EDITOR'S NOTE

This week saw the reopening of schools, both Primary and Secondary after almost six months. The education of our children is paramount in our society and although we are living through exceptional times, going back to

school for everyone is vital. People are naturally worried about the return and how it will impact their families but with continued adherence to Government guidelines, hand hygiene and common sense, we will hopefully

see a successful return to the classrooms.

Kenya to Carrauntoohil as CLIMB RAISES ALMOST €5,000

For the first time in almost 20 years, none of the volunteers at the Kenya Project were able to travel to Embulbul, Nairobi, Kenya.

With fundraising, like their annual coffee morning cancelled due to COVID-19, fundraisers Katie O'Connell and James Greene decided to climb Carrauntoohil and last Saturday they scaled Ireland's Highest Mountain and raised almost €5,000 for this important charity. The volunteers set up a gofundme page which is still open for donations, all of which will go to help the children in Embulbul, Nairobi, Kenya. "We were devastated that we cannot return to Embulbul this year for Kenya Education Project (K.E.P) Summer Camp 2020", Katie said, "however we are just delighted with the response to our climb at the weekend", she added.

The Kenya Project is based in the village of Embulbul in Kenya and is a slum village with a high rate of unemployment with the average daily income being only €2.50.

Most families struggle daily and single parenthood is a feature of the area where education is a struggle.

The Kenya Education Project was set up by Eddie Sheehy and his late wife Carmella along with their family and to date have made a huge

Volunteers James Greene (left) and Katie O'Connell (right) pictured with Eddie Sheehy from the Kenya Education Project after their climb of Carrauntoohil last Saturday.

difference to the life of people living there.

There is a newly built primary and secondary school in the village and these are managed by the Christian Brothers.

The charity also supports a village feeding programme and also supports students in

further education and training.

One of the most popular pastimes in the village is the soccer academy called The Young Talents where coaches train boys and girls who wear gear donated from many clubs and schools in Killarney.

Time to tee off for Golf Classic

The annual Shane Courtney Memorial Golf Classic in aid of Listry GAA club will take place at the newly named Maine Valley Golf Club Killorglin on Saturday 12th September.

With the lotto suspended due to COVID-19, the club is very much reliant on this fundraiser.

As always there is a great raffle which will include a specially commissioned professional painting of an aerial view of Killarney Golf Club, A Listry Jersey and a Kerry Jersey both signed by the famous O Se

brothers of Kerry and An Gaeltacht. The painting is kindly sponsored by the Sugrue family Lissivane and of course the jersey's by the club's senior manager Marc O'Sé. Teams of 4 available at €120 each or individual players can play as part of a team for €30. Tee box sponsorships are also available at €50 each. In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

“Don’t be fooled, Phoebe is the boss of the house Marie” Fabian told me... **Marie visits the Cronin household as they prepare to return to school**

The children and going back to school have been the priority in the news and many homes throughout Ireland this week so I took it upon myself to visit the busy home of the Cronin children in Rockfield, to hear what they’ve been getting up to whilst staying at home and their thoughts on getting back to school.

Meet Front Row L-R Emilia (8) with her 4 day old puppy Charlie Browne, Sebastian (6) & Ellis (9) with her dog Cola (Mum to Charlie Browne). Back Row L-R Twins Fabian (4) & Phoebe (4) and their dog Cilla Black.

The children were busy having brunch as we chatted so I had a cup of tea and began chatting with big sister Ellis (9) leading the conversation for the rest to follow. I knew there would be plenty of cut ins so I made sure I had a blank double page open and began writing at speed. “I’m looking forward to going into 4th Class at Faha NS. I’ve missed all of my friends at school but most especially my art class. My favourite thing is to sketch” Ellis told me as she showed me a very impressive sketch she did of her beautiful Mum Majella. “Well, I didn’t mind staying at home too much Marie as we got a new playhouse which we’ve been busy decorating. Emilia & I have used it as our art studio so we have plenty to sell when the virus is gone”. Little entrepreneurs. I love it! Like many children of Covid19, Ellis and her siblings have been busy creating Tick Tock dances where her favourite is a duet of ‘Savage’ with the Tick Tock dance queen Charlie D’Amelio.

Emilia (8) somewhat a different vibrant little character to her sister Ellis and prefers the outdoors and going on walks and trails with her family. “When the weather was nice we brought picnics on our walks and stopped at rivers for a little dip. I’ve missed my friends lots too but I’m looking forward to going into 2nd class and this year I’ll be making my First Holy Communion so we will be going shopping for a dress. I’ve missed shopping lots but Mom says she is going to bring us shopping to Cork when the virus is gone. We are delighted with our new puppy Charlie Browne (Cilla Blacks son) but we are not keeping him. He will be going to a new home when he is ready, just down the road from us so we will see him everyday when we get off the school bus and say Hi. My Nana Reen on St Annes Road has four brand new kittens too so can you write that down and maybe some nice person would like to have one?”. No problem Emilia. Consider it done! Sebastian (6), going into Senior Infants at Faha NS was waiting for his turn “My favourite thing

is playing football with Dad, being Mommy’s home help and playing with my lego. Dad is really good a football. Way faster than me. We made teams of the boys V the girls but Mommy didn’t play. It was three boys against three girls and it ended up being a draw” Sebastian told me. I wanted to know more about being a home help.... “I am really good at making the beds and helping Mom tidy up everyday”. I wanted to take Sebastian home to help me too!!

Moving on to the adorable twins Fabian & Phoebe, both four years old, who are not going back to play school for a while until the Coronavirus settles. “Don’t be fooled, Phoebe is the boss of the house Marie” Fabian told me. I laughed and laughed. What an opening line. “So what have you been up to Fabian, tell me about you”? I asked. My favourite thing is helping Dad (John) & Uncle Pa with all the outdoor jobs. We are making an outdoor room next” Fabian told me. I noticed a beautiful apple tree outside. “We will be giving the apples to Nana Cronin because Mom is great at making us dinners but not so great at baking”! Fabian explained. “And are you really the boss of the house Phoebe” I had to ask. “My favourite person to boss is Dad” she laughed “And the things I’ve most liked doing are playing with my Barbies with my big sister Ellis”. While I was chatting the children Fabian asked his Mum Majella “When they all go back to school and it’s just me, Phoebe & you Mum.... and when the virus is gone for goodand we can go to Lir Café again... will you tell Joan that the twins

are big now and we won’t be needing lids on our cups of milk”. It’s the little things these days isn’t it... for us all!!

Before I left I complimented Majella on her Super Mum qualities and her ability to multitask five children, three dogs, a house and a husband. I then realised Majella’s eldest son Dylan (26) was missing “He’s applied for his masters Marie and is currently studying online to teach English as a 2nd language to foreign students”. Dylan, I recalled as a serious globe trotter, must really have been feeling the effects of Covid19, which provoked me to ask Majella if they’ve been staycationing anywhere nice? “John & I were lucky to have visited Iceland and The Northern Lights returning just two days before the schools closed (Thanks Auntie Áine for holding the fort). But you know what Marie, we are so lucky to have the best of Ireland on our doorstep right here in Kerry. Up until last year, we’ve had to bring buggies everywhere we went. Would you believe this year the twins have walked up to 7Km with us exploring our own National Park. We’ve previously gone to France but I think it’s far easier, with 7 of us, to take daily excursions and explore the beauty of Kerry, now that we are buggy free!”. I couldn’t have agreed more with Majella. Nothing compares to the Kingdom, one of the most beautiful places on earth to be!! Thanks for having me Ellis, Emilia, Sebastian, Fabian, Phoebe, Charlie Brown, Cilla Black & Cola.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

"We met at the Gleneagle Hotel at a Dance in 1976. He gave me a spin home on the back of his bike, my new shoes were absolutely ruined"... **Marie visits the Kathrina Breen**

Marie was delighted to visit Kathrina Breen at her home in Aughaleemore, Killarney just up by the Two Mile School.

What a great day to visit as she was also celebrating her 40th Wedding Anniversary with her husband Brendan. Kathrina Breen has been fundraising for the Irish Cancer Society, Killarney branch, since 1987 initially with her friends Neily & Ann Moynihan who had lost their son Eoin Moynihan. Kathrina, Neily & Ann together with Sr Anna Marie, realised the importance of the service a Daffodil Nurse offers and began fundraising for those who may be in need going forward. "Would you believe since I began fundraising in Kerry Marie, we have raised just over €1 Million to date in Kerry. My colleagues, Timmy Moriarty, Eugene O'Sullivan, Kathleen O'Shea, Eleanor O'Doherty & Kathleen Cronin are an enthusiastic bunch to

work with which makes the task of fundraising so much easier" Kathrina told me. The Killarney branch for the ICS was once selected as a recipient for the annual Ring of Kerry Charity Cycle and received €35,000. What an outstanding amount to receive!! It got me thinking as to what was the best fundraiser for the Irish Cancer Society locally? "We begin in January scheduling events beginning with our annual coffee morning, daffodil day, school fundraisers, pink ribbon day and finishing up with Strictly Come Dancing. These events are scattered throughout the year but the most profitable is definitely Strictly Come Dancing Marie" Kathrina explained. I was lucky enough to have taken part in Strictly in 2016 myself. Most intense and time consuming but so much fun and I made the best of friends. Joe Burkett was the creative director that year putting us through our paces. Four whole

mins of River Deep Mountain High as a which was choreographed within an inch of it's life!!! ... and that was just the closing dance. Epsom baths nightly for Marie!!

I wanted to chat with Brendan before I left, a friendly face on Killarney's taxi rank, for the past 20 years. "So Brendan (or Ben as Kathrina affectionately refers to her husband), 40 years is a long time, given the chance I'm sure you wouldn't change one little thing"?? I asked. "You'd change the Son in Laws but it's too late now Brendan" former Strictly winner & Son in Law, Michael Bernard laughed. We all laughed!! Kathrina told me "We met at the Gleneagle Hotel at a Dance in 1976. He gave me a spin home on the back of his bike, my new shoes were absolutely ruined". Kathrina Breen is pristine with her appearance and immaculately dressed always so it surprised me lots that there was a second date at all!! The couple were married at Killarney's Cathedral and held their wedding reception at the Killarney Heights, known as the Castle Heights 40 years ago. I was invited in for a cuppa with the extended Breen family L-R Noel Walsh, Karen Breen Walsh, Kayleigh Walsh, Kathrina Breen, Cian Walsh, Brendan Breen, Edel Breen O'Donoghue, Jamie O'Donoghue & Michael Bernard O'Donoghue. Kathrina had a fine spread prepared for her family to sit and eat together. It was time for me to go. As I left, I couldn't remember the name of the song, it was on the tip of my tongue "what's that song about a boat and family again"? I asked "The Bally Boys" Brendan laughed before changing his answer to 'The Voyage' Marie. That's it, that's the one, The Voyage by Christy Moore. 'When we started the voyage it was just me and you. Now gathered round us, we have our own crew'. Happy Anniversary Brenda & Kathrina Breen and thank you for having me visit your home in Aughaleemore.

