EDITOR'S NOTE

Aisling Crosbie | EDITOR

It certainly beginning to "Look a lot like Christmas" in the town of Killarney. Last Saturday saw the biggest parade to date take place with thousands lining the streets as Santa turned on the lights to herald the beginning of "Christmas

In Killarney". A bench has been unveiled to remember Amy O'Connor the day before her beloved Dr. Crokes powered on to the next stage of the All Ireland Club Championships when they overcame Milltown Malbay.

A local dancing group is celebrating All Ireland Success, Killarney Rugby Club are on a winning streak and four lifelong friends have hung up their nursing hats. All this and so much more in this week's Killarney Outlook – Out first every Friday!

IF YOU HAVE A STORY...

FRIENDS BID FAREWELL TO THEIR NURSING CAREERS

After many years of service with the Kerry Mental Health Service, four Nursing friends came together to bid farewell to their nursing careers in which they dedicated their lives to hard work and great service.

Maria O'Sullivan and Eilish Coakley both from Rathmore, Mary Myers of Furies and Marian Favier of Glenflesk were joined by current and past work colleagues for a night of chat, songs and reminiscing at The Shire Bar, Killarney.

Marie, Mary & Marian began their Nursing Careers as students at the school of nursing

at St Finans Hospital in Killarney which is now closed. Meanwhile Eilish commenced her nurse training at St James Hospital Dublin and later transferred to Kerry Mental Health Services.

Over the years the four nurses have worked in a wide variety of roles in different areas covering all of the county of Kerry. However they all finished up working in the Killarney sector.

The ladies have witnessed numerous developments and changes in the Mental Health Services including the move from institutional care to Community Care. This led

to the eventual closure of the last unit at St Finans Hospital, Killarney in 2017.

They all feel extremely privileged and honoured to have worked in the Mental Health Services and thoroughly enjoyed their careers as nurses. The ladies are now looking forward to retirement and finally getting the opportunities to do things that they never had time for including travel, gardening, pantomime and spending time with their families and grandchildren.

SIT AND REMEMBER AMY...

Friends and neighbours of Amy O'Connor gathered to unveil a bench in her memory on Saturday last at Whitebridge Manor.

The inspirational young girl lost her battle with cancer last February and the residents of the estate where Amy grew up decided to erect a bench where people could sit and remember Amy.

Amy who had a huge passion for sport including her beloved Dr. Crokes GAA Club was involved in four clubs including Killarney Celtic, Killarney Valley AC and St. Paul's Basketball Club.

All four clubs were represented on the day and four teddies were kitted out in club colours on the bench which was painted white at the request of Brendan and Triona, Amy's parents.

A huge turn out in Whitebridge in memory of the late Amy O'Connor who's friends Laura Cremins (front left) & Eimear Talbot (front right) cut the ribbon with the residents committee and Amy's parents Brendan & Triona O'Connor. **PICTURE MARIE: CARROLL-O'SULLIVAN**

Killarney welcomes news of a €1 MILLION ALLOCATION

A round of applause and a loud cheer greeted Minister of State for Tourism and Sport, Brendan Griffin when he arrived at the Plaza Hotel in Killarney on Monday morning.

Representatives from business, tourism and political sectors of the community were on hand to hear the news of a €1 million allocation to Killarney for Smarter Travel as part of the Urban Regeneration and Development Fund. Minister Griffin said: "I am delighted the towns of Tralee and Killarney have been included among the first funding allocations under the Urban Regeneration and Development Fund. "I want to thank everyone involved in the successful application. This project will improve Killarney and enhance the quality of life for the entire area.

"This fund will run until 2027, with a second call for proposals in 2019, so it is important to stress that there will be further opportunity to re-apply for future funding calls.

"Project Ireland 2040 demonstrates a new approach to planning and development in Ireland, recognising that we cannot continue with a 'business as usual' approach," Minister Griffin said.

Welcoming the news, Cathaoirleach for the Killarney Municipal Area, John Sheahan told the Killarney Outlook that he was over the moon with the news. "I am absolutely delighted with the announcement, the money will be put to very good use and I look forward to seeing the works commence", he said Killarney Chamber of Tourism and Commerce has also welcomed the announcement.

"Our Chamber has been consistently highlighting the growing problem of traffic congestion in the Killarney area and the

impact it is having on the Killarney brand. The 'TEIR One' Report, commissioned by the Chamber, found that congestion is a major concern for visitors and is impacting on the visitor experience", "Chamber President, Paul O'Neill The Chamber has, in recent months, campaigned for the inclusion of Killarney projects in the Government's Urban Regeneration and Development Fund and we welcome the allocation of €1.1 million in today's first round of funding. This is an important first step in tackling the congestion problem and will allow a number of important short-term projects to progress.

"Kerry County Council are to be commended for their diligent work and submitting the successful application."

The Chamber thanks Minister Brendan Griffin for his support for these projects, and for other important projects, including the access to Tomies Wood, funding for which he announced last week.

The Chamber will continue to campaign for the infrastructural improvements that are urgently needed if Killarney is to achieve its potential to grow visitor numbers by 30% by 2025."

The Brehon Christmas Tree lights up for St. Vincent de Paul

The magical Christmas Tree at The Brehon will once again be the centre of attention at the annual party in aid of St Vincent de Paul which takes place on Sunday, December 2 at 4.30pm. Children big and small are invited to attend The Brehon Christmas Tree Party to meet Santa and to see the giant tree. The Gleneagle Concert Band and The Presentation School Choir will perform all your favourite Christmas carols and tunes. There will be tasty treats, hot chocolate, mulled wine for Mom and Dad and lots of surprises in store.

The Brehon Christmas Tree party is organised in aid of St Vincent De Paul and anyone who wishes to donate to this worthy cause can bring new or unused toys to The Brehon on December 2 or make a cash donation on the day.

Maura claims IHF Employee of the Year Award

Champagne corks popped when the news that Aghadoe Heights Hotel & Spa employee Maura Casey had won the IHF Kerry Branch Employee of the Year award.

For over fourteen years, Maura has been welcoming guests to the stylish Heights Lounge and Piano Bar and while her infectious smile and warm hospitality is known across the world, she also remains a firm favourite amongst the locals too.

Maura's hard work and dedication to the hospitality industry was formally recognised on Tuesday 20th November at a prestigious awards lunch organised by the Kerry branch of the Irish Hotels Federation. Taking the lime light, Maura was presented with the IHF Kerry Branch Employee of

the Year award, presented by IHF Kerry Branch Chairperson, Niamh O'Shea.

When asked what the award means to her, the ever-humble Lounge Supervisor replied, "I just love what I do. I wasn't trying to win anything but of course it's a fabulous honour and I'm delighted. I love making people feel happy. Life can be hard and everybody needs a little pick me up and that's what our team does best. We make people feel special."

"We are over the moon for Maura and so proud that her skills have been recognised at such a high level. She is an absolute asset to the business and we feel honoured to have her as part of the Aghadoe team." Commented General Manager, Niall Coffey.

Christmas all wrapped up at KCC

Killarney Community College is holding its annual Christmas Craft fair this Sunday 2nd December from 11am to 5pm. Free parking and free admission. We have some amazing food hampers for raffle again this year. Tickets can be purchased on the day.

This is the third year of the fair and it has become an important shopping date in the run up to Christmas. There are over 50 professional vendors signed up again to sell their products on the day, with an array of goods; art, crafts, skincare products, with prices to suit every pocket. Some of our own students have joined

us this year selling their crafts, as part of their business studies and Transition Year project. This year's funds will go towards building a bike shelter to encourage cycling to school as part of our commitment to a greener school.

Each year we have been supported by local councillors, TD's, Ministers and the Lord Mayor, who have been impressed with the products on offer and have purchased their Christmas presents. We expect to see them again this year. Come along and enjoy a beautiful Christmas craft fair with a festive atmosphere.

Update requested on dangerous junctions

At the November 2018 monthly meeting of Killarney Municipal Area, Councillor Michael Gleeson asked "That Kerry County Council would provide an update on the progress being made towards solving the problems and dangers associated with the Coolcoslough and Ballycaseen junctions with the N22". At the meeting Kerry County Council replied that a feasibility report has

issued to the TII in relation to these 2 junctions. The potential solutions will be further developed in 2019 in consultation with the TII. It is envisaged that an integrated solution for both junctions together with the section of the N22 from Lissivigeen Roundabout to Park Road Roundabout will be developed incorporating Speed Limit changes at the location. The proposals once developed and appraised will

be issued to TII for funding approval in Q3/ Q4 of 2019. Kerry County Council have just informed me [28th November] that a senior engineer has been appointed to investigate the problems being experienced at these junctions and to devise acceptable and safe solutions. This development is very much to be welcomed and may result in new traffic flow designs being put in place earlier than had been anticipated."

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY SHOULD YOU REVIEW YOUR PENSION?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that that you review your pension regularly. You may or may not be contributing to your pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in and when can you access your pension. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you the income you need at retirement. So whether you are currently contributing to a pension, have a pension that you paid into in the past or had a pension from previous employment it is very important that your pension is reviewed by a pension advisor regularly.

