The roundabout at the Fitzgerald Stadium which has been dedicated to the memory of Weeshie Fogarty

Roundabout dedicated to the memory of the great Weeshie Fogarty

Members of Killarney Legion GAA club are delighted and proud that the Killarney Municipal District Council has dedicated the Roundabout directly outside the Fitzgerald Stadium at the junction of Daltons Avenue and Marian Terrace to the memory of their late member Weeshie Fogarty.

Speaking to the Killarney Outlook this week, Club PRO, Enda Walshe said that everyone in the club would like to pass on their warmest good wishes to his wife Joan, daughters Denise, Carolann, son Kieran, grandchildren Eva and Lucy, son in law Glen and the extended Fogarty and Slattery families.

"Weeshie gave a lifetime of service to the club, from the day he joined on February 3rd 1955, as a player, trainer, coach and officer. Serving in all the main officer roles, he was a key driving force behind the publication in 1979 of a "Legion of Memories", an award winning book tracking the first 50 years of the history of Killarney Legion", Enda said.

Weeshie played for the Club to the highest level, also representing Kerry at all levels culminating in winning an All Ireland Senior medal in 1969. After his playing career ended he turned his attention to refereeing,

taking charge of several County Championship finals.

Outside of the playing arena Weeshie excelled in his role as a broadcaster for over 20 years on Radio Kerry and was known throughout the country as the Voice of Kerry Football. In this role he won numerous accolades including PPI Radio

awards and was inducted into the prestigious McNamee Awards Hall of Fame in 2016 for his lifelong contribution to the GAA.

Outside of football he dedicated his working life to the care of others in his role as a psychiatric nurse in St Finans Hospital, which fittingly overlooked his beloved Fitzgerald Stadium.

It is a fitting tribute to a man who gave his all for his club, town and county.

The word legend is often overused but Weeshie Fogarty was a legend.

TEAM GEANEY TO FUNDRAISE FOR THE AIR AMBULANCE

With the Ring of Kerry Charity Cycle, back after a two year absence, it is all systems go for the July 2nd 2022 event.

Team Geaney has once again been activated and the team will fundraise for the Irish Community Air Ambulance. This charity is committed to providing safe, effective and timely emergency medical care to those seriously ill or injured. Last week, the Denis Geaney team and friends visited the Rathcoole aerodrome, the base used for the Air Ambulance and were able to familiarise themselves with the service. Team Geaney hope with the support of the public to help them fundraise for this deserving charity. The Irish Community Air Ambulance are delighted to be one of the six chosen charities for this years event and are grateful to Team Geaney for their support. The Ring of Kerry Charity Cycle will take place on Saturday, July 2nd 2022 with overall entries capped in the best interest of health and safety.

A Killarney soprano has won the 2022 RDS Music Bursary, the single largest annual classical music award in Ireland and one of the largest in Europe.

Megan O'Neill (25), from Kilcummin qualified for the bursary, which is valued at €15,000, by winning the Gervase Elwes Memorial Cup in this year's Feis Ceoil.

Megan, a former pupil at St. Brigid's Presentation Secondary School in Killarney, is in the second year of a Doctor in Music Performance Degree at the RIAM studying with Professor Mary Brennan and Dr Andrew Synnott. She completed a Masters in the same college graduating with a first-class honour's degree following her undergraduate studies in Maynooth.

A multiple prize-winner in recent years at the Feis Ceoil, Megan has performed in many opera productions. She will play the lead role in the world premiere of the film 'Dreamcatcher' by Kevin O'Connell in May 2022 and will also be participating in Wexford Festival Opera in 2022 and 2023. 'I cannot believe it, I am still in shock. The last few weeks have been absolutely incredible and I am honoured to be the winner of the RDS Music Bursary this year', Megan told Killarney Outlook.

"I couldn't have done it without my family, teachers and friends support", she added.

"We are delighted to award Megan O'Neill this year's RDS Music Bursary, she really impressed the judges and undoubtedly is a performer with a very exciting career ahead of her" said RDS Chief Executive Geraldine Ruane.

Megan will use the €15,000 RDS Music Bursary money to pay for the third and fourth years of her degree before auditioning for opera studios in Europe. An engagement with the National Symphony Orchestra and a recital at the Centre Culturel Irlandais in Paris are part of this award.

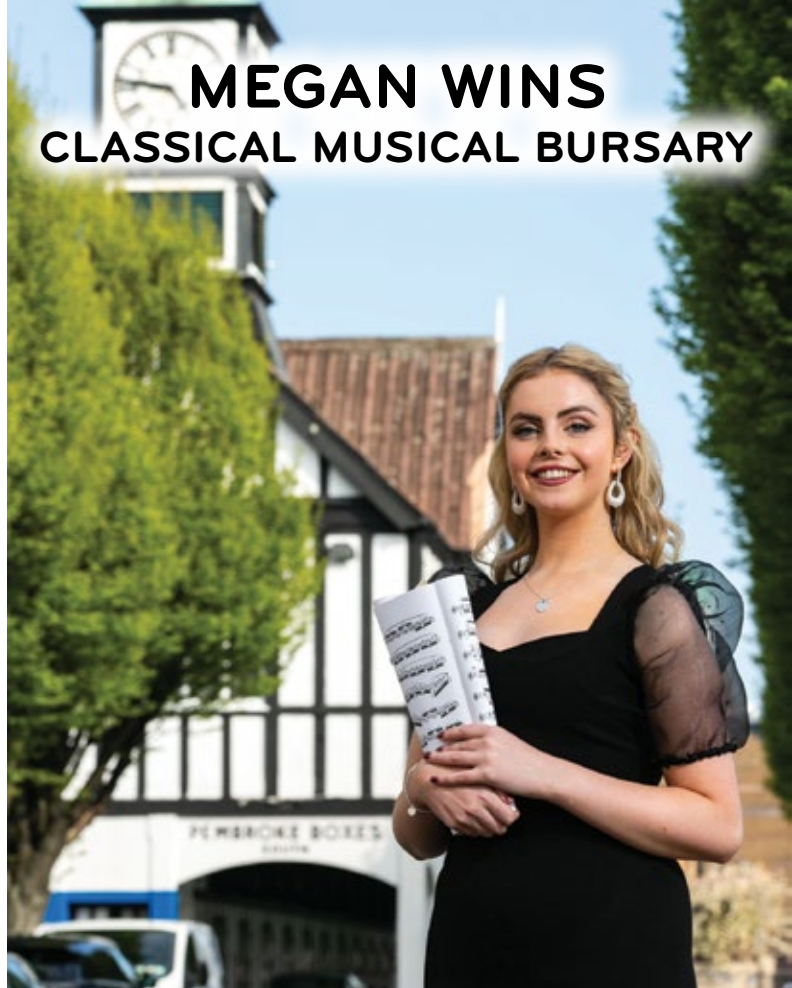

Megan has a busy schedule for the coming year as she is playing the lead role of Jane in the world premiere of the film opera Dreamcatcher by Kevin O'Connell which will be released next month.

A member of the INO Company Chorus, Megan is also playing the role of Cinderella at the Wexford Opera Festival and also has a recital in Riverstown Hall, Maynooth on Thursday May 5th.

The RDS Music Bursary Programme is awarded on an annual basis since 2003 and offers a prize fund of €23,000 and a range of professional performance opportunities to talented young musicians. The winners of the following five senior Feis Ceoil competitions are eligible to compete for this annual prize: (Morris Grant Bursary (Piano), Gervase Elwes Cup (Vocal), Mc Cullough Cup (Woodwind), Senior Brass Recital (Brass) and the Aileen Gore Cup (Strings).

The RDS Music Bursary Programme consists of three separate awards. The RDS Music Bursary Award, the RDS Jago Award and the RDS Collins Memorial Performance Award. Each comes with a professional performance opportunity courtesy of RDS partnerships with the National Symphony Orchestra, RTÉ Concert Orchestra, the Centre Culturel Irlandais in Paris and the Blackwater Valley Opera Festival.

DR. CROKES REELING IN THE YEARS

By: Jimmy O'Sullivan Darcy

Dr Crokes Commemoration: Canon Tom Looney, Br. Pat, Fr. Kieran O'Brien, Marie Moloney (Mayor Killarney), Matt O'Neill (Dr. Crokes Chairman), Patrick O'Sullivan (Chairman Kerry Co. Board), Bishop Bill Murphy, Jackie Looney (Dr. Crokes President), Larry McCarthy (GAA President), Bishop Ray Browne, Fr. Paddy O'Donoghue, Eamonn Fitzgerald.

Last Tuesday night was a poignant moment for Dr. Crokes and for East Kerry football in general as Larry McCarthy, President of the GAA, assisted by Dr Crokes' President Jackie Looney and Patron, Eddie Tatler O'Sullivan, unveiled a plaque at Fair Hill, Killarney near the Great Southern Hotel at 7.00pm.

It commemorates the 18 men known locally as 'The 18 Dangerous Dreamers' who founded the Dr Crokes GAA club on 2 November 1886, one of the oldest GAA clubs in Ireland, 2 years after the founding of the GAA in Thurles and 2 years before the founding of the Kerry county GAA Board in 1888. Following months of intensive research direct ancestors of the 18 founders were traced and were special guests at the historic unveiling, 14 in person and four on live streaming..

The club also traced a descendant of Dr Croke, the first patron of both the GAA and Dr Crokes and she also attended

THIS WEEKS BEEF COMES FROM CAHILLANES MEATS KILLORGLIN.

THIS WEEKS LAMB COMES FROM CAHILLANES MEATS KILLORGLIN.

It's the talk of the town.....

With Anne Lucey

Anne Lucey looks at the positive news happening in the town of Killarney

A PUNGENT HERB THAT NEEDS PROTECTION

The cuckoo has arrived early this year to Mangerton and in symphony with him there is a tremendous blossoming of the pink "cuckoo flower" all along the Muckross and N70 Roads.

Speaking of flowers, some while back the issue of unofficial paths by bikers through the precious bluebell woods - bursting wonderfully into colour right now - was raised in this column.

The biking is not confined to bluebells, however, and a reader has voiced concern how the white wild garlic in the beech woods of Ross is suffering too.

Last weekend in a walk through Ross Island, it was indeed astonishing to see the well-worn path driven through the garlic plants.

The new "path" is within meters of the official, highlighting the waste and the damage being done.

People tend to overlook the wild garlic. But it is an ancient Irish herb, and like the bluebells it occurs mainly in the beech woods, of which we do not have a great many in Killarney.

Wild garlic has been eaten in Ireland for thousands of years. These days it's great for pesto, made with garlic, hazelnuts and extra virgin oils. Later when the petals fade the seed pods can be used as capers.

No-one wants to spoil the fun of young (and some old) people but could some other solution be found for those mountain bikers in the woods?

As with the bluebell wood, perhaps the solution is to build bike obstacle bike courses?

Speaking of woods, we have passed the anniversary of the awful fires in the Killarney National Park last year. And this year the pressure is mounting to prevent a reoccurrence. The first of what are to be regular helicopter patrols of the park by Executive helicopters, the private Galway helicopter firm that helped in the fire fight in the park last year has got underway.

