Huge celebrations to mark Mr. Coffey's 100th Birthday

There was huge celebrations both at his home and at Killarney Golf club for Killarney's newest Centenarian John Coffey of Lewis Road.

Mr. Coffey was joined by family and friends at a huge party in Killarney Golf Club and on his birthday celebrated with a Mass at Dr Crokes Club house where Mayor of Killarney, Michael Gleeson presented him with the President's Cheque.

Mr. Coffey lives a very independent life and still drives everywhere. An avid Dr. Crokes supporter, the Coffey Family are involved every year in the Colm Cooper Tournament where they sponsor the tournament trophies and medals in memory of the late Denis Coffey, RIP, a former player and Club Officer with Dr Crokes and son of John Coffey and his late wife Kitty.

BRENDAN HITS OUR SCREENS IN NEW AD CAMPAIGN

Radio Kerry DJ Brendan Fuller has hit our TV screens this week as the face of the new Liberty Home Insurance advert.

The well known Killarney man takes to the couch to discuss home insurance with potential Liberty Insurance customers in their new campaign - Ready for the Real World.

"The shoot took over 12 hours and I was a lot colder that I look on TV" Brendan told the Killarney Outlook. There are several different versions, with the 7 second adverts being used on social media while the 20-30 second adverts are being used on TV. "I was watching the All Ireland Hurling Final in the Fisherman's Bar in Waterville when the advert came on at half time - so there was plenty of calls for me to stand a round for the pub" Brendan said,

"I told them to save their money by switching insurance", he joked.

The son of Mary and Mike Fuller, Brendan is the afternoon voice on Radio Kerry and also hosts numerous events across the county.

THAT'S A WRAP.... FINAL CLEAN UP FOR THE TIDY TOWNS

Following the final clean up for the annual Tidy Towns Competition, volunteers were treated to a night at the Killarney Brewing Company.

The Meitheal has been active all year long and logged an incredible 19 outings this year alone to ensure that Killarney is looking it's best for the final round of judging.

Among those helping out were an American couple who have connections in Killarney.

Nancy & Terry Geraghty from Atlanta Georgia holiday for 3 months each year in the town and are great volunteers with the Tidy Towns Meitheal.

The couple cannot believe the community initiative in the town and love getting involved.

"We had a fantastic turnout on Monday evening", Johnny Maguire told the Killarney Outlook.

"We are very grateful to the Killarney Brewing Company who sponsored our grand finale with food and refreshments", he added.

The Muckross Road got a complete overhaul with over 50 volunteers showing up on the night - with people from all walks of life donning the gloves and getting stuck in.

Diocese takes up the Climate Change Challenge

The Diocese of Kerry takes up the challenge of Climate Change for this Season of Creation: Climate Crisis - 11 years to save Our Common Home.

The Season runs from September 1st to October 4th when Christian churches around the world focus on prayer and action to protect the natural world and to protect creation. This time can be described as the churches' Eco Time.

The title 'Our Common Home' is that used by Pope Francis in his letter Laudato Si' on Care for Our Common Home, which he addressed "to every person living on the planet".

To mark this Season of Creation all parishes across the diocese have received copies of the attached leaflet which explains the theme and gives suggestions of practical actions to be taken in the three areas of energy, water and waste.

The leaflet will also be available on the dioceseofkerry.ie, the diocesan website. This five week Season gives parishes the opportunity to include the theme in Sunday Masses, and resources to support the leaflet have been circulated to the fifty-three parishes. The Radio Kerry programme 'Horizons', the daily 'Just a Thought' and the diocesan facebook page will all highlight the theme of Climate Crisis and in particular what we can do to help the situation. Climate Change Activist Lorna Gold features on Horizons at 9 Radio Kerry on Sunday morning the 1st of September.

"Climate Crisis: Food, Floods and Faith" a special season of creation workshop is planned for Tuesday 17th September, at 8pm in Killarney, in the John Paul 2 Pastoral Centre, Rock Road. (See attached Poster) Here local eco leaders Lisa Fingleton and Martha Farrell will speak on the specific impacts of the Climate Crisis on food and floods. Local climate action groups will display information stands to give people the opportunity to get involved locally. These groups include: Transition Kerry; Kerry

Climate Action Network; Kerry Sustainable Energy Cooperative (KSEC); the Climate Action Regional Office (CARO); Grow it Yourself (GIY) and of course Trócaire.

"The climate crisis requires our decisive action, here and now and the Church is fully committed to playing her part." Pope Francis. This is an initiative of the Justice, Peace and the Integrity of Creation, JPIC Committee of the Diocese of Kerry. Everyone is welcome!

Fr Pat Crean Lynch, Rev. Phyllis Jones, Rev. Jim Stephens and Sylvia Thompson at a Season of Creation Event 2018.

ANNA'S IN THE MEDALS

following World Transplant games

A Killarney athlete who underwent a kidney transplant was celebrating this week following the World Transplant Games 2019 which were held in Newcastle Gateshead, UK.

Anna Pokojka, who is originally from Poland won silver in the 5k race and bronze in the 30km cycling.

She arrived back into Dublin Airport last Saturday afternoon where she and her team members, along with a huge haul of 50 medals, were greeted to a rousing welcome by family, friends and supporters. The team's final medals tally was 17 Gold, 18 Silver and 15 Bronze which earned them a very respectable 11th place position on the leader board amongst 56 countries some with larger teams and the host country GB&NI having 320 participants.

Kara's generous donation to charity

The generous spirit of a nine year old girl was highlighted this week when Kara O'Sullivan from Callinafercy presented a cheque to the Kerry/Cork Health Link Bus.

The student of Nagle Rice Primary School Milltown along with members of her family presenting a cheque for €550 to The Kerry-Cork Health Link Bus. The cheque represents half of the total amount of €1100 raised by Kara when she cut 13 inches off her hair. The other half along with the hair was donated to The Little Princess Trust UK who are an organisation who provides real hair wigs who suffer with cancer.

DEATH MASK OF DANIEL O' CONNELL PRESENTED TO THE OPW

A death mask of Daniel O'Connell, regarded as one the great figures of modern Irish history, was presented to the Office of Public Works (OPW) this week by the Countess of Dunraven at Derrynane House, the family home of O'Connell. The presentation of the death mask, which has been in the custodianship of the Dunraven family for over 160 years, was made at the Daniel O'Connell Summer School which is taking place in Derrynane House today.

O'Connell died in 1847 in Genoa, Italy, while on a pilgrimage to Rome at the age of 71. At the time of O'Connell's death, it was not uncommon that a death mask would be made of a person's face. Death masks were often used as a reference by sculptors and artists when creating busts and

paintings and are also highly valued in their own right.

The Earl of Dunraven was a title in the peerage of Ireland created in 1822. The Dunraven and O'Connell families have a strong connection over many generations and it is believed the mask came into the care of the family over 160 years ago.

Derrynane House, the family home of O'Connell, is now dedicated to his life and achievements, under the care of the OPW. Following any restoration or conservation works required to the mask, the OPW will place the mask on public display at Derrynane House, where it will join a large and rich collection of items relating to O'Connell's life.

QUEST 12/24 ENDURANCE RACE RETURNS

to the south west for its second year next weekend!

Quest 12/24, the ultimate endurance adventure race will take place for the second time next weekend.

More than 250 hardened adventurers will take to the mountains, roads, paths and water of South Kerry in an attempt to complete their chosen course in the allotted time of either 12 or 24 hours.

The event will kick-off from the Sneem Hotel at 6am on Saturday 31st of August. The event is being run by Quest Adventure Series who operate other events around the country including Quest Killarney, Quest Kenmare, Quest Glendalough and their newest event Quest Lough Derg. The difference with this event is the endurance aspect. It is the only

event of this kind in the south of Ireland.