To discuss this or any other financial matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

Killarney Access Group welcomes launch of new strategy for Killarney to become Irelands leading Accessible Tourism Destination

A Chara,

The members of Killarney Access Group are delighted to be associated with the recently launched Killarney Accessible Tourism Initiative – to make Killarney a leading accessible tourism destination for all, which was launched by Killarney Chamber of Tourism and Commerce recently. Killarney Access Group which meets on a monthly basis in Kerry Cheshire, liaises with Killarney Municipal District Council on the many access issues that arise within the Killarney area and we wish to acknowledge their support and commitment to our group.

We have been to the fore in ensuring that where possible all new developments within the town are fully accessible, i.e. when footpaths are being upgraded, we liaise with the Council to ensure that they are designed and laid using best practice guidelines and we've secured additional disabled parking spaces in town. We are delighted that the new toilets in the High Street carpark have been upgraded and are now fully accessible for everyone including wheelchair users. Pedestrian crossing have been installed and improved and dish kerbs provided for ease of access. A whole lot has been done here in Killarney over the years to make it more accessible for everyone, but much more needs to be done.

With this new initiative Killarney an Accessible Tourism Destination For All, we hope that further improvements can be addressed, we only have 1 wheelchair accessible taxi in Killarney. Too many people are abusing the disabled parking bays in town, using the Disabled Parking Permit when the person that this permit belongs to is not travelling in the car, our bus and train station are side by side yet a person has to walk a considerable distance if they need to get from the train to the bus station.

People continuously parking on footpaths blocking access for pedestrians is another huge problem here in Killarney as are the wheelie bins which block the footpaths and disabled parking spaces throughout the town and indeed also the many bicycles tied to lampposts and railing everywhere. Street furniture and signage creates so many obstacles for people with visual impairment and wheelchair users also, the list is endless but "Killarney an Accessible Tourism Destination For All" is the start, it is far from the finished article and we look forward to working with the various groups to achieve this goal.

*Kind regards
Mary O Shea*

DEDICATED LYME DISEASE CENTRE OPENS

Lyme Disease centre a positive step - Ní Riada

Sinn Féin MEP Liadh Ní Riada has welcomed the opening of Ireland's first dedicated Lyme Disease resource centre.

The Ireland South MEP was speaking at the launch of the Lyme Resource Centre, which will be housed at the Mater Hospital/UCD Catherine McCauley Educational and Research Centre.

The function of the centre will be to advance the understanding of tick borne infections across Ireland, north and south, and the European Union as a whole.

"I'm delighted to see the opening of this dedicated and much needed facility," she said.

"Despite Lyme Disease being the most common zoonotic disease in Europe, with the numbers of those affected by it increasing rapidly, there is much that is misunderstood about it, even within the medical community.

"Even the basic classification of the disease is a point of contention, with both the HSE and HSPC classifying it as a skin disease but more recent research describing it as a multi-organ inflammatory disorder or autoimmune disorder.

"Lyme disease can have a horrendously debilitating effect on people and I have been working with advocacy groups for some time now to raise awareness of the dangers of it and the simple measures both individuals and the government can take to limit its spread.

"Indeed, in September I raised the issue in the European Parliament and recommended member states work together to exchange best practices for fighting the disease and to raise general awareness of it.

"I have the greatest faith in Dr. Jack Lambert, who will head up the new centre and I trust that this will be the beginning of the end for Lyme disease in Ireland."

Letter to the EDITOR

A Chara,

I wish to announce my intention not to contest the local elections due to be held in May of next year.

It is a decision that I have not taken lightly. As a community activist and disability rights campaigner, the natural progression is to step into the political arena. 35 years have passed since my serious spinal injury as a teenager. With the passing of time and the complications of my injuries daily tasks and routines are physically now more challenging. Knocking on as many doors as possible, meeting and greeting the constituents is a requisite to seeking election to office. Unfortunately I would struggle to fully commit to the rigors and physical demands of a active canvas for a seat in the Killarney local electoral area. I look back with a sense of pride and accomplishment of my time as a elected public representative. I have enormous respect for the many volunteers that I have met and the wonderful work that they do. During previous terms as a elected public representative, I was afford the great honor to serve as Mayor. During this period I had the casting vote to ensure the construction of the Killarney sport and leisure centre. In the council chambers I contentiously highlighted the importance of the need for Ireland to ratify the United nations convention on the rights of people with disabilities and also the full recognition of the Irish sign for the deaf community.

I would like to take this opportunity to thank all those at a national and local level for their support in my political career. To my various elections teams and canvassers since my first successful election in 1994, I am eternally grateful for your commitment and friendship.

It is my intention to remain a active member of the Fianna Fáil party. I am encouraged by the recent return of the party to its core republican principals of social justice, inclusivity and the creation of a fairer and more caring society.

I wish all the candidates aspiring to greater things for our communities the very best in to the future.

Keeping the conversation going....

Seminar planned to highlight campaign

The 16 Days Campaign Opposing Violence against Women is an annual event and runs from the 25th November to 10th December. It is an international campaign that started in 1991 and is an important opportunity to raise awareness and call for changes at an international, national and local level to make women and children safe from abuse.

With this in mind representatives from the following organisations came together to organise a seminar on Sexual & Domestic Violence - (Adapt Kerry/HSE/Tralee International Resource Centre/South West Kerry Womens Association/North/East & West Kerry Development & Kerry Rape & Sexual Abuse Centre).

The Seminar- "Keeping the Conversation Going" will be held in the Manor Hotel Tralee on Thursday 6th Dec. There is no cost as funding has been secured through Social Inclusion and Community Activation Programme (SICAP), but registration

is necessary. This seminar will put sexual and domestic violence on the agenda, challenge victim blaming and send a clear message that survivors will be believed. Speakers include the Kavanagh sisters who have written books about their own experiences of Childhood abuse and other speakers who will highlight women and children's experiences of abuse and what needs to change to increase safety and protection in Irish Society.

Now, more than ever, women experiencing domestic, relationship and sexual abuse need our support and need to know that we believe them. We will be encouraging all delegates to wear a Believe Survivors Purple ribbon to show you stand with women during the 16 Days campaign. You can register by email at the following address - tokeeptheconversationgoing@gmail.com

"We can't do great things but we can do small things with great love" ~ Anon

Killarney Outlook photographer Marie Carroll KO'Sullivan has once again held a photoshoot for the Jack & Jill Foundation.

This year Marie photographed families at The International hotel, many of whom will use the prints as their Christmas cards.

Marie was helped on the day by Colette O'Shea, who herself was a recipient of the Jack & Jill services for her son Sean who grew his angel wings seven years ago.

Marie's day photographing families was also in memory of two other special children, Baby Molly Ashe from Killarney and Baby Éanna Coffey from Valentia Island

Both children were cared for by nurses from the Jack & Jill Foundation and Marie's contribution of €700 to the fund is the equivalent of providing seven eight hour shifts to the charity. "I was delighted to be able to do this again this year", Marie told the Killarney Outlook. "Not only had I the pleasure of photographing so many families but also able to make a contribution to the Jack & Jill Foundation.

Marie would like to thank the International Hotel for their generosity in providing the location on the day and everyone who availed of the offer.

Santa's Back at The Killarney Outlet Centre!

The famous man in the red suit will be taking up residence there during the first three weekends of December on Saturdays and Sundays.

For these three weekends families can visit Santa in his Winter Log Cabin on the ground floor of the Outlet Centre. It all commences this weekend on Saturday 1st and Sunday 2nd and will continue on December 8th and 9th and December 15th and 16th from 1.00 pm to 6.00 pm each day.

Every family will receive their own 5" x 7" souvenir photograph of their visit with the big man himself, and all the lucky boys and girls will take home a special Christmas parcel from Santa.

Santa says he is "really looking forward to meeting all the little boys and girls again this year in Killarney Outlet Centre."

In the run up to Christmas, shoppers can enjoy the festive season, warm indoors, soaking up the atmosphere of the Christmas sounds and sights, all under one roof at the Killarney Outlet Centre, where everyone can enjoy a shopping experience that is different to the rest!

Once the kids have seen Santa, shop-a-holics can shop til they drop with lots of Christmas bargains from the great range of shops in the centre.

