## Best friends launch "A Gift For Niall" and everyone can take part

Seven of Niall McGillicuddy's closest friends have come together to launch a fundraiser in memory of the popular teenager who lost his short battle with leukemia in October 2018.

Ryan O'Grady, Ruairi Doyle, Eoghan O'Sullivan, Evan Looney, Neil O'Shea, Emmett O'Shea, Mike Lenihan and Padraic Looney along with the help of their teacher Elaine Moynihan decided to hold a Christmas Jumper Day and invited local schools to take part.

On Wednesday last, the boys were joined by students from Killarney Community College, The Monastery and Holy Cross Mercy School to launch the fundraiser.

Speaking to the Killarney Outlook, three of the boys, Michael Lenihan, Evan Looney and Eoghan O'Sullivan said that they have chosen Ward 2D at Cork University Hospital as the recipient of the proceeds of the Jumper Day.

"Niall spent a lot of time in the ward and we decided it would be nice to do up the family room and put up a picture and a plaque to remember him" Michael said.

Niall, a gifted sportsman, is the son of Daithi and Sheila McGillicuddy and brother of Ellen and Jane and was a much loved friend and team mate.

On December 5th 2019, St Brendan's College, Killarney Community College, Presentation Monastery, and Holy Cross Mercy will participate in a Christmas Jumper day (A GIFT FOR NIALL) with the total amount raised going towards the renovation of this ward. This is the first time that these schools have engaged in a fundraiser of this manner - testament to Niall

The students of St Brendan's College, Killarney Community College, The Mon & Holy Cross Mercy School, gather at St Brendan's College for the launch of Christmas Jumper Day which will take place throughout all 4 schools raising funds for CUH in memory of the late Niall McGillicuddy, a student at St Brendan's College. and the impact of his passing on Killarney town. Niall's friends, Ryan O'Grady and Eoghan O'Sullivan, two of the boys behind the event, said: "We are very grateful to the 4 schools and their willingness to participate in this event, it is an acknowledgement of Niall and the McGillicuddys and how highly thought of they are in the community and also of the incredible work of the staff of ward 2D in the CUH".

"This day means so much to us and we really appreciate the efforts of everybody involved. Events like this will ensure that Niall will never be forgotten", Eoghan added.

Niall's closest friends will travel to Cork in the New Year to present a cheque for the total amount raised to the ward when a picture and

plaque, acknowledging Niall and his memory, will be erected in his honour.

Niall's passing had a massive impact on the entire Killarney community. The objective of this day is, not only, to celebrate this fantastic young man, but also to raise as much money as possible for this worthy ward. With that in mind - while this is a 4 school initiative, the objective of the day is to raise as much as we can for this ward. Niall's friends would therefore like to invite anyone within the wider community who would like to make a donation to do so. All donations, big or small, will be gratefully accepted and can be dropped into St Brendan's College over the next week.

# A RANGER'S VIEW OPENS AT KILLARNEY HOUSE

Peter O'Toole will hold his photography exhibition at Killarney House on Saturday evening.  
PICTURE: MARIE CARROLL-O'SULLIVAN

After a career spanning almost 40 years spent in Killarney National Park, recently retired Conservation Ranger Peter O'Toole will now concentrate fully on his amazing photography work and this weekend an exhibition of his work to date will open at Killarney House.

Killarney National Park has been home to Peter from an early age.

"I had a love of the natural world. I grew up in a time with few modern day distractions and so my free time was largely spent out in nature. Fishing the Deenagh River, searching for birds nests and exploring Killarney's landscapes", Peter said.

"My grandfather and father introduced me to Killarney's lakes where I fly fished for brown trout and salmon. This experience in particular brought me closer to the natural beauty of Killarney". Peter started working in Killarney National Park as a Conservation Ranger in 1980 and several years ago he took up landscape photography - "this has given me the opportunity to capture the beauty of Killarney throughout the seasons of the year", Peter added.

"All of my images are taken in the area of Killarney National Park and I have found that my accumulated knowledge of the park, along with the use of my boat, allows me to view and capture Killarney's beauty from a different perspective".

Killarney National Park - A Ranger's View will be hosted by Killarney House and Gardens and the Department of Culture, Heritage and the Gaeltacht and will open on Saturday, November 30 at 7.00pm.

PHOTOGRAPHY IS THE BEAUTY OF LIFE CAPTURED

## MARIE CLICKS FOR JACK & JILL FOUNDATION

The click of the camera was heard in the International Hotel all day Sunday as Killarney Outlook Photographer Marie Carroll O'Sullivan held her annual photoshoot for the Jack & Jill Foundation.

Many of the families that Marie photographed on Sunday will use the images for their Christmas Card and when Marie posted details of the event this year - it sold out in 50 minutes.

Marie was helped on the day by Colette O'Shea, whose family were the recipient of the services of the Jack & Jill Foundation for her son Sean, who grew his angel wings eight years ago. Marie hosts this event every year in memory of two other very special children, baby Molly Ashe from Killarney and baby

Éanna Coffey from Valentia Island, both of whom were cared for by nurses from the Jack & Jill Foundation. This year Marie raised an amazing €900 which is the equivalent of a full week of nursing for the charity.

"I was delighted to do this again this year", Marie told the Killarney Outlook. "It is so much fun and a privilege to photograph so many families and also make a contribution to this amazing charity and I would like to thank the International Hotel for their generosity in providing the location for the day and to everyone who availed of the offer", she added.

# HEARTBEAT HOLD CARDIAC INFORMATION MEETING

Pictured at the Serenity Centre on St Anne's Road for the Heartbeat Meeting on Monday evening were L-R Joan Murphy, Dr Samer Arnous, Consultant Cardiologist in Bon Secours Hospital Tralee, University Hospital Limerick and Blackrock Clinic Dublin, Lucy Clifford, Mairead McCarthy & Michael O'Connor. PICTURE: MARIE CARROLL-O'SULLIVAN

**H**earbeat Killarney held a very informative meeting on Monday last at the Serenity Centre on St. Anne's Road.

Cardiologist Dr. Samer Arnous who attends the Bons Secours Hospital in Tralee and University Hospital Limerick attended and spoke about many heart related topics. The large audience also got the opportunity to ask questions and to raise cardiac issues of concern to them.

"We were delighted with the attendance", Billy DF O'Sullivan told the Killarney Outlook, Dr. Arnous gave us some very valuable tips including the following:

If you are on a daily dose it is best to take aspirin in the morning rather than night. - The Jury is out on the practice of Vaping as a way to get off smoking. Some recent studies have expressed concerns about this. Young people who have not smoked should be discouraged from Vaping as taking it into young lungs cannot be good. - Serious reaction to taking Statins is very very rare in his experience over a long period. - Dr. Arnous is very concerned about the amount of time young people are allowed to sit and play on electronic equipment. He feels that if allowed to continue the total lack of exercise at that age will shorten life spans - Cholesterol levels can never be too low but the ratios between good (HDL) and bad (LDL) cholesterol needs to be monitored.

HeartBeat Killarney is a voluntary Cardiac Support Group for those with heart disease or who have had a cardiac event or stroke in their lives.

Run by heart patients and carers, its objective is to help people to return to living as full a life as possible.

They are a group of people who have experienced cardiac or stroke events, so if you have any worries about your heart and may hope that "things might be OK the way they are", come along to one of our meetings and tell us about it.

Heartbeat Killarney Kerry Cardiac Support Group meets on the last Monday of every month (except July and December) at 8pm in the Serenity Centre next to the Killarney Parish Hall just off St. Annes Road in Killarney.

Membership of the support group is free.

# €65,000 FUNDING ANNOUNCED

## to help celebrate St. Patrick's Day In Killarney

**F**áilte Ireland announced funding of €65,000 to support and develop Killarney's St. Patrick's Day events over the next three years. Minister Brendan Griffin made the announcement at the Kerry Tourism Summit this week at The Brehon Hotel in Killarney.

As the National Tourism Development Authority, Fáilte Ireland has identified festivals as a key component for tourism growth. The tourism development body is aiming to grow overseas visitors coming to Ireland to attend a festival to 300,000 by 2022. This growth is expected to generate €150million in revenue. Taking place outside the traditional peak tourism season combined with the geographical spread of

celebrations across Ireland, St. Patrick's Day provides a significant opportunity to grow tourism and extend the season.

In making the announcement, Minister of State Griffin said:

"Festivals and events play an important role in delivering brilliant visitor experiences and help to spread the benefits of tourism to communities throughout Ireland. The commitment of Fáilte Ireland funding and development support for Killarney's St Patrick's Day celebrations is a welcome boost and a significant opportunity to attract overseas visitors to Kerry outside the traditional peak tourism season."

Fáilte Ireland's Head of Festivals, Ciara Sugrue, added:

"We are positioning Ireland as 'the' place to celebrate St Patrick's Day. A sizeable number of visitors go to Dublin every year for the St Patrick's Festival but as part of our strategy to spread the benefits of tourism, we also want to develop St. Patrick's Day celebrations in locations across the country.

With a strong international proposition and a broad range of accommodation in the local area, Killarney's St Patrick's Day celebrations have the potential to motivate significant numbers of overseas visitors. We look forward to working with the organising committee over the next three years on a development plan that will see real growth."

