NEWS DESK Irish kids set to eat 5 million Easter eggs

rish children will eat their way through at least five million Easter eggs over the forthcoming holiday – lumping an extra 460 tonnes of sugar into our young people's diets over a period of a few days, a survey for the Irish Heart Foundation has found.

The poll of parents carried out by Empathy Research found that children here will polish off an average of four eggs over the Easter period, with almost one in five receiving six eggs or more. Just one medium sized Easter egg contains some 23 teaspoons of sugar, which is almost four times a child's recommended daily intake.

"Easter eggs are a traditional treat and nobody is saying children shouldn't get them," said Janis Morrissey, head of health promotion with the Irish Heart Foundation. "The problem is overconsumption that is being driven by the pester power and temptation overload created by excessive marketing and clever promotions directed at children."

"This is not a 'bah humbug' or spoilsport approach. Children's health is being unnecessarily compromised by companies whose sole objective is to get them to consume as much chocolate as possible. "And its important that we don't view these marketing tactics in isolation. Easter Sunday is just another day in the incessant bombardment of children with slick junk food advertising that has distorted the notion of what a healthy diet should be. "All this is happening in the midst of a child obesity crisis where children as young as eight are presenting with high blood

as eight are presenting with high blood pressure and young people showing early signs of heart disease once only seen in middle-aged men", added Ms Morrissey.

The Irish Heart Foundation is campaigning for regulations to prevent all junk food marketing directed at children. Its Stop Targeting Kids campaign is seeking public support through a petition at www. irishheart.ie/stoptargetingkids which calls for action by the Government to regulate digital marketing aimed at Irish children and to close loopholes in broadcast restrictions which mean that children still see over 1,000 junk food and drinks ads on television every year.

Big Coffee Morning set to support Crumlin this year

wo kind hearted mums have joined forces to hold the now annual Big Coffee Morning at the Killarney Royal Hotel. Anne Marie O'Leary and Tara O'Donoghue have decided that this year the funds will go to Crumlin Children's Hospital (CMRF Crumlin). The BIG Coffee morning, is now in its third year and has supported MS Ireland South Kerry branch for the previous two years. "It's great to be supporting good causes and we are aware that there are many Killarney and indeed Kerry families who have benefited from the medical expertise and care that Crumlin Children's Hospital provides on an ongoing basis. We are just glad to acknowledge the good work they do and contribute financially to their ongoing efforts" Ann Marie told the Killarney Outlook.

The coffee morning promises to be full of home-made treats and goodies that will be difficult to resist and this alongside the traditional teas and coffees will undoubtedly make for a great morning at the Killarney Royal Hotel. Tara went on to praise those that support the event annually - "We are so grateful for all those who bake and provide confectionary items for the morning and we would like to thank in particular the Killarney Royal Hotel and their staff for hosting the

event. Of course the morning is only successful if people come out and support the cause which they have in the previous two years, and we are so thankful for this support".

One of the big draws on the morning is the raffle which boasts a formidable array of prizes, all sponsored by local businesses. "The local businesses have been so generous with sponsorship of prizes for the raffle each year and we are delighted that this year is no exception with a great variety of prizes to be won" stated Ann Marie. The girls have received the support of CMRF, Our Lady's Children's Hospital, Crumlin who have thanked them.

"Thanks to our many doners and supporters like Anne Marie and Tara, CMRF Crumlin has provided funding of over €87 million in he past 10 years to support Our Lady's Hospital, Crumlin and the National Children's Research Centre" Alison Reynolds, Community Fundraising Executive said. Both Ann Marie and Tara are hoping for a big turnout to support this great cause. The BIG Coffee morning is due to run from 10am – 12pm in the Killarney Royal Hotel on the 7th April 2018.

novel fundraising initiative that saw pupils of one Killarney national school arriving to class wearing odd socks under their uniforms has raised an impressive €700 for the Kerry branch of Down Syndrome Ireland.

The principal and teachers in Tiernaboul National School in Killarney have never been sticklers for insisting on matching socks but, for one day only, there was a price to pay for those that turned up not wearing them last Thursday with multiple offenders caught in the act.

Principal Conor Gleeson was very happy to see odd socks dangling under the desks as it meant that it helped raise some funds for a charity that is very close to the school's heart.

The fun promotion was in aid of Down Syndrome Day and, for a \in 2 penalty, the children were encouraged to turn up without their socks being the same colour or design.

Two of the pupils in Tiernaboul, Jessica Treyvaud and Niamh Foley, are members of the Down Syndrome community and they took pride of place on the day as their pals in the 53-pupil school supported the great cause.

In addition to what was collected in the classrooms, generous donations were also received from others, including the minor and under 16 footballers of Spa GAA Club who held an odd sock training night to join in the fun.

"Everybody was very generous and we were delighted with the support we received right across the community," said principal Conor.

A cheque for €700 was presented by the school to Jessica's dad, Mark, and Niamh's mum, Breda, and it will go towards one of several great projects being undertaken by Down Syndrome Kerry.

Pat and Padraig take on Everest

🕝 ome time ago two friends decided to do something memorable in 2018, Pat Chawke former of Aghadoe manager Heights, and Padraig McGillvcuddv owner of the Ballygarry House Hotel, Tralee, decided to climb Everest. Padraig (Sherpa) and Pat (Yak) are covering their journey on their blog www.sherpandyak.com. They completed altitude training in the Alps in February and even closer to home, Mount Brandon. Their training incorporated gym sessions to improve general fitness and a lot of leg work combined with mountain hikes at weekends on Mangerton Mountain. They are carrying fully loaded backpacks when hiking which are approx. 15kgs in weight, so for practice they filled their backpacks with books! After deciding to take on this challenge, they researched guides, routes, airlines, gear, fitness regimes, medical shots required, the pitfalls to expect and everything else that they could think of but they realised they need help with the technical climbing skills so Nathan Kingerlee of Outdoors Ireland took them

for a session in the Gap of Dunloe. Pat and Padraig landed in Nepal on St Patrick's Day and then made their way to Lukla where they began their trek to the Himalavas.

The boys have been sending regular messages home and Pat's wife, Marie Chawlke received this message this week.....

"So as Meatloaf said 2 outta 3 ain't bad. However we're going for the third & final tomorrow. We successfully did Kala Pattar at 18,500ft & everest base camp at 18,000ft. The health is doing very good with us both, a few sniffs & other than the unpredictability of the altitude sickness we are as ready as we'll ever be. We are Island Peak bound in the morning for Base camp then Hugh camp on Friday & our attempt at the summit at 9pm Irish & 2am here.

Just finished the last of the ladder training & ropes for the crevasse & steep head wall sections."

The pair are now at base camp on Everest which is a fantastic achievment, to keep up to date with their adventures you can follow their blog.