Race Director, Oliver Kirwan said, 'Following the success of our first long-distance endurance event in 2018 we are delighted to bring back Quest 12/24 for its second year. Those who have signed up have made a serious commitment to train and prepare for this event. We've run special training days and produced training plans as well as advice on all aspects of preparation. There are some people doing the race to step it up a gear from our regular events, there are others who have never done an adventure race before. We have endurance athletes coming from all over the world for it, from as far afield as USA, Canada, Israel and all-around Europe. It's

going to be a very exciting 24hrs.

Participants start in Sneem and cycle to Carrauntoohil, ascend and descend Ireland's highest mountain, then carry on along the Ring of Kerry Road, kayaking in Waterville and back via the Kerry Way. It's a massive course and a real test for all taking part. We'd encourage anyone on the route to show their encouragement. Spectators can view participant's progress using a website that will track them using GPS on the route too. The hard work is done now in terms of training, best of luck to all the participants."

More than 250 participants will take part in the 24 hr (248km) course or on the 12hr (147km) course.

Eileen Hughes enjoying the Falconry display at Ross Castle on Sunday afternoon with her grandchildren L-R Rose, Connie & Leo.

Falconry - the Sport of Kings was on display on Sunday afternoon last at Ross Castle as part of Heritage Week.

Locals and tourists alike were given the opportunity to experience the ancient royal sport of falconry, demonstrated by expert falconer Liam from Falconry Kerry. It was a unique opportunity to get up close to

these majestic birds and witness their agility & skill.

Falconry is the hunting of small animals in their natural habitat by trained birds of prey dating back over 4,000 years. In an interactive demonstration, hawks and falcons were flown to display agility, swooping and diving to catch food tossed in the air and it was also an

opportunity to both meet and hold native and exotic owls.

This event is coordinated by the Heritage Council and is now one of Ireland's largest cultural events. This year some half a million people attended over 2,200 events across the country.

Toiréasa Ferris stands down from Kerry County Council

Sinn Féin councillor Toiréasa Ferris has announced that she is to step down from Kerry County Council.

The daughter of Mairtin Ferris, TD, she announced in June that she would not be contesting the next general election, however this week she confirmed as she is resigning her seat on Kerry County Council for health reasons. Sinn Féin President Mary Lou McDonald TD, responding to the news and has thanked Toiréasa for her many years of service to Sinn Féin and to the people of Kerry. "I want to thank Toiréasa

for her many years service to Sinn Féin; particularly as a member of Kerry County Council for the past sixteen years, and I want to wish her and her family the very best for the future.

"Someone of Toiréasa's talent and calibre will be sorely missed as a local Councillor and she has represented the people of the Tralee electoral area with distinction. I am glad that she will remain a committed member of Sinn Féin and I have no doubt she will have plenty to contribute to the party in Kerry and beyond in the years to come."

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY DO YOU NEED LIFE COVER?

TO PROTECT YOUR FAMILY AND LOVED ONES
If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner. You can also apply to add other benefits to your life cover including serious illness cover.

TO PAY OFF YOUR MORTGAGE, DEBTS AND OTHER EXPENSES
In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

TO BRING PEACE OF MIND & LEAVE AN INHERITANCE
We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

LIMERICK'S SINEAD IS CROWNED 2019 ROSE OF TRALEE

DR Sinéad Flanagan has been crowned the 2019 Rose of Tralee and has become the third woman representing Limerick to take the coveted title.

RTÉ's Dáithí Ó Sé announced the result in front of a huge domestic and global TV audience and the 2,000 people in the Festival Dome on Tuesday night.

Sinéad (27) was presented with her Tipperary Crystal tiara by 2018 Rose of Tralee Kirsten Mate Maher, after Stephen Scanlan, the Financial Director of Tipperary Crystal, the lead sponsors of the Rose of Tralee International Festival, presented her with the coveted sash.

She was then whisked away to her third Festival parade of the week through the streets of Tralee where thousands of people turned out for the Midnight Madness fireworks display.

A "shocked and delighted" Sinéad, said it was difficult to sum up her reaction: "It has been such a fantastic experience, I obviously didn't

expect it given my reaction but I'm delighted and honoured to represent the festival. I think I was just amazed and it felt like a dream, all the girls came around me to show their support as they always have been doing and made sure I made it out to Dáithí, so I think that is what it is about – supporting each other."

Sinéad Flanagan grew up in Mungret and now lives in Adare, Co. Limerick. She qualified as a Physiotherapist at University of Limerick before studying Medicine in University College Cork. Sinéad is currently working as a junior doctor in Cork.

The Rose of Tralee is an avid supporter of Limerick hurling in what has been a fantastic year of celebrations for the 2018 All-Ireland hurling and 2019 National League champions.

Roses from 32 communities in Ireland and around the world took part in the 60 Year Diamond Jubilee Rose of Tralee International Festival which began last Friday and featured three parades, two fireworks displays, 80 hours of FREE street entertainment, an 80s

Night and Fashion Show.

The Rose and Rose Escort application process is already underway online at www.roseoftralee.ie and on the Rose of Tralee App.

Killarney company develop new Cancer Care App

A Killarney based company has launched a clinical trial search engine in conjunction with Cancer Trials Ireland and funded by the HSE.

ONCOassist, which was set up by Killarney man Eoin O'Carroll and brothers Kevin and Richard Bambury, enables busy oncology clinicians to access relevant and up to date tools and content on the app.

The company, which is based in High Street in Killarney identified a huge demand for a search tool and identified three key challenges associates with clinical trials recruitment including searching for trials, referring patients for trials and awareness

regarding undersubscribed trials.

ONCOassist is the only mobile first platform that saves time and improves the quality of patient care for frustrated and under pressure oncology health care professionals.

The company will focus on making ONCOassist accessible to all oncology health care professionals by being available across multiple devices including iOS, Android and Desktop.

ONCOassist is dedicated to improving the delivery of cancer care globally and the clinical trials search engine is now available across Ireland and aims to go global in the future.

Love Island's Greg creates a stir in Killarney

Love Island winner Greg O'Shea created quite a stir in Killarney on Friday night last when he arrived to judge Saturday's Best Dressed for Ladies Day at the Killarney Races.

The Limerick Rugby player, who stayed at the Killarney Park Hotel, was joined by his Love Island co-star Jordan Hames who documented their reunion on Instagram and they stopped off at JM Reidy's for drinks and mingled with the locals who were lining up to take selfies with the popular stars.

He joined TV personality Yvonne Connolly on Saturday at Killarney Racecourse where the couple choose Maria Murphy from Millstreet as the Best Dressed Lady. Marie wore a stunning print dress accessorised by black heels and a striking head piece.

Best dressed runner up in the Ladies competition went to Catriona White, who is a regular at the Races. "I was absolutely delighted to win runner up" Catriona told the Killarney Outlook. "When I was young my dad worked at the races and I always loved going with him and seeing all the beautiful style, especially on Ladies Day" said a delighted Catriona who bought the dress for her sister

KILLARNEY TOWN TALK

JESSIE NAMED ONE TO WATCH

Killarney star of stage and screen, Jessie Buckley is following in the footsteps of a string of Oscar winners by being named one of 'Variety' magazine's '10 actors to watch' for 2019.

Jessie (29) left Killarney at the age of 17 to pursue an acting and singing career in London and in 2008 she appeared on the BBC show 'I'd Do Anything' - a show which searched for an unknown actress to take on the role of Nancy in the West End revival of 'Oliver'. She eventually came second in the competition but her career has gone from strength to strength.

She received rave reviews for her recent starring role in 'Wild Rose' as a gritty, Scottish songstress who pursues her dream of country stardom to pull herself up from her life as a poverty-stricken single mother.

