## BUSINESS GROUPS MINGLE AT KILLARNEY BREWING COMPANY

ENJOYING A BEER AND A TOUR OF KILLARNEY BREWERY, THE BUSINESSES OF KINGDOM BIZ HOUR GATHERED FOR AN EVENING OF NETWORKING. FOLLOW #KINGDOMBIZHOUR ON TWITTER. PICTURE MARIE CARROLL-O'SULLIVAN 087 391 4808

Kingdom BIZ held their first business meet up on Sunday with a wide variety of Kerry business people attending. The event was at the newly opened Killarney Brewery in an effort to show support to another great Kerry start-up. All the attendees took the opportunity to mix and network in a relaxed environment without the usual formalities that accompany such events. As Chris McGillicuddy from The Brand Geeks said, "the main purpose for the night was for people to get to know the other people that are behind Facebook pages, websites and twitter handles." Also saying "Business is not about B2B or B2C anymore it is H2H – Human to Human."

Kingdom BIZ is an initiative of The Brand Geeks in Killorglin and the idea behind it is to create a central hub for all Kerry businesses to join in, connect and engage with each other in an easy yet professional way. Through the medium of twitter we 'tweet up' every Thursday night from 9pm. This gives our members a chance to engage with potential customers to get sales and also to connect with other businesses out there. Both Chris and Louise McGillicuddy have developed

a website where you can create an online profile for your business and list for free, this will in turn help you boost your SEO and get your brand in front of more people. It will also give small businesses who do not have a website that first step for promoting their business online. You can register your business for free on [www.kingdombizhour.com](http://www.kingdombizhour.com).

"So many businesses pulled together to make this network event a huge success. We will especially like to thank Cyrille Durand and Katie Graham from The Riverside Hotel for creating such a magnificent display of food on the night" Louise told Outlook Magazines.

"Barry, Tim and the Killarney Brewing Company team welcomed all the local business with a Tour of the Brewery and a sample taste of their beer brewed in-house. It proved to be a fantastic venue for a private function and many of the businesses promised to return there. Gerard Kennedy from the Bridge Bar in Portmagee made the journey up to provide Live Traditional Music on the night", she added.

## BREWING UP A STORM IN KILLARNEY THIS JUNE

The best of Irish Craft Brewers will descend upon Killarney and bring with them kegs of crafty beer to get your taste buds tingling. In association with Beoir and the INEC Killarney, this bumper weekend includes beer tasting master classes, awards, competitions, food village and live entertainment.

In the last eight years, the number of small independent breweries on the island of Ireland has jumped from 5 to 65 and there are even more breweries in the planning. So don your beer goggles and prepare to be converted when you listen to the passion of over twenty-two brewers as they thrill you with stories of hops and barley, guaranteed to increase your appreciation of this heavenly craft. This new and unique partnership with Beoir includes a new awards programme that will be launched during the festival with over eight categories; Pale Ale, Dark Ale, Wheat Beer, Porter & Stout, Sour Beer including a Beoir Champion Beer of Ireland. The awards are open to all Irish breweries North and South and judges will hail from Beoir, as well as a selection of international judges. The festival includes top quality live entertainment from Picture House, Jerry Fish and The Swing Cats.

As a nation we are now starting to appreciate beer as more than just something you knock back in the pub with your mates. There has been an explosion of new breweries in Ireland over

the past year providing greater choice and better quality beer and cider, "consumers in Ireland have been waking up to new and exciting flavours for the last 30 years, there are hundreds of beer styles and each is different, the different hops and malts as well as other possible ingredients allow beer to be incredibly versatile" says Reuben Gray, Beoir Chairman.

Many of these exciting beer styles will be available in Killarney June 5th to 7th at the INEC. Beerology isn't a profession but why not earn your degree in Killarney and become a craft beer connoisseur at this ultimate beer tasting extravaganza.

## VALENTIA ISLAND LIGHTHOUSE NAMED AS ONE OF THE "GREAT LIGHTHOUSES OF IRELAND"

Valentia Island lighthouse has been named as one of the great lighthouses of Ireland in a new tourism initiative which was launched this week. Featuring twelve lighthouses in stunning coastal locations, Great Lighthouses of Ireland will offer unforgettable experiences and create a deep appreciation of the role of lighthouses, past and present, and in the maritime and seafaring story of the island of Ireland.

Among the lighthouses involved is Valentia Island Lighthouse, situated on beautiful Valentia Island and looking out across some of the most spectacular sights along the Wild Atlantic Way. The lighthouse sits on the site of the 17th century Cromwell Fleetwood Fort, which guarded against the threat of invaders right up to the 19th century - cannons can still be seen overlooking the harbour. The area is steeped in history – the fossilised footprints of a dinosaur are visible from the lighthouse, which is also close to a standing stone dating from the Megalithic era. On a good day Skellig Michael and the remote Blasket Islands can be seen.

## GARDAI APPEAL TO DRIVERS TO WATCH THEIR SPEED

A vehicle travelling a 178km per hour on March 1st, 2015 in Faha was one of the highest speed detections per Garda Division in 2015. A 60km speed limit is in place on the road which is the main Killarney to Dingle route and the Speed Detector Van is situated there on a regular basis.

In the run up to the June Bank Holiday weekend, The Road Safety Authority (RSA) and An Garda Síochána have appealed to drivers, to save lives by reducing speed and to always drive at a speed appropriate to all the prevailing conditions. Over 70,000 speeding offences have already been detected in 2015. Nearly 80% of those detections were for speeds between 10 and 29 km/h over the posted speed limit. A further 10% were in excess of 30 km/h over the posted speed limit.

Figures show that the June Bank Holiday has consistently been the starting point for what is traditionally the most dangerous period on Ireland's roads - summertime. In the last five years 256 people have died in June, July and August. Over the next three months it is possible therefore that 51 lives could be lost in summer time crashes on the nation's roads.

Chief Superintendent Mark Curran, Garda National Traffic Bureau, speaking at the launch in Garda HQ said, "We know excessive or inappropriate speed is the main contributory factor in road traffic collisions. If it goes wrong for you on the road, the greater the speed at which you crash, the more severe the consequences will be. Already there have been in excess of 70,000 drivers detected speeding in 2015, with

A SPEED OF 178KM WAS RECORDED AT FAHA EAST WHERE A 60KM SPEED LIMIT IS IN PLACE.

the vast majority travelling far in excess of what is legally permitted including one driver detected travelling at nearly 200 km/h. This is incredibly dangerous and totally unacceptable. Please help us to make the summer months ahead, what is traditionally a high risk period on the roads, a safe and enjoyable one for all road users. Reduce speed, drive to all the prevailing conditions, and watch out for all other road users."

## RIGHT2WATER CALL FOR CONSULTATION ON POLICY DOCUMENT

Right2Water Kerry community groups are calling on the people of Kerry to engage with Right2Water Ireland to put in place policies for future general election candidates. Over the May bank holiday weekend, Michael O'Gorman of Right2Water Tralee attended the Right2Water Ireland conference in Dublin. The aim of the conference was to engage members of the public in consultation with Right2Water Ireland to put forward policies on topics such as Health, the Economy, Education and Housing. As such, we are asking members of the public to have their say on these policies and issues. Most especially we are asking people who have not attended water charge protests to engage with Right2Water Ireland. Questionnaires are currently available on the Facebook pages of Right2Water Killarney, Right2Water Tralee branch and Right2Water Kerry Community wing. We would ask that people visit these pages to have their voices heard. People can also send their submission to Right2Water, O'Lehane House, 9 Cavendish Row, Dublin 1 or Email: Right2WaterPolicy@gmail.com The closing date for submissions is June 2nd 2015. Following the submission process, Right2Water Kerry Community groups will be holding presentations by Michael O'Gorman on these policies. The presentations will begin the week after the second conference on 13th June 2015. Also, Right2Water Kerry community groups are currently leafleting towns and villages throughout Kerry. This week we will be leafleting the Tralee area. We urge everyone to get involved in this consultation to have their say on the Ireland they want following the next general election. ## FLEMING CALLS FOR ACTION ON BROADBAND

DEPUTY TOM FLEMING.

Deputy Tom Fleming has urged Mr. Alex White, Minister for Communications, Energy and Natural Resources to expedite the provision of high speed Broadband to the remainder of Castleisland area

that is still relying on low speeds megabits (mb) of less than 10mb. This is detrimental to businesses, job creation potential as well as the domestic customers.

Deputy Fleming stated that it is especially hard to comprehend this issue due to the fact that the necessary infrastructure for quality broadband delivery of E Fibre facility exists in the town and he is pursuing this with Minister Alex White and Eircom for the provision of adequate speeds to the remaining 200 premises at an early date.

## THE BREHON'S 'DANÚ RESTAURANT' AWARDED AA ROSETTE

AND THE AWARD GOES TO... THE BREHON, KILLARNEY, HAS BEEN AWARDED THE PRESTIGIOUS AA ROSETTE FOR CULINARY EXCELLENCE. LED BY HEAD CHEF CHAD BYRNE (RIGHT) WITH NIALL MULCAHY, LEFT, TOMAZ CEMPA AND BREHON HOTEL MANAGER, BRIAN BOWLER. PHOTO: VALERIE O'SULLIVAN.

Danú at The Brehon, Killarney, has been awarded an AA Rosette for culinary excellence. Led by Head Chef Chad Byrne, the fine dining experience at Danú has underpinned the hotel's reputation as one of Kerry's most exceptional destinations across locals and tourists alike.