May the Fourth Be With You on the Wild Atlantic Way

MINISTER OF STATE FOR TOURISM AND SPORT, BRENDAN GRIFFIN AND FÁILTE IRELAND CEO, PAUL KELLY LAUNCHING THE NEW MAY THE FOURTH BE WITH YOU FESTIVAL *PHOTO KARL HUSSEY*

ightsabers at the ready! It's time to dive into the Wild Atlantic Way at its most galactic with Fáilte Ireland's new three day 'May the Fourth Be With You' festival. Kicking off on Friday, May the 4th (the day when fans across the globe commemorate the Star Wars Universe), the festival will bring fans together to celebrate the galaxy far, far away with a host of fun events for all-ages taking place across the Kerry villages of Ballyferriter, Portmagee, Ballinskelligs and Valentia Island.

Joining Star Wars enthusiasts all over the world in celebration of Star Wars Day, fans can enjoy outdoor drive-in movie screenings, guided film location walks, children's workshops, a special céilí for Star Wars fans (fancy dress encouraged!) and more, all set against the breathtaking backdrop of the west Kerry coast, which featured in the latest movie installation.

Fáilte Ireland will also be capturing the excitement of the festival to develop imagery and social media content to build on the connection Ireland has with this iconic film universe after recent Star Wars filming took place in locations across Kerry, Cork, Clare and Donegal.

Announcing the festival, Minister of State for Tourism and Sport, Brendan Griffin said:

"I'm delighted to announce the first 'May the Fourth Be With You' festival. I have been keen to mark May the Fourth in a meaningful way and am delighted that Failte Ireland have taken on my proposals and have developed them into a fun and enticing programme of events. The inclusion of iconic Irish landscapes in recent Star Wars films has already given the Wild Atlantic Way fantastic exposure around the world. I am delighted that events like the outdoor screenings of the film, with the actual film locations visible in the background, will provide amazing imagery for even greater exposure around the world. This festival is not only a great celebration of the Star Wars Universe for fans but a celebration of our rugged coastline, which will further promote our outstanding natural assets at home and abroad."

Wedding Fayre at the Earl of Desmond Hotel

Are those wedding bells I can hear in the distance? If you're newly engaged to be married, there is only one place you should be this Easter Sunday. You shouldn't miss the fabulous wedding fayre being held at the Earl of Desmond Hotel in Tralec.

The fayre will take place from 1pm to 5pm and it promises to showcase the services of some of Kerry's best wedding professionals alongside the fantastic services on offer at the Earl of Desmond itself.

"We'll have a wonderful variety of local vendors with us for the fayre," says Norella Mansfield, the Assistant Manager and Wedding Coordinator at the Earl of Desmond. "From florists and bakers

to photographers, videographers, hairdressers, beauticians, celebrants who carry out civil ceremonies, transport providers and people who hire out photo booths; a lot of couples will be able to get a lot of items ticked off their to-do list this Easter Sunday."

Celia Coleman Lee will be the MC for the day and she will host a fashion show featuring bridal gowns, outfits for the mother of the bride and an array of options for wedding guests.

"That's not all," says Norella. "The lunch being served in our dining room on Easter Sunday will feature some of our most popular wedding dishes. All of these are competitively priced and we're urging couples to book their tables in advance as we're expecting to be very busy."

Staff from the Earl of Desmond will also be on hand throughout the day to speak to couples and to answer any questions they might have about holding their own wedding in the hotel.

The hotel has been a popular wedding venue for years and it's not difficult to see why. The Earl of Desmond has an excellent choice of rooms for wedding guests. Its gardens are mature and landscaped, making for great photo opportunities. The staff themselves are highly trained and utterly professional and they have

built their reputations on providing countless couples with the wedding day of their dreams. Norella Mansfield herself is an example of this. She recently won the prestigious Brides of Kerry Wedding Coordinator of the Year Award, proving once again just how exceptional the service at the Earl of Desmond can be.

Superior service isn't all the hotel has to offer. There's its elegant function room, which can cater for all sizes of wedding. It can seat anything from 80 to 380 guests thanks to a partition wall which divides the room in two.

The function room also has mood lighting which can be adapted to suit your needs. "We can change the colour of the lighting to suit your theme or even the colour of the bridesmaids' dresses," says Norella. "If you tell us what you want, we will do our best to make it happen for you."

The hotel's bridal room is utterly romantic. It's bright and spacious and it's even got its own Jacuzzi. You couldn't imagine a better place to spend your first night as husband and wife.

Photographers are always impressed with the Earl of Desmond as it's a hotel that offers lots of photo opportunities, inside and out. Inside, there's the atmospheric Geraldine Room, the bright lobby and the spacious bar area. Outside, there are gardens to the front and rear of the building as well as a wooded walkway leading to the river.

This is a hotel that does everything it can to turn every couple's dream wedding into a reality. It doesn't matter if you want a civil ceremony in the company of a small group of family and friends followed by an intimate reception or a huge church wedding followed by a night of feasting, singing and dancing: the Earl of Desmond will make it happen for you.

If you need yet another reason to check out the Earl of Desmond's wedding fayre this Easter Sunday, there's the wedding fayre special

they are offering on the day. Anyone who enquires about the new 2019/2020 wedding package on the day of the fayre and who books and confirms it within the week will get 6500 off their total bill.

The Earl of Desmond's Wedding Fayre is an event that no newly engaged couple should miss. You can find our more about it by visiting the hotel's Facebook page.

Engage - Evolve - Succeed

Business Tourism Conference held in Killarney

The 6th AIPCO Business Tourism Conference which took place in the Great Southern Hotel, Killarney this week. The event is powered by the Association of Irish Professional Conference Organisers, in collaboration with SITE Ireland (Society of Incentive Travel Excellence) and supported by Fáilte Ireland. Pictured are Paul Mockler, Fáilte Ireland; Brendan Griffin TD, Minister of State for Tourism and Sport; Ciara Gallagher, Fáilte Ireland and Stephen Mehan, Convention Centre Dublin.

The annual AIPCO Business Tourism Conference is aimed at anyone involved in Business Tourism in Ireland and will focus its programme on building trade capability to secure excellence. This year's theme is Engage - Evolve - Succeed with over 200 delegates registered to attend. Business Tourism delivers on both regionality with \in 32m+ business won for Regional Ireland in 2017. Business Tourism has seen a cumulative 35% increase over the last five years and supports 21,000 jobs. It

is anticipated that growth in this sector will continue in the future.

Based on CSO figures, Failte Ireland estimates the average spend per visit of a Business Tourism delegate is in excess of $\leq 1,600$ per visit; this is almost three times that of the leisure tourist. This \in 1600 includes ground transportation, accommodation, food and beverage and, if attending a conference, registration fee — but excludes air costs.