Dancing School celebrates amazing success

Dancers & Teachers from the Aine Murphy Dance Academy

The Gneeveguilla based, Aine Murphy Academy of Irish Dancing, are catching their breath after an amazing few days at the 50th Anniversary of Oireachtas Rince na Mumhan which took place last weekend in the INEC. Dance teacher Aine and her crew which consisted of 23 solos dancers, 5 Ceili Teams and their Charity Adult team, took to the stage in the INEC over the 4 days where they won two solo championships with Saoirse Clifford at under 12 level and Sean Slemmon at under 16. Their under 12 girls' ceili team triumphed again this year and 14 of their dancers made the podium. Not only that, 14 dancers also qualified to compete at the world championships in Greensboro, North Carolina next Easter! Not forgetting their fabulous adult team who were joint winners of the Charity Ceili and in the process

received a cheque for €400 which they will present to the Kerry Branch of Cystic Fibrosis in the coming weeks. Dance teacher Aine said "So proud to be a teacher in such a fab region and congrats to all the organisers for running such a fantastic event. None of this would be possible were it not for the help and support of so many people, Mary, Shona & Evelyn for all their help teaching, Sharon Taylor for her amazing work and support, all the parents in the school for their unending support and most importantly the hard work put in from the dancers themselves." Their 4 other teams were all in the top 5 with both the Mixed Under 12 and the Senior Teams both coming 2nd. Congratulations to all their winners, and best of luck for next year's World Championships!

GAEILGEOIRÍ ÁIRNE

Students in St Brigid's Secondary School are using social media to make learning Irish fun for everyone. Irish teacher Sinéad Collins and her 4 Red Transition Year students have started an Irish blog aimed at students, parents of students or anyone interested in learning the cúpla focail. As this year is 'Bliain na Gaeilge', they thought it would be beneficial to change the outlook people have of the Irish language and try and reach people in a fun way by using social media which plays a pivotal role in the lives of young

people today. In just 3 short months they have produced 90 different posts and accumulated almost 600 followers. They are on Instagram @ gaeilgeoiri_airne; They came up with the name Gaeilgeoiri as it represents Irish speakers at all levels and Áirne represents Cill Áirne; their hometown! They really do include something for everyone including Grammar, Seanfhocail, Vocab, jokes, local and national geography, exam tips and any school events All as Gaeilge! Their memes are very clever, go give them a follow!

Students look for help for BT Project

Ria Buckley and Hannah Keane, who are looking for volunteers for their study.

Two students from Millstreet Community School in Co. Cork are preparing a project for the BT Young Scientists Exhibition project titled "The effects of psoriasis on adolescent mental health 2018" are are looking for the public to be involved.

Psoriasis is a common skin condition that speeds up the life cycle of skin cells and causes them to build up rapidly on the surface of the skin. It affects 100,000 people, or two to four percent of the population in Ireland. The skin cells form scales and red patches which are typically dry, itchy and sometimes painful. The patches can come and go over the course of a few days, last a month and sometimes even go into complete remission. Psoriasis can affect any part of the skin surface, but most commonly involves the elbows, knees, scalp, and the lower back. There is no cure for psoriasis, but you can manage symptoms with various treatments like steroid creams, ultraviolet

light and immune system suppressing medications, such as methotrexate. About seventy-five percent of cases can be managed with creams alone.

Psoriasis is a condition which tends to run in families. Men and women are affected with equal frequency and it may begin at any age. Psoriasis is not contagious, infectious or the result of poor hygiene.

Aside from other medical complications, psoriasis can cause anxiety or depression especially in teenagers. Fake tan, make-up and adopting current fashion trends especially for female sufferers are real issues. Feeling isolated, fear of being ridiculed and being unable to join in with simple activities such as swimming all contribute to negative well being.

If you are an adolescent and suffering from psoriasis and would be willing to fill out a survey, you can contact us at riabuckley25@gmail.com .

Soroptimists hold Public Speaking Competition

The Soroptimist International Killarney District held a Girl's Public Speaking Competition last week at the Gleneagle Hotel in Killarney. Pupils from St Brigid's Presentation – Shannon Toner, Treasa O'Sullivan, Shauna White, Eimear Talbot, Hollie Power, Laura Looney, Lauren Hogan and Ciara Faulds took part in the competition along with girls from Mercy Mounthawk Tralee, Colaiste Na Sceilge Caherciveen, and the Intermediate School in Killorglin. Topics they had to speak about included; human rights, health, the environment, democracy, empowerment of women, education and friendship & volunteering. There was a great standard in the competition and the winners were Katie Crowe from Mercy Mounthawk Tralee who spoke about Democracy and in second place was Niamh McMahon of Mercy Mounthawk Tralee, who also spoke about democracy. The reserve was Isabel Williams Intermediate Secondary School Killorglin who spoke about Empowerment of women. These winners will now go forward to the regional heat in Clonmel which will take place on 26 January 2019.

Soroptimist International is a worldwide volunteer service organisation for business and professional women and they have been running the Public Speaking Competition for Secondary School Students since 1981. The competition serves to encourage young girls to play a more prominent part in public life, to improve their communication skills, to encourage girls to develop skills of speaking effectively and articulately and to develop their self-confidence. The national final of the competition will take place on Sunday 10th March at 2pm in the K Club, Straffan, Co. Kildare.

Kelleher happy to deliver for Rathmore

Cllr Niall Kelleher has confirmed that a contractor has been appointed and works will soon commence on the redevelopment of Rathmore town.

He said it marks the culmination of many years of representations since he was elected in 2014 and initiated a campaign for a €1 million investment for the area.

In a public statement issued after his election four years ago, Cllr Kelleher pointed out that thousands of euros in development levies and rates had been collected in Rathmore but the town remained in the dark ages when it came to infrastructural developments.

Cllr Niall Kelleher.

Now, at last, he said local businesses and residents have something to celebrate as an exciting phase in the

enhancement of the proud community gets underway.

"Others have huffed and puffed over the years but I'm delighted to be able to deliver for my own community in ensuring that our gateway town is at its best and a patch blanket approach is no longer in evidence," he said.

Cllr Kelleher has been instrumental in working with Rathmore Community Council to identify the funding sources to ensure that the town is re-developed in a carefully choreographed and sustainable manner.

Funds have been secured from Transport Infrastructure Ireland, the Town and Village Renewal

Scheme, Clár and the Community Support Fund. its also hoped to secure Leader funding in the coming weeks.

Brian Kelly, Chairman of Rathmore Community Council, remarked: "Cllr Kelleher he has been with us on many long nights, filling application forms and helping make our community better place to live and for that we are eternally grateful".

Cllr Kelleher concluded by thanking Kerry County Council engineers David Doyle, Paul Neary, John Ahern and Brendan Mulhern as well as the local Community Council and the executive of Kerry County Council.

PARKING DEVELOPMENT PROGRAMME REQUESTED

At the November 2018 monthly meeting of Killarney Municipal District, Councillor Michael Gleeson asked : "That Kerry County Council calls on the NPWS to formulate a multi-annual (suggested 5 years) programme of Parking Development along the N71 to facilitate the many, many people who wish to access the hills, walkways and lake shore of this magnificent setting. This parking to include quality bicycle parking bays". Kerry County

Council replied that the Municipal District has applied to the Department of Rural and Community Development under the outdoor Recreation Infrastructure Scheme for a grant to improve accessibility to the trails along the Kenmare Road. This application has the support of the NPWS. The Municipal District is meeting with the NPWS in the coming weeks and a long term programme will be discussed. Councillor Gleeson welcomed the reply but

stated that safe parking areas were urgently needed on the main road between Torc Waterfall and Dinis entrance. The prevailing situation is very unsatisfactory and at times dangerous as people are forced to park along the side of quite a narrow road. Lack of safe parking also leads to disappointment for people who often drive long distances to hike and walk in these beautiful locations.

QUESTION

I am planning to get married and need my birth certificate to give notice. I can't find it. How and where do I get a new one?

ANSWER

If you plan to get married in Ireland, you must give 3 months' notice. To do this, you need to book a marriage notification appointment at a civil registration service. You need to bring certain documents with you to this appointment, including a full standard birth certificate and a copy of this certificate.

You can apply for a birth, marriage or death certificate, or copies of these certificates, online, by email, by post or in person at a civil registration office or the General Register Office. There is a €20 fee for issuing birth, marriage and death certificates. There is a €4 fee for each photocopy requested (however, you can make copies of certificates yourself).

You can apply for a birth, marriage or death certificate online at lifeevents.hse.ie. You can also apply in person to any civil registration service. Contact details for civil registration services are on hse.ie.

If you wish to apply by post, you should complete an Application for certificate of Birth/Death/Marriage/Adoption/Civil Partnership (available online and at civil registration service offices) and send it to the Office of the Registrar General, Government Offices, Convent Road, Roscommon.

To apply for a certificate by email, you will need to download an Email Application for certificate of Birth/Death/Marriage/Adoption/Civil Partnership, complete the required details and email the form to GROonlinepayments@groireland.ie. When the General Register Office receives your email application, it will email you a secure payment link, allowing you to pay the fee using a debit or credit card. Certificates are printed on secure paper and must be posted.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

Christmas Slimdown

HERE ARE MY TOP TIPS FOR SUCCESS.

DON'T STARVE YOURSELF- Under eating causes mood swings, sugar cravings, increased cortisol levels, plays havoc with your hormones, & will not long term give you sustainable weight loss. Going hungry often leads to binge eating so be warned.