AA Rosettes are awarded solely for the quality of the restaurant's cooking that demonstrates consistent standards of all dishes on the menus. To achieve an AA Rosette Award, innovation, greater technical skills, consistency and judgement in combining and balancing ingredients are required. Rosettes are only awarded to those restaurants which aim for and achieve higher standards. They must exhibit greater precision in their cooking and selection of quality ingredients.

To specifically achieve one AA Rosette chefs need to display a mastery of basic techniques and be able to produce dishes of sound quality and clarity of flavours, using good and fresh

ingredients.

As with all inspections, the AA Hotel Inspector used an alias when booking their unannounced visit to The Brehon Killarney, ensuring an authentic guest experience. The most discerning of diners, the AA Inspector's experience at Danú did not disappoint. Of the 'Cured Organic Salmon' starter, the AA Inspector described it as "tasty", "light" and "moist", commenting on the "great flavours" and "accurate preparation" of the dish. The AA Inspector also commended Chef Byrne's combination of fresh ingredients and a flair for the unusual.

Another key component in one's overall dining experience is the quality of the service, which was noted to be of a high standard at both Danú and The Brehon Killarney. The AA Hotel Inspector commented that the team exuded natural friendliness which was underpinned by sound professional procedures and great menu knowledge.

## BASKING IN THE BEAUTY OF BEARA

Saturday saw the staging of the first Ring of Beara Cycle Kenmare. This much anticipated event had sold out two months in advance and attracted over 2000 cycling enthusiasts from all over the world.

The early start didn't dampen the spirits of the participants. The cycle was officially started by Minister of State for the Diaspora Jimmy Deenihan. He said "events like this are brilliant for the town, promoting a healthy lifestyle and showcasing the best that Kenmare and the Beara peninsula has to offer".

Under sunny skies the cyclists embarked on a challenging 100km or 140km route which encompassed the magnificent mountains, valleys and the rugged coastline of the Beara peninsula. Both routes started in Kenmare town and headed out the Beara peninsula towards Lauragh, passing the picturesque towns including Ardgroom, Eyeries,

Castletownbere, Ardrigole, Glengarriff and back to Kenmare town. Participants enjoyed food, music and chat at the food stations dotted along the route.

Communities along the Beara peninsula came out to support and welcome the cyclists to their villages.

Cyclists arrived back to Kenmare to a festival like atmosphere and were treated to a well-earned massage, Japanese hot tubes, custom designed medal, live music and food.

The Ring of Beara Cycle was truly a family occasion with over 300 children taking part in the free kid's cycle.

Proceeds from this event will go to two local charities South West Counselling and Cancer Connect.

Sarah Durkin, chairperson of Kenmare Marketing Group said 'The cycle would not

have been possible without the help of the people of Kenmare, Volunteers, Marshals, Sponsors, and everyone who contributed to make this the best cycling sportive in Ireland."

If you have crisps in the cupboard and ice cream in the freezer, you're making weight loss harder than it has to be. Reduce temptation by emptying the cupboards of fattening foods. Want an occasional treat? Make sure you have to leave the house to get it - preferably by walking.

### BB Cream

For the summer months, you don't want to be caked down in foundation, so try a tinted moisturizer or BB cream instead

## HALF OF IRISH PEOPLE WOULD NOT MONITOR THEIR MOLES FOR THE CRUCIAL SIGNS OF MELANOMA

**NEW RESEARCH** from the Marie Keating Foundation shows one in five men in Ireland cannot identify any of the visual signs of skin cancer.

**Dublin, 5 May 2015:** Half of Irish people would not monitor their moles for changes in colour, size or elevation, all crucial signs of melanoma, new research from the Marie Keating Foundation has shown. The research, announced at the launch of the cancer foundation's Spot the Difference campaign, also shows that one in five men in Ireland cannot identify any of the visual signs of skin cancer. Though women in Ireland are more likely to develop melanoma, men are more likely to die from the cancer. To help people learn how to spot the difference between normal moles and potentially cancerous ones, the Marie Keating Foundation has launched its Spot the Difference campaign which includes an infographic, a website featuring images of cancerous moles and an online video featuring people affected by melanoma. For more information, see [www.spottedifference.ie](http://www.spottedifference.ie). The Spot the Difference campaign is proudly supported by MSD.

Melanoma is one of the ten most common cancers in Ireland and the rates of diagnosis are increasing each year for both men and women. Many Irish people have the risk factors for melanoma which include fair skin; the tendency to burn and having lots of freckles or moles. Exposure to sunlight, especially through short, sharp bursts such as during a sun holiday, also increases the risk, as does the use of sunbeds. Melanoma can affect any age group.

### THE ABCDE SIGNS OF MELANOMA ARE:

**Asymmetry** - If you draw a line through a melanoma, the two sides will not match

**Border** - The border of an early melanoma tends to be uneven. The edges may be scalloped or notched.

**Colour** - Most healthy moles are all one colour. A mole with a number of different shades of brown, black or tan is a warning sign. Melanomas may also be blue, red or some other colour.

**Diameter** - Melanomas are usually larger in size than the rubber at the top of a pencil (¼ inch or 6mm).

**Evolving** - Any change in shape, colour, size, elevation (height), or any other trait, or a new symptom like bleeding, itching or crusting is a warning sign.

## PEDESTRIAN SAFETY

**ROAD-WISE PEDESTRIANS ARE SAFE PEDESTRIANS.** Find out how to put your best foot forward and stay safe on Irish roads **Better safety, step-by-step**

In 2008, 49 pedestrians were killed and 1,124 injured on Ireland's roads. That's 18% of all fatalities and 12% of all casualties from road collisions in the country.

The basics

Although you can't be responsible for the way people drive, you can take a number of steps to make yourself safer as a pedestrian:

- Stop, look and listen
- Don't try to cross the road between parked cars
- If possible, cross at a pedestrian crossing or traffic lights
- Never cross at a bend
- If there is a footpath use it
- If there is no footpath, walk/run/jog on the right hand side of the road, facing oncoming traffic and keeping as close as possible to the side of the road
- Walk no more than two abreast and if the road is narrow or there is heavy traffic, walk in single file

### Increase your visibility

More than two-thirds of fatal pedestrian collisions happen at night. Although you can hear a car coming and see its lights, the driver may not see you (and certainly won't hear you). To protect yourself make sure you:

- Always wear a pair of reflective armbands, high-visibility belt or other reflective or fluorescent clothing which will help you to be seen from a distance
- Carry a torch on country roads

### Sobering facts

Drunken pedestrians are a source of danger to themselves and other road users. If you have had one too many, don't attempt to walk – hail a taxi, use public transport or get a lift from a

(non-drinking) friend.

Pubs and clubs also have a responsibility to prevent intoxicated customers walking out on public roads where they could be hit by passing vehicles, or cause a crash through their own behaviour. To prevent this happening, bar staff or anyone serving alcohol should decide if the person is fit to walk. If not, they should arrange to get them home safely.

## TOWING A CARAVAN

During the summer, Irish roads become much busier with tourist traffic when many holiday makers at home and from abroad will enjoy a caravanning holiday.

### Here are some tips to help drivers

towing another vehicle make sure they have a safe journey. It offers advice especially for tourist drivers who may be towing a vehicle such as a caravan or a boat trailer.

### GENERAL DRIVING SAFETY TIPS

Make sure you have your driving licence and insurance documents at all times when driving. Always carry a high visibility vest(s), warning triangle, torch (with working batteries), fire extinguisher, first aid kit, tool kit and spare bulbs with you.

Have all relevant emergency helpline numbers handy, including those for emergency services, breakdown assistance and your insurance company.

### What to do before you start your journey

It is important that your car is mechanically sound, so get the vehicle serviced before starting on your trip.

### THE SERVICE SHOULD CHECK THAT:

the tow bar or towing device is strong enough and attached securely so that it does not break

or become loose during use;

the wheels, tyres, steering, suspension and brakes are in good working order;

the battery is in good condition and fully charged;

all lights and reflectors are clean and working; and oil levels are correct.

Depending on the width of the caravan, you may need to fit extension mirrors to your car to make sure you can see the road behind you when your caravan is attached.

Do not attempt to tow if you do not have adequate clear vision in both wing mirrors.

Getting your caravan or trailer in roadworthy condition.

### Tips especially for towing a caravan or trailer

Drive at the right speed. The maximum legal speed limit for a vehicle towing a caravan or trailer is 80km/h.

If the speed limit displayed is lower, for example on certain roads or where there are road works, you must obey the lower speed limit.

Pay particular attention when accelerating and braking, especially when approaching corners. Leave more distance than usual between you and the vehicle in front. Allow plenty of extra time and space if entering traffic.

Allow extra time and distance when overtaking

other road users and make sure you are well past them before moving back to the left-hand side of the road again.

Be careful when driving in wet, foggy or extremely bright conditions or in high winds.

Where possible, pull over regularly to allow vehicles behind you to overtake.

Never let passengers travel in the caravan or trailer when you are towing it. All passengers should always travel in the towing vehicle.

Make sure the load in the caravan is spread evenly to reduce the chance of the caravan swaying. This is especially important in high winds, particularly side winds, when swaying is more likely. Swaying is also more likely when you pass larger vehicles approaching on the other side of the road.

Where possible, drive out forward from a parking spot, as reversing with a caravan is difficult. It is worth practising reversing, but do so in a safe location and with someone to guide you.