*Minister of State for Tourism and Sport, Brendan Griffin TD, has today announced funding of up to €65,000 through Fáilte Ireland that will help support and develop Killarney's St. Patrick's Day events over the next three years. Minister Griffin made the announcement at the Kerry Tourism Summit being held at The Brehon Hotel in Killarney. At the announcement were from left, Ciara Sugrue, Fáilte Ireland, Chamber of Tourism and Commerce Members, David Rae and President Paul Sherry, Bernadette Randles, Conor Hennigan and Josephine O'Driscoll, Fáilte Ireland. ## Kilcummin Defibrillator Group go from strength to strength

A generous contribution of €500 from Kilcummin Community Alert Group has been welcomed by Kilcummin Defibrillator Group this week when the cheque was presented by Robert Keane to Willie Fleming.

To date there are 7 defibrillators located around the parish and are available 24/7 to everyone. Kilcummin GAA club also has their own defibrillator located outside the club gate and each year the group holds a training event for anyone wishing to train or up skill in the use of an AED and CPR.

"We are very lucky with the kind donations we have received from locals, business owners and

fundraising to have raised enough to set up the 7 defibrillators, to purchase each one is around €2000 and then maintenance costs", Sheila O'Connor from the Defibrillator group told the Killarney Outlook.

Our next training night will be in Spring 2020, follow us on Facebook kilcummin defib group or keep your eye on kilcummin notes in the weekly papers or newsletter for updates, any queries please contact any member of the group", she added.

"We also want to say a huge thank you again to Kilcummin Community Alert group - they are doing a great job around the parish and for their donation", Sheila said

## BEE YOURSELF BANK LAUNCH

**S**tudents at St. Brigid's Secondary School in Killarney launched a project this week to encourage their classmates and others to become savvy savers and learn about the importance of money.

The Transition year class has opened what they have branded as the "BEE Yourself Bank" and the big launch took place this week in the school canteen. For the launch a hampers was raffled among customers. During the year the student bankers will hold different events to raise money for the community. The school bank will open every

Monday in the school and it will welcome pupils of all ages to start saving.

The bank is part of the Build A Bank Challenge which hundreds of schools get involved in each year. At the end of the process the girls will have to present the idea behind their bank to a panel of judges in the RDS Dublin in March. It's a great to be part of the Build a Bank challenge. This initiative is a wonderful opportunity for students to broaden their horizons and get the experience of running a Bank.

## MONEY MATTERS.....

**By Dermot Cronin,  
Financial Advisor**

**WHEN CAN YOU ACCESS YOUR  
PENSION & WHAT ARE YOUR OPTIONS  
WHEN YOU WANT TO RETIRE?**

You can normally get access to your pension from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

**Tax Free Cash:** Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

**Taxable Cash:** You may be able to take sum of your pension in taxable cash.

**Annual Pension:** This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

**Approved Retirement Funds:** You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income.

It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

**| Employee codes of conduct- Employers guide**

A code of conduct protects your business and informs employees of expectations. Even the smallest of organisations should develop a code of conduct, ideally coupled with an employee handbook, the benefits outweighing the time and cost of producing them.

**What is a Code of Conduct?**  
An employee code of conduct includes expectations and defines acceptable behaviours. It differs from a code of ethics in that it contains information relevant to the individual and their behaviour on the job.

**Purpose of a Code of Conduct**  
The purpose of a code of conduct is to develop and maintain a standard of conduct, acceptable to the company, its vendors, customers and other employees. Differing from industry-to-industry, the conduct code usually includes behaviour guidelines consistent with company policies and reflects the company image. It also serves to remind the employee of what is expected of them in their actions, appearance, conduct and demeanour.

**Example of Information to Include**

- Prohibitions on illegal activities,
- Drugs, Alcohol & smoking policy
- Foul & abusive language,
- Discrimination and harassment.
- Cash handling

You may also include confidentiality expectations, procedures for customer service, calling in sick, expected dress and appearance and reporting procedures in emergencies.

# Launch date for 'Lore and Legend of the Magillicuddy Reeks'

The culmination of five years work collecting the legends and the lore of Magillicuddy Reeks will be launched at Beaufort Bar on Thursday 12th December at 8pm, with Special guest, Áine Moriarty, CEO of Irish Film, Television, Academy (I.F.T.A) Kerry Dreamtime ... 'Lore and Legend of the Magillicuddy Reeks' was compiled by Thomas 'Totty' O'Sullivan and is an expression of the cultural content of the 'spine of Kerry', that is the Magillicuddy Reeks ... the songs, poems, stories, history, previously unpublished material and including unique Beaufort age-old traditions including ... Biddys, the Kalem Films, 1910, etc. 'Kerry Dreamtime' is a cultural layer, a 'sense of place' complimenting the physical pristine landscape of the Reeks from dawn of the Ice Age, 10,000 years ago.

Kerry Dreamtime ... 'idir dá loch'... the landscape between Loch Léin to Loch Acouse contains seven chapters exploring the seven peaks ... Strickeen, Cruach Mhór, Cnoc na Péiste, Corrán Tuathail, Beenkeragh, Cathair na Féine and Screig Mhór and is a cultural portrait from either side of the Reeks Ridge ... the Black Valley on the south side and to the Laune Valley on the northern flanks. All illustrations are original to augment the stories, unusual photographs and even an original music composition ... Three Mazurkas of Peaks of the Reeks which incidentally, can be

downloaded on iTunes via the email ... kerryonwalking@gmail.com The title 'Kerry Dreamtime' is inspired by the Aboriginal Songlines/Dreamtime tradition, morphing, in this case, into the Kerry experience ... the Aisling/Dreamtime of the Spéirbhean Poets of Sliabh Luachra. continued ...

This publication has its conception, initially in the setting up of Beaufort Historical Archive in cooperation with Beaufort Community Council and CE Scheme in 2014.

The book costs €10 and proceeds will go toward the Beaufort Community Hall Refurbishment Project in 2020. It is available from Beaufort Post Office, Beaufort Bars, Kate Kearneys, Kissanes Shop & Cronin's Yard, Crystal Cave & Gallery Beag, Upper Bridge St. Killorglin and at Owen Casey's, College St., Killarney.

## climb to celebrate our ancient past

**T**he annual climb of The Paps held on the shortest day of the year celebrates the Winter Solstice on Saturday 21st December, 2019 will raise funds for the Kerry Hospice Foundation Palliative Care.

These ancient sacred summits, 'The Paps of Anú', resemble a pair of breast shaped hills known as 'The Paps' in the Derry Na Saggart Mountains close to the Cork Kerry border. The Paps have long been associated with mythology, mystic and majesty. The Goddess Anú representing all that is earthly fertile, abundant and protective. With kind permission of local landowner Sean

O'Donoghue, Glenflesk, and neighbour Jimmy Moynihan, the walk departs from Garries Bridge - the first bridge after St Agatha's Church, Glenflesk, Meeting at 5.45am. A long walk in to the summit has two strenuous inclines, leading to the Western Pap at 690 Metres. Sunrise and Craic begin, with Glenflesk's finest musicians Derry and Rosie Healy, setting the pace for a Kerry polka set, followed by an ancient ceremonial Blessing by another Glenflesk Native, Mary Cronin. The trek will be led by expert Mountaineer Donie Mulcahy and crew. After descending the ancient mountain, a

ceremonial solstice repast of coffee and scone takes place in the Plaza Hotel, Killarney at 10.30am (the Basecamp) Donation of €20 per adult will be collected on the morning and afterwards in Killarney Plaza Hotel.

## TIMOTHY TO REPRESENT IRELAND IN THE US

A sixth year student at Killorglin Community College will represent Ireland in Anaheim, California at the International Science and Engineering Fair 2020.

Timothy McGrath, a sixth year student from Killorglin Community College was named the overall winner of SciFest 2019, for his research and development of a biofilter to combat oceanic and freshwater dead zones, and will go on to represent Ireland at the International Science and Engineering Fair (ISEF) in Anaheim, California next May. Funded primarily by Science Foundation Ireland (SFI), Intel Ireland, Boston Scientific and Specsavers, SciFest is an all-island STEM (science, technology, engineering and maths) initiative which fosters active, collaborative and inquiry-based learning among second level students. Timothy was presented with the the SciFest 2019 SFI Intel ISEF Award by Margie McCarthy, Head of Education and Public Engagement Science Foundation Ireland after securing his place at the National Final after his victory at the SciFest regional final in IT Tralee.

Through research Timothy realised that eutrophication, an enrichment of water by nutrient salts, which causes structural changes to the ecosystem, turns huge areas of the ocean into dead zones and affects many countries as a result. Dead zones are low-oxygen areas in the world's oceans and large lakes, caused by excessive nutrient pollution from human activities. Timothy's created a technically viable solution and built a structure

that stored a halophyte ecosystem that would reduce nutrient pollution, decreasing algae blooms and deoxygenation of ocean water and freshwater.

The 2019 National Final marks the culmination of the 14th successful year of the SciFest programme, a year which saw a record number of over 10,000 students participating in local

and regional SciFest STEM fairs across the country. Since launching in 2008, more than 70,000 students have participated in the competition, representing an average year-on-year increase of almost 20% in participation. Timothy was one of 77 students who went on to exhibit 41 STEM projects at the National Final.

## Say No to Illegal Moneylenders - where the lending has no ending

Sergeant Grace O Connell, John O Regan, Chapter 23, Eamon Foley, MABS, Paddy Kevane, SVP, Helen Courtney Power, Chapter 23.

"Say No to Illegal Moneylenders" is the message from Kerry MABS, Kerry and West Limerick Credit Unions, Society of Saint Vincent de Paul and the Gardaí who have come together to highlight the fact that illegal money lending has no ending."

