that Government stands idly by while deserving students, who have studied very hard to achieve a college place, struggle financially with little or no state support.

Further and third level education is very expensive. The financial burden is somewhat eased for students who qualify for partial or total state funding. Even so, many college students have to work part-time or depend on their parents to make ends meet. Thousands of students who are ineligible for funding due to punitive means testing of the family income must come up with about €9000 annually if they are living away from home or about €4000 if living at home. The unjustifiable student contribution of €3000 also has to be paid.

The introduction of a fair and adequate higher education grants' system must be a priority. Currently the maximum standard maintenance grant payable to students whose college is 45 km (28ml) or more from their homes is only €3025 (non-adjacent grant). For students who live less than 45km from their college, the standard maximum grant is a paltry €1215 (adjacent grant). Consequently, students who qualify for maintenance grants this year will receive less they did ten years ago despite the considerable increase in the cost of further and higher education.

Student Universal Support Ireland (SUSI), the grant awarding authority, is prioritising

new grant applications until 11th July. SUSI will process late applications but its best to be on the priority applications list. Submit your online grant application as soon as possible. Applicants are assessed on gross income from all sources in the 2018 financial year. Applications are assessed as either a "dependent" or "independent" application. A dependent applicant is assessed on the income of parents or guardians, while an independent applicant is assessed on personal income and that of her/his partner.

As the grant is means-tested, you might like to visit the eligibility reckoner on www.susi.ie. This facility provides potential applicants with an approximate indication of whether or not they are likely to qualify for a grant. However, it's always advisable to submit a grant application. Even if you don't currently qualify, your financial circumstances may change on route through college. Begin your SUSI grant application by registering for an online account where you can set up your username, password and security pin. Then carefully complete the interactive application form. Once you have submitted a grant application you can follow its progress on the SUSI Online Application Tracker.

Further information on state funding can be found on www.studentfinance.ie. Most of the institutions also offer a range of scholarships for excellence in areas such as academic, sport, creative arts and entrepreneurship. Colleges also operate a Financial Assistance Fund for students experiencing financial difficulty during term. Go to the relevant colleges' websites for further details. Watch out also for local scholarships such as Credit Union Scholarships available to members. If at all possible, avoid

taking out a student loan, but if you must then the best rates are available from your local Credit Union.

CHECKLIST

- ✓ Student Universal Support Ireland (SUSI), is the grant awarding authority
- ✓ SUSI online student grant application system is now open at www.susi.ie
- ✓ The closing date for the prioritising of new grant applications is 11th July

- ✓ Rental accommodation has increased by 45% in the cities during the past five years

STEP IT OUT FOR GOAL

RTE's Marty Morrissey urging Kerry people to step it out for GOAL's "Mile-A-Day" summer challenge #GOALMileADAY

RTE's Marty Morrissey today swapped his dancing pumps for his running shoes to mark the launch of GOAL's Mile-A-Day summer challenge. The popular sports commentator and former Dancing with The Stars contestant is encouraging people from Kerry to get moving every day for the month of July to raise vital funds for GOAL's work supporting the

world's most vulnerable communities. The GOAL Mile-a-Day challenge is an extension of GOAL's biggest annual fundraiser, the GOAL Mile, which has been running throughout the country over the Christmas and New Year period for over 30 years. GOAL is operational in 13 countries in Africa, the Middle East and Latin America, and reached more than five million people in need last year.

Join the "Marty Party" and step it out for GOAL this summer! RTÉ Sports personality, Marty Morrissey, is urging people of all ages to get healthy this July by signing up online to GOAL's Mile-A-Day Challenge – and help raise money for GOAL's vital work in 13 countries overseas at the same time. Pictured with Marty at the launch of the Mile-A-Day challenge are Mia (10) and Kaia (6) Fagan and Matilda Balfe, (7). People are invited to walk, run, cycle (or even crawl!) one mile every day for July in aid of GOAL.

AT MANOR WEST SUMMER FOOD & CRAFT FAIR

On Saturday, June 29th Manor West Shopping Centre and Retail Park will host its popular summer food and craft fair which will see the centre welcome a diverse range of Kerry's finest food & craft producers from 11am to 5pm on the day.

The summer fair is part of a series of food and craft fairs being held in Manor West Shopping Centre and Retail Park throughout the year. The day will showcase some of the Kingdom's finest crafts as well as an array of award winning local food producers.

One of the talented producers that will be exhibiting on the day is Melanie Harty of Harty's Foods. Commenting ahead of June 29th, Melanie said "The food and craft community here in Kerry always look forward to exhibiting at Manor West as it provides us with a fantastic opportunity to showcase our variety of products. To have the ongoing support and backing of Manor West is a great support and a fantastic opportunity to share our products with the people of

Tralee and further afield."

The food and craft fairs are always a great day out for the whole family with balloon modellers and face painters too. Manor West invites families and friends to come along to enjoy the unique atmosphere and have fun as they support their local community.

Looking forward to the summer edition of the Manor West Food and Craft Fair series, Derek Rusk, Centre Manager of Manor West Shopping Centre and Retail Park said, "We are very much looking forward to our summer food and craft fair here at Manor West, there is always such a great atmosphere and buzz around the place. We are privileged here in Kerry to be surrounded by so many talented food and craft producers and we

are delighted to be able to do our part to support and highlight this talent. It's always great to see the reaction of new customers and tourists as they come through the doors at the food and craft fairs, enjoying and exploring what's on offer. It's something we are very proud of."