Plan plenty of rest stops to avoid the onset of fatigue.

Remember that the only cure for fatigue is sleep.

### EAST REGRION UNDER 16 LEAGUE -

### DIVISION 4 FINAL:

#### GNEEVEGUILLA 2-17 KENMARE 2-04

Kenmare hosted Gneeveguilla in the East Region Under 16 League, Division 4 Final, sponsored by MD O'Shea, last week. The first half was a closely match affair, with Gneeveguilla opening the scoring with two points (Evan Cronin and Jack Cremin). However, the home side responded with a goal from the boot of midfielder David Cronin and two points each by Dylan O'Connor and Michael McCarthy, giving the home side a five point lead. Gneeveguilla reduced the gap with scores from Jamie O'Leary (2), Brian Brosnan and Evan Cronin to leave the minimum between the sides at the break, on a scoreline of Kenmare 1-04 Gneeveguilla 0-06.

Gneeveguilla made a couple of positional switches at half time, and introduced fresh legs. The changes paid dividends immediately and the visitors had a purple patch when they notched up 2 goals, (Evan Cronin and Kieran Dalton) and eleven unanswered points (Sean O'Keeffe (2), Evan Cronin (4), Patrick Warren (2), Brian Brosnan, Shane Carmody and Jamie O'Leary). James McCarthy found the net for a Kenmare goal and the home team played to the final whistle. Great credit must go to both teams and mentors on the skills of the game that were demonstrated in wet conditions. After the game Mary Donnelly from East Kerry Coiste na nÓg presented the cup to Gneeveguilla's captain, Jack Cremin.

Referee: Jimmy O'Shea (Glenflesk)

The groups of clubs are as follows: Glenflesk (H) Rathmore and Legion; Fossa (H) Listry and Gneeveguilla; Dr Crokes (H) Kilcummin, Spa and Firies; Kenmare (H) Templenoe, Tuosist, Kilgarvan and Sneem.

Cian Cronin took third place in the individual competition for Firies NS, a well deserved award for a talented player. Congratulations to all players that performed in Fitzgerald Stadium they represented themselves and their schools superbly on the day.

## DR CROKES CLUB NOTES

### SENIOR COUNTY CHAMPIONSHIP - 1ST ROUND

#### DR CROKES 2-16

#### SHANNON RANGERS 0-9

It was good to steer clear of a losers round game as a result of our victory over Shannon Rangers at Tarbert on Saturday night last. This was by no means a classic performance by our lads, but any game you win by thirteen points, away from home, has to go down as a satisfactory result.

**UNDER 12:** The under 12 girls started their league campaign with a game away to John Mitchels Tuesday last. The girls started very well with some lovely scores coming from Sarah McMahon and Holly Power and Jessica Leahy Rocha Clifford. Pia Hickey was excellent in the middle of the field. The girls went in just one goal down at halftime but Mitchels strength and experience started to show and they pulled away from us in the second half. But the

girls near gave up and played with great spirit to the end. Megan Lenihan, Emma Kelly and Dawn Carmondy worked tireless in defence. Score was 5-5 to Mitchels 1-7 to Crokes.

**UNDER 14:** The girls bounced back immediately from last weeks defeat to Scartaglen by defeating Kerins O'Rahillys 4-3 to 3-5 at Strand Rd on Sunday evening, their fifth victory of the campaign.

**SENIOR HURLING:** It's back to competitive action this week and we play Crotta in the County Senior Hurling League (Div 2) on Wednesday night at 7.30pm. It's a home game for us.

## UNDER 14 HURLERS:

Detailed Match Reports on the club website [www.beaufortgaclub.com](http://www.beaufortgaclub.com)

**U14 GIRLS:** Sponsored by Beaufort Drama Group played Scartaglin in Cordal on Sunday last in the final round of the County League. Scartaglin were the better team on the evening and deserved their win. Final score Beaufort 1-7 Scartaglin 8-9.

**U12S BOYS:** Had mixed fortunes on Sunday evening with the Amber team losing to Renard and the Blue team winning. Beaufort (Amber) 5 - 12 Renard 5-17 and Beaufort (Blue) 5-23 Renard 5-6.

Renard started out very strong and quickly put goals on the score sheet which rattled the Beaufort (Amber) team. It took the whole of the first half for the Beaufort team to settle. At half time the score was Beaufort (Amber) 7 points to Renard 5 - 8. Beaufort had a lot to do in the second half. Putting Timmy Casey in defense turned the game around and prevented Renard any goal-scoring opportunity in the second half. It was Beaufort who did all the goal-scoring in the second half and put 5 goals on the score sheet in answer to Renard's 5 goals scored in 1st half. Simon Coffey had a tremendous game and played to the max in both halves. Patrick Galvin played in goals in the second half and made some great saves which prevented Renard adding more goals to their already big collection. Mikey Moriarty also collected and delivered some lovely ball and

contributed a goal and 2 points. Sam Roberts also contributed to the game with some great tackles and also added a nice point to the scoreline. Darragh Crehan scored a great goal in the second half which was badly needed at that stage of the game as Beaufort were gathering momentum. But unfortunately, they ran out of time and were only defeated by 5 points in the end after closing a huge gap of 16 points at half time. The Beaufort (Blue) team led all the way from beginning to end of the game. They were very strong against the Renard team especially in the first half. Score at half time was Beaufort (Blue) team 5 - 8, Renard 1 - 1. Renard came back stronger in second half and closed the gap a little, but they were still no match for the Beaufort (Blue) team who won decisively in the end.

**U12 GIRLS:** Played an understrength Currow in Beaufort on Tuesday evening last and had a good win on a score-line of Beaufort 7-12 Currow 1-8.

**BOYS U-10 BLITZ:** Continues on Monday evenings in Mid-Kerry. Keel will host next Monday night's Blitz.

## MILLTOWN LISTRY LADIES FOOTBALL

Well done to Milltown Listry Senior Ladies who are Division 4 Champions beating Clounmacon/Moyvane 7 goals 12 points to 3 goals 9 points. This was a great display by our girls and a great team effort and every girl gave it their best and they did their Club proud. Thanks to all involved with the team and to all the supporters who travelled to the game.

Well done to our u 14 girls who beat Rathmore by 2 points in the county league. This was a hard fought contest and both teams gave a great display of football. Thanks to everyone who supported our bag packing fundraiser and to anyone who helped in any way to make it a

success.

## LEGION GAA

**SENIOR CHAMPIONSHIP:** Our senior side saved their best football for the final eight minutes of the extra time in this first round clash with last years beaten finalists Mid Kerry. Trailing by three points at halftime of extra time, signs were ominous and when Mid Kerry added another point on the resumption, a victory looked highly unlikely, but when David O'Sullivan with two and Kevin Breen with a fine point, the stage was set for an enthralling finish .... enter Conor Keane ... with a couple of minutes left on the clock, he weaved his way through the defence to slot home what would be the match winning goal and then moments later as we defended our new lead, the same player stopped an opposing attack in his own penalty area. Its fair to say that this game would never have even made it to extra time only for a superb injury time free taken against a very strong wind by David O'Sullivan, some good long range points by Jamie O'Sullivan and the remarkable defending by Podge O'Connor.

**U12 GIRLS:** Well done to our U12 girls who played Scartaglen last weekend and won out on a 2-08 v 2-02 scoreline. Great all round team performance and well done to the management . Next up is an away game to Spa **U14 GIRLS:** The u14 girls had a comprehensive victory over visitors Listowel Emmets last Wednesday evening at home. A fantastic team performance with each of the girls showing improvements with every game. Well done girls.

**U12 BOYS:** Our under 12 boys teams commenced their round 2 (Division 2) games against near neighbours Fossa.

We played Fossa in our preseason warm up and they were far sharper than our lads. There was a sense of dejavous at Dirreen when both Fossa teams playing with the northerly wind, took early control of both games. In the A game, the green team found themselves struggling to make inroads against a strong Fossa side who used the wind their physical advantage to peg Legion into our own half. The Fossa lads were sharp in attack and had nearly a dozen scores to a single point from Legion at the small whistle. Legion fought back in the second half but the concession of two early goals meant it was a mountain too far for them to climb.

Final score was Legion 1-11 Fossa 4-12.

The White side, despite playing some attractive football, had defensive woes and conceded 5 goals and 5 points to our 5 points at the break. Playing some lovely attacking football and defending with more resolve, Legion fought hard to bridge the gap in the second half and were unlucky with some goalmouth scrambles which Fossa managed to clear. A very sporting game finished Legion 1-16 Fossa 5-10

**NEW SPONSORS:** Randles Bros, Nissan Dealers Killarney and Tralee are the new

sponsors of the Killarney Legion. This includes sponsorship of the Senior Team and the new jersey was launched last Thursday at the club grounds in Derreen. David Randles has a lifelong association with the club and in his own words feels that there has never been a better time to be involved in the club. Speaking on behalf of the Club, Chairman Jimmy Reen thanked outgoing sponsor Pat O'Connor of Kerry Phone Centres for his loyal and long support and welcomed Randles Brothers Nissan Dealers Killarney and Tralee as our new sponsors. He stated that this new partnership heralded a new and exciting era for the club. Also present were Club Secretary Barry Slattery and Vice Chairman Enda Walshe, Randles Brothers Head of Sales Sean McMonagle, the full senior panel as well as Isobelle Corridan and Mairead O'Donoghue who represented the Ladies Section of the club.

