# TOMÁS O'SÉ LAUNCHES THE WHITE HEAT IN KILLARNEY

When Tomás O'Sé retired from the Kerry Senior Panel in 2013 he did so as one of the longest serving players in inter-county history and one of its most prolific winners. His drive and determination came from growing up in a family where Gaelic football was all that mattered. For Tomás and his brothers, Marc and Darragh, football always came first - each of them inspired by the larger-than-life personality of their uncle, Páidí, the talisman of Kerry's fabled team of the early 1980's. The White Heat gives an account of his upbringing and time in the Championship cauldron, competing alongside and against the sports' modern greats. In the book Tomás writes candidly about life as a members of Ireland's greatest sporting dynasty, the victories and the disappointments, the rivalry and the roguery, the clashes and the confrontations, not to mention the huge responsibility that came with donning the green and gold of Kerry. The White Heat is a story of what it means to eat, sleep and bleed Gaelic Games and is available in all good book shops.

# MASSIVE FUNDRAISING EFFORT SEES €115,000 DIVIDEND FOR CANCER SOCIETY

An incredible €115,000 has been raised this year by the Killarney Branch of the Irish Cancer Society though various fundraisers including the hugely successful Strictly Come Dancing and the Mayor's Ball.

From the smallest donation to the largest, the society are extremely grateful to everyone who has contributed to the cause. Everyone is touched by cancer in some way or another, whether in their own family or through a friend or work colleague and every cent raised goes towards the tremendous work undertaken by the society. Eileen Kearney from the Irish Cancer Society was in Killarney last Thursday night to accept the cheque on behalf of the society. She was joined by committee members Eleanor Doherty, Kathryn Breen, Chairperson Eugene O'Sullivan, Timmy Moriarty, Kathleen O'Shea and Kathleen Cronin at the International Hotel. Fundraising events which contributed to the total amount raised also included numerous coffee mornings, the Rambling House, Daffodil Day and Pink Ribbon collections and the emphasis of the hard working committee now turns to November - which concentrates on Men's Health.

## NEPAL CALLING FOR MARIE

Popular Killarney Hotelier Marie Chawke is set to fulfil a life long ambition to volunteer and work with children at an orphanage in Nepal.

"I have decided to step outside of my comfort zone and will be heading Nepal for 2 weeks - starting on 16th November 2015", Marie told the Killarney Outlook.

Nepal is one of the least developed and poorest countries in the world. There are a large number of orphans in the country and the number is rising due to the widespread poverty and the impact of two devastating earthquakes in April. "The Childcare Project I will be working on

is independently verified and only interacts with regulated orphanages. The full name of the project I am participating on is the "International Volunteer HQ Nepal Childcare - Kathmandu Project" and the orphanage that I will volunteer at is located in the hills outside Kathmandu", she added.

While the children attend school during the day, volunteers like Marie will carry out many tasks; such as, in the morning preparing them and often walking them to school; in the afternoon walking them home from school and again taking on the role of an older sibling.

The tasks involved on the childcare project ranges from caring for children, to teaching, assisting with homework and arranging activities, such as painting, singing, and sports activities. IVHQ will provide her with training prior to departure. Marie will also be involved in taking care of the younger children in the Orphanage and assisting with those who have special needs and will be doing some administrative work with the Orphanage staff, and carrying out general cleaning and cooking duties in the Orphanage.

"There are so many basic resources these children need and I hope to be able to bring

MARIE CHAWKE

some of the simple comforts of life to them during my visit". She added.

In an effort to raise funds for the children Marie is hosting a coffee morning in aid of the Childcare Project in Kathmandu next Wednesday November 4th at the Killarney Park Hotel from 11am to 12.30pm. You can also donate on line at <http://gogetfunding.com/nepal-childcare-kathmandu-project/>

## "GOLF BY NATURE – GOLF BY NAME" O'FLAHERTY EXHIBITION AT THE LIBRARY

MONSIGNOR HUGH WITH EAMON DEVALERA - BELIEVED TO BE TAKEN IN ATHLONE IN THE EARLY 1930s - (COURTESY OF THE LALOR FAMILY).

Hugh O'Flaherty's love of golf will form part of a comprehensive exhibition of his photos and memorabilia at an exhibition at Killarney Library which will run from today Friday October 30th until Saturday November 7th.

Long considered to be left somewhere in Rome after his retirement in 1960, some of the Msgr's golf clubs were recently discovered in Cahersiveen and will be included in the exhibition this year. To all intents and purposes, the Rome Golf Club was Msgr Hugh's "home from home" when he was in Rome. He was passionate about and very talented at golf and the young Hugh O'Flaherty's Killarney family home (now Bru na Pairce) was on the Old Killarney Golf Course in Deerpark where Hugh developed a lifelong passion and a great talent for golf. During his time in Italy, he played regularly at the Rome Golf Club with foreign

diplomats and with Rome aristocrats such as Count Ciano (Mussolini's son-in-law) and with the ex-King Alfonso of Spain. Such influential acquaintances would prove very useful during the Nazi occupation of Rome.

When the Rome Escape Line was being formed, it was necessary to assign a "code name" to each member of the organising group. It was inevitable that the Monsignor's "code name" would be "Golf".

In the mid-1950's at the age of 57, the Monsignor was still playing to a handicap of 5. He met and played with the famed three times British Open Champion, Sir Henry Cotton. In his 1959 book, "My Golfing Album" (displayed here), Cotton recalls meeting the Monsignor at the Rome Golf Club and he described him as: "A Natural Golfer if ever there was one". Since November 2012, on the Sunday of the O'Flaherty Memorial Weekend, the Killarney Golf Club holds a Members & Guests competition for the Hugh O'Flaherty Perpetual Cup.

MONSIGNOR HUGH'S BURKE PUNCHIRON No 9 (c.1935) FROM HIS SET OF RECENTLY DISCOVERED GOLF CLUBS (J O'GRADY).

## AWARDS AT THE LIBRARY

## CALL FOR PARENTS TO ATTEND AGM

Spa Muckross Community Games committee have reconvened their AGM to this coming Thursday November 5th at 8.30pm in Spa Club House.

This is due to the non-attendance of parents at the AGM which was on 15th October, we are reconvening on Thursday 5th November at 8.30pm in Spa.

"Parents that want their child(ren) entered in 2016 competitions are required to attend this meeting", a spokesperson told the Killarney Outlook. "It is disappointing that only existing committee members attended the AGM on Thursday 15th October. There are now a number vacant positions that must be filled to allow us participate in 2016 events. If we can't fill the positions, i.e. form a committee, we will not be eligible to enter competitions", they added.

## FR SEAN MYERS TO BE HONOURED THIS WEEKEND

The work of Fr. Sean Myers will be honoured at an event at the Killarney Plaza Hotel this Saturday evening when Fr. Sean's niece Mary Vousden will accept the Hugh O'Flaherty Humanitarian Award 2015 on his behalf.

The people of Killarney and in particular the people of the wider Fossa community will attend in numbers for the event which is due to begin at 8pm. Fr Sean has been selflessly and tirelessly serving the people of northeast Brazil for the past 55 years and even though he is now into his eighties, he continues to dedicate his life to the people of his parish, which covers an area almost half the size of Ireland. The Ceremony will be addressed by the Mayor of Killarney Cllr. Bobby O'Connell, US Ambassador Kevin O'Malley and the Provincial of the Redemptorist Order in Ireland Fr Dan Baragry

as well as Fr Sean's niece, Mary Vousden who will deliver Fr Sean's response to the Award.

The evening will open with the screening of the 1977 Radharc TV Documentary on Fr Sean's work, titled "Padre Joao is a Kerryman". This was screened by RTE at the time and was considered to be a very honest and slightly controversial depiction of the missionary approach by Fr Sean. This will be the first time many will have seen this documentary in almost 40 years.

## MONEY MATTERS....

By Dermot Cronin,  
Financial Advisor

### HOW OFTEN SHOULD I REVIEW MY PENSION AND WHY SHOULD I REVIEW MY PENSION?

There are many very important reasons to review your pension, including: Performance of your pension and what funds you are invested in. This is **VERY IMPORTANT**, if your pension is invested in high risk funds your total pension fund could substantially reduce over a short period of time and if you are coming close to retirement this could result in you having a much less pension when you retire. Is your pension on target to reach the income you want on retirement? This should be checked on regular occasions, if your pension is not on target changes can be made to help put your pension back on track again.

What pension provider is your pension with and how much do they charge you? Charges are very important because you need to make sure that your pension charges are competitive. Pension providers offer much more choices to clients now than before and the choices can be easier to understand if explained to you in plain simple English and by not using jargon. An independent financial advisor should help you understand your pension and your pension options better.

For the above reasons I recommend at least an annual review of every pension with an independent financial advisor.

To make an appointment in relation to the above or for any queries you can contact **Dermot Cronin** at **064 66 22775**.

## AISLING IS AMONG THE BEST IN EUROPE

A 4th year Bachelor of Business student is set to take the Tourism Industry by storm.

Aisling Quill, a daughter of Pádraig Quill of Quills Woollen Markets was placed in the top three in her competition category at the annual AEHT Competitions in Cervia in Italy.

The AEHT is the Association of European Tourism and Hospitality Schools with a membership of over 650 European Schools and Colleges.

Outlook "Aisling has done us proud this year and represented CIT and particularly the Department of Tourism and Hospitality, in a professional manner which ultimately saw her ranked as one of the top Tourism Students in Europe". "We congratulate her on an amazing achievement and recognise the efforts of Aisling's lecturers and mentors for their preparation of Aisling for this prestigious event", he added.

## CLLR. RAISES CONCERNS OVER BRIDGES

CLLR MICHAEL GLEESON.

At the October 2015 monthly meeting of Kerry County Council, Councillor Michael Gleeson asked that the Council would ensure that all Bridges on county, tertiary and minor roads would be kept free from all foliage

growth as such growth can and does cause severe damage to these precious structures and can also impede traffic flow.

Kerry County Council replied that there are

in excess of 2,400 such Bridges in the county and that it strives to maintain them subject to the availability of funding. It acknowledged, however, that there are Bridges on which there is foliage growth.

The Council asked that the area engineer would be informed of any Bridges that are in need of urgent attention.

Councillor Gleeson stated that in some instances quite large trees have their roots deeply embedded in the Bridge structures and this will inevitably damage them over time. This will result in Bridge closure and great inconvenience to local communities."

## NEW OPENING HOURS AT THE FRIARY MASS OFFICE

The Franciscan Friary Mass Office & Bookshop will be open now during lunch hour from 1-2 pm daily. Monday to Saturday excluding bank holiday weekends.

## ST. COLUMBANUS LECTURE

A lecture by Fr. Charles Meagher SSC entitled St. Columbanus and the Kerry Columban Mission will take place in Killarney Library on Tuesday, November 10, at 7.30pm.

Although little is known about St Columbanus here in Ireland, Pope Benedict referred to him as one of the most significant Irishmen of all time.

A statue of Columbanus standing at the centre of Luxeuil, a town in the East of France, refers to him as 'The Saviour of Civilization'. He is one of most highly regarded Saints in Western Europe.

## LETTER TO THE EDITOR

**A Chara,**

Road works presently being undertaken in the Muckross road area of Killarney urgently need re-evaluation. The safety of road users and pedestrians are questionable! There is a value to cycle lanes but they should not be stop - start in nature. With these so called road improvements the width of the road is now narrowed. As it stands this is one of the busiest roadways during the tourism season causing frequent traffic delays. Because of this

I fear that in the future emergency services such as an ambulance or fire brigade would have serious difficulties traversing this access road to and from Muckross. If traffic came to a standstill you would have no room to move aside for emergencies!

Yours sincerely

## TENANT PURCHASE SCHEME

Over the last number of years Local Authority Tenants have not been able to purchase their homes because there was not a Tenant Purchase Scheme in place. The matter was highlighted with the Taoiseach by Kerry TD Michael Healy-Rae. Last week it has been confirmed that the necessary statutory instruments to introduce a new tenant purchase scheme along incremental purchase lines are at an advanced

stage and are expected to be finalised and signed by the end of this month, with the new scheme to become operational thereafter.

Speaking on the matter Deputy Healy-Rae said "I welcome this announcement and it is long overdue as many peoples lives have been put on hold because of this delay", potential purchasers will be able to get the details of the scheme from their own local authority.

Overwhelmed by the work of the Jack and Jill Foundation, a Killarney couple have decided to organize a fundraiser for the amazing organization.

Johann Ashe and his partner Sheila McCarthy are proud parents to beautiful baby Molly who will be two years old on St. Stephen's Day.

Since she was born, Molly has needed the services of the Jack and Jill Foundation.

"We have the most amazing nurses, who are like part of our family", Johann told the Killarney Outlook. The nurses are from both the Jack & Jill Foundation and from Kerry General Hospital.

"Nurses, Karen Lovett, Sheena O'Sullivan and

Cathy Kerins are all like aunts to Molly", said Johann. "They are there for us all the time and we felt we needed to give something back".