Manor West Shopping Centre and Retail park recently launched their 2019 Food and Craft Fair Awards in association with the Kerry Local Enterprise Office (LEO) and Connect Magazine. The award is an opportunity for one of Kerry's finest food producers and craftspeople to be recognised for their excellence and entrepreneurship.

IRISH WATER TO BUILD NEW WASTEWATER TREATMENT PLANT IN CASTLEMAINE

Irish Water is commencing work on a new wastewater treatment plant and network improvements in Castlemaine. Existing wastewater infrastructure in Castlemaine is overloaded and outdated. This project will provide a new wastewater treatment plant, as well as the additional associated infrastructure required to connect the new plant into the existing wastewater network in the village.

Irish Water will invest over €6.6 million in this project. On completion, the new infrastructure will improve wastewater treatment quality and capac-

ity. Once operational, the new plant will ensure compliance with wastewater discharge regulations.

"This project will enhance the local environment of Castlemaine and provide a platform for social and economic development into the future," said Joseph Kennedy, Regional Infrastructure Lead with Irish Water.

IRISH CANCER SOCIETY ENCOURAGES KILLARNEY TO GET MOVING

The Irish Cancer Society is urging people in Killarney to get moving as part of its virtual marathon campaign, which challenges people to clock up 42km in 31 days. The charity's Marathon in a Month fundraising campaign is a free and easy way to complete your first marathon and help the fight against cancer. By taking on Marathon in a Month this July, participants will be raising vital funds that will help ensure no one in Kerry has to face cancer on their own. Each year an average of 1159 people in Kerry are diagnosed with cancer and are in need of support to cope. Participants can complete the distance of a marathon in any way they chose; walking, running, hiking, swimming or cycling. By

registering, they're given an everydayhero online fundraising page, this links to their fitness app, keeping track of their progress as they raise money to help the 40,000 people in Ireland who will be diagnosed with cancer this year. Last year hundreds of people around the country took on the challenge and raised €90,000 in the process. Marathon in a month is suitable for all ages and fitness levels, you can clock up KMs in any way you like - whether that's walking the dog or collecting the kids from school. It's the perfect challenge to go from total beginner to marathon runner!

RÓISÍN O'FARRELL'S TO EXHIBIT AT KILLARNEY ART GALLERY

'To Have and to Hold' showcases colourful expressive paintings that are all about home!

Artist Róisín O'Farrell, whose first sell-out solo show was staged in Killarney in 2010, returns to the Killarney Art Gallery for the month of July with her latest new sumptuous exhibition, titled 'To Have and to Hold'.

Declan Mulvany, owner of Killarney Art Gallery, discovered Róisín O'Farrell on Facebook back in 2009 and invited her to Killarney to view her paintings.

A rare success story of the recession, ten years ago this summer the company where Róisín O'Farrell worked in business development closed, and she was made redundant.

The artist, whose family hails from Kinsale in

Cork, took this push as an opportunity to follow her dream of becoming an artist.

Róisín's latest solo show will run for the month of July at The Killarney Art Gallery. More detail is available on roisinofarrell.com.

Large Containers

If large pots, troughs or barrels are used, these should be slightly raised above the ground using small blocks or bricks. This aids free drainage, prolongs the life of wooden containers and reduces the risk of entry of soil pests. Place a five cm layer of small stones or broken brick at the base of the container to aid drainage and top up with compost. Plants for Containers Window Boxes

A wide range of plants can be used including pansies (for winter colour), dwarf bulbs (for spring), annuals and perennials such as pelargonium (for summer) and dwarf shrubs (for permanent planting). Plants should be selected carefully so that they can be seen from inside the house but will not be so tall that they block out light. An example of a planting scheme for a 1 metre long x 25 cm wide window box would be 2 trailing ivy (one at each end), a row of 7 surfi na petunia at the front and 2 grey helichrysum towards the back. Hanging Baskets

Many different kinds of plants can be used but the most popular are summer flowering bedding plants, such as pelargonium, petunia, fuchsia and impatiens. A 45 cm (18 in.) diameter basket could be planted up with one fuchsia 'Swingtime' or 'Cascade', 8 plants of lobelia 'Cambridge Blue' and 3 plants of Helichrysum petiolare. The basket should be planted as follows: Put one third of the compost in the basket and plant 3 lobelia at this level by cutting appropriate holes in the liner and pushing the roots carefully through the wire-mesh so the top growth of the lobelia is trailing on the outside. Add a further third of the compost and plant 2 lobelia and 3 helichrysum at this level in the same way. Fill in the remainder of the compost and plant the fuchsia in the middle of the container and surround it with the remaining 3 lobelia planted on the top surface of the compost. As with other containers, the level of the compost should be about 2.5 cm below the rim to allow for watering.

Large Containers

Many plants can be grown in large containers including those mentioned for window boxes and hanging baskets. Most suitable plants are generally those with a bushy habit such as pelargonium, calceolaria, begonia and fuchsia with trailers around the edge to soften the sides of the container. Perennial plants such as heather, ivy, Japanese maple and camellia can be grown successfully in large containers.

Care Watering needs to be done carefully as it is easy to overwater or underwater plants where their rootrun is restricted. Containers should never be allowed to dry out completely, nor should the plants be kept constantly moist. However, a well-filled hanging basket in summer will dry out quickly and may need watering twice a day. Because their root system is constricted, plants in containers need regular feeding. Many kinds of slow release fertilisers for adding to compost and foliar feeds are available. Removing the dead flower heads will prolong their flowering period and improve their appearance. Your local garden centre can supply suitable containers, compost and plants as well as providing additional information on how to get best results.