John O Regan, PRO, Chapter 23 Kerry and West Limerick Credit Unions stated "the lead up to Christmas can be a challenging

time for a lot of vulnerable people who may be caught up in a cycle of moneylenders. Loan rates can be very high and people can be caught in a vicious cycle of repeat borrowers without ever getting out of debt. Although we are all independent organisations, we have come together to advise people to avoid borrowing from illegal moneylenders in the lead up to Christmas".

Support organisation MABS are on hand to help and offer free financial advice. The credit union can assist with a much lower rate of interest and flexible repayment terms. The Society of Saint Vincent de Paul can also help to put practical measures in place and offer services such as meals on wheels, food hampers, fuel poverty, education etc.

Speaking to Eamonn Foley, Kerry MABS "Illegal moneylenders and are not to be confused with legal moneylenders. While legal moneylenders charge very high interest rates they are regulated by the Central Bank of Ireland where legal credit agreements are in place and set code of practice under the Consumer Protection Code for Licensed Moneylenders must be adhered to.

Eamonn added "Illegal Moneylenders are different they are people who use their own money to lend to people. What may or may not start off as a gentleman's agreement can end up turning very nasty. Illegal moneylenders

are not legal, there are no legal credit agreements in place. In a lot of cases we have heard there may be intimidation, threatening behaviour and harassment. The Gardaí are involved in this campaign to highlight the level of illegal moneylenders activity in Kerry. We would ask people to think twice before getting involved with illegal moneylender activity, if you do go down this route and need support then we would encourage you to contact the gardai confidentiality who will investigate this matter."

# Muckross captures the Magic of Christmas

**A**wonderful ceremony to celebrate Magic at Muckross was held at the weekend when Christmas was launched at Muckross House & Gardens.

It was truly a magical day with the switching on of the lights, capturing the magic and Christmas feels to all who attended.

Santa arrived from the North Pole accompanied by Mrs Claus to officially light up the Muckross Garden Restaurant. They were welcomed to Muckross by the Holy Cross Mercy Primary School Choir singing 'Santa Claus is coming to town' followed by a countdown to the lights by Mr & Mrs Claus with the help of all the boys & girls.

The team from the Garden Restaurant laid on a truly festive spread with mulled wine, mince pies,

reindeer cookies & gingerbread men, the festive spirit has definitely arrived to Muckross House & Gardens and their enchanting decorations are not to be missed.

The Christmas magic continues in Muckross Craft Centre with an exclusive late-night shopping event this Thursday 28th November with up to 25% off in the store! Think Green Friday this year & shop local and they have a wide range of gifts from handmade Muckross Pottery to handmade Muckross Weavers scarfs to a fabulous range of jewellery. They will also have Christmas carols, mulled wine and more festive treats on the night!

## Patient experiences being impacted by Govt neglect of University Hospital Kerry

Fianna Fáil TD for Kerry John Brassil says patients and staff are suffering as a result of Fine Gael's failure to properly manage the health service. He was responding to the latest HIQA National Inpatient Experience Survey, which found that the bulk of patients attending UHK had a mostly positive experience, the majority of patients spent longer in the Emergency Department before admission, than HSE recommended targets.

Deputy Brassil said, "According to this survey, more than two thirds of patients admitted to University Hospital Kerry waited longer than the

six hour timeframe. In fact, 11% of them were over 24 hours in ED before they were given a bed on a ward. Seven people who took part in the survey waited more than 48 hours for a bed.

"Despite these shocking statistics, patients did not necessarily have a negative overall experience, and this is solely down to the amazing staff at the hospital. They are working under unacceptable conditions, yet always put patient care first – and this is reflected in the experiences of patients. I want to thank them for the care and support they give their patients, and for the dignity with which they treat them.

"The situation at UHK is completely unacceptable; overcrowding in the Emergency Department, thousands of lost bed days as a result of delayed discharges and cuts to services mean that patients and staff are being adversely affected.

"We need a radical rethink of how our health services are being run, with a bigger focus on community healthcare. Unless we see a shift in direction soon, our hospitals will be unable to cope", concluded Deputy Brassil.

## HEADACHES IN CHILDREN AND ADOLESCENTS

*Dr. Fergus Leahy*

Affecting over 75% of school aged children. While most headaches are due to primary headache disorder such as migraine or tension type headaches, in a small proportion they can be an indication of a serious neurological condition. Simple causes of headaches in childhood are prolonged fasting, dehydration, dietary problems, watching too much television or using electronic devices for too long and also issues related to stress.

*It is important to take matters further and seek medical opinion in the following circumstances, which are referred to as "RED FLAGS".*

1. Headaches associated with a change in personality, behaviour, or worsening school performance.
2. First Severe Headache.
3. Worsening severity of the headache or change in character of the headache.
4. Headaches when lying down, bending down, coughing and or straining. They indicate increased intracranial pressure.
5. Headaches associated with seizures.
6. Headaches associated with visual impairment.
7. Headaches associated with head tilt or abnormal gait.
8. Headaches at back of head that may or may not radiate to shoulder.

*Also generalised headaches after a head injury like a concussion that persists and is generalised.*

After a bump in the head it is normal to get a pain over the lump that the injury causes, but if that headache spreads to a generalised headache it may be serious, indicating increased brain pressure.

## Become the master of your ENERGY!

Do you find yourself feeling tired or drained after being around certain people? Or, maybe you find that you carry other people's problems or worries and end up making them your own? People who are often very sensitive have the ability to pick up on another person's energy and it can leave them feeling exhausted.

We all do this to some degree or another, however when you find that you feel consistently tired or low in energy it may be time to make some changes.

Here are my top three Coaching tips for managing your own energy and boosting your vitality.

- Whenever you are around people who challenge you in any way, take a few deep breaths in and out and mentally imagine you have a beautiful invisible and strong forcefield

around you. Imagine it like a bubble that allows you to receive and give just exactly the right amount of energy you desire. Imagine that other people's "stuff" just simply bounces off this bubble!

- Meditate for two minutes first thing in the morning. Sitting quietly and focusing on your breath for two minutes at the start of every day, brings you into a state of easy calm and wellbeing. How we start our day is how we continue our day.

- Smile and change your posture. Observe how you habitually stand, move and sit. Changing your energy means changing how you move. Draw your shoulders back and down, lift your chest, smile, lengthen your spine, relax your jaw, fingers and allow your hips to soften. This helps to put you in the best position (literally) to manage life's events.

## TREE OF LIGHT A REAL COMMUNITY PROJECT

A magnificent 100ft Tree of Light on the grounds of St Mary's Cathedral, which will become the main focal point for the Christmas in Killarney celebrations, will sparkle to life on the evening of Sunday, December 8.

It will feature close on 3,000 lights, topped with a giant star and they will be officially switched following a short ceremony in the cathedral, commencing at 6.00pm.

The decoration and lighting of the landmark giant Californian Redwood tree is a collaboration between a Christmas in Killarney Festival sub-committee and the Killarney parish and it will create a wonderful focal point in the town in the lead up to and during the festive season. The service just prior to the eagerly anticipated switch-on will be a real community effort with the town's civic leaders, students from local schools and local businesses all participating in a ceremony that will be led by Killarney Parish Administrator, Fr Kieran O'Brien.

An invitation is extended to all community groups, schools, clubs and organisations, families and individuals to join in what promises to be a wonderful Killarney celebration featuring readings, prayers, song and reflections on December 8, at the close of what is traditionally one of the busiest Christmas shopping days of the year.

The Tree of Light was first lit to mark the millennium year when it commemorated all those who lost their lives in the conflict in Northern Ireland and it was again illuminated in the mid 2000s to remember those who had been killed on Irish roads.

This year's project is all about community and it will celebrate the fact that Killarney is such a wonderful town to live in.

The feature Californian Redwood tree, adjacent to a Famine graveyard on the grounds of the cathedral, is one of the most wonderful visual features in Killarney and it will greet tens of thousands of visitors passing the cathedral on their way to and from Killarney during the festive season.

The tree will be fitted with up to 3,000 light-weight, energy efficient bulbs and it will certainly provide a spectacular focal point in Killarney this Christmas.

## COMHALTAS NEWS

What a great weekend of competition over the two days during the "Ceol an Gheimhridh" competitions which were held over the weekend with music in IT Tralee North Campus Tralee on Saturday and dancing held on the Sunday in the Fossa Community Centre.

We were delighted with our U11 music quartet consisting of Eoin Ó Foghlu Accordion, Joe Ó Conchubhair Accordion, Neabhain Ní Suilleabháin Fiddle, Séan Pléimonn Tin Whistle who went on to achieve 1st place in a very competitive age group. Eoin also achieved an individual 3rd place in the U11 reed.

On Sunday our dancers in all age categories excelled and as such, was demonstrated by the results listed below. It was a splendid indication to see the hall awash with so many competitors decked out in our all too familiar lilac colours of Kilcummin Comhaltas and what a performance by all involved.

Thanks also to our trainers Adrian, Mary & John Moriarty.