The Jack & Jill Foundation receives no Government funding and relies totally on voluntary donations.

Tomorrow, Saturday October 31st Johann and a group of nine friends are heading to Kilkenny where they will undertake a sky dive in an effort to raise funds for the charity.

## TYRE TRADE IN DANGER

Michael Healy Rae, TD has expressed his concern that as many as 1,000 jobs in the tyre trade across the country could be lost and motorists forced to pay more for their tyres under the new waste tyre levy being proposed by the Minister for Environment, Alan Kelly TD. Minister Kelly is introducing a Producer Responsibility Initiative (PRI) for waste tyres which will result in motorists paying an extra €14.00 on a set of tyres. The haulage industry and farmers could face charges ranging from €10.00 to €40.00 per tyres, forcing them to buy tyres outside the country to avoid this new tax. In a Parliamentary Question to Minister Alan Kelly, Kerry TD Deputy Michael Healy-Rae called on the Minister to 'use common sense in this matter, and not go down in the history books as being the Minister who destroyed our tyre trade' he also added 'this is going to increase dramatically the cost of changing tyres which is something everyone has to do and it will almost certainly lead to an increase in motorists purchasing tyres in Northern Ireland'.

## DANCERS FROM ALL OVER THE WORLD IN TOWN

A week long international dance event saw competitors from over 20 countries around the globe gathered at the INEC, Killarney this week for Oireachtas Rince na hÉireann, the All-Ireland Irish Dancing Championships 2015.

The event ran from October 24 to 31 and is organised by An Coimisiún Le Rincí Gaelacha. The championships brought in excess of 2000 competitors and 7000 spectators to Kerry. The event, which was established in 1932, is the longest running major competition in the Irish dance calendar.

"We are honoured to welcome back the All-Ireland Irish Dancing Championships to Killarney. Everyone is appreciative of the business generated by this event. We therefore thank An Coimisiún Le Rincí Gaelacha for choosing our town once again and guarantee that your members will have a fantastic time here," says Patrick O'Donoghue, Managing Director of the INEC.

"We are delighted to return to Killarney which has successfully hosted many events in the past and a feast of Irish music and dance is assured," says Gráinne Ní Chonchubhair, Chair An Coimisiún. "The world's most proficient dancers will take to the INEC stage and demonstrate their skills in front of an international adjudication panel." Blending culture and tradition with contemporary choreography and aesthetic athletic prowess, the Championships will attract dancers from around the world to compete for Irish dancing's oldest title. ranging in age from nine years to senior will compete in solo and team competitions.

In recent years there has been a reintroduction of dances traditionally performed by dance masters such as Jeremiah Molyneaux and Cormac O'Keefe, bringing an old, yet new dimension to the competition and maintaining the respect for the tradition while facilitating the growth of the art form.

This year, Oireachtas Rince na hÉireann is an

International Qualifying event offering dancers from every region the opportunity to qualify for Oireachtas Rince na Cruinne, the World Irish Dancing Championships, which will be held in Glasgow in 2016. ## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### "MOVE IT OR LOOSE IT"

In weight-loss terms, fat is energy and the best way to lose it is to use it. You have to do it with diet and exercise. If you diet without exercise, the majority of your weight loss will be from muscle. The minute you stray from your diet, the weight will come right back on.

The only way to lose it for good is to get moving! Exercise not only helps you burn calories, it also helps build, strengthen, and maintain lean muscle. Exercise has another benefit called afterburn.

A great cardio routine keeps burning fat not just during your workout but for hours afterward.

The rule of the game is increasing your intensity.

The exercise afterburn is also referred to as "excess post-exercise oxygen consumption." It represents the calories used up to return the body back to its pre-exercise state, or resting level, which can take anywhere from 15 minutes to 48 hours, depending on the intensity and duration of the workout.

So get moving everyone!

## OUTLOOK FASHION TIP:

**IF YOUR WEIGHT CHANGES A LOT, UPDATE YOUR WARDROBE:**  
This goes back to the point of not pretending things fit when they don't. It's important to make sure our clothing fits, and though it's hard to admit that you've gained weight or when you've lost weight, you can ignore the fact and stick with the same baggy clothes. Either way, it's kind of a fun reason to update your wardrobe.

**DIET TIP** **LIGHTEN THE FOODS YOU ALREADY LOVE:** One of the easiest ways to cut back without feeling denied is to switch to lower-calorie versions of the foods you crave. A pizza tastes just as good with reduced-fat cheese, and when you garnish low-fat ice cream with your favorite toppers, who notices those missing calories?

## Beauty Tip

**Fake awake eyes.**  
To create the illusion of well-rested peepers, use a flesh-toned pencil to line the lower inner rims of your eyes. This area is usually bloodshot when you're tired, and the pencil will offset the redness so your eyes look bright.

## DON'T GET TRICKED BY ASTHMA THIS HALLOWEEN

Asthma Society of Ireland's top tips to take the scare out of Halloween for asthma sufferers

### TOP HALLOWEEN ASTHMA TIPS

- ✗ Make sure you or your child's reliever (blue) is available at all times.
- ✗ Make sure that new Halloween costumes do not contain latex. If the costumes have been stored since last year, be aware they could contain dust and moulds. Wash them before use.
- ✗ Halloween masks can interfere with breathing, so children with asthma should opt for a half mask or no mask at all. Be mindful of masks, which may contain latex.
- ✗ If your child's asthma is triggered by dampness or frosty conditions, check the weather forecast. Trick-or-treating in cold, frosty weather can cause asthma symptoms to flare up.
- ✗ Smoke from bonfires may act as an irritant and trigger an asthma attack; as such it is advisable to avoid bonfires.
- ✗ Colds and flu viruses are common asthma triggers. If your child is suffering from a cold or flu always give them their medication as prescribed and ensure they wash their hands to stop the spread of colds and viruses.
- ✗ If your child has a food allergy check any sweets, nuts or chocolate they collect trick or treating to ensure it is safe for your child to consume.

The Asthma Society also urges everyone with asthma to put an asthma action plan in place. To get yours, ask your GP or call our Adviceline on 1850 44 54 64. You can also download one from our website [www.asthma.ie](http://www.asthma.ie) or use the plan in our Asthma Coach App for iPhone.

**Astrid Longhurst**  
Life & Body Confidence Coach

**MOVE INTO HEALTH, VITALITY & BODY CONFIDENCE!**

How you move is how you think. If you desire to change the way you think then one of the simplest and most effective ways to do this is to change the way that you move! Our mental states influence our physical actions as much as physical actions influence our minds and moods. This means that we can make change by not just thinking about it, or wanting to feel differently, but also by training the body to move in ways that are unfamiliar. Through mindful movements you can begin to "track" the way you consistently react to stressful situations and become aware of how your body posture mirrors your core beliefs. For example, many emotions are coded to respond to triggers from the past. We all know people who have the ability to "push our buttons!" However, for our buttons to be pushed, we have to agree to respond in the same way as we have always done. Our brain begins to activate this response seconds before we actually act. This intention is experienced and felt within our body. This is crucial because when you are aware enough to catch this "body felt thought" before you have launched into the old pattern of being triggered – you have a split second of choice! This split second is enough time for you to consciously choose another response. You may then choose to relax or smile or just let it go. Over time this new practiced response becomes the encoded and embodied pathway that your body remembers and abracadabra – you are no longer triggered by that person!

## COUNTY FOOTBALL CHAMPIONSHIP SEMI FINAL

### ASSURED SHEEHAN STEER'S SOUTH KERRY INTO FINAL

**SOUTH KERRY 0-12  
KENMARE DISTRICT 0-11**

Bryan Sheehan has notched many vital scores for his club, district and county in his glittering career, but his point in the 4th minute of injury time must be one of the most valuable as South Kerry edged out Kenmare District by the narrowest of margins in a closely contested Garvey's Kerry SFC semi-final at Killarney's Fitzgerald Stadium on Sunday afternoon.

The Southerners are one the most successful district sides in Kerry in recent years and their experience was vital as they had to withstand a fierce challenge from a youthful and hungry Kenmare side who were attempting to reach their first decider since 1987.

Sheehan's injury-time winner from 55 yards out in the fourth minute of injury time means that South Kerry now meet Killarney Legion in the final at Fitzgerald Stadium on Sunday November 8th.

South Kerry manager John Sugrue is delighted to have his side back in the final, but will be the first to admit that a major improvement will be needed if South Kerry are to win their ninth title, and first since 2009.

South Kerry despite the late dismissal of Declan O'Sullivan on a black card followed by a red (as he was already on a yellow), won because they had the more experience, and because they had leaders in vital areas of the field.

Apart from Bryan Sheehan, others to shine for South Kerry were Aidan Walsh, Paulie O'Donoghue, Killian Young and Robert Wharton in particular in the half-back line and Paul O'Sullivan who turned in a super performance at corner-back.

Kenmare District will be bitterly disappointed at losing this one, however, they have youth on their side and if they stick together they can win a county senior title.

With six minutes remaining, Kenmare District had forged into a two-point lead and were looking likely winners.

However South Kerry repeated their late late heroics and responded in fantastic style to shoot three points without reply two of which came from Bryan Sheehan, including that all-important winner, and the other from Denis Daly.

Kenmare had the brighter start when Brian Crowley pointed from a Teddy Doyle pass inside the opening 45 seconds.

Then in the 2nd minute, South Kerry goalkeeper Brian O'Connor saved on the double from Adrian Spillane.

The play was scrappy and at times quite poor

In the first half and with defences generally on top, scores were proving hard to come by.

Paul O'Connor and Bryan Sheehan were having a great personal duel and both were finding the range regularly from frees.

South Kerry found it difficult to penetrate the Kenmare rearguard and the fact that they did not register a score from play until the 23rd minute of the first half was a telling point.

The Iveragh men still managed to lead by the minimum margin at the end of the first half, 0-5 to 0-4, thanks to scores from Bryan Sheehan (4) and Chris Farley, while Kenmare District's tally came from Paul O'Donoghue (3) and Brian Crowley.

The tempo of the game upped significantly in the second half as both sides sought possession and scores.

Stephen O'Brien and the outstanding Paulie

O'Donoghue exchanged points and when Paul O'Connor levelled in the 38th minute the sides were deadlocked at 0-6 apiece.

Paulie O'Donoghue, with his second of the game and Paul O'Connor exchanged points as the sides were still deadlocked entering the final quarter.

Aidan Walsh pointed twice for the Southerners to edge them in front and at this stage John Sugrue's side looked set for success, but Kenmare came back with four points in a row from Stephen O'Brien, Paul O'Connor (0-2, both frees) and Sean Sheehan and these scores edged them 0-11 to 0-9 clear with six minutes to go.

It was anybody's game at this stage but South Kerry responded as only they can and those three late points set up a memorable win.

#### Teams and Scorers

**South Kerry:** Brian O'Connor; Brian Sugrue, Bernard Walsh, Paul O'Sullivan; Robert Wharton, Padraig O'Sullivan, Killian Young; Bryan Sheehan, (0-6, 0-4 frees, 0-1 '45), Brendan O'Sullivan; Paul O'Donoghue (0-2), Denis Daly, (0-1), Aidan Walsh (0-2); Ian Galvin, Chris Farley (0-1) Conor O'Shea.  
Subs: Paul O'Connor for Farley, Greg Gibson for Bernard Walsh and Declan O'Sullivan for Galvin.

### CASTLEISLAND MART JUNIOR FOOTBALL CHAMPIONSHIP FINAL

Glenbeigh-Glencar will play Templehoe in the Castleisland Mart Junior Football Championship final on Sunday 8th November in Fitzgerald Stadium, a game that will be a curtain raiser to the Senior County final between South Kerry and Killarney Legion.

### NOVICE FOOTBALL CHAMPIONSHIP

The Novice Football Championship final will see Lispolie take on St Senans on Saturday November 7th in Strand Road at 3pm. Meanwhile in the Novice Shield final Moyvane will play the winners of the second semi-final between Sneem-Derrynane and Beale, a game that is delayed due to South Kerry's involvement in the senior championship.

### MUNSTER INTERMEDIATE CLUB CHAMPIONSHIP

Newly crowned Kerry Intermediate champions, St Marys, will play the Tipperary champions, Upperchurch-Drombane in the Munster Club Championship this coming weekend. The game will take place on Sunday November 1st.

### SENIOR FOOTBALL CHAMPIONSHIP RELEGATION PLAY-OFF

The recommendations passed by County Committee earlier this year in relation to reducing the number of Senior Clubs from 11 to 8 included a clause that as well as the two teams who reached the Club Final getting an exemption, any club team(s) getting to the SFC Final would also be exempt.

It follows that Killarney Legion along with Dingle and Dr Crokes (Senior Club Finalists), will be exempt from the Relegation Play-Off. This means that 8 teams will participate in the Play-Off.

The eight teams are: Ardfert, Austin Stacks, Kerins O'Rahillys, Kilcummin, Laune Rangers, Milltown- Castlemaine, Rathmore and St Michaels-Foimore.