LOOKING AFTER YOUR HOUSE PLANTS

Houseplants come in all shapes and sizes. Many are grown for their foliage and others are grown for their flowers. Most houseplants will need regular watering and feeding but a lot of them don't require much attention. The majority of house plants like bright light, but it is important to avoid direct sunlight through glass as this can scorch the foliage. During winter time try to keep house plants in a room where the temperature is the same most of the time rather than going from one extreme to the other. When watering remember to mist the foliage of tropical house plants rather than over watering. During winter gradually reduce water and feeding except when plants are flowering or growing vigorously

OUTLOOK MAGAZINE'S NEW WEEKLY MUSIC COLUMN

This week we focus on **Patrick Feeney.**

Patrick Feeney was born to sing and from the age of four he wanted to be on stage with his father who played in a local band.

Growing up near Gurteen, Co. Sligo Patrick says that Country music was always on the local radio in the family home at that time. It was during the late 80s and 90s when the songs of Daniel O'Donnell and others were huge on local radio. Patrick went on to play and sing in his early teens with his dad as a duo while studying sales and marketing at third level college. "My dad influenced me a lot into the Country style of music. But as I come from an area that is rich in Traditional Irish music, Sligo, famous for the great Trad musician Michael Coleman, I was influenced by Irish songs and tunes too."

After his college years Patrick was also successful in an interview to become a member of the Gardai. But instead of joining the boys in blue it was a phone call which came out of the blue that resulted in him following a career as a singer.

"I got a call from Kevin McCooey who managed Big Tom and several others. He said that as Country singer Johnny Loughrey had passed away would I be interested in fronting Johnny's band. I auditioned for the job and was accepted. So I rang the Garda Training College in Templemore and told them that it was the music scene, rather than the law, that had captured me for a career," says Patrick with a laugh.

At 19 he started out on a Country music career

in 2002 but while Patrick can, and does, sing anything from hits by his idols such as Bruce Springsteen or Ed Sheeran to Glen Campbell or Marty Robbins his interest in Irish music may have been the catalyst for him modernising Folk songs from the past. Those include the hilarious 'Courtin' in the Kitchen', first popularised internationally by The Clancy Brothers and Tommy Makem or a song written by the late great balladeer Sean McCarthy, who also penned Shanagolden, the humorous story of 'Red Haired Mary'.

"Everyone has their own particular niche when performing on stage and I discovered that those songs, and others, brought out the humorous side in me.

"Indeed 'Red Haired Mary' was the song that really put me on the road to success in a big way. When we went to film the promotional video for it the initial idea was that it would be in a serious style. But instead we ended up acting

the mickey and making it a totally humorous production. That was one of the reasons for its success and it also convinced me that I could let myself go in a fun way on stage too."

Regarding the diversity of songs that Patrick sings on stage, on TV and on record he says he hopes that he has found the formula that the fans want.

"The best advice I ever received, early in my career, was 'never try and educate your audience when you're on stage'. It took me a while to find my niche and discover what songs suit me best - but more importantly what songs suit the audiences best. Thankfully there is a broad spectrum of songs that my voice can handle. I've always been a fan of Bruce Springsteen and his song 'Old Dan Tucker' proved popular for me while his 'American Land' was the type of song that we could put a Country and Traditional feel to by including fiddle and accordion," says Patrick.

Among his Country influences are Glen Campbell and Marty Robbins to name but two.

"When it comes to authentic American Country music the songs of Marty Robbins have always inspired me and Glen Campbell has also been one of my biggest influences in Country music." Another highlight of Patrick's career was getting to sing on the same stage as the great Charley Pride.

Patrick's new single 'The Darling Girl from Clare' is the most requested song on all radio stations at the moment.

LET'S GO BACK IN TIME

Dermot Hegarty and the Plainsmen...

Vocalist/organist born on October 6, 1940 in Longford, Ireland. He was spotted by Mick Clerkin who was director of King Records and Dermot was playing a cabaret date at the Longford Arms Hotel, in Longford. Impressed by Dermot's performance and rapore with the audience he signed him to King Records. Disc debut: Shores of Amerikay (1967). In April 1969 Dermot launched his own showband, calle "The Plainsmen." The members of his band were: Roger Farrell (guitar), Seamus Roddy (bass), Tony Farrell (drums), Frank McKenna (guitar), Francis Middleton

(trumpet), Vincent Summers (tenor sax) and Brendan McCusker (tenor sax/fiddle). He wrote a stage musical, "A Song To Remember", and starred in it with The Plainsmen at the Temperance Hall, in Longford, in March 1972.

Dermot left the band in April 1973 to return the cabaret scene. "The Plainsmen" continued until 1977 with Brian Harkin as lead singer.

In the 70's the hits just kept coming. Songs

Dermot Hegarty & the PLAINSMEN

like "Love is Teasing", "Four Green Fields", and of course the biggest hit he had was "Twenty One Years". This song made it to Number 1 and spent a staggering 46 weeks in the charts. Dermot Hegarty is still entertaining and living in Manchester 50 years on from The Plainsmen. Next year he will be celebrating his 80th birthday which is hard to believe.

Life & Body Confidence Coach

Awareness brings more choices

Awareness happens when we become conscious about what we are doing, thinking, feeling, saying and behaving. It is the number one key for change. You cannot change something that you are unaware of. In terms of coaching it is the first skill that I help my clients make in their lives. Once you become aware that you always repeat a certain habit or pattern that always holds you back or keeps you feeling down – you have the ability to make another choice. This is exciting because it means that you can break out of those old habitual patterns that have you going around and around in a seemingly never-ending circle!