She also won praise for her role in the Emmy-nominated HBO miniseries 'Chernobyl', and starred alongside actor Tom Hardy in the TV series 'Taboo'.

She will next appear opposite Renee Zellweger in 'Judy'.

My top three tips to stop overthinking!

Overthinking begins with a worrying thought that creates more worrying thoughts and before you know it you can't think of anything else. And, the more you try to stop it, the worse it gets – so what can you do?

Happily, there are many things you can do to calm your mind and stop overthinking. Here are my top three tips:

Top three tips for a clear & calm mind

- Come back to the present moment. Tune into your senses and notice with great interest the present moment you are in. Become aware of your breathing, how your feet feel in your shoes, the ground below you, the colour of the sky, the temperature of the day. Focus your mind on everything that is in your direct experience.
- Watch your thoughts. Let them come and go. Don't try to stop them. Take a step back and observe them instead. Whenever a thought appears just notice it and have no judgement about it one way or another.
- Accept "What is." Everything changes. Nothing is the same from one moment to the next. When you can begin to relax into the ebb and flow of life, you begin to find an acceptance with the fact that everything is always changing. This can really help in knowing that no matter how tough a situation is, it will also change.

If you would like a new career as a Body Confidence & Wellbeing coach please visit my website at www.instituteforbodyconfidencecoaching.com Applications are now open for September training. Early Bird offer closes August 31st.

**B WELL

Tips for mens fitness and health. (Part 1)

TIP 1: Most men find it hard to join a gym or get in touch with a personal trainer so my advice would be to find a friend and ask them to start training with you as they could be in the same situation as you so don't be afraid to ask a friend to join you. The one thing I find with people training together is it motivates each other to keep training and ye will push each other harder. So if ye haven't joined a gym or trained before, don't hesitate to contact a personal trainer to help ye along.

Or even start going for walks in the evenings after work and after a few weeks build up to a slow jog.

TIP 2: In an age where strength training and weight training is popular, core work is vital aswell. So whichever training regime you might have started or you are a regular gym member, start adding in some simple core exercises. Sit-ups, plank etc are simple but effective core exercises. And again, don't be afraid to ask the gym owner or personal trainer for advice on core exercises.

TIP 3: Always vary your training, if you are constantly doing cardio work certain muscles types are missing out so look to vary your training.

A GUIDE TO SCREEN USE

Many people worry that viewing a screen can damage their eyes. There is no evidence of this. In fact, because you can alter the size, brightness and contrast of the display, it can be easier and more comfortable to see on a screen compared with looking at things on paper. However, some people find that looking at a screen for a long time is tiring, and may find wearing glasses for computer use helpful.

Special protective coatings can be put on glasses lenses to help against eye fatigue from digital screens. These can help reduce glare for more comfortable and relaxed vision. Create better contrast perception, offering a more natural colour experience

on a screen may make you blink less, which may make your eyes dry and uncomfortable.

- Position your computer screen so that:
 - it is between 40 and 76 centimetres (16 to 30 inches) from your eyes
 - the top is level with, or slightly below, your eyes
 - it is tilted away from you at a 10- to 20-degree angle
 - there are no distracting reflections, e.g. from a window.
- Once you have adjusted your screen, adjust the font size so it's easy to read.
- Use document holders for reading or reference materials. Place them close to the screen at the same distance from your eyes. This will enable your eyes to remain focused as they move between the screen and the documents.
- Use a character size that is easy to see. The character size is an important factor since it determines the distance at which you prefer to view the monitor

HERE ARE SOME WAYS TO LOOK AFTER YOUR EYES WHILE USING YOUR SCREEN:

- Apply the 20-20-20 rule – every 20 minutes look at something 20 feet away for 20 seconds. That will give your eye muscles a rest.
- Try to blink regularly. Focusing

FANS FALLING IN LOVE WITH KERRY FOOTBALL AGAIN

By: Donal Barry

So the flags and bunting are going up, the tickets are almost secured and there is an All Ireland Final buzz in the county for the first time since 2015 with a whole new generation of children under the age of four being exposed to new Kerry GAA gear.

Indeed the Kerry GAA store has reported a brilliant run up to the final with supporters voting with their feet to travel to the GAA store, which is situated in the Killarney Outlet Centre to purchase their chosen gear for the weekend.

Indeed the range, which once was a simple green and gold jersey, has expanded to all types of hoodies, tops, jackets and even a brilliant new range of gear designed by none other than former Kerry player Paul Galvin who has been inspired by the Joe Keohane range.

Still for many old is best, so when in Croke Park there will be many vintage jerseys out on show. How many of you have that great 1997 jersey. It's still a fan's favourite as it the many goalkeepers choices that are still on offer.

However regardless of what people may

Kerry Fans at Fitzgerald Stadium last week.

look like on Sunday, It is what people will feel like is ultimately matter with a new hope descending across the county closer to the big day. Almost three thousand people attended Fitzgerald Stadium 2 weeks for the Kerry Senior team open day and the excitement was fever pitch when the team arrived and were unduly attacked by fans seeking photos and autographs. There was a real feel of All Ireland excitement, something that at times we are guilty of lacking.

Maybe it has become a tired emotion in the past due to the amount of wins and the frequent Croke Park visits but for a generation of young supporters, this is real for first time.

Real too was the amount of time players gave each supporter from the David Moran's and Tommy Walsh's who have seen it all before to the David Clifford's and Seanie O'Shea's who were getting their first real taste.

Whatever the result on Sunday, there is a real feeling of people beginning to fall in love with Kerry football again and there are many great days ahead of us.

IT REALLY IS DAVID VERSUS GOLIATH

By: Donal Barry

Well in fact, David (Clifford) will have plenty help on this occasion as he and his teammates take on the modern day GAA Goliath that is Dublin.

However, it is funny how things have changed in the GAA landscape since the golden days of Kerry GAA from the mid 1970's through to 1986 and even the wonderful noughties in which Kerry won 5 All Ireland titles.

On Sunday Dublin will have a legion of players looking for their seventh All Ireland medal. Having won titles 2011 2013 2015 2016 2017 and 2018. To put that into some kind of modern day context. Tomas Sé won five and his brother Darragh Sé won six.

Another win for the Dubs and some of their players will hit the golden bar of seven with them closing in on Kerry greats Pat Spillane, Mikey Sheehy, Páidí Ó Sé, Ogie Moran and Ger Power with eight All Ireland medal who are regarded by many part of the most successful team in the history of Gaelic football.

Of the starting panel of 30 Dublin have only Sean Bugler is yet to win an All Ireland medal with all the rest stretching from one up to six. Of the starting 15 against Mayo, they had over 600 senior appearances between them (618 in fact) and when it comes to their manager's record. It is one to look back and admire.

Jim Gavin's championship record is one won 43, drawn 2 and lost just the one to Donegal, in 2014.

Kerry went on to defeat, Donegal in that final and one wonders what would have happened had Dublin not squandered their big lead that day and if they came face to face with Kerry in that final.