The following method was agreed by the CCC for the Play-off games:

Round 1 - 8 teams (Open Draw) play-off 4 V 4  
Round 1 winners will be exempt from relegation

- Round 1 losers to play in Round 2

Round 2 - 4 teams (Open Draw) play-off 2 V 2

Round 2 winners to play in Round 3; Round 2 losers (two) to be relegated

Round 3 - 2 teams - Round 3 loser to be relegated.

All games to be played in neutral venues and to have extra time where sides finish level after normal time. The draw will take place at the County Committee Meeting on Monday November 2nd next. First round games will be played on November 7th.

### INTERMEDIATE RELEGATION PLAYOFF

Glenflesk preserved their Intermediate status when defeating Listowel Emmets on Sunday last in the first of the Relegation Playoffs on a score of 0-13 to 1-9 thus condemning Emmets

to Junior Championship football next year. Two more playoff games will be take place on November 7th at 3pm when Annascaul play Gneeveguilla in Milltown and Keel play Brosna in Farranfore. There is no date fixed for the Skellig Rangers V Finuge game.

### CREDIT UNION SENIOR FOOTBALL LEAGUE

Due to the backlog of fixtures currently being experienced the CCC has decided that County League games critical to promotion or relegation will be played off at the earliest opportunity and at the same time where necessary. This weekend there are some important League games down for decision.

In Division 1, the situation with regard to Dr Crokes opponents in the Division 1 final should become clearer as Legion play Milltown-Castlemaine and Desmonds play Austin Stacks in Round 11 on Sunday at 1pm. Legion and Stacks are both on 14 points with Desmonds on 13. The remaining final round games in Division 1 will be played on November 15th provided that Dingle are not involved in the Munster Club Championship.

In Division 2, there are two important back games that have to be played before the final round of games. Rathmore play Spa on this Saturday at 3pm in a game where the loser will see their promotion hopes evaporate. Templehoe are top of the table on 16 points, John Mitchels are on 15 with Kenmare on 14 and Spa and Rathmore on 13 points each. The back game between Gneeveguilla and St Marys is a crucial game and with the south Kerry club's involvement in both Intermediate and senior championships, there is no date on the horizon for that game.

Molyneux Cup Final

Dr Crokes play Rathmore in the Molyneux Cup Junior football final on this Friday evening at 7:45 in Lewis Road.

### MUNSTER FOOTBALL CHAMPIONSHIP DRAWS 2016.

The draws have taken place for the Munster Minor, Under 21 and Senior Football Championships as follows:

Minor: Kerry are away to Waterford in the Quarter Final with the winners of that game playing Clare or Limerick in the semi final.

Under 21: Kerry are at home to defeated All Ireland finalists Tipperary in the Quarter Final with the winners playing Limerick in the semi final.

Senior: Kerry play Limerick or Clare in the semi final in Fitzgerald Stadium.

Junior: Same draw as senior with Kerry playing the winners of the Limerick V Clare tie.

No dates have yet been fixed for any of the fixtures.

### COUNTY COMMITTEE MEETING

A meeting of Kerry County Committee will be held in Fitzgerald Stadium Killarney on Monday next, November 2nd at 8pm. Among the items

CLANMAURICE CAPTAIN OLIVIA DINEEN ACCEPTING THE MUNSTER JUNIOR CAMOIEGE CUP LAST SATURDAY AFTER HER SIDES VICTORY OVER MURROE/BOHER IN THE FINAL.

on the agenda will be the ratification of new Kerry Hurling manager, Claran Carey and his management team, and ratification of the new Kerry minor football management team under new trainer Peter Keane. The draw for the senior football championship relegation playoffs will also be made at the meeting.

### CHRISTY KISSANE RIP

The late Christy Kissane was a larger than life figure who looked after many a Kerry person on their arrival in London for the first time. The Mid Kerry man was a great friend of Kerry GAA and was never found wanting when fundraising or any such activity was required. His premises, The Kingdom Bar, on the Kilburn High Road, is a home away from home for Kerry people. On behalf of all Kerry Gaels, we extend sympathy to his family and many friends.

The death also took place recently of former Kerry, Asdee and Ballylongford footballer, Tom Fitzgerald who was an accomplished footballer on his day and was goalkeeper on the Kerry Senior Football team that won the Munster Final defeating Cork in the Athletic Grounds Cork in 1958 and also played with North Kerry and Feale Rangers in the County Championship.

### AQUILA CLUB O'DONOGHUE CUP - QUARTER FINALS

**KILCUMMIN 3-15 CORDAL 0-6:** East Kerry's most coveted competition, the Aquila Club O' Donoghue Cup, sponsored by The Aquila Club, Gleneagle Hotel, continued in Cordal last Saturday afternoon with a quarter final, as Kilcummin paid a visit to an understrength home side, with a host of their regulars absent. Cordal struggled to contain the free moving Kilcummin attack as they knocked over a succession of points leading by 9 before Cordal opened their account. Kilcummin did better also from the penalty spot, when two kicks were awarded at both ends in a matter of minutes. Cordal's skimmed wide as the visitors converted theirs, Matthew Keane on target. The writing was on the wall and Matthew Keane nabbed Kilcummin's second goal moments before the short whistle, leaving the score 2-12 to 0-01. In the second half, the visitors brought on a number of substitutes and Cordal put some good scores on the board. The game finished up with Kilcummin's Ian Devane racking up their third goal of the day as they stretched the Cordal defense, pushing numbers forward. Final score 3-15 to 0-06. East Kerry Board Secretary, Dermot O' Connor, presented the man of the match award to Kilcummin's Matthew Keane.

Referee: Christy Crowley (Gneeveguilla)

**RATHMORE 4-17 LISTRY 0-4:** Rathmore reached the semi final of the Aquila Club O Donoghue Cup, sponsored by the Aquila Club, Gleneagle Hotel, last Sunday, in Rathbeg, with a convincing win over Listry. Rathmore, who got off to a strong start, opened the scoring with points from John Moynihan and Brendan O'Keeffe. Shortly after that, John Moynihan, slotted the ball to the back of the Listry net. The visitors responded through points from Ronan Buckley (Free) and Derry Aherne. Moynihan added to his personal tally further after receiving a well-placed ball from Dean Fitzgerald, and placed the ball beyond the Listry keepers reach. Half-time score read as

Rathmore 2-9 Listry 0-3.

Rathmore started the better in the second half as Brendan O'Keeffe finished off a fast paced move and pointed from close range. Listry were awarded a penalty mid way through the second half, but an excellent save by Padraic McCarthy denied the visitors a goal. Danny Wrenn pointed as John Moynihan finished his tally of three goals. The game finished on a score-line of Rathmore 4-17 Listrys 0-4. East Kerry Board Chairman, Tim Ryan presented the Man of the Match Award to Rathmore's John Moynihan. Referee: Denis O'Sullivan (Scartaglen).

## FR GALVIN CUP - PRELIMINARY ROUND

**FOSSA 0-13 FIRIES 1-5:** Fossa proved the stronger when they took on Furies last Saturday in the Fr Galvin Cup East Kerry Intermediate championship, preliminary round game, sponsored by the Aquila Club, Gleneagle Hotel. Fossa notched up a number of early points without reply, Donald O'Sullivan (0-2), Paudie Clifford and Mark Dennehy, on target. William Courtney opened the Furies account, with a pointed free, midway through the half. Courtney added two further frees but Fossa retained the lead with points from David Osterloh and Tadgh O'Shea. A Mike Daly point on the stroke of half time kept Furies in contact with the Fossa lead. Half time score: Fossa 0-6 Furies 0-4.

Within a minute of the restart, Furies threw down the gauntlet to Fossa. A sweeping upfield move saw James O'Donoghue send an inch perfect pass over the Fossa defence where John O'Mahony collected and drilled the ball to the Fossa net - game on with Furies 1-4 to 0-6 ahead. However, Furies were unable to capitalise on that score, while Fossa dominated many areas of the field. The creative work of Darragh Rice and man of the match Paudie Clifford engineered five excellent points to put the game beyond Furies. Those points came from the boots of Tadgh O'Shea (0-2), Lorcan Daly (0-2), and Paudie Clifford. Con O'Mahony worked hard for Furies, setting up Denis Kerrisk for a point. However Fossa finished strongest with points from Darragh Rice and a Lorcan Daly free. Final score Fossa 0-13 Furies 1-5. East Kerry Chairman, Tim Ryan, presented the Aquila Club man of the match award to Fossa's Paudie Clifford. This means that Fossa are away to Listry in the Semi Final on Saturday 7th November at 3pm. Referee Tom Moriarty, Legion.

### O'DONOGHUE CUP QUARTER FINAL RESULT:

### RATHMORE 4-16 LISTRY 0-03:

**JUVENILE UPDATES:** The Curtain was brought down on what was a very busy 2015 for all our teams this weekend. Pride of place

goes to our U16s who combined with Keel managed to annex the Mid Kerry Division 2 title with a good win over Glenbeigh Glencar. The game was played in very wet conditions in Keel on the bank holiday Monday. A hat trick of goals from Sean O'Sullivan combined with a double from Sean Buchanan and one from the penalty spot from Captain Aaron McCarthy were to prove decisive. Our boys won out on a scoreline of 6.07 to 2.09. Well done to all panel members from both Listry and Keel. It was a long year and all the lads put in a huge effort. Special mention also to Listry mentors Colman O'Shea and Mike Broderick who along with their Keel counterparts showed unwavering dedication to this group throughout the year.

**OUR U14S:** Again combined with Keel put in a gallant performance on Sunday last in Keel in the Mid Kerry division 2 final. Our boys got off to a great start but unfortunately weren't able to maintain this form for the full hour. We lost out to Beaufort by the minimum on a scoreline of 1.10 to 1.09. This was this team's third final this year and unfortunately defeat has been their lot on all 3 occasions. They have shown great resilience and sporting spirit by always bouncing back and we are confident they will do likewise on this occasion. Most of these boys will graduate to the U16 grade next year which will present a new challenge for them which we are sure they will embrace with vigour. Well done lads and keep the heads up. Huge thanks also to mentors Murt Broderick and Pa Murphy who along with their Keel counterparts put in a huge effort in training this team since early 2015.

**OUR U13S:** Travelled to Rathmore on the bank holiday Monday where they took part in a blitz organised by the East Kerry board. On what was a very inclement day they played matches against Rathmore, Currow, Templehoe and Furies. It was the first time these boys played together under the Keel/Listry banner and they acquitted themselves very well. We look forward to seeing this team in action at U14 next year. Thanks to Pa Murphy and Tony Dowd for looking after the boys on the day. Next year is a very special year for U14 football as The National Feile Peil na NOG is due to be held in Kerry. This is due to be a very exciting event. Keel/Listry hope to enter which will involve hosting a club from another county. Both clubs will need help from all members to make this happen. More details to follow in early 2016.

This is the last Juvenile Report for 2015 as all competitions are now concluded. Thanks to all our mentors and parents for their efforts and support throughout the year. Thanks to all our boys and girls from U6 to U16 who have represented the club throughout the year. We hope you enjoyed and took pride in representing your native place.

Listry Abu.

Coiste na nOg officers.

## LEGION GAA CLUB NOTES

**COUNTY FINAL:** Well the scene is finally set, following last Sundays second semi final the final will take place on Sunday week November 8 in Fitzgerald Stadium with a 3pm throw in.

**TEAM OF 1946:** All the talk over the past week since qualifying for this years County final has been of 1946, the year that the club last won the title. So I caught up with our vice president, Jimmy O'Leary, whose father was a founder member of the club, to give me a bit of background on our only ever other County senior title win. This final was actually played in April 1947. Backboned by the Lynes of Cleeney, with four of them in the starting fifteen, Teddy lined out at full forward and is grandfather of Donal and Ciaran. His brother Dinny, who played the following year in the famous Polo Grounds in New York defeat to Cavan, played a heroic game in defence in our 0-07 v 0-05 victory over John Mitchels that day and he also maintains the strong connection with this years final with grandson Jonathon lining out in the half back line. The two other Lynes that day were Jackie who starred for Kerry for many years and Fr. Mikey who captained the side that day and would later go on to be synonymous with Scottish legendary side Glasgow Celtic where was club chaplain. Another Lyne connection in "46 was midfielder Tom Spillane who was a brother in law and is of course father of Pat, Mick and Tom of Templenoe. The other midfielder that day was John Murphy who is a Grand uncle to Shaun and Conor Keane and was also a brother in law of Mick "The Gun" O Sullivan who in turn was an uncle to present day midfielder Jamie O'Sullivan. In goals that day was Tommy Cooper, son of Tom Cooper of the Glebe Cinema and brother of then up and coming John C Cooper. Tommy also wore the County jersey. Perhaps the strongest line in that team was the half backline of John Joe Sheehan, Micksie Palmer and Denis Baily with Sheehan and Palmer starring on the County team and would go on to win All Ireland medals in 1953 and 55. Incidentally these two are the only surviving members of that team. Also to win Celtic crosses in "53 and "55 was centre forward that day Gerald O'Sullivan who perhaps has the strongest link to the present day team as his son Mike, although retired at the end of last season, has been an integral part of the present days side steady progression over the past decade. Team that day was as follows, Tommy Cooper, Dinny Lyne, Jimmy Fleming, Jimmy Wade, John Joe Sheehan, Micksie Palmer, Denis Baily, John Murphy, Tom Spillane, Jackie Lyne, Gerald O'Sullivan, Mick Baker, Rev Fr Mikiey Lyne, Teddy Lyne, Timmy Hurley.