3 Steps to create more awareness

1. Begin to get really curious about how you act, talk, think and behave in your daily activities. Step back a little and “watch” yourself in action. Notice where you keep saying the same things or having the same reactions over and over again. The key is not to judge or make yourself wrong. Just get fiercely interested in what it means to be you.
2. The next step is to choose a different response whenever you are aware of yourself going into an old pattern.
3. Repeat the above. It can be summed up like this: Observe the old, Choose the new, Respond in the now!

Physical Activity & it's Benefits - part 2

5. Counting steps makes a difference: counting steps daily will make you more aware of how active you are daily. It is easy to count steps these days through your phone, activity trackers and pedometers. All ages can benefit from counting their daily steps. It is a great motivating tool to create awareness in those that don't reach their step count. Guidelines are 10,000 steps for adults and 15000 for kids.

6. Higher intensity exercise is better for cardiovascular health: the new guidelines clarify that exercising at higher intensity brings greater gains in cardio respiratory fitness than steady state exercise. There is a caution to be noted that the harder the workout the greater the risk for injury especially for beginners or older people. The guidelines advise starting with moderate intensity and increasing your frequency and duration before increasing intensity.

7. Children also benefit from exercise: even at ages as low as 3-5 years, reports now suggest that they benefit from consistent physical activity. Increases physical activity in children will reduce the risk of increased body weight and adiposity, improve cardiovascular risk factor status, fewer symptoms of depression, and favorable signs of bone health in children aged 3-17. Physical activity that boost bone health include hopping, skipping, jumping, tumbling, and other forms of dynamic high impact, short duration exercise. Children should get 60 mins per day of moderate to vigorous physical activity.

Welcome to our brand-new Run Killarney race column for 2019. Over the coming weeks we'll help you on your journey to the start line in Killarney on 20th July.

About Me

My name is Brian, I run the RunninginIreland.com website and blog. I am not an elite athlete; I don't think I'd consider myself a fast runner either. I just love to run. But I have done a lot of races, including Killarney and I will draw on this experience to help you on your way.

Incorporating other races into your training plan

It's week 3 of the Run Killarney race column, and 4 weeks to go to race day. Now would be a good time to get out and try a shorter race. There's nothing like the race day experience to push your training along. You are guaranteed to go faster than you normally would, and it can really give you a lift, that is different to the usual mileage that you are currently putting in.

If you are doing the 10K, find a good local 5k or 4 Mile – even a Park Run could give you a boost. If you are doing the half-marathon, maybe try a 10K close to you. Even if this race doesn't go to plan, you can learn a lot before the big day, such as pacing, so as not to burn out too early in a race. Races should be part of your training plan if you can make the time.

Breaking down the distance on the day

If this is your first time attempting a longer distance in Killarney, then an important strategy for the day is how you are mentally going to approach the race. If, for example, you are doing the half-marathon, it is easier to think of the race in sections rather than the full 13.1 miles. One example might be, start out with an easy 5K (get to know the runners around you). Once you've achieved an easy 5K target, your next section of the race might be a steady 10K, slightly faster. That'll be a bit harder, but just keep focusing on finishing out the 10K. Now you only have 4K to go to the finish. But really, you only need to focus on a quick 3K once you get within 1K, you'll know the finish line is coming, and the atmosphere and excitement will bring you home. Mentally breaking the course down like this should make it more manageable and less daunting. There are many ways to break down the race. Find a version that will work for you.

Tip of the Week!

To run well, it's not always about actually running. Doing core strengthening exercises and a quality stretching programme will improve your running, making you more efficient, and likely faster. Try a Pilates class to mix things up and use other muscles.

Places are filling fast! So don't miss out...

DYLAN CROWLEY UNDER 11 TOURNAMENT

The annual Dylan Crowley Tournament now in its sixth year takes place this Saturday the 29th of June at Gneeveguilla GAA Grounds. Dylan who was a third class student at Holy Family National School in Rathmore passed away in August 2013 following a battle with cancer. Dylan had a great love of sport and played football, basketball and soccer. Even during Dylan's treatment he would attend training and games. He really enjoyed and looked forward to these outings with his friends. With this in mind it was only fitting that an annual sporting

event be organised in his memory.

The following teams are taking part this year Gneeveguilla, Glenflesk, Rathmore, Killarney Legion, Kilcummin, Kenmare, Furies and Currow while Dromtariffe and Knocknagree represent Cork. This is always a very sporting and enjoyable day with 3 divisions and finals there will be plenty football played on the day. The Finals are scheduled to take place at 3pm, all welcome. Lets hope that Dylan and the sun look down on us Saturday...

✂ Chop Stick Trick ✂

How the humble chop stick can lead to crisp and consistent chipping. If you are having problems with chipping, try this drill.

Try THIS

Place a chopstick in your glove and have it up the length of your forearm. Keep your wrist against the chopstick when swinging and it will stop your wrists from moving and will let your shoulders do the work.

Autism Golf Classic raises much needed funds

This year's Autism Golf Classic at Beaufort Golf Club was a huge success raising just over €19,000. Over 44 teams took to the course on the 26th of April and even the arrival of Storm Hannah didn't deter them.

"We are ever so grateful to all our Golfers, only for them we wouldn't have a classic", Brigitta Looney, one of the organisers told the Killarney Outlook.