FEARLESS PHIL By Nicky Barry

*The likes of big Phil Hogan, have always been admired,
By normal little Irish men, devoid of guts or fire.
They live their lives in safety, afraid to take a chance,
Whilst the likes of big bold Phil, much prefer to dance.
The Phils of life are bold at heart, and know little fear,
When they get up in the morning, they look forward to the day.
Now what could I do this day, to make things really tick,
A worthwhile thought to entertain, if you're in politics.
He was a Fine Gael kingmaker, who loved a right good scrap,
In the corridors of power, when you had to watch your back.*

*When the heave came against Enda, he put Big Phil in charge,
And he lobbied relentlessly, in and out of the Dail bar.
Bruton and his boys backed off, with tails between their legs,
And Big Phil was like Caesar, after one of his campaigns.
Enda sent him off to Brussels, to a real big fat plum job,
As a reward for loyalty, back in the auld sod.
Like a duck to water, Phil became a Eurocrat,
Who dazzled them with blarney, and ole Kilkenny craic.
All was honky-dory, until he teed off fearlessly,
One day in Connemara, and the rest is history*

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

OH TO BE 20 AGAIN...

Marie meets Grace Foley

Fifteen seconds out of a possible fifteen mins of fame for Killarney beauty, Grace Foley. Well that's according to Andy Warhol's prediction that everyone on the planet will experience 15 minutes of fame at some point throughout their life time.

Following in the footsteps of recent celebrity Maura Higgins as a former Ring Girl, Rachel Foley received a phone call from the producers of Young Offenders (pre Covid19) to play the part of a Ring Girl which was aired last week. Not a roll that many of us would have a notion of entertaining. Confident and comfortable in her own skin, Grace Foley didn't give it a second thought. Oh to be 20 again!!

Love it or hate it, most of us will have heard about the sitcom Young Offenders - two best friends in Cork City navigating their way through those awkward teenage years throughout their difficult home lives and their knack of getting into trouble at school. I was dying to hear to details on those loveable rogues, Conor & Jock "They are absolute gentlemen Marie, very refined, a complete contrast to their character and chatting to everyone no matter how big or small the part was" Grace told me. I compared it a similar experience when meeting Nidge (Tom Vaughan Lawlor) from Love Hate, polar opposite to his character also. Grace laughed and told me that Tom is in fact a distant cousin of her family on her Mum Rachel's side. Looks like screen entertainment is in the genes!!!

"Confidentiality, discretion and funnily enough, as little drama as possible is the key to success for featured (and normal extra) roles, pre and post production. To disclose any information about the set location or 'what happens next' is a detriment to the possibility of future roles." Grace explained. I totally got that, who wants an ending spoiled anyway? "Three days prepping for 15 seconds Marie and it was so worth it. The day before filming was wardrobe fitting followed by two days on set. All featured extras and normal extras met at base and from there we took a bus to an actual boxing ring in

Cork City. I was lucky to have a featured role which guaranteed screen time. A normal extra role can be hit or miss. I was so lucky to work with like minded people for those three days Marie and I have to say Jennifer Barry (Jock's girlfriend Siobhan Walsh) stood out to me as an exceptionally nice person. She sat and had breakfast with the extras on the set each day. We absolutely love the Young Offenders at the Foley house Marie. All 7 of us sit and watch it together so you can understand how nervous and excited I was to be offered a role in one of my favourite TV Shows".

Grace Foley is the third Killarney person to be featured in Young Offenders after locals Conor O'Donoghue & Killian Heelan. I wonder who will be next??

Grace Foley has also starred as Doireann Garrihy hands and arms in the Doireann

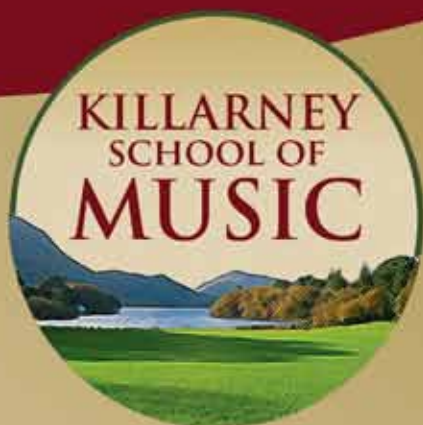

Project whilst working with Jam Media as a runner which includes getting coffees, moving cameras etc. "We all have to start somewhere Marie. The run around girl was present at the wrap party so who knows what door will open when another one closes". That's it exactly and Grace Foley is the not the type of person to step on anyone on her way up. A pure pleasure of a gal. I have no doubt wherever you end up Grace you will do Killarney proud. Thank you for the chats in the sunshine of Dan Lenihan's laneway which consequently, on the opposite side has caricatures of the many already famous Killarney people. How fitting.

New Covid-19 Online Retail Scheme will support businesses in Kerry to expand their online presence

Successful applicants will receive grants of up to €40k

A new Covid-19 Online Retail Scheme will support businesses in Kerry to expand their online presence, Deputy Government Chief Whip, Brendan Griffin TD has said.

Minister of State for Business, Employment and Retail, Damien English TD, has launched a new €5.5 million Covid-19 Online Retail Scheme as announced in the Government's July Jobs Stimulus package.

Deputy Griffin has said businesses with an existing online presence can now apply to the Online Retail Scheme for a grant of up to a maximum of €40,000.

"The fund is designed to help businesses to accelerate their online offerings to respond to both domestic and international consumer demand.

"The grant will cover 80% of project costs and can be used to fund fees for service providers, to develop and implement a digital strategy

supported by in-house training, and to enhance the retailer's website and related systems.

"Online trade is already so important to many businesses in Kerry. However with COVID-19, businesses really need to maximise their online presence due to the drop off in footfall in their shops. This fund is designed to help them do exactly that and hopefully will boost their business after what has no doubt been a very difficult few months in retail.

"I encourage all Kerry businesses to apply for a grant when the Covid-19 Online Retail Scheme opens for applications on Monday, 31 August 2020. There is a simple application process accessible through the Enterprise Ireland website."

Speaking at the launch of the new scheme in Great Outdoors in Dublin, Minister English said: "The Government has been listening to retailers across the country and it is clear that the Covid-19 pandemic continues to make it an urgent priority for businesses to accelerate the growth of their online offering. For many

retailers, developing their online sales channel for consumers has been a long-term goal prior to the pandemic.

"As Minister, I am determined to support that ambition and assist our retailers to increase their digital presence and boost online sales allowing them to target new and existing customers and shoppers in the online space.

"I know the difference grants such as these are making in hundreds of businesses throughout the country. Retailers are seizing the opportunity to significantly enhance their online shopfronts and complement their traditional presence. The increased customers and revenue make an important contribution to the bottom line. It also provides consumers with more opportunities to support local businesses in their community, even when shopping online."

Tralee and Killarney can now avail of local authority funding to help communities respond to Covid-19 - Griffin

Tralee and Killarney can now avail of local authority funding for projects to help in our response to Covid-19, Deputy Government Chief Whip, Brendan Griffin TD has said.

Deputy Griffin, said, "I am delighted that my colleague, Minister for Rural and Community Development, Heather Humphreys TD, has announced the expansion of the Town and Village Renewal Scheme.

"As part of the changes, 41 towns with populations of over 10,000 will be eligible to apply for funding for the first time specifically for Covid-related measures.

"This means that Tralee & Killarney will be assisted in funding projects for Covid-related projects such as;

The creation of outdoor areas to accommodate social interactions in a safe environment to include furniture and awnings.

Enhancement of town centres by painting, cleaning and improving pedestrian access. Provision of equipment to run local festivals or events to bring people back into towns and villages. The enhancement of community buildings to accommodate remote working.

"The Town and Village Renewal Scheme provides funding for projects which support Kerry towns and villages to be more attractive and sustainable. This year the scheme was adapted to support projects that aid the economic and social

recovery of our towns and villages in response to COVID-19.

"Tralee & Killarney can each apply for up to €40,000 to increase social activity in towns and address social distancing measures that we all now face as a result of Covid-19." Minister Humphreys has also increased the number of applications that Local Authorities can submit for other smaller towns and villages with populations of less than 10,000 people. The closing date for this new round of funding is 28th August 2020 with the initiative for the larger towns also closing on the same date.

Deputy Griffin concluded, "I would encourage large towns, as well as towns and villages with populations of below 10,000, to engage with Kerry County Council to identify projects that will help to bring confidence back to communities and businesses in the locality.

Minister Humphreys said, "The Government's commitment to supporting our Towns and Villages was evident in the July Stimulus Package, which included a €10m injection into this scheme to bring the total level of funding this year to €25 million.

"Last month, I approved the first tranche of funding under this Scheme - €2.8m - to assist 106 towns and villages in adapting to the challenges posed by Covid-19."

Cllr. highlights safety concerns

Cllr. Michael Gleeson has called on Kerry County Council to ensure that all necessary works are undertaken with regard to falling branches.

"One of the increasing challenges to the safety of road users, particularly during autumn and winter, is the danger from falling branches or entire trees", Cllr. Gleeson told Killarney Outlook.

"The increased frequency of strong winds and the unpredictable strength of the gusts demands that overhanging branches and overly tall trees are cut back regularly. I have called on the Kerry County Council to try and ensure that this necessary work is undertaken in order to safeguard road users from injury or death. I have recently allocated the sum of €2,000 in order that the trees in Cahernane Meadows, Muckross Road would be attended to. It is hoped to undertake that work very soon", he added

THE NEED FOR STICKERS

There appears to be a need, at all levels of Irish society, to constantly remind each other of the highly infectious and dangerous disease in our midst according to a Kerry County Councillor.

Fianna Fáil's Michael Cahill has called on the Government to issue a supply of badges/stickers with the message "2 METRES APART" for use by members of all households.

"A close friend of mine suggested this to me some time ago, and more and more, I can see the merit in it" stated the Rossbeigh based Councillor.

"With students returning to schools and employees in large and small workforce's constantly in the vicinity of other people, not to mind in social settings, I believe we all need reminding of the social distancing recommendations" said Councillor Cahill.

"It is very easy for any of us to let our guard slip, and a little thing like this might just help to remind us to be vigilant" said the Fianna Fáil Councillor.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

"It was one of the craziest games of all times. I went through every emotion under the sun" - Marie meets the Celtic Champions

It takes a special manager to get the best out of his players. To build a team who will never give up and never stop believing they can be the best.

Sure where else would I have been to Gogglevox this week only with Manager Matt Keane & Co at Celtic Park.

On Sunday last, victorious over Cork City's Douglas Hall at Mounthawk Tralee, Killarney Celtic Junior team returned to Killarney with the FAI Youths Cup, escorted by Gardaí, to greet supporters, family, friends and club mates who gave them a hero's welcome as they looped a parade through the town. "It was one of the craziest games of all times. I went through every emotion under the sun" Matt told me "Training was intense coming up to the big game and not one of the boys ever missed a session. It is well deserved to them and they are a credit to their families and the club". It comes from the top down Matt!