**U14 BOYS:** Well done to the East Kerry u14 side that defeated a gallant St. Brendan's (Churchill, Ardfert, St. Pat's, Blennerville, Na Gaeil & John Mitchells) in the Under 14 District championship on a score-line of 5-11 to 3-08. The game was a lot closer than the score suggests. Although East Kerry led at the small whistle by six points, the St. Brendan's team came back into it in the second half and went 2 points ahead. East Kerry had to work extremely hard to seal the victory and deservedly ran out winners on the night. Legion lads Darragh Lyne, Evan Smith, Kieran O'Donoghue, Tadhg Doolan, Donal Lucey and Adam Kissane all started while Craig Moriarty and Ian Prendergast were also part of the winning panel. East Kerry are now into the cup semi-final and will be back in action Wednesday 27th May with both the opposition and venue still to be announced. Well done lads.

**U-12 BOYS COUNTY LEAGUE:** Both of our U-12 teams had a great win on Sunday evening over Legion with the Red team winning on a scoreline of 5-10 to 1-15 and the Black team won 4-12 to 1-11, well done to all concerned.

**JUNIOR FOOTBALL:** After a tough opening game against Lispole which we lost 2-10 to 1-04, our junior team recorded a great win over Scartaglin last Friday evening in the County Junior league. With a good mix of youth and experience they put up a big score and played really well in accounting for Scart, it is very important for all these players to get a decent run of games as it keeps guys interested as well as playing which can only benefit the club in the long run, final score was Fossa 2-16, Scartaglin 2-05. They are at home to Cordal in the next round on Friday 29th May at 7.30pm.

**TEAM:** Alec Rennie, Francis Moran, Paul Lynch, Brian Myers, Damien Dennehy, Daniel O'Keeffe, Conor O'Keeffe, Daniel O'Connell, Lawrence Kelly, Chris Myers, Michael O'Keeffe, Donald O'Sullivan, Pdraig Devane. Subs Tommy Cronin, Andrew Cronin, Cathal Talbot, Michael O'Sullivan Alex MacFarlane.

## ROWING TO RIO

**The Monika Dukarska  
Blog. The story of a  
Professional Athlete**

It is now Sunday and I am writing my last blog before I depart to Poznan, Poland where I will race in the Women's Pair (W2-) event for Ireland. I will compete against 13 other crews including a crew from Poland. The following countries entered the W2- category at the Championships: Germany, Great Britain, Spain, France, Netherlands, Poland, Croatia, Belarus, Czech Republic, Denmark, Russia, Ukraine and Romania. Top three boats from each heat will qualify directly into an A/B Semi-final with the remainder fighting for the last three places available in a repechage.

Top three boats from each semi-final will then go into Final A on Sunday. It will be my first time meeting the majority of the crews. I raced against the Spanish pair in Piediluco in April but I did not meet the remainder of the competition. The Great Britain pair are the Olympic and World Champions while the Netherlands won the World Cup I regatta last month, hence the racing will be of a high calibre. This championship is very important to us as a crew as it will give us an idea of our ranking in Europe and it will be a great learning experience. It will help us identify areas that need further improvement and areas that we are particularly good at.

So far, the preparations for the European Rowing Championships are going well and according to plan. To date we had a number of racing pieces, which helped us to work on our racing start, transition and a wind to the finish. We also trained in all water conditions: flat calm, cross wind, head wind and a tail wind. Some conditions were tougher than others were but we aim to master all conditions and be confident at racing no matter what the weather throws at us on the day.

Over the last few days, we also made some technical changes, which improved our boat speed. The focus was on the human kinetic chain and linking the lower and the upper body in a natural but powerful way, making the rowing stroke more efficient. It has worked!

The last few days before departure will be all about rest, nutrition and packing. The boats are leaving a few days before we will depart to Poland; hence, we have to be very well organised.

I am very excited for the event, firstly because it is my first major competition this season and I want to test myself in a new boat category and secondly because my family will come to watch me race. I will have a home advantage away from home, I cannot promise a particular result but I promise one thing: I will leave everything I have on the water! Let the racing begin

## GALVIN STARS IN INTERNATIONAL RUGBY SEVENS DEBUT

Finuge's Louise Galvin made the first steps on the road to the next Olympics as she featured in Ireland's Women's sevens team last weekend in Amsterdam. Louise was picked as part of the panel that travelled and scored three times as Ireland defeated Norwegian Vikingettes 52-0 in a pre-qualifier before they reached a group stage.

Galvin showed her worth in the preliminary qualifiers when Ireland accounted for Ushizi Warriors (a Dutch-Swiss selection) (54-0), Finland (45-0) and the Norwegian Vikingettes (52-0).

Ireland topped their Pool after Day 2 of proceedings with big wins over teams from Switzerland, Scotland and Olympic hosts Brazil.

Ireland accounted for Switzerland by 43-0 in the opening game of the tournament to set up a meeting with Scotland. Galvin was part of the side that again shut out the opposition, this time on a 36-0 score line maintaining the standard of attack and defence they set on the opening game.

The Amazonas were next up and the Ireland girls built on a 19-0 half time lead to book a semi final place against Wales with a final score of 31-0. Ireland conceded their first points of the tournament in the

LOUISE GALVIN

semi-final but they took the result by 19-14.

The final saw them up against the Maple Leafs from Canada and it was tight affair, evenly balanced at 7-7 at half time.

The Ireland team showed great application but the Canadians won the day by 26-14 with a strong second half performance.

As the Ireland Women's Sevens team are not in the World Series, the route to the Olympics is through the regional qualifiers for Europe. This year's European Championship will be held over two consecutive weekends (Russia, June 13-14, and France, June 20-21). The winning side qualifies for the Olympics.

## KILLARNEY SOUTH COMMUNITY GAMES NOTES

**TRAINING:** For all Kerry South Community Games Athletes continues this Wednesday meeting at St Oliver's Primary School at 6:30 PM (car pooling) and continuing to an Riocht track in Castleisland. As Killarney South prepare for the county finals in June we remember last year as being one of the most successful ever in Athletics in the area's history. We were awarded second best area in the county just behind Kenmare. 13 Athletes involving 2 relay teams and 4 individuals qualified for the All Ireland finals in Athlone last August. Mark Cooper secured an All-Ireland medal with Kerry in Cross Country and Jack Greaney was just outside the medals in the All-Ireland Cross Country with Kerry. The U16 mixed Relay Team of Sarah Leahy, Christine Cooper, Lorna O'Sullivan, Cian Gammell and David Shaw were just outside the medals having the precious year secured silver after a lengthy dead heat verdict. Alex Hennigan won 2 All-Ireland individual track medals in Athlone; bronze for the U10 60 metre hurdles and the pewter medal for 4th place in the u10 All-Ireland mixed Relay with team mates Conor Gammell, Teddy Muldoon, Pia Hickey, Aoibhinn Eveans and Alexandra Casey. Huge credit must go to trained Anthony Greaney current master's Kerry sprint champion for his expertise especially in the relays. This was a phenomenal result for the area last year and while we may not be as successful this year it has given Athletes in the Killarney South Area something to aspire to. Best of luck to all the Athletes in the County Finals in June.

## CYCLING NEWS

Cycling's summer League heads to Churchtown: Hoosier had a recent song called 'Take me to Church'. From a cycling point of view it is a case of take me to Churchtown as the Killarney Cycling Club hosts Round 2 of the Kerry Cycling Clubs Summer League.

The races will start and finish at Churchtown in Beaufort and will begin with the underage at 6.30pm. Following this the seniors will begin at 7pm and will tackle the 7.5km circuit.

This undulating circuit should provide for some exciting racing and the host club will be hoping for a repeat of the first round result where Leigh Hewerdine took maximum points in the Killorglin CC organised race. Fellow Killarney CC member Conor Kissane was second.

Looking at the underage and Killarney CC also took the u16's race with Eoin Blake coming in first. In the u14's it was Kanturk's Tom Moriarty who won with another Killarney CC rider Patrick Galvin the first u12 home.

This is the second of 7 rounds which sees the Cycling Club's Summer League continuing until August 6th with the finale being hosted by Currow.

## KILLARNEY RFC NEWS

**AGHADOE:** Work continues up in our new home in Aghadoe, under the watchful eye of Project Manager and Club Captain Ger Moynihan. Last week foundations were poured for the goalposts on the various pitches. It is hoped that the posts themselves will be put up this weekend or early next week.

Also the path has been laid for the Trim Trail. The path is approximately 1 km long around the perimeter of the pitches. We are awaiting the materials for the Trim Trail equipment, however it is hoped that the Trim Trail will be in place by early July.

These are very exciting times for Killarney RFC. If you are passing the site in Aghadoe, take a

look! We are hoping to have a Family Open Day in September. Keep posted to our Facebook page for further updates.

**TAG TUESDAYS:** The Tag Tuesdays continue at Killarney Community College each Tuesday at 7pm. This is a great way to play some rugby, meet new friends and get fit over the summer. Tag rugby is great for beginners also. Check out [www.krfc.club](http://www.krfc.club) or the Tag Tuesdays Facebook page for further details.

**MUNSTER RUGBY SUMMER CAMPS:** The Munster Rugby Summer Camps takes place at Killarney Community College between Monday 20th - Friday 24th of July next. All children (boys and girls) from 6 to 12 years of age are welcome to come along and have

All this while learning to develop the basic rugby skills of passing, tackling (in a controlled environment), evasion and kicking. Most of all we guarantee lots of fun under the guidance of fully qualified and vetted coaches. Check out [www.munsterrugby.ie](http://www.munsterrugby.ie) for details.