"Thanks to all our sponsors we had 39 greens, 31 tees, over 31 fabulous prizes for our Live raffle that took place that evening., she added.

1st prize in Golf classic went to Beaufort Golf Club.

2nd John Cogan, Cork.

3rd Donie Broderick, Kilcummin.

The top prize in the live raffle for 2 Nights in Parknasilla Resort and spa went to John Donovan, Tureencahill, Gneeveguilla.

"On behalf of all the parents and children from St. Francis Special School Autism Parent Support Group, we would like to give huge thanks to all the sponsors and businesses who supported us, and has continually supported us annually", Brigitta said., and to our ticket sellers and those who supported the raffle - Thank you as without your continuous help and support we would not be able to make this happen.

All funds raised go to "SFSS Autism Parent Support Group, to help children in St. Francis Special School gain private therapies such as Speech and language therapy, Music therapy, resources etc. Each year the group are able to add children to the group and it's great to see the group growing each year and watch the children thrive".

Junior Football League Group 4 - Rd 2:

Firies Junior played their postponed round 2 game against Currow on Tuesday last. In what was a very entertaining and high scoring game, Firies ran out winners in the end. The first half was a tight affair with only a point separating the teams at half time. Currow 2-07 Firies 0-12. Both the Currow goals came from Ian Sommers, the first from the penalty spot. Firies got off to a great start in the second half and had scored two goals in the first ten minutes, coming from Aaron Flynn and Sean Burke. But Currow replied with another goal of their own 3 minutes later to leave Firies ahead by the minimum, 2-13 to 3-09. But Firies took control for the rest of the game and started to dominate around the middle and the back line snuffed out any chances created by Currow. Before the final whistle, Firies kicked some great points from distance and added two further goals, coming from Darragh Donohue and James Daly. Final Score: Firies 5-20 Currow 4-10.

Firies Team: Cian Callaghan, Brian O Leary, Ger Fitzgerald, Jack Duggan, Padraig O Mahony, Diarmuid O Mahony, Evan Cosgrave, Jake Flynn, Dan O Connor, Shane O Sullivan, Aaron Flynn, Liam Brosnan, Trevor O' Shea, Sean Burke, Billy O'Rourke

Subs: Jordan O Connor, Dan Sheehy, Darragh Donohue, James Daly

Junior Football League Group 4 - Rd 3:

Firies Juniors played their second game in 4 days on Friday night against a strong St Michaels Foilmore team in Farranfore. In a much changed team from Tuesday, Firies took time to get used to playing together and it was Foilmore that had a much stronger first half and they scored 2 goals to lead by 10 points at half time. 2-07 to 0-03. Firies came more into it in the second half and will rue a number of missed chances that could have changed the game. Final score St Michael's Foilmore 2-12, Firies 0-09. The Next game is at home to Ballymac on Friday 5th July at 19.30

Firies Team: Cian Callaghan, Danny Brosnan, Ger Fitzgerald, Jack Duggan, Padraig O Mahony, Diarmuid O Mahony, Brian O'Leary, Jake Flynn, Liam Brosnan, Shane O Sullivan, TJ Palmer, Sean Cooper, Jordan O'Connor, Sean Burke, Shane Kennedy

DR CROKES CLUB NOTES

COUNTY LEAGUE DIV2

Rd3 Vs Abbeydorney

Round 3 of the Division 2 County League took us to Abbeydorney on 12th of June. A win would see us maintain our top of the table status.

From start to finish this was a strong performance, albeit against weak opposition. An early goal from a free set the tone, and the work rate of our half back line gave us the platform to build on. All forwards contributed on the score board and we raced into a 4-10 to 1-2 lead by the break.

The performance levels were maintained for the second half with the substitutions driving us on and increasing the competition for places. A convincing victory at 4-20 to 1-8.

Stiffer tests await as we welcome Kenmare to Lewis road in round 4 on Thursday 20th June
Team and Scorers: Eoin Hayes, Shane Kavanagh, Brendan McMahon, Michael Eoin Buckley, Kevin Landers (0-1), Mike Milner, Rory Waters, Gary O'Connor, Jack Lenihan (1-1), Mike

O'Keeffe (0-2), Anthony Keogh (0-1), Shane Arthur (0-1), Rob Ryan (1-1), Michael Lenihan (1-8, 1-2f), Seanie Burchill (1-2).

Subs: Ritchie Farressey (0-1) for R Ryan, Michael Horgan for A Keogh, Mike McCarthy (0-1) for Shane Arthur, Jamie Lenihan (0-1) for S Burchill, Joseph Enright for M O'Keeffe.

COUNTY LEAGUE DIV2 RD 4

VS KENMARE

Round 4 of the Division 2 County League saw us welcome Kenmare to Lewis Rd on Thur 20th June.

Two first half Goals from Michael Lenihan and Shane Arthur settled the team after a lacklustre start. A strong finish to the half with three unanswered points from Jack Lenihan, Mike Lenihan and Kevin Landers gave us a 6 point lead at the break. Half time score 2-6 to 1-3.

Although happy with the lead the team played within themselves in the first half and came out very determined in the second half. Our defence started to dominate and linked well with the inside forward line where Mike Lenihan was an ever present threat; finishing with 4 goals to his name. A goal from Aaron Murphy at the midpoint of the half made sure of the result. All of the substitutions made big contributions when called on. Final score 6-13 to 3-6.

We remain top of the table and play Kilgarvan away on Thur 27th to decide who tops the group.