"It's our second time to be in the final, the first being in 2011 against Cork City" Assistant Manager Gerry Falvey told me. "So it's our first time to bring the FAI Youths Cup home (it's only ever been won in Kerry once) to Killarney Celtic and we are absolutely thrilled to say the very least. A huge thanks to everyone who helped us along the way, especially to Hendersons in Fries for putting on a fine spread food & refreshments on our way back to Killarney, and to Niall (Botty) O'Callaghan & Seanie from Four Star Pizza for the reception at Celtic Park when we got back".

From start to finish, even in the height of their nail biting, outstanding, overwhelming win, the team never forgot their friend and gifted sporting colleague, Niall McGillycuddy. Keeping his memory alive and with them that day, the team lined out omitting No.6, the jersey regularly worn by Niall when playing with his team mates. The No.6 jersey was also taken to the stand by Captain Evan Looney to accept the cup on such a historical day for Killarney Celtic. They never once forgot him.

He was there! The team were gathering at Celtic Park again to play Dingle in the League semi final as I arrived at Celtic Park to chat and take a few photos. I'm sure the last thing they wanted to see was another camera in their face ahead of an important game but they humoured me none the less. Thanks lads!! I chatted Chairman Paul Sherry who is in his 4th year with the club. "I just want to say a huge thanks to the parents, management and staff who got them where they are. They've worked hard and it's well deserved".

Initially when I arrived at Celtic Park, I got to chatting with my good friend Block. Does anyone actually call him by his name Diarmuid Daly? I would say he has every single Celtic jersey that ever was over the last 40 years!! "Block, you seem to be here forever, how long have you been with Killarney Celtic"? I had to ask.... "I am here 33 years Marie. I began playing with the U10's when I was 9. I lived and breathed soccer but unfortunately I wasn't very good at it (and you can write that down Marie I don't mind one bit) so I began managing the

Killarney Celtic C team when I was 19 and I've been stuck in management ever since. I love it. It's a great club to be part of" Block explained. Wow, what a long time to be dedicated to anything I thought. More Q's for Block "So who is your most admired current player" I asked. He didn't even have to think "Gary Keane" and without giving him too much time to think I asked "and of old"??? "Definitely Gerry McGowan. What amazing player".

So I suppose that's what being part of a club is all about isn't it? It's the memories, the dedication, the camaraderie, the competition, the long bus journeys, the horrendous weather, the highs, the lows, the ups and downs, the sense of community and an overwhelming unity of togetherness and belonging. I don't do sports much but I totally got that at Killarney Celtic. Huge congrats on a fantastic win, that I know for more than one reason, meant so much to you all.

Bleak Winter Ahead For Kerry Airport As Covid-19 Pandemic Continues To Affect Aviation Sector

KERRY Airport is preparing to face into a bleak winter as the Covid-19 pandemic shows no sign of abating and the resulting restrictions on travel and gatherings continue to affect airline bookings. Ryanair have removed the Manchester and Berlin routes to Kerry from the schedule for September and October, while the Alicante summer route which was due to end in October will not operate after the 31st of August.

Only 808 passengers travelled through the airport, all on the Aer Lingus Regional Kerry-Dublin route, during the second quarter of 2020 compared to 102,534 on all routes for the same quarter last year.

The grounding of Ryanair flights between Kerry and Berlin, Frankfurt Hahn, London (Luton and Stansted) and Alicante (with increased frequency in June, July & August) throughout the three-month period was the main reason for such huge drop in numbers.

The new Kerry-Manchester route which was due to commence on the 29th of March did not get off the ground until the travel restrictions were lifted in July and, in normal circumstances,

would have contributed to an increase in passenger numbers when comparing figures year-on-year. The CEO at Kerry Airport, John Mulhern, said: "The figures are stark and the future is not bright. The Government has rowed back on the easing of restrictions at the same time as Ryanair announced a 20% reduction in flights in the autumn - affecting travel between Kerry and Manchester, Berlin and Alicante. We are expecting to see further cuts to schedules as the winter months draw near. The devastating impact of the lockdown has been seen in the quarterly passenger figures across the entire aviation sector and we expect to see many more months, if not years, of toil ahead to recover fully." Meanwhile, Kerry Airport Ireland has introduced enhanced measures to protect staff and passengers who are passing through the airport. Passengers must wear a face mask on entering the terminal and throughout their journey through the airport and on the aircraft. Now more than ever, passengers must arrive in plenty of time for their flight and anyone not flying, when possible, should not enter the terminal.

WHAT'S HAPPENING TO OUR LANDMARK WATCHTOWERS

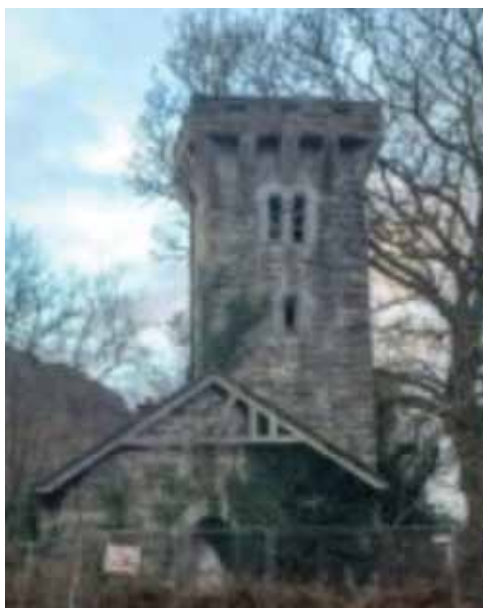

In this week's Killarney Outlook, Jerry O'Grady from the Hugh O'Flaherty Society looks at the fact that two of Killarney's better known 19th Century stone-built Watchtowers are in serious danger of being irretrievably damaged and lost.

The Tower and Lodge on the Kenmare Road, a little over half a mile on the Kenmare side of Five Mile Bridge, was once a very visible and striking roadside landmark.

It marked the entrance to the Tower Wood and the beautiful Tower Waterfall. A short few years ago there was talk within NPWS/OPW that the building could and should be restored and possibly put to a tourism/heritage use. At the time, the single-story Lodge was largely intact and the Tower was free of plant life. Unfortunately, nothing was done and today it is all but invisible from the road. The Lodge roof appears to have collapsed and the Tower has been totally engulfed in damaging ivy, bushes and trees. There is little doubt but in a short time the structure of the Tower will be damaged beyond repair and will join some other parts of our built heritage such as Ross Cottage, Glenna, Queen's Cottage etc., – as derelict shells or heaps of rubble.

Our other well-known Watchtower is the Round Tower at Lord Brandon's Cottage. While surrounding wild plant growth has been cleared away, for some time now the Tower has been

Tower Wood Tower pictured left a few years ago and right: this week.

hosting a collection of trees and bushes growing out the side and the top. As with the other Tower, it's only a matter of time before the structure is seriously damaged and may eventually fall down. These buildings are in the "care" of the NPWs and/or OPW and they should be held accountable for their preservation.

Our now beautiful Killarney House & Gardens was ignored for decades by these agencies and sustained lobbying by local heritage and tourism interests was all but ignored. Without the fortuitous timing of Failte Ireland Funding becoming available and a committed Minister for Heritage being in office at the right time, Jimmy Deenihan, I believe that it too would have had a similar fate. While on the subject of Lord Brandon's Cottage, the familiar rustic wooden

fence bordering the terrace tables was in need of replacement (See photo). Instead of it being replaced by an appropriate rustic wooden fence, it has been replaced by a well-constructed but completely inappropriate concrete panel fence (See photo). Not only is it not in keeping with its surrounds, but it is measurably higher than the old fence. It is no longer possible for visitors sitting on the terrace to view the Gap Boats coming up the channel to the mouth of the Gearhameen River and the Dock.

The height may be required under current Health & Safety Regulations, but the top panel should be replaced with a clear panel or a simple bar that would still meet regulations.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

DO YOU HAVE AN EXISTING PENSION?

If the answer is yes and you have any of the following:

If so there is some very important information that you need to know about your pension, such as....

- What is the present value of your pension?
- What funds is your pension invested in and what is the risk level of these funds?
- Who manages your pension and how much are you being charged to manage your pension?
- When can you access your pension?

These are just some of the important questions you need to know the answers to. You need this information in order to check and compare your pension to what is available in the market place today from pension companies who may be able to get you a better return for your money and therefore getting you a higher lump sum and income on retirement. So whether your pension is from your employment, an ex employer, you were self employed in the past or are self employed now it is very important that you have your pension reviewed and assessed by a financial advisor.

KILLARNEY HR & PAYROLL

Damien McCarthy Assoc. CIPD 086 - 1936752

AN EMPLOYER HAVING TO MAKE SOMEONE REDUNDANT IS A DIFFICULT SITUATION HOWEVER, IF AN EMPLOYER FOLLOWS THE CORRECT PROCEDURES, THEY WILL GET THE CORRECT RESULT

To make a position redundant, it's not enough to be able to satisfy yourself the role is redundant. Three key areas will be considered:

- If there was a genuine reason for redundancy
- Was there a fair selection process
- Was a fair consultation process carried out

WHAT'S A GENUINE REASON FOR REDUNDANCY?

Section 7(2)(a) of the Redundancy Payments Acts outlines five grounds where a redundancy can be deemed as genuine.

- The employer has ceased or intends to cease to carry on the business.
- Requirements of the business for the employee to carry out work of a particular kind has ceased or diminished.
- The employer decides to carry out the business with fewer or no employees.
- The employer decides work being done is to be done in a different manner, for which the employee is not qualified or trained to do.
- The employer decides that the work being done is to be done by a person who is capable of doing other work for which the employee is not sufficiently qualified to do.

Where your reasons for redundancy fall under one (or more) of the above five it is important to follow through with a redundancy procedure. This ensures fair procedure and reduces the risk of unfair selection and any potential unfair dismissal claims.

Hand Made Furniture Made With Love Studio open on appointment only

Conor and Lauralice have spent the last few months thinking, creating and achieving their goals. Their dream is finally coming true: Tabla Design is opened its own studio. The Tabla duo has been bonding and collaborating with local businesses only. They will be proudly selling and showcasing their partners products in the studio to give their customers a full experience!

"We worked hard to create this unique space and would love to welcome you in our home workshop. Come have a look at our creations and new furniture designs." Our products are sourced from local manufacturers, highlighting the talent and high design sense of area' businesses and craftspeople.

At Tábla design we manufacture dining tables, coffee tables, stairs, doors, shelving etc in the private sector. In commercial we offer office, shop and restaurant fit-outs. We work with timber, steel, concrete, stone and glass. All of our materials are locally sourced. The Irish Market is wide enough to keep our company busy, but in a near future we aim to export our products Europe Wide on a regular basis.