**CLUB MERCHANDISE:** With County final looming, now is the time to get your colours so whether you want to get the latest in top class sporting wear or car flags or bunting, why not call up to our club shop at our clubhouse on Saturday morning between 10.30 am and noon

or for other times please contact Maura on 087 7634372 or Orla on 087 7068023.

Colours and flags are also available from Hegartys Spar on Muckross Rd and also at Sheahans Centra on the Muckcross Rd.

**FIXTURE:** Senior county league this weekend against Milltown Castlemaine at Derreen, last round of county league

**BEST WISHES:** As the excitement builds in the lead up to the big game we must not forget one of our best ever footballers, Mikey Lyne of Faugh who is ill in hospital at the moment, the club sends its best wishes.

**COOKERY AND BAKING NIGHT:** Folks, following last years extremely enjoyable cookery demonstration, please keep Thursday 19 November in your diary as this year at Dromhall Hotel we are putting on another night of fine cuisine with top chef Mark Doe highlighting his superb culinary skills and to add to the night we also have Irish Bake Off winner, Tracy Coyne lined up to showcase her baking prowess. There will be food sampling so all in all not a night to be missed. Weeshie Fogarty will be MC for the night and there will be a cook off between two of our senior players

**YOUR CLUB NEEDS YOU:** With an ever increasing playing population the Club is always anxious to ensure that every player is given the best possible coaching and education for the game. We are always thankful for the hard work and dedication of our members who volunteer to help out and assist with each team.

As always we are looking for new people to become involved. The 2015 playing season has been very rewarding and satisfying so far. All this would not be possible without the input of our volunteers. With this in mind and looking ahead to 2016 we would like to invite anyone who would be interested in getting involved in any team at any level to let us know.

"Many hands make light work". Coaching courses will be provided. If you think you can help out in any way please do not hesitate to contact any member of our Football Committee Paddy Osborne, Enda Walshe, Diarmuid O' Donoghue, Liam Grimes and Coaching Officer Noel Kelliher.

**CONGRATULATIONS:** Congratulations to Jack Hanrahan who won another International medal in Judo in the London Southend International event last week.

## DR CROKES CLUB NOTES

**COUNTY MINOR CHAMPIONSHIP SEMI-FINAL**

**MID KERRY 2-14 DR CROKES 2-11:** A very good first half display against the strong wind was largely responsible for Mid Kerry's three point victory over us last Saturday. This is not to say that we did not give our all but we fell short by just one score at the final whistle. The teams exchanged points on two occasions in the first ten minutes, in this game played in the John Mitchels pitch, which was in excellent condition. We were a point down at the end of

the first quarter, 0-4 to 0-3 even though we had the strong wind at our back. We had the next three points to go two points in front but our opponents rallied to draw level as we went into injury time. We finished the half (about three minutes of added time was played because of injuries) in great style with a goal and a point, to go in at half time, 1-7 to 0-6 in front. The question now was if this lead would be enough as we faced the strong breeze in the second half. By the 42nd minute Mid Kerry had got back to equality scoring five points to our one in the twelve minute period. Early in the third quarter our opponents had a goal and point and went into the last five minutes, four points in front. Our lads did not give up but rallied and drew level with a goal and a point. We were now leading into injury time and extra time looked likely. Our opponents however went through for a match winning goal. The teams exchanged points before the end to leave Mid Kerry the victors, 2-14 to 2-11. Our players gave it their all and even though they fell short by three points our thanks to them for their great effort in this game and indeed throughout the whole year. They will now have to get ready for the East Kerry Championship and try and add it to the East Kerry League, which we have already won. Our thanks also to our mentors, Edmund O'Sullivan, Mike Cooper, Vince Casey, Jim Connolly, Cormac Foley and Caoimhin O'Donoghue who gave so much of their time throughout the year to have this team competing so strongly at this top level.

## COUNTY INTERMEDIATE HURLING

**C'SHIP FINAL:** On Sunday October 18th in Abbeydorney, our Senior Hurlers met with Kilmoyley in the County Intermediate Hurling Final. This was our second appearance in a row in the Intermediate Final having been well beaten by Kenmare in the final of 2014. Sadly, on this occasion as well, defeat was to be our reward but this year we were unlucky to lose and were a stronger and vastly improved team. The final scoreline at the end of a very close and competitive game was Kilmoyley 2-14, Dr. Crokes 1-13. We paid dearly for several missed chances, including a penalty and a series of goal opportunities presented during to us during the course of the game as well as conceding soft scores. Defeat was difficult to swallow but we must congratulate the Kilmoyley club on winning the Senior Championship and now the Intermediate Championship. Our team on Sunday was: Jamie Lenihan, Shane Kavanagh, Kevin Landers (capt) Dan Guerin, Rory Waters, Brendan McMahon, Mike Murphy, Sean Burchill, Mike Milner, Jack Lenihan, Andrew Kennelly, Keith Curtin, Aaron Murphy, Michael McCarthy, Sean Morris. Subs: Michael O'Keefe, Chris Doncel, Barry O'Grady, Shane Lyne. As a footnote, we should compliment the Abbeydorney club on the excellent presentation of their hurling surface and the brilliant layout on their club facilities.

## MUNSTER JUNIOR CLUB HURLING

**CHAMPIONSHIP:** Our season is not over yet

# GAA CLUB CALL

Deadline: Monday 3pm Email : [editorial@outlookmags.com](mailto:editorial@outlookmags.com)

because following our excellent performances in the Intermediate Championship we have been nominated to represent Kerry in the Munster Junior Club Championship. We play in the first round of this on Sunday November 1st away to the Limerick County Champions, Dromcollogher/Broadford at 2.00pm. This is new and exciting territory that we find ourselves in and it is the first time in the long history of Dr. Crokes that a hurling team from the club has reached these dizzy heights. We will travel with confidence and will represent Crokes and Kerry proudly. At the time of writing arrangements are being made to have our U14 hurlers travel as well to play their counterparts from Dromcollogher/Broadford in a pre-match friendly/curtain-raiser game. All support will be welcome and needed. Please come along and make yourselves heard.....!

**UNDER 12 GIRLS:** The Dr Crokes girls took to the field against Beaufort in the East Kerry Division 2 Under 12 Final last week. It was a repeat of the County League final which saw Beaufort come out on top on that occasion. With both teams being so evenly matched this

was going to be a cracker of a game. Although the Crokes girls opened the scoring with a goal from Kate O'Donoghue it was quickly followed by a point from Holly Power, the Beaufort girls weren't long settling down and were leading by a few points at halftime. But in the second half the girls quickly caught up with points from Leah McMahon, Sarah McMahon (capt) and Jessica Leahy. And with some superb defending from Megan Graham, Megan Lenihan and Sara Neher the girls kept Dr Crokes in the game. Saorise Dorrian was outstanding and always seemed to appear to tussle out with the ball in hand. It was level at the full-time whistle and extra-time had to be played. This is where the girls really stepped up their game with superb football from Holly Power and Jade Potts in the centre of the field hooking up with Kate O'Donoghue for another goal. From there the girls really got into their stride with Rocha Clifford and Laura O'Shea playing well in the forwards linking well with Emma Kelly who scored a lovely point from play. Pia Hickey had a great game in the middle of the field and Faith Lockett also played well when in the forwards.

There was a heart stopping moment when a Beaufort girl was one on with our keeper Ellen Moloney but she remained calm and brought off a brilliant save to keep us in the lead. There was sheer delight in the Crokes camp when the final whistle was blown with the girls winning on a score line of 2 goals and 5 points to 1 goal and 4 points.

**LOTTO:** Lotto numbers 4, 14, 15, 24. Jackpot €3300 not won match 3 4 by €100. Next draw Sunday 1st of November in Tatler Jack. Jackpot €3600.

**DR. CROKES JUVENILE ACADEMY:** Dr. Croke's Juvenile Saturday Morning Academy will finish this Saturday 31st October for Boys and Girls aged 4 to 10. There is a special party for all the boys and girls after training between 12 and 1pm and we encourage all the parents to please bring any treats i.e. buns, cakes, drinks, sweets or crisps to make the day extra special for all the boys and girls. We are sure the boys and girls had an enjoyable year in the academy and we hope to see you all again in 2016.

It is disappointing that only existing committee members attended the AGM on Thursday 15th October. There are now a number vacant positions that must be filled to allow us participate in 2016 events. ## KILLARNEY COUGARS BASKETBALL CLUB

**BOYS U14 DIV 1**

**CAHERCIVEEN 35**

**KILLARNEY COUGARS 39**

Caherciveen hosted Killarney Cougars who made the long journey south to Colaiste Na Sceilge and a strong performance saw Cougars deservedly take the spoils in a very entertaining game. The home side led 10 - 8 at the end of the first quarter with the Cougars responding well to lead by five points at half time. Cougars maintain the lead entering the final quarter ahead 23-17 a high scoring last quarter saw the game go end to end with the Cougars holding on at the end under strong pressure from Caherciveen. Best performers for Caherciveen were Tadhg O'Connor and Sean Teehan with Cougars having strong performances from Tommy Bowler, Ruairi Murphy, Colm Talbot and Sean O'Brien. Coaches John Teehan Caherciveen and Pa Murphy Cougars had their teams well prepared and organised to ensure a very competitive game and the return fixture in January should be equally exciting.

**BOYS U12 DIV 1**

**KILLARNEY COUGARS 33**

**GNEEVGUILLA 23**

A strong first half performance saw Cougars lay the foundations for this victory over a very determined Gneevguilla before a good attendance at the Pres Gym. Cougars led 11-8 at end of the first quarter and increased this lead to 21-15 by half time with good baskets by Darren Ryan, Harry Ryan and Patrick Lyons with the visitors Ross O'Leary and Sean Finnegan. The sides went basket for basket through the third quarter with Cougars again dominant in the closing stages to finish comfortable winners with Shane McCallister, Tom Cahillane and Jack O'Donoghue all contributing good baskets to make the points safe and continue Cougars unbeaten start to the season.

**GIRLS U17 DIV 1**

**KILLARNEY COUGARS 58**

**BALLYBUNION WILDCATS 27**

The opening game for the Cougars and Wildcats team was keenly contested in the first quarter with only a basket between them before Cougars took complete control early in the second quarter opening up a big lead from which the visitors never recovered. Cougars led by twenty points at halftime thanks to good baskets by Kate Maher, Kelly Ahern and Anna O'Reilly. Wildcats went basket for basket in the third quarter with Wildcats best performer Niamh Moriarty contributing eight points. Cougars finished the final quarter strongly with good baskets by Carmen Riera, Mar Bazataqui and Megan O'Donnell to recovered a deserved win for the Cougars.

## GIRLS U12 POOL KILLARNEY COUGARS 26 ST BRIDGETS 19

Cougars were made fight all the way by a competitive Currow side in a very entertaining game at the Pres Gym. Cougars had good baskets from Edel Horgan and Yen Leniston to lead by six points at the end of the quarter with Danielle Moriarty hitting three good baskets to bring the visitors back into contention by half time. The teams went basket for basket in an exciting third quarter with Sophie Dennehy impressing at both ends of the court for the Cougars to keep the home side just in front despite great baskets by Clodagh Coffey for St Bridgets. Cougars strong defence saw them restrict the Currow girls to just a basket in the final quarter as Meabh Coleman Horgan and Alecia Burke both worked very hard to ensure another victory for Cougars in a great start to the season.

## FARRANFORE MAINE VALLEY ATHLETIC CLUB

**CONGRATULATIONS:** To Maria McCarthy and Caitriona Barry who have qualified to represent Ireland in the British & Irish Masters International Cross Country Championships to be held in Santry, Dublin November 14th. They will be part of the O40 Irish women's team.

The Munster Novice, U23 & Juvenile Even Ages Cross Country Championships were held in WIT Sports Centre, Carriganore, Co. Waterford on Sunday last. This is a course popular for its hard hills and undulating terrain. Weather conditions were good and the ground was very hard on foot.

We had a small group of juveniles competing. Eabha McCarthy was first to compete in the U10 1000m race. Eabha who was 2nd in the county c'ship ran a good race and finished 34th out of a field of over one hundred. Kian Costello ran in the U10 boys, out of age and did very well. Shauna McCarthy ran in the U12 2000m race. Again highly competitive, Shauna had two laps of the hilly route to negotiate. She did very well to finish in 16th place with a superb fast 100m race to the finish line. Cian Spillane and Cormac Costello ran in the U12 Boys race. Cian was in the lead group from the start and in the last lap it was a fight between first and second place for Cian. Cian made a break with 100m to go on the downhill. But he was just pipped at the finish line to take a well deserved 2nd place position. Cian will now go forward to represent Munster in the National finals in November. Cormac also ran very well and finished the race strong.