##### EAST KERRY MINOR CHAMPIONSHIP

##### FINAL (DIV 3)

Kilcummin 2-20 Glenflesk 3-13

Our minors gave selector Darragh Kelly a perfect wedding present by adding the East Kerry Division 3 title to the East Kerry league won earlier in the month over Glenflesk. There has never been much between these two rivals over the years and it was the same in Farranfore on Sunday last. Very evenly matched with scores being swapped throughout, the half time scoreline reflected this Kilcummin 0-9 Glenflesk 1-6. The second half followed the same pattern but Glenflesk forged ahead early on and looked to be gaining the upper hand but a goal from Dylan Murphy and some inspirational points from man of the match and Captain Paul O Shea had Kilcummin in the driving seat. However Glenflesk fought back and goaled themselves to leave the game on a knife edge but Cian Foley settled the nerves when he finished a fine move to the net. When Danny Cronin, Philip O Leary and Cian Foley added further points Kilcummin looked home and dry but Glenflesk didn't believe it and hit the Kilcummin net following a rebounded free kick. Adam O Sullivan put us back in a four point lead as Glenflesk's goalkeeper had a goal disallowed for a square ball six minutes into time added on. The final whistle brought a long

season to and end where these bunch of lads have progressed immensely and have learned how to win. Well done to manager D.J. Fleming and selectors Tim Ryan and Darragh Kelly. Keith O Leary was outstanding in goals bringing off two great saves as well as influencing the teams approach with his kick outs. The fullback line of Dara Brosnan, Nathan McCarthy and Dara Cronin defended resolutely against a potent Glenflesk forward line while the brothers Dylan and Cian Murphy were a threat going forward as well as sticking to their defensive duties with effect. Dara O Callaghan has been simply immense throughout the year and showed that again on Sunday despite his tender years. Paul O Shea's final game at minor level left us with lasting memories as he fielded superb balls at midfield despite the very close attention of more than one of the opposition. His point kicking was confident and skilful and he finished the day with 8 points from play. Chris Moynihan was a great ally at midfield and defended very well when asked to do so. Darren Lehane was a constant threat and accounted for four of his teams points. Danny Cronin, Philip O' Leary and Cian Foley show great promise for the future and have been scoring well all the year accounting for 1-4 between them on Sunday. Dean Bradley Cronin and Mark O Shea played their part all the year and again on Sunday as they worked extremely hard throughout. Colm Kelleher, Jack McClain, Oisín O Leary and Adam O Sullivan were introduced on Sunday as others tired and all have contributed greatly despite being still under sixteen. Roll on 2020.

CONGRATULATIONS to Ciara O'Leary (club sec) and Dara Kelly who were married on Saturday in Kilcummin Church.

## MILLTOWN | CASTLEMAINE NEWS

Written by: Deirdre O'Sullivan

### MID KERRY SENIOR CHAMPIONSHIP FINAL:

Milltown/Castlemaine seniors, sponsored by Larkins Bar and Restaurant and Kelly's Londis Top Shop, will take on Laune Rangers in the Mid Kerry Senior Championship Final. The game will take place on Sunday next, December 1st, at 2pm in Glenbeigh. We would really appreciate if all in our community would make a special effort to come along and support the management team and panel on Sunday. Don't forget to wear your club colours too!

### MEDAL PRESENTATION:

We were very privileged to have Na Gaeil and Kerry Senior player Diarmuid O' Connor as our special guest at our Coiste Na nÓg medal presentation ceremony in Milltown on Sunday November 27th.

Philip O'Reilly, Coiste Na nÓg chairman opened the proceedings- welcoming all the players and parents. He paid special thanks to the Coiste Na nÓg committee and the fantastic bunch of coaches and mentors. He also complimented all the parents for their support not to mention their culinary and organisational skills!

Kerry senior player, Diarmuid O' Connor then addressed all the young players and their parents, with particular mention to the U-14 players who competed in Féile this year. He encouraged all the players present to keep up with their training sessions and to listen to their mentors and coaches. Diarmuid reminisced on the many happy days he had as a young boy kicking a ball around our very own Paddy Burke Memorial Pitch in Milltown. And with practice 'maybe someday you too will get a chance to play with Kerry', said Diarmuid.

The young footballers listened intently and respectfully to Diarmuid's words of encouragement and wisdom. We wish Diarmuid all the best in his up-coming club championship game and also with his Kerry senior career.

After all the medals had been presented and numerous clicks of the camera, our club chairman, Podge Leane, addressed the large gathering- paying particular thanks to our coaching officer Ian Twiss. Ian has done trojan work over the past years, recruiting and up skilling coaches and mentors- thus enabling

them to deliver very creative, diverse and enjoyable coaching sessions to our underage players.

Before close of business, Liam Doherty was presented with the prestigious Coiste Na nÓg 'Club Person of the Year', for his wonderful commitment to the underage structure in Milltown Castlemaine GAA Club. In his address, Podge also acknowledged the tremendous support of Liam's wife Suzy. As the old saying goes- 'Behind every good man is a great lady'!! Well done to you both

This is why we are asking and urgently need YOUR help.

We are calling out to all those in the wider GAA community. Think of all the great GAA men and women who have supported you down through the years. As you can read above, Seamus dedicated himself to the game and we would like to call on your generosity to help our teammate in his time of need. We have no doubt, if the shoe was on the other foot, he would be the first man to offer help.

A gofundme page has been set up to support Seamus and his family in his recovery. You can find the link on the Firies GAA Facebook & Twitter Pages. Or log onto [www.gofundme.com](http://www.gofundme.com) and search for "Seamus O'Brien Support Fund" and donate.

## DR. CROKES GAA CLUB NEWS

### COUNTY LEAGUE - DR CROKES 1-12 DINGLE 1-18 PLAYED IN LEWIS ROAD

The first half of this game saw us play second fiddle to a Dingle team who were more up for the game and outscored us by 1-14 to 0-4 at the end of the first 30 minutes. It's true that we were missing a number of our first team players but we didn't attack the game at any time during the first two quarters.

We made a few changes at half time which was a help but our much better second half display could also be attributed to our overall attitude as we contested every ball more vigorously and maybe Dingle went into a lower gear having put up a match winning score by half time.

I still could see positions in our display and even though we will have to have a lot of improvement for next weekends O'Donoghue Cup I think this can be achieved.

Team and Scorers: Shane Murphy, John Payne, Mike Moloney, David Naughton, Cillian O'Regan, Mark Fitzgerald, Chris Doncel, Alan O'Sullivan, Daithi Casey 0-8 (0-7 frees), Jack Griffin, Micheal Burns 0-1, Brian Looney (Capt) 0-2, Bryan O'Shea, Billy Courtney, Mike Casey 0-1

Subs Mark O'Shea, David O'Leary, Michael Potts, Lorcan Mc Monagle, Jason Lyne, Brian Fitzgerald 1-0.

## EAST KERRY GAA NEWS

### EAST KERRY SENIOR CHAMPIONSHIP O' DONOGHUE CUP QUARTER FINAL

There was a minute silence before game for late Denis Kelleher, late of Gneeveguilla and New York & Dermot Kelliher, Barraduff, Headford, Played in wintery conditions at Paddy O Leary Memorial Park Gneeveguilla the home side got off to a dream start as Shane Crowley applied the finish to a fine sweeping move and goal inside the first minute.

John O Leary (f) and Pádraig Doyle added further points as the home side made the most of the elements.

Rathmore opened their account with a Brendan O Keffe point from distance before Mark Reen pointed.

Rathmore were now applying pressure and only a dramatic last gasp clearance from corner back Eoin Fitzgerald prevented a certain goal.

John O Leary then pointed a free for Gneeveguilla and Sean O Keffe added a point from play.

Chrissy Spears answered with a point from a free before Gneeveguilla again took the game to their opponents and added two fine points from Pa Warren and Pádraig O Connor.

Chrissy Spears had the final score of the half, a plaed ball to leave Gneeveguilla lead 1.6 to 0.4 at the break

Gneeveguilla's John O Leary opened the second half scoring, before Shane O Sullivan fielded a high ball and was pulled down for a penalty, Rathmore defender MJ Kelliher received a black card for the foul. Cornelius Buckley calmly dispatched the spot kick low to the net.

Chrissy Spears replied with a pointed free for Rathmore.

Cornelius Buckley cancelled that out with his own placed ball effort to give the home team a nine point lead.

Rathmore were now to enjoy a good period of play and took the game to their neighbours, Anthony Darmody and John Moynihan both kicked fine points from play. As did Shane Ryan sandwiched between two Chrissy Spears frees which reduced the gap to four points with six minutes remaining.

A fine point from Substitute David Dineen set up a grandstand finish in front of a huge crowd.

Chrissy Spears then added a further point from a free and Aidan O Mahony pointed from play to leave the minimum between the teams.

A brave Gneeveguilla defended with determination in the closing stages and did enough to win the day despite not scoring for the last 27 mins in tough conditions.

Best on the day for Gneeveguilla were Man of the Match DJ Murphy, Eoin Fitzgerald and Pa Warren at midfield, supported well by John O Leary and Pádraig Doyle in attack. Best for Rathmore were

Anthony Darmody, Aidan O' Mahony Brendan O Keffe shane Ryan wand Chrissy Spears was accurate from placed balls.

### **EAST KERRY SENIOR CHAMPIONSHIP QUARTERFINAL O'DONOGHUE CUP**

Legion 3-9 Fossa -3

In a wet and windy day. Legion proved too strong for Fossa in the quarter final of the O Donoghue cup. Fossa lined out with our Paudie Clifford. In Heavy underfoot conditions Fossa opened the score with a point from David Clifford. Legion had scores from Billy McGuire, James O Donoghue and Jack O'Neill. Fossa had 2 further points from David Clifford which turned out to be their last score of the match. James O Donoghue made a great run through the centre and fisted the ball across the square where the on rushing Billy McGuire fisted to the net. Leaving the half time score Legion 1-6 to Fossa 3 points. In the second half scores were hard to come by in the first 15 mins, with both teams guilty of bad misses. Donal Lyne and Darragh Lyne scored 2 great goals for Legion. Leaving the full time score Legion 3-9 Fossa 3 points. Scorers for Legion Billy McGuire 1-1, James O Donoghue 4 points, Jack O'Neill 2 points, Jonathan Lyne 1 point, Donal Lyne 1 goal, Darragh Lyne 1 goal and Conor Keane 1 point. Scorers for Fossa David Clifford 3 points.