AVOID TOO MANY SNACK AND NOT ENOUGH MEALS- Skipping meals and snacking all day is a sure way to tot up a massive amount of calories throughout the day and never actually satisfy yourself. Where as you main meals cooked with a variety of veg, protein and carb portion controlled will have far less calories than multitude of snacks your having to pack away. Plus the meals will fill you so you may not even need any snacks. Breakfast, lunch, and dinner are the very minimum meal times that should be stuck to and enjoyed.

AVOID TAKEAWAYS- You can treat yourself at Christmas to one

PLAN AHEAD:

Plan what drink you are going to drink and how many.

Know what you are going to order from menu, phone ahead or check out the menu online.

2 x course max. Stay away from desert

Stay clear of Bread basket and chips on sides

Portion control with carbs (Fist size), choose meals high protein and loaded with Veg (eg steak and veg, or chicken with veg)

WE ARE HOSTING A CHRISTMAS SLIMDOWN LEADING UP TO CHRISTMAS WHERE WE HAVE WEEKLY WEIGH INS AND AN ONLINE SUPPORT GROUP WITH LOADS OF TIPS, ADVICE, VIDEOS, & EVEN A MEAL PLANNER DONE FOR YOU TO START WITH. ALL ENQUIRIES CONTACT EDELE ON 087-7643449

Glittery lips

Nothing says Christmas like glitter, and slathering some sparkly goodness on your pout will definitely bring you some Christmas cheer this year. To master the look, line your lips with a light coloured lip pencil and add foundation to the corners of your mouth. Then apply a creamy lipstick using a lip brush before using a flat brush to add on your glitter. You can finish with a gloss. To glam up your lips even more add some clear lip gloss. The one thing to bear in mind if you're considering having glittery lips for a Christmas do is that drinking, eating and kissing may be off limits; so weigh up your priorities before donning a glitter pout.

What you resist, persists!

Resistance shows us where we most need to change. And as the above title for this piece suggests, what we keep resisting in our lives will keep persisting in our lives. When we resist anything we move into an energy of struggle. Effectively we are saying "I don't want this, or something should be different in some way." However, life is life. It brings us an array of experiences in hundreds of different ways. And whilst we cannot change what has happened in our life, we can change how we respond to what has happened. We can create good out of something negative, we can find joy in sorrow and we can experience great learning from great difficulties.

The most powerful tool you can use to combat resistance is acceptance. Acceptance doesn't mean that we like or approve of what has happened but it does mean we can accept the fact that it has. Acceptance immediately puts you into a place of power because it allows you to drop the struggle. When you stop struggling you relax. When you relax, you can think more clearly. When you think more clearly, you make better choices. And when you make better choices you feel better. When you feel better you heal and grow.

Variety / Comedy events with other groups in the area: more details to follow! Please spread the word. Mr. Liam Flynn outlined a proposal which would very much enhance our town over the Christmas period. Unfortunately the proposal would involve significant expenditure in year one but not quite as costly in year two and subsequent years. Year one brackets would cost €50, trees are €15 and lights €22, putting up and taking down €40. Initial cost of €120. For those who already have brackets, trees and lights can be supplied for €70. He has agreed to leave prices as last year. While we feel that it is not easy for people to find money for everything in these times we feel that this is a project worth recommending

but it is up to people themselves. If you are interested please ring Liam on (087)638 0053 or (029)70397, Michael O'Mahony 0876676817, or any member of Rathmore Community Council. **RATHMORE/GNEEVEGUILLA GUN CLUB** who donated the funds from their annual 1st of November meeting to Gneeveguilla Basketball Club. MUNSTER CLUB FINAL

Played in Gaelic Grounds, Limerick on Sunday 25th of November

It was always said that "Tosac Maith Leath na hOibre". This could be applied to us as we had a great first quarter and led by 1-6 to nil just before the end of this period. Our opponents came very much into the game at the start of the second quarter. They scored 1-2 to our 0-1 in the first five minutes of this second fifteen minutes, their goal in the 19th minute bringing them back into the game and just five points in arrears. We had the better of things in the next ten minutes, outscoring Milltown Malbay by three points to two. This gave us an interval lead of 1-10 to 1-4. We were on top again in the first ten minutes of the second half. We sent over four points to our opponents one. This put us nine points clear,

1-14 to 1-5. The teams exchanged points on two occasions before the end of the third quarter. Milltown Malbay had a point at the start of the third quarter but three points without reply gave us a 1-19 to 1-8 lead as we entered the last five minutes. A Milltown Malbay point followed by two from us left us twelve points clear as we went into injury time. Just before the final whistle our opponents deservedly got a goal as they fought right up to the end even though they seemed to be fighting a losing battle as we entered the last quarter of the game.

Our mentors would have been happy to an extent with our display from their kick outs we often only marked space and allowed their goalkeeper to find one of his defenders unmarked out on the wing. This enabled our opponenets to start attacks from these positions and put us in the back foot.

Team and Scorers: Shane Murphy 0-1(45), John Payne (Capt), Mike Moloney, Fionn Fitzgerald, David O'Leary, Gavin White, Shane Doolan, Johnny Buckley 0-1, Daithi Casey 0-3 (0-2 frees), Micheal Burns 0-2, Gavin O'Shea 0-1, Brian Looney 0-2, David Shaw 1-0, Kieran O'Leary 0-2, Tony Brosnan 0-8 (0-4 frees).

Subs: Michael Potts, Colm Cooper, Alan O'Sullivan, Jordan Kiely 0-1, David Naughton, Brian Fitzgerald.

BILL TANGNEY CUP FINAL IN KILCUMMIN

Referee: Brendan Brosnan Glenflesk

Spa 0-12 Scartaglen 2-9

Scartaglen pulled off a great win against a very impressive Spa to claim the East Kerry Bill Tangney Cup title. It took Scartaglen eleven minutes to register the first score of the match, quickly added another before Spa slotted over their first score after fifteen minutes. Both teams played great football with evenly matched players throughout the pitch. Midfielders for both teams were outstanding. Scart's wing forward Brian Hanrahan scored the first goal after receiving a great pass from Hugh O'Connor. However, Spa were very unlucky not to score a goal but the defence were solid and very hard to penetrate their blanket defence. Spa's Corey Doyle penalised the opposition every time with great free taking. Scartaglen's forward line were constantly pushing up on Spa and forced them to give up frees. It was anyone's game going into the second half Spa 0-4 Scartaglen 1-5.

On resumption of the second half, Spa fought hard to narrow the scoreline and with the introduction of Eoin Fitzgerald, turned the game around in their favour to actually lead at one stage. However, Scartaglen weren't going to give up this title and a brilliant catch by Kieran Herlihy in Spa's goalmouth and passed to the oncoming Pa Rahilly who hand passed it over the bar to take the lead again. The turning point of the game was when Shay Walsh kicked a long ball and dropped in over the head of Spa's goalkeeper, Conor Kerins. Spa never gave up with great scores from David Spillane, Conor

Gleeson and Mikey Moynihan. Scartaglen ran out winners with great scores from Padraig Reidy and Brian Hanrahan and finished their year with the bragging rights to claim the Bill Tangney Cup. Johnny Brosnan chairman of East Kerry Board prenatend Get O'Connor scartaglin with Bill Tangney cup after game.

Spa played well with great play from Niall O Mahony, Hugh O Donoghue, Mike McCarthy, Corey Doyle and Brian Devane. Scartaglen had great team work from Shay Walsh, Kieran Herlihy, Pa Rahilly, Sean Horan, Padraig Reidy, Hugh O Connor and Tom Forde.

Munster Title NUMBER EIGHT for DR CROKES

DR CROKES 1-21 | ST JOSEPH'S MILLTOWN MALBAY 2-9

Dr Crokes wrapped up their eighth Munster club SFC crown last Sunday with a comfortable nine point win over Clare champions St Joseph's Milltown-Malbay.

The victory puts them on course for a meeting with Leinster champions either Kilmacud Crokes of Dublin or surprise package St. Columbas of Mullinalaghta.

The Killarney started this contest on fire and were 1-6 to 0-2 ahead after the first quarter, in which David Shaw struck for Pat O'Shea's only goal.

With Gavin O'Shea point in the second minute was quickly followed by a David Shaw goal as Kieran O'Leary's delivery into the danger area evaded a number of players on both sides. Daithí Casey, goalkeeper Shane Murphy ('45) and Tony Brosnan (0-2) swelled the favourites' tally as Milltown-Malbay appeared headed for the longest of afternoons. The Clare side who were appearing in their first Munster senior club final cut the deficit to just five at one stage during the first half when Oisín Looney goalied to make it 1-7 to 1-2 but in truth it was

as close as they were going to get.

At the break Crokes led 1-10 to 1-4 and they resumed control of the second half with four early points. The Clare side refused to throw in the towel and despite the arrival of fresh troops in the faces of Michael Potts, Colm Cooper, Jordan Kiely and Brian Fitzgerald to bolster the attack, they kept plugging away and were awarded with a late Darragh McDonagh goal.