CALL FOR SUPPORT FOR THE NIGHT WALK

Sile Seoige is pictured on the East Pier Dún Laoghaire helping launch the Boots Ireland Night Walk in aid of the Irish Cancer Society Night Nurses. PICTURE ANDRES POVEDA

This year's Night Walk in aid of the Irish Cancer Society Night Nurses has been launched by Boots Ireland.

Previously Night Walks have taken place in various locations across the country and participants walked together to raise funds for this important service. This year, due to COVID-19 social distancing guidelines and to ensure everyone's safety, we are doing things a little differently. The Boots Night Walk will take place on Monday 7th September - you choose the location and time of your 5km walk and we'll all walk together from afar!

Alongside the walk, Honour Tags are now on sale in Boots stores nationwide for €2. Customers can purchase a tag in honour of someone who has survived or passed away from cancer. The front of the tag allows for the name of the individual with space on the back for a personal

message. One metre will be walked in honour of that person by members of the Boots Ireland team on September 7th.

The Night Nursing service has run for over 30 years and operates in every county in Ireland. The service has made a huge contribution to cancer support, providing over 7,200 nights of care in 2019 alone, to 1,887 patients. There are 192 Night Nurses in operation around Ireland, providing up to 10 nights of care for cancer patients in their own home, during the last days of their life. The service is provided completely free of charge and has experienced significantly increased demand since the start of the COVID-19 pandemic.

Ambassador Sile Seoige said: "Having been through cancer, I know how challenging it can be for both the patient and their loved ones. Support services like the Irish Cancer Society's Night Nurses are vital. These incredible people

bring such kindness to the homes of those who need it most. They sit through the night with the patient and are a reassuring presence for all the family. I am proud to support Boots Ireland and the Irish Cancer Society for this campaign and invite everyone to fundraise and get out and walk on 7th September 2020 in aid of this wonderful service." Requests for assistance from the Night Nursing service have increased considerably since the start of the current pandemic. The service is funded almost entirely through donations, which is why the society are so thankful for the continued kind support of Boots staff and customers to ensure we can be there for more families than ever who are in need of this crucial care.

People can support by participating and fundraising via BootsNightWalk.com or by purchasing an Honour Tag in any Boots store nationwide.

Noreen at What Women Wants gives you some **beauty tips** while you are staying at home during Covid-19

WANT THICKER BROWS WITH DEFINITION?

Since wearing masks or face coverings in Ireland has become mandatory, treatments to enhance our eyes and brows have soared. Brow Lamination is a semi-permanent treatment that involves straightening hairs using a chemical solution, so that they stand in the desired direction. It lifts hairs from the roots into a feathered uniform shape and can then be groomed into your style of choice.

Three different serums are used in the process. 1) To break the bonds down in the hair 2) To set the hairs into position 3) A serum to infuse the hair with keratin.

During the treatment brows are waxed and tinted. Tint can absorb deeper into hair shaft as the bonds are broken down, so its effects last longer.

Brows need to be kept dry for 24 hours after, no creams or brows products and sleep face upwards, so brows remain in set position. After 48 hours eyebrows are fully set, remove brow any powder and pencil at night and apply oil to condition and hydrate the brow hairs.

Brow Lamination takes 1 hour and prices start at €50. A patch test is required 24 hours prior to treatment. The effects last 6-8 weeks depending on the quality of your brows and your growth cycle and can be redone every 8 weeks.

How to navigate your emotions in turbulent times

The changes that we all have been experiencing can bring up our emotions like never before. Suddenly, life is different from how it had always been. Many people lost their loved ones or couldn't be with them. We had to stay apart. There was worry and anxiety about what would happen and the knock-on effect of this impacts our emotional, physical and mental wellbeing. Whenever we live in times of great change, it is vital that we know how to look after our emotional wellbeing, so that we don't feel overwhelmed by what is happening.

Three steps to managing your emotions

1. Instead of trying to shut the emotion down, turn towards what you are feeling instead. Give yourself space to allow the feelings to be present.
2. Take responsibility for what you feel. So often we get tempted to blame someone or something

else for the way we feel. This only gives power to the event or person.

Instead, recognise what has made you feel this way, place your hands over your heart and say to yourself, "I am feeling.....and it's okay to feel this way."

3. Be super compassionate with what you feel. Allow yourself to be present for you. When we can allow the emotions to move through our body instead of trying to shut them up or distract from what we are feeling, the emotions can pass through as and be released. The result is that we heal faster, cope better and feel more balanced sooner.

"Your emotions make you human. Even the unpleasant ones have a purpose. Don't lock them away. If you ignore them, they just get louder and angrier." Sabaa Tahir

GETTING YOUR TIMING RIGHT FOR A MORE EFFECTIVE TRAINING SESSION!!

Ok, let's get straight to the point. As the headline says, 'getting your timing right for a more effective training session' is an important aspect for you to get the most out of your session. You might enjoy group classes, or small group training or even you do personal training weekly with a trainer, make sure you are doing these sessions at a time that suits you and maybe your mood. If you are a morning person, full of life, you bounce out of bed, you should probably train in the morning. The reasoning behind this is that you are ready to train hard, not moaning about getting up early and you are actually looking forward to working up a good sweat. As we move forward with 'THE NEW NORM' and some people are getting back to work, check out some gyms that have early classes and start training before work. We here at B Well have earlier classes so check out our website or even book a personal training session for yourself or even with some friends that like the mornings as well. Then on the other hand if you are livelier in the evenings, you should probably do an evening class. Whichever person you are, morning or evening, recognise your personality to get the most out of your training so take a look at your training schedule to book the right time that suits you. Let's be honest, there is nothing worse than coming to a class regretting that you booked it and dreading walking in the door of the gym/studio as you won't get the most out of your training. When you get your timing right, your session will be more productive, diet will be healthier and your mood will drastically improve as you know and feel you got the most for the session you completed. You will also recognise that your body and mind are working in sync together and that connection is vital to leading a healthier lifestyle. So, get your timing right!!

We at B Well Fitness Club are offering help and support in these difficult times so please tune into us on **FACEBOOK**, **INSTAGRAM** & our **NEW You Tube channel**. Also feel free to reach out to us on the phone 087-7643449 by text or email info@bwellfitnessclub.com

ROSS GC, KILLARNEY - GENTS CLUB

RESULTS

On Aug 23rd we held a Champagne Scramble and the winning team was :- Michael J Casey, Darren Gaffey, Timmy O'Donoghue.

Fixtures

On Saturday 29th / Sunday 30th--We will hold a single stableford competition and the timesheet is now available in the clubhouse.

KERRY PITCH & PUTT NOTES

Last Friday evening saw the qualifying spots for Kerry for the National Gents Matchplay Qualifying decided in Castleisland as four players earned the right to join defending champion Damien Fleming of Deerpark in the finals in Larkspur Park, Cashel, Co Tipperary on the first weekend in September.

All four spots went to Tralee players as Jason O'Regan led home last Friday evening's clean sweep with a score of 11 under par for 36 holes. Both Alan Hobbart and County Intermediate Strokeplay Champion Michael Conway followed with 10 under par as Darren Goodall claimed the final spot with a score of seven under par.

The weekend itself was tinged with sadness though as we were all shocked to learn of the death of the mother of our Non-Portfolio Officer and current County Senior Strokeplay holder Jason Cregan, Christina, the day after Friday's qualifiers. The County Board offers its sincerest sympathies to Jason and his family at this time on Christina's sad death.

This weekend sees two days of action with the U16's kicking off the weekend on Saturday with their County Matchplay Championships in Tralee. There will be three grades this year as well as we have Boys 8-12 and 13-15 grades along with a Girls competitions for the first time in many years. Full details of the event will be posted on our Facebook page prior to Saturday. Then on Sunday the National Gents Strokeplay Qualifiers take place in Newmarket with 21 spots on offer to 64 entered players for the finals in Collins, Cork in late September. The Juniors will begin firstly at 8.30am with 10 spots

on offer for 26 entries as the Intermediates will follow at 9.20am with 7 spots for 27 entries. The seniors round out the day then with 4 spots for 12 players as they tee-off from 12pm. The County Board confirms that public health guidelines will be followed in the playing of this weekend's events as the dress code will also be in effect.

Intermediate Championship – Round 4

SPA CLINCH FIRST ROUND VICTORY

Spa 4-10 Kilcummin 1-5

By Anne Holland

Spa clinched their first victory of the championship against neighbours Kilcummin in a very wet evening at Spa.

The home side registered the first score of the night from the boot of half forward Niamh Kearney. Kilcummin replied with a point from Debs Murphy. In fact it was all Kilcummin for the next five minutes scoring 1-2 with a point each from midfielder Eilis O Leary and Ciara Kearney with a great goal from Debs Murphy who chipped the ball pass Spa's goalkeeper. Spa dug deep and responded with a point from Cassandra Buckley. Spa's forward line was causing all kinds of problems for Kilcummin's defence and fouled Niamh Kearney resulting with referee Christy Crowley awarding Spa a penalty. Niamh stood up and took it herself and buried it low to the left. Niamh Kearney added another point to her tally in the 10th minute. Spa's captain Ciara Moynihan playing full back brought the ball from the goal line straight through the centre of the field to pass to Saoirse Kelly who delivered the perfect pass to the awaiting Karol Fleming to end in the back of the goal. This brought us to the first water break. On resumption, Kilcummin were first off the mark with another score from a free from centre half forward Ciara Kearney. Spa scored two more great points from frees from Niamh Kearney before half time to leave the score Spa 3-5 Kilcummin 1-3.

Spa were the stronger team in the second half with Kilcummin scoring only two points, from Eilis O Leary and a free for Ciara Kearney. Full forward, Saoirse Kelly scored her first point followed by a cracker of a goal which gave goalie Laura Teahan no chance to save. Lynn Jones with one and Niamh Kearney with an additional three more, brought a great victory for Spa. Home advantage definitely helped Spa as they played great football with great saves from Linda Bruggener. The full back line was solid lead by captain Ciara Moynihan. Centre back Katie O'Brien was very instrumental in many scores and picked up the breaking ball around the centre of the field. Mid field was a great battle between Eilis O Leary and Loreta Maher and both fought very hard for every possession. Niamh Kearney had a new role tonight from full to half forward and she was outstanding on the ball and pulled off great scores. Full forward line for the Tullig side were on par all getting their names on the score sheet. Kilcummin tried hard with great play from defence Ruth Murphy, Niamh Fitzgerald, Shauna O'Connor, Eilis O Leary, Ciara Kearney and Kayleigh O Leary.

Spa: Linda Bruggener, Elisabeth Stack, Ciara Moynihan, Aisling Mahony, Gina Crowley, Katie O'Brien, Mairead Bennett, Loreta Maher,

Captain Ciara Moynihan and Eilis O'Leary with Referee Christy Crowley.