Johnathon Lyne got Man of Match

### **EAST KERRY INTERMEDIATE CHAMPIONSHIP FR GALVIN CUP**

Listry 1-12

Cordal 1-11

A goal for Listry by Sean O Sullivan two minutes into added time gave them victory over Cordal in this Fr Galvin Cup match played in Listry. The home side were lucky to get a win here as they were behind for most of the game after Eamon Nolan put the visitors in front with a goal after 20 minutes of the first half. Philip O Connor had a man of match display for the Cordal.

### **EAST KERRY MINOR CHAMPIONSHIP DIVISION DIVISION 3 FINAL**

Kilcummin 2-20 (26) Glenflesk 3-13 (21)

Kilcummin are the 2019 East Kerry Division three minor champions after winning a match of high drama over Glenflesk in Farranfore on Sunday. The heavy rain had abated for throw in time and it was Kilcummin who got the quicker start. Danny Cronin opened the scoring with their first attack. Goalkeeper Keith O'Leary then scored with a forty five before Glenflesk struck for the first goal of the day. Dara Tangney broke free and when his initial shot was saved by O'Leary, Kevin Bowler was on hand to knock in the rebound. Patrick D'Arcy's back to back scores gave Glenflesk a one three to five points lead after a hectic opening.

Kilcummin corner forward Darren Lehane then had two quick goal chances, but both flew over as he had to settle for points. Killian O Sullivan then burst forward from Centre Back to kick an inspirational score for Glenflesk. Cian Foley then got free down the right hand side to equalise for Kilcummin as half time approached. The teams were locked together at half time on a score of one six to nine points.

Eoin Moynihan got an early score for Glenflesk with his languid outside of the foot shot just clearing the crossbar. Patrick Darcy then evaded

# Marc O'Sé appointed as new Listry Manager

Listry Senior Football team are looking forward to the 2020 season with former Kerry football great Marc O'Sé at the helm. The All Ireland medal winner was appointed as Manager at the weekend.

A teacher at the CBS in Tralee, O'Sé takes over from Listry natives Mike Tangney and Mike Dwyer who were joint managers for the past two years.

The team are currently in Division 2 and last Sunday secured a place in the Fr. Galvin Cup semi- final versus Fries with a last minute win over Cordal on Sunday last.

his marker to fist over another point. Kilcummin responded with their opening goal. Wing Back Dylan Murphy reacting first to a loose ball to blast a shot home with his left foot to the roof of the net. Glenflesk were not put off by this setback. After good work by Dara Tangney and Kevin Bowler, Eoin Moynihan was left one on one with O'Leary. The goalie had made two brilliant saves earlier. Moynihan held his nerve though and coolly slotted the ball underneath him. Glenflesk would lead by two nine to one eleven as the matches deciding moments approached. Darcy continued his scoring form as he showed great acceleration to fire over his eighth point. Paul O'Shea also kicked two great points soon after as Kilcummin began to take control. Foley and Philip O'Leary also registered scores before, after a quick breakaway, Foley found the back of the net. Kilcummin now led by six. Surely it was game over.

Glenflesk didn't believe that. Patrick Darcy buried a goal off the ground after reacting first to his own free. Then came the controversial moment of the day. Glenflesk built one final attack. Eventually the ball reached Eoin Moynihan. He dropped the ball in front of the goal. Marc Kelliher, who had started the attack and had now abandoned his goal area, arrived to palm the ball to the net. It was Glenflesk's Meath moment from 1991. Unfortunately the referee and umpires decided a square ball offence had occurred and the umpires crossed their flags. It was a marginal call. Kilcummin hung on to add this title to the East Kerry League one they took just a few weeks ago.

Another great match so, and once again Kilcummin prevail. Glenflesk minors though should be proud of their performance, and on another day the late goal would have stood. This is a young team and experiences like this will be beneficial to them as they advance.

East Kerry Minor Div. 3 Final

## Kilcummin secure win over Glenflesk

Kilcummin 2 – 20 Glenflesk 3 – 13

**K**ilcummin are the 2019 East Kerry Division three minor champions after winning a match of high drama over Glenflesk in Farranfore on Sunday.

The heavy rain had abated for throw in time and it was Kilcummin who got the quicker start. Danny Cronin opened the scoring with their first attack. Goalkeeper Keith O' Leary then scored with a forty five before Glenflesk struck for the first goal of the day. Dara Tangney broke free and when his initial shot was saved by O Leary, Kevin Bowler was on hand to knock in the rebound. Patrick D'Arcy's back to back scores gave Glenflesk a one three to five points lead after a hectic opening.

Kilcummin corner forward Darren Lehane then had two quick goal chances, but both flew over as he had to settle for points. Killian O Sullivan then burst forward from Centre Back to kick an inspirational score for Glenflesk. Cian Foley then got free down the right hand side to equalise for Kilcummin as half time approached. The teams were locked together at half time on a score of one six to nine points.

Eoin Moynihan got an early score for Glenflesk with his languid outside of the foot shot just clearing the crossbar. Patrick Darcy then evaded his marker to fist over another point. Kilcummin responded with their opening goal. Wing Back Dylan Murphy reacting first to a loose ball to blast a shot home with his left foot to the roof of the net. Glenflesk were not put off by this setback. After good work by Dara Tangney and Kevin Bowler, Eoin Moynihan was

left one on one with O Leary. The goalie had made two brilliant saves earlier. Moynihan held his nerve though and coolly slotted the ball underneath him. Glenflesk would lead by two nine to one eleven as the matches deciding moments approached.

Darcy continued his scoring form as he showed great acceleration to fire over his eighth point. Paul O Shea also kicked two great points soon after as Kilcummin began to take control. Foley and Philip O Leary also registered scores before, after a quick breakaway, Foley found the back of the net. Kilcummin now led by six. Surely it was game over.

Glenflesk didn't believe that. Patrick Darcy buried a goal off the ground after reacting first to his own free. Then came the controversial moment of the day. Glenflesk built one final

attack. Eventually the ball reached Eoin Moynihan. He dropped the ball in front of the goal. Marc Kelliher, who had started the attack and had now abandoned his goal area, arrived to palm the ball to the net. It was Glenflesk's Meath moment from 1991. Unfortunately the referee and umpires decided a square ball offence had occurred and the umpires crossed their flags. It was a marginal call. Kilcummin hung on to add this title to the East Kerry League one they took just a few weeks ago. Another great match so, and once again Kilcummin prevail. Glenflesk minors though should be proud of their performance, and on another day the late goal would have stood. This is a young team and experiences like this will be beneficial to them as they advance

# AND THEN THERE WERE FOUR

Following last week's two remaining quarterfinals the East Kerry O'Donoghue Cup can only be won by either Dr. Crokes, Spa, Gneevegullia or Killarney Legion. The **Killarney Outlook** looks ahead to this weekend's action with two more teams going to lose their grip on the O'Donoghue Cup

## Legion must be wary of Gneevegullia threat

**East Kerry senior Championship Dr. O'Donoghue Cup 2019**  
**Semi Final**  
**Killarney Legion V Gneevegullia**  
**Saturday 30th November at 2pm**  
**At Fitzgerald's Stadium**  
**Extra Time if necessary**

Both Gneevegullia and Killarney Legion could not have arrived the semi final stages in more different ways. Gneevegullia dug out a victory over Rathmore in a dogged fashion, while Killarney Legion had an easier than expected win over Fossa.

Early goals in both halves had Gneevegullia in the driving seat against Rathmore last Sunday. Shane Crowley stuck for goal as early as the opening minute of the game with Con Buckley converting a penalty just four minutes into the second half to give them a 2-7 to 0-4 lead. They only found the target once more in the game as Rathmore had closed to the bare minimum by full time but it was enough to give them their first win over their neighbours in 10 years in the East Kerry Championship

For Legion a first, half Billy Maguire goal had Stephen Stacks men ahead 1-6 to 0-3 at the break as they over turned an early 0-2 to 0-1 Fossa lead. A further brace of goals late in the second half by Darragh Lyne saw them to the semi finals with a 12-point margin at the end.

On paper, it is a straight up junior club taking on a full senior county championship team that exited at the Quarter Final stages of the Senior Football County Championship. Still the underdog tag will suit the men from Gneevegullia who in recent times have the form of collecting the Division 3 county league as well as bettering their neighbours Rathmore who could still win the Division 1 title in the county league.

## Dr. Crokes need to find form of fend off confident Spa

**East Kerry senior Championship**  
**Dr. O'Donoghue Cup 2019**  
**Semi Final**  
**Dr. Crokes V Spa**  
**Sunday 1st December at 2pm**  
**At Fitzgerald's Stadium - Extra Time if necessary**  
 Confidence is an amazing thing and the lack of it at times can see a team not perform to their best. Since defeat at the hands of East Kerry in the senior football championship, Dr. Crokes

form has been indifferent to say the least. They overcame a spirited Kilcummin effort to make it into the final four but the concession of such a large score would have been of a concern. A week later, they were left at the starting blocks by Dingle in the Division 1 county league back game and despite having trailed by 13 points at the break the black and amber's had the gap reduced to just six by full time. Spa on the other hand ended the runs of

Glenflesk and Currow to get to the last four. Having no less than 12 players on the East Kerry panel, they are packed with on form players who bid to claim the biggest prize in East Kerry. They also showed in their quarter final win that they have the fire power needed but this is championship and a battle with their neighbours in Fitzgerald Stadium is as big as it gets, nerves will need to be held by both sides.