Team and Scorers: Dan Guerin, Shane Kavanagh, Brendan McMahon, Michael Eoin Buckley, Kevin Landers (0-1), Mike Milner, Rory Waters, Anthony Keogh (0-1), Jack Lenihan (0-2), Seanie Burchill, Shane Arthur (1-2), Rob Ryan, Aaron Murphy (1-1), Michael Lenihan (4-4, 0-3f), Ritchie Farressey (0-1).

FLEADH CHEOIL CHIARRAI

Well done to everyone from Spa who was involved in the Co. Fleadh in Milltown last weekend. Huge achievement for the local Comhaltas branch CCE Cill Airne in the Fleadh Cheoil Chiarrai held in Milltown at the beautiful Nagle Rice Community Centre. The dance troupes went home with 13 gold and four silver medals. These accolades didn't come easy especially with the high standard in Kerry. Our dancers practiced almost every night, even with some sitting leaving and junior certs etc. The parents are a huge cog in this wheel of success with their dedication. Special thanks to dance coaches Triona Mangan and Mairead Mangan and their mom Ann the secretary of the branch. Our mascot Reidín was outstanding with

helping all the dancers on the stage. Last but not least our superb musicians Sean O Laoithe and Damien Mullane who blew us away with their talent and lifted the roof off with their tunes. Best of luck to all competitors who head to Ennis for the Munster Fleadh in July.

U12 BOYS GROUP 1

Our 2019 County League campaign came to a conclusion on Sunday with a one point loss away to Austin Stacks on a scoreline of Spa 3-13 Austin Stacks 3-14. Trailing by 4 points after as many minutes, one might have been forgiven for thinking this was going to be a long night especially as we were missing one or two regular starters and fielded a team with 3 U-10 boys. But true to form, this group of boys dug deep to come back into the game and went in at half time a point behind on a score of Spa 2-06 Austin Stacks 1-10. We started the second half very brightly and at one point held a 4 point advantage over the Tralee Club. Austin Stacks themselves worked hard to get back into it and two second half goals by them saw us concede the advantage by the slenderest of margins.

We had a number of chances at the end to level the score but it just didn't materialise for us.

Overall it was a very competitive competition with all teams taking points off each other, there were some fabulous passages of play,

resolute defending and silky scores on display in all matches over the league. The boys can be very proud of themselves and are well able to hold their own at this level.

A Special thank you to the second team and to Tom Moynihan and John O'Donoghue for managing same. This was not an easy task for this team, the majority of which play their football at U-10 Level.

They competed strongly and are a credit to their coaches and their parents for the manner in which they performed. The first team would not have had the opportunity to participate in this tournament without your support, so on behalf of all the first team & first team management Adrian, Denis and Mike, many thanks for your support.

Next up is the East Kerry League at home to Legion next Sunday @ 12.00

U12 BOYS GROUP 2

Well done to our U12 B team tonight who took on a strong Austin Stacks team back in Tralee in our final game, our players played fantastic showing great skill and determination and have improved so much since their first game, a special thanks also to our 2 girls Muireann and Casey who have been outstanding for us throughout the competition.

U-12 DIV 4 COUNTY LEAGUE

Our u12 girls took to the field at the Kerry GAA centre of excellence this eve to play Listowel Emmett's in the county Div 4 A final. Some words of encouragement in the dressing room beforehand from our very own James O Donoghue were well received. From the first whistle our girls got stuck in and with a strong wind at their backs, took the game to the Listowel girls. With the lions share of possession we took an early lead raising the white flag on a few occasions. The listowel girls, to their credit, settled in and secured more possession as the game went on, kicking 3 points from frees. While we were wasteful in front of goals at time, we also kept the scoreboard ticking over. A well taken goal midway through the half put a bit of daylight between the teams with our girls taking a 6 point lead at the interval. The second half started with our girls playing

into the breeze. Once again they knuckled down and got stuck in from the beginning taking the first couple of scores. Some great teamwork and support play set up Some Well taken scores. Listowel came strong and rattled our net of a couple of occasions but each time we bounced back and rose the green flag ourselves. The second half proved to be an end to end encounter with both teams giving their all in a thrilling game. Our girls ran out worthy winners by 5 points at the final whistle. Great credit is due to a valiant listowel side on a strong performance.

Our captain Leah O Grady accepted the trophy on behalf of her teammates afterwards and the celebrations began. Big thank you to seanie Culloty for providing the well earned sustenance in 4star pizza after and to Tara Tagney for providing the girls with a stunning celebratory cake.

U-12 BOYS COUNTY LEAGUE

Our U12 boys concluded their campaign in Kerry Coiste na nÓg Div 2 this evening with a trip to Glenflesk Gaa. The sun shone for the duration of both matches with only a stiff cross field breeze marring a perfect evening for football. All the lads played a full match in both contests resulting in some sweaty heads at the final whistle. In one game our boys took an early lead and kept their noses in front to the final whistle. The other match was closely matched with only a kick of the ball separating the sides at the final whistle with Legion digging deep to claim the points.

MUNSTER FOOTBALL CHAMPIONSHIP

CORK GIVE KERRY A FRIGHT AS THE KINGDOM HOLD ON

KERRY O'SHEA REPORTS FROM THE MUNSTER MINOR AND SENIOR FOOTBALL CHAMPIONSHIP FINALS IN PAIRC UI CHAOIMH

CORK 3-10
KERRY 1-19

Despite having to play the final 15 or so minutes with 14 men following the controversial sending-off of Paul Geaney, Kerry still had enough fuel in the tank to see off Cork's brave challenge in a pulsating Munster Senior Final at Pairc Ui Chaoimh on Saturday night.