The club had a ladies team in the Novice 4000m race. Caitriona Barry lead the team out

and got stronger as the race unfolded. She eventually finished in 6th place overall and 4th in Novice category, Caitriona was also part of the county silver team medal winners. Grainne Tierney competing in her very first munster competition making did very well to finish in the top 20. Danielle Corkery & Pauline Joseph worked very hard together in completing this difficult course. Well done to you all.

## KILLARNEY CELTIC NOTES

**IRELAND PLAY-OFF DRAW:** Ireland have played very few matches as crucial as the forthcoming play-off second leg against Bosnia/Herzegovina in the Aviva Stadium on Monday 16th November. A lot of Killarney Celtic members will of course be there to cheer them on, and the club are hoping to give people a chance to join them in style with €2 per line draw for 1st prize: Three Deluxe Premium Level Tickets, 2nd Prize Two Match Tickets, and 3rd Prize A Signed Jersey. Sponsorship Cards will shortly be available at the clubhouse or from Executive Committee Members and Managers. We are asking all club members to get behind this important fundraiser.

**GIRLS UNDERAGE:** We would like to welcome any girls who wish to play in a great team sport over the winter months to come along and give it a try. Lots of GAA teams have wound down for the football season so you can keep fit and make friends - U14 girls are especially welcome!

**FOOTBALL FOR ALL:** Well done to all our Football For All coaches, supporters, and especially our great players at a blitz in Carrigaline last Saturday, and a big thank you to everyone at Carrigaline for making it such a great day and occasion.

**RESULTS: DENNY PREMIER: CASTLEISLAND 2 KILLARNEY CELTIC 7** Celtic opened brightly and Gary Keane opened the scoring after half an hour. Matt Keane added two more, sandwiching a Castleisland goal from a free kick to make it 3-1 at the break. Castleisland scored from a corner to cut the lead to the minimum but Celtic stayed focused. Cathal O'Shea scored with his first touch on his introduction and he then combined with Matt Keane to tee up Joe Hurley for our fifth. Stephen McCarthy set up Wayne Sparling for a goal before heading home one himself to complete a great team display. There were great performances from Roy Kelliher, Joe Hurley, Gary Keane, and Brian Spillane. Christopher O'Leary and Conor Farrell were solid in defence, while John McDonough and Fergal O'Donoghue played really well. Conor Randall, Matt Keane, and Stephen Hayes were outstanding for Celtic up front and Stephen McCarthy, Wayne Sparling, and Cathal O'Shea

played really well and every Celtic player and supporter were a credit to the club.

**DENNY PREMIER B: KILLORGLIN 3 KILLARNEY CELTIC B 1:** Killorglin were that little bit sharper, but it was a great team effort and a very good game.

**FAI YOUTHS CUP: ASKEATON 6 KILLARNEY CELTIC 1:** No complaints and no excuses - Askeaton were superb throughout and we wish them all the best going forward in the competition. Jack Galvin got our goal.

**U15 NATIONAL CUP: KILLARNEY CELTIC 4 CORBALLY UNITED 0:** Killarney Celtic U15 hosted Corbally United at Celtic Park in the second round of the SFAI Cup. Celtic dominated the opening 25 minutes of the game with the visitors Corbally finding it difficult to break down the strong centre back pairing of Darragh Donohoe and David Dineen. Celtic came close on several occasions and eventually after some great work from Michael Lenihan, captain Darragh Lyne side-footed home from inside the six yard box to break the deadlock. Celtic soaked up the pressure and kept their cool, playing out from the back with composure. It was 2-0 on 30 minutes when a fantastic corner from Liam Spillane was brilliantly headed home by Evan Lyne at the back post. Into the second half and Celtic remained in control, pushing for another goal. It came in the 45th minute through a magnificent piece of individual skill by Peter O'Sullivan. A mazy run past three defenders inside the box was finished with a bullet to the top corner. Soon after it was 4-0 when Patrick Darcy struck a beautiful half volley from outside the box, leaving the keeper rooted to the spot. Corbally never gave up and were unlucky not to get a goal, being denied by Marc Kelliher with a great one versus one save. Overall this was a great team performance and we now progress to the third round of the SFAI Cup.

**U13 NATIONAL CUP: KILLARNEY CELTIC 8 INTER KENMARE 1** Sheer brilliance. Kenmare are a good well-drilled side, but Celtic played at a really fast and clinical tempo and had them on the back foot right from the start and goals from Cian Doe, William Shine, Kieran Dennehy, Ronan Coffey, Cian O'Sullivan, Cian McMahon, and Daniel Okwute (2) wrapped up a comfortable win.

## U13 DIV ONE:

### BALLYHAR DYNAMOS 3 KILLARNEY

**CELTIC B 2:** Celtic actually played the better football in the first half, creating but not converting a host of chances, but lost concentration for a ten minute period before the break and paid a high price, conceding three goals from three attacks. The lads played their hearts out in the second half and got goals through Jason Lee and Ruairi Dorrian, but we had left ourselves with too much to do. Ah well, lesson learned and no harm done; great to see the players rise to the challenge after going 3-0 down. Well done to a sporting Ballyhar.

### U11: LISTOWEL CELTIC V KILLARNEY

**CELTIC:** We had bigger numbers so it was agreed that both teams would split into smaller groups and mix and match. In the end there were three games, a Killarney, a Listowel win, and a draw between two mixed teams. Everybody had a great time and everybody got to play and this is exactly how two clubs should combine to support young players in a non-competitive environment, comhgaireas agus mile buiochas to everybody on both sides. Congratulations to Daniel Okwute on making the Kerry Schoolboys/Schoolgirls Team of the Week.

## MEK NEWS

**ACADEMY:** Our Academy is up and running in earnest for the new season. We have training for our U6 and U7's every Saturday between 2pm and 2.45pm and the U8's train between 3pm and 4pm. Our third group, our U10's train between 4pm and 5pm. We are thrilled to see the academy proving so popular with all the kids and it is a wonderful sight to behold, to see the kids training in their new MEK Academy Gear, proudly sponsored by Gallivan, Murphy, Hooper, Dolan Insurances Killarney. A huge

thank you to Denis Murphy for sponsoring the academy. New players are always welcome and we intend to host and play in blitzes in the near future. Contact Pa Murphy on 087-7943220.

**U11'S SQUADS:** At this stage our U11 squad has played two matches in the Kerry Schoolboy league against Killarney Celtic and St. Brendan's Park. Both games were tough matches but our team is gelling very well together and they are enjoying the training every Thursday evening. More matches are to come and home matches will follow, so training continues under the watchful eye of team manager Pa Murphy, every Thursday evening at Fossa, at 6pm.

**U13'S SQUAD:** Our U13 squad travelled to Cahersiveen to take on Iveragh United last Saturday morning. This was our very first league match and Team manager Trevor Anderson's charges played a mighty game. Decked out in their outstanding looking, brand new jerseys, sponsored by John McKeon's Portalis, MEK truly looked the part on the pitch and did themselves very proud in the game. Iveragh scored a goal in the first half which no team could stop as the ball cleared everyone's head to hit the net. Keeper and Captain James O'Dowd rallied the troops and the lads really piled the pressure on Iveragh until Iveragh got a lucky break with two minutes to go and doubled the score. A third and final goal was scored against the run of play but the 3-0 scoreline did not justify the effort put in by the lads. Mark O'Sullivan-Rousse and Conor Crowley really stood out for MEK on the day while players like Eddie Moroney, Dara Murphy, Stephen O'Brien and Adam Neary worked tirelessly to pile the pressure on Iveragh at every turn. Aaron O'Shea and Ethan McKeown threatened the goal on a good few occasions but unfortunately nothing came. Brendan O'Sullivan and Robert Sweeney ran themselves ragged while super sub Dan Evans made a huge difference on the wing and Conor Lehane and Jack Lynch also stood out on the day. Team manager Trevor Anderson and mentor Liam Murphy were very proud of their charges and look forward to the next outing for the lads. Details to be confirmed at training. Well done lads. Training continues next Thursday at 6pm.

## KILLARNEY ATHLETIC

### RESULTS: DENNY PREMIER A

#### KILLARNEY ATHLETIC 1-1 LISTOWEL

**CELTIC:** Athletic started well with a lot of possession but failed to get on the score sheet. In fact Listowel took the lead straight from tip off in the second half. Again Athletic owned the ball but found it hard to capitalise until a great strike from Jamie Doolan. Both sides had chances to win it as the play got stretched but it just wasn't to be.

#### DIVISION 1A: KILLARNEY ATHLETIC

**1-1 CASTLEGREGORY:** A game where athletic should have won but have a share of the spoils. In the 35th minute, Lucas Polak with a dispossession and a great through ball to Ryan Carroll who went round the keeper to score a great goal gave athletic an early lead in wintry wet conditions at Woodlawn. Into the second half and we had and penalty saved

and in the dying minutes, a dispossession of the ball and an early cross gave Castlegregory an equaliser. Athletic will rue missed chances and a late claim for another penalty but overall happy with a point against a very strong Castlegregory team. Best for athletic were JP Mullins and Lucas Polak.

**U15:** The u15 crashed out of the national cup to a well organised Broadford United AFC team. Athletic unfortunately just weren't at the races. A big thank you to the parents for the food. We have some great cooks and helpful volunteers. Training Wednesday's 7-8 now in fossa AstroTurf.

#### NATIONAL CUP ROAD CONTINUES FOR

##### ALL IN THE UNEVEN AGES:

In the 13's National Cup it was a great day with all the Kerry sides going through to the next round. There was always going to be at least one Kerry side through as Killarney Celtic faced Inter Kenmare. Kenmare went 1-0 up but from there Celtic took over and goals from Daniel Okute 2, Cian McMahon, William Shine, Kieran Dennehy, Cian O'Sullivan and Ronan Coffey saw them safely into the next round. The Park went to Tipperary to take on Holycross and also went 1-0 down. They remained behind until the last 20 minutes when John O'Connor scored twice in quick succession to give the Park the lead. Earnan Ferris wrapped up the win with a fantastic lob over the keeper to wrap up the win. Listowel Celtic were also playing Holycross, the Limerick side and again it was the Kerry side that progressed to the next round winning 2-0. Sean Stackpoole and Ben O'Connor got the goals for Celtic. Killorglin were involved in a cracker with Pike Rovers that went all the way to sudden death penalties. The game was tied at 1 all after extra time thanks to a Dylan Moriarty goal for Killorglin and they went on to win 6-5 after a nail biting penalty shoot-out.

Camp Juniors made it a clean sweep for Kerry side knocking out Ennis Town 3-1 after extra time. The game was tied at 1 all at the end of normal time as Maurice O'Connell equalised for the home side 10 minutes after Ennis Town took the lead. It was into the second period of extra time before Camp Jr secured the win with two headed goals.

#### TWO OUT OF THREE KERRY SIDES

##### PROGRESS IN THE 15'S NATIONAL CUP:

Killarney Celtic scored twice in both halves to defeat Corbally United at Celtic Park. Dara Lyne and Evan Lyne got the two goal in the first half and goals in the second half from Peter O'Sullivan and Patrick Darcy ensure a Celtic win. Mastergeeha and Geraldines were tied 3 all at the end of normal time. Dylan Murphy, Paul O'Shea and an OG got the goals for Mastergeeha. They added two more in extra time thanks to second Murphy goal and a fifth from Niall O'Connor saw them through.

Killarney Athletic went out at home to Broadford in a game where the visitors were the more clinical in front of goal. Athletic were also missing a few regulars which didn't help.

#### League Reports

##### PARK B GO TOP OF 13 DIV 1:

With leaders Killorglin not playing in the Daly's Supervalu 13 Division 1 Park B took advantage to move top of the table following a good win over Killarney Athletic. Goals from John Davis 2, Danny Fisher, David Callaghan, Vincent Murphy, Adam Walker and Matt Healy saw them move a point ahead of Killorglin. Ballyhar hit three quick goals thanks to 2 from Bryan Burke and one from Cormac Clifford to put them in the driving seat at Murt Scott Park. However visitors Killarney Celtic B hit back through Jason Lee and Ruairi Dorrian but couldn't find an equaliser.

KILLARNEY ATHLETIC UNDER 16'S IN GLASGOW IN 2005 GETTING A TOUR OF PARK HEAD FROM DIARMUID O'CARROLL. ALSO INCLUDED ARE TEAM MENTORS AND SUPPORTERS - PAT MURPHY, SEAN O'SULLIVAN, TOM TOBIN, MICHEAL FITZGERALD AND TRIP MANAGER COLETTE CASEY, THE TEAM INCLUDED NOW KERRY FOOTBALLER FIONN FITZGERALD IN FRONT ROW.

## KILLARNEY ATHLETIC TODAY

As we move towards the end of our articles tracing the history of the club over the past 50 years we focus very much this week on the club in recent years and up to this present year.