## FARRANFORE MAINE VALLEY AC

### NATIONAL SENIOR & JUVENILE EVEN AGES CROSS COUNTRY C'SHIPS

The first National Cross Country Championships of the season took place on Sunday 24th November in The Sports Center Abbotstown, Dublin. The course was soft, following some very heavy rain during the week. Underfoot was challenging throughout the 1500m lap and was a test of athletes strength and endurance. Shauna McCarthy competed in the U16 4000m and was part of the Munster team. With close to 140 athletes fighting for positions the pace out of the tunnels was very fast with each girl trying to get ahead before the course began to narrow in. Shauna had a good start and was well inside the top half of the group. After the first short lap the line extended as most began to find the course very tasking. Shauna persevered and kept gaining positions throughout. She finished in 34th place overall and 7th for Munster. Well done. Mary Daly was part of the Senior Women's county team. The other team members were Grace Lynch (Iveragh), Niamh Clifford (Star Of The Laune) & Niamh O'Sullivan (An Riocht). Competing with the best athletes in the country, the likes of Finnula Britton & Michelle Finn, over 8K distance was going to be a challenge. Mary paced herself very well over the five laps and did very well to finish in 42nd place. The second scorer for Kerry who finished 6th county team.

166 athletes lined up for the final race of the day. This was the Senior Men's 10K, 7 lap race. By now the course was well trodden, so no avoiding the by now heavy and sticky mud. Two athletes from Kerry lined up with the top Irish athletes fighting for positions

1st YEAR GIRLS - FUTSAL MUNSTER FINALS - St. Brigid's Presentation Secondary School First Year Girls who were runners up in the Munster Futsal Finals held at Waterford IT Arena last Tuesday, 19th November. to gain qualification for the European XC in December. Our own George McCarthy & Conor O'Mahony (An Riocht AC). Again the pace from start was fast, As each lap passed the athletes were spread throughout the 1500m lap, each battling for team positions. George finished in 130th place, and Conor had a great race, finishing 34th. Well done to Shauna, Mary & George for representing club, county & province admirably.

#### KILLARNEY RFC GIRLS SCALE NEW HEIGHTS

- By Milo O'Meara

A visit to newcomers Listowel on Saturday last, saw a much improved performance by this Killarney side, who themselves have only recently been introduced to the game. Listowel, managed by the ever enthusiastic Kieran, managed to get a full 15 side out to face Killarney. It was a great achievement given how new to the game his girls are, as it very difficult for any coach to teach the skills needed in such a short time. We, at Killarney have full empathy and respect for what he, and his coaches and helpers are doing. Let's face it, Killarney themselves came under enormous pressure not only to start an U14s girls side, but with little or no time to coach them, they were thrust in the devils cauldron by competing in a league campaign.

But at this age, there is no fear of the unknown by the girls and so little by little as each training session comes to an end, this crew of young girls are taking in what is being coached and are slowly and most assuredly beginning to implement it onto match day. The scoreline which isn't important was a reflection of the effort put in by all 15.

The Killarney coach when asked about the win said, "the played like a team", no more to be said!! The front row, Jasmine Howard, Ella Guerin and Molly Gabbett are becoming a great combination as they all carried strong ball into contact and got around the field really well.

Second row of Joanne O' Keefe and Clodagh Foley were both outstanding, Joanne carrying some hard ball though the centre repeatedly

20 TY students from St Brigid's Killarney completed a Spikeball coaching course in St Brigid's Killarney. The course was given by Conor Flood from Volleyball Ireland. The girls must now complete 6 weeks coaching to both primary and first year students and organise a tournament at the end of the 6 weeks. The girls really enjoyed the course and look forward to the coaching.

and Clodagh getting back 50 metres to pull off a magnificent tackle.

The back row of Nell Crowley, newcomer to the backrow, Isabella O'leary and captain on the day Fia Whelan also gave up great performances. Fia, and her ability to drop kick a ball has even her coach bemused, her dad, Josh, himself a coach at another club, has taught her well! Robyn Launder at scrumhalf and Outhalf, Bronagh Dorrian, are beginning to link up well and caused havoc around the set piece, and Bronagh once again had a great day slotting over at least

six conversions. Centres, Holly O' Sullivan and Katie O' Donoghue both defended and attacked with zeal and were a constant headache to Listowel who struggled to get the ball out wide because of their workrate.

The back three of Melissa McCarthy, Kate Mangan and Marina Eager have all much improved as time goes on. They are beginning to know where they need to be, getting involved in everything. Indeed a special mention in this case to Marina's lightning speed which resulted in us finding the try line more than once. The acid test will come in two weeks time when Bruff, who gave Killarney a good trimming on their first ever match, come to town. Will Bruff faze these girls this time? Not likely..Come down and see for yourself how far they have come in such a short time.

A big thank you to Anne Foley, who, in Fiona's absence did a fantastic job, to the parents who came to see their kids play and perform in a way that would please the eye!!

#### KILLARNEY VALLEY ATHLETIC CLUB

We would like to thank all the volunteers that helped out at our church gate collection last weekend. Your help was greatly appreciated.

#### CYCLING NEWS

##### CYCLIST'S WARM-UP FOR CHRISTMAS WITH THE ANNUAL HAMPER RIDE ON DECEMBER 15TH:

Like hearing Christmas music for first time every year we know when the Festive season is just around the corner as it's nearly time for the annual Christmas Hamper Ride.

The event on December 15th is hosted by the Killorglin Cycling Club the riders have a choice of two distances - 75km and 50km for adults. The action begins with sign on at the Killorglin Sports and Leisure Centre from 8.45am to 9.45am with the event rolling out at 10am. The sign-on fee is e15 for Cycling Ireland members and e20 for non- members.

Both of the adult routes follow the same roads through Killarney and into Farranfore where the 50km riders will head for Milltown and home while those on the longer route stay on the new Tralee road until they turn onto the Farmers Bridge climb and make their way back to Killorglin.

The first riders back from the long distance and the first from the short distance will receive hampers but there are also plenty of prizes to be raffled amongst the rest of the riders.

The event will be paced to ensure a fun day out and organiser Alan Jones says that it's a time when friends meet up year after year. "We know many of the riders who come back year after year and they really enjoy the day. So it should be another great way to kick start or should we say cycle into the Christmas season."

Already through in the Even Ages were Killarney Athletic and Killorglin in the 12's, Killarney Celtic in the 14's and The Park in the 16's. They were joined this weekend by Killarney Athletic and Tralee Dynamos in the 13's but sadly Camp Juniors just failed to make it a magnificent seven as they went out away to Newscastlewest Town 7-4 with the damage done in the first half where they found themselves 4-1 down. But for Killarney Athletic their away trip to Clare to face Avenue United was a winning one. There was only one goal in the game and it was scored by Nathan Cronin in the second half for Athletic who also had a man of the match performance from Mark O'Carroll.

Killarney Athletic U15 Division One.

Goals from Maebh Courtney and Keelin O'Shea were not enough to get Iveragh United a share of the points in their home game against Camp Juniors who hit three.

Action in the 13 Division 1 began in mid-week when Castleisland won 2-1 at home to MEK Starz. Edel O'Donoghue and Amelia Kerins scored for the home side with Avril Rooney replying for MEK.

Many thanks to Dingle Bay Rovers for the great Hospitality.

U13s National Cup Result, Round 4

Avenue Utd 0 - 1 Killarney Athletic A.F.C

Our young Blues made the long trip to Ennis earlier today in the 4th round of the National Cup, with a place in the last 32 and a Regional Quarter-Final to play for.

In a very tight game, there was very little between the Teams with both sets of attackers unable to penetrate each other's defense. 0-0 at the break.

Second half, we started to get the ball down and have good possession but again without creating any goal scoring opportunities. Avenue were looking dangerous on the counter attack and one of these attacks saw the Avenue Striker through on goal only for an excellent save from Caolan Mitchell in goal.

With 8 minutes remaining, we won a free kick, luke Doolan stepped up and whipped a dangerous ball into the penalty area where the Avenue Keeper could only get a hand to it and it fell to Nathan Cronin who finished from close range. A couple of late free kicks from Avenue looked dangerous but our defence stood firm and saw out the game to the delight of the

players and travelling parents.

Thanks to Avenue for a very tough sporting game, for the food and refreshments for our players and parents after the game.

A solid performance all round with another clean sheet, well done to all the players today. Thanks to all the parents who made the long trip today to support the players.

This win now puts us into the last 32, and a Regional Quarter-Final at home vs Asling Annacotty.

### SENIOR TEAM:

The Seniors took on Fenit in their first league game of the season on Sunday in less than ideal conditions and found it hard to get going in the opening 30 minutes but with the introduction of Ryan Carroll on the 35th min sparked the team into life and a good move in the 44th min was well finished by William Courtney needing to improvise after the keeper made a good save from his initial shot by heading the ball into the net from close range.

Half time 1-0.

The second half saw a different athletic with the passing and movement on another level.

Fenit were now having to chase the ball which opened up space for William Courtney and Tom Templeman to get in behind their defence and if it wasn't for some fine saves from the Fenit keeper Shane Lynch would have scored a hat trick.