Manager Peter Keane will no doubt be worried about the leakage of the three goals and will be concerned that one of these was similar to the two goals conceded in the league games against Mayo and this is something the Cahersiveen native will no doubt address ahead of Kerry's first Super 8 match in Killarney next month.

Indeed, those who bely and belittle the current state of Cork football should have been in Pairc Ui Chaoimh on Saturday to witness a resurgent Leeside outfit take the game to their visitors. Cork made life extremely difficult for the Kingdom for long spells during the game and had they taken a number of their first-half scoring chances they could have been much closer at half-time.

The silken and golden skills of Kerry's Sean O'Shea and David Clifford were there for all to see as both players were central to everything that moved in the forward line and scored

0-12 between them with O'Shea claiming 0-8.

Tom O'Sullivan's 1-1 was central as Kerry held a 1-10 to 1-4 advantage at half-time. With 47 minutes gone, the Leesiders, urged on by their fanatical home following, were level, thanks to two goals including a Luke Connolly penalty and a Brian Hurley effort from play and the score now read 1-12 to 3-6.

However, Kerry got stuck in again and two points from Man of the Match Stephen O'Brien were crucial as the Kingdom held on for another provincial success, their 81st in total and seventh in a row.

Teams and Scorers:

Cork: Mark White, Nathan Walsh, James Loughrey (0-1), Kevin Flahive, Liam O'Donovan, Sean White (0-1), Mattie Taylor, Ian Maguire, Killian O'Hanlon, Paul Kerrigan, Ruairi Deane, Kevin O'Driscoll, Mark Collins (0-8, 6f), Brian Hurley (1-0), Luke Connolly (2-0). KERRY MINORS REACH SEVENTH HEAVEN

KERRY 3-14
CORK 2-14

Goals were certainly the order of the day as James Costello's Kerry Minor side continued their winning ways when they defeated old rivals Cork in a pulsating Electric Ireland Munster MFC Final on Saturday afternoon.

Cork got off to a dream start with an early goal from midfielder Keelan Scannell and an own goal following a mix-up in the Kerry defence which put them into a 2-1 to 0-4 lead, however, Kerry hit back with a brace of goals of their own from Dylan Geaney and Colin Crowley and these put them into a narrow 2-8 to 2-6 interval lead.

The second-half was very exciting as play swung from end to end. Cork drew level as the game entered injury time but Kerry upped a gear and pulled

away to clinch another provincial title.

KERRY PERFORMANCES UNDER THE MICROSCOPE

There has been much debate about Kerry's Munster final victory over Cork last Saturday evening, with some fans fearing the worst ahead of the Super 8's while more choosing to pick the positives from Kerry's victory. **Donal Barry** argues that the work rate of the players is in the details and he pours over some of the stats from last Saturday's victory over Cork.

In the aftermath of Kerry's Munster Final win over Cork, thoughts now turn to the Super 8's and while Kerry only know for a fact that Donegal will join them at least they will be keeping an eye on Galway and Meath and their progress as it is likely that both could yet join Kerry in the group of 4 or at the very least the team that will defeat them. So let's take a closer look at players performances and let the numbers do the talking.

Explainer

Ball in Hand – the times that a player had clean possession of a ball. The first number is for the first half and the second is for the second half.

Runs – the times that a player made a forward run with ball in hand over 15M in distance

Kick Pass – the amount of times a player passed the ball by way of a kick and picked out a player at a distance of 20M or more

Scores – Goals, points and even wides

Turned Over – The amount of times a player lost possession either by an intercepted pass or having the ball taken from him from an opposing player

Blocks – Just like it says

Fouled by opposition – the times a free was called by the ref for a foul on the player

Displayed as they lined out, i.e. Tom O'Sullivan at wing back etc.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Munster Champions

Congratulations to both our Minor and Senior teams on being crowned Munster Champions. As expected, Cork gave both teams a contest and the two games kept fans on the edge of their seats until the final whistle! Thankfully both teams prevailed and were crowned Munster Champions. The Minor Cup was presented to Captain Jack O'Connor and the Senior Cup was presented to Captain Gavin White.

At the end of July, the Kerry Minors will meet the Ulster Runners Up in the Quarter Final. Next up for the Seniors is the 'Super 8s'. The full groups will become clearer in the next two weeks. We are definitely in Group 1 along with Donegal. We will play Donegal in Croke Park in our second round game. Our first game of the 'Super 8s' will be in Killarney against either Galway or the team that beats them in the Round 4 qualifiers. The final 'Super 8s' game will be at an 'away' venue. We will either play Meath or the team that beats them in the Round 4 qualifiers. Plenty of questions arose during our performance in Cork last Saturday and Peter Keane and his Management team will spend their time answering those questions and developing solutions before our July 13th/14th game. Congratulations to both teams and best of luck in the games ahead.

Munster Junior Final 2019

The Kerry Juniors will take on Cork in the Munster Junior Final in Páirc Uí Rinn on Wednesday night at 7pm. The team was announced last Monday night and the captain of the side is Cordal's Philip O'Connor. Best of luck to Jimmy Keane, his Management team and the Panel in the Munster Final. Limerick's Donnacha O'Callaghan is the appointed referee.