Avoid Unnecessary Debt this First Communion Season

Preparing for a child's First Holy Communion is a very special time for families. In recent years however it has also become a very financially stressful time. Brand new outfits, cash gifts, lunches or dinners for family and friends and even children's entertainment are all features of modern-day First Holy Communions. This pressure has seen many parents reaching for the credit card, or worse, contemplating a moneylender.

A May 2017 poll carried out by website Evoke. ie revealed that almost half of people (46%) feel parents should spend between \in 100-200 on their child's outfit for the day. 58% said they would expect their meal to be paid for if they were attending the celebrations. The overwhelming majority, 74%, felt that cash was the most appropriate communion gift, followed by jewellery or a watch. These attitudes are understandably compounding the financial pressure on families already grappling with daily bills.

Helen Courtney Power, Business Development Officer of Killarney Credit Union is advising parents in the South Kerry area to start budgeting now for First Communion time, and avoid getting into unnecessary debt. "We would really discourage parents from using their credit cards to fund their child's First Holy Communion - as some can charge interest rates of more than 22%* leading to a long financial recovery period. We would especially urge people away from moneylenders - some of whom can charge outrageous interest rates of 188%** trapping people in a never-ending cycle of debt. At Killarney Credit Union we really want parents and families in the South Kerry area to enjoy this special time with their family free from financial worries, and so we

would encourage them to start budgeting now. Resist the temptation to spend money on some of the more unnecessary trappings, and of course, seek out one of our friendly staff members for any budgeting tips or guidance you might need."

Helen continued "Of course, we also understand that First Holy Communion is an important milestone in your child's life and you might need a helping hand to fund your plans for the day. At Killarney Credit Union we are offering a special loan for the occasion, which like all our loans, does not carry any hidden transaction fees and we are happy to structure a repayment plan to suit individual circumstances. There is always the option to repay lump sums without incurring any extra penalties or charges – and this loan is available to all members, including those who have not used their account for a while or who we may not have seen in years." Cash gifts received for children making their First Communion have also increased. The Evoke.ie poll found that more than half of people (51%) feel ≤ 20 should be gifted, while almost a quarter believe it should be ≤ 30 . This presents a great opportunity for parents to educate their children about the importance of saving.

Helen says; "Parents can encourage their children to put aside some of their communion money by opening a credit union savings account for them. Perhaps they have been talking about something they really want such as a bike, new games or clothes. Encouraging them to save towards something they have always wanted is a good way to start their financial education. Starting to build up a savings history from an early age is also a great advantage should your child need to borrow in the future for third level or their first car.

Celebrating creativity, curiosity, and courage

Killarney student part of BIS 20th anniversary Anthology

A Killarney Business student is among a group of students who have showcased their creative work in UCC.

Patrick Wrenn is one of the students who was invited to express those sides of themselves less visible in their academic studies, in its annual Anthology publication.

A special 20th anniversary edition of the Anthology was officially launched at the Blackstone Launchpad at UCC on Thursday, March 22nd at an event attended by Bank of Ireland as well as members from the BIS Advisory Board, students and BIS staff. The BIS Anthology is sponsored by Bank of Ireland and Fidelity Investments.

Since its inception, BIS has been committed to the personal and professional development of the whole person, and its mission is to help students nurture their own creativity, curiosity, and courage, so that they might forge truly extraordinary careers by seeing, thinking, and acting differently. The annual BIS Anthology, which allows students to share their visual, verbal, and musical talents with each other and

with the world, is an important part of this.

This year sees the popular UCC programme celebrate 20 years of this unique aspect of the BIS experience; and in honour of the anniversary, BIS staff were also invited to contribute work to this year's edition, together with 48 student submissions. As part of the anniversary celebrations, BIS had also organised a retrospective exhibition of Anthology artwork which ran in the Lewis Glucksman Gallery, UCC in early March.

St Brigid's Go Yellow for Daffodil Day

St Brigid's Presentation Secondary School held their annual Daffodil Day fundraiser on Friday in aid of the Irish Cancer Society.

Yellow was the theme of the day to raise awareness of the worthy cause and students and staff wore their most vibrant yellow attire with prizes for the best dressed. The students were quite adventurous in their outfits and a fun-filled atmosphere prevailed through the day.

The school also held a bake sale with mouthwatering pastries arriving from home, much to the delight of everybody.

Additionally, a raffle took place thanks to the support of sponsors who most generously donated many prizes.

"None of this would be possible without the enthusiasm of the students, the sponsors and the staff," said St Brigid's PRO Vivienne Buckley. "Many thanks to the students who were involved and who volunteered their time to

SENIOR FOOTBALL

Fossa went down to Castlegregory in Round Two of the County league on Sunday. Castlegregory raced into an early four point lead before a point apiece by Tadhg and Mikey O'Shea kept Fossa in touch. Castlegregory continued to dominate proceedings as Fossa found it hard to get any grip on the game and they found themselves behind, 0-07 to 0-02 with 25 minutes gone on the clock. Fossa woke up and roared back into the game in the remaining minutes of the half, Tadhg O'Shea kicked a free and a point from play and Paudie Clifford kicked four superb points to give Fossa the lead in a game that they were second best for long periods of the half. The half time score was 0-08 points each. Castlegregory took control early on in the second half and picked off a few early scores. Fossa introduced a couple of subs and while they played ok in this half they struggled to contain a slick Castlegregory forward division while they could only muster two points in this half, these coming from Tadhg and Cian O'Shea. The final score was Castlegregory 0-17, Fossa 0-10. They now face into a critical few weeks of championship football, starting next Saturday, March 31st when they play Keel in the Junior Premier Championship in Killorglin at 5.30 pm. **MINOR COUNTY LEAGUE**

Ardfert 0-8, Fossa 5-10.

Fossa proved much too strong for Ardfert in their second game of the Minor County league Div 3B game played in Ardfert on Monday evening.

The first half was very tight and Fossa, playing with the aid of a stiff breeze went in at half time, 2-4 to 6 points in front, the goals coming from Eoin Talbot and Emmett O'Shea.

The second half started with a break away goal by Cian O'Shea and Fossa were on top in all sectors - the defense was rock solid and Ryan Sheehan was on fire up front, scoring two cracking 2nd half goals. All in all a very satisfactory result and a big thanks to all the supporters who travelled. Next up is Ballymac at home.

SCHOOLS FOOTBALL

Well done to Anna and Shelly Clifford who helped the Presentation Girls School, Killarney reach an All-Ireland Junior B final when they defeated Eureka School, Meath in the semifinal on Wednesday on a scoreline of 1-07 to 1-06. This is a fantastic achievment for two very talented young ladies, well done girls.