## KERRY AMATEUR RADIO GROUP CELEBRATE MARCONI DAY

DECLAN HORAN EI9FVB AND BILLY O'CONNOR EI7CQB AT THE PLAQUE COMMEMORATING THE FORMER MARCONI WIRELESS STATION IN BALLYBUNION.

Members of the KARG recently participated as an award station in International Marconi Day 2015, from Coláiste Bhréanainn in Ballybunion by kind permission of the Coláiste committee. The Coláiste is located on the site of the original Marconi Radio Station in Ballybunion Co. Kerry, from where the very first east to west transatlantic wireless telephonic communication was made in March 1919, using

the callsign YXQ. At that time, communication was attempted in one direction only, with the sending apparatus located at Ballybunion and the receiving apparatus at Louisburg, Cape Breton, Nova Scotia. Members of the KARG successfully operated two stations simultaneously for the full 24 hour durations of the event on April 25th last, using the club call sign EI1K. The stations made lots of contacts all over the world including Australia, New Zealand, Falkland Islands, India, Canada and west coast USA, all done using wireless communication. Approx 68 countries were contacted over the 24 hr period of the event.

Other Marconi Award stations around the world were also contacted, the most significant one being the Marconi station from Bologna, Italy, which is the birthplace of Guglielmo Marconi. KARG operated one station on 40 metre and 80 metre wavelength radio bands using a G5RV antenna, while another operated on 20-10 metre wavelength bands using a Cobwebb

antenna. The Ballybunion local community were also very supportive of the Marconi Award station, as the station was visited by members of the local Sea & Cliff Rescue, Irish Coastguard and Fire Service. All expressed great interest in our activities, culminating in KARG being presented with a certificate of appreciation by the Irish Coastguard, for running the event, and highlighting the importance that this Marconi Radio Station had, to Ballybunion and its surrounding areas. Further information on the former Marconi station at Ballybunion and Kerry Amateur Radio Group can be found at <http://www.kerryamateurradiogroup.com/marconi-station> and <http://www.qrz.com/lookup/ei1k>

New members and visitors are always very welcome to join our monthly KARG meetings. Next meeting is Saturday 30th May, upstairs in St Bridgids School Sports Hall, Killarney at 11am.

### REPORTS: Celtic always going to win!

**TOM HAYES 14'S SHIELD:** It was the clash of the two Celtic's as Killarney Celtic took on their unbeaten North Kerry counterparts

Listowel Celtic. Listowel Celtic C had already picked up the League title, going through their campaign unbeaten. Killarney Celtic C came into this Shield final in good form, having beaten Inter Kenmare in the semi-finals.

And it was Killarney Celtic C who got off to the perfect start and were 3-0 up thanks to goals from Alan Dineen, Ruairi Darcy and Jack McCarthy. Listowel Celtic C pulled a goal back through Mikey Nolan before the break to leave it 3-1 at the half.

When Paudi Looney extended Killarney Celtic's lead with a sublime chip over the Listowel keeper there was always only to be one winner. However Listowel Celtic C never gave up and they got their second through Ted Moloney. They did go close to getting a 3rd but it was Killarney Celtic C that wrapped up the scoring with Cian O'Leary volleying home from outside the box.

Killarney Celtic's Cian Dineen was presented with the Man of the Match Award.

### LEAGUE REPORTS:

### DALY'S SUPERVALU 13'S:

**POINT APIECE IN PREMIER:** In the Premier it finished Ballyhar 0-0 Tralee Dynamos with the home side probably happier with the point. Dynamos would have leapfrogged Listowel Celtic into third if they could have taken all three points.

### PARK'S THREE FOR THREE POINTS:

**13 DIVISION 2:** Dingle Bay Rovers are celebrating winning the Daly's Supervalu 13's Division 2 title as they won away in Ballyheigue in a winner takes all final game of the season. ### FOUNDATION SPORTS 14'S:

### KILLARNEY'S HOOPS TAKE THE TITLE:

Killarney Celtic knew that three points would see them secure the Premier Division title and they got what the needed with a 5-0 win over Listowel Celtic. Goals from Darragh Lyne 2, Patrick Darcy, Mark Cooper and Ryan Kelliher secured the title for the Killarney hoops.

### 14'S DIVISION 1: CHAMPS CAMP WIN

**AGAIN:** Camp Juniors have wrapped up the Division 1 Shield and won again at the weekend defeating Ballyhar 4-2. Killian Falvey and Jack Farrell both got two each for the winners while Dylan O'Callaghan hit two penalties for Ballyhar.

### KILLARNEY PLAZA 15'S:

**DYNAMOS DO DOUBLE:** Tralee Dynamos 15 Premier side enjoyed a great end of season week with two impressive wins. First up they defeated Killarney Celtic 6-1 with Dillon Robinson hitting 5 and David O'Connor netting the 6th. Following on 2 minutes later they were 3-0 winners at home to Camp Juniors. Here it

was 2 from Dillon Robinson and one from Dara Lowth that earned their side the three points.

### 15 DIVISION 1: 8 GOAL THRILLER IN

**DIVISION 1:** Killarney Athletic trail Inter Kenmare by a point in the Killarney Plaza 15's Division 1 battle for 3rd spot and in this game they couldn't be separated despite 8 goals being scored. Foinbarr Hickey's hat trick and one from Stephen Crosini saw the Woodlawn boys earn a point.

### TRALEE TROPHY WORLD 16'S:

### CAMP JUNIORS HOLD ON TO TAKE

**TITLE:** In the Tralee Trophy 16's Division 2 Camp Juniors welcomed Ballyhar with the title on the line. The home side only needed a draw and it looked very good for them when they went 2-0 up thanks to goals from Jimmy O'Grady and a Joe Kennedy penalty. However Ballyhar are nothing if not resilient and they levelled it thanks to goals from Ciaran and Joe Flynn.

**GAYNOR CUP 14'S PREVIEW:** The busy month of Inter League competitions begins this weekend when the Kerry 14's Girls are the first of 3 teams into action. They will be followed by the 14's Boys in the Kennedy Cup (June 8th to 12th) with the 16's Girls playing in their Gaynor Cup tournament on the last weekend of the month.

Action for the 14's Girls gets underway this Friday when they face Clare at 6.45pm. On Saturday morning Kerry play Donegal at 11.30am and Mayo at 4.30pm. They round off their Group games on Sunday when they face Longford. The play-off and final positions will be decided on Monday.

### KERRY'S U12 GIRLS IMPRESS IN FIRST

**OUTING:** The Kerry u12 Girls played their first competitive games in a tournament in Kilmallock on Saturday. This was their first full game with offside and they were obviously nervous in their first game going down to Tipperary. However they were quickly into their stride and in their second game they defeated Limerick Desmond 6-2. Jade Harkin got 4 with Ciara Butler and Katie Keane also scoring. In their 3rd and final game the young Kerry girls put in a great performance when winning 5-2 over Limerick County. Jade Harkin rounded out a great day getting a hat trick. Katie Keane and Elena O'Doherty were the other Kerry goal-getters.

## RESULTS: UNDER 12 LEAGUE

### KILLARNEY ATHLETIC 0 KILLORGLIN 0

Athletic played their last game of the season last Saturday at a sun drenched Woodlawn. Athletic took control of this game from the start

and should have really won this game, but the Killorglin keeper would not be beaten on the day and even when he was, the post came to his rescue even though he should not been on the field after he brought down Eoin Mulvaney and denied him a goal scoring opportunity. The Athletic keeper and back four were brilliant and the midfield quartet controlled the game and set up some fantastic moves and chances for the front men. Athletic introduced all five subs and each played their part but had to settle for the draw. Overall an excellent performance from all. The under 12 management would like to thank the players for their commitment and their parents for all their help with transport to games and training. Thanks see you next season.

**KILLARNEY ATHLETIC WEBSITE:** Please check the website on [www.killarneyathletic.com](http://www.killarneyathletic.com) or facebook for match reports, club information and contact details.

## KILLARNEY CELTIC NOTES

**BEST WISHES:** Killarney Celtic extends best wishes to all members doing exams at this time. Underage Training for our non-competitive age groups is now finished for the summer; hopefully we will see you all back for the start of next season.

### RESULTS:

#### U15 PREMIER: TRALEE DYNAMOS

**6 KILLARNEY CELTIC 1:** We were understrength, but that's not to deny the brilliant display by Dynamos.

#### U14 LEAGUE CHAMPIONS! KILLARNEY CELTIC 5 LISTOWEL CELTIC 0:

What a way to wrap up a league title! Listowel gave us a great battle, as they always do, but the lads were not to be denied with the finishing line in sight and produced a blistering display, one that the club is hugely proud of and augurs well for a bright future. Darragh Lyne scored two, with Mark Cooper, Ryan Kelliher, and captain fantastic Patrick Darcy also on target. Patrick led from the front all through but the man of the match award has to be shared among a hugely committed, hugely disciplined, and hugely talented squad.