Kerry Petroleum Novice Football Championship Final

Congratulations to Scartaglin who are the 2019 Kerry Petroleum Novice Champions. The final was played last Sunday in the Austin Stack Park, Tralee. Two evenly matched sides contested the final and it was nip and tuck throughout the game. Castlegregory settled quicker and were 2 points to no score up at after ten minutes. At half time two points separated the sides as Scartaglin led 0-5 to 0-3. The second half was a very exciting affair with both sides scoring a goal. At the final whistle, Scartaglin had done enough and held

out to be one point winners on a scoreline of Scartaglin 1-8, Castlegregory 1-7. The winning captain Ger O'Connor was presented with the Kerry Petroleum Novice Cup and Man of the Match Eddie Horan was presented with a trophy. Commiserations to Castlegregory and Congratulations to Scartaglin.

Know Your Rights:

QUESTION

How do I access the Early Childhood Care and Education Scheme for my 2 year-old child?

ANSWER

The Early Childhood Care and Education (ECCE) Scheme provides free early childhood care and education for children of pre-school age. It gives children their first formal experience of early learning before starting primary school.

Your child can start ECCE when they are 2 years and 8 months of age and continue until they transfer to primary school (once they are not older than 5 years and 6 months at the end of the pre-school year). The Department of Children and Youth Affairs' eligibility calendar shows when your child can participate in the ECCE Scheme.

If your child has special needs they may be able to get an exemption from the upper age limit. If you have a child with a disability, you can also apply for additional supports under the Access and Inclusion Model (AIM) - you can find more information on aim.gov.ie.

Children can only enrol in pre-school in September. The ECCE Scheme runs from September to June for 3 hours a day, 5 days a week. If your child attends a childcare service (crèche, playschool, naíonra, Montessori or parent and toddler group) for longer than this each day or for extra weeks outside the school year (38 weeks) you have to pay for these extra hours.

To get a place for your child, apply to a participating playschool or day care centre. You can get a list of participating services from your local City or County Childcare Committee (CCC) on myccc.ie. You will need to provide a copy of your child's birth certificate or passport and their PPS number.

Are you feeling rundown and in need of a gentle boost? Then laughing may be just the medicine for you. The use of laughter as a form of therapy is increasing in popularity. A study at Loma Linda University indicates that laughter produces an abundance of gamma brain waves. Interestingly these gamma waves are also found in the brains of people who meditate often and have reached a state of contentment and happiness.

Researchers are still exploring the potential health benefits from laughter. Perhaps it's the physical act of laughing that contributes to this, or maybe it's having a good sense of humour and a positive attitude. But one for sure we know, that it certainly doesn't hurt to laugh.

Laughing can be compared to a 'gentle body workout' as many physiological changes are taking place when we laugh. The muscles on our face and body stretch, our blood pressure increases and we breathe faster sending more oxygen throughout our body. But not only does it boost our heart rate - one study showed that laughing for 10-15 minutes can burn up to 50 calories! Increased laughter can also help to boost our immune cells and increase the levels of disease-fighting antibodies in the body. Laughter can also help us to relax and sleep better.

When we laugh we release 'feel good' hormones and naturally occurring anti-depressant (e.g. serotonin). Laughter can also be a great way to deal with life's unexpected events and help get us through difficult times. Responding to the trials of life with some laughter, can help to protect our body mind and spirit - and may be a bleak situation doesn't seem as insurmountable when we can find some humour.

Laughter can also help us to bond, connect and communicate with others. Humour helps lubricate the channels of communication and can make people feel more comfortable.

Think about what makes you laugh and be sure to do more of it. This may be watching your favourite comedy, sharing a good joke, going to a comedy club or watching a funny U tube clip. Why not try now - just turn the corners of your mouth up into a smile and give a little laugh out loud. It may feel a bit contrived, but notice how you feel. Whatever gets you chuckling be sure to factor in more laughter to your life on a daily basis and increase those happy gamma waves.

A Word of Victory

Welcome back dear reader last week we spoke of the Father's love and how some people cannot receive anything from God because of deep rooted hatred of their own earthly fathers that wounded them terribly. The anguish within a person as a result of what was done to them by their father or others who were in a place of authority over them as children, causes such damage that it is the root of many sicknesses - both mental and physical. It is very hard to bring out into the open, and many have gone to their graves never healed. The consequences of the pain of a father's rejection and the fear that it brings traumatises the person with insecurities, so often people turn to alcohol, drugs or other addictive behaviours to forget. Jesus came to show us Father God's love. He said "when you have seen Me, you have seen the Father" (John 12:44-50). He promised in John 14:18 "I will not abandon you as orphans, I will come to you" when He told how He was going back to the Father to make a place ready for us before His second coming. Friend, the greatest need today is for people to receive the Father's love. The spirit of adoption (Romans 8:15-16) casts out that orphan Spirit which is a dangerous deception that the devil uses to keep people from walking in God's destiny. The orphan spirit tells someone 'you don't belong; you don't matter; you are not loved; you need to make your own way in life so that no-one can hurt you; you don't need anyone; no-one wants you - especially not God because you are a worthless failure; and, nothing you do is any good!' Jesus extended the Father's love to all those He met when He reached out to them and healed them and set them free. The Father spoke of His love for Jesus three times in an audible voice heard by many. He affirmed Jesus as His beloved Son when He was being baptised by John in Matthew 3:17; when He was transformed with the light of God upon the mountain in Matthew 17:5; and in John chapter 12:28 when Jesus prayed for the Father to bring glory to His name. Jesus needed to hear that His Father loved Him, and so do you dear reader. God the Father loves you with an everlasting love and gave His Son to die for you to restore you back to Him! (John 3:16; 1 John 4:9)

NOVENA TO THE SCARED HEART

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.
(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.