SENIOR FOOTBALL

Co League Rd 2 Kilcummin travelled to Glenflesk on Sunday last and came away with a point after a competitive and entertaining encounter. Trailing by 5 points after 20 minutes and Glenflesk playing very well it looked a daunting task but a goal by Damien O Leary after an incisive run by William Maher brought us back into contention. With less urgency we exerted more control and lead by two points at half time. The second half Glenflesk levelled quickly and from there to the final whistle it was tit for tat with Glenflesk levelling with a free kick at the death. Best for Kilcummin were Brendan Kealy, Philip Casey, Kevin Gorman, Sean O' Leary and Padraig Nagle on day when all 20 players contributed hugely.

Team, Brendan Kealy, Sean Brosnan (inj), Dan Moynihan, Sean O'Leary, William Maher, Philip Casey, Donal Maher, Kevin Gorman, Kieran Murphy, John McCarthy, Gary O'Leary, Padraig Nagle, Mikey O Shea, Damien O Leary, Noel Duggan, Subs used Jamie O' Donoghue, Shane McSweeney, Matt Keane, Ian Devane. IN EVERY MOMENT WE BEGIN AGAIN

It has often been said that life is a journey and that perhaps the journey is more important than the destination. The thing about reaching your destination or achieving your goals is that as soon as you have done so, a new goal or destination opens up. As a life & Body Confidence Coach I work to help people to achieve their dreams, visions and goals, however I know that it is the WAY that they do this that really has the greatest impact.

It is HOW you achieve your dream that matters. Whenever we focus on a goal we also "lock in" a series of steps that we can take to reach that outcome. For instance if you are training to run a marathon you need to start preparing and building up your endurance and stamina many months before the actual event. However what most people miss as part of this preparation is how you FEEL whilst you are doing it. If the training is a slog or you feel pressurized to achieve your targets you are less likely to actually achieve your goal. And if you do, you may not feel the joy or satisfaction at having achieved it. Why? Because the cost has been too great. The key is to become really present in the moment and make each moment count. Every single new moment brings you a new opportunity to re-focus, re-energise and enjoy where you are. Begin to live in ten second increments of time and make them as enjoyable and as fulfilling as you can. This way you begin to live more of your time in joy and satisfaction, which actually are two ingredients that can really help you attract your dreams and desires. Many moments make up a day, many days make up a dream, many dreams make up a life well lived.

Just a quick note - My New book "Romancing Your Body" is out on Amazon now. I hope you enjoy it!

HANDBALL NEWS TWO OUT OF THREE WINS ON THE HANDBALL COURT

Two Kerry handball doubles pairs will not have much time to enjoy their free week at Easter as they will be preparing for All Ireland finals on the first weekend of April.

In the All Ireland 40x20 Master's A doubles semi-final Dominick Lynch and John Joe Quirke beat the Mayo pair of Vinny Moran and Joe Dowling 21-8,21-11.

Jack O'Shea and Rory O'Connell are through to the decider of the Junior A Doubles final after they saw off Roscommon's Denis Creaton and Sean Jennings 21-12, 21-6.

Lynch and O'Shea had a busy weekend as they then combined to take on the Clare pair of Colin Creahan and Diarmuid Nash in the All Ireland 40x20 Senior Doubles quarter final. Sadly for the Kerry pair it was their opponents that took the win after three hard fought games 10-21, 21-14, 11-21.

EUROPEAN MASTERS INDOORS

Madrid, Spain was host to the 12th European Masters Indoors with a week long competition from March 19th to 24th. The participation of 4,000 athletes from all parts of Europe. 150 athletes from all over Ireland competed in various events. We had three representatives from our club. Jim O'Shea who has been a part of athletics for well over half a century was competing in the M75 category Long Jump & High Jump. Jim who trains every week for these specific events has proved yet again that age is no obstacle in competition. On the first day of competition Jim competed in the Long Jump where his jump of 4 meters was enough to win a European Masters Gold Medal. It was also the first Irish winning medal in these competitions. It could not have gone to a nicer man. Jim competed the following day in the High Jump where he finished in 5th Place with a height of 1.28m. This was just 3cm out of winning a medal. Jerome Foley competed in the M50 400m & 800m. It was always going to be a challenge to get out of the heats considering a three week illness just before the competitions. But he did well finishing 4th in 400m & 6th in 800m. Michael O' Connor M65, who loves the sport of Race Walking finished 10th in the Indoor 3K Walk and was 11th overall in the 5K outdoor Walk. The M65 team just missed out

SIAB INTERNATIONAL SCHOOLS CROSS COUNTRY CHAMPIONSHIPS

Shauna McCarthy (Killorglin Community College) was part of the Irish Schools Junior Team to take part in the SIAB International Schools Cross Country Championships held in Wollaton Park, Nottingham. Competing against the best athletes from England, Scotland and Whales Shauna was part of a team of eight who runs over a 4K cross country course. The course was a mixture of good surface for fast running with long climbs and short sharp hills. The pace was extremely fast from the start, Shauna found herself in the back of the group at the mid-way point. Finding second wind she attacked the hills and began to gain ground on the athletes ahead. Shauna finally finished in 23rd place overall, 6th Irish finisher. The Irish combined effort placed the team in third place winning bronze. A great achievement for a young athlete to wear the Irish Singlet.

COUNTY ROAD CHAMPIONSHIPS

The County Road Race Championships was held in beautiful sunshine on Sunday 25th March in Currow. Thanks to An Riocht AC for organising the course and Dan Sullivan for doing the results. The 5K course was a fast loop around Currow Village and finishing at the Community Center. Numbers were down this year with a total of 40 athletes competing. Top club achievements went to Mary Daly who was second senior lady (18:36) and Marie McKenna was the ladies Novice winner with a personal best time of 19:15. Caitriona Barry won her F45 category (20:07) and made up the ladies team who won the senior category on count back. In the Mens we had George McCarthy winning his M45 category in a time of 16:47. Aidan Cahill, competing in club singlet for the very first time had a great race where he set a personal 5K best time of 17:15 and taking third place in Novice category. Brendan Lynch was second in his M40 category (19:48).

ATHLETIC PUSHING FOR A TOP TWO SPOT IN 12'S PREMIER

Following a scoreless first half Killarney Athletic made a great opening to the second period with two goals from Thomas Healy inside 10 minutes. The Park pulled one back with 8 minutes to go but as they pushed for an equaliser Tom Benson hit the third for Athletic to wrap up the win. This leaves them just three points off a top two spot.