Dr. Crokes: Shane Murphy (0-01, 0-01'45); John Payne, Michael Moloney, Fionn Fitzgerald; David O'Leary, Gavin White, Shane Doolan; Johnny Buckley (0-01), Daithí Casey (0-03, 0-02f); Micheál Burns (0-02), Gavin O'Shea (0-01), Brian Looney (0-02); Tony Brosnan (0-07, 0-05f), Kieran O'Leary (0-02), David Shaw (1-01)

Subs: Michael Potts for Doolan (39), Colm Cooper for Looney (44), Alan O'Sullivan for Moloney (48), Jordan Kiely (0-01) for Shaw (49), David Naughton for D. O'Leary (55), Brian Fitzgerald for Burns (58)

Kilcummin are Munster Kings

KILCUMMIN 1-11 | FERMOY 1-3 BY DONAL BARRY

How fitting that former GAA President Sean Kelly was on hand to watch his native Kilcummin secure the Munster Intermediate crown with a deserved win over Fermoy at Mallow on Sunday.

Kelly was instrumental in opening Croke Park to clubs in 2003 and fifteen years later and now Kilcummin get the chance to compete in GAA Headquarters next February.

However before that, they will have plenty of football to tackle in 2019 but if their performance like that on Sunday, shows anything, it is that they are up for the battle.

In an overly defensive game, Kilcummin never really felt safe until Ian Devane put this injury time effort past Fermoy Keeper Liam Coleman. In many ways it was a deserving score that summed up the team effort, with a move that involved six Kilcummin players moving at pace which included a cheeky volley from Chris O'Leary to Damien O'Leary who deliver a perfect pass to Devane, who shook the net with

his shot.

It could well have been a little more difficult for them if Fermoy had converted their gilt-edge goal chances in a 12th minute penalty miss from Padraig Roche and it was Roche again who coughed up another glorious goal chance when William Maher took his goal bound shot off the line in the second half.

Still it was not all off target for Roche who did find the net on the third minute from the penalty spot

Noel Duggan had opened the scoring with a Kilcummin free and the Kerry side were level by the 16th minute as Duggan again and Matt Keane raise white flags.

Fermoy briefly restored their lead but Kilcummin were now find in their range with scores from Duggan, Keane and Kevin McCarthy giving them a 0-6 to 1-1 lead at the break. Keane was on target yet again on the resumption before Seán O'Leary gave the East Kerry side their biggest lead of the day.

A Ruairí O'Hagan free for Fermoy kept things tense before William Maher cleared Roche's shot off the line. It proved to be a turning point as Kilcummin driven on by Kerry player Kevin McCarthy, who played most of the game injured, finished strong with a flurry of late scores before Devane sealed the day with that late goal.

Scorers for Kilcummin: Noel Duggan (one free), Matt Keane 0-3 each, Ian Devane 1-0, Gary O'Leary, Philip Casey, Kieran Murphy, Kevin McCarthy, Seán O'Leary 0-1 each.

Kilcummin

Brendan Kealy, Philip Casey, Donal Maher, Daniel Moynihan, Seán O'Leary, Chris O'Leary, William Maher, Kevin Gorman, Kieran Murphy, Pádraig Nagle, Gary O'Leary, Shane McSweeney, Matt Keane, Kevin McCarthy, Noel Duggan

Subs: Kelvin Teahan for Nagle (HT), Ian Devane for Duggan (39), Daniel O'Leary for Philip Casey (58), Damien O'Leary for Gary O'Leary (60), John McCarthy for Kevin McCarthy (60)

Killarney Celtic's win the highlight but lots of late National Cup heartbreak. With St Brendan's Park 13's and 15's through to the Last 32 in the National Cups and into the Regional semi-finals it was the turn of the even age teams left in the competition to try and reach the same stage. In the Subway 14's National Cup Killarney Celtic were involved in a tight encounter at home to Tulla United and they came out on the right

Pictured at the Killarney Chamber of Tourism & Commerce / AIB Strategies for Life Performances evening with the Killarney Olympians in the GSH, Killarney were from left, Eddie Moroney, Fossa, Sam Griffin, Listry, Leo Healy, Listry, Mia Griffin, Listry and Allison Butler, Listry. side of a 2-1 win. The Clare side led 1-0 at half time but Eoghan Crowley brought the sides level early in the second period.

Just when it looked like the game would need extra time to find a winner Kelvin O'Sullivan proved to be the Celtic hero hitting a late late winner.

The Park went all the way to penalties in their game away to Kildimo. Normal and extra time could not separate the sides with the game ending 2-2. Venis Jahiri put the Tralee side ahead only for the home side to equalise just before full time.

The home side took the lead in extra time but credit to the Park as Odhran Ferris levelled matters and sent the game to penalties. Sadly for the Park with was the home side that won the spot kick lottery to progress.

Ennis Town and Listowel Celtic finished their game in Clare tied at 0-0 after normal time. The first period of extra time also say the sides remain scoreless but in the final ten minutes things went the way of the home side.

They took the lead from a cracking free kick with five minutes to go. Listowel Celtic had to chase the game and were caught on the break. Ennis hit a third from another free kick with almost the last kick of the game to see them win 3-0 - a score line that was harsh on the Kerry side who put up a great battle.

The 16's National Cup Round 4 was also unkind to the two Kerry sides left in the competition. Killorglin held top Limerick side Fairview Rangers to a 1-1 draw after extra time away in Limerick. However it was the Rangers who move into the Last 32 winning 3-2 on penalties. Killarney Celtic travelled to the Oola GAA Grounds to take on Cullin Lattin and this game also went to extra time. And it was the home side that are into the next round following a 7 goal thriller. Daniel Okwute, Cian Doe and Killian O'Sullivan got the Celtic goals as the game ended 3-3 after normal time. But as the game looked to be heading for penalties Cullen Lattin struck late to take the win 4-3.

FAI U16 Women's National Cup

Killarney Athletic travelled to Carragiline to take

on a much more experienced Wilton United in the latest round of the u16 FAI Women's National Cup. The Cork side were 2-0 up at half time and hit two more goals very late on after the Athletic girls had given their all. The Athletic goalkeeper Debbie Doolin was in top form for her side in a game where the score line flattered the home side.

KILLARNEY CELTIC TAKE LEAD IN 12 GIRLS PREMIER

There was lots of actions in the 12 Girls Premier. Goals in the second half from Naoishe O'Donoghue, Eva Cullhane and Niamh Cantillon gave Killarney Celtic White a 3-0 win over Iveragh United. This sees them open a 3 point gap at the top of the table.

Listowel Celtic are only 1 point outside of the top three after they were too strong for new comers MEK Kickerz. Laura Falvey, Lisa Slattery, Ava Walsh and Laura Meehan got the Listowel Celtic goals with Izzy McGrath and Sarah O'Sullivan replying for MEK Kickerz.

Fenit will be very happy with their first win of the season proving that their hard work on the training ground is paying off. Aleshia Deady was their hero hitting a hat trick in their 3-0 win. Listowel Celtic go 2 from 2 in 16 Girls Premier Listowel Celtic were too strong for the St Brendan's Park girls who are in their first season. Credit must go to the Tralee side who had 18 girls on duty at the game with is great to see. For the North Kerry side Cliona Pierse, Kerri Anne Hanrahan, Zara Doherty, Ciara Buttler, Aisling Kelly, Melanie Higgings and Aoife Horgan were on the score sheet.

INTER KENMARE UNBEATEN IN 4 IN 12 PREMIER:

Inter Kenmare have yet to drop a point after 4 games of the JK Sport 12 Premier. Their latest win came from a 2-1 win over Killarney Athletic who were in second place at the start of play. Jack Sweeney and Dawd Grebowicz got the Inter goals with Simone Jasinski getting the Athletic goal.

Tralee Dynamos are up to joint second after they had a good week with a win and a draw the same as Killarney Celtic got this week.

The sides drew 1-1 in mid-week with Mathew Rogers getting the Dynamos goal. On Saturday one goal was enough as Dynamos saw off LB Rovers 1-0 thanks to a Nick Lacey score. Killarney Celtic were 4-0 winners over Killorglin to move up the table thanks to goals from Fiana Bradley, Oisín Fleming 2 and Joey McCarthy. Dingle Bay Rovers and Listowel Celtic settled for a share of the points following a 2-2 draw. Cian McGearailt and Padraig Manning got the Dingle goals.

SUPER SIX FOR INTER AND ATHLETIC IN 12 DIVISION 1:

The JK Sports 12 Division 1 is proving to be a cracking race as both Fenit and Killarney Athletic are unbeaten in their 6 games. Fenit defeated Killarney Celtic B thanks to goals from Aaron Harty and Jayden Deady who both got 2 goals and Cian McKenna and Kealon Dowd who got one each.