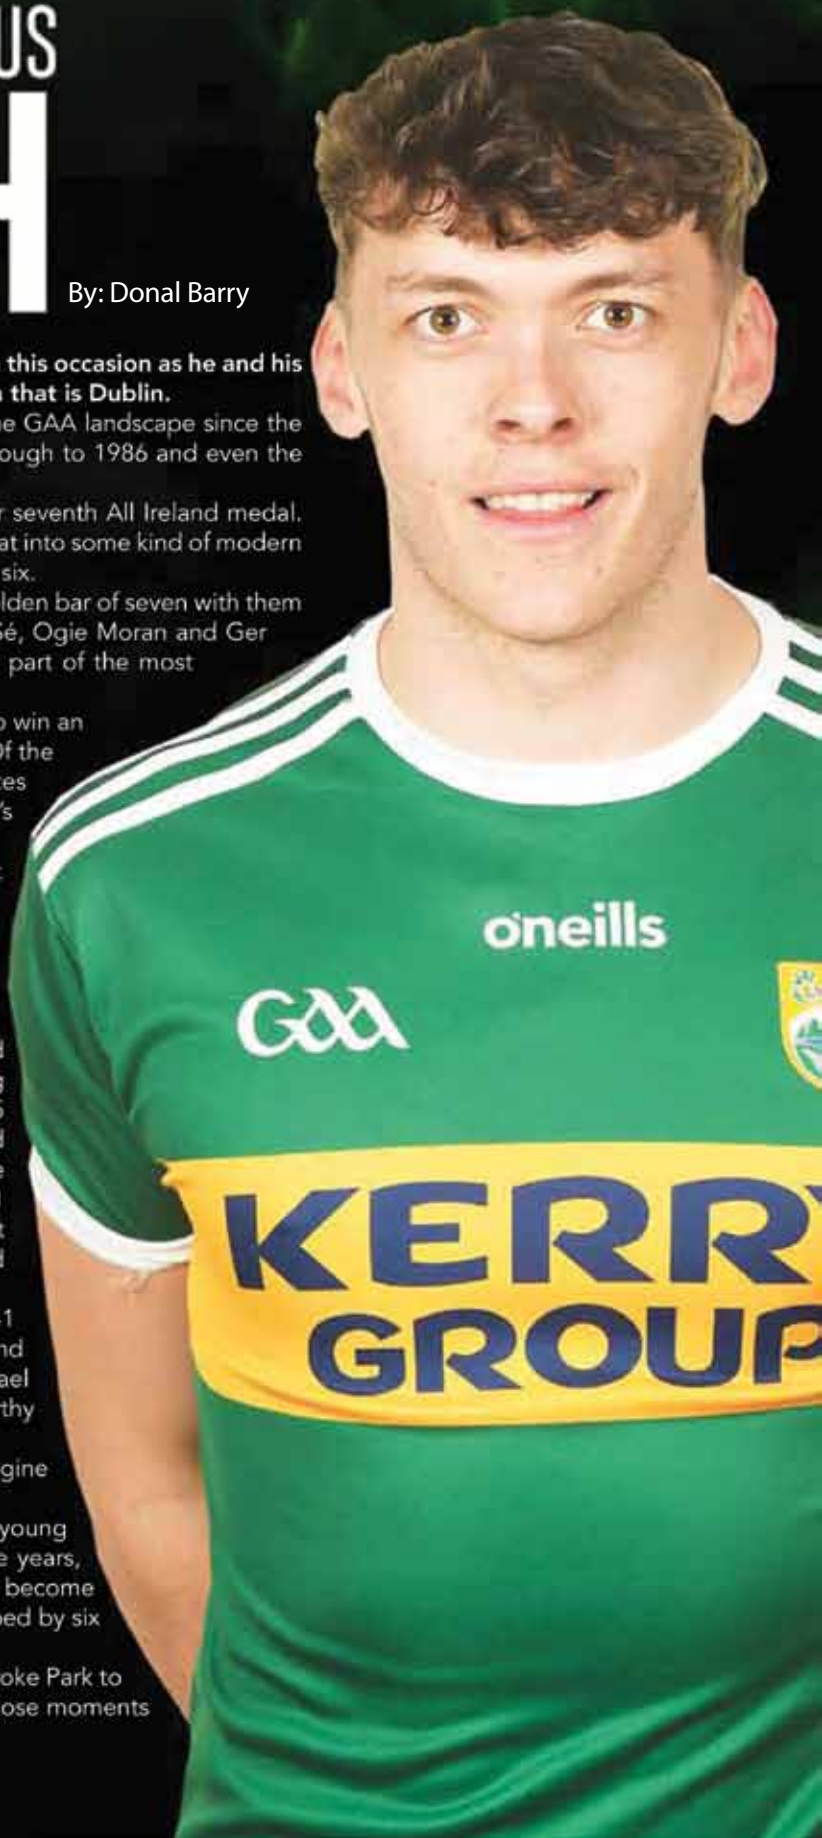

And when we look at the Kerry team that Peter Keane will lead out, it screams inexperience all over. Between their starting 15 against Tyrone they managed to scramble together 265 appearances. Take David Moran, Paul Geaney, Shane Enright and Stephen O'Brien out of that equation and the remaining 11 have only 123 appearances between them. That is an average of 11 each for the remaining players. Still well behind Dublin's lowest with 15 Brian Howard. In addition, a hell of a long way behind Stephen Cluxton on 105.

In fact, David Moran carries the most Kerry experience with 41 appearances into Sunday's final and they would see him still behind four Dublin players, the aforementioned Cluxton (105), Michael Darragh McAuley on 57, Mick Fitzsimons on 56, , James McCarthy on 54, Dean Rock and Ciaran Kilkenney on 42 each.

In fact, Moran is level with Johnny Cooper on 41. Hard to imagine that even.

So there can be no doubting the task on hand for Peter Keane's young team. However if we have learned anything from sport over the years, inexperience is an unknown quantity and one Dublin at times become shipwrecked on. Remember 1955 when a young Kerry team helped by six Tadghie Lyne points saw Kerry win 0-12 to 1-6.

Remember 1975 when Micko Dwyer brought a young team to Croke Park to tackle Dublin and they won 2-12 to 0-11. Will 2019 be one of those moments when Kerry unleash the youthful shackles and just let go?

C'mon Lads!

Let's bring Sam HOME!

Best of luck from all at Manor West Shopping Centre & Retail Park
to the Kerry Senior Football team in the All-Ireland Football Championship

IF INFORMATION IS THE NEW KEY TO WINNING MATCHES IT'S A MATTER OF "STAT"

With so little between teams at the very highest level as the Stats men and women becoming an integral part of getting teams over the line **Donal Barry asks.**

It is five minutes before throw in. Austin Stack Park is packed to the rafters. The patrons have been seated for almost two hours, the media have all their Wi-Fi codes and laptops at the ready and there are eight vacant seats left just in front of them.

With the anthems over, they are swiftly occupied by an unlikely gang armed with implements that would be more at place in a school hall ahead of the honour maths paper on leaving cert day.

These are the modern day stats team for Dublin. They have become an integral part of their success and other teams are now seeing a big growth in this area. After all Stats are now an official weapon for managers to get more from their team.

Now fast forward to the 23th minute, Stephen O'Brien has just punched the ball over the Dublin goal line to open up a 4 point lead, one of Dublin's Stats team is dispatched

from his seat. Have they hit upon a maths failure in the Dublin team? The info makes it way to the line. Two minutes later Dublin have a goal of their own. Coincidence or did the relayed info spot a weakness that Dublin acted upon so quickly. Now fast forward to the All-Ireland Semi-final between Mayo and Dublin. It looks like Mayo are well in this but a third quarter blitz by Dublin puts them in the All Ireland Final. Was it all the info gathered in the first half? Did they get their tactics and match ups bang on for those ten second half minutes to hurt Mayo on the scoreboard.

Of course most managers will suggest that the only stat they are interested in, is the final result but there is no doubt that the Kerry/Dublin league clash in February in Tralee will be dissected no end by the teams looking for get that extra something on each other for next Sunday.

As for the game in February, Kerry launched 30 meaning attacks of which they converted 70% over the course of both halves; however, their second half return was just 62%, unlike their first half attack rate of 79%. Dublin on the other hand were almost computer like efficient. Their total attack rate was 70% from 31 attacks throughout the game came with a first half efficiently rate of 73% and a second half return of 71%. The most important one from a Kerry perspective was that they converted 73% of their scores from play while Dublin laboured with just 60% from play. This will be the key to winning on Sunday, more scores from play. There is a feeling that Kerry with enough possession can hurt Dublin here. Time will tell.