The second goal came when Tom finished by chipping the ball over the on rushing keeper after a lovely through ball from William spilt the defence, The third and Tom's second came from another good ball from William into the box and Shane Lynch just unable to get on the end of it allowed Tom come in with a tap in at the back post.

Management made some changes at this stage with Donnel coming on for Jordan Rayes and Tom Templeman making way for Ian Prendergast.

Conor Farrell after recently becoming a father and playing like a teenager crossed a ball to the back post from Shane Lynch to get the goal his performance deserved.

He then made way for Matt Fleming with 15 mins left.

Another through ball found William racing in one on one with the keeper and he slotted the ball into the bottom corner for his second.

Fenit pulled one back from the penalty spot to make 5-1 but with Jack Cooper coming on for William Courtney with five to go and with his first touch he found the bottom corner from just inside the box and make it a brilliant second half performance.

The game was back in the melting pot when Hibs equalised again and extra time looked to be on the cards. South West Munster U18 Round 5

# KILLARNEY POWER TO VICTORY

Killarney 25 Newcastlewest 11

**K**illarney U18s powered to an impressive victory on home turf on Sat 23rd saving their most complete performance for the final game of the conference. Both teams entered the game on level points knowing that a victory would propel them into Munster Cup action before Christmas. Killarney got off to a flying start. The reconfigured backline worked the ball skillfully into the left corner, from there the forward unit took over with Brendy O Donoghue and John Mc Carthy going close before Craig McKenzie Vass used his power to crash over. The response from the hulking visitors was emphatic. For the next 20 minutes they dominated the exchanges carrying hard with ball in hand and mixing their frontal power game with shrewd tactical kicking from their 9 and 10. They narrowed the lead with a penalty after 8 Mins and after turning the screw for several phases scored a superb try after 15 Mins when their 10 cross kicked deftly for the right winger to collect, step inside the cover and touchdown. Killarney bounced back quickly securing a penalty from the restart and when the ref brought it into range for unwanted verbals Ciaran O'Brien punished the offence with his powerful boot. Killarney continued the policy of rotation introducing 4 players after 25 Mins and retook the lead after 30 Mins when prop O'Brien again slotted a penalty. Newcastlewest pounded the home line for the final 5 minutes and leveled the game at 11 all with the last kick of the half.

Killarney regrouped at half time and got a break after 5 Mins when Newcastlewest had a player sinbinned for prolonged verbals. This period allowed the home time more time and space to connect and it was noticeable that their patterns and link play improved. A number of promising moves thrilled the large crowd but the ball was dropped on a few occasions. Eventually the try arrived after 16 mins when Gary Randles bludgeoned his way through the scrambling defence to touchdown. With confidence now skyhigh and also with more fresh reinforcements the chinks now began to appear in the visitors defence. Line break followed linebreak with Adam Walsh, James Kennelly, Cian Murphy, Matt McAuliffe, Brendy O Donoghue and Pdraig Talbot all making major yardgains. The best try was served after 22 Mins when fullback Gary Randles finished a super team effort cutting a sharp line diagonally through the cover to score under the posts. Prop Ciaran O'Brien brought his kicking total to 10 points for the day to complete the scoring. Killarney rotated 9 eager players for the last

12 Mins who dovetailed seamlessly into their positions. A final inspiring Aidan Keane tackle and ballrip heralded the final whistle.

The starting forwards on the day were Rob Nealon, Craig Mc Kensie Vass, Ciaran O'Brien, Evan Mannix, Pdraig Talbot, Matt McAuliffe(capt), Brendy O Donoghue, and John Mc Carthy.

The backline started with Adam Walsh, Cian Murphy, Donnchadh Grealy, Dion O'Neill, Mark Sheahan, Tomas Clifford and Gary Randles. The following players were rotated in during the game, forwards Adam Cronin, Krystian Komosa, Sam Casey, Adam Mcsweeney with backs Michael Cusack, Ronan Buckley, Liam Randles, Aidan Keane and James Kennelly all competing superbly.

From here it's onwards and upwards for this ambitious group who have now qualified to compete at the top table of Munster competition for the 3rd consecutive year. The team will await the draw with great anticipation with a first round match scheduled for Sat 14th of Dec. ### Hard to pick highlights in hectic week on the local basketball courts

**W**ith games in many of the Kerry Airport Kerry Area Basketball Divisions and competitions it is not easy to pick highlights.

Cougars quietened in Currow: In the u12 Division 2 it ended St Bridgets 27 to Killarney Cougars 12 but it doesn't really tell the story of the game. The home side led by 5 entering the last quarter but the Killarney boys had cut this to just 2 with three minutes to go. But cheered by the home crowd the St Bridget's Currow side finished in style led by the eye catching Joshua Ryan. He would ebd on 16 with Frank Wharton hitting 7. Fergal Murphy had 7 for the Killarney side.

Imperials win in Castleisland: St Mary's hosted a Tralee Imperials side that had a height advantage in Castleisland. However the Tralee girls were pushed all the way by the home side and only pulled ahead in the final two quarters of the game. St Mary's led by 1 at the break 12-11 but Imperials took the win 23-14. Priya O'Donovan and Laura Falvey led the scoring for the Tralee girls with Jasmine Tobin Moran and Sophie Horgan topping the lists for St Mary's.

Raven's flying high: It was a good week for the Rathmore Ravens u12's girls. They proved to be too strong for a St Paul's White side who never stopped trying. Rachel Rahilly led the Ravens to victory with 12 followed by Ava Twomey on 8 with Aoife Murphy, Christine Moynihan and Katelyn McCarthy also on the score sheet.

They followed this up by winning at home to Caherciveen in the first game in the Plate. This time it was Twomey leading the scoring while Katie Doherty had a big game on defence.

Rockets and Flames on fire for St Colman's: Like most corners of the county basketball is strong in Milltown. In the u12 Division 3 Pool 2 the Rockets just got the better of St Paul's by the narrowest of margins. St Paul's led 17-11 at the half but a big third quarter from the Milltown girls saw the sides level entering the final quarter and they went on to win by 1 point 24-23.

For St Colman's Rockets Niamh O'Gorman and Georgina Casey had 8 each as did Zoe Counihan for St Pauls with Maggie Hickey on 6.

Bobcats see off St Paul's in u16 Girls cracker: The u16 Girls Division 2 game between TK Bobcats and St Pauls was a high scoring thriller. Paul's led 16-10 at the end of the first quarter but Bobcats outscored them 20-12 to lead by 2 at the half. It swung again in favour of the Killarney side in the third as they went back in front 45-42. But by the time the buzzer that counted sounded TK Bobcats were ahead by three 60-57. Roisin Rahilly led the scoring with 19 followed by Ella Quirke on 11.

Bobcats Boys make it two from two in 14's: TK Bobcats welcomed TK Cougars Killarney to the John Mitchels hall for a game in the u14 Boys looking to make it two wins from two. There was very little between the sides in the first

quarter with the home side leading by 1. By half time the game was still as tight but this time it was the Cougars who led by 1. In a high quality encounter Cougars Lucas Cronon and Ted O'Gorman were impressing while Stephen Turner and Conall Savage were doing the same for Bobcats.

TK Bobcats upped their intensity on defence in the final two quarters and were 7 ahead going into the final period and pressed home their advantage to win by 19 in the end.

St Mary's Boys win tight encounter: It took a big three pointer from St Mary's Patrick O'Shea to finally see off Gneeveguilla 59-54 in the u16 Boys League. St Mary's score sheet was headed by Brian O'Leary on 21 followed by Rory Burke with 12 and Evan Brennan on 6. Sean Finnegan led the Gneeveguilla scoring hitting 21 with Rory Burke on 12 and they also had some excellent rebounding from TJ O'Leary.

St Bridgets on the double: There were wins for St Bridgets u16 and u18 boys in their Division 2 Leagues. The u16's saw off Caherciveen 46-43 led by Cathal Brosnan on 16 and John O'Connor on 14. Aaron Galvin hit 13 for Caherciveen with Ronan Teehan shooting 12.

In the 18's it finished 54-42 over Glenbeigh Falcons. John Curtin 18 and Ryan McHugh on 11 led the Currow scoring with Liam Smith 15 and Keith Sheehan 10 the top two for the Falcons.

ougars made a confident start to the game with Cian Forde and Ian Coffey in top form to open a lead for Cougars 16-9 as Caherciveen struggled to get into the game. Caherciveen made a stronger start to the second quarter but Cougars finished the quarter well with Rory Clancy and Ted O'Gorman on target with 6 pts each to increase the lead to 29-18 by halftime. Cougars were dominant in the second half as they had some excellent baskets and controlled

the boards with Rory Clancy the games top scorer on 19pts and Ian Coffey, Cian Forde and Ted O'Gorman all getting into double figures for the Killarney boys.

**U14 Girls Div II  
St Brendans 31  
Killarney Cougars 29**

St Brendans made home advantage count as they led this game from the start to the finish withstanding a late comeback from the Cougars which came close to snatching the win but St Brendans who were the better side for three quarters of this game held on just about. Killarney Cougars Mia Griffin, Kate O'Driscoll and Lucy OSullivan all giving it their all until the final

buzzer but it was the Tralee girls that secured the points.

## National League Division One

## LAKERS RECORD IMPRESSIVE VICTORY

**Ulster University Elks 81  
Scotts Lakers 94**

SCOTTS Lakers picked up an important win on the road last Saturday with an impressive 13 point victory in Ulster University Jordanstown. This match had a 12.30 tip-off in Belfast meaning an extremely early departure time of 4.30 am for the Killarney side.