RESULTS

UNDER 12 GIRLS

Our Under 12 Girls travelled to Kenmare for their first match in the Under 12 league. The girls were fantastic and even though the score line was 5-2 to Kenmare, the score line doesn't show the heart and determination of our girls who never gave up. Scorers were Keela O'Connor and Lucia. This was the girls first competitive match and were fantastic. They represented the club with pride. Captain of the day was Lauren MacSweeney. Special mention to Millie who at just 7 got really stuck in in our defence line. The girls were very unlucky not to have scored more.

UNDER 16 GIRLS

Travelled to Carrigaline today to play Wilton UTD in the National Cup. After a poor start going 2 goals behind after 8 minutes we

rallied and but for some good defending by Wilton could have pulled 1 back 2-0 halftime. We started the second half very strongly and again had a couple of chances but just couldn't convert in fairness Wilton started to dominate as the half went on and scored twice more to win 4-0. Overall a great performance by our girls in their first foray in the National Cup and against a very experienced Wilton team that will go a long way in the competition in a game that all 16 players did well. Debbie Maye in goal deserves special mention for some excellent saves in goal.

UNDER 12 PREMIER

INTER KENMARE 2 KILLARNEY ATHLETIC 1

Our boys suffered their first defeat of the season away to Kenmare. This was a tough one to take for our lads as we had plenty of chances but could not find the back of the net. Key decisions didn't go our way and that is football sometimes, Simone Jasinski scored a wonder goal to put us ahead but a counter attack and some slack defending saw Kenmare take the three points.

UNDER 12 DIVISION 1

KILLARNEY ATHLETIC B 5 MASTERGEEHA A 2

Our 2nd team have won 6 from 6 this season and are top of league table with Fenit A's. Our goal scorers were Dara Griffin 2, Brian McCarthy 2, and Craig Leggate. Another great team effort with all 13 players making a great contribution. Under 16

KILLARNEY ATHLETIC 1 FENIT 0

A great defensive display led to our first win of the season. Joe Kelliher with his first goal for Athletic settling things. Seniors

KILLARNEY ATHLETIC SENIOR B

KILLARNEY ATHLETIC B 0

INTER KENMARE 5

Very spirited performance by the B team against a much fancied Inter team. In fact the score line doesn't reflect that Athletic dominated for long spells.

FIVE OUT OF FIVE FOR U16'S

MATCH REPORT: KILLARNEY 12 CASTLEISLAND 0 | By Seamus Greal

Killarney u16s secured their 5th straight victory in a highly competitive high quality Munster Conference 2 decider against Castleisland. Our near neighbour's travelled fully locked and loaded with large support. Securing possession from the outset the home team probed wide recycling well with Thomas Clifford in particular dangerous. After a period of intense pressure powerhouse Brendy O Sullivan crashed through and reached the try line. Killarney spent the next 15 minutes trying to build on their lead however resolute scrambling and drifting from the visitors meant that one line break never sufficed. Highly encouraging for Killarney at this stage was the performance of props Adam Cronin and Rob Nealon who carried powerfully. Castleisland impressive line out and scrum eventually yielded territory and forced a penalty that sailed narrowly wide. Encouraged they finished the half attacking however now the home defence showed its mettle and tackled bravely. Killarney regrouped at halftime and again enjoyed territorial advantage. A powerful break from John Mc Carthy was continued with swarming support play and deft hands from Darren Cronin sent Bailey O Sullivan in for a superb team try duly converted by Donnchadh Greal. Both teams battled bravely for the remainder of this very sporting game. Castleisland should have been rewarded for their efforts shortly before the end but unluckily fumbled a certain touchdown. On the day the entire forward unit rose to match a superbly drilled Island 8. The front row of Adam Cronin, Bailey O Sullivan and Rob Nealon had their best collective performance of the year. Returning Darren Cronin and ever improving Cormac Rowe tackled, carried and rucked exhaustively. The back row of John McCarthy, Pdraig Talbot and Brendy O'Donoghue covered every yard of ground and their collective physical presence stifled Islands main attacking threat. The Killarney backline was again expertly marshalled by half backs Peter Walsh and Donnchadh Greal who both passed well

and kicked astutely. Centre partnership of Ozdeniz Koyun and Thomas Clifford excelled running with great speed and power but also counterrucking and turning over ball. The back three of Liam Randles, Dan Twomey and James Kennelly probed with speed and clever ball handling skills. Mikey Moriarty tightened up defence and injected pace when introduced. Cengiz Koyun reminded all in attendance of his potential winning two turnovers on his introduction. Utility forward Shane McAllister and Mike O'Donoghue slotted effortlessly into the concluding defensive effort when introduced.

The victory puts Killarney into an unassailable lead at the head of the conference with a final game away to Dingle next week. Training continues in Aghadoe Thu 7.30 to 9.

Killarney RFC U14 CONVINCING WIN FOR U14'S

MATCH REPORT:
KILLARNEY 22 CASTLEISLAND 0
By Ian Harrington

On a grey but calm morning in Aghadoe last Saturday, Killarney eventually ran out 22-0 winners against a tough and resilient Castleisland side. For the second week in a row, it was Killarney's ability and commitment in the tackle all over the pitch which was the difference between the sides. Killarney struck first with a Pierce Slattery try in the first quarter after good work by Cormac O'Donoghue and Ben Caughran on the wing allowed the try scorer exploit a gap in Castleisland's defensive line. In the second quarter, an opportunistic turnover by Alex O'Leary on his own 22 eventually resulted in a Pierce Slattery try in the corner after some scintillating passing play involving almost the whole Killarney team as they probed the width of the pitch until the gap presented itself.

A Killarney scrum ultimately yielded a try through a Josh Coffey line break run in skilfully under the posts from 45 meters despite Castleisland's best efforts. Finn Kennelly added the extra 2 points to leave the score 17-0 at half time.

Castleisland brought renewed intensity to the game after the break but the Killarney boys - through Darragh McCormick, Thomas Chambers, Jeremiah Landers and Alex O'Leary - still kept their focus and tackle accuracy up throughout, adding a further try by Pierce Slattery near the end.

Scrum-half Donal Hickey provided a platform for the Killarney attack with his fast ball throughout. Other notable performers were Cormac O'Donoghue and Scott Carlton in the second row and substitute Dara Stack on the wing.

Credit must go to the Castleisland players and management for a sporting game played in the right spirit. MAR referee Anthony Clifford did a stellar job officiating a very enjoyable game.

Final score: Killarney 22 Castleisland 0

Killarney RFC Seniors SENIORS POWER ON

MATCH REPORT:
KILLARNEY 32 DOUGLAS/CARRIGALINE 0
By Tom O'Leary

Killarney got off to a storming start with early pressure seeing Damien O'Carroll going over on the wing for a well-worked try within 5 minutes. Despite the conditions being perfect for running rugby, the flow of the game was broken by repeated infringements by Douglas-Carrigaline. These gave Oisín O'Shea two very kickable opportunities, both of which were converted.

At 11-0, Douglas-Carrigaline clearly felt they were very much in the game and made repeated attempts at the Killarney line. A yellow card after a further warning from the ref put them on the backfoot. Killarney made the most of this with converted tries from Damien O'Carroll and Brian Lynch bringing the score to 25-0 at half-time.

The second half was a much scrappier affair with Douglas-Carrigaline very effective in denying Killarney any real momentum. The story of the half was Killarney's quest for the 4th try and winning bonus point. The game flowed from one half to the other with neither team having any clear-cut opportunities. It was only in the dying minutes that Killarney made a momentous effort to break the resistance, with Ger Moynihan being on the end of a major push by Killarney. This was truly a team effort with everyone giving their utmost from start to finish. Some excellent tackling and decision-making and outstanding discipline throughout would have delighted Head Coach Diarmuid O'Malley. Man of the Match was Colin McCarthy for a truly outstanding shift.

National League Division One

LAKERS **WINNING RECORD** CONTINUES

Scotts Lakers St Paul's 80

Portlaoise Panthers 76

By Eamonn Keogh

SCOTTS Lakers winning record continued against a spirited Portlaoise Panthers side in Killarney Sports Centre last Saturday night. Both sides lined out without a number of regulars and the home side held on to win by four points in the end to stay in second place on the southern conference table with a 10-2 record.

Scotts Lakers went into this game without Dutch power forward Papito Hersisa and his loss was quite significant but the absence of Panthers American Mike Pierre was also a notable factor. The visitors started brightly with Mantas Vilimas scoring their opening nine points and the midlanders led 12-5 with six minutes left in the first quarter. Scotts Lakers responded well with three quick three-pointers from Dailian Mason while the introductions of Padraig Lucey and Seamus Brosnan proved to be extra scoring threats and the home side led

23-17 at the end of the first quarter.

Seamus Brosnan continued to impress hitting a brace of three-pointers and Lakers led 38-28 after three minutes of the second quarter. However the home side then failed to score for almost a full six minutes as Portlaoise went on a 11-0 run to take a 38-39 lead with 1:40 left in the half. Scotts Lakers finished stronger with Sean O'Brien upping the tempo with a basket and two three-pointers in the closing minute and the home side led 46-41 at half-time.