### REDEVELOPMENT OF PITCH COMPLETE:

The reopening of the redeveloped pitches in Woodlawn in 2008 marked the completion of a 10 year plan of the Woodlawn ground. The pitches described as one of the most scenic soccer venues in the country most certainly is a credit to the club and has played host to many big fixtures while also producing some outstanding talent. The plaque erected in 2009 to honour the achievements of Diarmuid O'Carroll and Brendan Moloney as professional players bares testimony to the talent that the club and ground has produced. The funding support from chief executive of the association John Delaney also merits recognition as the club was pleased to be one of the selected clubs to benefit from an FAI 'grass roots club fund'.

**GARDA TOM TAKES THE CHAIR:** In 2011 Tom Tobin took over the role as chairman after a spell as secretary and thus became the second garda after Don Harrington to lead the club. Tom said "it was a privilege to be only the first garda since Don Harrington to lead the club. 'Dan' as he was known in the station was highly respected by all his colleagues and as a 19 year old Garda he showed some determination to form a soccer club in town in 1965". Tom has also served as chairman of the Kerry School Boys/Girl league but recalls that "the Athletic under 16 team trip to Glasgow in 2005 was a particular highlight". The team competed in an invitational tournament there and won the Glasgow Plate. "It was also fantastic to be given a tour of the famed ground by one of our own former Athletic players Diarmuid O'Carroll".

**FAI JUNIOR CUP:** In 2010 Athletic reached the last 16 of FAI Junior Cup and faced Clonmel Town in Woodlawn. The home side took a deserved 2 goal lead with goals from Ed O'Sullivan and Rory O'Sullivan a lead they held well into the second half. But the loss through injury to the influential Mike 'smiler' Moloney and Ed O'Sullivan did not help the Athletic cause, and constant Clonmel pressure finally told and the Tipperary boys ran out 4-2 winners

after extra time. Although disappointed by the result the team under the management of Shane Kelly, Shane Foley, Alan O'Connor and Patrick Howard can feel proud to have brought the side to the furthest stage of the competition that the club has achieved to-date. Unfortunately the side also came up short in the Cup final when they lost out to a last minute Celtic goal. The same Athletic side under Alan O'Connor and Shane Foley also contested two cup finals the following season but again came out on the wrong side of the score line to Castleisland and the Park.

**UNDERAGE SUCCESS:** The Athletic U13 team had better fortune in 2010 when they won the cup beating Park in the final, after finishing runners up to them in the league. The team was managed by club secretary and this year's Club Person of the Year Damien McCormick with the assistance of the evergreen Connie O'Sullivan. The Youths won the Jimmy Falvey Memorial Cup for the first time in 2012 and this team was managed by two former 'Athletic greats' Sean O'Donoghue and Alan Brady who both also managed the Athletic senior team the following season. Ger O'Shea and Noel White's U15 squad deserve great credit for winning the League and Cup titles that same year. Ger himself was another skilful player to emerge from the Woodlawn Rd. while Noel was a very committed underage manager for many seasons. In 2013 Mick O'Connell and Donie Murphy's U12 team were unlucky to lose out in 2 cup finals but the side gained valuable experience from the two 'wise old heads'.

Great credit is due to Robin O'Dea and JP Mullins (son of the legendary 'sossy') as their youth team were unbeaten and crowned league champions for the 2013/14 season. The side won all of their 19 games and overcame a 2 goal deficit in the league final play-off game against Tralee Dynamos to finish out an extraordinary season.

**GIRLS REACH CUP FINAL:** Seamus Faulds and Shane Foley also deserve credit for the great work that they are doing with the underage girl teams. Last year the under 14s reached the cup final and that side have now moved into the under 16 age bracket with Seamus while Shane will take charge of the under 12 girls team this season. But the club wish to make a strong appeal for more help with these girl teams so as to give them the same opportunities as

the school boy teams. Athletic under 13 schoolboys also showed great promise last season by winning the Division 1 league and the John Joe Naughton Memorial Cup under the watchful eye of the aforementioned Ger O'Shea.

**APPEAL FOR MORE VOLUNTEERS:** For most clubs getting people to manage teams is not always an easy task but one of the most essential requirements for a club to function. Killarney Athletic has been fortunate to have so many committed people willing to take on the role of team managers or assistance but more help is needed. The following is the list of teams that the club are fielding this year and the names of people managing & associated to each of these age groups. Please check out club notes for contact details.

### AN OVERVIEW OF THE CLUB TODAY

**BASIL AND MIKE:** Finally it is only fitting to pay tribute to the two key men who are presently entrusted to lead the club into the start of its 51st year. Basil Sheerin recalls "I started helping Jerry Doyle out with the under 10 academy in 2003 as a direct result of my 7 year old son David joining the club. I stayed with that team up to 2 years ago and then handed them over to JP & Robin and the success the boys had with them at youth level was phenomenal. I then moved into the treasurer role after taking over from Colette Casey who managed the post for a period of time". Finance and fundraising is a huge thing within a club that has to be managed properly and in Basil the club can consider itself very fortunate to have such an able and committed individual that most certainly has served the club very well since first getting involved in just helping out. Mike O'Shea of course is well known in Killarney and beyond through the family undertaker and shop businesses. Like Basil he too says that his involvement with the club came through supporting his son Mark who played with the club. Mike is modest about his knowledge of soccer but he showed for years while managing 'Mackey's Crew' teams in the 7-side that he had the valuable organisational skills needed to lead the club in this important 50th year. Mike says "we are not finished celebrating the club's 50th anniversary yet but everything that we have done to date has been excellent and well supported and it is my job to ensure that we remain on course and continue to improve as we enter into the 51st year of the club's existence".

## ARE YOU WINTER READY?

Bad weather such as torrential rain, severe winds, fog, ice and snow can strike suddenly catching road users off guard.

### WINTER-READY CAMPAIGN

The purpose of the campaign is to advise people how to prepare for winter. A Booklet 'Be Winter-Ready' can be downloaded from the website [www.winterready.ie](http://www.winterready.ie) or can be obtained from the Office of Emergency Planning -

### IF SEVERE WEATHER STRIKES!

Before setting off on a journey check to see if there are any problems on your intended route.

### HERE ARE SOME USEFUL LINKS:

Visit the Department of Transport for updates on Public Transport

Tune in to your local radio station to get latest updates in your county

Check the weather at Met Eireann

For updates on conditions on Motorways and National roads visit the NRA's - The Road Weather Information System

Check the Garda website for travel warnings

For update on the latest traffic news visit the AA Roadwatch website

Check for live weather and Garda updates as you travel - but remember not to use your phone while driving

Check your Local Authority website for updates Is Your Journey Absolutely Necessary?

In extreme weather conditions you should ask yourself if making a journey by road is absolutely necessary? If it is not you might consider delaying your trip until the weather and road conditions improve. If using the roads in such conditions is unavoidable be prepared. The golden rule is to drive, cycle or walk with care and caution and expect the unexpected.

### Is Your Vehicle Ready for Winter?

As the saying goes 'Prevention is better than cure', so take some time to prepare both your vehicle and yourself for the challenges of winter driving. Don't get caught out when severe weather strikes.

Your first step should be to get your vehicle serviced to ensure it is fit and safe for winter driving. Secondly you should carry out regular checks on the vehicle.

### YOU SHOULD:

Check for wear and tear on wiper blades and replace them as soon as they start to smear rather than clean windows.

Keep tyre pressure at the manufacturer's recommended level and check you have at least 3 millimetres of tread depth.

Check that your spare wheel is in good condition and is fully inflated. Some cars may have an inflation repair kit instead of a spare wheel. Make sure that you know how to use it. Make sure all vehicle lights are working and clean and top up with anti-freeze and screen wash.

### BE SEEN TO BE SAFE!

When out cycling or walking, especially in rural areas, high visibility reflective clothing and lights are the only way to stay safe when out on the roads.

during dark winter days and nights if you wear something reflective and carry a torch. In turn cyclists should make sure their bikes are fitted with front and rear lights.

As children make the journey to school often in the dark, parents really need to make sure their child can be seen. If walking or cycling to school, especially in rural areas they need to wear reflective clothing. If your child gets the bus to school, please make sure they wear reflective clothing so they can be seen at the bus stop. Don't leave them standing on the side of the road in the dark to wait for a bus!

A vehicle has a greater chance of seeing you

## 10 SAFETY TIPS FOR HALLOWEEN

**LOOK FOR THE CE MARK AND FLAME-RESISTANT LABELS ON COSTUMES** Look for the CE mark and the Flame Resistant label when shopping for a Halloween costume or accessories. These marks show that the manufacturer has complied with national and international standards. Although this label does not mean these items won't catch fire, it does indicate the items will resist burning and should extinguish quickly once removed from the ignition source.

### LOOK FOR THE CE MARK ON HALLOWEEN TOYS

If your child is carrying a plastic costume prop or toy such as a mask or a pitchfork, look for the CE Mark. Under Irish and European law, toys placed on the European market must display the CE Mark. The CE Mark demonstrates that the manufacturer has complied with the Irish and European standard, I.S. EN 71 "Safety of Toys", and the product has undergone safety testing in the design and manufacture process.

### ENSURE HALLOWEEN NOVELTY LIGHTS ARE SAFE

Halloween novelty lights, similar in style to Christmas lights, are widely available in shops. However, all electrical products sold in the EU must also comply with safety standards and must carry a CE mark. The mark should be visible on the product itself or on its packaging. If it doesn't have the CE mark, don't buy it.

### AVOID GLITTER AND CAPES

In order to protect your children from getting into contact with naked flames, we advise you avoid costumes with glitter as it tends to be more flammable. Also, capes, trains and dangling sleeves can drag and graze a naked flame more easily and therefore should be avoided.

### BATTERIES INSTEAD OF FLAMES

The flame resistant label and CE label will delay the material catching fire, but it will not prevent the costume from catching fire altogether. Therefore it is vital parents remove the risk and avoid using candles, or naked flames. Opt for battery-operated candles instead of lit ones for pumpkins.

### PICK A COSTUME THAT'S MADE OF ONE MATERIAL

Look for costumes made from 100% synthetic fibres like nylon or polyester. Costumes that are made of one single type of material will often catch fire more slowly than those that are made out of lots of different materials. If a costume is made of a variety of different fabrics they can all react to a flame in a different way and in some cases, can fuel the fire even faster.

### READ THE LABEL ON FACE PAINTS

Always look for the CE mark when buying face paints and ensure that the ingredients are clearly displayed on the packaging in English.

### REMEMBER TO STAY VISIBLE

Ensure your child is wearing bright or light coloured clothing where possible, when trick-or-treating. Give them a glow stick to carry or buy reflective tape and attach it to your child's costume, to ensure they are visible to motorists.

### STOP, DROP AND ROLL

If the worst does happen and your child comes into contact with a candle or fire, make sure they know to stop, drop to the ground and roll around. Allow the ground to suffocate the flames and not your hand.

### MAKE SURE TOYS ARE AGE APPROPRIATE

Make sure the props and toys your child is using this Halloween are suitable. Some children, particularly those under the age of three, are more vulnerable, particularly to choking and less able to cope with particular toys than older children. It should be remembered there will be significant differences in the abilities of those in the same age group and those children with special needs.

## FOSSA NOTES

**FOSSA GAA: LOTTO:** Numbers drawn were 7, 13, 20, 25. There was no jackpot winner.

**SENIORS:** Fossa seniors played Furies in the Fr. Galvin Cup preliminary round on Saturday evening in Fossa. The home side started well and quickly took the lead with points from Donald O'Sullivan, Paudie Clifford and Mark Dennehy, Furies kicked a couple of bad wides before they got their first score on 15 mins. Fossa were playing well with Mikey Cronin having a brilliant game at midfield where he caught and broke a lot of ball, the forwards were moving well with Dara Rice and David Osterloh making plenty of clever runs giving the backs options and creating space for the other forwards. Donald O'Sullivan, David Osterloh and Tadhg O'Shea added further scores to leave Fossa leading at half time, 0-6 to 0-4. On the resumption, Furies struck for a good goal but Fossa replied instantly with points from Tadhg O'Shea and a brilliant effort from Lorcan Daly. Fossa controlled the game thereafter where they scored some great points through Paudie Clifford, Lorcan Daly and Dara Rice to run out comfortable winners 0-13 to 1-05. They played well with all the forwards getting on the score sheet and they will now play Listry in the next round, on a date to be decided. Paudie Clifford was presented with the Man-of-the-Match award afterwards by Tim Ryan, Chairman of the East Kerry Board.

**U-16 BOYS:** The U-16 Boys played Scart/Cordal on Sunday morning in the East Kerry Championship. This was a tough outing for our boys, Fossa started very well and had two points on the board through Liam Buckley and Dylan Darmody before Scart/Cordal got their first score of the game. David Clifford followed this up with a cracking goal after great link play with Ryan Sheehan, Fossa played well and stayed in touch with a John Talbot point but 5

minutes before half time we conceded 4 goals which left us with a mountain to climb. We did finish the half with points from David Clifford and Emmett O'Shea but trailed 5-04 to 1-05 at the break. We needed a good start to the second half but it was Scart/Cordal who rattled the net early on which effectively finished the game as a contest. In fairness to the Fossa players they kept at it and gave it all they had but the goals killed them. We did score points in this half through Ryan Sheehan, David Clifford, Emmett O'Shea, Eamonn Murphy and Lee Lenihan but Scart/Cordal ran out convincing winners 8-09 to 1-11.