KERRY GAA SCENE

EIGHT ADVANCE TO THE GARVEY'S SENIOR FOOTBALL CHAMPINSHIP QUARTER FINALS

Last weekend we were treated to a feast of football. Unfortunately, as Supporters we were unable to be there but Kerry GAA was determined to assist supporters keep updated with all the games. All media platforms played a role from Television to Radio, from Print Media to live streaming. Our thanks to all involved in bringing this ambitious plan to fruition.

The draw for the Quarter Final of the Garvey's SuperValu Football Championship was made after the final game on Sunday. It was made by Seamus O'Connor of Garvey's Castleisland and Tim Murphy Chairman of Kerry County Board. The Draw was overseen by Eamon Whelan from CCC and was made live on the Kerry GAA Live-stream. CCC met immediately after the Draw and issued the following fixtures –

Sat Aug 29 at 5pm – Extra Time & Winner on the day (live stream)

Killarney Legion v St. Brendans in Austin Stack Park. Sat Aug 29 at 7.15pm – Extra Time & Winner on the day (live stream)

East Kerry v St. Kierans in Austin Stack Park Sun Aug 30 at 2pm – Extra Time & Winner on the day (live stream) Dr. Crokes v Templemore in Fitzgerald Stadium Sun Aug 30 at 4pm – Extra Time & Winner on the day (live stream)

Mid Kerry v Kenmare Shamrocks in Fitzgerald Stadium. All 4 games can be live-streamed from the Kerry GAA website. You can buy both of Saturday's games together for €10 or both of Sunday's games together for €10. We have simplified the payment process on the website and a buyer simply enters their card details to purchase the games. This weekend's games will feature action replays, interviews with the managers and multi-camera angles. The games can be purchased worldwide and watched for 30 days after.

UPDATE FROM CROKE PARK

At a virtual meeting of GAA county chairpersons held last Thursday online by the Uachtarán and Ard Stiúrthóir, counties were asked to double down on efforts to help the Association to play its part in the on-going fight against the Covid pandemic and in light of recent challenges nationally. Clubs were asked to adhere to the guidelines issued last week until such a time as further advice is made available from government. The Ard Stiúrthóir also informed county chairpersons of intentions to make centrally sourced borrowings available to county committees at the earliest opportunity to assist in

the running of their activities before Government funding is made available. The GAA can also confirm that pending updated public health advice, and in light of an increased optimism and appetite for inter-county games, plans to stage championships in the coming months remain strongly under consideration.

STATEMENT FROM TIM MURPHY, COUNTY CHAIRMAN

The attendance news last week has certainly been very disappointing for all GAA fans. Right from the beginning of the Covid Pandemic, our Kerry clubs, officers, players, parents and mentors have shown tremendous leadership, community spirit and dedication. This has enabled our fixture programme across all ages to be played and training sessions held in a monitored and controlled environment. We would ask absolutely everyone involved to continue to do everything in their power to abide by all health guidelines and recommendations over the coming weeks. Where Juvenile games are concerned, it is vitally important to abide by the One Parent or Guardian only per child attendance rule (and only if it is necessary from a welfare viewpoint). Once inside a ground, social distancing is paramount. Continuing adherence to guidelines means that the GAA family is doing its best to ensure matches and training continue and hopefully in front of attendances in due course.

CUL CAMPS

A huge thank you to Donal Daly, the GDAs and all the coaches on the running of many successful Cul Camps all over the County. The Camps were fully compliant with Covid regulations and the children had great fun. Those interested in the Cul Camp gear still have an opportunity to purchase the gear online.

MY BACKGROUND

My name is Margaret Browne and I have recently qualified from the National University of Ireland, Galway with a first-class honours B.Sc. in Podiatric Medicine. Each year during my degree programme I received a high achievement award scholarship from the National University of Ireland, Galway for my examination results. Recently, I was shortlisted for the United Kingdom Tomorrow Podiatry Awards in the "Student of the Year" category. This award includes all final year podiatry students in Ireland and the United Kingdom. Over the course of my studies, I carried out over 1000 hours of clinical practice in Galway, Dublin, Cork, Kerry hospitals and community podiatry services.

WHAT IS PODIATRY?

Podiatry is a branch of medicine devoted to the diagnoses, management and treatment of disorders on the foot, ankle and lower limbs. I have completed a four-year degree qualification to practice. Podiatrists take into account your overall health status, often clients are surprised when I ask for a full medical history before I commence a treatment. If you have any health problem in other areas of your body it can affect your feet too. Everything is linked. Another reason I ask for a full medical history is because podiatrists are evidence-based practitioners, this means that all my treatments are backed up by up-to-date published evidence-based research.

WHAT TREATMENTS DO I PROVIDE?

I am trained to provide a broad range of practices and services for *babies, infants, children, adolescents, adults and older adults including; nail care (ingrown toe nails, thickened nails or fungal nails), skin care (corns, hard skin, dry skin or verruca), diabetic foot care, foot ulcer management, vascular (circulation) assessments, neurological assessments, gait analysis, musculoskeletal assessments, sports injuries, prescription orthotics/insoles, podiatric acupuncture and a home visit service.* Everyone is welcome!

DID YOU KNOW?

If your feet are causing you pain and discomfort on an everyday basis or from a previous foot injury, it can affect your ankle, knee, hip and lower back. Therefore, I can assess your gait, diagnose the problem and I can prescribe orthotics if necessary, which will help reduce that pain and discomfort. Also, I can educate on suitable footwear that can prevent lower limb and foot problems developing.

HOW TO GET IN TOUCH?

If you would like to take better care of your lower limbs and feet please contact me for an appointment.

ATTENDANCE

The attendance news last week has certainly been very disappointing for all GAA fans. As games must now be played "behind closed doors", this means only essential personnel should be in attendance. No more than 40 persons per team should be allowed access to games for the moment. This figure should include all players, management, coaches, ancillary backroom personnel and officials. However, for underage games the 'One Parent/Guardian rule' applies. This is where one parent/guardian per child is permitted to attend at a sporting event, including a game or training session, should they consider it necessary. Once inside a ground, social distancing is paramount, and all should adhere to public health guidelines.

On Thursday, the under 10's are playing Cromane in Keel at 6pm. For both training and the match, parents and guardians ensure that the return to play is completed along with responding on the Spond phone app.

U8s: Our U8s had another great turnout on Sunday morning. Thanks to all parents and guardians for ensuring all the return to play.ie protocols were adhered to. Training continues on Sunday from 9:45 to 11am. Don't forget your mouth guard and your own water with your name on it.

U6s: Great numbers again this week for our Sunday morning session. Thankfully, the rain kept away & lots of fun was had by all. Thanks again to all the parents for ensuring all the return to play.gaa.ie protocols were adhered to. Training continues next Sunday from 9:45am- 11am. Don't forget to bring a clearly labelled drink & your mouthguard.

RIP Tony Carey

Tony Carey was a very promising player who played with Keel at all stages at underage level. Tony was playing minor when he featured on the 1981 Keel team that won the Mid-Kerry Championship. He played with Keel for a couple more years until he emigrated to England in 1983. He did make a sporadic appearance on the B team whenever he came home on holidays but these appearances were very rare. Tony was a great man to chat and loved nothing more than talking about Keel and Kerry football. In his later years he loved coming to Dublin for Kerry games and meeting up with friends and relations from Keel. He retained a tremendous interest in his home parish and will be sorely missed by family and friends. Unfortunately, a life cut far too short by illness. He is survived by his daughter Kerry, sisters Margaret, Mary & Katherine and brothers Patrick, Eddie, Timmy and Finn. Ar dheis Dé go raibh an am dilis

DR CROKES

SENIOR CO. CHAMPIONSHIP

Dr. Crokes 3-19 Austin Stacks 2-17 (AET). what a performance pure grit, determination and heart got us through this difficult opening round on Fri. last. An injury ravaged side stood up on the night and exceeded all expectations. What a display by Brian Looney who had to leave the field on two occasions with injury. Brian proved yet again that he is and has been one of the dominant players in Kerry Club football over the last fifteen seasons.

This was a magnificent team performance and each and every guy played to their ultimate. (Full match report in sports sections.)

We now meet Tempnoe on Sunday in q/f 2pm in Fitzgerald Stadium.

INTERMEDIATE HURLING

Q/F Dr. Crokes 3-21 Crotta O'Neill's 0-11 played at our home grounds on Mon August 17th we had a comprehensive victory over our North Kerry opponents. The opening exchanges were evenly matched a goal in the ninth minute by Rob Ryan left us leading 1-03 to 0-03. Minors were exchanged until till the 26th minute when a second Dr. Crokes goal by Michael Lenihan to give us control of the game. We had extended the advantage 2-11 to 0-07 midway through the second half, we then took complete control of the game hitting 1-07 without reply the third goal coming from Jack Lenihan in the 49th minute. Wonderful display and the best of luck in s/f v Kilmoyley.

FOOTBALL CHAMPIONSHIP S/FINALS

Killarney Legion 0-05 East Kerry 5-20

U-9/10 Boys

Legion u9/10 boys hosted our near neighbours from Fossa GAA Club on Saturday mornings academy. We fielded 3 teams in all and had some great contests with the Fossa lads. Some great skills, athleticism and determination shown by both sides. Fantastic to see such a strong team ethic in our three blended teams. Well done lads and keep up the good work on the training field.

U-12 Girls

Our u12 girls teams took to the road with the green team visiting our neighbours Dr Crokes and our white team making the trip to Rathmore. Our green team turned in a strong performance to come away with the spoils. Some strong performances all over the field with a highlight being some great point kicking.

Our white team took on the girls from Rathmore in Rathbeg and contested well from the throw in. In what was a close encounter right to the finish, the Rathmore girls came away with the spoils. Great credit goes to our young white team whose never say die attitude will serve them well going forward. All this team are underage again next year. Another positive night seeing us field 2 girls teams at this level. Well done to all and thanks to @drcrokesgaa and @rathmorelga for hosting us.

U-11 Boys

Our under 11 GREEN team travelled down the Laune to Killorglin where they faced Laune Rangers in their second game of CFL Phase 2. We also met Laune Rangers in Phase 1 and it was equally exciting.

Legion were well ahead at half time but the hosts came back strongly before Jack Grady netted late in the match to give Legion the win (4-12 to 5-8). Well done to boys and their coaches Enda Murphy and Mike Pierce.

U-14 Girls County League

Legion u 14 girls winning streak came to an abrupt end in Farranfore on Sunday.

Up against a strong Furies team who got out of the blocks quicker than us. There was no coming back from our poor start. Even though we battled till the end the result was never in doubt. All credit to Furies who put on a fine performance of football.

Hopefully our girls will learn a lot from this

defeat. Up next are John Mitchels who visit Dieren next Sunday at 5pm.

CONGRATULATIONS

Happy Birthday to Barry Slattery who is celebrating a milestone this weekend. Enjoy the celebrations.

DEEPEST SYMPATHIES

The club extends its deepest sympathies to the Ann, Connie, Damien the O'Shea Family on the passing of Dan Joe. May he Rest In Peace.