Probably one of the most telling stats on the night was that Dublin did not have Stephen Cluxton between the posts and Kerry had no David Clifford. Two more equations to place in the bowl.

So is it a new Science or is all just abstract nonsense? Sunday should tell a lot and remember the only Stats you need to know is its 3 points for a green flag and 1 point for a white flag.

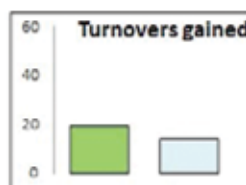

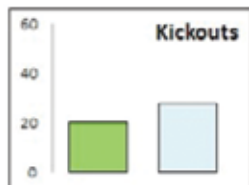

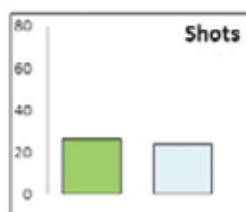

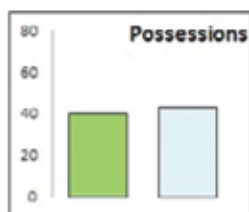

So for the maths geniuses among you take a look at the below information from the most recent Dublin and Kerry clash and see can you figure out what needs to improve.

KEEPING IT CLOSE TO THE CHEST IS ALL PART OF PETER'S PLAN

Donal Barry watches **Peter Keane** in action in front of the national media at their press night

When it comes to Inter County managers, Kerry's Peter Keane says a lot more in the way he looks at you and smiles. He certainly adds an entertainment value with at times a real honesty but not unlike veteran managers, he also has the defensive cloak when he needs it.

There is the old tired worn out GAA phrases thrown out like "game by game", "we respect everyone", "We are waiting on more information on that injury", with "close to fitness", "almost there" and "happy enough at where we are at" used to either explain or confuse either the media or those looking in from a distance to get some kind of nugget for advantage.

However, for a manager in his first senior year, he has dragged a largely inexperienced team along the road to an unlikely All Ireland final. Well unlikely in the since of where Kerry ended last season's championship with a failure to exit the Super 8's.

For many it would feel like bonus territory, with such a young team taking on a team for five in a row but Keane bucks this cover.

"I would not say we are in bonus territory. We have a lot of guys who won minor All Irelands and have been around winning teams over the years. That is not how they are thinking

Still for Keane, the side show of management is something that he has been forced to tackle away from the playing field. Two weeks ahead of the All Ireland Final, he has to handle the David Gough appointment in terms of heavy criticism from former players and managers in Kerry. Keane is having none of it

"I have no problem with David Gough; I think he is probably the best referee in the country at this moment in time. I am not too hung up in referees. I was thinking about it today, we played Dublin in the league. I can't tell you who rified the game. Does it matter? The referee does his job. My father (Tom) was a referee years ago in South Kerry. He went out to do an honest job, some guys get hung up

Peter Keane in his first year at Senior Management has already guided Kerry back to an All Ireland final with the help of James Foley, Tommy Griffin, Maurice Fitzgerald and Donie Buckley can he end Dublin's five in a row dreams.

that this fellow doesn't do us any favours, or that fellow doesn't do us any favours. Sure, the referee is appointed. Just get on with it"

He equally bats the talk of a protest against Gough out of the park with "I haven't heard of it" and cuts the new "Watergate" controversy following the Tyrone game with repeated replies "we are preparing for Dublin in two weeks" – three times. The tone of his third rebuttal ends the topic.

When it comes to that Dublin challenge, Keane is fulsome in his praise of Dublin "These are guys who are going for five in a row. This is the team of the ages and we are here trying to do our best to come up against them"

So how have Kerry got to this stage. Keane is very much one foot in front of the other and hope we don't fall over kind of a person

"You don't start out at the start of the year saying we have to make a league final or we have to make a championship final. You just take in game by game but you start at the foundation of anything which is you try and build a squad, get as

much experience around that squad and you take it from there. If you look at our team, you have a lot of guys, 16 players in fact who made their championships over the last 15 months. A lot of fellows retired this year and some walked away the previous year. Add to that players like Jonathan Lyne, Tommy Walsh and Jack Sherwood who came. So there has been a huge transformation in the personnel in the group and while it may not be huge from my perspective because I was not with them before but there is still a lot of learning go on there. We are going in with a team who do not have a whole pile of experience, we have some guys who have only four or five games played for Kerry. You are up against a team with fellows with well over a hundred games. This has always been about us trying to formulate some type of a squad. What I have learned over the year is the longer you are at it, the easier it becomes because you know the players better."

KERRY DUBLIN

CLASHES A ROMANTIC RIVALRY OR AN AGE OLD BATTLE OF TITANS?

Donal Barry looks back at the history pages to look at Kerry and Dublin's battles since 1893

If Kerry and Dublin's rivalry was to be taken by the laws of averages then Kerry should win on Sunday in Croke Park by 1-9 to 0-7 points.

I am not sure if Peter Keane or Jim Gavin would take to the whole science behind the Kerry/Dublin All Ireland final rivalry in such a way but for many there remains a romance about Kerry and Dublin clashes over the last 126 years. During the

Sunday Game's live coverage of the All Ireland Senior Football Semi Final, RTE Analysis and 8-time All-Ireland winner Pat Spillane pour water on the fact that Kerry

defeating Tyrone in 1986 had anything to do with rivalry. "There is no such things as rivalry when you are winning," he admitted.

Despite the fact that Kerry have a better head to head over Dublin (8-5) when it comes to All Ireland finals, Kerry have not actually beaten Dublin in an All Ireland Final in 34 years, having lost their last two outings to the dominant Dubs in 2011 and 2015.

That said Kerry have defeated Dublin 9 times in the All Ireland Quarter finals and semi-finals along the way with only two draws in their 29 clashes. Few will remember the 1941 drawn game in the All Ireland semi final in which both sides finished level 0-4 apiece. However nobody will forget the 4th August 2001 when a certain Maurice Fitzgerald floated over one of the finest points ever scored in the rivalry when from the outside of his boot he floated a glorious shot over the bar (and Tommy Carr) to level matters. Kerry won the replay

For the romantics it was another semi-final that standouts as the best game ever, the 1977 All Ireland semi final. Maybe it was the best thriller ever but it was one Kerry lost 3-12 to 1-13. Maybe for that reason it stands out more but more the 1978 All Ireland final is remembered as Kerry's best win when they defeated the Dubs 5-11 to 0-9.

Neither Peter Keane nor Jim Gavin are likely to have been brought up on Mills and Boon so romance will not be part of their set up on Sunday. Both will try to out manoeuvre each other like Chess champions, each aware that one poor move could consign their county to a loss as another chapter will be written into the Kerry/Dublin Saga.

THE KERRY SENIOR
FOOTBALL TEAM
IN THE ALL IRELAND
CHAMPIONSHIP THIS SUNDAY!**

Being Kerry Captain is not all that Black and White for Gavin

By Donal Barry

In years to come this will certainly be a sports quiz question. Name the man that captained his county to an All Ireland Senior Football Final while yet to make his league debut.

As far-fetched as it sounds, 22-year-old University of Limerick student Gavin White is yet to make a league appearance for Kerry despite his three-year involvement with the Kerry senior set up.

Ruled out due to injury for a season and his clubs (Dr. Crokes) All Ireland club run has left White a little outside the loop at the beginning of each competitive season but the Killarney man is determined to make up for what he has missed when it comes to championship.

"I have never played a league game. I played championship last year and obviously the championship this year. I have yet to make my league debut," he laughs as he speaks to the Killarney Outlook about Sunday's All Ireland Football Final.

White admits that it leaves him a little behind the other members of the panel but is realistic enough to know that there is nothing he can do about it.