Listowel Celtic win 13 Division 1 after a cracker: Inter Kenmare needed to defeat Listowel Celtic in the Daly's Supervalu 13's Division to keep the race for the title alive. However after a cracker it was the North Kerry side that made it 9 wins from 9 games to become League Champions. The game was tied at three all late on with Inter pushing for the win but Listowel Celtic soaked up the pressure and hit Inter on the break to take the win and the title. Darragh O'Connor got two for Inter with Senan Gul getting the third for Killorglin. For Listowel Celtic Cormac Dillon and Evan Boyle both hit two each. Big results for Fenit in 13's Division 2:

Fenit now lead the Daly's Supervalu 13 Division 2 after a 4-2 win over MEK. Oisin McGibney, Paddy Falvey, Tiernan O'Sullivan and Donagh Murphy got the Fenit goals to put leave them well in control. However MEK hit two late goals and missed a penalty that would have set up an exciting finish.

KILLORGLIN GO SECOND IN 15 PREMIER

DYNAMOS GO JOINT TOP IN 15'S DIVISION 1

A Danny Burke hat trick and two from Patrick Moravski gave Tralee Dynamos a 5-2 win over Killarney Athletic who had Aaron O'Sullivan and Brian Healy on the score-sheet This puts the Tralee side level with Ballyhar at the top of the Killarney Plaza 15'S Division1 table but they have played more games.

Listowel Celtic kept alive their hopes of a top three finish as they defeated Killorglin B, who are presently in third place, 3-2. Dylan Breen, Chris McQuaid and Aisling Kelly got the goals for Listowel Celtic with Jack Healy and Marc Clifford scoring for Killorglin B.

Battle for 2nd place in 15's Division 2 heats up: Whle Rattoo Rovers have a big lead in the Killarney Plaza 15's Division 2 the battle for second place has really tightened up. After Dingle Bay took the points on a 3-0 score line from the Park B three sides are now tied on 9 points – Ballyheigue, Windmill United and Dingle Bay Rovers and all have games in hand

over the leaders. EASTER WEEK 2018 FIXTURES

RESULTS

Under 13

Killarney Athletic Under 13 B 2 Killorglin B 1 Athletic bagged all three points last Saturday at home to Killorglin with a goal in each half. Athletic started brightly considering it was only their second game this year it really didn't show. Keelan Looney put Athletic ahead midway through the first half with a neat finish from inside the box. Athletic had a let off before the break when stand in keeper T J O'Sullivan pushed a penalty onto the post away to safety. Killorglin did equalize but a Kieran McHugh goal after a great run and shot from Stephen Wickam gave Athletic all three points. In defense Sarra Neher, Laura O'Carroll and Connor O'Shea were rock solid while Chris Healy and Davy O'Sullivan controlled midfield. Others to impress were Oisin McCarthy Rory Coyne and Paul O'Donoghue.

Under 15

KILLARNEY ATHLETIC 2 TRALEE DYNAMOS 5

A score line that doesn't tell the story of the game. Athletic lead early through a Horgan strike after good work from Mulvanney. 1-1 at half time, Dynamos struck first but a brilliant equaliser from O'Sullivan after being set up by O'Brien's free kick. With 10 to go, Dynamos scored from a controversial offside & though Athletic went close a few times they never tested the keeper & Dynamos got two goals deep in injury time to seal it. Best for Athletic was Darragh Doolan.

tale of 2 halves with the blues leading through a brilliantly worked set piece finished by Lucas Polak. Park pushed hard and got their reward. Special mention for David O'Mahony who played excellent in an unfamiliar role of goalkeeper.

A big congrats for to team leader Donie Murphy, Diarmuid and Helen O'Mahony, Margaret and Martin Muldoon, Mike O'Shea Marie Murphy, and Aisling, Jamie and David and to MD O'Shea's for providing the float. MINORS: SPA 1-21 KILCUMMIN 1-03

Spa minors put in a great performance to secure victory over Kilcummin on Sunday. Some lovely scores from Gary Vaughan, Michael Kearney and Lee Downing helped to energize the team. Cian Murphy found the net with a brilliantly taken goal. Spa tagged on a few more points to lead 1-08 to 0-02 at the interval. Superb defending by the Spa backs limited Kilcummin to just one goal. Ryan Kelliher, Cian Fahy, Sean Cahill, Evan Jones and Lee Downing all scored in the second half. Liam Spillane, Conor Brosnan and Connie Cremin were outstanding as was Ollie Cremin in goals. Lee Downing played a pivotal role at midfield in his first game for Spa. MINORS: SPA 3-10 BEALE 1-07 (BACK **GAME**)

Two first half goals by Ryan Kelliher and Liam Spillane and points by Gary Vaughan, Evan Jones and Lee Downing resulted in Spa holding a five point lead at the interval. DR CROKES CLUB NOTES

COUNTY LEAGUE ROUND 2 DR CROKES 2-14 BEAUFORT 0-10 PLAYED IN LEWIS ROAD

Even though we played against a strong breeze in the first half we led at half time by a point, 0-7 to 0-6. Our first half display laid the foundations for this victory as to be in front at this stage was a big bonus. Beauforts good display over the hour deserved better than a ten point defeat. Our opponents had the first score of the game, a point but the teams were level at the end of the first quarter, four points each. It was nip and

FIRIES U10 HURLERS WHO RECENTLY TOOK PART IN A JUVENILE HURLING BLITZ IN JOHN MITCHELS, TRALEE.

tuck again in the second quarter. Beaurfort hit our crossbar on two occassions in this fifteen minutes as we outscored our opponents 0-3 to 0-2 for a half time lead of 0-7 to 0-6.

With the aid of the strong breeze in the second half we scored more freely than our opponents. In the third quarter we hot four points to Beauforts two points for a lead of 0-10 to 0-7. The decisive quarter for us was the last one in which we scored two goals, one by David Shaw and the other by Kieran O'Leary which was instrumental to our victory. One would also have to acknowledge the display over the hour by Tony Brosnan who finished the game with six points in our 2-14 to 0-10 victory.

Team and Scorers: Nelo Doherty, John Payne (Capt) 0-1, Mike Moloney, David Naughton, David O'Leary, Alan O'Sullivan, Jason Lyne, Kieran Ward, Paul Clarke, Michael Potts, Gavin O'Shea, Brian Looney 0-3 (0-2 frees), Tony Brosnan 0-6 (0-2 frees), David Shaw 1-2, Kieran O'Leary 1-1.

Subs: Billy Courtey, Jack Griffin 0-1, Brian Fitzgerald, Mark O'Shea.