The club was deeply saddened to hear of the sad passing of June Walsh, wife of Cathal and loving mother to Enda, Finbarr and families. Our deepest sympathies to Enda & his family at this very sad time. RIP.

UPDATE FROM KERRY GAA ON NEW SPECTATOR GUIDELINES

A Chara,

The attendance news this week has certainly been very disappointing for all GAA fans. Right from the beginning of the Covid Pandemic, our Kerry clubs, officers, players, parents and mentors have shown tremendous leadership, community spirit and dedication. This has enabled our match program across ages to be played and training sessions held in a monitored and controlled environment.

We would ask absolutely everyone involved to continue do everything in their power to abide by all health guidelines and recommendations over the coming weeks.

Where Juvenile games are concerned, it is vitally important to abide by the One Parent or Guardian only per child attendance rule (and that is if it is necessary from a welfare viewpoint). Once inside a ground, social distancing is paramount. Continuing adherence to guidelines means that the GAA family is doing its best to ensure matches and training continue and hopefully in front of attendances in due course.

The news regarding attendance at games this past week has certainly been very disappointing for all GAA fans. Right from the beginning of the Covid Pandemic, our Kerry clubs, officers, players, parents and mentors have shown tremendous leadership, community spirit and dedication. This has enabled our match program across all ages to be played and training sessions held in a monitored and controlled environment.

We would ask absolutely everyone involved to continue to do everything in their power to abide by all health guidelines and recommendations over the coming weeks. Where Juvenile games are concerned, it is vitally important to abide by the ONE PARENT or GUARDIAN only per child attendance rule (and that is if it is necessary from a welfare viewpoint).

Once inside a ground, social distancing is paramount. Continuing adherence to guidelines means that the GAA family is doing its best to ensure matches and training continue and hopefully in front of attendances in due course. Our club Covid Officer Damian McCarthy and

his team of Covid supervisors have been working tremendously hard over the past few months and will continue to do so.

Let's all unite and do our part to help stop the spread of the virus. NÍ NEART GO CUR LE CHÉILE

GARVEYS SENIOR CO. CHAMPIONSHIP

Mid Kerry 3-15 Kilcummin 0-12. After our very encouraging performances in the club championship when we put Dingle, Stacks and Legion to the pin of their collar to beat us, expectations were high that we could give a very strong Mid Kerry team, at least, a run for their money. However, on a day when very little seemed to go right for us, the opposition's intercounty players showed their true mettle. Having reached half time trailing by just three points as well as playing against the wind, we hoped for

an improved performance in the second half but it was Mid Kerry and in particular Gavin O Grady who decided the outcome with a brace of goals early on. We now must dust ourselves off, sort out our injuries, refocus and prepare for a possible relegation battle or an O Donoghue Cup encounter with either Glenflesk or Fries in the coming months. Best for Kilcummin on a day when little went right were Brendan Kealy, Kevin Gorman, Paul O Shea and Kieran Murphy when introduced.

Team Brendan Kealy, Danny Cronin, Kevin McSweeney, Oscar O Connor, Chris O Leary, James Nagle, Kevin Gorman, (0-1) Sean O Leary, Shane McSweeney, Philip O Leary, Gary O Leary, Kevin McCarthy, (0-2), Matt Keane, (0-1) Noel Duggan, (0-4 F) Paul O Shea, (0-4) Subs used, Kieran Murphy, Dan Moynihan, Mikey O Shea, Damien O Leary.

JIMMY O'SULLIVAN-DARCY

takes a look at all things sport...

Well, that was one entertaining sports week. Packed sports schedules are a consequence of current prevailing circumstances, a very very thin silver lining on a very dark cloud. I am in the extremely fortunate position of actually being able to attend matches as a hallowed member of what became known as the Fourth Estate (of state governance) by the Victorian writer Thomas Carlyle as a result of the effectiveness of propaganda during the French Revolution. Alas for the good old days...

Most people can't attend games these days. I don't want to hark on a point but the idea that attending outdoor games with the full observance of social distancing is more dangerous than going to work or school is just bizarre.

Nonetheless, as I say, I am one of the fortunate few, and I have been privileged to watch some superb games recently and I'm looking forward to plenty more.

SENIOR COUNTY CHAMPIONSHIP

Well, I called five games out of eight correctly. Not great, in fairness, but I could have been out a lot further. I'm not remotely embarrassed; I think matching reality to your predictions based on reasonable knowledge is a big part of the joy of sport, so I'm not going to apologise.

East Kerry 1-14 Feale Rangers 0-3

Look, no-one expected this to be anything more than a blip on the radar and that's all it proved to be. East Kerry weren't forced into a higher gear at any stage and could have piled on more scores if they really wished. There's a lot of talk about East Kerry's big pool of players, and with good reason in all fairness. As things stand, Kilcummin could be joining them next year. But there's another side to this coin as well. The harsh truth is that the North Kerry teams have been struggling quite a bit in recent years (Feale Rangers U16 Plate win two years ago was a welcome but rare respite). An amalgamation between Feale Rangers and Shannon Rangers has been quietly mooted in North Kerry conversations; I really think it's time for that to receive consideration at higher level.

Dr. Crokes 3-19 Austin Stacks 2-17

Game of the weekend without question. This was an absolute cracker. Tony Brosnan with 2-10 gave a phenomenal display, Brian Looney was not far behind him. In fairness, you have to credit Dylan Casey and Joseph O'Connor of Austin Stacks as well. Crokes were always that bit sharper and their teamwork was better. Stacks, to me, were asking far too much of Kieran Donaghy. Mike Moloney had him locked down for the first half. He did do damage in the second half, even if the goal was a tap-in. You have to admire Stack's resilience in bringing it to extra time – the introduction of Sean Quilter made a huge difference. He's a big man who plays like a poaching corner forward. When he has room to play his own game, he is

Adam Idah.

brilliant; I think his size too often pegs him as a target-man or midfielder when he's actually neither. For that matter, I always felt that Kieran Donaghy was a better footballer than he was credited – no real technical finesse but accurate from distance, a great reader of the game, and utterly selfless.

Killarney Legion 1-11 Kerins O'Rahillys 0-13

This one was always going to be tight. I thought James O'Donoghue was injured; I'm genuinely very happy to have been wrong about that. This was James at his very best, his influence was far bigger than the 0-3 he put on the scoreboard. Rahillys made a better start to lead by 0-5 to 0-2, but once Legion fired up their engines they were far more cohesive. Donal Lyne very cleverly ghosted the defence for a well-taken goal and, while it was a tremendous battle, Legion were always that little bit sharper. Danny Sheahan and Conor Keane were superb at either end; Jamie O'Sullivan looks back to his very best. A marker laid down.

Mid Kerry 3-15 Kilcummin 0-12

Ouch. There has been very little between them in recent years, but Kilcummin are a rural club with very limited numbers and great heart. Mid Kerry are a divisional side with numbers behind them and on the day, the gulf in panel depth was very apparent. Paul O'Shea, Sean O'Leary, and Kevin O'Gorman played their hearts out. Noel Duggan gave it everything. Kevin McCarthy took some exquisite scores. But there was only one team winning this from a long way out. Mid Kerry aren't quite this good and Kilcummin most certainly aren't this poor, but aces like Liam Carey and

Gavan O'Grady are supplemented by workers like Ciarán Kennedy and David Roche, both of whom impressed me, a unified defence, and a big midfield partnership in Colin McGillicuddy and Ronan Murphy. They'll be dangerous.

Templenoe 3-7 Dingle 1-12

Shock of the weekend. Yeah, I got that one wrong; so did pretty much everybody else. This was Tempenoe's first ever game in the Senior County Championship, and bearding an experienced Dingle side in their own den? Too big an ask, was my practically infallible judgement. Tempenoe worked their socks off. Killian Spillane was on fire. But my man of the match, without question, was Gavin Crowley. He was just phenomenal. Some of the deadliest predators in Kerry football were completely outclassed. Dingle couldn't ignite on the day; a relentless Tempenoe simply wouldn't let them. A superb display and a lesson for all of us about under-estimation, especially me.

Kenmare Shamrocks 0-13 Shannon Rangers 0-9

St. Brendans 1-15 West Kerry 0-14

West Kerry gave it a great rattle, coming back to draw level with ten minutes left, but that exhausted their tank. Roibeard Ó Sé is a midfielder that I've considered worth a look at higher level. He isn't spectacular, but he is big, effective, and has a great engine. St. Brendans look like a coming force – it isn't that long ago that they were regulars in the preliminary round. Of course a lot of attention was on Jack Barry and Diarmuid O'Connor, I thought they faded a bit. Star of the show was Ivan Parker. Like Tony Brosnan, it isn't his first time shooting the lights out, either.

St. Kierans 0-22 South Kerry 3-11

I was not expecting this. St. Kierans have produced some great talent in recent years – Paul Walsh, Luka Brosnan, and man of the match Eddie Horan really came up with the goods here. Graham O'Sullivan and Rob Wharton were very good for South Kerry, while Mark Griffin led a brilliant late resurgence, but you have to say that the absence of probably the best County Championship player of the last decade in Bryan Sheehan was fatal. They simply left too much behind them, whereas St. Kierans were clinical with every opportunity.

Kenmare Shamrocks 0-13 Shannon Rangers 0-9

Kenmare were always going to win this and, with Dara O'Shea, the O'Sullivans in midfield, and Stephen O'Brien all playing out of their skins, duly did so. But Shannon Rangers, who apart from one great year have been very out of the running for a decade, gave them a real battle. They were superb and it gives real hope for them going forward; this was the kind of performance that the losing team can look back on with pride and use to build a brighter future.

Quarter-Finals

Given my less than astonishing success in first round predictions, I surely wouldn't tempt fate again, would I? Arrah, c'mon, fate, let's give it another whirl for the craic.

Ciara Mageean.

Killarney Legion V St. Brendans, Saturday 29th, 5.30pm, Austin Stack Park

Very tough call. I think Legion have more scoring power, Brendans are great footballers but a bit too reliant on Ivan Parker for end product.

East Kerry v St. Kierans, Saturday 29th, 7.15pm, Austin Stack park

Austin Stack park will suit St. Kierans better than the Fitzgerald Stadium, and they are a fine side who will put it up to East Kerry, but I expect the reigning champions to be still standing when the dust settles.

Dr. Crokes v Templenoe, Sunday 30th, 2.00pm, Fitzgerald Stadium

Templenoe are proven giant-killers, and Crokes are badly hit with injuries at the moment. I expect Micheal Burns red card to have been rescinded by then (I'm just going by the tv camera; it didn't look like a red card offence to me) and he has been on fire in recent games. I expect this to be a step too far for John Rice's team.

Mid Kerry v Kenmare Shamrocks, Sunday 30th, 4.00pm, Fitzgerald Stadium

Tough one to call. I'll plump for Mid Kerry. Well organised and a range of threats. Kenmare Shamrocks are a great team. Stephen O'Brien and Paul O'Connor are razor sharp. But Dan McCarthy (cruciate) is an absolutely massive loss; that's one of the most promising young players that I have seen in a while, and Sean O'Shea came off at half-time against Shannon Rangers. They have played a lot of tough matches recently; it takes a toll.