#### TOM HAYES U14 SHIELD FINAL: KILLARNEY CELTIC C 5 LISTOWEL CELTIC C 1:

A fantastic display saw the Tom Hayes Shield being added to our growing collection. Alan Dineen headed home the first after a great cross by Cian Dineen. Ruairi Doyle tucked away the second after Alan Dineen picked him out with a brilliant free-kick, with Jack McCarthy putting us 3-0 up at the break. Pauric Looney with a fabulous bit of skill and Cian O'Leary wrapped up a magnificent win in the second half. There was no man of the match – every single player, including every sub (all players got a run) played out of their skins in a

fantastic team display. Our thanks to Killarney Athletic for hosting the game.

#### U12 DIV TWO: ST. BRENDANS PARK

**B 1 KILLARNEY CELTIC C 1:** Park had already been crowned champions before this game and both teams have to be credited with putting in strong displays in what was effectively a meaningless fixture. Park took the lead with a good goal, but Celtic stayed calm and drew level when Luke Crowley picked out Simon Coffey with a great pass. Simon was hauled down in the square, Tim Casey's thunderbolt crashed back off the crossbar, but Jamie Aladi reacted like lightning to force the ball home. Park pressed hard but some super play by Eoin O'Reilly, debutant Luke Crowley, and Aaron O'Sullivan preserved the deadlock. Celtic applauded afterwards as Park were presented with the Division Two trophy, with the Park captain generously acknowledging Celtic as their toughest opponents en route.

**U10:** Our U10 girls traveled to Macroom FC and had an absolutely brilliant game, trailing by 6-3 before a stirring comeback saw the game finish level. Our U10 Boys hosted Mungret FC and again a brilliant time was had by all.

**LOTTO RESULTS:** Numbers drawn 1, 2, 16, 21. No winner.

If anyone has information for the notes contact Jimmy O'Sullivan Darcy 087 9633397 or [jimmyosdarcy@gmail.com](mailto:jimmyosdarcy@gmail.com). Check out [www.killarneyceltic.com](http://www.killarneyceltic.com) for Killarney Celtic news, match reports, or photos.

## KERRY PITCH & PUTT

Last Sunday the Kerry County Stroke-Play Finals took place on a fine Castleisland course. A huge turnout of over fifty players taking part.

In the Junior grade some fantastic scores were returned. Three players came home with six under par totals but Tralee's Shane Collins returned a near perfect score of nine under par to take the Junior title. Castleisland's Lorcan O'Connor came second on count back from Deerpark's Kieran Fitzpatrick.

In the Intermediates it was the same with three players returning thirteen under par totals with Tralee's Gavin Carroll taking the runner up spot from Deerpark's Michael Foley and Listowel's Richard Bunyan. However home favourite Aidan O'Connor on home soil returned a fourteen under par total to take the Inter title. In the seniors the scoring was exceptional with Deerpark's Damien Fleming taking the runner up spot with sixteen under par. Deerpark's Conor McCarthy blitzed the field returning a fantastic nineteen under par total.

Thanks go to the two County competition secretaries Castleisland's Julianne Browne and Deerpark's John McGrath who ran the competition with aplomb and the castleisland club who had their course turned out in style. This weekend Kerry have four players taking part in the National Match-Play Finals in Lakeside, Templemore, Co. Tipperary. Listowel's Richard Bunyan takes on Ireland No. 1 John Walsh in match 1, Tralee's Jason O'Regan takes on Kieran Earls of the Parteen club in match 21, Listowel's Mortimor Galvin plays Dubliner Darren O'Reilly in match 27, finally Deerpark's Damien Fleming takes on WestMeath's Gerry Coyne in match 31.

# Tommys Farming Week

Driving to a football match last Sunday evening many farms were hives of activity, neat green lines interspersed with white covered fields in every direction. The silage season had begun and a good weather forecast for a few days had farmers reacting, unfortunately the Sabbath would have to be broken to preserve winter forage in decent condition. Monday morning must have seen a lot of choice words and phrases uttered around the county as heavy drizzle saturated the newly cut swards. There is nothing worse than a promise of a fine day that fails to materialise and with so much grass cut it creates an unwelcome headache. Preservation of fresh young May grass is not easy at the best of times but saturated with water it is extremely difficult. Hope and invocation on their own won't work miracles and unless good sun and wind follow quickly the resulting silage will be sour and poorly preserved. Such is life and it is not made easier by communication of blue skies just over the Cork border. The outlook for the coming week does not lend itself to much optimism, the Jetstream appears to have taken up residence directly over Ireland and it will be the early days of June before we see it move north. No matter how far we go

with technology in Agriculture the basics never change.

China was back in the news this week, another flying visit, another farm profiled, another promise of a beef market to be accessed. The US adventure is now old news, it has delivered very little and so it is easy to get cynical. But really we must not lose faith, an endorsement by the most powerful man in China is an enormous bonus for this little food island, a marketing coup that money couldn't buy. A market so immense that we can not really comprehend the effect its consumers will have on food markets globally.

The leader of a country of one and a half billion people visiting an Irish farm and speaking so positively about our industry is hard to credit. When it was discovered that the Chinese premier was heading for Brazil immediately after his visit to Ireland the groan was audible.

But we really are not seeing the wood from the trees when we look on this in such a negative fashion. We compete for market space on a global scale, if a country of over a billion consumers opens its doors

to our rivals and attracts them in, then their focus on and supply to our traditional market diminishes, a growing base has a silver lining for everyone. A world where almost a million new consumers are added each week is a good place for farmers. It will have pitfalls, many of our own making and irrational exuberance is always a dangerous emotion but for those who remain focused on the basics, the sun will come out eventually. When it does we must make as much silage as we possibly can.

## 40% OF FARMERS EARN LESS THAN €10,000 FROM THE FARM

Some 40% of Irish farmers earn less than €10,000 from their farm, the latest figures from Teagasc show.

It also says that the number of farmers who are earning less than €10,000 is increasing year on year. The National Farm Survey figures show that the average farm income (gross output less costs) is €26,974.

The average subsidy payment on Irish farms is €18,859 and accounted for 70% of farm income. On cattle and sheep farms, subsidies comprised over 100% of income.

The figures also show that farms involved in dairying have a significantly higher income, at €68,877 compared to those on the

lowest end of the scale – cattle rearing (young stock) of €10,271.

Of the 14,000 (18%) of farms nationwide that have a farm income of more than €50,000, only 3,000 are not involved in dairying at some level.

The figures also showed that dairy farmers are the most likely to have invested in their enterprise, with dairying accounting for 63% of all new investments. The average investment on dairy farms is up 16% on 2013, at €22,000.

However, it also shows that household debt is not being used to fund farming enterprises which, Teagasc said, is a good thing.

## NO GLAS APPLICANT SHOULD BE DENIED ENTRY TO THE SCHEME

IFA Rural Development Chairman Flor McCarthy has said that the Minister for Agriculture Simon Coveney must ensure that all applicants who apply for the current phase of GLAS are accepted into the scheme even if this means allowing applications in after Friday (May 22nd).

The IFARuralDevelopmentChairman said that given that there have been so many changes to the specification and Terms and Conditions since the scheme was first opened at the end of February, flexibility must be shown in allowing all farmers into the scheme. Also, the problems with the IT system have not helped in maximising uptake.

Flor McCarthy said that the Minister must aim for his original target of 30,000 joining and 50,000 joining in the current RDP. The Minister must also ensure that next phase of GLAS is open after 29th May with system remaining open for Planners to continue to do plans which will have

IFA RURAL DEVELOPMENT CHAIRMAN FLOR MCCARTHY

a start of January 1st next.

Securing a GLAS payment later in the year is vital for low income farmers as all direct payments play a critical role.

Flor McCarthy also pointed out that there is a €20m allocation in this year's Book of Estimates for GLAS. IFA will be making the case later this year that this needs to increase substantially in 2016.

## MACRA MATTERS

Next weekend is the turn of Mid Kerry's Zeta Ashe and Mid Kerry's Tag Rugby team to compete in national finals. ## Know Your Rights: BACK TO WORK FAMILY DIVIDEND

MAY 2015

### QUESTION

What is the new Back to Work Family Dividend?

### ANSWER

The Back to Work Family Dividend (BTWFD) scheme aims to help families to move from social welfare into employment. It gives extra financial support to people with qualified children who stop claiming a jobseeker's payment or a one-parent family payment because they have taken up employment or self-employment.

If you qualify for the scheme you will get a weekly payment for up to 2 years. For the first year in employment you will be paid the equivalent of any Increases for Qualified Children that were being paid on your jobseeker's or one-parent family payment (up to a maximum of 4 children). Half that amount will be paid weekly for the second year.

To qualify, you and all members of your family (including your adult dependant) must sign off all primary social welfare payments. However the Back to Work Family Dividend can be paid with Family Income Supplement (FIS) and is not taken into account in the means test for FIS. It can also be paid if your spouse, civil partner or cohabitant finds work, provided you are getting an Increase for a Qualified Adult on your payment for them. However, you must meet the conditions and the Back to Work Family Dividend will be paid to you (as the recipient of the social welfare payment).

BTWFD can be paid with some non-primary social welfare payments such as Child Benefit, Rent Supplement and Back to School Clothing and Footwear Allowance (see [citizensinformation.ie](http://citizensinformation.ie) for the full list). The habitual residence condition applies to BTWFD.

Applications for the scheme have been accepted since Monday 5 January 2015. The scheme became fully operational on 5 May 2015. All eligible claims are being backdated to the date of application.