The pressure is on not just within the park but its vicinity, I am told. This is what

used to be known as the buffer zone – the lands bordering the 10,000 hectare park. Helicopter patrols are much more efficient and together with satellite imagery are being used to respond quickly to calls but also to record how exactly a fire started. The patrols are encouraged by the EU and the Department of Heritage are to be a regular feature.

OF SHOTS AND SHOES AND HOW KILLARNEY IS LOSING SERVICES

A very important issue was raised by Cllr John O'Donoghue, teacher, at the recent council meeting: how school children from Killarney and their parents have to travel to Tralee to get basic inoculations such as the MMR and the four- in-one immunisation.

The council at his suggestion will now enquire from the HSE why this is the case and to immediately open an inoculation in Killarney.

While he respects the right of every parent to do best for their child, polio mumps etc had been almost eradicated due to vaccine, he said.

"The current situation where people are asked to travel across the county is particularly unsatisfactory," he said. Given the cost of transport this was discriminatory, almost, he said.

He is right in asking to revert to the old system – where children received vaccines in schools.

Killarney has been designated be one of two "key" towns in Kerry according to national and regional plans.

That means it has to aspire to a standard of educational, medical and shopping.

Then we have to ask why more and more services public and private are being centralised out of Killarney in Tralee. There is clearly a lack of parity.

We should have a big ambulance centre here as well as an A&E – having lost this and our psychiatric hospital.

When it comes to shopping, anyone with eyes can see how packed with Killarney cars Manor Tralee is at weekends.

Killarney ladies will tell you they can no longer get their lifelong brands of makeup and perfume in Killarney and haberdashery too is very difficult. There is no longer a

cobbler in Killarney, and we all have to go to Cork or Tralee now to put a heel on our shoe. So it is not just the public services that have moved out of Killarney, the private are also in short supply. We have a very good Chamber of Commerce and attracting basic services and greater variety of shopping is, I am sure, on their radar.

A RISING TIDE TO LIFT ALL BOATS

Is St Finan's to be on the radar for Ukrainian refugees? Old hospitals are being considered, the Government has said. Our St Finan's which is costing thousands of euro each year to keep standing and safe while empty is a likely candidate. The grounds are adjacent to services and schools and they would make an ideal location for demountable units, I hear.

Where there is a will, there is a way. It is only weeks since this column hoped the alacrity with which both the Government and Kerry County Council moved for our Ukrainian refugees could be sustained for the much longer term and much more local needs with housing.

Lo and behold emergency powers are now being brought in and we are reassured the rising tide will benefit all, we are told.

(We are trying to remain positive, so we won't point out how the same powers to build demountable units, acquire zoned land, and do up vacant State buildings for housing could have long ago been deployed to help the 60,000 already on the lists, many with a decade)

Housing problems dominated the County Development Plan all week where the stark reality of Killarney's lack of affordable housing was laid bare:

Apart from the town being surrounded by national park it is also surrounded by vast tracts of agricultural land which will never be used for building houses, the meeting heard. Residential zoned land is making one million euro an acre and as Cllr Johnny Healy-Rae put it, a person would have to win the Lotto to be able to afford any house built on land of those prices in Killarney.

We are back to St Finan's – in more ways than one perhaps. The people of Killarney are supposed to own St Finan's and its lands. Building housing there and converting the listed building into apartments would solve the housing crisis overnight for local as well as for refugees, and there would be no need for zoning private land, I suggest.

KERRY SUPPORTERS BIKE AND HIKE THE CAMINO

Kerry supporters of the Irish Community Air Ambulance are part of the first overseas event which is set to exceed its fundraising goal. A group of 48 supporters arrived in Portugal this week to bike and hike the Camino into Santiago de Compostela in Spain.

The Helicopter Emergency Medical Service (HEMS) is Ireland's only charity Air Ambulance and works in partnership with the National Ambulance Service. The helicopter is based in Rathcool, Co Cork with critical care teams on the ground in Dublin, Mayo and Donegal.

The organisation set a fundraising target of €50,000 for the week-long event which has

Supporters of the Irish Community Air Ambulance at Santiago International Airport in Spain. The group is walking and cycling the Camino to raise funds for the charity.

already been surpassed. Participants from Cork, Kerry, Waterford, Limerick, Mayo, Galway, Dublin, Wicklow and Tyrone will be taking on a 130km walk or 338km cycle along the Portuguese Coastal Route.

The walking group begins in Oia on Monday last and they walked 130km to Santiago de Compostela along the coast around the Vigo estuary. Walkers are staying in the beautiful

coastal cities of Baiona and Vigo before rejoining the traditional Camino Portuguese from Redondela to Santiago de Compostela.

The cycling group begin their 338km route from Aveiro in Portugal, following the road less travelled to Santiago de Compostela. They will cycle along some of the most amazing sandy beaches of North Portugal and Spain, such as those near Povoa de Varzim.

JOHN RETIRES AFTER 26 YEARS

Family and friends gathered at Kilcummin Rural Development office on Friday last to mark John Moriarty's last day of work as scheme supervisor.

Everyone wished John a fond but sad farewell after 26 years of very valuable service to the Kilcummin and surrounding community, and to the scheme participants in particular. The group had a small gathering in their project office to recognise John's huge contribution. At the gathering, he was presented with some gifts and had a chance to celebrate with some of the current and past sub-sponsors, and participants of the scheme.

Kilcummin CE scheme was initiated in 1993 in response to the EU Leader 11 Programme. Their objective is to maximise the potential of our own resources and to provide job training and opportunities for the unemployed in our area, to improve our environment and provide quality essential services to Sporting, Social and Cultural Organisations in Kilcummin and the greater Killarney area. Helen Moynihan who will take over the role of scheme supervisor on John's retirement, says that "I certainly have big boots to fill, as John was very hard working,

effective, liked and respected by all, but it is a challenge I am relishing. I had the great fortune of working with John in his capacity as scheme supervisor and I can testify to how much he will be missed amongst everyone involved in the scheme."

During its 29 year history Kilcummin Rural Development Ltd has worked with 12 sub-sponsors who provide valuable work experience and guidance for many participants, over the years many have gone on to progress back into gainful employment in their preferred area(s).

John Lenihan, Chairperson of Kilcummin Rural Development Group said that John's experience over the last 26 years was invaluable. His interaction with both the dept of Social protection and the local sub sponsors was beneficial to the CE Scheme and was the key to the overall success. John Lenihan wished John, his wife Mary and his family all the best for the future.

Even outside his role of CE scheme supervisor, John is very

active in the local community, and we are sure to see him remaining as a very valuable and permanent member of our community for many years into the future.

If you would like to know more about Kilcummin Rural Development Group, who are supported by the Department of Social Protection, which is funded by the Irish Government, you can check out our Facebook page at Kilcummin rural development or www.kilcumminparish.com and also email us at info@kilcumminparish.com.

FANTASTIC TURNOUT FOR COFFEE MORNING IN MILLTOWN

With enough food to feed an army, and an array of spot prizes that had to be seen to be believed, the coffee morning to raise funds for the Clifford Brothers on Saturday morning last was a massive success.

Under the watchful eye of organiser Valerie Foley, hundreds of people attended over the three hours in support of the boys, Jack, Patrick, Andrew and Conor who lost their mum and dad to cancer in the last seven months.

With DJ Donal Clifford providing entertainment, everyone enjoyed a lovely morning with beautiful baked goods, coffee and plenty of chat.

"We are absolutely delighted with the turnout", Valerie told Killarney Outlook. "We had huge support from so many businesses and people in the community and beyond and without their help, none of this would be possible", she added.

Even though the event is over, there is still time to donate by calling into Leading Lables in the Outlet Centre or contacting Valerie on 0876865047.

THE INTERNATIONAL RALLY OF THE LAKES RETURNS TO KILLARNEY THIS WEEKEND!

The International Rally of the Lakes is set to roar into Killarney this coming weekend.

The rally, in its 41st edition, is set to attract 10's of thousands of spectators to the town for what is sure to be a festival-like atmosphere over the May Bank Holiday Weekend. The rally returns for the first time in 3 years, as the 2020 and 2021 events had to be put on hold due to the Covid 19 Pandemic.

The rally has a range of title sponsors for the 2022 event and without their generous support, there would be no rally. Rentokil Initial, Aherns.ie Motorgroup, The Gleneagle Hotel and OSI have all joined forces to ensure the rally remains viable in what is a difficult return to action for both rallying and the businesses themselves following the pandemic.

The 2022 edition is set to be one of the best yet, with up on 200 cars and crews set to tackle Killarney's iconic stages, some of which are on every rally competitor's bucket list to complete. The rally kicks off on Friday evening, with a ceremonial start ramp on Main Street. The first car is due over the ramp at 7 pm & with a huge crowd expected, rally organisers advice is to get there early to avoid any disappointment. Radio Kerry DJ Ivan Hurley will be on land to get Main Street rocking in anticipation of the arrival of the competing cars.

The rally proper starts Saturday in the late morning, with runs over Kilsarcon, Banard and Gortnagane, before a trip to service in Liebherr Container Cranes. Crews will once again tackle those 3 stages in the afternoon. Rally traffic can be expected in Kilcummin, Scartaglin, Gneeveguilla, Rathmore and Barraduff on Saturday.

After an overnight halt in Killarney, competitors will have the daunting task of Molls Gap and Ballaghbeama to negotiate in the morning,

each stage being run twice. The afternoon will see the crews fight for the rally win on 'Shanera' and 'Caragh Lake', where overall and class winners will be crowned Killarney's champions. Sunday traffic will be in the Muckcross, Glencar, Beaufort and the Killorglin areas.

The crews will then make their way to Rally HQ, The Gleneagle Hotel for a champagne celebration on the Finish Ramp before a trophy presentation later on that evening at a function that evening.

Commenting on the final week of preparations, the main rally organiser and COC Darren McCormick said 'Preparations for the rally are now at the advanced stage and we cannot wait to welcome crews and spectators to the town next weekend'. Darren added 'We are mindful of the residents of the town so we ask everyone who comes to Killarney next weekend to leave the town the way you found it, bring your litter home and 'Keep the Race in its Place'

Last week, President of the Killarney Chamber of Commerce, Niall Kelleher, welcomed the return of the rally, stating that the rally is worth upwards of 10 million to the local economy and that the international rally is 'right up there' in major events for the town. Local businesses can be expecting a major windfall from the event and hotel rooms are at a premium for the 'must attend' event.

There is a top-quality entry received for the event, which is a counting round to the 'Acesigns' Irish Tarmac Rally Championship, The IPS Packaging Southern 4 Championship and Moriarty's Centra Kingdom of Kerry Championship. First on the road will be Josh Moffett. The Monaghan man, who won his home event just on Sunday last, will be looking to extend his lead at the top of the championship.

Alastair Fisher, who is fresh from victory on the last counting round of the championship in West Cork is also a free event favourite, as is Callum Devine. 2019 winners Craig Breen and Paul Nagle won't be in a position to defend their title, as the Waterford/Kerry pair now have a full-time drive with M-Sport Ford in the sports top level, the World Rally Championship.