Jack Dooley, Kyle Burke and Mantas Vilimas kept the Panthers in contention and they were in control again leading 48-49 midway through the third quarter. However Scotts Lakers hit back again with Mark Greene, Seamus Brosnan, Sean O'Brien, Dailian Mason and Padraig Lucey all contributing well and it was 63-56 in favour of the home side entering the final quarter.

Lucey, O'Brien and Brosnan extended the advantage to 68-60 but a three-pointer from Gary Morrissey narrowed it to 68-65 midway through the final quarter. The Panthers had a chance to narrow the gap further but a superb block from Mark Greene stopped their momentum at a crucial stage. The Lakers took control again with Mason, O'Brien, Lucey and

Greene opening up a ten point lead, 79-69, with 1:11 left. There was no way back for a brave Portlaoise side at this stage but they never gave up and a three-pointer from James Phelan on the final buzzer narrowed the final deficit to four points in the end.

Overall it wasn't a great team performance from Scotts Lakers and they will need to improve with tougher tests ahead. The absence of Papito Hersisa clearly limited their inside scoring threat and left a lot of work for Andrew Fitzgerald, Padraig Lucey and Shane McCarthy to do in the battle of the boards. Lucey, who has missed a number of games this season, benefited from the extra court time and was a dominant force as the game progressed. He finished with 13 points and has so much to offer this Scotts Lakers team if they are to challenge for honours this season. The Lakers shot 12 three-pointers on the night with Mason leading the way with five followed by three each from Sean O'Brien and the impressive Seamus Brosnan and one from Mark Greene

Scotts Lakers: Sean O'Brien 26, Dailian Mason 15, Seamus Brosnan 15, Padraig Lucey 13, Mark Greene 8, Andrew Fitzgerald 2, Shane McCarthy 1. Portlaoise Panthers: Mantas Vilimas 29, Jack

Dooley 13, Kyle Burke 12, James Phelan 7, Gary Morrissey 6, Conor Byrne 6 and Dylan Dunne 3.

WEESHIE

A minute's silence was observed before the game in memory of former local basketball legend Weeshie Fogarty, a man who has been synonymous with the history and progress of Killarney basketball since the sport was first played in the town in 1951.

NATIONAL CUP

Scotts Lakers turn their attention to a crucial President's National Cup quarter-final against Limerick Celtics in Killarney Sports Centre on this Saturday night, December 1st. The good news for Lakers coach Cormac O'Donoghue and his squad is that big power forward Papito Hersisa will return for this match. The sides clashed in Limerick earlier this season with the Lakers coming out on top. However the Celtics have improved significantly since then and ran league leaders Ballincollig close last weekend before eventually losing by ten points. They have some talented performers in American Turrell Morris along with Alvero Martinez, Fabio Hernandez and Shane O'Connell and will present a tough challenge for Scotts Lakers. In their previous meeting Sean O'Brien scored 29 and Papito Hersisa added 22 and more of the same may be required again with a place in the final four of the national cup at stake. Scotts Lakers will also be looking for big performances from team captain Mark Greene, Dailian Mason, Seamus Brosnan, Padraig Lucey, Andrew Fitzgerald and assistant player coach Shane McCarthy. It promises to be a big night in Killarney Sports Centre for this knockout cup clash and supporters should note that this match will tip off at the earlier time of 7.00 pm on Saturday night.

James Fleming

Former St. Paul's Killarney superleague player James Fleming was honoured this week with his appointment as assistant coach to the Ireland U-20 ladies team. James received the Basketball Ireland Women's Division one Coach of the Year award last season after he led Fr Mathews ladies' team in Cork to their first ever National Cup title. He is also guiding the Cork side this season in the superleague. He coached the St. Paul's ladies team for a number of years in the national league and has coached some of the club underage teams in recent seasons. As a player, James won a U-19 national cup with St. Paul's in 1995 and played national league and superleague with the Killarney side in the late 90s and noughties. He is also a former Dr Crokes senior footballer captaining them to a Munster Club title in 2006 and an All Ireland final appearance in 2007. This is a first international appointment for James Fleming and follows on from the recent announcement of his former teammate James Weldon as head coach of the Irish senior ladies team.

A READERS QUESTION ANSWERED

I would like to thank the reader of my Ramblings that took the trouble to contact me recently regarding "Stinging Nettles help to prevent hair loss" and to apologise for the extended delay in my reply.

The following are just 3 of many options.

Options 1 & 2: Take it as a supplement or Tea

*Nettle supplements are readily available in reputable stores that sell supplements. The capsules are the most common medium, but it is also available in tablet and powder form. Taking one 500mg stinging nettle capsule once or twice daily should be more than enough to extract the nettle's full benefit.

*Nettle Tea should be available in all good herbal stores - just follow the instructions on the packet.

Option 3: Infuse the nettle into oil

You will only need a clean jar (not plastic) extra virgin olive oil, and a large batch of fresh or dry nettle parts.

If you are lucky enough to locate some growing nettles that are free from lead pollution, herbicides and pesticides - wear gloves, a long-sleeved shirt, and long pants because if you touch any part of the plant, it will be mildly painful and can persist for many hours.

Should you manage to locate such plants, instead of taking the entire stalk, use a scissors or clippers to cut the top two bracts of the leaves. This will allow the rest of the plant to regenerate again for future use. You can also purchase dry leaves from some stores if fresh leaves are not an option.

*Take the dry or chopped up fresh nettles (if these nettles were handpicked, make sure to scrub off all the dirt) and fill the jar halfway.

*Take the olive oil and fill the jar until it is completely submerging the nettles - failure to do so could eventually introduce mould into the mixture.

*Stir the oil with a clean utensil until the oil is completely settled - there should not be any bubbles left - and seal it tightly.

*Shake the oil every day for a week, while making sure that the oil is covering the top of the herb.

*Periodically check for any mould content by opening the mixture and smelling for rancidity.

*Let it sit for a total of three to six weeks. Shake the jar throughout the entire infusion process to better imbue the herb into the oil.

*After the herbs have been infused properly place a cheesecloth on top of a fine-mesh strainer and put it over a medium bowl. Pour the entire mixture over the cheesecloth and let it strain into the bowl. Grab the cheesecloth and squeeze as much oil out of the nettles as possible.

Pour it into a jar and store in a dark, cool place for up to a year. Massage stinging nettle oil into your scalp at night, one to two times per week. Put on a sleep turban and let the oil do its work as you sleep. Shampoo as normal in the morning.

Warning - Stinging nettle has many wonderful benefits - but can interact with some medications. Please discuss its use in either supplement or oil form with a doctor especially if you are taking any of the following: Blood-thinning drugs, Diuretics, Blood pressure drugs, Anti-inflammatory drugs and carry out a small spot test on the scalp for sensitivity before constant use of the oil.

1999 - The ban of beef on the bone (T Bone Steak, Rib of Beef etc) put in place during the BSE crisis in England was lifted.

2002 - The Cork Senior Hurlers went on strike.

2004 - After winning 74 straight games and more than \$2.5 million—a record for U.S. game shows—Jeopardy! contestant and software engineer Ken Jennings lost his winning streak.

2007 - Robert Craig Knierim Jr., professionally known as Evel Knierim, best known as a Motorcyclist stunt performer and entertainer, died at his home in Clearwater, Florida, aged 69. He had been suffering from diabetes and idiopathic pulmonary fibrosis for years.

AN ISLAND'S ONLY DUCK

On the island of Niue in the South Pacific Ocean, 2,400 kilometres (1,500 mi) northeast of New Zealand, a recent settler named Trevor the duck has been causing a stir in the local community; because it is believed Niue has never had a duck before.

No one knows how he could have gotten there, either. Theories range from him flying all the way from New Zealand to stowing away aboard a

luxury yacht!

Regardless of the "how", the mallard, who is named after Trevor Mallard, the speaker of New Zealand's House of Representatives, has already made a home for himself in a small puddle by the airport. Locals visit him every day to bring him peas, corn, rice, and sometimes a former New Zealand commissioner comes by to feed him bok choy. Tourists even stop by to take pictures with the feathery celebrity.

Even the local fire department is involved in welcoming their new neighbour; they're in charge of refilling his puddle when it gets low.

Felicity Bollen, the chief executive officer of Niue Tourism said "We have whales and dolphins; we have a lot of things in the water, but not land animals or birds, so seeing a Duck wandering around is creating a lot of interest and we will use him as part of a marketing perspective for our country".

THE MAN BEHIND THE WORLD'S LONGEST-RUNNING FREE CLINIC

Over the course of his 44-year career, Dr. Ramana Rao has cured or treated over two million people—and he's never charged a cent for his service.

Dr. Rao is the compassionate sage behind the world's longest-running free clinic. After earning his doctorate in 1973, he opened the little village treatment centre the next day.

Initially, he only treated a few patients per day. Now, there are sometimes up to 2,000 people lining up outside the clinic doors near Bangalore, India.