**MINORS:** The minors will play Currow in Fossa on Saturday 31st October at 3pm in the East Kerry Championship Division 3 Final.

**AWARD:** The Mons. Hugh O'Flaherty Humanitarian Award for 2015 will be presented on Saturday next, October 31st at Killarney Plaza Hotel at 8pm. We also had special prizes for those who represented us at National Finals in Athlone last August. On display was the 'Most Improved Area Award' won by our area at Kerry Community Games Awards Evening held in

Castleisland last Friday night. This award is a testament to the great work that has gone on in our area over the past year. We would like to thank all those who attended on the evening and in particular we would like to thank Co. Chairman Sean O'Sullivan for coming and presenting the certificates/special prizes.

**AGM:** Our own AGM is taking place in Listry CC next Monday November 2nd at 8.30pm. We are encouraging as many people as possible to attend as we review the past year and plan

for the coming year. Your attendance will be greatly appreciated.

## GLENFLESK NOTES

**INTERMEDIATE PLAY-OFF:** Well done to the Glenflesk senior team, sponsored by the Jarvey's Rest, who defeated Listowel Emmets in Tralee on Sunday October 25th on a scoreline of 0-13 to 1-9, and in doing so secured their intermediate championship status for another year.

**COUNTY LEAGUE DIV2:** The senior team have one fixture remaining in the county league, when they will play Listowel Emmets again, in Listowel, where a victory would secure their Division 2 status. There is no date confirmed for this fixture yet.

**FAMILY WALK AND FUN DAY:** Despite the inclement weather there was a great turnout for the family walk through the beautiful Clydagh valley organised by the juvenile club on Monday last October 26th. Afterwards there was great afternoon of music and dancing in the hall and a welcome cup of tea for the returning walkers. Special presentations were made to honour the All-Ireland winning Scór figure dancers who won their second title in-a-row in April, and to Emma Dineen (U-16), Jeff O'Donoghue (Junior) and Daniel O'Brien (Minor) who won All-Ireland football medals with Kerry during the year. The U6 and U8 team also received special photographic mementoes

of their year. Thanks to all the volunteers who made the day such a great success and to the parents and children for supporting it.

**MILLENNIUM CUP TEAM:** Unfortunately the exhibition game between the current senior team and those who brought the Millennium cup to Glenflesk back in 2000 did not take place due to the weather conditions and the lack of serviceable football boots. However, given the interest this fixture generated, it is rumoured that it may be rescheduled for 2016.

**CLUB MERCHANDISE:** There was a great array of club gear on display in the hall on Sunday, please contact Cathy 087 2900476 if you would like to order any of these items for Christmas.

**EAST KERRY SCÓR NA NÓG:** East Kerry Scór no n-Og finals were held in the Racecourse, Killarney on Saturday October 24th. Glenflesk were crowned champions in the Ballad Group competition and came 2nd in the Solo Singing and Recitation Competitions. Our instrumental music group gave a really mature performance and were unlucky not to be placed. Great credit goes to all who took part and who represented the club so well. Competitors on the night were: Ballad Group: Alicia Cronin, Sarah Finnan, Aldina Murphy, Alison Cronin and Aileen Healy. Solo Singing: Sarah Finnan. Recitation: Eabha

Healy. Instrumental Music: Liadh O'Sullivan, Peter O'Sullivan, Finn O'Sullivan, Alison O'Sullivan and Kate Lynch. The County Final will be held in the same venue on November 20th and we wish the Ballad Group every success going forward.

**RAHEEN COMMUNITY PLAYGROUP:** Congratulations and best wishes to Orlaith Murphy, Barraduff on graduating with a B.A. in Early Childhood Care and Education.

**GLENFLESK COMMUNITY GAMES:** The AGM for Glenflesk Community Games will be held on Monday 2nd November at 9pm in St Agatha's Hall. We would welcome new members.

**RAHEEN NS:** Congratulations to Raheen N.S football team who defeated Tahilla N.S in the Allianz Cumann na mBunscoil County quarter final recently. Thanks to everyone who supported our fundraising bingo your continued support is greatly appreciated. Congratulations to Eileen and Felix Daly who had the winning lotto number 20 on Saturday the 24th of October.

**CONTACT:** We welcome items of local interest. Please contact PRO Donal on 087 668 7926 or pro.glenflesk.kerry@gaa.ie.

## AN POST ON THE MOVE IN KERRY

An Post is on the move in Kerry where the local post office in Rathmore has moved to a new location – a former bank building.

The new office boasts a new location and a greatly improved offering for customers in terms of facilities, counter space and parking. Open from 9am - 5.30pm Monday to Friday and from 9am - 1pm each Saturday, Rathmore Post Office offers the full range of An Post postal, financial and communications products and services. The new post office is situated at Main Street in the former AIB bank building.

The new office, run by Postmistress Julie Kelleher, is one of a number of new post offices that have been opened, relocated or refurbished this year.

The new Rathmore office features An Post's new 'access all' counter which enables customers to use the local post office on an equal basis without the need for special provision for those with access issues. The new counter set-up is being rolled out across the national network as offices are renovated or new offices open.

The counter was designed by An Post, for use in all its offices, in conjunction with the Irish Wheelchair Association (IWA). It has a number of features which make it more usable for all but especially the mobility impaired.

The new office is part of an ongoing post office development programme which includes new products and services and more office relocations to better serve customers. In 2014 almost 50 post offices were upgraded or opened in new locations. So far this year more than 20 post offices have been and improved with more to coming on stream before year's end.

## TAX Matters with

### BUDGET 2016 – INHERITANCE & GIFT TAX

Capital Acquisitions Tax (CAT) is a tax arising on gifts and inheritances.

#### WHO IS TAXABLE?

All persons are liable to CAT with the exception of gifts / inheritances between spouses.

#### RATE OF TAX

The rate of tax on gifts and inheritances received in 2015 and 2016 is 33%.

#### SMALL GIFT EXEMPTION

The first €3,000 of a gift (not inheritance) is exempt from tax. This allows anyone to gift up to €3,000 in any calendar year to anyone else.

#### TAX FREE AMOUNT

The tax free threshold depends on the relationship between the beneficiary and donor. This is not an annual threshold, it relates to the aggregate of all gifts / inheritances received since 5 December 1991.

**BUDGET 2016** increased the Group A threshold from €225,000 to €280,000.

Below is a table of the Tax Free Thresholds:

Relationship to Donor	Group A Son/Daughter	Groups B Parent/Brother/Sister/ Niece/Nephew/Grandchild	Group C Relationship other than Group A or B
Group Threshold from 6/12/2012 to 13/10/2015	€225,000	€30,150	€15,075
Group Threshold from 14/10/2015	€280,000	€30,150	€15,075

### Know Your Rights: TAXATION OF SOCIAL WELFARE PENSIONS

#### QUESTION

I am about to retire from work. I will get a State Pension (Contributory) and a small occupational pension. Are these pensions taxed?

#### ANSWER

If you have a State pension and another source of income, you may have to pay tax on your combined income. Some social welfare payments are not taxable, but most long-term payments, including the State Pension (Contributory) are. Your State pension and Occupational Pension are added together and your tax liability is calculated on the total amount.

There is no mechanism for taxing your social welfare pension at source (before it is paid to you). Your other income determines how tax due is paid. There are increased tax exemption limits for people aged over 65. If you are aged 65 or over and your total income is less than €18,000 a year (if you are single) or if your joint income is less than €36,000 (if you are married or in a civil partnership) you are exempt from income tax.

In your case, you will be getting a State Pension (Contributory) and an occupational pension. Your occupational pension is taxed through the PAYE system in the same way as a wage or salary. This means that you get your tax credits or tax exemption in the normal way. Revenue collects tax on your State Pension by reducing your annual tax credits on your occupational pension. You then effectively pay tax on both the pensions, but it is collected from the occupational pension. For higher incomes, the standard rate cut-off point, the amount of income at which the higher rate of tax starts to apply, will also be reduced. The technical term for this is coding-in of credits. If the tax exemption thresholds do not apply to you, then you are entitled to a personal tax credit, PAYE tax credit and age tax credit (which applies to people over 65). You do not pay the Universal Social Charge (USC) on the State Pension, but you may have to pay USC on your occupational pension. People aged over 65 do not pay PRSI.

And finally, rumours persist that Grant Mitchell is about to make a shock return to Eastenders. Could he be part of the cliffhanger that will leave viewers wanting more? You'll just have to tune in to find out.

### The Best Of The Rest

# THE IMPORTANCE OF COMMUNICATION

When people come along to counselling, and begin talking about their problems, it sometimes becomes apparent that some of their difficulties may be down to the challenge of communicating with the other people in their lives.

This can apply to any of us. Whether discussing issues in our relationship with a partner or other family member, or with friends or colleagues, we are quite likely to say 'He knows how I feel about this', or 'She knows how difficult I find that', or 'I'm not going to ask them for help because I shouldn't need to ask, they should just know what to do', and so on. Sound familiar?

All this ignores a fundamental reality – we cannot assume other people know what we think, or how we feel, or what we need, unless we tell them. We are all equipped with a degree of intuition, and some people can be very 'tuned in' to the thoughts and feelings of others. But we cannot always rely on intuition alone. For example, someone may long for their partner to open up about a shared difficulty in their lives, while the partner may want exactly the same thing, but feel they 'shouldn't go there' because they think this would be unwelcome. Two people, who long to connect with each other, may grow further apart because of a gap in communication.

Of course we all need, and are entitled to, our privacy. We don't have to wear our heart on our sleeve all the time. What we are thinking about here is building bridges and sustaining connections with the significant people around us, rather than seeing those connections weaken through a lack of communication, with all the misunderstandings, frustrations, conflict, hurt and loneliness that can ensue.

As children, we may have been fortunate enough to have an adult around who tuned in to our feelings and tended to our needs, before we were old enough to put those feelings and needs into words. Even if we don't realise it, perhaps a bit of us still quite naturally longs for that sort of automatic understanding from others. But, as adults, we probably need to play our part in making ourselves known and understood. The counselling process can offer a safe space where we can start putting things into words, gradually find our own voice, and become more confident about making ourselves known to another person.

## Health Matters....

With Dr. Michael O'Doherty

### PROSTATE CANCER

As part of our Blue September series on Men Health - This week we discuss Prostate Cancer.

Most people in Ireland know someone who has been affected by prostate cancer. We want to encourage men to be more comfortable with an area of their health that is often neglected or ignored:

- Over 2,500 men are diagnosed with prostate cancer in Ireland each year.
- After skin cancer, prostate cancer is the leading cause of cancer in men.
- Prostate cancer is often a slow growing cancer, particularly in older men, and symptoms may not occur for many years.
- Prostate cancer is 90% curable if it is treated in its earliest stages.
- The cumulative risk of a man developing prostate cancer before the age of 50 is 1 in 485. Before the age of 70 is 1 in 13.
- All men over the age of 50, or men over 40 who have a first degree relative with prostate cancer should consult with their GP.

#### What are the symptoms of prostate cancer?

Prostate cancer is often slow-growing. There may be no symptoms at first, even for years. As the tumour grows, it may press on and irritate the urethra, or cause a partial blockage to the flow of urine. Symptoms may then develop and can include one or more of the following:

- Poor stream. The flow of urine is weaker, and it takes longer to empty your bladder.
- Hesitancy. You may have to wait at the toilet for a while before urine starts to flow.
- Dribbling. A bit more urine may trickle out and stain your underpants soon after you finish at the toilet.
- Frequency. You may pass urine more often than normal.
- Urgency. You may have to get to the toilet quickly.
- Poor emptying. You may have a feeling of not quite emptying your bladder.

#### DIAGNOSIS

First, visit your GP if you are worried about any symptoms. Your GP can examine you and do some blood tests. If your GP is still concerned about you, he or she can refer you to a hospital specialist called an urologist for more tests.

#### TESTS FOR PROSTATE CANCER

##### THE PSA TEST

This is a blood test to measure the PSA level in your blood. PSA is a protein made by the prostate gland that can be found in your bloodstream. Sometimes a raised PSA level can be a sign of prostate cancer. But more often it is caused by something less serious like an inflamed prostate or an enlarged prostate that comes with ageing.

A single PSA test cannot show you if a prostate cancer is present or if it is slow or fast growing. At present, a normal result is anything up to 4ng/mL. The rate at which the PSA doubles is important too, so PSA levels should be compared regularly. For example, if your PSA was 2 last year and 4 this year, it may need to be checked out.

##### DIGITAL RECTAL EXAM (DRE)

This involves your doctor putting a gloved finger into your back passage to feel your prostate. This test can find cancers that are in nearby tissues, but overall it can find less than half of prostate cancers. The test may be a little uncomfortable but is quick.