It is a similar story in the Modified section, as Chris Armstrong is unable to compete in the weekend's action. But, there is sure to be stiff competition for rally honours from the likes of Gary Kiernan, James Stafford, Daniel McKenna and local competitors Rob Duggan and Colin O Donoghue.

First Historic on the road is Alan Ring, who finished second at the Killarney & District Motor Club ran Historic rally in November while the junior category has multiple Kerry names of interest, none more so than Jason Farrell, who leads the Junior Irish Tarmac Rally Championship coming into his home event.

Rally traffic can be expected in Kilcummin, Scartaglin, Gneeveguilla, Rathmore and Barraduff on Saturday

Sunday traffic will be in the Muckcross, Glencar, Beaufort and the Killorglin areas

ST. PAULS TEE OFF IN MEMORY OF CONNIE

The late Connie Brosnan

St Pauls will be swapping their basketballs for orbs of a smaller version when they host their Golf Classic in Beaufort Golf Club on Friday May 20th. With a thriving Academy, both boys and girls, Adult teams and of course the National League project to finance the Classic is a vital tool to help finance the runnings of the Club.

This year's Classic will be held in memory of the late Connie Brosnan. Connie, who passed away in March 2020, was a stalwart of St Pauls, serving as Team Manager in the 90s for the team, tending to the squads every need and more lately as the welcoming and friendly Venue officer at the Killarney Sports and Leisure Centre. His affable nature led to many

friendships and Connie was of course a keen and avid golfer so it is apt and fitting that his memory should be associated with the Classic. He was a key figure as chairman of the Kerry Branch of the Irish Kidney Association, and having received a Kidney donation himself, he also represented Ireland in golf at the World Transplant Games in 2010 and 2017.

The event itself, which takes place at the picturesque and pristine

Beaufort course, is open to teams of 4 for the great value of 250 Euro per team and a much needed meal provided afterwards. So your support would be greatly welcomed and even if Golf is not your game you can also sponsor a tee box for the day. Vouchers to play at some of Munsters top courses are in the offing if you're successful in the raffle as well as other top prizes.

For further details on tee times or tee box sponsorship you can contact Joey Sheehan 087 6248383, Sean Brosnan 087 2065133 and Maurice O Donoghue at 087 6863269.

It promises to be a great day!!

It is always the most popular event on the fly fishing calendar in

Ireland. Spearheaded by Timo O'Sullivan, and to date the anglers have raised in excess of €229,000 for deserving charities in Kerry and Cork. The main sponsor of the event is Lee Strand Co-op, Tralee.

TOY SHOW FUNDING HELPS KCC STUDENTS CREATE SENSORY LIBRARY

Transition Year students at Killarney Community have made a fabulous impact in the lives of students at St. Francis Special School in Beaufort by creating a sensory library.

Earlier this year, the school was approached by Elaine Moore from St. Francis Special School in Beaufort, to help the school create a sensory library after they got funding from The Late Late Toy Show Appeal.

Students received training from the Anne Sullivan Centre for people who are deafblind via zoom on how to adapt children's books and sensory library content in January.

TY students presented their completed sensory books to students, Alexis and Aoife, their parents, and teacher, Elaine Moore of St. Francis Special

School on Tuesday 26th April. Lorraine Crowley, TY Coordinator, said the passion and creativity our Transition Year students showed in adapting children's books, every day themes, nursery rhymes, etc for the sensory library was exceptional.

The Transition Year students were delighted to welcome Alexis and Aoife to Killarney Community College and were enriched by their reaction to the sensory library. They were heartened by the parents kind words and gratitude. The TY students are very proud of what a positive impact they are making for the students in Beaufort and showed so much care to help the students flourish.

Huge excitement for Aoife (left) and Alexis (right) on their visit to Killarney Community College.

GOOD TIME MANAGEMENT AND SMART STUDY

WILL PAY DIVIDENDS AT THE STATE EXAMS

By Billy Ryle

The 2022 state exams begin on Wednesday, 8th June so it's vital to make good use of the remaining six weeks. Manage your revision efficiently and sharpen your exam techniques. Concentrate on a final revision of your course material and practice answering past exam papers. Be organised in your revision plan. Set down priorities in the subject areas, which you intend to revise. Be patient and methodical in your routine. Don't be over ambitious in your revision planning. Take a self-contained manageable unit of work in a revision session. Cramming – extended revision sessions with too much content – is the least effective way to prepare for exams.

When answering past exam papers simulate exam conditions as far as possible. Using A4 paper, try to answer within the time allowed for each question. Accurately number each question and part of question. Ensure that your handwriting is legible, that your diagrams are detailed and that your presentation is neat.

Attend school each day up to the end of term as your best work is done under the expertise of your teachers, who will guide you through revision and exam techniques. Be familiar with the format of each exam paper. Be aware of the style of questions and the topics examined in each paper. Know how the marks for each paper are allocated and how much time should be spent on each question.

As the final weeks are for revision and for answering past exam papers, avoid studying new unfamiliar material, if possible. If you have missed out on some part of the course, give that topic immediate priority. Study the topic, revise the topic and consolidate it by answering past exam questions based on it. The alternative is to omit that topic completely. In summary, an

intensive revision period is the best prescription for effective exam preparation.

Efficient management of your home study is vital. A regular routine is essential. Study for about four hours on each of the five weekday nights. Two sessions of about two hours each with a half-hour break in between will result in good quality work. Aim to do seven or eight hours of revision spread over Saturday and Sunday. Prepare a daily, weekly and full-term study schedule. Review your progress at the end of each week. Be disciplined and organised in your approach to study. Stick to your routine and to your study schedule. Use short breaks between subjects. Avoid unscheduled breaks and beware of 'time thieves' such as excessive TV watching and long telephone calls.

Good working conditions are vital aids to effective study. A comfortable study environment at home is essential. If possible, study on your own where you will have peace and quietness. A comfortable room temperature, neither too hot nor too cold, is an aid to concentration. You need a table or desk on which to write and a hard-backed chair on which to sit. Good lighting keeps you from getting tired. A desk lamp, if available, is a useful aid to mental application. Your total focus must be on your work, so don't allow yourself to be distracted.

Use a reward system to reinforce your progress and to maintain your momentum. The aim of doing well in your exam is your greatest motivator but also build in a few treats. After an evening of study, your reward might be a favourite television programme or listening to some music. At the weekend, treat yourself to a film, a swim in the local leisure complex or an active leisure activity, which you enjoy. As a result, you will face the challenges ahead of you with confidence and renewed energy.

National STEM win for Shauna from Castleisland Community College

The I WISH competition is led by a volunteer community committed to showcasing the power of Science, Technology, Engineering and Maths to female secondary school students. It encourages female students to participate in STEM. This year's title of the competition was "The World is Ours". The project involved making a video/ poem/ blog or painting about a world problem that a student is passionate about and solve it using STEM.

Shauna who is in Transition Year at Castleisland Community College decided to create a video. She focused on the theme of litter and waste. Shauna designed smart bins made from scrap metals that will have a sensor on them to detect if the item is being placed in the correct bin. The bin will automatically open if the sensor detects it is at the correct bin. Every packaging will have a barcode that the bin will detect and if for example a tayo bag is placed in front of the sensor of the recycling bin, it will keep beeping and flashing red until it is moved away from the sensor. The bin will flash green using L.E.D's to show if something was placed in the correct bin. She was one of three winners in the country and won a Dell laptop and a Fitbit. The competition was a Showcase event that ran over 4 days in Ireland where to date the I Wish organisation have hosted 22,000 girls from 26 counties and have welcomed over 300 teachers per year.

CELTIC STEPS

SPARK A SHOW OF SOLIDARITY FOR UKRAINE

Ukrainian people who are living in Killarney were treated to a night of Irish music and dance on Friday last, 22nd of April when Celtic Steps The Show welcomed over 100 guests from the Ukraine to their Irish Music & Dance Show at the Killarney Racecourse.

The Show played host to the Ukrainian group by introducing them to the magic of Irish music and culture, delighting them with a spectacular line-up of high energy jigs and reels as performed by their world champion Irish musicians and dancers.

Sean Murphy, Co. Producer of Celtic Steps commented on the night "For the last two months, we've all watched what's been unfolding in the Ukraine with great sadness. A couple of weeks ago, I met a Ukrainian woman and her child at the Innisfallen Hotel and it felt like the right time to extend the hand of hospitality. I invited them and the wider group to the Show in the hope that the music might help raise their spirits."

The Ukrainian group were collected from their place of residency at the Killarney Innisfallen Hotel, courtesy of Flynn Coaches and transported to the Killarney Racecourse, where they were welcomed by a sea of blue and yellow balloons at the entrance to the theatre. The highlight of the night was the performance of the Ukrainian National Anthem by the Celtic Steps Musicians, who had taken the time earlier in the day to learn the piece.

Celtic Steps The Show welcomed over 100 guests from the Ukraine to their Irish Music & Dance Show at the Killarney Racecourse.

Natalya Krasnenkova remarked on social media "Celtic Steps The Show, thank you so much for the Ukrainian Anthem, we appreciate it a lot, we were in tears, Slava Ukraine!"

David Rea, Co. Producer and Narrator of the Show introduced the emotional end to the evening by saying "We are privileged to have some guests here tonight, who through no fault of their own ended up coming to Ireland. We are delighted to have you and we hope you have a nice time in Kerry for as long as you are here...this is a small tribute to you."

George Saary who works at the Innisfallen Hotel in Killarney and who helped coordinate the event added "On behalf of the Ukrainian people, we want to thank you for your great welcome. Some of the group said they barely slept after experiencing the energy and excitement of the Show and they all appreciated the love and care that was shown to them on the night."

IN-PATIENT CHARGES FOR CHILDREN TO BE ABOLISHED

The Minister for Health, Stephen Donnelly TD, has received Cabinet approval for the abolition of the statutory public in-patient charge for children.

The Minister has received approval to draft the General Scheme of a Bill to provide for the abolition of both overnight and day case public in-patient charges for children under 16. These charges have been in place for many years, therefore primary legislation will be needed to amend the Health Act 1970 to abolish the public in-patient charge for children under 16 years of age. The legislation needed to fulfil this objective will now be developed by the Department of Health and the draft Bill will be published as soon as it is finalised.

The proposed Bill will remove the existing acute statutory in-patient charge of €80 per night for all children less than 16 years of age in all public hospitals.

FAHA NATIONAL SCHOOL KIDS PUT THEIR THINKING CAPS ON FOR JEP

Sixth class students at Faha National School pictured with the multi use snood which can be used as a scarf, mask or hat.

6th class pupils of Faha National School came up with a novel entry in their participation in the Junior Entrepreneur Programme.

JEO is a primary school's initiative that encourages children to think and behave like entrepreneurs. Students come up with a business idea in small groups and present their ideas in the form of a Dragon's Den. One idea emerges and is adopted by the whole class.

The students in Faha collaborated with the Brand Geeks to design and create snoods. There are five teams within the class, the finance

team who organised a Sports Day fundraiser in school, the sales team who are coordinating the sales at matches, school and within the community, the communications team are responsible for advertising on social media, the production team who finalised the designs and the marketing team who have created a website.