Despite the long journey and early start, Scotts Lakers were well in control of this match from the outset. Four big three-pointers from Brian O'Neill plus further threes from Mark Greene, Toby Christensen and Mick McGinn helped the Killarney side to a 34-21 lead at the end of the first quarter.

Greene, Christensen and McGinn added further scores while Aaron Jackson also impressed as

Lakers enjoyed a commanding 54-35 advantage at half-time.

Disaster struck for the visitors early in the second half when Aaron Jackson was disqualified from the match following a controversial foul with less than three minutes gone. The home side capitalised on this with Aaron Rooney and Kadeem Smithen impressing and Elks outscored the Lakers 27-17 in this quarter. Toby Christensen, Brian O'Neill and Mick McGinn kept the Lakers in contention and they managed to stay in front to lead 71-62 as the game entered the final quarter.

Toby Christensen continued to dominate hitting 14 points in the final period to finish with a massive game high of 38 points. The home side struggled to claw back the deficit and Lakers held on to win by 13 in the end. It was a huge

improvement on the previous week's loss to Fr Mathews where the Lakers missed 16 free throws. They only missed four from 20 attempts in Belfast last Saturday and this was another significant factor in the victory.

Scotts Lakers are free this weekend and their next outing is away to Limerick Sport Eagles on December 8th. The next home game in Killarney Sports Centre will be against Limerick Celtics on December 14th.

**Scotts Lakers:** Toby Christensen 38, Brian O'Neill 21, Mick McGinn 15, Aaron Jackson 11, Mark Greene 6, Victor Martinez 3, Seamus Brosnan. **Ulster Elks:** Kadeem Smithen 21, Aaron Rooney 18, Shane O'Connor 16, Matthew Rooney 8, Shane Morgan 7.

# ST BRENDAN'S SEAL TOP SPOT WITH WIN OVER RIVALS TRALEE CBS

St Brendan's College 1-17 Tralee CBS 2-13

Ryan O'Grady of St Brendan's evades the tackle of Tralee CBS's Armin Henrich.

**St Brendan's College have qualified for the Quarter Final of the Corn Ui Mhuiri when they sealed top spot in Group D with a hard fought one point win over Tralee CBS.**

Played in front of a large crowd of supporter this lunch time top of the table clash did not disappoint for both drama and excitement as the lead switched hands a number of time before a strong St Brendan's finish got them over the line with a long range free from Ryan O'Grady came on the back on some fine scores by substitutes Tom Doyle and Harry Buckley.

With both teams having already done the hard work in securing qualification from this Group D Corn Ui Mhuiri clash top spot and a draw against a group runner up in the quarter final was at stake with both teams already having beaten ISK and Coláiste Chríost Rí.

Ryan O'Grady and Dylan O'Callaghan got the winners off the mark early but Tralee helped with points from Cian Purcell, Sean Quilter and Joe Lenihan put Tralee CBS into the lead at the end of the first quarter.

It should have led the Green side to build on a lead that they deserved for their effort but it was St. Brendan's that hit a purple patch that led them to score the next four unanswered with O'Grady (F), Emmet O'Shea, Eoghan O'Sullivan and even keeper Eoin Moynihan (45) all finding the target.

Still Tralee CBS were creating chances but a number of tenacious block downs kept that at bay. Unfortunate for the Killarney side that it was a block down that led to the game's opening goal as Darragh Reen recovered his blocked effort to send an inviting ball into the square in which the on rushing

Cian Purcell flicked to the net. A minute later the impressive Fergal O'Brien had the game tied up with a point. Jason Kerins ensured that the "Sem" would take a 0-9 to 1-5 lead with them to the break.

The second half proved to be a real "topsy turvy" affair with each side gaining momentum at various stages only being guilty of not pushing on when in the ascendancy. The Tralee side regained an early lead with strikes from Luke Barrett and Quilter but again it was the Killarney boys who pushed forward and helped with a 37th minute Ryan O'Grady goal that pushed themselves five points clear by the 40th minute. However they failed to find the target for another ten minutes as Tralee once again retook the lead helped with a Sean Quilter goal on the 43rd minute when he out fielded his marker and shot to the net.

By the 50th minute, they were ahead 2-12 to 1-12 but again they too fell guilty of not shutting out the contest as the Sem mounted one last throw of the dice with both Harry Buckley and Tom Doyle being introduced.

Both would find the target as would centre back Terry Sparling before Ryan O'Grady fired over his free from the sideline to ensure that it would be St Brendan's that would top the group as Tralee CBS were left to reflect on what may have been.

**FOCUS ON  
HARDWOOD CUTTINGS**

Hardwood cuttings are a pretty easy and a very reliable method of propagating a wide range of deciduous shrubs, climbers and fruit bushes. Most deciduous shrubs are ideal for taking hardwood cuttings, for example Buddleja (Butterfly Bush) Rives (Flowering Currant), Viburnums or Forsythia and the same applies to a lot of deciduous climbers like honeysuckles and Jasmine plus fruit bushes like black currants and gooseberries.

The best time to take hardwood cuttings is when the plant is dormant which is from about mid Autumn until late Winter but the ideal time would be just after the leaves fall off the plant or just before the buds start to burst in early Spring. These types of cuttings may be slow to root however it is very successful.

Next week: How to take Hardwood Cuttings.

## When a Relationship Breaks Up

The ending of a relationship can be a very painful time – whether you are the one who has ended the relationship or not. It may have come as a great shock – which can be very upsetting. Even if it had been coming for a while, the grief that accompanies a break up can be devastating. Following a break up we may feel overwhelmed with feelings of loss, grief, anxiety, loneliness, guilt and sadness and it may feel as if our lives will never be the same again. We may find that we have one good day, only to feel flooded with sorrow the next. This is very natural and part of the grieving process. If we were the one to end the relationship we may experience feelings of guilt, loneliness, sadness and/or relief.

Whatever you are feeling, it is important to allow yourself time to grieve. Healthy grieving means experiencing our feelings, whatever they may be. Gradually we come to accept the loss and re-adjust to a life without that person. It can be difficult to move that person from being at the centre of your life to somewhere peripheral. This is made all the more challenging if you have children together or work in the same office. Minimal contact – however tough – is advisable.

At times grief can feel like a physical pain – so working with our body can help to release the sadness. Gentle movements such as stretching, walking dancing, yoga, massage or tai chi can all help our mind and body to express our grief.

Although your grief may feel very intense it will change over time. It is important to remind yourself that the heart-break will heal. Gradually you will begin to notice that you're not checking your phone as much anymore, you have a night out where the sadness isn't present or you're not crying all the time. It is vital to notice these changes – as no matter how small they may seem – they signal change and herald a new beginning.

Grief can be a very isolating experience, so it is important to seek support and reach out to others. You may choose to talk to friends or consider speaking to a counsellor to help you through this time.

Remember you don't have to go through this alone. Other great sources of support include spending time with family, walks in nature, pets, reading a good book, watching a movie or going to the gym.

**SouthWest Counselling Centre, Killarney** provides affordable professional counselling to children, adolescents adults and couples at its Killarney Centre (Lewis Road). To make an appointment call: 064 6636416/064 6636100 E: [info@southwestcounselling.ie](mailto:info@southwestcounselling.ie).

SouthWest Counselling Centre is a not-for-profit organization. All funds raised through fundraising go directly to service provision.

## A Word of Victory

Welcome back dear reader "can two walk together unless they are agreed?" (Amos 3:3). Agreement is essential for advancement and peace. Jesus told His critics that "a house divided cannot stand" (Matthew 12:22-30). A familiar tactic of Satan is 'divide and conquer'. He uses it in marriages and families, in workplaces and amongst friends. Also a person can be afflicted by this with mental torment when they are conflicted within themselves by feelings of shame, guilt and condemnation – all diminishing love for oneself and others. With Christmas approaching many couples and families feel pressure because of demonic attacks which are specifically sent to cause strife and arguments in order to divide and conquer them. Most people do not even realise what's going on and have no defence for it, and what happens is they lash out at the one who has hurt them, so a tit-for-tat results, breeding resentment and allowing bitterness to take root. To the one harbouring feelings of anger it is like drinking poison, and can be the root cause of sickness, torment, and fear. To counteract strife and the plots of the devil draw close to God! When we humble ourselves before God by accepting Jesus as Lord, repent for our sins, and obey His Word we can resist the demonic by God's Power and the devil has to flee (read James 4:1-12). It is through studying God's Word the Bible that we train our spirits in discernment and, as we get to know the Lord through His Word, we become a habitation for His Presence and will easily spot and stop these attacks. Anger is an important emotion, but the Lord warns us to "be angry and do not sin" and, to not "let the sun go down on our anger" (Ephesians 4:26-27). This is a vital principle friend, because, when we hold onto anger it only grows bigger as we feed on the offence it causes us all kinds of trouble and gives the devil legal access to bring disaster as he has "foothold" in our lives through that anger. Yes, I can hear you shouting 'you don't know what they did to me!!!', but friend, God wants us to forgive from the heart – not just for the one who has hurt us to be released, but, so we can be set free from Satan's grip. "Forgive us our sins as we forgive those who have sinned against us". To the same extent that we forgive, we are forgiven and peace is restored.

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

*God looked around his garden  
And found an empty place  
He then looked down upon  
The earth and saw your tired face  
He put his arms around you  
And lifted you to rest  
Gods garden must be beautiful  
He only takes the best.  
It broke our hearts to lose you  
But you didn't go alone.  
For part pf us went with you,  
The day God called you*