UNDER 14 GIRLS

The Clubs Under 14 girls kicked off their Division 3 County League campaign with a home game against Castleisland Desmond's on Sunday evening last. Captained from right half back by Sarra Neher, the team gave a solid account of themselves on the night. The first half was a very even affair thanks to sound defending from the full back line of Debbie Maye, Kate O Donoghue and Alicia Keane. Midfielder's Pia Hickey and Kelly O' Sullivan made sure our forwards had plenty supply of ball throughout, and with the energetic running of Emma Kelly, Jean Foley and Lucy O'Leary there was a 2 point difference between the teams at half time. Kyla O Leary ,who had her first outing in the black and amber, and Emer Finn made their mark on the second half proceedings as did Laura O'

Shea at wing back. The trio were ably assisted by Ella Galvin, Amy Leahy and Sinead Oliver in the full forward line. The skills highlights of the game came from goalkeeper Faith Lockett who made a wonderful save to keep the team in touch with their opponents and inspirational blocking by Katie McCarthy when the team needed it most. However, It was the concession of a goal in each half that led to the visitors being ahead at the final whistle. The team's next outing is away to Rathmore on April 8th.

KILLARNEY LEGION NOTES ST.PATRICKS DAY AWARDS

Congratulations and well done once again to the hardworking and creative crew who were rewarded with two prizes for their efforts in the parade.It maintains a successful run going back a good number of years and is a matter of great pride for the club.For the record the awards went for "Best Sporting Entry" and "Best Activity Group".

CO.LEAGUE DIV.1

Killarney Legion 1-13 Templenoe 1-17

Templenoe took full advantage of a lacklustre Legion performance in Derreen to deservedly take the two points.Indeed it looked at one stage that it would be a runaway win as the visitors stretched their lead to 8 pts.However thanks mainly to the unerring accuracy of Jamie O Sullivan - who ended the day with a personal tally of 11pts.- and Conor Keane 1-2 the Legion stayed in it but Templenoe had the ability to hit back and keep the homeside at arms length. The second half was very similar to the first with Templenoe opening another good margin of 6 pts. but once again the Legion dragged it back to a single point but that was as close as it got. Templenoe were able to break at speed and created an overlap that the Legion defence never really came to grips with. Conor McCarthy in the Legion goals made several outstanding saves and his handling was of the highest order. The absence of Shaun Keane through injury from midfield was sorely felt and certainly the scoring burden is another issue to be addressed.

LADIES

Last Saturday the senior ladies took the short journey to Tralee to take on John Mitchels.in what was tight battle and no quarter given by both teams after which our ladies came out on top on a score line of 3-10 to 2- 6 scoreline. Another fine performance.

KILLARNEY CAMOGIE CLUB FÉILE 2018 HERE WE COME!

Another superb win by our U14 team in Tralee. In round two of our Feile B qualifier, Killarney played Tralee Parnells for the second time this week. The conditions were a massive improvement on last Monday with the sun shining brightly combined with mild temperatures. With the warmer weather, better camogie was played. Tralee were a different side today with some strategic changes to the midfield and back line to try to minimise our scoring potential. It took over 10 minutes before Killarney got their first score with a superb goal from Alannah. With the first score under our belt, Killarney's confidence started to build with plenty of creativity and skill being shown in the forward line. Midfield held strong, collecting the loose ball and feeding the ball back into the forwards. Our defence were solid when called upon, minimising any scoring opportunity. Once again, all our girls contributed to a great win. The hard work since January was definitely rewarded today. Féile 2018 here we come!!

Back row I-r: Cliona Lynch, Heather Culloty, Yen Leniston, Geraldine Murphy, Sarah Looney, Keelyn O'Leary, Yasmin O'Brien, Tia McNabb.

SENIOR COUNTY LEAGUE-ROUND 2

After a pulsating game, played in sunny conditions, our seniors, sponsored by Larkins Bar and Restaurant and Kelly's Londis, Topshop, came away with a draw against Ballymac on Sunday last. Cathal Moriarty and Jamie O' Shea both notched up 1/01 in the first half along with 3 points from Jack McCarthy and a point from Brendan Delaney giving the home side a 3 point lead at the interval.

Against a strong breeze in the second half, Gavin Horan and Cathal Moriarty added 2 further points early on but Ballymac got their scoring boots on and took the lead in the 43rd minute, leaving a score line of 2/08 to 1/12. Jamie O' Shea added another point for M/C but this was cancelled out by a Ballymac free. In the 53rd minute Ballymac had established a 3 point lead (1/15 to 2/09). Another Jack McCarthy point reduced the deficit. Ballymac guickly cancelled that out once again. A Derek Twiss free in injury time reduced the deficit to 2 points-1/16 to 2/11. Another pointed free by Derek Twiss deep in injury time brought the MC side to within a point of Ballymac. As the final whistle neared, with experience and skill personified, another massive score by Derek Twiss from 30 yards out levelled the sides. Fantastic character shown by the entire panel. Final score MC 2/13, Ballymac 1/16.

ALLIANZ NATIONAL FOOTBALL LEAGUE **TYRONE DENY KERRY IN TIMID AFFAIR**

KERRY O'SHEA LOOKS BACK AT KERRY'S LEAGUE CAMPAIGN WHICH ENDED WITH A LOSS TO TYRONE

TYRONE 1-16 KERRY 0-14

The long trip to Omagh for the Kerry contingent ended in defeat as Tyrone proved too strong for Eamonn Fitzmaurice's young side.

Kerry and Tyrone are safe from relegation so this was an opportunity for both Eamonn Fitzmaurice and Mickey Harte to run the rule over a number of players who did not start the league this year, thus both sides lined out with a host of unfamiliar names.

Eamonn Fitzmaurice has used the league to give some 40 young guns vital game time in the inter-county set-up.

Of the younger players used, David Clifford, Michael Burns and Kenmare's Seanie O'Shea have consistently impressed and can be sure of their starting berths in the team for the championship.

Jason Foley, who has been tried at full-back throughout the league, will get better given time, while Paul Murphy was easily Kerry's most consistent player in this league.

Jack Barry has grown in stature and is now Kerry's leading and most consistent midfielder. The return of Daithi Casey to the panel has been worthwhile and the Dr Crokes man is certainly an option for the centre-forward berth. He is a natural ball winner and has tactical awareness. On the minus side, the crucial centre-back berth is an area that needs to be addressed. Gavin Crowley certainly impressed in that role against both Donegal and Mayo but he missed the last five games due to a hand injury. The return of the Templenoe man to this pivotal position cannot come quickly enough.

Throughout the league this year, it has been notable that opposing goalkeepers have been allowed roam up the field as an extra man. This happened again on Sunday when Niall

Morgan went on an upfield burst, managed to get into a scoring position but blazed his kick wide. The Kerry management must examine this phenomenon and get the forwards to stop it once and for all. Are goalkeepers still a protected species on the run or can they be harried like a normal player seeing that they come out and take advantage of this.

This has happened too regularly for my liking in this year's national league campaign and it's an area that has to be addressed.