They are selling our snoods in the hope of making a profit. The designs chosen are Listry GAA, MEK Galaxy and Faha N.S. The prices for our snoods are 1 for €8 and 2 for €14.

NORTHERN LIGHTS A WINNER FOR TERRY

Killarney Camera Club held their latest competition with the theme of 'Green'. We had a total of twenty entries and we got at least forty shades of green. There were many different and original interpretations of the theme leading to a wide range of images. Well done to all who entered.

Congratulations to Terry MacSweeney whose shot of the Northern Lights, Lofoten, Norway won the Unrestricted category and to Conor Healy who won the Novice category with his green-lit Ross Castle photo.

Here are the top three in each category:

Unrestricted category:

1st Place: Terry MacSweeney, Image 16, Green Reflections, 153 points

2nd Place: Seamus Long, Image 10, Gladiator Road, Tuscany, 148 points

3rd Place: Conor Healy, Image 17, Ross Castle, 144 points

Novice category:

1st Place: Conor Healy, Image 17, Ross Castle, 144 points

2nd Place: Maryann Heidtke, Image 9, Green Eye Girl, 137 points

3rd Place: Noel O'Neill, Image 20, Clogher-An Fear marbh, 128 points

Terry has given us the following insight into his winning photo: "It was taken at Lo-

foten, Norway on our only night of clear skies with really strong Northern Lights. I got some lovely reflections in the wet sand. However, it was about -10 degrees with really bad wind chill! The photo settings were 6s @ f2 12mm iso 800. The camera I used was a Fuji X-T3 with a Samyang prime lens.

PAT RETIRES AS OPERATIONS MANAGER FOR KERRY NATIONAL AMBULANCE SERVICE

Fire Service Kerry 1 from left – Mr Darryl Coen Assistant Chief Ambulance Officer at National Ambulance Service of the Health Service Executive, Mr Gerry O'Dwyer Chief Executive Officer SSWHG, Mr Pat O'Callaghan, Operations Manager for Kerry National Ambulance Service and Mrs Eileen O'Callaghan.

After an stellar career serving the Kerry National Ambulance Service for 43 years, Pat O'Callaghan has retired after 43 years of excellent service to the people of Kerry.

Mr. O'Callaghan joined the ambulance service on the 12th March 1979 and worked in multiple Ambulance Stations throughout the county of Kerry.

Mr. O'Callaghan from Ballymacelligott was promoted to the position of Ambulance Controller on the 27th of April 1984, when St Catherine's Hospital closed, and Tralee General Hospital (now known as University Hospital Kerry) opened. He had the privilege to transfer the last patient from St Catherine's Hospital and close the door for the last time.

In 2010, Mr O'Callaghan was promoted to the office of Manager of the Ambulance Service for Kerry.

The service has changed and evolved over the years since he first joined in 1979, from what was basically a transport service with just one person for

ambulance service, to current highly trained emergency Medical Technicians, Paramedics and Advance Paramedics.

"I enjoyed every minute of my 43 years of service and while it was a challenging role it was most rewarding with a great sense of satisfaction. The service provided the best possible care that a patient requires in the prehospital setting, supported by the most up to date equipment, telecommunication and ambulance fleet", Mr O'Callaghan said.

Comedian Bernard Casey brought the house down at the newly renovated Fahá Court Bar last weekend with his new sold out pub tour.

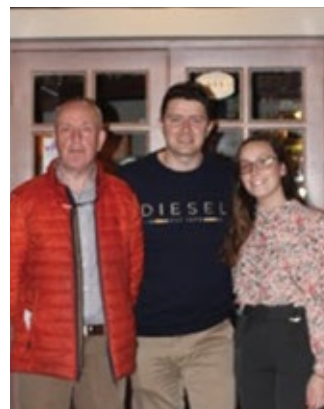

The Portmagee comedian has gained a massive following and performed at sold out shows at the INEC, Vicar Street and The Everyman Theatre in Cork among others.

The comedian who performed his first ever gig at UCC RAG week in 2011 is known in Irish communities across the world. Using his unique characters, Bernard had the audience in stitches at the show.

"We are absolutely delighted to have Bernard as our first gig in our newly renovated area, The Courtyard at Fahá Court Bar", Sean O'Mahony told Killarney Outlook.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

You can normally get access to your pension from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement then you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash: Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may also be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income usually paid monthly for the rest of your life that is purchased with the money left after your tax free lump sum, this is subject to taxation.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income, usually monthly. This is subject to taxation also. Taxation at retirement is often much lower than when you are working. It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninfa@gmail.com

>MINOR CO LEAGUE DIVISION 3 FINAL SPA 2-3 GLENFLESK 3-10

Spa and Glenflesk met in the Minor Co League Division 3 Final on Thursday night and after a highly entertaining and competitive game that went right down to the wire, Glenflesk came out on top.

Callum Cronin opened the scoring for Glenflesk, and Spa responded with points from Timmy Moynihan and Ryan McCarthy before Oran Daly's goal shot went just inches wide of the post. Callum Cronin added a free for Glenflesk to level it at 0-2 apiece before raising the green flag moments later, his penalty kicked initially saved by Emmet Spillane before he collected the rebound and rattled the net in the 12th minute. Gearoid Healy extended the Glenflesk advantage but Spa responded well, Luke O'Neill racing towards the Glenflesk goal line, his kick expertly skimming under the crossbar for the first Spa goal. Timmy Moynihan added another point to make it 1-3 to 1-3 at the end of the first quarter.

Callum Cronin added two more for Glenflesk before the break with Spa replying with points from Joey McCarthy and Timmy Moynihan. At half time the sides were level at 1-5 apiece.

Glenflesk had a great start to the second half and had an extra 1-2 on the board within 3 minutes, Evan Lucey and James Moynihan with points and Callum Cronin with a second goal. Spa responded brilliantly and a goal from Oran Daly brought them right back into the game, making the score 2-5 to 2-7. Callum Cronin and Aidan Cronin swapped points to make it 2-6 to 2-8 at the end of the third quarter.

Spa had a penalty opportunity well saved by Liam O'Donoghue in the 20th minute. Glenflesk responded quickly and were soon bearing down on the Spa goal again, Emmet Spillane denying them with a great block. Joey McCarthy and Aidan Cronin added points for Spa while Darragh O'Connell added a score for Glenflesk to make it Spa 2-8 Glenflesk 2-9 with just minutes remaining.

Oisín Lynch extended the Glenflesk lead before the referee called another penalty, Emmet Spillane in the Spa goal saving the initial goal shot but Jamie Moynihan collected the rebound and slotted past the keeper. As full time approached, Glenflesk had moved into a 3-10 to 2-8 lead, and the final whistle was blown shortly after.

Well done to our minor team and management, a great achievement to compete in the final with the result only decided in the final minutes of a closely contested and highly entertaining game. Our congratulations to

Glenflesk on the win.

>U15 CO LEAGUE SPA V AN GHAELTACHT

Our U15's made the long trip to An Gaeltacht Wednesday evening and on a cold, wet, windy evening the result went the way of the hosts. Our boys played with a strong breeze in the first half but were slow to get going and went in at half time trailing 0-6 to 2-3. Playing against a strong breeze in the second half, our hosts kicked some good long range points but our boys showed some good fighting spirit and kicked some good scores of their own. A number of missed chances in the second half could have bought the game closer for spa however our hosts ran out deserved winners on a score line of 2-11 to 0-08. Thanks to An Gaeltacht for a very sporting game and to all the parents who made the trip.

TURN WORRY INTO WONDER!

Worrying does not take away tomorrow's troubles – it takes away today's peace. The last few years have caused so much worry and anxiety and every day seems to bring some new thing that we could, (if we chose to), worry about. However, the act of worrying doesn't do anything to calm our minds or soothe our hearts. It also doesn't change what may or may not happen. The key is to be able to turn the thoughts we worry about into thoughts that we wonder about.

Today's positive coaching tip

Whenever you catch yourself worrying about something, stop and reframe your worry by choosing to wonder about it. Worrying always has a negative connotation to it as we usually worry about the worst that could happen. However, Wonder has a positive and more uplifting feeling which is full of possibilities. For example, if you are worrying about finances, you might catch yourself saying that you don't have enough money or that you worried you won't be able to manage. Turn this thought into wonder by saying, I wonder what or who might be able to help me with this? I wonder what I could do to manage this situation better? I wonder if there is anything I have overlooked here? I wonder if this will all be okay?

Just the act of wondering invites your mind to become more expansive and become better at looking for positive solutions and possibilities.

answers your beauty questions...

How often should I buff my nails?

Once a month is enough for normal nails but if you have ridges or peeling nails you may need to buff them more often. Do not over buff your nails or they become weak and brittle. Gently buff over and back until you are satisfied, do not go too hard or overdo it.

The Four Way Buffing Block (from €3 in pharmacies) is an essential tool for naturally groomed nails. It has a different grit on each side which is often labeled by numbers to guide you when using it.

Side 1 is to shape your nails by filing them. Side 2 is to smooth your nails and any ridges you may have. Side 3 has a finer grit which you can buff a little faster with to really smooth your nails. Side 4 is to polish and

shine the nails so you can buff faster here to finish.

Buffing your nails increases the circulation to your nail bed making it stronger. It removes any ridges and dull nail cells leaving a smooth, healthy shine.

Here are some tips to help give you that helping hand to exercise during the week, we all can have the best intentions and they sometimes get lost with being busy, life getting in the way and simple not be arsed!! Here are some tips to help you with, if exercise is constantly on your mind, then make it a priority!!!

- 1) Schedule your exercise before the start of the week, this is very important tool as it lays down a marker for when you want to train, make it happen & prioritise it just like you would with any other appointment.
- 2) Keep it varied, mix it up don't train the same muscle groups or do the same thing, spice it up, mix it up and keep it short and sharp.
- 3) Have a good playlist, Music always helps, pop on good tunes and it will give you that extra motivation to go go go
- 4) Work with a partner, training alone sometimes can be difficult to help push yourself, grab a partner it kills two birds with the one stone, you get your chat with your buddy and exercise in
- 5) Don't make exercise a chore make it fun

Make it fun, mix it up, turn up the tunes, smile!!!

WHAT IS BLEPHARITIS?

Blepharitis causes eyelids to become red, swollen and inflamed. It doesn't normally cause serious damage to the eyes, but it can be very uncomfortable. It tends to be a long-term condition, which means you're likely to need ongoing treatment. Severe cases do have a risk of causing long-term damage, but fortunately these are quite rare.

Types of blepharitis

There are two main types of blepharitis – anterior and posterior.

Anterior blepharitis: When the front (anterior) part of the eyelids becomes sore, this can be caused by an infection, allergy or a general sensitivity to bacteria present on the eyelids. It can also be associated with some scalp conditions, such as very dry or oily skin and dandruff.

Posterior blepharitis: Also known as meibomian gland dysfunction (MGD) is when the glands that make the oily part of your tears become blocked. Both types of blepharitis can cause dry eye or make it worse if you already have it. Many people will have a combination of blepharitis, meibomian gland dysfunction and dry eye.