## STOP "EFFORTING!" START ALLOWING!

What if everything was exactly as it "should" be? What if all of your life experiences so far were completely perfect for your maximum growth and potential? What if there was a divine energy and source that is always present for you – no matter what and all you have to do is to allow yourself to align with your core truth and that quantum energy? These are just some of the questions that more and more people are asking themselves as they realize that the old ways of struggling with who they are and their lives just simply don't work anymore. You can't force yourself to be happy – you have to allow happiness in. You can't control any other person or life's events – you have to accept "what is" whilst focusing on your own personal inner vision of what you desire. We put so much effort into trying to control our lives or trying to will things to happen. All of that "efforting" produces more stress, more worry and more disappointment if things don't go the way we had planned! Instead of wasting so much of your precious energy in effort try a different approach and start to allow your life to unfold. Allow yourself to relax, smell the roses and be who you are and where you are. Take action that is inspired by love rather than motivated by fear and trust that everything is happening FOR you and not TO you!

If you are ready to take the next step in your life then you may love my new LASER COACHING INSPIRED ACTION SESSION! It's a 2 hour personal coaching session that shines the light on your desires, dreams and how to BE the person you always imagined you'd be! These sessions are aimed at the person who has already done some personal growth work and is ready to take the next step on their amazing life journey! Incredible value at €100.00!

## EXAM TIME

Over half way through exams now it is essential to stay calm and keep positive. It is important to put your exams into perspective and remember that whilst the results will have a bearing on your future the results are not a measure of your worth. Be sure to continue eating a well-balanced diet, do some exercise and get sufficient sleep each night. If you are finding it difficult to cope or don't feel you have the necessary support, be sure to seek professional advice.

### FOR PARENTS

It's important that your child knows that you are interested in their work. Tell them that they can only try their best and even if they don't do as well as they'd hoped, you still love them just as much. Whilst we're not suggesting bribery it's fine to provide small treats by way of encouragement – and be sure to celebrate the end of exams with a treat that everyone can look forward to, such as a meal out or a trip to the cinema.

Your sympathy and support is all important at this time – so recriminations about the past and 'I told you so' speeches will not be welcomed at this time. Professor Aidan Moran advises parents to "avoid doing post-mortems with your children after the exam – it's neither helpful nor accurate" (as students don't always remember what they wrote in an exam). He also states that "parents should praise their children for doing their best and for staying in the exam until it's over."

Continue to focus on the exams ahead reminding your teen that it's 'never too late, and a lot can be achieved in a short time'. Encourage them to continue trying and that it's worth 'having a go' and it will all be over soon.

Let them know that you love them unconditionally. Let them know that this time will pass and they will get through it. Let them know that no matter how the exams go, you will be there for them.

### NEWBORN BABIES- MINOR PROBLEMS

Below are a few of the minor things that can happen with small babies-although if you are the first time parent of a new baby it may not seem so minor at the time!

Little white spots on nose/inside mouth-these are called milia and are due to blocked ducts. They are completely harmless and should disappear.

Red blotches with white in middle (look a bit like nettle stings)-this is called erythema toxicum and is very common. It can spread from one area of the body to another-this again is harmless and will resolve itself.

Flushing of one side of the body-this is called harlequin colour change and is also nothing to worry about.

Dry/peeling skin-this happens very frequently especially if the baby was born after their due date-just use some baby moisturiser/baby oil.

Swollen breasts-this can occur in both male and female babies and they can even produce a little milk-it is due to some of the mothers hormones still remaining in the baby's bloodstream-this will go down gradually.

Sticky eyes-this occurs very frequently for the first few months of a baby's life. Parents are often concerned that the eye is infected but it actually usually happens due to the tear duct (which normally drains fluid from the inside of the eye down to the nose) getting blocked. Simple cleaning is usually all that is required-using cooled boiled water and cotton wool balls, starting at the inside and wiping to the outside of the eye, about twice a day, depending on how much matter there is in the eye. Red-stained nappy- this can be a very worrying sight but is quite common in the first few days of a baby's life-it can happen due to substances in the urine or from blood from the umbilical cord or even from the vagina (as a result of the drop in the levels of the mothers hormones in the babies bloodstream)

Umbilicus (belly button)- after the birth about 5cm (2") of the cord is usually left-this gradually dries up and separates and falls off at about 1 week old. However it can become infected-signs of this include a bad smell, pus, redness of the skin around the belly button, or the baby being off form-if this happens the baby may need antibiotics.

Possetting - this is a nearly universal phenomena where the baby will bring up a small amount of each feed either during the feed or soon after-usually it does not bother them. This is usually not a problem as long as the baby is putting on weight. To minimise this, keep the baby propped up during feeds and slow down the rate at which feeds are given.

## POPE FRANCIS ENVIRONMENTAL SINNERS WILL FACE GOD'S JUDGMENT

"The planet has enough food for all, but it seems that there is a lack of willingness to share it with everyone," Pope Francis said at a Mass on May 13th as part of the opening of the general assembly of the Catholic charitable organization Caritas Internationalis.

Since his election, the pope has been a strong advocate on behalf of the world's poor and vulnerable, especially in the facing of a changing climate.

Caritas, a confederation of 165 Catholic charity and aid groups from around the world, holds a general assembly once every four years. At this year's meeting, the first under Francis' helm, the Pope used the forum as a time to yet again take a strong environmental stance.

"We must do what we can so that everyone has something to eat," Pope Francis said. "But we must also remind the powerful of the Earth that God will call them to judgment one day, and it will be seen if they truly tried to provide food for him in every person, and if they worked so that the environment would not be destroyed, but could produce this food."

Pope Francis' closest adviser chastised in the U.S., blaming capitalism for their views. Cardinal Oscar Rodríguez Maradiaga criticized climate change deniers in the U.S. that have already come out against Francis' highly anticipated encyclical on climate change.

"The ideology surrounding environmental issues is too tied to a capitalism that doesn't want to stop ruining the environment because they don't want to give up their profits," Cardinal Rodríguez said. The Cardinal added that Catholics and non-Catholics alike eagerly await Pope Francis' environmental encyclical.

that was in a mid-abduction of a woman he had met via Craigslist. The fraudster, placed a fake profile on Craigslist's dating page. After snaring a young woman half his age, he bound, gagged and kidnapped her.

The troopers pulled over the 41-year-old for suspicion of drunken driving, and heard a woman calling for help as they approached his car, troopers found a 22-year-old woman in the back seat with a bag over her head, tape over her mouth and hands tied behind her back.

The spokesperson added this young victim made three mistakes – answering an ad and giving this predator her address, agreeing to meet him in a remote location alone, and then getting into his car.

"The young lady answered the ad on Craigslist. She chatted with the person online and agreed to meet him, got into his vehicle and once they were moving, she realised this guy looked nothing like the picture that he had sent her. Also, the conversation wasn't anything like it was online.

She was assaulted, she was choked, her arms were zip-tied, duct tape was placed over her mouth, a bag was placed over her head and she was thrown in the back seat of the car.

To the woman's credit however, she refused to be a victim of whatever sick things this abductor had planned. From the back seat, she repeatedly kicked the kidnapper, causing him to swerve. When state police saw it, they thought they had a drunk driver on their hands and forced the man to pull over.

What we learned after this, is the lady is actually very fortunate she wasn't further assaulted or killed. The man used a fictitious photo, he used a fictitious name and he had a throw-away email account which would make it very difficult for an investigator, had something happened to her, to locate this person.

If a person doesn't want to meet you in a public place, that should be your first red flag that nothing good is going to come of this." The spokesperson added.

## BENEFITS OF CLOVER

Continued from last week -

One traditional name for clover is Bee Bread, which illustrates how vital clover is to bees and hive support. Scientists who study colony collapse link bee decline to the eradication of clover, dandelions and other lawn-banished "weeds."

Along with honeybees, clover nectar feeds butterflies, moths and other good insects. Along with pollen and nectar, clover meadows supply food, water and shelter to predators and parasites that fend off pests. Clover pastures also fortify earthworms, an important indicator of soil health. Earthworm tunnels have long been known to dramatically alter soil structure, improving porosity, nutrient and mineral stores, water transport, aeration and plant growth.

Clover boasts many properties that make it an ideal cover crop. It grows quickly and abundantly. Many species are winter hardy and thrive in a wide range of soils and climates. Its vast root system and fibrous decay material make clover a useful living mulch. It helps suppress weeds, control soil temperature, prevent erosion and boost the water-holding capacity of sandy soils.

Farmers and gardeners are increasingly using clover, inter-planting it in orchard groves, market gardens and vineyards. Eco-conscious gardeners are replacing their once-uniform yards with diverse grass mixtures to create urban and suburban meadows. And perhaps before long, clover will be lucky enough to be welcomed back by the pickiest golfers and lawn purists.

## GOOD NEWS

Dolphins caught in the infamous dolphin slaughter in Taiji, Japan, will no longer be purchased by the Japanese Association of Zoos and Aquariums (JAZA), a press release announced recently. Selling surviving captured dolphins into captivity, which can bring in up to \$100,000 an animal, is a major motivation for the hunt. According to the release, JAZA aquariums provide up to 40% of total demand for live dolphins from Taiji.

This comes after the World Association of Zoos and Aquariums (WAZA) suspended its Japanese member due to involvement in the hunts last month, and said that JAZA would be expelled permanently if it didn't stop live captures of dolphins from Taiji by May 21st.