Kerry's goalkeepers throughout the league campaign were Shane Murphy and Brian Kelly, stayed in their berths and both are vying ACTION FROM THE KERRY V TYRONE GAME ON SUNDAY.

KERRY MANAGER EAMONN FITZMAURICE WILL HAVE A LOT TO PONDER AFTER KERRYS UP AND DOWN LEAGUE CAMPAIGN.

for the number one position ahead of the championship campaign.

On Sunday, Kerins O'Rahilly's Cormac Coffey staked his claims with a fine display at centre back. Coffey set up numerous attacking options and added his name to the scoresheet while Kilcummin's Kevin McCarthy worked his socks off.

The game itself had the resemblence of a challenge fixture rather than a league game. In the end, the Tyrone fans in the 6,115 attendance went home the happier as their side won more comfortably than the five-point scoreline might suggest.

In a game of very few highlights, Kerry, thanks to the promptings of Cormac Coffey, Kevin McCarthy and Killian Spillane's free-taking moved into an early lead and were ahead by

three as first-half injury-time approached, but Tyrone rallied and scored four points in a row to lead 0-10 to 0-9 at the break.

With the wind advantage and urged on by their own supporters, Mickey Harte's men upped the ante in the second half and were awarded a penalty in the 56th minute which Ronan O'Neill somehow blazed wide.

Tyrone attacked in waves in the remaining minutes and were eventually awarded with a goal when midfielder Declan McClure finished a sweeping move to the net.

Tailpiece: The Kerry Supporters Club were there in numbers in Omagh last Sunday and thoroughly enjoyed themselves. Thanks to my good friend Paddy Hunter and the Tyrone GAA for their hospitality in the Press Box.

Your guide to buying a used car

Tips on what to watch out for Buying a used car is an intimidating prospect for many consumers. The fear of dodgy deals and the fact that you could be buying someone else's problems make the hunt for honest value seem daunting. The AA advises all potential used car buyers to avoid side-of-the-road private sales and go to SIMI dealers, to buy an AA Autocheck car or failing that to have the vehicle professionally inspected before purchase. No reputable seller will object to an independent inspection. Many publications carry ads offering secondhand cars for sale. Most are genuine but unfortunately there are still unscrupulous dealers posing as private sellers. If you decide to make contact, say that you are asking about 'the car for sale'. If he has to ask you which car then he is a dealer. Having blown his cover, steer clear of his car! Never buy a car in the dark as this easily conceals various blemishes and possibly even evidence of accident damage. A key fact that you want to be sure of is that the car has not been involved in an accident. No matter whether its from a private individual or from a dealer ask the critical question, preferably in front of a witness "has the car ever been crashed or had any bodywork repairs carried out whatsoever". The response given has significant legal implications. The National Car Test (NCT) was introduced to Ireland in January 2000 and since then the quality of used cars in Ireland has improved greatly in recent years. All cars now need to undergo and NCT after four years initially and after two years thereafter. This has meant that it is no longer possible to run 'rolling wrecks'

on Irish roads. There is very good value to be found in the second-hand market. For every new car bought in Ireland almost 2.5 secondhand ones bought and most people are happy with the results. You have to look out for the pitfalls, do the homework and remember the maxim caveat emptor - let the buyer beware. What to look for in a second hand car - pro tips Check the body lines for consistency Look for any evidence of repainting, such as overspray on window rubbers or any inconsistency in the paintwork Check for uneven tyrewear Look out for different makes of headlights Watch for different consistencies of stonechips over the front of the bonnet compared to the adjacent wings. Examine carefully the wear at the pedal rubbers, the gear stick and the steering wheel

Closely examine the odometer for any sign of interference Make sure the keys provided operate in all of the locks and that there is a spare set. Try all keys provided in the ignition and make sure that they start the engine – as occasionally a 'cut' key is not a 'transponder key.

How to stop children undoing their seat belts

How to stop children undoing their seat belts Most children will eventually find they can undo their seat belt. So why don't they make seat belts that can't be undone by a child? This is because it must be possible to release the belt in an emergency, quickly and easily. At worst this might be with a car inverted in a ditch at night, with access at arm's length through a window, or by a person in shock, unfamiliar with such equipment. Any form of 'Chinese puzzle' is out. The catch cannot be hidden, must be obvious and accessible and must not require a large force to release it. A different type of catch, perhaps a friend's

seat, may not be undone as easily as one with which a child is familiar but this is usually only temporary. Given the right conditions they will soon get the knack. Don't be tempted to make additional security attachments to the buckle. Anything like this will inevitably compromise safety and again tends to be only temporarily effective, presenting a new challenge rather than solving the problem. Diverting the child's attention Rather than trying to persuade your child that the buckle cannot be undone, try persuading them that there is no advantage in doing so. These are techniques you might like to try. Show that the car does not go (or soon stops) with the belt undone. The best time to start this approach is when you get a new seat (or perhaps when a car is changed). But remember to do it when there is no deadline for the journey. If the child is old enough to really want to get somewhere, that's ideal. Try telling the child that unless the seat belt is fastened, they won't get to the party, zoo, etc. A raised seat can also be some help, as it will increase your child's field of view. A 'play tray' attachment can provide some distraction and may make the buckle less tempting.

SYMPATHY

Sincere Sympathy is extended to Bob O'Connor Rathcommane, Ballyhar, to her husband Des of the Killarney Outlook Office and their family on the death of Bob's mother the late Bridie Walsh (nee Jones) Tullig, Castleisland, and late of Cordal West, Castleisland.

A FEW THINGS YOU SHOULD NOT DUMP IN YOUR DRAINS:

*Some people believe that medicine dissolves easily in water, so they chuck their pills down the drain. However, in actuality, they don't dissolve in water, they contaminate the water. Water filters can clear most microorganisms but there is no filter that can clear medicine contamination from the water.

*People like to believe that if you break eggshells into small parts, they won't get stuck, but this is not entirely true. The small pieces can stick to one another which can result in the formation of one huge piece over time, leading to a clogged pipe.

*Hair is one of the most common reasons why pipes get clogged in the bathroom. This is especially true if you have long hair. When your hair gets into the drain, it gets stuck inside and forms a ball which acts as a net for other waste. So, the next time you clean the hair from your comb, make sure you throw it in the trash. You should also get into the habit of brushing your hair before taking a shower as this will help to decrease the amount of hair in the drain.

*No matter where the building waste comes from, you should never throw it down the drain. This goes for very small pieces and even powder-like debris. The big chunks will form clogs and the small ones can end up on the side of the drain and lead to some serious issues.

*The filter in a cigarette butt is synthetic and will absorb water and expand. The worst part is that it never dissolves. Furthermore, cigarette butts contain harmful chemicals, like nicotine, which can contaminate the water supply.