Risk factors

Blepharitis is more common in people over the age of 50, but anyone can develop it. This is often because the glands that make the normal tears, particularly the oily

part of the tears, tend to become less effective as you get older.

Symptoms

Blepharitis can cause crusting and white scales may stick to the roots of eyelashes. Your eyelid edges may become red and your eyes will feel gritty, burning, sore or itchy. If you experience these symptoms, make an appointment with your optometrist.

Treatment

There is a range of products designed especially for treating blepharitis, such as sterile pads, individual moist wipes and separate cleaning solutions.

As part of the treatment, you need to remove all the crusting and debris from the edge of your eyelids and from between your eyelashes. You should use a special lid cleaning product. Treatment of blepharitis is a long-term procedure. You may not see any improvement for several weeks.

Continue the treatment twice a day for at least one month, then less often as it starts to get better. You will probably need to continue to clean your lids at least twice a week to help prevent the blepharitis from returning.

GLENFLESK

➤ **MINOR COUNTY LEAGUE DIV 3 FINAL**

Glenflesk 3 – 10 Spa 2 – 08

In a match that saw three penalty's saved, some great scores, and every ball fiercely contested, it was Glenflesk who prevailed after 60 pulsating minutes of action. Jamie Moynihan was deservedly named man of the match. Combining great fielding powerful running and precision passing, he led Glenflesk's early assault in the second half. After receiving the trophy, Captain Eoghan Kelly gave me his thoughts on the match. He praised the effort of all the player's, gave massive credit to the trainers who had produced such brilliant performances in a short time, including Sean Lacey who is on his honeymoon. Report by Michael Healy.

➤ **COUNTY LEAGUE DIVISION 3**

GLENFLESK 3 – 10 PIARSAIGH NA DROMODA 0 – 6

A hat trick of goals from Patrick Darcy helped Glenflesk to a comfortable win over Dromid Pearses to continue their perfect start in Division three of the County League in 2022.

Four win's from four for Glenflesk now set's them up well for the rest of the League. Next up is a trip to Churchill next weekend, where the team lost in a tense tight battle last year. The team now head back there with confidence high that the result will be different this time.

Report by Michael Healy.

➤ **LOTTO**

No winner of Glenflesk Lotto which took place on 20/4/2022 in Glenflesk Hall. Jackpot €7,000. The numbers drawn were 4, 10, 29, 30. KILLARNEY U16S GIRLS WIN INAUGURAL MILLO O'MEARA PERPETUAL CUP

This is the Killarney u16 girls third trophy of a record breaking year who had earlier won the Munster league and cup. This victory was very special, as Millo O'Meara had coached many of these girls prior to his passing from Motor Neurons disease. Seven players from Killarney had played with the Munster u16s team in the interprovincial championship the prior day in Dublin so the Killarney girls had to utilise their full squad depth minus the Munster 7s players which made the victory even sweeter.

Teams from Shannon, Ballincollig and Tralee as well as the hosts each played other in a 10 aside competition. The Killarney girls were the only team who were unbeaten in the group stages thus qualifying for the final vs Ballincollig.

In an excellent contested final, Ballincollig went into an early 10-0 lead and played some fantastic rugby in the process. The Killarney girls needed to respond and how they responded was simply breathtaking scoring four unanswered try's, two of the tries were scored by the outstanding skipper Joanne O'Keefe one of the other tries was run in from her own 22 by Ali O'Donoghue., Beaufort girl Kate Mangan touched down for the other try. The final score was 26-10 to Killarney.

"Today was a real test of the depth of our squad who have worked so hard all year, the quality of rugby they played in the final was simply phenomenal, playing the game the way it should be played added co-coach Diarmuid O'Malley. Each one of the girls stepped up to the plate today and all contributed hugely to the win. There is an unbelievable spirit in the squad and when the girls went down to two early tries none of the girls panicked, they stuck to the process on how they have played all year and this is something that gives myself and the other co coach Josh Whelan huge satisfaction as they are playing "heads up" rugby keeping the ball alive at all times with a smile on their face. These are a unique group of girls who will keep getting better and better because they are prepared to work hard, have the right attitude to learn and always looking to get better and better" added O'Malley.

"Today was a huge day for the club, who wanted to recognise all the work Millo had put in with these girls in their earlier years. The fact that Killarney ended up winning the tournament was just the icing on the cake. All the profits from today went to Irish Motor Neuron Association of Ireland. To have Millo's family here today was very special and I know their is man in heaven looking down with a big smile on his face with the quality of rugby these young girls played today" said Liam Murphy one of the organisers of the tournament along with Anne Gabbet and Fiona Landers. "A special mention to all parents, kids and club members who helped out to make today such a superb day. This is an event we will look to run each year in memory of a through rugby man Millo" added Murphy.

Magnificent 8 impress at rugby 7's:

Very well done to the 8 of our U16 girls who played with the Munster 7's last Saturday at the IRFU High Performance Centre in Dublin. The girls will be in action again next Saturday, the 30th for the final matches in the Interpro series.

A wonderful achievement for the girls and the whole club is very proud of you all!

Best of luck next Saturday and most of all, enjoy the whole experience! Killarney girls who represented Munster from Killarney

takes a look at all things sport...

KERRY U20S WIN UNIMPRESSIVE FINAL MUNSTER U20 FINAL: KERRY 1-11 CORK 0-7

Once again, Kerry redeemed a very poor 45 mins with an impressive scoring burst in the last quarter after Cork tired. Kerry will not be remotely happy with their overall display – this was very defensive, error-ridden stuff. Cork at least have the excuse that they were missing some key players – Conor Corbett, Eoghan Nash, Jack Lawton, Jack Cahalane, Daniel Linehan....Kerry really should have been capable of blowing that Cork team away. Instead, it was a paltry 0-3 apiece at half-time, with Kerry arguably very lucky not to be behind. Keith Evans started instead of Sem star Will Shine and made a strong stake for a permanent jersey – he was a superb playmaker for the Kerry minors and has brought his incisive and intelligent passing into the U20s. He opened Kerry's account, only for Ryan O'Donovan to superbly jink through the packed Kerry defence for a great reply. Conor Hanlon's long free put the Rebels ahead and they should really have converted a couple more chances. Thomas O'Donnell was one of the Kerry players taking the game to Cork and he won a free converted by Dylan Geaney. Kerry were playing a sweeper system and a possession game against the wind, but it wasn't working and seemed to slow up Kerry when it was fast ball that seemed to trouble an equally defensive Cork. Dara O'Callaghan and Joey Nagle were doing very well at the back, while Ruairí Murphy and to a lesser extent Seán O'Brien had the upper hand in midfield, and Evan Looney was brilliantly industrious. Errors forced and unforced were killing our attacks, though, and it was to be a long quarter hour before Kerry scored again. Cork weren't doing much better though, with just another good Ryan O'Donovan point to show. Both sides had good chances, Callum Dungan blocking Evan Looney's effort and Devon Burns making great save from Seán Brady and then intercepting a dangerous pass from the rebound before Darragh O'Mahony could fist home. Dylan Geaney, well marshalled by Neil Lordan, uncharacteristically missed a free and Dungan made another superb save, this time from Tommy Cronin. Shortly before half-time Ruairí Murphy, once again absolutely outstanding for Kerry, surged through for a fine point. Level pegging in what was very much a forgettable half hour of football. It was noticeable that Murphy and Looney, Kerry's best players, were not stars on Kerry minor teams – it says a lot about the quality of club coaching in Kerry and how fine a net Declan O'Sullivan cast when picking his panel.

Half-time Kerry 0-3 Cork 0-3

Colin Walsh kicked a great score to start the

Ruari Murphy (Listry) pictured with his family following the Kerry U20 win over Cork at Austin Stack Park on Monday night.

second half, but with Armin Heinrich more willing to come out and attack the ball on the forty, it began to curb the centre forward's influence – he is a prospect, though. Kerry, who now had the wind, were more adventurous and it quickly paid dividends. Dylan Geaney hit a superbly measured pass into Thomas O'Donnell, whose cleverly timed run had cut the defence wide open, and the Castlegregory confidently slotted home. They almost had another after a great run by Cillian Burke, but Kevin Goulding's opening was quickly closed down and his shot went astray. Evan Looney's run wasn't picked up by the defence and he got too much space, coolly taking his on point. 1-4 to 0-4, breathing space.

It didn't last long. Hugh Murphy pointed with a great kick. Seán Brady, who really gave everything he had for Cork, kicked a good score and it was a one point game again. Kerry had plenty of chances in this period, but hit four scorable wides on the trot. A better team than injury-hit Cork would have punished that.

Cork began to visibly tire in the last quarter, while Kerry's infusion of energetic sharpshooters began to pay huge dividends. Gearóid Hassett kicked a peach of a point, as is his wont. Alan Walsh replied, a fine score as well, but it was the last sting of a dying Cork wasp.

Kerry finished with a flourish. Hassett doubled his tally, Thomas O'Donnell capped a fine display with a point, a very dangerous-looking Jordan Kissane notched a brace, and Jack O'Connor did likewise. Kerry's subs actually kicked 0-6 between them and they have their hands up for starting jerseys – it might be no harm at all to keep a bit of dry powder for late in the game against Tyrone. Cork's Jacob O'Driscoll did flash a dangerous ball across the Kerry goalmouth, but it was merely a last show of defiance.

Overall, this was not impressive, but a title is a title; it's not like I won too many of them! Kerry

will be looking for an improvement against Tyrone. They will need it – I certainly feel that Kerry have to be a bit more attacking from the off, especially if Tyrone bank the half-back line. To be honest, Tyrone have looked like the best team so far in what has been a poor U20 championship – the switch to U20 and U17 has not worked out at all, at all for the GAA. Still, I maintain that this is the grade that has been hurting Kerry's senior prospects for a while, and they are down to the last four and still in the hunt.

Kerry: Devon Burns, Darragh O'Callaghan, Alan Dineen, Joey Nagle, Enda O'Connor, Armin Heinrich, Tommy Cronin, Ruairí Murphy (0-1), Seán O'Brien, Cillian Burke, Thomas O'Donnell (1-1), Evan Looney (0-1), Dylan Geaney (0-1, 1f), Kevin Goulding, Keith Evans (0-1). Subs Adam Curran (for Tommy Cronin, half-time), Gearóid Hassett 0-2 (for Kevin Goulding, 42 mins), Jack O'Connor 0-2 (for Keith Evans, 46 mins), Tom Doyle (for Seán O'Brien, 47 mins), Jordan Kissane 0-2 (for Thomas O'Donnell, 55 mins)

PAIRC UÍ RINN CONFIRMED FOR KERRY/CORK CLASH

At least it's settled. That thing was turning into a complete debacle. You can point the finger at the Munster Council, who were slow enough to react to the situation but can't really be accused of causing it. Or you can point the finger at Cork for insisting on home venue despite said venue having a capacity of just 11,000 – I would have done the exact same thing in their place.