##### Treatment for prostate cancer

The treatment of prostate cancer can vary. It depends on the stage, grade and size of the tumour, the PSA level, your age, general health, lifestyle, and likely side-effects of treatment.

#### SOME WAYS TO TREAT PROSTATE CANCER INCLUDE:

- Active surveillance/watchful waiting
- Surgery
- External beam radiotherapy
- Hormone therapy
- Chemotherapy

## 5 WAYS TO AVOID ROAD RAGE

While our efforts to reduce crashes, injuries and deaths are effective, none of these problems have completely gone away. Despite a recent push to eliminate distracted driving through awareness and law enforcement, drivers still pick up the phone to text or go online while behind the wheel. Driving under the influence of alcohol is still extremely dangerous yet relatively common. And any driver will tell you that road rage is still a problem.

We can make conscious decisions to not drink and drive or to leave the phone alone to better concentrate on the road. But driving, especially in heavy traffic, can be frustrating. Road rage seems to well up inside of us, caused by anger and lack of control. It may seem difficult to control, but drivers don't have to become frustrated by traffic. The following simple tips can help you stay calm and safe.

- Give yourself time. If you have plenty of time to reach your destination, you're less likely to become anxious.
- Avoid engagement. If another driver cuts you off or uses an obscene gesture, they may be experiencing road rage. Stay away. Don't speed up and pass. Instead, hang back, stay focused on your trip and avoid engaging the aggressive driver with eye contact, using the horn or other responses.
- Leave plenty of space. Allowing ample space between your vehicle and the one in front of you is not just good etiquette, it's good safety, too.
- Follow the rules. Your car is equipped with indicator signals so that you can let other vehicles know your intentions. Proper use improves safety and sets a good example.
- Let it go. You can't control traffic, but you can control your own behavior. Observe the golden rule and remain courteous and calm even when other drivers are behaving dangerously.

## HALLOWEEN

Halloween had its beginnings in an ancient, pre-Christian Celtic festival of the dead. The Celtic peoples, who were once found all over Europe, divided the year by four major holidays. According to their calendar, the year began on a day corresponding to November 1st on our present calendar. The date marked the beginning of winter. Since they were pastoral people, it was a time when cattle and sheep had to be moved to closer pastures and all livestock had to be secured for the winter months. Crops were harvested and stored. The date marked both an ending and a beginning in an eternal cycle. Virtually all present Halloween traditions can be traced to the ancient Celtic day of the dead. Halloween is a holiday of many mysterious customs, but each one has a history, or at least a story behind it. The wearing of costumes, for instance, and roaming from door to door demanding treats can be traced to the Celtic period and the first few centuries of the Christian era, when it was thought that the souls of the dead were out and around, along with witches, and demons. Offerings of food and drink were left out to placate them. As the centuries wore on, people began dressing like these dreadful creatures, performing antics in exchange for food and drink, from this practice of trick-or-treating evolved. To this day, witches, ghosts, and skeleton figures of the dead are among the favourite disguises. In Ireland fairies were numbered among the legendary creatures who roamed on Halloween. One of the superstitions associated with Halloween is that if persons hold a mirror and walk backwards down the stairs, the face that appears in the mirror will be their next lover - but if you try it is far more likely to be the face of the undertaker or at the very least ambulance personnel.

Halloween also retains some features that hark back to the original harvest holiday of Samhain, such as the customs of bobbing for apples and carving vegetables, as well as the fruits, nuts, and spices cider associated with the day. The festival observed at this time was the biggest and most significant holiday of the Celtic year, in terms of spreading Christianity, the feast of All Saints otherwise known as All Hallows (hallowed means sanctified or holy was assigned to November 1st. The day honoured every Christian saint, especially those that did not otherwise have a special day devoted to them.

## HIGHEST ONLINE YOUTUBE EARNER

25 year old Swedish man Felix Arvid Ulf Kjellberg, better by his online alias PewDiePie to his over 39 million "Bro Army" YouTube subscribers, pocketed over \$12 million last year - making him Forbes' highest online YouTube earner.

When he was an unknown, the soon-to-be PewDiePie was working toward a degree in Industrial Economics and Technology Management at Chalmers University in Gothenburg. In 2011, he dropped out in order

to focus on his YouTube aspirations – and after working for a while at a hot dog stand to fund his videos, his channel took off.

In 2012, over one million people signed up to subscribe to what is essentially watching him as he plays through popular video games and in August of 2013, PewDiePie's channel became the most subscribed channel on YouTube. Felix says the fact that he could make videos was more important to him than spending a few hours a day doing a job that wasn't that prestigious, playing video games was never like a career that he could just quit college to pursue, it was just something he loved to do and he never knew he could make money out of it.

## A LAKE WITH A DARK SECRET

About 1,200 years ago, high in an uninhabited region of the Himalayan Mountains of India, there was a pilgrimage of men, women and children. While the group's origin and destination remain a mystery, we know they were well-equipped for the journey and had porters to assist them. The glacial lake they came upon some 16,500 feet above sea level must have seemed like the perfect place for a rest and 300 or 400 people scampered down the steep slopes to have a drink or bathe in the chilly, clear water. Whether or not they were concerned about the sounds of the approaching thunderstorm is anyone's guess. All we know for sure is that when the sky opened, those around the intense blue-green waters of the lake were suddenly and horrifically trapped. Known officially as Roopkund Lake, its notoriety has given rise to darker nicknames like Mystery Lake or Skeleton Lake. Covered in thick ice and snow for much of the year, Roopkund gives up its ghosts for only a few warm weeks of the year. It's then, in its clear blue-green waters and around its shores, when the remains of a disaster are revealed. When a British park ranger happened upon the scene in 1942, he came across hundreds upon hundreds of skulls and bones. Because of the high altitude and frigid cold of the region, many of the bodies still had hair, clothing and even flesh. In 2004, a team sent by National Geographic discovered that not only were the remains from 850 A.D., but that the victims had all died the same way: severe blows to the head and shoulders. Anthropologists believe that death was caused by extremely large hailstones. Studying the impressions left on skulls and bones they say the hail quickly became deadly, with the killer blows coming from bowling-ball hail as large as 9 inches in diameter, traveling at more than 100 mph. Tourists interested in macabre souvenirs have removed many of the bones and other artifacts from the site, but if your timing is right you can still see dozens of skeletons at the bottom of the clear glacial lake.

## ANCIENT CHURCH RISES FROM DROUGHT-STRICKEN RESERVOIR

The beautiful ruins of the Temple of Santiago in Chiapas, Mexico are once again to be seen. The 450-year-old chapel, submerged under a 100 feet of water in 1966 for a reservoir project, has risen from its watery grave due to a widespread drought affecting the region. According to officials, water levels in the Nezahualcoyotl reservoir this year alone have fallen by 82 feet.

The Temple of Santiago which measures 183 feet long, 42 feet wide, with walls rising 30 feet and a bell tower that reaches 48 feet above the ground was built in the mid-16th century by a group of monks headed by Friar Bartolome de la Casas. It was positioned on the Grijalva River along the King's Highway, a popular route used by Spanish conquistadors. It was abandoned in the 18th century after widespread plagues hit the region from 1773 to 1776.

## THE NOBLE HORSE

Horses have been around for around 50 million years and began their history in North America; they then spread into Asia and Europe using the land bridge. While they died out in North America, they continued to thrive in Eastern Europe and central Asia, continuing to evolve to their new landscape. The species has been domesticated for the last 6,000 years and that, and since domesticating the horse, humans have created approx. 400 different breeds, used for purposes from racing to war, from ploughing to pulling carts and carriages. Our own human history has been greatly shaped by our partnership with the horse, and the horse has of course been shaped significantly by us. But many of the odd features of the horse developed well before we had a hand in their evolution.

- Horses have the largest eyes of any land mammal, with a diameter of about 2 inches. They are actually about nine times the size of a human's in volume.

- There is only one surviving branch of the horse family, and that is Equus. This branch includes not only Equus caballus, the domesticated horse, but also the Przewalski's horse, zebras, asses and donkeys. But there are a couple other surprising relatives to the horse — species that few of our domestic horses have probably ever seen including rhinoceroses and tapirs.

- Arabians are thought to be one of the oldest breeds of domesticated horse, and were critical to the culture and lives of desert tribes in the Middle East. They stand out not just for their long history and particularly good looks, they are built differently than other horses and have a greater bone density than other horses, they also have a shorter back with one fewer lumbar vertebrae. Additionally, Arabians have one fewer pair of ribs, and their ribs are set wider and they have two fewer tail vertebrae than other horse breeds.

## KEEPING UP WITH TRADITION

The telling of ghost stories has long been a way to pass the time on the night of October 31st but if you are of a nervous disposition – please skip this article!

A scary-looking painting of a man was kept in Sean Robinson's grandmother's attic for twenty-five years before he inherited it from her. She had always told him that the painting was evil; explaining how the artist who created it had used his own blood mixed with the paint, and had killed himself shortly after completing it. She claimed to hear voices and crying when the painting was displayed, and to see the shadowy figure of a man in her house, which is why she locked it away in the attic. As soon as Mr. Robinson took the painting into his home, he and his family started experiencing the same kinds of creepy phenomenon. His son fell down the stairs, his wife felt something stroking her hair, and they saw the shadow man and heard crying. Mr. Robinson decided to set up a camera overnight to try to capture some of the strange events on tape. The video shows slamming doors, rising smoke, and the painting falling from a wall for no reason.

## A FEW EXAM EXCERPTS FROM COLLEGE DANCE STUDENTS

"The costumes were vindictive of the style of dance."

"I commend Bill T. Jones for his acts of true kindness and selfishness."

"Dancers must have long limps."

"At first, I had a hard time understanding and interrupting his movement."

"Savion Glover's purpose is to cross all racial and ethical barriers with his dance."

## FINALLY THIS WEEK

I would like to wish all children a happy Halloween, if you are going trick or treating I hope you will have lots of loot to share with your friends and I hope you enjoy all the traditional games.

For the adults among you please consider the harm you are doing before letting off fireworks, you are terrifying babies, small children and the elderly – especially those living alone. You are also terrifying, injuring and probably killing birds and animals.

Pet owners keep your pets company if possible, if you have to leave them alone keep curtains drawn after dark and leave a TV or Radio switched on; keep them in a room away from the front door in case they slip out while you are answering the door and make sure all pets have identification in case they do escape, if you are having a party be sure to place all food and drink out of your pets reach both during and after the celebration.

## A WORD OF VICTORY

Welcome back dear reader people wonder where do all the evil things on this earth come from? Horrible diseases are rampant with hospitals unable to cope with the volumes of sick people who need help. Menacing threats of violence and wars, broken relationships... how can this be? The Bible tells us that God is good and that He created everything - so does this mean that God created all the bad things as well? The truth is God is not the author of these terrible things. When God created this world He created man to take care of it and everything was great. However, when Adam listened to Satan and rebelled against God he effectively allowed the Devil to take control of our environment and because of Adam's sin of disobedience God had to stand back. Through that sin, sickness, disease, death and every evil thing (all satanic in nature) became the order of the day. God promised Adam and Eve that He would send someone who would crush the Devil's head, who would remove the illegal authority Satan had over mankind and who would return this authority back to the human race. The One God sent is Jesus the Christ (the Messiah) the Lamb of God Who takes away the sins of the world. It's in the power of the name of Jesus that Satan has to bow before and flee. Jesus taught us through His ministry on how to deal with the demonic realm and bring forth the Kingdom of God and the will of God onto this Earth instead of Satan's plan. Friend - there is no sickness in Heaven, no cancers, no fear, no war - only peace and joy. That's what Jesus meant when He said 'Thy Kingdom come thy will be done on Earth as it is in Heaven' (Matthew 6:10). Everyone who accepts Jesus as Lord is given that power and is called to bring this about. More next week....

## ST THERESE

O glorious Saint Therese, whom Almighty God has raised up to aid and counsel mankind, I implore your Miraculous Intercession.

So powerful are you in obtaining every need of body and soul our Holy Mother Church proclaims you a "Prodigy of Miracles...the Greatest Saint of Modern Times." Now I fervently beseech you to answer my petition (mention here) and to carry out your promises of spending Heaven doing good upon the earth... of letting fall from Heaven a Shower of Roses. Henceforth, dear Little Flower, I will fulfil your plea "to be made known everywhere" and I will never cease to lead others to Jesus through you.

Amen. Say the above for 9 days and you will receive a flower or a rose in some form during or after 9 days as an indication that your request will be granted.

## NOVENA TO THE SACRED HEART

Dear Heart of Jesus in the past I have asked for many favours. This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your heart where your Father sees it. Then in his merciful eyes it will become your favor not mine. Amen. Say this prayer three times for three days and your favour will be granted. Never known to fail. Must promise publication of prayer. **S.M.**

## NOVENA TO THE SACRED HEART

You have said O'Divine

Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted. Never know to fail. Must publish. **L.M.**