"You miss about three or four months of bonding with the team and the hard training, going up the country staying overnights ahead of games. You miss all that"

His late arrival to the panel also sees him getting to meet the new manager a little later than others. Does this have an impact? "I did not get to meet him until after April, once the club championship was over. Then I picked up an injury to the elbow and that ruled me out for another few weeks."

White's wanting to get back in quickly into the Kerry panel hit him the most when he missed Kerry's league game against Dublin in Austin Stack Park.

"You are sitting up in the stand when you are itching to be out there. You want to put on a Kerry jersey as much as you can really. You are going to all the games and you are saying to yourself if I was out there would I make a difference?"

White who won two All Ireland minor medals with Jack O'Connor as manager had to get use to another South Kerry man this season in the shape of Peter Keane. So what does he think of the new set up?

"Peter brought in a whole new management team. We are really impressed with the whole set up and everything. He brought a new perspective to the whole thing. In fairness to Eamonn, he was brilliant in everything he did. It was top notch. It didn't really work out for us, for whatever reasons but this year Peter brought a different approach. We fed off that and we blossomed off that. His relationship with the minor lads helps an awful lot as well. So he has a good relationship with younger players and it has worked well. Jason McGahan and Donie Buckley arrived and they brought something new to the whole setup as well."

White accepts that there was big changes with the wholesale retirements of household names but sees the 2019 squad "really minding each other" and rejects the notion that inexperience comes with youth. "Look first and foremost we are footballers; a lot of the team would have played with each other at minor and all the way up. So I think there has been a bond. This year it has been taken to another level altogether. The major difference between a minor and senior team is the league. Having been together for that extra three or four months makes a huge difference. It helps an awful lot. We are all a similar age and that helps as well. I think the fact that we are in each other's company for so long helps us at this stage."

Despite his age of just 22 White already has a fine list of achievements under his belt. The Dr. Crokes man has been a part of the Crokes side that won three Kerry titles in a row from 2016 to 2018. Winning an All Ireland Club Championship title in 2017. It was a special winning Croke Park feeling that he hopes to feel come five o'clock on Sunday evening.

BOYS U12: Glenflesk 4-11 Furies 5-4

Glenflesk under 12's had a very impressive victory at home to Furies on Monday night in the East Kerry League. The team started well and built a three point lead early. Furies struck back with a three goal blast to keep them in the game. Glenflesk answered with two goals of their own to leave the scores level at two four to three one at half time after a hectic first half. The match remained tight early in the second half. Glenflesk's greater ability to score points would keep them ahead and two quick goals from them kept a comfortable cushion between the sides as the half progressed. Furies spirit was not broken, and they scored two late goals to keep the outcome unknown till the very end. Glenflesk held on though, to win by four points.

The standard on display was very high for such young players only starting out on their journeys. Some of the kick passing and movement would have put some senior teams to shame!!! Credit is due to the coaches for this as they are getting their message across to these youngsters in a positive fashion. The future looks bright for the Club because of this.

Firies second team ran out easy winners over Keel Listry second team in the division 7 U14 East Region football league final played in Fossa. Firies were on top throughout the game but Keel Listry did mount a fight back in the second half to narrow the gap, only for Firies to pull away with a goal and two points to extend their lead once again.

Randles Brothers Co Championship Junior B Final

Full time: Clounmacon 4-05(17)

Fossa 1-10(13)

Well done to both sides. Ideal conditions for football with some excellent displays by both sides. It was end to end action that lasted right up to the final whistle. Thanks to Randles Brothers Nissan for sponsoring the competition this year & to Castleisland Desmonds GAA/LGFA for the use of the pitch. One again Gerdie & the team pulled out all the stops in Castleisland which added to the championship atmosphere.

Report by Karen McGlynn – Fossa LGFA

Fossa and Clounmacon/Moyvane met in the Randles Bros Junior B Championship Final played in Castleisland Desmonds pitch on Sunday morning. C/M's Erin Finucane was the first to register a point with Erica McGlynn pointing for Fossa. C/M were awarded a penalty which Gillian Musgrave converted. Fossa's Shelly Clifford levelled the game with a well worked in goal. Julie Cronin with a point for Fossa

before C/M's Gillian Musgrave struck for a goal and Erin Finucane pointed from a free. Fossa replied with points from Erica McGlynn, Shelly Clifford and Julie Cronin. Half time score Fossa 1-5 Clounmacon/Moyvane 2-3. On resumption young Jodie Sheehan opened the scoring with a fine point for Fossa. Both teams battled it out over the next five minutes before another score would be registered such was the intensity of the game. Erin Finucane received a ball in over the top and despite the heroic efforts of Fossa's Ciara Griffin her shot found the net. Points were then exchanged at both ends from Erica McGlynn and Erin Finucane. Muirne Wall pointed for C/M leaving four between the teams. A deliberate trip by the foot on Fossa's Erica McGlynn saw Sheila Moore sent to the sin bin. At a time, Fossa should have pushed on but for wayward shooting and good saves from Marie Flaherty kept Clounmacon in the game. Two points by Fossa's Julie Cronin and Erica McGlynn leaves

two between the teams. Both teams were out on their feet Fossa's Maud Kelly, Keelie O Connor, Fiona Kissane, Amy Moriarty and Anna O Reilly with stout defending. Erica McGlynn points from a free to leave the score C/M 3-5 to Fossa's 1-10. 14 became 15 for Clounmacon/Moyvane only for Erin Finucane to be sent to the sin bin for a strike on Erica McGlynn. A long range effort from Shelly Clifford came back off the cross bar. Ashlea Sheehy, Ciara Hudson and Fiona Buckley in defence for Clounmacon/Moyvane played well. Other Fossa pressure also failed to yield a score. Clounmacon/Moyvane's Ciara Haugh with a goal before referee Eddie Barrett blew the final whistle. Final Score Clounmacon/Moyvane 4-5 to Fossa's 1-10. Dave Randles from Randles Brothers was on hand to present the Randles Bros Junior B trophy to Clounmacon/ Moyvane captain Amanda O'Donnell

For those lucky enough to have a ticket, bring the noise and bring the colour and let's help get these men over the line on Sunday!

GARVEYS SENIOR FOOTBALL CHAMPIONSHIP

Last Sunday, we were treated to a brilliant final in the Garvey's Senior Hurling Championship. A crowd of almost 3000 people watched Causeway lift the Neilus Flynn Cup after a 21 year wait. Congratulations to Causeway and also to Crotta who won the Keane's SuperValu Minor Final earlier in the day. Well done to the North Kerry Hurling Board for producing an excellent

Match Programme. The Killorglin and District Pipe Band provided fantastic entertainment and it was wonderful to honour the Killarney and Austin Stacks teams of 1969 at half time. The Garvey Group presented Man of the Match Colum Harty with a trophy and a voucher to the Dingle Skellig Hotel as well as presenting the Causeway club with a set of jerseys for the club.

Now attention turns to the Garvey's Senior Football championship with the first fixture going ahead on Thursday night. Feale Rangers will face St Kierans in the qualifier in Austin Stack Park at 7.30pm.

DEEPEST SYMPATHY

Christy McQuinn, who was a commanding full back in the county finals of 1968 and 1969 for Austin Stacks, passed away just over two weeks ago at his home in Cork after an illness. A dual player, Christy won a Minor Co. Hurling Championship with Austin Stacks in 1955 and the following year he played on the Kerry Minor football team.

More sadness reached the Austin Stacks Club last week with news of the death of Mick Barry. Mick was another dual player and played at wing back in both the 1968 and 1969 Hurling Finals alongside his cousin John. Mick was laid to rest in his adopted town of Ennis last Thursday morning.