Kerry have done the right thing in agreeing to play in Pairc Uí Rinn. I do think that we would have been entitled to tell both Cork and Munster Council to settle it between

themselves, but why be antagonistic? Cork were always entitled to a Cork venue and now have one. The uncertainty wasn't doing anyone any favours. Of course, Kerry also granted Tyrone an extension because of their covid issues last year and ended up losing to them. I don't believe that one thing followed directly on from the other. We lost because we had come through some very soft games whereas Tyrone were battle-hardened and an injury to our main danger-man David Clifford and some soft goals killed our challenge. I still say we did the right thing in ensuring that an All Ireland Final berth was decided on the field rather than the boardroom, that's the Kerry way and I hope we always stick to it.

Of course there is going to be a shortage of tickets, and that's unfortunate. Kerry supporters showed up in big numbers during the League and we would probably fill Pairc Uí Rinn twice over. But it still looks like the best alternative. Where I do have an issue, and a big one, is the game being on a pay-per-view channel. I still think that an amateur organisation should not be putting its games behind a paywall. It's an old argument that's already been decided, but I still say that the GAA got that one very wrong.

KERRY HURLERS GET BACK ON TRACK MCDONAGH CUP: KERRY 3-21 CARLOW 0-15

In fairness, this was a lot more like it. Kerry had a good League that came to an abrupt end against Down, and the same team gave us a hard lesson in the opening round of the McDonagh. I had high hopes of Kerry this year, despite being shorn of a number of top players for various reasons. The contretemps regarding the absence of Shane Nolan only notched the pressure up higher – that one was badly handled, to say the least. From genuine promotion contenders to risk of relegation – I didn't give Down the credit they deserved, and I suspect that I wasn't the only one.

In the circumstances, Kerry needed to make a statement against Carlow, and did so in superb fashion. Carlow are far from a pushover and have proven it often, not least against Meath last weekend, but Kerry were at their best here.

You have to single out the Boyle brothers and mercurially brilliant Shane Conway, trench warriors and a magic sniper, but the likes of Eoin Ross, Fionán Mackessy and Colum Harty have developed into fantastic hurlers when the chips are down.

Shane Conway (3, 1f) and Pádraig Boyle (3, 2'65) had Kerry 0-6 to 0-1 ahead. Carlow, to their credit, fought back well to trail by 0-8 to 0-7 at half-time, Marty Kavanagh's remarkable accuracy their main weapon. He levelled matters on the restart and I won't deny that I was very worried. Kerry's response spoke of steel in their spines. Pádraig Boyle slotted two frees and cut in for a great goal. Eoin Ross added a point and Kerry were firmly back in the driving seat. Goals from Shane Conway and Niall Mulcahy, pouncing ruthlessly on a defensive error, meant that Kerry were well in control long before the final whistle.

It's only one swallow, rather than a hurling summer, but this was a hugely encouraging improvement. I still can't see us being in the final hunt, the margins are very fine and there are bigger ravines ahead, but there's fight in the jersey and that's worth a lot.

As an aside, I couldn't help noticing Donal Óg Cusack and Anthony Daly discussing how to spread hurling in counties like Kerry, Offaly, and Antrim. Look, I genuinely have enormous time for both as pundits, but maybe they could consider how much coverage the McDonagh, Meagher, and Ring cups get from their own medium before pointing fingers elsewhere?

Kerry: Louis Dee, Flor McCarthy, Eoin Ross (0-1), Eric Leen, Sean Weir, Mikey Boyle, Fionán Mackessy, Michael Leane, Colin Walsh, Pádraig Boyle (1-11, 6f, 3'65), Colum Harty (0-1), Paudie O'Connor, Gavin Dooley, Daniel Collins, Shane Conway (1-3). Subs Niall Mulcahy 1-2 (for Gavin Dooley half-time), Maurice O'Connor (for Daniel Collins, 42 mins), Jordan Conway 0-2 (for Colum Harty, 66 mins).

LIAM MCCARTHY CUP

The power triumvirate in hurling has traditionally been Cork, Kilkenny, and Tipperary. None of them look like the powers of old, though. Cork have fine hurlers and great skill, but I don't believe that they are physically robust enough to compete at the top level with the likes of Limerick, Waterford,

Kerry Ladies Minor Football Team

and Galway (I can see the Tribesmen making the final this year, but I can't see anyone getting past the power and panache of Limerick at the crunch). There was a time when Clare were, as their captain Anthony Daly famously alluded to in his victory speech, "the whipping boys of Munster". In that context, it's good to see Clare not only putting it up to Tipperary, but winning convincingly in the final. 3-21 to 2-16 was not a flattering scoreline. I have no fears of the likes of Tipperary; the roots are too strong for them to stay down for long. I don't really think Clare have the firepower, especially from distance, to go all the way, but unlike football, hurling currently has an array of top quality teams who push each other to greater heights. Long may it continue.

SAM MAGUIRE CUP

I have to admit to a small element of schadenfreude in regard to Donegal's comprehensive win over Armagh. Four Armagh players and two Donegal players had been suspended after 'contributing to a melee'. Legal uncertainty about the 'melee' term had seen Armagh players' suspension overturned, while Donegal accepted their punishment and so were down two top players. Legally correct, no doubt, but it sends out a bad message that such play can be profitable for teams. In the circumstances, then, Donegal's firm hand in controlling the game was welcome. Mind you, I could be rueful about that yet – Donegal could well be a formidable obstacle for us later on. They are a big, strong side (they gave Tyrone a ferocious rattle last year) and have the best football of his generation in Michael Murphy. Moreover, their steel will only be hardened further in the fires of the Ulster Championship. Mayo will have to come through the back door – that could actually suit Mayo fine, although the introduction of the Tailteann Cup means that there are certainly no cakewalks there. They are a team that improve with regular games rather than long gaps, and the likes of Durcan, Mullin, and Cillian O'Connor won't be harmed by more game-time. As for Galway, who won a thriller by 1-14 to 0-16 against their old foe? Arrah, to be honest, it's Galway, which means that your guess is as good as mine. They have the players, they have the ability, and that win over Mayo should give them belief. They also owe Roscommon from the Division Two Final. But it's Galway – they could beat anyone

and lose to anyone.

A few surprises in Leinster. Louth having a bit to spare over Carlow is no shock. I wouldn't have tipped Wexford to beat Offaly, though, or Wicklow to beat Laois. It won't make much difference in the long run – we all know the big blue whale that swims in those waters – but a good sign for counties that are traditionally out early from the Championship.

MUNSTER MINOR LGFA: CORK 4-13 KERRY 6-3

The old adage claims that 'goals win games'. I've never really been a fan of the concept. A goal can be a one-off event against the run of play, whereas three points implies a consistent attacking ability and indicates the better team to me. So it proved against Cork. Kerry are actually fine footballers, but not consistent enough in finishing off scores, whereas Cork were picking off a score more often than not.

Kerry got a dream start, with the outstanding Ellie O'Connell finishing to the net. Eabha Curran pointed for Cork before Orlaith Cahalane goaled for them. Amy Harrington pointed to level matters for Kerry and rapid goals from Clodagh Murray and Aisling Hannafin gave us a 3-1 to 1-1 lead after just seven minutes – talk about a blistering start to a game! Points from Abigail Ring and a goal for Eabha Curran had Cork right back in it. Orlaith Cahalane levelled matters. Amy Harrington picked off a fine point but again Cork levelled. Kerry were always dangerous once they got the ball into the danger-zone and sure enough, Aisling Hannafin struck her second and Kerry's fourth goal. Two points from the excellent Abigail Ring helped square things up again.

Half-time Kerry 4-2 Cork 2-8

Ring and Cahalane nudged Cork two points ahead. A goal put them five points clear but Kerry replied in kind instantly and then a Kerry free dropped into the Cork net. That left us a point ahead, but Cork came back with yet another goal. Melanie Higgins pointed a free for Kerry but Cork were really beginning to take over, and points from Aoife Healy and Kate Redmond saw them take the win after a cracking match.

Hard luck on a gallant Kerry, who included Julia Curtin (Currow), Sophie Dennehy (Fossa), Saoirse Dorrian (Beaufort), Nicole Cronin (Rathmore), Olwyn Evans (Kilcummin) and Áine Devlin (Killarney Legion) on their panel

ATHLETICS

Congratulations to Killarney Valley A/Con winning the Quill Cup as Beat Overall Geam in the Kerry Senior Championships. Sarah Leahy took gold in the 100m and 200m and also won gold in the 4 x 100m relay. Killarney Valley also won the Mens 4 x 100m relay. Conor Gammell took gold in both the 100m and 200m sprints. The club had a 1-2-3 in the High Jump, Jordan Lee with the gold, Sam Griffin with the silver, and Jason Lee with the bronze. Sam Griffin also took gold in the Long Jump. Darragh O'Leary won the 3km, Oisín Lynch the 800m, and Jason O'Reilly the 400m. Jean Courtney won the WFD, while Kathryn Ryan won the Womens' Senior 800m. Those are highlights, but it has to be said that the whole club performed as a team in An Ríocht and they all played a part in winning the trophy.

ROWING

Congratulations to Muckcross Rowing Club, who enjoyed tremendous success at the Limerick Regatta at O'Briens' Bridge, winning a whopping total of ten races.

BOXING

I suppose I was a bit arrogant in suggesting that the clash of two of the best boxers on the planet, Tyson Fury and Dillian Whyte, would be a bit 'meah'. In my defence....I certainly wasn't wrong.

Nobody expected Whyte to go the distance here – frankly, it had the feel of a paycheque from day one. He was outclassed – I didn't even think he won that first round. Yes, he was the aggressor, but he simply didn't land many of those shots. Once Fury powered up – and Fury has been more impressive himself – it was never really in doubt. Commentators have made much of that final uppercut, but it's more hype than anything else. It was a good uppercut, but it wasn't Thor's hammer. Whyte left himself wide open, and Fury took the opening well.

I don't for one moment believe the nonsense about Fury retiring. He brought over 90,000 paying customers to Wembley. I don't think the public will be willing to pay too much to see him take on Wilder or AJ again, but Usyk is still out there and that would be a big one. But is it just me, or is it all starting to feel like a bit of a circus?

Founded by Adam Opel in August 1862, Opel rose from humble sewing machine beginnings, to become first a global leader in bicycle manufacturing, then a pioneer in automotive engineering. CRONIN OPENS BRC ACCOUNT WITH SECOND PLACE

Killarney and District Motor Club driver, Keith Cronin, has finished second in the Rally Tendring & Clacton in Essex, the opening round of the 2022 British Rally Championship, in his Hankook Tire Volkswagen Polo R5. Guided by co-driver, Mikie Galvin, Cronin led for much of the event, having been fastest on two short spectator stages on Saturday evening and all four tests of Sunday's opening loop, but the four-time champion was overhauled by last year's BRC runner-up, Osian Pryce, also driving a Polo, on the twelfth of the rally's fourteen stages. The Welshman, who also had a Killarney co-driver, Noel O'Sullivan, on board, went on to win by just 5.4 seconds.