Dr. Rao provides everything from injections and medications to cataract surgeries, as well as dozens of services for oral health, skin care and general health. He even supplies his weary patients with food while they wait in line.

In addition to being assisted by his wife and sons, all of whom are doctors, he is also helped by a team of volunteers, many of whom are former patients of his.

Since broadcasting a plea for financial contributions eight months ago on the Indian crowdfunding platform Milaap, Dr. Rao's clinic has received hundreds of donations totalling over €75,000 (6 million rupees), so far.

FOCUS ON: HARDWOOD CUTTINGS

Hardwood cuttings are a pretty easy and a very reliable method of propagating a wide range of deciduous shrubs, climbers and fruit bushes. Most deciduous shrubs are ideal for taking hardwood cuttings, for example Buddleja (Butterfly Bush) Ribes (Flowering Currant), Viburnums or Forsythia and the same applies to a lot of deciduous climbers like honeysuckles and Jasmine plus fruit bushes like black currants and gooseberries. The best time to take hardwood cuttings is when the plant is dormant which is from about mid Autumn until late Winter but the ideal time would be just after the leaves fall off the plant or just before the buds start to burst in early Spring. These types of cuttings may be slow to roots however it is very successful. Next week: How to take Hardwood Cuttings

DEALING WITH DEPRESSION

In their book, *'Depression, an emotion not a disease'*, Tubridy and Corry describe depression as an emotional state in which one is overwhelmed by feelings ranging from hopelessness to despair and desolation. Many people feeling this way believe that nothing they do can make a difference, which in turn makes change very difficult. However, by focusing less on one's feelings and actively putting in place behaviours which bring about an opposite feeling, we begin to believe that we can do something to make a difference. Doing activities such as exercising, having a massage or yoga can all help to change our old mindset and lead to feelings of self-mastery, hope and control.

Many of us are all too familiar with the inner judge or critic – that enslaves us by constantly beating us up, telling us that we're not good enough or will never amount to anything. From the time we are very young we have been receiving these messages so that eventually we internalise this voice and automatically think 'I'm no good'.

A very helpful exercise can be to begin to rate the severity of your own critic on a scale of 0-10. Counselling can help us to do this. Before we can release ourselves from the stranglehold of the critic, we must first become aware of its presence. Once we become aware and mindful of the critic we can begin to cut ourselves loose from its grip. Having developed this awareness, we begin to be less hard on ourselves and more self-compassionate.

A fundamental law of consciousness is that whatever we give our attention to, will grow in our mind. Thus if you continue to think 'I'm useless, nobody cares, life's too difficult' then these thoughts will grow in your mind, leading you only to seeing what's wrong with your life. Whatever is to the forefront of our mind is what we will perceive in the World around us. In the words of Shelly, The Mind Becomes that which it perceives. Thankfully, the opposite is also true. Thus if you consciously decide to focus what is working in your life, you can begin to change your mindset.

When we are depressed our mind has foreclosed on any new ideas – and we filter our thoughts, feelings and behaviours through a mindset that is helpless and bleak. This leads us to repeating the cycle of misery and tormenting thoughts – rather than taking in any new information. When our minds are closed in this way we have only one way of seeing things - we construct the world from behind our eyes.

Next week we will continue to look at how our minds work when we are depressed and ways in which we can change this.

A Word of Victory

Welcome back dear reader, the spirit of fear causes depression and anxiety, and torments and paralyzes God's beautiful people. It is demonic in origin. Jesus said 'the thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full' (John 10:10). Anyone who is crippled with worry, stress, anxiety and depression is not enjoying life to the full and the devil is doing a good job of destroying them. I used to struggle with anxiety and fear in the past. It was brought on during a period of intimidation by someone who was harassing me. It caused my physical health to breakdown at the time, and panic attacks and anxiety followed. I had no clue how to overcome the debilitating fear – I felt utterly helpless. It was something I could only discuss with a couple of people so it was very isolating. Those who did know what was going on found it hard to understand, and try as I might I couldn't 'snap out of it' as it wasn't something I could control. People go through many problems in life - set-backs, disappointments, failure, rejection, the loss of a loved one, abuse or a trauma, relationship, health or financial troubles. Problems can build up, one on top of the other, and maybe we can cope with a certain number of them, but finally at some point, it all becomes too much and the straw on our camel's back snaps. Today there is increasing pressure on people to perform and achieve success and it can cause overwhelming stress, leaving them feeling useless or helpless if they cannot keep up. Friend, this is a strategy of the devil to destroy you and bully you into giving up - don't fall for it!

David wrote ... "You will show me the path of life, in Your Presence is fullness of joy" (Psalm 16:11). Peace and Joy is only to be found in the Presence of God. When the crunch came for me I had a decision to make – I opened the Bible one night during a bad bout of fear and cried out to God. It fell open and a Scripture seemed to jump off the page to me. I knew it was Jesus speaking to me through His Word, and it brought me peace to know that He was there with me. He is waiting to do the same for you friend – to deliver you from fear, but you must ask Him in! (Revelation 3:20) See more on wordofvictory.net

**NOVENA TO
ST. ANTHONY**

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers.

Miracles waited on your world which you were ever ready to speak for those in trouble and anxiety. Encouraged by this thought I implore of you to obtain for me my request... (mention request). The answer to my prayer may require a miracle. Even so, you are the Saint of Miracles. O gentle and loving St. Anthony, whose heart was ever full of human sympathy, intercede for me and the gratitude of my heart will ever be yours. Amen.

M.M

**THE MIRACLE
PRAYER**

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one. (Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

Prayers answered. **J.K.O.C**

**MIRACULOUS INVOCATION
TO SAINT THERESA THE
LITTLE FLOWER**

O glorious Saint Therese, whom Almighty God has raised up to aid and counsel mankind, I implore your Miraculous Intercession.

So powerful are you in obtaining every need of body and soul our Holy Mother Church proclaims you a "Prodigy of Miracles...the Greatest Saint of Modern Times." Now I fervently beseech you to answer my petition (mention here) and to carry out your promises of spending Heaven doing good upon the earth... of letting fall from Heaven a Shower of Roses. Henceforth, dear Little Flower, I will fulfill your plea "to be made known everywhere" and I will never cease to lead others to Jesus through you.

Amen. Say the above for 9 days and you will receive a flower or a rose in some form during or after 9 days as an indication that your request will be granted. J.C

ST THERESA

St. Theresa the Little flower, Please pick for me a rose from the heavenly gardens and send it to me with a message of love. Ask God to please grant me the favour I thee implore and tell him I will hi, each day more and more. Amen. J.C.

On the first anniversary of the tragic death of Denise, we her parents Denis and Grace, brother Shane, boyfriend Daniel, aunts, uncle, cousins, wish to express our heartfelt thanks to our relatives, friends, neighbours and work colleagues who shared our sad loss and helped us through this difficult time.

We acknowledge in a special way those first on the scene who assisted Denise, also Denis O'Brien and family, Barraduff First Responders, Glenflesk GAA for the use of the defibrillator and the emergency services who worked so hard to save her.

Our deepest gratitude to Fr. George Hayes for his help and support on the night of the accident.

A sincere thank you to those who supplied and erected the lighting. Our heartfelt thanks to those who organised and assisted with the stewarding, who along with the help of the Gardai, allowed the traffic to flow freely. This enabled us to have a home wake for Denise. You will be forever in our prayers.

A special word of thanks to those who spent the nights with Denise as she lay in repose.

We acknowledge in a special way Msgr. Dan for the recital of the Rosary, and for his love and support during the past year. We are truly grateful to those who travelled in such large numbers from far and near. Thank you to those who telephoned, send Mass cards, enrolments, letters of condolences and floral tributes. To her many friends, her work colleagues from Robs Ranch and Liebherr, Rathmore GAA, The Board of Management of Barraduff NS, Barraduff Tidy Village Committee and those who prepared, brought and served a constant flow of food, we thank you for your thoughtfulness. We offer particular thanks to Denise's friends and classmates from the Computer Science Department UCC. Professor Cormac Sreenan and Dr. John Herbert who supported us in so many ways. Sincere thanks to Fr. Gerard Dunne and the chaplaincy team at UCC. We are grateful to Fr. Pat for kindly facilitating Denise's funeral Mass at home, for making it so special and for his continuous support.

Thank you to Msgr. Dan, Fr. George Hayes, Fr. Larry Kelly, Fr. Gerard Dunne, who concelebrated the Mass.

A special word of thanks to her cousin Joan for the music and singing, to those who took an active part in the Mass and to Bridie the Sacristan. We would like to thank the Millstreet Gardai for escorting Denise from her home to her final resting place. We express our deep appreciation to John D and Michael John who were so professional, helpful and kind, and thank you to the grave digger.

We are truly indebted to the staff at Cork University Hospital and Bons Secours Hospital Cork for the kind, compassionate care shown to Denise and for the emotional and practical support provided to Grace and Shane.

At it would be impossible to thank everyone individually please accept this acknowledgement as an expression of our gratitude and appreciation.