The world learned of the brutality of the Taiji hunt partially through the film "The Cove," which shows the shocking process of the hunts. Speedboats herd entire families of dolphins for capture and many are brutally slaughtered, turning the seas a gruesome red. JAZA's decision is a good step toward ending this cruel hunt once and for all.

## IS YOUR PET THE RIGHT WEIGHT?

Sometimes it can be hard to tell if your pet is overweight if they have a particularly fluffy coat, or has a stocky build. If you aren't sure if your pet is on the heavy side, it is worth a trip to the veterinarian to get professional input. The one visit to determine your pet's ideal weight could save you many more visits in the future.

### 4 EASY WAYS TO SLIM DOWN YOUR PET

1. **Stop free-feeding:** If you leave a bowl of food out all day for your pet, it's time to put the bowl away and set up a feeding schedule. A little something for breakfast and a little something for dinner is all an adult cat or dog really needs. Even if your pet doesn't polish off the whole bowl at once, it doesn't mean that they're eating only what they need. It's clear by your pet's weight that they're probably eating a little more than they need every time they visit their dish. To help them shave pounds, put away your pet's food.

2. **Save treats for special occasions or training:** Dishing out treats nonstop is an easy way for your pet to pile on the extra calories. Make treats a super special thing, something

they either get rarely or something they earn through exercise or training.

3. **No more table scraps:** Feeding pets from the dinner table is a big no-no for many reasons, including weight gain. Table scraps are loaded with extra calories (and additives, preservatives, sugar, and other things) that your pet doesn't need. Select a high-quality food for your pet and stick with that. They may look super cute when they ask for a little nibble from your dinner plate, but saying "no" to the begging is the real way to show them you care.

4. **Ramp up the exercise (slowly!):** Add in more time every day for exercise. But, just like an out-of-shape human should avoid going overboard on the exercise when beginning a new training routine, pets need to slowly add a little more exercise a day while they build up their muscles and lose the extra weight. Too much too soon can lead to heat stroke, muscle tears or joint problems. So add just a few extra minutes of walking or playing each day so your pet can get their figure back while avoiding injuries.

## IT'S NOT EASY TO SET UP A COUNTRY THESE DAYS

About a year ago, a man named Jeremiah Heaton made the news when he travelled from the U.S. to Egypt, claiming a large area of land between southern Egypt and Sudan. Not long after planting his flag in the desert he declared himself the ruler, his daughter the princess and named it the Kingdom of Northern Sudan. Now Heaton is back in the news with a crowd funding campaign to help the Kingdom of Northern Sudan create a future free of hunger.

Initially Heaton says, he travelled to this remote section of the world because he wanted to "honour a promise I made to my daughter" that she would one day become a princess.

He did this by claiming a tract of land called Bir Tawil, which lies between Egypt and Sudan. This 800 square mile area hadn't yet been claimed by either Egypt or Sudan, and while different groups have tried to claim it in the past, because it is so remote and the terrain so harsh, most groups simply gave up.

Bir Tawil, with low rainfall and incredibly hot summer months isn't seen as a particularly hospitable place to plant crops and "end hunger." However, Heaton insists he's working with scientists and has created a five year plan that will turn the area into a sustainable farming land.

Turning a harsh desert environment into farmland isn't impossible. The Sahara Forest Project, a group that brings agriculture to some of the world's harshest deserts has been successful with projects in both Qatar and Jordan. However, it should be noted that these project take years to accomplish and do not run cheap.

Heaton seems aware of these roadblocks, estimating the entire cost of the project at

around \$500 million dollars. And some of the incentives offered for donating are certainly unique. For instance, if you give \$300 dollars you can gain Knighthood in the Kingdom of Northern Sudan. For \$50,000 you can get your face on the national currency. And if you've ever wanted to name a capital city after yourself, and happen to have \$1.75 million dollars lying around, it's all doable via his website.

However, be warned before investing, before becoming an actual country, the Kingdom of Northern Sudan will have to be acknowledged by both Sudan and Egypt, and that UN.

## BARMAN CHARGED WITH 'MANSLAUGHTER THROUGH WILLFUL NEGLECT'

The victim in this tragic tale was a 57-year-old Frenchman who spotted a sign at a Paris Bar announcing another patron's record-winning shots consumption. To beat that record, the man drank 56 shots of alcohol and police believe he swallowed around 30 glasses in the space of a minute.

He was carried from the bar by his daughter and their friends and then driven home in a drunken stupor. Once home, he suffered a heart attack before being transported to the hospital for medical care. At the hospital, he fell into a coma, and he died the following day. The victim's 21-year-old daughter has spoken out about her father's death and the barman who allegedly did nothing to stop the man's alcohol binge. "My father died by his own hand but it was the bar that served him the drinks," she said. The young woman plans to sue the unnamed bartender if he was determined to be negligent in the man's death.

That exploit saw him drink 30 shooters in just one minute, which are either straight shots or can be made up of different spirits with mixers. With each shooter including between 20ml and 40ml of hard alcohol it meant the man drank more than a litre of spirits.

A recent health bill that was voted through parliament in France included measures to crack down on those who encourage people, particularly youngsters, to binge drink.

If the bill becomes law, people who encourage minors to drink excessively will face a year behind bars and a €15,000 fine. And anyone who incites others to "drink until drunk" will face up to six months in prison as well as a fine into the thousands.

## FINALLY THIS WEEK

I would like to wish all readers, advertisers, correspondents and all at the Killarney Outlook office a safe and happy Bank Holiday weekend, if you are a visitor to the Kingdom or an emigrant here on holidays I would like to welcome you and please everybody take care on the roads, hills and water and help make this an enjoyable weekend for everybody.

## A WORD OF VICTORY

Welcome back dear reader depression is a most debilitating condition and it's fair to say that a great number of people suffer from it at times. Depression can come about because of strong negative emotions such as feelings of low self esteem, fears, loneliness and pain from past experiences which affect the chemical balances in the body to such an extent that it can render the one suffering unable to work or to have any kind of worthwhile quality of life. The truth is we are all so valuable to our Creator God the Father. He loves us so much that He sent His Son Jesus to die in our place so we could be saved completely and fully accepted as His sons and daughters when we call on the Name of Jesus (John 3:16). People can often leave us down and we can be hurt in many ways - this can lead us to feel worthless. Amazingly when Jesus understood from the Scriptures the horrific death that He would have to go through the Bible tells us that yet 'He endured the Cross for the joy that was beyond it' (Hebrews 12:2) - that's how valuable you and I are to God our Father. Just stop for a moment and allow the Holy Spirit to reveal this tremendous truth to you - you are not a reject - you are precious and you are valuable (Romans 8:38). Look at the cost it took to buy your freedom. Scripture tells us that the joy of the Lord is our strength (Nehemiah 8:10). Friend as we read the Scriptures like the Book of Psalms etc.. we renew our minds with the mind of Christ. Depression and fears will leave and life takes on new meaning, new value and a new purpose. Assuredly, there is a great life after depression - you need this life and it's yours for discovering! If you have a query on Scripture or any prayer need please call **064-6622950** or email **wordofvictory@eircom.net**. More next week...

## MEMORARE TO OUR LADY OF LA SALETTE

**Remember, Our Lady of La Salette,** true Mother of Sorrows, the tears you shed for us on Calvary. Remember also the care you have taken to keep us faithful to Christ, your Son. Having done so much for your children you will not now abandon us. Comforted by this consoling thought, we come to you pleading, despite our infidelities and ingratitude.  
**Virgin of Reconciliation,** do not reject our prayers, but intercede for us, obtain for us the grace to love Jesus above all else. May we console you by living a holy life and so come to share the eternal life Christ gained by his cross Amen.  
**La Salette Invocation;** Our Lady of La Salette, Redeemer of sinners, pray without ceasing for us who have recourse to you.

## JACK O'BRIEN

*New Street, Killarney who passed away on 29th May 2014.*

On this first anniversary of Jack's death, Angela and family would like to express their sincere thanks and appreciation to all those who supported us at the time of our sad loss. Thank you to everyone who called to the Funeral home, attended the Funeral Mass and Burial, sent Sympathy Cards, Mass Cards and Floral Tributes. A special thanks to neighbours, relatives, friends, former colleagues from Killarney Urban District Council and customers and all who travelled to be with us at that time.

A special word of thanks to Dr. Dónal Coffey, Ross Medical Practice and to Hannah and her team of nurses at Killarney Health Centre who gave such wonderful care to Jack. Most sincere thanks to Fr. Kevin McNamara and Fr. Kieran O'Brien and the priests of the parish for their pastoral care and prayers. Thanks to Sacristan Tadhgíe Fleming. Thanks to O'Shea's Undertakers for their professionalism, courtesy and kindness. Also thanks to Killarney Legion who formed the guard of honour. Finally, thanks to the Cathedral Choir who sang so beautifully at the Mass.

As it would be impossible to thank you all individually, we hope that you will accept this acknowledgement as a sincere token of our appreciation and gratitude.

***The Holy Sacrifice of the Mass will be offered for your intentions.***

## THE MIRACLE PRAYER

O wonderful St. Anthony, glorious on account of the fame of your miracles, and through the condescension of Jesus in coming in the form of a little child to rest in your arms, obtain for me of His bounty the grace which I ardently desire from the depths of my heart.

(State your intention)

You who were so compassionate toward miserable sinners, regard not the unworthiness of those who pray to you, but the glory of God that it may once again be magnified by the granting of the particular request (State your intention) which I now ask for with persevering earnestness. Amen. This prayer must be published immediately. **X**