Minor County Championship

East Kerry 5-20 Killarney Legion 0-5

I didn't see it and I didn't really want to. Legion were right to go on their own and did well to reach a semi-final, club teams always struggle in the Minor County Championship. Off the top of my head, I think Kilcummin in 2020 was the last club team to win it out. Legion's players got games, something that will stand to them in the future. East Kerry, through no fault of their own, are simply far too strong at this level.

St. Brendans 0-9 South Kerry 0-7

I went to this one and I made the right decision. This was absolutely cracking football. Most of the scoring came from placed balls – not because of any dearth of attacking talent, but because of the incredible quality of the defending. Oisín Maunsell at centre back, Darragh O'Sullivan at centre forward, and goalkeeper Sean Broderick (0-4 from placed balls, every one of them a very difficult kick that he made look simple. Phenomenal technique) were the key players for St. Brendans. Ruairi Burns from Sneem/Derrynane was, as anticipated, easily the key player for South Kerry and kicked several long range beauties himself, even if he has a small tendency to do a bit too much himself.

East Kerry Championship Draw

Spa and Fossa received byes at the behest of the County Board (they face each other in the quarter-final), with Dr. Crokes and Kilcummin joining them in bypassing the opening round. Holders Killarney Legion will meet Currow, with the winners facing Dr. Crokes (Legion were stunned). Rathmore will face Gneeveguilla (tie of the round and always a brilliant derby for neutrals). Glenflesk will play Firies (winners meet Kilcummin) and Listry will meet debutants Kenmare Shamrocks (the winner will face the winner of the Gneeveguilla/Rathmore game). In the Fr Galvin Cup semi-finals, Scartaglin play Tuosist and Kilgarvan face Cordal.

MATCH-STREAMING

With spectators banned, live streaming is the only way that many of us can watch the games we love – and that covers all codes. The Kerry GAA Board have been brilliant in this regard, full credit where it is due. Of last weekend's County Championship matches, seven out of eight were available online in one form or another, as well as a minor football semi-final and hurling quarter-final. That's phenomenal

I was talking to Jack C O'Shea recently, who has been streaming Kerry matches for several years

and has a wealth of experience in the area. Unfortunately, he had one warning for people anxious to stream games – beware of scammers. Google 'GAA live' on you tube right now and you will get approximately 100 hits. 98 of them will be scammers. They will have plausible names but they are completely fake. If you try to log onto any these, you will be asked for a very small, quite reasonable fee.....by credit card. That's right. They are asking you to just trust a nameless stranger with your credit card details.

Only use clear platforms. Logging on through Kerry GAA is perfectly safe. Logging in through you tube....are you kidding me? One basic rule always applies whether in person (doorstep scammers), on the phone (phone scammers) or online. Never, ever, give anybody your credit card details.

SOCCER

European Cup Final

In the finish of an extremely topsy-turvy competition, Bayern Munich are the European Champions. I only saw the highlights of the game so I can't comment on any aspects of general play. I can say that Robert Lewandowski was the Player of the Year, with an unbelievable goal-scoring record (he also brings team-mates into the play). The Ballon d'Or was cancelled, but in all fairness, it should be handed over. I wanted Bayern Munich to win, simply because of the fact that they were playing PSG. Long ago, Spanish dictator Franco more or less dictated that Real Madrid won everything worth winning (or people would be shot. And no, I'm not exaggerating. Catalan Barcelona's fans became known as the 'anti-madridistas' during that time and garnered huge support even outside Catalonia because of the unpopular but feared dictator. I wouldn't be gone on that Real Madrid team despite the talents of Puskas and Di Stefano. But PSG are the modern day equivalent – simply replace heart with lucre and fans with consumers. Buy instead of building. The Paris equivalent of Man City, and I don't buy into that 'statute of limitations' nonsense. They cheated and soccer authorities turned a blind eye because of the money. Ho hum. Well done Bayern. German soccer is deliberately kept affordable and well-run. Bayern have the most money and dominate the domestic market, but they do it fairly, so well done to them.

Stephen Kenny has selected his first squad. There has been much talk about the infusion of youth in players like Aaron Connolly, Troy Parrott, and Mark Travers. Poor Troy Parrott has had the burden of latest 'wunderkind' thrust on his shoulders by an extremely over-excitable Irish soccer media. He is decent and has potential, but expectations have been ramped way too high. Aaron Connolly famously played against David Clifford in a Kennedy Cup game (despite the popular myth, they didn't mark each other) and was one of Ireland's best young talents – but that's a very thin pool. English waters run deeper and he is swimming at that level, but a long way from cruising. Cork's Adam Idah looks like the best long term prospect to me, he has great pace and he is direct. We have had poachers like Givens, Aldridge, and Robbie Keane (who put out that nonsense about him taking over Dundalk? It was never likely given his recent history with

the FAI) and target-man workhorses like Quinn, Cascarino, Hunt, and Long. Idah is a new element in the mix but needs time.

The recall of Shane Long is a big worry for me. Long is a brave battler and a brilliant character; I genuinely like him. He works tirelessly up front. Unfortunately, blue moons are far more common than Shane Long goals. Blue moons occur once every three years at least. Shane Long as a striker does not indicate that Kenny has plans to turn Ireland's limited pool of talent into a funhouse of soccer creativity.

I'm not discussing Harry Maguire's recent holiday travails, but I did have to laugh out loud at one line I saw on social media. Maguire, the Man united captain, has been caught out by pace on the defensive turn a few times this season. One wag claimed that "Harry Maguire did nothing wrong. In fact, he was just turning around on Friday night to explain his innocence to the police officer....but by the time he had done so, it was Friday morning." Cruel, I know, but it's witty.

HORSE-RACING

The Killarney Races were a big success in the circumstances. One of the most popular winners was for trainer Mick Kennedy from Dingle, Jack's brother, who won the handicap chase on Thursday.

There were also wins for jockey Kevin Brouder in the Callan Tansey Handicap Hurdle and the Novice Hurdle in Sligo and for Philip Enright from Tralee in the second Maidens' Hurdle at the same venue.

BASKETBALL

Congratulations to Jamie O'Sullivan of St. Pauls, who has been selected by manager Paul Kelleher for the Irish U18 squad to compete in next summer's European Championships. Twins Sean and Tim Pollman-Daamen from Ballymac are also on the squad.

SNOOKER

Ronnie O'Sullivan was occasionally frustrating but always mesmerising on his way to the World Snooker Championship. The Seniors Tournament was even more fascinating for those of us of a certain vintage. Jimmy White, always the people's champion, saw off the robotically brilliant Stephen Hendry in the World Seniors Semi-Final. Hendry had beaten Jimmy in no less than four World Snooker finals in The Crucible back in their heyday – like everyone else, I admired Hendry's clinical efficiency (Pete Sampras always struck me in a similar fashion in tennis) but loved White's approachability and never-say-die attitude.

The other semi-final was an all-Irish affair. Ken Doherty – a genuine nice guy who has stayed in the Gleneagle on many occasions – saw off Michael Judge 4-1 to book a place in the final. You had grizzled but cheerful veteran White against the youthful Ken Doherty (let's face it, you would definitely check his id before letting him into a club and he doesn't look like he'd ever need much aftershave). Doherty was in control right from the start and led 4-1 with a shot on the pink in the sixth frame. That would have been that....but snooker is merciless. White, the

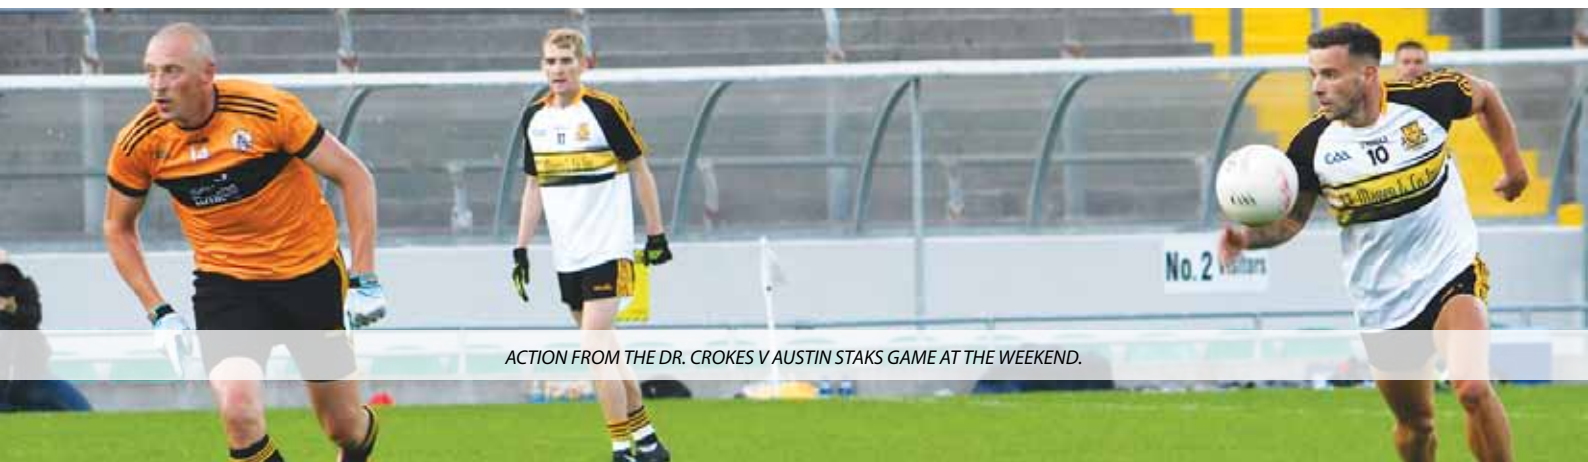

Jimmy White.

reigning champion, was equally merciless, as The Whirlwind (like Ronnie O'Sullivan, he always builds his breaks with relentless speed, where the likes of Hendry and Doherty frequently stop to consider all options) never gave Doherty another chance, winning by 5-4.

ATHLETICS

Ciarra Mageean has definitely been the headliner of late. She smashed a fifteen year old record set by Sonia O'Sullivan (certainly the best Irish sportsperson of my generation and one of the greatest of all time) in the 1000m and becoming the first Irish woman to break the 2 minute mark for the 800m (although I had a primary schoolteacher who was amazingly quick off the mark when we were up to something; I don't think those were officially recorded, though). She was hoping to break a third one in the 1200m in Stockholm last Sunday, but it didn't go great for her on the day. Britain's Laura Muir eclipsed the whole field, setting the third fastest time in the world this year. I remember Muir in her first European Championships in 2018 (RTE televised it, fair play to them). She really was and is a stunning talent.

Speaking of Sonia, she was one of the public speakers at a training seminar in Banna Beach on last Saturday. Would I like to train with a n Olympic medallist, World Champion, and world record holder. Sure. But did I pay E95 for the privilege? Sorry, people, way too rich for my pocket.