PETA UK'S 2017 PERSON OF THE YEAR: SIR ROGER MOORE:

For taking on a number of animal-protection causes – including, most recently, using his trademark wit and charm to urge the Prime Minister to introduce a long-overdue ban on wild-animal circuses in Britain – PETA UK has named the late actor, humanitarian, and longtime animal advocate Sir Roger Moore its 2017 Person of the Year.

In addition to offering to pop a champagne cork with Theresa May should she bring forward a long-awaited ban on wild-animal circuses, Mr. Moore also led a successful campaign to push Selfridges to stop stocking foie gras and boldly called for the Queen's Guard's caps to be made with synthetic materials instead of bearskin. He also commended "real-life heroes" working in animal conservation and lent his support to efforts to secure national parks in Zimbabwe Happy Easter! from all at KILLARNEYOUTIOOK

as refuges for animals. And in a blistering condemnation of trophy hunting penned after Cecil the lion's killing in 2015, he wrote, "We know that we should protect the most vulnerable and helpless in society, not destroy them" – words he lived by in his own life every day.

PETA founder Ingrid Newkirk recognised Mr. Moore's commitment to animals:

Animals in dire need had a caring, had a charming friend in Sir Roger Moore. PETA is honoured to recognise this wonderful man for sticking his neck out for the vulnerable amongst us time and again. We will continue to campaign to help the animals he cared so deeply about.

Like Roger Moore, anyone can speak out and make a difference – and animals need as many people as possible to use their voices. We hope his legacy inspires others to take action.

A SIMPLE GRAVESTONE REMEMBERS A PIG WHO RAISED \$19,000,000 FOR THE WAR EFFORT

During World War II Americans devised a number of ways to raise money for war bonds, but very few were likely as successful as King Neptune, the pig who managed to root out millions of dollars for the war effort.

King Neptune was the US Navy's unofficial mascot for nine years during WWII, thanks to Navy recruiter Don Lingle. Born Parker Neptune, the 700 pound porker was to be served at a Naval fundraising dinner, but Mr. Lingle realized that the pig could be worth more to the military alive than dead. During the early 40's Mr. Lingle toured Neptune all across Illinois, outfitting the animal with a blue robe, a golden crown, and silver earrings and auctioned off parts of the pig at each and every stop, selling everything about the animal from his bristles to his squeals. In the spirit of patriotism, high bidders buying the pig at war bond rallies always returned him. At one point the governor of Illinois even purchased the pig for an unheard of \$1,000,000.

By the mid-40's, the rotund superstar had raised what he could and was sent to the Chicago Stockyards to meet a less than glamourous fate despite his service. However, Mr. Lingle was able to regain ownership over the pig and sent him to live on a farm where the King eventually died of natural causes.

King Neptune was given a military burial in Anna, Illinois complete with a headstone honouring his service with the Navy. The original gravestone has since been replaced with a permanent memorial plate which is the least the country could do for a humble beast who managed to raise what would translate to around \$200,000,000 by today's standards.

FINALLY THIS WEEK

I would like to wish all advertisers, correspondents, readers and the Killarney Outlook team a Happy and safe Easter and may it be a wonderful time spent with your friends and family.

SouthWest Counselling Centre EMOTIONAL INTELLIGENCE

Emotional Intelligence (EI) refers to the way in which we manage, perceive, understand and control emotions and relationships – both our own and others. Research has shown that EI is very important in our life – and for many people it is more important for success than general intelligence (IQ). Four different factors have been identified in EI and these include:

1. The ability to perceive emotions....in order to understand emotions, we have to first perceive them accurately. This might mean understanding non-verbal cues such as body language and/or facial expressions.

2. Reasoning with emotions.... Emotions help us to prioritise what we pay attention to and what we respond to.

Understanding emotions..... If someone is expressing emotion, we must interpret what it might mean – emotions can have a wide variety of meaning.

4. Managing emotions..... Being able to manage our emotions, regulate our emotions and respond to the emotions of others effectively is the key to El.

In order to recognise an emotion 'as it happens'for us, it is important to develop self-awareness. This involves tuning into our feelings, recognising what they are and the effect they have on us. Self-regulation is also important in helping us to better understand, empathise and negotiate with other people. The ability to recognise how other people feel is important for success. Being able to read other's signals and respond appropriately is key. The better we are at discerning the feelings behind another person's behaviour, the more skilled we become at communicating with them.

The good news is that EI can be learned and developed. Strategies to work on our EI include:

 Observe: How do you react to others....Do you rush in to judge before you know all the facts? Do you stereotype people? Take a closer look at how you are interacting with people and try putting yourself in their shoes.

• Put the focus on others..... Give others a chance to shine- without worrying about getting attention for your accomplishments.

• Examine how you respond to stress......Do you get upset, blame others or get angry when in difficult situations. The ability to stay calm and in control when things go wrong is key to success.

Take responsibility If you make a mistake, apologise.

Know how your actions will affect others.

PLANT A FLOWER BOWL

When planting a colourful flower bowl, choose your bowl from either terracotta or plastic but make sure to get a saucer underneath when purchasing. Then put some gravel around the base surrounding the hole and add compost mixed with slow release fertilizer.

Fill your bowl to about one inch from the top as this will make it easier when watering afterwards. When choosing the plants start with the centre piece. An ideal plant for this would be an evergreen grass. This is an ideal plant as when you are finished with the bowl, the evergreen grass can be planted outdoors.

There are a huge range of plants with colour to fill around the centre piece. Some of the most popular to choose from are trailing variegated ivys, heathers in flower, primroses, polyanthus, forget-me-nots and you will also still be able to get some potted daffodils and tulips.

When finished planting, make sure to water the plants well, and if you decide to keep the flower bowl indoors make sure that the saucer is underneath. Keep the finished bowl in as much light as possible and this will flower well into the time for Summer bedding. As certain flowers go off before others, dont be afraid to remove them as this will keep your bowl looking good for longer.

Next week I will focus on Alpines.

As we lovingly remember Sheila, we, her family, Mary, Martina and Denis, wish to express our heartfelt thanks to all those who supported us at the time of her sad passing. Sleep my little Angel Ascend to God above Know that Daddy sends you off With all his prayers and love

Your time upon this earth was brief But not too short to know That you were loved and will be missed I ache to see you go

I held you in my arms so close I stroked your little face I feel comfort now just knowing That you are in Gods grace.

I pray that heaven touches me And heals my heart of pain I ache from grief and loneliness My tears pour down like rain

We ask the saints in heaven And all who've passed before To take your hand and guide you now As you pass through heavens door.

When it is time for me, my child I know you will be there Until that time I'll speak to you In dreams and nightly prayer.

Loved and remembered always by Mum, Dad, sisters and brothers.