Great Dane to join the St Pauls Scotts Killarney Lakers

Killarney side St Pauls Scotts Lakers have announced the signing of 2019 Fresno Pacific graduate Toby Christensen to their starting roster for the 2019-2020 season. The Dane joins following the announcement last week that Spaniard Victor Martinez, who landed in Killarney today.

"Ever since I started playing basketball at the age of six, it's been a dream of mine to one day play professionally," Christensen said. "I'm excited to start this new chapter of my life, and can't wait to represent the FPU family wherever I go."

A native of Copenhagen, Denmark, Christensen was a staple of the Sunbirds starting five for each of his two seasons with the team, appearing 55 games in two seasons, including 49 starts. The playmaking forward led a youth-dominated roster in the 2018-2019 campaign to a five-game improvement from the previous season. East Kerry secure four in a row as goals prove crucial

East Kerry 3-10 - 0-13 St Brendan's

The continued dominance of underage football in East Kerry was highlighted once more, when Aidan Cahill's East Kerry minors secured a fourth county minor title in a row with a deserved six point win over St. Brendan's at Austin Stack Park on Tuesday night.

In tricky and slippery conditions both sides served up some great footballing moments with both teams level by the three quarter mark 1-9 to 0-12.

The game turned in three glorious minutes for East Kerry who reeled of 2-1 in just 160 seconds of play. First a strong run down the wing by man of the match Dylan O'Callaghan who turned provider for second half substitute and Furies team mate Aaron Flynn who placed his shot just out of the way of Devon Burns for a cracking goal.

A minute later O'Callaghan provided the vital assist for Ruairi Murphy to tap in from close range, while Patrick D'Arcy fired over a point in a devastating passage of play that moved East Kerry seven points clear with just 12 minutes on the clock.

St Brendan's had settled well in the early stages and led 0-2 to 0-1 before the 7th minute goal by Emmet O'Shea who again received the incisive pass from O'Callaghan.

In a first half littered with frees, seven of the next nine scores from both sides were from placed balls. Still the quality of place kicking was of the highest order in particular from East Kerry's Emmet O'Shea who converted 4 long range frees to see East Kerry hold onto their lead 0-7 to 1-5 by the 27th minute.

East Kerry remained in control at the break 0-8 to 1-6.

The third quarter was played out in frantic championship pace with plenty great defending

on display from both sides. St Brendan's Dara Courtney having his goal bound shot tipped over the bar by East Kerry keeper Keith O'Leary. While at the other end St Brendan's Oisín Maunsell cleared a goal bound effort off the line.

However, the goals would arrive and in a three-minute period, it was all decided in East Kerry's favour as they controlled matters to the end to see out a six-point victory.

St Brendan's inside forward unit to their credit battled away and accounted for all 0-13 scores.

KERRY PITCH & PUTT CLUB NEWS

IN what you would hope would be a good omen for another Kerry Sports team heading to Dublin for another national final this weekend, the Kerry U-16 Pitch & Putt team retained the National U-16 Inter-County title for the first time last Sunday and won a sixth title overall after a brilliant comeback display in the Singles at Glenville in Tallaght.

Kerry trailed leaders Cork by 14 shots after the Scotch Foursomes with a total of four under par for their three pairs of Jake Shine & Bobby McCarron (two under), Eoin O'Riordan Looney & Ryan Neeson (three under) and Cillian Courtney and Robbie Harnett (one over). They were third overall behind Dublin who were on six under, but matters changed dramatically in the second 18 holes as Kerry's Singles strength came to the fore.

Pictured at Saturday's National U-16 Boys Strokeplay Championship presentation are Deerpark's Brian McCarthy (seated left) and Cillian Courtney (seated right) who won prizes on the day. Brian was the first ever winner of the National Boys U-13 title, the Cup for which was donated in memory of the late Helen McMorrow by the Killarney club itself. Cillian was third overall in the U-16 event. Also seated is Patrick Mitchell of St Annes, winner of the U-16 title. Standing at the back left to right are Myles McMorrow (Pitch & Putt Ireland National Competition Coordinator), Mark Keohane (Vice President) and Liam Leahy (Youth Officer).

The Kerry U-16 Pitch & Putt team pictured after successfully retaining the National U-16 Inter-County title in Glenville, Dublin on Sunday. Team Captain Cillian Courtney is pictured sitting with Pitch & Putt Ireland President Mervyn Cooney (left) and Liam Leahy (Youth Officer) receiving the club while pictured at the back from L to R: Jake Shine, Eoin O'Riordan Looney, Kevin McCarron (Kerry County Board U-16 Officer), Bobby McCarron, Ryan Neeson and Robbie Harnett.

As Cork struggled to stay under par after the first nine holes of the Singles, Kerry were starting to gather momentum with four under par rounds for both Cillian Courtney and Bobby McCarron were followed by two under for Eoin O'Riordan Looney along with level par for Jake Shine. The centrepiece was an eight under par round from Robbie Harnett which included a Hole-in-One on the 15th hole as with Ryan Neeson's one over par round not counted in the best five Singles format, Kerry had a tournament total of 22 under par, a clear 19 shots ahead of Dublin in second with Westmeath finishing third overall. The County Board commends the Kerry U-16 team on delivering a second consecutive Munster and National double for the sport at Inter-County level, two weeks after Cillian, Robbie, Jake and Eoin won the Munster for the county for the third year in-a-row. Well done to U-16 Officer Kevin McCarron on his work with the team this summer

as we thank Sewell's Pharmacy, Killarney for their sponsorship of the side once more. The win marked the first time Listowel members in Jake and Bobby were part of a winning Kerry National Inter-County side across U-16, Gents and Ladies levels. The win came in the aftermath of Deerpark's Brian McCarthy becoming the first ever winner of the Helen McMorrow Cup donated by his club for this year's national U-13 Championship on Saturday as rounds of level and one under par gave him the winning score of 107, two ahead of club-mate Ryan McCarthy with other Deerpark players Noah Sexton and Nathan Cronin also in close contention for the honour. Well done to Brian on winning the honour 15 years after his father Derry won the National Matchplay in 2004 and Derry was also a member of Kerry's first U-16 Inter-County winning side back in 1986. Cillian Courtney was third overall in the main Singles event meanwhile,

IRISH COASTAL ROWING CHAMPIONSHIPS

2019: Well done to all our underage crews who

represented the club at last weekend's Irish Coastal Rowing Championships. The All Ireland event was hosted by Whitegate Rowing Club at the National Rowing Centre in Cork with top competition from the four provinces battling it out in all age categories from U12 to Veteran. Nine crews from Muckcross raced in the U14, U16 and U18 categories with four crews reaching the finals on Saturday following the heats on Friday. While medals proved elusive, all crews performed very well having spent little time in the coastal boat this year. Following the club's investment last year in a new coastal boat, we look forward to further involvement and success in future coastal competition. Special thanks to Sean Daly and Alan Lyne who towed the boats last weekend, to all our parents who drove and lent a hand and to our coaches and coxes John Beazley and Kieran Murphy. Well done to all!

Lakers look forward to new campaign

Eamonn Keogh previews the season ahead.

THE new basketball season is just weeks away and Scotts Lakers St Pauls are eagerly looking forward to the new campaign. The Killarney side enjoyed a progressive and successful season last year where they finished second in the southern conference and were runners-up in the national league division one semi-final to eventual winners DBS Eanna.

A number of changes in personnel on the coaching and playing side have taken place during the off-season.

Shane McCarthy has taken on the role as new head coach for Scotts Lakers and he takes over from Cormac O'Donoghue, who guided the side over the past two seasons. Cormac has served Killarney Basketball as an outstanding player and coach for several decades and has decided to take a well deserved break. His replacement Shane McCarthy is a former Irish international at underage level and has enjoyed a successful playing and coaching career with Blue Demons winning several league and cup titles. He will be ably assisted by John Brosnan, who has gained extensive experience at coaching and management level over the years while Mike Pierce will take on team management duties.