ACTION FROM THE DR. CROKES V AUSTIN STAKS GAME AT THE WEEKEND.

KILLARNEY CELTIC

FAI YOUTHS CUP FINAL

Killarney Celtic 3 Douglas Hall 3. Celtic win on penalties. Cian Doe, Padraic Looney, Terry Sparling. Sunday August 23 2020 will go down as a historic day in the annals of Killarney Celtic as the club gained its 1st national title in a dramatic penalty shootout win over a gallant Douglas Hall side at Mounthawk Park. Adam Carey's saves in the shootout gave Emmet O'Shea the opportunity to seal the win which he duly did. Douglas Hall hit the front after 6mins when a free from the left was finished to the net by the intruding James Daly. Celtic responded by creating 2 chances for Padraic Looney and Terry Sparling. After 14mins some neat interplay resulted in Cian Doe firing wide from outside the box. Douglas Hall came back threatening the Celtic goal in the 15th and 16th min. On 22mins came the big talking point of the 1st half when Erin Moloney went down inside the box but the referee waved play on and Celtic had to settle for a corner. Dylan Callaghan set up James Darmody but his shot was over the bar.

The 2nd half was over 10mins old before Cian Doe threatened the Douglas goal but the equaliser arrived in the 57th min when Cian Doe fired a corner from the right all the way to the net. However Douglas were back in front when James Daly placed Cormac Kelly to strike home. Celtic were back on level terms in the 83rd min when Padraic Looney looped a header to the net. Celtic were in front a minute later when a Douglas clearance was headed back into the path of Terry Sparling who finished to the net. The drama was not finished yet as Douglas levelled in the last min of injury time through Cormac Kelly.

In extra time neither side could fashion a goal and so it went to penalties where Adam Carey gave Celtic the edge with 3 saves before Emmet O'Shea slotted home the winning penalty. Padraic Looney was presented with the Man Of The Match Award after the game.

Well done to the players and management on a memorable achievement. Also well done to all the coaches of these players throughout their earlier years at Celtic. Denny Premier A Killarney Celtic 1, Castleisland 0.

WAYNE SPARLING

The win confirmed that Celtic will go to the league final as the top team in the division.

FINAL COUNTDOWN

In our first season in Denny's 2B, the Senior have gained promotion and this coming Sunday, have the chance of going up to Division 2A as champions. Mounthawk Park is the venue for our big game against Lisard Wanderers. Both sides met earlier in the week, and with our spot already booked, Lisard got the win they needed to get into Sundays Final. Good luck to Ronan and all the lads. Kick-off is at 3.30.

RESULTS

Monday 17th August

KDL Denny's Division 2B

Lisard Wanderers 3

MEK Galaxy 1

Not to be as we struggled against a much hungrier Lisard team. The home team had more to play for and their performance reflected that. Lisard stormed ahead getting 3 well worked goals. We managed to pull one back through Eoghan Kennedy with 15 minutes left. MEK pushed hard to get back into the game, but Lisard were able to see out the game. We are looking forward to a league final against same opponent this coming Sunday. Best on the day: Bogdan Pop, Jack Dee, Mike Griffin.

Friendly-U13 Girls

Our U13 Kickerz played an extremely competitive game against a Kerry county squad looking to get game time in. Our squad worked hard and earned a very credible 1-1 draw. Izzy McGrath the scorer. Well done to all our players, really stepping it up for our playoff in the coming weeks. Check out our social media and website for more information.

MUCKCROSS ROWING CLUB

COVID-19

Following the updated public health restrictions announced on August 18, all club training sessions have since been limited to 15 people outdoors and six indoors. These limits remain in place until September 13 and will see us into the end of our current season. The numbers of rowers permitted for any competitive events are not impacted, though no spectators will be allowed at any competitions planned.

OFFSHORE ROWING

While almost all the larger regatta events planned for this summer have been forced to cancel their fixtures, two smaller offshore rowing events continue to hold out hope for some competition within current government and Rowing Ireland guidelines. At the time of writing, Bantry Rowing Club are proceeding with hosting an offshore regatta on Saturday next, September 5, while the Irish Offshore Rowing Championships remain scheduled for Portmagee on Saturday, September 26.

END OF SEASON

Based on the latest public health restrictions, it will not be possible to hold our end of year BBQ in the short term. With the start of a new rowing year not so far away, we will keep all options under consideration subject to the public health advice beyond mid-September.

KERRY RACING NEWS

Mark McNiff's fine season continued at his local Sligo track on Wednesday. The trainer produced Mr Moondance in great shape to win

the Callan Tansey Handicap Hurdle under Kevin Brouder, a native of Listowel. Brouder teamed up with Charles Byrnes at Kilbeggan on Friday as Wajaaha ran away with the novice hurdle at a generous 6/1. Mouse Morris was back among the scorers on Wednesday at Sligo. Given a great ride by Tralee native Phillip Enright, 4/1 Friary Rock took the second of the maiden hurdles. And Morris and Enright doubled up when Baily Thunder took the Foley's Bar & Off License Handicap Hurdle at a double paying 21.5/1.

There was a popular local success at Killarney on Thursday as Dingle trainer Mick Kennedy, a brother of Jack and Paddy, took the handicap chase at 5/1 with Smithscorner, ridden by Conor McNamara.

LAUGHTER MEDICINE

Are you feeling rundown and in need of a gentle boost? Then laughing may be just the medicine for you. The use of laughter as a form of therapy is increasing in popularity. A study at Loma Linda University indicates that laughter produces an abundance of gamma brain waves. Interestingly these gamma waves are also found in the brains of people who meditate often and have reached a state of contentment and happiness.

Researchers are still exploring the potential health benefits from laughter. Perhaps it's the physical act of laughing that contributes to this, or maybe it's having a good sense of humour and a positive attitude. But one for sure we know, that it certainly doesn't hurt to laugh.

Laughing can be compared to a 'gentle body workout' as many physiological changes are taking place when we laugh. The muscles on our face and body stretch, our blood pressure increases and we breathe faster sending more oxygen throughout our body. But not only does it boost our heart rate – one study showed that laughing for 10-15 minutes can burn up to 50 calories! Increased laughter can also help to boost our immune cells and increase the levels of disease-fighting antibodies in the body. Laughter can also help us to relax and sleep better. When we laugh we release 'feel good' hormones and naturally occurring anti-depressant (e.g. serotonin). Laughter can also be a great way to deal with life's unexpected events and help get us through difficult times. Responding to the trials of life with some laughter, can help to protect our body mind and spirit – and may be a bleak situation doesn't seem as insurmountable when we can find some humour.

Laughter can also help us to bond, connect and communicate with others. Humour helps lubricate the channels of communication and can make people feel more comfortable. Think about what makes you laugh and be sure to do more of it. This may be watching your favourite comedy, sharing a good joke, going to a comedy club or watching a funny U tube clip. Why not try now – just turn the corners of your mouth up into a smile and give a little laugh out loud. It may feel a bit contrived, but notice how you feel. Whatever gets you chuckling be sure to factor in more laughter to your life on a daily basis and increase those happy gamma waves.

Gardening
with Killarney Outlook
by John O'Sullivan

AUTUMN AND WINTER CONTAINERS

Containers filled with permanent and seasonal plants can be very versatile as they can be over anywhere in the garden at any time to brighten up any corner.

It is usually annuals that are planted in containers, but you can also plant them with most shrubs, grasses, herbaceous perennials and even certain types of trees and conifers. Vegetables can also be grown in containers.

If you have an area in your garden you would love to screen-off but haven't got the earth to do it you can plant most climbers in containers. A good type of containers for this is a quarter barrel as it can fit right up to a wall or railing.

As with all plants in containers, make sure that you water and feed regularly.

When choosing a terracotta container, make sure that the label says frost proof rather than frost resistant as these can still crack in prolonged frost. There are also imitation terracotta pots made from plastic which are all very practical.

A Word of Victory

Welcome back dear reader "he shall call upon Me and I will answer him; I will be with him in trouble; I will deliver him and honour him. With long life I will reward him and show him My Salvation" (Psalm 91:15-16). Last week we spoke on faith, and how God rewards us for our faith in Him (Hebrews 11:6). Here He promises that our faith opens the door for (1) our deliverance from tribulation and distress, (2) a blessed, long life and, (3) eternal salvation.

The word Salvation here translates from Hebrew as 'Yeshua' which is the name of God's Son - Jesus is His name in the English language, but His real name is Yeshua. It is our faith in Jesus that makes us right with God, because our faith is the vehicle by which we enter into relationship with Him through the sacrifice Jesus gave upon the Cross. It is from this place of reconciliation with God as His children that we can pray and call upon Him for help and He answers us.

"My people are destroyed for lack of knowledge" (Hosea 4:6). Many people are in turmoil and pain and seek answers from God but lack of knowledge of His Word prevents them from getting answers. Then they either blame God, or give up and figure He doesn't exist because they never got their breakthrough. Understanding what Jesus was doing in His life, death and resurrection and trusting only in Him as Lord and Saviour is the key to answered prayer. We learn this information and knowledge from the Word of God. The world does not hold the answers for you dear friend. The Bible is a manual for success and peace in life.

"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him and He shall direct your path." (Proverbs 3:5-6) We have an enemy - his name is Satan which translates 'adversary' which means 'one who can oppose you in a court of law'. The devil constantly accuses us from the law (God's commands) and unless we have the knowledge based upon the fact that the blood of Jesus was shed so we could be cleansed and forgiven, we have no basis upon which to counteract his claims and win our rightful victory over him. People are living defeated and helpless because they have never been told or they don't want to listen that the devil is real and needs to be challenged and resisted with the authority of God's Word (Luke 4:1-13).

NOVENA TO ST. ANTHONY

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers. Miracles waited on your world which you were ever ready to speak for those in trouble and anxiety. Encouraged by this thought I implore of you to obtain for me my request... (mention request). The answer to my prayer may require a miracle. Even so, you are the Saint of Miracles. O gentle and loving St. Anthony, whose heart was ever full of human sympathy, intercede for me and the gratitude of my heart will ever be yours. Amen.

NOVENA PRAYER TO ST JOSEPH

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

PRAYER TO ST. ANTHONY

Oh gentle and loving St. Anthony in whose arms the infant Jesus love to linger, one word from you and my prayer will be answered oh speak that word and the gratitude of my heart will be yours.

Gods Garden

*God looked around his garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put his arms around you
and lifted you to rest.
Gods garden must be beautiful
He always takes the best.
He knew that you were suffering.
He knew you were in pain,
he knew that you would never
get well on earth again.
He saw the road was getting rough,
And the hills were hard to climb.
So he closed your weary eyelids,
And whispered "Peace be Thine".
It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God called you home.*

*We will love you forever John,
Rest In Peace Love from your wife
Sandra and daughter Grace xx*

ANNIVERSARY MASS