Speaking at the finish of the final stage, Cronin was satisfied with the outcome despite losing out on the victory: "It's a very good result, it's a big step up, we were a bit off the pace last year, but we're closer

today, especially in the early part. On the second and third runs Osian and Noel seemed to get a bit ahead of us, but it's a good start. It's a big championship, there's seven rounds, and other competitors will come in, they'll all play a part. Osian had a very good drive today and he got the win, and there are other guys coming up, it's going to be a big battle this year."

Cronin and Galvin are supported by Hankook Tire, M O'Brien Group of Companies, Cremin Coaches, Keohane Seafoods, Inver Energy, Cronin's HomeValue Hardware and Cronin's Centra (Ballylickey, Leap and Union Hall).

The British Rally Championship resumes with the Jim Clark Rally in Scotland on May 27th and 28th.

KILLARNEY LEGION GAA CLUB

SENIOR MENS UPDATE

The Senior Men grabbed their first and vital two points in this year's County League when they accounted for Kenmare in Round 4 played at Fr. Breen Park. Goals from Thomas Moriarty and Jamie O Sullivan made all the difference while Padraig Lucey was outstanding in midfield. Full Time Score Kenmare Shamrocks 1-7 Killarney Legion 2-8.

They now face An Ghaeltacht this Sunday May 1st at 2pm in Direen.

The Senior B team went down to Kenmare Shamrocks B at the same venue .Trailing by 1-7 to 0-3 at half time, the second half was an even affair but try as they might they couldn't eat into the home side's advantage. Full Time Score Kenmare Shamrocks 2-16 Killarney Legion 1-8.

They play Milltown/Castlemaine on Saturday April 30th at 7pm in Direen.

JUVENILE BOYS UPDATE

The Go Games continued this week for our younger age set. The U9s welcomed Austin Stacks to Direen on Saturday morning while the U11s travelled to Keel on Thursday evening last. These games give an opportunity for each boy to play in small-sided games where the emphasis is on enjoyment whilst still giving them the foundation for games at a later age.

Our U13 Boys had a busy week starting off last Wednesday when they entertained a strong John Mitchels side in Direen. In a real tight affair the boys ability to strike for goals at the most opportune time was the key difference as they saw off a gallant effort from the Tralee side. On Sunday they took the short trip to Spa and again put in a great hour's performance against a very game Spa side. The first half was a ding-dong affair but a lucky goal at the start of the second half gave the lads all the cushion they needed to push on for victory. With both Green and White teams on top of their respective divisions the final round games to Dr Crokes will see how phase 1 of the competition teases out.

The U15s had a hectic week also with the White team out twice. They were desperately unlucky to succumb to a last minute goal to Kilcummin on Monday night but got the disappointment out of the system on Thursday with a resounding win over Keel/Listry. The Green team were made to fight all the way by the same opposition, Keel/Listry , on Wednesday but their ability to kick points at the right time saw them through. Both teams are now nicely placed in second as they head to Austin Stacks for the final round of games.

LADIES UPDATE

The U12 team made the short trip to Glenflesk last Wednesday evening . Fielding a young panel, with 14 of them underage again next year, they settled into the game nicely and led a tight first half by a point , 2-2 to 2-1. At the three quarter stage only a point seperated the sides still but a strong finish by the girls won the day on a 5-8 to 4-3 scoreline. Well done to the team and management.

The U14 White team had qualified for the quarter finals of their division and headed to Brosna to play Brosna/Knocknagoshel who had topped

Killarney Legion U15 Green Team

the division. They found the going tough against their North Kerry opponents but kept going to the very end. Although not successful this team was made of players who are all eligible for the grade again next year so the experience should stand to them.

The Senior Ladies had a big Derby in the Donal Curtin Cup Division 2 when they faced Dr Crokes at Lewis Road on Sunday. Fielding a lighter and smaller side the loss to injury of Zena Shine in the first half unsettled them slightly and they trailed at half time. They performed much better in the second half and a Ciara Randles goal and some nice scores by Andrea Murphy, Caelyn O Grady and Ann Marie O Sullivan saw the full time score read 5-6 to 1-7 in favour of Dr Crokes. We wish Zena a speedy recovery from that injury.

CONGRATULATIONS

Congrats to our Senior goalkeeper Brian Kelly and Rheanne O'Shea who got engaged on a recent trip to the USA. We wish the fine couple well in the future.

COUNTY LEAGUE

Keel were at home to Castlegregory in round 4 of the County Senior Football League. Keel opened the scoring in the second minute with a point from Lachlan Griffin. Castlegregory replied in the sixth minute with a point from a 45 and they added another shortly after from a free 14 meters out from goals. Darragh O Dowd levelled up matters when he slotted one between the posts for the home side. Keel went on the attack again and it was Thomas Ladden who drove at the heart of the Castlegregory defense which resulted in him being fouled. Shane Evans converted the free to make it three points to two in favour of the home side after 18 minutes. Castlegregory won the kick out and with a quick exchange of passes they ended up inside the 13-meter line however, the Keel defense applied intense pressure and forced a turnover which resulted in Shane Evans getting an opportunity to kick at the posts on the opposite side of the field but his effort dropped short into the hands of the Castlegregory goalkeeper. Castlegregory worked quickly on the counterattack, but Alan Fitzgerald's effort went to the left and wide. However, Fitzgerald got his name on the scoresheet shortly after in the 24th minute with a point from 45 meters out. Castlegregory pointed another in the 26th minute to give them a one-point advantage. Shane Evans replied with one for this side before Castlegregory pointed the final score of the half. The half time score was Keel 0-04, Castlegregory 0-05. Castlegregory had the first attack of the second half, but this effort trailed to the left of the posts. Castlegregory had another opportunity to attack when they won the kick out and were awarded a free for a foul on their center back. Keel were reduced to 14 men due to this foul which left Keel supporters perplexed. Castlegregory failed to convert the awarded free. Thomas Ladden won the kick out and the Keel defense and

midfield moved the ball quickly up the field. Lachlan Griffin supplied the ball to Aaron Cahillane who found himself in front of goals, but his effort was blocked by the Castlegregory goalkeeper, however Aodhán Murphy collected the rebound and stuck it in the back of the Castlegregory net. After four minutes into the second half, it was Keel 1-04, Castlegregory 0-05. Keel had the opportunity to increase their lead, but their efforts were unsuccessful. Before long Castlegregory levelled the game with two points. Keel had three more opportunities to kick at the posts, but these efforts failed to go between the two uprights however, in the 29th minute David Couchman pointed from play to give Keel a one-point advantage. Castlegregory responded quickly and drove straight at the Keel defense, and they were awarded a free 21 meters out from goals. The winning point came in the 33rd minute from the Castlegregory midfielder Alan Fitzgerald. The full-time score was Keel 1-05, Castlegregory 0-09.

EAST KERRY GAA NEWS

By Michael O'Mahony

EAST KERRY SCOR NA BPAISTI took place in Fossa Community Centre on Sunday 24th April after a long absence since 2019.

Seven East Kerry clubs participated (Spa, Dr. Crokes, Legion, Kilcummin, Glenflesk, Fossa and Listry), in six disciplines Rince Foirne, Solo Singing, Recitation, Leiriú Stáitse, Music and Set Dancing. Large attendance was entertained with the superb talent displayed. This was the first time for many of these young members that performed on stage and was daunting for them but performed like professionals.

Scor Officer, Anne Holland introduced the excellent Bean an Ti, Ann Mangan who took over procedures on the day and everything ran on time with no delays. Anne also welcomed East Kerry Chairman Johnny Brosnan and Michael O Mahony PRO. Míle Buíochas, to all the club scór officers Eileen Aherne, Rachel Foley, Caroline Cox, Alison O Sullivan, Celine Ryle O Sullivan, Maria O Leary and Aoife O Mahony.

Standard once again is very high in East Kerry and wonderful to see the next generation coming through in the cultural side of the club. Bill Mangan of Fossa Community Centre was thanked for setting the hall and Paudie O Sullivan. The brilliant Dermot Coffey on the door. Our talented Soundman Gerard Mangan who sets up the sound system each year for us with no fuss and is always so reliable. Photographer Matt O'Neill, who stepped in last minute. Judges Marie Breen (recitation and Leiriú), Marie Sheehan (dancing) and Aine Leahy (Song and Music). Each of these ladies are very talented in their fields and did an excellent job. Also to Mikey Aherne who likes to give back as a mentor and steward or fills in wherever needed. Thanks also to all the parents/guardians for encouraging their children, taking to practice and available for competition. First place only goes through to the next stage which is the semi final (South Kerry) on 23rd June. County Final July 2nd. No venues or times confirmed yet. Huge thanks to the coaches/mentors today also as we all know without them, your child wouldn't be competing here today.

Want to wish the Kerry clubs competing in Scor na noG All Ireland next Sunday in the INEC

every good wish. Spa (Set Dancing), Glenflesk (Ballad) and Tralee Parnells Hurling Club (Quiz). Quiz starts @11.30 and main programme 3pm. Tickets are on sale during the week and must be purchased online. Link will be posted on our website as soon as it's available or GAA/scor.ie.

CREDIT UNION COUNTY SENIOR FOOTBALL LEAGUE

Division 2 Round 4 Result and Round 5 Fixture Milltown/Castlemaine 'A' continued their 100% start to the Credit Union County Senior Football League on Sunday afternoon as they recorded an impressive nineteen point victory at home to near neighbours Listry on a score of 4-14 to 1-04. Listry got the ideal start playing against a stiff breeze inside the opening minutes when

Aaron O'Shea rattled the net for the visitors following a short free and it was a tight contest all through the opening half. Eanna O'Connor slotted a penalty to the back of the Listry net before half time after Gavin McKenna was fouled which gave Milltown/Castlemaine some extra breathing room, retiring for the interval with a seven point lead, 1-09 to 1-02. The anticipated comeback from Listry, now playing with the elements in their favour failed to materialise in the second half and Milltown/Castlemaine powered for home with three further goals doing the damage - Eanna O'Connor scoring two to round off his hat trick and Jerome Flynn raising a green flag also. Round 5 takes place when Kilcummin host Milltown/Castlemaine on Friday evening, April 29th at 7:00pm. Both sides are unbeaten thus far in Division 2 so it promises to be an enthralling contest.

The sides were level at 3-05 apiece at the half time interval with some wonderful finishing on display from both sides.

Milltown/Castlemaine's superior fitness levels showed as the game wore on and allied with some brilliantly taken goals from Jonathan O'Sullivan (4) and Brendan Casey (2) they ran out twelve point victors to make it 4 wins from 4 games. Well done to the 17 players toggled out and to our management team also.

In Round 5 the 'B' side will travel to take on Killarney Legion on Saturday, April 30th at 7:00pm.

CONGRATS

Congratulations to Senior Ladies Manager & U14 Kerry Manager Jeremiah O'Sullivan on a great win against Mayo yesterday. Mayo 3-06 Kerry 8-09. The Kerry U14 girls now go on to the All Ireland semi final in 2 weeks time.

WELL DONE to Cillian Cronin and Sean Barry were part of Kerry U15 hurlers team that played Carlow at the weekend ahead of the Joe Mc Donagh Game.