On the playing side Scotts Lakers will be boosted with the addition of some considerable new signings. American Aaron Jackson will be joined by Toby Christensen from Denmark and Spaniard Victor Martínez. All three foreign signings are 6'6" and are versatile players capable

of playing in various positions that will give the Lakers extra options this season.

A full squad of Irish players have been in pre-season training for a number of weeks. Mark Greene, who enjoyed a phenomenal campaign last

season, will be joined by the likes of Andrew Fitzgerald, Seamus Brosnan and Cian Clernon again. Former Blue Demons star Carlton Cuff is also an exciting addition and is likely to play a very prominent role. The squad is still being

finalised and there will be further additions announced in the coming weeks.

St. Paul's U-18 players Jamie O'Sullivan, Jack Corridan and Daniel Carroll are also training with the squad and they are just some of the talented juvenile players in the club that have the ability to step up to national league level in the coming years.

Unfortunately Scotts Lakers will have to plan without a number of other local Killarney players who have been ruled out for the campaign ahead.

Padraig Lucey, Paul Clarke and Mark O'Shea are unavailable due to gaelic football commitments while a busy work schedule prevents Philip O'Connor from participating. A long term injury is also expected to rule Dylan O'Sullivan out of contention for most of the season.

Naturally, Team Coach Shane McCarthy would have preferred to have a full complement of players available but is looking forward to the new campaign and is confident of building on the progress of the last two seasons.

"Pre-season training has been going well and our European players Toby and Victor look very promising. Our new American Aaron is also of great pedigree and all three have the potential and ability to make us a strong formidable side this season. They are all of similar size so we will have a lot of rotation options with the right mix of Irish players to adapt to different situations on defense and on offense," he said. It will be Scotts Lakers third year in succession participating in the national league division one.

DONIE BROSNAN MEMORIAL HURLING TOURNAMENT

The Inaugural Donie Brosnan Memorial U10 Hurling Tournament took place this past weekend, with the group stages run-off during the week and the Finals in Fitzgerald Stadium on Sunday, 25th August. Donie, who was Chairman of Killarney Hurling Club in the 1960's, was instrumental in driving the club to its Senior County Championship title in 1969. It was fitting that this tournament took place on the morning of the Senior County Hurling Championship Final 2019 where that team was honoured by Kerry GAA.

The group stages took place on Thursday evening at Dr. Crokes GAA Club on Lewis Road with 6 teams competing totalling over 80 young hurlers from the South Kerry region. Following some great hurling in both groups on two pitches, the finalists were confirmed for Sunday as follows: Plate:- Kenmare vs. Rathmore, Shield:- Tralee Parnells vs. Kilgarvan with the main event for the Donie Brosnan Memorial Cup between Firies and Dr. Crokes / St. Pat's, East Kerry.

On Sunday, the Plate Final was the first game contested. This was an entertaining game between Kenmare and Rathmore, both teams displaying great skills on a warm morning in Fitzgerald Stadium. Despite a second half surge, Kenmare proved too strong for Rathmore, emerged as winners of the Plate which was presented to them by Eoin Brosnan, grandson of the late Donie Brosnan.

Due to prior commitments of teams, the fixtures saw a slight re-shuffle with the main event of the day, the Memorial Cup Final, played at the earlier time of 11:00am. Firies came out strong, determined to win the inaugural event. Dr. Crokes / St. Pat's, East Kerry didn't go down without a fight and the game was end-to-end throughout. Firies were more clinical in front of the goal and proved too much for the Dr. Crokes / St. Pat's, East Kerry contingent. Cup & Medals were presented to Firies by Eoin Brosnan with their captain giving a brief speech and three cheers for their opposition.

The last game on the schedule, the Shield Final, was thrown-in at 11:30am. It was great to see the Kilgarvan team compete at this level again having combined with Kenmare for the past number of years. Unfortunately, it was not to be their day as an experienced Tralee Parnells side powered to victory exhibiting all the skills of hurling and some great team play. Eoin Brosnan was again on-hand to present the winning team with the Shield and Medals.

Well done to all teams who participated in the Inaugural Donie Brosnan Memorial Hurling Tournament for making it the success it was. Many thanks to Dr. Crokes GAA Club and Fitzgerald Stadium for the use of their facilities. Photographs of the teams who competed in tournament can be found on the South Kerry Hurling Coiste na nÓg Facebook page.

THE MIRACLE PRAYER

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.

(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it. Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

PRAYERS TO ST. JOSEPH OF CUPERTINO FOR SUCCESS IN EXAMINATIONS

First Prayer

O Great St. Joseph of Cupertino who while on earth did obtain from God the grace to be asked at your examination only the questions you knew, obtain for me a like favour in the examinations for which I am now preparing. In return I promise to make you known and cause you to be invoked.

Through Christ our Lord.

St. Joseph of Cupertino, Pray for us. Amen.

Second Prayer

O St. Joseph of Cupertino who by your prayer obtained from God to be asked at your examination, the only preposition you knew. Grant that I may like you succeed in the (here mention the name of Examination eg. History paper I) examination. In return I promise to make you known and cause you to be invoked.

Gardening with Killarney Outlook

by John O'Sullivan

FOCUS ON LATE SUMMER COLOUR

With the autumn in sight, there are a wide range of herbaceous perennials, shrubs and roses that can give you colour in your garden right into October and November.

some good flowering herbaceous perennials for Autumn colour are anemones, which come in a variety of colours – Honorine Jobert is a very good one. It has white flowers with yellow centres. It is also a good plant for shade.

Hydrangeas are excellent shrubs that will flower right into the Autumn and they come in a variety of colours.

A very good rose to flower into late Autumn is a ground cover rose called a flower carpet rose and it comes with pink, yellow or white flowers.

JOHN O'SULLIVAN, FOUR SEASONS GARDENING SERVICES, KILLARNEY 087-2787160.

A Word of Victory

Welcome back dear reader, well it's hard to believe but Summer is gone, and a new season lies in front of us. We mentioned how parents are probably looking forward to the 1st of September and getting back into routine, but for many others it can signal impending dark winter nights and shorter days, perhaps even times of uncertainty. Change is never easy especially when the change that's ahead involves darkness, but friend know this – God is with you and He will uphold you through every season as you keep your eyes fixed on Him. He is the God of the darkness as well as the bright and there is nothing hidden from His eyes. He sees you, and He knows your name (Isaiah 43:1-2). Jesus has already gone ahead of you and won the victory, so nothing that you are facing is news to, or too much for Him. A much loved Scripture of mine is Isaiah 26:3 - 'Lord You will keep me in perfect peace when my mind is stayed on You, because I trust in You. I trust in the Lord forever, for the Lord - Yahweh – He is my Everlasting Rock'. This Word has brought me through many past dark days that I was dreading. I love the sea and how the sky changes and the light shifts and moves even while only watching it for a while. And yet the sky, the sea and the mountains all remain in place, even through the worst of weather, because they have been put there by God and are grounded in His foundations (Proverbs 8:27-29). That's what the Scripture in Isaiah means to me; that even though circumstances may be dark and cloudy, even though it's foggy and cold and the wind might be howling – the sun is still shining above those clouds and this too shall pass. Circumstances are subject to change. As I remain stable and fixed under God's wings, meditating on His Word, knowing that I belong to, and am loved by Him, I can rest in the knowledge that God has got this (Psalm 91). "Therefore, we who have fled to Him for refuge can have great confidence as we hold to the hope that lies before us. This hope is a strong and trustworthy anchor for our souls." (Hebrews 6:18-19) Do not give in to negativity because there is beauty and good to be found in even the darkest times, and His Light quenches darkness! God's promises are for you friend.