MENS DIV 6B RD 4 COUNTY LEAGUE

Furies welcomed Na Gaeil B to Farranfore on Saturday evening last in Rd 4 of Division 6B of the County League. Both teams were well matched in this game and it was the early goal from Furies that proved the difference in the end. The scores were 2 point to 1 in favour of the home side after 5 minutes with the Furies scores coming from the boot of the impressive Cian Cronin. But then after 10 minutes the decisive score came from Dylan Callaghan following a great pass

from Conor Henderson. Furies now lead 1-2 to a point. But the Tralee side replied with 2 points of their own in the following 5 minutes., before the home side tagged on two of their own from Dylan and Cian. With midfielder John O'Rourke playing major part in the Dylan's point. Na Gaeil rallied again with 2 further points of their own just before the half time break. Half time score Furies 1-04 Na Gaeil 0-05. The visitors stated the 2nd half as they finished the first with 2 points on the bounce from the notable Lorcan Seymore at centre forward. The scores were now level 10 minutes into the second half. But Furies raised the tempo for the next 10 minutes and scored 4 points without reply. Cian with 3 and Ian Crowley chipping in with the first of his two points from midfield. Na Gaeil staged another comeback but despite scoring 3 points were unable to catch Furies before the Final whistle. With one of final kicks of the game Conor Henderson added the insurance point to leave the final score Furies B 1-10 Na Gaeil B 0-11. Next up is a trip away to Dr Crokes next weekend.

MENS DIV 3 RD 4 COUNTY LEAGUE

Furies welcomed Brosna to Farranfore on Sunday afternoon last in Rd 4 of Division 3 of the County League. The visitors opened the scoring with a point from play in the 5th minute but Furies replied immediately with a well taken goal from TJ Palmer. Furies dominated major sections of the First half and maintained the lead provided by the early goal. Just before the small whistle, Furies scored their second goal following a great run from Jake Flynn through the heart of the Brosna defence and he finished expertly to the back of the net. This proved a great cushion for the home side at half time with score Furies 2-09 Brosna 0-07. Brosna came out the quirkier out of the dressing rooms for the second half and got the opening 2 scores, but Furies responded with a point of their own to maintain a 7-point lead after 45 minutes. Brosna finally got a goal of their own from Darren Horan with 10 minutes left to keep the pressure on the home side but Furies showed great heart and reposted with 3 points on the bounce. Brosna scored the final point of the game to leave the final score Furies 2-16 Brosna 1-13. Next up is a trip away to Dr Crokes next weekend.

SECOND PLACE FOR SPA U14'S

SPA UNDER 14 TEAM

Spa U14 girls finished 2nd in the Non County Player league winning 3 out their 4 matches and so progressed to a quarter final which was played in Spa on Sunday 24th against John Mitchels.

Spa started strong and opened the scoring with a point and a goal before John Mitchels settled themselves with a point. Spa took control again with 3 more goals and 3 points. Mitchels stayed in touch though and scored 2 goals and 1 point before half time. Spa went into the break leading 4-7 to 2-2.

Mitchels burst out of the blocks in the second half and scored 3 unanswered goals and were very unlucky to not score a forth when they hit the crossbar. It was a very tight affair and a great battle which displayed great skill from both sides but Spa yet again dug deep in the last quarter with another 3 goals and 2 points added to the scoreboard. Frustration seeped in in the dying minutes of the game and unfortunately cards were shown to players on both sides which did not reflect on how well the game was being played. Spa worked brilliantly as a team and fought hard for every ball and never gave up. Huge credit and thanks has to go to our U12 girls who stepped up yet again, Aoife O'Sullivan, Ava Brosnan, Lily O'Shea and Sheolagh Daly. Spa came away the winners with a score of 7-09 to 6-02 and now move forward to the semifinals. Scorers for Spa were: Caoimhe O'Neill 3-02, Ciara O'Sullivan 2-01, Ava Brosnan 1-03, Kirsten Kenny 1-02, Clodagh O'Connor 0-01

APPLICATIONS NOW OPEN FOR 2022 APPRENTICESHIPS AND SCHOLARSHIPS AT LIEBHERR

Liebherr Container Cranes are inviting applications for our apprenticeship and engineering scholarship programmes 2022. Both programmes are aligned with the academic calendar, reflecting the importance of a blended approach to training and education, with a mixture of practical and classroom based learning. The programmes offer school leavers a number of routes into training, education and full time employment with Liebherr Container Cranes.

Apprentice Programme with an academic qualification

Run in partnership with Munster Technological University, our four year enhanced apprentice programme sees apprentices choose from one of the following disciplines. Electrical, Mechanical Automation and Maintenance Fitter or Metal Fabricator. In addition to their craft qualifications, apprentices complete a Level 6 higher certificate in engineering, resulting in a dual qualification and the opportunity to continue to an honours degree in engineering (Level 8). Apprentices benefit from practical training in Liebherr and get to work on the production of our cranes. In 3rd and 4th year, they get the opportunity to work at Liebherr job sites worldwide as well as participate in an apprentice exchange programme with our sister companies in Austria and Germany. Engineering Scholarships with an eye on

The Liebherr Engineering Scholarship Programme is designed for leaving cert and college students who have applied for, or are studying engineering, automation or mechatronics to degree level. Successful applicants will have their college fees paid, for the duration of their course, and will benefit from work placements, summer work, one-to-one tuition in Liebherr and the opportunity to progress into full time employment upon successful graduation. Many of our previous scholars have gone on to work full time with Liebherr in many different departments.

How to apply

Applications for both programmes close on the 27th May. Apprentice applicants should send an up to date CV, a copy of academic results and a cover letter specifying the role that they are interested in and why to apprenticerecruit.lcc@liebherr.com.

Scholarship applicants should apply by email to scholarshiprecruit.lcc@liebherr.com. Applicants should include a CV detailing Leaving Certificate/Junior Certificate/college projects and/or results and a cover letter explaining why they have chosen engineering as a career. In the case of Leaving Certificate

applicants, a copy of their completed CAO form showing their choice of engineering course should be included.

Further information can be found on Liebherr Container Cranes Social media channels.

FILLING WINDOW BOXES AND CONTAINERS

Again there is a large range of different types of window boxes and containers. The most popular ones are the plastic. If it's a plastic window box that you have the first thing you must do is sort out the drainage.

Turn the window box upside down and you will see holes marked out. You can either use a screw driver or a drill to punch out these holes. Turn the box back up and put some small stones or polystyrene around the holes. Fill the box with compost and a slow release fertiliser to about half an inch from the top of the box and firm in compost. When choosing the plants for the window box make sure that the taller plants are at the back trailing plants towards the front and medium sized plants for fillers inbetween.

A good example for tall plants at the back of the box would be upright geraniums or upright fuchsias. Good trailing plants for the front of the box would be trailing geraniums or trailing petunias. Other examples of good trailing plants for fillers would be trailing lobelia, bacopa and bidens.

When your box is planted, water in plants well and don't put into position for a few days. Remember that all window sills slope so when your trailing plants start to grow you will need something to hold your box in position.

THINKING ABOUT FEELINGS

When someone comes along to counselling and begins to talk about what is troubling them, one of the difficulties that sometimes emerges is their sense of having feelings that are 'bad' or 'wrong'. Perhaps they have been experiencing feelings of anger, or frustration, or maybe sadness, or regret. They may see such feelings as negative or self-pitying, and not compatible with being a good and kind and positive person. They wish these feelings would just go away. But, however much they try to wish them away, the feelings stubbornly persist. So then they experience shame and anxiety about having what they see as such negative feelings, and this shame and anxiety gets added to the mix, and just makes everything worse.

Counselling can offer us time and space in which we can talk about, and think about, all the different aspects of our emotional life, without using labels like positive or negative, right or wrong, good or bad. Instead, the counsellor provides a non-judgmental relationship, in which all aspects of our emotional experience can be heard and thought about. If we can slow things down a bit, begin to make sense of our feelings, and see them as an unsurprising response to aspects of our life experience, they are much less likely to cause us anxiety.

Gradually, we become more able to manage our feelings and get on with our lives, instead of our feelings managing us, perhaps by making us anxious or irritable or unconfident or withdrawn. We learn to accept that, if we face difficult and challenging situations in the future then, naturally, we are bound to experience difficult and challenging feelings within ourselves. And when we have to bear particularly difficult circumstances or events in our lives, there is no shame in seeking support to work through our feelings about them.

A counsellor is able to sustain an open and accepting attitude to another person's feelings, without anxiety getting in the way, because, through their own training and personal development, they accept that having emotional responses to life's events is a part of what it is to be human. Perhaps then, the more accepting and tolerant we can be towards our own emotional life, the more kindly and accepting we are able to be towards the feelings of others.

A Word of Victory

Welcome back dear student.... "Not many of you should become teachers, my fellow believers, because you know that those who teach will be judged more strictly." (James 3:1). The book that James wrote flows with wisdom and is simple to understand – warning believers of the many traps the devil sets, and how to avoid and overcome those snares. I was deeply saddened to learn that our primary school teachers are facing the prospect of teaching little children that they may not be the person they thought they were. There is an evil agenda playing out in our nation that many parents are totally unaware of. The teacher's union, the INTO, have some instructional videos on their website to coach teachers, and the transgender presentation is horrifying. I'm sure they mean well, and want to make students happy, but one thing I've learned in life is that you cannot make everyone happy. When we try to make everyone happy it can cause us to compromise in crucial areas, bringing conflict to our own personal values. And we can end up becoming 'yes' men and women, instead of men and women of integrity.

Teachers are being trained to compromise the moral integrity of the teaching profession. These men and women who have a call on their lives for education, to whom parents entrust their children's well being, are being inducted into promoting a transgender agenda that is seeking to manipulate very young children into total gender confusion. I'm sorry, but this is not right! The school children's young minds and hearts, taught to trust those in authority, are being polluted into believing that they may not be the boy or girl they thought they were after all. In fact they may have no gender. This is utterly ridiculous, and it's time that someone says STOP! The sad reality is that these new rules have been put in place by educated people. There is much written in the Scriptures about all this. One word God uses a lot in regards to children and moral integrity is 'WOE' (Matthew 18:6-14) and we better take note of that. "Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter" (Isaiah 5:20).

People can blame teachers, but they are merely carrying out what a tiny minority with a very loud voice is screaming for – ultimately it's parents who are accountable. In this nation parents have handed over their constitutional authority and rights as the primary educators of their children by abdicating all responsibilities for instilling faith in their children to our educational system. The Word of God is quite clear that it is parent's responsibility to instruct their own children in the ways and commands of God (Deuteronomy 6:6-7). It is an easy get-out clause to let the school teachers do it. If all parents – Fathers and Mothers – took up their own moral responsibility we would be living in a very different society. But in order to do that, parents would have to know the Word of God for themselves – and obey it. This is the crux of the problem. There is a day of reckoning coming, and it won't be pretty. And who will be on the frontlines facing the enemy's fire? Our children! Parents, it's time to seek God and take a stand. Teacher's, please make your voice heard – and say no.

Take it, dear Jesus, and place it within your own broken heart, where your Father sees it. Then, in his merciful eyes, it will become your favor and not mine. Amen.

Say for three days and promise to publish.
